§ 4. Qualifications of members.—During the time that any person is a candidate for nomination or election to the legislature and during the term of each legislator, such candidate or legislator shall be and remain a qualified elector who resides in his or her district.

§ 5. Eligibility and disqualification of members.—No member of congress and no civil officer or employee of the United States or of any department, agency, or instrumentality thereof shall be eligible to be a member of the legislature. Any member of the legislature who accepts any appointment or election contrary to the foregoing shall be disqualified as a member of the legislature.

§ 6. This section was eliminated by the 1974 revision of this article.

§ 7. This section was eliminated by the 1974 revision of this article.

§ 8. Organization and sessions.—The legislature shall meet in regular session annually commencing on the second Monday in January, and all sessions shall be held at the state capital. The duration of regular sessions held in even-numbered years shall not exceed ninety calendar days. Such sessions may be extended beyond ninety calendar days by an affirmative vote of two-thirds of the members elected to each house. Bills and concurrent resolutions under consideration by the legislature upon adjournment of a regular session held in an odd-numbered year may be considered at the next succeeding regular session held in an even-numbered year, as if there had been no such adjournment.

The legislature shall be organized concurrently with the terms of representatives except that the senate shall remain organized during the terms of senators. The president of the senate shall preside over the senate, and the speaker of the house of representatives shall preside over the house of representatives. A majority of the members than elected (or appointed) and qualified of the house of representatives or the senate shall constitute a quorum of that house. Neither house, without the consent of the
other, shall adjourn for more than two days, Sundays excepted.

Each house shall elect its presiding officer and determine the rules of its proceedings, except that the two houses may adopt joint rules on certain matters and provide for the manner of change thereof. Each house shall provide for the expulsion or censure of members in appropriate cases.

Each house shall be the judge of elections, returns and qualifications of its own members.

§ 9. Vacancies in legislature.—All vacancies occurring in either house shall be filled as provided by law.

§ 10. Journals.—Each house shall publish a journal of its proceedings. The affirmative and negative votes upon the final passage of every bill and every concurrent resolution for amendment of this constitution or ratification of an amendment to the Constitution of the United States shall be entered in the journal. Any member of either house may make written protest against any act or resolution, and the same shall be entered in the journal without delay or alteration.

§ 11. This section was eliminated by the 1974 revision of this article.

§ 12. Origination by either house.—Bills and concurrent resolutions may originate in either house, but may be amended or rejected by the other.

§ 13. Majority for passage of bills.—A majority of the members then elected (or appointed) and qualified of each house, voting in the affirmative, shall be necessary to pass any bill. Two-thirds (2/3) of the members then elected (or appointed) and qualified in each house, voting in the affirmative, shall be necessary to ratify any amendment to the Constitution of the United States or to make any application for congress to call a convention for proposing amendments to the Constitution of the United States.

§ 14. Approval of bills; vetoes.—(a) Within ten days after passage, every bill shall be signed by the presiding officers and presented to the governor. If the governor approves a bill, he shall sign it. If the governor does not approve a bill, the governor shall veto it by returning the bill, with a veto message of the objections, to the house of origin of the bill. Whenever a veto message is so received, the message shall be entered in the journal and in not more than thirty calendar days (excluding the day received), the house of origin shall reconsider the bill. If two-thirds of the members then elected (or appointed) and qualified shall vote to pass the bill, it shall be sent, with the veto message, to the other house, which shall in not more than thirty calendar days (excluding the day received) also reconsider the bill, and if approved by two-thirds of the members then elected (or appointed) and qualified, it shall become a law, notwithstanding the governor’s veto.

If any bill shall not be returned within ten calendar days (excluding the day presented) after it shall have been presented to the governor, it shall become a law in like manner as if it had been signed by the governor.

(b) If any bill presented to the governor contains several items of appropriation of money, one or more of such items may be disapproved by the governor while the other portion of the bill is approved by the governor. In case the governor does so disapprove, a veto message of the governor stating the item or items disapproved, and the reasons
therefor, shall be appended to the bill at the time it is signed, and the bill shall be returned with the veto message to the house of origin of the bill. Whenever a veto message is so received, the message shall be entered in the journal and, in not more than thirty calendar days, the house of origin shall reconsider the items of the bill which have been disapproved. If two-thirds of the members then elected (or appointed) and qualified shall vote to approve any item disapproved by the governor, the bill, with the veto message, shall be sent to the other house, which shall in not more than thirty calendar days also reconsider each such item so approved by the house of origin, and if approved by two-thirds of all the members then elected (or appointed) and qualified, any such item shall take effect and become a part of the bill.

(a) Joint rules; expiration, adoption, amendment, suspension and revocation; vote required. Joint rules are adopted under the authority of section 8 of article 2 of the Constitution of the State of Kansas and shall govern matters made subject thereto except when otherwise specifically provided by joint rule. Joint rules shall expire at the conclusion of the terms of representatives. Joint rules shall be adopted, amended, suspended and revoked by concurrent resolution of the two houses of the legislature. Concurrent resolutions adopting joint rules shall receive the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in each house.

(b) Amendment, suspension or revocation of joint rules; previous notice; vote required. After one day's previous notice, joint rules may be amended, suspended or revoked by the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in each house. Upon the filing of such notice in either house, a message shall be sent to the other house advising of the filing of such notice and the reading of the message shall constitute notice to the members of such house. If such previous notice is not given, the affirmative vote of 2/3 of the members then elected (or appointed) and qualified in each house shall be required for the amendment, suspension or revocation of a joint rule.

(c) Amendment, suspension or revocation of joint rules at commencement of legislative session; vote required; conditions. Notwithstanding any provision of this rule to the contrary, no notice shall be required for the adoption of a concurrent resolution amending, suspending or revoking any one or more joint rules at the commencement of a legislative session, and adoption of any such concurrent resolution shall require only the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in each house, subject to the following conditions: (1) The concurrent resolution is sponsored by the speaker or the president; and (2) either: (a) A copy thereof is mailed to each member of the legislature by deposit in the United States mails not later than 11:00 p.m. on the Thursday preceding the Monday on which the legislative session is to commence; or (b) in lieu of mailing, copies of the
concurrent resolution are made available to members on the first day of the legislative session and final action is taken on a subsequent legislative day.

**Joint rule 2. Joint sessions.** (a) *Joint session called by concurrent resolution; vote required; time, place and subject matter.* A joint session of the senate and house of representatives may be called by concurrent resolution adopted by the affirmative vote of not less than a majority of the members elected (or appointed) and qualified in each house of the legislature or as may otherwise be prescribed by law. Any such resolution shall fix the time and place of the joint session, and the subject matter to be considered at the joint session. Joint sessions shall consider only such matters as are prescribed by law or by the concurrent resolution calling such joint session.

(b) *Presiding officer at joint sessions; record of joint session; rules applicable.* The speaker of the house of representatives shall preside at all joint sessions of the senate and house of representatives, and the clerk of the house of representatives shall keep a record of the proceedings thereof and shall enter the record of each such session in the journal of the house of representatives. The rules of the house of representatives and the joint rules of the two houses, insofar as the same may be applicable shall be the rules for joint sessions of the two houses.

(c) *Votes in joint session; taking; requirements.* All votes in a joint session shall be taken by yeas and nays, and in taking the same it shall be the duty of the secretary of the senate first to call the names of the members of the senate, and after which the clerk of the house of representatives shall in like manner call the names of the members of the house. Each member of the senate and the house of representatives present shall be required to vote on all matters considered in joint session, unless excused by a vote of a majority of the members of both houses present.

**Joint rule 3. Conference committee procedure.** (a) *Action by house of origin of bill or concurrent resolution amended by other house.* When a bill or concurrent resolution is returned to the house of origin with amendments by the other house, the house of origin may: (1) Concur in such amendments; (2) refuse to concur in such amendments; or (3) refuse to concur in such amendments and request a conference on the bill or concurrent resolution.

(b) *Concurrence by house of origin; concurrence prior to taking action on conference committee report by other house; final action; effect of
failure of motion to concur. The house of origin of any bill or concurrent resolution may concur in any amendments made by the other house, except that if the bill or concurrent resolution has been referred to a conference committee such action may only be taken prior to the taking of final action upon the conference committee report upon such bill or concurrent resolution by the other house. A vote in the house of origin of any bill or concurrent resolution on a motion to concur in amendments to such bill or concurrent resolution by the other house shall be considered action on the final passage of the bill or concurrent resolution and the affirmative and negative votes thereon shall be entered in the journal. If the motion to concur is upon amendments to a bill or concurrent resolution for which a conference committee has been appointed and action has not been taken upon the report of such committee by the other house and such motion fails, the bill or concurrent resolution shall not be deemed to have been killed thereby and the motion to concur may be renewed but not on the same legislative day. If the motion to concur is upon amendments to a bill or concurrent resolution for which a conference committee has not been appointed and such motion fails, the bill or concurrent resolution shall be deemed to be killed.

(c) Motion to nonconcur; when considered final action; effect of adoption of motion. A vote in the house of origin of any bill or concurrent resolution on a motion to nonconcur or to refuse to concur in amendments to such bill or concurrent resolution by the other house which is not coupled with a request for the appointment of a conference committee shall be considered action on final passage of the bill or concurrent resolution and the affirmative and negative votes thereon shall be entered in the journal, and the bill or concurrent resolution shall be deemed killed on the adoption thereof.

(d) House of origin refusal to concur or nonconcur; request for conference; procedure. When a bill or concurrent resolution is returned by either house to the house of origin with amendments, and the house of origin refuses to concur or to nonconcur therein, a conference may be requested by a majority vote of the members present and voting. Such request shall be transmitted to the other house by message which shall include the names of the conferees on the part of the requesting house. Upon receipt of any such message, the receiving house may, in like manner, approve such conference, and shall thereupon notify the requesting house by message stating the names of its conferees.
(e) Membership; appointment; chairperson; house of origin of substitute or materially changed bill or concurrent resolution; meetings of conference committee. Each conference committee shall consist of three members of the senate and three members of the house of representatives, unless otherwise fixed by agreement of the president of the senate and speaker of the house. Senate members shall be appointed by the president of the senate and house members shall be appointed by the speaker of the house of representatives. The president or the speaker may replace any conferee previously appointed by such person. Not fewer than one member appointed from each house shall be a member of the minority political party of such house except when such representation for such house is waived by the minority leader of such house. In all cases, the first-named member of the house of origin of the bill or concurrent resolution assigned to the committee shall be chairperson of the conference committee. The house of origin of a substitute bill or substitute concurrent resolution shall be the house in which the bill or concurrent resolution in its original form was introduced. The chairperson of a conference committee on a bill or concurrent resolution the subject matter of which has been ruled to be materially changed shall be a member of the house which amended the bill or concurrent resolution to materially change the subject matter. Each conference committee shall meet on the call of its chairperson. All meetings of conference committees shall be open to the public and no meeting shall be adjourned to another time or place in order to subvert such policy.

(f) Conference committee reports; matters which may be included; report not subject to amendment; house which acts first on report; copies of reports; reports considered under any order of business. Only subject matters which are or have been included in the bill or concurrent resolution in conference or in bills or concurrent resolutions which have been passed or adopted in either one or both houses during the current biennium of the legislature may be included in the report of the conference committee on any bill or concurrent resolution except in any appropriations bill there may be included a proviso relating to any such item of appropriation. Subject to any limitations imposed under the constitution of the state of Kansas, no more than a total of four additional bills or concurrent resolutions or parts of bills or concurrent resolutions in conference or bills or concurrent resolutions or parts of bills or concurrent resolutions which have passed in either one or both houses during the current biennium of the legislature may be included in the report of the conference committee on any bill or concurrent resolution, except that
reports of conference committees on any taxation bill are not subject to the limitation contained in this provision. A conference committee report shall not be subject to amendment. The original signed conference committee report shall be submitted to and acted upon first by the house other than the house of origin of the bill or concurrent resolution. Except when a conference committee report is an agree to disagree coupled with a request that a new conference committee be appointed or is a recommendation to accede to or recede from all amendments of the second house, electronic and paper copies of the report shall be made available to all members of the house considering the report not later than 30 minutes before the time of its consideration, except that if the report is more than six pages in length no paper copies will be required to be distributed to individual members provided that at least 10 paper copies of the report are made available to members at the clerk's or secretary's desk at the front of the respective house. By written notice, the majority leader may direct the clerk or secretary to increase from six pages to some greater number of pages the size of conference committee reports that need not be distributed by paper copies to individual members pursuant to this rule. The affirmative vote of $2/3$ of the members present in the house at the time of consideration of the report shall be sufficient to dispense with distribution of copies of the conference committee report to all members of that house. Reports of conference committees may be received and considered under any order of business.

(g) **Signatures required on conference committee reports.** All initial conference committee reports other than an agreement to disagree coupled with a request that a new conference committee be appointed shall be signed by all of the conferees. All initial conference committee reports which are an agreement to disagree coupled with a request that a new conference committee be appointed shall be signed by a majority of the conferees appointed in each house. If a conference committee report which is an agreement to disagree coupled with a request that a new conference committee be appointed is not adopted, a subsequent conference committee report shall be signed by all conferees unless a subsequent conference committee report which is an agreement to disagree coupled with a request that a new conference committee be appointed is adopted, in which case a conference committee report subsequent to the adoption of such report shall be signed by a majority of the conferees appointed in each house. All other conference committee reports shall be signed by a majority of the conferees appointed in each house.
(h) Vote to adopt conference committee report final action; effect of failure of motion to adopt conference committee report. The vote to adopt the report of a conference committee, other than a report of failure to agree coupled with a recommendation for appointment of a new conference committee, shall be considered final action on the bill or concurrent resolution and the affirmative and negative votes thereon shall be entered in the journal. If the motion fails, the bill or concurrent resolution shall be deemed to be killed. If the motion on a conference committee report which is an agreement to disagree coupled with a request that a new conference committee be appointed fails, the bill or concurrent resolution shall not be deemed to have been killed thereby and remains in conference.

(i) Report of conference committee unable to agree; effect of failure to request new conference committee; effect of failure of motion to adopt report requesting new conference committee. If a conference committee upon any bill or concurrent resolution is unable to agree, it shall report that fact to both houses. Such report may request that a new conference committee be appointed thereon. If the committee so reports but fails to request the appointment of a new conference committee thereon, the bill or concurrent resolution shall be deemed to have been killed upon the adoption by either house of such report. If the motion to adopt a report requesting the appointment of a new conference committee fails, the bill or concurrent resolution shall be deemed to be killed.

(j) Bills or concurrent resolutions under consideration by conference committees and reports thereof; carryover from odd-numbered to even-numbered year. Bills or concurrent resolutions under consideration by a conference committee, or a report of which has been filed but no action taken thereon in either house, at the time of adjournment of a regular session of the legislature held in an odd-numbered year shall remain alive during the interim and may be considered by the committee and legislature as the case may be at the regular session held in the following even-numbered year.

Joint rule 4. Deadlines for introduction and consideration of bills. The senate and house of representatives shall observe the following schedule of deadlines in making requests for drafting and in the introduction and consideration of bills.

(a) Bill request deadline for individual members. Except for bills introduced pursuant to (i) of this rule, no request to draft bills, except those made by committees, through their respective chairpersons, shall be
made to, or accepted by, the office of the revisor of statutes after the hour of 5:00 p.m. on February 4, 2019, during the 2019 regular session and on February 3, 2020, during the 2020 regular session.

(b) **Bill introduction deadline for individual members.** Except as provided in (i) of this rule, no bill sponsored by a member or members shall be introduced in either house of the legislature after the hour of adjournment on February 13, 2019, during the 2019 regular session and on February 12, 2020, during the 2020 regular session. Such deadline for the introduction of bills by individual members may be changed to an earlier date in either house at any time by resolution duly adopted by the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in such house.

(c) **Bill request deadline for certain committees.** Except for bills to be introduced pursuant to (i) of this rule, no committee except the committee on ways and means of the senate, the committee on assessment and taxation of the senate, select committees of either house when so authorized, the committee on federal and state affairs of either house or the house committees on calendar and printing, appropriations and taxation shall make a request to the office of the revisor of statutes for any bill to be drafted for sponsorship by such committee after the hour of 5:00 p.m. on February 11, 2019, during the 2019 regular session and on February 10, 2020, during the 2020 regular session.

(d) **Bill introduction deadline for certain committees.** Except as provided in (i) of this rule, no bill sponsored by any committee of either house of the legislature, except the committee on ways and means of the senate, the committee on assessment and taxation of the senate, select committees of either house when so authorized, the committee on federal and state affairs of either house or the house committees on calendar and printing, appropriations and taxation shall be introduced in either house after the hour of adjournment on February 15, 2019, during the 2019 regular session and on February 14, 2020, during the 2020 regular session.

(e) **House of origin bill consideration deadline.** No bill, except bills sponsored by, referred to or acted upon by the committee on ways and means of the senate, the committee on assessment and taxation of the senate, select committees of either house when so authorized, the committee on federal and state affairs of either house or the house committees on calendar and printing, appropriations and taxation shall be considered in the house in which such bill originated after the hour of
adjournment on February 28, 2019, during the 2019 regular session and on February 27, 2020, during the 2020 regular session.

(f) Second house bill consideration deadline. No bill, except bills sponsored by, referred to or acted upon by the committee on ways and means of the senate, the committee on assessment and taxation of the senate, select committees of either house when so authorized, the committee on federal and state affairs of either house or the house committees on calendar and printing, appropriations and taxation shall be considered by either house, not the house of origin of such bill, after the hour of adjournment on March 27, 2019, during the 2019 regular session and March 25, 2020, during the 2020 regular session.

(g) Exceptions to limitation of (d), (e) and (f); procedure. Specific exceptions to the limitations prescribed in subsections (d), (e) and (f) may be made in either house by resolution adopted by the affirmative vote of not less than a majority of the members of such house then elected (or appointed) and qualified.

(h) Deadline which falls on day neither house in session; effect. In the event that any deadline prescribed in this rule falls on a day that neither house of the legislature is in session, such deadline shall be observed on the next following day that either house is in session.

(i) Bills introduced in odd-numbered years after deadlines; effect. Bills may be introduced by members and committees in regular sessions occurring in an odd-numbered year after the times prescribed in (b) and (d) of this rule, but there shall be no final action thereon by either house during the session when introduced. Such bills shall be held over for consideration at the next succeeding regular session held in an even-numbered year.

(j) Modification of schedule of deadlines for introduction and consideration of bills; procedure. In any regular session a concurrent resolution may be adopted by the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in each house setting forth a different schedule of deadlines for introduction and consideration of bills for that session and the provisions of such concurrent resolution shall apply to such session notwithstanding provisions of this rule to the contrary.

(k) Bill consideration deadline; exceptions. No bills shall be considered by the Legislature after April 5, 2019, during the 2019 regular session and after April 3, 2020, during the 2020 regular session except bills vetoed by
the governor, the omnibus appropriation act and the omnibus reconciliation spending limit bill provided for under K.S.A. 75-6702, and amendments thereto. This subsection (k) may be suspended for the consideration of a specific bill or bills not otherwise exempt under this subsection by the affirmative vote of a majority of the members then elected (or appointed) and qualified in the house in which the bill is to be considered.

Joint rule 5. Closure of meetings to consider matters relating to security. Any standing committee of the house of representatives, any standing committee of the senate, the legislative coordinating council, any joint committee of both houses of the legislature, any special or select committee of the house of representatives or the senate, the house of representatives in session, the senate in session or a joint session of the house of representatives and the senate may meet in closed, executive session for the purpose of receiving information and considering matters relating to the security of state officers or employees, or both, or the security of buildings and property under the ownership or control of the state of Kansas.

Joint rule 6. Floor amendments to bills making appropriations. (a) Unless by majority consent to correct an error in drafting, no amendment from the floor in either house of the legislature to increase the amount of expenditures that would be authorized in a provision of an appropriations bill shall be in order unless the amendment contains a provision reducing, by a like or greater amount, expenditures that would be authorized in another provision of such appropriations bill. Notwithstanding any rule in either house of the legislature, those portions of a motion to amend a bill as described in this rule shall be indivisible.

(b) The provisions of subsection (a) shall not apply if the ending balance in the state general fund for the ensuing fiscal year is equal to 7.5% or more of the total amount authorized to be expended or transferred by demand transfer from the state general fund in such fiscal year based on the most recent budget profile of the Kansas legislative research department.

**ARTICLE 21. AMENDMENT OF BILLS AND RESOLUTIONS**

**Rule 2101. Germaneness.**

Amendments to bills and resolutions shall be germane to the subject of the bill or resolution. The principal test of whether an amendment is germane shall be its relationship to the subject of the bill or resolution, rather than to wording of the title thereof. The amendment, including any amendment from the floor to strike all of the substantive provisions of a bill or resolution and insert other provisions, must be relevant, appropriate, and have some relation to or involve the same subject as the bill or resolution to be amended. For the purposes of this rule the subject matter of any appropriation bill is the spending and appropriating of money and any amendment which changes the amount of money spent in any state agency or program is germane to any appropriation bill.

**Rule 2102. Form of Amendment Motions.**

Motions to amend bills and resolutions shall specify the page and line number, as shown on the printed bill or resolution, and shall be in writing on a form provided by the House or a form substantially similar. A motion shall be out of order unless the written motion is first delivered to the chief clerk. In the case of amendment by substitute bill, motion shall be made to substitute a written bill for the bill under consideration.

Rule 2104. Motions to Amend Motions.

A motion to amend a motion to amend a bill or resolution shall not be in order.

Rule 2105. Dividing Amendments.

(a) When any motion to amend a bill or resolution contains distinct propositions, it shall be divided by the presiding officer at the request of any member. The division by the presiding officer shall be made in accordance with the following:
   (1) A motion to strike out and insert words of less than a sentence shall be indivisible;
   (2) the distinct propositions shall be only in the form submitted in the motion to amend;
   (3) each proposition must be so distinct that, one being removed, the remainder may stand entirely on their own; and
   (4) those portions of a motion to amend a bill as described in Rule 2110 shall be indivisible.

(b) Upon a request to divide a motion to amend a bill or resolution, the presiding officer shall inquire as to whether there is a request for a ruling on germaneness of the motion to amend. If such a request is made, the issue of germaneness shall be determined prior to dividing the motion.

If no request for a ruling on germaneness of the motion to amend is made, the presiding officer shall proceed to divide the motion to amend in accordance with this rule, and no subsequent request for a ruling on germaneness of any distinct proposition of the motion so divided shall be in order.

(c) The presiding officer, or any member, may request that the member requesting the division make the request in writing specifying the manner in which the motion to amend should be divided.

(d) The division of the motion to amend shall be in accordance with the rules of the House and with items (1) to (4), inclusive, of subsection (a). The ruling of the chairperson of the Committee on Rules and Journal, or in the chairperson’s absence the vice chairperson of the Committee, on how to divide the motion to amend shall not be subject to appeal except that any member may appeal the ruling of the chairperson, or vice chairperson, on the grounds that the division is not in accordance with a rule of the House including the provisions of items (1), (2), (3) or (4) of subsection (a), or any combination thereof.

Rule 2106. Substitute Motions.

No substitute motion to amend a bill or resolution shall be in order.

(b) The Speaker may determine when a bill is subject to subsection (a). An affirmative vote of 70 members shall be required to sustain a challenge to the Speaker’s determination hereunder.
Rule 2108. Motions to Strike Out and Insert.

The rejection of a motion to amend a bill or resolution by striking out and inserting one proposition shall not prevent a motion to strike out and insert another proposition, nor prevent a subsequent motion simply to strike out; nor shall the rejection of a motion simply to strike out prevent a subsequent motion to strike out and insert.

Rule 2109. Identical Motions.

Except upon the unanimous consent of the House, an identical motion to amend a bill or resolution shall not be made a second time on the same legislative day.

Rule 2110. Floor Amendments to Bills Making Appropriations.

(a) Unless by majority consent to correct an error in drafting, no floor amendment to increase the amount of expenditures that would be authorized in a provision of an appropriations bill shall be in order unless the amendment contains a provision reducing, by a like or greater amount, expenditures that would be authorized in another provision of such appropriations bill.

(b) The provisions of subsection (a) shall not apply if the ending balance in the state general fund for the ensuing fiscal year is equal to 7.5% or more of the total amount authorized to be expended or transferred by demand transfer from the state general fund in such fiscal year based on the most recent budget profile of the Kansas legislative research department.

The motion to adjourn shall always be in order, except while a vote is being taken and until announced, or when a member has the floor, or when the previous question is pending; but a motion to recess is not equivalent to a motion to adjourn.

Rule 2303. Motion to Reconsider.

A motion to reconsider shall take precedence of all other questions except the motion to adjourn. No motion for reconsideration of any vote shall be in order, unless made on the same day or the legislative day following that on which the decision
to be reconsidered took place, nor unless a member voting with the prevailing side shall move such reconsideration. A motion for reconsideration, being put and lost, shall not be renewed, nor shall any subject or vote be a second time reconsidered without unanimous consent, but this provision shall not be construed as preventing the introduction of a bill on the same subject. The member moving for reconsideration shall be allowed not more than two minutes for stating the reasons in support of the motion. Such motion shall be subject to debate by any member, stating reasons in support or opposition to the motion. Each of such members shall be allowed not more than one minute for the purpose of such debate. Such motion shall require the affirmative vote of members equal in number to that required to take the action proposed to be reconsidered. A motion to reconsider any final action of the House shall be in order at any time prior to the time at which the message of the House thereon is read into the record of the Senate. A motion to reconsider any final action of the House may be made after the time at which the message of the House thereon is read into the report of the Senate but any action taken pursuant thereto will be contingent upon the return of the measure to the House by the Senate.

**Rule 2304. Previous Question.**

The “previous question” shall be: “Shall the main question be now put?” and until it is decided shall preclude all amendments or debate. When voting on the previous question, the House decides that the main question shall not now be put, the main question shall be considered as still remaining under debate. The main question shall be on the passage of the bill, resolution or other matter under consideration. When amendments are pending, a vote shall first be taken upon such amendments in their order without further debate or amendment. A majority vote of the members present shall order the previous question.

**Rule 2305. Motions Not Subject to Debate.**

All questions relating to priority of business shall be decided without debate. The motion to adjourn, to change the order of consideration of a bill, for a call of the House, and to lay on the table shall be decided without amendment or debate. The several motions to postpone or commit shall preclude all debate on the main question.

**Rule 2306. Motion to Refer Bills or Resolutions to Committee When Not in Committee of the Whole.**

When not in the Committee of the Whole, a motion to refer a bill or resolution from the Calendar to a standing committee shall be in order only when the body is meeting as the House of Representatives and shall be authorized only when offered by the Majority Leader, or in the absence of the Majority Leader, by the Assistant Majority Leader. Such motion shall require the affirmative vote of a majority of the members then elected (or appointed) and qualified to the House.

When not in the Committee of the Whole, a motion to strike a bill or resolution from the Calendar shall be in order only when the body is meeting as the House of Representatives and shall be authorized only when offered by the Majority Leader, or in the absence of the Majority Leader, by the Assistant Majority Leader. Such motion shall require the affirmative vote of a majority of the members then elected (or appointed) and qualified to the House.

Rule 2310. When Motions to be in Writing.
Every motion, except those specified in Rules 2301 and 2303, shall be in writing if the Speaker or any member desires it. All motions to amend a bill or resolution and all resolutions shall be in writing.

(a) No rule of the House shall be suspended except by unanimous consent or by an affirmative vote of a majority of the members then elected (or appointed) and qualified to the House, subject to the following exceptions:
(1) A motion to suspend the rules, and to declare an emergency and to advance a bill to the order of business Final Action, as contemplated in article 2, section 15 of the Constitution shall require an affirmative vote of 2/3 of the members present in the House.
(2) A motion to suspend the rules and to permit amendment and debate of a bill under the order of business Final Action shall require an affirmative vote of 2/3 of the members present in the House.
(b) When under the rules of the House a motion, question or action requires a vote of a majority greater than a majority of the members present, the majority specified for such motion, question or action shall be required to suspend the rules for the purpose of such motion, question or action. When under the rules of the House notice of a motion reduces the required majority for adoption of the motion, the required majority shall not be reduced if the notice is disposed of by suspension of the rules.

ARTICLE 25. VOTING

Rule 2501. Control and Use of Voting System.
The electronic voting system shall be under the control of the Speaker or other presiding officer and shall be operated by the chief clerk. The electronic voting system shall be used to record the vote whenever a roll call vote is taken on any
question and may be used for ascertaining the vote upon any measure upon which a
division of the assembly has been called. In the event that the system is not operat-
ing properly, roll call votes may be taken by calling the roll.

**Rule 2502. Procedure for Taking a Roll Call Vote.**

When a roll call vote is taken, the presiding officer shall state the question and instruct the members to proceed to vote. When sufficient time has been allowed the members to vote, the presiding officer shall inquire: “Has every member had an opportunity to vote?” After a short pause the presiding officer shall direct the chief clerk to close the roll. After the roll has been closed, when Rule 2505 applies, the presiding officer shall inquire: “Does any member desire to explain his or her vote?” and any member so desiring may give such explanation when recognized by the presiding officer. The presiding officer shall inquire: “Does any member desire to change his or her vote?” If any member does desire to change his or her vote, such member when recognized by the presiding officer, shall advise how they desire to change such vote and the presiding officer shall then instruct the chief clerk to make the appropriate change. Under Rule 2502, recurring totals shall be displayed only after the roll is closed. No recurring totals shall be displayed for a determination of the vote upon a division of the assembly.

**Rule 2504. Voting by Members.**

(a) A member may vote only when at their desk or at any place within the chamber of the House when authorized by the presiding officer, who shall direct the chief clerk to so vote for such member.

(b) No member shall vote for another member. No person not a member shall cast a vote for a member, except as otherwise provided in the rules. In addition to such penalties as may be prescribed by law, any member who votes or attempts to vote for another member shall be subject to Article 49 of these rules. If a person not a member votes or attempts to vote for any member, such person shall be barred from the floor of the House for the remainder of the session, and, in addition to penalties prescribed by law, may be punished further as the House determines.

(c) The Speaker shall not be compelled to vote except in case of a tie.

**Rule 2505. Explaining Vote.**

Any member may, when a roll call vote is being taken on the passage or adoption of any bill or resolution, explain their vote. Such member shall be allowed not more than one minute for such explanation. Such explanation, if furnished in writing and signed, with printed name and district number, by such member by 4:00 p.m. upon the day the vote is taken or if the vote is taken subsequent to 3:30 p.m., within one-half hour after the adjournment of the House on that day, shall be entered in the Journal, provided it does not contain more than 100 words.

(a) Unless otherwise ordered, the chief clerk shall record each roll call vote and make copies available for the use of the news media. No record shall be made of the vote of any member voting upon any measure upon which a division of the assembly has been called.

(b) When a roll call vote is taken, it shall be recorded in the Journal by a statement of the names and total number voting in the affirmative, the names and total number voting in the negative, names and total number indicating presence but not voting and the names and total number absent or not voting, except that the provisions of this section shall not permit a member to fail to vote in violation of Rule 2508.

Rule 2507. When Roll Call Vote to be Taken.

(a) A roll call vote shall be taken for the passage of any bill.

(b) A roll call vote shall be taken for the adoption of any concurrent resolution to amend the Constitution of the state of Kansas, to call a Kansas constitutional convention, to extend a session of the Legislature in even-numbered years, to ratify any amendment of the Constitution of the United States, to make any application for Congress to call a convention for proposing amendments to the Constitution of the United States and when required by the joint rules of the House and Senate. A roll call vote is not required for adoption of concurrent resolutions pertaining to commendations or acknowledgments, unless required under subsection (e) of Rule 2507.

(c) A roll call vote shall be taken for the adoption of any House resolution to adopt, amend or revoke any rule of the House or to reject any executive reorganization order.

(e) A roll call vote shall be taken on any question on demand of 15 members, unless a roll call vote is already pending.

Rule 2508. Call of the House.

(a) A call of the House shall be ordered on the demand of any 10 members at any stage of the voting previous to the announcing of the vote or, if the voting system is used, prior to recording the vote. This Rule 2508 shall apply to the taking of a vote upon the final passage of any bill or final adoption of any resolution whether under the order of business Final Action or under any order of business. Also, this Rule 2508 shall apply to the taking of a vote on a motion to strike the enacting clause of a bill and the resolving clause of a resolution and on a motion to strike all after the enacting clause or resolving clause, except when the House is in the Committee of the Whole. When the call of the House is invoked, the doors to the House chamber shall be secured and all members shall be required to be in their seats unless excused by the Speaker. All members present during the call shall be required to vote before the call is raised. The call of the House shall not be raised (so long as 10 members continue the demand) until a reasonable effort, as determined by the Speaker, has been exerted to secure absentees.

(b) Any member, who is directly interested in a question, may be excused from voting, when there is a call of the House. The member, who is requesting to be excused from voting, shall state the reasons therefor, occupying not more than five minutes. The question on excusing such member from voting shall be taken without debate and a 2/3 majority of members present shall be necessary to ex-
cuse such member. If a member refuses to vote, when not excused, such refusal shall constitute grounds for reprimand, censure or expulsion under Article 49 of the Rules of the House.

Rule 2509. Voice Vote; Division of the Assembly.
Except when a roll call vote is required, a voice vote shall be taken on all questions. Any member may call for a division of the assembly to determine the vote by the voting system.

Journal of the House

FIRST DAY

HALL OF THE HOUSE OF REPRESENTATIVES,
TOPEKA, KS, Monday, January 14, 2019, 2:00 p.m.

This being the day fixed by the Constitution of the State of Kansas for the assembling of the 2019 session of the legislature, the House of Representatives was called to order at 2:00 p.m. by Scott Schwab, Secretary of State.

Prayer by guest chaplain, Kent A. Pedersen, Lead Pastor, First Nazarene Church, Hutchinson and guest of Speaker-elect Ryckman:

Heavenly Father, Thank you for a new year that reminds us of the hope of a new beginning for this 2019 legislative body. Though the 2019 legislature is made up of many members we pray they will work together as one unified body!

We pray for unity, not uniformity. We know Father that you made us all uniquely different and we each think differently, but give your servants wisdom to iron out their differences for the good of the citizens of this great state!

The wisdom of Proverbs says that You 'oppose the proud, but gives grace to the humble' so we pray that humility and grace would win the day. We pray that our need for relationships would be more important than our need to be right! The Psalmist reminds us that 'righteousness exalts a nation, but sin condemns any people' so help your servants to make decisions that are right for the people they serve and pleasing to the God they love!

Finally Father, Your wisdom instructs us that the 'fear of the Lord is the beginning of wisdom.' Give your servants wisdom to lead this great state of Kansas. Give divine wisdom to our elected leaders, Governor Laura Kelly, Speaker Ron Ryckman, Jr., President Susan Wagle, and our honorable senators and representatives as they work together to make Kansas a more peaceful and prosperous place for every citizen to live! In Jesus Name I pray. Amen.

The Pledge of Allegiance was led by Representative-elect Hoffman.

Secretary of State Scott Schwab announced the appointment of Susan Kannarr as temporary Chief Clerk of the House.

Secretary of State Scott Schwab requested Rep. Ryckman to approach the well for the oath of office.

Speaker-elect Ryckman subscribed to the following oath of office, which was administered by Chief Justice Nuss.

State of Kansas, County of Shawnee, ss:
I do solemnly swear that I will support the constitution of the United States and the constitution of the State of Kansas, and faithfully discharge the duties of the office of Speaker of the House of Representatives, so help me God. Subscribed and sworn to before me this 14th day of January, 2019.

Lawton R. Nuss
Chief Justice of the Supreme Court
Speaker Ryckman addressed the following remarks to the members of the House:

Thank you, Mr. Chief Justice. I express my gratitude and appreciation to you ... to my family who is up in the gallery today ... to your families who - like mine - make many sacrifices so that we may serve a greater good ... and to you, my fellow representatives here in the people’s House.

You’ve heard this before – “The opportunist thinks of today. The statesman thinks of tomorrow.” We pass by that sentiment every day as we enter this building. President Eisenhower’s words are etched in the Visitor Center wall as a permanent reminder to us – and to those who will sit in these seats long after we are gone – that we have an incredible responsibility to think beyond what is politically expedient ...... beyond what works for the short-term.

We must instead be disciplined enough to form long-term solutions that will make our Great State stable, safe and successful for generations to come. As we embark on this journey together, I urge you to take the long-view. We each come here with a different set of priorities and different ideas on how to address those priorities, but our goal is the same – to ensure Kansas is stable, safe and successful for our children and our grandchildren.

At its core, that includes:
• A STABLE budget & tax policy that doesn’t overspend Kansas into a fiscal crisis.
• SAFE havens for our most vulnerable.
• And, SUCCESSFUL communities across our state where families and local business owners – whether they live in Mission or in Meade - have the opportunity to thrive.
We’ve achieved great things together. The varied life experiences, education, and career backgrounds that we collectively bring to this process give me confidence that we can achieve even more great things together.

Kansans are well represented in this body.
• Voters elected more women to the House this year than they did four and six years ago, followed by an increasing number of women stepping into committee leadership roles.
• Half of this year’s leadership team hails from rural communities, bringing a critical perspective as we work to balance the state’s commitment to both our rural and urban areas.
• And, with 27 new legislators joining us this year, we continue to strike a solid balance for policymaking. Tremendous collaboration can come from blending the institutional knowledge of our veteran legislators with the infusion of new ideas that our incoming freshmen legislators will bring.
But, achieving our shared goals requires us to think of tomorrow, not just today ... to put statesmanship ahead of opportunism. As we embark on this new session ....
• Challenge what you’re told.
• Ask the difficult questions.
• Do your homework.
• Listen to what the other side is saying.
• Come to work with an open mind and fresh ideas, rather than a list of non-negotiables.
• Realize that the best solution may not happen overnight.
• And, appreciate that while none of us will get everything we want, we will all add something to the final product for the good of our state and the communities we serve.
Each of us will leave a legacy from our tenure in the Legislature. Let’s make our legacy one of statesmanship … like Ike aspired to do. Together, let’s choose the path that will ensure a stable, safe and successful Kansas – not just for one year … not just for five years … but for an entire generation and generations to come.

I am honored to work alongside you, and I am privileged to serve as your Speaker of the House. God bless you. God bless your families. And God bless the Great State of Kansas.

Speaker Ryckman was presented the gavel by Secretary of State Scott Schwab and assumed the chair.

Speaker Ryckman announced the appointment of Susan Kannarr as Chief Clerk; Foster Chisholm as Sergeant-at-Arms and Eunice Brubaker as House Chaplain of the House of Representatives.

Speaker Ryckman requested Rep. Finch to approach the well for the oath of office.

Speaker pro tem-elect Finch subscribed to the following oath of office, which was administered by Chief Justice Nuss.

State of Kansas, County of Shawnee, ss:

I do solemnly swear that I will support the constitution of the United States and the constitution of the State of Kansas, and faithfully discharge the duties of the office of Speaker of the House of Representatives, so help me God. Subscribed and sworn to before me this 14th day of January, 2019.

LAWTON R. NUSS
Chief Justice of the Supreme Court

Speaker pro tem Finch addressed the following remarks to the members of the House:

Mr. Speaker. Chief Justice. Members of the Kansas House, friends and family in the gallery today.

With great humility and honor, I accept the position of Speaker pro tem of the Kansas House of Representatives and stand ready to get to work with and for you.

I have thought a great deal about what I want to share with you today and I think it comes down to three things. My three wishes for you as representatives and for us as a House.

My first wish is that you will always know who you are and be able to choose your own path. There will be no end of voices telling you what they think you should do. People who helped you campaign, wrote you checks, or voted for you. And that’s before you get to lobbyists, special interests, state agencies, the other two branches of government and your colleagues here and in the Senate. (Pro tip: listen to them the least)
But in the end, it is only you who must face your image in the mirror each morning and lay your head down to sleep at night, and spend those quiet moments alone, in contemplation of the choices you’ve made and who you really are. I wish that you find peace in those moments because you have chosen your own path, listened to your own voice and let your decisions be guided by wisdom, integrity and fidelity to the long-term best interests of the people you serve.

Second, I hope that you will choose kindness and civility. In public life you will be barraged daily with negativity. Snark and sarcasm replace sincerity and trolls lurk ready to tear down those who make a mistake, misspeak, or whose efforts aren’t completely successful. But as Teddy Roosevelt said, it is not the critic who counts.

You will make mistakes here, you will err, you will from time to time find yourself on the losing end of a just cause. I wish that you will find a friendly face, a ready hand up and a kind word from your colleagues when you do. May you also be the giver of those things when those around you need them, as they certainly will.

May we all pay heed to the better angels of our nature…may we be possessed of a forgiving spirit…and may we all seek first to understand before we seek to be understood. And if we do that our example will stand as a rock of respect and a beacon of decency shining against the rising tide of incivility to light the way for those who follow us.

My final wish for you is that together we will define success in a lasting way. For me that means leaving it a little better than we found it. One of my favorite cartoons features a couple of dogs sitting at a bar and one says to the other “It’s not enough that we succeed, cats must also fail.” There are some here who define success that way, by making the other fail. Others by who raises the most money, gets the most headlines, goes to the most dinners, or comes closest to checking all the boxes on some special interest group’s endorsement list.

My wish is that we would choose a different definition of success. A shared goal of a stronger, better, more prosperous Kansas. A state that is growing, with its people happy, successful and free to pursue their dreams, and free from want. While good people can disagree on the specific path to get there, we would do well to cultivate a mutual desire to achieve this above all else and be willing to work together to find our success in leaving it a little better than we found it.

I close today in the spirit of statesmanship, in the spirit of names like Dole, Kassebaum, Eisenhower and Ross. May we go forward together, standing on a shared commitment to strive to do our best and be our best each day. Bound in union to meet every challenge before us, and secure in the notion that the best days of our beloved Kansas lie ahead and not in the past. May divine providence favor our efforts so that future generations of Kansans will look back on this time and place, this House, the people’s house and say “there…were statesmen.” May God bless each and every one of you and the people you serve, and may God bless the great state of Kansas. Thank you.
Speaker Ryckman asked for announcements from party caucuses:

Rep. Humpheries stated the majority (Republican) party had met and elected the following:

- Majority Leader, Representative Daniel Hawkins
- Assistant Majority Leader, Representative Les Mason
- Majority Whip, Representative Blake Carpenter
- Caucus Chairperson, Representative Susan Humphries

Rep. Hawkins addressed the following remarks to the members of the House:

Thank you, Mr. Speaker, and thank you, colleagues.

As we begin the 2019 legislative session, I want to take a moment to welcome the newest members of the body. Thank you for your service and willingness to step forward.

I’ve seen and heard first-hand the work many of you have done just to sit in this chamber today.

Every member of this body has made some level of sacrifice to serve. Regardless of where you stand on the issues or which side of the aisle your seat is on, you are here out of dedication to a cause bigger than yourself. A special thank you goes out to your family. Their sacrifice may be even larger than yours. Without their support it would be difficult to be here and do the peoples work.

I’m serving beside you today because it is my duty to protect the state I know and love. The state my wife and daughters call home. The state of Kansas. I must thank my wife Diane, who has made it possible for me to be here with you today. Without the constant help from Diane, Hannah and Hayley my service to this state would be difficult. They keep the home and business going while I serve with each of you.

I didn’t run to represent the 100th District or step forward to serve as your Majority Leader because it’s easy for me to leave my family and my business. I didn’t even do it because I enjoy spending months in Topeka debating complex issues.

I decided to serve because I know from personal experience that building a business, raising a family, and preparing for the future are hard enough when government is out of the way. Tens-of-thousands of working Kansans are fighting for a better future, and it’s my duty to stand up for them.

As some of you know, my sense of duty was developed in the Kansas Army National Guard. Public service is my opportunity to carry that forward.

Kansas has been very good to me.

I married my college sweetheart 34 years ago, raised two daughters, and built a business in Wichita. I’ve worked to protect their future their entire lives. I now have an even greater sense of purpose in protecting this great State. I found out this past Christmas that I’m going to be a grandfather. Hannah gave me a present. I unwrapped it to find a wall hanging that said GRANDPARENTS 2019. The greatest Christmas present one could ask for. Thank you Hannah.

From learning a work-ethic and rural values on my grandpa’s dairy farm in Harper County, to owning my own business and serving with you today as your Majority Leader, this Kansas boy has had one heck of a ride.
I want every Kansas kid out there, dreaming big dreams, to have the same opportunities I did.

You and I have an obligation to preserve the same Kansas values I learned as a kid on my grandpa’s dairy farm. We have a duty to work together to make this state better. To provide a hand up, not simply a hand out. To allow people who want to better themselves the opportunity to do exactly that.

We have 90 days to figure policy and budget issues out, but for any of the bills we work this session to mean anything, you and I have to get our priorities right starting today. Thank you again for the honor of being your majority leader.

Rep. Ballard stated the minority (Democrat) party had caucused and elected the following officers:

- Minority Leader, Representative Tom Sawyer
- Assistant Minority Leader, Representative Valdenia Winn
- Minority Whip, Representative Jim Gartner
- Agenda Chairperson, Representative Brett Parker
- Caucus Chairperson, Representative Barbara Ballard
- Policy Chairperson, Representative Eileen Horn

Rep. Sawyer addressed the following remarks to the members of the House:

Thank you, Mr. Speaker. I’d like to thank you all for your sacrifice to serve our state. I’d also like to congratulate you all on winning your elections, and welcome to the 27 newest members of the House. It’s a sign that the people of your district trust you to send you here on their behalf.

We have a lot of work to do, and we are on a journey – that’s what this is. We’re on Day 1 of our 90 day journey. We’re ready to work together to govern. We have great opportunities ahead of us to do good things and help the people of Kansas. As the Leader of the Minority party, I know everyone in this room shares a goal – we all want to make Kansas more prosperous.

We have to work together to properly fund our schools, to provide healthcare to more Kansans, to take care of foster children and fix DCF, to provide needed services to our seniors, to work on our state’s infrastructure, roads and bridges, we need to work on prison reform, and we need to work together on tax fairness. Kansas has one of the highest sales tax rates in the nation. There are a lot of issues we as a legislature need to deal with, and we are here to help solve those issues and find solutions.

90 days goes by quickly, and here we are at Day 1. We know what we need to do, and we will work together to accomplish the best things for the people of Kansas.

The roll was called with 124 members present.
Representative Lewis was excused on verified illness.

Rule 1905. Striking Bills and Resolutions from the Calendar While in Committee of the Whole. (a) While in Committee of the Whole, a motion to strike a bill or resolution from the calendar shall be in order only after the chairperson has announced that the next order of business is such bill or resolution and has recognized a member to carry it.

(b) A motion to strike a bill from the calendar under this Rule 1905 (1) shall require a vote of a majority of the members present for adoption, and (2) shall be subject to roll call in accordance with subsection (c) of Rule 2507, but shall not be subject to a call of the House under Rule 2508.

Rule 1906. Requesting the Floor. Any member desiring to request the floor shall press such member's "speak bill" button to speak on a bill or offer an amendment and "speak amendment" button to speak on a pending amendment, and shall not proceed until recognized by the chairperson of the Committee of the Whole.

Rule 1907. Rules Applicable. The same rules, except Rule 2508, shall be observed in the Committee of the Whole as in the House, so far as the same are applicable, except that the previous question and the motion to lay on the table shall not apply.

Rule 1908. Rise and Report. A motion for the Committee of the Whole to rise and report shall be in order at any stage, and shall be decided without debate. When the Committee of the Whole has a bill under consideration and rises without final action thereon, the bill shall retain a place on General Orders.

Rule 1909. Effect of Recommendation of Committee of the Whole. Bills recommended for passage and resolutions recommended for adoption by the Committee of the Whole shall not be subject to amendment or debate after the adoption by the House of the Committee of the Whole report. When a bill or resolution is reported with the recommendation that the enacting or resolving clause be stricken, and the Committee of the Whole report is adopted by the House, the bill or resolution shall be considered as killed and shall be stricken from the calendar.

Rule 1910. Report of Committee of the Whole. When the report of the Committee of the Whole recommends the passage of a bill or adoption of a resolution, and the report is adopted by the House, such bills and resolutions shall be considered as ordered to the order of business Final Action. If the bill or resolution has been amended by the Committee of the Whole it shall be reprinted.

ARTICLE 21. AMENDMENT OF BILLS AND RESOLUTIONS

Rule 2101. Germaneness. Amendments to bills and resolutions shall be germane to the subject of the bill or resolution. The principal test of whether an amendment is germane shall be its relationship to the subject of the bill or resolution, rather than to wording of the title thereof. The amendment, including any amendment from the floor to strike all of the substantive provisions of a bill or resolution and insert other provisions, must be relevant, appropriate, and have some relation to or involve the same subject as the bill or resolution to be amended. For the purposes of this rule the subject matter of any appropriation bill is the spending and appropriating of money and any amendment which changes the amount of money spent in any state agency or program is germane to any appropriation bill.

Rule 2102. Form of Amendment Motions. Motions to amend bills and resolutions
shall specify the page and line number, as shown on the printed bill or resolution, and shall be in writing on a form provided by the House or a form substantially similar. A motion shall be out of order unless the written motion is first delivered to the chief clerk. In the case of amendment by substitute bill, motion shall be made to substitute a written bill for the bill under consideration.

**Rule 2103. Reading Amendments; General Rule.** Motions to amend bills and resolutions shall not require readings as for bills introduced, except as otherwise provided in Rule 2107, but shall be subject to Rule 2306.

**Rule 2104. Motions to Amend Motions.** A motion to amend a motion to amend a bill or resolution shall not be in order.

**Rule 2105. Dividing Amendments.** (a) When any motion to amend a bill or resolution contains distinct propositions, it shall be divided by the presiding officer at the request of any member. The division by the presiding officer shall be made in accordance with the following:

1. A motion to strike out and insert words of less than a sentence shall be indivisible;
2. the distinct propositions shall be only in the form submitted in the motion to amend;
3. each proposition must be so distinct that, one being removed, the remainder may stand entirely on their own; and
4. those portions of a motion to amend a bill as described in Rule 2110 shall be indivisible.

(b) Upon a request to divide a motion to amend a bill or resolution, the presiding officer shall inquire as to whether there is a request for a ruling on germaneness of the motion to amend. If such a request is made, the issue of germaneness shall be determined prior to dividing the motion.

If no request for a ruling on germaneness of the motion to amend is made, the presiding officer shall proceed to divide the motion to amend in accordance with this rule, and no subsequent request for a ruling on germaneness of any distinct proposition of the motion so divided shall be in order.

(c) The presiding officer, or any member, may request that the member requesting the division make the request in writing specifying the manner in which the motion to amend should be divided.

(d) The division of the motion to amend shall be in accordance with the rules of the House and with items (1) to (4), inclusive, of subsection (a). The ruling of the chairperson of the Committee on Rules and Journal, or in the chairperson's absence the vice chairperson of the Committee, on how to divide the motion to amend shall not be subject to appeal except that any member may appeal the ruling of the chairperson, or vice chairperson, on the grounds that the division is not in accordance with a rule of the House including the provisions of items (1), (2), (3) or (4) of subsection (a), or any combination thereof.

**Rule 2106. Substitute Motions.** No substitute motion to amend a bill or resolution shall be in order.

**Rule 2107. Subject Change by Senate.** (a) When the Senate adopts amendments to a House bill which materially changes its subject, upon return of such bill to the House, it shall be read as provided for the introduction of bills and be referred as provided in Rule 901.
(b) The Speaker may determine when a bill is subject to subsection (a). An affirmative vote of 70 members shall be required to sustain a challenge to the Speaker's determination hereunder.

Rule 2108. Motions to Strike Out and Insert. The rejection of a motion to amend a bill or resolution by striking out and inserting one proposition shall not prevent a motion to strike out and insert another proposition, nor prevent a subsequent motion simply to strike out; nor shall the rejection of a motion simply to strike out prevent a subsequent motion to strike out and insert.

Rule 2109. Identical Motions. Except upon the unanimous consent of the House, an identical motion to amend a bill or resolution shall not be made a second time on the same legislative day.

Rule 2110. Floor Amendments to Bills Making Appropriations. (a) Unless by majority consent to correct an error in drafting, no floor amendment to increase the amount of expenditures that would be authorized in a provision of an appropriations bill shall be in order unless the amendment contains a provision reducing, by a like or greater amount, expenditures that would be authorized in another provision of such appropriations bill.

(b) The provisions of subsection (a) shall not apply if the ending balance in the state general fund for the ensuing fiscal year is equal to 7.5% or more of the total amount authorized to be expended or transferred by demand transfer from the state general fund in such fiscal year based on the most recent budget profile of the Kansas legislative research department.

ARTICLE 23. PROCEDURAL MOTIONS

Rule 2301. Order of Motions. When a question is under consideration, no motion shall be received except as specified under the Rules of the House, which motions shall have precedence in the following order:

(a) For adjournment of the House.
(b) For call of the House.
(c) To lay on the table.
(d) For the previous question.
(e) To postpone to a certain time.
(f) To commit to a standing committee.
(g) To commit to a select committee.
(h) To reject the adoption of reports of conference committees coupled with the request for appointment of a new conference committee.
(i) To adopt the report of conference committees.
(j) To amend.
(k) To postpone indefinitely.

Rule 2302. Motion to Adjourn. The motion to adjourn shall always be in order, except while a vote is being taken and until announced, or when a member has the floor, or when the previous question is pending; but a motion to recess is not equivalent to a motion to adjourn.

Rule 2303. Motion to Reconsider. A motion to reconsider shall take precedence of all other questions except the motion to adjourn. No motion for reconsideration of any vote shall be in order, unless made on the same day or the legislative day following that on which the decision to be reconsidered took place, nor unless a member voting with the prevailing side shall move such reconsideration. A motion for reconsideration, being
put and lost, shall not be renewed, nor shall any subject or vote be a second time reconsidered without unanimous consent, but this provision shall not be construed as preventing the introduction of a bill on the same subject. The member moving for reconsideration shall be allowed not more than two minutes for stating the reasons in support of the motion. Such motion shall be subject to debate by any member, stating reasons in support or opposition to the motion. Each of such members shall be allowed not more than one minute for the purpose of such debate. Such motion shall require the affirmative vote of members equal in number to that required to take the action proposed to be reconsidered. A motion to reconsider any final action of the House shall be in order at any time prior to the time at which the message of the House thereon is read into the record of the Senate. A motion to reconsider any final action of the House may be made after the time at which the message of the House thereon is read into the report of the Senate but any action taken pursuant thereto will be contingent upon the return of the measure to the House by the Senate.

**Rule 2304. Previous Question.** The "previous question" shall be: "Shall the main question be now put?" and until it is decided shall preclude all amendments or debate. When voting on the previous question, the House decides that the main question shall not now be put, the main question shall be considered as still remaining under debate. The main question shall be on the passage of the bill, resolution or other matter under consideration. When amendments are pending, a vote shall first be taken upon such amendments in their order without further debate or amendment. A majority vote of the members present shall order the previous question.

**Rule 2305. Motions Not Subject to Debate.** All questions relating to priority of business shall be decided without debate. The motion to adjourn, to change the order of consideration of a bill, for a call of the House, and to lay on the table shall be decided without amendment or debate. The several motions to postpone or commit shall preclude all debate on the main question.

**Rule 2306. Motion to Refer Bills or Resolutions to Committee When Not in Committee of the Whole.** When not in the Committee of the Whole, a motion to refer a bill or resolution from the Calendar to a standing committee shall be in order only when the body is meeting as the House of Representatives and shall be authorized only when offered by the Majority Leader, or in the absence of the Majority Leader, by the Assistant Majority Leader. Such motion shall require the affirmative vote of a majority of the members then elected (or appointed) and qualified to the House.

**Rule 2307. Motion to Strike Bills and Resolutions from Calendar When Not in Committee of the Whole.** When not in the Committee of the Whole, a motion to strike a bill or resolution from the Calendar shall be in order only when the body is meeting as the House of Representatives and shall be authorized only when offered by the Majority Leader, or in the absence of the Majority Leader, by the Assistant Majority Leader. Such motion shall require the affirmative vote of a majority of the members then elected (or appointed) and qualified to the House.

**Rule 2308. Stating Question.** Every motion shall be first stated by the presiding officer or read by the chief clerk, before debate, and again immediately before putting the question.

**Rule 2309. Dividing Motion.** If any motion, other than a motion under Rule 2105, contains distinct propositions, it shall be divided by the chairperson at the request of any member. Motions under Rule 2105 shall be divided in accordance with that rule.
Rule 2310. When Motions to be in Writing. Every motion, except those specified in Rules 2301 and 2303, shall be in writing if the Speaker or any member desires it. All motions to amend a bill or resolution and all resolutions shall be in writing.

Rule 2311. Suspension of Rules of the House. (a) No rule of the House shall be suspended except by unanimous consent or by an affirmative vote of a majority of the members then elected (or appointed) and qualified to the House, subject to the following exceptions:

(1) A motion to suspend the rules, and to declare an emergency and to advance a bill to the order of business Final Action, as contemplated in article 2, section 15 of the Constitution shall require an affirmative vote of 2/3 of the members present in the House.

(2) A motion to suspend the rules and to permit amendment and debate of a bill under the order of business Final Action shall require an affirmative vote of 2/3 of the members present in the House.

(b) When under the rules of the House a motion, question or action requires a vote of a majority greater than a majority of the members present, the majority specified for such motion, question or action shall be required to suspend the rules for the purpose of such motion, question or action. When under the rules of the House notice of a motion reduces the required majority for adoption of the motion, the required majority shall not be reduced if the notice is disposed of by suspension of the rules.

(c) Suspension of the rules or unanimous consent shall not reduce the majority required under subpart (1) of subsection (a) of this rule.

Rule 2312. Mason's Manual; When Applicable. (a) In any case where rules of the House or the joint rules of the Senate and House do not apply, Mason's Manual of Legislative Procedure (2010 edition), with the exception of section 4, paragraph 2, shall govern.

