Prayer by Chaplain Brubaker:

On this Monday of Holy Week, we are reminded that on this day You cursed the fig tree.

The lesson you taught behind this action was to have faith in God.
You taught us that,
"whatever we ask for in prayer, believe that we have received, and it will be ours."

(Mark 11:24)
You continue that thought with,

You continue that thought with,
"... when we stand praying,
if we hold anything against anyone,
forgive him, so that our Father in heaven
may forgive us our sins."

(Mark 11:25)

Today, Lord, we have much to pray for to seek Your assistance. But first, help us to put aside all of our differences, and determine to work together in unity. In Your Son's Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Jack.

#### HOUSE RESOLUTION No. 6036-

By Representatives Jack, Landwehr, Siegfreid, Kelley, Mast, Hermanson, A. Brown, Brunk, Carlson, DeGraaf, Gordon, Horst, Kerschen, Kinzer, Kleeb, Merrick, O'Brien, O'Neal, Prescott, Rhoades, Seiwert and Suellentrop

A RESOLUTION requiring the Attorney General of the State of Kansas to bring an action challenging the constitutionality of the Federal health care reform package.

WHEREAS, The United States Constitution establishes a limited federal government, as expressed in the Bill of Rights, that protects the freedom of individuals and the rights of states; and

WHEREAS, The United States Congress is urged to enact legislation that respects and recognizes the rights of individuals, families, groups and communities to make decisions about their health care insurance and treatment options; and

WHEREAS, The "individual mandate" provision included in the health care reform package requires all individuals to purchase health insurance products and services; and

WHEREAS, Such individual mandates are contrary to the rights of a free and prosperous people and deny individuals the right to make one of the most basic health care decisions for themselves and their loved ones: and

WHEREAS, The United States Supreme Court has recognized each individual's freedom to refuse health care treatment; and

WHEREAS, On January 19, 2010, Florida Attorney General Bill McCollum sent to Congressional leaders an analysis in which he outlined the unconstitutionality of the individual health care mandates; and

WHEREAS, According to Attorney General McCollum's analysis, the United States Congress does not possess the constitutional authority to compel individuals under threat of government fines or taxes to purchase an unwanted product or service simply as a condition of living in this country; and

WHEREAS, With the legislation now passed, Attorney General McCollum has stated that he will be compelled to file suit to challenge the constitutionality of that provision; and WHEREAS, Currently, numerous other states including South Carolina, Nebraska,

WHEREAS, Currently, numerous other states including South Carolina, Nebraska, Texas, Utah, Pennsylvania, Washington, North Dakota, South Dakota, Alabama, Michigan, Virginia, Idaho and Colorado have agreed to join in the suit; and

WHEREAS, The Patient Protection and Affordable Care Act, H.R. 3590 is also before Congress; and

WHEREAS, The Senate version of H.R. 3590 provides that the federal government would bear the cost of newly eligible Nebraska medicaid enrollees, but all other states would be required to appropriate funds to pay for H.R. 3590's new medicaid mandates; and

WHEREAS, The fundamental unfairness of H.R. 3590 may give rise to claims under the due process, equal protection, privileges and immunities clauses and other provisions of the Constitution: Now, therefore,

Be it resolved by the House of Representatives of the State of Kansas: That in accordance with K.S.A. 75-702, the Attorney General of the State of Kansas is hereby required to bring an action in the United States District Court challenging the Federal health care package in order to protect the rights and freedoms that have been guaranteed Kansans under the Constitution of the United States of America.

Prayer by Chaplain Brubaker:

Our Heavenly Father, On Tuesday of Holy Week, Jesus taught in the Temple. His taught about subjects that we deal with today: issues of authority, land owners, laborers, marriage and taxes. He even came down hard on those leaders who placed burdens upon the people that were next to impossible to bear. But the most important thing He taught was how all the commandments of God are summarized into these two: 'Love the Lord your God with all your heart and with all your soul and with all your mind. And the second is like it: 'Love your neighbor as yourself.' (Matthew 22:37-38) May it be said of us today that our words and actions reflect this teaching in our lives. In Christ's Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Frownfelter.

### INTRODUCTION OF GUESTS

There being no objection, the following remarks of Reps. Mah, Worley and Meier are spread upon the journal:

Rep. Mah: March 30 marks the anniversary of the date of the completion in 1973 of the withdrawal of US combat units from the former South Vietnam. In many cases, our veterans were not welcomed back with gratitude and were too often blamed for the failings of a war waged under four administrations.

This is why the Vietnam Veterans of America endorses the establishment of March 30 as "Welcome Home Vietnam Veterans Day". We have with us today the following members of the Danny J. Petersen VVA Chapter 604: Ronald Zink, Roy Dunn, Kenny Bowen, Laro Hill, Verlin Jones, Herbert Kessler, Ralph Knehans, Donald Munn, Denise Myers, Ken Smith, Robert Romero, Blas Ortiz, Linda Ortiz, Ronald Ruppert, Gilbert Ramirez, Bill Pfeifer and Roger Beach.

We also have in our own chamber Vietnam Veteran Rep. Worley and Iraq veteran Rep. Meier who will tell us more about the Welcome Home effort. And we would like to invite down to the well any other Vietnam veterans or spouses of Vietnam Veterans in the House at this time.

Rep. Worley: To express our support and thanks to Vietnam Veterans here and across Kansas, I would like to read a portion of Senate Resolution No. 451 passed by the US Senate by unanimous consent on March 19, 2010. Expressing support for designation of a 'Welcome Home Vietnam Veterans Day.'

Whereas members of the United States Armed Forces began serving in an advisory role to the Government of the Republic of South Vietnam in 1961;

Whereas, in 1965, United States Armed Forces ground combat units arrived in Vietnam; Whereas, by the end of 1965, there were 80,000 United States troops in Vietnam, and by 1969, a peak of approximately 543,000 troops was reached;

Whereas, on January 27, 1973, the Treaty of Paris was signed, which required the release of all United States prisoners-of-war held in North Vietnam and the withdrawal of all United States Armed Forces from South Vietnam;

Whereas, on March 30, 1973, the United States Armed Forces completed the withdrawal of combat units and combat support units from South Vietnam;

Whereas more than 58,000 members of the United States Armed Forces lost their lives in Vietnam and more than 300,000 members of the Armed Forces were wounded;

Whereas the Vietnam War was an extremely divisive issue among the people of the United States and a conflict that caused a generation of veterans to wait too long for the United States public to acknowledge and honor the efforts and services of such veterans;

Whereas members of the United States Armed Forces who served bravely and faithfully for the United States during the Vietnam War were often wrongly criticized for the policy decisions made by 4 presidential administrations in the United States;

Whereas the establishment of a 'Welcome Home Vietnam Veterans Day' would be an appropriate way to honor those members of the United States Armed Forces who served in South Vietnam and throughout Southeast Asia during the Vietnam War;

And Whereas March 30, 2010, would be an appropriate day to establish as 'Welcome Home Vietnam Veterans Day':

Rep. Meier:

Now, therefore, be it Resolved, That the Senate—

- (1) honors and recognizes the contributions of veterans who served in the United States Armed Forces in Vietnam during war and during peace;
- (2) encourages States and local governments to also establish 'Welcome Home Vietnam Veterans Day'; and
- (3) encourages the people of the United States to observe 'Welcome Home Vietnam Veterans Day' with appropriate ceremonies and activities that—

provide the appreciation Vietnam War veterans deserve, but did not receive upon returning home from the war;

and promote opportunities for such veterans to assist younger veterans returning from the wars in Iraq and Afghanistan in rehabilitation from wounds, both seen and unseen, and to support the reintegration of younger veterans into civilian life.

We encourage cities and counties throughout Kansas to recognize March 30, 2010, as Welcome Home Vietnam Veteran's Day and provide appropriate recognition and promote opportunities to assist younger veterans returning from the wars in Iraq and Afghanistan in their rehabilitation and to support the reintegration of younger veterans into civilian life. Please join us in Welcoming Home our Vietnam Veterans.

We would also like the veterans of Desert Storm, Desert Shield, Just Cause, or any other recent deployments the United States has engaged in to stand and be recognized.

- (b) The provisions of this section shall be applicable to the sentencing guidelines grid for nondrug crimes. Sentences expressed in such grid represent months of imprisonment.
- (c) The sentencing guidelines grid is a two-dimensional crime severity and criminal history classification tool. The grid's vertical axis is the crime severity scale which classifies current crimes of conviction. The grid's horizontal axis is the criminal history scale which classifies criminal histories.
- (d) The sentencing guidelines grid for nondrug crimes as provided in this section defines presumptive punishments for felony convictions, subject to judicial discretion to deviate for substantial and compelling reasons and impose a different sentence in recognition of aggravating and mitigating factors as provided in this act. The appropriate punishment for a felony conviction should depend on the severity of the crime of conviction when compared to all other crimes and the offender's criminal history.
- (e) (1) The sentencing court has discretion to sentence at any place within the sentencing range. The sentencing judge shall select the center of the range in the usual case and reserve the upper and lower limits for aggravating and mitigating factors insufficient to warrant a departure.
- (2) In presumptive imprisonment cases, the sentencing court shall pronounce the complete sentence which shall include the prison sentence, the maximum potential reduction to such sentence as a result of good time and the period of postrelease supervision at the sentencing hearing. Failure to pronounce the period of postrelease supervision shall not negate the existence of such period of postrelease supervision.
- (3) In presumptive nonprison cases, the sentencing court shall pronounce the prison sentence as well as the duration of the nonprison sanction at the sentencing hearing.
- (f) Each grid block states the presumptive sentencing range for an offender whose crime of conviction and criminal history place such offender in that grid block. If an offense is classified in a grid block below the dispositional line, the presumptive disposition shall be nonimprisonment. If an offense is classified in a grid block above the dispositional line, the presumptive disposition shall be imprisonment. If an offense is classified in grid blocks 5-H, 5-I or 6-G, the court may impose an optional nonprison sentence upon making the following findings on the record:
- (1) An appropriate treatment program exists which is likely to be more effective than the presumptive prison term in reducing the risk of offender recidivism; and
- (2) the recommended treatment program is available and the offender can be admitted to such program within a reasonable period of time; or
- (3) the nonprison sanction will serve community safety interests by promoting offender reformation.

Any decision made by the court regarding the imposition of an optional nonprison sentence if the offense is classified in grid blocks 5-H, 5-I or 6-G shall not be considered a departure and shall not be subject to appeal.

- (g) The sentence for the violation of K.S.A. 21-3415, and amendments thereto, aggravated battery against a law enforcement officer committed prior to July 1, 2006, or K.S.A. 21-3411, and amendments thereto, aggravated assault against a law enforcement officer, which places the defendant's sentence in grid block 6-H or 6-I shall be presumed imprisonment. The court may impose an optional nonprison sentence upon making a finding on the record that the nonprison sanction will serve community safety interests by promoting offender reformation. Any decision made by the court regarding the imposition of the optional nonprison sentence, if the offense is classified in grid block 6-H or 6-I, shall not be considered departure and shall not be subject to appeal.
- (h) When a firearm is used to commit any person felony, the offender's sentence shall be presumed imprisonment. The court may impose an optional nonprison sentence upon making a finding on the record that the nonprison sanction will serve community safety interests by promoting offender reformation. Any decision made by the court regarding the imposition of the optional nonprison sentence shall not be considered a departure and shall not be subject to appeal.
- (i) The sentence for the violation of the felony provision of K.S.A. 8-1567, subsection (b)(3) of K.S.A. 21-3412a, subsections (b)(3) and (b)(4) of K.S.A. 21-3710, K.S.A. 21-4310 and K.S.A. 21-4318, and amendments thereto, shall be as provided by the specific mandatory

sentencing requirements of that section and shall not be subject to the provisions of this section or K.S.A. 21-4707 and amendments thereto. If because of the offender's criminal history classification the offender is subject to presumptive imprisonment or if the judge departs from a presumptive probation sentence and the offender is subject to imprisonment, the provisions of this section and K.S.A. 21-4707, and amendments thereto, shall apply and the offender shall not be subject to the mandatory sentence as provided in K.S.A. 21-3710, and amendments thereto. Notwithstanding the provisions of any other section, the term of imprisonment imposed for the violation of the felony provision of K.S.A. 8-1567, subsection (b)(3) of K.S.A. 21-3412a, subsections (b)(3) and (b)(4) of K.S.A. 21-3710, K.S.A. 21-4310 and K.S.A. 21-4318, and amendments thereto, shall not be served in a state facility in the custody of the secretary of corrections, except that the term of imprisonment for felony violations of K.S.A. 8-1567, and amendments thereto, may be served in a state correctional facility designated by the secretary of corrections if the secretary determines that substance abuse treatment resources and facility capacity is available. The secretary's determination regarding the availability of treatment resources and facility capacity shall not be subject to review.

- (j) (1) The sentence for any persistent sex offender whose current convicted crime carries a presumptive term of imprisonment shall be double the maximum duration of the presumptive imprisonment term. The sentence for any persistent sex offender whose current conviction carries a presumptive nonprison term shall be presumed imprisonment and shall be double the maximum duration of the presumptive imprisonment term.
- (2) Except as otherwise provided in this subsection, as used in this subsection, "persistent sex offender" means a person who: (A) (i) Has been convicted in this state of a sexually violent crime, as defined in K.S.A. 22-3717 and amendments thereto; and (ii) at the time of the conviction under paragraph (A) (i) has at least one conviction for a sexually violent crime, as defined in K.S.A. 22-3717 and amendments thereto in this state or comparable felony under the laws of another state, the federal government or a foreign government; or (B) (i) has been convicted of rape, K.S.A. 21-3502, and amendments thereto; and (ii) at the time of the conviction under paragraph (B) (i) has at least one conviction for rape in this state or comparable felony under the laws of another state, the federal government or a foreign government.

(3) Except as provided in paragraph (2)(B), the provisions of this subsection shall not apply to any person whose current convicted crime is a severity level 1 or 2 felony.

- (k) If it is shown at sentencing that the offender committed any felony violation for the benefit of, at the direction of, or in association with any criminal street gang, with the specific intent to promote, further or assist in any criminal conduct by gang members, the offender's sentence shall be presumed imprisonment. Any decision made by the court regarding the imposition of the optional nonprison sentence shall not be considered a departure and shall not be subject to appeal. As used in this subsection, "criminal street gang" means any organization, association or group of three or more persons, whether formal or informal, having as one of its primary activities the commission of one or more person felonies or felony violations of K.S.A. 2009 Supp. 21-36a01 through 21-36a17, and amendments thereto, which has a common name or common identifying sign or symbol, whose members, individually or collectively engage in or have engaged in the commission, attempted commission, conspiracy to commit or solicitation of two or more person felonies or felony violations of K.S.A. 2009 Supp. 21-36a01 through 21-36a17, and amendments thereto, or any substantially similar offense from another jurisdiction.
- (l) Except as provided in subsection (o), the sentence for a violation of subsection (a) of K.S.A. 21-3715 and amendments thereto when such person being sentenced has a prior conviction for a violation of subsection (a) or (b) of K.S.A. 21-3715 or 21-3716 and amendments thereto shall be presumed imprisonment.
- (m) The sentence for a violation of K.S.A 22-4903 or subsection (d) of K.S.A. 21-3812, and amendments thereto, shall be presumptive imprisonment. If an offense under such sections is classified in grid blocks 5-E, 5-F, 5-G, 5-H or 5-I, the court may impose an optional nonprison sentence upon making the following findings on the record:
- (1) An appropriate treatment program exists which is likely to be more effective than the presumptive prison term in reducing the risk of offender recidivism, such program is avail-

able and the offender can be admitted to such program within a reasonable period of time; or

(2) the nonprison sanction will serve community safety interests by promoting offender reformation.

Any decision made by the court regarding the imposition of an optional nonprison sentence pursuant to this section shall not be considered a departure and shall not be subject to appeal.

- (n) The sentence for a third or subsequent violation of subsection (b) of K.S.A. 21-3705, and amendments thereto, shall be presumptive imprisonment. Such sentence shall not be considered a departure and shall not be subject to appeal.
- (o) The sentence for a felony violation of K.S.A. 21-3701 or 21-3715, and amendments thereto, when such person being sentenced has no prior convictions for a violation of K.S.A. 21-3701 or 21-3715, and amendments thereto; or the sentence for a felony violation of K.S.A. 21-3701, and amendments thereto, when such person being sentenced has one or two prior felony convictions for a violation of K.S.A. 21-3701, 21-3715 or 21-3716, and amendments thereto; or the sentence for a felony violation of K.S.A. 21-3715, and amendments thereto, when such person being sentenced has one prior felony conviction for a violation of K.S.A. 21-3701, 21-3715 or 21-3716, and amendments thereto, shall be the sentence as provided by this section, except that the court may order an optional nonprison sentence for a defendant to participate in a drug treatment program, including, but not limited to, an approved after-care plan, if the court makes the following findings on the record:
  - (1) Substance abuse was an underlying factor in the commission of the crime;
- (2) substance abuse treatment in the community is likely to be more effective than a prison term in reducing the risk of offender recidivism; and
- (3) participation in an intensive substance abuse treatment program will serve community safety interests.

A defendant sentenced to an optional nonprison sentence under this subsection shall be supervised by community correctional services. The provisions of subsection (f)(1) of K.S.A. 21-4729, and amendments thereto, shall apply to a defendant sentenced under this subsection.

The sentence under this subsection shall not be considered a departure and shall not be subject to appeal.

- (p) The sentence for a felony violation of K.S.A. 21-3701, and amendments thereto, when such person being sentenced has any combination of three or more prior felony convictions for violations of K.S.A. 21-3701, 21-3715 or 21-3716 and amendments thereto, or the sentence for a violation of K.S.A. 21-3715, and amendments thereto, when such person being sentenced has any combination of two or more prior convictions for violations of K.S.A. 21-3701, 21-3715 and 21-3716, and amendments thereto, shall be presumed imprisonment and the defendant shall be sentenced to prison as provided by this section, except that the court may recommend that an offender be placed in the custody of the secretary of corrections, in a facility designated by the secretary to participate in an intensive substance abuse treatment program, upon making the following findings on the record:
  - (1) Substance abuse was an underlying factor in the commission of the crime;
- (2) substance abuse treatment with a possibility of an early release from imprisonment is likely to be more effective than a prison term in reducing the risk of offender recidivism; and
- (3) participation in an intensive substance abuse treatment program with the possibility of an early release from imprisonment will serve community safety interests by promoting offender reformation.

The intensive substance abuse treatment program shall be determined by the secretary of corrections, but shall be for a period of at least four months. Upon the successful completion of such intensive treatment program, the offender shall be returned to the court and the court may modify the sentence by directing that a less severe penalty be imposed in lieu of that originally adjudged within statutory limits. If the offender's term of imprisonment expires, the offender shall be placed under the applicable period of postrelease supervision.

The sentence under this subsection shall not be considered a departure and shall not be subject to appeal.

- (q) The sentence for a violation of subsection (a)(2) of K.S.A. 21-3413, and amendments thereto, shall be presumptive imprisonment and shall be served consecutively to any other term or terms of imprisonment imposed. Such sentence shall not be considered a departure and shall not be subject to appeal.
- (r) (1) If the trier of fact makes a finding that an offender wore or used ballistic resistant material in the commission of, or attempt to commit, or flight from any felony, in addition to the sentence imposed pursuant to the Kansas sentencing guidelines act, the offender shall be sentenced to an additional 30 months' imprisonment.
- (2) The sentence imposed pursuant to paragraph (1) shall be presumptive imprisonment and shall be served consecutively to any other term or terms of imprisonment imposed. Such sentence shall not be considered a departure and shall not be subject to appeal.
- (3) As used in this subsection, "ballistic resistant material" means: (A) Any commercially produced material designed with the purpose of providing ballistic and trauma protection, including, but not limited to, bulletproof vests and kevlar vests; and (B) any homemade or fabricated substance or item designed with the purpose of providing ballistic and trauma protection.":

"New Section 1. (a) A physician or other health care professional who is otherwise authorized by law to provide medical treatment to a pregnant woman shall take or cause to be taken, during the first trimester of pregnancy, a routine opt-out screening for HIV infection. When the physician or other health care professional determines certain pregnant women to be at high risk for acquiring HIV infection, such women shall be administered a repeat screening during the third trimester or at the time of labor and delivery. When a pregnant woman's HIV status is unknown for any reason at the time of labor and delivery, such woman shall be screened for HIV infection as soon as possible within medical standards. When an HIV rapid test kit is used for screening, a confirmatory sample shall be submitted for serological testing which meets the standards recognized by the United States public health service for the detection of HIV to a laboratory approved by the secretary of health and environment for such serological tests. A pregnant woman shall have the right to refuse screening under this subsection at any time. Before any screening is performed under this subsection, the pregnant woman shall be informed in writing of the provisions of this subsection and the purposes and benefits of the screening, and the pregnant woman shall sign a form provided by the department of health and environment to authorize or opt-out of the screening. The form shall contain the following wording: "I test all of my pregnant patients for HIV as part of the panel of routine tests to alert me to any conditions that can have a very serious effect on your pregnancy and your baby. You will be tested for HIV unless you tell me not to."

- (b) When the mother's HIV status is unknown because of refusal to take such screening during the pregnancy or any other reasons, such mother's newborn child shall be screened with an HIV test as soon as possible within medical standards to determine if prophylaxis is needed. A mother's or a guardian's consent is not required to screen such newborn child, except that this subsection shall not apply to any newborn child whose parents object to the test as being in conflict with their religious tenets and practices. Documentation of a mother's HIV status shall be recorded in both the mother's and newborn's medical records. The mother of the child shall be informed in writing of the provisions of this subsection and of the purposes and benefits of the screening and shall sign a form stating that the mother has received the information.
- (c) The secretary of health and environment is hereby authorized to adopt rules and regulations, within six months from the effective date of this section, establishing guidelines for routine HIV infection screening for pregnant women and each newborn child where the HIV status of the mother is unknown at the time of birth. These rules and regulations shall be based on the recommendations and best practices established by the United States centers for disease control and prevention and public health service task force recommendations for use of antiretroviral drugs in pregnant HIV infected women for maternal health and interventions to reduce perinatal HIV transmission in the United States.
- (d) As used in this section, physician, HIV and HIV infection have the meanings defined in K.S.A. 65-6001, and amendment thereto.

