

2023 Kansas Statutes

72-3714. Teacher training programs. In order to provide for the proper delivery of instruction through distance-learning technologies, school districts shall provide adequate training to teachers who teach in virtual schools. Each year, school districts shall submit a report relating to training programs provided by the district to teachers who teach in virtual schools. Such reports shall be submitted in the manner and form required by the state board.

History: L. 2008, ch. 147, § 4; July 1.
