The sentencing court shall not distinguish between the controlled substances cocaine base (9041L000) and cocaine hydrochloride (9041L005) when sentencing within the sentencing range of the grid block.
- 11 (2) In presumptive imprisonment cases, the sentencing court shall 12 pronounce the complete sentence which shall include the:

The court may impose an optional reduction in such sentence of not to exceed 50% of the mandatory increase provided by this subsection upon making a finding on the record that one or more of the mitigating factors as specified in K.S.A. 21-6815, and amendments thereto, justify such a reduction in sentence. Any decision made by the court regarding the reduction in such sentence shall not be considered a departure and shall not be subject to appeal.
  - (f) (1) The sentence for a third or subsequent felony conviction of

The secretary's determination regarding the availability of treatment resources shall not be subject to review. Upon the successful completion of such intensive treatment program, the offender shall be returned to the court and the court may modify the sentence by directing that a less severe penalty be imposed in lieu of that originally adjudged.