(a) The license of every licensed physical therapist and the certification of every certified physical therapist assistant shall expire on the date established by rules and regulations of the board which may provide renewal throughout the year on a continuing basis. In each case in which a license or certificate is renewed for a period of time of less than one year, the board may prorate the amount of the fee established under K.S.A. 65-2911 and amendments thereto. The request for renewal shall be on a form provided by the board and shall be accompanied by the renewal fee established under K.S.A. 65-2911 and amendments thereto which shall be paid not later than the expiration date of the license or certificate.

(b) The board shall require every licensed physical therapist or certified physical therapist assistant as a condition of renewal to submit with the application for a renewal evidence of satisfactory completion of a program of continuing education required by the board. The board shall establish the requirements for each such program of continuing education by rules and regulations. In establishing such requirements the board shall consider any existing programs of continuing education currently being offered to licensed physical therapists or certified physical therapist assistants.

(c) At least 30 days before the expiration of the license of a physical therapist or the certificate of a physical therapist assistant, the board shall notify the licensee or certificate holder of the expiration by mail addressed to the licensee's last mailing address as noted upon the office records. If the licensee or certificate holder fails to pay the renewal fee by the date of expiration, the licensee or certificate holder shall be given a second notice that the license or certificate has expired and the license or certificate may be renewed only if the renewal fee and the late renewal fee are received by the board within the thirty-day period, the license or certificate shall be canceled for failure to renew and shall be reissued only after the physical therapist or physical therapist assistant has been reinstated under subsection (d).

The board is authorized to issue an inactive license to any physical therapist who makes written application for a license as a physical therapist on a form provided by the board and remits the fee established pursuant to K.S.A. 65-2911, and amendments thereto. The board may issue an inactive license only to a person who meets all the requirements for a license to practice as a physical therapist and who does not actively practice as a physical therapist in this state. An inactive license shall not entitle the holder to render professional services as a physical therapist. The provisions of subsections (c) and (d) relating to expiration, renewal and reinstatement of a license shall be applicable to an inactive license issued under this subsection. Each inactive licensee may apply to engage in active practice by providing to the board proof that a policy of professional liability insurance will be maintained in compliance with K.S.A. 2009 Supp. 65-2920, and amendments thereto, and rules and regulations adopted by the board.

(2) For the licensee whose license has been inactive for less than two years, the board shall adopt rules and regulations establishing appropriate continuing education requirements for exempt licensees to become licensed to regularly practice physical therapy within Kansas. (a) Any individual who is responsible for collection or payment of excise taxes imposed under the provisions of K.S.A. 12-1692 et seq., 12-1696 et seq., 41-501 et seq., 79-3301 et seq., 79-3370 et seq., 79-3401 et seq., 79-3490 et seq., 79-34,108 et seq., 79-3817 et seq., 79-4101 et seq. or 79-41a01, and amendments thereto, or for control, receipt, custody or disposal of funds due and owing under such acts who willfully fails to collect such tax, or account for and pay over such tax, or attempts in any manner to evade or defeat such tax or the payment thereof shall be personally liable for the total amount of the tax evaded, or not collected, or not accounted for and paid over, together with any interest and penalty imposed thereon. The provisions of this section shall apply regardless of the: (1) Relationship with the taxpayer held by such individual; (2) form under which the taxpayer conducts business, whether a sole proprietorship, partnership or corporation; or (3) dissolution of the business. As used in this section, "willfully" has the same meaning as such term has for federal tax purposes in 26 U.S.C. 6672.

(b) A notice of assessment issued to a responsible individual shall be considered to be a proceeding for the collection of the tax liability of the business. If the liability of the business is determined in a proceeding that has become final, any notice of assessment to a respon-

sible individual must be issued within three years after the proceeding against the business became final.

- (c) Within 60 days after the mailing of a notice of assessment to a responsible individual, the person assessed may request an informal conference with the secretary of revenue under K.S.A. 79-3226, and amendments thereto, for a determination of whether such person is a responsible individual under subsection (a), and for a determination of the tax liability of the business.
- (d) If a notice of assessment and a warrant are issued to a responsible individual pursuant to a jeopardy provision of chapter 79 of the Kansas Statutes Annotated, the person assessed may request that the informal conference held pursuant to subsection (c) be expedited. When such a request is made, the secretary shall schedule the conference to be held within 21 days after receipt of the request and shall issue a written final determination within 21 days after the close of the conference.

Sec. 8. K.S.A. 2009 Supp. 79-3298 is hereby amended to read as follows: 79-3298. (a) Every employer, payer, person or organization deducting and withholding tax shall remit the taxes and file returns in accordance with the following provisions:

- (1) Whenever the total amount withheld exceeds \$100,000 in any calendar year, the employer, payer, person or organization deducting and withholding tax shall remit the taxes withheld in accordance with the following schedule: Each calendar month shall be divided into four remittance periods that end on the 7th, 15th, 21st and the last day of such month. If at the end of any one or all of such remittance periods the total undeposited taxes equal or exceed \$667, the taxes shall be remitted within three banking days. Saturdays, Sundays and legal holidays shall not be treated as banking days.
- (2) Whenever the total amount withheld exceeds \$8,000 but does not exceed \$100,000 in any calendar year, the employer, payer, person or organization deducting and withholding tax shall remit the taxes withheld for wages paid during the first 15 days of any month on or before the 25th day of the month. The employer, payer, person or organization deducting and withholding tax shall remit the taxes withheld for wages paid during the remainder of that month on or before the 10th day of the following month.
- (3) Whenever the total amount withheld exceeds \$1,200 but does not exceed \$8,000 in any calendar year, the employer, payer, person or organization deducting and withholding tax shall remit the taxes withheld during any month on or before the 15th day of the following month.
- (4) Whenever the total amount withheld exceeds \$200 but does not exceed \$1,200 in any calendar year, the employer, payer, person or organization deducting and withholding tax shall remit the taxes withheld in any calendar quarter on or before the 25th day of the first month following the end of that calendar quarter.
- (5) Whenever the total amount withheld does not exceed \$200 in any calendar year, the employer, payer, person or organization deducting and withholding tax shall remit the taxes withheld during that year on or before January 25 of the following year.
- (b) Each remittance required under the provisions of subsection (a) shall be accompanied by a Kansas withholding tax remittance form *and shall be filed in the manner* prescribed and furnished by the director, *including electronic filing*.
- (c) Every employer, payer, person or organization deducting and withholding tax and making remittances pursuant to subsection (a) shall file a return on a form or in the format and shall file in the manner prescribed and furnished by the director, including electronic filing, for each calendar year on or before the last day of February of the following year.
- (d) The excess of any remittance over the actual taxes withheld in any withholding period shall be credited against the liability for following withholding periods until exhausted. A refund shall be allowed in accordance with K.S.A. 79-32,105, and amendments thereto, where an overpayment cannot be adjusted by an offset against the liability for a subsequent withholding period.
- (e) For purposes of determining filing requirements, determinations of amounts withheld during a calendar year by employers, payers, persons or organizations deducting and withholding tax shall be made by the director upon the basis of amounts withheld by those employers, payers, persons or organizations during the preceding calendar year or by estimates in cases of employers, payers, persons or organizations having no previous withholding

histories. The director is hereby authorized to modify the filing schedule for any employer, payer, person or organization deducting and withholding tax when it is apparent that the original determination was inaccurate.

- (f) Whenever the director has cause to believe that money withheld by an employer, payer, person or organization deducting and withholding tax pursuant to this act may be converted, diverted, lost, or otherwise not timely paid in accordance with this section, the director shall have the power to require returns and payment from any such employer, payer, person or organization at any time at more frequent intervals than prescribed by this section in order to secure full payment to the state of all amounts withheld by such employer, payer, person or organization in accordance with this act.
- Sec. 9. K.S.A. 2009 Supp. 79-32,100c is hereby amended to read as follows: 79-32,100c. (a) If an employer, payer, person or organization deducting and withholding tax fails to deduct and withhold the tax as required under this act, and thereafter, the income tax against which the tax may be credited is paid, the tax required to be deducted and withheld shall not be collected from the employer, payer, person or organization. The payment of such tax does not, however, operate to relieve the employer, payer, person or organization from liability for penalties, interest or additions to the tax applicable with respect to such failure to deduct and withhold. The employer, payer, person or organization shall not be relieved under this provision from liability for payment of the tax required to be withheld unless it can be shown that the income tax against which the tax required to be withheld under this act may be credited has been paid.
- (b) Every agent or other person having control, receipt, custody or disposal of, or paying the wages of an employee or group of employees employed by one or more employers, is for the purpose of this act designated to be an employer. In the case of the corporation, the officers and board of directors are likewise considered employers. Employers of classes named in this section shall be subject to all the provisions of law including penalties as is their principal. Any employer who willfully fails to collect the tax imposed by the Kansas withholding tax act or truthfully account for any pay over such tax, or willfully attempts in any manner to evade or defeat any tax or the payment thereof, shall be subject to a penalty equal to the total amount of the tax evaded, or not collected, or not accounted for and paid over in addition to other penalties provided by law. As used in this section, "willfully" has the same meaning as such term has for federal tax purposes in 26 U.S.C. 6672.
- Sec. 10. K.S.A. 79-32,107 is hereby amended to read as follows: 79-32,107. (a) All penalties and interest prescribed by K.S.A. 79-3228, and amendments thereto, for noncompliance with the income tax laws of Kansas shall be applicable for noncompliance with the provisions of the Kansas withholding and declaration of estimated tax act relating to withholding tax which shall be enforced in the same manner as the Kansas income tax act. A penalty at the same rate per annum prescribed by subsection (b) of K.S.A. 79-2968, and amendments thereto, for interest upon delinquent or unpaid taxes shall be applied and added to a taxpayer's amount of underpayment of estimated tax due from the date the estimated tax payment was due until the same is paid or until the 15th day of the fourth month following the close of the taxable year for which such estimated tax is a credit, whichever date is earlier, but such penalty shall not be added if the total amount thereof does not exceed \$1. For purposes of this subsection, the amount of underpayment of estimated tax shall be the excess of the amount of the installment which would be required to be paid if the estimated tax were equal to 90% of the tax shown on the return for the taxable year or, if no return was filed, 90% of the tax for such year, over the amount, if any, of the installment paid on or before the last date prescribed for payment. Amounts due from any employer on account of withholding or from any taxpayer for estimated tax may be collected by the director in the manner provided for the collection of state income tax in K.S.A. 79-3235, and amendments thereto. For purposes of this subsection, "underpayment of tax" means the difference between the amount of tax actually paid and the amount of tax which would have been required to be paid to avoid penalty pursuant to subsection (b) or (c).
- (b) No penalty or interest shall be imposed upon any individual with respect to any underpayment of any installment if the total amount of all payments of estimated tax made on or before the last date prescribed for the payment of such installment equals or exceeds

the amount which would have been required to be paid on or before such date if the estimated tax were whichever of the following is the least:

- (1) The tax shown on the return of the individual for the preceding taxable year, if a return showing a liability for tax was filed by the individual for the preceding taxable year;
- (2) zero if no return was required to be filed or if the tax liability on the individual's return was less than \$200 for the preceding taxable year;
- (3) an amount equal to 66 2/3%, in the case of individuals referred to in subsection (b) of K.S.A. 79-32,102, and amendments thereto, and 90%, in the case of all other individuals, of the tax for the taxable year computed by placing on an annualized basis, pursuant to rules and regulations adopted by the secretary of revenue, the taxable income for the months in the taxable year ending before the month in which the installment is required to be made.
- (c) No penalty or interest shall be imposed upon any corporation with respect to any underpayment of any installment of estimated tax if the total amount of all payments of estimated tax made on or before the last date prescribed for the payment of such installment equals or exceeds the amount which would have been required to be paid on or before such date if the estimated tax were whichever of the following is the least:
- (1) The tax shown on the return of the corporation for the preceding taxable year, if a return showing a liability for tax was filed by the corporation for the preceding taxable year, or zero if no return was required to be filed, or if the tax liability on the corporation's return was less than \$500 for the preceding taxable year; or
- (2) (A) an amount equal to 90% of the tax for the taxable year computed by placing on an annualized basis the taxable income: (i) For the first three months of the taxable year, in the case of the installment required to be paid in the fourth month; (ii) for the first three months or for the first five months of the taxable year, in the case of the installment required to be paid in the sixth month; (iii) for the first six months or for the first eight months of the taxable year in the case of the installment required to be paid in the ninth month; and (iv) for the first nine months or for the first 11 months of the taxable year, in the case of the installment required to be paid in the 12th month of the taxable year.
- (B) For purposes of this subsection (2), the taxable income shall be placed on an annualized basis by (i) multiplying by 12 the taxable income referred to in subsection (2)(A), and (ii) dividing the resulting amount by the number of months in the taxable year (three, five, six, eight, nine, or 11, as the case may be) referred to in subsection (2)(A).
- (d) If the employer, in violation of the provisions of this act, fails to deduct and withhold under this chapter, and thereafter the tax against which such withholding may be credited is paid, the amount otherwise required to be deducted and withheld shall not be collected from the employer; but. This subsection shall in no case relieve the employer from liability for any penalties or additions to the tax otherwise applicable in respect of such failure to deduct and withhold.
- (e) Any person required to collect, truthfully account for, and pay over any tax imposed by this act, who willfully fails to collect such tax, or truthfully account for and pay over such tax, or willfully attempts in any manner to evade or defeat any such tax or the payment thereof, shall in addition to the other penalties of this section be liable to a penalty equal to the total amount of the tax evaded, or not collected, or not accounted for and paid over. As used in this section, "willfully" has the same meaning as such term has for federal tax purposes in 26 U.S.C. 6672.
- (f) In case of failure by any employer required by subsection (b) of K.S.A. 79-3298, and amendments thereto, to remit any amount of withheld taxes by the date prescribed therefor, unless it is shown that such failure is due to reasonable cause and not due to willful neglect, there shall be imposed upon such person a penalty of 15% of the amount of the underpayment. For purposes of this subsection, the term "underpayment" means the excess of the amount of the tax required to be withheld and remitted over the amount, if any, remitted on or before the date prescribed therefor. The failure to remit for any withholding period shall be deemed not to continue beyond the last date prescribed for filing the annual return as required by subsection (d) of K.S.A. 79-3298, and amendments thereto. Penalty and interest as prescribed by K.S.A. 79-3228, and amendments thereto, shall not begin to accrue under subsection (a) of this section on the amount of any such underpayment until the due date of the annual return for the calendar year in which such failure to remit occurs.

(g) Whenever the secretary or the secretary's designee determines that the failure of the taxpayer to comply with the provisions of subsections (a), (e), or (f) of this section was due to reasonable causes, the secretary or the secretary's designee may waive or reduce any of said penalties and may reduce the interest rate to the underpayment rate prescribed and determined for the applicable period under section 6621 of the federal internal revenue code as in effect on January 1, 1994, upon making a record of the reasons therefor.

Sec. 11. K.S.A. 2009 Supp. 79-3607 is hereby amended to read as follows: 79-3607. (a) Retailers shall make returns to the director at the times prescribed by this section in the manner prescribed by the director, including electronic filing, upon forms or format prescribed and furnished by the director stating: (1) The name and address of the retailer; (2) the total amount of gross sales of all tangible personal property and taxable services rendered by the retailer during the period for which the return is made; (3) the total amount received during the period for which the return is made on charge and time sales of tangible personal property made and taxable services rendered prior to the period for which the return is made; (4) deductions allowed by law from such total amount of gross sales and from total amount received during the period for which the return is made on such charge and time sales; (5) receipts during the period for which the return is made from the total amount of sales of tangible personal property and taxable services rendered during such period in the course of such business, after deductions allowed by law have been made; (6) receipts during the period for which the return is made from charge and time sales of tangible personal property made and taxable services rendered prior to such period in the course of such business, after deductions allowed by law have been made; (7) gross receipts during the period for which the return is made from sales of tangible personal property and taxable services rendered in the course of such business upon the basis of which the tax is imposed. The return shall include such other pertinent information as the director may require. In making such return, the retailer shall determine the market value of any consideration, other than money, received in connection with the sale of any tangible personal property in the course of the business and shall include such value in the return. Such value shall be subject to review and revision by the director as hereinafter provided. Refunds made by the retailer during the period for which the return is made on account of tangible personal property returned to the retailer shall be allowed as a deduction under subdivision (4) of this section in case the retailer has theretofore included the receipts from such sale in a return made by such retailer and paid taxes therein imposed by this act. The retailer shall, at the time of making such return, pay to the director the amount of tax herein imposed, except as otherwise provided in this section. The director may extend the time for making returns and paying the tax required by this act for any period not to exceed 60 days under such rules and regulations as the secretary of revenue may prescribe. When the total tax for which any retailer is liable under this act, does not exceed the sum of \$80 in any calendar year, the retailer shall file an annual return on or before January 25 of the following year. When the total tax liability does not exceed \$3,200 in any calendar year, the retailer shall file returns quarterly on or before the 25th day of the month following the end of each calendar quarter. When the total tax liability exceeds \$3,200 in any calendar year, the retailer shall file a return for each month on or before the 25th day of the following month. When the total tax liability exceeds \$32,000 in any calendar year, the retailer shall be required to pay the sales tax liability for the first 15 days of each month to the director on or before the 25th day of that month. Any such payment shall accompany the return filed for the preceding month. A retailer will be considered to have complied with the requirements to pay the first 15 days' liability for any month if, on or before the 25th day of that month, the retailer paid 90% of the liability for that fifteen-day period, or 50% of such retailer's liability in the immediate preceding calendar year for the same month as the month in which the fifteen-day period occurs computed at the rate applicable in the month in which the fifteen-day period occurs, and, in either case, paid any underpayment with the payment required on or before the 25th day of the following month. Such retailers shall pay their sales tax liabilities for the remainder of each such month at the time of filing the return for such month. Determinations of amounts of liability in a calendar year for purposes of determining filing requirements shall be made by the director upon the basis of amounts of liability by those retailers during the preceding calendar year or by estimates in cases of retailers having no previous

sales tax histories. The director is hereby authorized to modify the filing schedule for any retailer when it is apparent that the original determination was inaccurate.

(b) All model 1, model 2 and model 3 sellers are required to file returns electronically. Any model 1, model 2 or model 3 seller may submit its sales and use tax returns in a simplified format approved by the director. Any seller that is registered under the agreement, which does not have a legal requirement to register in this state, and is not a model 1, model 2 or model 3 seller, may submit its sales and use tax returns as follows: (1) Upon registration, the director shall provide to the seller the returns required;

(2) seller shall file a return anytime within one year of the month of initial registration,

and future returns are required on an annual basis in succeeding years; and

(3) in addition to the returns required in subsection (b)(2), sellers are required to submit returns in the month following any month in which they have accumulated state and local sales tax funds for this state in the amount of \$1,600 or more.

Sec. 12. K.S.A. 2009 Supp. 79-3609 is hereby amended to read as follows: 79-3609. (a) Every person engaged in the business of selling tangible personal property at retail or furnishing services taxable in this state, shall keep records and books of all such sales, together with invoices, bills of lading, sales records, copies of bills of sale and other pertinent papers and documents. Such books and records and other papers and documents shall, at all times during business hours of the day, be available for and subject to inspection by the director, or the director's duly authorized agents and employees, for a period of three years from the last day of the calendar year or of the fiscal year of the retailer, whichever comes later, to which the records pertain. Such records shall be preserved during the entire period during which they are subject to inspection by the director, unless the director in writing previously authorizes their disposal. Any person selling tangible personal property or furnishing taxable services shall be prohibited from asserting that any sales are exempt from taxation unless the retailer has in the retailer's possession a properly executed exemption certificate provided by the consumer claiming the exemption, except as follows: (1) A retailer is relieved of liability for tax otherwise applicable if the retailer obtains a fully completed exemption certificate or captures the relevant data elements required by the director within 90 days subsequent to the date of the sale; or (2) if the retailer has not obtained an exemption certificate or all relevant data elements, the retailer, within 120 days subsequent to a request for substantiation by the director, either may prove that the transaction was not subject to tax by other means or obtain a fully completed exemption certificate from the purchaser, taken in good faith which meets the requirements specified in this subsection, or obtain other information establishing that the transaction was not subject to tax. Otherwise, the sales shall be deemed to be taxable sales under this act. The seller shall obtain an exemption certificate that claims an exemption that was authorized pursuant to Kansas law on the date of the transaction in the jurisdiction where the transaction is sourced pursuant to law, could be applicable to the item being purchased and is reasonable for the purchaser's type of business. If the seller obtains an exemption certificate or other information as described in this subsection, the seller is relieved of any liability for the tax on the transaction unless it is discovered through the audit process that the seller had knowledge or had reason to know at the time such information was provided that the information relating to the exemption claimed was materially false or the seller otherwise knowingly participated in activity intended to purposefully evade the tax that is properly due on the transaction, and it must be established that the seller had knowledge or had reason to know at the time the information was provided that the information was materially false.

(b) The amount of tax imposed by this act is to be assessed within three years after the return is filed, and no proceedings in court for the collection of such taxes shall be begun after the expiration of such period. In the case of a false or fraudulent return with intent to evade tax, the tax may be assessed or a proceeding in court for collection of such tax may be begun at any time, within two years from the discovery of such fraud. No assessment shall be made for any period preceding the date of registration of the retailer by more than three years except in cases of fraud. For any refund or credit claim filed after June 15, 2009, no refund or credit shall be allowed by the director after one year from the due date of the return for the reporting period as provided by K.S.A. 79-3607, and amendments thereto, unless before the expiration of such period a claim therefor is filed by the taxpayer, and,

except as otherwise provided in K.S.A. 2009 Supp. 79-3694, and amendments thereto, no suit or action to recover on any claim for refund shall be commenced until after the expiration of six months from the date of filing such claim satisfying the requirements specified by K.S.A. 2009 Supp. 79-3693, and amendments thereto, therefor with the director. A refund claim shall not be deemed filed unless such claim is complete as required by K.S.A. 2009 Supp. 79-3693, and amendments thereto. For all mailed returns, including refund claims, each return or refund claim shall be presumed to have been filed with the department on the postmark date of such return or refund claim or if such date is illegible, the date three days prior to the date such return or refund claim is received.

