Prayer by Chaplain Brubaker:

“Our Father which art in Heaven,
hallowed be Thy Name.
Thy Kingdom come, Thy will be done
on earth as it is in heaven.”
The words of this prayer are so familiar
but much harder to accomplish.
Give wisdom and insight to our leaders
to do Your will—not our own.
“Give us this day our daily bread…”
Lord, there are many who are depending
upon this body to provide all their needs;
help us all to remember that our needs come from You.
“And forgive us our debts, as we forgive our debtors.”
We all fall short of who and what we are to be.
Just as You forgive us, may we forgive each other.
“And lead us not into temptation,
But deliver us from evil.”
The temptation might be to give up, give in,
give away or give over.
Give us strength to be honest and stand firm
to the convictions given by You.
“For thine is the Kingdom, and the power,
and the glory, forever.”
Help us to remember that all we do is temporal,
but all You do for and in us is eternal.
In Christ’s Name I pray, Amen.
(Matthew 6:9-13)
The Pledge of Allegiance was led by Rep. Johnson.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Kiegerl are spread upon the journal:

Blake Phelps is 13 years old. This extraordinary young man has performed a significant act of service and heroism for which we are recognizing him today.

At age 11, this typical fifth grade student was on his way home from Wheat Ridge Middle School in Gardner, Kansas when he boarded his school bus. As the bus began to leave to take the children home, his driver stood up from her seat and lost consciousness. This young man jumped up and ran to her aid.

He put on the emergency brake to stop the bus from rolling, then began to administer first aid by placing his back-pack under her legs, checked her pulse, breathing and heart rate. The other 48 children were panicking and the bus erupted into chaos. Blake managed to tell the kids to sit down and be calm. They responded by complying with his request. He knew that he needed to summon help so he picked up the bus radio and called into base informing them of the dire medical situation that they were experiencing. Next he got out his cell phone and called 911. Another bus driver had heard Blake's call go out over the bus radio and came to help. Blake chose another student to assist him by evacuating the children out of the back of the bus. Paramedics and bus personnel arrived at that time to take over the situation as Blake lined the children up on the sidewalk helping to keep them calm.

You may ask how this young child was able to do this while remaining calm. Blake is a member of Boy Scout Troop 88 in Gardner. The motto of Boy Scouts of America is “Be Prepared.” One month before he was put to the test, he had become certified in CPR and First Aid by the Red Cross.

We honor him today with this prestigious recognition for his courageous actions.

MR. SPEAKER: I vote yes on Sub. HB 2333. The KPER's under-funded bank account issue has been discussed for years with no decisive action. This bill represents an effort to begin meaningful dialogue and work on both short and long-term solutions. This will not be an easy or painless process.

Should we choose to delay meaningful action, the financial stability will only become worse and put all present and future retirees promised pension in peril.

By Representatives Ruiz, Goico, Gonzalez and Mesa

A CONCURRENT RESOLUTION outlining the principles of the State of Kansas regarding immigration reform policy.

WHEREAS, Failure to update our federal immigration system separates and destabilizes Kansas communities, and creates uncertainty, inefficiency and an uneven playing field for Kansas' citizens, businesses and economy; and

WHEREAS, Failure to address the system where it can be fixed – at the federal level – has left all states searching for solutions in ways that have been costly and divisive: Now, therefore,

**Be it resolved by the House of Representatives of the State of Kansas, the Senate concurring therein:** That the Legislature recommends the following basic principles as a guide for state and federal policy on immigration:

1. Immigration is a federal policy issue between the United States government and other countries – not Kansas and other countries. The Legislature urges the Kansas congressional delegation to take action to create a workable immigration system that upholds our values, our economic needs and moves us forward; and

2. the Legislature respects the rule of law and supports law enforcement's professional judgment and discretion. Local law enforcement resources should focus on criminal activities, not civil violations of federal code; and

3. strong families are the foundation of successful communities. The Legislature opposes policies that unnecessarily separate families. The Legislature champions policies that support families and improve the health, education and well-being of all Kansas children; and

4. the Legislature acknowledges the important economic role immigrant Kansans
play as workers, entrepreneurs and taxpayers. The immigration policies of Kansas must affirm its reputation as a welcoming and business-friendly state; and

5. immigration is an important part of our past and our future. As in the past, immigrants are totally integrated into communities across Kansas. We must adopt a humane approach to this reality, reflecting our values, history and spirit of inclusion and cooperation. The way we treat immigrants says a lot about our society being fair and just. Kansas should always be a place that welcomes people of goodwill. Our communities and our future will be best served by doing so; and

Be it further resolved: That the Legislature urgently calls upon the Kansas congressional delegation and the United States Congress to enact thorough, common sense, workable and humane reforms that reflect the realities of our country’s workforce needs and represent America’s values at its best; and

Be it further resolved: That the Chief Clerk of the House of Representatives shall send enrolled copies of this resolution to Representatives Ruiz, Goico, Gonzalez and Mesa, and to the President of the United States, the Speaker of the United States House of Representatives, the President of the United States Senate and each member of the Kansas congressional delegation.

The House met pursuant to adjournment with Speaker O'Neal in the chair.  

The roll was called with 122 members present.

Prayer by guest chaplain, the Rev. Barry Feaker, Executive Director, Topeka Rescue Mission, and guest of Rep. S. Gatewood:

Our Great and Glorious Creator God,
We come to You this morning with gratefulness in our hearts for the many blessing You have given to each of us who live in this great nation called the United States of America and this great state at the heart of our nation called Kansas.  
We thank You for our rich inheritance of freedom and the opportunity for prosperity we have been granted from Your Divine providence and by those who have come before us with commitment, determination, compassion and sacrifice.  
Today we come to You with sincere humility in our hearts understanding that events that are unfolding in our world, nation and state are complex and uncertain.  
When we consider earthquakes, tsunamis, potential nuclear meltdowns and wars on many fronts our challenges may appear minuscule in comparison.  
However, we know that from the single mother who is struggling to put food on the table to those who have lost jobs and possibly their homes, their tsunami are here, real and now.  
Great God, I pray for the men and women of this House. That these servants of Yours, divinely appointed and elected by the people, be granted great wisdom and understanding.  
May these humble servants be known by those who come after them as men and women of courage, commitment, compassion, character and sacrifice.  
May the decisions that will be made in this House on this day reflect Your heart and Your purpose for the citizens of Kansans, for the present and for the future.  
May all who lead this great state be found faithful in their love
for God and their love for their neighbor.
In Your great, loving and holy Name we pray, Amen.

The Pledge of Allegiance was led by Rep. Finney.

HOUSE RESOLUTION No. HR 6020—

By Representatives Kuether, Alford, Hineman, C. Holmes, Knox and Swanson

A RESOLUTION urging modifications to the National Broadband Plan for the benefit of rural residents of Kansas.

WHEREAS, Residents of this state living in rural areas deserve and expect the same high-quality, affordable communications services that are available to their urban neighbors; and

WHEREAS, Similar to businesses in urban areas, rural businesses, farmers and ranchers compete in the global marketplace and depend on affordable access to robust broadband services to market and sell their products around the world; and

WHEREAS, Children living in rural areas should have the same educational opportunities as their urban counterparts, and high-speed internet access is absolutely necessary to allow these students opportunities for advanced learning through distance education; and

WHEREAS, Residents living in rural areas face unique health care challenges because of the distances that must be traveled to seek basic and advanced medical care, and telemedicine delivered via broadband networks can improve the health of rural residents by reducing the time and travel needed for high-quality health care; and

WHEREAS, Many rural areas encounter significant challenges in pursuing and sustaining economic development plans that bring quality, higher-paying jobs to their communities, and insufficiently robust broadband speeds will further hamper the economic development needs of many rural communities; and

WHEREAS, The United States Department of Agriculture has rightfully placed significant importance on the need for broadband access in rural America to improve quality-of-life and economic development; and
WHEREAS, Communications providers that serve this state’s rural areas have worked diligently to ensure that their consumers have access to affordable and reliable broadband services and have utilized the United States Department of Agriculture’s Rural Utilities Service loan and grant programs for economic development; and

WHEREAS, Contrary to the progress rural communications providers have had in deploying broadband, the Federal Communications Commission is embarking on a National Broadband Plan that will negatively impact the ability of residents living in rural areas of this state to realize the true benefits of access to robust broadband speeds by limiting support to four megabits per second in rural, high-cost areas of the country, while calling for one hundred million urban homes to have access to broadband speeds at 100 megabits per second by 2020; and

WHEREAS, The National Broadband Plan runs counter to the federal universal service policy which ensures access to communications services at comparable rates regardless of the consumer’s location: Now, therefore,

Be it resolved by the Senate of the State of Kansas: That we challenge the Federal Communications Commission to make substantive change to the National Broadband Plan so that the plan develops a universal service support mechanism that ensures accountability, promotes stability, provides efficient and effective incentives for broadband network deployment and operation and encourages broadband adoption by keeping broadband service affordable. The plan should also ensure high-quality service by linking funding to satisfying reasonable, but meaningful, carrier of last resort obligations. Consistent with the universal service principles in federal law, the plan should ensure that rural and urban consumers pay reasonably comparable rates for reasonably comparable services by providing adequate support in high-cost areas; and

Be it further resolved: That we urge the members of the Kansas Congressional Delegation to work with the Federal Communications Commission to ensure that commissioners understand the importance of robust broadband deployment to rural Kansas and how the current draft of the National Broadband Plan needs to be dramatically altered to ensure quality broadband service availability throughout this state; and

Be it further resolved: That the Secretary of the Senate be directed to provide an enrolled copy of this resolution to the commissioners of the Federal Communications Commission, the members of the Kansas Congressional Delegation and the Governor.

Prayer by Chaplain Brubaker:

Our Heavenly Father,
As we continue the work that we have been called to do,
we sometimes find ourselves between a rock and a hard place.
We receive encouragement from Your Word in the Book of Isaiah:
“Don’t be afraid…I have called you by name.
When you are in over your head, I’ll be there with you.
When you are in rough waters, you will not go down.
When you are between a rock and a hard place,
it won’t be a dead end—
because I am God…and I am with you.”
We take heart today in this promise of Yours,
and thank You for this reassurance.
I pray this in the name of Your Son, Christ Jesus,
Amen.
(Isaiah 43:6-8 – The Message)

The Pledge of Allegiance was led by Rep. Bollier.

MOTIONS AND RESOLUTIONS OFFERED ON A PREVIOUS DAY
On motion of Rep. Worley, HR 6018, A RESOLUTION designating March 30 as “Welcome Home Vietnam Veterans Day,” was adopted.

There being no objection, the following remarks of Reps. Mah, Meier and Worley are spread upon the journal:

Remarks by Rep. Mah:
March 30 marks the anniversary of the date of the completion in 1973 of the
withdrawal of US combat units from the former South Vietnam under the Treaty of Paris. In many cases, our veterans were not welcomed back with gratitude and were too often blamed for the failings of a war waged under four administrations.

