EXPLANATIONS OF VOTE

Mr. Speaker: I vote no on House Sub for SB 25. While some members may vote no for other reasons, I vote no because we will expand Medicaid for over 130,000 of our friends and neighbors, unless we throw in the towel and leave town. The health, and the very lives, of our neighbors depend on this vote. Make no mistake, a yes vote no matter the reason is a vote against Medicaid expansion.
I therefore vote no on House Sub for SB 25. — John Carmichael, Pam Curtis, Ponka-We Victors

Mr. Speaker: I vote No on H Sub for SB 25. We desperately need more prison beds. This measure will delete $11 million for increasing the number of prison beds. Kansas has 1400 more inmates than in 2010 but we only have the same level of staff and facility capacity. The state has gone to double bunking in Maximum Security. No wonder there have been prison riots. Next year, it is projected there will be an increase of 375 more offenders. This was our only chance to remedy the crisis this year. — Nancy Lusk

Mr. Speaker: I vote No! on H Sub for SB 25. Today the National Alliance of Mental Illness held their annual walk — here in Topeka. By failing to add medicaid expansion to the budget, many of these individuals will not be able to receive the medical treatment they need and deserve. — Freda Warfield

Mr. Speaker: I vote no on H Sub for SB 25. Body, this one is personal. In 2012, my mother-in-law was escaping a domestic violence situation, so we moved her to the Kansas City area. Like many rural poor, she hadn't seen a doctor in years, so we applied for Medicaid. She fell into the gap and was denied.
A few years later, health issues popped up but it was too little, too late. Every day, I think of what could have happened if we got her care the first time. I was proud to be elected, but today I feel shame the coalition did not hold together. — Rui Xu

Mr. Speaker: I voted against H Sub for SB 25 to bring forth discussion and a vote on Medicaid Expansion — a matter Kansans have said they both want and need.
Our duty as lawmakers is not to ourselves, our ownership in legislation, or our political allegiances. Our duty is to the people of Kansas. The people of Kansas are right to doubt us, and they are right to lack faith in these institutions designed to serve them. The actions of the past several days have revealed with alarming clarity that the will of a few can, and does, supercede the will of the people of Kansas. — Jason Probst, Jim Gartner, Cindy Neibhor

Mr. Speaker: I voted No on H Sub for SB 25 because it as a way to deny Medicaid expansion. Many in this chamber are laughing and celebrating this “Political victory.” Maybe I could temper that laughter by citing the Harvard study which points out that between 600-700 Kansans will die in the next year due to a lack of Medicaid expansion. So please go ahead and laugh, I will not be joining you and those of you who call yourselves “pro life” and laugh at this outcome should be ashamed. — Jerry Stogsdill
MR. SPEAKER: I’ve heard a lot of concern about wait lists - but what are the numbers? Well let me give you some numbers 130,000 - 150,000 people - these are children, women and men waiting for medical services through medicaid expansion. How’s that for a wait list?

The citizens of Kansas don’t want to hear lip service from us—they need medicaid expansion now. Medicaid expansion will help more people with mental illness receive community based services. Do the right thing for the people in your districts and the state. I vote no on H Sub for SB 25. – SUSAN RUZI

MR. SPEAKER: I vote no on H Sub for SB 25. Today, I am proud to stand, as I always have: as a pro-business legislator who is strongly aligned with the legislative platforms of my Chambers of Commerce. I vote no on this budget, and yes on medicaid expansion. You still have a chance to stand with me. – STEPHANIE CLAYTON

MR. SPEAKER: I vote no on H Sub for SB 25 to respect the majority opinion of Kansans, of House members and Senate members who have shown they want to take advantage of the 90% match of federal funds, to help the working poor in need of health care.

With the increased record spending in this bill, we could have fixed the Corrections crisis in our state. Prioritizing El Dorado salary increases and leaving Lansing, Hutchinson, and other facilities as mere contingencies is not right. I vote no for my local correction workers. – JEFF PITTMAN

MR. SPEAKER: Body, thank you for indulging my explanation. I vote NO on H Sub SB 25. While there are many parts of this budget that I am proud to celebrate, some that are very personal to me, my district, and my community. I feel that the people of Kansas lost today. Democracy in action is this Statehouse listening to its residents and allowing debate and a vote on issues in both chambers. We need Medicaid expansion, and my NO vote was to allow for the debate to continue. – BRANDON WOODARD

MR. SPEAKER: I vote No on H Sub for SB 25. We can shoot through a Farm Bureau bill in record time, but we have to study this. We all know what the deal was. We all stayed and you all strayed. I can't believe we can't stay solid for a few hours while 130,000 Kansans who are working can't get health insurance. – TIMOTHY HODGE

MR. SPEAKER: I talked with our former colleague Greg Lewis this morning. He indicated he’d kept up with recent proceedings. He was proud of our coalition and had this advice regarding Medicaid Expansion: Go. For. It. I’ve been in this fight since before getting elected. I won’t go through the reasons of why it makes sense to support Expansion. We have to ask ourselves, why does government exist? One of the functions of government is to protect it’s people - it’s a basic expectation. But if we aren’t willing to protect our people from dying, then why do we exist? – CINDY HOLSCHER

MR. SPEAKER: We vote yes on H Sub for SB 25. The funny thing is I don't want to support this budget. It spends too much and is not spent correctly. It does do many good things for Kansas, but to the detriment of the taxpayer that already has the 5th highest tax burden in the Nation.

Sadly, this isn’t a vote for a budget. We have been forced to make a medicaid expansion vote yet again! I am forced to support this budget because this budget is...
temporary, but Medicaid Expansion is Permanent and not right for Kansas. – STEPHEN OWENS, RENE Erickson, FRANCIS AwerKAMP, MICHAEL Capps, TORY MARIE Arnberger, RON HIGHLAND, ALICIA STRaub, BILL RHILEY, BLake CARpENTER, ADAM THOMAS, MEGAN LYNN, LEO Delperdang

MR. SPEAKER: We had a nurse practitioner bill that would have helped deliver healthcare at a reasonable cost in Kansas in many underserved areas, a pro-job-growth bill that was gutted for Medicaid expansion and passed by the House. In spite of my concerns about how - and how much - this budget spends, I’m told not voting for this budget will lead to Medicaid expansion, which many of us believe is not good for Kansas, becoming law in Kansas. For this reason I must vote yes on H Sub for SB 25 – CharlOTTe esAu, Dan Hawkins

MR. SPEAKER: I vote Yes today on the Conference Committee Report on H Sub for SB 25. This budget for FY 2020 is huge. It is the largest in state history. But it is defensible for What it does for our prisons, social services, KPERS and schools. Increases in the budget like this however are not sustainable. The focus going forward has to be on economy and efficiency in all state spending. I was saddened by the attempt of some to hold this budget hostage for partisan political purposes. I am proud of the House majority that did their duty and were not swayed by false narratives and inaccurate data on issues that did not relate to the FY 2020 budget. – Paul Waggoner

On motion of Rep. Hawkins, the House recessed until 9:20 p.m.

CONFERENCE COMMITTEE REPORT

MR. SPEAKER and MADAM PRESIDENT: Your committee on conference on Senate amendments to HB 2033 submits the following report:

The House accedes to all Senate amendments to the bill, and your committee on conference further agrees to amend the bill as printed with Senate Committee amendments, as follows:

On page 16, following line 43, by inserting:

"Sec. 3. K.S.A. 2018 Supp. 79-32,117 is hereby amended to read as follows: 79-
32,117. (a) The Kansas adjusted gross income of an individual means such individual's federal adjusted gross income for the taxable year, with the modifications specified in this section.

(b) There shall be added to federal adjusted gross income:

(i) Interest income less any related expenses directly incurred in the purchase of state or political subdivision obligations, to the extent that the same is not included in federal adjusted gross income, on obligations of any state or political subdivision thereof, but to the extent that interest income on obligations of this state or a political subdivision thereof issued prior to January 1, 1988, is specifically exempt from income tax under the laws of this state authorizing the issuance of such obligations, it shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income. Interest income on obligations of this state or a political subdivision thereof issued after December 31, 1987, shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income.

(ii) Taxes on or measured by income or fees or payments in lieu of income taxes imposed by this state or any other taxing jurisdiction to the extent deductible in determining federal adjusted gross income and not credited against federal income tax. This paragraph shall not apply to taxes imposed under the provisions of K.S.A. 79-1107 or 79-1108, and amendments thereto, for privilege tax year 1995, and all such years thereafter.