- (c) Before the expiration of time prescribed in this section for the assessment of additional tax or the filing of a claim for refund, the director is hereby authorized to enter into an agreement in writing with the taxpayer consenting to the extension of the periods of limitations for the assessment of tax or for the filing of a claim for refund, at any time prior to the expiration of the period of limitations. The period so agreed upon may be extended by subsequent agreements in writing made before the expiration of the period previously agreed upon. In consideration of such agreement or agreements, interest due in excess of 48 months on any additional tax shall be waived.
- (d) Interest at the rate prescribed by K.S.A. 79-2968, and amendments thereto, shall be allowed on any overpayment of tax computed from the filing date of the return claiming the refund, except that no interest shall be allowed on any such refund if the same is paid within 120 days after the filing date of the return claiming the refund or the date of payment, whichever is later, provided that such return or refund claim satisfies the requirements specified by K.S.A. 2009 Supp. 79-3693, and amendments thereto, at the time the return or refund claim is received.
- (e) Notwithstanding any other provision of this section or the provisions of the Kansas compensating tax act:
- (1) (A) Any claim for refund of tax imposed by the Kansas retailers' sales tax act or the Kansas compensating tax act based upon the provisions of subsection (kk) of K.S.A. 79-3606 in existence prior to its amendment by this act which is without dispute shall be allowed, but, with respect to any claim exceeding \$10,000, the refund associated therewith shall not be paid until after 510 days from the date such claim was filed and shall not include interest from such date. As used in this subparagraph, a claim for refund without dispute shall not include any claim the basis for which is a judicial or quasi-judicial interpretation of such subsection occurring after the effective date of this act.
- (B) Any refund of tax resulting from a final determination or adjudication with regard to any claim submitted or to be submitted for refund of tax imposed by the Kansas retailers' sales tax act or the Kansas compensating tax act based upon the provisions of subsection (kk) of K.S.A. 79-3606 in existence prior to its amendment by this act not described by subparagraph (A) shall, with respect to any refund exceeding \$50,000, be paid in equal annual installments over 10 years commencing with the year of such final determination or adjudication. Interest shall not accrue during the time period of such payment.
- (2) No claim for refund of tax imposed by the Kansas retailers' sales tax act or the Kansas compensating tax act based upon the application of the provisions of subsection (n) of K.S.A. 79-3606 pursuant to its interpretation by the court of appeals of the state of Kansas in its opinion filed on August 13, 1999, in the case entitled In re appeal of Water District No. 1 of Johnson County shall be allowed for tax paid prior to the effective date of this act. The provisions of this subsection shall not be applicable to Water District No. 1 of Johnson county.
- Sec. 13. K.S.A. 2009 Supp. 79-3643 is hereby amended to read as follows: 79-3643. (a) Any individual who is responsible for collection or payment of sales or compensating tax or control, receipt, custody or disposal of funds due and owing under the Kansas retailers' sales and compensating tax acts who willfully fails to collect such tax, or account for and pay over such tax, or attempts in any manner to evade or defeat such tax or the payment thereof shall be personally liable for the total amount of the tax evaded, or not collected, or not accounted for and paid over, together with any interest and penalty imposed thereon. The provisions of this section shall apply regardless of the: (1) Relationship with the retailer held by such individual; (2) form under which the retailer conducts business, whether a sole proprietor-

ship, partnership or corporation; or (3) dissolution of the business. As used in this section, "willfully" has the same meaning as such term has for federal tax purposes in 26 U.S.C. 6672.

- (b) A notice of assessment issued to a responsible individual shall be considered to be a proceeding for the collection of the tax liability of the business. If the liability of the business is determined in a proceeding that has become final, any notice of assessment against a responsible individual must be issued within three years after the proceeding against the business has become final.
- (c) Within 60 days after the mailing of a notice of assessment against a responsible individual, the person assessed may request an informal conference with the secretary of revenue under K.S.A. 79-3226, and amendments thereto, for a determination of whether such person is a responsible individual under subsection (a) and for a determination of the tax liability of the business.
- (d) If notice of assessment and warrant are issued to a responsible individual pursuant to K.S.A. 79-3610, and amendments thereto, or any other jeopardy provision of chapter 79 of the Kansas Statutes Annotated, the person assessed may request that the informal conference held pursuant to subsection (c) be expedited. When such a request is made, the secretary shall schedule the conference to be held within 21 days after receipt of the request and shall issue a written final determination within 21 days after the close of the conference.
- (e) The provisions of this section shall be deemed to be supplemental to the Kansas retailers' sales and compensating tax acts.
- Sec. 14. K.S.A. 2009 Supp. 79-3651 is hereby amended to read as follows: 79-3651. (a) For the purpose of the proper administration of the Kansas retailers' sales tax act and to prevent evasion of the tax imposed thereunder, it shall be presumed that all gross receipts from the sale of tangible personal property or enumerated services are subject to tax until the contrary is established. The burden of proving that a sale is not subject to tax is upon the seller unless the seller takes from the purchaser an exemption certificate to the effect that the property or service purchased is not subject to tax.
- (b) An exemption certificate shall relieve the seller from collecting and remitting tax if the seller has obtained the required identifying information as determined by the director, from the purchaser and the reason for claiming the exemption at the time of purchase and has maintained proper records of exempt transactions pursuant to subsection (a) of K.S.A. 79-3609, and amendments thereto and provided them to the director when requested, except that no such relief from liability shall apply to a seller who: Fraudulently fails to collect the tax; solicits purchasers to participate in the unlawful claim of an exemption; accepts an exemption certificate claiming an entity based exemption when the subject of the transaction is actually received by the purchaser at a location operated by the seller and the director provides an exemption certificate that clearly and affirmatively indicates that the claimed exemption is not available. The seller shall obtain the same information for proof of a claimed exemption regardless of the medium in which the transaction occurred. The purchaser improperly claiming an exemption shall remain liable for the nonpayment of tax.
- (c) The exemption certificate shall be substantially in such form as the director may prescribe. The seller shall use the standard form for claiming an exemption electronically as adopted by the director. A seller may require a purchaser to provide a copy of the purchaser's sales tax registration certificate with a resale certificate as a condition for honoring the purchaser's resale exemption claim, except that in the case of drop shipment sales into this state, the third party vendor may claim a resale exemption based on an exemption certificate provided by its customer, re-seller, or any other information acceptable to the secretary available to the third party vendor evidencing qualification for a resale exemption, regardless of whether the customer, re-seller, is registered to collect and remit sales and use tax in this state. A purchaser is not required to provide a signature to claim an exemption from tax unless a paper exemption certificate is used. A seller is relieved of liability for the tax otherwise applicable if it obtains a blanket exemption certificate for a purchaser with which the seller has a recurring business relationship. Such blanket certificate need not be renewed or updated by the seller for exemption certificate information or data elements when there is a recurring business relationship between the buyer and seller. For purposes

of this subsection, a recurring business relationship exists when a period of no more than 12 months elapses between sales transactions.

(d) To lawfully present a resale exemption certificate the purchaser must be engaged in the business of selling property or services of the same kind that is purchased, hold a registration certificate, except as otherwise permitted in subsection (c) for drop shipment sales into this state, and at the time of purchase, either intend to resell the property in the regular course of business or be unable to ascertain whether the property will be resold or used for some other purpose. A resale exemption certificate may be used for resale of services to tangible personal property and not for services to real property.

(e) Any person who issues a resale certificate or other exemption certificate in order to unlawfully avoid payment of tax for business or personal gain shall be guilty of a misdemeanor and upon conviction shall be punished by a fine of not more than \$1,000 or imprisonment for not more than one year, or by both. In addition, if the director determines that a person issued a resale certificate in order to unlawfully avoid payment of tax for business or personal gain, the director shall increase any penalty that is due from the person under K.S.A. 79-3615, and amendments thereto, by \$250 or 10 times the tax due, whichever is greater, on each transaction where the misuse of a resale certificate occurred.

(a) Every medical care facility shall keep written records of all pregnancies which are lawfully terminated within such medical care facility and shall annually submit a written report thereon to the secretary of health and environment in the manner and form prescribed by the secretary. Every person licensed to practice medicine and surgery shall keep a record of all pregnancies which are lawfully terminated by such person in a location other than a medical care facility and shall annually submit a written report thereon to the secretary of health and environment in the manner and form prescribed by the secretary.

- (b) Each report required by this section shall include the number of pregnancies terminated during the period of time covered by the report, the type of medical facility in which the pregnancy was terminated, information required to be reported under K.S.A. 65-6703, and amendments thereto, if applicable to the pregnancy terminated, and such other information as may be required by the secretary of health and environment, but the report shall not include the names of the persons whose pregnancies were so terminated. - (c) Information obtained by the secretary of health and environment under this section shall be confidential and shall not be disclosed in a manner that would reveal the identity

Except as otherwise provided in this subsection, information obtained by the secretary under this section may be used only for statistical purposes and such information shall not be released in a manner which would identify any county or other area of this state in which the termination of the pregnancy occurred. A violation of this subsection (c) is a class A nonperson misdemeanor.

(d) In addition to such criminal penalty under subsection (c), any person licensed to practice medicine and surgery or medical care facility whose identity is revealed in violation of this section may bring a civil action against the responsible person or persons for any damages to the person licensed to practice medicine and surgery or medical care facility caused by such violation.

(e) For the purpose of maintaining confidentiality as provided by subsections (c) and (d), reports of terminations of pregnancies required by this section shall identify the person or facility submitting such reports only by confidential code number assigned by the secretary of health and environment to such person or facility and the department of health and environment shall maintain such reports only by such number.

Sec. 2. K.S.A. 2009 Supp. 65-2836 is hereby amended to read as follows: 65-2836. A licensee's license may be revoked, suspended or limited, or the licensee may be publicly or privately censured or placed under probationary conditions, or an application for a license or for reinstatement of a license may be denied upon a finding of the existence of any of the following grounds:

(a) The licensee has committed fraud or misrepresentation in applying for or securing an original, renewal or reinstated license.

(b) The licensee has committed an act of unprofessional or dishonorable conduct or professional incompetency, except that the board may take appropriate disciplinary action or enter into a non-disciplinary resolution when a licensee has engaged in any conduct or professional practice on a single occasion that, if continued, would reasonably be expected to constitute an inability to practice the healing arts with reasonable skill and safety to patients or unprofessional conduct as defined in K.S.A. 65-2837, and amendments thereto.

(c) The licensee has been convicted of a felony or class A misdemeanor, whether or not related to the practice of the healing arts. The board shall revoke a licensee's license following conviction of a felony occurring after July 1, 2000, or a misdemeanor under K.S.A. 65-6703, and amendments thereto, after July 1, 2010, unless a 2/3 majority of the board members present and voting determine by clear and convincing evidence that such licensee will not pose a threat to the public in such person's capacity as a licensee and that such person has been sufficiently rehabilitated to warrant the public trust. In the case of a person who has been convicted of a felony or a misdemeanor under K.S.A. 65-6703, and amendments thereto, after July 1, 2010, and who applies for an original license or to reinstate a canceled license, the application for a license shall be denied unless a 2/3 majority of the board members present and voting on such application determine by clear and convincing evidence that such person will not pose a threat to the public in such person's capacity as a licensee and that such person has been sufficiently rehabilitated to warrant the public trust.

(d) The licensee has used fraudulent or false advertisements.

- (e) The licensee is addicted to or has distributed intoxicating liquors or drugs for any other than lawful purposes.
- (f) The licensee has willfully or repeatedly violated this act, the pharmacy act of the state of Kansas or the uniform controlled substances act, or any rules and regulations adopted pursuant thereto, or any rules and regulations of the secretary of health and environment which are relevant to the practice of the healing arts.
- (g) The licensee has unlawfully invaded the field of practice of any branch of the healing arts in which the licensee is not licensed to practice.
- (h) The licensee has engaged in the practice of the healing arts under a false or assumed name, or the impersonation of another practitioner. The provisions of this subsection relating to an assumed name shall not apply to licensees practicing under a professional corporation or other legal entity duly authorized to provide such professional services in the state of Kansas.
- (i) The licensee has the inability to practice the healing arts with reasonable skill and safety to patients by reason of physical or mental illness, or condition or use of alcohol, drugs or controlled substances. In determining whether or not such inability exists, the board, upon reasonable suspicion of such inability, shall have authority to compel a licensee to submit to mental or physical examination or drug screen, or any combination thereof, by such persons as the board may designate either in the course of an investigation or a disciplinary proceeding. To determine whether reasonable suspicion of such inability exists, the investigative information shall be presented to the board as a whole, to a review committee of professional peers of the licensee established pursuant to K.S.A. 65-2840c, and amendments thereto, or to a committee consisting of the officers of the board elected pursuant to K.S.A. 65-2818, and amendments thereto, and the executive director appointed pursuant to K.S.A. 65-2878, and amendments thereto, or to a presiding officer authorized pursuant to K.S.A. 77-514, and amendments thereto. Information submitted to the board as a whole or a review committee of peers or a committee of the officers and executive director of the board and all reports, findings and other records shall be confidential and not subject to discovery by or release to any person or entity. The licensee shall submit to the board a release of information authorizing the board to obtain a report of such examination or drug screen, or both. A person affected by this subsection shall be offered, at reasonable intervals, an opportunity to demonstrate that such person can resume the competent practice of the healing arts with reasonable skill and safety to patients. For the purpose of this subsection, every person licensed to practice the healing arts and who shall accept the privilege to practice the healing arts in this state by so practicing or by the making and filing of a renewal to practice the healing arts in this state shall be deemed to have consented to submit to a mental or physical examination or a drug screen, or any combination thereof, when directed in writing by the board and further to have waived all objections to the admissibility of the testimony, drug screen or examination report of the person conducting such examination or drug screen, or both, at any proceeding or hearing before the board on the ground that such testimony or examination or drug screen report constitutes a privileged communication. In any proceeding by the board pursuant to the provisions of this subsection, the record of such board proceedings involving the mental and physical examination or drug screen, or any combination thereof, shall not be used in any other administrative or judicial proceeding.
- (j) The licensee has had a license to practice the healing arts revoked, suspended or limited, has been censured or has had other disciplinary action taken, or an application for a license denied, by the proper licensing authority of another state, territory, District of Columbia, or other country, a certified copy of the record of the action of the other jurisdiction being conclusive evidence thereof.
- (k) The licensee has violated any lawful rule and regulation promulgated by the board or violated any lawful order or directive of the board previously entered by the board.

## FIFTY-FOURTH DAY

HALL OF THE HOUSE OF REPRESENTATIVES, TOPEKA, KS, Wednesday, April 28, 2010, 10:00 a.m.

The House met pursuant to recess with Speaker O'Neal in the chair.

The roll was called with 123 members present.

Rep. Fund was excused on verified illness.

Rep. Tafanelli was excused on excused absence by the Speaker.

Prayer by Chaplain Brubaker:

Our Heavenly Father,
You have provided for us a break . . . .
a gift we truly appreciate;
but back to the grind
and the tasks assigned,
ready we stand
for the discussions at hand.

Some of our decisions were vetoed, thus now increasing our workload; we all heard many comments, and listened to the arguments about the bills we passed, and now our votes we recast.

About the budget,
we know we can't fudge it,
so here the rhyming ends
as our prayer ascends.
We pray the prayer of Solomon
when he asked of God,
"Give your servant(s) a discerning heart
to govern your people and
to distinguish between right and wrong.
Give me wisdom and knowledge,
that I may lead this people."

Lord, we also want to thank you for the wonderful health report of Rep. Myer's wife who had surgery but has no cancer. We also give thanks that Rep. Johnson is able to be back with us. We continue to pray for him and for Rep. Fund, asking for strength and healing. In Christ's Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Moxley.

## INTRODUCTION OF GUESTS

There being no objection, the following remarks by Reps. Furtado and Garcia are spread upon the journal:

Rep. Furtado: Today I want to describe for you a national program sponsored by the State Department in collaboration with the League of Women Voters US by which women

from other countries come to the United States for an extended visit to learn about our political process at the local, state and national government and the services provided to our residents.

The League of Women voters of Johnson County was selected to host two women from Colombia, South America to observe local and state governments in Kansas. While in Johnson County, they have observed a Board of County commissions meeting as well as interacted with heads of departments within county government to learn about county services. They also attended an Overland Park City Council Meeting, visited the Municipal Court and visited with other department heads. Visits with NGO service providers as well as educational institutions from Head Start to the Community College have occurred. This week they visited the U. S. District Court and the EPA offices in Kansas City, KS. Ten days ago they met with Reps. Quigley, Spalding and me to discuss legislative issues related to women, children and education. We also described the election process including campaign finances. I invited them to spend the morning to observe a session in the House.

At this time Rep. Garcia will introduce our two guests from Colombia, South America and tell you a little about them.

Rep. Garcia: Ximena Poveda Bernal is an economist for CEI Corporation whose motto is "Excelencia en la Justicia" and is located in Bogata, Colombia. Paulina Guerra Quetama is a system engineer at Mariana University in Narino, Colombia and is an elected official, Township Councillor of Sandona in Narino, Columbia. Won't you please join us in giving these two visitors a cordial welcome!

#### PERSONAL PRIVILEGE

There being no objection, the following remarks of Rep. Burroughs are spread upon the journal:

Today we recognize and pay tribute to the men and women who have given their lives or have been injured the job.

Every day many workers throughout our state are subjected to dangerous work environments simply to provide for their families and contribute to our collective well-being. Many of these workers put themselves in harm's way just to ensure that the rest of us live in safe and thriving communities.

- The KDOT workers who put themselves in danger on fast moving highways to make sure that we have safe and reliable roads.
- The Corrections Officers who risk their lives and limbs every day to stand between our communities and dangerous convicted offenders.
- The social worker who enters at-risk homes to provide our most vulnerable citizens hope and refuge against abusive conditions.

In recent weeks and months there have been a series of workplace.

Tragedies around the country-

- $\bullet$  the coal mine disaster at the Massey Energy Upper Big Branch mine in West Virginia that killed 29 miners,
- an explosion a few days earlier at the Tesoro Refinery in Washington State that killed six workers,
- ullet and the explosion at the Kleen Energy Plant in Connecticut in February that also claimed the lives of six workers

Each of you can recall tragedies that have happened in your communities. So please join with me in a moment of silence as we remember the fallen Kansans who have contributed so much for our state and communities.

Message to the House of Representatives of the State of Kansas:

Pursuant to Article 2, Section 14 of the Constitution of the State of Kansas, I am vetoing **S. Sub. for HB 2115**.

Kansas' current law concerning abortion was passed more than a decade ago and strikes a reasonable balance on a very difficult issue. I support the current law and believe that an annual legislative battle over the issue is not in the public's best interest.

My view is that all abortions are tragedies, which is why I would encourage women who have unwanted pregnancies to consult with their partners, families, doctors and spiritual advisors. I would not encourage women to consult with state legislators, as this is a private decision and should not be dictated by public officials.

Therefore, with respect to people on both sides of the issue, pursuant to Article 2, Section 14 of the Constitution of the State of Kansas, I veto **S. Sub. for HB 2115**.

Mark Parkinson Governor

Dated: April 15, 2010

### VETO MESSAGE FROM THE GOVERNOR

The following message with the Governor's objection to **S. Sub. for Sub. HB 2538**, An act concerning economic development; pertaining to the promoting employment across Kansas act; pertaining to qualifications for benefits under such act; duties of secretary of revenue; reporting requirements; amending K.S.A. 2009 Supp. 74-50,103, 74-50,108, 74-50,210, 74-50,211, 74-50,212, 74-50,213, 74-50,214, 74-8010, 79-32,153 and 79-32,160a and repealing the existing sections, was received and read.

Message to the House of Representatives of the State of Kansas:

Pursuant to Article 2, Section 14 of the Constitution of the State of Kansas, I am vetoing S. Sub. for Sub. HB 2538.

This legislation improves upon actions taken last year to give the Secretary of the Department of Commerce more discretion as to when and how state resources are spent to provide economic development incentives. I respect the considerable work and efforts of many to make these improvements, they are needed and appreciated. However, there are elements within this legislation with which I have concerns, including increasing the budget for Kansas, Inc. by \$250,000 each year.

In light of these concerns, pursuant to Article 2, Section 14 of the Constitution of the State of Kansas, I veto **S. Sub. for Sub. HB 2538**.

Mark Parkinson Governor

Dated: April 15, 2010.

HOUSE RESOLUTION No. 6039-

A RESOLUTION congratulating and commending Baldwin High School for being named national champions in the Real World Design Challenge.

Be it resolved by the House of Representatives of the State of Kansas: That we congratulate the Baldwin High School team for being named national champions in the Real World Design Challenge in Washington D.C., we commend them for setting an example of excellence for their peers and we extend our best wishes for their continued success and happiness; and

Be it further resolved: That the Chief Clerk of the House of Representatives be directed to give nine enrolled copies of this resolution to Representative T. Brown, one for each member and mentor of the Baldwin High School design team.

There being no objection, the following remarks by Rep. T. Brown are spread upon the journal:

Colleagues, it is my great honor to present to you a national championship team from Baldwin City, Kansas.

These young women and men before you won the National Real World Design Challenge engineering competition last month in Washington, D.C.

The Real World Design National Challenge encourages high school students to solve real world problems currently faced by the engineering industry. The 2010 national challenge was to design and optimize a business jet wing and tail for a flight condition of 400 knots true airspeed and altitude of 37,000 feet.

I had the privilege of hearing their presentation at a Baldwin City School Board Meeting earlier this month. I readily admit that I understood none of what they said.

I present to you the 2010 National Real World Design National Challenge championship team: Carson Barnes, Brandon Baltzell, Carrie Deitz, Shelby Gregory, Mason Johnson, Austin Kraus and Mac Halpin.

The team also won an award for outstanding mentor collaboration, and that mentor was Sandy Barnes. The leader of this team, the extended learning teacher at Baldwin High School, is Pam Davis.

On a personal note, I want to tell you that I coached many of these young persons in little league soccer, and did so very badly. Had I been even an adequate soccer coach, some of these young scholars might not have turned to engineering as a plausible field of endeavor.

So I take credit, indirect as it might be, for the success of this team. I never imagined that my poor coaching would foster these future engineering aspirations.

## FIFTY-FIFTH DAY

HALL OF THE HOUSE OF REPRESENTATIVES, TOPEKA, KS, Thursday, April 29, 2010, 10:30 a.m.

The House met pursuant to recess with Speaker O'Neal in the chair.

The roll was called with 122 members present.

Rep. Fund was excused on verified illness.

Reps. Aurand and Bethell were excused on excused absence by the Speaker.

