

2023 Kansas Statutes

74-32,183. Severability. If any clause, paragraph, subsection or section of the Kansas private and out-of-state postsecondary educational institution act is found to be unconstitutional or invalid, it shall be conclusively presumed that the legislature would have enacted the remainder of the act without such unconstitutional or invalid clause, paragraph, subsection or section.

History: L. 2004, ch. 185, § 23; June 10.