(iii) The federal net operating loss deduction, except that the federal net operating loss deduction shall not be added to an individual's federal adjusted gross income for tax years beginning after December 31, 2016.

(iv) Federal income tax refunds received by the taxpayer if the deduction of the taxes being refunded resulted in a tax benefit for Kansas income tax purposes during a prior taxable year. Such refunds shall be included in income in the year actually received regardless of the method of accounting used by the taxpayer. For purposes hereof, a tax benefit shall be deemed to have resulted if the amount of the tax had been deducted in determining income subject to a Kansas income tax for a prior year regardless of the rate of taxation applied in such prior year to the Kansas taxable income, but only that portion of the refund shall be included as bears the same proportion to the total refund received as the federal taxes deducted in the year to which such refund is attributable bears to the total federal income taxes paid for such year. For purposes of the foregoing sentence, federal taxes shall be considered to have been deducted only to the extent such deduction does not reduce Kansas taxable income below zero.

(v) The amount of any depreciation deduction or business expense deduction claimed on the taxpayer's federal income tax return for any capital expenditure in making any building or facility accessible to the handicapped, for which expenditure the taxpayer claimed the credit allowed by K.S.A. 79-32,177, and amendments thereto.

(vi) Any amount of designated employee contributions picked up by an employer pursuant to K.S.A. 12-5005, 20-2603, 74-4919 and 74-4965, and amendments thereto.

(vii) The amount of any charitable contribution made to the extent the same is claimed as the basis for the credit allowed pursuant to K.S.A. 79-32,196, and amendments thereto.

(viii) The amount of any costs incurred for improvements to a swine facility,
claimed for deduction in determining federal adjusted gross income, to the extent the same is claimed as the basis for any credit allowed pursuant to K.S.A. 2018 Supp. 79-32,204, and amendments thereto.

(a) On and after October 1, 2019, any marketplace facilitator that meets the criteria in subsection (b) or that has a physical presence in this state, must collect and remit retail sales or use tax on all taxable retail sales made or facilitated by the marketplace facilitator into this state pursuant to this act. Marketplace facilitators meeting the requirements of subsection (b) must begin collecting state and local retail sales or use taxes on taxable retail sales made or facilitated by the marketplace facilitator sourced to this state beginning on the first day of the next calendar month that is at least 30 days from the date that the marketplace facilitator met the threshold described in subsection (b).

(b) A marketplace facilitator is subject to subsection (a) if:

(1) (A) For calendar year 2018, the marketplace facilitator made or facilitated retail sales sourced to this state in excess of $100,000 of cumulative gross receipts from retail sales sourced to this state;

(B) for the period beginning on January 1, 2019, through September 30, 2019, the marketplace facilitator made or facilitated retail sales sourced to this state in excess of $100,000 of cumulative gross receipts from retail sales sourced to this state; or

(C) during the current or immediately preceding calendar year, the marketplace

New Sec. 9. (a) In addition to other applicable recordkeeping requirements, the department may require a marketplace facilitator or referrer to provide or make available to the department any information the department determines is reasonably necessary to enforce the provisions of this act, the Kansas retailers' sales tax act and the Kansas compensating tax act. Such information may include documentation of sales made by marketplace sellers through the marketplace facilitator's physical or electronic marketplace. The department may prescribe by rules and regulations the form and manner for providing this information.

(b) A marketplace facilitator is relieved of liability under this act for failure to collect the correct amount of tax to the extent that the marketplace facilitator can show to the department's satisfaction that the error was due to incorrect information given to the marketplace facilitator by the marketplace seller, unless the marketplace facilitator and marketplace seller are affiliated persons. When the marketplace facilitator is relieved of liability under this subsection, the marketplace seller is solely liable for the amount of uncollected tax due.

(c) Except as otherwise provided in this section, a marketplace seller otherwise obligated to collect the taxes imposed under this act is not required to collect such taxes on all taxable retail sales through a marketplace operated by a marketplace facilitator if the marketplace seller entered into an agreement with the marketplace facilitator indicating that the marketplace facilitator is registered with the department and will collect all applicable taxes due under this act, the Kansas retailers' sales tax act or the Kansas compensating tax act on all taxable retail sales made on behalf of the marketplace seller through the marketplace operated by the marketplace facilitator. This subsection does not relieve a marketplace seller from liability for uncollected taxes due under this act, the Kansas retailers' sales tax act or the Kansas compensating tax act resulting from a marketplace facilitator's failure to collect the proper amount of tax due when the error was due to insufficient or incorrect information given to the marketplace facilitator by the marketplace seller.

(d) No class action may be brought against a marketplace facilitator in any court of this state on behalf of purchasers arising from or in any way related to an overpayment of sales or use tax collected by the marketplace facilitator or referrer, regardless of whether that claim is characterized as a tax refund claim. Nothing in this subsection affects a purchaser's right to seek a refund from the department as provided by the Kansas retailers' sales tax act.

New Sec. 10. (a) Except as otherwise provided in this act, taxes imposed under the Kansas retailers' sales tax act or the Kansas compensating tax act and payable by a consumer directly to the department are due, on returns prescribed by the department, as
prescribed by those acts.

(b) Nothing in this act affects the obligation of any purchaser from this state to remit retail sales or use tax as to any applicable taxable transaction in which the seller does not collect and remit retail sales or use tax.

New Sec. 11. (a) A marketplace facilitator that is subject to section 8, and amendments thereto, and is complying with the requirements of the Kansas retailers' sales tax act or the Kansas compensating tax act may only seek a recovery of retail sales and use taxes, penalties or interest from the department by following the recovery procedures established under the Kansas retailers' sales tax act. However, no claim may be granted on the basis that the taxpayer lacked a physical presence in this state and complied with the tax collection provisions of the Kansas retailers' sales tax act or the Kansas compensating tax act voluntarily.

(b) Neither the state nor any marketplace facilitator that collects and remits retail sales or use tax under section 8, and amendments thereto, is liable to a purchaser that claims that the retail sales or use tax has been over-collected because a provision of this act is later deemed unlawful.

New Sec. 12. A marketplace seller, or a marketplace facilitator that is obligated to collect the taxes imposed under this act, the Kansas retailers' sales tax act or Kansas compensating tax act must also collect all other applicable taxes and fees in effect as of the effective date of this section. For purposes of this section, "taxes and fees" means any monetary exaction, regardless of its label, imposed on a buyer and that the marketplace seller or marketplace facilitator is required to collect and pay over to the department.

Beginning on October 1, 2019, the collection and remittance obligation of a marketplace facilitator under this act also applies to any other taxes and fees, as defined under this section, that are imposed on a retail sale made or facilitated by the marketplace facilitator, whether in its own right or as an agent of a marketplace seller, regardless of whether the marketplace seller has a tax collection obligation.

New Sec. 13. Except as otherwise provided in this act, the provisions of K.S.A. 79-3601 through 79-3696, and amendments thereto, relating to enforcement, collection and administration, insofar as practicable, shall have full force and effect with respect to taxes imposed under the provisions of the Kansas main street parity act.

New Sec. 14. The secretary of revenue shall adopt such rules and regulations as deemed necessary for the administration of this act.

New Sec. 15. If any provision of the Kansas main street parity act or the application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or applications of the act that can be given effect without the invalid provision or application, and to this end the provisions of this act are severable.

New Sec. 16. (a) There is hereby levied and there shall be collected and paid a tax upon the gross receipts from the sale of food and food ingredients. The rate of tax shall be 6.5%, except as otherwise provided pursuant to section 17, and amendments thereto.

(b) The provisions of this section shall not apply to prepared food, unless sold without eating utensils provided by the seller and described below:

Upon receipt of such certified amount, the secretary shall compute as follows:

For calculating a reduction in the state rate for sales and compensating use taxes on food and food ingredients, the certified amount from subsection (a) in dollars shall be computed by the secretary for a reduction rounded down to the nearest 0.1% in the sales and compensating use tax rates on food and food ingredients, if any, to go into effect for the next calendar year that would reduce the revenue from sales and compensating use taxes on food and food ingredients in an amount approximately equal to the amount computed by the secretary. Such rate reductions shall remain in effect unless further reduced pursuant to this section. The rate reductions pursuant to this section shall be applied until the state rates for sales and compensating use taxes on food and food ingredients are reduced to 0%. The secretary shall publish the new sales and compensating use tax rates to take effect on July 1 for calendar year 2020; and on January 1 for all calendar years thereafter, by October 1 of the preceding year. In the event that the amount provided in subsection (a) does not exceed the base year amount, the reduction in the state rate for sales and compensating use tax on food and food ingredients is 0%. The state rate for sales and compensating use taxes shall not increase when revenue pursuant to subsection (a) is less than the base year amount.