Prayer by guest chaplain, the Rev. Dr. Mark A. Leenerts, Journey Church, Topeka:

Almighty God, you have given us this good land to call our home, help us to remain mindful and grateful for that blessing. Lord we humbly ask that we may always prove ourselves a people mindful of your grace and honored by the privilege to serve in this role. Lord may these men and women I gather with this morning, always remain aware of the tremendous opportunity and responsibility they have been given to serve you in this role. Help them Lord to do your will. Bless our land with honorable men and women who exercise sound judgment and Godly wisdom. Protect us from violence, discord and confusion, from pride and arrogance, and from every evil way. Help these before me to defend our liberties, and fashion us into one united people, before you, our Holy and righteous God. Endow these individuals with your wisdom to know the right things to do, and the courage to do them, even when it's hard. Thank you for entrusting them with the authority of government. Help them to be agents of justice and peace. Help us, through obedience to your laws, to show forth your praise among the nations of the earth. In times of prosperity fill our hearts with thankfulness, and in days of trouble, help our trust in you to never fail. All of this I ask through Jesus Christ our Lord. Amen.

The Pledge of Allegiance was led by Rep. Kuether.

## MOTIONS AND RESOLUTIONS OFFERED ON A PREVIOUS DAY

On motion of Rep. K. Wolf, **HR 6030**, A resolution promoting public awareness of the risk of colon cancer, recognizing March as Colon Cancer Awareness Month and commending the Kansas Association of Health Plans, the American Cancer Society and the Kansas Insurance Commissioner for their efforts to fight this disease through encouraging regular colon cancer screenings, was adopted.

There being no objection, the following remarks of Rep. K. Wolf are spread upon the journal:

I wanted to make a few comments today regarding colon cancer screenings. As most of you know, assuring that Kansans have insurance coverage for screenings has been a priority of mine and Rep Benlon's.

It bears repeating that Colon Cancer is the third most common cancer. An estimated 500 Kansans will die this year. Access to screening test can reduce deaths by 80% and if detected early colon cancer is 92% curable. Late detection results in only a 10% chance of survival.

We were so pleased to have been a part of a coalition with Insurance Commissioner Praeger, the American Cancer Society and the Kansas Association of Health Plans. Working together as a team, an agreement was reached and a press release issued on March 9th stating colon cancer screenings are a priority and will be a covered benefit for members of individual and group health plans.

Our original intent was to recognize the members of this coalition and to present them with their copies of the resolution last month as March is Cancer Awareness month. This was not possible as we adjourned the day before.

However, Rep Benlon and I did want this body to be aware of the work this group accomplished and its' importance to all Kansans health. Assuring colon cancer screenings are accessible and a covered benefit to a Kansans will play a significant part in the on-going

endeavor of living a longer and healthier life. Many lives will be saved by early detection, timely screening and the promotion of colon cancer awareness.

## REPORTS OF STANDING COMMITTEES

Committee on **Corrections and Juvenile Justice** recommends **SB 520** be amended on page 1, after line 16, by inserting the following:

Section 1. K.S.A. 2009 Supp. 21-4603d, as amended by section 1 of 2010 House Bill No. 2604, is hereby amended to read as follows: 21-4603d. (a) Whenever any person has been found guilty of a crime, the court may adjudge any of the following:

- (1) Commit the defendant to the custody of the secretary of corrections if the current crime of conviction is a felony and the sentence presumes imprisonment, or the sentence imposed is a dispositional departure to imprisonment; or, if confinement is for a misdemeanor, to jail for the term provided by law;
- (2) impose the fine applicable to the offense and may impose the provisions of subsection (p);
- (3) release the defendant on probation if the current crime of conviction and criminal history fall within a presumptive nonprison category or through a departure for substantial and compelling reasons subject to such conditions as the court may deem appropriate. In felony cases except for violations of K.S.A. 8-1567, and amendments thereto, the court may include confinement in a county jail not to exceed 60 days, which need not be served consecutively, as a condition of an original probation sentence and up to 60 days in a county jail upon each revocation of the probation sentence, or community corrections placement;

- (4) assign the defendant to a community correctional services program as provided in K.S.A. 75-5291, and amendments thereto, or through a departure for substantial and compelling reasons subject to such conditions as the court may deem appropriate, including orders requiring full or partial restitution;
- (5) assign the defendant to a conservation camp for a period not to exceed six months as a condition of probation followed by a six-month period of follow-up through adult intensive supervision by a community correctional services program, if the offender successfully completes the conservation camp program;
- (6) assign the defendant to a house arrest program pursuant to K.S.A. 21-4603b and amendments thereto;
- (7) order the defendant to attend and satisfactorily complete an alcohol or drug education or training program as provided by subsection (3) of K.S.A. 21-4502, and amendments thereto:
- (8) order the defendant to repay the amount of any reward paid by any crime stoppers chapter, individual, corporation or public entity which materially aided in the apprehension or conviction of the defendant; repay the amount of any costs and expenses incurred by any law enforcement agency in the apprehension of the defendant, if one of the current crimes of conviction of the defendant includes escape, as defined in K.S.A. 21-3809, and amendments thereto, or aggravated escape, as defined in K.S.A. 21-3810, and amendments thereto; repay expenses incurred by a fire district, fire department or fire company responding to a fire which has been determined to be arson under K.S.A. 21-3718 or 21-3719, and amendments thereto, if the defendant is convicted of such crime; repay the amount of any public funds utilized by a law enforcement agency to purchase controlled substances from the defendant during the investigation which leads to the defendant's conviction; or repay the amount of any medical costs and expenses incurred by any law enforcement agency or county. Such repayment of the amount of any such costs and expenses incurred by a county, law enforcement agency, fire district, fire department or fire company or any public funds utilized by a law enforcement agency shall be deposited and credited to the same fund from which the public funds were credited to prior to use by the county, law enforcement agency, fire district, fire department or fire company;
- (9) order the defendant to pay the administrative fee authorized by K.S.A. 22-4529, and amendments thereto, unless waived by the court;
- (10) order the defendant to pay a domestic violence special program fee authorized by K.S.A. 20-369, and amendments thereto;
- (11) if the defendant is convicted of a misdemeanor or a felony provision of subsection (i) of K.S.A. 21-4704, and amendments thereto, assign the defendant to a work release program, other than a program at a correctional institution under the control of the secretary of corrections as defined in K.S.A. 75-5202, and amendments thereto, provided such work release program requires such defendant to return to confinement at the end of each day in the work release program;
- (12) impose any appropriate combination of (1), (2), (3), (4), (5), (6), (7), (8), (9), (10) and (11); or
  - (13) suspend imposition of sentence in misdemeanor cases.
- (b) (1) În addition to or in lieu of any of the above, the court shall order the defendant to pay restitution, which shall include, but not be limited to, damage or loss caused by the defendant's crime, unless the court finds compelling circumstances which would render a plan of restitution unworkable. In regard to a violation of K.S.A. 21-4018, and amendments thereto, such damage or loss shall include, but not be limited to, attorney fees and costs incurred to repair the credit history or rating of the person whose personal identification documents were obtained and used in violation of such section, and to satisfy a debt, lien or other obligation incurred by the person whose personal identification documents were obtained and used in violation of such section. If the court finds a plan of restitution unworkable, the court shall state on the record in detail the reasons therefor.
- (2) If the court orders restitution, the restitution shall be a judgment against the defendant which may be collected by the court by garnishment or other execution as on judgments in civil cases. If, after 60 days from the date restitution is ordered by the court, a defendant is found to be in noncompliance with the plan established by the court for payment of resti-

tution, and the victim to whom restitution is ordered paid has not initiated proceedings in accordance with K.S.A. 60-4301 et seq., and amendments thereto, the court shall assign an agent procured by the attorney general pursuant to K.S.A. 75-719, and amendments thereto, to collect the restitution on behalf of the victim. The administrative judge of each judicial district may assign such cases to an appropriate division of the court for the conduct of civil collection proceedings.

(c) In addition to or in lieu of any of the above, the court shall order the defendant to submit to and complete an alcohol and drug evaluation, and pay a fee therefor, when re-

quired by subsection (4) of K.S.A. 21-4502, and amendments thereto.

(d) In addition to any of the above, the court shall order the defendant to reimburse the county general fund for all or a part of the expenditures by the county to provide counsel and other defense services to the defendant. Any such reimbursement to the county shall be paid only after any order for restitution has been paid in full. In determining the amount and method of payment of such sum, the court shall take account of the financial resources of the defendant and the nature of the burden that payment of such sum will impose. A defendant who has been required to pay such sum and who is not willfully in default in the payment thereof may at any time petition the court which sentenced the defendant to waive payment of such sum or any unpaid portion thereof. If it appears to the satisfaction of the court that payment of the amount due will impose manifest hardship on the defendant or the defendant's immediate family, the court may waive payment of all or part of the amount due or modify the method of payment.

- (e) In imposing a fine the court may authorize the payment thereof in installments. In releasing a defendant on probation, the court shall direct that the defendant be under the supervision of a court services officer. If the court commits the defendant to the custody of the secretary of corrections or to jail, the court may specify in its order the amount of restitution to be paid and the person to whom it shall be paid if restitution is later ordered as a condition of parole, conditional release or postrelease supervision.
- (f) (1) When a new felony is committed while the offender is incarcerated and serving a sentence for a felony, or while the offender is on probation, assignment to a community correctional services program, parole, conditional release, or postrelease supervision for a felony, a new sentence shall be imposed pursuant to the consecutive sentencing requirements of K.S.A. 21-4608, and amendments thereto, and the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.
- (2) When a new felony is committed while the offender is incarcerated in a juvenile correctional facility pursuant to K.S.A. 38-1671 prior to its repeal or K.S.A. 2009 Supp. 38-2373, and amendments thereto, for an offense, which if committed by an adult would constitute the commission of a felony, upon conviction, the court shall sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure. The conviction shall operate as a full and complete discharge from any obligations, except for an order of restitution, imposed on the offender arising from the offense for which the offender was committed to a juvenile correctional facility.
- (3) When a new felony is committed while the offender is on release for a felony pursuant to the provisions of article 28 of chapter 22 of the Kansas Statutes Annotated, or similar provisions of the laws of another jurisdiction, a new sentence may be imposed pursuant to the consecutive sentencing requirements of K.S.A. 21-4608, and amendments thereto, and the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.
- (g) Prior to imposing a dispositional departure for a defendant whose offense is classified in the presumptive nonprison grid block of either sentencing guideline grid, prior to sentencing a defendant to incarceration whose offense is classified in grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes or in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes, prior to sentencing a defendant

to incarceration whose offense is classified in grid blocks 4-E or 4-F of the sentencing guideline grid for drug crimes and whose offense does not meet the requirements of K.S.A. 21-4729, and amendments thereto, prior to revocation of a nonprison sanction of a defendant whose offense is classified in grid blocks 4-E or 4-F of the sentencing guideline grid for drug crimes and whose offense does not meet the requirements of K.S.A. 21-4729, and amendments thereto, or prior to revocation of a nonprison sanction of a defendant whose offense is classified in the presumptive nonprison grid block of either sentencing guideline grid or grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes or in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes, the court shall consider placement of the defendant in the Labette correctional conservation camp, conservation camps established by the secretary of corrections pursuant to K.S.A. 75-52,127, and amendment thereto or a community intermediate sanction center. Pursuant to this paragraph the defendant shall not be sentenced to imprisonment if space is available in a conservation camp or a community intermediate sanction center and the defendant meets all of the conservation camp's or a community intermediate sanction center's placement criteria unless the court states on the record the reasons for not placing the defendant in a conservation camp or a community intermediate sanction center.

- (h) The court in committing a defendant to the custody of the secretary of corrections shall fix a term of confinement within the limits provided by law. In those cases where the law does not fix a term of confinement for the crime for which the defendant was convicted, the court shall fix the term of such confinement.
- (i) In addition to any of the above, the court shall order the defendant to reimburse the state general fund for all or a part of the expenditures by the state board of indigents' defense services to provide counsel and other defense services to the defendant. In determining the amount and method of payment of such sum, the court shall take account of the financial resources of the defendant and the nature of the burden that payment of such sum will impose. A defendant who has been required to pay such sum and who is not willfully in default in the payment thereof may at any time petition the court which sentenced the defendant to waive payment of such sum or any unpaid portion thereof. If it appears to the satisfaction of the court that payment of the amount due will impose manifest hardship on the defendant or the defendant's immediate family, the court may waive payment of all or part of the amount due or modify the method of payment. The amount of attorney fees to be included in the court order for reimbursement shall be the amount claimed by appointed counsel on the payment voucher for indigents' defense services or the amount prescribed by the board of indigents' defense services reimbursement tables as provided in K.S.A. 22-4522, and amendments thereto, whichever is less.
- (j) This section shall not deprive the court of any authority conferred by any other Kansas statute to decree a forfeiture of property, suspend or cancel a license, remove a person from office, or impose any other civil penalty as a result of conviction of crime.
- (k) An application for or acceptance of probation or assignment to a community correctional services program shall not constitute an acquiescence in the judgment for purpose of appeal, and any convicted person may appeal from such conviction, as provided by law, without regard to whether such person has applied for probation, suspended sentence or assignment to a community correctional services program.
- (I) The secretary of corrections is authorized to make direct placement to the Labette correctional conservation camp or a conservation camp established by the secretary pursuant to K.S.A. 75-52,127, and amendments thereto, of an inmate sentenced to the secretary's custody if the inmate: (1) Has been sentenced to the secretary for a probation revocation, as a departure from the presumptive nonimprisonment grid block of either sentencing grid, for an offense which is classified in grid blocks 5-H, 5-I, or 6-G of the sentencing guidelines grid for nondrug crimes or in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes or for an offense which is classified in gridblocks 4-E or 4-F of the sentencing guidelines grid for drug crimes and such offense does not meet the requirements of K.S.A. 21-4729, and amendments thereto, and (2) otherwise meets admission criteria of the camp. If the inmate successfully completes a conservation camp program, the secretary of corrections shall report such completion to the sentencing court and the county or district attorney. The inmate shall then be assigned by the court to six months of

follow-up supervision conducted by the appropriate community corrections services program. The court may also order that supervision continue thereafter for the length of time authorized by K.S.A. 21-4611 and amendments thereto.

(m) When it is provided by law that a person shall be sentenced pursuant to K.S.A. 1993

Supp. 21-4628, prior to its repeal, the provisions of this section shall not apply.

- (n) Except as provided by subsection (f) of K.S.A. 21-4705, and amendments thereto, in addition to any of the above, for felony violations of K.S.A. 2009 Supp. 21-36a06, and amendments thereto, the court shall require the defendant who meets the requirements established in K.S.A. 21-4729, and amendments thereto, to participate in a certified drug abuse treatment program, as provided in K.S.A. 2009 Supp. 75-52,144, and amendments thereto, including but not limited to, an approved after-care plan. If the defendant fails to participate in or has a pattern of intentional conduct that demonstrates the offender's refusal to comply with or participate in the treatment program, as established by judicial finding, the defendant shall be subject to revocation of probation and the defendant shall serve the underlying prison sentence as established in K.S.A. 21-4705, and amendments thereto. For those offenders who are convicted on or after the effective date of this act, upon completion of the underlying prison sentence, the defendant shall not be subject to a period of post-release supervision. The amount of time spent participating in such program shall not be credited as service on the underlying prison sentence.
- (o) (1) Except as provided in paragraph (3), in addition to any other penalty or disposition imposed by law, upon a conviction for unlawful possession of a controlled substance or controlled substance analog in violation of K.S.A. 2009 Supp. 21-36a06, and amendments thereto, in which the trier of fact makes a finding that the unlawful possession occurred while transporting the controlled substance or controlled substance analog in any vehicle upon a highway or street, the offender's driver's license or privilege to operate a motor vehicle on the streets and highways of this state shall be suspended for one year.
- (2) Upon suspension of a license pursuant to this subsection, the court shall require the person to surrender the license to the court, which shall transmit the license to the division of motor vehicles of the department of revenue, to be retained until the period of suspension expires. At that time, the licensee may apply to the division for return of the license. If the license has expired, the person may apply for a new license, which shall be issued promptly upon payment of the proper fee and satisfaction of other conditions established by law for obtaining a license unless another suspension or revocation of the person's privilege to operate a motor vehicle is in effect.
- (3) (A) In lieu of suspending the driver's license or privilege to operate a motor vehicle on the highways of this state of any person as provided in paragraph (1), the judge of the court in which such person was convicted may enter an order which places conditions on such person's privilege of operating a motor vehicle on the highways of this state, a certified copy of which such person shall be required to carry any time such person is operating a motor vehicle on the highways of this state. Any such order shall prescribe the duration of the conditions imposed, which in no event shall be for a period of more than one year.
- (B) Upon entering an order restricting a person's license hereunder, the judge shall require such person to surrender such person's driver's license to the judge who shall cause it to be transmitted to the division of vehicles, together with a copy of the order. Upon receipt thereof, the division of vehicles shall issue without charge a driver's license which shall indicate on its face that conditions have been imposed on such person's privilege of operating a motor vehicle and that a certified copy of the order imposing such conditions is required to be carried by the person for whom the license was issued any time such person is operating a motor vehicle on the highways of this state. If the person convicted is a nonresident, the judge shall cause a copy of the order to be transmitted to the division and the division shall forward a copy of it to the motor vehicle administrator, of such person's state of residence. Such judge shall furnish to any person whose driver's license has had conditions imposed on it under this paragraph a copy of the order, which shall be recognized as a valid Kansas driver's license until such time as the division shall issue the restricted license provided for in this paragraph.
- (C) Upon expiration of the period of time for which conditions are imposed pursuant to this subsection, the licensee may apply to the division for the return of the license previously

surrendered by such licensee. In the event such license has expired, such person may apply to the division for a new license, which shall be issued immediately by the division upon payment of the proper fee and satisfaction of the other conditions established by law, unless such person's privilege to operate a motor vehicle on the highways of this state has been suspended or revoked prior thereto. If any person shall violate any of the conditions imposed under this paragraph, such person's driver's license or privilege to operate a motor vehicle on the highways of this state shall be revoked for a period of not less than 60 days nor more than one year by the judge of the court in which such person is convicted of violating such conditions.

- (4) As used in this subsection, "highway" and "street" have the meanings provided by K.S.A. 8-1424 and 8-1473, and amendments thereto.
- (p) In imposing a fine, the court may authorize the payment thereof in installments. In lieu of payment of any fine imposed, the court may order that the person perform community service specified by the court. The person shall receive a credit on the fine imposed in an amount equal to \$5 for each full hour spent by the person in the specified community service. The community service ordered by the court shall be required to be performed by the later of one year after the fine is imposed or one year after release from imprisonment or jail, or by an earlier date specified by the court. If by the required date the person performs an insufficient amount of community service to reduce to zero the portion of the fine required to be paid by the person, the remaining balance of the fine shall become due on that date. If conditional reduction of any fine is rescinded by the court for any reason, then pursuant to the court's order the person may be ordered to perform community service by one year after the date of such rescission or by an earlier date specified by the court. If by the required date the person performs an insufficient amount of community service to reduce to zero the portion of the fine required to be paid by the person, the remaining balance of the fine shall become due on that date. ## FIFTY-SIXTH DAY

HALL OF THE HOUSE OF REPRESENTATIVES, TOPEKA, KS, Friday, April 30, 2010, 10:00 a.m.

The House met pursuant to recess with Speaker O'Neal in the chair.

The roll was called with 122 members present.

Reps. Colloton, Hawk and Long were excused on excused absence by the Speaker.

Prayer by guest chaplain, the Rev. Steve L. Vaughn, Senior Pastor, Fairlawn Nazarene Church, Topeka:

Father, thank you for being our Shepherd. Thank you for leading us, loving us, even giving up your life so that we might be restored to an intimate everlasting fellowship with you our creator.

Because you are our shepherd — our protector, our defender, we desire to share our needs with you. Please give guidance to the financial condition of our country and state. Assist us as we ask for your direction and wisdom to make good decisions for the future of Kansas and its people.

Help us in the growth process of our spirituality. Increase our own appreciation of who you are, how you love all of humankind, not just us or even those like us. Impress us that like you, we can love those who are very different from ourselves, those whose skin is a different color, those whose culture and even values are different from ours, those whose religious convictions are different from ours, and those whose economic level is far below or far above ours.

Because you love all, we ask you to help the oppressed — the victims of hunger and racial discrimination and those whose individual freedoms are prohibited by political forces which initiate great injustice.

Make us more sensitive to you and to one another — more conscious. Bring us to both humility and boldness. Lead us in our personal spiritual journey.

Give us the courage to be merciful, the endurance to be faithful to those in our care, just as you are with each of us.

Father, be with Jene Vickrey and his family as they mourn the loss of his mother.

It is in the name of the one true and everlasting God, Father, Son and Holy Spirit that I pray. Amen.

The Pledge of Allegiance was led by Rep. O'Brien.

# Journal of the House

## FIFTY-SEVENTH DAY

HALL OF THE HOUSE OF REPRESENTATIVES, TOPEKA, KS, Monday, May 3, 2010, 11:00 a.m.

The House met pursuant to recess with Speaker O'Neal in the chair. The roll was called with 123 members present.

Reps. Carlin and Hawk were excused on excused absence by the Speaker.

Rep. Fund was excused later in the day on verified illness.

Prayer by Chaplain Brubaker:

Generous God, Our Father, We read in Scripture that You provide for the lilies of the field and the birds of the air. You own the cattle on a thousand hills, and You enjoy giving good gifts to Your children. You promise to take care of us, even when our faith is small. You own everything and You have loaned it all to us to care for. Bless us as we examine the use of your gifts and as we seek to use them fairly, honestly and prudently. As we deliberate and assess the needs and allocate the resources, may we be reminded that You demand of us to be good stewards of what you have provided for us. Give us more of Your love, that we might crave fewer material possessions. Grant us a sense of fullness, not emptiness as we make and stick to a budget. More than ever, we need Your wisdom and guidance . . . so this is what we ask for this morning. Please continue to be with Rep. Hawk and his wife, Tammi. Lord, be for them the strength and courage they need today. In Christ's Name, I pray, Amen.

The Pledge of Allegiance was led by Rep. Ballard.

There being no objection, the remarks of Reps. Patton and Burgess are spread upon the journal:

Rep. Patton: We have a strong tradition in the House of honoring men and women of good character, so I'm pleased to honor Dana Noakes, upon her retirement.