This is why the Vietnam Veterans of America endorses the establishment of March 30 as “Welcome Home Vietnam Veterans Day”. We have with us today members of the Danny J. Petersen Vietnam Veterans of America Chapter 604 from Topeka, including President Ron Zink and Treasurer Nick Nichum. Ron also serves as the Kansas State Council President. We have members of the Patrick K. Harrold Vietnam Veterans Chapter 75 from Leavenworth, including President Kenny Bowen and Vice President Lynn Rolf, Jr. We also have with us Jack Fowler (Col. Ret.), Executive Director of the Kansas Commission on Veterans Affairs and Wayne Bollig, Director of Veteran Services Programs of the Kansas Commission on Veterans Affairs.

Vietnam veteran Rep. Worley and Iraq veteran Rep. Meier will tell us more about the Welcome Home effort. And we would like to invite down to the well any other Vietnam veterans or spouses of Vietnam Veterans in the House at this time.

Remarks by Rep. Meier:

In 2000, Ramos began a campaign for a Welcome Home Vietnam Veterans Day. To raise awareness, he rode his bicycle from his home in California to Washington, D.C., asking that March 30 be proclaimed as our national Welcome Home day.

The Kansas Legislature is proud to join in this long overdue recognition.

Remarks by Rep. Worley:
This year, the United States Senate Resolution was introduced by Senator Burr of South Carolina. Senator Burr said, “There’s no question that our troops served our country bravely and faithfully during the Vietnam War, and these veterans deserve our recognition and gratitude. Tragically, when these service members returned home, they were caught in the crossfire of public debate about our nation’s involvement in the Vietnam War. As a result, these brave men and women never received the welcome home and gratitude they fully deserved.”

More than 58,000 members of the United States Armed Forces lost their lives and more than 300,000 were wounded in Vietnam. The establishment of a “Welcome Home Vietnam Veterans Day” serves as a small way to honor these men and women who served our country in Vietnam throughout the war.

I would now like to ask that veterans of any other US war or combat operation stand and be recognized.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Goodman are spread upon the journal:

Nathan Butler, a sophomore at Leavenworth High School, is this year's Kansas High
School 6A Freestyle and Greco-Roman Wrestling State Champion. Nathan is the captain of the wrestling team as a sophomore. In his spare time, he plays football, the trombone, and is a math whiz with a 4.14 GPA. Jay Johnston is the head coach of the Leavenworth High School wrestling team of outstanding scholar athletes.

Bo Pursel, a junior at Lansing High School, has been a nationally ranked champion wrestler since the age of nine. He recently won his third consecutive Kansas High School 5A State wrestling championship. Bo is a true student athlete with a 3.85 GPA. Bo's coach is Ron Averill, who just completed his 27th season as head coach for the Lansing Lions. Coach Averill was recently named Regional Coach of the Year for the fifth time.

EXPLANATION OF VOTE

MR. SPEAKER: We vote “NO” on SB 93. Racial profiling in Kansas negatively impacts and discriminates against all individuals and entire communities.

In 2007 the Legislature passed a law making racial profiling unlawful. Comprehensive data collection was and continues to be an important provision of the law.
In SB 93 we assure law enforcement their due process when accused, however, we don't have a mechanism in place that collects the data that will be able to show irregularities and/or patterns of traffic and pedestrian stops. SB 93 lacks accountability and is little more than glorified window dressing. – MELODY MCCRAY MILLER, GAIL FINNEY, BARBARA BALLARD, VALDENIA WINN, PONKA-WE VICTORS, SYDNEY CARLIN, LOUIS E. RUIZ, BRODERICK HENDERSON

Give them the ability to see your solutions and the courage to implement them. We ask your blessing on those who wear the uniforms of our military. Grant them your wisdom and protection as many of them are in harms way today. Thank you for their voluntary service to protect and defend our freedoms and our way of life. Watch over and bless their families as they also pay a price for their loved ones service.

EXPLANATIONS OF VOTE

Mr. Speaker: Sub. SB 72 price-deregulates voice telephone service in all parts of Kansas, putting in jeopardy rural Kansas where there is no choice for basic telephone service. Urban Kansas has already been deregulated and has already seen corresponding price increases. But they have choices for telephone service. When prices increase in rural Kansas there is no choice for plain old telephone service – it is a monopoly. This is a day for all Kansans to stand for all of Kansas. We vote NO on Sub. SB 72. – Don Hineman, Bob Brookens, Ward Cassidy, Jim Kelly, Owen Donohoe, Stephen Alford, Larry Powell, Mitch Holmes

Mr. Speaker: Sub. SB 72 fully price-deregulates voice telephone service in all parts of Kansas. Currently competitive exchanges are already deregulated. Sub. SB 72 deregulates exchanges where a monopoly exists. It also abandons exchange-wide
pricing, allowing targeting of high cost lines. The real nut of this bill is elimination of the price reporting requirement in already deregulated areas, which hurts competition. This could be accomplished without sacrificing rural Kansas, where a monopoly still exists on plain old telephone service. There is a reason that committee leadership, who understand this best, does not support Sub. SB 72. We vote No on Sub. SB 72. – FORREST J. KNOX, ANNIE KUETHER

Dear Lord,
I have had a request to ask You to allow the session to be finished by 5:00 pm today so they can all travel home and sleep in their own beds tonight.
No, God, I don’t think this is an April’s Fool joke! However, I do understand it might rank right up there close to the miracle of the crossing of the Red Sea for this to likely occur.
In all seriousness, I do ask that you be with this great body of leaders today.
Temper the attitudes, extend the patience, soften the words, expedite a spirit of unity, but keep them diligent and responsible in accomplishing what they have been sent here to do.
Also, thank you for the Wichita State win last night.
We know You share in our joy and pride for these outstanding young men and their talent.
In Christ’s Name I pray, Amen.

The Pledge of Allegiance was led by Rep. S. Gatewood.

CONFERENCE COMMITTEE REPORT

MR. PRESIDENT and MR. SPEAKER: Your committee on conference on Senate amendments to HB 2192 submits the following report:

The House accedes to all Senate amendments to the bill, and your committee on conference further agrees to amend the bill, as printed with Senate Committee amendments as follows:

On page 1, after line 7, by inserting:

"Section 1. K.S.A. 2010 Supp. 8-116a is hereby amended to read as follows: 8-116a. (a) Except as provided in K.S.A. 8-170, and amendments thereto, when an application is made for a vehicle which has been assembled, reconstructed, reconstituted or restored from one or more vehicles, or the proper identification number of a vehicle is in doubt, the procedure in this section shall be followed. The owner of the vehicle shall request the Kansas highway patrol to check the vehicle and the highway patrol shall within a reasonable period of time perform such vehicle check. At the time of such check the owner shall supply the highway patrol with information concerning the history of the various parts of the vehicle. Such information shall be supplied by affidavit of the owner, if so requested by the highway patrol. If the highway patrol is satisfied that the vehicle contains no stolen parts, it shall assign an existing or new identification number to the vehicle and direct the places and manner in which the identification number is to be located and affixed or implanted. A charge of $10 per hour or part thereof, with a minimum charge of $10, and on and after July 1, 2012, a charge of $20 per hour or part thereof, with a minimum charge of $20, shall be made to the owner of a vehicle requesting check under this subsection, and such charge shall be paid prior to the check under this section. When a check has been made under subsection (b), not more than 60 days prior to a check of the same vehicle identification number, requested by the owner of the vehicle to obtain a regular certificate of title in
lieu of a nonhighway certificate of title or to obtain a rebuilt salvage title in lieu of a salvage title, no charge shall be made for such second check.

(b) Any person making application for any original Kansas title for a used vehicle which, at the time of making application, is titled in another jurisdiction, as a condition precedent to obtaining any Kansas title, shall have such vehicle checked by the Kansas highway patrol for verification that the vehicle identification number shown on the foreign title is genuine and agrees with the identification number on the vehicle. Checks under this section may include inspection for possible violation of K.S.A. 21-3757, and amendments thereto, or other evidence of possible fraud. The verification shall be made upon forms prescribed by the division of vehicles which shall contain such information as the secretary of revenue shall require by rules and regulations. A charge of $10 $15 per hour or part thereof, with a minimum charge of $10 $15, and on and after July 1, 2012, a charge of $20 per hour or part thereof, with a minimum charge of $20, shall be made for checks under this subsection. When a vehicle is registered in another state, but is financed by a Kansas financial institution and is repossessed in another state and such vehicle will not be returned to Kansas, the check required by this subsection (b) shall not be required to obtain a valid Kansas title or registration.

(c) As used in this act, "identification number" or "vehicle identification number" means an identifying number, serial number, engine number, transmission number or other distinguishing number or mark, placed on a vehicle, engine, transmission or other essential part by its manufacturer or by authority of the division of vehicles or the Kansas highway patrol or in accordance with the laws of another state or country.

(d) The checks made under subsection (b) may be made by:

(1) A designee of the superintendent of the Kansas highway patrol; or

(2) an employee of a new vehicle dealer, as defined in subsection (b) of K.S.A. 8-2401, and amendments thereto, for the purposes provided for in subsection (f). For checks made by a designee or new vehicle dealer, 10% of each charge shall be remitted to the Kansas highway patrol and the balance of such charges shall be retained by such designee or new vehicle dealer. If the designee is a city or county law enforcement agency, then the balance shall be paid to the law enforcement agency that conducted the inspection. When a check is made under either subsection (a) or (b) by personnel of the Kansas highway patrol or when a check is made under subsection (b) by an employee of a new vehicle dealer, the entire amount of the charge therefor shall be paid to the highway patrol.

(e) There is hereby created the vehicle identification number fee fund. The Kansas highway patrol shall remit all moneys received by the Kansas highway patrol from fees collected under subsection (d) to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the vehicle identification number fee fund. All expenditures from the vehicle identification number fee fund shall be made in accordance with appropriations acts upon warrants of the director of accounts and reports issued pursuant to vouchers approved by the superintendent of the Kansas highway patrol or by a person or persons designated by the superintendent.

(f) An employee of a new vehicle dealer, who has received initial training and certification from the highway patrol, and has met continuing certification requirements, in accordance with rules and regulations adopted by the superintendent of
the highway patrol, may provide the checks under subsection (b), in accordance with rules and regulations adopted by the superintendent of the highway patrol, on motor vehicles that a new vehicle dealer purchases through a manufacturer's sponsored auction or on motor vehicles repurchased or reacquired by a manufacturer, distributor or financing subsidiary of such manufacturer and which are purchased by the new vehicle dealer. At any time, after a hearing in accordance with the provisions of the Kansas administrative procedure act, the superintendent of the highway patrol may revoke, suspend, decline to renew or decline to issue certification for failure to comply with the provisions of this subsection, including any rules and regulations.