(B) Any affiliated person conducting activities in this state described in subparagraph (A) or (C) has nexus with this state sufficient to require such person to collect and remit taxes under the provisions of the constitution and laws of the United States if such person were making taxable retail sales of tangible personal property or services in this state.

(C) The retailer enters into an agreement with one or more residents of this state under which the resident, for a commission or other consideration, directly or indirectly refers potential customers, whether by a link or an internet website, by telemarketing, by an in-person oral presentation, or otherwise, to the retailer, if the cumulative gross receipts from sales by the retailer to customers in the state who are referred to the retailer by all residents with this type of an agreement with the retailer is in excess of $10,000 during the preceding 12 months. This presumption may be rebutted by submitting proof that the residents with whom the retailer has an agreement did not engage in any activity within the state that was significantly associated with the retailer's ability to establish or maintain the retailer's market in the state during the preceding 12 months. Such proof may consist of sworn written statements from all of the residents with whom the retailer has an agreement stating that they did not engage in any solicitation in the state on behalf of the retailer during the preceding year, provided that such statements were provided and obtained in good faith. This subparagraph shall take effect 90 days after the enactment of this statute and shall apply to sales made and uses occurring on or after the effective date of this subparagraph and without regard to the date the retailer and the resident entered into the agreement described in this subparagraph. The term "preceding 12 months" as used in this subparagraph includes the 12 months commencing prior to the effective date of this subparagraph.

(D) The presumptions in subparagraphs (A) and (B) may be rebutted by demonstrating that the activities of the person or affiliated person in the state are not significantly associated with the retailer's ability to establish or maintain a market in this state for the retailer's sales. The retailer is subject to the provisions set forth in subsection (h)(1)(G) for a retailer doing business in this state and has in excess of $100,000 of cumulative gross receipts from sales by the retailer to customers in this state. Such retailer shall have nexus with this state sufficient to require such retailer to collect and remit taxes under the provisions of the constitution and laws of the United States if such retailer were making taxable retail sales of tangible personal property in
this state.

(3) The processing of orders electronically, by fax, telephone, the internet or other electronic ordering process, does not relieve a retailer of responsibility for collection of the tax from the purchaser if the retailer is doing business in this state pursuant to this section.

(i) "Director" means the director of taxation.

(j) As used in this section, "affiliated person" means any person that is a member of the same "controlled group of corporations" as defined in section 1563(a) of the federal internal revenue code as the retailer or any other entity that, notwithstanding its form of organization, bears the same ownership relationship to the retailer as a corporation that is a member of the same "controlled group of corporations" as defined in section 1563(a) of the federal internal revenue code. "Cumulative gross receipts" means gross receipts as defined in K.S.A. 79-3602, and amendments thereto, and includes the gross receipts received by the retailer from its own direct sales combined with the gross receipts from sales facilitated on behalf of the retailers by a marketplace facilitator or marketplace facilitators, as defined in section 7, and amendments thereto.

Sec. 22. K.S.A. 2018 Supp. 79-3703 is hereby amended to read as follows: 79-3703. There is hereby levied and there shall be collected from every person in this state a tax or excise for the privilege of using, storing, or consuming within this state any article of tangible personal property. Such tax shall be levied and collected in an amount equal to the consideration paid by the taxpayer multiplied by the rate of 6.5% and on and after October 1, 2019, the rate on food and food ingredients as provided in section 16, and amendments thereto. Within a redevelopment district established pursuant to K.S.A. 74-8921, and amendments thereto, there is hereby levied and there shall be collected and paid an additional tax of 2% until the earlier of: (1) The date the bonds issued to finance or refinance the redevelopment project undertaken in the district have been paid in full; or (2) the final scheduled maturity of the first series of bonds issued to finance the redevelopment project. All property purchased or leased within or without this state and subsequently used, stored or consumed in this state shall be subject to the compensating tax if the same property or transaction would have been subject to the Kansas retailers' sales tax had the transaction been wholly within this state.

Sec. 23. K.S.A. 2018 Supp. 79-3710 is hereby amended to read as follows: 79-3710. (a) All revenue collected or received by the director under the provisions of this act shall be remitted to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury, less amounts set apart as provided in subsection (b) and amounts credited as provided in subsection (c), (d) and (e), to the credit of the state general fund.

(b) A revolving fund, designated as "compensating tax refund fund" not to exceed $10,000 shall be set apart and maintained by the director from compensating tax collections and estimated tax collections and held by the state treasurer for prompt payment of all compensating tax refunds. Such fund shall be in such amount, within the limit set by this section, as the director shall determine is necessary to meet current refunding requirements under this act.

(c) (1) On July 1, 2010, the state treasurer shall credit 11.427% of the revenue collected and received from the tax imposed by K.S.A. 79-3703, and amendments thereto, at the rate of 6.3%, and deposited as provided by subsection (a), exclusive of
amounts credited pursuant to subsection (d), in the state highway fund.

(2) On July 1, 2011, the state treasurer shall credit 11.26% of the revenue collected and received from the tax imposed by K.S.A. 79-3703, and amendments thereto, at the rate of 6.3%, and deposited as provided by subsection (a), exclusive of amounts credited pursuant to subsection (d), in the state highway fund.

(3) On July 1, 2012, the state treasurer shall credit 11.233% of the revenue collected and received from the tax imposed by K.S.A. 79-3703, and amendments thereto, at the rate of 6.3%, and deposited as provided by subsection (a), exclusive of amounts credited pursuant to subsection (d), in the state highway fund.

(4) On July 1, 2013, the state treasurer shall credit 17.073% of the revenue collected and received from the tax imposed by K.S.A. 79-3703, and amendments thereto, at the rate of 6.15%, and deposited as provided by subsection (a), exclusive of amounts credited pursuant to subsection (d), in the state highway fund.

(5) On July 1, 2015, the state treasurer shall credit 16.226% of the revenue collected and received from the tax imposed by K.S.A. 79-3703, and amendments thereto, at the rate of 6.5%, and deposited as provided by subsection (a), exclusive of amounts credited pursuant to subsection (d), in the state highway fund.

(6) On July 1, 2016, and thereafter, the state treasurer shall credit 16.154% of the revenue collected and received from the tax imposed by K.S.A. 79-3703, and amendments thereto, and section 16, and amendments thereto, at the rate of 6.5%, rates provided in K.S.A. 79-3703, and amendments thereto, and section 16 or 17, and amendments thereto, and deposited as provided by subsection (a), exclusive of amounts credited pursuant to subsection (d), in the state highway fund.

(d) The state treasurer shall credit all revenue collected or received from the tax imposed by K.S.A. 79-3703, and amendments thereto, as certified by the director, from taxpayers doing business within that portion of a redevelopment district occupied by a redevelopment project that was determined by the secretary of commerce to be of statewide as well as local importance or will create a major tourism area for the state as defined in K.S.A. 12-1770a, and amendments thereto, to the city bond finance fund created by K.S.A. 79-3620(d), and amendments thereto. The provisions of this subsection shall expire when the total of all amounts credited hereunder and under K.S.A. 79-3620(d), and amendments thereto, is sufficient to retire the special obligation bonds issued for the purpose of financing all or a portion of the costs of such redevelopment project.

This subsection shall not apply to a project designated as a special bond project as defined in K.S.A. 12-1770a(z), and amendments thereto.