Dana is here with her mom, Etta Conner, her brother and sister-in-law, Dean and Carol Conner, and sister-in-law Brenda Noakes; and friends and co-workers in the galley. Dana became a session employee as office secretary in the 1998 session and again in 1999.

After that session, Legislative Services needed to hire a new Secretarial Pool Coordinator; and because of her past employment at Jostens Yearbook working with personnel, Dana was offered and accepted our session position as the secretarial pool coordinator.

Dana served as a liaison between the office assistants, their legislators, Legislative Services' Office Manager and Director and the leadership offices of the Kansas House and Senate

Upon her retirement, her co-workers prepared two books with comments. Allow me to share with you some of these comments from her co-workers.

"Dana, The woman of kindness and grace, but also a top professional; you WILL be missed! Your thoughtfulness and always pleasant demeanor have made many a new and returning session employee feel needed, wanted and useful. Thank you! We rather like you — can you tell?"

"Dana, You were the perfect pool coordinator. Always with the right balance of keeping the staff's well being in mind but at the same time trying to get done what our Kansas Legislators requested. There is no way to "thank you" for your service to the Kansas Legislature. I firmly believe we'll never have anyone else here in your position that will do it as well as you have."

"Dana, Your upbeat personality, wise counsel, and willingness to help with whatever was needed will be among my best memories of you. They say every once in awhile someone passes through your life and you're never quite the same. I can say this about you. Thank you for being a Friend."

"Dana, you have such diplomacy in dealing with all of us and our problems."

Dana, on behalf of the citizens of the State of Kansas, we present you with this House certificate. Thank you for your service.

Rep. Burgess: Dana has been the consummate professional and maintained a positive attitude no matter what we threw at her. No matter how many people were out sick, or how much turnover we had in both legislators and staff, she was always able to handle it with a smile.

I think the comments my colleague read earlier sum it up very well.

Dana, it is my honor to be part of this opportunity to recognize your service and present you with this Kansas flag, which was flown over the capitol on April 30, 2010.

### EXPLANATION OF VOTE

MR. SPEAKER: While pregnant with my third child, I was shocked when the nurse asked if I planned to terminate the pregnancy or carry to full term. Abortion was something I couldn't accept personally.

As the mother of three daughters, I wouldn't want them to abort a baby unless a risk to their life was involved. And then we'd want to rely on the doctor's best judgment and not allow the government to dictate. In the case of the physical and mental health of a patient, I don't believe the government should be involved.

I vote no on S. Sub. for HB 2115.—LANA GORDON

The director shall remit all moneys collected pursuant to this section to the state treasurer who shall credit the entire amount thereof to the state general fund.

Sec. 4. K.S.A. 2009 Supp. 79-3311 is hereby amended to read as follows: 79-3311. The director shall sell water applied stamps only to licensed wholesale dealers in the amounts of 1,000 or multiples thereof. A refund fund designated the cigarette tax refund fund not to exceed \$10,000 at any time shall be set apart and maintained by the director from taxes collected under this act and held by the state treasurer for prompt payment of all refunds authorized by this act. Such cigarette tax refund fund shall be in such amount as the director shall determine is necessary to meet current refunding requirements under this act.

The wholesale cigarette dealer shall affix to each package of cigarettes stamps or tax meter imprints required by this act prior to the sale of cigarettes to any person, by such dealer or such dealer's agent or agents, within the state of Kansas. The director is empowered to authorize wholesale dealers to affix revenue tax meter imprints upon original packages of cigarettes and is charged with the duty of regulating the use of tax meters to secure payment of the proper taxes. No wholesale dealer shall affix revenue tax meter imprints to original packages of cigarettes without first having obtained permission from the director to employ this method of affixation. The director may, to assure the proper collection of taxes imposed by the act, revoke or suspend the privilege of imprinting tax meter imprints upon original packages of cigarettes. All meters shall be under the direct control of the director, and all transfer assignments or anything pertaining thereto must first be authorized by the director. If a wholesale dealer continuously issues illegible cigarette tax meter imprints, it shall be considered sufficient cause for revocation of such dealer's permit to use a cigarette tax meter. Cigarette stamps and meter imprints shall be affixed in a manner reasonably intended to preserve legibility of the serial numbers and other identifying characteristics of the stamp.

A licensed wholesale dealer may, for the purpose of sale in another state, transport cigarettes not bearing Kansas indicia of tax payment through the state of Kansas provided such cigarettes are contained in sealed and original cartons.

(a) Except as otherwise provided by subsection (b), (d) or (h), all revenue received by the director of taxation from a countywide retailers' sales tax shall be apportioned among the county and each city located in such county in the following manner: (1) One-half of all revenue received by the director of taxation shall be apportioned among the county and each city located in such county in the proportion that the total tangible property tax levies made in such county in the preceding year for all funds of each such governmental unit bear to the total of all such levies made in the preceding year, and (2) ½ of all revenue received by the director of taxation from such countywide retailers' sales tax shall be apportioned among the county and each city located in such county, first to the county that portion of the revenue equal to the proportion that the population of the county residing in the unincorporated area of the county bears to the total population of the county, and second to the cities in the proportion that the population of each city bears to the total population of the county, except that no persons residing within the Fort Riley military reservation shall be included in the determination of the population of any city located within Riley county. All revenue apportioned to a county shall be paid to its county treasurer and shall be credited to the general fund of the county.

- (b) (1) In lieu of the apportionment formula provided in subsection (a), all revenue received by the director of taxation from a countywide retailers' sales tax imposed within Johnson county at the rate of .75%, 1% or 1.25% after July 1, 2007, shall be apportioned among the county and each city located in such county in the following manner: (A) The revenue received from the first .5% rate of tax shall be apportioned in the manner prescribed by subsection (a) and (B) the revenue received from the rate of tax exceeding .5% shall be apportioned as follows: (i) One-fourth shall be apportioned among the county and each city located in such county in the proportion that the total tangible property tax levies made in such county in the preceding year for all funds of each such governmental unit bear to the total of all such levies made in the preceding year and (ii) one-fourth shall be apportioned among the county and each city located in such county, first to the county that portion of the revenue equal to the proportion that the population of the county residing in the unincorporated area of the county bears to the total population of the county, and second to the cities in the proportion that the population of each city bears to the total population of the county and (iii) one-half shall be retained by the county for its sole use and benefit.
- (2) In lieu of the apportionment formula provided in subsection (a), all money received by the director of taxation from a countywide sales tax imposed within Montgomery county pursuant to the election held on November 8, 1994, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged. All revenue apportioned and paid from the imposition of such tax to the treasurer of any city prior to the effective date of this act shall be remitted to the county treasurer and expended only for the purpose for which the revenue received from the tax was pledged.

(3) In lieu of the apportionment formula provided in subsection (a), on and after the effective date of this act, all moneys received by the director of taxation from a countywide retailers' sales tax imposed within Phillips county pursuant to the election held on September 20, 2005, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged.

- (c) (1) Except as otherwise provided by paragraph (2) of this subsection, for purposes of subsections (a) and (b), the term "total tangible property tax levies" means the aggregate dollar amount of tax revenue derived from ad valorem tax levies applicable to all tangible property located within each such city or county. The ad valorem property tax levy of any county or city district entity or subdivision shall be included within this term if the levy of any such district entity or subdivision is applicable to all tangible property located within each such city or county.
- (2) For the purposes of subsections (a) and (b), any ad valorem property tax levied on property located in a city in Johnson county for the purpose of providing fire protection service in such city shall be included within the term "total tangible property tax levies" for such city regardless of its applicability to all tangible property located within each such city. If the tax is levied by a district which extends across city boundaries, for purposes of this computation, the amount of such levy shall be apportioned among each city in which such district extends in the proportion that such tax levied within each city bears to the total tax levied by the district.
- (d) (1) All revenue received from a countywide retailers' sales tax imposed pursuant to paragraphs (2), (3)(C), (3)(F), (6), (7), (8), (9), (12), (14), (15), (16), (17), (18), (19), (20), (22), (23), (25) and, (27) and (28) of subsection (b) of K.S.A. 12-187, and amendments thereto, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged.

- (e) All revenue apportioned to the several cities of the county shall be paid to the respective treasurers thereof and deposited in the general fund of the city. Whenever the territory of any city is located in two or more counties and any one or more of such counties do not levy a countywide retailers' sales tax, or whenever such counties do not levy countywide retailers' sales taxes at a uniform rate, the revenue received by such city from the proceeds of the countywide retailers' sales tax, as an alternative to depositing the same in the general fund, may be used for the purpose of reducing the tax levies of such city upon the taxable tangible property located within the county levying such countywide retailers' sales tax.
- (f) Prior to March 1 of each year, the secretary of revenue shall advise each county treasurer of the revenue collected in such county from the state retailers' sales tax for the preceding calendar year.

Prayer by Chaplain Brubaker:

Our Heavenly Father, In the Apostle Paul's letter to the Corinthians, we read words of encouragement to "finish what you have started . . . and not let those good intentions grow stale . . . You've got what it takes to finish it up, so go to it. Once the commitment is clear, you do what you can, not what you can't. The heart regulates the hands . . . You are shoulder to shoulder . . . all the way, Your surplus matching their deficit, their surplus matching your deficit. In the end you come out even. As it is written. 'Nothing left over to the one with the most, Nothing lacking to the one with the least." (2Corinthians 8:11-15, The Message) Although we recognize that this session is almost over, Help us to keep focused and to the task of accomplishing what needs to be done. In Christ's name I pray, Amen.

The roll was called with 123 members present.

Present later: Rep. Fund.

Prayer by Chaplain Brubaker:

Our Heavenly Father, Yesterday was a long day and many are ready to be on their way. However, we still have crucial decisions to make that will have long-lasting effects. It is obvious that everyone wants a piece of the pie. It is up to these leaders to discern whether the piece requested is a "want" or a "need." Your Word tells us that You will supply our every need. We just require Your wisdom to know the true legitimate needs. In Christ's name I pray, Amen.

The Pledge of Allegiance was led by Rep. Garcia.

#### INTRODUCTION OF GUESTS

Reps. Otto and Feuerborn introduced Chase Brown of Richland who is the Kansas Regional Spelling Bee Champion for 2010. Chase was accompanied to the House by his parents.

### PERSONAL PRIVILEGE

There being no objection, the following remarks by Rep. Dillmore, on behalf of Rep. Lane, are spread upon the journal:

Thank you, Mr. Speaker, for this opportunity to set the record straight. On May 3, the day before yesterday, this body considered a motion to override the Governor's veto of **S. Sub. for HB 2115**. When the roll was opened for that Final Action vote, Rep. Lane and I pressed the Nay button on the console and verified that our votes appeared on the voting board. However, when the vote was tallied and recorded in the journal, we were recorded as having not voted.

Mr. Speaker, our constituents do not always agree with us, but they should know where we stand on the issues before this institution. We have never ducked a tough vote in the past and we do not want anyone to think we ducked this vote.

Therefore, my point today is to state clearly and for the record that we vote NO on S. Sub. for HB 2115.

Again, I thank the Speaker for the opportunity to correct the record.

On motion of Rep. O'Neal, **HR 6044**, A resolution honoring John F. Hayes on his lifelong public and legal service to his community and state, was adopted.

# MOTIONS AND RESOLUTIONS OFFERED ON A PREVIOUS DAY

On motion of Rep. Craft, **HR 6045**, A resolution designating October as "Agent Orange Recognition Month," was adopted.

There being no objection, the following remarks of Reps. Craft and Meier are spread upon the journal:

Rep Craft: HR 6045 designates October as "Agent Orange Recognition Month." It was requested by a constituent of mine, Bruce Jasinski, who was exposed to the toxic herbicide, Agent Orange, when he served at the Air Force base in Udorn, Thailand, during the Vietnam War. Herbicides were used to spray along the base perimeter at Udorn. Bruce worked on RF-4-C and F-4-D fighters on the flight line that was located in the perimeter. He remembers seeing tractors towing 55 gallon drums through the area where he worked and spraying during the daytime. Bruce has been diagnosed with Type 2 diabetes and suffers from secondary issues in addition.

Bruce is here with us today, accompanied by his wife Chris, to represent the scores of military veterans who served in Southeast Asia during the Vietnam War era and were exposed to Agent Orange, and who are afflicted today with medical problems they developed many years later, more than likely due to their exposure during the war. There are no doubt others here today who also served in Southeast Asia during this time. I would ask that they stand, too, during the reading of the resolution and be recognized.

Rep. Meier: Agent Orange was one of the weed-killing chemicals, know as a "herbicide," used by the U.S. military in the Vietnam War. It was sprayed to remove leaves from trees that enemy troops hid behind. So much Agent Orange was applied by airplanes, helicopters, trucks and backpack sprayers during the Vietnam War, that all Vietnam Veterans are considered to have been exposed. Certain other veterans who served in other countries of Southeast Asia and the Demilitarized Zone in Korea were also exposed.

In the 1970's some veterans became concerned that exposure to Agent Orange might cause delayed health effects. One of the chemicals in Agent Orange contained small amounts of dioxin, which had been found to cause a variety of illnesses in laboratory animals. More recent studies have suggested that dioxin may be related to several types of cancer and other disorders.

In 1996, President Clinton and VA Secretary Jesse Brown asked Congress to pass legislation providing health care, monthly disability compensation, and vocational rehabilitation to the children of Vietnam veterans suffering from the serious birth defect spina bifida, which has been linked to the veterans' exposure to Agent Orange. Congress passed the legislation, marking the first time our nation had ever compensated the children of veterans for a birth defect associated with their parent's exposure to toxic chemicals during their

military service. The VA is now providing benefits to over 800 children, including minors and adults.

Additionally, effective December 16, 2003, Congress authorized benefits to children with spina bifida of certain veterans who served at or near the demilitarized zone in Korea between September 1, 1967 and August 31, 1971, because Agent Orange is known to have been sprayed in that area.

I had hoped my good friend and Vietnam veteran, Retired Sergeant Major Rick McCall could have been here today. He lost a lung to Agent Orange and therefore is unable to drive the distance to Topeka. Despite his serious health concerns, SGM McCall still serves his country today, working at Fort Leavenworth as a Department of the Army Civilian who writes doctrine.

As we go about our busy lives, worrying about our own routines, it is easy to take our freedoms for granted. It is my hope that as Kansans slow down a bit to observe "Agent Orange Recognition Month" that they are reminded of the sacrifices of our Vietnam veterans, the price they paid for the lives we are able to lead, and be grateful for their service.

Rep. Craft: In sponsoring this resolution, it is the hope of Rep. Meier, Rep. Goyle, and myself that the designation of October as "Agent Orange Recognition Month" will create more awareness about the devastating effects of Agent Orange on Vietnam era veterans in an effort to further the support of these brave individuals. Please help me to show our appreciation to all those who served.

#### MOTIONS AND RESOLUTIONS OFFERED ON A PREVIOUS DAY

On motion of Rep. Bollier, **HR 6046**, A resolution honoring former Representative Al Lane, was adopted.

There being no objection, the following remarks of Rep. Bollier are spread upon the journal:

I come before you today asking you to join me in honoring former Representative Al Lane with **HR 6046**. Al passed away this past fall. Joining me today is Al's wife, Peggy, and Senator Terrie Huntington, your former colleague here in the House.

I grew up just down the street from Al and his family, and spent time as a young girl playing in his yard with his children or waving to him as I drove by while he was out moving his yard. As I grew up, Al began his commitment to public service. He served on the Mission Hills City Council from 1981 to 1985, became Mayor and served from 1985 to 1989. He was elected Representative of the 25th District in 1989. My mother, who served as his Precinct Committee Chairwoman, went door to door, working hard to get Al elected into the House. He retired in 2003.

This past year he became ill and passed away in the fall of 2009. It is a true privilege to be standing here today as a Representative honoring Al for his service.

I would now like to share some words from Senator Huntington as she remembers and honors Al.

"It was an honor to have Al Lane as my mentor and friend. When Rep. Lane decided to retire, I talked to him about filing for his seat in the Kansas House. He not only endorsed me, but he and his wife Peggy offered to serve as my campaign chairmen. And he went the extra mile, literally, by walking door to door with me. It was a primary election, so I was only going to knock on the doors of registered Republicans, but Rep. Lane said no — knock on every door. Your neighbors will want to know who is going to represent them. That's when I knew what a special man he was — a friend and representative to everyone, not just his fellow Republicans.

"He enjoyed his retirement, finally catching up on the home projects he had postponed for many years, but remained engaged in politics — returning to the annual Shrimp Peel Dinner, and serving on the PAC board of a local organization.

"When he learned he had cancer, his spirits were not dampened. He remained positive and upbeat through his many medical treatments — maintaining the smile and positive attitude that had served him so well during his years of community and state service. "The resolution said it well — he was a true gentleman. I will miss his wide smile, his words of encouragement and his friendship, and I'm sure those of you who served with him in the Kansas House of Representatives feel the same."

- (b) The provisions of this section shall be applicable to the sentencing guidelines grid for nondrug crimes. Sentences expressed in such grid represent months of imprisonment.
- (c) The sentencing guidelines grid is a two-dimensional crime severity and criminal history classification tool. The grid's vertical axis is the crime severity scale which classifies current crimes of conviction. The grid's horizontal axis is the criminal history scale which classifies criminal histories.
- (d) The sentencing guidelines grid for nondrug crimes as provided in this section defines presumptive punishments for felony convictions, subject to judicial discretion to deviate for substantial and compelling reasons and impose a different sentence in recognition of aggravating and mitigating factors as provided in this act. The appropriate punishment for a felony conviction should depend on the severity of the crime of conviction when compared to all other crimes and the offender's criminal history.
- (e) (1) The sentencing court has discretion to sentence at any place within the sentencing range. The sentencing judge shall select the center of the range in the usual case and reserve the upper and lower limits for aggravating and mitigating factors insufficient to warrant a departure.
- (2) In presumptive imprisonment cases, the sentencing court shall pronounce the complete sentence which shall include the prison sentence, the maximum potential reduction to such sentence as a result of good time and the period of postrelease supervision at the sentencing hearing. Failure to pronounce the period of postrelease supervision shall not negate the existence of such period of postrelease supervision.
- (3) In presumptive nonprison cases, the sentencing court shall pronounce the prison sentence as well as the duration of the nonprison sanction at the sentencing hearing.
- (f) Each grid block states the presumptive sentencing range for an offender whose crime of conviction and criminal history place such offender in that grid block. If an offense is classified in a grid block below the dispositional line, the presumptive disposition shall be nonimprisonment. If an offense is classified in a grid block above the dispositional line, the presumptive disposition shall be imprisonment. If an offense is classified in grid blocks 5-H, 5-I or 6-G, the court may impose an optional nonprison sentence upon making the following findings on the record:
- (1) An appropriate treatment program exists which is likely to be more effective than the presumptive prison term in reducing the risk of offender recidivism; and
- (2) the recommended treatment program is available and the offender can be admitted to such program within a reasonable period of time; or
- (3) the nonprison sanction will serve community safety interests by promoting offender reformation.

Any decision made by the court regarding the imposition of an optional nonprison sentence if the offense is classified in grid blocks 5-H, 5-I or 6-G shall not be considered a departure and shall not be subject to appeal.

- (g) The sentence for the violation of K.S.A. 21-3415, and amendments thereto, aggravated battery against a law enforcement officer committed prior to July 1, 2006, or K.S.A. 21-3411, and amendments thereto, aggravated assault against a law enforcement officer, which places the defendant's sentence in grid block 6-H or 6-I shall be presumed imprisonment. The court may impose an optional nonprison sentence upon making a finding on the record that the nonprison sanction will serve community safety interests by promoting offender reformation. Any decision made by the court regarding the imposition of the optional nonprison sentence, if the offense is classified in grid block 6-H or 6-I, shall not be considered departure and shall not be subject to appeal.
- (h) When a firearm is used to commit any person felony, the offender's sentence shall be presumed imprisonment. The court may impose an optional nonprison sentence upon making a finding on the record that the nonprison sanction will serve community safety interests by promoting offender reformation. Any decision made by the court regarding the imposition of the optional nonprison sentence shall not be considered a departure and shall not be subject to appeal.
- (i) The sentence for the violation of the felony provision of K.S.A. 8-1567, subsection (b)(3) of K.S.A. 21-3412a, subsections (b)(3) and (b)(4) of K.S.A. 21-3710, K.S.A. 21-4310 and K.S.A. 21-4318, and amendments thereto, shall be as provided by the specific mandatory

sentencing requirements of that section and shall not be subject to the provisions of this section or K.S.A. 21-4707 and amendments thereto. If because of the offender's criminal history classification the offender is subject to presumptive imprisonment or if the judge departs from a presumptive probation sentence and the offender is subject to imprisonment, the provisions of this section and K.S.A. 21-4707, and amendments thereto, shall apply and the offender shall not be subject to the mandatory sentence as provided in K.S.A. 21-3710, and amendments thereto. Notwithstanding the provisions of any other section, the term of imprisonment imposed for the violation of the felony provision of K.S.A. 8-1567, subsection (b)(3) of K.S.A. 21-3412a, subsections (b)(3) and (b)(4) of K.S.A. 21-3710, K.S.A. 21-4310 and K.S.A. 21-4318, and amendments thereto, shall not be served in a state facility in the custody of the secretary of corrections, except that the term of imprisonment for felony violations of K.S.A. 8-1567, and amendments thereto, may be served in a state correctional facility designated by the secretary of corrections if the secretary determines that substance abuse treatment resources and facility capacity is available. The secretary's determination regarding the availability of treatment resources and facility capacity shall not be subject to review.

- (j) (1) The sentence for any persistent sex offender whose current convicted crime carries a presumptive term of imprisonment shall be double the maximum duration of the presumptive imprisonment term. The sentence for any persistent sex offender whose current conviction carries a presumptive nonprison term shall be presumed imprisonment and shall be double the maximum duration of the presumptive imprisonment term.
- (2) Except as otherwise provided in this subsection, as used in this subsection, "persistent sex offender" means a person who: (A) (i) Has been convicted in this state of a sexually violent crime, as defined in K.S.A. 22-3717 and amendments thereto; and (ii) at the time of the conviction under paragraph (A) (i) has at least one conviction for a sexually violent crime, as defined in K.S.A. 22-3717 and amendments thereto in this state or comparable felony under the laws of another state, the federal government or a foreign government; or (B) (i) has been convicted of rape, K.S.A. 21-3502, and amendments thereto; and (ii) at the time of the conviction under paragraph (B) (i) has at least one conviction for rape in this state or comparable felony under the laws of another state, the federal government or a foreign government.