Sec. 2. K.S.A. 2010 Supp. 8-173 is hereby amended to read as follows: 8-173. (a) An application for registration of a vehicle as provided in article 1 of chapter 8 of the Kansas Statutes Annotated, and amendments thereto, shall not be accepted unless the person making such application shall exhibit:

(1) A receipt showing that such person has paid all personal property taxes levied against such person for the preceding year, including taxes upon such vehicle, except that if such application is made before May 11, such receipt need show payment of only one-half the preceding year's tax; or

(2) evidence that such vehicle was assessed for taxation purposes by a state agency, or was assessed as stock in trade of a merchant or manufacturer or was exempt from taxation under the laws of this state.

(b) An application for registration of a vehicle as provided in article 1 of chapter 8 of the Kansas Statutes Annotated shall not be accepted if the records of the county treasurer show that the applicant is delinquent and owes personal property taxes levied against the applicant for any preceding year.

(c) An original application for registration or renewal of registration of a motor vehicle shall not be accepted until the applicant signs a certification, provided by the director of motor vehicles, certifying that the applicant has and will maintain, during the period of registration, the required insurance, self-insurance or other financial security required pursuant to K.S.A. 40-3104, and amendments thereto.

(d) An application for registration or renewal of registration of a vehicle shall not be accepted if the applicant is unable to provide proof of the insurance, self-insurance or other financial security required by article 31 of chapter 40 of the Kansas Statutes Annotated. Proof of insurance shall be verified by examination of the insurance card or other documentation issued by an insurance company, a certificate of self-insurance issued by the commissioner, a binder of insurance, a certificate of insurance, a motor carrier identification number issued by the state corporation commission, proof of insurance for vehicles covered under a fleet policy, a commercial policy covering more than one vehicle or a policy of insurance required by K.S.A. 40-3104, and amendments thereto, and for vehicles used as part of a drivers education program, a dealership contract and a copy of a motor vehicle liability insurance policy issued to a school district or accredited nonpublic school. Examination of a photocopy or facsimile of any of these documents shall suffice for verification of registration or renewal. Proof of insurance may also be verified on-line or electronically and the commissioner of insurance may require, by duly adopted rules and regulations, any motor vehicle liability insurance company authorized to do business in this state to provide verification of insurance in that manner. Any motor vehicle liability insurance company which is providing verification of insurance on-line or electronically on the day
preceding the effective date of this act may continue to do so in the same manner and shall be deemed to be in compliance with this section.

Prayer by guest chaplain, the Rev. Brian Bauer, pastor, Assaria Lutheran Church, and guest of Rep. Johnson:

Gracious God,
As we gather here today to do the work of the people, help us, we pray, to make the decisions and priorities that are most needful.
As we shape our laws, keep us focused on your will.
May what we say and what we do here be directed by your revealed Word, and by the love and care you have continually shown us in your mercy.
Guide our actions so that what is needed for Kansas and the world will be our only consideration. Teach us to put away the petty needs of party and self.
Keep our eyes open so that we may see what you would have us see. Drive from us cynicism, selfishness, and corruption; grant in your mercy just and honest government.
Fill us all with a righteous desire to serve the people faithfully and well; just as your faithfulness to us and all creation gives us daily cause to rejoice.
In your precious name, we pray. Amen.

The Pledge of Allegiance was led by Rep. Otto.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Proehl are spread upon the journal:

As you are all aware, my seat mate for the past two years and a fellow Kansas Representative from District 50 has been seriously ill and has missed this legislative session. Rocky asked me to introduce our special guest and talk about the accomplishments of both Nathan McAlister and his Middle School class in Mayetta, Kansas.

In the spring of 2010, Nathan McAlister’s 7th grade students researched local Underground Railroad history, drafted a bill in class requesting that a portion of a nearby highway serve as an Underground Railroad trail. Representative Fund introduced the bill, the students testified in the Committee and the bill passed the House naming the Lane Freedom Trail.

Nathan McAlister was then later named the 2010 Kansas History Teacher of the Year and went on to be recognized as the 2010 National History Teacher of the Year by the Gilder-Lehrman Institute of American History in New York. I am honored to introduce Mr. McAlister for my friend and colleague, Rep. Rocky Fund. Please join me in recognizing an exceptional teacher in the state of Kansas.

Rep. Proehl presented Mr. McAlister with a House certificate.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Mast are spread upon the
journal:

I don't want to brag, but why not. This team has had victories for the state title 1A
division basketball for the past two years. It is hard to know where to start the bragging,
but I think it has to begin with a winning coach who has coached for 33 years since
1978 for the high school and had 718 wins and only 95 losses. He has also coached the
Jr. High girls for 30 years with a record of 303 wins and only 47 losses. That totals up to
1021 wins and 142 losses. Coach Jesse Nelson has a special talent for working with
young females and helping them become winners. You know he has to love them to be
that effective.

The team is definitely something to brag about. These girls excel in more than sports
with their overall winning ways. Junior Kendyl McDougald, sophomore Janae Haag
and senior Kathryn Flott all gained 2010-2011 area basketball team recognition. This
team has also set a state record with 60 consecutive league wins between 2000 and 2011
losing only two league games in that time. The Olpe Girls' Basketball team is currently
riding a 94 game home winning streak believed to be the current state record.

The Olpe girls have won 23 league championships and 23 league tournament
championships. The Seniors on this team have 100 wins and suffered only four losses.

Kathryn has also been named Most Valuable player at the Flint Hills Optimist All
Star Classic as well as being nominated as one of McDonald's High School All-
American basketball players.

Rep. Mast introduced Coach Jesse Nelson; Assistant Coach Carolyn Davis; and team
members Katelyn Henderson, Kendyl McDougald, Natalie Kuhlmann, Jill Cole, Janae
Haag, Emmy Redeker, Elena Flott, Kathryn Flott, Kayla McDougald, Emily Samuels,
Taylor Scheidegger, Dalten Benton and Cara Garretson.

Rep. Mast presented them with a framed House certificate.
COMMUNICATIONS FROM STATE OFFICERS

INTRODUCTION OF ORIGINAL MOTIONS AND HOUSE RESOLUTIONS

On emergency motion of Rep. Carlin, HR 6022, by Reps. Carlin, DeGraaf, Mah and Meier, as follows, was introduced and adopted:

HOUSE RESOLUTION No. HR 6022—
A RESOLUTION recognizing April as the month of the military child.

WHEREAS, Former secretary of defense, Caspar Weinberger, established April as the month of the military child in 1986; and

WHEREAS, There are more than 1.7 million American military children and over 33,000 Kansas military children; and

WHEREAS, These military children face unique challenges and make daily sacrifices for the service of their military parents; and

WHEREAS, Despite the burdens they shoulder, military children show incredible strength, character and resolve in their ability to adapt and thrive in often difficult circumstances; and

WHEREAS, Military children have incredible opportunities to see the world, learn about different cultures first hand and meet people of various races, nationalities and religions; and

WHEREAS, The United States military strives to provide the best educational facilities and instructors for its military children; and

WHEREAS, Military children embody the community ideals of patriotism, loyalty, responsibility and courage: Now, therefore,

Be it resolved by the House of Representatives of the State of Kansas: That we recognize the month of April as the month of the military child and congratulate and commend the military children of Kansas for the sacrifices they make, the challenges they overcome and the contributions they make to the state of Kansas; and

Be it further resolved: That the Chief Clerk of the House of Representatives shall send 20 enrolled copies of this resolution to Representative Carlin.

There being no objection, the following remarks of Rep. Carlin are spread upon the journal:

“Celebrate Military Children, the Strength of our Future.” April is the month of the military child. We have with us today to help us celebrate, members of the Teen Council, a statewide teen organization; Brigadier General Randal Dragon, Ft. Riley; Brigadier General Bradley Link, Kansas Air National Guard, Topeka; and Tyler Lisbon “2010 Youth of the Year.” With this resolution we acknowledge that when a parent serves in the military, the children also serve through additional responsibilities at home and in their communities.
On motion of Rep. Siegfreid, the House recessed until 1:30 p.m.

PREAMBLE

WHEREAS, with regard to Non-Admitted Insurance policies with risk exposures located in multiple states, the 111th United States Congress, has stipulated in Title V, Subtitle B the Non-Admitted and Reinsurance Reform Act of 2010, of the Dodd-Frank Wall Street Reform and Consumer Protection Act, hereafter, the NRRA, that:

(A) The placement of Non-Admitted Insurance shall be subject to the statutory and regulatory requirements solely of the insured’s Home State, and
(B) Any law, regulation, provision, or action of any State that applies or purports to apply to Non-Admitted Insurance sold to, solicited by, or negotiated with an insured whose Home State is another State shall be preempted with respect to such application; except that any State law, rule, or regulation that restricts the placement of workers’ compensation insurance or excess insurance for self-funded workers’ compensation plans with a Non-Admitted Insurer shall not be preempted.

WHEREAS, in compliance with NRRA, no State other than the Home State of an insured may require any Premium Tax payment for Non-Admitted Insurance; and no State other than an insured’s Home State may require a Surplus Lines Broker to be licensed in order to sell, solicit, or negotiate Non-Admitted Insurance with respect to such insured;

WHEREAS, the NRRA intends that the States may enter into a compact or otherwise establish procedures to allocate among the States the premium taxes paid to an insured’s Home State; and that each State adopt nationwide uniform requirements, forms, and procedures, such as an interstate compact, that provide for the reporting, payment, collection, and allocation of premium taxes for Non-Admitted Insurance;

WHEREAS, after the expiration of the two-year period beginning on the date of the enactment of the NRRA, a State may not collect any fees relating to licensing of an individual or entity as a Surplus Lines Licensee in the State unless the State has in effect at such time laws or regulations that provide for participation by the State in the national insurance producer database of the NAIC, or any other equivalent uniform national database, for the licensure of Surplus Lines Licensees and the renewal of such licenses;

WHEREAS, a need exists for a system of regulation that will provide for Surplus Lines Insurance to be placed with reputable and financially sound Non-Admitted Insurers, and that will permit orderly access to Surplus Lines Insurance in this state and encourage insurers to make new and innovative types of insurance available to consumers in this state;

WHEREAS, protecting the revenue of this state and other Compacting States may be accomplished by facilitating the payment and collection of Premium Tax on Non-
Admitted Insurance and providing for allocation of Premium Tax for Non-Admitted Insurance of Multi-State Risks among the States in accordance with Uniform Allocation Formulas;

WHEREAS, the efficiency of the surplus lines market may be improved by eliminating duplicative and inconsistent tax and regulatory requirements among the States, and by promoting and protecting the interests of Surplus Lines Licensees who assist such insureds and Non-Admitted Insurers, thereby ensuring the continued availability of Non-Admitted Insurance to consumers;

WHEREAS, regulatory compliance with respect to Non-Admitted Insurance placements may be streamlined by providing for exclusive single-state regulatory compliance for Non-Admitted Insurance of Multi-State Risks, thereby providing certainty regarding such compliance to all persons who have an interest in such transactions, including but not limited to insureds, regulators, Surplus Lines Licensees, other insurance producers, and Surplus Lines Insurers;

WHEREAS, coordination of regulatory resources and expertise between State insurance departments and other State agencies, as well as State surplus lines stamping offices, with respect to Non-Admitted Insurance will be improved;

Notwithstanding the foregoing, in the event the Commission exercises its rulemaking authority in a manner that is beyond the scope of the purposes of this Act, or the powers granted hereunder, then such an action by the Commission shall be invalid and have no force or effect.