(e) All revenue certified by the director of taxation as having been collected or received from the tax imposed by K.S.A. 79-3603(c), and amendments thereto, on the sale or furnishing of gas, water, electricity and heat for use or consumption within the intermodal facility district described in this subsection, shall be credited by the state treasurer to the state highway fund. Such revenue may be transferred by the secretary of transportation to the rail service improvement fund pursuant to law. The provisions of this subsection shall take effect upon certification by the secretary of transportation that a notice to proceed has been received for the construction of the improvements within the intermodal facility district, but not later than December 31, 2010, and shall expire when the secretary of revenue determines that the total of all amounts credited hereunder and pursuant to K.S.A. 79-3620(e), and amendments thereto, is equal to
$53,300,000, but not later than December 31, 2045. Thereafter, all revenues shall be collected and distributed in accordance with applicable law. For all tax reporting periods during which the provisions of this subsection are in effect, none of the exemptions contained in K.S.A. 79-3601 et seq., and amendments thereto, shall apply to the sale or furnishing of any gas, water, electricity and heat for use or consumption within the intermodal facility district. As used in this subsection, "intermodal facility district" shall consist of an intermodal transportation area as defined by K.S.A. 12-1770a(a), and amendments thereto, located in Johnson county within the polygonal-shaped area having Waverly Road as the eastern boundary, 191st Street as the southern boundary, Four Corners Road as the western boundary, and Highway 56 as the northern boundary, and the polygonal-shaped area having Poplar Road as the eastern boundary, 183rd Street as the southern boundary, Waverly Road as the western boundary, and the BNSF mainline track as the northern boundary, that includes capital investment in an amount exceeding $150 million for the construction of an intermodal facility to handle the transfer, storage and distribution of freight through railway and trucking operations.

Sec. 24. K.S.A. 2018 Supp. 79-32,143 is hereby amended to read as follows: 79-32,143. (a) For net operating losses incurred in taxable years beginning after December 31, 1987, and prior to January 1, 2018, a net operating loss deduction shall be allowed in the same manner that it is allowed under the federal internal revenue code except that such net operating loss may only be carried forward to each of the 10 taxable years following the taxable year of the net operating loss. For net operating losses incurred in taxable years beginning after December 31, 2017, a net operating loss deduction shall be allowed in the same manner that it is allowed under the federal internal revenue code except that such net operating loss deduction: (1) May only be carried forward to each of the 20 taxable years following the taxable year of the net operating loss; and (2) shall be the lesser of: (A) The aggregate Kansas net operating loss carryover to such year, or (B) 80% of Kansas taxable income computed without regard to the Kansas net operating loss deduction allowable under this section. For net operating farm losses, as defined by subsection (i) of section 172 of the federal internal revenue code, incurred in taxable years beginning after December 31, 1999, a net operating loss deduction shall be allowed in the same manner that it is allowed under the federal internal revenue code except that such net operating loss may be carried forward to each of the 10 taxable years following the taxable year of the net operating loss. The amount of the net operating loss that may be carried back or forward for Kansas income tax purposes shall be that portion of the federal net operating loss allocated to Kansas under this act in the taxable year that the net operating loss is sustained.

(b) The amount of the loss to be carried back or forward will be the federal net operating loss after: (1) All modifications required under this act applicable to the net loss in the year the loss was incurred; and (2) after apportionment as to source in the case of corporations, nonresident individuals for losses incurred in taxable years beginning prior to January 1, 1978, and nonresident estates and trusts in the same manner that income for such corporations, nonresident individuals, estates and trusts is required to be apportioned.

(c) If a net operating loss was incurred in a taxable year beginning prior to January 1, 1988, the amount of the net operating loss that may be carried back and carried forward and the period for which it may be carried back and carried forward shall be determined under the provisions of the Kansas income tax laws which were in effect
during the year that such net operating loss was incurred.

(d) If any portion of a net operating loss described in subsections (a) and (b) is not utilized prior to the final year of the carryforward period provided in subsection (a), a refund shall be allowable in such final year in an amount equal to the refund which would have been allowable in the taxable year the loss was incurred by utilizing the three year carryback provided under K.S.A. 79-32,143, as in effect on December 31, 1987, multiplied by a fraction, the numerator of which is the unused portion of such net operating loss in the final year, and the denominator of which is the amount of such net operating loss which could have been carried back to the three years immediately preceding the year in which the loss was incurred. In no event may such fraction exceed 1.

(e) Notwithstanding any other provisions of the Kansas income tax act, the net operating loss as computed under subsections (a), (b) and (c) of this section shall be allowed in full in determining Kansas taxable income or at the option of the taxpayer allowed in full in determining Kansas adjusted gross income.

(f) No refund of income tax which results from a net operating farm loss carry back shall be allowed in an amount exceeding $1,500 in any year. Any overpayment in excess of $1,500 may be carried forward to any year or years after the year of the loss and may be claimed as a credit against the tax. The refundable portion of such credit shall not exceed $1,500 in any year.

(g) For tax year 2013, and all tax years thereafter, a net operating loss allowed by this section shall only be available to taxpayers subject to the income tax on corporations imposed pursuant to subsection (e) of K.S.A. 79-32,110(e), and amendments thereto, and used only to determine such taxpayer's corporate income tax liability.

Sec. 25. K.S.A. 2018 Supp. 79-32,143a is hereby amended to read as follows: 79-32,143a. (a) For taxable years beginning after December 31, 2014, 2018, a taxpayer may elect to take an expense deduction from Kansas net income before expensing or recapture allocated or apportioned to this state for the cost of the following property placed in service in this state during the taxable year: (1) Tangible property eligible for depreciation under the modified accelerated cost recovery system in section 168 of the internal revenue code, as amended, but not including residential rental property, nonresidential real property, any railroad grading or tunnel bore or any other property with an applicable recovery period in excess of 25 years as defined under section 168(c) or (g) of the internal revenue code, as amended; and (2) computer software as defined in section 197(e)(3)(B) of the internal revenue code, as amended, and as described in section 197(e)(3)(A)(i) of the internal revenue code, as amended, to which section 167 of the internal revenue code, as amended, applies. If such election is made, the amount of expense deduction for such cost shall equal the difference between the depreciable cost of such property for federal income tax purposes and the sum of the amount of bonus depreciation being claimed for such property pursuant to section 168(k) and the amount of expensing deduction being claimed for such property pursuant to section 179 of the internal revenue code, as amended, for federal income tax purposes in such tax year, but without regard to any expense deduction being claimed for such property under section 179 of the internal revenue code, as amended, multiplied by the applicable factor, determined by using, the table provided in subsection (f), based on the method of depreciation selected pursuant to section 168(b)(1), (2), or (3) or (g) of the
internal revenue code, as amended, and the applicable recovery period for such property as defined under section 168(c) or (g) of the internal revenue code, as amended. This election shall be made by the due date of the original return, including any extensions, and may be made only for the taxable year in which the property is placed in service, and once made, shall be irrevocable. If the section 179 expense deduction election has been made for federal income tax purposes for any asset, the applicable factor to be utilized is in the IRC § 168 (b)(1) column of the table provided in subsection (f) for the applicable recovery period of the respective assets.

(b) If the amount of expense deduction calculated pursuant to subsection (a) exceeds the taxpayer's Kansas net income before expensing or recapture allocated or apportioned to this state, such excess amount shall be treated as a Kansas net operating loss as provided in K.S.A. 79-32,143, and amendments thereto.

(c) If the property for which an expense deduction is taken pursuant to subsection (a) is subsequently sold during the applicable recovery period for such property as defined under section 168(c) of the internal revenue code, as amended, and in a manner that would cause recapture of any previously taken expense or depreciation deductions for federal income tax purposes, or if the situs of such property is otherwise changed such that the property is relocated outside the state of Kansas during such applicable recovery period, then the expense deduction determined pursuant to subsection (a) shall be subject to recapture and treated as Kansas taxable income allocated to this state. The amount of recapture shall be the Kansas expense deduction determined pursuant to subsection (a) multiplied by a fraction, the numerator of which is the number of years remaining in the applicable recovery period for such property as defined under section 168(c) or (g) of the internal revenue code, as amended, after such property is sold or removed from the state including the year of such disposition, and the denominator of which is the total number of years in such applicable recovery period.

(d) The situs of tangible property for purposes of claiming and recapture of the expense deduction shall be the physical location of such property. If such property is mobile, the situs shall be the physical location of the business operations from where such property is used or based. The situs of computer software shall be apportioned to Kansas based on the fraction, the numerator of which is the number of the taxpayer's users located in Kansas of licenses for such computer software used in the active conduct of the taxpayer's business operations, and the denominator of which is the total number of the taxpayer's users of the licenses for such computer software used in the active conduct of the taxpayer's business operations everywhere.

(e) Any member of a unitary group filing a combined report may elect to take an expense deduction pursuant to subsection (a) for an investment in property made by any member of the combined group, provided that the amount calculated pursuant to subsection (a) may only be deducted from the Kansas net income before expensing or recapture allocated to or apportioned to this state by such member making the election.

