

2023 Kansas Statutes

65-16,104. Same; confidential information; authorized access to data in the log. (a) Methamphetamine precursor recording log information submitted to the board shall be confidential and not a public record and not subject to the Kansas open records act, K.S.A. 45-215 et seq., and amendments thereto, except as provided in subsections (c) and (d).

(b) The board shall maintain procedures to ensure that the privacy and confidentiality of information collected, recorded, transmitted and maintained is not disclosed to persons except as provided in subsections (c) and (d).

(c) The board shall be authorized to provide data in the log to the following persons:

(1) Any person authorized to prescribe or dispense products containing pseudoephedrine, ephedrine or phenylpropanolamine, for the purpose of complying with the provisions of this act; and

(2) local, state and federal law enforcement or prosecutorial officials.

(d) The board may provide data to public or private entities for statistical, research or educational purposes after removing information that could be used to identify individual patients or persons who received methamphetamine precursors from pharmacies.