2. Rulemaking Procedure.—Rules shall be made pursuant to a rulemaking process that substantially conforms to the “Model State Administrative Procedure Act,” of 1981
Act, Uniform Laws Annotated, Vol. 15, p.1 (2000) as amended, as may be appropriate to the operations of the Commission.

The court shall give deference to the actions of the Commission consistent with applicable law and shall not find the Rule to be unlawful if the Rule represents a reasonable exercise of the Commission’s authority.

ARTICLE IX
Commission Records and Enforcement

2. Except as to privileged records, data and information, the laws of any Compacting State pertaining to confidentiality or nondisclosure shall not relieve any Compacting State Member of the duty to disclose any relevant records, data or information to the Commission; provided that disclosure to the Commission shall not be deemed to waive or otherwise affect any confidentiality requirement, and further provided that, except as otherwise expressly provided in this Act, the Commission shall not be subject to the Compacting State’s laws pertaining to confidentiality and nondisclosure with respect to records, data and information in its possession. Confidential information of the Commission shall remain confidential after such information is provided to any Member, and the Commission shall maintain the confidentiality of any information provided by a member that is confidential under that Member’s State Law.

3. The Commission shall monitor Compacting States for compliance with duly adopted Bylaws and Rules. The Commission shall promulgate Rules to establish procedures for appointing such review panels and provide for notice and hearing. An allegation that the Commission, in making compliance or tax determinations acted arbitrarily, capriciously, or in a manner that is an abuse of discretion or otherwise not in accordance with the law, is subject to judicial review in accordance with Article III, Section 6.

3. The Commission shall have authority to monitor, review and reconsider Commission decisions upon a finding that the determinations or allocations do not meet the relevant Rule. Where appropriate, the Commission may withdraw or modify its determination or allocation after proper notice and hearing, subject to the appeal process in Section 2 above.

3. The Commission’s budget for a fiscal year shall not be approved until it has been subject to notice and comment as set forth in Article VIII of this Compact.

4. The Commission shall be regarded as performing essential governmental functions in exercising such powers and functions and in carrying out the provisions of this Compact and of any law relating thereto, and shall not be required to pay any taxes or assessments of any character, levied by any State or political subdivision thereof, upon any of the property used by it for such purposes, or any income or revenue therefrom, including any profit from a sale or exchange.

5. The Commission shall keep complete and accurate accounts of all its internal
receipts, including grants and donations, and disbursements for all funds under its control. The internal financial accounts of the Commission shall be subject to the accounting procedures established under its Bylaws. The financial accounts and reports including the system of internal controls and procedures of the Commission shall be audited annually by an independent certified public accountant. Upon the determination of the Commission, but not less frequently than every three (3) years, the review of the independent auditor shall include a management and performance audit of the Commission. The Commission shall make an annual report to the Governor and legislature of the Compact States, which shall include a report of the independent audit. The Commission’s internal accounts shall not be confidential and such materials may be shared with the Commissioner, the controller, or the stamping office of any Compact State upon request provided, however, that any work papers related to any internal or independent audit and any information regarding the privacy of individuals, and licensees’ and insurers’ proprietary information, including trade secrets, shall remain confidential.

6. No Compact State shall have any claim to or ownership of any property held by or vested in the Commission or to any Commission funds held pursuant to the provisions of this Compact.

7. The Commission shall not make any political contributions to candidates for elected office, elected officials, political parties nor political action committees. The Commission shall not engage in lobbying except with respect to changes to this Compact.

ARTICLE XIII
Compacting States, Effective Date and Amendment

1. Any State is eligible to become a Compact State.

2. The Compact shall become effective and binding upon legislative enactment of the Compact into law by two (2) Compact States, provided the Commission shall become effective for purposes of adopting Rules, and creating the Clearinghouse when there are a total of ten (10) Compact States and Contracting States or, alternatively, when there are Compact States and Contracting States representing greater than forty percent (40%) of the Surplus Lines Insurance premium volume based on records of the percentage of Surplus Lines Insurance premium set forth in Appendix A hereto. Thereafter, it shall become effective and binding as to any other Compact State upon enactment of the Compact into law by that State. Notwithstanding the foregoing, the Clearinghouse operations and the duty to report Clearinghouse Transaction Data shall begin on the first January 1st or July 1st following the first anniversary of the Commission effective date. For States which join the Compact subsequent to the effective date, a start date for reporting Clearinghouse Transaction Data shall be set by the Commission provided Surplus Lines Licensees and all other interested parties receive not less than 90 days advance notice.

3. Amendments to the Compact may be proposed by the Commission for enactment by the Compact States. No amendment shall become effective and binding upon the Commission and the Compact States unless and until all Compact States enact the amendment into law.

ARTICLE XIV
Withdrawal, Default and Termination

1. Withdrawal
a. Once effective, the Compact shall continue in force and remain binding upon each and every Compacting State, provided that a Compacting State may withdraw from the Compact ("Withdrawing State") by enacting a statute specifically repealing the statute which enacted the Compact into law.

b. The effective date of withdrawal is the effective date of the repealing statute. However, the withdrawal shall not apply to any tax or compliance determinations approved on the date the repealing statute becomes effective, except by mutual agreement of the Commission and the Withdrawing State unless the approval is rescinded by the Commission.

c. The Member of the Withdrawing State shall immediately notify the Executive Committee of the Commission in writing upon the introduction of legislation repealing this Compact in the Withdrawing State.

d. The Commission shall notify the other Compacting States of the introduction of such legislation within ten (10) days after its receipt of notice thereof.

e. The Withdrawing State is responsible for all obligations, duties and liabilities incurred through the effective date of withdrawal, including any obligations, the performance of which extend beyond the effective date of withdrawal. To the extent those obligations may have been released or relinquished by mutual agreement of the Commission and the Withdrawing State, the Commission’s determinations prior to the effective date of withdrawal shall continue to be effective and be given full force and effect in the Withdrawing State, unless formally rescinded by the Commission.

f. Reinstatement following withdrawal of any Compacting State shall occur upon the effective date of the Withdrawing State reenacting the Compact.

2. Default

a. If the Commission determines that any Compacting State has at anytime defaulted ("Defaulting State") in the performance of any of its obligations or responsibilities under this Compact, the Bylaws or duly promulgated Rules then after notice and hearing as set forth in the Bylaws, all rights, privileges and benefits conferred by this Compact on the Defaulting State shall be suspended from the effective date of default as fixed by the Commission. The grounds for default include, but are not limited to, failure of a Compacting State to perform its obligations or responsibilities, and any other grounds designated in Commission Rules. The Commission shall immediately notify the Defaulting State in writing of the Defaulting State’s suspension pending a cure of the default. The Commission shall stipulate the conditions and the time period within which the Defaulting State must cure its default. If the Defaulting State fails to cure the default within the time period specified by the Commission, the Defaulting State shall be terminated from the Compact and all rights, privileges and benefits conferred by this Compact shall be terminated from the effective date of termination.

b. Decisions of the Commission that are issued on the effective date of termination shall remain in force in the Defaulting State in the same manner as if the Defaulting State had withdrawn voluntarily pursuant to Section 1 of this Article.

c. Reinstatement following termination of any Compacting State requires a reenactment of the Compact.

3. Dissolution of Compact

a. The Compact dissolves effective upon the date of the withdrawal or default of the Compacting State which reduces membership in the Compact to one Compacting State.

b. Upon the dissolution of this Compact, the Compact becomes null and void and

New Sec. 6. The commissioner of insurance shall represent this state on the surplus lines insurance multi-state compliance compact.

New Sec. 7. The member representing this state on the surplus lines insurance multi-state compliance compact may be represented thereon by an alternate designated by the commissioner of insurance. Any such alternate shall be an assistant commissioner or a division director of the insurance department.

Sec. 8. K.S.A. 2010 Supp. 40-246b is hereby amended to read as follows: 40-246b. The (a) Upon receipt of a proper application, the commissioner of insurance may issue to any duly licensed resident agent of this state, who has been licensed as a fire or casualty, or both, resident agent in this or any other state or combination thereof, for three consecutive years immediately prior to application for the type of license herein prescribed, upon proper application, an excess coverage license to negotiate an excess lines coverage license to any licensed property and casualty agent of this state or any other state. Any agent so licensed may negotiate for insureds whose home state is this state, the types of contracts of fire insurance enumerated in K.S.A. 40-901, and amendments thereto, and the type of casualty insurance contracts enumerated in K.S.A. 40-1102, and amendments thereto, or reinsurance, or to place risks, or to effect insurance or reinsurance for persons or corporations other than such agent, with insurers not authorized to do business in this state. An agent, as defined in K.S.A. 40-244e-2010
Supp. 40-4902, and amendments thereto, may place the kind or kinds of business specified in this act for which such agent is licensed pursuant to K.S.A. 40-240 and 40-241-2010 Supp. 40-4903 and subsection (d) of 40-4906, and amendments thereto, with an insurer not authorized to do business in this state by placing such business with a person licensed pursuant to the provisions of this act and may share in the applicable commissions on such business. Before any such license shall be issued, the applicant shall submit proper application on a form prescribed by the commissioner, which application shall be accompanied by a fee of $50. Such license shall be renewable each year on May 1, upon the payment of a $50 fee. Excess lines agents licensed by the department on the effective date of this act shall be exempt from the experience requirement.

(b) The agent so licensed shall on or before March 1 of each year, file with the insurance department of this state, a sworn affidavit or statement to the effect that, after diligent effort, such agent has been unable to secure the amount of insurance required to protect the property, person, or firm described in such agent's affidavit or statement from loss or damage in regularly admitted companies during the preceding year. Mere rate differential shall not be grounds for placing a particular risk in a nonadmitted carrier when an admitted carrier would accept such risk at a different rate. The licensed excess coverage agent must, prior to placing insurance with an insurer not authorized to do business in this state, obtain the written consent of the prospective named insured and provide such insured the following information in a form promulgated by the commissioner:

(a) (1) A statement that the coverage will be obtained from an insurer not authorized to do business in this state;

(b) (2) a statement that the insurer's name appears on the list of companies maintained by the commissioner pursuant to K.S.A. 40-246e, and amendments thereto;

(c) (3) a notice that the insurer's financial condition, policy forms, rates and trade practices are not subject to the review or jurisdiction of the commissioner;

(d) (4) a statement that the protection of the guaranty associations is not afforded to policyholders of the insurer; and

(e) (5) a statement or notice with respect to any other information deemed necessary by the commissioner pertinent to insuring with an insurer not authorized to do business in this state.

(c) In the event the insured desires that coverage be bound with an insurer not admitted to this state and it is not possible to obtain the written consent of the insured prior to binding the coverage, the excess lines agent may bind the coverage after advising the insured of the information set out above and shall obtain written confirmation that the insured desires that coverage be placed with an insurer not admitted to this state within 30 days after binding coverage.

