(4) For general obligation bonds approved for issuance at an election
held on or before June 30, 2016, the sum of the amount determined under
subsection (b)(1)(F) and the amount determined under subsection (b)(2)(E)

include the current fiscal year.

(C) (i) Subject to clause (ii), the state board of education shall
prioritize the allocations to school districts from the school district capital
improvements fund in accordance with the priorities set forth as follows in
order of highest priority to lowest priority:

by a district-wide energy usage analysis, district-wide architectural

(7) A school district that had an enrollment of less than 260 students in the school year immediately preceding the school year in which an election is held to approve the issuance of general obligation bonds shall not be entitled to receive payments from the school district capital improvements fund unless such school district applied for and received approval from the state board of education to issue such bonds prior to holding an election to approve such bond issuance. The provisions of this paragraph shall apply to general obligation bonds approved for issuance at an election held on or after July 1, 2017, that are issued for the purpose of financing the construction of new school facilities.

(8) For general obligation bonds approved for issuance at an election held on or after July 1, 2017, in determining the amount under subsection (b)(2)(D) and (b)(3)(D), the state board shall exclude payments for any capital improvement project, or portion thereof, that proposes to construct, reconstruct or remodel a facility that would be used primarily for extracurricular activities, unless the construction, reconstruction or remodeling of such facility is necessary due to concerns relating to the safety of the current facility or disability access to such facility as demonstrated by a state fire marshal report, an inspection under the Americans with disabilities act, 42 U.S.C. § 12101 et seq., or other similar evaluation.

(9) For general obligation bonds approved for issuance at an election held on or after July 1, 2022, the state board of education shall:

(B) in determining the amount of the AVPP of a school district, exclude the number of students enrolled in a virtual school, as defined in K.S.A. 72-3712, and amendments thereto, that is offered by such school district from the determination of the AVPP of such school district.

(c) The state board of education shall certify to the director of
accounts and reports the entitlements of school districts determined under the provisions of subsection (b), and an amount equal thereto shall be transferred by the director from the state general fund to the school district capital improvements fund for distribution to school districts.
