50-6,136. Establishment of information system. (a) Upon request, the attorney general shall verify a roofing contractor registration certificate number to city, county and state enforcement officials and to the public.

(b) The attorney general shall establish a system for the public to confirm roofing contractor registration certificates. Such system shall include a listing of valid registration certificates and such other information collected pursuant to this act, and amendments thereto, as the attorney general may determine is appropriate. In addition, the system may include a notation for any conviction of a criminal violation in this state, another state, or the United States when disclosed by a criminal history records search on the individual roofing contractor. Disclosure of any information through use of the roofing contractor registration certificate system or information maintained by the attorney general shall not be deemed to be an endorsement of any roofing contractor or determination of any facts, qualifications, information or reputation of any roofing contractor by the attorney general, the state, or any of their respective agents, officers, employees or assigns.