(d) When business comes to a licensed excess lines agent in which this state is the home state for placement with an insurer not authorized to do business in this state from an agent not licensed as an excess lines agent, it shall be the responsibility of the licensed excess lines agent to ascertain that the insured has been provided the preceding information and has consented to being insured with an insurer not authorized to do business in this state. Each excess lines agent shall keep a separate record book in such agent's office showing the transactions of fire and casualty insurance and reinsurance placed in companies not authorized to do business in this state, the amount of gross
premiums charged thereon, the insurer in which with which the policy was placed, the
date, term and number of the policy, the location and nature of the risk, the name of the
insured and such other information as the commissioner may require and such record shall be available at all times for inspection by the commissioner of insurance or
the commissioner's authorized representatives. The commissioner may revoke or
suspend any license issued pursuant to the provisions of this act in the same manner and
for the same reasons prescribed by K.S.A. 40-242, 2010 Supp. 40-4909, and
amendments thereto.

Any policy issued under the provisions of this statute shall have stamped or endorsed
in a prominent manner thereon, the following: This policy is issued by an insurer not
authorized to do business in Kansas and, as such, the form, financial condition and rates
are not subject to review by the commissioner of insurance and the insured is not
protected by any guaranty fund.

If business is placed with a nonadmitted company that is subsequently determined to
be insolvent, the excess lines agent placing such business with such company is relieved
of any responsibility to the insured as it relates to such insolvency, if the excess lines
agent has satisfactorily complied with all requirements of this section pertaining to
notification of the insured, has properly obtained the written consent of the insured and
has used due diligence in selecting the insurer. It shall be presumed that due diligence
was used in selecting the insurer if such insurer was on the list compiled pursuant to
K.S.A. 40-246c, and amendments thereto, at the time coverage first became effective.

Sec. 9. K.S.A. 40-246c is hereby amended to read as follows: 40-246c. Each
licensed agent shall file with the commissioner on or before March 1 of each year a
statement on a form prescribed by the commissioner, accounting for the gross premiums
upon all policies written on risks situated in this state up to January 1 in each year for
the year next preceding and the licensee shall transmit to the commissioner, with such
affidavit or statement, a sum equal to 6% of the gross premiums upon all policies
procured by such agent on risks situated in this state written under the provisions of this
act. Any individual placing a policy with an insurer not authorized to do business in this
state on a risk domiciled in a state other than this state, but also covering a risk or
location in Kansas, shall file with the commissioner a statement in the form prescribed
by the commissioner, describing the risk and shall pay to the commissioner a sum equal
to 6% of the portion of the premium applicable to the risk located in Kansas within 120
days after writing the risk.

(a) On March 1 of each year, each licensed agent shall collect and pay to the
commissioner a sum based on the total gross premiums charged, less any return
premiums, for surplus lines insurance provided by the licensee pursuant to the license.
Where the insurance covers properties, risks or exposures located or to be performed
both in and out of this state, the sum payable shall be computed based on:

(1) An amount equal to 6% of that portion of the gross premiums allocated to this
state; plus
(2) an amount equal to the portion of the premiums allocated to other states or
territories on the basis of the tax rates and fees applicable to properties, risks or
exposures located or to be performed outside of this state; less
(3) the amount of gross premiums allocated to this state and returned to the
insured.

(b) The tax on any portion of the premium unearned at termination of insurance, if
any, having been credited by the state to the licensee shall be returned to the policyholder directly by the surplus lines licensee or through the producing broker. The surplus lines licensee is prohibited from rebating any part of the tax for any reason. To the extent that other states where portions of the properties, risks or exposures reside have failed to enter into a compact or reciprocal allocation procedure with this state, the net premium tax collected shall be retained by this state.

(c) The individual responsible for filing the statement shall be the agent who signs the policy or the agent of record with the company. The commissioner of insurance shall collect double the amount of tax herein provided from any licensee or other responsible individual as herein described who shall fail, refuse or neglect to transmit the required affidavit or statement or shall fail to pay the tax imposed by this section, to the commissioner within the period specified.

Sec. 10. K.S.A. 40-246e is hereby amended to read as follows: 40-246e. The commissioner shall maintain a list of insurers not authorized to do business in this state for review by any interested person. Only those insurers who have filed a certified copy of their most recent annual statement with the commissioner in the form prescribed by K.S.A. 40-225, and amendments thereto, or, if domiciled outside the United States, have filed their most recent annual statement with the national association of insurance commissioners may appear on the list. No excess lines agent shall place insurance on a Kansas domiciled risk with an insurer whose name does not appear on this list. No company shall appear on the list whose capital or surplus as shown on the annual statement does not equal or exceed $1,500,000. Individual unincorporated insurers not listed by the national association of insurance commissioners may appear on the list if they are authorized to transact an insurance business in at least one state of the United States, possess assets which are held in trust for the benefit of American policyholders in the sum of not less than $50,000,000 and pay the filing fee required by this section. Insurance exchanges who issue contracts on behalf of their members and pay the filing fee required by this section may appear on the list if their individual members have a capital or surplus equal to or in excess of $1,500,000 and the aggregate capital or surplus of all members of the exchange is at least $15,000,000. A nonrefundable filing fee of $200 shall be required of any insurer submitting its annual statement for review by the commissioner for inclusion on such list. The commissioner shall remove an insurer's name from the listing only when: (a) The insurer requests such removal; or (b) the insurer fails to file its latest annual statement and required filing fee prior to May 1 of each year as required by this section; or (c) the commissioner is notified by the insurance supervisory authority of any state of the United States that such insurer has had its authority to transact business restricted; or has been declared insolvent or placed in receivership, conservatorship, rehabilitation or any similar status wherein the business of the insurer is formally supervised by an insurance supervisory authority; or (d) the commissioner is notified by the N.A.I.C. that any insurer domiciled outside the United States has been declared insolvent or placed in receivership, conservatorship, rehabilitation or any similar status wherein the business of the insurer is formally supervised by an insurance supervisory authority pursuant to an order by any court of competent jurisdiction; or (e) the insurer has failed to effectuate reasonably prompt, fair and equitable payment of just losses and claims in this state; or (f) the insurer encourages, promotes or rewards an agent to violate the provisions of K.S.A. 40-246b, and amendments thereto. There shall be no liability on the part of and no
cause of action of any nature shall arise against the commissioner, the commissioner's employees, or the state of Kansas as a result of any insurer's name appearing or not appearing on the list required by this section if such list is constructed and maintained in good faith and without malice.

Sec. 11. K.S.A. 40-246c and 40-246e and K.S.A. 2010 Supp. 40-246b are hereby repealed."

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Ballard are spread upon the journal:

I would like to recognize Kansas men's basketball senior guard, Tyrel Reed, for his academic and athletic achievements. Tyrel finished his career as the winningest player in a four-year period at KU with a 132-17 record, which is second most in NCAA history. Included were four Big 12 regular-season titles, three Big 12 postseason championships, one Final Four and one NCAA National Championship. This past
season he was named Academic All-America First Team, Lowe's Senior CLASS Award All-America First Team and was one of 10 finalists for the Senior CLASS national award. A 2011 Big 12 Classroom Champion, Reed was an Academic All-Big 12 First Team selection all three years he was eligible.

For the 2010-11 season, Reed was the only Jayhawk to start every game and led Kansas with 72 three-pointers and 56 steals. He was named 2011 All-Big 12 Honorable Mention and was KU's third-leading scorer with 9.7 points per contest. Reed graduated from KU in December and has been accepted into KU Medicine's physical therapy school. He has volunteered with many organizations as well as worked with Special Olympics.

I would like to recognize Tyrel's parents, Stacy and Debbie Reed; Chris Tyson, Assistant Athletic Director; Barry Hinson, Assistant Coach, KU men's basketball; Rep. Mast, who represents Burlington; and all the other Representatives from Douglas County.

Speaker O'Neal read the House certificate and presented Tyrel with a framed copy.

Prayer by guest chaplain, the Rev. David DeShazo, associate pastor, Northland Christian Church, Topeka:

  Lord of all creation,
  I give You praise, with a thankful heart, for the countless good things You have granted to us as Kansans, from the founding of our statehood to this moments.
  We are here before You today as those who are frequently given to solving this life's challenges by our own resources...our own strength, our own wisdom, and our own convictions. To be honest and truthful before You would require us to own responsibility for the condition of our great state and these many states that have united together, a condition that is seemingly exhausting our resources, both materially and intellectually, but not spiritually.
  Through your Truth and Love, for countless generations, You have brought not only a voice, but you have used Your people to bring freedom to those politically oppressed, to those racially subjugated, to those financially lacking, to those in need of food, and to those who have been given Your gift of life but refused the opportunity to live. Father, bring a fresh strength and boldness to any and all who would be Your voice in this generation of Kansans.
  My prayer to You this morning, Father, is that Your Spirit search the hearts and minds of each of us gathered here this morning. If we are found lacking of conviction, supply it. If we are found wanting of passion, bring it. If we are found weak to the temptations that money and power offer, enable us to overcome them. If we are found willing to be Your voice, equip us for every good word and work we can deliver.
  In doing so, would You cause us to accept Your Truth and Love in such a way that leads each to choose what is good and acceptable
to You, morally, politically and financially.
    May You be honored by the choices and decisions made in this house, this day, and, if you are not honored by them, may your judgments deal with us accordingly.
    In Jesus Christ's name I pray, Amen.

The Pledge of Allegiance was led by Rep. Scapa.

EXPLANATIONS OF VOTE

MR. SPEAKER: I vote yes on HR 6015. I firmly believe the rule of law must be obeyed—not just when it is expedient but all of the time. While I am a strong supporter of economic growth, we must not sacrifice the enforcement of the law for development. Today the legislature is requesting the top law enforcement officer of the state to simply ensure that the Mulvane casino abides by the same state laws as other casinos in Kansas. – RON RYCKMAN, ROBERT MONTGOMERY

MR. SPEAKER: A famous French philosopher said, “America is great because America is good. If America ever ceases to be good, it will no longer be great.” It grieves me to see the day that the Kansas legislature has determined our state should no longer value the law. We now have state owned and operated gambling facilities and we are approving a contract where accusations of corruption are in question. I vote “yes” on HR 6015 to ask for greater oversight. – PEGGY MAST, JIM HOWELL, TOM ARPKE, DENNIS HEDKE, JOSEPH SCAPA, KYLE HOFFMAN

INTRODUCTION OF ORIGINAL MOTIONS AND HOUSE RESOLUTIONS

The following resolutions were introduced and read by title:

HOUSE RESOLUTION No. HR 6024—
By Committee on Energy and Utilities
A RESOLUTION urging adoption of federal regulations or policies permitting Kansas to regulate the underground storage of natural gas in interstate transportation.