(f) The following table shall be used in determining the expense deduction calculated pursuant to subsection (a):

EXPLANATIONS OF VOTE

Mr Speaker: I vote no on HB 2033. This is a resurrection of the already-vetoed SB 22 – yet another attempt at a tax giveaway for giant multinational corporations. This bill is fiscally irresponsible and would return us to the era of the Brownback tax experiment, an era that devastated our economy, our schools, agencies, and our state. We are just beginning to recover from that devastation. I will not support a bill that benefits giant corporations over the people of Kansas, the people that elected us here to represent them and their interests. – Tom Sawyer, Valdenia Winn, Ponka-We Victors, Pam Curtis, Brett Parker, Eileen Horn, Cindy Holscher, Nancy Lusk, Susan Ruiz, Dennis “Boog” Hightberger, KC Ohaebosim, John Carmichael, Monica Murman, Jerry W. Stogsdill, Stephanie Clayton, Brandon Woodard, Rui Xu, Virgil Weigel, Mike Amyx, Freda Warfield, Jason Probst, Cindy Neighbor, Tim C. Hodge, Jerrod Ousley, Elizabeth Bishop

Mr. Speaker: I’m told that 12-13% of Kansans, 36-39,000 of my fellow citizens, would have likely itemized in Kansas this year had this been law already. While the amount may have been small for some, many of them are greatly impacted by this unintended tax increase. To not provide relief for them is unconscionable. In addition, thousands of citizens’ jobs are provided by the businesses who also need relief from unintended tax increases. There are additional things I’d like to see addressed with our tax code but this is a good start. I vote yes on HB 2033. – Charlotte Esau

(h) "Renewal" as used in subsection (g), refers to the first or second opportunity after December 31, 2011, that an emergency medical technician-intermediate and emergency medical technician-defibrillator has to apply for renewal of a certificate.

(i) An individual who holds both an emergency medical technician-intermediate certificate and an emergency medical technician-defibrillator certificate, who fails to meet the transition requirements as specified may complete either the board-prescribed emergency medical technician transition course or emergency medical responder-transition course, and provide validation of cognitive and psychomotor competency and all continuing education hour requirements inclusive of successful completion of a transition course as determined by rules and regulations of the board. Such individual shall not be required to file an original application for certification as an emergency medical technician or emergency medical responder.

(j) Failure to successfully complete either the advanced emergency medical technician-transition requirements, an emergency medical technician-transition course
or the emergency medical responder transition course will result in loss of certification.

(d) No medical adviser director who reviews, approves and monitors the activities of attendants emergency medical service providers shall be liable for any civil damages as a result of such review, approval or monitoring, except such damages—which that may result from gross negligence in such review, approval or monitoring.

Sec. 25. K.S.A. 65-6126 is hereby amended to read as follows: 65-6126. Each emergency medical service shall have a medical director appointed by the operator of the service to review and implement medical protocols, approve and monitor the activities, competency and education of the attendants emergency medical service providers. The board may approve an alternative procedure for medical oversight if no medical director is available.

Sec. 26. K.S.A. 65-6127 is hereby amended to read as follows: 65-6127. (a) Application for a permit to operate an ambulance service shall be made to the board by the operator of the ambulance service upon forms provided by the administrator and shall be accompanied by a permit fee—which that shall be a base amount plus an amount for each vehicle used by such operator in such operator's ambulance service and—which that shall be fixed by rules and regulations of the board to cover all or any part of the cost of regulation of ambulance services.

(b) The application shall state the name of the operator, the names of the attendants emergency medical service providers of such ambulance service, the primary territory for which the permit is sought, the type of service offered, the location and physical description of the facility whereby calls for service will be received, the facility wherein vehicles are to be garaged, a description of vehicles and other equipment to be used by the service and such other information as the board may require.

(c) Nothing in this act shall be construed as granting an exclusive territorial right to operate an ambulance service. Upon change of ownership of an ambulance service the permit issued to such service shall expire 60 days after the change of ownership.
Sec. 27. K.S.A. 65-6129 is hereby amended to read as follows: 65-6129. (a) (1) Application for an attendant’s emergency medical service provider certificate shall be made to the board. The board shall not grant an attendant’s emergency medical service provider certificate unless the applicant meets the following requirements:

(A) (i) Has successfully completed coursework required by the rules and regulations adopted by the board;

(ii) has successfully completed coursework in another jurisdiction that is substantially equivalent to that required by the rules and regulations adopted by the board; or

(iii) has provided evidence that such applicant holds a current and active certification with the national registry of emergency medical technicians, completed emergency medical technician training as a member of the army, navy, marine corps, air force, air or army national guard, coast guard or any branch of the military reserves of the United States that is substantially equivalent to that required by the rules and regulations adopted by the board, and such applicant separated from such military service with an honorable discharge;

(B) (i) has passed the examination required by the rules and regulations adopted by the board; or

(ii) has passed the certification or licensing examination in another jurisdiction that has been approved by the board; and

(C) has paid an application fee required by the rules and regulations adopted by the board.

(2) The board may grant an attendant’s emergency medical service provider certificate to any applicant who meets the requirements under subsection (a)(1)(A)(iii) but was separated from such military service with a general discharge under honorable conditions.

(b) (1) The board shall not grant a temporary attendant’s certificate unless the applicant meets the following requirements:

(A) If the applicant is certified or licensed as an attendant in another jurisdiction, but the applicant's coursework is determined not to be substantially equivalent to that required by the board, such temporary certificate shall be valid for one year from the date of issuance or until the applicant has completed the required coursework, whichever occurs first; or

(B) if the applicant has completed the required coursework, has taken the required examination, but has not received the results of the examination, such temporary certificate shall be valid for 120 days from the date of the examination.

(2) An applicant who has been granted a temporary certificate shall be under the direct supervision of a physician, a physician assistant, a professional nurse or an attendant holding a certificate at the same level or higher than that of the applicant. The emergency medical services board may require an original applicant for certification as an emergency medical services provider to be fingerprinted and submit to a state and national criminal history record check. The fingerprints shall be used to identify the applicant and to determine whether the applicant has a record of criminal history in this state or another jurisdiction. The emergency medical services board is authorized to submit the fingerprints to the Kansas bureau of investigation and the federal bureau of investigation for a state and national criminal history record check. The emergency medical services board may use the information obtained from fingerprinting and the
applicant's criminal history for purposes of verifying the identification of the applicant and making the official determination of the qualifications and fitness of the applicant to be issued or to maintain a certificate.

(2) Local and state law enforcement officers and agencies shall assist the emergency medical services board in taking the fingerprints of applicants for license, registration, permit or certificate. The Kansas bureau of investigation shall release all records of adult convictions, nonconvictions or adjudications in this state and any other state or country to the emergency medical services board.

(3) The emergency medical services board may fix and collect a fee as may be required by the board in an amount equal to the cost of fingerprinting and the criminal history record check. The emergency medical services board shall remit all moneys received from the fees established by this section to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the emergency medical services criminal history and fingerprinting fund.

(4) There is hereby created in the state treasury the emergency medical services criminal history and fingerprinting fund. All moneys credited to the fund shall be used to pay the Kansas bureau of investigation for the processing of fingerprints and criminal history record checks for the emergency medical services board. The fund shall be administered by the emergency medical services board. All expenditures from the fund shall be made in accordance with appropriation acts upon warrants of the director of accounts and reports issued pursuant to vouchers approved by the chairperson of the emergency medical services board or the chairperson's designee.

(c) The board shall not grant an initial emergency medical technician intermediate certificate, advanced emergency medical technician certificate, mobile intensive care technician certificate, or paramedic certificate as a result of successful course completion in the state of Kansas, unless the applicant for such an initial certificate is certified as an emergency medical technician.

(d) An attendant's emergency medical service provider certificate shall expire on the date prescribed by the board. An attendant's emergency medical service provider certificate may be renewed for a period of two years upon payment of a fee as prescribed by rule and regulation of the board and upon presentation of satisfactory proof that the attendant emergency medical service provider has successfully completed continuing education as prescribed by the board.

(e) All fees received pursuant to the provisions of this section shall be remitted to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the emergency medical services operating fund established by K.S.A. 65-6151, and amendments thereto.

(f) If a person who was previously certified as an attendant emergency medical service provider applies for an attendant's emergency medical service provider's certificate after the certificate's expiration, the board may grant a certificate without the person completing an initial course of instruction or passing a certification examination if the person has completed education requirements and has paid a fee as specified in rules and regulations adopted by the board.

(g) The board shall adopt, through rules and regulations, a formal list of graduated sanctions for violations of article 61 of chapter 65 of the Kansas Statutes Annotated, and
amendments thereto, which shall specify the number and severity of violations for
the imposition of each level of sanction.

