

2023 Kansas Statutes

13-1276. Same; determination as to customers and outstanding bonds. For the purposes of this act, a certified public accountant appointed by the governing body of such city shall determine the percent of customers of any such system annexed by the city and the amount of revenue bonds outstanding and unpaid at any such time.

History: L. 1967, ch. 109, § 2; March 17.