WHEREAS, Due to a recent adverse federal court ruling that held 49 U.S.C. § 60104(c) precludes a state authority from adopting or enforcing safety standards for interstate pipeline facilities or pipelines transporting gas in interstate transportation, the state of Kansas may not regulate the safety of underground storage of gas in interstate transportation; and

WHEREAS, It is vital that the Federal Energy Regulatory Commission and the United States Department of Transportation or the United States Congress allow Kansas to provide the necessary oversight to ensure the safe operation of natural gas storage within the state of Kansas; and

WHEREAS, Several significant incidents have occurred where natural gas or hazardous liquids have escaped from storage and resulted in loss of life and property; and

WHEREAS, The safe underground storage of natural gas within an interstate transportation system is a vital process to ensure efficient development and production of Kansas natural gas resources; and

WHEREAS, The growth of the production, transportation and storage of natural gas is an important element in the preservation and creation of jobs in Kansas; and

WHEREAS, For decades, natural gas transportation companies have integrated underground natural gas storage into their interstate pipeline operations to increase deliverability and decrease overall costs; and

WHEREAS, The regulation of underground natural gas storage wells has been performed by state agencies and the Federal Energy Regulatory Commission to varying degrees, but not by the United States Department of Transportation; and

WHEREAS, Through Advisory Bulletin ADB-97-04, and other correspondence, the Pipeline and Hazardous Materials Safety Administration (PHMSA) or its predecessor agency has noted gas storage facilities are not covered by PHMSA pipeline safety regulations; and

WHEREAS, The PHMSA has urged state regulators to develop state-sponsored safety programs of wellbores and underground facilities to make new federal regulations unnecessary; and

WHEREAS, Kansas, as well as many other states, has adopted rules and regulations
regarding the safe operation of wellbores and underground gas and liquid storage facilities; and

WHEREAS, The State Corporation Commission has the experience and technical ability to regulate the safety of underground storage of gas; and

WHEREAS, It is imperative that the citizens of the state of Kansas be protected from accidents or mishaps at facilities used for the underground storage of natural gas and that both interstate and intrastate gas storage companies be regulated to assure that facilities are operated in a safe manner: Now, therefore,

Be it resolved by the House of Representatives of the State of Kansas: That we urge the Federal Energy Regulatory Commission, U.S. Department of Transportation and the Kansas Corporation Commission to adopt legislation or policies that would provide Kansas, and other states, administrative jurisdiction to assure the safe operation of wellbores associated with the underground storage of natural gas that is in interstate transportation; and

Be it further resolved: That the Chief Clerk of the House of Representatives be directed to send enrolled copies of this resolution to the United States Department of Transportation Secretary, the Commissioners of the Federal Energy Regulatory Commission, members of the National Association of Regulatory Utility Commissioners, members of the Kansas Congressional Delegation, the Chairman of the United States House of Representatives Committee on Transportation and Infrastructure, the Governor of Kansas and the Executive Director of the Interstate Oil and Gas Compact Commission.

HOUSE RESOLUTION No. HR 6025—

By Committee on Energy and Utilities

A RESOLUTION urging the United States Congress to preserve the primacy of the Kansas Corporation Commission to regulate hydraulic fracturing in compliance with state regulations and not to enact any future legislation that would remove this primacy.

WHEREAS, The Safe Drinking Water Act (SDWA) was originally passed by Congress in 1974 to protect public health by regulating the nation's public drinking water supply; and

WHEREAS, Since the 1974 enactment of the Safe Drinking Water Act, the Environmental Protection Agency (EPA) has never interpreted hydraulic fracturing as constituting "underground injection" within the definitions of the SDWA; and

WHEREAS, The United States 11th Circuit Court of Appeals ruled contrary to the argument of the EPA that hydraulic fracturing constituted “underground injection” under the SDWA, Legal Environmental Assistance Foundation v. United States Environmental Protection Agency, 118 F.3d 1467 (11th Cir. 1997); and

WHEREAS, In 2004, the EPA published a final report summarizing a study that evaluated the potential threat to underground drinking water sources from hydraulic fracturing of coal bed methane production wells and the EPA concluded that "the injection of hydraulic fracturing fluids into coal bed methane wells poses minimal threat" to underground sources of drinking water and that "additional or further study is not warranted at this time"; and

WHEREAS, Any federal rule-making concerning the states' sovereign right in permitting the quantity of water used for hydraulic fracturing would be outside the
EPA's purview; and

WHEREAS, In the Energy Policy Act of 2005, the United States Congress explicitly exempted hydraulic fracturing from the provisions of the Safe Drinking Water Act; and

WHEREAS, Hydraulic fracturing is a proven technology with a long history of environmentally safe use in the completion of oil and gas wells; and

WHEREAS, The oil and gas producing states regulate hydraulic fracturing as a component of their regulatory programs for the drilling, completion, operation and plugging of oil and gas wells; and

WHEREAS, The reservoirs that produce oil and gas are highly variable geologically and separated geographically across the oil and gas producing states such that state regulatory agencies are best suited by local expertise and experience to effectively regulate hydraulic fracturing; and

WHEREAS, State regulatory agencies are the most appropriate regulatory bodies to provide oversight and protection of hydrologically and environmentally sensitive localities as they relate to hydraulic fracturing; and

WHEREAS, The SDWA was never intended to grant the federal government authority to regulate oil and gas drilling and production operations, such as "hydraulic fracturing," under the Underground Injection Control program; and

WHEREAS, The regulation of hydraulic fracturing under the Federal Safe Drinking Water Act would add burdensome and unnecessary regulatory requirements to the drilling and completion of oil and gas wells, thereby increasing costs of producing domestic natural gas resources without any ancillary benefit to public health, safety or the environment; and

WHEREAS, The increased cost of producing domestic natural gas resources will reduce domestic supplies of oil and natural gas, increase utility prices and other costs to consumers, reduce tax and royalty revenues for local, state and federal governments and increase the nation's dependence on foreign energy imports; and

WHEREAS, Domestic production of oil and natural gas will ensure that the United States continues on the path to energy security; and

WHEREAS, The Interstate Oil and Gas Compact Commission (IOGCC) conducted a survey of oil and gas producing states and set forth its opposition to federal regulation of hydraulic fracturing under the underground injection control program in Resolution 09.011, dated January 7, 2009, "Urging Congress Not to Remove Exemption of Hydraulic Fracturing from Provisions of the Safe Drinking Water Act"; and

WHEREAS, The states’ public utility commissioners represented by the National Association of Regulatory Utility Commissioners adopted a similar resolution in July 2009: Now, therefore,

Be it resolved by the House of Representatives of the State of Kansas: That we support continued jurisdiction of the states to conserve and properly regulate oil and gas production in their unique geological and geographical circumstances; and

Be it further resolved: That we urge the United States Congress to take such actions as are necessary to preserve and maintain the exemption from the Safe Drinking Water Act for hydraulic fracturing; and

Be it further resolved: That the Chief Clerk of the House of Representatives shall provide an enrolled copy of this resolution to the Speaker of the United States House of Representatives, the Majority Leader of the United States House of Representatives, the Minority Leader of the United States House of Representatives, the Majority Leader of
the United States Senate, the Minority Leader of the United States Senate and to each member of the Kansas Congressional Delegation.

HOUSE RESOLUTION No. HR 6026—
By Representatives Davis, Burroughs, Phelps, Ballard, Winn and Tietze
A RESOLUTION condemning the remarks of Representative Virgil Peck regarding undocumented immigrants.

WHEREAS, Representative Virgil Peck made national and international headlines on March 14, 2011. During a House Appropriations committee meeting, he suggested that the state shoot undocumented immigrants from helicopters in the same manner that is used to exterminate the state's feral hog population; and

WHEREAS, When approached about his comment, Representative Virgil Peck unapologetically responded that he was “just joking,” and that he was “just speaking like a southeast Kansas person”; and

WHEREAS, Representative Virgil Peck’s comment has garnered criticism in Kansas, nationally and around the world. In response, he issued a one-line statement on March 15, 2011, which stated his comments were “regrettable”; and

WHEREAS, To say that these comments were simply “regrettable” in a one-line statement does not display the remorse that is necessary to remedy this wrong; and

WHEREAS, The Legislature condemns Representative Virgil Peck’s comments for the following reasons:
1. Representative Peck has the right to free speech, and this House stands in full support of that right. However, that right does not include the advocacy of gratuitous deadly violence against other human beings;
2. Representative Virgil Peck’s words cast a negative light on this respected institution, the Southeast Kansas region and the entire State of Kansas; and
3. Elected officials must be held to a higher standard. The Kansas Legislature must send a clear message that uncivil discourse is not condoned in this body; and

WHEREAS, Human immigration is an important part of our past and our future. Endorsing violent acts against any individual or group cannot be tacitly or explicitly condoned. Violent acts cannot be condoned by those who hold leadership positions, either by their words or by their silence, in a civil society. Furthermore, endorsements of violent acts should not be published where they could appear to legitimize such acts: Now, therefore,

Be it resolved by the House of Representatives of the State of Kansas: That Kansas must affirm its reputation as a welcoming and tolerant state. Moreover, the Kansas Legislature must affirm its commitment to respectful communication on all matters, no matter what our political opinions.

On motion of Rep. Siegfreid, the House adjourned until 10:00 a.m., Friday, April 29, 2011.
The House met pursuant to adjournment with Speaker O'Neal in the chair.

The roll was called with 120 members present.

Prayer by guest chaplains, the Rev. David Gass, pastor, First Covenant Church, Salina, and his father, the Rev. Bruce Gass, pastor, Harper Community Bible Church, guests of Rep. Howell:

Prayer by David Gass:
God our Father we come today praising You as the giver of life. In these past days we have remembered the sacrifice of Your Son Jesus Christ on the cross to be the substitution for us, to pay the penalty for our sin, and then how on the third day He rose from the grave and so you raise us from death to life through the power of Your Holy Spirit.
Lord today we are grieved by the loss of our beloved Representative Rocky Fund. While we grieve his passing, we pause today for a moment of silence to remember his life, and to pray for his family, his friends, and those who loved him. May you bring them comfort today God.
Father we also think of the families of those hundreds who lost their lives in the storms just a couple of days ago. May we always remember that every life is sacred, and every moment is precious. We praise You Lord, the Giver of Life.

Prayer by Bruce Gass:
Please grant comfort and help to the friends and family of Rocky Fund. We thank you for his years of public service. Please be with this body of public servants, carry their grief and come alongside them as they hurt.
Almighty God I agree in Christ with my son and add my voice asking you to grant good judgment, discernment of facts and
character, Godly wisdom and righteous character to all these representatives. Please gracious Father, bless these folks with safety in travel and wise choices for their health. Please bring old fashioned revival to our dwindling and weak churches. Please rebuke and bind and cast away any and all destructive dark forces physical, spiritual, intellectual or educational that would destroy or harm the people of Kansas in any way. Please build a powerful hedge and wall of protection around our State. We understand that it is you, God, who have raised up these very representatives to do this work in this house at this very time. I ask these things in the name and Blood of the Lord Jesus Christ, Amen.