(b) Rules of legislative procedure are derived from several sources and take precedence in the order listed below. For the Kansas House of Representaties, the principal sources are as follows: (a) Constitutional provisions; (b) statutory provisions; (c) adopted rules; (d) adopted parliamentary authority; (e) custom, usage and precedents.

ARTICLE 25. VOTING

Rule 2501. Control and Use of Voting System. The electronic voting system shall be under the control of the Speaker or other presiding officer and shall be operated by the chief clerk. The electronic voting system shall be used to record the vote whenever a roll call vote is taken on any question and may be used for ascertaining the vote upon any measure upon which a division of the assembly has been called. In the event that the system is not operating properly, roll call votes may be taken by calling the roll.

Rule 2502. Procedure for Taking a Roll Call Vote. When a roll call vote is taken, the presiding officer shall state the question and instruct the members to proceed to vote. When sufficient time has been allowed the members to vote, the presiding officer shall inquire: "Has every member had an opportunity to vote?" After a short pause the presiding officer shall direct the chief clerk to close the roll. After the roll has been closed, when Rule 2505 applies, the presiding officer shall inquire: "Does any member desire to explain his or her vote?" and any member so desiring may give such explanation when recognized by the presiding officer. The presiding officer shall inquire: "Does any member desire to change his or her vote?" If any member does desire to change his or her vote, such member when recognized by the presiding officer, shall advise how
they desire to change such vote and the presiding officer shall then instruct the chief clerk to make the appropriate change. A member who has not previously voted may vote at this time when permitted by the presiding officer. Such member shall advise how they wish to vote and the presiding officer shall then instruct the chief clerk to record such vote. After all members who desire to vote or to change their votes have had reasonable opportunity to do so, the presiding officer shall announce the vote and, when the vote has been announced, shall direct the chief clerk to record the vote.

Rule 2503. Display of Recurring Totals. Under Rule 2502, recurring totals shall be displayed only after the roll is closed. No recurring totals shall be displayed for a determination of the vote upon a division of the assembly.

Rule 2504. Voting by Members. (a) A member may vote only when at their desk or at any place within the chamber of the House when authorized by the presiding officer, who shall direct the chief clerk to so vote for such member.

(b) No member shall vote for another member. No person not a member shall cast a vote for a member, except as otherwise provided in the rules. In addition to such penalties as may be prescribed by law, any member who votes or attempts to vote for another member shall be subject to Article 49 of these rules. If a person not a member votes or attempts to vote for any member, such person shall be barred from the floor of the House for the remainder of the session, and, in addition to penalties prescribed by law, may be punished further as the House determines.

(c) The Speaker shall not be compelled to vote except in case of a tie.

Rule 2505. Explaining Vote. Any member may, when a roll call vote is being taken on the passage or adoption of any bill or resolution, explain their vote. Such member shall be allowed not more than one minute for such explanation. Such explanation, if furnished in writing and signed, with printed name and district number, by such member by 4:00 p.m. upon the day the vote is taken or if the vote is taken subsequent to 3:30 p.m., within one-half hour after the adjournment of the House on that day, shall be entered in the Journal, provided it does not contain more than 100 words.

Rule 2506. Copies of Voting Records. (a) Unless otherwise ordered, the chief clerk shall record each roll call vote and make copies available for the use of the news media. No record shall be made of the vote of any member voting upon any measure upon which a division of the assembly has been called.

(b) When a roll call vote is taken, it shall be recorded in the Journal by a statement of the names and total number voting in the affirmative, the names and total number voting in the negative, names and total number indicating presence but not voting and the names and total number absent or not voting, except that the provisions of this section shall not permit a member to fail to vote in violation of Rule 2508.

Rule 2507. When Roll Call Vote to be Taken. (a) A roll call vote shall be taken for the passage of any bill.

(b) A roll call vote shall be taken for the adoption of any concurrent resolution to amend the Constitution of the state of Kansas, to call a Kansas constitutional convention, to extend a session of the Legislature in even-numbered years, to ratify any amendment of the Constitution of the United States, to make any application for Congress to call a convention for proposing amendments to the Constitution of the United States and when required by the joint rules of the House and Senate. A roll call vote is not required for adoption of concurrent resolutions pertaining to commendations or acknowledgments, unless required under subsection (c) of Rule 2507.
(c) A roll call vote shall be taken for the adoption of any House resolution to adopt, amend or revoke any rule of the House or to reject any executive reorganization order.

(d) A roll call vote shall be taken to concur in Senate amendments to any bill or concurrent resolution or to adopt any conference committee report other than a report agreeing to disagree.

(e) A roll call vote shall be taken on any question on demand of 15 members, unless a roll call vote is already pending.

**Rule 2508. Call of the House.** (a) A call of the House shall be ordered on the demand of any 10 members at any stage of the voting previous to the announcing of the vote or, if the voting system is used, prior to recording the vote. This Rule 2508 shall apply to the taking of a vote upon the final passage of any bill or final adoption of any resolution whether under the order of business Final Action or under any order of business. Also, this Rule 2508 shall apply to the taking of a vote on a motion to strike the enacting clause of a bill and the resolving clause of a resolution and on a motion to strike all after the enacting clause or resolving clause, except when the House is in the Committee of the Whole. When the call of the House is invoked, the doors to the House chamber shall be secured and all members shall be required to be in their seats unless excused by the Speaker. All members present during the call shall be required to vote before the call is raised. The call of the House shall not be raised (so long as 10 members continue the demand) until a reasonable effort, as determined by the Speaker, has been exerted to secure absentees.

(b) Any member, who is directly interested in a question, may be excused from voting, when there is a call of the House. The member, who is requesting to be excused from voting, shall state the reasons therefor, occupying not more than five minutes. The question on excusing such member from voting shall be taken without debate and a 2/3 majority of members present shall be necessary to excuse such member. If a member refuses to vote, when not excused, such refusal shall constitute grounds for reprimand, censure or expulsion under Article 49 of the Rules of the House.

**Rule 2509. Voice Vote; Division of the Assembly.** Except when a roll call vote is required, a voice vote shall be taken on all questions. Any member may call for a division of the assembly to determine the vote by the voting system.

**ARTICLE 27. FINAL ACTION**

**Rule 2701. Description and Function.** Subject to Rule 2705, bills and resolutions reported favorably by the Committee of the Whole shall constitute the order of business Final Action of the House. The titles of such bills and resolutions shall appear under the heading Final Action in numerical order. The standing committee which reported it and the Committee of the Whole action on the bill or resolution shall be shown under each thereof.

**Rule 2702. Reading and Vote.** Each bill and resolution under the order of business Final Action shall be read by title, except citations of statutes amended or repealed and a roll call vote shall then be taken upon final passage or adoption without amendment or debate.

Amendment and Debate, When.** Upon motion as provided in subpart (2) of subsection (a) of Rule 2311 or when recommended in the Committee of the Whole report which has been adopted by the House, bills or resolutions may be debated and amended on Final Action prior to the vote taken upon final passage or adoption. ution is so reported, it shall be placed upon the Consent Calendar. Each bill or concurrent reso-

olution placed on the Consent Calendar shall remain thereon for at least two full legis-

lative days before being considered under the order of business Final Action. Under
the order of business Consent Calendar and prior to the call for the vote, any member may
object to the bill or concurrent resolution as being controversial and thereupon it shall
be removed from the Consent Calendar and shall be placed on General Orders. If no ob-
jection is made prior to the call for the vote on the bill or concurrent resolution, it shall
be ordered to Final Action for vote before other bills and concurrent resolutions on Fi-
nal Action.

**Rule 2706. Majority for Bill Passage.** As provided in section 13 of article 2 of the
Constitution of Kansas, a majority of the members then elected (or appointed) and qual-
ified, voting in the affirmative, shall be necessary for the passage of a bill.

**Rule 2707. Vote Required for Adoption of House Resolutions and Concurrent
Resolutions.** (a) A majority of the members then elected (or appointed) and qualified
voting in the affirmative shall be necessary to adopt House resolutions and concurrent
resolutions, except as otherwise specified in these rules.

(b) Adoption of concurrent resolutions to amend the Constitution of the state of
Kansas, to call a Kansas constitutional convention, to extend a session of the Legis-

United States, to make any application for Congress to call a convention for proposing
amendments to the Constitution of the United States and when required by the joint
rules of the House and Senate shall require a 2/3 majority of the members then elected
(or appointed) and qualified, voting in the affirmative.

**Rule 2708. Motion to Adopt Report of Conference Committee.** The member car-
rying the report of a conference committee shall move that such report be adopted prior
to yielding the floor to any other member and a motion to adopt a report of a conference
committee shall not be offered as a substitute motion.

**ARTICLE 29. RESOLUTIONS**

**Rule 2901. Resolving Clause; Form.** (a) Concurrent resolutions to amend the Con-
stitution of the state of Kansas, to call a Kansas constitutional convention, to extend a
session of the Legislature in even-numbered years, to ratify any amendment of the Con-
stitution of the United States, to make any application for Congress to call a convention
for proposing amendments to the Constitution of the United States and when required by
the joint rules of the House and Senate shall have a resolving clause which reads,

thereon and do not require a roll call vote unless required under subsection (e) of Rule
2507.

(b) House resolutions shall be considered under the order of business consider-

to (1) adopt, amend or revoke any rule of the House or (2) when the resolution has been
referred to a standing committee and reported favorably. Resolutions under subparts (1)
and (2) shall take a place on General Orders when favorably reported or when referred
to the Committee of the Whole by the Speaker.

Rule 2903. Resolutions; Limitations. (a) Appropriations shall not be made by resol-
utions.

(b) Resolutions do not require approval of the Governor.

Rule 2904. Applications for Introduction of certain Resolutions; Certificate of
the House. Notwithstanding any other rule of the House of Representatives to the con-
trary, no House resolution or concurrent resolution which congratulates, commemo-
rates, commends, honors or is in memory of any individual, entity or event shall be in-
roduced by a member or committee of the House of Representatives unless application
for approval of the introduction of such resolution is first made to the Speaker, and the
resolution is approved for introduction by the Speaker. The application shall be deter-
mined on the basis of content alone. The Speaker shall consider all such applications and
shall determine whether a House resolution or House concurrent resolution should be
approved for introduction, or whether a certificate of the House should be approved for

Prayer by guest chaplain, Rick Wright, interim pastor, New Life Church, Wathena, and guest of Rep. Garber:

Almighty and Holy God, Creator of heaven and earth. We come humbly before You today to acknowledge our need for divine guidance - just as our forefathers did. We ask Your forgiveness for sinning against You, both as individuals, and as lawmakers of this state. We confess that we have turned to our own desires and wisdom all too often. We ask forgiveness for being more concerned about what other people think about our decisions than what You think. We commit this day to follow Your leading, Your laws and Your ways.

I pray that You God would give courage and wisdom to each person to conduct themselves in a way that pleases You. I pray each person would make decisions on ALL issues in a way that would honor the God that is able to preserve us a great state, and to bless our people, or is also able to bring us low and humble us. I pray that these men and women, the representatives of Kansas would bless You today. I pray we would all humble ourselves before You and would heed and follow Your instructions as laid out clearly in the Bible. The Bible that our country's and our state's laws are built upon. The Bible that tells us about the grace, forgiveness, and the return of the King of Kings, and Lord of Lords, whose name is Jesus. It’s in His mighty Name we pray, Amen.

The Pledge of Allegiance was led by Rep. Hineman.

A vote for this proposition would limit the service of an individual as a state representative to six consecutive two-year terms starting on January 11, 2021, and also limit the service of an individual as a state senator to three consecutive four-year terms starting on January 11, 2021.

A vote against this proposition would retain the current constitutional provisions that impose no limitations on the number of terms an individual may serve as a representative or as a senator."
Sec. 3. This resolution, if approved by two-thirds of the members elected (or appointed) and qualified to the House of Representatives, and two-thirds of the members elected (or appointed) and qualified to the Senate shall be entered on the journals, together with the yeas and nays. The secretary of state shall cause this resolution to be published as provided by law and shall cause the proposed amendment to be submitted to the electors of the state at the general election in November in the year 2020 unless a special election is called at a sooner date by concurrent resolution of the legislature, in which case it shall be submitted to the electors of the state at the special election.

Prayer by Chaplain Brubaker:

Good and gracious God,
as we begin this new year, we do so with a great hope.
New legislators as well as returning ones,
have come hoping to make a difference.
   In their minds,
they have already thought of what steps will need to be taken.
However, Your Word in Proverbs 16:9 tell us, that
   “in their hearts humans plan their course,
   but the Lord establishes their steps.”
And in Psalm 94:11,
   “The Lord knows all human plans;
   he knows that they are futile.”
   This is why today,
I come to You on behalf of these leaders,
   asking You to grant them Your
   wisdom and discernment
   and to acknowledge their dependence on You.
   I ask for Your blessing
upon these men and women
who are settling into new spaces and committees.
   As they get further into the session,
   grant that they be good in thought,
gracious in word, generous in deed and great in spirit.
   May all that is done this day be done
for Your honor and glory.
   In Your Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Wolfe Moore.

**Governor Laura Kelly's Complete Text of the State of the State**

Mr. Speaker, Madam President, Chief Justice, Members of the Supreme Court, Members of the Legislature, Honored Guests, and my Fellow Kansans:

What a profound honor to stand before you tonight to offer a vision for the state we all love.

In the east gallery, I’m joined by the man I often joke about as “my long-suffering husband,” Ted Daughety. But he truly has been a pillar of support for me and my daughters for over 30 years - and especially the last 13 months.

Our daughters, Kathleen and Molly, were here earlier this week.

Every time I see them, I’m reminded of why Ted and I made our home in Kansas over three decades ago. What a wise decision that was. The upbringing we were able to give our daughters in this magnificent state helped mold them into two remarkable individuals.

I’m very proud of them - and the strong, talented women they have become.

My partner on this journey, Lieutenant Governor Lynn Rogers, is here with his wife Kris. Kansans will be hard pressed to find a more energetic, big-hearted, dedicated lieutenant governor. Lynn will be a true asset to our state as he works to cultivate growth in rural Kansas.

I’m also thrilled to welcome members of my new Cabinet.

From the beginning, I committed to building a strong, diverse, dynamic group to rebuild our state. You’ll recognize both Democrats and Republicans, women and men, a mix of seasoned veterans and fresh faces, all with a love for Kansas and a sincere desire to serve. And I thank them for their willingness to take on these new challenges.
And to the Kansas Legislature: welcome back! It’s wonderful to see so many old friends and also so many new leaders. I know I’m in a new role, but I want to maintain my working relationship with you. We are all in this together, we’ve got to be pulling in the same direction. There’s so much at stake. And I look forward to working with you.

It has been quite a week. I’m not usually one for ceremonial fanfare, but I’ve treasured every minute. From the day of service to the inauguration on the capitol steps to this incredibly surreal moment.

But I’m also ready to get to work.

My message to you this evening is both constitutionally-mandated and a time-honored tradition. Of course, the personalities and dynamics shift over time, but the backdrop, and the fundamental tasks at hand, never change.

I am here, as your governor, to offer a blueprint for the year ahead. You are here, as lawmakers, to enact a budget. This has been done 157 times before.

Yet, something feels different tonight.

After a decade of crises - starting with the Great Recession, followed by a self-inflicted budget catastrophe – we found ourselves at a turning point. We were at times weary, frustrated and, sadly, untrusting of one another.

But, in the end, it came down to a fundamental question. We had to ask, what is Kansas worth?

This was not just a matter of dollars and cents. It forced us to re-examine some of our most deeply-held convictions, and it was a painful process.

But as problems piled up, we had to accept reality. In 2017, we defied the odds, acknowledged the mistake, and hit “reset” in a historic act of bipartisanship.

That is what it means to be a Kansan.

Regardless of our state’s partisan breakdown, our crowning achievements have always been won on the middle ground.

Now, tonight we will start a new chapter. We must unite around the values we share … we must always remember that the people who sent us here expect compromise and results.

But we must also strike a delicate balance in the days ahead. It will require an acknowledgment of the entire Kansas story. Not just one fiscal year or one moment in time.

It is with this renewed sense of purpose, appreciation for our past struggles, and optimism for our next chapter that I proudly report:

The state of our state is improving.

2019 offers an unmatched opportunity for Kansas to continue its upward climb. But for our fragile recovery to continue, we must resist running to our partisan corners. We must keep our eyes fixed on the task at hand – and the job we were elected to do.

And all of that begins at the heart of our communities - in our public schools.
Just a few weeks ago, a story in the newspaper caught my eye. It was about a young man named Braxton Moral. He will graduate from Ulysses High School and Harvard University. That’s right, Harvard, this year at the tender age of 16. He will graduate with a Bachelor’s Degree in government, and a minor in English. All while he is still in high school right here in Kansas.

And he has big plans after graduation - he is looking ahead to law school.

Braxton is obviously a uniquely talented student. But he also reminds us of what young people will accomplish when given the opportunity. Braxton is here today with his family in the east gallery – I ask you to join me in recognizing this amazing young Kansan.

Students like Braxton exemplify the transformative power of our public schools. A place where all Kansas children who strive can reach their potential and overcome any obstacle, no matter where they come from.

But only if we, as elected leaders hold up our end of the bargain.

Unfortunately, throughout Kansas’ decades-long debate over school funding, we’ve fallen into a troubling pattern. It begins with a promise from elected leaders to fund our schools. Then a failure to follow through on that promise.

That is going to change this year. This year, we will end this cycle of litigation and meet the needs of our students and teachers once and for all.

The days of doing the bare minimum to fund our schools are over. It stops now.

Remember, just a few short years ago, schools closed early because they literally could not afford to stay open. Test scores dropped for the first time in a decade. Class sizes grew – some with more than 30 kids in a single classroom.

Superintendents and principals struggled to hold their districts together, often taking on multiple roles like counselor or bus driver. Sometimes they even refused to be paid, just to keep their budgets above water.

Teachers fled the state. And those who stayed received an average salary that ranked 42nd in the nation.

The consequences were tangible and the scars are lasting. Never again.

We’re going to properly fund our schools this year. And next year. And the year after that. Every year, every month, every day that I’m governor.

And we’re going to make sure our schools prepare our children for a changing economy. Modern classrooms with modern technologies.

Because at the end of the day, we need our children to graduate high school or college or technical school so they can find jobs right here in Kansas. So they can stay here and raise their families close to home.

When I began work on the state’s budget last month, this was the very first decision I made.

Budgets reflect our priorities, and my number one priority will always be our public schools.
Now I’m calling on lawmakers to act on my proposal with equal urgency.

To assist in the effort, I separated education funding from the rest of the budget. This will provide a vehicle for you to consider the matter cleanly and quickly.

My friends, we have debated this issue in these halls, in the courts of law, and in the court of public opinion. Kansans flocked to the polls in record numbers last year to send a message about this issue specifically. Now, we must listen to them – our families, our teachers, our business leaders.

We have a deadline to meet, so let’s get this done. If we act decisively, we can all share in a bipartisan victory.

Because I assure you, we face plenty of other urgent problems - especially in our rural communities.

This past July, I put forth a detailed plan to address the challenges facing rural Kansas. The majority of our 105 counties lost population last year and for many years prior to that. And whether it’s roads, broadband, housing, or agriculture - they need our support.

Speaker Ryckman and Representative Hineman, thank you for recognizing this important challenge and creating a new committee to focus significant time and energy on this issue. We look forward to partnering with you and the committee members.

Lt. Governor Lynn Rogers - along with our new Secretary of Commerce, David Toland, will head up this effort on behalf of my administration.

In the coming days, we will build an interconnected, strategic plan for rural economic development that leverages our communities’ unique assets. That means developing infrastructure. Addressing the shortage of affordable housing and supporting agribusiness.

We’re going to cherish our rural and small-town way of life – and we’re going to make sure that rural Kansans can get the support they need to thrive.

One more important way we do that… by expanding Medicaid.

Just two weeks ago - on December 31st - Mercy Hospital in Fort Scott closed its doors after more than 100 years in the community. This followed the closure of the hospital in Independence in 2015.

Now the folks of Bourbon County will have to travel long distances for emergency care, to give birth, or just to get tests done.

According to some reports, 30% of our state’s hospitals are considered financially vulnerable. In small communities across our state - these facilities are at serious risk of closure.

Rural communities cannot survive without hospitals and affordable healthcare. Period.

Young families, seniors, Kansans who suffer from chronic illness, Kansans who just want to stay healthy -- no one can afford to risk their safety and wellbeing by living in a community without access to healthcare.

Just by expanding KanCare - the state’s Medicaid program - we can help keep these important facilities stay open and provide affordable health care to 150,000 more
Kansans - no matter where they live.
I’ve made no secret that expanding this program is one of my top priorities. And 77% of Kansans agree with me.
To date, our failure to act has cost Kansas over $3 billion in federal funding. That’s 3 billion in tax dollars we’ve paid to the federal government that has gone to benefit other states. It’s $3 billion that could have helped save Kansas lives, Kansas hospitals, and Kansas communities.
Instead, we sent it to states like Iowa, Colorado, Indiana, and Arkansas or one of the 32 other states that have already expanded Medicaid.
Child advocates support Medicaid expansion as a means of keeping vulnerable parents healthy. If low-income Moms and Dads can afford treatment for mental health, substance abuse, or just everyday preventive care, they can take better care of their children, and perhaps we can keep these kids in their own homes and out of our foster care system.
Senator Jerry Moran recently noted that rural hospitals are – and I quote - hanging on by a thread - end quote. And he agreed that expanding Medicaid could help them.
And just last fall, Governor Jeff Colyer’s Task Force to Address Substance Abuse Disorders and the opioid crisis also recommended expansion to ease the unsustainable burden on our hospitals and criminal justice system.
We’ve seen Republican and Democratic led states across the country find consensus on this issue to benefit their citizens, their communities and their economies.
For all these reasons and so many more, tomorrow’s budget will pave the way for Medicaid expansion.
Next week, I will announce a bipartisan working group to finalize a path forward.
By Kansas Day, there will be a plan to expand Medicaid put before the Kansas Legislature.
I can imagine no better way to celebrate our state’s 158th birthday than by embracing a policy that will make every Kansas community healthier, stronger, and more secure. Please join me in this effort.
And finally, another critical challenge we must address immediately. A moral crisis in Kansas that troubles me every day. And sadly, it is a matter of life and death.
Our foster care system is at a crisis point. It requires immediate and considerable attention.
This is an issue I have been working on since I graduated from high school. I worked with troubled teens and children struggling with mental illness. It has been a lifelong mission to help our most vulnerable - and often forgotten - children.
In the last few years, nothing has made me more angry than the callous disregard some agency leaders demonstrated towards our vulnerable children and their families. The incompetence and lack of transparency we witnessed in committee hearings 18 months ago … made national news. And it put a spotlight on this reprehensible crisis.
Last year, when I found out 70 foster children were missing - I was beside myself. Not only that, the secretary at the time didn’t seem bothered by the revelation. But I demanded answers. And together with colleagues and advocates, we demanded change.

In the last year, the Child Welfare Task Force has done great work studying the problems and working towards accountability. But there was only so much we could do without full cooperation and transparency.

The number of Kansas children in foster care has skyrocketed - up 45% since 2011. We’ve seen the programs, charged with helping families, overwhelmed by the sheer numbers in need. And the caseloads of dedicated social workers are absurdly high - making it challenging to provide the services needed by our most vulnerable children and their families.

There is not an easy answer. But we must do what we can to protect our kids.

This is an emergency. These are our children in our communities facing abuse, neglect and worse. Let’s remember Evan Brewer... Jayla Haag... Mekhi Boone. And many more who needed our help. These were our children... in our communities. And I refuse to forget them.

We must fix this now.

My budget provides funding for the Families First Prevention Services Act, a landmark piece of legislation approved by Congress last year. It will inject millions into efforts that strengthen vulnerable families and prevent children from entering the foster care system.

My budget includes funding to hire more, qualified social workers and reduce their caseloads. We will restore funding cuts to our prized Children’s Initiatives Fund, where we know our investments have the greatest impact on our youngest children.

We will prioritize SCHIP – the State Children's Health Insurance Program – to accommodate federal changes so that low-income Kansas children don’t lose their access to healthcare.

Finally, working in partnership with my new Department for Children and Families Secretary, Laura Howard, we will rebuild an agency decimated by ideology and mismanagement. In November of last year, I said that “in order to fix something, you have to know what’s going on. You have to be able to get under the hood, see what is working and what is not.”

My team is already at work - and we will be transparent about what we find and we will make it right.

I know that each of you is committed to protecting all God’s children. And that begins with our most needy. I ask you to join me with this fight.

Tonight, I’ve laid out a few of our priorities for Kansas.

We must restore funding to Kansas schools and end the cycle of litigation.

We must expand Medicaid so we can create jobs, keep our tax dollars in Kansas, save our rural communities, and protect our most economically fragile families.

We must fix our broken foster care system and do absolutely everything in our power to
ensure that our most vulnerable children are protected from neglect and violence.
Yet, there are so many things we haven’t discussed. Our crumbling roads and bridges. Public safety. Higher education. Mental health. Meeting the demands of our rapidly changing economy. I could go on and on. And I know many of you are worried I will…
But this is just the beginning.
Tomorrow morning, my budget director, and your former colleague, Larry Campbell, will walk you through the details of my first state budget recommendation - delivered three weeks ahead of the statutory deadline.
And later this week, I will convene my first official cabinet meeting, during which time I will instruct each member to complete a thorough audit of her or his respective agency – so we can increase effectiveness and efficiency. And we can eliminate waste and improve transparency by ending “no-bid” contracts
But we have one more thing to cover tonight. And it brings us back to where we started.
Those breathtaking years of crisis have left Kansas on the brink of collapse. Kansas lost more revenue in the first year of the Brownback tax plan alone than we lost in the entire Great Recession.
While the time for finger pointing is over, we’re not off the hook for the long-term consequences of past policy decisions.
I’m proud to honor my promise to balance the budget without raising taxes.
If we are going to succeed, I need your help to protect both sides of the budget equation until our fiscal health stabilizes. As many of you have already said, we must show restraint. Because ultimately, we do not know what lies ahead.
Kansas has endured two historic national recessions in the last 20 years.
Another recession will soon be upon us. It’s not a question of “if”. It’s a question of “when” and “how bad.” Unlike the last two record-setting downturns, Kansas finds itself now completely unprepared. We have no margin for error.
That is why we must be cautious, conservative and fiscally responsible. We must live within our means. Prioritize what matters most. Always look for ways to save. And always make sure our children come first.
And we must work together to write this new chapter - as Kansans.
Throughout my time in the Senate, I’ve worked with all of you. As governor, that will continue. My door will be open. I will listen.

But, I was elected to rebuild our state. And I take that responsibility very seriously.

Kansans want us to work together to make our state better. To provide more opportunities for our children. To grow our economy. To make it possible for our rural communities to thrive again.
And as your governor, I plan to do just that.
That means cooperation, compromise, and bipartisanship.
No one person – not even the governor – can act alone to achieve consensus. That’s the
whole point… working together.
And in that spirit, I’ll promise you this: I will do everything in my power to set the right
tone. I will listen every day … to leaders from both parties and to the people of this
state.
We’ll take the best ideas no matter where they come from – and we’ll work together. It
won’t be easy. We all know we have a very long, challenging road ahead of us.
These past eight years have been a hardship, no doubt about it.
But we’re united by a common set of values. That spirit of neighbor-helping-neighbor.
Respect for one another. And always doing right by our children.
Those are the values that brought my family here more than three decades ago. And
they are the values that will guide me as your governor.
Kansans are no stranger to hardship or hard work. We don’t want things handed to us.
We don’t expect life to be easy. That raw grit - our fierce determination – is part of our
history. It makes us who we are. And if we work together… if we put partisanship aside
and Kansas families first....
Then we can truly live up to our motto, Ad Astra Per Aspera.
And the story we write together - will be one of cooperation and prosperity. God bless
you all. And may God bless the Great State of Kansas.
Now, let’s get to work.

We thank you for the blessing of life, health and strength that you’ve given us this day.

We pray today for these elected officials who have dedicated themselves to serving the citizens of Kansas with integrity and compassion and we ask for Your divine blessing of wisdom, knowledge and compassion to be imparted into them, as they construct laws and make decisions that will impact the lives of all people.

We pray that You would give them the courage to move beyond personal agendas and partisan disagreements, so that the work of this chamber will be beneficial to our State and its citizens. FINAL ACTION ON BILLS AND CONCURRENT RESOLUTIONS

HR 6004. A RESOLUTION adopting permanent rules of the House of Representatives for the 2019-2020 biennium, was considered on final action.

On roll call, the vote was: Yeas 104; Nays 15; Present but not voting: 0; Absent or not voting: 6.

Present but not voting: none.

Absent or not voting: Baker, Dove, Holscher, Houser, Lewis, Ruiz, L.

The resolution was adopted, as amended.

EXPLANATION OF VOTE

Mr. Speaker: This rules package does not honor our constituents' requests for a more transparent process of government. No recorded votes in Committee; committee chairs able to block the majority of their committee. This rules package makes it difficult to bring a bill above the line without a super majority. There's a gut and go rule that few understand and will do little to improve transparency. With these rules, the Kansas House remains one of the least transparent, democratically-elected chambers in the country. As such, Mr. Speaker, I vote NO on HR 6004. – Jim Ward, Jeff Pittman
MR. SPEAKER: These rules ensure that the Kansas House remains committed to being more transparent in the citizens' ability to track legislation.

As to the issue of bills which might not be scheduled for a hearing in committee, these rules retain an excellent and full opportunity for all representatives to amend any bill in committee or in the Committee of the Whole which is germane to any proposed change.

Therefore Mr. Speaker I vote yes on HR 6004 – JOHN TOPLIKAR, ADAM THOMAS, NICK HOHEISEL, CHARLOTTE ESAU, MEGAN LYNN

Today, may our words be spoken with
kindness and gentleness.
Help us to maintain self-control in our disagreements.
Hold us faithful and accountable
to our constituents in that what we decide
will be for their good.
Fill us with patience as the discussions
may take more time than we like.
Help us keep the joy in our attitude of service.

And, may Your love permeate our lives.
In Your Son’s Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Jennings.

PERSONAL PRIVILEGE

There being no objection, the following remarks of Rep. Ballard are spread upon the Journal:

This year marked the 33rd national observance of the Dr. Martin Luther King federal holiday. This past Monday marked the 90th birthday of the slain civil rights leader. The holiday was established in 1983. In 1994 Congress designated the holiday as a national day of service, and charged the Corporation of National and Community Service to help drive the effort.
Excerpts from the Essay “Letter from a Birmingham Jail,”
April 16, 1963

16 April 1963

My Dear Fellow Clergymen:

While confined here in the Birmingham city jail, I came across your recent statement calling my present activities “unwise and untimely.” Seldom do I pause to answer criticism of my work and ideas. If I sought to answer all the criticisms that cross my desk, my secretaries would have little time for anything other than such correspondence in the course of the day, and I would have no time for constructive work. But since I feel that you are men of genuine good will and that your criticisms are sincerely set forth, I want to try to answer your statement in what I hope will be patient and reasonable terms.

I have the honor of serving as president of the Southern Christian Leadership Conference, an organization operating in every southern state, with headquarters in Atlanta, Georgia. We have some eighty-five affiliated organizations across the South, and one of them is the Alabama Christian Movement for Human Rights. So I, along with several members of my staff, am here because I was invited here. I am here because I have organizational ties here.

But more basically, I am in Birmingham because injustice is here. Just as the prophets of the eighth century B.C. left their villages and carried their “thus saith the Lord” far beyond the boundaries of their home towns, and just as the Apostle Paul left his village of Tarsus and carried the gospel of Jesus Christ to the far corners of the Greco Roman world, so am I compelled to carry the gospel of freedom beyond my own home town. Like Paul, I must constantly respond to the Macedonian call for aid.

Sometimes a law is just on its face and unjust in its application. For instance, I have been arrested on a charge of parading without a permit. Now, there is nothing wrong in having an ordinance which requires a permit for a parade. But such an ordinance becomes unjust when it is used to maintain segregation and to deny citizens the First-Amendment privilege of peaceful assembly and protest.

I hope you are able to see the distinction I am trying to point out. In no sense do I advocate evading or defying the law, as would the rabid segregationist. That would lead to anarchy. One who breaks an unjust law must do so openly, lovingly, and with a willingness to accept the penalty. I submit that an individual who breaks a law that conscience tells him is unjust, and who willingly accepts the penalty of imprisonment in order to arouse the conscience of the community over its injustice, is in reality expressing the highest respect for the law.

I invite my colleagues to join me at the well, and share six quotes from Dr. Martin L. King.

Rep. Cindy Neighbor: “There comes a time when one must take a position that is neither safe, nor politic, nor popular, but she/he must take it because conscience tells him it is right.”
Rep. Jene Vickrey: “Darkness cannot drive out darkness; only light can do that. Hate cannot drive out hate; only love can do that.”

Rep. Susan Ruiz: “Our lives begin to end the day we become silent about things that matter.”

Rep. Susan Humphries: “Life’s most persistent and urgent question is, ‘What are you doing for others?’”

Rep. Jerry Stogsdill: “Faith is taking the first step even when you don’t see the whole staircase.”

Speaker pro tem Blaine Finch: “If you can’t fly then run, if you can’t run then walk, if you can’t walk then crawl, but whatever you do you have to keep moving forward.”

I will close with a quote from Dr. King: “Injustice anywhere is a threat to Justice everywhere.”

Thank you for listening and for providing me this opportunity to recognize Dr. Martin Luther King, Jr.

A PROPOSITION to amend section 1 of the bill of rights of the constitution of the state of Kansas, relating to equal rights.

Be it resolved by the Legislature of the State of Kansas, two-thirds of the members elected (or appointed) and qualified to the House of Representatives and two-thirds of the members elected (or appointed) and qualified to the Senate concurring therein:

Section 1. The following proposition to amend the constitution of the state of Kansas shall be submitted to the qualified electors of the state for their approval or rejection: Section 1 of the bill of rights of the constitution of the state of Kansas is hereby amended to read as follows:

"§1. Equal rights. All men are possessed of equal and inalienable natural rights, among which are life, liberty, and the pursuit of happiness. Recognizing the authority of the state of Kansas to exercise its police power and its sovereign right to adopt individual liberties in the constitution of the state of Kansas more expansive than those conferred by the constitution of the United States, the state of Kansas shall hereby guarantee the inalienable rights, equal protection and due process of law of every human being from the beginning of the biological development of that human being, including fertilization."

Sec. 2. The following statement shall be printed on the ballot with the amendment as a whole:

"Explanatory statement. The purpose of this amendment is to expand the class of human beings who currently enjoy inalienable rights, equal protection, and due process of the law under the constitution of the state of Kansas to every human being from the beginning of the biological development of that human being, including fertilization.

"A vote for this proposition would amend the Kansas constitution to explicitly incorporate into it the inalienable right to life of every human being irrespective of age, race, gender, health, function, condition of dependency, including physical or mental dependency, or method of reproduction, from the beginning of their biological development, including fertilization. The proposed constitutional amendment also would prohibit the state from discriminating against any class of human beings in the application, interpretation and enforcement of its laws.

"A vote against this proposition would not amend the constitution, in which case the current federally mandated legal status of preborn humans would remain that of a class of human beings that can intentionally be killed."

Sec. 3. This resolution, if approved by two-thirds of the members elected (or appointed) and qualified to the House of Representatives, and two-thirds of the members elected (or appointed) and qualified to the Senate shall be entered on the journals, together with the yeas and nays. The secretary of state shall cause this resolution to be published as provided by law and shall cause the proposed amendment
to be submitted to the electors of the state at the general election in November in the year 2020, unless a special election is called at a sooner date by concurrent resolution of the legislature, in which case it shall be submitted to the electors of the state at the special election.

I present today House Resolution 6007, congratulating Angela Hamilton of the 91st District in Sedgwick County, as the 2018 NAEMT/Nasco Paramedic of the Year. Body, I would like to invite all of the sponsor representatives and any others in the Sedgwick County delegation, to join me at the front as we honor her.

Angela Hamilton, who is with us today, has been with Sedgwick County EMS in Wichita for 19 years. She began her career as a volunteer EMT and moved to full time in 2001 after earning her Associates of Applied Science Degree and paramedic certification.

As a Team Leader, Angela motivated crew members to become better clinicians, and served as a preceptor for many paramedic students. “There are few providers in our service who demonstrate the values of servant leadership as well as she does,” said Col. Paul Misasi, Paramedic and Quality Manager for Sedgwick County EMS.

Angela was nominated by Rosa Spainhour, Director of Kiowa County EMS, and supported by Joseph House, Director of the Kansas Board of EMS, after receiving the Kansas EMS Association 2017 Paramedic of the Year Award. Angela is a patient care advocate and supports EMS education. She embraces a “just culture” management philosophy to facilitate personal safety among co-workers and identify areas for improvement. She seeks opportunities that will challenge her to be a better paramedic and leader.
In October of 2017, Angela was promoted to QA Education Coordinator at Sedgwick County EMS with a rank of Major where she continues to foster leadership throughout the organization. Angela cares deeply about the service her department and team provide to the community, the profession and professionalism of EMS and the people with whom she works.

Prayer by Chaplain Brubaker:

Father God,
    thank You for this day,
    albeit too cold for humankind.
I am reminded of what the Psalmist said,
“(You) throw down (Your) ice as hail stones.
Who can withstand (Your) icy blast?”
Just as we prefer to avoid the extreme cold outside,
we would also prefer to avoid any extreme heat here inside.
    So, guide all discussions today.
Keep all conversations focused on the issues
    in a professional, kind, respectful manner.
Remind our leaders of Your Word which says:
“let your conversation be gracious and attractive
    so that you will have the right response for everyone.”
(Colossians 4:6)
    In Christ’s Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Orr.

Prayer by Chaplain Brubaker:

Good and Loving God,
This is the day that You have made,
we will rejoice and be glad in it.
It is a big decision day—
a big showdown to take place.
Help all participants to work hard, but fair.
Whatever side wins,
help them to have humility in winning.
And may those who lose realize that
losing is no disgrace if you've given your best.
Lord, I pray we will see this
carried out in the meetings here today,
but also pray the same
for a couple of teams who play this evening
for the big Sunflower Showdown.
Far be it from me to try to persuade you
to help a particular team win,
but I am reminded that purple
is the color of royalty and priestly garments.
Help each team to play their best
physically, mentally, emotionally and spiritually.
This I pray in Your Name, Amen.

Carole Cadue-Blackwood recently received the 2018 National Indian Education Parent of the Year Award, presented at the annual convention in Hartford, Connecticut. Mrs. Cadue-Blackwood is a member of the Kickapoo tribe in Kansas and a mother of three. She earned her Associate's Degree from Haskell Indian Nations University, Bachelor's Degree in Political Science from the University of Kansas, and she is currently pursuing her Master's Degree at KU's School of Social Welfare. She is a longtime volunteer at the Willow Domestic Violence Center and in 2016, she received the United Way Community Volunteer Award. She has also volunteered in the shelter as a court advocate. She serves on many parent committees and she enjoys educating the youth about domestic violence prevention.

Mrs. Cadue-Blackwood brought the proposal forward to the Lawrence Board of Education to change the name of South Middle School to Billy Mills Middle School, to honor the Native American Olympic gold medalist. Last year, she and her daughter were influential in HB 2498, the Native American Regalia bill. Today, I would like to honor and congratulate Carole Cadue-Blackwood for her strong leadership as a parent and advocate for our community.

Absent or not voting: Bishop, Hawkins, Henderson, Kuether, Lewis, Pittman, Sutton, Thimesch, Whipple.

The bill passed.

EXPLANATION OF VOTE

Mr. Speaker: I vote yes on HB 2044, however I have some concerns. I believe this is a good idea, but I am worried that the extra revenue brought in by this may be used for administrative cost instead of being used to raise wages for the 30% of employees, who are intellectually and developmentally disabled. This is desperately needed. I believe there is a need for oversight to see that the funds raised are properly allocated to the right place. – Stan Frownfelter

The House met pursuant to adjournment with Speaker Ryckman in the chair.

The roll was called with 119 members present. Reps. Kuether and Lewis were excused on verified illness. Reps. Henderson, L. Ruiz, Whipple and Winn were excused on excused absence by the Speaker.

Prayer by Chaplain Brubaker:

Almighty God,
thank You once again for a new day
in which to enjoy and make the most of life.
This morning I was reminded of the Psalm which says,
“Truly, You put them on a slippery path
and send them sliding over the cliff to destruction.”
It definitely felt that way driving in.
Thank You for keeping everyone safe.
Our leaders may also often feel this way
during the discussions and debate of certain issues.
In order to avoid the slippery path You refer to in Your Word,
help our leaders to listen to Your voice and follow Your wisdom
to make the right decisions to keep us all on the right path.
I pray this in Christ’s Name, Amen.
(Psalm 73:18)

The Pledge of Allegiance was led by Rep. Thimesch.

I would like to invite any legislator that is a graduate of the Kansas Farm Bureau “Masters Program” to join me.
It is my honor to introduce to the House, Charlie Sargent, and his wife, Sharlin.
Today I am presenting Charlie an official certificate for his work, passion, and dedication to agriculture and his love of the communities and people supported by farming and ranching.
Charlie recently retired from Kansas Farm Bureau after 47 years of service. For those doing the math, he started in 1972.
Charlie has served in various leadership roles at KFB, but is most recognized for supervising the Masters Program.
This unique program focuses on the fundamentals of today's agriculture, and you travel to a various locations in Kansas so you see agriculture up close.
Charlie truly represents what makes the people of Kansas so great. He is humble, dedicated to the service of others, caring for all those around him, willing to share his knowledge, and quick to share his smile and sense of humor.

INTRODUCTION OF GUESTS

We all know, intuitively, that for any business to survive, they must offer a product of value to their customers or they don’t survive. Today, we have with us the current President of the company, Mr. Rich Felts, and his lovely wife Shirley. They are the current guardians to maintain and grow the organization.

Please give them a warm congratulations and welcome to the People’s House.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Hawkins are spread upon the Journal:

I am pleased to join several of my colleagues, including Representative Ballard, who serves on the JAG-K Board of Directors, in sponsoring this resolution marking today, February 7, 2019 as JAG-K Day at the Capitol.

JAG-K is one of those programs every legislator dreams of supporting. It has proven results with a 98% graduation rate.
It focuses on student success. Following graduation, 92% of our JAG-K students are in post-secondary education, training, military service, in the workforce with marketable skills or a combination of all of those. Nationally, JAG students are 230% more likely to be employed than their peers who were not in the JAG program.

JAG-K teaches students skills they need to be successful regardless of their chosen career path. They gain confidence by learning leadership and career development skills through the required JAG competencies.

JAG-K provides accountability. They report their performance measures quarterly and their expenses monthly.

JAG-K is a great program, and it is an honor to recognize numerous JAG-K students from across the state today. Joining us on the Floor of the House today are nine students:

- Ezariah Rodriguez
- Bailey Pauley
- Gage Mason
- Ana Resendiz
- Kristofer Tolman
- Bryan Belt
- Mekinzie Rojas
- Haydn Mason
- Carly Condella

Rep. Hawkins also recognized JAG-K President and CEO Chuck Knapp and JAG-K Vice President of Programming Bev Mortimer.

Rep. Ballard also spoke on behalf of the organization in recognition of their success.

By Representative Parker

HCR 5006—A PROPOSITION to revise article 10 of the constitution of the state of
Kansas; relating to reapportionment of congressional districts, legislative districts and
state board of education member districts.

Be it resolved by the Legislature of the State of Kansas, two-thirds of the members
elected (or appointed) and qualified to the House of Representatives and two-thirds of
the members elected (or appointed) and qualified to the Senate concurring therein:

Section 1. The following proposition to amend the constitution of the state of
Kansas shall be submitted to the qualified electors of the state for their approval or
rejection: Article 10 of the constitution of the state of Kansas is hereby revised to read
as follows:

"ARTICLE 10.—APPORTIONMENT OF CONGRESSIONAL,
LEGISLATIVE AND STATE BOARD OF EDUCATION
MEMBER DISTRICTS

§ 1. Reapportionment of districts required. At its regular session in
2022, and at its regular session every 10th year thereafter, the legislature shall by
law reapportion the United States congressional districts, the state senatorial
districts, the state representative districts and the state board of education
member districts as provided by this article. Reapportionment of such districts
shall be on the basis of the population of the state as established by the most
recent census of population taken and published by the United States bureau of
the census. Senatorial, representative and state board of education member
districts shall be reapportioned upon the basis of the population of the state
adjusted: (a) To exclude nonresident military personnel stationed within the state
and nonresident students attending colleges and universities within the state; and
(b) to include military personnel stationed within the state who are residents of
the state and students attending colleges and universities within the state who are
residents of the state in the district of their permanent residence.

§ 4. Establishment of redistricting commission. (a) Not later than
February 15 of each year ending in one, a redistricting commission shall be
established to recommend to the legislature redistricting plans for United States
congressional districts, state representative districts, state senatorial districts and
state board of education member districts.

(b) The redistricting commission shall consist of the following members:
(1) One shall be appointed by the majority leader of the senate;
(2) one shall be appointed by the majority leader of the house of
representatives;
(3) one shall be appointed by the minority leader of the senate;
(4) one shall be appointed by the minority leader of the house of
representatives; and
(5) within 30 days after the appointments described in paragraphs (1)
through (4) have been made, but not later than March 15 of the year in which the commission is established, the four commission members so appointed shall select, by a vote of at least three members, the fifth commission member, who shall serve as chairperson.

(c) Any vacancy in the membership of the redistricting commission shall be filled in the same manner as the original appointment or selection.

(d) No person, while a member of the commission, shall:
   (1) Hold any federal, state or local office; or
   (2) be an employee of the Kansas legislature, state board of education or United States congress.

(e) No person who has been a member of the redistricting commission shall be eligible, within two years after being a member of the commission, to:
   (1) Be a member or employee of the Kansas legislature or state board of education; or
   (2) hold any appointive state or federal office.

(f) The legislature shall provide by law for payment of compensation and expenses of members of the redistricting commission and for adequate staff, office space, equipment and materials for the commission.

(g) The terms of members of the redistricting commission shall expire on July 1 of each year ending in two, and the commission shall be inactive until reestablishment of the commission pursuant to this section.

"§ 5. Commission procedure and recommendations. (a) The redistricting commission shall establish rules and procedures as necessary to carry out the commission's functions. The rules and procedures shall include rules requiring formal submission to the commission of all communications with commission members. Ex parte communications with members of the commission in relation to the merits of matters before the commission shall be prohibited. Members of the commission shall report any violations of this prohibition to the attorney general and the legislature shall provide by law criminal penalties for such violations.

(b) The redistricting commission shall conduct public hearings throughout the state, including at least one public hearing in each state board of education member district.

(c) In recommending redistricting plans, the redistricting commission shall consider only the requirements of the constitution of the state of Kansas and the constitution of the United States, preservation of political subdivisions and preservation of communities of interest. The commission shall avoid placing more than one incumbent in a district except when necessary due to changes in the population of the state. Except as expressly provided in this subsection, the commission shall not intentionally develop redistricting plans that favor or discriminate against any individual, political party or group.

"§ 6. Legislative action; court review and action. (a) On or before the first day of the regular legislative session in each year ending in two, the redistricting commission shall introduce in the house of representatives a bill reapportioning the state representative districts and a bill reapportioning the United States congressional districts, and shall introduce in the senate a bill reapportioning the state senatorial districts and a bill reapportioning the state board of education
member districts. The bills shall not be subject to amendment by either chamber of the legislature and each such bill shall be acted upon by each chamber within seven days after the bill is introduced in the chamber.

(b) If a bill introduced pursuant to subsection (a) is not enacted, the redistricting commission, within 10 days after rejection of the bill by either chamber of the legislature or veto of the bill by the governor, shall introduce another bill reapportioning such districts. If the Kansas supreme court enters a judgment that a bill introduced pursuant to subsection (a) is invalid, the redistricting commission, within 10 days after entry of the judgment, shall introduce another bill reapportioning such districts. Introduction of a bill pursuant to this section shall be in the same chamber as introduction of the original bill pursuant to subsection (a). The bill shall not be subject to amendment by either chamber and shall be acted upon by each chamber within seven days after the bill is introduced in the chamber.

(c) If a bill introduced pursuant to subsection (b) is not enacted, the redistricting commission, within 10 days after rejection of the bill by either chamber of the legislature or veto of the bill by the governor, shall introduce another bill reapportioning such districts. If the Kansas supreme court enters a judgment that a bill introduced pursuant to subsection (b) is invalid, the redistricting commission, within 10 days after entry of the judgment, shall introduce another bill reapportioning such districts. Introduction of a bill pursuant to this section shall be in the same chamber as introduction of the original bill pursuant to subsection (a). The bill shall be subject to amendment by either chamber and shall be acted upon by each chamber within 14 days after the bill is introduced in such chamber. When a bill is introduced pursuant to this subsection, the commission shall make the commission's staff and technical resources available to the legislature for use in preparation and consideration of amendments to the bill.

(d) If either chamber of the legislature rejects a bill introduced pursuant to this section, or the governor vetoes the bill, the chamber that rejects the bill, or the governor in the case of a veto, shall transmit to the commission a letter stating the reasons why the bill was not enacted, and the commission shall take such reasons into consideration in introducing a bill pursuant to this section, subject to the requirements of section 6(c). Any such letter shall be signed by both the speaker of the house of representatives and the minority leader of the house of representatives or both the president of the senate and the minority leader of the senate.

(e) Reapportionment bills shall be published in the Kansas register immediately upon final passage and approval by the governor. The districts enacted shall be effective for the next following regular election of legislators and thereafter until again the districts are reapportioned, except that the senatorial districts shall be effective for the next following regular election at which all senators are elected.

(f) Within 15 days after publication of any reapportionment bills enacted pursuant to this article, the attorney general shall petition the Kansas supreme court to determine the validity of the bill. The Kansas supreme court, in accordance with its rules, shall permit interested persons to present their views.
Within 30 days after the filing of the petition, the Kansas supreme court shall enter its judgment. A judgment of the Kansas supreme court determining the bill to be valid shall be final until reapportionment of the districts is again required by this article.

"§ 7. Implementing legislation. The legislature may enact legislation, not in conflict with the provisions of this article, as reasonably necessary to implement such provisions."

Sec. 2. The following statement shall be printed on the ballot with the amendment as a whole:

"Explanatory statement. Current article 10 of the constitution of the state of Kansas governs reapportionment of state legislative districts. It provides for reapportionment by the legislature and requires that it be based on the most recent census taken by the United States bureau of the census, adjusted to exclude certain military personnel and certain students residing at colleges and universities. The revision of article 10 would govern reapportionment of the United States congressional districts, state legislative districts and the state board of education member districts. Under the revision, a redistricting commission would be established to recommend redistricting plans to the legislature. The legislature would enact a plan which would be subject to review by the Kansas supreme court. There would be strict deadlines for legislative action. Reapportionment of congressional districts, state legislative districts and state board of education member districts would be based on the most recent census taken by the United States bureau of the census, adjusted to exclude certain military personnel and certain students residing at colleges and universities.

"A vote for this proposition would change the procedure for reapportionment of United States congressional, state legislative and state board of education member districts.

"A vote against this proposition would continue the current procedures and basis for reapportionment."

Sec. 3. This resolution, if approved by two-thirds of the members elected (or appointed) and qualified to the House of Representatives, and two-thirds of the members elected (or appointed) and qualified to the Senate shall be entered on the journals, together with the yeas and nays. The secretary of state shall cause this resolution to be published as provided by law and shall cause the proposed amendment to be submitted to the electors of the state at the general election in November in the year 2020, unless a special election is called at a sooner date by concurrent resolution of the legislature, in which case it shall be submitted to the electors of the state at the special election.

On motion of Rep. Hawkins, the House adjourned until 8:30 a.m., Friday, February 8, 2019.
The House met pursuant to adjournment with Speaker Ryckman in the chair.

The roll was called with 115 members present.
Reps. Kuether and Lewis were excused on verified illness.
Reps. Concannon, Cox, Helgerson, Houser, Huebert, E. Smith, Victors and Whipple were excused on excused absence by the Speaker.

Prayer by Chaplain Brubaker:

Lord God,
help us today to be thankful
for the gift of grace and mercy
that You give to each one of us.
You have promised,
“I will instruct you and teach you
in the way you should go;
I will counsel you and watch over you.
Do not be like the horse or the mule,
which have no understanding
but must be controlled by bit and bridle
or they will not come to you.
Many are the woes of the wicked,
but my unfailing love surrounds the one
who trusts in me.”
Help each one of us to be teachable today
and to trust that your love and wisdom is the foundation
of all our actions and decisions.
In Christ’s Name I pray, Amen.
(Psalm 32: 8-10)

The Pledge of Allegiance was led by Rep. Rahjes.

The following Senate bill was thereupon introduced and read by title:

SB 22

FINAL ACTION ON BILLS AND CONCURRENT RESOLUTIONS

HB 2033, AN ACT concerning sales and compensating use tax; relating to countywide retailers' sales tax, rates and ballot authority, Dickinson, Finney, Jackson, Russell and Thomas counties; amending K.S.A. 2018 Supp. 12-187 and 12-189 and repealing the existing sections, was considered on final action.

On roll call, the vote was: Yeas 79; Nays 36; Present but not voting: 0; Absent or not voting: 10.

Present but not voting: None.

Absent or not voting: Concannon, Cox, Helgerson, Houser, Huebert, Kuether, Lewis, Smith, E., Victors, Whipple.

The bill passed, as amended.

EXPLANATIONS OF VOTE

Mr. Speaker: I vote no on HB 2033. This is a local County Option. However with the Finney County sales tax issue there were over 40 percent in the county that voted No to a sales tax increase. It just doesn't seem right to give a quick wink and a nod to retroactively allow a Finney County to keep these taxes without giving those who were wrongfully taxed the opportunity to apply for a tax refund.– Ken Corbet, John Carmichael

Mr. Speaker: I vote No on HB 2033. Although I support the right of local jurisdictions to raise local revenue as their citizens see fit, I cannot support the provision of this bill that endorses the results of a sales tax election conducted without statutory authority. Doing so will only encourage other cities and counties to conduct
HB 2034, AN ACT enacting the supported decision-making agreements act; relating to decision-making assistance for adults; amending K.S.A. 2018 Supp. 21-5417 and repealing the existing section, was considered on final action.

On roll call, the vote was: Yeas 101; Nays 15; Present but not voting: 0; Absent or not voting: 9.

Present but not voting: None.

Absent or not voting: Concannon, Cox, Helgerson, Huebert, Kuether, Lewis, Smith, E., Victors, Whipple.

The bill passed, as amended.

MR. SPEAKER: I vote no on HB 2034. While I generally support the intent of HB 2034, as an attorney I have grave concerns about the lack of protections for principals as currently written. There is no fiduciary duty of care owed to the principal, and Sec. 2(k)(7) seems to allow for the unauthorized practice of law. If the bill is in conference committee, I would work to address these and other concerns to make this bill work better for those it is intended to help. – KELLIE WARREN

HOUSE CONCURRENT RESOLUTION No. HCR 5007—
By Committee on Local Government

HCR 5007—A PROPOSITION to amend article 9 of the constitution of the state of Kansas by adding a new section thereto, concerning home rule for counties.

Be it resolved by the Legislature of the State of Kansas, two-thirds of the members elected (or appointed) and qualified to the House of Representatives and two-thirds of the members elected (or appointed) and qualified to the Senate concurring therein:

Section 1. The following proposition to amend the constitution of the state of Kansas shall be submitted to the qualified electors of the state for their approval or
rejection: Article 9 of the constitution of the state of Kansas is amended by adding a new section to read as follows:

"§ 6. Counties' power of home rule. (a) Counties are hereby empowered to determine their local affairs and government including the levying of taxes, excises, fees, charges and other exactions, except when and as the levying of any tax, excise, fee, charge or other exaction is limited or prohibited by enactment of the legislature applicable uniformly to all counties of the same class. The legislature may establish not to exceed four classes of counties for the purpose of imposing all such limitations or prohibitions. Counties shall exercise such determination by resolution passed by the governing body with referendums only in such cases as prescribed by the legislature, subject only to enactments of the legislature of statewide concern applicable uniformly to all counties, to other enactments of the legislature applicable uniformly to all counties, to enactments of the legislature applicable uniformly to all counties of the same class limiting or prohibiting the levying of any tax, excise, fee, charge or other exaction and to enactments of the legislature prescribing limits of indebtedness. All enactments relating to counties now in effect or hereafter enacted and as later amended and until repealed shall govern counties, except as counties shall exempt themselves by charter resolutions as herein provided for in subsection (b).

(b) (1) Any county may by charter resolution elect in the manner prescribed in this section that the whole or any part of any enactment of the legislature applying to such county, other than enactments of statewide concern applicable uniformly to all counties, other enactments applicable uniformly to all counties, and enactments prescribing limits of indebtedness, shall not apply to such county.

(2) A charter resolution is a resolution which exempts a county from the whole or any part of any enactment of the legislature as referred to in this section and which may provide substitute and additional provisions on the same subject. Such charter resolution shall be so titled, shall designate specifically the enactment of the legislature or part thereof made inapplicable to such county by the adoption of such resolution and contain the substitute and additional provisions, if any, and shall require a two-thirds vote of the members-elect of the governing body of such county. Every charter resolution shall be published once each week for two consecutive weeks in the official county newspaper or, if there is none, in a newspaper of general circulation in the county.

