

2021 Kansas Statutes

8-1,123a. Converter gear, registration, fee. A converter gear may be registered under the provisions of K.S.A. 8-1,100 through 8-1,123, and amendments thereto, provided that the data required for registration is submitted electronically. The division shall assign a unique number to each converter gear and such number shall be durably marked on the converter gear as prescribed by the division. An annual fee of \$1 shall be paid for each registration.
History: L. 2003, ch. 18, § 1; April 3.