The Pledge of Allegiance was led by Rep. Ruiz.

Prayer by Chaplain Brubaker:

Our Heavenly Father,
Earlier today we celebrated and honored the life of our friend and colleague, Rocky Fund. It is at moments such as this that we are reminded that our lives are like a mist that appears for a little while and then vanishes.
We are compelled to take a look at our priorities in order to redeem our time here on earth. We are challenged to devote our time and energy to things that make an impact not only in the temporal, but also for eternity.
So, today, Lord, I ask that Your Spirit will gently nudge our leaders to remind them to speak and act kindly, choose their battles, express appreciation to one another, stand for their convictions – to work diligently – play heartily and love unconditionally.
In Your Son's Name I pray, Amen.

INTRODUCTION OF ORIGINAL MOTIONS AND HOUSE RESOLUTIONS

The following resolution was introduced and read by title:

HOUSE RESOLUTION No. HR 6027—

By Committee on Energy and Utilities

A RESOLUTION urging modifications to the National Broadband Plan for the benefit of rural residents of Kansas.

WHEREAS, Residents of this state living in rural areas deserve and expect the same
high-quality, affordable communications services that are available to their urban neighbors; and

WHEREAS, Similar to businesses in urban areas, rural businesses, farmers and ranchers compete in the global marketplace and depend on affordable access to robust broadband services to market and sell their products around the world; and

WHEREAS, Children living in rural areas should have the same educational opportunities as their urban counterparts, and high-speed internet access is absolutely necessary to allow these students opportunities for advanced learning through distance education; and

WHEREAS, Residents living in rural areas face unique health care challenges because of the distances that must be traveled to seek basic and advanced medical care, and telemedicine delivered via broadband networks can improve the health of rural residents by reducing the time and travel needed for high-quality health care; and

WHEREAS, Many rural areas encounter significant challenges in pursuing and sustaining economic development plans that bring quality, higher-paying jobs to their communities, and insufficiently robust broadband speeds will further hamper the economic development needs of many rural communities; and

WHEREAS, The United States Department of Agriculture has rightfully placed significant importance on the need for broadband access in rural America to improve quality of life and economic development; and

WHEREAS, Communications providers that serve this state’s rural areas have worked diligently to ensure that their consumers have access to affordable and reliable broadband services and have utilized the United States Department of Agriculture’s Rural Utilities Service loan and grant programs for economic development; and

WHEREAS, Contrary to the progress rural communications providers have had in deploying broadband, the Federal Communications Commission is embarking on a National Broadband Plan that will negatively impact the ability of residents living in rural areas of this state to realize the true benefits of access to robust broadband speeds by limiting support to four megabits per second in rural, high-cost areas of the country, while calling for one hundred million urban homes to have access to broadband speeds at 100 megabits per second by 2020; and

WHEREAS, The National Broadband Plan runs counter to the federal universal service policy which ensures access to communications services at comparable rates regardless of the consumer’s location: Now, therefore,

Be it resolved by the House of Representatives of the State of Kansas: That we challenge the Federal Communications Commission to make substantive change to the National Broadband Plan so that the plan develops a universal service support mechanism that ensures accountability, promotes stability, provides efficient and effective incentives for broadband network deployment and operation and encourages broadband adoption by keeping broadband service affordable. The plan should also ensure high-quality service by linking funding to satisfying reasonable, but meaningful, carrier of last resort obligations. Consistent with the universal service principles in federal law, the plan should ensure that rural and urban consumers pay reasonably comparable rates for reasonably comparable services by providing adequate support in high-cost areas; and

Be it further resolved: That we urge the members of the Kansas Congressional Delegation, the Secretary of the United States Department of Agriculture and the
Administrator of the Rural Utilities Service to work with the Federal Communications Commission to ensure that commissioners understand the importance of robust broadband deployment to rural Americans and how the current draft of the National Broadband Plan needs to be dramatically altered to ensure quality broadband service availability throughout the country; and

Be it further resolved: That the Chief Clerk of the House of Representatives be directed to provide an enrolled copy of this resolution to the commissioners of the Federal Communications Commission, the members of the Kansas Congressional Delegation, the Secretary of the United States Department of Agriculture, the Administrator of the Rural Utilities Service, the Chief Technology Officer in the White House Office of the Science and Technology Policy and the Governor of Kansas.

Prayer by Chaplain Brubaker:

Our Heavenly Father,
Today I pray for our leaders
some advice given by a leader.
No matter how hard-fought the issue,
ever let it get personal for you—
  Do your homework;
You can’t lead without knowing what you are talking about
  or you will look like a jerk—
Next, our legislative process is one of give and take;
use your power as a leader to persuade, not intimidate—
Lastly, be considerate of the needs of your colleagues;
don’t be the cause of their fatigue.
May words of wisdom fall upon listening ears.
  In Christ’s Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Fawcett.

MOTIONS AND RESOLUTIONS OFFERED ON A PREVIOUS DAY

On motion of Rep. Knox, HR 6019, A RESOLUTION honoring Representative Howard Sell, was adopted.
There being no objection, the following remarks of Rep. Knox are spread upon the journal:

Today we honor the memory of a man who served in this body 50 years ago. Representative Howard Sell’s service in the Kansas House was but a small part of his contributions to his state and to his country.

It seems a shame to wait until after death to honor the achievements of a life lived in service to others. But, Howard Sell was not a man to draw attention to himself.

So it is to his family that we say thank you and set aside this brief time to honor their father, grandfather, and great-grandfather for a life full of service and achievement.

Howard served his country in the European Theater of World War II, receiving the Soldier’s Medal for bravery and spending the year after the war in military hospitals.

His service to rural Kansas lingers still because of KEPCo, the bulk electric power supplier, of which he was a founder and the first president. Rural electric cooperatives still receive inexpensive power from KEPCo’s ownership in the Wolf Creek Nuclear Power Generation Station and from the hydroelectric sources that he had the foresight to push forward.

His involvement in his community in areas as widely ranging as the Boy Scouts, banking, and the arts laid a foundation that is still built upon today.

Members of Representative Sell’s family here today are his son Philip Sell with his wife Barbara; his daughter Nancy Johnson; grandson Chris Johnson; granddaughter Cindy Johnson; granddaughter Erin Myers with her husband Brady and great-grandson and great-granddaughter Jacob and Ella Myers; granddaughter Amy Jordan and great-granddaughter Ava Jordan.

For Representative Sell’s life of service please join me in honoring him and in recognizing his family for a life well lived.

(b) A water right may be enrolled in the program for a period that shall not exceed 10 years. A water right enrolled in the program may be re-enrolled within two years of the expiration date of the previous enrollment period, subject to the approval of the chief engineer.

(c) Each application for enrollment in the program and each application for renewal of enrollment shall include a non-refundable fee not to exceed $300.

(d) All fees collected by the chief engineer pursuant to this section shall be remitted
to the state treasurer as provided in K.S.A. 82a-731, and amendments thereto.

(c) The chief engineer shall adopt rules and regulations to effectuate and administer the provisions of this section.

Sec. 26. K.S.A. 2010 Supp. 82a-718 is hereby amended to read as follows: 82a-718. (a) All appropriations of water must be for some beneficial purpose. Every water right of every kind shall be deemed abandoned and shall terminate when without due and sufficient cause no lawful, beneficial use is henceforth made of water under such right for five successive years. Before any water right shall be declared abandoned and terminated the chief engineer shall conduct a hearing thereon. Notice shall be served on the user at least 30 days before the date of the hearing. The determination of the chief engineer pursuant to this section shall be subject to review in accordance with the provisions of K.S.A. 2010 Supp. 82a-1901, and amendments thereto.

The verified report of the chief engineer or such engineer's authorized representative shall be prima facie evidence of the abandonment and termination of any water right.

(b) When no lawful, beneficial use of water under a water right has been reported for three successive years, the chief engineer shall notify the user, by certified mail, return receipt requested, that: (1) No lawful, beneficial use of the water has been reported for three successive years; (2) if no lawful, beneficial use is made of the water for five successive years, the right may be terminated; and (3) the right will not be terminated if the user shows that for one or more of the five consecutive years the beneficial use of the water was prevented or made unnecessary by circumstances that are due and sufficient cause for nonuse, which circumstances shall be included in the notice.

(c) The provisions of subsection (a) shall not apply to a water right that has not been declared abandoned and terminated before the effective date of this act if the five years of successive nonuse occurred exclusively and entirely before January 1, 1990. However, the provisions of subsection (a) shall apply if the period of five successive years of nonuse began before January 1, 1990, and continued after that date.

(d) Notwithstanding the provisions of subsection (a), an eligible water right enrolled in and continually in compliance with the water rights conservation program, pursuant to section 25, and amendments thereto, shall be deemed to have due and sufficient cause for nonuse and shall not be deemed abandoned.

(e) Notwithstanding the provisions of subsection (a), a groundwater right, which has as its local supply an aquifer area that has been closed to new appropriations by rule, regulation or order of the chief engineer and where means of diversion are available to put water to a beneficial use within a reasonable time, shall be deemed to have due and sufficient cause for nonuse and shall not be deemed abandoned.

Sec. 27. K.S.A. 2010 Supp. 82a-731 is hereby amended to read as follows: 82a-731. There is hereby created in the state treasury the water appropriation certification fund. The chief engineer of the division of water resources of the Kansas department of agriculture shall remit all moneys received under K.S.A. 82a-708a, 82a-708b and 82a-727, and amendments thereto, and section 25, and amendments thereto, to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. (2) "Chief engineer" means the chief engineer of the division of water resources of the department of agriculture.

(b) Any holder of a groundwater water right which has not been deposited or placed in a safe deposit account in a chartered water bank may establish a flex account where the holder may deposit, in advance, water from such water right for any five consecutive calendar years, subject to the following:

(1) The water right must be vested or shall have been issued a certificate of appropriation;

(2) the withdrawal of water pursuant to the water right shall be properly and adequately metered;

(3) the water right shall not have been deemed abandoned and shall be in good standing, based on past water usage and compliance with the terms of the holder's permit and all applicable provisions of law and orders of the chief engineer; and

(4) the amount of water that shall be deposited in the account shall not exceed 90% of the amount of the holder's base average usage times five.

(c) The chief engineer shall implement a program providing for the issuance of term permits to holders of groundwater water rights who have established flex accounts in accordance with this section. Such term permits shall authorize the use of water in a flex account at any time during the five consecutive calendar years for which the application for the term permit is made, without annual limits on such use. Application for any such term permit shall be filed not later than October 10, of the year preceding the first year for which the application is made.

(d) Term permits provided for by this section shall be subject to the following:

(1) A separate term permit shall be required for each point of diversion.

(2) The quantity of water authorized for diversion shall be limited to the amount deposited pursuant to subsection (b)(4).

(3) The authorized place of use for the term permit shall not be greater than that authorized by the existing groundwater right.

(4) The chief engineer may establish, by rules and regulations, criteria for such term permits when the water right authorizes multiple points of diversion or multiple water rights authorize a single point of diversion or overlapping places of use.