(3) No charter resolution shall take effect until 60 days after its final publication. If, within 60 days of its final publication, a petition signed by a number of electors of the county equal to not less than 10% of the number of electors who voted at the last preceding regular county election shall be filed in the office of the clerk of such county demanding that such resolution be submitted to a vote of the electors, it shall not take effect until submitted to a referendum and approved by a majority of the electors voting thereon. An election, if called, shall be called within 30 days and held within 90 days after the filing of the petition. The governing body shall pass a resolution calling the election and fixing the date, which resolution shall be published once each week for three consecutive weeks in the official county newspaper or, if there be none, in a newspaper of general circulation in the county, and the election shall be
conducted as elections for officers and by the officers handling such elections. The proposition shall be: "Shall charter resolution No. __________, entitled (title of resolution) take effect?" The governing body may submit any charter resolution to a referendum without petition by the same publication of the charter resolution, and the same publication of the resolution calling the election as for resolutions upon petition and such charter resolution shall then become effective when approved by a majority of the electors voting thereon. Each charter resolution becoming effective shall be recorded by the county clerk in a book maintained for that purpose with a statement of the manner of adoption, and a certified copy shall be filed with the secretary of state, who shall keep an index of the same.

(4) Each charter resolution enacted shall control and prevail over any prior or subsequent act of the governing body of the county, and may be repealed or amended only by charter resolution or by enactments of the legislature applicable to all counties.

(c) Powers and authority granted to counties pursuant to this section shall be liberally construed for the purpose of giving to counties the largest measure of self-government.

(d) This amendment shall be effective on and after July 1, 2021."

Sec. 2. The following statement shall be printed on the ballot with the amendment as a whole:

"Explanatory statement. This amendment would provide a constitutional basis for county home rule. A county could enact a charter resolution to exempt itself from non-uniform state laws that apply to the county and provide substitute or additional provisions to that law. The legislature could preempt counties from exercising home rule powers by the passage of uniform state laws that apply to all counties in the exact same manner. Counties could pass home rule resolutions to legislate locally on matters not covered by state law.

"A vote for this proposition would empower counties to determine their local affairs and government with a constitutional grant of power that could only be preempted by enactments of the legislature that apply uniformly to all counties in the exact same way.

"A vote against this proposition would retain the present law granting counties home rule power and other both uniform and non-uniform laws pertaining to counties that can be readily amended by the legislature to restrict home rule powers by statute."

Sec. 3. This resolution, if approved by two-thirds of the members elected (or appointed) and qualified to the House of Representatives, and two-thirds of the members elected (or appointed) and qualified to the Senate shall be entered on the journals, together with the yeas and nays. The secretary of state shall cause this resolution to be published as provided by law and shall cause the proposed amendment to be submitted to the electors of the state at the general election in November in the year 2020, unless a special election is called at a sooner date by concurrent resolution of the legislature, in which case it shall be submitted to the electors of the state at the special election.

On motion of Rep. Hawkins, the House adjourned until 11:00 a.m., Wednesday, February 13, 2019.
The House met pursuant to adjournment with Speaker pro tem Finch in the chair.

The roll was called with 121 members present.

Reps. Alcala and Sutton were excused on excused absence by the Speaker.

Prayer by guest chaplain, Judy Roitman, Guiding Teacher, Kansas Zen Center, Lawrence, and guest of Rep. Hightberger:

On this winter morning, I am grateful for your presence. Membership in this chamber gives you an opportunity to improve the lives of others; please cherish this gift. May the work of this legislature ensure justice and equality for the people who have entrusted you to do so; may your work ensure a vibrant life for all Kansans, so that they may all enjoy life, liberty, and the pursuit of happiness.

A quote from the Metta Sutta:

Happy, at rest, may all beings be happy at heart.
Whatever beings there may be, weak or strong, without exception, long, large, middling, short, subtle, blatant, seen & unseen, near & far, alive now or in the future, may all beings be happy at heart.
Let no one deceive another or despise anyone anywhere, or through anger or irritation wish for another to suffer.
As a mother would risk her life to protect her child, her only child, even so should one cultivate a limitless heart with regard to all beings.
With good will for the entire cosmos, cultivate a limitless heart:
Above, below, & all around, unobstructed, without enmity or hate.
Whether standing, walking, sitting, or lying down, as long as you live.

Thank you.

The Pledge of Allegiance was led by Rep. Concannon.

COMMITTEE ASSIGNMENT CHANGES

On motion of Rep. Hawkins, the House adjourned until 11:00 a.m., Thursday, February 14, 2019.
The House met pursuant to adjournment with Speaker pro tem Finch in the chair.

The roll was called with 123 members present.
Reps. Bishop and Lewis were excused on verified illness.

Prayer by Chaplain Brubaker:

Loving God in heaven,
as our leaders face the details of their work
on this Valentine’s Day,
remind us of the attitude in which we all should have.
“If I speak with human eloquence and angelic ecstasy but don’t love,
I’m nothing but the creaking of a rusty gate.
If I speak God’s Word with power,
revealing all his mysteries and making everything plain as day,
and if I have faith that says to a mountain,
“Jump,” and it jumps, but I don’t love, I’m nothing.
If I give everything I own to the poor
and even go to the stake to be burned as a martyr, but I don’t love,
I’ve gotten nowhere.
So, no matter what I say, what I believe, and what I do,
I’m bankrupt without love.
Love never gives up. Love cares more for others than for self.
Love doesn’t want what it doesn’t have. Love doesn’t strut,
doesn’t have a swelled head, doesn’t force itself on others,
 isn’t always “me first,” doesn’t fly off the handle,
doesn’t keep score of the sins of others,
doesn’t revel when others grovel,
takes pleasure in the flowering of truth, puts up with anything,
trusts God always, always looks for the best,
ever looks back, but keeps going to the end.
But for right now, until that completeness,
we have three things to do to lead us toward that consummation:
trust steadily in God, hope unwaveringly, love extravagantly.
And the best of the three is love.”
May all of us possess and live out this kind of love.
In Christ’s Name I pray, Amen.
(1 Corinthians 13:1-7; 13 – The Message)

The Pledge of Allegiance was led by Rep. Pannbacker.
INTRODUCTION OF GUESTS

There being no objection the following remarks by Rep. Clayton are spread upon the Journal:

In honor of National Organ Donor Day, I am recognizing Shawnee City Councilwoman Stephanie Meyer. Two months ago, Stephanie donated one of her kidneys to a high school friend’s husband, Dan Harmon, after seeing a Facebook post indicating he’d recently been added to the transplant waiting list. Despite having never met Dan, Stephanie began the donor process at the University of Kansas Hospital and was thrilled to learn that even with odds of 1 in nearly 32,000 for a stranger donor, they were a match. There are currently more than 100,000 people like Dan on the waiting list today, and Stephanie’s donation was an incredible way to raise awareness of this need, while giving back to a member of our community. Thank you, Stephanie.

Rep. Clayton presented Councilwoman Meyer with a framed House certificate in honor of her kind and selfless act.

Journal of the House

TWENTY-FIFTH DAY

HALL OF THE HOUSE OF REPRESENTATIVES,
TOPEKA, KS, Monday, February 18, 2019, 11:00 a.m.

The House met pursuant to adjournment with Speaker pro tem Finch in the chair.

The roll was called with 121 members present.
Reps. Bishop, Murman, Stogsdill and Warfield were excused on verified illness.

Prayer by Chaplain Brubaker:

Faithful and loving God, today as we begin a new work week and celebrate “Presidents’ Day,” I pray a prayer of a former President. His words spoken to You then, still ring true today.

“…we bow our heads and thank You for Your love. Accept our thanks for the peace that yields this day and the shared faith that makes its continuance likely. Make us strong to do Your work, willing to heed and hear Your will, and write on our hearts these words:

'Use power to help people.'
For we are given power not to advance our own purposes, nor to make a great show in the world, nor a name. There is but one just use of power, and it is to serve people. Help us to remember it, Lord.”

(Inaugural address, January 20, 1989 – President George H. Bush)

We continue to pray for Rep. Lewis. Thank you for your faithfulness to him and Susan during this difficult time. Please be with Rep. Vickrey and his family in the death of his father-in-law. We know your grace and comfort can be sufficient in this time.

In Christ’s Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Landwehr.

PERSONAL PRIVILEGE

There being no objection, the following remarks of Rep. Lewis are spread upon the Journal:

Accompanying me today is my beautiful bride of some 40 years, my wife Susan. She is also my “Chief of Staff” - not much salary goes with that but what a great title! Our son, Joshua, is also here today. Our daughter, son-in-law and their family are in the process of moving back to Kansas.
What I’m about to share I do so only that it may in some way be an encouragement to you. Proverbs 19:21 “Many are the plans of a man’s heart but it is the Lord’s purpose that prevails.” That certainly speaks of where my heart was Christmas Morning 2018 . . . but I am getting ahead of my story.

The afternoon of Christmas Eve, Susan, myself and our golden retriever, Zoe, departed for Kansas City to spend Christmas with our son. Christmas morning, I took Zoe downstairs for her morning walk. After returning upstairs I began having problems with my vision, became lightheaded and unstable on my feet. I told Susan what was going on and that I was headed downstairs while I could still get there on my own. Susan came down and I told her I didn’t know what was happening but I thought we should go to a medical facility. Susan called our son. We went by and picked him up and he told us which hospital to go to due to a short wait time. It was a God thing that we ended up at that medical facility which turned out to be a trauma center for strokes, which also means they have a good neurological team. They thought I was having a stroke but after an MRI, it showed I had a mass on the right side of my brain.

It wasn’t long ago in this House that we passed a Telemedicine Bill that became law. Many of you were here at that time. We thought we had accomplished a great thing for rural health care when in fact we had greatly benefited both rural and urban healthcare. Christmas Day as I sat in the middle of Kansas City at a major medical facility, thanks to Telemedicine I found myself speaking to a doctor in Denver, CO. From time to time we do get some things right in the Statehouse.

The mass in my head turned out to be a glioblastoma, high grade level IV, which is a cancerous brain tumor that grows exponentially . . . But that is OK. I know this tumor cannot defeat my God nor His plan of salvation for me and you.

At this point I have had 3 craniotomies and am currently taking chemotherapy and radiation.

Philippians 4:7 talks about a peace that transcends all understanding. I can testify to this truth. God has granted me a great peace with all that has occurred and at times even a JOY which I know comes from my relationship with Him.

My parting advice to you is to enjoy each day, enjoy your family, your friends, your fellow legislators . . . but do not take yourself too seriously.

Serve your District with a servant’s heart.

- This is the House of Representatives.
- This is not . . .this is not the house of self interest.
- This is not the house of special interest.
- This is the People’s House; long may it serve the People and this Great State of Kansas.

It has been an honor to have known and worked with many of you. Though being a legislator was never on my bucket list, reflecting back, this has been a great honor and experience, one which I am glad I did not miss. Susan and I wish to thank all of you for the many phone calls, cards, emails, texts, visits, even help moving offices. But we especially want to thank you for your prayers.

It has become clearly apparent to me that I cannot represent and serve my District and the people of my District at the level they so deserve. Therefore, I am tendering my resignation as State Representative of the 113th Kansas House District effective Friday, February 22, 2019.

Thank you, body, for your indulgence. Thank you, Mr. Speaker.
INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Adam Smith and Rep. Hibbard are spread upon the Journal:

This past September, the Kansas State Fair hosted the eighth annual Legislative Showmanship in cooperation with Kansas 4-H and FFA. Sponsored by the Kansas Fairs & Festivals Association, this is a friendly competition among state legislators and distinguished guests of who can demonstrate the best skills and talent for exhibiting a livestock animal. Participating legislators are paired with a youth livestock exhibitor from his or her respective legislative district, or as close as possible. The selected 4-H and FFA exhibitors provide an animal for competition and offer a crash course on how to present the exhibit in the show arena. At the conclusion of the tutorial, each legislator heads to the show arena with the animal along with their 4-H and FFA coaches for assurance and guidance for the competition.

This past year, legislators had the opportunity to exhibit top-quality beef animals that were the result of months of hard work and dedication by their 4-H and FFA members. The advice and expertise these members provided legislators was second-to-none. As winner of the 2017 legislative showmanship competition, I am pleased to introduce the following youth who assisted with providing this fantastic experience this past fall:

Cally Miller       Clay Pelton       Josey Schmidt
Scuyler Zenger    Kristin Isle     Haydon Schaaf
Brody Nemecek

I would also like to recognize the 2018 legislative showmanship champion — Representative Larry Hibbard from District 13. This competition is open to all legislators, so watch for your invitation this coming August to participate in an afternoon of working with Kansas’ next generation of leaders. It will be an experience you’ll never forget!

Members of the Kansas House of Representatives — please join me in welcoming these 4-H and FFA participants in the Legislative Showmanship program and congratulating them on a job well-done!

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Hoffman are spread upon the Journal:

During the week of February 16-23, the Kansas Future Farmers of America Association (FFA) is celebrating 91 years of FFA. This FFA week embraces more than 90 years of FFA traditions while looking forward to the organization’s future. More than 9,700 Kansas members will participate in National FFA week activities at local, state and national levels. These members have a passion for agriculture, Kansas’ largest industry. Our programs are found in both rural and urban areas of Kansas with chapters being located in or very near the cities of Colby, Garden City, Hays, Hutchinson, Lawrence, Manhattan, Newton, Pittsburg, Salina, Topeka and Wichita. FFA members can be found in 103 of the 105 counties across Kansas.

Look around, you will see FFA members volunteering for a cause, promoting hunger-
awareness initiatives and educating the public about premier leadership, personal growth and career success they are experiencing because of their involvement in Agricultural Education & FFA.

Over 90 years, agricultural education, the National FFA Organization and the Kansas FFA Association have grown and adapted with the changing times so as to aid members in continuing to be career ready and successful for a lifetime. Programming continues to be adjusted and developed to remain relevant in today’s society by expanding agricultural opportunities encompassing science, business and technology, in addition to production farming and ranching.

The Kansas FFA Association is led by the state officer team - six students who are all currently attending Kansas State University.

INTRODUCTION OF GUESTS

There being no objection, the following remarks by Rep. Dietrich are spread upon the Journal:

It is my honor to introduce you to a truly outstanding group of teachers and administrators from Washburn Rural High School right here in Topeka who received the award for the 2018 National Performing Arts School of Excellence. This award is given to only one School in the nation each year. The performing arts award encompasses band, orchestra, vocal music, art, theater, dance, speech and debate.

Performing arts are such a valuable part of a student’s education. It requires a huge commitment of both time and motivation on a student’s part to embrace the performing arts aspect of their high school experience. It teaches them discipline, time management, the value of practice making something perfect, and then the absolute joy of finding success in all of that hard work.

Performing arts programming increases a student’s confidence, teaches them how to think creatively, analyze complex issues, convey their thought and emotions in distinctive ways, collaborate with others to achieve something great and it all ends up enriching not only their school experience, but their future success as a thriving, happy, contributing adult.

I would like to introduce the performing arts teachers at Washburn Rural High School and the administrators who are here with me today and to say, “Thank you,” for making a positive difference in the lives of your students.

Mr. Speaker and fellow Representatives, I present to you:

- **Luke Chaffee**: Director of Bands

Prayer by Chaplain Brubaker:

Creator God,
Thank You for bringing everyone here today safely.
   Help us to listen, God, as You speak to us
   in ways we often miss—
   like the way you speak to us through the snow.
   In the quiet after the snowfall,
You remind us to be still and know You are God.
   In the beauty of the snowfall,
   You remind us of Your creation.
   In the nasty slush on the streets,
You remind us of the way we pollute our souls.
   Even in the slight sliding of our car in the snow,
You remind us how little control we actually have.
So, in the loud and demanding noise of the world,
   speak to us today;
   and may we hear Your still small voice
   and listen not only with our ears,
   but, also with our hearts.
This I pray in Your Name, Amen.

The Pledge of Allegiance was led by Rep. Humphries.

Prayer by guest chaplain, Rev. Keith Hines, Associate Minister, St. James Missionary Baptist Church, Wichita, and guest of Rep. Finney:

Dear Heavenly Father!!!
Lord you have been our dwelling Place in all Generations ,
before the mountains were brought forth, or ever you had formed
the earth and the world, from everlasting to everlasting you are
God. Psalms 90: 1-2

We need you now more than we've ever needed you before. I ask
you to Bless this August body with your wisdom to fit these
challenging times. Help our Legislators that are here today to
start a fresh sense of urgency. We are conscious of our
Inadequacies to sit in the seat of Judgment. To balance the scales
of Justice, and to respond with equity. To the multiple calls of
Humanity, we pray your guidance, support and direction, and in
the words of Abraham Lincoln to honor the soldiers that
sacrificed their lives in order that " Government of the people, by
people, for the people, shall not perish from the earth."

I pray your richest Blessing upon this Kansas House of
Representatives and The Officers of the state of Kansas, this your
servant prayer In Jesus name I ask Amen.

If my people, which are called by my name shall humble
themselves, and pray and seek my face, and turn from their
wicked ways; then will I hear from heaven, and will forgive their
sins and will heal their land. 2 Chronicles 7:14

The Pledge of Allegiance was led by Rep. Waggoner.
INTRODUCTION OF GUESTS

There being no objection the following remarks of Rep. Horn are spread upon the Journal:

Afterschool, before-school and summer learning opportunities help keep Kansas youth safe, inspire them to learn and support working families.

Afterschool and summer learning programs prepare young people for the jobs of tomorrow by helping them build the skills they need to succeed in the workplace, and give parents peace of mind, because they know their kids are safe, learning and having fun.

More than 70,000 students in Kansas participate in afterschool programs, yet 132,000 more would participate in a program if one were available. For every one student enrolled in a program, two are waiting to get in. This increases in rural areas: for every one student enrolled, three are waiting to get into a program.

Investing in these programs will help build Kansas’ future workforce and ensure that our businesses can succeed and grow.

Kansas Regional Afterschool Ambassadors here with me today are working hard to create and sustain these wonderful out of school opportunities for youth in their communities.

The guests here today are the talented staff and students benefited by these programs. Please visit their booth today on the 2nd floor to learn more about the Kansas Enrichment Network and meet these wonderful Afterschool Ambassadors and youth they serve.

Please join me in thanking them for the work they do in our Kansas communities.

EXPLANATION OF VOTE

MR. SPEAKER: I vote yes on SB 9 and appreciate the majority party has recognized the importance of protecting KPERS and keeping our promises to state employees. I'm concerned this issue wasn't handled in an Appropriations Bill where we could review the impact on other state priorities. Are we assured of our ability to meet our constitutional obligation to school children across this state? Will you propose to raid the highway fund yet again? Will we have the money to address the crisis in our prison system; the crisis in child protective services; the crisis in mental health services? – JIM WARD

HR 6011, HR 6012 reported correctly enrolled and properly signed on February 22, 2019.

The House met pursuant to adjournment with Speaker Ryckman in the chair.

**LETTER OF RESIGNATION**

To: The Honorable Scott Schwab, Secretary of State  
19 February 2019

Effective February 22, 2019, I, Greg Lewis, hereby resign my position as Representative of the 113th District of the Kansas House of Representatives.

**GREG LEWIS**

The House is temporarily organized with 124 members.  
The roll was called with 119 members present.  
Rep. Whipple was excused on verified illness.  
Rep. Henderson was excused on legislative business.  
Reps. Hodge, Huebert and Karleskint were excused on excused absence by the Speaker.

Prayer by guest chaplain, Rev. Carl Frazier, Pastor, New Hope and Love Community Church, Topeka, and guest of Rep. Warfield:

Dear Lord,  
As we are gathered together this morning in a place where many decisions are made that affect the rich, poor, women, men, youth, people of many colors. My prayer is today that the legislators look down on the least of them and have mercy on their needs and hopes on every vote and law that is passed.

Matthew 25:37-40  
“Then the righteous will answer Him, saying, ‘Lord, when did we see You hungry and feed You, or thirsty and give You drink? When did we see You a stranger and take You in, or naked and clothe You? Or when did we see You sick, or in prison, and come to You?’ And the King will answer and say to them, ‘Assuredly, I say to you, inasmuch as you did it to one of the least of these My brethren, you did it to Me.’”
Lord, we are in a state of emergency.
Amos 5:24 “But let justice run down like water, And righteousness like a mighty stream.” Lord, there are many people's hearts that are troubled today and they need justice and righteousness from this injustice system not next year, not next month, not next week, nor tomorrow, but right now. This is my prayer. Amen.

The Pledge of Allegiance was led by Rep. Weigel.

PERSONAL PRIVILEGE

There being no objection, the following remarks of Rep. Bishop are spread upon the Journal:

Thank you, Mr. Speaker.

As many of you know on February 10, I was injured by a fall on an icy sidewalk as I went out to pick up our Sunday newspaper. I want to let you know that I am recovering, slowly but surely, I am back and so glad to be back.

With your indulgence Mr. Speaker, I would like to express my gratitude to a few folks.

To the prompt response of the EMTs and Fire Department who—as they loaded me into the ambulance—thanked me for my service.

To the Ascension Via Christi St. Francis Trauma Team for their expert care. I am convinced they are the premier Trauma Team in the state.

To the fabulous nurses and aides at St. Francis Hospital for the loving care I received. I could not have asked for better care than they gave me.

To my Democratic colleagues who have stepped up and added the coverage of my committee meetings to their already busy schedules.

To my colleague from Butler County who led the South-Central Kansas Legislative Delegation so capably in my absence.

To my office assistant, Bernie O’Konek, who juggled my calendar, and kept the office running smoothly while I recovered.

To all of you for the cards, notes, calls and prayers for my speedy recovery. Your concern, prayers, and encouragement mean more than I can possibly express. I also received an enormous spathiphyllum--better known as a Peace Lily. It is beautiful, with green lustrous leaves and white blooms. I will so enjoy caring for it. It will remind me that at heart, of course, we truly care for one another.

I also want to thank my husband, Darrel Bishop. Without Darrel’s help I would not be here today. Darrel has had to re-arrange his life in order to help me continue to serve the people who elected me to be here and represent them. His loving support has been the main element that has allowed me to recover as smoothly as I have.

Thank you for allowing me this time, Mr. Speaker.

Lord God,
For the many blessings You give to us today,
we say thank you.
In this complicated and complex world,
it is comforting to know we can look to You for answers.
Please shed your light of wisdom and discernment
upon our leaders today.
Their task is in no way easy or simple,
but you have gifted them for this moment.
Please continue to guide and direct them.
Help them to be encouraging, useful, productive
and gracious in all their activities.
And, thank You for reminding us last night
that You apparently want us to share with one another
in our wins and losses.
In Christ Name I pray, Amen.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Blex are spread upon the Journal:

Chris Johnston, agriculture teacher at Elk Valley USD 283 in Longton, Kansas, was named the Kansas Association of Agricultural Educators Agriscience Teacher of the Year award winner at the 2019 Kansas Association of Agricultural Educators Ag Ed Symposium in Dodge City, Kansas on January 26.
Mr. Johnston utilizes the school farm and greenhouse in the seven classes that he teaches. This helps him to provide hands on practical knowledge for the students. “The school farm is such a vital part of the program. We house SAE project animals along with chapter owned animals that are used to teach about production agriculture. The students have the opportunity to be up close and personal with livestock and learn about the livestock industry with the emphasis on livestock production through hands on labs and research projects that we conduct on the farm,” said Johnston.

Jason Crawford, Superintendent of Schools at USD 283 Elk Valley, commented “Mr. Johnston embraces all the aspects of what a well-rounded agriculture instructor can bring to a program. We are excited about his investment and everything he has contributed to our program and school farm. Students leave our program prepared and equipped to tackle the unique challenges in the evolving marketplace. Under his supervision and leadership, students have the skills and opportunities to be successful.”

Agriculture programs prepare students for high-demand careers in cutting edge industries like biotechnology, renewable energies, engineering, food production, and more. They also teach students how to be leaders and prepare them to take on the challenges of the next generation.

The Kansas Association of Agricultural Educators is an organization of teachers of agriculture at the high school, post-secondary, and adult levels who seek to advance agricultural education in Kansas. The KAAE strives to provide leadership opportunities, service, and advocacy for its members.

The KAAE is affiliated with the National Association of Agricultural Educators (NAAE) and the Association for Career and Technical Education (ACTE).

**EXPLANATION OF VOTE**

**MR. SPEAKER:** Today I am voting no on **HB 2084**. While I am an adamant supporter of our public safety and 911 systems, I cannot support what is essentially a tax increase on the citizens of Kansas through a fee increase on subscriber lines. Without a detailed budget, project plan and most critically, a sunset provision on this fee increase, I cannot support imposing this fee on the citizens of Kansas. – **Micheal Capps**

EXPLANATIONS OF VOTE

MR. SPEAKER: I VOTE NO ON HB 2167. I thought about this vote all night, and with a heavy heart I will be voting NO. We have forgot one thing…what about Bambi! Do you really want to go home and tell your kids and grandkids that you put a target on Bambi’s back, or are we going to make Bambi an orphan and put him in the deer foster care system. I would ask the body to think about that for a moment. Thank you. – STAN FROWNFELETER

MR. SPEAKER: Today I am voting yes on HB 2167. The Kansas Department of Transportation said there were 10,150 deer-involved car crashes in 2016. Seven people died in those crashes. Kansas Highway Patrol Technical Trooper Stephen LaRow said, the state recorded 10,242 car versus deer crashes in 2017, resulting in eight people being killed and 597 being injured. It’s not about making Kansas the number one state for Whitetail big bucks or deer hunting, it’s not about the declining quail populations, or letting the wildlife and parks manage deer populations…it’s about safety on our highways for our families and out constituents. – JOE SEIWERT

MR. SPEAKER: Today I vote yes on HB 2167 because this will allow farmers and ranchers to help with crop deprivation, but more importantly, it will promote rural revitalization in all 105 counties. Also, it will open up thousands of private acres for Kansas hunters and their kids to enjoy. This will benefit local restaurants, motels, and convenience stores. And make Kansas the most outdoor-friendly state in the country. – KEN CORBET
Mr. Speaker: If I own 7000 acres and I have a wife and seven children who each have seven children, I can only transfer one deer tag under this bill. That is how much we vetted this bill. We beat it into oblivion in committee and finally limited it to only one deer tag to make everyone comfortable. Then we sunset the bill. Mr. Speaker, I vote yes on HB 2167 because it does not increase the number of deer tags and I want to give this idea, and the farmers a fighting chance. — Sean Tarwater

HB 2168, AN ACT concerning state property; relating to Kansas state university and the university of Kansas; authorizing the state board of regents to sell and convey certain real property in Cherokee, Riley, Douglas and Saline counties, was considered on final action.

EXPLANATIONS OF VOTE

Mr. Speaker: We vote no on HB 2198. We support efforts to treat STIs. However, the bill in its current form is troubling. There is no doctor-patient relationship for partners receiving prescriptions, and therefore a partner may have other relevant medical history that will be unknown to the prescriber, or not even be infected. The number of prescriptions one patient may distribute to partners is not limited. The bill opens the possibility of victims of sexual abuse or sexual trafficking continuing to be hidden by their abuser. For these reasons, we cannot support HB 2198. – Charlotte Esau, Blake Carpenter, Ron Highland, Kyle Hoffman, Susan Humphries, Trevor Jacobs, Bill Rhiley, Adam Thomas, John Toplikar, Barbara Wasinger, John Carmichael, Kellie Warren

Mr. Speaker: Colleagues I vote for HB 2198 - Expedited partner therapy. It is based on sound science and “Standard of Care” in 43 other states. Passing this bill will afford us an opportunity to decrease rates of STD/STI-Chlamydia infection in Kansas. It is a positive step for maternal Newborn health. This bill will decrease rates of ectopic pregnancy and sterility in women. And it will decrease the rate of chlamydia infection in Newborns causing blindness and potentially death. Again, this is sound science. Don’t let the perfect be the enemy of the good. This is a very good bill. – John Eplee

New Sec. 6. (a) On and after October 1, 2019, any marketplace facilitator that meets the criteria in subsection (b) or that has a physical presence in this state, must collect and remit retail sales or use tax on all taxable retail sales made or facilitated by the marketplace facilitator into this state pursuant to this act. Marketplace facilitators must begin collecting state and local retail sales or use taxes on taxable retail sales made or facilitated by the marketplace facilitator sourced to this state beginning on the first day of the next calendar month that is at least 30 days from the date that the marketplace facilitator met the threshold described in subsection (b).

(b) A marketplace facilitator is subject to subsection (a) if:

(1) (A) For calendar year 2018, the marketplace facilitator had in excess of $100,000 of cumulative gross receipts from retail sales sourced to this state;
(2) for the period beginning on January 1, 2019, through September 30, 2019, the marketplace facilitator had in excess of $100,000 of cumulative gross receipts from retail sales sourced to this state; or
(3) during the current or immediately preceding calendar year, the marketplace facilitator had in excess of $100,000 of cumulative gross receipts from retail sales sourced to this state.

(B) For any marketplace facilitator who satisfies the provisions of subsection (b)(1) (C) for sales in the current calendar year for the first time, such marketplace facilitator shall be required to collect and remit the tax on any sales in excess of the $100,000 of cumulative gross receipts from sales in the current calendar year by the marketplace facilitator to customers in this state.

New Sec. 7. (a) In addition to other applicable recordkeeping requirements, the department may require a marketplace facilitator or referrer to provide or make available to the department any information the department determines is reasonably necessary to enforce the provisions of this act, the Kansas retailers' sales tax act and the Kansas compensating tax act. Such information may include documentation of sales made by marketplace sellers through the marketplace facilitator's physical or electronic marketplace. The department may prescribe by rules and regulations the form and manner for providing this information.

(b) A marketplace facilitator is relieved of liability under this act for failure to collect the correct amount of tax to the extent that the marketplace facilitator can show to the department's satisfaction that the error was due to incorrect information given to the marketplace facilitator by the marketplace seller, unless the marketplace facilitator and marketplace seller are affiliated persons. When the marketplace facilitator is relieved of liability under this subsection, the marketplace seller is solely liable for the
amount of uncollected tax due.

(c) Except as otherwise provided in this section, a marketplace seller obligated to collect the taxes imposed under this act is not required to collect such taxes on all taxable retail sales through a marketplace operated by a marketplace facilitator if the marketplace seller entered into an agreement with the marketplace facilitator indicating that the marketplace facilitator is registered with the department and will collect all applicable taxes due under this act, the Kansas retailers' sales tax act or the Kansas compensating tax act on all taxable retail sales made on behalf of the marketplace seller through the marketplace operated by the marketplace facilitator. This subsection does not relieve a marketplace seller from liability for uncollected taxes due under this act, the Kansas retailers' sales tax act or the Kansas compensating tax act resulting from a marketplace facilitator's failure to collect the proper amount of tax due when the error was due to incorrect information given to the marketplace facilitator by the marketplace seller.

(d) No class action may be brought against a marketplace facilitator in any court of this state on behalf of purchasers arising from or in any way related to an overpayment of sales or use tax collected by the marketplace facilitator or referrer, regardless of whether that claim is characterized as a tax refund claim. Nothing in this subsection affects a purchaser's right to seek a refund from the department as provided by the Kansas retailers' sales tax act.

New Sec. 8. (a) Except as otherwise provided in this act, taxes imposed under the Kansas retailers' sales tax act or the Kansas compensating tax act and payable by a consumer directly to the department are due, on returns prescribed by the department, as prescribed by those acts.

(b) Nothing in this act affects the obligation of any purchaser from this state to remit retail sales or use tax as to any applicable taxable transaction in which the seller does not collect and remit retail sales or use tax.

New Sec. 9. (a) A marketplace facilitator that is subject to section 6, and amendments thereto, and is complying with the requirements of the Kansas retailers' sales tax act or the Kansas compensating tax act may only seek a recovery of retail sales and use taxes, penalties or interest from the department by following the recovery procedures established under the Kansas retailers' sales tax act. However, no claim may be granted on the basis that the taxpayer lacked a physical presence in this state and complied with the tax collection provisions of the Kansas retailers' sales tax act or the Kansas compensating tax act voluntarily.

(b) Neither the state nor any marketplace facilitator who collects and remits retail sales or use tax under section 6, and amendments thereto, is liable to a purchaser that claims that the retail sales or use tax has been over-collected because a provision of this act is later deemed unlawful.

New Sec. 10. Except as otherwise provided in this act, the provisions of K.S.A. 79-3601 through 79-3696, and amendments thereto, relating to enforcement, collection and administration, insofar as practicable, shall have full force and effect with respect to taxes imposed under the provisions of the Kansas main street parity act.

New Sec. 11. The secretary of revenue shall adopt such rules and regulations as deemed necessary for the administration of this act.

New Sec. 12. If any provision of the Kansas main street parity act or the application thereof to any person or circumstance is held invalid, the invalidity shall not
affect other provisions or applications of the act that can be given effect without the invalid provision or application, and to this end the provisions of this act are severable.

New Sec. 13. (a) There is hereby levied and there shall be collected and paid a tax upon the gross receipts from the sale of food and food ingredients. Commencing on October 1, 2019, the rate of tax shall be 5.5%.

Such proof may consist of sworn written statements from all of the residents with whom the retailer has an agreement stating that they did not engage in any solicitation in the state on behalf of the retailer during the preceding year, provided that such statements were provided and obtained in good faith. (D) The presumptions in subparagraphs (A) and (B) may be rebutted by demonstrating that the activities of the person or affiliated person in the state are not significantly associated with the retailer’s ability to establish or maintain a market in this state for the retailer’s sales. The retailer is subject to the provisions set forth in subsection (h)(1)(G) for a retailer doing business in this state and has in excess of $100,000 of cumulative gross receipts from sales by the retailer to customers in this state. Such retailer shall have nexus with this state sufficient to require such retailer to collect and remit taxes under the provisions of the constitution and laws of the United States if such retailer were making taxable retail sales of tangible personal property in this state.

(3) The processing of orders electronically, by fax, telephone, the internet or other electronic ordering process, does not relieve a retailer of responsibility for collection of the tax from the purchaser if the retailer is doing business in this state pursuant to this section.

(i) "Director" means the director of taxation.

(j) As used in this section, "affiliated person" means any person that is a member of the same "controlled group of corporations" as defined in section 1562(a) of the federal internal revenue code as the retailer or any other entity that, notwithstanding its form of organization, bears the same ownership relationship to the retailer as a corporation that is a member of the same "controlled group of corporations" as defined in section 1562(a) of the federal internal revenue code. "Cumulative gross receipts" means gross receipts as defined in K.S.A. 79-3602, and amendments thereto, and includes the gross receipts received by the retailer from its own direct sales combined with the gross

Such tax shall be levied and collected in an amount equal to the consideration paid by the taxpayer multiplied by the rate of 6.5% and on and after October 1, 2019, the rate on food and food ingredients as provided in section 13, and amendments thereto. Within a redevelopment district established pursuant to K.S.A. 74-8921, and amendments thereto, there is hereby levied and there shall be collected and paid an additional tax of 2% until the earlier of: (1) The date the bonds issued to finance or refinance the redevelopment project undertaken in the district have been paid in full; or (2) the final scheduled maturity of the first series of bonds issued to finance the redevelopment project. All property purchased or leased within or without this state and subsequently used, stored or consumed in this state shall be subject to the compensating tax if the same property or transaction would have been subject to the Kansas retailers' sales tax had the transaction been wholly within this state.

Sec. 19. K.S.A. 2018 Supp. 79-3710 is hereby amended to read as follows: 79-3710. (a) All revenue collected or received by the director under the provisions of this act shall be remitted to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury, less amounts set apart as provided in subsection (b) and amounts credited as provided in subsection (c), (d) and (e), to the credit of the state general fund.

(b) A revolving fund, designated as "compensating tax refund fund" not to exceed $10,000 shall be set apart and maintained by the director from compensating tax collections and estimated tax collections and held by the state treasurer for prompt payment of all compensating tax refunds. Such fund shall be in such amount, within the limit set by this section, as the director shall determine is necessary to meet current refunding requirements under this act.

(c) (1) On July 1, 2010, the state treasurer shall credit 11.427% of the revenue collected and received from the tax imposed by K.S.A. 79-3703, and amendments thereto, at the rate of 6.3%, and deposited as provided by subsection (a), exclusive of amounts credited pursuant to subsection (d), in the state highway fund.

(2) On July 1, 2011, the state treasurer shall credit 11.26% of the revenue collected and received from the tax imposed by K.S.A. 79-3703, and amendments thereto, at the rate of 6.3%, and deposited as provided by subsection (a), exclusive of amounts credited pursuant to subsection (d), in the state highway fund.

The state treasurer shall credit all revenue collected or received from the tax imposed by K.S.A. 79-3703, and amendments thereto, as certified by the director, from taxpayers doing business within that portion of a redevelopment district occupied by a redevelopment project that was determined by the secretary of commerce to be of statewide as well as local importance or will create a major tourism area for the state as defined in K.S.A. 12-1770a, and amendments thereto, to the city bond finance fund created by K.S.A. 79-3620(d), and amendments thereto. Such revenue may be transferred by the secretary of transportation to the rail service improvement fund pursuant to law. The provisions of this subsection shall take effect upon certification by the secretary of transportation that a notice to proceed has been received for the construction of the improvements within the intermodal facility district, but not later than December 31, 2010, and shall expire when the secretary of revenue determines that the total of all amounts credited hereunder and pursuant to K.S.A. 79-3620(e), and amendments thereto, is equal to $53,300,000, but not later than December 31, 2045. This is much like our work here, whether it be constituent calls or other surprises we are called upon to answer. Lord please help us do our work well for You today. In Jesus’ name, Amen.

The Pledge of Allegiance was led by Rep. Sawyer.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Eplee are spread upon the Journal:

Mr. Speaker, I want to thank you for this Point of Personal Privilege for the purpose of recognizing "Hit the Hill Day" on behalf of our Kansas Athletic Trainer’s Society of KATS. And colleagues those are the real “Power Kats” in our state as they provide so much of the care to our middle school, high school, college, and young adult athletes throughout Kansas.

KATS are here today to help educate us about what athletic training is and how AT benefits so many active patients and protects public safety. Athletic Training is a healthcare profession which encompasses the prevention, examination, diagnosis, treatment & rehabilitation of emergent acute or chronic injuries on and off the field of competition. Athletic training is recognized as an allied health care profession by the AMA, H.R.S.A and H.H.S (Health and Human Services).

Athletic Trainers are highly qualified multi-skilled health care professionals who collaborate with physicians across our state to provide preventative services, emergent care, and therapeutic intervention of many types of injuries, and conditions. They work
with Docs (like me) as prescribed by state licensure statute through regulation by the Board of Healing Arts.

Athletic Trainers improve functional outcomes and specialize in patient education to prevent injury and re-injury. Athletic Trainers many times shorten the rehab times for return to participation for athletes which will translate into less absenteeism from work and school. As you know Athletic Trainers treat a wide range of patients and in a variety of settings. They are always there on the sidelines whether it’s 5 degrees below zero or 105 degrees, they are ready to take care of us and our constituents.

Joining me here “on the sidelines” at the well today are:

Karen Garrison, KATS President, Washburn University
Phil Vardiman, Incoming KATS President, Kansas State
Mark Padfield, Past KATS President, Tonganoxie HS
Jennifer Brockhoff, Athletic Trainer and Physical Therapy Assistant through Atchison Hospital
Chris Fleming, KATS Public Relations Director
Haley Timmons, Co-Chair of KATS “Hit the Hill Day”
Andy Hula, Athletic Trainer from Russell, Ks

So, colleagues please join me today in recognizing and congratulating our Kansas Athletic Training Society, the real Power Cats, here today on “Hit the Hill Day.”

Rep. Eplee presented his guests with House Certificates in honor of their work with the KATS program.

As our leaders continue to process
the myriad of bills and resolutions,
help them to offer the same grace and patience
to one another.
Grace is unmerited favor,
and we give it to one another even though
we may not think one deserves it.
Patience is being steadfast and longsuffering
with one another.
We can only offer this to each other if we
allow You to speak into our hearts
and we follow Your will and Your example.
I pray this will be so today
among our leaders.
In Christ’s Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Delperdang.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Proehl are spread upon the Journal.

The Governor signed a Proclamation that today, March 7, 2019, is Kansas Phi Theta Kappa All-State Academic Team Day. Today I am proud to introduce to you the Phi Theta Kappa All-State Academic Team. Ten of the scholars are here on the Floor and the remainder are in the gallery.
Phi Theta Kappa is an International Honor Society for two-year colleges that symbolizes excellence in higher education and a commitment to students. Students with a GPA of 3.5 or higher are invited to join Phi Theta Kappa whose mission is two-fold:

- to recognize and encourage the academic achievement of two-year college students, and
- to provide opportunities for individual growth and development through participation in honors, leadership, service and fellowship programming.

Sixty-one students have been named to the All Kansas Academic Team and they represent all nineteen community colleges from across Kansas, and were named to this team based upon their academic achievement, leadership and community service.

For the first time, six technical students have been named as Phi Theta Kappa Scholars. In order to qualify, a Workforce Pathway student (technical student) must be on track to receive an Associate Degree or Certificate and will enter the Workforce following earning that credential (not intending to transfer); have a minimum of 12 college level credit hours. (All-USA/New Century Transfer students have to have at least 36 credits by December 31, 2018; and have a 3.50 GPA).

Because of their academic achievement, service and leadership, these scholars have been awarded scholarships or stipends and I wanted to be sure you were aware of this impressive group of young scholars from the Kansas Community Colleges.

Rep. Proehl introduced the following 2019 Phi Theta Kappa Representatives:

Rebekah Morris – Coffeyville Community College
Ashley Noon– Kansas City, Kansas Community College
Sarah Rightmer – Labette Community College
Tara Collins – Highland Community College
Levi Harris – Butler Community College
JaelAnn Hoover – Cloud County Community College
Aneth Morales Canales – Dodge City Community College

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Reps. Winn and Carlin are spread upon the Journal:

The theme for International Women’s Day this year is: **Better the Balance, Better the World.**

International Women's Day goes back to 1913, over 100 years ago when our great grandmothers joined with women all over the world to celebrate International Women’s Day. In the United States they were involved in working to get the right to vote for women. They knew how important women are in the entire world.

Kansas has really strong women who pioneered here in the 1800’s and scored record setting achievements for women.

- Kansas was the first state to put women's suffrage on the ballot – it didn't pass this time.
- Kansas was the first state to elect a woman mayor in the country - Susanna Salter from Argonia, Kansas.
- Sandra Day O'Connor – first woman on Supreme Court appointed by President Ronald Reagan. – O’Connor, as quoted by current member of the Supreme Court, Ruth Bader Ginsberg – appointed by President Bill Clinton - "….As society sees what women can do, as WOMEN see what women can do, there will be more women out there doing things and we will all be better off for it." (p.91, In My Own Words, RBG, 2016, Simon and Schuster).

Women of International Distinction from Kansas include:

- Sen. Nancy Landon Kassebaum, three time U.S. Senator, noted moderate, and one of those credited with establishing the Tall Grass Prairie National Preserve in the Flint Hills.
- Joan Wagonon, former Mayor of Topeka, and leader in the efforts to ratify the ERA in Kansas. The state of Kansas was one of the earliest to ratify.
- Elizabeth Dole, former head of the International Red Cross, and married to Bob Dole, the former Majority leader of the U.S. Senate.
- Susan Wagle – I believe -- is the first woman to be elected President of a state Senate.

Kansas also has 31 women members of the Kansas House of Representatives and 14 Members of the Kansas Senate - and recently elected our third woman Governor.

Reps. Winn and Carlin introduced the many influential women who joined them on the House floor.

INTRODUCTION OF ORIGINAL MOTIONS AND HOUSE RESOLUTIONS

HOUSE RESOLUTION No. **HR 6015**—

On emergency motion of Rep. Eplee, **HR 6015**, by Reps. Eplee, Amyx, Arnberger, Baker, Barker, Blex, Clark, Cox, Croft, Delperdang, Dietrich, Dove, Ellis, Esau, Garber, Helmer, Highland, Hineman, Hoheisel, Jennings, Karleskint, Lusk, Lynn, Mason, Mastroni, Neighbor, Orr, Pannbacker, Phillips, Resman, Rihey, Ryckman, Samuel, A. Smith, Thompson, Victors, Wasinger, Weigel and Williams, as follows, was introduced and adopted:
**HR 6015**—A RESOLUTION recognizing March 20, 2019, as Kick Butts Day.

A RESOLUTION recognizing March 20, 2019, as Kick Butts Day and condemning e-cigarette use as a public health hazard leading to a broad spectrum of individual and public health impacts and societal harms.

WHEREAS, Kick Butts Day is observed across the nation on March 20, 2019; and

WHEREAS, First observed in 1996, Kick Butts Day encourages and empowers students annually to "stand out, speak up, and seize control against Big Tobacco," under the direction of the Campaign for Tobacco-Free Kids; and

WHEREAS, On Kick Butts Day, events are organized to further three main goals. These goals include "raising awareness of the problem of tobacco use," encouraging students "to reject the tobacco industry's deceptive marketing and stay tobacco-free," and urging government leaders to safeguard youth against tobacco use through official action; and

WHEREAS, Over the last 10 years, e-cigarette use, commonly known as vaping, has skyrocketed among America's youth. Recently, the U.S. Surgeon General reported a 78% annual increase in e-cigarette use among high school students nationwide. Currently, one in 10 of Kansas' 11,500 high school student-smokers is an e-cigarette user; and

WHEREAS, E-cigarettes contain toxic chemicals, including propylene glycol, vegetable glycerin and flavorings, and nicotine, that are known to ravage users' oral and overall health. These chemicals have been linked to the destruction of tooth enamel, cavities, gum disease, death of gum tissue, and other medical issues; and

WHEREAS, Nicotine is a highly addictive substance that poses a special harm to adolescent users. Adolescent users can become more easily addicted to nicotine than adults, and the resulting addictions can render the brain more susceptible to other drug addictions, including cocaine; and

WHEREAS, Juul e-cigarettes are highly popular among America's youth. They are designed to resemble ordinary flash drives and are easily concealed in pockets, purses, and book bags. Additionally, Juul e-cigarettes use Juul pods containing nicotine salts, a form of delivery that is far more effective and potent than e-liquids; and

WHEREAS, The U.S. Food and Drug Administration Commissioner and the U.S. Surgeon General have declared adolescent e-cigarette use an epidemic; and

WHEREAS, The American Cancer Society and the American Lung Association are working to combat the explosion of adolescent e-cigarette use. In March 2018, the American Lung Association challenged the U.S. Food and Drug Administration's August 2017 decision exempting e-cigarettes from agency review for several years. The suit was filed in conjunction with the American Cancer Society Cancer Action Network, an affiliate of the American Cancer Society, other public health and medical groups, and five individual pediatricians; and

WHEREAS, Overcoming the harms of e-cigarette use is extremely difficult for the afflicted individual to address alone. Now, therefore,

*Be it resolved by the House of Representatives of the State of Kansas: That we recognize March 20, 2019, as Kick Butts Day. We condemn e-cigarette use as a public health hazard leading to a broad spectrum of individual and public health impacts and societal harms. Accordingly, we recognize the need for additional education, prevention, research, and policy change at the community and societal levels, and we*
urge this chamber and other governing bodies to take appropriate steps to ensure that these needs are met; and

*Be it further resolved:* That the Chief Clerk of the House of Representatives shall send five enrolled copies of this resolution to Representative Eplee.

**INTRODUCTION OF GUESTS**

There being no objection, the following remarks of Rep. Eplee are spread upon the Journal:

Thank you, Mr. Speaker, for this opportunity to present HR 6015 and showcase the Second Annual "Kick Butts Day," which serves as a firm reminder of the profound health risks of E-cigs, vaping, and all tobacco products for our young patients in Kansas.

Today, over 100 middle and high school students from across the state have come together in Topeka for Kick Butts Day, a national event aimed at mobilizing youth to raise awareness about the problems of tobacco and electronic smoking device use in their schools and communities. Today is hosted by the American Cancer Society Cancer Action Network, the Tobacco Free Kansas Coalition, and RESIST, a youth-led, statewide movement created to fight against the tobacco industry's influence on Kansas kids.

There are 61,000 Kansas kids now under 18 and alive today that will die prematurely from smoking at current rates. 8.1% of Kansas high school students smoke and 10.6% use electronic cigarettes. Nationally, use of electronic smoking devices and JUUL increased by 78% last year alone, causing the U.S. Surgeon General to issue a warning calling the use of these devices an "epidemic."

Participants in Kick Butts Day at the Capitol are eager to meet with us today to share their perspectives on tobacco use and vaping in their schools and communities and to ask for your help in creating policy that will reduce youth tobacco and electronic cigarette use in our state.

With me today "at the well" are:

Jaci Charbonneau, Smith Center
Mackenzie Dunigan, Hutchinson
Hailey Kisner, Hutchinson
Allie Utley, Iola
George Bright, Shawnee
Tara Nolen, President of Tobacco Free Kansas Coalition, Wichita
Shelby Rebeck, Shawnee Mission School District
Courtney Hurtig, American Cancer Society Cancer Action Network Ambassador, Overland Park

Also, in our visitors gallery are many young students here today to celebrate and promote "Kick Butts Day."

Please join me in recognizing the solidarity of energy and effort put forth by these organizations and our young constituents represented here today on behalf of "Kick Butts Day."

Prayer by Chaplain Brubaker,

Lord God,
Thank You for this day and this week
and for Your unfailing promise to
be our guiding light.
I am reminded how negativity breeds negativity
and how positivity breeds victory and success.
As our leaders continue their work,
remind them often that we empower and enlarge
that upon which we focus and give time to.
If we focus on the good, good will prevail.
If we focus on the negative, negativity will prevail.
It all comes down to each of us choosing
that of which we want more.
Every choice we make will have an end result
and the power of that choice is within us.
Lord, help all of us to choose wisely.
In Your Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Moore.

EXPLANATIONS OF VOTE

Mr. Speaker: I vote “yes” on SB 22. I reluctantly vote in favor of SB 22: I’m putting my faith in House leadership. #HD5, RURAL Kansas, and our seniors, veterans, and families DEMAND PROPERTY TAX RELIEF. And stable school funding, sound infrastructure, and mental health. SB 22 has some good attributes, but fails higher priorities. I implore this Legislature, the Governor, and all others to use OUR intellect, experience, and resources to help US cast a vote WE can all be proud of. Please, let’s deliver for the good, hard-working people of Kansas. If these critical items are not addressed, I cannot in good conscience vote for such legislation again. – Mark Samsel

Mr. Speaker: I vote no on Senate Bill 22.
Under no circumstance could I support a bill that puts the interest of giant multinational corporations before hardworking Kansans. I cannot support a bill that would return our state to fiscal irresponsibility. We've only just begun on a path to recovery.
Furthermore, the food sales tax reduction of a mere 1% is not meaningful reform. If we really want to reduce the burden on Kansans, we must address the issue head-on and not as a quick add-in to a bill that will give corporations $137 million in FY 2020 alone.
Thank you, Mr. Speaker. -- Gail Finney, Jim Garner, Cindy Neighbor, Jeff Pittman, Virgil Weigel, Mike Amyx, Freda Warfield, Rui Xu, Jerry Stogsdill, David Benson, Monica Murnan, Broderick Henderson, Elizabeth Bishop, KC Ohaebosim, Dennis “Boog” Highberger, Tim Hodge, Sidney Carlin, Luis Ruiz, Brett Parker, Eileen Horn, Cindy Holscher, Nancy Lusk, Valdenia Winn, Kathy Wolfe Moore.

Mr. Speaker: I am voting yes today on Senate Bill 22. I want the playing field leveled between out-of-state internet sellers and in-state brick and mortar retailers. It isn’t fair that retailers in Kansas must collect sales tax when those who sell online can avoid collecting tax because they don’t have a physical presence in our state. As for claims that the income tax portion of this bill favors large corporations, we should look at who many stockholders are. Through my 401k, I hold ownership in some large corporate stock as many of our constituents do. The interests of large business and that of hard-working Kansans aren’t always contrary to each other. – Ken Collins

Mr. Speaker, I vote no on Senate Bill 22. Under no circumstance could I support a bill that would recreate the disastrous Brownback tax experiment. Thank you, Mr. Speaker. -- John Alcala, Pam Curtis, Ponka-We Victors

Mr. Speaker: I vote No on Senate Bill 22. A basic principle of sound financial management is “you don’t spend money you don’t have.” This bill “spends” tax revenue we have not yet seen or collected to create a tax loophole for off-shore corporations which have avoided Kansas tax liability for years. While we may be able to afford meaningful sales tax relief, and restoring a full itemized deduction for the less than 15% of Kansans who itemize, I will not support a $137,000,000.00 tax give away for expatriate corporations. I therefore vote No on Senate Bill 22. – John Carmichael

Mr. Speaker: Taxpayers and business owners, whether individuals or corporations who provide thousands of jobs in my district and county, need the adjustments and freedom in this bill and I support avoiding an unintended state tax increase created by the changes in the Federal tax code. However, the amendments related to sales taxes
are not coupled together and the overall impact may be increasing taxes at the very time we are trying to avoid an unintended tax increase. Those items should have been addressed separately, not in this bill. For these reasons, I reluctantly vote no on SB 22. -- **Charlotte Ésau**

**Mr. Speaker:** I vote Yes on SB 22 not because of the added enforcement of the internet sales tax penalty, but because in the contents of the bill there is hope that money will go back to the Kansas taxpayer. My sincere expectation in the future is that the State would be so gracious to give the people a full reduction in the food sales tax.

I agree with Andrew Jackson, “The wisdom of man never yet contrived a system of taxation that would operate with perfect equality.”

We the people understand taxation is a necessary monster to be fed, but to what end?

- **Trevor Jacobs**

**Mr. Speaker:** The original idea here was to allow businesses and individuals to itemize deductions on income tax returns, even if they don't on their federal return. Like much legislation, other items were added in the process including an internet sales tax added, BUT a food sales tax reduction – so it is a bill which bundles issues.

It allows Kansans to itemize expenses for charitable contributions, medical expenses, mortgage interest, and property tax payments (as examples) – I agree.

I disagree with adding an internet sales tax, but I agree to a reduction in food sales tax.

Weighing all issues, I vote yes on SB 22. -- **John Toplikar**

**REPORTS OF STANDING COMMITTEES**

Committee on **Transportation** recommends **SB 17, SB 39** as amended by Senate Committee, be passed.

**REPORT OF STANDING COMMITTEE**

Your Committee on Calendar and Printing recommends on requests for resolutions and certificates that

**Request No. 49,** by Representative John Eplee, honoring the Kansas Athletic Trainers' Society for the role of their profession in keeping the community healthy;

be approved and the Chief Clerk of the House be directed to order the printing of said certificates and order drafting of said resolutions.

Our Father in Heaven,

We thank Thee this day for the bounteous blessings that have been poured out upon us. We are thankful for the opportunity to live in a country in which we are able to worship Thee and pursue our own happiness according to the dictates of our own consciences. We thank Thee for our homes and families and our association with other good people. We are thankful for our responsibility to participate in the government of this people.

We pray that we may be guided by Thy Holy Spirit as we consider difficult issues. We pray that decisions will be made that preserve our individual rights and freedoms while helping those among us who are in need of our help.

We pray that a spirit of cooperation and conciliation will prevail in the discussions of this day. We pray that decisions will be made that will bless the lives of those that we have been called to serve, for we know that when we are in the service of our fellow beings, we are only in the service of our God.

For this we pray, in the name of Jesus Christ. Amen.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Holscher are spread upon the Journal:

Fellow Legislators and others in attendance today; we are so fortunate to have a very special guest with us. She is known as a grandmother, a diva and businessperson. She is also a Holocaust survivor.

Sonia Warshawski was born in Poland prior to the start of WWII. In 1942, as a teenager, she and her family were forced by the Germans into the ghetto where she worked as a slave labourer. She was separated from most of her family; she never saw her father or brother again and later watched her mother walk to the gas chambers. Sonia managed to survive three death camps and survived the death march out of Aushwitz. Finally in 1945, liberation came for those being held in the camps. However, it wasn’t going to be an easy day for Sonia as she was shot in the chest. Despite spending her teenage years imprisoned - often beaten, starved and abused, and then shot – she made it. Sonia and her sister were the only members of her family to survive the Holocaust.

After the war, Sonia was in a displaced persons camp where she met her husband, John. The two came to Kansas City in 1948 and owned a tailor shop. Even their shop has a story of survival; it was the last business open in what was the Metcalf South Shopping Center which went out of business and was razed. Fortunately, Sonia was able to relocate and still operates the business to this day.

Of her experiences from the Holocaust Sonia has said “I’ll never hate. If I hate, I destroy myself.” She has taken that message to schools, prisons and numerous other events. She has provided inspiration to countless individuals across the country. In 2016, the movie Big Sonia was released which tells her story and teaches valuable life lessons. Today we will have a special showing of the 45-minute version of the movie at 1:30 in the auditorium on the ground level – everyone is invited to attend this free event. You won’t want to miss her story.

For the work she has done in fighting discrimination and sharing her message of healing, today we honor Sonia Warshawski. Joining her here today are her daughter and son-in-law.

We thank you for your tireless efforts in educating others and we are so honored to have you and your family join us here in the Capitol.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Owens are spread upon the Journal:

Since our state's inception, Kansas has been known as a land of opportunity. Companies such as Coleman, Cessna, Pizza Hut, Excel Hustler Mowers & Ageo (formerly Hesston Manufacturing) are examples of large employers that were started here in Kansas by a person with an idea! These companies have made Kansas their home and organizations like Youth Entrepreneurs are helping to educate the future business builders of Kansas.
March 11, 2019

Founded in 1991 in Wichita, KS, Youth Entrepreneurs is a nonprofit organization that equips middle and high school students with the entrepreneurial skills, values and vision to pursue their dreams. YE’s activity based curriculum started as an eight week program, but shortly evolved into a year long accredited course that has enabled more than 30,000 alumni across the nation to overcome barriers and seize opportunities for the betterment of themselves and others.

Youth Entrepreneurs currently operates in 13 states, some of which include Oklahoma, Texas, Missouri, Illinois, Arizona and California.

The 2017-2018 School year consisted of 3,487 Students (a 62% increase over the previous year) and 182 Educators in 126 Schools.

The following representatives are with me today:
Jessica Stice, Manager Stakeholder Relations (South Central KS)
Jeremiah Adair, Manager Stakeholder Relations (North Kansas)
Tory Chamber, Manager Stakeholder Relations (South East Kansas)
Brent Hogan, Manager Stakeholder Relations (North East Kansas)

I would encourage each of you to stop by their booth on the 2nd floor of the Rotunda today and learn more about how they can make an impact in your community!

