

2023 Kansas Statutes

74-3231. References to state education commission applied to board of regents. Whenever the state education commission, or words of like effect, is referred to or designated by a statute, contract or other document, such reference or designation shall be deemed to apply to the state board of regents.

History: L. 1975, ch. 463, § 2; July 1.