(3) Except as provided in paragraph (2)(B), the provisions of this subsection shall not apply to any person whose current convicted crime is a severity level 1 or 2 felony.

- (k) If it is shown at sentencing that the offender committed any felony violation for the benefit of, at the direction of, or in association with any criminal street gang, with the specific intent to promote, further or assist in any criminal conduct by gang members, the offender's sentence shall be presumed imprisonment. Any decision made by the court regarding the imposition of the optional nonprison sentence shall not be considered a departure and shall not be subject to appeal. As used in this subsection, "criminal street gang" means any organization, association or group of three or more persons, whether formal or informal, having as one of its primary activities the commission of one or more person felonies, felony violations of K.S.A. 2009 Supp. 21-36a01 through 21-36a17, and amendments thereto, or any felony violation of any provision of the uniform controlled substances act prior to July 1, 2009, which has a common name or common identifying sign or symbol, whose members, individually or collectively engage in or have engaged in the commission, attempted commission, conspiracy to commit or solicitation of two or more person felonies, felony violations of K.S.A. 2009 Supp. 21-36a01 through 21-36a17, and amendments thereto, any felony violation of any provision of the uniform controlled substances act prior to July 1, 2009, or any substantially similar offense from another jurisdiction.
- (l) Except as provided in subsection (o), the sentence for a violation of subsection (a) of K.S.A. 21-3715 and amendments thereto when such person being sentenced has a prior conviction for a violation of subsection (a) or (b) of K.S.A. 21-3715 or 21-3716 and amendments thereto shall be presumed imprisonment.
- (m) The sentence for a violation of K.S.A 22-4903 or subsection (d) of K.S.A. 21-3812, and amendments thereto, shall be presumptive imprisonment. If an offense under such sections is classified in grid blocks 5-E, 5-F, 5-G, 5-H or 5-I, the court may impose an optional nonprison sentence upon making the following findings on the record:

- (1) An appropriate treatment program exists which is likely to be more effective than the presumptive prison term in reducing the risk of offender recidivism, such program is available and the offender can be admitted to such program within a reasonable period of time; or
- (2) the nonprison sanction will serve community safety interests by promoting offender reformation.
- Any decision made by the court regarding the imposition of an optional nonprison sentence pursuant to this section shall not be considered a departure and shall not be subject to appeal.

(n) The sentence for a third or subsequent violation of subsection (b) of K.S.A. 21-3705, and amendments thereto, shall be presumptive imprisonment. Such sentence shall not be considered a departure and shall not be subject to appeal.

- (o) The sentence for a felony violation of K.S.A. 21-3701 or 21-3715, and amendments thereto, when such person being sentenced has no prior convictions for a violation of K.S.A. 21-3701 or 21-3715, and amendments thereto; or the sentence for a felony violation of K.S.A. 21-3701, and amendments thereto, when such person being sentenced has one or two prior felony convictions for a violation of K.S.A. 21-3701, 21-3715 or 21-3716, and amendments thereto; or the sentence for a felony violation of K.S.A. 21-3715, and amendments thereto, when such person being sentenced has one prior felony conviction for a violation of K.S.A. 21-3701, 21-3715 or 21-3716, and amendments thereto, shall be the sentence as provided by this section, except that the court may order an optional nonprison sentence for a defendant to participate in a drug treatment program, including, but not limited to, an approved after-care plan, if the court makes the following findings on the record:
  - (1) Substance abuse was an underlying factor in the commission of the crime;
- (2) substance abuse treatment in the community is likely to be more effective than a prison term in reducing the risk of offender recidivism; and
- (3) participation in an intensive substance abuse treatment program will serve community safety interests.
- A defendant sentenced to an optional nonprison sentence under this subsection shall be supervised by community correctional services. The provisions of subsection (f)(1) of K.S.A. 21-4729, and amendments thereto, shall apply to a defendant sentenced under this subsection.

The sentence under this subsection shall not be considered a departure and shall not be subject to appeal.

- (p) The sentence for a felony violation of K.S.A. 21-3701, and amendments thereto, when such person being sentenced has any combination of three or more prior felony convictions for violations of K.S.A. 21-3701, 21-3715 or 21-3716 and amendments thereto, or the sentence for a violation of K.S.A. 21-3715, and amendments thereto, when such person being sentenced has any combination of two or more prior convictions for violations of K.S.A. 21-3701, 21-3715 and 21-3716, and amendments thereto, shall be presumed imprisonment and the defendant shall be sentenced to prison as provided by this section, except that the court may recommend that an offender be placed in the custody of the secretary of corrections, in a facility designated by the secretary to participate in an intensive substance abuse treatment program, upon making the following findings on the record:
  - (1) Substance abuse was an underlying factor in the commission of the crime;
- (2) substance abuse treatment with a possibility of an early release from imprisonment is likely to be more effective than a prison term in reducing the risk of offender recidivism; and
- (3) participation in an intensive substance abuse treatment program with the possibility of an early release from imprisonment will serve community safety interests by promoting offender reformation.

The intensive substance abuse treatment program shall be determined by the secretary of corrections, but shall be for a period of at least four months. Upon the successful completion of such intensive treatment program, the offender shall be returned to the court and the court may modify the sentence by directing that a less severe penalty be imposed in lieu

of that originally adjudged within statutory limits. If the offender's term of imprisonment expires, the offender shall be placed under the applicable period of postrelease supervision.

The sentence under this subsection shall not be considered a departure and shall not be subject to appeal.

- (q) The sentence for a violation of subsection (a)(2) of K.S.A. 21-3413, and amendments thereto, shall be presumptive imprisonment and shall be served consecutively to any other term or terms of imprisonment imposed. Such sentence shall not be considered a departure and shall not be subject to appeal.

- (2) The sentence imposed pursuant to paragraph (1) shall be presumptive imprisonment and shall be served consecutively to any other term or terms of imprisonment imposed. Such sentence shall not be considered a departure and shall not be subject to appeal.
- (3) As used in this subsection, "ballistic resistant material" means: (A) Any commercially produced material designed with the purpose of providing ballistic and trauma protection, including, but not limited to, bulletproof vests and kevlar vests; and (B) any homemade or fabricated substance or item designed with the purpose of providing ballistic and trauma protection.

If an offense is classified in grid blocks 5-H, 5-I or 6-G, the court may impose an optional nonprison sentence upon making the following findings on the record:
- (1) An appropriate treatment program exists which is likely to be more effective than the presumptive prison term in reducing the risk of offender recidivism; and

The intensive substance abuse treatment program shall be determined by the secretary of corrections, but shall be for a period of at least four months. Upon the successful completion of such intensive treatment program, the offender shall be returned to the court and

the court may modify the sentence by directing that a less severe penalty be imposed in lieu of that originally adjudged within statutory limits. If the offender's term of imprisonment expires, the offender shall be placed under the applicable period of postrelease supervision.

Prayer by Chaplain Brubaker:

Dear Lord, I am reminded of the words given to Esther that she was placed in her royal position for such a time as that. This 2010 State Legislature is unique in that You have placed these people here at this particular time. This legislature is different than any that has come before, and no future legislature will be just like this one. People change views change the issues change. I am convinced this legislature has been put into place for a specific purpose. May they prove faithful and diligent to the task given to them. May they recognize their decisions will have long-lasting effects. So speak loudly and clearly Your words of wisdom for such a time as this. In Christ's name I pray, Amen.

The Pledge of Allegiance was led by Rep. Crow.

## PERSONAL PRIVILEGE

There being no objection, the following remarks of Rep. Phelps are spread upon the journal:

Thank you Mr. Speaker and good morning to the members of the body. As the session has moved along we have had many points of personal privilege at which time we have honored national champions, state champions, individuals for their long-time service to the State of Kansas and our men and women in the military.

Today I would like to recognize and congratulate Mr. Dennis Hodgins who many members recognize as a member of the Legislative Research Department. He has staffed several House and Senate committees over the past 17 years.

Dennis was born in Winnipeg, Manitoba, Canada. On March 19, 2010, Dennis became an American citizen by taking the Oath of Citizenship. By my calculation I believe Dennis is approximately the 309,200,000th citizen in the country. I would ask the members of the House to join me in congratulating Dennis Hodgins, U.S. Citizen.

Rep. Phelps presented Mr. Hodgins with a framed House certificate.

No credit shall be allowed under this section unless the number of qualified business facility employees, as determined under subsection (d) of K.S.A. 79-32,154, and amendments thereto, engaged or maintained in employment at the qualified business facility as a direct result of the investment by the taxpayer for the taxable year for which the credit is claimed equals or exceeds two. Where an employee performs services for the taxpayer outside the qualified business facility, the employee shall be considered engaged or maintained in employment at the qualified business facility if (1) the employee's service performed outside the qualified business facility is incidental to the employee's service inside the qualified business facility, or (2) the base of operations or, the place from which the service is directed or controlled, is at the qualified business facility.

- (c) For tax years commencing after December 31, 2005, any taxpayer claiming credits pursuant to this section, as a condition for claiming and qualifying for such credits, shall provide information pursuant to K.S.A. 2009 Supp. 79-32,243, and amendments thereto, as part of the tax return in which such credits are claimed. Such credits shall not be denied solely on the basis of the contents of the information provided by the taxpayer pursuant to K.S.A. 2009 Supp. 79-32,243, and amendments thereto.
- (d) No credit shall be allowed under this section for investment in a public utility, as such term is defined in K.S.A. 66-104, and amendments thereto.

Sec. 10. K.S.A. 2009 Supp. 79-32,160a is hereby amended to read as follows: 79-32,160a. (a) For taxable years commencing after December 31, 1999, any taxpayer who shall invest in a qualified business facility, as defined in subsection (b) of K.S.A. 79-32,154, and amendments thereto, and effective for tax years commencing after December 31, 2010, located in an area other than a metropolitan county as defined in either K.S.A. 2009 Supp. 74-50,114 or 74-50,211, and amendments thereto, and also meets the definition of a business in subsection (b) of K.S.A. 74-50,114, and amendments thereto, shall be allowed a credit for such investment, in an amount determined under subsection (b) or (c), as the case requires, against the tax imposed by the Kansas income tax act or where the qualified business facility is the principal place from which the trade or business of the taxpayer is directed or managed and the facility has facilitated the creation of at least 20 new full-time positions, against the premium tax or privilege fees imposed pursuant to K.S.A. 40-252, and amendments thereto, or as measured by the net income of financial institutions imposed pursuant to chapter 79, article 11 of the Kansas Statutes Annotated, for the taxable year during which commencement of commercial operations, as defined in subsection (f) of K.S.A. 79-32,154, and amendments thereto, occurs at such qualified business facility. In the case of a taxpayer who meets the definition of a manufacturing business in subsection (d) of K.S.A. 74-50,114, and amendments thereto, no credit shall be allowed under this section unless the number of qualified business facility employees, as determined under subsection (d) of K.S.A. 79-32,154, and amendments thereto, engaged or maintained in employment at the qualified business facility as a direct result of the investment by the taxpayer for the taxable year for which the credit is claimed equals or exceeds two. In the case of a taxpayer who meets the definition of a nonmanufacturing business in subsection (f) of K.S.A. 74-50,114, and amendments thereto, no credit shall be allowed under this section unless the number of qualified business facility employees, as determined under subsection (d) of K.S.A. 79-32,154, and amendments thereto, engaged or maintained in employment at the qualified business facility as a direct result of the investment by the taxpayer for the taxable year for which the credit is claimed equals or exceeds five. Where an employee performs services for the taxpayer outside the qualified business facility, the employee shall be considered engaged or maintained in employment at the qualified business facility if (1) the employee's service performed outside the qualified business facility is incidental to the employee's service inside the qualified business facility, or (2) the base of operations or, the place from which the service is directed or controlled, is at the qualified business facility.

(b) The credit allowed by subsection (a) for any taxpayer who invests in a qualified business facility which is located in a designated nonmetropolitan region established under K.S.A. 74-50,116, and amendments thereto, on or after the effective date of this act, shall be a portion of the income tax imposed by the Kansas income tax act on the taxpayer's Kansas taxable income, the premium tax or privilege fees imposed pursuant to K.S.A. 40-252, and amendments thereto, or the privilege tax as measured by the net income of financial institutions imposed pursuant to chapter 79, article 11 of the Kansas Statutes Annotated, for the taxable year for which such credit is allowed, but in the case where the qualified

business facility investment was made prior to January 1, 1996, not in excess of 50% of such tax. Such portion shall be an amount equal to the sum of the following:

- (1) Two thousand five hundred dollars for each qualified business facility employee determined under K.S.A. 79-32,154, and amendments thereto; plus
- (2) one thousand dollars for each \$100,000, or major fraction thereof, which shall be deemed to be 51% or more, in qualified business facility investment, as determined under K.S.A. 79-32,154, and amendments thereto.
- (c) The credit allowed by subsection (a) for any taxpayer who invests in a qualified business facility, which is not located in a nonmetropolitan region established under K.S.A. 74-50,116, and amendments thereto, and effective for tax years commencing after December 31, 2010, located in an area other than a metropolitan county as defined in either K.S.A. 2009 Supp. 74-50,114 or 74-50,211, and amendments thereto, and which also meets the definition of business in subsection (b) of K.S.A. 74-50,114, and amendments thereto, on or after the effective date of this act, shall be a portion of the income tax imposed by the Kansas income tax act on the taxpayer's Kansas taxable income, the premium tax or privilege fees imposed pursuant to K.S.A. 40-252, and amendments thereto, or the privilege tax as measured by the net income of financial institutions imposed pursuant to chapter 79, article 11 of the Kansas Statutes Annotated, for the taxable year for which such credit is allowed, but in the case where the qualified business facility investment was made prior to January 1, 1996, not in excess of 50% of such tax. Such portion shall be an amount equal to the sum of the following:
- (1) One thousand five hundred dollars for each qualified business facility employee as determined under K.S.A. 79-32,154, and amendments thereto; and
- (2) one thousand dollars for each \$100,000, or major fraction thereof, which shall be deemed to be 51% or more, in qualified business facility investment as determined under K.S.A. 79-32,154, and amendments thereto.
- (d) The credit allowed by subsection (a) for each qualified business facility employee and for qualified business facility investment shall be a one-time credit. If the amount of the credit allowed under subsection (a) exceeds the tax imposed by the Kansas income tax act on the taxpayer's Kansas taxable income, the premium tax and privilege fees imposed pursuant to K.S.A. 40-252, and amendments thereto, or the privilege tax as measured by the net income of financial institutions imposed pursuant to chapter 79, article 11 of the Kansas Statutes Annotated for the taxable year, or in the case where the qualified business facility investment was made prior to January 1, 1996, 50% of such tax imposed upon the amount which exceeds such tax liability or such portion thereof may be carried over for credit in the same manner in the succeeding taxable years until the total amount of such credit is used. Except that, before the credit is allowed, a taxpayer, who meets the definition of a manufacturing business in subsection (d) of K.S.A. 74-50,114, and amendments thereto, shall recertify annually that the net increase of a minimum of two qualified business facility employees has continued to be maintained and a taxpayer, who meets the definition of a nonmanufacturing business in subsection (f) of K.S.A. 74-50,114, and amendments thereto, shall recertify annually that the net increase of a minimum of five qualified business employees has continued to be maintained.
- (e) Notwithstanding the foregoing provisions of this section, any taxpayer qualified and certified under the provisions of K.S.A. 74-50,131, and amendments thereto; which, prior to making a commitment to invest in a qualified Kansas business, has filed a certificate of intent to invest in a qualified business facility in a form satisfactory to the secretary of commerce; and that has received written approval from the secretary of commerce for participation and has participated, during the tax year for which the exemption is claimed, in the Kansas industrial training, Kansas industrial retraining or the state of Kansas investments in lifelong learning program or is eligible for the tax credit established in K.S.A. 74-50,132, and amendments thereto, shall be entitled to a credit in an amount equal to 10% of that portion of the qualified business facility investment which exceeds \$50,000 in lieu of the credit provided in subsection (b)(2) or (c)(2) without regard to the number of qualified business facility. The credit allowed by this subsection shall be a one-time credit. If the amount thereof exceeds the tax imposed by the Kansas income tax act on the taxpayer's Kansas

taxable income or the premium tax or privilege fees imposed pursuant to K.S.A. 40-252, and amendments thereto, or the privilege tax as measured by net income of financial institutions imposed pursuant to chapter 79, article 11 of the Kansas Statutes Annotated for the taxable year, the amount thereof which exceeds such tax liability may be carried forward for credit in the succeeding taxable year or years until the total amount of the tax credit is used, except that no such tax credit shall be carried forward for deduction after the 10th taxable year succeeding the taxable year in which such credit initially was claimed and no carry forward shall be allowed for deduction in any succeeding taxable year unless the taxpayer continued to be qualified and was recertified for such succeeding taxable year pursuant to K.S.A. 74-50,131, and amendments thereto.

(f) For tax years commencing after December 31, 2005, any taxpayer claiming credits pursuant to this section, as a condition for claiming and qualifying for such credits, shall provide information pursuant to K.S.A. 2009 Supp. 79-32,243, and amendments thereto, as part of the tax return in which such credits are claimed. Such credits shall not be denied solely on the basis of the contents of the information provided by the taxpayer pursuant to K.S.A. 2009 Supp. 79-32,243, and amendments thereto.

(g) This section and K.S.A. 79-32,160b, and amendments thereto, shall be part of and supplemental to the job expansion and investment credit act of 1976 and acts amendatory thereof and supplemental thereto.

  - (2) determine the median AVPP of all school districts;
- (3) prepare a schedule of dollar amounts using the amount of the median AVPP of all school districts as the point of beginning. The schedule of dollar amounts shall range upward in equal \$1,000 intervals from the point of beginning to and including an amount that is equal to the amount of the AVPP of the school district with the highest AVPP of all school districts and shall range downward in equal \$1,000 intervals from the point of beginning to and including an amount that is equal to the amount of the AVPP of the school district with the lowest AVPP of all school districts;
- (4) determine a state aid percentage factor for each school district by assigning a state aid computation percentage to the amount of the median AVPP shown on the schedule, decreasing the state aid computation percentage assigned to the amount of the median AVPP by one percentage point for each \$1,000 interval above the amount of the median AVPP, and increasing the state aid computation percentage assigned to the amount of the median AVPP by one percentage point for each \$1,000 interval below the amount of the median AVPP. Except as provided by K.S.A. 2009 Supp. 72-8814b, and amendments thereto, the state aid percentage factor of a school district is the percentage assigned to the schedule amount that is equal to the amount of the AVPP of the school district, except that the state aid percentage factor of a school district shall not exceed 100%. The state aid computation percentage is 25%;
- (5) determine the amount levied by each school district pursuant to K.S.A. 72-8801 et seq., and amendments thereto;
- (6) multiply the amount computed under (5), but not to exceed 8 mills, by the applicable state aid percentage factor. The product is the amount of payment the school district is entitled to receive from the school district capital outlay state aid fund in the school year.
- (c) The state board shall certify to the director of accounts and reports the entitlements of school districts determined under the provisions of subsection (b), and an amount equal thereto shall be transferred by the director from the state general fund to the school district capital outlay state aid fund for distribution to school districts, except that no transfers shall be made from the state general fund to the school district capital outlay state aid fund during the fiscal years ending June 30, 2011, or June 30, 2012. All transfers made in accordance with the provisions of this subsection shall be considered to be demand transfers from the state general fund.
- (d) Payments from the school district capital outlay state aid fund shall be distributed to school districts at times determined by the state board of education. The state board of education shall certify to the director of accounts and reports the amount due each school district entitled to payment from the fund, and the director of accounts and reports shall draw a warrant on the state treasurer payable to the treasurer of the school district. Upon receipt of the warrant, the treasurer of the school district shall credit the amount thereof to the capital outlay fund of the school district to be used for the purposes of such fund.
- (e) Amounts transferred to the capital outlay fund of a school district as authorized by K.S.A. 72-6433, and amendments thereto, shall not be included in the computation when determining the amount of state aid to which a district is entitled to receive under this section.
- Sec. 145. On July 1, 2010, K.S.A. 2009 Supp. 75-2319 is hereby amended to read as follows: 75-2319. (a) There is hereby established in the state treasury the school district capital improvements fund. The fund shall consist of all amounts transferred thereto under the provisions of subsection (c).
- (b) Subject to the provisions of subsection (f), in each school year, each school district which is obligated to make payments from its capital improvements fund shall be entitled to receive payment from the school district capital improvements fund in an amount determined by the state board of education as provided in this subsection. The state board of education shall:

- (1) Determine the amount of the assessed valuation per pupil (AVPP) of each school district in the state and round such amount to the nearest \$1,000. The rounded amount is the AVPP of a school district for the purposes of this section;
  - (2) determine the median AVPP of all school districts;
- (3) prepare a schedule of dollar amounts using the amount of the median AVPP of all school districts as the point of beginning. The schedule of dollar amounts shall range upward in equal \$1,000 intervals from the point of beginning to and including an amount that is equal to the amount of the AVPP of the school district with the highest AVPP of all school districts and shall range downward in equal \$1,000 intervals from the point of beginning to and including an amount that is equal to the amount of the AVPP of the school district with the lowest AVPP of all school districts;
- (4) determine a state aid percentage factor for each school district by assigning a state aid computation percentage to the amount of the median AVPP shown on the schedule, decreasing the state aid computation percentage assigned to the amount of the median AVPP by one percentage point for each \$1,000 interval above the amount of the median AVPP, and increasing the state aid computation percentage assigned to the amount of the median AVPP by one percentage point for each \$1,000 interval below the amount of the median AVPP. Except as provided by K.S.A. 2009 Supp. 75-2319c, and amendments thereto, the state aid percentage factor of a school district is the percentage assigned to the schedule amount that is equal to the amount of the AVPP of the school district. The state aid percentage factor of a school district shall not exceed 100%. The state aid computation percentage is 5% for contractual bond obligations incurred by a school district prior to the effective date of this act, and 25% for contractual bond obligations incurred by a school district on or after the effective date of this act;
- (5) determine the amount of payments in the aggregate that a school district is obligated to make from its bond and interest fund and, of such amount, compute the amount attributable to contractual bond obligations incurred by the school district prior to the effective date of this act and the amount attributable to contractual bond obligations incurred by the school district on or after the effective date of this act;
- (6) multiply each of the amounts computed under (5) by the applicable state aid percentage factor; and
- (7) add the products obtained under (6). The amount of the sum is the amount of payment the school district is entitled to receive from the school district capital improvements fund in the school year.
- (c) The state board of education shall certify to the director of accounts and reports the entitlements of school districts determined under the provisions of subsection (b), and an amount equal thereto shall be transferred by the director from the state general fund to the school district capital improvements fund for distribution to school districts. All transfers made in accordance with the provisions of this subsection shall be considered to be demand transfers from the state general fund, except that all such transfers during the fiscal year years ending June 30, 2007 2011, and June 30, 2012, shall be considered to be revenue transfers from the state general fund.
- (d) Payments from the school district capital improvements fund shall be distributed to school districts at times determined by the state board of education to be necessary to assist school districts in making scheduled payments pursuant to contractual bond obligations. The state board of education shall certify to the director of accounts and reports the amount due each school district entitled to payment from the fund, and the director of accounts and reports shall draw a warrant on the state treasurer payable to the treasurer of the school district. Upon receipt of the warrant, the treasurer of the school district shall credit the amount thereof to the bond and interest fund of the school district to be used for the purposes of such fund.