Sec. 28. K.S.A. 65-6129a is hereby amended to read as follows: 65-6129a. (a) While engaged in a course of training or continuing education approved by the board
within a medical care facility, a student or attendant emergency medical service
provider engaged in such training or continuing education shall be under the
supervision of a physician or a professional nurse. While engaged in training or
continuing education in emergency or nonemergency transportation outside a medical
care facility, a student or attendant emergency medical service provider shall be under
the direct supervision of an attendant emergency medical service provider who is at the
minimum certified to provide the level of care for which the student is seeking
certification or the attendant emergency medical service provider receiving the training
is certified or shall be under the direct supervision of a physician or a professional
nurse.

(b) Nothing in the provisions of article 61 of chapter 65 of the Kansas Statutes
Annotated or acts amendatory of the provisions thereof or supplemental, and
amendments thereto, shall be construed to preclude the provision of authorized
activities by students enrolled in a training program while engaged in such program.

Sec. 29. K.S.A. 65-6129b is hereby amended to read as follows: 65-6129b. (a) Application for an instructor-coordinator's certificate shall be made to the board upon
forms provided by the executive director. The board may grant an instructor-coordinator's certificate to an attendant emergency medical service provider who: (1)
Has served as an attendant emergency medical service provider in the emergency
medical services field during the preceding 12 months prior to applying for such
certificate; (2) has made application within one year after successfully completing the
training, approved by the board, in instructing and coordinating attendant emergency medical service provider training programs; (3) has passed an examination prescribed
by the board; and (4) has paid a fee as prescribed by rules and regulations of the board.

(b) The board may grant an instructor-coordinator's certificate to a physician or a
professional nurse who: (1) Has made application within one year after successfully
completing the training, approved by the board, in instructing and coordinating attendant emergency medical service provider training programs; (2) has passed an
examination prescribed by the board; and (3) has paid a fee as prescribed by rules and
regulations of the board.

(c) An instructor-coordinator's instructor-coordinator's emergency medical service
provider certificate shall expire on the expiration date of the attendant's instructor-coordinator's emergency medical service provider certificate if the instructor-coordinator is an attendant emergency medical service provider or on the expiration date of the physician's or professional nurse's license if the instructor is a physician or professional nurse. An instructor-coordinator's certificate may be renewed for the same period as the attendant's emergency medical service provider certificate or the physician's or professional nurse's license upon payment of a fee as prescribed by rule and regulation of the board and upon presentation of satisfactory proof that the instructor-coordinator has successfully
completed continuing education as prescribed by the board. The board may prorate to
the nearest whole month the fee fixed under this subsection as necessary to implement
the provisions of this subsection.

(d) An instructor-coordinator's instructor-coordinator certificate may be denied,
revoke[d], limited, modified or suspended by the board or the board may refuse to renew such certificate if such individual:

(1) Does not hold an attendant's emergency medical service provider certificate or a physician's or professional nurse's license;

(2) has made misrepresentations intentionally in obtaining a certificate or renewing a certificate;

(3) has demonstrated incompetence or engaged in unprofessional conduct as defined by rules and regulations adopted by the board;

(4) has violated or aided and abetted in the violation of any provision of this act or rules and regulations adopted by the board; or

(5) has been convicted of any state or federal crime that is related substantially to the qualifications, functions and duties of an instructor-coordinator or any crime punishable as a felony under any state or federal statute, and the board determines that such individual has not been sufficiently rehabilitated to warrant the public trust. A conviction means a plea of guilty, a plea of nolo contendere or a verdict of guilty. The board may take disciplinary action pursuant to this section when the time for appeal has expired, or after the judgment of conviction is affirmed on appeal or when an order granting probation is made suspending the imposition of sentence.

(e) The board may deny, limit, modify, revoke or suspend a certificate or the board may refuse to renew such certificate in accordance with the provisions of the Kansas administrative procedure act.

(f) All fees received pursuant to this section shall be remitted to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the state general fund.

(g) If a person who was previously certified as an instructor-coordinator applies for an instructor-coordinator certificate within two years of the date of its expiration, the board may grant a certificate without the person completing the training or passing an examination if the person complies with the other provisions of subsection (a) or (b) and completes continuing education requirements prescribed by the board.

Sec. 30. K.S.A. 65-6130 is hereby amended to read as follows: 65-6130. (a) The board may inquire into the operation of ambulance services and the conduct of attendant's emergency medical service providers, and may conduct periodic inspections of facilities, communications services, materials and equipment at any time without notice.

(b) The board may issue subpoenas in accordance with the provisions of K.S.A. 65-6111(d), and amendments thereto, to compel an operator holding a permit to make access to or for the production of records regarding services performed and to furnish such other information as the board may require to carry out the provisions of this act to the same extent and subject to the same limitations as would apply if the subpoenas were issued or served in aid of a civil action in the district court. A copy of such records shall be kept in the operator's files for a period of not less than three years.

(c) The board also may require operators to submit lists of personnel employed and to notify the board of any changes in personnel or in ownership of the ambulance service.

Sec. 31. K.S.A. 65-6133 is hereby amended to read as follows: 65-6133. (a) An attendant's emergency medical service provider certificate may be denied, revoked,

To strengthen the policy of open government, the legislature shall consider the criteria in this section before enacting an exception to disclosure.

(b) Subject to the provisions of subsections (g) and (h), any new exception to disclosure or substantial amendment of an existing exception shall expire on July 1 of the fifth year after enactment of the new exception or substantial amendment, unless the legislature acts to continue the exception. A law that enacts a new exception or substantially amends an existing exception shall state that the exception expires at the end of five years and that the exception shall be reviewed by the legislature before the scheduled date.

(c) For purposes of this section, an exception is substantially amended if the amendment expands the scope of the exception to include more records or information. An exception is not substantially amended if the amendment narrows the scope of the exception.

(d) This section is not intended to repeal an exception that has been amended following legislative review before the scheduled repeal of the exception if the exception is not substantially amended as a result of the review.

(e) In the year before the expiration of an exception, the revisor of statutes shall certify to the president of the senate and the speaker of the house of representatives, by July 15, the language and statutory citation of each exception that will expire in the following year which meets the criteria of an exception as defined in this section. Any exception that is not identified and certified to the president of the senate and the speaker of the house of representatives is not subject to legislative review and shall not expire. If the revisor of statutes fails to certify an exception that the revisor subsequently determines should have been certified, the revisor shall include the exception in the following year's certification after that determination.

(f) "Exception" means any provision of law that creates an exception to disclosure or limits disclosure under the open records act pursuant to K.S.A. 45-221, and amendments thereto, or pursuant to any other provision of law.

(g) A provision of law that creates or amends an exception to disclosure under the open records law shall not be subject to review and expiration under this act if such provision:

(1) Is required by federal law;
(2) applies solely to the legislature or to the state court system;
(3) has been reviewed and continued in existence twice by the legislature; or
(4) has been reviewed and continued in existence by the legislature during the 2013 legislative session and thereafter.

(h) (1) The legislature shall review the exception before its scheduled expiration and consider as part of the review process the following:

(A) What specific records are affected by the exception;
(B) whom does the exception uniquely affect, as opposed to the general public;
(C) what is the identifiable public purpose or goal of the exception;
(D) whether the information contained in the records may be obtained readily by alternative means and how it may be obtained;
(2) an exception may be created or maintained only if it serves an identifiable public purpose and may be no broader than is necessary to meet the public purpose it serves. An identifiable public purpose is served if the legislature finds that the purpose is sufficiently compelling to override the strong public policy of open government and cannot be accomplished without the exception and if the exception:

(A) Allows the effective and efficient administration of a governmental program, which administration would be significantly impaired without the exception;

(B) protects information of a sensitive personal nature concerning individuals, the release of which such information would be defamatory to such individuals or cause unwarranted damage to the good name or reputation of such individuals or would jeopardize the safety of such individuals. Only information that would identify the individuals may be excepted under this paragraph; or

(C) protects information of a confidential nature concerning entities, including, but not limited to, a formula, pattern, device, combination of devices, or compilation of information which is used to protect or further a business advantage over those who do not know or use it if the disclosure of which such information would injure the affected entity in the marketplace.

(3) Records made before the date of the expiration of an exception shall be subject to disclosure as otherwise provided by law. In deciding whether the records shall be made public, the legislature shall consider whether the damage or loss to persons or entities uniquely affected by the exception of the type specified in paragraph (2)(B) or (2)(C) would occur if the records were made public.