Please join me in celebrating entrepreneurship in Kansas and the Youth Entrepreneur program!

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Pittman are spread upon the Journal:

I'm here to honor this the second “Theatre in Our Schools Advocacy Day,” where theatre students from across our great state come together to advocate on the benefits of theatre education in our junior high and high schools. So often we take the time to honor our football clubs, our basketball teams, our scholars – we are taking the time today to honor our nearly 3,000 students engaged in theatre across our state.

Many will not realize it, but theatre is alive and well in Kansas. We have had three of the eleven spots for the International Thespian Festival -- one from the all state troupe, one from Garden City and one from Hutchinson.

Two of the six student officers of the International Thespians are Kansas students. Mr. David Hastings, director of theatre from Olathe South, was elected to the National Educational Theatre Association's Board of Directors. Also, our Kansas Thespian teachers have been selected to serve on developing national theatre curriculum and advocacy leadership pilots.

Today we have 14 schools represented including: Leavenworth, Olathe North, Olathe South, Ft. Scott, Goddard, Andover, Wichita, Topeka, Hayden High, Salina and Garden City.

Theatre teaches those skills so prevalent in modern society – how to present oneself, how to understand an audience, and how to work as a team but also be the star...skills that translate beyond theatre, beyond social media and into skills Kansas employers are looking for.
Following the Governors’ proclamation, they have been visiting legislators today and will be performing at 12:40 in the central rotunda. Please join me in honoring our Kansas Thespians.

You sit upon a throne in your absolute authority surrounded by the innumerable host of heaven. Only your counsel shall stand, and only your purposes will not fail. I pray that every member of this governing body would submit to your authority so that what you have deemed “good” none would call “evil” nor would any esteem as good, what you have declared as evil.

Oh gracious King, give to this land the blessing that can come from you alone as we humble ourselves before you! Give your grace to these lawmakers so that they would govern in righteousness and that their decisions would produce peace. Give them success in the difficult task of restraining the wicked desires of our evil hearts.

THIRTY-NINTH DAY

The House met pursuant to adjournment with Speaker Ryckman in the chair.

The roll was called with 123 members present.

Prayer by Chaplain Brubaker:

Almighty God,
thank You for this day and the refreshing rains
that help clear the air and give promise of Spring.
As our leaders continue their work here
and our basketball teams begin tournament plays,
I am reminded how coaching techniques can be similar
to the leadership patterns and skills of this body.
Coaches pull together people from diverse
backgrounds, experience, philosophies and talents
and encourage them to accept responsibility and partner together.
Our leaders have this same diversity
yet they partner together to fulfill their responsibility.
Coaching is not about devising the perfect plan,
but about paying attention to people,
believing in them, caring for them,
and helping them to better themselves.
Every decision our leaders make must be about
paying attention to people (constituents)
and making decisions that allow them to better themselves.
I pray that You will enable our leaders with
these coaching and leadership practices.
In Your Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Ohaebosim.
INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Waymaster are spread upon the Journal:

The mission of the Veterans of Foreign Wars, or VFW, is “To foster camaraderie among United States veterans of overseas conflicts. To serve our veterans, the military and our communities. To advocate on behalf of all veterans,” and the VFW is “the voice that represents veterans everywhere and defends their rights and benefits. Our representatives stand for veterans every time,” and the slogan for the VFW Auxiliary, of which I am a member, is to provide “unwavering support for uncommon heroes.”

Today, we congratulate and honor the VFW Teacher of the Year for the State of Kansas, Julie Bernard who displays in her classroom the honor to our veterans. The VFW Teacher of the Year program recognizes those educators, who in the classroom, educate, instruct, and provide respect and honor to our veterans. This program recognizes exceptional teachers for instructing their students in Americanism and patriotism. We are honoring Julie Bernard, a third-grade teacher from Bickerdyke Elementary School in Russell, Kansas, for her dedication and devotion to educating her students about American pride and honoring our veterans.

After a vigorous nominating process, Julie was selected by our local VFW post, some of whose members are with us today. She then won at the state level, then proceeded to the National level. She began her career in Beloit, then Osborne, and now, in Russell.

We congratulate Julie not only on her instructional knowledge of heroism and patriotism, we also honor her today for being named the 2018 VFW State of Kansas Teacher of the Year and for competing at the national level. With us today are her husband, Larry Bernard; Andrew Dempewolf, principal for Bickerdyke Elementary School; Shelly Swayne, USD 407 Superintendent; and also, members from our VFW Post #6240 in Russell, Kansas: Michael Allen, James Bowman, Betty Jo Lloyd, Fred Weigel, and my mother and father, Mary Pat and Lance Waymaster.

Thank you, Julie, for providing this education to your students so the vision of the VFW is embedded in our young students at an early age: ensuring “that veterans are respected for their service, always receive their earned entitlements, and are recognized for the sacrifices they and their loved ones have made on behalf of this great country.”

Fellow House members, please join me in honoring Julie Bernard as the 2018 VFW Teacher of the Year for the state of Kansas!

EXPLANATION OF VOTE

Mr. Speaker: I vote NO on Senate Bill 17. I am supportive of motorcycle Driver Safety and Training.

I disagree with taking away individual freedom of choice, being forced to satisfy requirements for the state “M” endorsement.

Also, this bill does not cover Driver of Vehicles such as all-terrain vehicles (ATV), golf carts, electric scooters, e-bikes and mopeds. – Bill Rhiley

Present but not voting: None.
Absent or not voting: Pittman.

The resolution was adopted.

EXPLANATIONS OF VOTE

Mr. Speaker: As the mother of triplets, I cannot take part in the indirect condemnation a woman in a situation where she is carrying twins and one dies and she chooses to abort the non-viable, dead baby so as not to endanger the life and health of the other twin and/or herself. I vote no because the underlying assumption of the resolution is that there is never a legitimate case where the life and health of the mother and/or another baby could be in serious risk. I am voting against SCR 1606 as a statement in support of life. – Nancy Lusk

Mr. Speaker: We vote no on SCR 1606. We should be concerned about Medicaid expansion in KANSAS, funding schools in KANSAS, providing a secure work environment in KANSAS prisons, and transportation funding in KANSAS. Where are the bills that address these issues for KANSANS- not in New York- For these reasons we vote no on SCR 1606. – Freda Warfield, Elizabeth Bishop, Susan Ruiz, Cindy Neighbor

Mr. Speaker: I vote NO today on SCR 1606. With all the issues facing Kansas concerning our schools, our lack of healthcare for tens of thousands of Kansans, our crumbling infrastructure, our economy, our responsibilities to our foster children and many others, I find it irresponsible and indefensible that we spend taxpayer money working on issues that are the concern and responsibility of the state of New York. I believe our constituents have sent us to Topeka to deal with the issues facing the state of Kansas and not to waste time and resources lecturing and interfering with the legislative process in other states. – Jerry Stogsdill, Rui Xu, Jim Gartner

Mr. Speaker: I vote no on SCR 1606. Rather than focusing on the condemnation of New York's policies, we should be working toward funding our children's educations, expanding Medicaid, fixing our failed foster care system in which children are missing and dying, resolving the crisis in our prison system, and addressing the many other issues facing our state. We were elected here in Kansas to serve the people of Kansas, not to waste time and tax dollars worrying about what other states decide to do for their constituents. Thank you, Mr. Speaker. – Cindy Holscher, Tom Sawyer, Mike Amyx,
Mr. Speaker: Matthew 7:3-4 says “How can you say to your brother, 'Let me take the speck out of your eye,' when all the time there is a plank in your own eye? You hypocrite, first take the plank out of your own eye, and then you will see clearly to remove the speck from your brother's eye.” Mr. Speaker, I vote no on SCR 1606. – Brett Parker

Mr. Speaker: I vote No on SCR 1606, and commend the legislature of the of the State of New York for its respect for the Constitution of the United States and the right to privacy guaranteed to all of us by the Fourth Amendment. I further commend the members of the New York Senate and State Assembly for their courageous defense of women’s reproductive rights. With the intention of providing a personally autographed copy of the March 13, 2019 House Journal to the governor and legislature of the State of New York. I vote No on SCR 1606. – John Carmichael

Mr. Speaker: I vote “yes” on SCR 1606. On February 1, 2019, the Representative from Harvey County, with broad support, delivered a strong pro-life message directed to New York. It reflects the values of my District and most Kansans. At minimal taxpayer expense. I commend his efforts.

Today, however, culminates a disappointing process. Kansans expect common sense, collegiality, teamwork, efficient use of taxpayer resources, and results that help our State.

On February 11, the Senate introduced SCR 1606. Why?

Yesterday, we had multiple amendments that quickly proved futile. How did the 3-hour process that entailed help any Kansan?

I struggle to find answers that meet the aforementioned Kansas values—Mark Samsel

Mr. Speaker: I vote Yes on SCR 1606. The famous philosopher Dr. Seuss once said, “A person's a person, no matter how small.”

So regardless of physical or political boundaries, I believe all people should have the right to live and enjoy the gift-of-life where God has so divinely placed them, no matter how long or short that life may be. Life should be experienced, cherished and protected by all who have had the privilege to experience it at least once.

Thomas Jefferson had said, “The care of human life and happiness and not their destruction is the first and only legitimate object of good government.” -Trevor Jacobs, Bill Rhiley

Mr. Speaker: 2 days ago we all stood in support of Sonia Warshawski and symbolized our sadness at the history of the Holocaust. Today 1/3 of this generation is lost to the Holocaust of abortion. In WWII we finally stood up to the Nazis. Today we need to stand for the unborn babies in every state in the nation. We vote yes on SCR 1606. – Barbara Wasinger, Susan Humphries, Charlotte Esau
MR. SPEAKER: I vote yes on SCR 1606. Kansas was once known as the late-term abortion capital. Pro-life Kansans have worked tirelessly to change hearts, minds, and laws to defend the most helpless among us. Sadly, New York recently moved in the opposite direction.

Today more than ever, it is on you and me to defend the rights of helpless, unborn life.

New York’s Reproductive Health Act is a despicable violation of the fundamental right to life. I am proud to take a stand again today to say that life has inherent value and we in Kansas expect all life to be treated with respect, love, and care. – DANIEL HAWKINS

MR. SPEAKER: I vote NO on SCR 1606 because I trust women and we should mind our own business. DENNIS “BOOG” HIGHBERGER, JARROD OUSLEY

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Xu are spread upon the Journal:

It is my honor today to recognize Roeland Park, who recently was one of eight cities around the country selected for the Prestigious Resiliency Program with the National League of Cities for their work on sustainability initiatives in the Kansas City Metropolitan area.
Roeland Park is a first ring suburb of the city, and like the residents of the other municipalities, Roeland Park residents are highly dependent on neighboring jurisdictions both economically and socially, as they share the same ecosystem.

Likewise, climate risks such as drought, increased heat, and flooding do not stop at human-made borders such as state lines and must be addressed by multiple jurisdictions working in coordination at the metro-regional scale.

To address that, elected officials from Roeland Park, Shawnee, and multiple municipalities throughout the Kansas City metropolitan area decided to take the issue into their own hands and founded the Metro KC Climate Action Coalition (of which I am a part) with the purpose of drawing down greenhouse gases, improving climate resilience, and generating corresponding economic, social, health, and quality of life benefits in the area. Representing this diverse group of elected officials today from Roeland Park is Mayor Mike Kelly and Councilwoman Jen Hill; and from Shawnee Mayor Michelle Distler and Councilwoman Lindsey Constance.

As a state elected official, I feel tremendously lucky that I have such strong local leaders to collaborate with. We have a constant dialogue on what I think is feasible or best addressed at the state level and how they can support me, and then what is best addressed at the local level, and how I can help support them. This is one of the best examples of how governments work together, and I am immensely proud of the sustainability initiatives that we are going to accomplish together.

HR 6016 reported correctly enrolled and properly signed on March 15, 2019.

On motion of Rep. Hawkins, the House adjourned until 11:00 a.m., Monday, March 18, 2019.
The House met pursuant to adjournment with Speaker pro tem Finch in the chair.

The roll was called with 123 members present.

Prayer by guest chaplain, Rev. Everett Schultz, Pastor, First Mennonite Church, Pretty Prairie, and guest of Rep. Seiwert:

Our Father in Heaven,

We come before Thee this morning thanking You for the many blessings You have bestowed upon our great nation and upon this great state of Kansas. I want to thank You that this great state still opens each session of this House with prayer. Your Word tells us that where two or three are gathered together in Your name, there You are in the midst of them. So, I thank You that You are with us in this House right now.

I come before You today to ask for Your wisdom and guidance to be given to these people in this great hall. There are so many issues that must be addressed and probably at times these people feel that the problems are too complex to be resolved. The decisions they make will affect our children and grand-children. And yet, I know that You can provide the wisdom and guidance to solve the needs of this state and provide a better state for years to come. Father, Your word says that “The fear of the Lord is the beginning of wisdom.” Your word also states that “If any of you lacks wisdom, let him ask of God, that gives to all men liberally and without reproach; and it will be given him.” Therefore, Father, I ask that You give wisdom and understanding. I pray that they will be able to make decisions that meet the needs of this great state not only for us today, but also for our children and grand-children.

Father, please bestow Your wisdom upon these people. Give them encouragement. Give them guidance. Help them to be able to discern the right decisions. Keep them from buckling to the pressures that is all around them. Help them to represent the people who elected them, and to look out for all the people’s interests, when there may be times when it is difficult to stay the course.

During the remaining days of this year’s session; I ask for Your encouragement, Your wisdom, and Your guidance to direct the decisions that are made. May their decisions be made according to Your will. In Jesus’ name I pray. Amen.
The Pledge of Allegiance was led by Rep. Seiwort.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Garber are spread upon the Journal:

On March 14th, 2018, I presented the 2017 Sabetha Bluejay football team in the House chamber. The team was recognized for winning their third state football championship in November of 2017. At the same time Elliott Strahm was congratulated for winning an individual wrestling title. Sabetha fans had enjoyed quite a successful athletic season.

The fans could never have imagined what would happen from that day in March, 2018 until the end of November. In May, our student athletes won state in Golf and Baseball. The girls 4x800 relay took home a gold medal at the state track and field tournament. Not to be outdone by the athletes on the gridiron, diamond or track, the FFA Rituals team also won first place at state.

When the 2018-2019 school year began, everyone knew we had a good football team. But could we win another state championship? The football team went 13-0 and ended the season with a thrilling 43-42 overtime victory over Pratt.

Today, I am recognizing some of the players and coaches of the 2018 state baseball champions and the 2018 back-to-back state football champions. Most of the players and coaches are in the gallery. Anyone who plays a team sport knows it takes everyone on the team to win so before I mention the accomplishments of the individuals on the floor I want to thank all the players and coaches in the gallery for the thrilling moments you brought to our lives.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Hibbard are spread upon the
Journal:

This past summer on June 26th, a tornado hit the southwest corner of Eureka and
made a path to the northeast corner of town where it hit the Eureka High School facility.
At daylight the next morning at the command post, I ran into my legislative friend Eric
Smith, who had spent the night in securing the area and accounting for those trapped
and missing. He told me to hop in and we'd take a tour. When we got to the high school
area, the thing that hit me the hardest was a sign hanging limply on the destroyed
grandstand that said "Tornado Alley." It was evident that the football field, track, and
second gymnasium were damaged beyond repair.

When football season started for these boys two months later, every game was an
away game and they had to find a place to practice that wasn't contaminated by the
glass, nails, and debris of the tornado. The boys won a few ballgames but I know they
were very excited to start wrestling practice in the part of the facility that was not
damaged. As the year went on, success came to them as they won their own prestigious
Eureka Invitational tournament and finished first in the Fredonia Regional tournament.
But there were still skeptics who wondered if they could keep up with those great
western Kansas schools who had dominated state 3-2-1A wrestling for decades.

During the first day of the state tournament, they took a large lead and on the second
day continued to be successful, winning away. This was the first time that a school east
of Wichita and Salina and south of Topeka had ever won a state championship.
At this time, I'd like to introduce the wrestlers who participated in the state
tournament:
106#, freshman Connor Booth-Hughes
113# three times state champion Kendall Beitz
120# two time state champion Kolby Beitz - and yes, you remember, I introduced
these twin brothers on the floor last season
138# Brenan Lowe who won his first state championship
152# sophomore Brent Escareno who finished second
160# freshman Garrison Spoonts who contributed points but did not medal.
Heavyweight division Jonathan Turner who contributed points but did not medal.
They are accompanied by their coaches Mike Davison and Tyler Lowe.

The rest of the Eureka wrestling team are in the balcony and I ask that you join me in
recognizing the 3-2-1A state wrestling team for 2019.

Rep. Hibbard presented the team framed House certificates in honor of their
accomplishments.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Victors are spread upon the
Journal:

Two years ago, I recognized Nico Hernandez on the house floor for winning a bronze
medal at the 2016 Olympic Games. In the two years following that visit, he has gone
undefeated as a professional fighter with a current record of 7 wins and no losses. Nico
is the International Boxing Federation’s National and World Champion and he just had
his 7th professional fight aired live on national television.

Nico has brought some of the largest promoters in the sport of boxing here to the
state of Kansas and he will be fighting once again on May 18th at Century II in Wichita.
I am a supportive fan of Nico and attend the boxing matches in Wichita. Nico is not
only a champion in the ring, he is also a champion outside of the ring. Nico has recently
agreed to serve as the Grand Marshall for the inaugural year of the Wichita Chisolm
Trail Marathon. The purpose of this first-year marathon is to foster a premier regional
sporting event that magnifies the culture of Kansas, while runners and community come
together to make a sizable donation to The United Way of the Plains. The Wichita
Chisolm Trail Marathon will be held on March 24th in the heart of downtown Wichita
and will be one of the fastest and flattest qualifying courses for the Boston and New
York Marathons, as well as the Olympic trials!

Joining Team Nico today are Race Director Michael Langston and his wife Amanda,
as well as their 3 children Tate, Parker and Rose. Also with Nico today are his fiance,
parents and manager. They would all like to thank the great State of Kansas for their
shared community and continued support, and they look forward to bringing even
greater sporting events to our state in years to come!”

The roll was called with 125 members present.

Prayer by Chaplain Brubaker,

Gracious Lord and God,
thank You for this day You have given us.
As our leaders continue to work for the good
of the people of Kansas, remind each one that
servanthood must never let them become passive,
and leadership must never make them become arrogant.
Concern for relationships must never disguise complacency,
and striving for achievement must never make them unkind.
Reliance on grace must never shield disobedience, and obedience must never degenerate into legalism. Faith must always mean more than mental assent, and works must never make them self-righteous. Education must never take them down the road to relativity, and belief in revelation should not demand closed-mindedness or irrationality. Because God is just, does not mean He is unforgiving, and because God is merciful, does not mean He is permissive. Lord, help all of us to live by these principles, knowing that to do so, we need your help and wisdom. We welcome Rep. Alicia Straub to the legislature. Help her in all the adjustments and as she discovers her role here.
In Your Name I pray, Amen.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Hawkins are spread upon the Journal:

Mr. Speaker and Members of the House –

Later today, members of both chambers and many guests to the Capitol will gather on the South Steps to honor Israel and reaffirm the State of Kansas’s support for our brothers and sisters in Israel. Kansas’s exports to Israel have totaled more than $721 million since 1996, and Israel now ranks as Kansas’s 20th leading trade partner. As an important ally, it’s important for us to recognize Israel today.

Joining me on the floor today are:

- Lisa McFarland - Ambassador to Israel appointed by Governor Sam Brownback
- Earl Pickard - Kansas who prayed through Kansas for 7 years before establishing a ministry in Israel for the last 7
- David Epps - Earl's Worship Leader who has gone with Earl to Israel a dozen times
- Mary Humble - Ministered with Earl here in Kansas and in Israel
- Alicia Burnison - Goes to D.C. to represent Kansas and Israel

Please join me in honoring these individuals for their work on behalf of Kansans towards the state of Israel.

Rep. Hawkins honored his guests by presenting them with a House certificate.
INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Amyx are spread upon the Journal:

Thank you, Mr. Speaker,

Today we recognize Kidney and Organ Day at the Capitol. More than 115,000 Americans are on the national transplant waiting list. Too many die before getting a life-saving transplant, making living donation and registered donors important. Today we honor four kidney recipients and five living kidney donors. Some of them might not have been here today if they hadn’t had a living donor or a registered donor to give them a second chance at life.

The living donors we have here today are Sara Hemphill, Deb Simmons, Cassie Hickel, Priscilla McPheeters and Keyta Kelly. The recipients present are Steve Hemphill, Jim Kelly, Terry Roberts and Michael Kelly. Please join me in welcoming these amazing and fortunate Kansans to the Kansas House of Representatives.

On September 16, 1919, the American Legion was then chartered by the U.S. Congress; and

WHEREAS, On August 9, 1921, the Legion's efforts resulted in the creation of the U.S. Veterans Bureau, the forerunner of the Veterans Administration; and

WHEREAS, On December 15, 1943, Past National Commander Harry W. Colmery wrote a draft that would become the G.I. Bill of Rights, one of the Legion's greatest legislative achievements; and

Be it further resolved: That the Chief Clerk of the House of Representatives shall send an enrolled copy of this resolution to Representative Weigel.
INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Weigel are spread upon the Journal:

Good morning fellow colleagues:

It is a distinct honor to stand before you and ask you to join me in recognizing the American Legion in celebrating the 100 year anniversary of the founding of the Legion (March 15, 1919 – March 15, 2019). The American Legion is the largest war veterans’ organization with over 2.3 million members. Founded out of the ashes of World War I in Paris, France, its’ mission is to foster Americanism, advocate patriotism and continue to serve our Veterans and military personnel. Here in Kansas, there are over 40,000 members in more than 500 posts. Units are spread across the state in large posts with hundreds of members to small town posts with barely more than one hundred members, but the mission is the same.

Legion programs include serving our veterans in health issues, help in filing for benefits, visiting veterans in VA hospitals and assisting members with educational matters. Legion members also assist with military honors for fallen veterans. The Legion also organizes and funds Boy Scout programs, Legion baseball, oratorical contests, flag lines and many more programs for our veterans.

Some notable members were past presidents Truman, Eisenhower, Kennedy, Johnson, Ford, Reagan, George H. W. Bush, George W. Bush as well as Alvin York who served as an infantry soldier in World War I. The American Legion and its members advocate for all our veterans and their families.

Please join me in recognizing and celebrating the 100 Year Anniversary of the American Legion.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Ousley are spread upon the Journal:

March has been designated as Brain Injury Awareness month to promote public awareness on the extent, causes, consequences, treatment and prevention of traumatic brain injury, and to remind people with brain injuries and their families that they are not alone.

2.8 million adults and children sustain brain injuries each year in the United States; and traumatic brain injury (TBI) is a contributing factor in one-third of all injury-related deaths. More than 5 million Americans, and 54,000 Kansans, are living with disabilities related to brain injury. TBIs can happen to anyone, and are largely the result of falls, motor vehicle crashes, assaults (including among our servicemen and women), sporting-related injuries and occupational injuries.

Each of us received a pie tin invitation to the first floor Rotunda to commemorate those with brain injury, to learn more, and enjoy a piece of pie. Please join me there.

Rep. Ousley presented his guests with a framed House certificate in honor of Brain Injury Awareness month.
INTRODUCTION OF ORIGINAL MOTIONS AND HOUSE RESOLUTIONS

The following resolution was introduced and read by title:

HOUSE RESOLUTION No. HR 6018—
By Committee on Agriculture

A RESOLUTION requesting the federal government address water quality issues in the Arkansas River Basin in Southeast Colorado and Southwest Kansas and the prevalence of radionuclides in the waters of the Arkansas River Basin.

WHEREAS, The waters of the Arkansas River are declining in quality, due to naturally occurring sources that are exacerbated by irrigation and return flow practices concentrated in the Arkansas River Valley, east of Pueblo, Colorado; and

WHEREAS, In each of the last two years, approximately 10 tons of uranium have been delivered in downstream river flows from Colorado to groundwater in Southwest Kansas. The affected region in Kansas includes Hamilton, Kearny, and Finney counties; and

WHEREAS, Affected communities in Colorado and Kansas require assistance to remedy decades of poor water quality, which continues to worsen; and

WHEREAS, Federal standards on safe drinking water are intended to protect the health and safety of the public. Accordingly, it is within the interest of the federal government to partner with state and local water providers to develop remedies for the Basin; and

WHEREAS, Public assistance is vital to providing safe drinking water to Kansans in the Basin, whose water supply is currently contaminated in affected communities and is threatened to be contaminated in other communities by naturally occurring radionuclides beyond the standards established by the Safe Drinking Water Act, public law 93-523; and

WHEREAS, Without additional funding, Kansas' affected communities cannot develop water management practices and necessary infrastructure to address the water quality concerns; and

WHEREAS, The U.S. Bureau of Reclamation has an established interest in providing alternative fresh water sources to portions of the affected Basin in Colorado. Currently, efforts are underway to accomplish this goal; and

WHEREAS, In 2014, the U.S. Bureau of Reclamation completed an Upper Arkansas River Basin Public Water Supply Alternatives Viability Analysis of Water Supply Alternatives for Hamilton, Kearny, and Finney counties in Kansas. The analysis addressed water quality and availability in the Basin and identified alternatives, including the regionalization of supply pipeline alternatives. However, such supply pipeline alternatives are largely unaffordable due to participants' inability to cover construction costs; and

WHEREAS, In 2015, the U.S. Bureau of Reclamation completed an Arkansas Basin from John Martin Reservoir to Garden City, Kansas, Final Plan of Study, acknowledging the shared water quality problems in Colorado and Kansas: Now, therefore,

Be it resolved by the House of Representatives of the State of Kansas: That the State of Kansas hereby requests that the Kansas congressional delegation work with the U.S. Congress to provide funding and direction to the U.S. Bureau of Reclamation to
implement the efforts identified in the 2014 and 2015 studies, including, but not limited to:

Further compiling information on existing, usable sources, and projected demands;

developing Basin tools, including scientifically defensible hydrologic and economic modeling tools;

completing system reliability and impact analyses to assess the current and future capability of existing natural and manmade infrastructure and operations to meet demands and useable water supply challenges;

identifying adaptation strategies to improve operations and infrastructure and to address current and future water availability and quality challenges in the Basin; and

developing recommendations to address the water quality challenges and to provide reliable, clean sources of drinking water in the affected areas of the Basin; and

Be it further resolved: That we request the Kansas Water Office, Southwest Kansas Groundwater Management District No. 3, and other state and local partners in Kansas and Colorado to work with the U.S. Bureau of Reclamation to complete these tasks and to address the concerns regarding the contamination of the Arkansas River Basin; and

Be it further resolved: That the Chief Clerk of the House of Representatives shall send enrolled copies of this resolution to Kansas Governor Laura Kelly, each member of Kansas' congressional delegation, the Kansas Water Office, Southwest Kansas Groundwater Management District No. 3, the Arkansas River Compact Administration, the U.S. Bureau of Reclamation, and the current U.S. Secretary of the Interior.

We thank you for another opportunity to come before your Mighty Throne. And we praise you for who you are, not what you do.

As we stand before you, we come humbly asking that you forgive us of our trespasses, as we forgive those who trespass against us.

You promised that you are the one who forgives all sins and heals all diseases. (Psalm 103:3) We ask that you go to those in the Nation who are suffering from cancer, mental illness, depression and any other incurable diseases that have plagued their lives. It was also your words that said: “For I will restore health to you, and your wounds I will heal, declares The LORD” (Jeremiah 30:17). You said: “Don’t be afraid, just believe” (Luke 8:50) and that we are to “cast all our cares on You because You care for us.” (1 Peter 5:7)

We are asking that you restore our neighborhood and rid it of crime and poverty. We are asking that you rectify any issues that are not pleasing unto you. We are asking that you give our leaders the strength to stand strong in the heat of the battle, and the peace that comes with your discernment as they make decisions that will affect our nation.

As we decrease, may your grace, mercy, and peace be multiplied to our neighborhoods, city, and nation. May your favor fall heavily upon our city, and may your glory be exalted for all to see.

We pray all of these things in Jesus name...Amen!

The Pledge of Allegiance was led by Rep. Ward.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Long are spread upon the Journal:

It is my honor today to recognize Braxton Moral from Ulysses. Braxton Moral, son of Carlos and Julie Moral, is a senior at Ulysses High School.

In early elementary school, Braxton was identified as gifted and started the process of accelerating his educational track in order to keep pace with his ability and love for learning. He skipped a grade in elementary school and began taking high school courses while still in middle school.

On May 19 of this year, at the age of 16, Braxton will graduate from Ulysses High School. Eleven days later, he will also graduate from Harvard University earning a BA degree in government, with a minor in English.
His ability to complete this task is a testament to his intellectual abilities as well as the enjoyment he has with the educational process. He is intellectually gifted, but he truly loves the educational process and challenging himself.

In the process of Braxton achieving this amazing feat, he has remained grounded in the sense of being a typical high school student participating in tennis, forensics, debate as well as other activities, which have helped hone his social and leadership skills. Braxton’s coursework is a combination of regular high school classes, concurrent college classes taken during the school day, and Harvard classes taken as night classes, summer classes and even classes on the campus at Harvard.

Braxton’s story is uniquely his. The path to success is different for every student. Kansas’ vision for education honors these differences by personalizing the education experience to each student’s needs and goals.

Braxton says his next step hopefully is to attend Harvard Law School and pursue a career in politics.

I want to introduce you to Braxton Moral. Also with us today are Braxton’s parents Carlos and Julie Moral. I would also like to introduce USD 214 School Superintendent, Dave Younger; USD 214 School Board member, Clay Scott; State Commissioner of Education, Randy Watson; State School Board member, Jean Clifford; Vice-Chairman of State School Board, Janet Waugh; Chairman of the State Board of Education, Kathy Busch; and USD 457 School Board President, Mark Rude.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Hibbard are spread upon the Journal:

Today, I have with me Jeff and Cheryl Sowder from Toronto who are lifetime friends of Cindy and I. In 1974, I approached Jeff about becoming a Mason. His family and ours have been active in the Masonic Lodge forever and I knew Jeff would be a good fit. Jeff joined and became active in our local lodge and served as Master and while doing so, he became involved in the Grand Lodge of Kansas and served as Grand Master of the state of Kansas.

After doing that, he became active in the Shrine and he ended up serving as Potentate of Midian Shrine in Wichita. At that time, he had a lot of interaction with Imperial Shrine which includes all the Shrine units in North America. Imperial Shrine owns and manages twenty-two children's hospitals from Mexico City to Montreal Canada.

Though Jeff has a very successful livestock feed business in both Toronto and Wichita and a large ranching operation, he has spent conservatively half of his time on the road serving the needs of the Shrine and their hospitals. Cheryl has been by his side all this time.

In July of this year, he will be installed as Imperial Potentate of The North American Shrine for the 2019 2020 year. For you Kansas City residents, in July of 2020, he will be presiding over the Imperial Shrine session which will be held in Kansas City. You can expect approximately 30,000 Shriners to descend upon your area for a week taking care of business so Shrine children can be healed.
As near as we know, Jeff is the first Shriner from Kansas to ever hold this distinct honor. He and Cheryl have dedicated their lives helping to improve the quality of life of the children of North America. Will you join me in saying "thank you" to them for their dedication and service.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Kelly are spread upon the Journal:

It is my pleasure to introduce the players and coaches of the Coffeyville Community College Red Ravens Women’s Volleyball team, the 2017 & 2018 NJCAA Division II National Champions. One year ago, the Red Ravens were scheduled to be here to recognize their first ever National Championship. However, a snow and ice storm cancelled their journey to Topeka. This year the weather cooperated, and the Raven women now bring with them “back to back” National Championships.

Two years after making their first-ever appearance at nationals, and one year after winning their first ever National Championship, the Coffeyville Red Ravens took home a second NJCAA DII National Championship in Charleston WV. No. 1 Coffeyville defeated No. 2 Parkland (IL) 3-0; 25-18, 25-18, 25-16. The Red Ravens were flawless throughout the tournament, having won each of their four matches by 3-0 set scores. Coffeyville allowed more than 20 points in a set just three times throughout the duration of the tournament to capture its second national title in program history.

In 2017, the 4th seeded Red Ravens, coming off an emotional five-set victory over two-time defending national champion Parkland (IL) in the semifinals, capped off an incredible 4-match run by knocking off No. 1, and previously undefeated, Owens (OH) 3-1 in the championship match of the NJCAA Division II National Tournament.

This year The Lady Ravens finished the season 40-3, winning their 2nd consecutive National Championship. This season followed the best season in program history at 44-2 overall, shattering the previous best season win total of 38 set in 2016 when CCC captured 8th place at the national tournament.

This is the first women’s program at Coffeyville to ever win a National title, and this 2018 championship is now the 8th in the history of Coffeyville Community College. CCC is in an elite group of community colleges with national volleyball titles. In the history of the Kansas Jayhawk Community College Conference, only three other schools have won national volleyball titles.

I would like to introduce you to those who have joined me on the floor today:

- Delice Downing, Head Coach – Now in her 15th season with the Ravens. In 14 years, she has a career record of 390-172 (.694) and is the all-time winningest coach in school history. Delice was selected as the 2018 - NJCAA Division II Coach of the Year, NJCAA Division II Volleyball Championship Coach of the Tournament & AVCA Two-Year College Midwest Region Coach of the Year.
• Adianez Rivera Reyes – 2018 Tournament's Most Valuable Player, one year after earning All-Tournament team recognition in the 2017 tournament
• Danielle Dodge
• Erianna Murray
• Kamryn Smith
• Genesis Soto
• Deja Hamilton
• Seliann Concepcion - All-Tournament Team
• Lauren McKinney
• Jessica Anderson, Asst. Coach

Also, please recognize the CCC team members, coaches and administrators that are in our gallery today.

Let’s please give a special Kansas House recognition to the Coffeyville Lady Red Ravens Volleyball Team – 2017 & 2018 NJCAA National Women’s Volleyball Division II Champions.

Rep. Kelly presented a framed House certificate to the coach of the Red Ravens in honor of the team's great accomplishments.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Patton are spread upon the Journal:

Since 1947, Youth of the Year has been the Boys & Girls Clubs of America’s premier recognition program, celebrating the extraordinary achievements of Club members. Each year, one exceptional young person from a Boys & Girls Club rises to the role of National Youth of the Year. The National Youth of the Year serves as both an exemplary ambassador for Boys & Girls Club youth and as a strong voice for all of our nation’s young people.

The journey to being named National Youth of the Year begins locally and progresses to state, regional, and national levels, with an additional military phase for members of affiliated Youth Centers on U.S. military installations.

With me this morning are the following 2019 Youth of the Year candidates:

• D’Naeyia Gray, Boys & Girls Clubs of Hutchinson
• Natalie Downing, McConnell AFB Youth Program
• Paris Souza, Boys & Girls Club of Manhattan
• Ruth Gathunguri, Boys & Girls Club of Lawrence
• Trevor Roig, Boys & Girls Club of Coffeyville
• Xzavier Craft, Boys & Girls Club of Topeka
• Zaria Garnes, Boys & Girls Clubs of South Central Kansas

Last night, Ruth Gathunguri was named the state youth of the year, who will move on to regional and national competitions and Natalie Downing was named Kansas military youth of the year.

Please join me in congratulating all of these outstanding students!

HR 6022—A RESOLUTION honoring Korean War veterans from Kansas.

A RESOLUTION honoring the Kansans who served in the United States Armed Forces during the Korean War, in defense of the United States, its citizens, and its ideals.

WHEREAS, On June 25, 1950, communist North Korea initiated the Korean War by invading the Republic of Korea with approximately 135,000 troops. Planned and executed with Russian support, the invasion was intended to ensure the spread of communism into the Republic of Korea and beyond; and

WHEREAS, On June 27, 1950, President Harry S. Truman ordered the United States Armed Forces to help the Republic of Korea defend itself against the North Korean invasion; and

WHEREAS, On July 27, 1953, the hostilities ended in a cease-fire, marked by the signing of the armistice at Panmunjom, on the border between North and South Korea; and

WHEREAS, During the Korean War, approximately 1,789,000 members of the United States Armed Forces served in this theater of combat, sustaining 54,246 casualties, including 33,739 battle deaths, more than 103,284 wounded, and approximately 8,055 listed as missing in action or as prisoners of war; and

WHEREAS, 435 Kansans lost their lives in the Korean War. Their names and corresponding branches of service are listed on the Korean War Veterans Memorial in Overland Park; and

WHEREAS, Three Korean War veterans from Kansas were awarded the Congressional Medal of Honor: Stanley Taylor Adams, Army, DeSoto; Jack Arden Davenport, USMC, Mission; and Father Emil Joseph Kapaun, Army, Pilsen; and

WHEREAS, The Kansans and other Americans who served in the Armed Forces during the Korean War willingly paid the price that freedom demanded and counteracted the spread of communism to sustain democracy in the Republic of Korea; and

WHEREAS, In the almost 69 years since the outbreak of the Korean War, the Republic of Korea has emerged from a war-torn economy into one of the major economies of the world and one of the United States' largest trading partners and military allies; and
WHEREAS, In September 2017, there were only an estimated 13,431 Korean War veterans living in Kansas, a number that continues to dwindle with each passing year. Therefore, it is only fitting and just that we honor all the brave Kansans who served during the Korean War, some of whom are still with us: Now, therefore,

Be it resolved by the House of Representatives of the State of Kansas: That we honor the Kansans who served in the United States Armed Forces during the Korean War, in defense of the United States, its citizens, and its ideals. We remember the service and sacrifice of the Korean War veterans who are still with us in Kansas, as well as the other veterans of the United States Armed Forces and allied countries who served in Korea. Accordingly, we encourage all Kansans to participate in commemorative activities, pay solemn tribute, and never forget the veterans of the Korean War; and

Be it further resolved: That the Chief Clerk of the House of Representatives shall send five enrolled copies of this resolution to Representative Clark.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Croft are spread upon the Journal:

HR 6022 is a resolution honoring and recognizing Kansans who served in any branch of the armed services (on active duty, in the reserves or in the National Guard) in defense of our country, citizens and ideals. While we want to always honor service, this resolution specifically focuses on one era, those who served in the Korean War (1950 – 1953). The Korean War, known as “The Forgotten War” because it came on the heels of WWII, when on June 25th, 1950, communist North Korea invaded the Republic of Korea with approximately 135,000 troops.

Two days later, on June 27th, President Harry S. Truman ordered the United States Armed Forces into action. During the war, approximately 1,789,000 military served in the theater of combat, with 54,246 casualties and more than 103,000 wounded (officially) and 8,055 listed as missing in action or prisoners of war.

There were 435 Kansans who gave the ultimate sacrifice in the Korean War. Their names and branches of service are listed on the Korean War Memorial in Overland Park, Kansas.

Three Kansans were awarded the Congressional Medal of Honor:

- Stanley Taylor Adams, U.S. Army, DeSoto, Kansas
- Jack Arden Davenport, United States Marine Corps, Mission, Kansas
- Father Emil Joseph Kapaun, U.S Army, Pilsen, Kansas

As of September 2014, there were 18,242 Korean War Veterans living in Kansas. This year we established a distinctive license plate for veterans of the Korean War so they can display their service and we can thank them for keeping America and the World safer.

Be it resolved by the House of Representatives of the State of Kansas: that on this 21st day of March, Two-thousand and nineteen, Kansas Military Appreciation Day, we recognize the historical importance of the Korean War, which began on June 25, 1950 and ended on July 27, 1953. We honor the noble service and sacrifice of these Kansas veterans now, while they are still with us, who served during the Korean War. We encourage all Kansans to participate and support commemorative activities, pay solemn
tribute and never forget the sacrifices of our great defenders of freedom. We reaffirm this commitment as we appreciate that all service is valuable; everyone is part of the team and all deserve our thanks and recognition.

Rep. Cropf introduced the veterans who joined him on the House floor and thanked them for their service.

INTRODUCTION OF ORIGINAL MOTIONS AND HOUSE RESOLUTIONS

On emergency motion of Rep. Waymaker, **HR 6021**, by Reps. Waymaker, Arnberger, Barker, Bergquist, Carlin, W. Carpenter, Claeys, Concannon, Delperdang, Dietrich, Dove, Ellis, Finch, Francis, Gartner, Highland, Hoffman, Holscher, Huebert, Humphries, Jacobs, Jennings, Kelly, Kessinger, Lusk, Lynn, Mastroni, Owens, Proehl, Rahjes, Ralph, Resman, Rhiley, Schreiber, A. Smith, E. Smith, Sutton, Tarwater, Thomas, Vickrey, Wasinger, Williams and Wolfe Moore, as follows, was introduced and adopted:

**HOUSE RESOLUTION No. HR 6021**—A RESOLUTION recognizing World Down Syndrome Day in Kansas.

A RESOLUTION recognizing World Down Syndrome Day in Kansas.

WHEREAS, World Down Syndrome Day is celebrated on March 21, 2019; and

WHEREAS, In 2006, World Down Syndrome Day was observed for the first time by many nations across the globe; and

WHEREAS, On December 19, 2011, the United Nations General Assembly designated March 21 as World Down Syndrome Day to raise public awareness on Down syndrome. The third month and its 21st day were chosen to symbolize the triplication or trisomy of the 21st chromosome; and

WHEREAS, Down syndrome is the most common irregular chromosomal condition. According to the Centers for Disease Control and Prevention (CDC), approximately 6,000 infants, or 1 in 700, are born, annually, with Down syndrome in the United States; and

WHEREAS, While Down syndrome is a lifelong condition, the CDC reports that when infants and children are offered intervention services early in life, they are often able to improve their physical and intellectual abilities. These services are typically offered across the nation and may include speech therapy, physical therapy, and occupational therapy; and

WHEREAS, Known Down syndrome organizations in Kansas include the Down Syndrome Guild of Greater Kansas City, the Down Syndrome Society of Wichita, the North Central Kansas Down Syndrome Society, the Northwest Kansas Down Syndrome Society, the Southeast Down Syndrome Society, and Team Up for Down Syndrome. These estimable organizations are committed to raising public awareness and providing aid and empowering individuals and families of individuals with Down syndrome: Now, therefore,

*Be it resolved by the House of Representatives of the State of Kansas:* That we recognize March 21, 2019, as World Down Syndrome Day in Kansas; and

*Be it further resolved:* That the Chief Clerk of the House of Representatives shall send five enrolled copies of this resolution to Representative Waymaker.
INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Waymaster are spread upon the Journal:

**World Down Syndrome Day** is today, March 21. On this day, people with Down syndrome and those who live and work with them throughout the world, organize and participate in activities and events to raise public awareness and create a single global voice for advocating for the rights, inclusion, and well-being of people with Down syndrome.

On December 20, 2007, the World Health Organization recognized March 21st as World Down Syndrome Day. This date was selected as a symbolic date for the Day of Trisomy 21. The general Assembly of the United Nations recognized the same date in 2011. The General Assembly decided to "designate the 21st of March as World Down Syndrome Day, to be observed every year beginning in 2012 and "invites all Member States, relevant organizations of the United Nations system, and other international organizations, as well as civil society, including non-governmental organizations and the private sector, to observe World Down Syndrome Day in an appropriate manner, in order to raise public awareness of Down syndrome." Thus, each year, on this symbolic date of March 21st, persons concerned with Down Syndrome organize demonstrations, scientific, social and /or medical meetings, exchange their knowledge as well as their requests at the national and international levels.

The Secretary-General of the United Nations Ban Ki-moon said on 21 March, 2012, "On this day, let us reaffirm that persons with Down syndrome are entitled to the full and effective enjoyment of all human rights and fundamental freedoms. Let us each do our part to enable children and persons with Down syndrome to participate fully in the development and life of their societies on an equal basis with others. Let us build an inclusive society for all."

Joining us today are Mike and Angie McKenna and their daughters, Bryleigh and Brooklyn, from Russell, Kansas. Their family joined together with other families in 2015 to form the Northwest Kansas Down Syndrome Society. A group that has quickly grown to more than 30 families in Northwest Kansas. Brooklyn, who is 4 years old and was born with Down Syndrome, is thriving with the support of her family, friends and educators. Like many families with Down Syndrome children, the McKenna's were unsure of the path their lives would take. According to Mike and Angie, Brooklyn has brought joy and love to their family and has opened doors to people they may have never met and places they may have never gone, such as being here today at the Kansas State Capitol. Their hope for this resolution is to bring more awareness and inclusion for children and adults with special needs like Down Syndrome.

There being no objection, the following remarks of Rep. Thomas are spread upon the Journal:

I want to talk today about an amazing young lady from my town of Olathe...Rachel Mast. Rachel graduated from Olathe South in 2018, 17 years after I did, and she is now attending Missouri State University as part of their Bear POWER Program where she studies hospitality, entertainment, and theatre. As an active participant in the Student Government Association, Rachel was also recently elected as a Senator! One huge
accomplishment was Rachel working hard to help get the Federal Achieving a Better Life Experience (ABLE) Act passed. She then went on to become the 1st Kansan to open an account.

Rachel is a member of the NDSC Policy and Advocacy Coalition and an ABLE National Resource Center Advisor.

When not hard at work at Missouri State, Rachel works as a hostess at Olive Garden. She is also 1 of 3 students featured in a video called “Just Like You – Down Syndrome.”

Rachel loves acting and interacting with people. In addition to considering a run for Congress, Rachel hopes to one day live in a pink house.

Rachel has shared her message of “I Love My Life” with groups across the country. She says “I have Down Syndrome, but I am not Down Syndrome,” I am Rachel, and I really love my life…

Rachel’s mother Jawanda is here today to celebrate. Jawanda has been a long-time advocate for the rights and inclusion of people with Down Syndrome and other disabilities. She is the founder of #321Advocate, a social media grassroots advocacy group, a member of the NDSC Policy Advocacy Coalition, and currently she serves as VP of the Kansas Disability Rights Center Board.

It is an absolute honor to have such a wonderful family in District 26 and Rachel is an amazing person, this world is lucky to have her, and we all are excited to see how she continues to make a positive impact in this world.

On roll call, the vote was: Yeas 69; Nays 54; Present but not voting: 0; Absent or not voting: 2.

The bill passed, as amended.

**EXPLANATIONS OF VOTE**

**MR. SPEAKER**, I vote no on **HB 2066**. Yesterday 62 members of this body — led by the minority party that once decried the gut and go process — set a dangerous precedent by overriding the Rules Committee. Ignoring rules passed in sweeping bipartisan fashion.
We have a solemn duty to craft laws for the people of Kansas. Yesterday, we sent a message to every Kansan that rules don’t matter.
With one unprecedented vote, this body became more polarized, more fractured and more political. We teach our children that the ends never justify the means.
The process used yesterday should appall even the firmest believers in Medicaid Expansion. — **DANIEL HAWKINS, CHARLOTTE ESAU, BARBARA WASINGER, RON HOWARD, MEGAN LYNN**

**MR. SPEAKER**: I vote NO on **HB 2066**. We have upwards of 4000 Disabled Kansans who have waited upwards of 8 years for services. We have a state of emergency in our prisons. We have lost kids in our foster care system. We are in the midst of a Mental Health Crisis! We have an underfunded KPERS system. We have an underfunded Judiciary. We have roads and bridges that needs fixed. We have an unresolved school funding lawsuit. Ladies and gentlemen, I firmly believe this will result in a tax increase within the next 2 years. We have so many needs that I simply cannot be ok creating a
new class of individuals dependent on a taxpayer funded health care system. **Stephen Owens, Ron Highland, Kristey Williams**

**Mr. Speaker:** I will be voting “no” on today’s Medicaid Expansion Bill, **HB 2066.** Although there are some merits for the program, I do not believe it is in the best interest of the state presently. Currently in Kansas, we have an ongoing school funding lawsuit, a failed DCF program, unfinished transportation program, underfunded court system, rising higher-ed costs, one of the highest food sales taxes in the nation, and a Governor declared emergency for the El Dorado prison due to understaffing issues. It is my wish that we address these issues before we take on such an expansive new government program. – **Nick Hoheisel**

**Mr. Speaker:** I vote no on **HB 2066** as amended. While health care is important to the medical providers in the 110th District and all Kansans, I have remained a steadfast opponent of Medicaid expansion in Kansas. I will continue to work on solutions to keep our rural hospitals viable, but this is not the answer when we simply do not know what the costs will be and how it will be paid for. Priorities as legislators are formed by talking with our constituents and colleagues then doing what we think is right for our district and the state. While I was not on the prevailing side, my desire to make Kansas a great state is not diminished. Thank you, Mr. Speaker. **Ken Rahjes**

**Mr. Speaker:** I discerningly vote “yes” on **HB 2066.** In basketball, some calls are “black-and-white.” Others are “50/50.” Yesterday’s votes resemble the latter.

After the final buzzer, “winners” celebrate. “Losers” are outraged, incredulous, or blame others, including their own teammates and the refs. Unfortunately, few engage in serious self-reflection or dialogue.

In critical moments, your best officials err on the side of giving the losing team a fair shot to survive. Otherwise their season is over. **Rural hospitals, mental health, and the working poor are losing.** While imperfect, today’s decision gives them a chance. Healthcare cannot be solved exclusively in Kansas; let’s resoundingly IMPLORE FEDERAL dialogue, action, and results. – **Mark Samsel**

**Mr. Speaker:** I vote yes on **HB 2066.** It ensures that thousands of Kansans can look forward to a healthier and more productive future. And at a time when 86% of Kansas hospitals have negative operating margins, this proposal will provide immediate help for their bottom line, stabilizing operations, aiding in staff recruitment, and providing a lifeline to much-needed retooling and reconfiguring of health care delivery. It has been said that in Kansas a person’s zip code is a greater determinant of health outcomes than genetics. For rural Kansans, **HB 2066** gives hope that it need not always be so. – **Don Hineman, Brad Ralph, John P. Wheeler, Jr., Jim Karleskint, Suzi Carlson, Susan Concannon, Leonard A. Mastroni**

**Mr. Speaker:** A gut and go procedure was used yesterday because House leadership and committee chairmen have been blocking a vote on this issue for the last five years. Today we took an action that was wanted by 77% of Kansas citizens. I proudly vote **YES on HB 2066.** – **Dennis “Boog” Highberger**
Mr. Speaker: If you have a low tire, do you have it repaired for $20, or do you continue to drive on it until it's completely ruined and it costs you $200 for a new tire? Uncompensated Emergency Care is one of the largest issues plaguing rural hospitals. Kansans who are uninsured often delay seeking medical treatment until their condition deteriorates to the point it requires expensive emergency care. Expanding accessibility to preventative healthcare will alleviate crisis health situations, reduce hospital operating losses, and ultimately lead to healthier rural communities. I vote YES on HB 2066. – Adam Smith

Mr. Speaker, I vote No on HB 2066. Medicaid expansion will bankrupt the Kansas budget - future legislators will either raise taxes or rob funds from government programs like highways, mental health, HCBS, nursing homes, foster care, etc.

Medicaid expansion does a disservice to those in critical need of care – putting able-bodied adults ahead of the affirmed, disabled and critically ill.

Other states which have expanded Medicaid costs rose 50% over projected costs. The proposal we are voting on will force nearly 55,000 Kansans off their current health insurance. They will lose their doctors and have longer waits trying to find a doctor. – Brenda Landwehr, Blake Carpenter, Kyle Hoffman

Mr. Speaker, I vote no on HB 2066.

I vote no on circumventing our committee process and the long held tradition of this Chamber.

I vote no on “gut and go” tactics meant to deceive Kansans and block transparency.

I vote no on mandating Kansans to shoulder the cost for socialized medicine.

I vote no on depriving Kansans a free and open market, where the best healthcare thrives.

I vote no on making Kansans dependents of the State, unable to improve their livelihoods for fear of losing their free government insurance.

Today I vote no because I believe we can do better and because Kansas deserves better. – Michael Capps, Cheryl Helmer

Mr. Speaker, I vote NO on HB 2066. As one who sat in on the Medicaid Expansion round table, I left with more questions than before. Medicaid Expansion is a complex issue and I don’t believe this is how we should pass policy. It truly amazes me how a legislator can be against the gut-and-go procedure until it’s convenient for their issue. I think this issue has a long road ahead, and I wish work requirements, drug testing, and more money towards rural hospitals were discussed and vetted. – Tory Marie Arnberger

Mr. Speaker: I vote YES on HB 2066. Yesterday was a very tough vote on the Floor of the House. The majority of Kansans in my district, and in most districts are very favorable to move towards Kan Care expansion now. There was no path, there was no bill (that would be allowed), and there was no time.

We needed to send a message to the East chamber that we want them to take this issue up, have the debate, and see where this issue ends up.

Yesterday emotions were high. Today is a day of reconciliation and moving forward. – John R. Eplee
MR. SPEAKER: I vote NO on HB 2066. The original contents of this bill which were removed and replaced, were just an example of many efforts being made here to develop innovative pieces of a healthcare matrix for our state. Every private and service industry collaboration established for the purpose of meeting the needs of our citizens should be given its day here in the legislature. Then when a government answer is needed, it will be to fill needs not already met. The creative and educated professionals and caregivers of our State can be trusted to contribute to the solutions we seek. — EMIL BERQUIST

MR. SPEAKER: I vote no on HB 2066. A bill designed to reduce regulations and broaden healthcare delivery by APRN’s became a vehicle for entangling Kansans into a defective and inefficient Medicaid system. I find it irresponsible to take a population, of which 45% currently have private health insurance, and turn them into government dependents. This bill will increase total Kansas spending on Medicaid by nearly a billion dollars. By passing HB 2066, we have increased the federal deficit by over $10 billion in the next decade. The best interests of Kansas taxpayers were at odds with the needs of the special interests, but the special interests won.—PAUL WAGGONER, BILL RHILEY, LEO DELPERDANG

MR. SPEAKER: I vote NO on HB 2066. I will never again respect the question, “Is there a fiscal note attached to this,” when discussing a bill.

Debt is no way to pay for health care and to suggest that increasing national debt is an economic development tool is insane.

I vote “NO” and pray for conversation for true solutions.—ERIC SMITH

MR. SPEAKER: I vote NO on “gut and go” HB 2066, the government confiscation of individual wealth in the disguise of the greater good for the collective whole is nothing more than government-sanctioned socialist theft. This does not guarantee to stop the closing of rural hospitals. The increase of centralized government healthcare is the expansion of socialized medicine. This is a medical tax hike on those who have the means to pay for those who do not or will not.

Winston Churchill said, “Socialism is a philosophy of failure, the creed of ignorance, and the gospel of envy, its inherent virtue is the equal sharing of misery.”

What will government fix next? — TREVOR JACOBS, SUSAN HUMPHRIES

MR. SPEAKER: I vote Yea on HB 2066.

Nightmare scenarios regarding Medicaid Expansion; the fear-mongering states that “55,000 people would go off private insurance,” and “not one state hit their ‘guesstimate’ on expansion costs.” Some initial estimates were incorrect, but not all were negative.

Adam Searing (Georgetown) published Actual State Budget Impacts in Five States that Expanded Medicaid, “Medicaid expansion not only increases availability of affordable health insurance for state residents, but also has neutral or positive effects on state budgets.”

“Michigan’s costs of expansion were fully covered by savings and new revenue.” “Louisiana’s first year of expansion saved $199 million for the state.” Colorado was neutral. — SYDNEY CARLIN
MR. SPEAKER: I vote no on HB 2066. Medicaid expansion will bankrupt the Kansas budget. Medicaid expansion puts those disabled and elderly Kansans in critical need of services behind in line of those able-bodied adults under age 65. Some Kansans will be forced off their current health insurance. Kansas has so many needs that we cannot be okay creating a new group of government dependents.

I VOTE NO, BECAUSE THE PROCESS USED YESTERDAY TO MOVE THIS SWEEPING BILL TO THE HOUSE FLOOR BYPASSED THE DELIBERATIVE PROCESS WE HAVE A SOLEMN DUTY TO EMPLOY FOR THE PEOPLE OF KANSAS. — KELLIE WARREN

HB 2082. AN ACT concerning health and healthcare; relating to the practice of pharmacy; amending K.S.A. 65-1626 and repealing the existing section, was considered on final action.

On roll call, the vote was: Yeas 122; Nays 1; Present but not voting: 0; Absent or not voting: 2.

Nays: Carmichael.

Present but not voting: None.

Absent or not voting: Clark, Straub.

The bill passed, as amended.

Prayer by Chaplain Brubaker,

Heavenly Father,
we thank you for this day and for this week
and all that has been accomplished.
As our leaders wrap up their work here today
and head home for the weekend,
I ask that You once again remind them why they are here.
They are here to listen to the concerns of the people;
to work on solutions for these concerns;
and to determine the best course for all.
This is difficult because there are many avenues
in which they can take.
Help them to seek Your wisdom for the path that You deem best,
as You know each and every individual in this state
and You know what’s best for all of us.
I pray this in Your Son’s Name, Amen.

House Bill 2066
March 22, 2019

Mr. Speaker today I vote NO on HB 2066. This bill vastly increases funding to Planned Parenthood, blows a hole in an already underwater state budget, and creates a sense of false hope to rural hospitals in desperate need of a real lifeline. Make no mistake - this legislation will cause future members of this body to either raise taxes or rob funds from other crucial government programs like education, social services, and highways.

In other states which have expanded Medicaid, per patient costs and enrollment have risen by nearly 50% over projected costs. Additionally, the proposal we are voting on today will force nearly 55,000 Kansans off their current health insurance.

This body had the chance yesterday to move forward on a health care proposal which would have truly expanded access and choice in the healthcare marketplace. Instead, this body chose to set a dangerous institutional precedent and over-rule the Rules Committee. This was done to pursue a narrow political agenda. Sixty-two members of this body used an arcane process they once decried and set a poor example for children around Kansas on how government should work.