- (f) Amounts transferred to the capital improvements fund of a school district as authorized by K.S.A. 72-6433, and amendments thereto, shall not be included in the computation when

determining the amount of state aid to which a district is entitled to receive under this section.

MR. PRESIDENT and MR. SPEAKER: Your committee on conference on Senate amendments to **HB 2486**, submits the following report:

The House accedes to all Senate amendments to the bill, and your committee on conference further agrees to amend the bill, as printed with Senate Committee amendments, as follows:

On page 1, by striking all in lines 14 through 43 and inserting the following:

- "Section 1. K.S.A. 2009 Supp. 65-3225 is hereby amended to read as follows: 65-3225. (a) Subject to K.S.A. 2009 Supp. 65-3227, and amendments thereto, a donor or other person authorized to make an anatomical gift under K.S.A. 2009 Supp. 65-3223, and amendments thereto, may amend or revoke an anatomical gift by:
  - (1) A record signed by:
  - (A) The donor;
  - (B) the other person; or
- (C) subject to subsection (b), another individual acting at the direction of the donor or the other person if the donor or other person is physically unable to sign; or
- (2) a later-executed document of gift that amends or revokes a previous anatomical gift or portion of an anatomical gift, either expressly or by inconsistency.
  - (b) A record signed pursuant to subsection (a)(1)(C) must:
- (1) Be witnessed by at least two adults, at least one of whom is a disinterested witness, who have signed at the request of the donor or the other person; and
  - (2) state that it has been signed and witnessed as provided in paragraph (1).
- (c) Subject to K.S.A. 2009 Supp. 65-3227, and amendments thereto, a donor or other person authorized to make an anatomical gift under K.S.A. 2009 Supp. 65-3223, and amendments thereto, may revoke an anatomical gift by the destruction or cancellation of the document of gift, or the portion of the document of gift used to make the gift, with the intent to revoke the gift.
- (d) A donor may amend or revoke an anatomical gift that was not made in a will by any form of communication during a terminal illness or injury addressed to at least two adults, at least one of whom is a disinterested witness.
- (e) A donor who makes an anatomical gift in a will may amend or revoke the gift in the manner provided for amendment or revocation of wills or as provided in subsection (a).
- (f) A donor may revoke or amend an anatomical gift made by placing such individual's name on the first person consent organ and tissue donor registry by directly accessing the registry website or notifying the Kansas federally designated organ procurement organization to request the amendment or revocation. Withdrawal of such individual's consent to be listed in the registry does not constitute a refusal to make an anatomical gift of the individual's body or part.

- Sec. 2. K.S.A. 2009 Supp. 65-3239 is hereby amended to read as follows: 65-3239. (a) Information obtained under K.S.A. 8-247 and 8-1325, and amendments thereto, from the division of vehicles by the Kansas federally designated organ procurement organization shall be used for the purpose of establishing a statewide organ and tissue donor registry accessible to in-state recognized cadaveric organ and cadaveric tissue agencies for the recovery or placement of organs and tissue and to procurement agencies in another state when a Kansas resident is a donor of an anatomical gift and is not located in Kansas at the time of death or immediately before the death of the donor. No organ or tissue donation organization may obtain information from the organ and tissue donor registry for the purposes of fund-raising. Organ and tissue donor registry information shall not be further disseminated unless authorized in this section or by federal law. Dissemination of organ and tissue donor registry information may be made by the Kansas federally designated organ procurement organization to a recognized in-state procurement agency for other tissue recovery, or an out-ofstate federally designated organ procurement agency. An individual who agrees to have such individual's name in the first person consent organ and tissue donor registry has given full legal consent to the donation of any of such individual's organs or tissues upon such individual's death as recorded in the registry.
- (b) The Kansas federally designated organ procurement organization may acquire donor information from sources other than the division of vehicles.
- (c) All costs associated with the creation and maintenance of the organ and tissue donor registry shall be paid by the Kansas federally designated organ procurement organization. Such organization shall also pay the costs of providing and maintaining the written information and educational materials required to be distributed under subsection (g) of K.S.A. 8-247, and amendments thereto, and under subsection (b) of K.S.A. 8-1325, and amendments thereto.
- (d) An individual does not need to participate in the organ and tissue donor registry to be a donor of organs or tissue. The registry is to facilitate organ and tissue donations and not inhibit Kansans from being donors upon death.
- (e) This section shall be a part of and supplemental to the revised uniform anatomical gift act.
  - Sec. 3. K.S.A. 2009 Supp. 65-3225 and 65-3239 are hereby repealed.
- Sec. 4. This act shall take effect and be in force from and after its publication in the statute book.";

On page 1, in the title, by striking all in lines 10 and 11 and inserting the following: "AN ACT concerning anatomical gifts; relating to first person donor registry; amending K.S.A. 2009 Supp. 65-3225 and 65-3239 and repealing the existing sections.";

And your committee on conference recommends the adoption of this report.

The maximum percentage increase in fiscal year spending for a fiscal year shall be equal to the result obtained by adding the rate of inflation for the calendar year ending during the preceding fiscal year, plus the percentage change in state population during the calendar year ending during the preceding fiscal year if a positive number, adjusted for revenue changes resulting from acts enacted in accordance with section 3 of this act. The limitation imposed on fiscal year spending shall not apply to expenditures of moneys transferred to the state general fund from the state budget stabilization reserve fund pursuant to section 7 of this act. The limitation imposed on fiscal year spending for a fiscal year may be authorized to be exceeded by act of the legislature that is passed by a supermajority of two-thirds (2/3) of the members then elected (or appointed) and qualified of each house, voting in the affirmative, and that authorizes fiscal year spending for such fiscal year in excess of such limitation.
- (b) For any fiscal year commencing on or after July 1, 2011, the total state revenue limitation shall be determined in accordance with this section. If the amount of the total state revenue for the preceding fiscal year exceeds the amount of total state revenue for the second preceding fiscal year, the total state revenue limitation for a fiscal year shall be the result obtained by adding (1) the lesser of (A) the amount of total state revenue for the preceding fiscal year or (B) the amount of the total state revenue limitation for the preceding fiscal year, and (2) the product of (A) the amount determined under clause (1) of this subsection, and (B) the sum of (i) the rate of inflation for the calendar year ending during the preceding fiscal year, plus (ii) the percentage change in state population during the calendar year ending during the preceding fiscal year if a positive number.
- (c) If the amount of the total state revenue for the preceding fiscal year is less than the amount of total state revenue for the second preceding fiscal year, the amount of the total

state revenue limitation for a fiscal year shall be the lesser of (1) the amount of total state revenue for the second preceding fiscal year, or (2) the amount of the total state revenue limitation for the base revenue year.

- (d) The legislature shall provide a mechanism to adjust the amount of a limitation under this section to reflect any subsequent transfer of all or any part of the cost of providing a governmental function. The mechanism shall adjust the amount of a limitation so that total costs are not increased as a result of the transfer. The adjustment mechanism provided for in this subsection shall be used in determining a limitation under this section beginning with the fiscal year immediately following the transfer.
- (e) For the purposes of determining total revenue limitations under this section for the state, the total authorized fiscal year expenditures for the fiscal year ending on June 30, 2010, shall be construed to be the total state revenue and the total revenue limitation for that preceding fiscal year and the total authorized fiscal year expenditures for the fiscal year ending on June 30, 2011, shall be construed to be the total state revenue and the total revenue limitation for that preceding fiscal year.
- Sec. 171. (a) For any fiscal year that commences on or after July 1, 2011, if total state revenue exceeds the total state revenue limitation for that fiscal year, as determined in accordance with section 4 of this act, then a portion of the excess amount of state revenue shall be reserved as prescribed by this section or refunded as prescribed by section 6 of this article. Any amount required to be maintained in the ending balance of the state general fund as provided by law shall be excluded from the amount available for transfer to the budget stabilization reserve fund by this section.
- (b) An amount of any excess amount of total state revenue shall be transferred in the amount and in the manner prescribed by the legislature by law to the budget stabilization reserve fund, which fund is hereby created in the state treasury. The amount transferred to the budget stabilization reserve fund in accordance with this subsection shall be equal to the lesser of (1) the amount necessary to ensure that the balance in the budget stabilization reserve fund at the end of the fiscal year is an amount equal to 7% of the total state revenue limitation for the ensuing fiscal year. Income earned on the moneys credited to the budget stabilization reserve fund. In no case shall additional moneys be transferred into the budget stabilization reserve fund if the balance in the fund is equal to or more than 7% of the total state revenue limitation for the ensuing fiscal year. Each transfer to the budget stabilization reserve fund prescribed by this section shall be made before any transfer to the emergency reserve fund as provided in section 5 of this article or any refunds as required by section 6 of this article.
- (c) For any fiscal year that commences on or after July 1, 2011, if the amount of the total state revenue is less than the amount of total state revenue for the prior fiscal year, the legislature may provide by law for the transfer of moneys from the budget stabilization reserve fund to the state general fund in an amount equal to not more than the difference between the amount of total state revenue for the prior fiscal year and the amount of total state revenue for the current fiscal year. Under no other circumstances shall moneys be transferred or expended from the budget stabilization reserve fund of the state.
- Sec. 172. (a) For any fiscal year that commences on or after July 1, 2011, if total state revenue exceeds the total state revenue limitation for that fiscal year, as determined in accordance with section 4 of this act, then, after making any transfer to the budget stabilization reserve fund as required by section 5 of this act, a portion of any remaining total state revenue in excess of the total state revenue limitation shall be transferred in the amount and in the manner prescribed by the legislature by law to the emergency reserve fund, which fund is hereby created in the state treasury, to the extent necessary to ensure that a balance of the emergency reserve fund at the end of the fiscal year is an amount equal to not more than 3% of the total state revenue limitation for the ensuing fiscal year. Any amount required to be maintained in the ending balance of the state general fund as provided by law shall be excluded from the amount available for transfer to the emergency reserve fund by this section. Each transfer to the emergency reserve fund prescribed by this section shall be made after making any transfer to the budget stabilization reserve fund as provided in section 5 of this act. The state shall not be required to transfer any moneys other than any amount of total state revenue in excess of the total state revenue limitation to the emergency reserve

fund. The moneys in the emergency reserve fund shall be in addition to, and shall not be used to meet, any other reserve requirement under this constitution or any law. In no case shall additional moneys be transferred to the emergency reserve fund if the balance in the emergency reserve fund is more than 3% of the total state revenue limitation for the ensuing fiscal year.

- (b) Moneys in the emergency reserve fund may be expended only for an emergency declared by the governor to exist within the state. Two-thirds (2/3) of the members then elected (or appointed) and qualified of each house, voting in the affirmative, shall be necessary to pass any bill making an appropriation of money or transferring any moneys from the emergency reserve fund. Income earned on moneys credited to the emergency reserve fund shall accrue to the emergency reserve fund.
- (c) As used in this section "emergency" means an extraordinary event or occurrence that could not have been reasonably foreseen or prevented and that requires immediate expenditures to preserve the health, safety and general welfare of the people within the state and "emergency" does not mean a revenue shortfall or budget shortfall.
- Sec. 173. (a) Any excess amount of total state revenues for a fiscal year that remains after the transfers to the budget stabilization reserve fund and emergency reserve fund pursuant to section 5 or section 6 of this act, if any, shall be reserved in the current fiscal year and shall be refunded as provided by law during the next ensuing fiscal year to the taxpayers who paid the state ad valorem property taxes or state income taxes, or both, for the preceding fiscal year, in a manner that is proportional, on a pro rata basis, to the manner in which such taxes were collected from such taxpayers for such fiscal year. Any amount required to be maintained in the ending balance of the state general fund as provided by law shall be excluded from the amount available to be reserved and refunded by the state as prescribed by this section.
- (b) In a case of any amount that is received pursuant to any tax and required to be reserved and refunded to taxpayers by the state pursuant to this section and that is determined by the state in the manner prescribed by law to be insufficient for refunds to be made during the ensuing fiscal year, such amount shall be reserved for refunds to be made thereafter when the amount reserved is sufficient therefor.

Sec. 174. On or after July 1, 2011, during any fiscal year, transfers which are temporary and are to be repaid, or any other temporary borrowing, through certificates of indebtedness or any other device or manner, of any moneys in the state treasury to be credited to the state general fund, are prohibited unless the moneys so transferred or otherwise borrowed are restored or repaid to the original funds or accounts of the state treasury from the state general fund within the same fiscal year. The provisions of this section do not apply to transfers from the budget stabilization reserve fund or the emergency reserve fund to the state general fund in accordance with this article.

Sec. 175. On or after July 1, 2011, any appropriation of moneys in the state treasury that either supplants any appropriation from the state general fund, or that, if not made, would require an appropriation from the state general fund is prohibited. For purposes of this section, any appropriation of moneys in the state treasury that is funded by user charges or fees imposed on goods or services that do not exceed the cost of the goods or services provided shall not be deemed to be an appropriation that supplants any appropriation from the state general fund.

Sec. 176. A local government may not be required to fulfill any mandate imposed by the state unless and until, and may be required to fulfill that mandate only to the extent that, funds are provided to the local government by the state for that purpose. The legislature is not required to appropriate funds for mandates if more than two years have passed since the effective date of the mandate and no claim for funding has been made by the local government during that period.

Sec. 177. (a) The provisions of this act shall be liberally construed for the purpose of effectuating the purposes thereof, except that nothing in this act shall be construed to authorize any new or increased tax of any kind other than as provided or authorized by law enacted by the legislature in accordance with and subject to the other provisions of this constitution.

(b) All laws in force at the time of the adoption of this amendment and consistent therewith shall remain in full force and effect until amended or repealed by the legislature. The legislature shall repeal or amend all laws inconsistent with the provisions of this act to conform with the provisions of this act."

The secretary, in determining need of any applicant for or recipient of assistance shall not take into account the financial responsibility of any individual for any applicant or recipient of assistance unless such applicant or recipient is such individual's spouse or such individual's minor child or minor stepchild if the stepchild is living with such individual. The secretary in determining need of an individual may provide such income and resource exemptions as may be permitted by federal law. For purposes of eligibility for aid for families with dependent children, for food stamp assistance and for any other assistance provided through the department of social and rehabilitation services under which federal moneys are expended, the secretary of social and rehabilitation services shall consider one motor vehicle owned by the applicant for assistance, regardless of the value of such vehicle, as exempt personal property and shall consider any equity in any additional motor vehicle owned by the applicant for assistance to be a nonexempt resource of the applicant for assistance.

In any case in which an order for child support has been established and the legal custodian and obligee under the order surrenders physical custody of the child to a caretaker relative without obtaining a modification of legal custody and support rights on behalf of the child are assigned pursuant to this section, the surrender of physical custody and the assignment shall transfer, by operation of law, the child's support rights under the order to the secretary on behalf of the state. Such assignment shall be of all accrued, present or future rights to support of the child surrendered to the caretaker relative. The assignment of support rights shall automatically become effective upon the date of approval for or receipt of such aid without the requirement that any document be signed by the applicant, recipient or obligee. By applying for or receiving aid to families with dependent children, or by surrendering physical custody of a child to a caretaker relative who is an applicant or recipient of such assistance on the child's behalf, the applicant, recipient or obligee is also deemed to have appointed the secretary, or the secretary's designee, as an attorney in fact to perform the specific act of negotiating and endorsing all drafts, checks, money orders or other negotiable instruments representing support payments received by the secretary in behalf of any person applying for, receiving or having received such assistance. This limited power of attorney shall be effective from the date the secretary approves the application for aid and shall remain in effect until the assignment of support rights has been terminated in full.
- (d) Eligibility requirements for general assistance, the cost of which is not shared by the federal government. Where a husband and wife are living together the combined income or resources of both shall be considered in determining the eligibility of either or both for such assistance unless otherwise prohibited by law. The secretary in determining need of any applicant for or recipient of general assistance shall not take into account the financial responsibility of any individual for any applicant or recipient of general assistance unless such applicant or recipient is such individual's spouse or such individual's minor child or a minor stepchild if the stepchild is living with such individual. In determining the need of an individual, the secretary may provide for income and resource exemptions.
- (B) To qualify for general assistance in any form a needy person must be a citizen of the United States or an alien lawfully admitted to the United States and must be residing in the state of Kansas.
- (2) General assistance in the form of transitional assistance may be granted to eligible persons who do not qualify for financial assistance in a program in which the federal government participates and who satisfy the additional requirements prescribed by or under this subsection (d), but who do not meet the criteria prescribed by rules and regulations of

the secretary relating to inability to engage in employment or are not a member of a family in which a minor or a pregnant woman resides.

- (3) In addition to the other requirements prescribed under this subsection (d), the secretary shall adopt rules and regulations which establish community work experience program requirements for eligibility for the receipt of general assistance in any form and which establish penalties to be imposed when a work assignment under a community work experience program requirement is not completed without good cause. The secretary may adopt rules and regulations establishing exemptions from any such community work experience program requirements. A first time failure to complete such a work assignment requirement shall result in ineligibility to receive general assistance for a period fixed by such rules and regulations of not more than three calendar months. A subsequent failure to complete such a work assignment requirement shall result in a period fixed by such rules and regulations of ineligibility of not more than six calendar months.
- (4) If any person is found guilty of the crime of theft under the provisions of K.S.A. 39-720, and amendments thereto, such person shall thereby become forever ineligible to receive any form of general assistance under the provisions of this subsection (d) unless the conviction is the person's first conviction under the provisions of K.S.A. 39-720, and amendments thereto, or the law of any other state concerning welfare fraud. First time offenders convicted of a misdemeanor under the provisions of such statute shall become ineligible to receive any form of general assistance for a period of 12 calendar months from the date of conviction. First time offenders convicted of a felony under the provisions of such statute shall become ineligible to receive any form of general assistance for a period of 60 calendar months from the date of conviction. If any person is found guilty by a court of competent jurisdiction of any state other than the state of Kansas of a crime involving welfare fraud, such person shall thereby become forever ineligible to receive any form of general assistance under the provisions of this subsection (d) unless the conviction is the person's first conviction under the law of any other state concerning welfare fraud. First time offenders convicted of a misdemeanor under the law of any other state concerning welfare fraud shall become ineligible to receive any form of general assistance for a period of 12 calendar months from the date of conviction. First time offenders convicted of a felony under the law of any other state concerning welfare fraud shall become ineligible to receive any form of general assistance for a period of 60 calendar months from the date of conviction.
- (e) Requirements for medical assistance for which federal moneys or state moneys or both are expended. (1) When the secretary has adopted a medical care plan under which federal moneys or state moneys or both are expended, medical assistance in accordance with such plan shall be granted to any person who is a citizen of the United States or who is an alien lawfully admitted to the United States and who is residing in the state of Kansas, whose resources and income do not exceed the levels prescribed by the secretary. In determining the need of an individual, the secretary may provide for income and resource exemptions and protected income and resource levels. Resources from inheritance shall be counted. A disclaimer of an inheritance pursuant to K.S.A. 59-2291, and amendments thereto, shall constitute a transfer of resources. The secretary shall exempt principal and interest held in irrevocable trust pursuant to subsection (c) of K.S.A. 16-303, and amendments thereto, from the eligibility requirements of applicants for and recipients of medical assistance. Such assistance shall be known as medical assistance.
- (2) For the purposes of medical assistance eligibility determinations on or after July 1, 2004, if an applicant or recipient owns property in joint tenancy with some other party and the applicant or recipient of medical assistance has restricted or conditioned their interest in such property to a specific and discrete property interest less than 100%, then such designation will cause the full value of the property to be considered an available resource to the applicant or recipient.
- (3) (A) Resources from trusts shall be considered when determining eligibility of a trust beneficiary for medical assistance. Medical assistance is to be secondary to all resources, including trusts, that may be available to an applicant or recipient of medical assistance.
- (B) If a trust has discretionary language, the trust shall be considered to be an available resource to the extent, using the full extent of discretion, the trustee may make any of the income or principal available to the applicant or recipient of medical assistance. Any such

discretionary trust shall be considered an available resource unless: (i) At the time of creation or amendment of the trust, the trust states a clear intent that the trust is supplemental to public assistance; and (ii) the trust: (a) Is funded from resources of a person who, at the time of such funding, owed no duty of support to the applicant or recipient of medical assistance; or (b) is funded not more than nominally from resources of a person while that person owed a duty of support to the applicant or recipient of medical assistance.

(C) For the purposes of this paragraph, "public assistance" includes, but is not limited to, medicaid, medical assistance or title XIX of the social security act.

