

2023 Kansas Statutes

12-1109. References to police court and judge construed as references to municipal court and judge. From and after the effective date of this act*, any reference in the Kansas Statutes Annotated or amendments thereto, to the "police judge" and "police court" or words of similar import shall be construed as referring to the "municipal judge" and "municipal court" respectively.

History: L. 1967, ch. 90, § 18; July 1.