(2) Exceptions contained in the following statutes as certified by the revisor of statutes to the president of the senate and the speaker of the house of representatives pursuant to subsection (e) and that have been reviewed during the 2015 legislative session and continued in existence by the legislature as provided in subsection (g) are hereby continued in existence: 17-2036, 40-5301, 45-221(a)(45), (46) and (49), 48-16a10, 58-4616, 60-3351, 72-972a, 74-50,217 and 75-53,105.

(b) (1) The order of protective custody may be issued only after the court has determined there is probable cause to believe the allegations in the application are true. The order shall remain in effect until the temporary custody hearing provided for in K.S.A. 2018 Supp. 38-2243, and amendments thereto, unless earlier rescinded by the court.

2) No child shall be held in protective custody for more than 72 hours, excluding Saturdays, Sundays, legal holidays, and days on which the office of the clerk of the court is not accessible, unless within the 72-hour period a determination is made as to the necessity for temporary custody in a temporary custody hearing. The time spent in custody pursuant to K.S.A. 2018 Supp. 38-2232, and amendments thereto, shall be included in calculating the 72-hour period. Nothing in this subsection shall be construed to mean that the child must remain in protective custody for 72 hours. If a child is in the protective custody of the secretary, the secretary shall allow at least one supervised visit between the child and the parent or parents within such time period as the child is in protective custody. The court shall have the authority to require any person or entity agreeing to participate in the plan to perform as set out in the plan. When the child is placed in the protective custody of the secretary, the secretary shall have the discretionary authority to place the child with a parent or to make other suitable placement for the child. When the child is placed in the temporary custody of the secretary and the child has been subjected to human trafficking or aggravated human trafficking, as defined by K.S.A. 2018 Supp. 21-5426, and amendments thereto, or commercial sexual exploitation of a child, as defined by K.S.A. 2018 Supp. 21-6422, and amendments thereto, or the child committed an act which, if committed by an adult, would constitute a violation of K.S.A. 2018 Supp. 21-6419, and amendments thereto, the secretary shall have the discretionary authority to place the child in a staff secure facility, notwithstanding any other provision of law. (d) The order of protective custody shall be served pursuant to K.S.A. 2018 Supp. 38-2237(a), and amendments thereto, on the child's parents and any other person having legal custody of the child. The order shall prohibit the removal of the child from the court's jurisdiction without the court's permission.

(e) If the court issues an order of protective custody, the court may also enter an order restraining any alleged perpetrator of physical, sexual, mental or emotional abuse of the child from residing in the child's home; visiting, contacting, harassing or intimidating the child, other family member or witness; or attempting to visit, contact, harass or intimidate the child, other family member or witness. Such restraining order shall be served by personal service pursuant to K.S.A. 2018 Supp. 38-2237(a), and amendments thereto, on any alleged perpetrator to whom the order is directed.

(f) (1) The court shall not enter the initial order removing a child from the custody of a parent pursuant to this section unless the court first finds probable cause that: (A) the child is likely to sustain harm if not immediately removed from the home;

If an order of temporary custody is entered and the parent or other person having custody of the child has not been notified of the hearing, did not appear or waive appearance and requests a rehearing, the court shall rehear the matter without unnecessary delay.
(e) Oral notice may be used for giving notice of a temporary custody hearing where there is insufficient time to give written notice. Oral notice is completed upon filing a certificate of oral notice.

   (A) A parent or other person having custody of the child and may enter a restraining order pursuant to subsection (h);

if the child has no identifiable parental or family resources or shows signs of physical,
mental, emotional or sexual abuse.
(2) If the secretary presents the court with a plan to provide services to a child or
family which the court finds will assure the safety of the child, the court may only place
the child in the temporary custody of the secretary until the court finds the services are
in place. The court shall have the authority to require any person or entity agreeing to
participate in the plan to perform as set out in the plan. When the child is placed in the
temporary custody of the secretary, the secretary shall have the discretionary authority
to place the child with a parent or to make other suitable placement for the child. When
the child is placed in the temporary custody of the secretary and the child has been
subjected to human trafficking or aggravated human trafficking, as defined by K.S.A.
2018 Supp. 21-5426, and amendments thereto, or commercial sexual exploitation of a
child, as defined by K.S.A. 2018 Supp. 21-6422, and amendments thereto, or the child
committed an act which, if committed by an adult, would constitute a violation of
K.S.A. 2018 Supp. 21-6419, and amendments thereto, the secretary shall have the
discretionary authority to place the child in a staff secure facility, notwithstanding any
other provision of law. When the child is presently alleged, but not yet adjudicated to be
a child in need of care solely pursuant to K.S.A. 2018 Supp. 38-2202(d)(9) or (d)(10),
and amendments thereto, the child may be placed in a juvenile detention facility or

facility under this section and K.S.A. 2018 Supp. 38-2242, and amendments thereto,
shall not exceed 24 hours, excluding Saturdays, Sundays, legal holidays, and days on
which the office of the clerk of the court is not accessible. The order of temporary
custody shall remain in effect until modified or rescinded by the court or an
adjudication order is entered but not exceeding 60 days, unless good cause is shown and
stated on the record.
(h) If the court issues an order of temporary custody, the court may also enter an
order restraining any alleged perpetrator of physical, sexual, mental or emotional abuse
of the child from residing in the child's home; visiting, contacting, harassing or

of a parent pursuant to this section unless the court first finds probable cause that: (A)

placed in the custody of the secretary, upon making the order the court shall provide the
secretary with a written copy.

Sec. 8. K.S.A. 2018 Supp. 79-32,117 is hereby amended to read as follows: 79-32,117. (a) The Kansas adjusted gross income of an individual means such individual's federal adjusted gross income for the taxable year, with the modifications specified in this section.

(b) There shall be added to federal adjusted gross income:

(i) Interest income less any related expenses directly incurred in the purchase of state or political subdivision obligations, to the extent that the same is not included in federal adjusted gross income, on obligations of any state or political subdivision thereof, but to the extent that interest income on obligations of this state or a political
subdivision thereof issued prior to January 1, 1988, is specifically exempt from income
tax under the laws of this state authorizing the issuance of such obligations, it shall be
excluded from computation of Kansas adjusted gross income whether or not included in
federal adjusted gross income. Interest income on obligations of this state or a political
subdivision thereof issued after December 31, 1987, shall be excluded from
computation of Kansas adjusted gross income whether or not included in federal

proportion to the total refund received as the federal taxes deducted in the year to which

deducted only to the extent such deduction does not reduce Kansas taxable income
below zero.

Prayer by Chaplain Brubaker,

Almighty and gracious God,
We thank you for this day You have provided us.
This past weekend we took the time
to remember those who have sacrificed their lives
so we can enjoy the freedoms we have.
One of those freedoms we exercise
is that of voting for individuals to be a member of this body
to come together to discuss and pass legislation that enable us
to better enjoy and live with our freedoms.
This past session, we have seen the freedom of speech,
of sharing ideas and opinions, of voting,
and of representing the people of this great state.
These leaders have not taken these freedoms lightly.
For all that has been accomplished the past few months,
we thank You for Your wisdom and guidance.
Not everyone is happy with every decision,
but with the ending of this session,
may everyone be happy and content in knowing they did their best,
they worked their hardest,
and together, they worked together to follow Your leading.
We thank You for this.
Please be with all those affected by the tornados and flooding.
Bring quick relief and recovery,
and, Lord, we could really use some dry sunshine, please.
In Christ’s Name I pray, Amen.

MESSAGE FROM THE GOVERNOR
REGARDING VETO OF HOUSE BILL 2033

I have a long record of supporting responsible, commonsense tax policy. Unfortunately, that is not what House Bill 2033 represents. It will decimate the state’s ability to pay our bills and invest in our people. Just as Kansas begins to stabilize after years of senseless fiscal crisis, House Bill 2033 will create a $1 billion deficit within three years.

As Governor, one of my top priorities is to lower our state’s unacceptably high tax on food. We must first provide relief for those who need it most and then ultimately for all Kansans. We need stability so our tax code can offer certainty to businesses and families. This all must go hand-in-hand with rebuilding our state’s rainy-day fund, so we can weather economic downturns without putting our schools and children at risk. Kansas is also long overdue for a thorough, nonpartisan study of how we can ensure our tax code is fair and truly incentivizes economic growth – in urban and rural communities alike. Our state has not conducted such a study since 1995.