- (4) (A) When an applicant or recipient of medical assistance is a party to a contract, agreement or accord for personal services being provided by a nonlicensed individual or provider and such contract, agreement or accord involves health and welfare monitoring, pharmacy assistance, case management, communication with medical, health or other professionals, or other activities related to home health care, long term care, medical assistance benefits, or other related issues, any moneys paid under such contract, agreement or accord shall be considered to be an available resource unless the following restrictions are met: (i) The contract, agreement or accord must be in writing and executed prior to any services being provided; (ii) the moneys paid are in direct relationship with the fair market value of such services being provided by similarly situated and trained nonlicensed individuals; (iii) if no similarly situated nonlicensed individuals or situations can be found, the value of services will be based on federal hourly minimum wage standards; (iv) such individual providing the services will report all receipts of moneys as income to the appropriate state and federal governmental revenue agencies; (v) any amounts due under such contract, agreement or accord shall be paid after the services are rendered; (vi) the applicant or recipient shall have the power to revoke the contract, agreement or accord; and (vii) upon the death of the applicant or recipient, the contract, agreement or accord ceases.
- (B) When an applicant or recipient of medical assistance is a party to a written contract for personal services being provided by a licensed health professional or facility and such contract involves health and welfare monitoring, pharmacy assistance, case management, communication with medical, health or other professionals, or other activities related to home health care, long term care, medical assistance benefits or other related issues, any moneys paid in advance of receipt of services for such contracts shall be considered to be an available resource.
- (5) Any trust may be amended if such amendment is permitted by the Kansas uniform trust code.
- (f) Eligibility for medical assistance of resident receiving medical care outside state. A person who is receiving medical care including long-term care outside of Kansas whose health would be endangered by the postponement of medical care until return to the state or by travel to return to Kansas, may be determined eligible for medical assistance if such individual is a resident of Kansas and all other eligibility factors are met. Persons who are receiving medical care on an ongoing basis in a long-term medical care facility in a state other than Kansas and who do not return to a care facility in Kansas when they are able to do so, shall no longer be eligible to receive assistance in Kansas unless such medical care is not available in a comparable facility or program providing such medical care in Kansas. For persons who are minors or who are under guardianship, the actions of the parent or guardian shall be deemed to be the actions of the child or ward in determining whether or not the person is remaining outside the state voluntarily.
- (g) Medical assistance; assignment of rights to medical support and limited power of attorney; recovery from estates of deceased recipients. (1) Except as otherwise provided in K.S.A. 39-786 and 39-787, and amendments thereto, or as otherwise authorized on and after September 30, 1989, under section 303 and amendments thereto of the federal medicare catastrophic coverage act of 1988, whichever is applicable, by applying for or receiving medical assistance under a medical care plan in which federal funds are expended, any accrued, present or future rights to support and any rights to payment for medical care from a third party of an applicant or recipient and any other family member for whom the applicant is applying shall be deemed to have been assigned to the secretary on behalf of the state. The assignment shall automatically become effective upon the date of approval for such assistance without the requirement that any document be signed by the applicant or

recipient. By applying for or receiving medical assistance the applicant or recipient is also deemed to have appointed the secretary, or the secretary's designee, as an attorney in fact to perform the specific act of negotiating and endorsing all drafts, checks, money orders or other negotiable instruments, representing payments received by the secretary in behalf of any person applying for, receiving or having received such assistance. This limited power of attorney shall be effective from the date the secretary approves the application for assistance and shall remain in effect until the assignment has been terminated in full. The assignment of any rights to payment for medical care from a third party under this subsection shall not prohibit a health care provider from directly billing an insurance carrier for services rendered if the provider has not submitted a claim covering such services to the secretary for payment. Support amounts collected on behalf of persons whose rights to support are assigned to the secretary only under this subsection and no other shall be distributed pursuant to subsection (d) of K.S.A. 39-756, and amendments thereto, except that any amounts designated as medical support shall be retained by the secretary for repayment of the unreimbursed portion of assistance. Amounts collected pursuant to the assignment of rights to payment for medical care from a third party shall also be retained by the secretary for repayment of the unreimbursed portion of assistance.

- (2) The amount of any medical assistance paid after June 30, 1992, under the provisions of subsection (e) is (A) a claim against the property or any interest therein belonging to and a part of the estate of any deceased recipient or, if there is no estate, the estate of the surviving spouse, if any, shall be charged for such medical assistance paid to either or both, and (B) a claim against any funds of such recipient or spouse in any account under K.S.A. 9-1215, 9-1216, 17-2263, 17-2264, 17-5828 or 17-5829, and amendments thereto. There shall be no recovery of medical assistance correctly paid to or on behalf of an individual under subsection (e) except after the death of the surviving spouse of the individual, if any, and only at a time when the individual has no surviving child who is under 21 years of age or is blind or permanently and totally disabled. Transfers of real or personal property by recipients of medical assistance without adequate consideration are voidable and may be set aside. Except where there is a surviving spouse, or a surviving child who is under 21 years of age or is blind or permanently and totally disabled, the amount of any medical assistance paid under subsection (e) is a claim against the estate in any guardianship or conservatorship proceeding. The monetary value of any benefits received by the recipient of such medical assistance under long-term care insurance, as defined by K.S.A. 40-2227, and amendments thereto, shall be a credit against the amount of the claim provided for such medical assistance under this subsection (g). The secretary is authorized to enforce each claim provided for under this subsection (g). The secretary shall not be required to pursue every claim, but is granted discretion to determine which claims to pursue. All moneys received by the secretary from claims under this subsection (g) shall be deposited in the social welfare fund. The secretary may adopt rules and regulations for the implementation and administration of the medical assistance recovery program under this subsection (g).
- (3) By applying for or receiving medical assistance under the provisions of article 7 of chapter 39 of the Kansas Statutes Annotated, such individual or such individual's agent, fiduciary, guardian, conservator, representative payee or other person acting on behalf of the individual consents to the following definitions of estate and the results therefrom:
- (A) If an individual receives any medical assistance before July 1, 2004, pursuant to article 7 of chapter 39 of the Kansas Statutes Annotated, which forms the basis for a claim under subsection (g)(2), such claim is limited to the individual's probatable estate as defined by applicable law; and
- (B) if an individual receives any medical assistance on or after July 1, 2004, pursuant to article 7 of chapter 39 of the Kansas Statutes Annotated, which forms the basis for a claim under subsection (g)(2), such claim shall apply to the individual's medical assistance estate. The medical assistance estate is defined as including all real and personal property and other assets in which the deceased individual had any legal title or interest immediately before or at the time of death to the extent of that interest or title. The medical assistance estate includes, without limitation assets conveyed to a survivor, heir or assign of the deceased

recipient through joint tenancy, tenancy in common, survivorship, transfer-on-death deed, payable-on-death contract, life estate, trust, annuities or similar arrangement.

- (4) The secretary of social and rehabilitation services or the secretary's designee is authorized to file and enforce a lien against the real property of a recipient of medical assistance in certain situations, subject to all prior liens of record. The lien must be filed in the office of the register of deeds of the county where the real property is located and must contain the legal description of all real property in the county subject to the lien. This lien is for payments of medical assistance made by the department of social and rehabilitation services to the recipient who is an inpatient in a nursing home or other medical institution. Such lien may be filed only after notice and an opportunity for a hearing has been given. Such lien may be enforced only upon competent medical testimony that the recipient cannot reasonably be expected to be discharged and returned home. A six-month period of compensated inpatient care at a nursing home, nursing homes or other medical institution shall constitute a determination by the department of social and rehabilitation services that the recipient cannot reasonably be expected to be discharged and returned home. To return home means the recipient leaves the nursing or medical facility and resides in the home on which the lien has been placed for a period of at least 90 days without being readmitted as an inpatient to a nursing or medical facility. The amount of the lien shall be for the amount of assistance paid by the department of social and rehabilitation services after the expiration of six months from the date the recipient became eligible for compensated inpatient care at a nursing home, nursing homes or other medical institution until the time of the filing of the lien and for any amount paid thereafter for such medical assistance to the recipient.
- (5) The lien filed by the secretary or the secretary's designee for medical assistance correctly received may be enforced before or after the death of the recipient by the filing of an action to foreclose such lien in the Kansas district court or through an estate probate court action in the county where the real property of the recipient is located. However, it may be enforced only:
  - (A) After the death of the surviving spouse of the recipient;
- (B) when there is no child of the recipient, natural or adopted, who is 20 years of age or less residing in the home;
- (C) when there is no adult child of the recipient, natural or adopted, who is blind or disabled residing in the home; or
- (D) when no brother or sister of the recipient is lawfully residing in the home, who has resided there for at least one year immediately before the date of the recipient's admission to the nursing or medical facility, and has resided there on a continuous basis since that time.
- (6) The lien remains on the property even after a transfer of the title by conveyance, sale, succession, inheritance or will unless one of the following events occur:
- (A) The lien is satisfied. The recipient, the heirs, personal representative or assigns of the recipient may discharge such lien at any time by paying the amount of the lien to the secretary or the secretary's designee;
- (B) the lien is terminated by foreclosure of prior lien of record or settlement action taken in lieu of foreclosure;
- (C) the value of the real property is consumed by the lien, at which time the secretary or the secretary's designee may force the sale for the real property to satisfy the lien; or
- (D) after a lien is filed against the real property, it will be dissolved if the recipient leaves the nursing or medical facility and resides in the property to which the lien is attached for a period of more than 90 days without being readmitted as an inpatient to a nursing or medical facility, even though there may have been no reasonable expectation that this would occur. If the recipient is readmitted to a nursing or medical facility during this period, and does return home after being released, another 90 days must be completed before the lien can be dissolved.
- (7) If the secretary of social and rehabilitation services or the secretary's designee has not filed an action to foreclose the lien in the Kansas district court in the county where the real property is located within 10 years from the date of the filing of the lien, then the lien shall become dormant, and shall cease to operate as a lien on the real estate of the recipient.

Such dormant lien may be revived in the same manner as a dormant judgment lien is revived under K.S.A. 60-2403 et seq., and amendments thereto.

- (h) Placement under the revised Kansas code for care of children or revised Kansas juvenile justice code; assignment of support rights and limited power of attorney. In any case in which the secretary of social and rehabilitation services pays for the expenses of care and custody of a child pursuant to K.S.A. 2008 2009 Supp. 38-2201 et seq. or 38-2301 et seq., and amendments thereto, including the expenses of any foster care placement, an assignment of all past, present and future support rights of the child in custody possessed by either parent or other person entitled to receive support payments for the child is, by operation of law, conveyed to the secretary. Such assignment shall become effective upon placement of a child in the custody of the secretary or upon payment of the expenses of care and custody of a child by the secretary without the requirement that any document be signed by the parent or other person entitled to receive support payments for the child. When the secretary pays for the expenses of care and custody of a child or a child is placed in the custody of the secretary, the parent or other person entitled to receive support payments for the child is also deemed to have appointed the secretary, or the secretary's designee, as attorney in fact to perform the specific act of negotiating and endorsing all drafts, checks, money orders or other negotiable instruments representing support payments received by the secretary on behalf of the child. This limited power of attorney shall be effective from the date the assignment to support rights becomes effective and shall remain in effect until the assignment of support rights has been terminated in full.
- (i) No person who voluntarily quits employment or who is fired from employment due to gross misconduct as defined by rules and regulations of the secretary or who is a fugitive from justice by reason of a felony conviction or charge shall be eligible to receive public assistance benefits in this state. Any recipient of public assistance who fails to timely comply with monthly reporting requirements under criteria and guidelines prescribed by rules and regulations of the secretary shall be subject to a penalty established by the secretary by rules and regulations.
- (j) If the applicant or recipient of aid to families with dependent children is a mother of the dependent child, as a condition of the mother's eligibility for aid to families with dependent children the mother shall identify by name and, if known, by current address the father of the dependent child except that the secretary may adopt by rules and regulations exceptions to this requirement in cases of undue hardship. Any recipient of aid to families with dependent children who fails to cooperate with requirements relating to child support enforcement under criteria and guidelines prescribed by rules and regulations of the secretary shall be subject to a penalty established by the secretary by rules and regulations which penalty shall progress to ineligibility for the family after three months of noncooperation.
- (k) By applying for or receiving child care benefits or food stamps, the applicant or recipient shall be deemed to have assigned, pursuant to K.S.A. 39-756 and amendments thereto, to the secretary on behalf of the state only accrued, present or future rights to support from any other person such applicant may have in such person's own behalf or in behalf of any other family member for whom the applicant is applying for or receiving aid. The assignment of support rights shall automatically become effective upon the date of approval for or receipt of such aid without the requirement that any document be signed by the applicant or recipient. By applying for or receiving child care benefits or food stamps, the applicant or recipient is also deemed to have appointed the secretary, or the secretary's designee, as an attorney in fact to perform the specific act of negotiating and endorsing all drafts, checks, money orders or other negotiable instruments representing support payments received by the secretary in behalf of any person applying for, receiving or having received such assistance. This limited power of attorney shall be effective from the date the secretary approves the application for aid and shall remain in effect until the assignment of support rights has been terminated in full. An applicant or recipient who has assigned support rights to the secretary pursuant to this subsection shall cooperate in establishing and enforcing support obligations to the same extent required of applicants for or recipients of aid to families with dependent children.

- (l) (1) Applicants for cash assistance as a condition of eligibility for cash assistance and persons receiving cash assistance as a condition of continued receipt of cash assistance shall agree to participate in a program of drug screening. Within the limits of appropriations therefor, the program of drug screening for cash assistance recipients shall be established, subject to applicable federal law, by the secretary of social and rehabilitation services on or before January 1, 2012. Subject to appropriations therefor, such program shall provide for random drug screening of approximately 1/3 of cash assistance recipients each year. A cash assistance recipient who tests positive for use of an illegal substance shall undergo a drug evaluation and if indicated by the evaluation be required to complete an educational or treatment program recommended as a result of the evaluation.
- (2) Subject to applicable federal laws, any cash assistance recipient who fails to complete the educational or treatment program required under this subsection (1) shall be terminated from cash assistance. After completion of such educational or treatment program, the cash assistance recipient shall be subject to periodic drug screening. Upon a second positive test for use of an illegal substance, the cash assistance recipient shall complete again an educational or treatment program for substance abuse. Upon a third positive test for use of an illegal substance, the cash assistance recipient, subject to applicable federal law, if any, shall be terminated from cash assistance. Other members of a household which include a recipient who has been terminated from cash assistance shall, if otherwise eligible, continue to receive cash assistance as protective or vendor payments to a third-party payee for the benefit of the members of the household.
- (3) Except for hearings before the department of social and rehabilitation services or criminal prosecutions, the results of any test administered as part of the drug screening program authorized by this section shall be confidential and shall not be disclosed publicly.

(4) The secretary of social and rehabilitation services may adopt such rules and regulations as necessary to carry out the provisions of this section.

- (5) The secretary of social and rehabilitation services shall report on or before January 31, 2013, and annually thereafter on or before January 31 to the chairperson of the house committee on appropriations, the chairperson of the house committee on health and human services, the chairperson of the senate committee on ways and means and the chairperson of the senate committee on public health and welfare concerning the operation and administration of the drug screening program established under this subsection.
- (6) As used in this subsection, "cash assistance" means cash assistance provided to individuals under the provisions of article 7 of chapter 39 of the Kansas Statutes Annotated, and acts amendatory thereof or supplemental thereto, and any rules and regulations adopted pursuant to such statutes.
- (7) During the 2012 regular session of the legislature, the legislature shall review the progress of the implementation of the program of drug screening for cash assistance recipients established under this subsection.
- Sec. 168. On July 1, 2011, K.S.A. 2009 Supp. 75-4362 is hereby amended to read as follows: 75-4362. (a) The director of the division of personnel services of the department of administration shall have the authority to establish and implement a drug screening program for persons taking office as governor, lieutenant governor or, attorney general or members of the Kansas senate or house of representatives and for applicants for safety sensitive positions in state government, but no applicant for a safety sensitive position shall be required to submit to a test as a part of this program unless the applicant is first given a conditional offer of employment.
- (b) The director also shall have the authority to establish and implement a drug screening program based upon a reasonable suspicion of illegal drug use by any person currently holding one of the following positions or offices:
  - (1) The office of governor, lieutenant governor or attorney general;
  - (2) members of the Kansas senate or house of representatives;
  - (2) (3) any safety sensitive position;

- $\frac{(5)}{(6)}$  (6) any position in the Kansas state school for the deaf, as established under K.S.A. 76-1001 et seq., and amendments thereto; or
- $\frac{(6)}{(7)}$  any employee of a state veteran's home operated by the Kansas commission on veteran's affairs as described in K.S.A. 76-1901 et seq. and K.S.A. 76-1951 et seq., and amendments thereto.
- (c) Any public announcement or advertisement soliciting applications for employment in a safety sensitive position in state government shall include a statement of the requirements of the drug screening program established under this section for applicants for and employees holding a safety sensitive position.
- (d) No person shall be terminated solely due to positive results of a test administered as a part of a program authorized by this section if:
  - (1) The employee has not previously had a valid positive test result; and
- (2) the employee undergoes a drug evaluation and successfully completes any education or treatment program recommended as a result of the evaluation. Nothing herein shall be construed as prohibiting demotions, suspensions or terminations pursuant to K.S.A. 75-2949e or 75-2949f, and amendments thereto.
- (e) Except in hearings before the state civil service board regarding disciplinary action taken against the employee, the results of any test administered as a part of a program authorized by this section shall be confidential and shall not be disclosed publicly.
- (f) The secretary of administration may adopt such rules and regulations as necessary to carry out the provisions of this section.

Prayer by Brubaker:

Our Heavenly Father, The week has been long, the days even longer. It is no secret that many are tired and ready to get everything finished. Many may even be frustrated with the inconvenience of the schedule. However, we are reminded that Your Son came to this earth and made choices and decisions that would affect mankind forever. There were times He was tired: times He was frustrated with those who didn't understand His perspective; and many times, inconvenienced. However, He continued because He was all about others, not Himself. We are here not because of ourselves, but because others — those whom we represent. So, keep us focused on the task at hand. Give us physical strength and mental alertness. Most of all, give us positive attitudes and a spirit of kindness towards one another. In Christ's Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Schroeder.

#### EXPLANATIONS OF VOTE

Mr. Speaker: I vote yes for this budget because it is a balanced solution to a difficult situation. This budget preserves essential services and avoids poor policy choices. It prevents the adoption of "penny wise, pound foolish" decisions. It is conservative and realistic by booking fewer dollars from uncertain revenue sources.

The fiscal problems of Kansas will not end on June 30, 2011, and I recognize that a multiyear solution is needed if we are to avoid the loss of essential governmental services that the citizens of this state depend on. This budget is part of that solution. I vote yes on **H. Sub. for SB 572.**—DON HINEMAN, BILL LIGHT, CHARLIE ROTH, KAY WOLF, JILL QUIGLEY, SHERYL SPALDING, VERN SWANSON, DON HILL, J. ROBERT BROOKENS, LEE TAFANELLI, BARBARA CRAFT, RICHARD J. PROEHL, TOM J. MOXLEY, RON WORLEY

Mr. Speaker: I did not support **H. Sub. for SB 572**. I am disappointed that we are not raising taxes merely to fill the budget gap, but rather to increase spending. Like our constituents, we must learn to live within our budget, and not spend money we do not have. We did not raise sales tax by a small percentage, we raised it nearly 19%. I vote NO.—Rocky Fund

Mr. Speaker: I vote aye on **H. Sub. for SB 572** because it represents the most responsible budget that this body is likely to pass. This is a budget that funds pre-K - 12 education and higher education opportunities, programs providing services to persons with disabilities, public safety investments, and other investments in Kansans and Kansas. It represents a series of choices that balance funding vital and desired services with responsible taxing policies.—Tom Sloan

Mr. Speaker: I vote NO on **H. Sub. for SB 572**. We cannot afford this budget busting spending spree that will lead to one of the largest tax increases in the history of Kansas. It requires a \$300 million tax increase on hard working Kansans. By choosing the state employee salary increase over the needs of the disabled, by sweeping fee funds to pay for expensive social association fees, and by ignoring the needs of the frail and elderly while bloating budgets in other areas of government, this legislature is choosing the wrong priorities on behalf of Kansans.—Peggy Mast, Virgil Peck Jr., Kasha Kelley, Marc Rhoades, Phil Hermanson, S. Mike Kiegerl, Bill Otto, Aaron Jack, Steve Brunk, Owen Donohoe, Jim Morrison, Forrest Knox, Anthony R. Brown, Rob Olson, Peter Degraaf, Bill Wolf, Connie O'Brien, Brenda Landwehr, Don Myers, J. David Crum, Joe McLeland, Sharon Schwartz, Mario Goico, Gene M.

SUELLENTROP, STEVE HUEBERT, KEVIN YODER, GARY HAYZLETT, LARRY POWELL, LANCE KINZER, ARLEN SIEGFREID

MR. SPEAKER: I vote yes on **H. Sub. for SB 572**. While I disagree with the level of funding appropriated to certain specific agencies, the appropriations made by this bill are crafted in such a way that the proposed funds to be expended are closely aligned with expected revenue. I support that attempt to only appropriate expected revenue. I also concur with this bill's attempt to ensure that our most vulnerable citizens will be able to receive the services they need for their current and future well-being.—DEENA HORST

MR. SPEAKER: We cannot afford this spending spree that will lead to one of the largest tax increases in the history of Kansas. It requires over \$300 million in additional taxes on hard working Kansans. It includes millions in legally questionable fee sweeps. It allows the use of taxpayer money for campaign commercials, compromises our agriculture safety programs, cuts services to the elderly, and does not adequately fund the physically and developmentally disabled waiver. It does not require accountability and adds to an already bloated government budget. For these reasons, I vote NO on **H. Sub. for SB 572.**—JOE SEIWERT

MR. SPEAKER: In stark contrast to the House Appropriations Committee Budget, **H. Sub. for SB 572** encourages unchecked growth on 53% of our state budget by removing the independent audit process for schools. It allows the use of taxpayer money for campaign commercials, sweeps fee funds, compromises our agriculture safety programs, cuts services to the elderly, and increases prescription costs for Medicaid recipients while cutting hospice services - all while requiring one of the largest tax increases in state history. Under this plan, the state is still projected to face another budget shortfall by 2012. For this reason, I vote NO.—MITCH HOLMES

MR. SPEAKER: **H. Sub. for SB 572** unreasonably grows the size of our state government budget while Kansans experience the highest unemployment rate and the worst economic recession since the Great Depression. One of the highest tax increases in history will be necessary to cover this newly created irresponsible \$300 million budget deficit. The new taxes will disproportionately put at risk Johnson County jobs and business growth as we will lose business to Missouri due to our proximity to the stateline. This budget neglects the elderly, the poor, and the disabled while we bloat government and give state employee raises. For these reasons, I vote no.—MARVIN KLEEB

#### CHANGE OF CONFEREES

Speaker O'Neal announced the appointment of Reps. Schwartz, Shultz and Flaharty as a members of the conference committee on **S. Sub. for HB 2219** to replace Reps. Morrison, Burgess and Trimmer.
