

2023 Kansas Statutes

72-4228. Superintendent meetings. The members of the coalition, represented by the superintendent of each public innovative district, shall meet at least once a month to discuss the educational programs of the public innovative districts and the success or failure thereof. Such meetings shall be conducted in the spirit of cooperation and the sharing of educational program concepts that are either being implemented or being considered for implementation.

History: L. 2013, ch. 116, § 8; July 1.