Even worse than the process that got us here today, Medicaid Expansion as passed in this chamber is terrible public policy. Shockingly, twenty-eight Republicans joined forty-one Democrats in rejecting an amendment that would have restricted funds from being sent to Planned Parenthood. For the first time, it extends state welfare benefits to able bodied adults without dependents. While there is a token cost sharing proposal included, there is no guarantee that Gov. Kelly’s Administration will even pursue the proposal with the federal government. There are no work requirements, no restrictions
on funds to abortion mills in our state, no targeted mental health dollars, and no guarantees of dollars flowing to rural hospitals. Put another way - this bill has been passed with a litany of false promises.

Worst of all – Medicaid Expansion ultimately does a disservice to those in critical need of care — by putting able bodied adults ahead of the affirmed, disabled and critically ill. Medicaid Expansion will become an entitlement program for the able-bodied adults who choose not to work while our disability waiver services will continue to be voluntary expenditures made by the state. And while their lobbyists might suggest these groups not be pitted against each other, this is just a fact of living in a state where we don’t print money.

I am an advocate for the disabled in our state. I am an advocate for those with mental illness. I am an advocate for the disadvantaged and the unborn. I am an advocate for rural hospitals.

This bill does nothing for them. This bill is a giveaway to four big hospitals in our state while giving false promises and perverse incentives to the truly needy.

FORTY-SEVENTH DAY

HALL OF THE HOUSE OF REPRESENTATIVES,
TOPEKA, KS, Monday, March 25, 2019, 10:00 a.m.

The House met pursuant to adjournment with Speaker Ryckman in the chair.

The roll was called with 124 members present.
Rep. Carlson was excused on verified illness.

Prayer by guest chaplain, Rev. Kenny Graham, Pastor, Windom Church of Christ, Windom, and guest of Rep. Erickson:

Lord of Heaven and Earth,
Today we come before you with grateful attitudes for another day of life given to us. Today, in this place, important things will be discussed. Important decisions may be made that affect so many who live in our state. It is with this reality in mind, the making of policies, that I ask you to help all who are involved in the process. May wisdom prevail over this session today.
I pray that our state will never move in the direction that we think we do not need your help in deciding things like this. May we always be of sound mind to seek your counsel out in all things, not just here in this chamber, but in all the compartments of our lives. Help us to see ourselves as we really are, and in doing so be better servants for the people of Kansas.
So today I ask you to guide the hearts and minds of our legislators, especially with the difficult and complicated issues they face. I ask these things in your name. Amen.

The Pledge of Allegiance was led by Rep. Helgerson.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Adam Smith are spread upon the Journal:

Albert Einstein once said, “The measure of intelligence is the ability to change.” In 2014, Weskan High School had a decision to make… form a sports cooperative with another school or try something that has never been done before. Weskan, along with other schools who were tired of driving hours and hours to find football opponents, decided to forge a new path and create a brand new 6-man football division in Kansas. Much like the 8-man division, this new breed of football is high-octane, fast-paced
offense that is thrilling to watch, exciting to play, and I can also say from experience… very fascinating to coach.

In the spirit of that excitement, the state championship game is appropriately named the Wild West Bowl and held in none other than Dodge City.

The very first Wild West Bowl was held in 2016 – crowning that year’s undefeated Weskan Coyotes as the very first division champion. This year’s Weskan Coyote football team was not undefeated. In fact, by the end of their third game of the season, this team already had two losses. Strength in the face of adversity is a life lesson these young men will never forget. As any good coach will tell you, more lessons can be taught following defeat than victory… and this team responded incredibly well to the encouragement and motivation from their inspirational coaches. Following those two losses, Weskan never lost another game and captured their 2nd state title in three years, including a huge playoff win over one of the teams they had lost to early in the season.

As a coach, you certainly want your team to win the game, but more importantly you want them to learn teamwork, good sportsmanship, and how to respond well to adversity because you know those are lessons they will remember long after most have forgotten the final score. In Weskan, we honor these student athletes not only for their victory on the gridiron, but also the fine young men they are becoming… men of character, wisdom, and integrity. And that hasn’t happened by accident; their coaches are among the best in the state as respectable leaders and role models.

At this time, I would like to introduce these members of the 2018 State Championship Weskan Coyote football team:

Tracer Vincent, Zack Box, Caleb Schemm, Dallas Langdell, Austin Stewart, Jace Mackley, Samuel Leedom, Zachary Schemm, Mac Purvis, Dalton Mackley, Lane Purvis, Assistant Coach, Josh Schattel and Head Coach, Brett Clow.

I would also like to recognize Jace Mackley for receiving honors of All-State quarterback for the second straight year. He was also selected as All-State Kicker this year. Mac Purvis received honors for All-State receiver.

Mr. Speaker, members of the Kansas House of Representatives, please join me in congratulating the 2018 Wild West Bowl State Champions, the Weskan Coyotes!

Rep. Adam Smith presented the Coyotes with a framed House certificate in honor of their championship.

(b) (1) In addition to or in lieu of any of the above, the court shall order the defendant to pay restitution, which shall include, but not be limited to, damage or loss caused by the defendant's crime, unless the court finds compelling circumstances which would render a plan of restitution unworkable. In regard to a violation of K.S.A. 2018 Supp. 21-6107, and amendments thereto, such damage or loss shall include, but not be limited to, attorney fees and costs incurred to repair the credit history or rating of the person whose personal identification documents were obtained and used in violation of such section, and to satisfy a debt, lien or other obligation incurred by the person whose personal identification documents were obtained and used in violation of such section. In regard to a violation of K.S.A. 2018 Supp. 21-5801, 21-5807 or 21-5813, and amendments thereto, such damage or loss shall include the cost of repair or replacement of the property that was damaged, the reasonable cost of any loss of production, crops and livestock, reasonable labor costs of any kind, reasonable material costs of any kind and any reasonable costs that are attributed to equipment that is used to abate or repair the damage to the property. If the court finds a plan of restitution unworkable, the court shall state on the record in detail the reasons therefor.

(2) If the court orders restitution, the restitution shall be a judgment against the defendant which may be collected by the court by garnishment or other execution as on judgments in civil cases. If, after 60 days from the date restitution is ordered by the court, a defendant is found to be in noncompliance with the plan established by the
court for payment of restitution, and the victim to whom restitution is ordered paid has not initiated proceedings in accordance with K.S.A. 60-4301 et seq., and amendments thereto, the court shall assign an agent procured by the attorney general pursuant to K.S.A. 75-719, and amendments thereto, to collect the restitution on behalf of the victim. The chief judge of each judicial district may assign such cases to an appropriate division of the court for the conduct of civil collection proceedings.

(c) In addition to or in lieu of any of the above, the court shall order the defendant to submit to and complete an alcohol and drug evaluation, and pay a fee therefor, when required by K.S.A. 2018 Supp. 21-6602(d), and amendments thereto.

(d) In addition to any of the above, the court shall order the defendant to reimburse the county general fund for all or a part of the expenditures by the county to provide counsel and other defense services to the defendant. Any such reimbursement to the county shall be paid only after any order for restitution has been paid in full. In determining the amount and method of payment of such sum, the court shall take account of the financial resources of the defendant and the nature of the burden that payment of such sum will impose. A defendant who has been required to pay such sum and who is not willfully in default in the payment thereof may at any time petition the court which sentenced the defendant to waive payment of such sum or any unpaid portion thereof. If it appears to the satisfaction of the court that payment of the amount due will impose manifest hardship on the defendant or the defendant's immediate family, the court may waive payment of all or part of the amount due or modify the method of payment.

(e) In releasing a defendant on probation, the court shall direct that the defendant be under the supervision of a court services officer. If the court commits the defendant to the custody of the secretary of corrections or to jail, the court may specify in its order the amount of restitution to be paid and the person to whom it shall be paid if restitution is later ordered as a condition of parole, conditional release or postrelease supervision.

(f) (1) When a new felony is committed while the offender is incarcerated and serving a sentence for a felony, or while the offender is on probation, assignment to a community correctional services program, parole, conditional release or postrelease supervision for a felony, a new sentence shall be imposed consecutively pursuant to the provisions of K.S.A. 2018 Supp. 21-6606, and amendments thereto, and the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(2) When a new felony is committed during a period of time during which when the defendant would have been on probation, assignment to a community correctional services program, parole, conditional release or postrelease supervision for a felony had the defendant not been granted release by the court pursuant to K.S.A. 2018 Supp. 21-
6608(d), and amendments thereto, or the prisoner review board pursuant to K.S.A. 22-
3717, and amendments thereto, the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(3) When a new felony is committed while the offender is incarcerated in a juvenile correctional facility pursuant to K.S.A. 38-1671, prior to its repeal, or K.S.A. 2018 Supp. 38-2373, and amendments thereto, for an offense, which if committed by an adult
would constitute the commission of a felony, upon conviction, the court shall sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure. The conviction shall operate as a full and complete discharge from any obligations, except for an order of restitution, imposed on the offender arising from the offense for which the offender was committed to a juvenile correctional facility.

(4) When a new felony is committed while the offender is on release for a felony pursuant to the provisions of article 28 of chapter 22 of the Kansas Statutes Annotated, and amendments thereto, or similar provisions of the laws of another jurisdiction, a new sentence may be imposed consecutively pursuant to the provisions of K.S.A. 2018 Supp. 21-6606, and amendments thereto, and the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(g) Prior to imposing a dispositional departure for a defendant whose offense is classified in the presumptive nonprison grid block of either sentencing guideline grid, prior to sentencing a defendant to incarceration whose offense is classified in grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes, in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, or in grid blocks 4-E, 4-F, 4-G, 4-H or 4-I of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, prior to sentencing a defendant to incarceration whose offense is classified in grid blocks 4-E or 4-F of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, or in grid blocks 5-C, 5-D, 5-E or 5-F of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, and whose offense does not meet the requirements of K.S.A. 2018 Supp. 21-6824, and amendments thereto, prior to revocation of a nonprison sanction of a defendant whose offense is classified in grid blocks 4-E or 4-F of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, or in grid blocks 5-C, 5-D, 5-E or 5-F of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, and whose offense does not meet the requirements of K.S.A. 2018 Supp. 21-6824, and amendments thereto, or prior to revocation of a nonprison sanction of a defendant whose offense is classified in the presumptive nonprison grid block of either sentencing guideline grid or grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes, in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, or in grid blocks 4-E, 4-F, 4-G, 4-H or 4-I of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, the court shall consider placement of the defendant in the Labette correctional conservation camp, conservation camps established by the secretary of corrections pursuant to K.S.A. 75-52,127, and amendments thereto, or a community intermediate sanction center. Pursuant to this subsection the defendant shall not be sentenced to imprisonment if space is available in a conservation camp or community intermediate sanction center and the defendant meets all of the conservation camp's or community intermediate sanction center's placement criteria unless the court states on the record the reasons for not placing the defendant in a conservation camp or community intermediate sanction center.

(h) In committing a defendant to the custody of the secretary of corrections, the
court shall fix a term of confinement within the limits provided by law. In those cases where the law does not fix a term of confinement for the crime for which the defendant was convicted, the court shall fix the term of such confinement.

(i) In addition to any of the above, the court shall order the defendant to reimburse the state general fund for all or part of the expenditures by the state board of indigents' defense services to provide counsel and other defense services to the defendant. In determining the amount and method of payment of such sum, the court shall take account of the financial resources of the defendant and the nature of the burden that payment of such sum will impose. A defendant who has been required to pay such sum and who is not willfully in default in the payment thereof may at any time petition the court which sentenced the defendant to waive payment of such sum or any unpaid portion thereof. If it appears to the satisfaction of the court that payment of the amount due will impose manifest hardship on the defendant or the defendant's immediate family, the court may waive payment of all or part of the amount due or modify the method of payment. The amount of attorney fees to be included in the court order for reimbursement shall be the amount claimed by appointed counsel on the payment voucher for indigents' defense services or the amount prescribed by the board of indigents' defense services reimbursement tables as provided in K.S.A. 22-4522, and amendments thereto, whichever is less.

(j) This section shall not deprive the court of any authority conferred by any other Kansas statute to decree a forfeiture of property, suspend or cancel a license, remove a person from office or impose any other civil penalty as a result of conviction of crime.

(k) An application for or acceptance of probation or assignment to a community correctional services program shall not constitute an acquiescence in the judgment for purpose of appeal, and any convicted person may appeal from such conviction, as provided by law, without regard to whether such person has applied for probation, suspended sentence or assignment to a community correctional services program.

(l) The secretary of corrections is authorized to make direct placement to the Labette correctional conservation camp or a conservation camp established by the secretary pursuant to K.S.A. 75-52,127, and amendments thereto, of an inmate sentenced to the secretary's custody if the inmate:

(1) Has been sentenced to the secretary for a probation revocation, as a departure from the presumptive nonimprisonment grid block of either sentencing grid, for an offense which is classified in grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes, in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, in grid blocks 4-E, 4-F, 4-G, 4-H or 4-I of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, or for an offense which is classified in grid blocks 4-E or 4-F of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, or in grid blocks 5-C, 5-D, 5-E or 5-F of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, and such offense does not meet the requirements of K.S.A. 2018 Supp. 21-6824, and amendments thereto; and

(2) otherwise meets admission criteria of the camp.

If the inmate successfully completes a conservation camp program, the secretary of corrections shall report such completion to the sentencing court and the county or district attorney. The inmate shall then be assigned by the court to six months of follow-up supervision conducted by the appropriate community corrections services program.
The court may also order that supervision continue thereafter for the length of time authorized by K.S.A. 2018 Supp. 21-6608, and amendments thereto.

(m) When it is provided by law that a person shall be sentenced pursuant to K.S.A. 1993 Supp. 21-4628, prior to its repeal, the provisions of this section shall not apply.

(n) (1) Except as provided by K.S.A. 2018 Supp. 21-6630 and 21-6805(f), and amendments thereto, in addition to any of the above, for felony violations of K.S.A. 2018 Supp. 21-5706, and amendments thereto, the court shall require the defendant who meets the requirements established in K.S.A. 2018 Supp. 21-6824, and amendments thereto, to participate in a certified drug abuse treatment program, as provided in K.S.A. 2018 Supp. 75-52,144, and amendments thereto, including, but not limited to, an approved after-care plan. The amount of time spent participating in such program shall not be credited as service on the underlying prison sentence.

(2) If the defendant fails to participate in or has a pattern of intentional conduct that demonstrates the defendant's refusal to comply with or participate in the treatment program, as established by judicial finding, the defendant shall be subject to sanction or revocation pursuant to the provisions of K.S.A. 22-3716, and amendments thereto. If the defendant's probation is revoked, the defendant shall serve the underlying prison sentence as established in K.S.A. 2018 Supp. 21-6805, and amendments thereto.

(A) Except as provided in subsection (n)(2)(B), for those offenders who are convicted on or after July 1, 2003, but prior to July 1, 2013, upon completion of the underlying prison sentence, the offender shall not be subject to a period of postrelease supervision.

(B) Offenders whose crime of conviction was committed on or after July 1, 2013, and whose probation is revoked pursuant to K.S.A. 22-3716(c), and amendments thereto, or whose underlying prison term expires while serving a sanction pursuant to K.S.A. 22-3716(c)(1)(C) or (c)(1)(D), and amendments thereto, shall serve a period of postrelease supervision upon the completion of the underlying prison term.

(o) (1) Except as provided in paragraph (3), in addition to any other penalty or disposition imposed by law, upon a conviction for unlawful possession of a controlled substance or controlled substance analog in violation of K.S.A. 2018 Supp. 21-5706, and amendments thereto, in which the trier of fact makes a finding that the unlawful possession occurred while transporting the controlled substance or controlled substance analog in any vehicle upon a highway or street, the offender's driver's license or privilege to operate a motor vehicle on the streets and highways of this state shall be suspended for one year.

(2) Upon suspension of a license pursuant to this subsection, the court shall require the person to surrender the license to the court, which shall transmit the license to the division of motor vehicles of the department of revenue, to be retained until the period of suspension expires. At that time, the licensee may apply to the division for return of the license. If the license has expired, the person may apply for a new license, which shall be issued promptly upon payment of the proper fee and satisfaction of other conditions established by law for obtaining a license unless another suspension or revocation of the person's privilege to operate a motor vehicle is in effect.

(3) (A) In lieu of suspending the driver's license or privilege to operate a motor vehicle on the highways of this state of any person as provided in paragraph (1), the judge of the court in which such person was convicted may enter an order which places conditions on such person's privilege of operating a motor vehicle on the
highways of this state, a certified copy of which such person shall be required to carry any time such person is operating a motor vehicle on the highways of this state. Any such order shall prescribe the duration of the conditions imposed, which in no event shall be for a period of more than one year.

(B) Upon entering an order restricting a person's license hereunder, the judge shall require such person to surrender such person's driver's license to the judge who shall cause it to be transmitted to the division of vehicles, together with a copy of the order. Upon receipt thereof, the division of vehicles shall issue without charge a driver's license, which shall indicate on its face that conditions have been imposed on such person's privilege of operating a motor vehicle and that a certified copy of the order imposing such conditions is required to be carried by the person for whom the license was issued any time such person is operating a motor vehicle on the highways of this state. If the person convicted is a nonresident, the judge shall cause a copy of the order to be transmitted to the division and the division shall forward a copy of it to the motor vehicle administrator of such person's state of residence. Such judge shall furnish to any person whose driver's license has had conditions imposed on it under this paragraph a copy of the order, which shall be recognized as a valid Kansas driver's license until such time as the division shall issue the restricted license provided for in this paragraph.

(C) Upon expiration of the period of time for which conditions are imposed pursuant to this subsection, the licensee may apply to the division for the return of the license previously surrendered by such licensee. In the event such license has expired, such person may apply to the division for a new license, which shall be issued immediately by the division upon payment of the proper fee and satisfaction of the other conditions established by law, unless such person's privilege to operate a motor vehicle on the highways of this state has been suspended or revoked prior thereto. If any person shall violate any of the conditions imposed under this paragraph, such person's driver's license or privilege to operate a motor vehicle on the highways of this state shall be revoked for a period of not less than 60 days nor more than one year by the judge of the court in which such person is convicted of violating such conditions.

(4) As used in this subsection, "highway" and "street" mean the same as in K.S.A. 8-1424 and 8-1473, and amendments thereto.

(p) In addition to any of the above, for any criminal offense that includes the domestic violence designation pursuant to K.S.A. 2018 Supp. 22-4616, and amendments thereto, the court shall require the defendant to: (1) Undergo a domestic violence offender assessment conducted by a certified batterer intervention program; and (2) follow all recommendations made by such program, unless otherwise ordered by the court or the department of corrections. The court may order a domestic violence offender assessment and any other evaluation prior to sentencing if the assessment or evaluation would assist the court in determining an appropriate sentence. The entity completing the assessment or evaluation shall provide the assessment or evaluation and recommendations to the court and the court shall provide the domestic violence offender assessment to any entity responsible for supervising such defendant. A defendant ordered to undergo a domestic violence offender assessment shall be required to pay for the assessment and, unless otherwise ordered by the court or the department of corrections, for completion of all recommendations.

(q) In imposing a fine, the court may authorize the payment thereof in installments. In lieu of payment of any fine imposed, the court may order that the person perform
community service specified by the court. The person shall receive a credit on the fine imposed in an amount equal to $5 for each full hour spent by the person in the specified community service. The community service ordered by the court shall be required to be performed by the later of one year after the fine is imposed or one year after release from imprisonment or jail, or by an earlier date specified by the court. If by the required date the person performs an insufficient amount of community service to reduce to zero the portion of the fine required to be paid by the person, the remaining balance shall become due on that date. If conditional reduction of any fine is rescinded by the court for any reason, then pursuant to the court's order the person may be ordered to perform community service by one year after the date of such rescission or by an earlier date specified by the court. If by the required date the person performs an insufficient amount of community service to reduce to zero the portion of the fine required to be paid by the person, the remaining balance of the fine shall become due on that date. All credits for community service shall be subject to review and approval by the court.

(r) In addition to any other penalty or disposition imposed by law, for any defendant sentenced to imprisonment pursuant to K.S.A. 21-4643, prior to its repeal, or K.S.A. 2018 Supp. 21-6627, and amendments thereto, for crimes committed on or after July 1, 2006, the court shall order that the defendant be electronically monitored upon release from imprisonment for the duration of the defendant's natural life and that the defendant shall reimburse the state for all or part of the cost of such monitoring as determined by the prisoner review board.

(s) Whenever the court has released the defendant on probation pursuant to subsection (a)(3), the defendant's supervising court services officer, with the concurrence of the chief court services officer, may impose the violation sanctions as provided in K.S.A. 22-3716(c)(1)(B), and amendments thereto, without further order of the court, unless:

(1) The court has specifically withheld this authority in its sentencing order; or

(2) the defendant, after being apprised of the right to a revocation hearing before the court pursuant to K.S.A. 22-3716(b), and amendments thereto, refuses to waive such right.

(t) Whenever the court has assigned the defendant to a community correctional services program pursuant to subsection (a)(4), the defendant's community corrections officer, with the concurrence of the community corrections director, may impose the violation sanctions as provided in K.S.A. 22-3716(c)(1)(B), and amendments thereto, without further order of the court unless:

(1) The court has specifically withheld this authority in its sentencing order; or

(2) the defendant, after being apprised of the right to a revocation hearing before the court pursuant to K.S.A. 22-3716(b), and amendments thereto, refuses to waive such right.

(u) In addition to any of the above, the court shall authorize an additional 18 days of confinement in a county jail to be reserved for sanctions as set forth in K.S.A. 22-3716(b)(3)(B), (b)(4) or (c)(1)(B), and amendments thereto.

On page 3, following line 13, by inserting:

"Sec. 3. K.S.A. 2018 Supp. 22-3716 is hereby amended to read as follows: 22-3716. (a) At any time during probation, assignment to a community correctional services program, suspension of sentence or pursuant to subsection (e) for defendants who committed a crime prior to July 1, 1993, and at any time during which when a
defendant is serving a nonprison sanction for a crime committed on or after July 1, 1993, or pursuant to subsection (e), the court may issue a warrant for the arrest of a defendant for violation of any of the conditions of release or assignment, a notice to appear to answer to a charge of violation or a violation of the defendant's nonprison sanction. The notice shall be personally served upon the defendant. The warrant shall authorize all officers named in the warrant to return the defendant to the custody of the court or to any certified detention facility designated by the court. Any court services officer or community correctional services officer may arrest the defendant without a warrant or may deputize any other officer with power of arrest to do so by giving the officer a written or verbal statement setting forth that the defendant has, in the judgment of the court services officer or community correctional services officer, violated the conditions of the defendant's release or a nonprison sanction. A written statement delivered to the official in charge of a county jail or other place of detention shall be sufficient warrant for the detention of the defendant. After making an arrest, the court services officer or community correctional services officer shall present to the detaining authorities a similar statement of the circumstances of violation. Provisions regarding release on bail of persons charged with a crime shall be applicable to defendants arrested under these provisions.

(b) (1) Upon arrest and detention pursuant to subsection (a), the court services officer or community correctional services officer shall immediately notify the court and shall submit in writing a report showing in what manner the defendant has violated the conditions of release or assignment or a nonprison sanction.

(2) Unless the defendant, after being apprised of the right to a hearing by the supervising court services or community correctional services officer, waives such hearing, the court shall cause the defendant to be brought before it without unnecessary delay for a hearing on the violation charged. The hearing shall be in open court and the state shall have the burden of establishing the violation. The defendant shall have the right to be represented by counsel and shall be informed by the judge that, if the defendant is financially unable to obtain counsel, an attorney will be appointed to represent the defendant. The defendant shall have the right to present the testimony of witnesses and other evidence on the defendant's behalf. Relevant written statements made under oath may be admitted and considered by the court along with other evidence presented at the hearing.

(3) (A) Except as otherwise provided, if the original crime of conviction was a felony, other than a felony specified in K.S.A. 2018 Supp. 21-6804(i), and amendments thereto, and a violation is established, the court may impose the violation sanctions as provided in subsection (c)(1).

(B) Except as otherwise provided, if the original crime of conviction was a misdemeanor or a felony specified in K.S.A. 2018 Supp. 21-6804(i), and amendments thereto, and a violation is established, the court may:

(i) Continue or modify the probation, assignment to a community correctional services program, suspension of sentence or nonprison sanction and impose confinement in a county jail not to exceed 60 days. If an offender is serving multiple probation terms concurrently, any confinement periods imposed shall be imposed concurrently;

(ii) impose an intermediate sanction of confinement in a county jail, to be imposed as a two-day or three-day consecutive period. The total of all such sanctions imposed
pursuant to this subparagraph and subsections subsection (b)(4)(A) and (b)(4)(B) shall
not exceed 18 total days during the term of supervision, except as provided in
subsection (h); or

(iii) revoke the probation, assignment to a community correctional services
program, suspension of sentence or nonprison sanction and require the defendant to
serve the sentence imposed, or any lesser sentence, and, if imposition of sentence was
suspended, may impose any sentence which that might originally have been imposed.

(4) Except as otherwise provided, if the defendant waives the right to a hearing and
the sentencing court has not specifically withheld the authority from court services or
community correctional services to impose sanctions, the following sanctions may be
imposed without further order of the court:

(A) If the defendant was on probation at the time of the violation, the defendant's
supervising court services officer, with the concurrence of the chief court services
officer, may impose an intermediate sanction of confinement in a county jail, to be
imposed as a two-day or three-day consecutive period. The total of all such sanctions
imposed pursuant to this subparagraph and subsections subsection (b)(4)(B) and (c)(1)(B) shall
not exceed 18 total days during the term of supervision, except as provided in subsection
(h); and

(B) if the defendant was assigned to a community correctional services program at
the time of the violation, the defendant's community corrections officer, with the
conciliation of the community corrections director, may impose an intermediate
sanction of confinement in a county jail, to be imposed as a two-day or three-day
consecutive period. The total of all such sanctions imposed pursuant to this
subsection and subsections subsection (b)(4)(A) and (c)(1)(B) shall not exceed 18 total days
during the term of supervision, except as provided in subsection (h).

(c) (1) Except as otherwise provided, if the original crime of conviction was a
felony, other than a felony specified in K.S.A. 2018 Supp. 21-6804(i), and amendments
thereto, and a violation is established, the court may impose the following sanctions:

(A) Continuation or modification of the release conditions of the probation,
assignment to a community correctional services program, suspension of sentence or
nonprison sanction;

(B) continuation or modification of the release conditions of the probation,
assignment to a community correctional services program, suspension of sentence or
nonprison sanction and an intermediate sanction of confinement in a county jail to be
imposed as a two-day or three-day consecutive period. The total of all such sanctions
imposed pursuant to this subparagraph and subsections subsection (b)(4)(A) and (b)(4)(B)
shall not exceed 18 total days during the term of supervision, except as provided in
subsection (h); or

(C) if the violator already had at least one intermediate sanction imposed pursuant
to subsection (b)(4)(A), (b)(4)(B) or (c)(1)(B) related to the crime for which the original
supervision was imposed, continuation or modification of the release conditions of the
probation, assignment to a community correctional services program, suspension of
sentence or nonprison sanction and remanding the defendant to the custody of the
secretary of corrections for a period of 120 days, subject to a reduction of up to 60 days
in the discretion of the secretary. This sanction shall not be imposed more than once
during the term of supervision. The sanction imposed pursuant to this subparagraph
shall begin upon pronouncement by the court and shall not be served by prior—
confinement credit, except as provided in subsection (e)(7);

(D) if the violator already had a sanction imposed pursuant to subsection (b)(4)(A), (b)(4)(B), (c)(1)(B) or (e)(1)(C) related to the crime for which the original supervision was imposed, continuation or modification of the release conditions of the probation, assignment to a community correctional services program, suspension of sentence or nonprison sanction and requiring the defendant to the custody of the secretary of corrections for a period of 180 days, subject to a reduction of up to 90 days in the discretion of the secretary. This sanction shall not be imposed more than once during the term of supervision. The sanction imposed pursuant to this subparagraph shall begin upon pronouncement by the court and shall not be served by prior confinement credit, except as provided in subsection (e)(7); or

(E) if the violator already had a sanction imposed pursuant to subsection (c)(1)(C) or (c)(1)(D), (c)(1)(B) related to the crime for which the original supervision was imposed, revocation of the probation, assignment to a community corrections services program, suspension of sentence or nonprison sanction and requiring such violator to serve the sentence imposed, or any lesser sentence and, if imposition of sentence was suspended, imposition of any sentence which might originally have been imposed.

(2) Except as otherwise provided in subsections (c)(3), (c)(8) and (c)(9)(7), no offender for whom a violation of conditions of release or assignment or a nonprison sanction has been established as provided in this section shall be required to serve any time for the sentence imposed or which might originally have been imposed in a state facility in the custody of the secretary of corrections for such violation, unless such person has already had at least one prior assignment to a community correctional services program related to the crime for which the original sentence was imposed.

(3) The provisions of subsection (c)(2) shall not apply to adult felony offenders as described in K.S.A. 75-5291(a)(3), and amendments thereto.

(4) The court may require an offender for whom a violation of conditions of release or assignment or a nonprison sanction has been established as provided in this section to serve any time for the sentence imposed or which might originally have been imposed in a state facility in the custody of the secretary of corrections without a prior assignment to a community correctional services program if the court finds and sets forth with particularity the reasons for finding that the safety of the members of the public will be jeopardized or that the welfare of the inmate will not be served by such assignment to a community correctional services program.

(5) When a new felony is committed while the offender is on probation or assignment to a community correctional services program, the new sentence shall be imposed consecutively pursuant to the provisions of K.S.A. 2018 Supp. 21-6606, and amendments thereto, and the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(6) Except as provided in subsection (f), upon completion of a violation sanction imposed pursuant to subsection (c)(1)(C) or (e)(1)(D) such offender shall return to community correctional services supervision. The sheriff shall not be responsible for the return of the offender to the county where the community correctional services supervision is assigned.

(7) A violation sanction imposed pursuant to subsection (c)(1)(B), (c)(1)(C) or (e)
(D) shall not be longer than the amount of time remaining on the offender’s underlying prison sentence.

(8)(A) If the offender commits a new felony or misdemeanor while the offender is on probation, assignment to a community correctional services program, suspension of sentence or nonprison sanction, the court may revoke the probation, assignment to a community correctional services program, suspension of sentence or nonprison sanction of an offender pursuant to subsection (c)(1)(E) without having previously imposed a sanction pursuant to subsection (c)(1)(B), (e)(1)(C) or (e)(1)(D).

(B) If the offender absconds from supervision while the offender is on probation, assignment to a community correctional services program, suspension of sentence or nonprison sanction, the court may:

(i) Revoke the probation, assignment to a community correctional services program, suspension of sentence or nonprison sanction of an offender pursuant to subsection (c)(1)(E) without having previously imposed a sanction pursuant to subsection (c)(1)(B), (e)(1)(C) or (e)(1)(D); or

(ii) sanction the offender under subsection (c)(1)(A), (e)(1)(C) or (e)(1)(D) without imposing a sanction under (c)(1)(B).

(9)(7) The court may revoke the probation, assignment to a community correctional services program, suspension of sentence or nonprison sanction of an offender pursuant to subsection (c)(1)(E) without having previously imposed a sanction pursuant to subsection (c)(1)(B), (e)(1)(C) or (e)(1)(D) if:

(A) The court finds and sets forth with particularity the reasons for finding that the safety of members of the public will be jeopardized or that the welfare of the offender will not be served by such sanction;

(B) the probation, assignment to a community correctional services program, suspension of sentence or nonprison sanction was originally granted as the result of a dispositional departure granted by the sentencing court pursuant to K.S.A. 2018 Supp. 21-6815, and amendments thereto;

(C) the offender commits a new felony or misdemeanor while the offender is on probation, assignment to a community correctional services program, suspension of sentence or nonprison sanction; or

(D) the offender absconds from supervision while the offender is on probation, assignment to a community correctional services program, suspension of sentence or nonprison sanction.

(10)(8) If an offender is serving multiple probation terms concurrently, any violation sanctions imposed pursuant to subsection (c)(1)(B), (e)(1)(C) or (e)(1)(D), or any sanction imposed pursuant to subsection (c)(1)(E), shall be imposed concurrently.

(11)(9) If the original crime of conviction was a felony, except for violations of K.S.A. 8-1567 or 8-2,144, and amendments thereto, and the court makes a finding that the offender has committed one or more violations of the release conditions of the probation, assignment to a community correctional services program, suspension of sentence or nonprison sanction, the court may impose confinement in a county jail not to exceed 60 days upon each such finding. Such confinement is separate and distinct from the violation sanctions provided in subsection (c)(1)(B), (e)(1)(C), (e)(1)(D) and (e)(1)(E) and shall not be imposed at the same time as any such violation sanction.

(12)(10) The violation sanctions provided in this subsection shall apply to any violation of conditions of release or assignment or a nonprison sanction occurring on and after July 1, 2013, regardless of when the offender was sentenced for the original
crime or committed the original crime for which sentenced.

(d) A defendant who is on probation, assigned to a community correctional services program, under suspension of sentence or serving a nonprison sanction and for whose return a warrant has been issued by the court shall be considered a fugitive from justice if it is found that the warrant cannot be served. If it appears that the defendant has violated the provisions of the defendant's release or assignment or a nonprison sanction, the court shall determine whether the time from the issuing of the warrant to the date of the defendant's arrest, or any part of it, shall be counted as time served on probation, assignment to a community correctional services program, suspended sentence or pursuant to a nonprison sanction.

(e) The court shall have 30 days following the date probation, assignment to a community correctional service program, suspension of sentence or a nonprison sanction was to end to issue a warrant for the arrest or notice to appear for the defendant to answer a charge of a violation of the conditions of probation, assignment to a community correctional service program, suspension of sentence or a nonprison sanction.

(f) For crimes committed on and after July 1, 2013, a felony offender whose nonprison sanction is revoked pursuant to subsection (c) or whose underlying prison term expires while serving a sanction pursuant to subsection (c)(1)(c) or (c)(1)(d) shall serve a period of postrelease supervision upon the completion of the prison portion of the underlying sentence.

(g) Offenders who have been sentenced pursuant to K.S.A. 2018 Supp. 21-6824, and amendments thereto, and who subsequently violate a condition of the drug and alcohol abuse treatment program shall be subject to an additional nonprison sanction for any such subsequent violation. Such nonprison sanctions shall include, but not be limited to, up to 60 days in a county jail, fines, community service, intensified treatment, house arrest and electronic monitoring.

(h) If the court continues or modifies the probation, assignment to a community correctional services program, suspension of sentence or nonprison sanction, pursuant to subsection (b) or (c), the court shall authorize an additional 18 days of sanction time in a county jail to be reserved for sanctions as set forth in subsection (b)(3), (b)(4) or (c) (1).

Sec. 4. K.S.A. 2018 Supp. 22-3717 is hereby amended to read as follows: 22-3717. Early discharge from postrelease supervision is at the discretion of the board.

(E) The period of postrelease supervision provided in subparagraphs (A) and (B) may be reduced by up to 12 months and the period of postrelease supervision provided in subparagraph (C) may be reduced by up to six months based on the offender's compliance with conditions of supervision and overall performance while on postrelease supervision. The reduction in the supervision period shall be on an earned basis pursuant to rules and regulations adopted by the secretary of corrections.

(F) In cases where sentences for crimes from more than one severity level have been imposed, the offender shall serve the longest period of postrelease supervision as provided by this section available for any crime upon which sentence was imposed irrespective of the severity level of the crime. Supervision periods will not aggregate.

(G) (i) Except as provided in subsection (u), persons sentenced to imprisonment for a sexually violent crime committed on or after July 1, 2006, when the offender was 18 years of age or older, and who are released from prison, shall be released to a mandatory period of postrelease supervision for the duration of the person's natural life.

(ii) Persons sentenced to imprisonment for a sexually violent crime committed on or after the effective date of this act, when the offender was under 18 years of age, and who are released from prison, shall be released to a mandatory period of postrelease supervision for 60 months, plus the amount of good time and program credit earned and retained pursuant to K.S.A. 21-4722, prior to its repeal, or K.S.A. 2018 Supp. 21-6821, and amendments thereto.

(4) Offenders whose crime of conviction was committed on or after July 1, 2013, and whose probation, assignment to a community correctional services program, suspension of sentence or nonprison sanction is revoked pursuant to K.S.A. 22-3716(e), and amendments thereto, or whose underlying prison term expires while serving a sanction pursuant to K.S.A. 22-3716(c)(1)(C) or (e)(1)(D), and amendments thereto, shall serve a period of postrelease supervision upon the completion of the underlying prison term.

(5) As used in this subsection, "sexually violent crime" means:

(6) As used in this subsection, "sexually motivated" means that one of the purposes for which the defendant committed the crime was for the purpose of the defendant's sexual gratification.

e If an inmate is sentenced to imprisonment for a crime committed while on parole or conditional release, the inmate shall be eligible for parole as provided by subsection (c), except that the prisoner review board may postpone the inmate's parole eligibility date by assessing a penalty not exceeding the period of time which could have been assessed if the inmate's parole or conditional release had been violated for reasons other than conviction of a crime.

f If a person is sentenced to prison for a crime committed on or after July 1, 1993, while on probation, parole, conditional release or in a community corrections program, for a crime committed prior to July 1, 1993, and the person is not eligible for retroactive application of the sentencing guidelines and amendments thereto pursuant to K.S.A. 21-4724, prior to its repeal, the new sentence shall not be aggregated with the old sentence, but shall begin when the person is paroled or reaches the conditional release date on the
old sentence. If the offender was past the offender's conditional release date at the time the new offense was committed, the new sentence shall not be aggregated with the old sentence but shall begin when the person is ordered released by the prisoner review board or reaches the maximum sentence expiration date on the old sentence, whichever is earlier. The new sentence shall then be served as otherwise provided by law. The period of postrelease supervision shall be based on the new sentence, except that those offenders whose old sentence is a term of imprisonment for life, imposed pursuant to K.S.A. 1993 Supp. 21-4628, prior to its repeal, or an indeterminate sentence with a maximum term of life imprisonment, for which there is no conditional release or maximum sentence expiration date, shall remain on postrelease supervision for life or until discharged from supervision by the prisoner review board.

(g) Subject to the provisions of this section, the prisoner review board may release on parole those persons confined in institutions who are eligible for parole when: (1) The board believes that the inmate should be released for hospitalization, deportation or to answer the warrant or other process of a court and is of the opinion that there is reasonable probability that the inmate can be released without detriment to the community or to the inmate; or (2) the secretary of corrections has reported to the board in writing that the inmate has satisfactorily completed the programs required by any agreement entered under K.S.A. 75-5210a, and amendments thereto, or any revision of such agreement, and the board believes that the inmate is able and willing to fulfill the obligations of a law abiding citizen and is of the opinion that there is reasonable probability that the inmate can be released without detriment to the community or to the inmate. Parole shall not be granted as an award of clemency and shall not be considered a reduction of sentence or a pardon.

(h) The prisoner review board shall hold a parole hearing at least the month prior to the month an inmate will be eligible for parole under subsections (a), (b) and (c). At least one month preceding the parole hearing, the county or district attorney of the county where the inmate was convicted shall give written notice of the time and place of the public comment sessions for the inmate to any victim of the inmate's crime who is alive and whose address is known to the county or district attorney or, if the victim is deceased, to the victim's family if the family's address is known to the county or district attorney. Except as otherwise provided, failure to notify pursuant to this section shall not be a reason to postpone a parole hearing. In the case of any inmate convicted of an off-grid felony or a class A felony, the secretary of corrections shall give written notice of the time and place of the public comment session for such inmate at least one month preceding the public comment session to any victim of such inmate's crime or the victim's family pursuant to K.S.A. 74-7338, and amendments thereto. If notification is not given to such victim or such victim's family in the case of any inmate convicted of an off-grid felony or a class A felony, the board shall postpone a decision on parole of the inmate to a time at least 30 days after notification is given as provided in this section. Nothing in this section shall create a cause of action against the state or an employee of the state acting within the scope of the employee's employment as a result of the failure to notify pursuant to this section. If granted parole, the inmate may be released on parole on the date specified by the board, but not earlier than the date the inmate is eligible for parole under subsections (a), (b) and (c). At each parole hearing and, if parole is not granted, at such intervals thereafter as it determines appropriate, the board shall consider: (1) Whether the inmate has satisfactorily completed the programs
required by any agreement entered under K.S.A. 75-5210a, and amendments thereto, or any revision of such agreement; and (2) all pertinent information regarding such inmate, including, but not limited to, the circumstances of the offense of the inmate; the presentence report; the previous social history and criminal record of the inmate; the conduct, employment, and attitude of the inmate in prison; the reports of such physical and mental examinations as have been made, including, but not limited to, risk factors revealed by any risk assessment of the inmate; comments of the victim and the victim's family including in person comments, contemporaneous comments and prerecorded comments made by any technological means; comments of the public; official comments; any recommendation by the staff of the facility where the inmate is incarcerated; proportionality of the time the inmate has served to the sentence a person would receive under the Kansas sentencing guidelines for the conduct that resulted in the inmate's incarceration; and capacity of state correctional institutions.

(i) In those cases involving inmates sentenced for a crime committed after July 1, 1993, the prisoner review board will review the inmate's proposed release plan. The board may schedule a hearing if they desire. The board may impose any condition they deem necessary to insure public safety, aid in the reintegration of the inmate into the community, or items not completed under the agreement entered into under K.S.A. 75-5210a, and amendments thereto. The board may not advance or delay an inmate's release date. Every inmate while on postrelease supervision shall remain in the legal custody of the secretary of corrections and is subject to the orders of the secretary.

(j) (1) Before ordering the parole of any inmate, the prisoner review board shall have the inmate appear either in person or via a video conferencing format and shall interview the inmate unless impractical because of the inmate's physical or mental condition or absence from the institution. Every inmate while on parole shall remain in the legal custody of the secretary of corrections and is subject to the orders of the secretary. Whenever the board formally considers placing an inmate on parole and no agreement has been entered into with the inmate under K.S.A. 75-5210a, and amendments thereto, the board shall notify the inmate in writing of the reasons for not granting parole. If an agreement has been entered under K.S.A. 75-5210a, and amendments thereto, and the inmate has not satisfactorily completed the programs specified in the agreement, or any revision of such agreement, the board shall notify the inmate in writing of the specific programs the inmate must satisfactorily complete before parole will be granted. If parole is not granted only because of a failure to satisfactorily complete such programs, the board shall grant parole upon the secretary's certification that the inmate has successfully completed such programs. If an agreement has been entered under K.S.A. 75-5210a, and amendments thereto, and the secretary of corrections has reported to the board in writing that the inmate has satisfactorily completed the programs required by such agreement, or any revision thereof, the board shall not require further program participation. However, if the board determines that other pertinent information regarding the inmate warrants the inmate's not being released on parole, the board shall state in writing the reasons for not granting the parole. If parole is denied for an inmate sentenced for a crime other than a class A or class B felony or an off-grid felony, the board shall hold another parole hearing for the inmate not later than one year after the denial unless the board finds that it is not reasonable to expect that parole would be granted at a hearing if held in the next three years or during the interim period of a deferral. In such case, the board may defer
subsequent parole hearings for up to three years but any such deferral by the board shall require the board to state the basis for its findings. If parole is denied for an inmate sentenced for a class A or class B felony or an off-grid felony, the board shall hold another parole hearing for the inmate not later than three years after the denial unless the board finds that it is not reasonable to expect that parole would be granted at a hearing if held in the next 10 years or during the interim period of a deferral. In such case, the board may defer subsequent parole hearings for up to 10 years, but any such deferral shall require the board to state the basis for its findings.

(2) Inmates sentenced for a class A or class B felony who have not had a board hearing in the five years prior to July 1, 2010, shall have such inmates’ cases reviewed by the board on or before July 1, 2012. Such review shall begin with the inmates with the oldest deferral date and progress to the most recent. Such review shall be done utilizing existing resources unless the board determines that such resources are insufficient. If the board determines that such resources are insufficient, then the provisions of this paragraph are subject to appropriations therefor.

(k) (1) Parolees and persons on postrelease supervision shall be assigned, upon release, to the appropriate level of supervision pursuant to the criteria established by the secretary of corrections.

(2) Parolees and persons on postrelease supervision are, and shall agree in writing to be, subject to searches of the person and the person's effects, vehicle, residence and property by a parole officer or a department of corrections enforcement, apprehension and investigation officer, at any time of the day or night, with or without a search warrant and with or without cause. Nothing in this subsection shall be construed to authorize such officers to conduct arbitrary or capricious searches or searches for the sole purpose of harassment.

(3) Parolees and persons on postrelease supervision are, and shall agree in writing to be, subject to searches of the person and the person's effects, vehicle, residence and property by any law enforcement officer based on reasonable suspicion of the person violating conditions of parole or postrelease supervision or reasonable suspicion of criminal activity. Any law enforcement officer who conducts such a search shall submit a written report to the appropriate parole officer no later than the close of the next business day after such search. The written report shall include the facts leading to such search, the scope of such search and any findings resulting from such search.

(l) The prisoner review board shall promulgate rules and regulations in accordance with K.S.A. 77-415 et seq., and amendments thereto, not inconsistent with the law and as it may deem proper or necessary, with respect to the conduct of parole hearings, postrelease supervision reviews, revocation hearings, orders of restitution, reimbursement of expenditures by the state board of indigents' defense services and other conditions to be imposed upon parolees or releasees. Whenever an order for parole or postrelease supervision is issued it shall recite the conditions thereof.

(m) Whenever the prisoner review board orders the parole of an inmate or establishes conditions for an inmate placed on postrelease supervision, the board:

(1) Unless it finds compelling circumstances—which that would render a plan of payment unworkable, shall order as a condition of parole or postrelease supervision that the parolee or the person on postrelease supervision pay any transportation expenses resulting from returning the parolee or the person on postrelease supervision to this state to answer criminal charges or a warrant for a violation of a condition of probation,
assignment to a community correctional services program, parole, conditional release or postrelease supervision;

(2) to the extent practicable, shall order as a condition of parole or postrelease supervision that the parolee or the person on postrelease supervision make progress towards or successfully complete the equivalent of a secondary education if the inmate has not previously completed such educational equivalent and is capable of doing so;

(3) may order that the parolee or person on postrelease supervision perform community or public service work for local governmental agencies, private corporations organized not-for-profit or charitable or social service organizations performing services for the community;

(4) may order the parolee or person on postrelease supervision to pay the administrative fee imposed pursuant to K.S.A. 22-4529, and amendments thereto, unless the board finds compelling circumstances which would render payment unworkable;

(5) unless it finds compelling circumstances which would render a plan of payment unworkable, shall order that the parolee or person on postrelease supervision reimburse the state for all or part of the expenditures by the state board of indigents' defense services to provide counsel and other defense services to the person. In determining the amount and method of payment of such sum, the prisoner review board shall take account of the financial resources of the person and the nature of the burden that the payment of such sum will impose. Such amount shall not exceed the amount claimed by appointed counsel on the payment voucher for indigents' defense services or the amount prescribed by the board of indigents' defense services reimbursement tables as provided in K.S.A. 22-4522, and amendments thereto, whichever is less, minus any previous payments for such services;

(6) shall order that the parolee or person on postrelease supervision agree in writing to be subject to searches of the person and the person's effects, vehicle, residence and property by a parole officer or a department of corrections enforcement, apprehension and investigation officer, at any time of the day or night, with or without a search warrant and with or without cause. Nothing in this subsection shall be construed to authorize such officers to conduct arbitrary or capricious searches or searches for the sole purpose of harassment; and

(7) shall order that the parolee or person on postrelease supervision agree in writing to be subject to searches of the person and the person's effects, vehicle, residence and property by any law enforcement officer based on reasonable suspicion of the person violating conditions of parole or postrelease supervision or reasonable suspicion of criminal activity.

(n) If the court sentenced an inmate specified at the time of sentencing the amount and the recipient of any restitution ordered as a condition of parole or postrelease supervision, the prisoner review board shall order as a condition of parole or postrelease supervision that the inmate pay restitution in the amount and manner provided in the journal entry unless the board finds compelling circumstances which would render a plan of restitution unworkable.

(o) Whenever the prisoner review board grants the parole of an inmate, the board, within 14 days of the date of the decision to grant parole, shall give written notice of the decision to the county or district attorney of the county where the inmate was sentenced.

(p) When an inmate is to be released on postrelease supervision, the secretary,
within 30 days prior to release, shall provide the county or district attorney of the county where the inmate was sentenced written notice of the release date.

(q) Inmates shall be released on postrelease supervision upon the termination of the prison portion of their sentence. Time served while on postrelease supervision will vest. An inmate who is allocated regular good time credits as provided in K.S.A. 22-3725, and amendments thereto, may receive meritorious good time credits in increments of not more than 90 days per meritorious act. These credits may be awarded by the secretary of corrections when an inmate has acted in a heroic or outstanding manner in coming to the assistance of another person in a life-threatening situation, preventing injury or death to a person, preventing the destruction of property or taking actions which result in a financial savings to the state.

(s) The provisions of subsections (d)(1)(A), (d)(1)(B), (d)(1)(C) and (d)(1)(E) shall be applied retroactively as provided in subsection (t).

(t) For offenders sentenced prior to July 1, 2014, who are eligible for modification of their postrelease supervision obligation, the department of corrections shall modify the period of postrelease supervision as provided for by this section:

(1) On or before September 1, 2013, for offenders convicted of:
   (A) Severity levels 9 and 10 crimes on the sentencing guidelines grid for nondrug crimes;

"Sec. 4. K.S.A. 2018 Supp. 40-2404 is hereby amended to read as follows: 40-2404. The following are hereby defined as unfair methods of competition and unfair or deceptive acts or practices in the business of insurance:

(1) Misrepresentations and false advertising of insurance policies. Making, issuing, circulating or causing to be made, issued or circulated, any estimate, illustration, circular, statement, sales presentation, omission or comparison which:
   (a) Misrepresents the benefits, advantages, conditions or terms of any insurance policy;
   (b) misrepresents the dividends or share of the surplus to be received on any insurance policy;
   (c) makes any false or misleading statements as to the dividends or share of surplus previously paid on any insurance policy;
   (d) is misleading or is a misrepresentation as to the financial condition of any person, or as to the legal reserve system upon which any life insurer operates;
   (e) uses any name or title of any insurance policy or class of insurance policies misrepresenting the true nature thereof;
   (f) is a misrepresentation for the purpose of inducing or tending to induce the lapse, forfeiture, exchange, conversion or surrender of any insurance policy;
   (g) is a misrepresentation for the purpose of effecting a pledge or assignment of or effecting a loan against any insurance policy; or
   (h) misrepresents any insurance policy as being shares of stock.

(2) False information and advertising generally. Making, publishing, disseminating, circulating or placing before the public, or causing, directly or indirectly, to be made, published, disseminated, circulated or placed before the public, in a newspaper, magazine or other publication, or in the form of a notice, circular, pamphlet, letter or poster, or over any radio or television station, or in any other way, an advertisement, announcement or statement containing any assertion, misrepresentation or statement with respect to the business of insurance or with respect to any person in the conduct of such person's insurance business, which that is untrue, deceptive or misleading.

(3) Defamation. Making, publishing, disseminating or circulating, directly or indirectly, or aiding, abetting or encouraging the making, publishing, disseminating or circulating of any oral or written statement or any pamphlet, circular, article or literature which that is false, or maliciously critical of or derogatory to the financial condition of any person, and which that is calculated to injure such person.

(4) Boycott, coercion and intimidation. Entering into any agreement to commit, or
by any concerted action committing, any act of boycott, coercion or intimidation resulting in or tending to result in unreasonable restraint of the business of insurance, or by any act of boycott, coercion or intimidation monopolizing or attempting to monopolize any part of the business of insurance.

(5) False statements and entries. (a) Knowingly filing with any supervisory or other public official, or knowingly making, publishing, disseminating, circulating or delivering to any person, or placing before the public, or knowingly causing directly or indirectly, to be made, published, disseminated, circulated, delivered to any person, or placed before the public, any false material statement of fact as to the financial condition of a person.

(b) Knowingly making any false entry of a material fact in any book, report or statement of any person or knowingly omitting to make a true entry of any material fact pertaining to the business of such person in any book, report or statement of such person.

(6) Stock operations and advisory board contracts. Issuing or delivering or permitting agents, officers or employees to issue or deliver, agency company stock or other capital stock, or benefit certificates or shares in any common-law corporation, or securities or any special or advisory board contracts or other contracts of any kind promising returns and profits as an inducement to insurance. Nothing herein shall prohibit the acts permitted by K.S.A. 40-232, and amendments thereto.

(7) Unfair discrimination. (a) Making or permitting any unfair discrimination between individuals of the same class and equal expectation of life in the rates charged for any contract of life insurance or life annuity or in the dividends or other benefits payable thereon, or in any other of the terms and conditions of such contract.

(b) Making or permitting any unfair discrimination between individuals of the same class and of essentially the same hazard in the amount of premium, policy fees or rates charged for any policy or contract of accident or health insurance or in the benefits payable thereunder, or in any of the terms or conditions of such contract, or in any other manner whatever.

(c) Refusing to insure, or refusing to continue to insure, or limiting the amount, extent or kind of coverage available to an individual, or charging an individual a different rate for the same coverage solely because of blindness or partial blindness. With respect to all other conditions, including the underlying cause of the blindness or partial blindness, persons who are blind or partially blind shall be subject to the same standards of sound actuarial principles or actual or reasonably anticipated experience as are sighted persons. Refusal to insure includes denial by an insurer of disability insurance coverage on the grounds that the policy defines "disability" as being presumed in the event that the insured loses such person's eyesight. However, an insurer may exclude from coverage disabilities consisting solely of blindness or partial blindness when such condition existed at the time the policy was issued.

(d) Refusing to insure, or refusing to continue to insure, or limiting the amount, extent or kind of coverage available for accident and health and life insurance to an applicant who is the proposed insured or charge a different rate for the same coverage or excluding or limiting coverage for losses or denying a claim incurred by an insured as a result of abuse based on the fact that the applicant who is the proposed insured is, has been, or may be the subject of domestic abuse, except as provided in subpart (v) subsection (7)(d)(v). "Abuse" as used in this subsection (7)(d) paragraph means one or
more acts defined in subsection (a) or (b) of K.S.A. 60-3102, and amendments thereto, between family members, current or former household members, or current or former intimate partners.

(i) An insurer may not ask an applicant for life or accident and health insurance who is the proposed insured if the individual is, has been or may be the subject of domestic abuse or seeks, has sought or had reason to seek medical or psychological treatment or counseling specifically for abuse, protection from abuse or shelter from abuse.

(ii) Nothing in this section shall be construed to prohibit a person from declining to issue an insurance policy insuring the life of an individual who is, has been or has the potential to be the subject of abuse if the perpetrator of the abuse is the applicant or would be the owner of the insurance policy.

(iii) No insurer that issues a life or accident and health policy to an individual who is, has been or may be the subject of domestic abuse shall be subject to civil or criminal liability for the death or any injuries suffered by that individual as a result of domestic abuse.

(iv) No person shall refuse to insure, refuse to continue to insure, limit the amount, extent or kind of coverage available to an individual or charge a different rate for the same coverage solely because of physical or mental condition, except where the refusal, limitation or rate differential is based on sound actuarial principles.

(v) Nothing in this section shall be construed to prohibit a person from underwriting or rating a risk on the basis of a preexisting physical or mental condition, even if such condition has been caused by abuse, provided that:

(A) The person routinely underwrites or rates such condition in the same manner with respect to an insured or an applicant who is not a victim of abuse;

(B) the fact that an individual is, has been or may be the subject of abuse may not be considered a physical or mental condition; and

(C) such underwriting or rating is not used to evade the intent of this section or any other provision of the Kansas insurance code.

(vi) Any person who underwrites or rates a risk on the basis of preexisting physical or mental condition as set forth in subsection (7)(d)(v), shall treat such underwriting or rating as an adverse underwriting decision pursuant to K.S.A. 40-2,112, and amendments thereto.

(vii) The provisions of subsection (d) this paragraph shall apply to all policies of life and accident and health insurance issued in this state after the effective date of this act and all existing contracts which that are renewed on or after the effective date of this act.

(e) Refusing to insure, or refusing to continue to insure, or limiting the amount, extent or kind of coverage available for life insurance to an individual, or charging an individual a different rate for the same coverage, solely because of such individual’s status as a living organ donor. With respect to all other conditions, persons who are living organ donors shall be subject to the same standards of sound actuarial principles or actual or reasonably anticipated experience as are persons who are not organ donors.

(8) Rebates. (a) Except as otherwise expressly provided by law, knowingly permitting, offering to make or making any contract of life insurance, life annuity or accident and health insurance, or agreement as to such contract other than as plainly expressed in the insurance contract issued thereon; paying, allowing, giving or offering
to pay, allow or give, directly or indirectly, as inducement to such insurance, or annuity, any rebate of premiums payable on the contract, any special favor or advantage in the dividends or other benefits thereon, or any valuable consideration or inducement whatever not specified in the contract; or giving, selling, purchasing or offering to give, sell or purchase as inducement to such insurance contract or annuity or in connection therewith, any stocks, bonds or other securities of any insurance company or other corporation, association or partnership, or any dividends or profits accrued thereon, or anything of value whatsoever not specified in the contract.

(b) Nothing in subsection (7) or (8)(a) shall be construed as including within the definition of discrimination or rebates any of the following practices:

(i) In the case of any contract of life insurance or life annuity, paying bonuses to policyholders or otherwise abating their premiums in whole or in part out of surplus accumulated from nonparticipating insurance. Any such bonuses or abatement of premiums shall be fair and equitable to policyholders and for the best interests of the company and its policyholders;

(ii) in the case of life insurance policies issued on the industrial debit plan, making allowance to policyholders who have continuously for a specified period made premium payments directly to an office of the insurer in an amount which fairly represents the saving in collection expenses; or

(iii) readjustment of the rate of premium for a group insurance policy based on the loss or expense experience thereunder, at the end of the first or any subsequent policy year of insurance thereunder, which may be made retroactive only for such policy year.