Kansans deserve a plan. Successful tax reform must be shaped by a thoughtful, big-picture vision – not by a rushed attempt to achieve an immediate political victory. To that end, my administration recently began outlining a plan to help build this vision, which I look forward to sharing in the weeks to come.

Pro-business, pro-growth, pro-family tax policy can absolutely reshape Kansas for the better, but only if it fixes the failures of the past, not repeats them. I was elected to rebuild our state; House Bill 2033 is not the way to do it.

Therefore, under Article 2, Section 14(a) of the Kansas Constitution, I hereby veto House Bill 2033.

Dated: May 17, 2019

LAURA KELLY
Governor of Kansas
INTRODUCTION OF ORIGINAL MOTIONS AND HOUSE RESOLUTIONS

On emergency motion of Rep. Hawkins, pursuant to House Rule 2311, **HCR 5015** was advanced to Final Action on Bills and Concurrent Resolutions.

FINAL ACTION ON BILLS AND CONCURRENT RESOLUTIONS

**HCR 5015.** A CONCURRENT RESOLUTION ratifying the May 9, 2019, State of Disaster Emergency declaration issued by Governor Laura Kelly and providing for the continuation thereof for certain Kansas counties until January 13, 2020, was considered on final action.

On roll call, the vote was: Yeas 116; Nays 0; Present but not voting: 0; Absent or not voting: 9.

Nays: None.

Present but not voting: none.

Absent or not voting: Claeys, Frownfelter, Henderson, Jennings, Kuether, Lusk, Ohaebosim, Pittman, Winn.

The resolution was adopted.

CONSIDERATION OF VETO

The Governor's objection to **HB 2033** having been read (HJ Page 1917) question being shall the bill be passed notwithstanding the Governor's veto?

Call of the House was demanded.

On roll call, the vote was: Yeas 78; Nays 39; Present but not voting: 0; Absent or not voting: 8.

Present but not voting: none.

Absent or not voting: Claey, Frownfelter, Henderson, Jennings, Kuether, Lusk, Ohaebosim, Winn.

A two-thirds majority of the members elected to the House not having voted in favor of the bill over the Governor's veto, the motion did not prevail, the bill did not pass, and the veto was sustained.

EXPLANATIONS OF VOTE

Mr. Speaker: I vote yes on HB 2033. I helped rid Kansas of Brownback's tax experiment, reinstating things like mortgage deductions. This bill provides targeted fair tax options for our working families. It reduced slightly our high food tax and provides new revenue from ever growing internet sales, helping Kansas Retailers compete.

Federal laws broadened foreign income taxable base, to dissuade corporate off shoring. This GILTI bucket negatively affects low asset firms, like tech firms. Kansas needs to attract these businesses and harmonize this GILTI provision with neighbor states. Foreign markets continue to be high opportunity, high growth areas. This bill helps us in economic development. – Jeff Pittman

Mr Speaker: I respectfully vote “no” on reconsideration of House Bill 2033.

Today I stand with the good, hard-working people of House District 5 in voting “no.” We NEED a comprehensive PLAN. A financial plan for our future: education, mental health, and critical government services, like law enforcement, transportation, and courts. This includes living wages for our State employees.

I stand with our veterans, senior citizens, families, and the working poor struggling to pay daily expenses. WE need PROPERTY tax relief. And sales tax on food. House District 5 has made that clear. HB 2033 fails these priorities.

Initially I voted “PRESENT.” Leadership’s “call of the House” forces me to vote “NO.” – Mark Samsel

The Senate adopts the Conference Committee report on SB 53.
Announcing adoption of HCR 5014.
MESSAGE FROM THE SENATE

Announcing the Senate herewith transmits the veto message from the Governor on H Sub SB 25: AN ACT making and concerning appropriations for fiscal years ending June 30, 2019, June 30, 2020, June 30, 2021, and June 30, 2022, for state agencies; authorizing and directing payment of certain claims against the state; authorizing certain transfers, capital improvement projects, assessments and fees, imposing certain restrictions and limitations, and directing or authorizing certain receipts, disbursements, procedures and acts incidental to the foregoing; amending K.S.A. 74-50,107 and 74-99b34 and K.S.A. 2018 Supp. 2-223, 12-1775a, 12-5256, 55-193, 75-2263, 75-4209, 75-6702, 75-6707, 76-775, 76-7,107, 79-2959, 79-2964, 79-3425i, 79-34,171, 79-4804 and 82a-953a and repealing the existing sections.

MESSAGE FROM THE GOVERNOR
REGARDING HOUSE SUBSTITUTE FOR SENATE BILL 25

Pursuant to Article 2, Section 14 of the Constitution of the State of Kansas, I hereby return H Sub for SB 25 with my signature approving the bill, except for the items enumerated below. The net effect of these line-item vetoes will increase the FY19 ending balance to $871 million, or 12.2 percent, and increase the FY20 ending balance to $606 million, or 7.8 percent.

Board of Pharmacy
Section 27(a) and (b), transferring $705,000 from the Medical Programs Fee Fund for K-TRACS in FY20, have been line-item vetoed.

While I am a strong proponent of the K-TRACS program, my original budget recommendation did not include SGF funding for this program because it is inconsistent with the structure of fee-funded agencies. Sweeps from the Medical Programs Fee Fund must be backfilled by the State General Fund, making this transfer to K-TRACS an SGF appropriation. The Board of Pharmacy indicated that it will likely receive a federal grant to cover the cost of this line item. In the event that this grant is not awarded, I have instructed my administration to keep lines of communication open with the Board of Pharmacy in its effort to identify alternative, non-SGF sources for K-TRACS.

KPERS
Section 56(e), requiring an additional $51 million transfer from the State General Fund to KPERS in FY20, has been line-item vetoed.

The very first piece of legislation I signed into law repaid an extra $115 million in debt incurred to the Kansas Public Employees Retirement System. This extra payment fixed past mistakes, when emergency steps were taken to pay for failed tax policy. However, given the large number of critical, unmet needs still facing state government, it is not prudent to add another additional KPERS payment that goes beyond the regularly scheduled payments already being made. In fact, this could actually harm the state’s ability to make full, timely KPERS payments in the very near future. This line-item veto provides an essential cushion to the state ending balance so that Kansas can continue to pay its bills and rebuild the state more sustainably.

Department of Aging and Disability Services
Section 84(a), $1,885,000 for community mental health centers supplemental funding & community aid, as well as $38,646 for the Client Assessment Referral and Evaluation
(CARE) program, both in FY19, has been line-item vetoed.
I am pleased to support $5 million in additional funding for CMHC grants in FY20. In an effort to more evenly distribute reinvestment in Kansas government, I do not believe it is responsible to further increase CMHC funding for the remaining portion of FY19. This veto does not eliminate $196,304 included to expand the Clubhouse Model and Breakthrough House in FY19.

Department of Education
Section 90(a), $1,200,000 for evidenced-based or research-based reading programs, $80,000 for Technical Education incentives, and $261,000 for Teach for America, all in FY20, have been line-item vetoed.
Increasing funding to Kansas public schools was my top budget priority and proudest accomplishment as governor in 2019. However, in a continued effort to establish fair expectations of accountability and efficiency throughout state government, I felt it inappropriate to earmark education funds through the Kansas Department of Education. I encourage local districts to use their new State Foundation Aid to participate in these programs as they deem appropriate.
In total, these line item vetoes will increase the State General Fund balance by $54.4 million between FY19 and FY20. The new ending balance also complies with the statutory requirement to leave 7.5% of the State General Fund in reserve.

THE GOVERNOR’S OFFICE
BY THE GOVERNOR:

LAURA KELLY, GOVERNOR

Dated: May 20, 2019
A motion was made that the vetoed line-items contained in H Sub SB 25 be passed notwithstanding the Governor's veto. By a vote of 27 Yeas and 11 Nays, the motion having received the required two-thirds constitutional majority of those members elected or appointed to the Senate all line-item vetoes contained in H Sub SB 25 were passed.

CONSIDERATION OF VETO

The Governor's objection of the line items which are as follows: 27(a) and (b); Sec. 56(e); Sec. 84(a); Sec. 90(a) the question being shall the line items be passed not withstanding the Governor's veto?
On roll call, the vote was: Yeas 86; Nays 30; Present but not voting: 0; Absent or not voting: 9.

Present but not voting: none.

Absent or not voting: Carmichael, Claeys, Frownfelter, Henderson, Jennings, Kuether, Lusk, Ohaebosim, Winn.
