

2023 Kansas Statutes

13-13a20. Annual report of regents. The board of regents of the municipal university shall make a written report, as soon after July 1 of each year as is possible, to the governor and to the governing body of the city in which the university is located and submit a copy thereof to the board of education of each school district all or any portion of the territory of which is located within the taxing district of the municipal university and, if the taxing district of the municipal university is extended to the entire territory of the county in which the municipal university is located, to the board of county commissioners of the county. The report shall state fully the status and progress of the university, both educationally and financially, during the fiscal year immediately preceding, and such other information regarding the university as the board of regents shall determine.

History: L. 1925, ch. 111, § 20; L. 1976, ch. 87, § 19; L. 1981, ch. 83, § 6; July 1.