(9) Unfair claim settlement practices. It is an unfair claim settlement practice if any of the following or any rules and regulations pertaining thereto are:

(A) either committed flagrantly and in conscious disregard of such provisions, or

(B) committed with such frequency as to indicate a general business practice;

(a) Misrepresenting pertinent facts or insurance policy provisions relating to coverages at issue;

(b) failing to acknowledge and act reasonably promptly upon communications with respect to claims arising under insurance policies;

(c) failing to adopt and implement reasonable standards for the prompt investigation of claims arising under insurance policies;

(d) refusing to pay claims without conducting a reasonable investigation based upon all available information;

(e) failing to affirm or deny coverage of claims within a reasonable time after proof of loss statements have been completed;

(f) not attempting in good faith to effectuate prompt, fair and equitable settlements of claims in which liability has become reasonably clear;

(g) compelling insureds to institute litigation to recover amounts due under an insurance policy by offering substantially less than the amounts ultimately recovered in actions brought by such insureds;

(h) attempting to settle a claim for less than the amount to which a reasonable person would have believed that such person was entitled by reference to written or printed advertising material accompanying or made part of an application;

(i) attempting to settle claims on the basis of an application which was altered without notice to, or knowledge or consent of the insured;

(j) making claims payments to insureds or beneficiaries not accompanied by a
statement setting forth the coverage under which payments are being made;

(k) making known to insureds or claimants a policy of appealing from arbitration awards in favor of insureds or claimants for the purpose of compelling them to accept settlements or compromises less than the amount awarded in arbitration;

(l) delaying the investigation or payment of claims by requiring an insured, claimant or the physician of either to submit a preliminary claim report and then requiring the subsequent submission of formal proof of loss forms, both of which submissions contain substantially the same information;

(m) failing to promptly settle claims, where liability has become reasonably clear, under one portion of the insurance policy coverage in order to influence settlements under other portions of the insurance policy coverage; or

(n) failing to promptly provide a reasonable explanation of the basis in the insurance policy in relation to the facts or applicable law for denial of a claim or for the offer of a compromise settlement.

(10) Failure to maintain complaint handling procedures. Failure of any person, who is an insurer on an insurance policy, to maintain a complete record of all the complaints which it has received since the date of its last examination under K.S.A. 40-222, and amendments thereto; but no such records shall be required for complaints received prior to the effective date of this act. The record shall indicate the total number of complaints, their classification by line of insurance, the nature of each complaint, the disposition of the complaints, the date each complaint was originally received by the insurer and the date of final disposition of each complaint. For purposes of this subsection, "complaint" means any written communication primarily expressing a grievance related to the acts and practices set out in this section.

(11) Misrepresentation in insurance applications. Making false or fraudulent statements or representations on or relative to an application for an insurance policy, for the purpose of obtaining a fee, commission, money or other benefit from any insurer, agent, broker or individual.

(13) Disclosure of information relating to adverse underwriting decisions and refund of premiums. Failing to comply with the provisions of K.S.A. 40-2,112, and amendments thereto, within the time prescribed in such section.

(14) Rebates and other inducements in title insurance. (a) No title insurance company or title insurance agent, or any officer, employee, attorney, agent or solicitor thereof, may pay, allow or give, or offer to pay, allow or give, directly or indirectly, as an inducement to obtaining any title insurance business, any rebate, reduction or abatement of any rate or charge made incident to the issuance of such insurance, any special favor or advantage not generally available to others of the same classification, or any money, thing of value or other consideration or material inducement. The words "charge made incident to the issuance of such insurance" includes, without limitations, escrow, settlement and closing charges.

(b) No insured named in a title insurance policy or contract nor any other person directly or indirectly connected with the transaction involving the issuance of the policy or contract, including, but not limited to, mortgage lender, real estate broker, builder, attorney or any officer, employee, agent representative or solicitor thereof, or any other person may knowingly receive or accept, directly or indirectly, any rebate, reduction or
abatement of any charge, or any special favor or advantage or any monetary consideration or inducement referred to in subsection (14)(a).

(c) Nothing in this section shall be construed as prohibiting:

(i) The payment of reasonable fees for services actually rendered to a title insurance agent in connection with a title insurance transaction;

(ii) the payment of an earned commission to a duly appointed title insurance agent for services actually performed in the issuance of the policy of title insurance; or

(iii) the payment of reasonable entertainment and advertising expenses.

(d) Nothing in this section prohibits the division of rates and charges between or among a title insurance company and its agent, or one or more title insurance companies and one or more title insurance agents, if such division of rates and charges does not constitute an unlawful rebate under the provisions of this section and is not in payment of a forwarding fee or a finder's fee.

(e) As used in paragraphs (e) through (i)(7) of this subpart subsections (14)(e) through (14)(i), unless the context otherwise requires:

(i) "Associate" means any firm, association, organization, partnership, business trust, corporation or other legal entity organized for profit in which a producer of title business is a director, officer or partner thereof, or owner of a financial interest; the spouse or any relative within the second degree by blood or marriage of a producer of title business who is a natural person; any director, officer or employee of a producer of title business or associate; any legal entity that controls, is controlled by, or is under common control with a producer of title business or associate; and any natural person or legal entity with whom a producer of title business or associate has any agreement, arrangement or understanding or pursues any course of conduct, the purpose or effect of which is to evade the provisions of this section.

(ii) "Financial interest" means any direct or indirect interest, legal or beneficial, where the holder thereof is or will be entitled to 1% or more of the net profits or net worth of the entity in which such interest is held. Notwithstanding the foregoing, an interest of less than 1% or any other type of interest shall constitute a "financial interest" if the primary purpose of the acquisition or retention of that interest is the financial benefit to be obtained as a consequence of that interest from the referral of title business.

(iii) "Person" means any natural person, partnership, association, cooperative, corporation, trust or other legal entity.

(iv) "Producer of title business" or "producer" means any person, including any officer, director or owner of 5% or more of the equity or capital or both of any person, engaged in this state in the trade, business, occupation or profession of:

(A) Buying or selling interests in real property;

(B) making loans secured by interests in real property; or

(C) acting as broker, agent, representative or attorney for a person who buys or sells any interest in real property or who lends or borrows money with such interest as security.

(v) "Refer" means to direct or cause to be directed or to exercise any power or influence over the direction of title insurance business, whether or not the consent or approval of any other person is sought or obtained with respect to the referral.

(f) No title insurer or title agent may accept any order for, issue a title insurance policy to, or provide services to, an applicant if it knows or has reason to believe that
the applicant was referred to it by any producer of title business or by any associate of such producer, where the producer, the associate, or both, have a financial interest in the title insurer or title agent to which business is referred unless the producer has disclosed to the buyer, seller and lender the financial interest of the producer of title business or associate referring the title insurance business.

(g) No title insurer or title agent may accept an order for title insurance business, issue a title insurance policy, or receive or retain any premium, or charge in connection with any transaction if: (i) The title insurer or title agent knows or has reason to believe that the transaction will constitute controlled business for that title insurer or title agent and (ii) 70% or more of the closed title orders of that title insurer or title agent during the 12 full calendar months immediately preceding the month in which the transaction takes place is derived from controlled business. The prohibitions contained in this subparagraph shall not apply to transactions involving real estate located in a county that has a population, as shown by the last preceding decennial census, of 10,000 or less.

(h) Within 90 days following the end of each business year, as established by the title insurer or title agent, each title insurer or title agent shall file with the department of insurance and any title insurer with which the title agent maintains an underwriting agreement, a report executed by the title insurer's or title agent's chief executive officer or designee, under penalty of perjury, stating the percent of closed title orders originating from controlled business. The failure of a title insurer or title agent to comply with the requirements of this section, at the discretion of the commissioner, shall be grounds for the suspension or revocation of a license or other disciplinary action, with the commissioner able to mitigate any such disciplinary action if the title insurer or title agent is found to be in substantial compliance with competitive behavior as defined by federal housing and urban development statement of policy 1996-2.

(i) (1) No title insurer or title agent may accept any title insurance order or issue a title insurance policy to any person if it knows or has reason to believe that such person was referred to it by any producer of title business or by any associate of such producer, where the producer, the associate, or both, have a financial interest in the title insurer or title agent to which business is referred unless the producer has disclosed in writing to the person so referred the fact that such producer or associate has a financial interest in the title insurer or title agent, the nature of the financial interest and a written estimate of the charge or range of charges generally made by the title insurer or agent for the title services. Such disclosure shall include language stating that the consumer is not obligated to use the title insurer or agent in which the referring producer or associate has a financial interest and shall include the names and telephone numbers of not less than three other title insurers or agents which operate in the county in which the property is located. If fewer than three insurers or agents operate in that county, the disclosure shall include all title insurers or agents operating in that county. Such written disclosure shall be signed by the person so referred and must have occurred prior to any commitment having been made to such title insurer or agent.

(2) No producer of title business or associate of such producer shall require, directly or indirectly, as a condition to selling or furnishing any other person any loan or extension thereof, credit, sale, property, contract, lease or service, that such other person shall purchase title insurance of any kind through any title agent or title insurer if such producer has a financial interest in such title agent or title insurer.
(3) No title insurer or title agent may accept any title insurance order or issue a title insurance policy to any person it knows or has reason to believe that the name of the title company was pre-printed in the sales contract, prior to the buyer or seller selecting that title company.

(4) Nothing in this subpart (i) paragraph shall prohibit any producer of title business or associate of such producer from referring title business to any title insurer or title agent of such producer's or associate's choice, and, if such producer or associate of such producer has any financial interest in the title insurer, from receiving income, profits or dividends produced or realized from such financial interest, so long as:

(a) Such financial interest is disclosed to the purchaser of the title insurance in accordance with part paragraphs (i)(1) through (i)(4) of this subpart;

(b) the payment of income, profits or dividends is not in exchange for the referral of business; and

(c) the receipt of income, profits or dividends constitutes only a return on the investment of the producer or associate.

(5) Any producer of title business or associate of such producer who violates the provisions of paragraphs (i)(2) through (i)(4), or any title insurer or title agent who accepts an order for title insurance knowing that it is in violation of paragraphs (i)(2) through (i)(4), in addition to any other action which may be taken by the commissioner of insurance, shall be subject to a fine by the commissioner in an amount equal to five times the premium for the title insurance and, if licensed pursuant to K.S.A. 58-3034 et seq., and amendments thereto, shall be deemed to have committed a prohibited act pursuant to K.S.A. 58-3602, and amendments thereto, and shall be liable to the purchaser of such title insurance in an amount equal to the premium for the title insurance.

(6) Any title insurer or title agent that is a competitor of any title insurer or title agent that, subsequent to the effective date of this act, has violated or is violating the provisions of subpart (i) this paragraph, shall have a cause of action against such title insurer or title agent and, upon establishing the existence of a violation of any such provision, shall be entitled, in addition to any other damages or remedies provided by law, to such equitable or injunctive relief as the court deems proper. In any such action under this subsection, the court may award to the successful party the court costs of the action together with reasonable attorney fees.

(7) The commissioner shall also require each title agent to provide core title services as required by the real estate settlement procedures act.

(j) The commissioner shall adopt any regulations necessary to carry out the provisions of this act.

(15) Disclosure of nonpublic personal information. (a) No person shall disclose any nonpublic personal information contrary to the provisions of title V of the Gramm-Leach-Bliley act of 1999 (public law 106-102). The commissioner may adopt rules and regulations necessary to carry out this section subsection. Such rules and regulations shall be consistent with and not more restrictive than the model regulation adopted on September 26, 2000, by the national association of insurance commissioners entitled "Privacy of consumer financial and health information regulation".

(b) Any rules and regulations adopted by the commissioner which implement article V of the model regulation adopted on September 26, 2000, by the national association of insurance commissioners entitled "Privacy of consumer financial and health information regulation".
health information regulation" shall become effective on and after February 1, 2002.

(e) Nothing in this paragraph (15) subsection shall be deemed or construed to authorize the promulgation or adoption of any regulation which preempts, supersedes or is inconsistent with any provision of Kansas law concerning requirements for notification of, or obtaining consent from, a parent, guardian or other legal custodian of a minor relating to any matter pertaining to the health and medical treatment for such minor.

(b) "Board" means the board of education of any school district, governing body of any technical college or the institute of technology at Washburn university, and the board of trustees of any community college.
Sec. 10. K.S.A. 72-2253 is hereby amended to read as follows: 72-2253. (a) Whenever a teacher is given written notice of intention by a board to not renew or to terminate the contract of the teacher as provided in K.S.A. 72-2251, and amendments thereto, the written notice of the proposed nonrenewal or termination shall include: (1) A statement of the reasons for the proposed nonrenewal or termination; and (2) a statement that the teacher may have the matter heard by a hearing officer upon written request filed with the clerk of the board of education or the board of control or the secretary of the board of trustees within 15 calendar days from the date of such notice of nonrenewal or termination.
(b) Within 10 calendar days after the filing of any written request of a teacher to be heard as provided in subsection (a), the board shall notify the commissioner of education that a list of qualified hearing officers is required. Such notice shall contain the mailing address of the teacher. Within 10 days after receipt of notification from the board, the commissioner shall provide to the board and to the teacher, a list of five randomly selected, qualified hearing officers.
(c) Within five days after receiving the list from the commissioner, each party shall eliminate two names from the list, and the remaining individual on the list shall serve as hearing officer. In the process of elimination, each party shall eliminate no more than one name at a time, the parties alternating after each name has been eliminated. The first name to be eliminated shall be chosen by the teacher within five days after the teacher receives the list. The process of elimination shall be completed within five days thereafter.
(d) Either party may request that one new list be provided within five days after receiving the list. If such a request is made, the party making the request shall notify the commissioner and the other party, and the commissioner shall generate a new list and
distribute it to the parties in the same manner as the original list.

e) In lieu of using the process provided in subsections (b) and (c), if the parties agree, they may make a request to the American arbitration association for an arbitrator to serve as the hearing officer. Any party desiring to use this alternative procedure shall so notify the other party in the notice required under subsection (a). If the parties agree to use this procedure, the parties shall make a joint request to the American arbitration association for a hearing officer within 10 days after the teacher files a request for a hearing. If the parties choose to use this procedure, the parties shall each pay one-half of the cost of the arbitrator and of the arbitrator's expenses.

f) The commissioner of education shall compile and maintain a list of hearing officers comprised of residents of this state who are attorneys at law. Such list shall include a statement of the qualifications of each hearing officer.

(g) Attorneys interested in serving as hearing officers under the provisions of this act shall submit an application to the commissioner of education. The commissioner shall determine if the applicant is eligible to serve as a hearing officer pursuant to the provisions of subsection (h).

(h) An attorney shall be eligible for appointment to the list if the attorney has: (1) Completed a minimum of 10 hours of continuing legal education credit in the area of education law, due process, administrative law or employment law within the past five years; or (2) previously served as the chairperson of a due process hearing committee prior to the effective date of this act. An attorney shall not be eligible for appointment to the list if the attorney has been employed to represent a board or a teacher in a due process hearing within the past five years.

Sec. 11. K.S.A. 72-2254 is hereby amended to read as follows: 72-2254. The hearing provided for under K.S.A. 72-2253, and amendments thereto, shall commence within 45 calendar days after the hearing officer is selected unless the hearing officer grants an extension of time. The hearing shall afford procedural due process, including the following:

(a) The right of each party to have counsel of such party's own choice present and to receive the advice of such counsel or other person whom such party may select;

(b) the right of each party or such party's counsel to cross-examine any person who provides information for the consideration of the hearing officer, except those persons whose testimony is presented by affidavit;

(c) the right of each party to present such party's own witnesses in person, or their testimony by affidavit or deposition, except that testimony of a witness by affidavit may be presented only if such witness lives more than 100 miles from the location of the unified school district office, the technical college, institute of technology at Washburn university or community college, or is absent from the state, or is unable to appear because of age, illness, infirmity or imprisonment. When testimony is presented by affidavit the same shall be served upon the clerk of the board of education, the board of control, the secretary of the board of trustees or the agent of the board and upon the teacher in person or by first-class mail to the address of the teacher which is on file with the board not less than 10 calendar days prior to presentation to the hearing officer;

(d) the right of the teacher to testify in the teacher's own behalf and give reasons for the teacher's conduct, and the right of the board to present its testimony through such persons as the board may call to testify in its behalf and to give reasons for its actions, rulings or policies;
(e) the right of the parties to have an orderly hearing; and
(f) the right of the teacher to a fair and impartial decision based on substantial evidence.

Prayer by guest chaplain, Rev. Curtis Wright, Pastor, Wellsville Family Worship Center, Wellsville, and guest of Rep. Samsel:

Heavenly Father, we look to You now asking that You would grace this room, and these public servants, with Your presence. Not just here and now, but every time they gather to seek wisdom and understanding as they wrestle with how to best meet the needs of the people of not just this great state but even of this great nation! And that each of these men and women would be mindful of the fact that, even in their respective levels of service, still... You, Creator God, are the ultimate source of all power and authority, and to whom much is given, much will be required. And the best way to leverage that power and authority is on behalf of the people they were elected to represent. Recognizing that... when a servant’s power is leveraged on behalf of the people they serve, then the Apostle Paul’s words will begin to ring true ... that we may, indeed, lead quiet and peaceable lives in all godliness and reverence. We pray these things in the Name of our Lord and Savior, Jesus Christ, Amen.

The Pledge of Allegiance was led by Rep. Burris.

PERSONAL PRIVILEGE

There being no objection, the following remarks of Rep. Susan Ruiz are spread upon the Journal:

Thank you Mr. Speaker. I invite the Representatives from Johnson County to join me at the well.

I am recognizing Rui Xu as the first Chinese American to be elected to the Kansas House of Representatives.
Rui was born in Switzerland in 1989 to Chinese graduate students pursuing their PhDs. Due to the 1 child policy in China and the fact that Rui had an older sister, the family moved to the United States when Rui was 2 years old. He would spend the remainder of his childhood growing up in the town of Rolla, Missouri, where he became a naturalized US citizen at the age of 12. After graduating from the University of Southern California with a degree in economics, he married his high school sweetheart, Kearsha and moved to Kansas City to pursue a career in sports analytics. Rui and Kearsha moved to Olathe, KS in 2013 and later moved to Westwood in 2015. During that time Rui worked for Sporting Kansas City for 3.5 years during the time that the team won the MLS Championship in 2013.

In 2016 Rui decided he wanted to switch gears and take on a career that helped people. He became a marketing operations analyst at Children's International, which is the largest non-profit, supporting over 200,000 children around the world. At the same time Rui began volunteering his time in the literacy KC board, helping low-literacy adults in the area improve their reading ability. Ultimately this led to his run for state representative because he believes that a strong, open and trustworthy government can be a catalyst for growth for all the people in Kansas.

EXPLANATIONS OF VOTE

MR. SPEAKER, HB 2274-Abortion Pill Reversal provides pregnant women considering an abortion, additional choices if they have commenced RU-486 treatment. This is pro-life and pro-women’s health. Remember, this is just oral and written notice of an option.

Colleagues, I choose to stand with the 2,500 members of the American Association of Pro-Life OB/Gyns in support of abortion pill reversal. I vote Yes on HB 2274 — JOHN EPLEE, MARTIN LONG, DAVE BAKER, CHERYL HELMER, MARK SAMSEL, LES MASON, RONALD ELLIS, DOUG BLEX, TORY MARIE ARNBERGER, KELLIE WARREN, BARBARA WASINGER, ADAM THOMAS, KYLE HOFFMAN, ERIC SMITH, LEONARD MARSTRONI, RON HOWARD, KEN COLLINS, BILL SUTTON, LONNIE CLARK, BRENDA LANDWEHR, CHARLOTTE ESAU, SUSAN HUMPHRIES, MEGAN LYNN, JACK THIMESCH, SEAN TARWATER, JOE SEIWERT, JOHN WHEELER, JR., EMIL BERGQUIST

MR. SPEAKER: I vote Yes on HB 2274, because We the people of Kansas, grateful to Almighty God for our civil and religious privileges, in order to insure the full enjoyment of our rights as American citizens, believe “All men are possessed of equal and inalienable natural rights, among which are life, liberty, and the pursuit of happiness.” It's impossible to continue to enjoy these God given rights and privileges if Kansas continues to allow helpless babies to be murdered in the womb. God gives life; the State Constitution is to protect innocent life. If politicians won't protect the lives of babies in the womb, then who will? TREvor JACkS

EXPLANATION OF VOTE

Mr. Speaker, I vote no on HB 2307. When a Dentist contracts with a health insurance carrier, they agree to certain rates for certain services. Health carriers negotiate on behalf of their consumers to ensure reasonable costs for services, including those not covered by the health insurance contract. These are additional benefits of the insurance agreement, that the consumer paid a premium to have. This bill undermines those contracts that were negotiated and agreed to, and isn't consumer friendly. A Yes vote is a vote to raise health care costs for Kansans. My constituents will know I made every effort to drive down the cost of health care. — Sean Tarwater, Sr., Eric Smith, Kyle Hoffman, Jack Thimesch, Joe Seiwert, John Resman, Martin Long, Trevor Jacobs, Charlotte Esau

EXPLANATIONS OF VOTE

Mr. Speaker: Accountability is the cornerstone of all good policy. When the Legislature commits millions more annually to education, it is our responsibility to ensure those dollars are being allocated in ways that improve student achievement— at all levels, especially the at-risk level. Placing more resources in the classroom for instruction is the most important accountability measure to better move students toward success. Per the words of KSDE, without the foundation of the classroom, the whole education system is doomed to failure. Mr. Speaker, I vote yes on SB 16. —Kristey Williams, Stephen Owens, Trevor Jacobs

Mr. Speaker: I vote no on SB 16. Our vote is the most important instrument we have. Its power is great and it's not meant to be traded or manipulated. Our job is to serve the people. And the people we need to worry about are the ones out there. It's liberating when you free yourselves and vote for the people. No one out there - supports this bill. So, I implore everyone, be the courageous Legislator you were meant to be, and vote no on this bill. You'll be a hero where it matters—out there. —Cindy Holscher

Mr. Speaker: I vote no on Senate Bill 16. The policy portion of the Gannon suit has already been settled, and this bill merely opens the state to further potential litigation. The Kansas Supreme Court made their position very clear. I will not support a bill that takes our progress on school finance backward rather than toward resolution. Kansas children and teachers deserve better. We must do the job we were both mandated and elected to do. SB 16 does not do that job. —Tom Sawyer, Barbara Ballard, Rui Xu, Pam Curtis, Tim Hodge, Cindy Neighbor, Sydney Carlin, Gail Finney, Stephanie Clayton, Nancy Lusk, Jerry Stogsdill, Eileen Horn, Valdenia Winn, Dave Benson, Broderick Henderson, Jim Gartner, Freda Warfield, Brandon Woodard, Monica Murnan, Jeff Pittman
MR. SPEAKER: Body, I believe that many, many Kansans want these policies in **SB 16**. Who would that be?
- Parents who want to know where the dollars are spent in their districts.
- Parents whose children are in failing schools and they see a way out with these policies.
- Parents whose children have dyslexia.

These policies are about parents and children. And I vote yes on **SB 16**.—SUSAN HUMPHRIES

MR. SPEAKER: I vote “yes” on **SB 16** because I have had a majority of MY constituents ask about accountability. We are not held to listening only to one side and I am not LED to a vote. – ERIC SMITH

MR. SPEAKER: I ran on accountability for schools and more dollars to the classroom. I took the time to explain the school funding issue to my constituents. I’ve gotten past the newspapers and special interest group emails. I knew there was a problem when, after a $500M raise, the KASB testified against diagnosing dyslexia at an early age because it cost too much to teach them properly. I simply cannot just write another blank check, without accountability. While I certainly support schools, when they are pitted against the children, MY Constituents know that I will always fight for their children. I vote Yes on **SB 16**. – SEAN TARWATER, SR., CHARLOTTE ESAU

**SB 18**, AN ACT concerning crimes, punishment and criminal procedure; relating to counterfeiting currency; sentencing; presentence investigation report; diversion agreements; attorney general; amending K.S.A. 22-2906 and K.S.A. 2018 Supp. 21-5840, 21-6813 and 22-2909 and repealing the existing sections, was considered on final action.

On roll call, the vote was: Yeas 124; Nays 0; Present but not voting: 0; Absent or not voting: 1.

Nays: None.

Present but not voting: None.
Absent or not voting: Carlson.

The bill passed, as amended.
**SB 20**, AN ACT concerning courts; relating to recognition of tribal court judgments; court fees and costs; judicial branch surcharge fund; amending K.S.A. 65-409 and K.S.A. 2018 Supp. 8-2107, 8-2110, 20-3021, 21-6614, 22-2410, 23-2510, 28-170, 28-172a, 28-177, 28-178, 28-179, 32-1049a, 38-2215, 38-2312, 38-2314, 59-104, 60-729, 60-2001, 60-2203a, 61-2704 and 61-4001 and repealing the existing sections, was considered on final action.

On roll call, the vote was: Yeas 118; Nays 6; Present but not voting: 0; Absent or not voting: 1.

Nays: Burriss, Capps, Garber, Helmer, Jacobs, Rhiley.

Present but not voting: None.

Absent or not voting: Carlson.

COMMITTEE OF THE WHOLE

On motion of Rep. Hoffman, Committee of the Whole report, as follows, was adopted:
Recommended that **SCR 1605** be adopted.

Roll call was demanded on motion of Rep. Burroughs, to amend **HB 2154** on page 27, following line 39, by inserting:

"Sec. 5. K.S.A. 2018 Supp. 44-706 is hereby amended to read as follows: 44-706. The secretary shall examine whether an individual has separated from employment for each week claimed. The secretary shall apply the provisions of this section to the individual's most recent employment prior to the week claimed. An individual shall be disqualified for benefits:

(a) If the individual left work voluntarily without good cause attributable to the work or the employer, subject to the other provisions of this subsection. For purposes of this subsection, "good cause" is cause of such gravity that would impel a reasonable, not supersensitive, individual exercising ordinary common sense to leave employment. Good cause requires a showing of good faith of the individual leaving work, including the presence of a genuine desire to work. Failure to return to work after expiration of approved personal or medical leave, or both, shall be considered a voluntary resignation. After a temporary job assignment, failure of an individual to affirmatively request an additional assignment on the next succeeding workday, if required by the employment agreement, after completion of a given work assignment, shall constitute leaving work voluntarily. The disqualification shall begin the day following the separation and shall continue until after the individual has become reemployed and has had earnings from insured work of at least three times the individual's weekly benefit amount. An individual shall not be disqualified under this subsection if:

(1) The individual was forced to leave work because of illness or injury upon the advice of a licensed and practicing health care provider and, upon learning of the necessity for absence, immediately notified the employer thereof, or the employer consented to the absence, and after recovery from the illness or injury, when recovery was certified by a practicing health care provider, the individual returned to the employer and offered to perform services and the individual's regular work or comparable and suitable work was not available. As used in this paragraph "health care provider" means any person licensed by the proper licensing authority of any state to engage in the practice of medicine and surgery, osteopathy, chiropractic, dentistry, optometry, podiatry or psychology;

(2) the individual left temporary work to return to the regular employer;

(3) the individual left work to enlist in the armed forces of the United States, but was rejected or delayed from entry;

(4) the spouse of an individual who is a member of the armed forces of the United States who left work because of the voluntary or involuntary transfer of the individual's spouse from one job to another job, which is for the same employer or for a different employer, at a geographic location which makes it unreasonable for the individual to continue work at the individual's job. For the purposes of this provision the term "armed forces" means active duty in the army, navy, marine corps, air force, coast guard or any branch of the military reserves of the United States;

(5) the individual left work because of hazardous working conditions; in determining whether or not working conditions are hazardous for an individual, the degree of risk involved to the individual's health, safety and morals, the individual's physical fitness and prior training and the working conditions of workers engaged in the
same or similar work for the same and other employers in the locality shall be considered; as used in this paragraph, "hazardous working conditions" means working conditions that could result in a danger to the physical or mental well-being of the individual; each determination as to whether hazardous working conditions exist shall include, but shall not be limited to, a consideration of: (A) The safety measures used or the lack thereof; and (B) the condition of equipment or lack of proper equipment; no work shall be considered hazardous if the working conditions surrounding the individual's work are the same or substantially the same as the working conditions generally prevailing among individuals performing the same or similar work for other employers engaged in the same or similar type of activity;

(6) the individual left work to enter training approved under section 236(a)(1) of the federal trade act of 1974, provided the work left is not of a substantially equal or higher skill level than the individual's past adversely affected employment, as defined for purposes of the federal trade act of 1974, and wages for such the work are not less than 80% of the individual's average weekly wage as determined for the purposes of the federal trade act of 1974;

(7) the individual left work because of unwelcome harassment of the individual by the employer or another employee of which the employing unit had knowledge and that would impel the average worker to give up such the worker's employment;

(8) the individual left work to accept better work; each determination as to whether or not the work accepted is better work shall include, but shall not be limited to, consideration of: (A) The rate of pay, the hours of work and the probable permanency of the work left as compared to the work accepted; (B) the cost to the individual of getting to the work left in comparison to the cost of getting to the work accepted; and (C) the distance from the individual's place of residence to the work accepted in comparison to the distance from the individual's residence to the work left;

(9) the individual left work as a result of being instructed or requested by the employer, a supervisor or a fellow employee to perform a service or commit an act in the scope of official job duties which is in violation of an ordinance or statute;

(10) the individual left work because of a substantial violation of the work agreement by the employing unit and, before the individual left, the individual had exhausted all remedies provided in such the agreement for the settlement of disputes before terminating. For the purposes of this paragraph, a demotion based on performance does not constitute a violation of the work agreement;

(11) after making reasonable efforts to preserve the work, the individual left work due to a personal emergency of such nature and compelling urgency that it would be contrary to good conscience to impose a disqualification; or

(12) (A) the individual left work due to circumstances resulting from domestic violence, including:

(i) The individual's reasonable fear of future domestic violence at or en route to or from the individual's place of employment;

(ii) the individual's need to relocate to another geographic area in order to avoid future domestic violence;

(iii) the individual's need to address the physical, psychological and legal impacts of domestic violence;

(iv) the individual's need to leave employment as a condition of receiving services or shelter from an agency which provides support services or shelter to victims of
domestic violence; or

(v) the individual's reasonable belief that termination of employment is necessary to avoid other situations which may cause domestic violence and to provide for the future safety of the individual or the individual's family.

(B) An individual may prove the existence of domestic violence by providing one of the following:

(i) A restraining order or other documentation of equitable relief by a court of competent jurisdiction;
(ii) a police record documenting the abuse;
(iii) documentation that the abuser has been convicted of one or more of the offenses enumerated in articles 34 and 35 of chapter 21 of the Kansas Statutes Annotated, prior to their repeal, or articles 54 or 55 of chapter 21 of the Kansas Statutes Annotated, or K.S.A. 2018 Supp. 21-6104, 21-6325, 21-6326 or 21-6418 through 21-6422, and amendments thereto, where the victim was a family or household member;
(iv) medical documentation of the abuse;
(v) a statement provided by a counselor, social worker, health care provider, clergy, shelter worker, legal advocate, domestic violence or sexual assault advocate or other professional who has assisted the individual in dealing with the effects of abuse on the individual or the individual's family; or
(vi) a sworn statement from the individual attesting to the abuse.

(C) No evidence of domestic violence experienced by an individual, including the individual's statement and corroborating evidence, shall be disclosed by the department of labor unless consent for disclosure is given by the individual.

(b) If the individual has been discharged or suspended for misconduct connected with the individual's work. The disqualification shall begin the day following the separation and shall continue until after the individual becomes reemployed and in cases where the disqualification is due to discharge for misconduct has had earnings from insured work of at least three times the individual's determined weekly benefit amount, except that if an individual is discharged for gross misconduct connected with the individual's work, such the individual shall be disqualified for benefits until such the individual again becomes employed and has had earnings from insured work of at least eight times such the individual's determined weekly benefit amount. In addition, all wage credits attributable to the employment from which the individual was discharged for gross misconduct connected with the individual's work shall be canceled. No such cancellation of wage credits shall affect prior payments made as a result of a prior separation.

(1) For the purposes of this subsection, "misconduct" is defined as a violation of a duty or obligation reasonably owed the employer as a condition of employment including, but not limited to, a violation of a company rule, including a safety rule, if:
(A) The individual knew or should have known about the rule; (B) the rule was lawful and reasonably related to the job; and (C) the rule was fairly and consistently enforced.

(2) (A) Failure of the employee to notify the employer of an absence and an individual's leaving work prior to the end of such the individual's assigned work period without permission shall be considered prima facie evidence of a violation of a duty or obligation reasonably owed the employer as a condition of employment.

(B) For the purposes of this subsection, misconduct shall include, but not be limited to, violation of the employer's reasonable attendance expectations if the facts show:
(i) The individual was absent or tardy without good cause;
(ii) the individual had knowledge of the employer's attendance expectation; and
(iii) the employer gave notice to the individual that future absence or tardiness may
or will result in discharge.

(C) For the purposes of this subsection, if an employee disputes being absent or
tardy without good cause, the employee shall present evidence that a majority of the
employee's absences or tardiness were for good cause. If the employee alleges that the
employee's repeated absences or tardiness were the result of health related issues, the
evidence shall include documentation from a licensed and practicing health care
provider as defined in subsection (a)(1).

(3) (A) The term "gross misconduct" as used in this subsection shall be construed
to mean conduct evincing extreme, willful or wanton misconduct as defined by this
subsection. Gross misconduct shall include, but not be limited to: (i) Theft; (ii) fraud;

       had knowledge and was a required condition of employment;
   (4) required by law and the test constituted a required condition of employment for
       the individual's job; or

knowledge and which constituted a required condition of employment;
   (4) as prescribed by a test which was required by law and which constituted a
required condition of employment for the individual's job; or
   (5) at a time contemporaneous with the events establishing probable cause;
   (c) the collecting and labeling of a chemical test sample was performed by a
licensed health care professional or any other individual certified pursuant to paragraph
(b)(3)(A)(iii)(f) or authorized to collect or label test samples by federal or state law, or a federal or state rule or regulation having the force or effect of law, including law enforcement personnel;

(d) the chemical test was performed by a laboratory approved by the United States department of health and human services or licensed by the department of health and environment, except that a blood sample may be tested for alcohol content by a laboratory commonly used for that purpose by state law enforcement agencies;

(e) the chemical test was confirmed by gas chromatography, gas chromatography-mass spectroscopy or other comparably reliable analytical method, except that no-much confirmation is required for a blood alcohol sample or a breath alcohol test;

(f) the breath alcohol test was administered by an individual trained to perform breath tests, the breath testing instrument used was certified and operated strictly according to a description provided by the manufacturers and the reliability of the instrument performance was assured by testing with alcohol standards; and

(g) the foundation evidence establishes, beyond a reasonable doubt, that the test results were from the sample taken from the individual;

(iv) an individual's refusal to submit to a chemical test or breath alcohol test, provided:

(a) The test meets the standards of the drug free workplace act, 41 U.S.C. § 701 et seq.;

(b) the test was administered as part of an employee assistance program or other drug or alcohol treatment program in which the employee was participating voluntarily or as a condition of further employment;

"Sec. 3. K.S.A. 2018 Supp. 75-7c20 is hereby amended to read as follows: 75-7c20.

(a) The carrying of a concealed handgun shall not be prohibited in any public area of any state or municipal building unless such public area has adequate security measures to ensure that no weapons are permitted to be carried into such public area and the public area is conspicuously posted with either permanent or temporary signage approved by the governing body, or the chief administrative officer, if no governing body exists, in accordance with K.S.A. 2018 Supp. 75-7c10, and amendments thereto.

(b) The carrying of a concealed handgun shall not be prohibited throughout any state or municipal building in its entirety unless such building has adequate security measures at all public access entrances to ensure that no weapons are permitted to be carried into such building and the building is conspicuously posted in accordance with K.S.A. 2018 Supp. 75-7c10, and amendments thereto.

(c) No state agency or municipality shall prohibit an employee from carrying a concealed handgun at the employee's work place unless the building has adequate security measures at all public access entrances to ensure that no weapons are permitted to be carried into such building and the building is conspicuously posted in accordance with K.S.A. 2018 Supp. 75-7c10, and amendments thereto.

(d) (1) It shall not be a violation of the personal and family protection act for a person to carry a concealed handgun into a state or municipal building, or any public
area thereof, so long as that person has authority to enter through a restricted access entrance into such building, or public area thereof, that provides adequate security measures at all public access entrances and the building, or public area thereof, is conspicuously posted in accordance with K.S.A. 2018 Supp. 75-7c10, and amendments thereto.

(2) Any person, who is not an employee of the state or a municipality and is not otherwise authorized to enter a state or municipal building through a restricted access entrance, shall be authorized to enter through a restricted access entrance, provided such person:

(A) is authorized by the chief law enforcement officer, governing body, or the chief administrative officer, if no governing body exists, to enter such state or municipal building through a restricted access entrance;

(e) A state agency or municipality that provides adequate security measures in a state or municipal building and which conspicuously posts signage in accordance with K.S.A. 2018 Supp. 75-7c10, and amendments thereto, prohibiting the carrying of a concealed handgun in such building shall not be liable for any wrongful act or omission relating to actions of persons carrying a concealed handgun concerning acts or omissions regarding such handguns.

(f) A state agency or municipality that does not provide adequate security measures in a state or municipal building and that allows the carrying of a concealed handgun shall not be liable for any wrongful act or omission relating to actions of persons carrying a concealed handgun concerning acts or omissions regarding such handguns.

(g) Nothing in this act shall limit the ability of a corrections facility, a jail facility or

A copy of the security plan for the building shall be maintained on file and shall be made available, upon request, to the Kansas attorney general and the law enforcement agency of local jurisdiction. Notice of this exemption, together with the resolution adopted or the letter drafted, shall be sent to the Kansas attorney general and to the law enforcement agency of local jurisdiction. The security plan shall not be subject to disclosure under the Kansas open records act.

(j) The governing body, or the chief administrative officer, if no governing body exists, of any postsecondary educational institution, as defined in K.S.A. 74-3201b, and amendments thereto, may exempt any building of such institution, including any buildings located on the grounds of such institution and any buildings leased by such institution, or any public area thereof, from this section until July 1, 2017, by stating the reasons for such exemption and sending notice of such exemption to the Kansas attorney general.

(b) The carrying of a concealed handgun shall not be prohibited throughout any state or municipal building in its entirety unless such building has adequate security measures at all public access entrances to ensure that no weapons are permitted to be carried into such building and the building is conspicuously posted in accordance with K.S.A. 2018 Supp. 75-7c10, and amendments thereto.

(d) (1) It shall not be a violation of the personal and family protection act for a person to carry a concealed handgun into a state or municipal building, or any public area thereof, so long as that person has authority to enter through a restricted access entrance into such building, or public area thereof, that provides adequate security measures at all public access entrances and the building, or public area thereof, is conspicuously posted in accordance with K.S.A. 2018 Supp. 75-7c10, and amendments thereto.

(2) Any person, who is not an employee of the state or a municipality and is not otherwise authorized to enter a state or municipal building through a restricted access entrance, shall be authorized to enter through a restricted access entrance, provided such person:

(e) A state agency or municipality that provides adequate security measures in a state or municipal building and which conspicuously posts signage in accordance with K.S.A. 2018 Supp. 75-7c10, and amendments thereto, prohibiting the carrying of a concealed handgun in such building shall not be liable for any wrongful act or omission relating to actions of persons carrying a concealed handgun concerning acts or omissions regarding such handguns.

A copy of the security plan for the building shall be maintained on file and shall be made available, upon request, to the Kansas attorney general and the law enforcement agency of local jurisdiction. Notice of this exemption, together with the resolution adopted or the letter drafted, shall be sent to the Kansas attorney general and to the law enforcement agency of local jurisdiction. The security plan shall not be subject to disclosure under the Kansas open records act.

(j) The governing body or the chief administrative officer, if no governing body exists, of any postsecondary educational institution, as defined in K.S.A. 74-3201b, and amendments thereto, may exempt any building of such institution, including any buildings located on the grounds of such institution and any buildings leased by such institution, or any public area thereof, from this section until July 1, 2017, by stating the reasons for such exemption and sending notice of such exemption to the Kansas attorney general.

Prayer by guest chaplain, Rev. Caela Wood, Pastor, First Congregational Church of Christ, Manhattan, and guest of Rep. Carlin:

    Holy One, we pause for a moment before our work begins to acknowledge your presence.
    As air fills our lungs, we become aware of your Spirit moving throughout creation. As we notice our feet touching the ground, we remember those who enter this room each evening to care for this space. As we feel the silence settling in, we notice how we welcome the absence of sound or how it might bring discomfort. As our bodies connect with chairs and desks, we become aware of the importance of the work that happens in this room.
    When we gather in this place, we do not gather on behalf of ourselves and we do not gather alone.
    For you are always with us. Your Spirit, which calls us to love more fully with each and every breath is here with us. Let us be open now to the movement of your love, your grace, your justice, your peace as we work together for the good of all Kansans. And let us be ever mindful of those who are not in this room, but are the people we have promised to serve faithfully with humility and honor.
    Amen.

EXPLANATIONS OF VOTE

MR. SPEAKER: I vote Yes on HB 2118. When tax money is being given away at the trough, I don’t want my constituents to miss out on the pork. It’s important for legislators to bring home the bacon even if we don’t have the money to fund Medicaid expansion. “If you can’t beat ‘em, join ‘em!” I vote Yes on HB 2118 – JOHN CARMICHAEL

MR. SPEAKER: I vote NO today on the wrong-headed policy choice of HB 2118. The state of Kansas has a limited pool of tax monies. To take $5 million to supplement the incomes of highly-paid employees or the bottom line of profitable multi-national corporations is not thoughtful conservatism at it’s best, it is crony capitalism at it’s worse. The money would have been better spent supplementing the pay of over-worked correction department or law enforcement employees and their families. That would have been the better policy choice. – PAUL WAGGONER

HB 2154, AN ACT concerning employment security law; relating to availability of benefits for certain public employees required to work but not receiving wages; establishing the federal and state essential employee assistance fund; amending K.S.A. 2018 Supp. 44-703, 44-704 and 44-705 and repealing the existing sections, was considered on final action.

EXPLANATIONS OF VOTE

**Mr. Speaker:** I vote No on **HB 2244**. On the surface, 5% or less content does not seem to be very much. I have seen tetrahydrocannabinol use create psychosis and mental health issues for people. Marijuana that was smoked 30 years ago had tetrahydrocannabinol level of 3.5% or below. If tetrahydrocannabinol is safe, where is the FDA Stamp of Approval? Why does Kansas Association of Chiefs of Police, Kansas Sheriffs Association, Kansas Narcotics Officers, Kansas Juvenile Officers Association, and Kansas Peace Officers stand in opposition? Why did I receive a letter from Chief of Police of Wichita, stating specific reasons to stand against this law? There are too many unanswered questions. – **Leo G. Delperdang, Ron Howard**

**Mr Speaker:** I am voting ”No” on **HB 2244** because I believe the jury is still out on the effectiveness of medical marijuana. And that is what this bill is, legalizing medical marijuana. Availability of medical marijuana has proven to be the catalyst to opening
other uses, and abuses, of marijuana. I will continue to stand against any use of marijuana in Kansas. Although I accept there are many Kansans who support this effort, I look at the major proponents of medical marijuana and it concerns me when I see the vested interest they have in seeing this type of law passed. Thank you, Mr. Speaker. – DAVID FRENCH

MR SPEAKER: I vote no on HB 2244 because this bill does not solve the problems being faced by those it aims to help. – DANIEL R. HAWKINS

MR SPEAKER: I vote YES today on HB 2244. I see this as a bill addressing a specific issue in a responsible and tightly-controlled fashion. This is not a “first step” to legalization of anything. I appreciate the concerns of law enforcement about serious drug abuse and the social problems it causes. I am truly saddened by the mis-guided policies of Colorado, California, and other states. But this bill is not about that, it is only about Claire and Lola and families like theirs. – PAUL WAGGONER

HB 2326, AN ACT concerning firearms; relating to the personal and family protection act; age requirement for licensure; recognition of licenses issued by other jurisdictions; amending K.S.A. 2018 Supp. 21-6302, 75-7c03 and 75-7c04 and repealing the existing sections, was considered on final action.

EXPLANATIONS OF VOTE

MR. SPEAKER: I vote NO on HB 2326. The Second Amendment does not create a right to carry a concealed firearm in a public place. The term “constitutional carry” is a lie. It makes me sad that so many of us don’t seem to feel safe without being armed at all times. I would rather work with you to find other ways to make all of our fellow citizens feel more safe, rather than flooding our communities with more guns, which makes me and many of my constituents feel less safe. – DENNIS “BOOG” HIGHLBERGER
MR. SPEAKER: I vote Yes on HB 2326. Yesterday we saw the 1st Amendment exercised, for the 2nd Amendment rights of the individual as the state practiced and enforced its 10th Amendment right. Ronald Reagan said, “The most terrifying words in the English language are: 'I'm from the government and I'm here to help.'” Therefore, I have more suspicion and mistrust for politicians who swear to uphold the Constitution when at the same time, they try to restrict, limit, or take away any of my Constitutional Rights. Sometimes I find myself wondering who the real criminals are? – TREVOR JACOBS, RANDY GARBER, BILL RHLEY, MIKE Houser, Michael Capps, Ken Corbet

Thank you for the privilege of living and working and raising our families here in Kansas.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Wasinger are spread upon the Journal:

It is my honor to recognize National Service Recognition Day today by readying for the actual celebration tomorrow, April 2, 2019. There is no way to measure the contributions made by volunteers in this world and their commitment to making our world a better place.

Today I have with me, Jerry Michaud, the CEO of Developmental Services of Northwest Kansas, an organization that serves people with intellectual and developmental disabilities in 18 Northwest KS Counties for over 50 years. With him are VISTA volunteers Tom Fuhrmann and Matthew Vickrey. AmeriCorps VISTA is Volunteers in Service America. VISTA is much like Peace Corps inside the United States.

Along with Senior Corps they serve in more than 50,000 locations across the country and multiple sites throughout Kansas, bolstering the civic, neighborhood, and faith-based organizations that are so vital to our economic and social well-being.

I ask for all legislators to rise and applaud these amazing people for their service to Kansas in recognizing National Service Recognition Day.

Prayer by Chaplain Brubaker,

Heavenly Father,
we thank you for the four seasons You have created,
especially for this Spring Day that brings
energy, hope and excitement.
The madness of March is over (thank heavens!)
and now comes the showers of April.
As our leaders finish up their work for this session this week,
shower Your wisdom, encouragement and blessings upon them.
Help each one to do as Your Word exhorts:
“Let us acknowledge the Lord;
let us press on to acknowledge him.
As surely as the sun rises, he will appear;
he will come to us like the winter rains,
like the spring rains that water the earth.”
And, may the Shockers shock our nation tonight.
This I pray in Your Son’s Name, Amen.
(Hosea 6:3)

The Pledge of Allegiance was led by Rep. Helmer.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Croft are spread upon the Journal:
Basketball in Kansas…it dominates conversations year-round.
Basketball history hangs from the rafters in high school gymnasiums across Kansas.
It’s meant to be cherished, embraced, revered and – above all – forever held in the hearts and minds of the coaches, players, family, friends and fans. The teams that celebrate the thrill of victory, enjoy it in the moment, and they revel in it over their lifetime. It is a shared moment that is frozen in time.
Since the Kansas boys’ basketball state tournament was first held in 1912, 32 schools have captured a championship, 3 schools have double digit championships, 18 have won more than one, 14 have won once. Whether it’s a once-in-a-lifetime event or part of a long-running dynasty, a state championship is forever. Once a state champion, always a state champion.

Talent, health and luck are all important components for championship teams. In all cases it takes a leader at the helm. For Blue Valley Northwest, it is Coach Ed Fritz!

Coach Ed Fritz is in his seventeenth year as the head coach.

During his tenure, the basketball program has appeared in 12 Kansas 6A state tournaments, eight state championship games, and won five state titles (2013, 2014, 2017, 2018 and 2019). The 2012-2013 state championship team went 25-0; and finished 19th nationally in the USA Today’s poll and 10th nationally in MaxPreps poll.

Coach Fritz owns a 641-273 all-time record, including a 207-43 record over the last 10 years. He was selected Kansas All-Classes Coach of the Year and Kansas 6A Coach of the Year in 2018. This was the second time he won the Kansas Coach of the Year award. Coach Fritz was inducted into the Greater Kansas City Basketball Coaches Association Hall of Fame in 2017.

This year’s Blue Valley Northwest Huskies team is a special group. People think of the Patriots as a dynasty and hopefully we are seeing the beginning of a dynasty with the Kansas City Chiefs…this Blue Valley Northwest program is a dynasty. This championship is the fifth this decade. Only one other school has won more championships in a decade and that was 60 years ago. The seniors behind me have three championship rings. In talking with the coach, Blue Valley Northwest is poised to continue their excellence in the next decade!

I’d like to take a minute to introduce the seniors:

- Christian Braun – Kansas Player of the Year. He will attend the University of Kansas on a Basketball Scholarship and hopefully lead the Jayhawks to the same success he’s had in high school
- Michael Peake – will attend Sunrise Christian
- Jack Hungerford – will attend Benedictine College on a Football Scholarship
- Nathan Burger – Undecided
- Andrew Davis – University of Kansas
- Matt Chapman – William Jewell
- Mike Zammataro – Georgia Tech University

In the balcony are the other members of the team.

Please join me in congratulating the Blue Valley Northwest Huskies and their coach Ed Fritz on an outstanding season and the creation of a Kansas basketball dynasty.

Rep. Croft presented the team with a framed House certificate in honor of their achievements.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Probst are spread upon the Journal:

Colleagues, today I’d like to introduce you to a remarkable resident of Hutchinson and student of Hutchinson High School who has recently received national recognition as a Top Youth Volunteer for 2019.
In her leadership role with Communities that Care, Abbey Pemberton led a lobbying effort that persuaded the Hutchinson City Council to prohibit the use of electronic cigarettes in those places where traditional cigarettes were not allowed. She also convinced six towns in Reno County – including Hutchinson – to prohibit smoking in public parks.

Now in her senior year at Hutchinson High School, Abbey continues to offer her time and passion to improve her community – working to raise awareness among her peers about the dangers of drug use, and encouraging local leaders to develop policies that could reduce substance abuse among high school students.

Her efforts have created a tangible difference for current and future residents of Hutchinson and Reno County.

Please join me in recognizing Abbey Pemberton for her unyielding dedication, and spirit of selfless service to one’s community.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Concannon are spread upon the Journal:

As Kansans, we believe every day should be prevent child abuse day; however, April is the nationally recognized month to raise awareness and promote strategies and missions that prevent child abuse, strengthen families and empower families and youth. Each of us has a responsibility to do all we can at all times to help those who struggle. We have within our authority to lift up parenting as the most important job of any Kansan. As legislators, when any parent lacks the resources and support to be successful, we can call upon those organizations with expertise to help create paths so that all children can have a happy, healthy and productive life. When parents do well, their children will do well. I hope you will wear the pins I have given you as a reminder of this important responsibility we have to the families we represent.

Joining me is Dona Booe, President and CEO of Kansas Children's Service League and Kansas Chapter to Prevent Child Abuse America, to accept our formal recognition of April as Child Abuse Prevention Month.

Rep. Concannon encouraged everyone to wear blue on Friday and presented a House certificate to Ms. Booe in honor of her contributions.

**HOUSE RESOLUTION No. HR 6023**—

**HR 6023**—A RESOLUTION recognizing national service recognition day at the capitol.

A RESOLUTION recognizing April 2, 2019, as National Service Recognition Day at the Capitol.
WHEREAS, Service to others is a hallmark of the American character and is central to how the United States meets and overcomes challenges. Through their extensive public service commitments, community service participants demonstrate loyalty, dedication, and patriotism; and

WHEREAS, States are increasingly turning to community service and volunteerism as a cost-effective strategy to meet local needs; and

WHEREAS, Community service represents a unique public and private partnership that invests in community solutions and leverages non-federal resources to strengthen community impact and increase the return on taxpayer money. Likewise, community service expands economic opportunities by creating more sustainable, resilient communities, and by providing those who serve with educational opportunities and career and leadership skills; and

WHEREAS, The Corporation for National and Community Service (CNCS), a federal agency, shares a priority with local leaders, nationwide, to engage citizens, improve lives, and strengthen communities; and

WHEREAS, The CNCS is responsible for annually engaging approximately 300,000 AmeriCorps members and Senior Corps volunteers at over 50,000 locations across the nation, including schools, nonprofits, faith-based groups, and local agencies. These organizations are critical to the economic and social well-being of our communities; and

WHEREAS, AmeriCorps members and Senior Corps volunteers address key challenges currently facing our communities. Besides preparing students for the modern workforce, these estimable organizations are engaged in counteracting natural disasters and the opioid epidemic and in providing assistance to veteran and active-duty military families; and

WHEREAS, On April 2, 2019, the CNCS is joining with the National League of Cities, the National Association of Counties, Cities of Service, and local leaders across the country to commemorate National Service Recognition Day: Now, therefore,

Be it resolved by the House of Representatives of the State of Kansas: That we recognize April 2, 2019, as National Service Recognition Day at the Capitol; and

Be it further resolved: That the Chief Clerk of the House of Representatives shall send five enrolled copies of this resolution to Representative Kelly.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Kelly are spread upon the Journal:

Last year more than 4,800 Americans of all ages and backgrounds met local needs, strengthened communities, and expanded economic opportunity through national service in Kansas. Service members served at more than 600 locations across Kansas, including schools, food banks, homeless shelters, health clinics, youth centers, veterans facilities, and other non-profit and faith-based organizations. Through a unique public-private partnership with the Corporation for National and Community Service, more than $5.3 million in outside resources was generated from businesses, foundations, public agencies, and other sources in the last year. This local support strengthened community impact and increased the return on taxpayer dollars.
In 2018, more than 300 AmeriCorps members met pressing local needs across Kansas making a lasting impact in communities while gaining valuable skills and experience to advance their careers. AmeriCorps members serve through one of three programs: VISTA, NATIONAL CIVILIAN COMMUNITY CORP and FEMA CORP.

Senior Corps taps the skills, talents, and experience of Americans age 55 and over to meet a wide range of community challenges. Last year, more than 4,500 Kansas seniors met critical community needs while, at the same time, contributing to longer and healthier lives for themselves through one of three Senior Corps programs:

- Foster Grandparents serve one-on-one as tutors and mentors to more than 4,100 young people with exceptional needs.

- Senior Companions help more than 510 homebound seniors and other adults maintain independence in their own homes.

- RSVP volunteers renovate homes, tutor and mentor youth, respond to natural disasters, protect the environment, provide transportation to medical appointments, serve our veterans and military, deliver meals, help at food pantries, offer free tax preparation services and provide other services through more than 600 locations across Kansas.

Today, I would like to introduce the volunteers and members, from across the state, that have joined me on the floor today:

- Martha Gentry
- Luava Smith
- James McKenzie
- Carol McKenzie
- Brian Bridges
- Mary Bridges
- John Lindholm (95 years old!)
- John Thomas
- Lucille Johnson
- Colin Kingston

In addition, let’s please recognize more volunteers that are in our gallery today.

At a time when fiscal restraint is a must, National Service is a wise investment of taxpayer dollars and is good for Kansas. Please join me in thanking these Senior Corps volunteers and AmeriCorps members, who are truly making a difference in the state of Kansas.

The House met pursuant to adjournment with Speaker pro tem Finch in the chair.

The roll was called with 124 members present.

Prayer by guest chaplain, Rev. Derek Mayfield, Pastor, Celebration Community Church, Hays, and guest of Rep. Wasinger:

Father,
I thank you for today and the opportunity we have to serve and honor you. Every day you give us is a gift that we can use to fulfill the purpose you have placed in each of our lives. I pray that we don’t take that lightly, but that we understand the great privilege it is to be a child of God and fulfill your purpose in our lives.

I pray for my brothers and sisters in this room that represent our great state. Please give each one of them wisdom and discernment as they discuss important topics and issues that will govern our state and communities. May their words and actions promote justice, love and humility.

Please protect and strengthen each one of their families during these busy times, especially during times of separation. Give them energy and strength to fulfill the duties of their elected offices, but also the duties and responsibilities they have outside of the office. I thank you for their commitment to making Kansas better for all that call it home.

Most of all I thank you for the gift of your son, Jesus. That by his death and resurrection we could have freedom for eternity with you through our repentance and your forgiveness. Help us to shine your light and spread your love to those around us each and every day.

In Jesus name, amen.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Dietrich are spread upon the Journal:

It is my pleasure to introduce the players and coaches of the Washburn Rural High School Girls Basketball Team, who are the 6A State Champions for 2019. With this championship, Washburn Rural captured its 4th Girls state title in school history and its first in 10 years.

This team was recognized as the Centennial League Co-Champions, the Sub-State Champions and the 6A State Champions with a final record of 23 wins and just 2 losses. Their coach, Kevin Bordewick, said, “This is one of the hardest working groups to ever come through Washburn Rural, and that hard work earned them a state championship.” These girls have a passion for the game and can out-hustle just about everyone. Winning a state championship is amazing, but there is something so unifying about sports in its purest form.

These student athletes play because this is what they love to do. They put in the work and the time to get better because they want to…..and that’s what sports teaches you – to give it your all and never give up. It’s determination and perseverance and knowing that what you have learned on the basketball court is going to stay with you the rest of your life.

I would like to introduce you to some outstanding young women who just happen to be great athletes.

- Senior Carly Bachelor is the all-time scoring leader and all-time rebounding leader for Washburn Rural. Carly has won numerous awards including the All-City Player of the Year and is a 4-year, 3 sport athlete who will be attending Creighton University in the fall to play basketball.
- Senior Shelby Ebert is also a multi-sport athlete at Washburn Rural and has not only had an outstanding basketball career and earned several honors, but is an exceptional volleyball player and is headed to Emporia State University to play volleyball.

The girls I am about to introduce to you are also multi-sport athletes who contributed immensely to this team’s winning season.

