

2023 Kansas Statutes

2-1110. Live poultry; identification of seller; purchase memorandum. Every track buyer of live poultry, every truck buyer of live poultry, every trader in live poultry, and every local buyer of or dealer in live poultry is hereby required to know or establish the identity of the seller of all live poultry purchased by him or her and to preserve for a period of not less than one year a purchase memorandum manifesting the name and address of the seller, the number and kinds or colors of poultry purchased, and the date of said purchase, which memoranda shall be produced and exhibited on the demand of any peace officer to whom a theft of poultry has been reported.

History: L. 1925, ch. 5, § 2; L. 1931, ch. 2, § 1; May 28.