Juniors
- Kasey Hamilton
- Riley Bagshaw
- Shelby Wichman
- Lakhota Conklin

Freshmen
- Emma Krueger
- Campbell Bagshaw
- Trenna Whitmore
- Sheriden Wichman
- Katelynn Brogan
The Head Coach of this championship basketball team is Kevin Bordewick. Coach Bordewick is also a multi-sport coach! This is the 11th State Championship that Kevin Bordewick has been a part of at Washburn Rural. He has had 7 Championships in Volleyball as head coach; 3 in Basketball as an assistant coach and 1 in Basketball as head coach. What a fabulous coaching record and dedication to our students. There is just no one like him.

His Assistant Coaches, who were with him every step of the way, are Taylor Dunham and Alexandra Wampfler. Also with us today is Athletic Director, Penny Lane and Auburn-Washburn Superintendent, Dr. Scott McWilliams. I would also like to recognize the Girls Basketball Team Assistant Managers and family members who are in our gallery today. Colleagues, please join me in congratulating the Girls 6A State Basketball Championship Team from Washburn Rural High School.

Rep. Dietrich presented a framed House certificate to Coach Bordewick in honor of their championship.

Sec. 12. K.S.A. 72-5153 is hereby amended to read as follows: 72-5153. (a) There is hereby established in every school district an at-risk education fund, which shall consist of all moneys deposited therein or transferred thereto according to law. The expenses of a school district directly attributable to providing at-risk student assistance or programs shall be paid from the at-risk education fund.

(b) Any balance remaining in the at-risk education fund at the end of the budget year shall be carried forward into the at-risk education fund for succeeding budget years. Such fund shall not be subject to the provisions of K.S.A. 79-2925 through 79-2937, and amendments thereto. In preparing the budget of such school district, the amounts credited to and the amount on hand in the at-risk education fund, and the amount expended therefrom shall be included in the annual budget for the information of the residents of the school district. Interest earned on the investment of moneys in any such fund shall be credited to that fund.

(c) Commencing in school year 2018-2019, expenditures from the at-risk education fund of a school district shall only be made for the following purposes:
(1) At-risk educational programs based on best practices identified pursuant to subsection (d);
(2) Personnel providing educational services in conjunction with such programs; or
(3) Services contracted for by the school district to provide at-risk educational programs based on best practices identified pursuant to subsection (d).

(d) (1) On or before July 1, 2018, the state board shall identify and approve evidence-based best practices for at-risk programs and instruction of students receiving at-risk program services. On and after July 1, 2019, such best practices shall include, but not be limited to, programs and services provided by state-based national nonprofit organizations that:
(A) Focus on students who are identified as students eligible to receive at-risk program services or who face other identifiable barriers to success;
(B) Provide evidence-based instruction and support services to such students inside and outside the school setting; and
(C) Evaluate outcomes data for students, including, but not limited to, school attendance, academic progress, graduation rates, pursuit of postsecondary education or
career advancement.

(2) The state board shall review and update such best practices as necessary and as part of its five-year accreditation system review process.

(e) Each year the board of education of each school district shall prepare and submit to the state board a report on the assistance or programs provided by the school district for students identified as at-risk eligible to receive at-risk program services. Such report shall include the number of students identified as at-risk eligible to receive at-risk program services who were served or provided assistance, the type of service provided, the research upon which the school district relied in determining that a need for service or assistance existed, the results of providing such service or assistance and any other information required by the state board.

(f) In order to achieve uniform reporting of the number of students provided service or assistance by school districts in at-risk student programs, school districts shall report the number of students served or assisted in the manner required by the state board.

(g) As used in this section, the term "evidence-based instruction" means an education delivery system based on peer-reviewed research that consistently produces better student outcomes over a five-year period than would otherwise be achieved by the same students who are receiving at-risk program services.

EXPLANATIONS OF VOTE

MR. SPEAKER: I cannot support a plan that is fundamentally flawed and fiscally irresponsible. Kansans deserve real solutions and responsible management of their resources.

We’ve heard a lot of complaints in this chamber over the years about something called the glide-path to zero. Make no mistake, this bill is a glide path to BELOW ZERO. A path that will lead our state into bankruptcy. I will be voting no on SB 16. – DANIEL R. HAWKINS, CHARLOTTE ESAU

MR. SPEAKER: I vote no on SB 16. The work that has been started for mental health should remain a priority in the education of our children and the well being of their families. The success in just a few short months is beyond impressive. Lives have been
improved and literally saved. Families, schools and five mental health agencies have worked together to heal and protect children.

It is a sad day in Kansas when satisfying trial lawyers and lawsuits is more important than funding a program to save our children.  – BRENDA K. LANDWEHR

MR. SPEAKER: I vote no on SB 16. I cannot vote for an education funding bill that will create, once again, one of the highest tax increases ever. The third tax increase ordered by the Kansas Supreme Court while I have been in office.

Our fiscal forecast shows us soon underwater, yet we say nothing about this when it comes to racking up over a quarter billion dollars in new spending. We vote like we have no care in future fiscal solvency of this state, since that now rests in the hands of the Kansas Supreme Court and no longer in the hands of the Kansas Legislature.

How much will the text books cost us that makes that change in teaching how the 3 branches of our government operate?  – ERIC L. SMITH, TREvor JACOBS

MR. SPEAKER: I vote no on SB 16. Today, the Kansas House of Representatives chose to increase school budgets in lieu of ending the crisis within DCF, in lieu of ending the 8-year wait list for disabled Kansans, in lieu of ending State of Emergency in our prison system. Instead of taking a stand for our constitutional responsibility to appropriate, this body chose to fold. At what point is the body going to stand up and Legislature for what is right for Kansas instead of Legislating for re-election? You know the saying, one man's junk is another man's treasure? Well one agency's inflation adjustment is life saving money for another.  – STEPHEN OWENS, LEO G. DELPERDANG

MR. SPEAKER: The Governor herself has stated the only way to pay for this plan in the out years is to reamortize KPERS. There are a number of current and retired public employees in my district and they deserve better than to have their retirement endangered in order to pay off a group of trial attorneys. I vote no on SB 16.  – KEN CORBET, RON HIGHLAND, JOHN TOPLIKAR

MR. SPEAKER: I vote NO on House Substitute for Senate Bill 16. In 2017, I voted for SB 19, and in 2018, I voted for SB 423 & SB 61, which added over $850 million in FY 2023. It has been made clear that the State of Kansas cannot fund H Sub for SB 16 in the out years. I do want this litigation to end, but it’s clear that the Supreme Court does not. I’ve learned from my last two votes that the Supreme Court just keeps moving the goal post. I was elected to be a problem solver, not one to wave a white flag. This is simply irresponsible spending.  – TORY MARIE ARNBERGER

MR. SPEAKER: Ensuring schools spend their money first on teachers and classrooms to raise student achievement should be priority #1. Beautiful facilities and extra-curricular activities should be secondary to the needs of students the Supreme Court says we are failing. According to KSDE, “without the important foundation of the classroom, the whole education system is doomed to failure.” In addition, including an automatic CPI-U increase is irresponsible and unbalanced policy that will lead to other functions of government left to suffer. Mr. Speaker, I vote no on House Substitute SB 16.  – KRISTEN WILLIAMS

MR. SPEAKER: I proudly vote “yes” on SB 16. Today’s vote exemplifies our State motto: #AdAstraPerAspera. For those opposed, we hear you. Let’s work in earnest to
improve student outcomes. For those in support, please LISTEN closely to opponents. For our learned Justices, SB16 is our sincere effort to comply with our Constitution. Please honor our branch’s role in governing the State’s purse; otherwise a constitutional storm is brewing. For our educators, today’s majority trusts your local leadership and control. Please prove us right. For my fellow Kansans: Republicans DO support public education. But have valid concerns often ignored. Today is a proud day for Kansas and her kids. – Mark Samsel

Mr. Speaker: I vote no on SB 16. We’ve seen several K-12 funding plans this session that I could’ve supported resoundingly and voted an enthusiastic YES. Bills that responded specifically to address the Court’s concerns. Bills that targeted money to special-ed and the lowest performing students. Bills that included remedies for bullied students and those suffering emotionally. Bills that will not bankrupt our state in three years. Bills with accountability. I wanted to vote for those. I’ve the greatest desire for litigation to be over. I have the greatest desire for K-12 schools to be well-funded and for students to excel. I don’t believe SB 16 will do either. – Susan Humphries, Kyle D. Hoffman, Barb Wasinger

Mr. Speaker: I am voting “No” on SB 16 because I have said to my constituents, now is the time to draw a line in the sand. The ransom that the KNEA and the Kansas Supreme Court demands of this body must end. I will vote for no more increases in education funding until we have accountability of the funding already allocated and when I see some necessary changes in school operations to move our children forward in life; not stuck in mediocrity. SB 16 was a great start to education reform but not now to pay another four years of ransom. – David W. French

Mr. Speaker: I vote NO on House Sub for SB 16. Funding public education is important to this state and citizens. But so is properly funding our public safety net programs, our prison system, roads and mental health. Guaranteeing hundreds of millions of dollars in perpetual increases in K-12 spending is asking for a budget crisis. Further, spending without accountability betrays taxpayers. I would have supported the original House Bill with it's targeted spending, genuine educational reforms and certification of money going to the classroom. The bill we have before us today has none of this. It is thus, not in the long-term best interest of my district or our state. – Paul Waggoner, Bill Rhiley Sr.

Creator God,
thank You for the blessing of this day.
Thank you for all the skills you have given our leaders
to accomplish what they have worked on this session.
As Kansans, we are very thankful and express our gratitude to them.
They still have work to do and opportunities await them
to continue to work on our behalf.
Continue to give them a spirit of unity and collaboration
even in the midst of some very difficult issues.
As they take this break before the veto session,
be with them as they meet with their
respective constituents and grant them the
gifts of wisdom and discernment
as they listen to the voices of the people.
And please remind all of us often what You expect of us--
to act justly, love mercy, and walk humbly with You.
In Christ’s Name I pray, Amen.

(C) such person has been deemed a habitual violator as defined in K.S.A. 8-285, and amendments thereto, including at least one violation of K.S.A. 8-1567, and amendments thereto, or violating an ordinance of any city in this state, any resolution of any county in this state or any law of another state, which ordinance, resolution or law declares to be unlawful the acts prohibited by that statute.

(b) Involuntary manslaughter as defined in:

(A) Severity level 5, person felony, except as provided in subsection (b)(1)(B); and

(B) severity level 3, person felony, if the victim is under the age of six years;

(2) subsection (a)(3) is a severity level 4, person felony; and

(3) subsection (a)(5) is a severity level 3, person felony.

Sec. 6. On and after July 1, 2019, K.S.A. 2018 Supp. 21-5602 is hereby amended to read as follows: 21-5602. (a) Abuse of a child is knowingly:

(1) Torturing or cruelly beating any child under the age of 18 years;

(2) shaking any child under the age of 18 years which results in great bodily harm to the child; or

(3) inflicting cruel and inhuman corporal punishment upon any child under the age of 18 years.

(b) Abuse of a child is a;

Sec. 7. On and after July 1, 2019, K.S.A. 2018 Supp. 21-6815 is hereby amended to read as follows: 21-6815. (a) Except as provided in subsection (b), the sentencing judge shall impose the presumptive sentence provided by the sentencing guidelines unless the judge finds substantial and compelling reasons to impose a departure sentence. If the sentencing judge deems the sentence the judge shall state on the record at the time of sentencing the substantial and compelling reasons for the departure.

(b) Subject to the provisions of K.S.A. 2018 Supp. 21-6817(b), and amendments thereto, any fact that would increase the penalty for a crime beyond the statutory maximum, other than a prior conviction, shall be submitted to a jury and proved beyond a reasonable doubt.

(c) (1) Subject to the provisions of subsections (c)(3) and (e), the following
nonexclusive list of mitigating factors may be considered in determining whether substantial and compelling reasons for a departure exist:

(A) The victim was an aggressor or participant in the criminal conduct associated with the crime of conviction, except that this factor shall not apply to a sexually violent crime as defined in K.S.A. 22-3717, and amendments thereto, or electronic solicitation as defined in K.S.A. 2018 Supp. 21-5509, and amendments thereto, when: (i) The victim is less than 14 years of age and the offender is 18 or more years of age; or (ii) the offender hires any person by giving, or offering to or agreeing to give, anything of value to the person to engage in an unlawful sex act.

(B) The offender played a minor or passive role in the crime or participated under circumstances of duress or compulsion. This factor may be considered when it is not sufficient as a complete defense.

(C) The offender, because of physical or mental impairment, lacked substantial capacity for judgment when the offense was committed. The voluntary use of intoxicants, drugs or alcohol does not fall within the purview of this factor.

(D) The defendant, or the defendant's children, suffered a continuing pattern of physical or sexual abuse by the victim of the offense and the offense is a response to that abuse.

(E) The degree of harm or loss attributed to the current crime of conviction was significantly less than typical for such an offense.

(F) The offender committed such crime as a result of an injury, including major depressive disorder, polytrauma, post-traumatic stress disorder or traumatic brain injury, connected to service in a combat zone, as defined in section 112 of the federal internal revenue code of 1986, in the armed forces of the United States of America. As used in this subsection, "major depressive disorder," "polytrauma," "post-traumatic stress disorder" and "traumatic brain injury" shall mean the same as such terms are defined in K.S.A. 2018 Supp. 21-6630, and amendments thereto.

(2) Subject to the provisions of subsection (c)(3), the following nonexclusive list of aggravating factors may be considered in determining whether substantial and compelling reasons for departure exist:

(A) The victim was particularly vulnerable due to age, infirmity, or reduced physical or mental capacity which was known or should have been known to the offender.

(B) The defendant's conduct during the commission of the current offense manifested excessive brutality to the victim in a manner not normally present in that offense.

(C) The offense was motivated entirely or in part by the race, color, religion, ethnicity, national origin or sexual orientation of the victim or the offense was motivated by the defendant's belief or perception, entirely or in part, of the race, color, religion, ethnicity, national origin or sexual orientation of the victim whether or not the defendant's belief or perception was correct.

(D) The offense involved a fiduciary relationship which existed between the defendant and the victim.

(E) The defendant, 18 or more years of age, employed, hired, used, persuaded, induced, enticed or coerced any individual under 16 years of age to:

(i) Commit any person felony;

(ii) assist in avoiding detection or apprehension for commission of any person
felony; or
   (iii) attempt, conspire or solicit, as defined in K.S.A. 2018 Supp. 21-5301, 21-5302 and 21-5303, and amendments thereto, to commit any person felony.

That the defendant did not know the age of the individual under 16 years of age shall not be a consideration.

(F) The defendant's current crime of conviction is a crime of extreme sexual violence and the defendant is a predatory sex offender. As used in this subsection:
   (i) "Crime of extreme sexual violence" is a felony limited to the following:
       (a) A crime involving a nonconsensual act of sexual intercourse or sodomy with any person;
       (b) a crime involving an act of sexual intercourse, sodomy or lewd fondling and touching with any child who is 14 or more years of age but less than 16 years of age and with whom a relationship has been established or promoted for the primary purpose of victimization;
       (c) a crime involving an act of sexual intercourse, sodomy or lewd fondling and touching with any child who is less than 14 years of age;
       (d) aggravated human trafficking, as defined in K.S.A. 2018 Supp. 21-5426(b), and amendments thereto, if the victim is less than 14 years of age; or
       (e) commercial sexual exploitation of a child, as defined in K.S.A. 2018 Supp. 21-6422, and amendments thereto, if the victim is less than 14 years of age.
   (ii) "Predatory sex offender" is an offender who has been convicted of a crime of extreme sexual violence as the current crime of conviction and who:
       (a) Has one or more prior convictions of any crimes of extreme sexual violence. Any prior conviction used to establish the defendant as a predatory sex offender pursuant to this subsection shall also be counted in determining the criminal history category; or
       (b) suffers from a mental condition or personality disorder which makes the offender likely to engage in additional acts constituting crimes of extreme sexual violence.
   (iii) "Mental condition or personality disorder" means an emotional, mental or physical illness, disease, abnormality, disorder, pathology or condition which motivates the person, affects the predisposition or desires of the person, or interferes with the capacity of the person to control impulses to commit crimes of extreme sexual violence.

(G) The defendant was incarcerated during the commission of the offense.

(H) The crime involved two or more participants in the criminal conduct, and the defendant played a major role in the crime as the organizer, leader, recruiter, manager or supervisor.

In determining whether aggravating factors exist as provided in this section, the court shall review the victim impact statement.

(3) If a factual aspect of a crime is a statutory element of the crime or is used to subclassify the crime on the crime severity scale, that aspect of the current crime of conviction may be used as an aggravating or mitigating factor only if the criminal conduct constituting that aspect of the current crime of conviction is significantly different from the usual criminal conduct captured by the aspect of the crime.

(d) In determining aggravating or mitigating circumstances, the court shall consider:
   (1) Any evidence received during the proceeding;
(2) the presentence report;
(3) written briefs and oral arguments of either the state or counsel for the defendant; and
(4) any other evidence relevant to such aggravating or mitigating circumstances that the court finds trustworthy and reliable.
(e) Upon motion of the prosecutor stating that the defendant has provided substantial assistance in the investigation or prosecution of another person who is alleged to have committed an offense, the court may consider such mitigation in determining whether substantial and compelling reasons for a departure exist. In considering this mitigating factor, the court may consider the following:
(1) The court's evaluation of the significance and usefulness of the defendant's assistance, taking into consideration the prosecutor's evaluation of the assistance rendered;
(2) the truthfulness, completeness and reliability of any information or testimony provided by the defendant;
(3) the nature and extent of the defendant's assistance;
(4) any injury suffered, or any danger or risk of injury to the defendant or the defendant's family resulting from such assistance; and
(5) the timeliness of the defendant's assistance.
Sec. 8. On and after July 1, 2019, K.S.A. 2018 Supp. 21-6604 is hereby amended to read as follows: 21-6604. (a) Whenever any person has been found guilty of a crime, the court may adjudge any of the following:
(1) Commit the defendant to the custody of the secretary of corrections if the current crime of conviction is a felony and the sentence presumes imprisonment, or the sentence imposed is a dispositional departure to imprisonment; or, if confinement is for a misdemeanor, to jail for the term provided by law;
(2) impose the fine applicable to the offense and may impose the provisions of subsection (q);
(3) release the defendant on probation if the current crime of conviction and criminal history fall within a presumptive nonprison category or through a departure for substantial and compelling reasons subject to such conditions as the court may deem appropriate. In felony cases except for violations of K.S.A. 8-1567 or 8-2,144, and amendments thereto, the court may include confinement in a county jail not to exceed 60 days, which need not be served consecutively, as a condition of an original probation sentence;
(4) assign the defendant to a community correctional services program as provided in K.S.A. 75-5291, and amendments thereto, or through a departure for substantial and compelling reasons subject to such conditions as the court may deem appropriate, including orders requiring full or partial restitution;
(5) assign the defendant to a conservation camp for a period not to exceed six months as a condition of probation followed by a six-month period of follow-up through adult intensive supervision by a community correctional services program, if the offender successfully completes the conservation camp program;
(6) assign the defendant to a house arrest program pursuant to K.S.A. 2018 Supp. 21-6609, and amendments thereto;
(7) order the defendant to attend and satisfactorily complete an alcohol or drug education or training program as provided by K.S.A. 2018 Supp. 21-6602(c), and
amendments thereto;

(8) order the defendant to repay the amount of any reward paid by any crime stoppers chapter, individual, corporation or public entity which that materially aided in the apprehension or conviction of the defendant; repay the amount of any costs and expenses incurred by any law enforcement agency in the apprehension of the defendant, if one of the current crimes of conviction of the defendant includes escape from custody or aggravated escape from custody, as defined in K.S.A. 2018 Supp. 21-5911, and amendments thereto; repay expenses incurred by a fire district, fire department or fire company responding to a fire which that has been determined to be arson or aggravated arson as defined in K.S.A. 2018 Supp. 21-5812, and amendments thereto, if the defendant is convicted of such crime; repay the amount of any public funds utilized by a law enforcement agency to purchase controlled substances from the defendant during the investigation which that leads to the defendant's conviction; or repay the amount of any medical costs and expenses incurred by any law enforcement agency or county. Such repayment of the amount of any such costs and expenses incurred by a county, law enforcement agency, fire district, fire department or fire company or any public funds utilized by a law enforcement agency shall be deposited and credited to the same fund from which the public funds were credited to prior to use by the county, law enforcement agency, fire district, fire department or fire company;

(9) order the defendant to pay the administrative fee authorized by K.S.A. 22-4529, and amendments thereto, unless waived by the court;

(10) order the defendant to pay a domestic violence special program fee authorized by K.S.A. 20-369, and amendments thereto;

(11) if the defendant is convicted of a misdemeanor or convicted of a felony specified in K.S.A. 2018 Supp. 21-6804(i), and amendments thereto, assign the defendant to work release program, other than a program at a correctional institution under the control of the secretary of corrections as defined in K.S.A. 75-5202, and amendments thereto, provided such work release program requires such defendant to return to confinement at the end of each day in the work release program. On a second or subsequent conviction of K.S.A. 8-1567, and amendments thereto, an offender placed into a work release program shall serve the total number of hours of confinement mandated by that section;

(12) order the defendant to pay the full amount of unpaid costs associated with the conditions of release of the appearance bond under K.S.A. 22-2802, and amendments thereto;

(13) impose any appropriate combination of (1), (2), (3), (4), (5), (6), (7), (8), (9), (10), (11) and (12); or

(14) suspend imposition of sentence in misdemeanor cases.

(b) (1) In addition to or in lieu of any of the above, the court shall order the defendant to pay restitution, which shall include, but not be limited to, damage or loss caused by the defendant's crime, unless the court finds compelling circumstances which that would render a plan of restitution unworkable. In regard to a violation of K.S.A. 2018 Supp. 21-6107, and amendments thereto, such damage or loss shall include, but not be limited to, attorney fees and costs incurred to repair the credit history or rating of the person whose personal identification documents were obtained and used in violation of such section, and to satisfy a debt, lien or other obligation incurred by the person whose personal identification documents were obtained and used in violation of such
section. In regard to a violation of K.S.A. 2018 Supp. 21-5801, 21-5807 or 21-5813, and amendments thereto, such damage or loss shall include the cost of repair or replacement of the property that was damaged, the reasonable cost of any loss of production, crops and livestock, reasonable labor costs of any kind, reasonable material costs of any kind and any reasonable costs that are attributed to equipment that is used to abate or repair the damage to the property. If the court finds a plan of restitution unworkable, the court shall state on the record in detail the reasons therefor.

(2) If the court orders restitution, the restitution shall be a judgment against the defendant, which may be collected by the court by garnishment or other execution as on judgments in civil cases. If, after 60 days from the date restitution is ordered by the court, a defendant is found to be in noncompliance with the plan established by the court for payment of restitution, and the victim to whom restitution is ordered paid has not initiated proceedings in accordance with K.S.A. 60-4301 et seq., and amendments thereto, the court shall assign an agent procured by the attorney general pursuant to K.S.A. 75-719, and amendments thereto, to collect the restitution on behalf of the victim. The chief judge of each judicial district may assign such cases to an appropriate division of the court for the conduct of civil collection proceedings.

(c) In addition to or in lieu of any of the above, the court shall order the defendant to submit to and complete an alcohol and drug evaluation, and pay a fee therefor, when required by K.S.A. 2018 Supp. 21-6602(d), and amendments thereto.

(d) In addition to any of the above, the court shall order the defendant to reimburse the county general fund for all or a part of the expenditures by the county to provide counsel and other defense services to the defendant. Any such reimbursement to the county shall be paid only after any order for restitution has been paid in full. In determining the amount and method of payment of such sum, the court shall take account of the financial resources of the defendant and the nature of the burden that payment of such sum will impose. A defendant who has been required to pay such sum and who is not willfully in default in the payment thereof may at any time petition the court which sentenced the defendant to waive payment of such sum or any unpaid portion thereof. If it appears to the satisfaction of the court that payment of the amount due will impose manifest hardship on the defendant or the defendant's immediate family, the court may waive payment of all or part of the amount due or modify the method of payment.

(e) In releasing a defendant on probation, the court shall direct that the defendant be under the supervision of a court services officer. If the court commits the defendant to the custody of the secretary of corrections or to jail, the court may specify in its order the amount of restitution to be paid and the person to whom it shall be paid if restitution is later ordered as a condition of parole, conditional release or postrelease supervision.

(f) (1) When a new felony is committed while the offender is incarcerated and serving a sentence for a felony, or while the offender is on probation, assignment to a community correctional services program, parole, conditional release or postrelease supervision for a felony, a new sentence shall be imposed consecutively pursuant to the provisions of K.S.A. 2018 Supp. 21-6606, and amendments thereto, and the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(2) When a new felony is committed during a period of time during which...
the defendant would have been on probation, assignment to a community correctional services program, parole, conditional release or postrelease supervision for a felony had the defendant not been granted release by the court pursuant to K.S.A. 2018 Supp. 21-6608(d), and amendments thereto, or the prisoner review board pursuant to K.S.A. 22-3717, and amendments thereto, the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(3) When a new felony is committed while the offender is incarcerated in a juvenile correctional facility pursuant to K.S.A. 38-1671, prior to its repeal, or K.S.A. 2018 Supp. 38-2373, and amendments thereto, for an offense, which if committed by an adult would constitute the commission of a felony, upon conviction, the court shall sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure. The conviction shall operate as a full and complete discharge from any obligations, except for an order of restitution, imposed on the offender arising from the offense for which the offender was committed to a juvenile correctional facility.

(4) When a new felony is committed while the offender is on release for a felony pursuant to the provisions of article 28 of chapter 22 of the Kansas Statutes Annotated, and amendments thereto, or similar provisions of the laws of another jurisdiction, a new sentence may be imposed consecutively pursuant to the provisions of K.S.A. 2018 Supp. 21-6606, and amendments thereto, and the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(g) Prior to imposing a dispositional departure for a defendant whose offense is classified in the presumptive nonprison grid block of either sentencing guideline grid, prior to sentencing a defendant to incarceration whose offense is classified in grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes, in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, or in grid blocks 4-E, 4-F, 4-G, 4-H or 4-I of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, prior to sentencing a defendant to incarceration whose offense is classified in grid blocks 4-E or 4-F of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, or in grid blocks 5-C, 5-D, 5-E or 5-F of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, and whose offense does not meet the requirements of K.S.A. 2018 Supp. 21-6824, and amendments thereto, prior to revocation of a nonprison sanction of a defendant whose offense is classified in grid blocks 4-E or 4-F of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, or in grid blocks 5-C, 5-D, 5-E or 5-F of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, and whose offense does not meet the requirements of K.S.A. 2018 Supp. 21-6824, and amendments thereto, or prior to revocation of a nonprison sanction of a defendant whose offense is classified in the presumptive nonprison grid block of either sentencing guideline grid or grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes, in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012,
or in grid blocks 4-E, 4-F, 4-G, 4-H or 4-I of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, the court shall consider placement of the defendant in the Labette correctional conservation camp, conservation camps established by the secretary of corrections pursuant to K.S.A. 75-52,127, and amendments thereto, or a community intermediate sanction center. Pursuant to this subsection the defendant shall not be sentenced to imprisonment if space is available in a conservation camp or community intermediate sanction center and the defendant meets all of the conservation camp's or community intermediate sanction center's placement criteria unless the court states on the record the reasons for not placing the defendant in a conservation camp or community intermediate sanction center.

(h) In committing a defendant to the custody of the secretary of corrections, the court shall fix a term of confinement within the limits provided by law. In those cases where the law does not fix a term of confinement for the crime for which the defendant was convicted, the court shall fix the term of such confinement.

(i) In addition to any of the above, the court shall order the defendant to reimburse the state general fund for all or part of the expenditures by the state board of indigents' defense services to provide counsel and other defense services to the defendant. In determining the amount and method of payment of such sum, the court shall take account of the financial resources of the defendant and the nature of the burden that payment of such sum will impose. A defendant who has been required to pay such sum and who is not willfully in default in the payment thereof may at any time petition the court which sentenced the defendant to waive payment of such sum or any unpaid portion thereof. If it appears to the satisfaction of the court that payment of the amount due will impose manifest hardship on the defendant or the defendant's immediate family, the court may waive payment of all or part of the amount due or modify the method of payment. The amount of attorney fees to be included in the court order for reimbursement shall be the amount claimed by appointed counsel on the payment voucher for indigents' defense services or the amount prescribed by the board of indigents' defense services reimbursement tables as provided in K.S.A. 22-4522, and amendments thereto, whichever is less.

(j) This section shall not deprive the court of any authority conferred by any other Kansas statute to decree a forfeiture of property, suspend or cancel a license, remove a person from office or impose any other civil penalty as a result of conviction of crime.

(k) An application for or acceptance of probation or assignment to a community correctional services program shall not constitute an acquiescence in the judgment for purpose of appeal, and any convicted person may appeal from such conviction, as provided by law, without regard to whether such person has applied for probation, suspended sentence or assignment to a community correctional services program.

(l) The secretary of corrections is authorized to make direct placement to the Labette correctional conservation camp or a conservation camp established by the secretary pursuant to K.S.A. 75-52,127, and amendments thereto, of an inmate sentenced to the secretary's custody if the inmate:

1) Has been sentenced to the secretary for a probation revocation, as a departure from the presumptive nonimprisonment grid block of either sentencing grid, for an offense which is classified in grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes, in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, in grid
blocks 4-E, 4-F, 4-G, 4-H or 4-I of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, or for an offense which is classified in grid blocks 4-E or 4-F of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, or in grid blocks 5-C, 5-D, 5-E or 5-F of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, and such offense does not meet the requirements of K.S.A. 2018 Supp. 21-6824, and amendments thereto; and

(2) otherwise meets admission criteria of the camp.

If the inmate successfully completes a conservation camp program, the secretary of corrections shall report such completion to the sentencing court and the county or district attorney. The inmate shall then be assigned by the court to six months of follow-up supervision conducted by the appropriate community corrections services program. The court may also order that supervision continue thereafter for the length of time authorized by K.S.A. 2018 Supp. 21-6608, and amendments thereto.

(m) When it is provided by law that a person shall be sentenced pursuant to K.S.A. 1993 Supp. 21-4628, prior to its repeal, the provisions of this section shall not apply.

(n) (1) Except as provided by K.S.A. 2018 Supp. 21-6630 and 21-6805(f), and amendments thereto, in addition to any of the above, for felony violations of K.S.A. 2018 Supp. 21-5706, and amendments thereto, the court shall require the defendant who meets the requirements established in K.S.A. 2018 Supp. 21-6824, and amendments thereto, to participate in a certified drug abuse treatment program, as provided in K.S.A. 2018 Supp. 75-52,144, and amendments thereto, including, but not limited to, an approved after-care plan. The amount of time spent participating in such program shall not be credited as service on the underlying prison sentence.

(2) If the defendant fails to participate in or has a pattern of intentional conduct that demonstrates the defendant's refusal to comply with or participate in the treatment program, as established by judicial finding, the defendant shall be subject to sanction or revocation pursuant to the provisions of K.S.A. 22-3716, and amendments thereto. If the defendant's probation is revoked, the defendant shall serve the underlying prison sentence as established in K.S.A. 2018 Supp. 21-6805, and amendments thereto.

(A) Except as provided in subsection (n)(2)(B), for those offenders who are convicted on or after July 1, 2003, but prior to July 1, 2013, upon completion of the underlying prison sentence, the offender shall not be subject to a period of postrelease supervision.

(B) Offenders whose crime of conviction was committed on or after July 1, 2013, and whose probation is revoked pursuant to K.S.A. 22-3716(c), and amendments thereto, or whose underlying prison term expires while serving a sanction pursuant to K.S.A. 22-3716(c)(1)(C) or (c)(1)(D), and amendments thereto, shall serve a period of postrelease supervision upon the completion of the underlying prison term.

(o) (1) Except as provided in paragraph (3), in addition to any other penalty or disposition imposed by law, upon a conviction for unlawful possession of a controlled substance or controlled substance analog in violation of K.S.A. 2018 Supp. 21-5706, and amendments thereto, in which the trier of fact makes a finding that the unlawful possession occurred while transporting the controlled substance or controlled substance analog in any vehicle upon a highway or street, the offender's driver's license or privilege to operate a motor vehicle on the streets and highways of this state shall be suspended for one year.

(2) Upon suspension of a license pursuant to this subsection, the court shall require
the person to surrender the license to the court, which shall transmit the license to the division of motor vehicles of the department of revenue, to be retained until the period of suspension expires. At that time, the licensee may apply to the division for return of the license. If the license has expired, the person may apply for a new license, which shall be issued promptly upon payment of the proper fee and satisfaction of other conditions established by law for obtaining a license unless another suspension or revocation of the person's privilege to operate a motor vehicle is in effect.

(3) (A) In lieu of suspending the driver's license or privilege to operate a motor vehicle on the highways of this state of any person as provided in paragraph (1), the judge of the court in which such person was convicted may enter an order which places conditions on such person's privilege of operating a motor vehicle on the highways of this state, a certified copy of which such person shall be required to carry any time such person is operating a motor vehicle on the highways of this state. Any such order shall prescribe the duration of the conditions imposed, which in no event shall be for a period of more than one year.

(B) Upon entering an order restricting a person's license hereunder, the judge shall require such person to surrender such person's driver's license to the judge who shall cause it to be transmitted to the division of vehicles, together with a copy of the order. Upon receipt thereof, the division of vehicles shall issue without charge a driver's license, which shall indicate on its face that conditions have been imposed on such person's privilege of operating a motor vehicle and that a certified copy of the order imposing such conditions is required to be carried by the person for whom the license was issued any time such person is operating a motor vehicle on the highways of this state. If the person convicted is a nonresident, the judge shall cause a copy of the order to be transmitted to the division and the division shall forward a copy of it to the motor vehicle administrator of such person's state of residence. Such judge shall furnish to any person whose driver's license has had conditions imposed on it under this paragraph a copy of the order, which shall be recognized as a valid Kansas driver's license until such time as the division shall issue the restricted license provided for in this paragraph.

(C) Upon expiration of the period of time for which conditions are imposed pursuant to this subsection, the licensee may apply to the division for the return of the license previously surrendered by such licensee. In the event such license has expired, such person may apply to the division for a new license, which shall be issued immediately by the division upon payment of the proper fee and satisfaction of the other conditions established by law, unless such person's privilege to operate a motor vehicle on the highways of this state has been suspended or revoked prior thereto. If any person shall violate any of the conditions imposed under this paragraph, such person's driver's license or privilege to operate a motor vehicle on the highways of this state shall be revoked for a period of not less than 60 days nor more than one year by the judge of the court in which such person is convicted of violating such conditions.

(4) As used in this subsection, "highway" and "street" mean the same as in K.S.A. 8-1424 and 8-1473, and amendments thereto.

(p) In addition to any of the above, for any criminal offense that includes the domestic violence designation pursuant to K.S.A. 2018 Supp. 22-4616, and amendments thereto, the court shall require the defendant to: (1) Undergo a domestic violence offender assessment conducted by a certified batterer intervention program; and (2) follow all recommendations made by such program, unless otherwise ordered.
by the court or the department of corrections. The court may order a domestic violence offender assessment and any other evaluation prior to sentencing if the assessment or evaluation would assist the court in determining an appropriate sentence. The entity completing the assessment or evaluation shall provide the assessment or evaluation and recommendations to the court and the court shall provide the domestic violence offender assessment to any entity responsible for supervising such defendant. A defendant ordered to undergo a domestic violence offender assessment shall be required to pay for the assessment and, unless otherwise ordered by the court or the department of corrections, for completion of all recommendations.

(q) In imposing a fine, the court may authorize the payment thereof in installments. In lieu of payment of any fine imposed, the court may order that the person perform community service specified by the court. The person shall receive a credit on the fine imposed in an amount equal to $5 for each full hour spent by the person in the specified community service. The community service ordered by the court shall be required to be performed by the later of one year after the fine is imposed or one year after release from imprisonment or jail, or by an earlier date specified by the court. If by the required date the person performs an insufficient amount of community service to reduce to zero the portion of the fine required to be paid by the person, the remaining balance shall become due on that date. If conditional reduction of any fine is rescinded by the court for any reason, then pursuant to the court's order the person may be ordered to perform community service by one year after the date of such rescission or by an earlier date specified by the court. If by the required date the person performs an insufficient amount of community service to reduce to zero the portion of the fine required to be paid by the person, the remaining balance of the fine shall become due on that date. All credits for community service shall be subject to review and approval by the court.

(r) In addition to any other penalty or disposition imposed by law, for any defendant sentenced to imprisonment pursuant to K.S.A. 21-4643, prior to its repeal, or K.S.A. 2018 Supp. 21-6627, and amendments thereto, for crimes committed on or after July 1, 2006, the court shall order that the defendant be electronically monitored upon release from imprisonment for the duration of the defendant's natural life and that the defendant shall reimburse the state for all or part of the cost of such monitoring as determined by the prisoner review board.

(s) Whenever the court has released the defendant on probation pursuant to subsection (a)(3), the defendant's supervising court services officer, with the concurrence of the chief court services officer, may impose the violation sanctions as provided in K.S.A. 22-3716(c)(1)(B), and amendments thereto, without further order of the court, unless: (1) The court has specifically withheld this authority in its sentencing order; or

(2) the defendant, after being apprised of the right to a revocation hearing before the court pursuant to K.S.A. 22-3716(b), and amendments thereto, refuses to waive such right.

(t) Whenever the court has assigned the defendant to a community correctional services program pursuant to subsection (a)(4), the defendant's community corrections officer, with the concurrence of the community corrections director, may impose the violation sanctions as provided in K.S.A. 22-3716(c)(1)(B), and amendments thereto, without further order of the court unless:

(1) The court has specifically withheld this authority in its sentencing order; or
(2)—the defendant, after being apprised of the right to a revocation hearing before the court pursuant to K.S.A. 22-3716(b), and amendments thereto, refuses to waive such right.

(u) In addition to any of the above, the court shall authorize an additional 18 days of confinement in a county jail to be reserved for sanctions as set forth in K.S.A. 22-3716(b)(3)(B), (b)(4) or (c)(1)(B), and amendments thereto.

Sec. 9. On and after July 1, 2019, K.S.A. 2018 Supp. 21-6824 is hereby amended to read as follows: 21-6824. (b) As a part of the presentence investigation pursuant to K.S.A. 2018 Supp. 21-6813, and amendments thereto, offenders who meet the requirements of subsection (a), unless otherwise specifically ordered by the court, shall be subject to:

(1) A drug abuse assessment which shall include a clinical interview with a mental health professional and a recommendation concerning drug abuse treatment for the offender; and

(2) a criminal risk-need assessment. The criminal risk-need assessment shall assign a high or low risk status to the offender.

(c) If the offender is assigned a high risk status as determined by the drug abuse assessment performed pursuant to subsection (b)(1) and a moderate or high risk status as determined by the criminal risk-need assessment performed pursuant to subsection (b)(2), the sentencing court shall commit the offender to treatment in a drug abuse treatment program until the court determines the offender is suitable for discharge by the court. The term of treatment shall not exceed 18 months. The court may extend the term of probation, pursuant to K.S.A. 2018 Supp. 21-6608(c)(3), and amendments thereto. The term of treatment may not exceed the term of probation.

(d) (1) Offenders who are committed to a drug abuse treatment program pursuant to subsection (c) shall be supervised by community correctional services.
(2) Offenders who are not committed to a drug abuse treatment program pursuant to subsection (c) shall be supervised by community correctional services or court services based on the result of the criminal risk assessment.

(f) (1) Offenders in drug abuse treatment programs shall be discharged from such program if the offender:

(A) is convicted of a new felony; or

(B) has a pattern of intentional conduct that demonstrates the offender's refusal to comply with or participate in the treatment program, as established by judicial finding.

(2) Offenders who are discharged from such program shall be subject to the revocation provisions of K.S.A. 2018 Supp. 21-6604(n), and amendments thereto.

(g) As used in this section, "mental health professional" includes licensed social workers, persons licensed to practice medicine and surgery, licensed psychologists, licensed professional counselors or registered alcohol and other drug abuse counselors licensed or certified as addiction counselors who have been certified by the secretary of corrections to treat offenders pursuant to K.S.A. 2018 Supp. 75-52,144, and amendments thereto.

(h) (1) Offenders who meet the requirements of subsection (a) shall not be subject to the provisions of this section and shall be sentenced as otherwise provided by law, if such offenders:

(A) are residents of another state and are returning to such state pursuant to the interstate corrections compact or the interstate compact for adult offender supervision; or

(B) are not lawfully present in the United States and being detained for deportation; or

(2) Such sentence shall not be considered a departure and shall not be subject to appeal.

(i) The court may order an offender who otherwise does not meet the requirements of subsection (c) to undergo one additional drug abuse assessment while such offender is on probation. Such offender may be ordered to undergo drug abuse treatment pursuant to subsection (a) if such offender is determined to meet the requirements of subsection (c). The cost of such assessment shall be paid by such offender.

Sec. 10. On and after July 1, 2019, K.S.A. 2018 Supp. 22-3716 is hereby amended to read as follows: 22-3716. (a) At any time during probation, assignment to a community correctional services program, suspension of sentence or pursuant to subsection (e) for defendants who committed a crime prior to July 1, 1993, and at any time during which a defendant is serving a nonprison sanction for a crime committed on or after July 1, 1993, or pursuant to subsection (e), the court may issue a warrant for the arrest of a defendant for violation of any of the conditions of release or assignment, a notice to appear to answer a charge of violation or a violation of the defendant's nonprison sanction. The notice shall be personally served upon the defendant. The warrant shall authorize all officers named in the warrant to return the defendant to the custody of the court or to any certified detention facility designated by the court. Any court services officer or community correctional services officer may arrest the defendant without a warrant or may deputize any other officer with power of
arrest to do so by giving the officer a written or verbal statement setting forth that the defendant has, in the judgment of the court services officer or community correctional services officer, violated the conditions of the defendant’s release or a nonprison sanction. A written statement delivered to the official in charge of a county jail or other place of detention shall be sufficient warrant for the detention of the defendant. After making an arrest, the court services officer or community correctional services officer shall present to the detaining authorities a similar statement of the circumstances of violation. Provisions regarding release on bail of persons charged with a crime shall be applicable to defendants arrested under these provisions.

(b) (1) Upon arrest and detention pursuant to subsection (a), the court services officer or community correctional services officer shall immediately notify the court and shall submit in writing a report showing in what manner the defendant has violated the conditions of release or assignment or a nonprison sanction.

(2) Unless the defendant, after being apprised of the right to a hearing by the supervising court services or community correctional services officer, waives such hearing, the court shall cause the defendant to be brought before it without unnecessary delay for a hearing on the violation charged. The hearing shall be in open court and the state shall have the burden of establishing the violation. The defendant shall have the right to be represented by counsel and shall be informed by the judge that, if the defendant is financially unable to obtain counsel, an attorney will be appointed to represent the defendant. The defendant shall have the right to present the testimony of witnesses and other evidence on the defendant’s behalf. Relevant written statements made under oath may be admitted and considered by the court along with other evidence presented at the hearing.

(3) (A) Except as otherwise provided, if the original crime of conviction was a felony, other than a felony specified in K.S.A. 2018 Supp. 21-6804(i), and amendments thereto, and a violation is established, the court may impose the violation sanctions as provided in subsection (c)(1).

(B) Except as otherwise provided, if the original crime of conviction was a misdemeanor or a felony specified in K.S.A. 2018 Supp. 21-6804(i), and amendments thereto, and a violation is established, the court may:

(i) Continue or modify the probation, assignment to a community correctional services program, suspension of sentence or nonprison sanction and impose confinement in a county jail not to exceed 60 days. If an offender is serving multiple probation terms concurrently, any confinement periods imposed shall be imposed concurrently;

(ii) impose an intermediate sanction of confinement in a county jail, to be imposed as a two-day or three-day consecutive period. The total of all such sanctions imposed pursuant to this subparagraph and subsections (b)(4)(A) and (b)(4)(B) shall not exceed 18 total days during the term of supervision, except as provided in subsection (h); or

(iii) revoke the probation, assignment to a community correctional services program, suspension of sentence or nonprison sanction and require the defendant to serve the sentence imposed, or any lesser sentence, and, if imposition of sentence was suspended, may impose any sentence which might originally have been imposed.

(4) Except as otherwise provided, if the defendant waives the right to a hearing and the sentencing court has not specifically withheld the authority from court services or
community correctional services to impose sanctions, the following sanctions may be imposed without further order of the court:

(A) If the defendant was on probation at the time of the violation, the defendant's supervising court services officer, with the concurrence of the chief court services officer, may impose an intermediate sanction of confinement in a county jail, to be imposed as a two-day or three-day consecutive period. The total of all such sanctions imposed pursuant to this subparagraph and subsections (b)(4)(B) and (c)(1)(B) shall not exceed 18 total days during the term of supervision, except as provided in subsection (h); and

(B) if the defendant was assigned to a community correctional services program at the time of the violation, the defendant's community corrections officer, with the concurrence of the community corrections director, may impose an intermediate sanction of confinement in a county jail, to be imposed as a two-day or three-day consecutive period. The total of all such sanctions imposed pursuant to this subparagraph and subsections (b)(4)(A) and (c)(1)(B) shall not exceed 18 total days during the term of supervision, except as provided in subsection (h).

(c) (1) Except as otherwise provided, if the original crime of conviction was a felony, other than a felony specified in K.S.A. 2018 Supp. 21-6804(i), and amendments thereto, and a violation is established, the court may impose the following sanctions:

(A) Continuation or modification of the release conditions of the probation, assignment to a community correctional services program, suspension of sentence or nonprison sanction;

(B) continuation or modification of the release conditions of the probation, assignment to a community correctional services program, suspension of sentence or nonprison sanction and an intermediate sanction of confinement in a county jail to be imposed as a two-day or three-day consecutive period. The total of all such sanctions imposed pursuant to this subparagraph and subsections subsection (b)(4)(A) and (b)(4)(B) shall not exceed 18 total days during the term of supervision, except as provided in subsection (h); or

(C) if the violator already had at least one intermediate sanction imposed pursuant to subsection (b)(4)(A), (b)(4)(B) or (c)(1)(B) related to the crime for which the original supervision was imposed, continuation or modification of the release conditions of the probation, assignment to a community correctional services program, suspension of sentence or nonprison sanction and remanding the defendant to the custody of the secretary of corrections for a period of 120 days, subject to a reduction of up to 60 days in the discretion of the secretary. This sanction shall not be imposed more than once during the term of supervision. The sanction imposed pursuant to this subparagraph shall begin upon pronouncement by the court and shall not be served by prior confinement credit, except as provided in subsection (e)(7);

(D) if the violator already had a sanction imposed pursuant to subsection (b)(4)(A), (b)(4)(B), (c)(1)(B) or (c)(1)(C) related to the crime for which the original supervision was imposed, continuation or modification of the release conditions of the probation, assignment to a community correctional services program, suspension of sentence or nonprison sanction and remanding the defendant to the custody of the secretary of corrections for a period of 180 days, subject to a reduction of up to 90 days in the discretion of the secretary. This sanction shall not be imposed more than once during the term of supervision. The sanction imposed pursuant to this subparagraph shall begin
upon pronouncement by the court and shall not be served by prior confinement credit, except as provided in subsection (e)(7).

(E)—if the violator already had a sanction imposed pursuant to subsection (e)(1)(C) or (e)(1)(D), (c)(1)(B) related to the crime for which the original supervision was imposed, revocation of the probation, assignment to a community corrections services program, suspension of sentence or nonprison sanction and requiring such violator to serve the sentence imposed, or any lesser sentence and, if imposition of sentence was suspended, imposition of any sentence which might originally have been imposed.

(2) Except as otherwise provided in subsections (c)(3), (e)(8) and (c)(9)(7), no offender for whom a violation of conditions of release or assignment or a nonprison sanction has been established as provided in this section shall be required to serve any time for the sentence imposed or which might originally have been imposed in a state facility in the custody of the secretary of corrections for such violation, unless such person has already had at least one prior assignment to a community correctional services program related to the crime for which the original sentence was imposed.

(3) The provisions of subsection (e)(2) shall not apply to adult felony offenders as described in K.S.A. 75-5291(a)(3), and amendments thereto.

(4) The court may require an offender for whom a violation of conditions of release or assignment or a nonprison sanction has been established as provided in this section to serve any time for the sentence imposed or which might originally have been imposed in a state facility in the custody of the secretary of corrections without a prior assignment to a community correctional services program if the court finds and sets forth with particularity the reasons for finding that the safety of the members of the public will be jeopardized or that the welfare of the inmate will not be served by such assignment to a community correctional services program.

(5) When a new felony is committed while the offender is on probation or assignment to a community correctional services program, the new sentence shall be imposed consecutively pursuant to the provisions of K.S.A. 2018 Supp. 21-6606, and amendments thereto, and the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(6) Except as provided in subsection (f), upon completion of a violation sanction imposed pursuant to subsection (e)(1)(C) or (e)(1)(D) such offender shall return to community correctional services supervision. The sheriff shall not be responsible for the return of the offender to the county where the community correctional services supervision is assigned.

(7) A violation sanction imposed pursuant to subsection (c)(1)(B), (c)(1)(C) or (e)(1)(D) shall not be longer than the amount of time remaining on the offender's underlying prison sentence.

(8) (A)—If the offender commits a new felony or misdemeanor while the offender is on probation, assignment to a community correctional services program, suspension of sentence or nonprison sanction, the court may revoke the probation, assignment to a community correctional services program, suspension of sentence or nonprison sanction of an offender pursuant to subsection (e)(1)(E) without having previously imposed a sanction pursuant to subsection (e)(1)(B), (e)(1)(C) or (e)(1)(D).

(B)—If the offender absconds from supervision while the offender is on probation,
assignment to a community correctional services program, suspension of sentence or nonprison sanction, the court may:

(i) Revoke the probation, assignment to a community correctional services program, suspension of sentence or nonprison sanction of an offender pursuant to subsection (e)(1)(E) without having previously imposed a sanction pursuant to subsection (e)(1)(B), (e)(1)(C) or (e)(1)(D), or

(ii) Sanction the offender under subsection (e)(1)(A), (e)(1)(C) or (e)(1)(D) without imposing a sanction under (e)(1)(B).

(9) The court may revoke the probation, assignment to a community correctional services program, suspension of sentence or nonprison sanction of an offender pursuant to subsection (e)(1)(E) without having previously imposed a sanction pursuant to subsection (e)(1)(B), (e)(1)(C) or (e)(1)(D) if:

(A) The court finds and sets forth with particularity the reasons for finding that the safety of members of the public will be jeopardized or that the welfare of the offender will not be served by such sanction; or

(B) the probation, assignment to a community correctional services program, suspension of sentence or nonprison sanction was originally granted as the result of a dispositional departure granted by the sentencing court pursuant to K.S.A. 2018 Supp. 21-6815, and amendments thereto;

(C) the offender commits a new felony or misdemeanor while the offender is on probation, assignment to a community correctional services program, suspension of sentence or nonprison sanction; or

(D) the offender absconds from supervision while the offender is on probation, assignment to a community correctional services program, suspension of sentence or nonprison sanction.

(10) If an offender is serving multiple probation terms concurrently, any violation sanctions imposed pursuant to subsection (e)(1)(B), (e)(1)(C) or (e)(1)(D), or any sanction imposed pursuant to subsection (c)(1)(E), shall be imposed concurrently.

(11) If the original crime of conviction was a felony, except for violations of K.S.A. 8-1567 or 8-2,144, and amendments thereto, and the court makes a finding that the offender has committed one or more violations of the release conditions of the probation, assignment to a community correctional services program, suspension of sentence or nonprison sanction, the court may impose confinement in a county jail not to exceed 60 days upon each such finding. Such confinement is separate and distinct from the violation sanctions provided in subsection (c)(1)(B), (e)(1)(C), (e)(1)(D) and (e)(1)(E) and shall not be imposed at the same time as any such violation sanction.

(12) The violation sanctions provided in this subsection shall apply to any violation of conditions of release or assignment or a nonprison sanction occurring on and after July 1, 2013, regardless of when the offender was sentenced for the original crime or committed the original crime for which sentenced.

(d) A defendant who is on probation, assigned to a community correctional services program, under suspension of sentence or serving a nonprison sanction and for whose return a warrant has been issued by the court shall be considered a fugitive from justice if it is found that the warrant cannot be served. If it appears that the defendant has violated the provisions of the defendant's release or assignment or a nonprison sanction, the court shall determine whether the time from the issuing of the warrant to the date of the defendant's arrest, or any part of it, shall be counted as time served on probation, assignment to a community correctional services program, suspended sentence or
pursuant to a nonprison sanction.

(e) The court shall have 30 days following the date probation, assignment to a community correctional service program, suspension of sentence or a nonprison sanction was to end to issue a warrant for the arrest or notice to appear for the defendant to answer a charge of a violation of the conditions of probation, assignment to a community correctional service program, suspension of sentence or a nonprison sanction.

(f) For crimes committed on and after July 1, 2013, a felony offender whose nonprison sanction is revoked pursuant to subsection (c) or whose underlying prison term expires while serving a sanction pursuant to subsection (c)(1)(C) or (c)(1)(D) shall serve a period of postrelease supervision upon the completion of the prison portion of the underlying sentence.

(g) Offenders who have been sentenced pursuant to K.S.A. 2018 Supp. 21-6824, and amendments thereto, and who subsequently violate a condition of the drug and alcohol abuse treatment program shall be subject to an additional nonprison sanction for any such subsequent violation. Such nonprison sanctions shall include, but not be limited to, up to 60 days in a county jail, fines, community service, intensified treatment, house arrest and electronic monitoring.

(h) If the court continues or modifies the probation, assignment to a community correctional services program, suspension of sentence or nonprison sanction, pursuant to subsection (b) or (c), the court shall authorize an additional 18 days of sanction time in a county jail to be reserved for sanctions as set forth in subsection (b)(3), (b)(4) or (c) (1).

(D) Persons sentenced to a term of imprisonment that includes a sentence for a
sexually violent crime as defined in K.S.A. 22-3717, and amendments thereto,
committed on or after July 1, 1993, but prior to July 1, 2006, a sexually motivated crime
in which the offender has been ordered to register pursuant to K.S.A. 22-3717(d)(1)(D)
(vii), and amendments thereto, electronic solicitation, K.S.A. 21-3523, prior to its
repeal, or K.S.A. 2018 Supp. 21-5509, and amendments thereto, or unlawful sexual
relations, K.S.A. 21-3520, prior to its repeal, or K.S.A. 2018 Supp. 21-5512, and
amendments thereto, shall serve the period of postrelease supervision as provided in
subsections (d)(1)(A), (d)(1)(B) or (d)(1)(C), plus the amount of good time and program
credit earned and retained pursuant to K.S.A. 21-4722, prior to its repeal, or K.S.A.
2018 Supp. 21-6821, and amendments thereto, on postrelease supervision.

(i) If the sentencing judge finds substantial and compelling reasons to impose a
departure based upon a finding that the current crime of conviction was sexually
motivated, departure may be imposed to extend the postrelease supervision to a period
of up to 60 months.

(ii) If the sentencing judge departs from the presumptive postrelease supervision
period, the judge shall state on the record at the time of sentencing the substantial and
compelling reasons for the departure. Departures in this section are subject to appeal
pursuant to K.S.A. 21-4721, prior to its repeal, or K.S.A. 2018 Supp. 21-6820, and
amendments thereto.

(iii) In determining whether substantial and compelling reasons exist, the court
shall consider:

(a) Written briefs or oral arguments submitted by either the defendant or the state;
(b) any evidence received during the proceeding;
(c) the presentence report, the victim's impact statement and any psychological
evaluation as ordered by the court pursuant to K.S.A. 21-4714(e), prior to its repeal, or
K.S.A. 2018 Supp. 21-6813(e), and amendments thereto; and
(d) any other evidence the court finds trustworthy and reliable.

(iv) The sentencing judge may order that a psychological evaluation be prepared
and the recommended programming be completed by the offender. The department of
corrections or the prisoner review board shall ensure that court ordered sex offender
treatment be carried out.

(v) In carrying out the provisions of subsection (d)(1)(D), the court shall refer to
K.S.A. 21-4718, prior to its repeal, or K.S.A. 2018 Supp. 21-6817, and amendments
thereto.

(vi) Upon petition and payment of any restitution ordered pursuant to K.S.A. 2018
Supp. 21-6604, and amendments thereto, the prisoner review board may provide for
early discharge from the postrelease supervision period imposed pursuant to subsection
(d)(1)(D)(i) upon completion of court ordered programs and completion of the
presumptive postrelease supervision period, as determined by the crime of conviction,
pursuant to subsection (d)(1)(A), (d)(1)(B) or (d)(1)(C). Early discharge from
postrelease supervision is at the discretion of the board.

(vii) Persons convicted of crimes deemed sexually violent or sexually motivated
shall be registered according to the offender registration act, K.S.A. 22-4901 through
22-4910, and amendments thereto.

(viii) Persons convicted of K.S.A. 21-3510 or 21-3511, prior to their repeal, or K.S.A. 2018 Supp. 21-5508, and amendments thereto, shall be required to participate in a treatment program for sex offenders during the postrelease supervision period.

(E) The period of postrelease supervision provided in subparagraphs (A) and (B) may be reduced by up to 12 months and the period of postrelease supervision provided in subparagraph (C) may be reduced by up to six months based on the offender's compliance with conditions of supervision and overall performance while on postrelease supervision. The reduction in the supervision period shall be on an earned basis pursuant to rules and regulations adopted by the secretary of corrections.

(F) In cases where sentences for crimes from more than one severity level have been imposed, the offender shall serve the longest period of postrelease supervision as provided by this section available for any crime upon which sentence was imposed irrespective of the severity level of the crime. Supervision periods will not aggregate.

(G) (i) Except as provided in subsection (u), persons sentenced to imprisonment for a sexually violent crime committed on or after July 1, 2006, when the offender was 18 years of age or older, and who are released from prison, shall be released to a mandatory period of postrelease supervision for the duration of the person's natural life.

(ii) Persons sentenced to imprisonment for a sexually violent crime committed on or after the effective date of this act, when the offender was under 18 years of age, and who are released from prison, shall be released to a mandatory period of postrelease supervision for 60 months, plus the amount of good time and program credit earned and retained pursuant to K.S.A. 21-4722, prior to its repeal, or K.S.A. 2018 Supp. 21-6821, and amendments thereto.

(2) Persons serving a period of postrelease supervision pursuant to subsections (d) (1)(A), (d)(1)(B) or (d)(1)(C) may petition the prisoner review board for early discharge. Upon payment of restitution, the prisoner review board may provide for early discharge.

(3) Persons serving a period of incarceration for a supervision violation shall not have the period of postrelease supervision modified until such person is released and returned to postrelease supervision.

(4) Offenders whose crime of conviction was committed on or after July 1, 2013, and whose probation, assignment to a community correctional services program, suspension of sentence or nonprison sanction is revoked pursuant to K.S.A. 22-3716(c), and amendments thereto, or whose underlying prison term expires while serving a sanction pursuant to K.S.A. 22-3716(c)(1)(C) or (e)(1)(D), and amendments thereto, shall serve a period of postrelease supervision upon the completion of the underlying prison term.

(5) As used in this subsection, "sexually violent crime" means:

(A) Rape, K.S.A. 21-3502, prior to its repeal, or K.S.A. 2018 Supp. 21-5503, and amendments thereto;

(B) indecent liberties with a child, K.S.A. 21-3503, prior to its repeal, or K.S.A. 2018 Supp. 21-5506(a), and amendments thereto;

(C) aggravated indecent liberties with a child, K.S.A. 21-3504, prior to its repeal, or K.S.A. 2018 Supp. 21-5506(b), and amendments thereto;

(D) criminal sodomy, K.S.A. 21-3505(a)(2) and (a)(3), prior to its repeal, or K.S.A. 2018 Supp. 21-5504(a)(3) and (a)(4), and amendments thereto;
(E) aggravated criminal sodomy, K.S.A. 21-3506, prior to its repeal, or K.S.A. 2018 Supp. 21-5504(b), and amendments thereto;

(F) indecent solicitation of a child, K.S.A. 21-3510, prior to its repeal, or K.S.A. 2018 Supp. 21-5508(a), and amendments thereto;

(G) aggravated indecent solicitation of a child, K.S.A. 21-3511, prior to its repeal, or K.S.A. 2018 Supp. 21-5508(b), and amendments thereto;

(H) sexual exploitation of a child, K.S.A. 21-3516, prior to its repeal, or K.S.A. 2018 Supp. 21-5510, and amendments thereto;

(I) aggravated sexual battery, K.S.A. 21-3518, prior to its repeal, or K.S.A. 2018 Supp. 21-5505(b), and amendments thereto;

(J) aggravated incest, K.S.A. 21-3603, prior to its repeal, or K.S.A. 2018 Supp. 21-5604(b), and amendments thereto;

(K) aggravated human trafficking, as defined in K.S.A. 21-3447, prior to its repeal, or K.S.A. 2018 Supp. 21-5426(b), and amendments thereto, if committed in whole or in part for the purpose of the sexual gratification of the defendant or another;

(L) internet trading in child pornography, as defined in K.S.A. 2018 Supp. 21-5514(a), and amendments thereto;

(M) aggravated internet trading in child pornography, as defined in K.S.A. 2018 Supp. 21-5514(b), and amendments thereto;

(O) an attempt, conspiracy or criminal solicitation, as defined in K.S.A. 21-3301, 21-3302 or 21-3303, prior to their repeal, or K.S.A. 2018 Supp. 21-5301, 21-5302 or 21-5303, and amendments thereto, if a sexually violent crime as defined in this section.

(6) As used in this subsection, "sexually motivated" means that one of the purposes for which the defendant committed the crime was for the purpose of the defendant's sexual gratification.

(e) If an inmate is sentenced to imprisonment for a crime committed while on parole or conditional release, the inmate shall be eligible for parole as provided by subsection (c), except that the prisoner review board may postpone the inmate's parole eligibility date by assessing a penalty not exceeding the period of time which could have been assessed if the inmate's parole or conditional release had been violated for reasons other than conviction of a crime.

(f) If a person is sentenced to prison for a crime committed on or after July 1, 1993, while on probation, parole, conditional release or in a community corrections program, for a crime committed prior to July 1, 1993, and the person is not eligible for retroactive application of the sentencing guidelines and amendments thereto pursuant to K.S.A. 21-4724, prior to its repeal, the new sentence shall not be aggregated with the old sentence, but shall begin when the person is paroled or reaches the conditional release date on the old sentence. If the offender was past the offender's conditional release date at the time the new offense was committed, the new sentence shall not be aggregated with the old sentence but shall begin when the person is ordered released by the prisoner review board or reaches the maximum sentence expiration date on the old sentence, whichever is earlier. The new sentence shall then be served as otherwise provided by law. The period of postrelease supervision shall be based on the new sentence, except that those offenders whose old sentence is a term of imprisonment for life, imposed pursuant to K.S.A. 1993 Supp. 21-4628, prior to its repeal, or an indeterminate sentence with a
maximum term of life imprisonment, for which there is no conditional release or
maximum sentence expiration date, shall remain on postrelease supervision for life or
until discharged from supervision by the prisoner review board.

(g) Subject to the provisions of this section, the prisoner review board may release
on parole those persons confined in institutions who are eligible for parole when: (1)
The board believes that the inmate should be released for hospitalization, deportation or
to answer the warrant or other process of a court and is of the opinion that there is
reasonable probability that the inmate can be released without detriment to the
community or to the inmate; or (2) the secretary of corrections has reported to the board
in writing that the inmate has satisfactorily completed the programs required by any
agreement entered under K.S.A. 75-5210a, and amendments thereto, or any revision of
such agreement, and the board believes that the inmate is able and willing to fulfill the
obligations of a law abiding citizen and is of the opinion that there is reasonable
probability that the inmate can be released without detriment to the community or to
the inmate. Parole shall not be granted as an award of clemency and shall not be considered
a reduction of sentence or a pardon.

(h) The prisoner review board shall hold a parole hearing at least the month prior to
the month an inmate will be eligible for parole under subsections (a), (b) and (c). At
least one month preceding the parole hearing, the county or district attorney of the
county where the inmate was convicted shall give written notice of the time and place
of the public comment sessions for the inmate to any victim of the inmate's crime who
is alive and whose address is known to the county or district attorney or, if the victim is
deceased, to the victim's family if the family's address is known to the county or district
attorney. Except as otherwise provided, failure to notify pursuant to this section shall
not be a reason to postpone a parole hearing. In the case of any inmate convicted of an
off-grid felony or a class A felony, the secretary of corrections shall give written notice
of the time and place of the public comment session for such inmate at least one month
preceding the public comment session to any victim of such inmate's crime or the
victim's family pursuant to K.S.A. 74-7338, and amendments thereto. If notification is
not given to such victim or such victim's family in the case of any inmate convicted of
an off-grid felony or a class A felony, the board shall postpone a decision on parole of the
inmate to a time at least 30 days after notification is given as provided in this
section. Nothing in this section shall create a cause of action against the state or an
employee of the state acting within the scope of the employee's employment as a result
of the failure to notify pursuant to this section. If granted parole, the inmate may be
released on parole on the date specified by the board, but not earlier than the date the
inmate is eligible for parole under subsections (a), (b) and (c). At each parole hearing
and, if parole is not granted, at such intervals thereafter as it determines appropriate, the
board shall consider: (1) Whether the inmate has satisfactorily completed the programs
required by any agreement entered under K.S.A. 75-5210a, and amendments thereto, or
any revision of such agreement; and (2) all pertinent information regarding such inmate,
including, but not limited to, the circumstances of the offense of the inmate; the
presentence report; the previous social history and criminal record of the inmate; the
conduct, employment, and attitude of the inmate in prison; the reports of such physical
and mental examinations as have been made, including, but not limited to, risk factors
revealed by any risk assessment of the inmate; comments of the victim and the victim's
family including in person comments, contemporaneous comments and prerecorded
comments made by any technological means; comments of the public; official comments; any recommendation by the staff of the facility where the inmate is incarcerated; proportionality of the time the inmate has served to the sentence a person would receive under the Kansas sentencing guidelines for the conduct that resulted in the inmate's incarceration; and capacity of state correctional institutions.

(i) In those cases involving inmates sentenced for a crime committed after July 1, 1993, the prisoner review board will review the inmate's proposed release plan. The board may schedule a hearing if they desire. The board may impose any condition they deem necessary to insure public safety, aid in the reintegration of the inmate into the community, or items not completed under the agreement entered into under K.S.A. 75-5210a, and amendments thereto. The board may not advance or delay an inmate's release date. Every inmate while on postrelease supervision shall remain in the legal custody of the secretary of corrections and is subject to the orders of the secretary.

(j) (1) Before ordering the parole of any inmate, the prisoner review board shall have the inmate appear either in person or via a video conferencing format and shall interview the inmate unless impractical because of the inmate's physical or mental condition or absence from the institution. Every inmate while on parole shall remain in the legal custody of the secretary of corrections and is subject to the orders of the secretary. Whenever the board formally considers placing an inmate on parole and no agreement has been entered into with the inmate under K.S.A. 75-5210a, and amendments thereto, the board shall notify the inmate in writing of the reasons for not granting parole. If an agreement has been entered under K.S.A. 75-5210a, and amendments thereto, and the inmate has not satisfactorily completed the programs specified in the agreement, or any revision of such agreement, the board shall notify the inmate in writing of the specific programs the inmate must satisfactorily complete before parole will be granted. If parole is not granted only because of a failure to satisfactorily complete such programs, the board shall grant parole upon the secretary's certification that the inmate has successfully completed such programs. If an agreement has been entered under K.S.A. 75-5210a, and amendments thereto, and the secretary of corrections has reported to the board in writing that the inmate has satisfactorily completed the programs required by such agreement, or any revision thereof, the board shall not require further program participation. However, if the board determines that other pertinent information regarding the inmate warrants the inmate's not being released on parole, the board shall state in writing the reasons for not granting the parole. If parole is denied for an inmate sentenced for a crime other than a class A or class B felony or an off-grid felony, the board shall hold another parole hearing for the inmate not later than one year after the denial unless the board finds that it is not reasonable to expect that parole would be granted at a hearing if held in the next three years or during the interim period of a deferral. In such case, the board may defer subsequent parole hearings for up to three years but any such deferral by the board shall require the board to state the basis for its findings. If parole is denied for an inmate sentenced for a class A or class B felony or an off-grid felony, the board shall hold another parole hearing for the inmate not later than three years after the denial unless the board finds that it is not reasonable to expect that parole would be granted at a hearing if held in the next 10 years or during the interim period of a deferral. In such case, the board may defer subsequent parole hearings for up to 10 years, but any such deferral shall require the board to state the basis for its findings.
(2) Inmates sentenced for a class A or class B felony who have not had a board hearing in the five years prior to July 1, 2010, shall have such inmates' cases reviewed by the board on or before July 1, 2012. Such review shall begin with the inmates with the oldest deferral date and progress to the most recent. Such review shall be done utilizing existing resources unless the board determines that such resources are insufficient. If the board determines that such resources are insufficient, then the provisions of this paragraph are subject to appropriations therefor.

(k) (1) Parolees and persons on postrelease supervision shall be assigned, upon release, to the appropriate level of supervision pursuant to the criteria established by the secretary of corrections.

(2) Parolees and persons on postrelease supervision are, and shall agree in writing to be, subject to searches of the person and the person's effects, vehicle, residence and property by a parole officer or a department of corrections enforcement, apprehension and investigation officer, at any time of the day or night, with or without a search warrant and with or without cause. Nothing in this subsection shall be construed to authorize such officers to conduct arbitrary or capricious searches or searches for the sole purpose of harassment.

(3) Parolees and persons on postrelease supervision are, and shall agree in writing to be, subject to searches of the person and the person's effects, vehicle, residence and property by any law enforcement officer based on reasonable suspicion of the person violating conditions of parole or postrelease supervision or reasonable suspicion of criminal activity. Any law enforcement officer who conducts such a search shall submit a written report to the appropriate parole officer no later than the close of the next business day after such search. The written report shall include the facts leading to such search, the scope of such search and any findings resulting from such search.

(1) The prisoner review board shall promulgate rules and regulations in accordance with K.S.A. 77-415 et seq., and amendments thereto, not inconsistent with the law and as it may deem proper or necessary, with respect to the conduct of parole hearings, postrelease supervision reviews, revocation hearings, orders of restitution, reimbursement of expenditures by the state board of indigents' defense services and other conditions to be imposed upon parolees or releasees. Whenever an order for parole or postrelease supervision is issued it shall recite the conditions thereof.

(m) Whenever the prisoner review board orders the parole of an inmate or establishes conditions for an inmate placed on postrelease supervision, the board:

(1) Unless it finds compelling circumstances which would render a plan of payment unworkable, shall order as a condition of parole or postrelease supervision that the parolee or the person on postrelease supervision pay any transportation expenses resulting from returning the parolee or the person on postrelease supervision to this state to answer criminal charges or a warrant for a violation of a condition of probation, assignment to a community correctional services program, parole, conditional release or postrelease supervision;

(2) to the extent practicable, shall order as a condition of parole or postrelease supervision that the parolee or the person on postrelease supervision make progress towards or successfully complete the equivalent of a secondary education if the inmate has not previously completed such educational equivalent and is capable of doing so;

(3) may order that the parolee or person on postrelease supervision perform community or public service work for local governmental agencies, private corporations
organized not-for-profit or charitable or social service organizations performing services for the community;
(4) may order the parolee or person on postrelease supervision to pay the administrative fee imposed pursuant to K.S.A. 22-4529, and amendments thereto, unless the board finds compelling circumstances—which that would render payment unworkable;
(5) unless it finds compelling circumstances—which that would render a plan of payment unworkable, shall order that the parolee or person on postrelease supervision reimburse the state for all or part of the expenditures by the state board of indigents' defense services to provide counsel and other defense services to the person. In determining the amount and method of payment of such sum, the prisoner review board shall take account of the financial resources of the person and the nature of the burden that the payment of such sum will impose. Such amount shall not exceed the amount claimed by appointed counsel on the payment voucher for indigents' defense services or the amount prescribed by the board of indigents' defense services reimbursement tables as provided in K.S.A. 22-4522, and amendments thereto, whichever is less, minus any previous payments for such services;
(6) shall order that the parolee or person on postrelease supervision agree in writing to be subject to searches of the person and the person's effects, vehicle, residence and property by a parole officer or a department of corrections enforcement, apprehension and investigation officer, at any time of the day or night, with or without a search warrant and with or without cause. Nothing in this subsection shall be construed to authorize such officers to conduct arbitrary or capricious searches or searches for the sole purpose of harassment; and
(7) shall order that the parolee or person on postrelease supervision agree in writing to be subject to searches of the person and the person's effects, vehicle, residence and property by any law enforcement officer based on reasonable suspicion of the person violating conditions of parole or postrelease supervision or reasonable suspicion of criminal activity.
(n) If the court—which that sentenced an inmate specified at the time of sentencing the amount and the recipient of any restitution ordered as a condition of parole or postrelease supervision, the prisoner review board shall order as a condition of parole or postrelease supervision that the inmate pay restitution in the amount and manner provided in the journal entry unless the board finds compelling circumstances—which that would render a plan of restitution unworkable.
(o) Whenever the prisoner review board grants the parole of an inmate, the board, within 14 days of the date of the decision to grant parole, shall give written notice of the decision to the county or district attorney of the county where the inmate was sentenced.
(p) When an inmate is to be released on postrelease supervision, the secretary, within 30 days prior to release, shall provide the county or district attorney of the county where the inmate was sentenced written notice of the release date.
(q) Inmates shall be released on postrelease supervision upon the termination of the prison portion of their sentence. Time served while on postrelease supervision will vest.
(r) An inmate who is allocated regular good time credits as provided in K.S.A. 22-3725, and amendments thereto, may receive meritorious good time credits in increments of not more than 90 days per meritorious act. These credits may be awarded by the secretary of corrections when an inmate has acted in a heroic or outstanding manner in
coming to the assistance of another person in a life-threatening situation, preventing
injury or death to a person, preventing the destruction of property or taking actions
which result in a financial savings to the state.

(s) The provisions of subsections (d)(1)(A), (d)(1)(B), (d)(1)(C) and (d)(1)(E) shall
be applied retroactively as provided in subsection (t).

(t) For offenders sentenced prior to July 1, 2014, who are eligible for modification
of their postrelease supervision obligation, the department of corrections shall modify
the period of postrelease supervision as provided for by this section:

(1) On or before September 1, 2013, for offenders convicted of:
(A) Severity levels 9 and 10 crimes on the sentencing guidelines grid for nondrug
crimes;
(B) severity level 4 crimes on the sentencing guidelines grid for drug crimes
committed prior to July 1, 2012; and
(C) severity level 5 crimes on the sentencing guidelines grid for drug crimes
committed on and after July 1, 2012;

(2) On or before November 1, 2013, for offenders convicted of:
(A) Severity levels 6, 7 and 8 crimes on the sentencing guidelines grid for nondrug
crimes;
(B) level 3 crimes on the sentencing guidelines grid for drug crimes committed
prior to July 1, 2012; and
(C) level 4 crimes on the sentencing guidelines grid for drug crimes committed on
or after July 1, 2012; and

(3) On or before January 1, 2014, for offenders convicted of:
(A) Severity levels 1, 2, 3, 4 and 5 crimes on the sentencing guidelines grid for
nondrug crimes;
(B) severity levels 1 and 2 crimes on the sentencing guidelines grid for drug crimes
committed at any time; and
(C) severity level 3 crimes on the sentencing guidelines grid for drug crimes
committed on or after July 1, 2012.

(u) An inmate sentenced to imprisonment pursuant to K.S.A. 21-4643, prior to its
repeal, or K.S.A. 2018 Supp. 21-6627, and amendments thereto, for crimes committed
on or after July 1, 2006, shall be placed on parole for life and shall not be discharged
from supervision by the prisoner review board. When the board orders the parole of an
inmate pursuant to this subsection, the board shall order as a condition of parole that the
inmate be electronically monitored for the duration of the inmate's natural life.

(v) Whenever the prisoner review board orders a person to be electronically
monitored pursuant to this section, or the court orders a person to be electronically
monitored pursuant to K.S.A. 21-6604(r), and amendments thereto, the
board shall order the person to reimburse the state for all or part of the cost of such
monitoring. In determining the amount and method of payment of such sum, the board
shall take account of the financial resources of the person and the nature of the burden
that the payment of such sum will impose.

(w) (1) On and after July 1, 2012, for any inmate who is a sex offender, as defined
in K.S.A. 22-4902, and amendments thereto, whenever the prisoner review board orders
the parole of such inmate or establishes conditions for such inmate placed on
postrelease supervision, such inmate shall agree in writing to not possess pornographic
materials.
(A) As used in this subsection, "pornographic materials" means any obscene material or performance depicting sexual conduct, sexual contact or a sexual performance; and any visual depiction of sexually explicit conduct.

(B) As used in this subsection, all other terms have the meanings provided by K.S.A. 2018 Supp. 21-5510, and amendments thereto.

(2) The provisions of this subsection shall be applied retroactively to every sex offender, as defined in K.S.A. 22-4902, and amendments thereto, who is on parole or postrelease supervision on July 1, 2012. The prisoner review board shall obtain the written agreement required by this subsection from such offenders as soon as practicable.

Sec. 12. On and after July 1, 2019, K.S.A. 2018 Supp. 22-2307 is hereby amended to read as follows: 22-2307. (a) All law enforcement agencies in this state shall adopt written policies regarding domestic violence calls as provided in subsection subsections (b) and (c). These policies shall be made available to all officers of such agency.

(b) Such written policies shall include, but not be limited to, the following:

(1) A statement directing that when a law enforcement officer determines that there is probable cause to believe that a crime or offense involving domestic violence, as defined in K.S.A. 2018 Supp. 21-5111, and amendments thereto, has been committed, the officer shall, without undue delay, arrest the person for which the officer has probable cause to believe committed the crime or offense if such person's actions were not an act of defense of a person or property as provided in K.S.A. 2018 Supp. 21-5222, 21-5223, 21-5225, 21-5230 or 21-5231, and amendments thereto;

(2) a statement that nothing shall be construed to require a law enforcement officer to:

(A) Arrest either party involved in an alleged act of domestic violence when the law enforcement officer determines there is no probable cause to believe that a crime or offense has been committed; or

(B) arrest both parties involved in an alleged act of domestic violence when both claim to have been victims of such domestic violence;

(3) a statement directing that if a law enforcement officer receives complaints of domestic violence from two or more opposing persons, the officer shall evaluate each complaint separately to determine if there is probable cause that each accused person committed a crime or offense and their actions were not an act of defense of a person or property as provided in K.S.A. 2018 Supp. 21-5222, 21-5223, 21-5225, 21-5230 or 21-5231, and amendments thereto;

The facts required to classify prior burglary adult convictions and juvenile adjudications shall be established by the state by a preponderance of the evidence.

(e)(1) Out-of-state convictions and juvenile adjudications shall be used in classifying the offender's criminal history.

(2) An out-of-state crime will be classified as either a felony or a misdemeanor according to the convicting jurisdiction.

(B) If a crime is a misdemeanor in the convicting jurisdiction, the state of Kansas shall refer to the comparable offense under the Kansas criminal code in effect on the date the current crime of conviction was committed to classify the out-of-state crime as a class A, B or C misdemeanor. If the comparable offense in the state of Kansas is a felony, the out-of-state crime shall be classified as a class A misdemeanor. If the state of Kansas does not have a comparable offense in effect on the date the current crime of conviction was committed, the out-of-state crime shall not be used in classifying the offender's criminal history.

(C) If a crime is not classified as either a felony or a misdemeanor in the convicting jurisdiction, the state of Kansas shall refer to the comparable offense under the Kansas criminal code in effect on the date the current crime of conviction was committed to classify the out-of-state crime as either a felony or a misdemeanor. If the state of Kansas does not have a comparable offense in effect on the date the current crime of conviction was committed, the out-of-state crime shall not be used in classifying the offender's criminal history.

(3) The state of Kansas shall classify the crime as person or nonperson.

(A) In designating a crime misdemeanor as person or nonperson, comparable offenses under the Kansas criminal code in effect on the date the current crime of conviction was committed shall be referred to. If the state of Kansas does not have a comparable person offense in effect on the date the current crime of conviction was committed, the out-of-state crime shall be classified as a nonperson crime.

(B) In designating a felony crime as person or nonperson, the felony crime shall be classified as follows:

(i) An out-of-state conviction or adjudication for the commission of a felony offense, or an attempt, conspiracy or criminal solicitation to commit a felony offense, shall be classified as a person felony if one or more of the following circumstances is present as defined by the convicting jurisdiction in the elements of the out-of-state offense:

(a) Death or killing of any human being;
(b) Threatening or causing fear of bodily or physical harm or violence, causing terror, physically intimidating or harassing any person;
(c) Bodily harm or injury, physical neglect or abuse, restraint, confinement or touching of any person, without regard to degree;
(d) The presence of a person, other than the defendant, a charged accomplice or another person with whom the defendant is engaged in the sale, distribution or transfer of a controlled substance or non-controlled substance;
(e) Possessing, viewing, depicting, distributing, recording or transmitting an image of any person;
(f) Lewd fondling or touching, sexual intercourse or sodomy with or by any person or an unlawful sexual act involving a child under the age of consent;
(g) Being armed with, using, displaying or brandishing a firearm or other weapon, excluding crimes of mere unlawful possession, or
(h) Entering or remaining within any residence, dwelling or habitation.

(ii) An out-of-state conviction or adjudication for the commission of a felony offense, or an attempt, conspiracy or criminal solicitation to commit a felony offense, shall be classified as a person felony if the elements of the out-of-state felony offense that resulted in the conviction or adjudication necessarily prove that a person was
present during the commission of the offense. For purposes of this clause, the person present must be someone other than the defendant, a charged accomplice or another person with whom the defendant is engaged in the sale, distribution or transfer of a controlled substance or non-controlled substance. The presence of a person includes physical presence and presence by electronic or telephonic communication.

(iii) An out-of-state conviction or adjudication for the commission of a felony offense, or an attempt, conspiracy or criminal solicitation to commit a felony offense, shall be classified as a nonperson felony if the elements of the offense do not require proof of any of the circumstances in subparagraph (B)(i) or (ii).

(4) Convictions or adjudications occurring within the federal system, other state systems, the District of Columbia, foreign, tribal or military courts are considered out-of-state convictions or adjudications.

(5) The facts required to classify out-of-state adult convictions and juvenile adjudications shall be established by the state by a preponderance of the evidence.

(f) Except as provided in K.S.A. 21-4710(d)(4), (d)(5) and (d)(6), prior to its repeal, or K.S.A. 2018 Supp. 21-6810(d)(3)(B), (d)(3)(C), (d)(3)(D), (d)(4) and (d)(5), and amendments thereto, juvenile adjudications will be applied in the same manner as adult convictions. Out-of-state juvenile adjudications will be treated as juvenile adjudications in Kansas.

(g) A prior felony conviction of an attempt, a conspiracy or a solicitation as provided in K.S.A. 21-3301, 21-3302 or 21-3303, prior to their repeal, or K.S.A. 2018 Supp. 21-5301, 21-5302 or 21-5303, and amendments thereto, to commit a crime shall be treated as a person or nonperson crime in accordance with the designation assigned to the underlying crime.

(h) Drug crimes are designated as nonperson crimes for criminal history scoring.

(i) If the current crime of conviction is for a violation of K.S.A. 8-1602(b)(3) through (b)(5), and amendments thereto, each of the following prior convictions for offenses committed on or after July 1, 2011, shall count as a person felony for criminal history purposes: K.S.A. 8-235, 8-262, 8-287, 8-291, 8-1566, 8-1567, 8-1568, 8-1602, 8-1605 and 40-3104, and amendments thereto, and K.S.A. 2018 Supp. 21-5405(a)(3) or (a)(5) and 21-5406, and amendments thereto, or a violation of a city ordinance or law of another state which would also constitute a violation of such sections.

(j) The amendments made to this section by chapter 5 of the 2015 Session Laws of Kansas are procedural in nature and shall be construed and applied retroactively.

Sec. 14. K.S.A. 2018 Supp. 21-6820 is hereby amended to read as follows: 21-6820. (a) A departure sentence is subject to appeal by the defendant or the state. The appeal shall be to the appellate courts in accordance with rules adopted by the supreme court.

(b) Pending review of the sentence, the sentencing court or the appellate court may order the defendant confined or placed on conditional release, including bond.

(c) On appeal from a judgment of conviction entered for a felony committed on or after July 1, 1993, the appellate court shall not review:

(1) Any sentence that is within the presumptive sentence for the crime; or

(2) any sentence resulting from an agreement between the state and the defendant which the sentencing court approves on the record.

(d) In any appeal from a judgment of conviction imposing a sentence that departs from the presumptive sentence prescribed by the sentencing grid for a crime, sentence
review shall be limited to whether the sentencing court's findings of fact and reasons justifying a departure:

(1) Are supported by the evidence in the record; and
(2) constitute substantial and compelling reasons for departure.
(e) In any appeal from a judgment of conviction, the appellate court may review a claim that:
(1) A sentence that departs from the presumptive sentence resulted from partiality, prejudice, oppression or corrupt motive;
(2) the sentencing court erred in either including or excluding recognition of a prior conviction or juvenile adjudication for criminal history scoring purposes; or
(3) the sentencing court erred in ranking the crime severity level of the current crime or in determining the appropriate classification of a prior conviction or juvenile adjudication for criminal history purposes.
(f) The appellate court may reverse or affirm the sentence. If the appellate court concludes that the trial court's factual findings are not supported by evidence in the record or do not establish substantial and compelling reasons for a departure, it shall remand the case to the trial court for resentencing.
(g) The appellate court shall issue a written opinion whenever the judgment of the sentencing court is reversed. The court may issue a written opinion in any other case when it is believed that a written opinion will provide guidance to sentencing judges and others in implementing the sentencing guidelines adopted by the Kansas sentencing commission. The appellate courts may provide by rule for summary disposition of cases arising under this section when no substantial question is presented by the appeal.
(h) A review under summary disposition shall be made solely upon the record that was before the sentencing court. Written briefs shall not be required unless ordered by the appellate court and the review and decision shall be made in an expedited manner according to rules adopted by the supreme court.
(i) The sentencing court shall retain authority irrespective of any notice of appeal for 90 days after entry of judgment of conviction to modify its judgment and sentence to correct any arithmetic or clerical errors.
(j) The amendments made to this section by this act are procedural in nature and shall be construed and applied retroactively.

Sec. 15. K.S.A. 2018 Supp. 22-3504 is hereby amended to read as follows: 22-3504. (a) The court may correct an illegal sentence at any time while the defendant is serving such sentence. The defendant shall receive full credit for time spent in custody under the sentence prior to correction. Unless the motion and the files and records of the case conclusively show that the defendant is entitled to no relief, the defendant shall have a right to a hearing, after reasonable notice to be fixed by the court, to be personally present and to have the assistance of counsel in any proceeding for the correction of an illegal sentence.
(b) Clerical mistakes in judgments, orders or other parts of the record and errors in the record arising from oversight or omission may be corrected by the court at any time and after such notice, if any, as the court orders.
(c) For the purposes of this section:
(1) "Illegal sentence" means a sentence: Imposed by a court without jurisdiction; that does not conform to the applicable statutory provision, either in character or punishment; or that is ambiguous with respect to the time and manner in which it is to
be served at the time it is pronounced. A sentence is not an "illegal sentence" because of a change in the law that occurs after the sentence is pronounced.

(2) "Change in the law" means a statutory change or an opinion by an appellate court of the state of Kansas, unless the opinion is issued while the sentence is pending an appeal from the judgment of conviction.

(d) The amendments made to this section by this act are procedural in nature and shall be construed and applied retroactively.

New Sec. 16. If the amendments made to K.S.A. 2018 Supp. 21-6811, 21-6820 and 22-3504 are, or the application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or applications of the amendments made to K.S.A. 2018 Supp. 21-6811, 21-6820 and 22-3504 that can be given effect without the invalid provision or provisions or application, and to this end the amendments made to K.S.A. 2018 Supp. 21-6811, 21-6820 and 22-3504 are severable.

Sec. 17. K.S.A. 2018 Supp. 21-6811, 21-6811c, 21-6820 and 22-3504 are hereby repealed.;

Also on page 6, in line 37, before the first "K.S.A" by inserting "On and after July 1, 2019,"; also in line 37, after "Supp." by inserting "21-5405, 21-5602,"; also in line 37, after the comma by inserting "21-6604,"; also in line 37, after "21-6813" by inserting ", 21-6815,"; in line 38, by striking "and" and inserting "21-6824, 22-2307,;" also in line 38, after "22-2909" by inserting ", 22-3716 and 22-3717"; in line 40, by striking "statute book" and inserting "Kansas register";

"Sec. 2. (a) (1) An applicant shall not be denied tenancy on the basis of, or as a direct result of, the fact that the applicant is a protected person if the applicant otherwise qualifies for tenancy in or occupancy of the premises.

(2) A tenant or lessee shall not be evicted from the premises or found to be in violation of a rental or lease agreement on the basis of, or as a direct result of, the fact that the tenant or lessee is a protected person if the tenant or lessee otherwise qualifies for tenancy in or occupancy of the premises.

(2) In any action brought against a tenant or lessee under Kansas law that seeks recovery of rent, the tenant or lessee shall have an affirmative defense and not be liable for rent for the period after the tenant or lessee vacated the premises that is the subject of the rental or lease agreement if, by a preponderance of the evidence, the court finds that the tenant or lessee:

(A) Was a protected person on the date the tenant or lessee vacated the premises.
that is the subject of the rental or lease agreement; and

(B) notified the landlord or property owner as required in subsection (c).

(3) This section shall not affect a tenant or lessee's liability for late or unpaid rent or other amounts owed to the landlord for the period before the tenant or lessee vacates the premises that is the subject of the rental or lease agreement.

(c) An applicant, tenant or lessee qualifies for the protections under this section if the applicant, tenant or lessee is a protected person and provides a statement regarding domestic violence, sexual assault, human trafficking or stalking to the landlord or property owner. (2) a court order granting relief to the protected person relating to the alleged domestic violence, sexual assault, human trafficking or stalking that is the basis for protection under this section.

(e) A landlord or property owner may impose a reasonable termination fee not to exceed one month's rent on a tenant or lessee who requests termination of a rental or lease agreement under the provisions of this section before the expiration date of such agreement. EXPLANATION OF VOTE

Mr. Speaker: I voted against SB 78 and asked for an amendment to send it back to committee. The section relating to Housing Protections needs to be tightened up legally and added to K.S.A. 58-2501 which is the Landlord Tenant Act. Passing legislation and
putting requirements/rules for landlords in obscure places is counter-productive.—
BARBARA WASINGER, TREVOR JACOBS, ALICA STRAUB

MR. SPEAKER: I Vote No on Conference Committee bundled Bill SB 78. I disagree that
SB 150 Enacting housing protections for victims of domestic violence, sexual assault,
human trafficking or stalking. This is a burden on the private contracts between
Landlords and tenants. – BILL RHILEY

Such internal management would replace the management of all or part of the fund by persons the board has contracted with as provided in subsection (7) of K.S.A. 74-4921(7), and amendments thereto. For purposes of this act, occasional breaks in service which shall not exceed an aggregate of 10 days in any such
year shall not constitute a break in service for purposes of determining the membership date of such employee.

(5) Any employee of the state of Kansas other than an elected official, who is receiving or is eligible for assistance by the state board of regents in the purchase of a retirement annuity under K.S.A. 74-4925, and amendments thereto, and who becomes ineligible for such assistance because such employee's position is reclassified to a position in the classified service under the Kansas civil service act, or who becomes ineligible for such assistance because such person accepts and transfers to a position in the classified service under the Kansas civil service act shall be a member of the system on the first day of the payroll period coinciding with or following the effective date of such reclassification or transfer. Any such employee who became ineligible for such assistance prior to the effective date of this act because of such a reclassification or such a transfer occurring prior to the effective date of this act and who is not a member of the system on the effective date of this act shall be a member of the system on the first day of the payroll period coinciding with or following the effective date of this act.

(6) Any employee of the state board of regents or of an educational institution under its management, other than an elected official, who is a member of the system and who becomes ineligible to be a member of the system because such employee's position is reclassified to a position under the Kansas civil service act which is eligible for assistance by the state board of regents in the purchase of a retirement annuity under K.S.A. 74-4925, and amendments thereto, or who becomes ineligible to be a member of the system because such employee transfers to a position under the Kansas civil service act which is eligible for such assistance, shall become eligible for such assistance in accordance with the provisions of K.S.A. 74-4925, and amendments thereto, unless such employee files a written election in the office of the retirement system, in the form and manner prescribed by the board of trustees thereof, to remain a member of the system prior to the first day of the first complete payroll period occurring after the effective date of such reclassification or transfer. Failure to file such written election shall be presumed to be an election not to remain a member of the system and to become eligible for assistance by the state board of regents in the purchase of a retirement annuity under K.S.A. 74-4925, and amendments thereto. Such election, whether to remain a member of the system or to become eligible for such assistance, shall be effective as of the effective date of such reclassification or transfer, and shall be irrevocable.

(7) Any elected official who at the time of becoming an elected official is already a member of the system by being or having been an employee of a participating employer shall continue as a member of the system.

Sec. 4. K.S.A. 74-4914 is hereby amended to read as follows: 74-4914. (1) The normal retirement date for a member of the system shall be the first day of the month coinciding with or following termination of employment with any participating employer not followed by employment with any participating employer within 60 days, or 180 days as provided in subsection (10), and without any prearranged agreement for employment with any participating employer, and the attainment of age 65 or, commencing July 1, 1993, age 62 with the completion of 10 years of credited service or the first day of the month coinciding with or following the date that the total of the number of years of credited service and the number of years of attained age of the member is equal to or more than 85. In no event shall a normal retirement date for a
member be before six months after the entry date of the participating employer by whom such member is employed. A member may retire on the normal retirement date or on the first day of any month thereafter upon the filing with the office of the retirement system of an application in such form and manner as the board shall prescribe. Such application shall contain a certification by the member that the member will not be employed with any participating employer within 60 days, or 180 days as provided in subsection (10), of retirement and the member has not entered into a prearranged agreement for employment with any participating employer. Nothing herein shall prevent any person, member or retirant from being employed, appointed or elected as an employee, appointee, officer or member of the legislature. Elected officers may retire from the system on any date on or after the attainment of the normal retirement date, but no retirement benefits payable under this act shall be paid until the member has terminated such member’s office.

(2) No retirant shall make contributions to the system or receive service credit for any service after the date of retirement.

(3) Any member who is an employee of an affiliating employer pursuant to K.S.A. 74-4954b, and amendments thereto, and has not withdrawn such member's accumulated contributions from the Kansas police and firemen's retirement system may retire before such member's normal retirement date on the first day of any month coinciding with or following the attainment of age 55.

(4) Any member may retire before such member's normal retirement date on the first day of any month coinciding with or following termination of employment with any participating employer not followed by employment with any participating employer within 60 days, or 180 days as provided in subsection (10), and the attainment of age 55 with the completion of 10 years of credited service, but in no event before six months after the entry date, upon the filing with the office of the retirement system of an application for retirement in such form and manner as the board shall prescribe. The member's application for retirement shall contain a certification by the member that the member will not be employed with any participating employer within 60 days, or 180 days as provided in subsection (10), of retirement and the member has not entered into a prearranged agreement for employment with any participating employer.

(5) Except as provided in subsections (7) and (10), on or after July 1, 2006, through December 31, 2017, for any retirant who is first employed or appointed in or to any position or office by a participating employer other than a participating employer for which such retirant was employed or appointed during the final two years of such retirant's participation, and, on or after April 1, 2009, for any retirant who is employed by a third-party entity who contracts services with a participating employer other than a participating employer for which such retirant was employed or appointed during the final two years of such retirant's participation to fill a position covered under K.S.A. 72-5410(a), and amendments thereto, with such retirant, such participating employer shall pay to the system the actuarially determined employer contribution and the statutorily prescribed employee contribution based on the retirant's compensation during any such period of employment or appointment. If a retirant is employed or appointed in or to any position or office for which compensation for service is paid in an amount equal to $25,000 or more in any one calendar year between July 1, 2016, and January 1, 2018, by any participating employer for which such retirant was employed or appointed during the final two years of such retirant's participation, and, on or after April 1, 2009,
by any third-party entity who contracts services to fill a position covered under K.S.A. 72-5410(a), and amendments thereto, with such retirent with a participating employer for which such retirent was employed or appointed during the final two years of such retirent's participation, such retirent shall not receive any retirement benefit for any month for which such retirent serves in such position or office. The participating employer who employs such retirent whether by contract directly with the retirent or through an arrangement with a third-party entity shall report to the system within 30 days of when the compensation paid to the retirent is equal to or exceeds any limitation provided by this section. Any participating employer who contracts services with any such third-party entity to fill a position covered under K.S.A. 72-5410(a), and amendments thereto, shall include in such contract a provision or condition which requires the third-party entity to provide the participating employer with the necessary compensation paid information related to any such position filled by the third-party entity with a retirent to enable the participating employer to comply with provisions of this subsection relating to the payment of contributions and reporting requirements. The provisions and requirements provided for in amendments made in this act which relate to positions filled with a retirent or employment of a retirent by a third-party entity shall not apply to any contract for services entered into prior to April 1, 2009, between a participating employer and third-party entity as described in this subsection. Any retirent employed by a participating employer or a third-party entity as provided in this subsection shall not make contributions nor receive additional credit under such system for such service except as provided by this section. Upon request of the executive director of the system, the secretary of revenue shall provide such information as may be needed by the executive director to carry out the provisions of this act. The provisions of this subsection shall not apply to retirees employed as substitute teachers without a contract or officers, employees or appointees of the legislature. The provisions of this subsection shall not apply to members of the legislature. The provisions of this subsection shall not apply to any other elected officials. Commencing July 1, 2005, the provisions of this subsection shall not apply to retirees who either retired under the provisions of subsection (1), or, if they retired under the provisions of subsection (4), were retired more than 30 days prior to the effective date of this act and are licensed professional nurses or licensed practical nurses employed by the state of Kansas in an institution as defined in K.S.A. 76-12a01(b) or K.S.A. 38-2302(k), and amendments thereto, the Kansas soldiers' home or the Kansas veterans' home. Nothing in this subsection shall be construed to create any right, or to authorize the creation of any right, which is not subject to amendment or nullification by act of the legislature. The participating employer of such retirent shall pay to the system the actuarially determined employer contribution based on the retirent's compensation during any such period of employment. The provisions of the subsection shall expire on January 1, 2018.

(6) For purposes of this section, any employee of a local governmental unit which has its own pension plan who becomes an employee of a participating employer as a result of a merger or consolidation of services provided by local governmental units, which occurred on January 1, 1994, may count service with such local governmental unit in determining whether such employee has met the years of credited service requirements contained in this section.

(7) (a) (i) Except as provided in K.S.A. 74-4937(3), (4), or (5), and amendments
thereto, and the provisions of this subsection, commencing July 1, 2016, and ending January 1, 2018, any retirant who is employed or appointed in or to any position by a participating employer, an independent contractor or a third-party entity who contracts services with a participating employer to fill a position, without any prearranged agreement with such participating employer and not prior to 60 days after such retirant's retirement date, shall not receive any retirement benefit for any month in any calendar year in which the retirant receives compensation in an amount equal to $25,000 or more, pursuant to this subsection. Any participating employer who hires a retirant covered by this subsection shall pay to the system the statutorily prescribed employer contribution rate for such retirant, without regard to whether the retirant is receiving benefits.

(ii) Commencing January 1, 2018, for all retirements that occurred prior to such date, any retirant who is employed or appointed in or to any position by a participating employer, an independent contractor or a third-party entity who contracts services with a participating employer to fill a position, without any prearranged agreement with such participating employer and not prior to 60 days after such retirant's retirement date, shall not be subject to an earnings limitation that when met or exceeded requires that the retirant not receive a retirement benefit for any month for which such retirant serves in such position. If a retirant is employed in a covered position, as defined in K.S.A. 74-49,202, and amendments thereto, the participating employer of such retirant shall pay to the system the statutorily prescribed employer contribution rate on the first $25,000 of such retirant's compensation in a calendar year and a 30% employer contribution on any compensation in excess of $25,000 in a calendar year during any such period of employment. If a retirant is employed by more than one participating employer or performing duties in more than one position, contributions shall be made on compensation from all such employment for that calendar year. If a retirant is employed in a non-covered position, no employer contribution shall be paid to the system.

(b) The provisions of this subsection shall not apply, except as specifically provided in this subsection, to retirants who are:

(i) Licensed professional nurses or licensed practical nurses employed by the state of Kansas in an institution as defined in K.S.A. 76-12a01(b) or 38-2302(k), and amendments thereto, the Kansas soldiers' home or the Kansas veterans' home. The participating employer of such retirant shall pay to the system the actuarially determined employer contribution based on the retirant's compensation and the statutorily prescribed employee contribution during any such period of employment;

(ii) employed by a school district in a position as provided in K.S.A. 74-4937(3), (4) or (5), and amendments thereto;

(iii) certified law enforcement officers employed by the law enforcement training center. Such law enforcement officers shall receive their benefits notwithstanding this subsection. The law enforcement training center shall pay to the system the actuarially determined employer contribution and the statutorily prescribed employee contribution based on the retirant's compensation during any such period of employment;

(iv) members of the Kansas police and firemen's retirement system pursuant to K.S.A. 74-4951 et seq., and amendments thereto, members of the retirement system for judges pursuant to K.S.A. 20-2601 et seq., and amendments thereto, or members of the state board of regents retirement plan pursuant to K.S.A. 74-4925 et seq., and amendments thereto;
(v) employed as substitute teachers without a contract or officers, employees or appointees of the legislature;
(vi) a poll worker hired to work an election day for a county election officer responsible for conducting all official elections held in the county;
(vii) employed by, or have accepted employment from, a participating employer prior to May 1, 2015. Any break in continuous employment by a retiree or move to a different position by a retiree during the effective period of this subsection shall be deemed new employment and shall subject the retiree to the provisions of this subsection. Commencing January 1, 2018, the participating employer of a retiree described in this subsection (7)(b)(vii) who is employed in a covered position, as defined in K.S.A. 74-49,202, and amendments thereto, shall pay to the system the statutorily prescribed employer contribution rate on the first $25,000 of such retiree's compensation in a calendar year and a 30% employer contribution on any compensation in excess of $25,000 in a calendar year during any such period of employment. If a retiree is employed by more than one participating employer or performing duties in more than one position, contributions shall be made on compensation from all such employment for that calendar year. If a retiree is employed in a non-covered position, no employer contribution shall be paid to the system;
(viii) state or local elected officials. A retiree shall not be employed in an elected office within 30 days of such retiree's retirement, except that if a retiree is filling a vacant elected office, no waiting period shall be required; or
(ix) employed by the Kansas academies of the United States department of defense STARBASE program.

(c) The participating employer shall enroll all retirees, including retirees under subsection (7)(b)(i), (ii), (iii), (vii) and (viii), and report to the system when compensation is paid to a retiree as provided in this subsection. Such report shall contain a certification by the appointing authority of the participating employer that any hired retiree has not been employed by the participating employer within 60 days of such retiree's retirement and that there was no prearranged agreement for employment between the participating employer and the hired retiree. Upon request of the executive director of the system, the participating employer shall provide such information as may be needed by the executive director to carry out the provisions of this subsection. No retiree shall make contributions to the system or receive credit for service while employed under the provisions of this subsection.
(d) A participating employer may employ a retiree without regard to the compensation limitation in this subsection for a period of one calendar year or one school year, as the case may be, if the following requirements are met:
(i) The employer certifies to the board that the position being filled has been vacated due to an unexpected emergency or the employer has been unsuccessful in filling the position;
(ii) the employer pays to the system a 30% employer contribution based on the retiree's compensation during any such period of employment; and
(iii) the employer maintains documentation of its efforts to fill the position with a non-retiree and provides such documentation to the joint committee on pensions, investments and benefits upon request of the committee.
The provisions of this paragraph shall expire on January 1, 2018.
(e) An employer may submit a written assurance protocol to the system to extend
the exception provided for in subsection (7)(d) by one-year increments for a total extension not to exceed three years. A written assurance protocol shall be submitted to the system for each one-year increment extension. If a school district submits a written assurance protocol, such written assurance protocol shall be signed by the superintendent and the board president of such school district. If a municipality, as defined in K.S.A. 75-1117, and amendments thereto, other than a school district, submits a written assurance protocol, such written assurance protocol shall be signed by the governing body or such governing body's designee for such municipality. Such written assurance protocol shall state that the position was advertised on multiple platforms for a minimum of 30 calendar days and that at least one of the following conditions occurred:

(i) No applications were submitted for the position;
(ii) if applications were submitted, none of the applicants met the reference screening criteria of the employer; or
(iii) if applications were submitted, none of the applicants possessed the appropriate licensure, certification or other necessary credentials for the position.

The provisions of this paragraph shall expire on January 1, 2018.

(f) Retirants who are independent contractors or employees of third-party entities who contract with a participating employer, shall not be subject to the compensation limitation or employer contribution requirements in this subsection or the requirements of subsection (7)(c) regarding enrollment and reporting to the system, so long as all of the following apply:

(A) The contractual relationship was not created to allow the retiree to continue employment with the participating employer after retirement in a position similar to the one such retiree held prior to retirement;

(B) the activities performed by the independent contractor or third-party entity are not normally performed exclusively by employees of that participating employer; and

(C) the retiree meets the classification of independent contractor as provided in K.S.A. 2018 Supp. 44-768, and amendments thereto, or activities performed by the third-party entity that employs the retiree are performed on a limited-term basis and the third-party entity is not a participating employer in the system.

(g) Nothing in this subsection shall be construed to create any right, or to authorize the creation of any right, which is not subject to amendment or nullification by act of the legislature.

(8) (a) Except as provided in subsection (8)(b), if determined by the retirement system that a retiree entered into a prearranged agreement for employment with a participating employer prior to such retiree's retirement and prior to the end of the subsequent 60-day waiting period, or the 180-day waiting period under subsection (10), the monthly retirement benefit of such retiree shall be suspended during the period that begins on the month in which the retiree is re-employed and ends six months after the retiree's termination of such employment. The retiree shall repay to the retirement system all monthly retirement benefits paid to the retiree by the retirement system that the retiree received after such employment began. The participating employer which hired such retiree shall be required to pay to the system any fees, fines, penalties or any other cost imposed by the internal revenue service and indemnify the system for any cost incurred by the system to defend any action brought by the internal revenue service based on in-service distributions which are a result of any determined prearranged
agreement and for any cost incurred by the system to collect any monthly retirement benefit required to be repaid by such retirant pursuant to this subsection.

(b) For members who retired on and after July 1, 2016, and on or before July 1, 2019, if determined by the retirement system that a retirant entered into a prearranged agreement for employment with a participating employer prior to such retirant's retirement date and the subsequent 60-day waiting period, or the 180-day waiting period under subsection (10), and upon being notified of the violation, the retirant terminated such employment, the provisions of subsection (a) shall not apply. If any retirant had benefits suspended prior to July 1, 2019, such benefits shall be reimbursed by the retirement system, if the retirant terminated such prearranged employment in accordance with the provisions of this act. On and after July 1, 2019, the executive director may waive such penalties under this subsection if it is determined by the retirement system that any of the following conditions were satisfied:

(i) The retirant's total length of reemployment was less than 21 calendar days;

(ii) the retirant's total compensation during the total length of reemployment was less than 10% of the amount of such retirant's retirement benefit that would be suspended pursuant to this subsection; or

(iii) other facts and circumstances indicated that the retirant would not have been reemployed but for an error on the part of the participating employer or the retirement system in verifying the retirement status of such retirant and such retirant immediately terminated employment upon being notified of the violation.

(c) On or before the first day of each regular session of the legislature, beginning with the 2020 regular session, the executive director shall submit an annual report on the number of waivers granted pursuant to subsection (8)(b) in the prior calendar year to the joint committee on pensions, investments and benefits, the house of representatives standing committee on financial institutions and pensions and the senate standing committee on financial institutions and insurance, or the successors of such committees.

(9) For the purposes of this section a prearranged agreement for employment may be determined by whether the facts and circumstances of the situation indicate that the employer and employee reasonably anticipated that further services would be performed after the employe's retirement.

(10) (a) Notwithstanding the provisions of subsection (5) or (7) to the contrary, commencing January 1, 2018, any retirant who is retired more than 60 days, if such retirant's age on the date of retirement is 62 or older, or is retired more than 180 days, if such retirant's age on the date of retirement is less than 62, and who is subsequently hired without any prearranged agreement with the participating employer in a covered position, as defined in K.S.A. 74-49,202, and amendments thereto, or an independent contractor or a third-party entity who contracts service to fill such covered position shall not be subject to an earnings limitation that when met or exceeded requires that the retirant not receive a retirement benefit for any month for which such retirant serves in such covered position. The participating employer of such retirant shall pay to the system the statutorily prescribed employer contribution rate on the first $25,000 of such retirant's compensation in a calendar year and a 30% employer contribution on any compensation in excess of $25,000 in a calendar year during any such period of employment. If a retirant is employed by more than one participating employer or performing duties in more than one position, contributions shall be made on compensation from all such employment for that calendar year.
(b) Notwithstanding the provisions of subsection (5) or (7) to the contrary, commencing January 1, 2018, any retirent who is retired more than 60 days, if such retirent's age on the date of retirement is 62 or older, or is retired more than 180 days, if such retirent's age on the date of retirement is less than 62, and who is subsequently hired without any prearranged agreement with the participating employer in a non-covered position, or an independent contractor or a third-party entity who contracts service to fill such non-covered position, shall not be subject to an earnings limitation that when met or exceeded requires that the retirent not receive a retirement benefit for any month for which such retirent serves in such non-covered position. No employer contribution shall be paid to the system on compensation paid to a retirent hired in a non-covered position.

(c) The participating employer shall enroll all retirants, including retirants under subsection (7)(b)(i), (ii), (iii), (vii) and (viii), and report to the system when compensation is paid to a retirent as provided in this subsection. Such report shall contain a certification by the appointing authority of the participating employer that any hired retirent has not been employed by the participating employer within 60 days of such retirent's retirement in the case of a retirent whose age on the date of retirement is 62 or older, or within 180 days of such retirent's retirement in the case of a retirent whose age on the date of retirement is less than 62, and that there was no prearranged agreement for employment between the participating employer and the hired retirent. Upon request of the executive director of the system, the participating employer shall provide such information as may be needed by the executive director to carry out the provisions of this subsection. No retirent shall make contributions to the system or receive credit for service while employed under the provisions of this subsection.

(d) The provisions of this subsection relating to an earnings limitation and employer contributions shall not apply to any retirent described in subsection (7)(b) or to retirants who are independent contractors or employees of third-party entities who contract with a participating employer as described in subsection (7)(f), except as specifically provided in this subsection.

(e) Nothing in this subsection shall be construed to create any right, or to authorize the creation of any right that is not subject to amendment or nullification by act of the legislature.

(A) The person routinely underwrites or rates such condition in the same manner with respect to an insured or an applicant who is not a victim of abuse;

(B) the fact that an individual is, has been or may be the subject of abuse may not be considered a physical or mental condition; and

(C) such underwriting or rating is not used to evade the intent of this section or any other provision of the Kansas insurance code.

(vi) Any person who underwrites or rates a risk on the basis of preexisting physical or mental condition as set forth in subsection (7)(d)(v), shall treat such underwriting or rating as an adverse underwriting decision pursuant to K.S.A. 40-2,112, and amendments thereto.

(vii) The provisions of subsection (d) this paragraph shall apply to all policies of life and accident and health insurance issued in this state after the effective date of this act and all existing contracts which are renewed on or after the effective date of this act.

(e) Refusing to insure, or refusing to continue to insure, or limiting the amount, extent or kind of coverage available for life insurance to an individual, or charging an individual a different rate for the same coverage, solely because of such individual’s status as a living organ donor. With respect to all other conditions, persons who are living organ donors shall be subject to the same standards of sound actuarial principles or actual or reasonably anticipated experience as are persons who are not organ donors.

(8) Rebates. (a) Except as otherwise expressly provided by law, knowingly permitting, offering to make or making any contract of life insurance, life annuity or accident and health insurance, or agreement as to such contract other than as plainly expressed in the insurance contract issued thereon; paying, allowing, giving or offering to pay, allow or give, directly or indirectly, as inducement to such insurance, or annuity, any rebate of premiums payable on the contract, any special favor or advantage in the dividends or other benefits thereon, or any valuable consideration or inducement whatever not specified in the contract; or giving, selling, purchasing or offering to give, sell or purchase as inducement to such insurance contract or annuity or in connection therewith, any stocks, bonds or other securities of any insurance company or other corporation, association or partnership, or any dividends or profits accrued thereon, or anything of value whatsoever not specified in the contract.

(b) Nothing in subsection (7) or (8)(a) shall be construed as including within the definition of discrimination or rebates any of the following practices:

(i) In the case of any contract of life insurance or life annuity, paying bonuses to policyholders or otherwise abating their premiums in whole or in part out of surplus accumulated from nonparticipating insurance. Any such bonuses or abatement of
premiums shall be fair and equitable to policyholders and for the best interests of the company and its policyholders;

(ii) in the case of life insurance policies issued on the industrial debit plan, making allowance to policyholders who have continuously for a specified period made premium payments directly to an office of the insurer in an amount which fairly represents the saving in collection expenses; or

(iii) readjustment of the rate of premium for a group insurance policy based on the loss or expense experience thereunder, at the end of the first or any subsequent policy year of insurance thereunder, which may be made retroactive only for such policy year.

(9) Unfair claim settlement practices. It is an unfair claim settlement practice if any of the following or any rules and regulations pertaining thereto are:—(A) either committed flagrantly and in conscious disregard of such provisions, or (B) committed with such frequency as to indicate a general business practice;

(a) Misrepresenting pertinent facts or insurance policy provisions relating to coverages at issue;

(b) failing to acknowledge and act reasonably promptly upon communications with respect to claims arising under insurance policies;

(c) failing to adopt and implement reasonable standards for the prompt investigation of claims arising under insurance policies;

(d) refusing to pay claims without conducting a reasonable investigation based upon all available information;

(e) failing to affirm or deny coverage of claims within a reasonable time after proof of loss statements have been completed;

(f) not attempting in good faith to effectuate prompt, fair and equitable settlements of claims in which liability has become reasonably clear;

(g) compelling insureds to institute litigation to recover amounts due under an insurance policy by offering substantially less than the amounts ultimately recovered in actions brought by such insureds;

(h) attempting to settle a claim for less than the amount to which a reasonable person would have believed that such person was entitled by reference to written or printed advertising material accompanying or made part of an application;

(i) attempting to settle claims on the basis of an application which was altered without notice to, or knowledge or consent of the insured;

(j) making claims payments to insureds or beneficiaries not accompanied by a statement setting forth the coverage under which payments are being made;

(k) making known to insureds or claimants a policy of appealing from arbitration awards in favor of insureds or claimants for the purpose of compelling them to accept settlements or compromises less than the amount awarded in arbitration;

(l) delaying the investigation or payment of claims by requiring an insured, claimant or the physician of either to submit a preliminary claim report and then requiring the subsequent submission of formal proof of loss forms, both of which submissions contain substantially the same information;

(m) failing to promptly settle claims, where liability has become reasonably clear, under one portion of the insurance policy coverage in order to influence settlements under other portions of the insurance policy coverage; or