(5) Except as explicitly provided for by this section, such term permits shall be subject to all provisions of the Kansas water appropriation act, and rules and regulations.
adopted under such act, and nothing in this section shall authorize impairment of any
vested right or prior appropriation right by the exercise of such term permit.

e) Unless a term permit is issued pursuant to an application filed before November
1 of the year prior to the first year for which the application is made, the quantity of
water used under the water right during the year in which the application for the term
permit is filed shall be deducted from the amount of water deposited into the account
authorized by the term permit.

(f) All costs of administration of this section shall be paid from fees for term
permits provided for by this section. Any appropriation or transfer from any fund other
than the water appropriation certification fund for the purpose of paying such costs shall
be repaid to the fund from which such appropriation or transfer is made. At the time of
repayment, the secretary of agriculture shall certify to the director of accounts and
reports the amount to be repaid and the fund to be repaid. Upon receipt of such
certification, the director of accounts and reports shall promptly transfer the amount
certified to the specified fund.

(g) The chief engineer shall submit a written report on the implementation of this
section to the house standing committee on environment and the senate standing
committee on natural resources on or before February 1 of each year.

(h) This section shall be part of and supplemental to the Kansas water
appropriation act.

New Sec. 29. (a) There is hereby established in the state treasury the Arkansas
river gaging fund, which shall be administered by the secretary of agriculture. All
expenditures from the Arkansas river gaging fund shall be for the operation and
maintenance of the gages along the Arkansas river necessary to manage the river under
the Arkansas river compact, except that, after all expenditures are made during the fiscal
year for the operation and maintenance of the gages along the Arkansas river necessary
to manage the river under the Arkansas river compact, then, in accordance with the
following priorities and subject to the expenditure limitations prescribed therefor:

(A) First, any remaining moneys authorized to be expended from the fund for the
fiscal year shall be expended for the purposes of livestock market reporting in an
amount not to exceed $20,000 in a fiscal year; and

(B) second, if there are any remaining moneys authorized to be expended from the
fund for the fiscal year after the expenditures for livestock market reporting, then
expenditures shall be made from the fund for the purpose of funding the bluestem
pasture report in an amount not to exceed $5,000.

(b) All moneys received as royalties from the state's oil and gas leases in Hamilton,
Kearny, Finney, Gray and Ford counties, except those moneys arising from leases on
lands under the control of the secretary of wildlife and parks as provided by K.S.A. 32-
854, and amendments thereto, shall be deposited in the state treasury in accordance with
the provisions of K.S.A. 75-4215, and amendments thereto, and shall be credited to the
Arkansas river gaging fund. During each fiscal year, when the total amount of moneys
credited to the fund is equal to $75,000, no further moneys shall be credited to the fund.
The remainder of the moneys received for such royalties for such fiscal year shall be
credited to the state general fund.

Sec. 30. K.S.A. 2010 Supp. 82a-718, 82a-731 and 82a-736 are hereby repealed.

CONFERENCE COMMITTEE REPORT

MR. PRESIDENT and MR. SPEAKER: Your committee on conference on House amendments to SB 10 submits the following report:

The Senate accedes to all House amendments to the bill, and your committee on conference further agrees to amend the bill, as printed with House Committee of the Whole amendments as follows:

On page 17, after line 31, by inserting the following:

"Sec. 4. On and after July 1, 2011, K.S.A. 2010 Supp. 79-1701a is hereby amended to read as follows: 79-1701a. Any taxpayer, the county appraiser or the county clerk shall, on their own motion, request the board of county commissioners to order the correction of the clerical errors in the appraisal, assessment or tax rolls as described in K.S.A. 79-1701, and amendments thereto. The board of county commissioners of the several counties are hereby authorized to order the correction of clerical errors, specified in K.S.A. 79-1701, and amendments thereto, in the appraisal, assessment or tax rolls for the current year and the immediately preceding two years during the period on and after November 1 of each year. If a county treasurer has collected and distributed the property taxes of a taxpayer and it shall thereafter be determined that the tax computed and paid was based on an erroneous assessment due to a clerical error which resulted in an overpayment of taxes by the taxpayer, and such error is corrected under the provisions hereof then the county commissioners may direct a refund in the amount of the overpayment plus interest at the rate prescribed by K.S.A. 79-2968, and amendments thereto, plus two percentage points, per annum, from the date of payment from tax moneys collected during the current year and approve a claim therefor. If all or any portion of the taxes on such property remain unpaid, the board of county commissioners shall cancel that portion of such unpaid taxes which were assessed on the basis of the error which is being corrected. In lieu of taking such a refund the taxpayer may, at the taxpayer's option, be allowed a credit on the current year's taxes in the amount of the overpayment plus interest at the rate prescribed by K.S.A. 79-2968, and amendments thereto, from the date of payment for the previous year. In the event the error results in an understatement of value or taxes as a result of a mathematical miscomputation on the part of the county, the board of county commissioners of the
several counties are hereby authorized to correct such error and order an additional assessment or tax bill, or both, to be issued, except that, in no such case shall the taxpayer be assessed interest or penalties on any tax which may be assessed. If such error applies to property which has been sold or otherwise transferred subsequent to the time the error was made, no such additional assessment or tax bill shall be issued.

Sec. 5. On and after July 1, 2011, K.S.A. 79-2968 is hereby amended to read as follows: 79-2968. Except as otherwise specifically provided by law, whenever interest is charged under any law of this state upon any delinquent or unpaid taxes levied or imposed by the state of Kansas or any taxing subdivision thereof, or whenever interest is allowed under any law of this state upon any overpayment of taxes levied or imposed by the state of Kansas or any taxing subdivision thereof, the rate thereof shall be: (a) One and one-half percent per month for any period prior to January 1, 1995, 1% per month for the period commencing on January 1, 1995, and ending on December 31, 1997, and 1/12 of the annual rate prescribed in subsection (b) thereafter, if computed monthly; and (b) eighteen percent per annum for any period prior to January 1, 1995, 12% per annum for the period commencing on January 1, 1995, and ending on December 31, 1997, and for any period thereafter, the underpayment rate per annum prescribed and determined under paragraph (2) of subsection (a) of section 6621, without regard to subsection (c) thereof, of the federal internal revenue code, as in effect on September 1, 1996, and which rate is in effect thereunder on July 1 of the year immediately preceding the calendar year for which the rate is being annually fixed hereunder, plus one percentage point, if computed annually. Beginning on January 1, 2012, the rate for property tax delinquencies or underpayments of $10,000 or more shall be as provided for under this section or 10% per annum, whichever is greater.

In the event the interest rate prescribed under this section cannot be determined by reference to section 6621 of the federal internal revenue code, as in effect on September 1, 1996, the rate at which interest shall be collected on underpayments shall be the rate prescribed by K.S.A. 16-204, and amendments thereto, for interest on judgments for the applicable period.

Sec. 6. On and after July 1, 2011, K.S.A. 2010 Supp. 79-3609 is hereby amended to read as follows: 79-3609. (a) Every person engaged in the business of selling tangible personal property at retail or furnishing services taxable in this state, shall keep records and books of all such sales, together with invoices, bills of lading, sales records, copies of bills of sale and other pertinent papers and documents. Such books and records and other papers and documents shall, at all times during business hours of the day, be available for and subject to inspection by the director, or the director's duly authorized agents and employees, for a period of three years from the last day of the calendar year or of the fiscal year of the retailer, whichever comes later, to which the records pertain. Such records shall be preserved during the entire period during which they are subject to inspection by the director, unless the director in writing previously authorizes their disposal. Any person selling tangible personal property or furnishing taxable services shall be prohibited from asserting that any sales are exempt from taxation unless the retailer has in the retailer's possession a properly executed exemption certificate provided by the consumer claiming the exemption, except as follows: (1) A retailer is relieved of liability for tax otherwise applicable if the retailer obtains a fully completed exemption certificate or captures the relevant data elements required by the director within 90 days subsequent to the date of the sale; or (2) if the retailer has not obtained
an exemption certificate or all relevant data elements, the retailer, within 120 days subsequent to a request for substantiation by the director, either may obtain a fully completed exemption certificate from the purchaser, taken in good faith which meets the requirements specified in this subsection, or obtain other information establishing that the transaction was not subject to tax. Otherwise, the sales shall be deemed to be taxable sales under this act. The seller shall obtain an exemption certificate that claims an exemption that was authorized pursuant to Kansas law on the date of the transaction in the jurisdiction where the transaction is sourced pursuant to law, could be applicable to the item being purchased and is reasonable for the purchaser's type of business. If the seller obtains an exemption certificate or other information as described in this subsection, the seller is relieved of any liability for the tax on the transaction unless it is discovered through the audit process that the seller had knowledge or had reason to know at the time such information was provided that the information relating to the exemption claimed was materially false or the seller otherwise knowingly participated in activity intended to purposefully evade the tax that is properly due on the transaction, and it must be established that the seller had knowledge or had reason to know at the time the information was provided that the information was materially false.

(b) The amount of tax imposed by this act is to be assessed within three years after the return is filed, and no proceedings in court for the collection of such taxes shall be begun after the expiration of such period. In the case of a false or fraudulent return with intent to evade tax, the tax may be assessed or a proceeding in court for collection of such tax may be begun at any time, within two years from the discovery of such fraud. No assessment shall be made for any period preceding the date of registration of the retailer by more than three years except in cases of fraud. For any refund or credit claim filed after June 15, 2009, no refund or credit shall be allowed by the director after one year from the due date of the return for the reporting period as provided by K.S.A. 79-3607, and amendments thereto, unless before the expiration of such period a claim therefor is filed by the taxpayer, and, except as otherwise provided in K.S.A. 2010 Supp. 79-3694, and amendments thereto, no suit or action to recover on any claim for refund shall be commenced until after the expiration of six months from the date of filing such claim satisfying the requirements specified by K.S.A. 2010 Supp. 79-3693, and amendments thereto, therefor with the director. A refund claim shall not be deemed filed unless such claim is complete as required by K.S.A. 2010 Supp. 79-3693, and amendments thereto. For all mailed returns, including refund claims, each return or refund claim shall be presumed to have been filed with the department on the postmark date of such return or refund claim or if such date is illegible, the date three days prior to the date such return or refund claim is received.

(c) Before the expiration of time prescribed in this section for the assessment of additional tax or the filing of a claim for refund, the director is hereby authorized to enter into an agreement in writing with the taxpayer consenting to the extension of the periods of limitations for the assessment of tax or for the filing of a claim for refund, at any time prior to the expiration of the period of limitations. The period so agreed upon may be extended by subsequent agreements in writing made before the expiration of the period previously agreed upon. In consideration of such agreement or agreements, interest due in excess of 48 months on any additional tax shall be waived.

(d) Interest at the rate prescribed by K.S.A. 79-2968, and amendments thereto, shall be allowed on any overpayment of tax computed from the filing date of the return
claiming the refund, except that no interest shall be allowed on any such refund if the
same is paid within 120 days after the filing date of the return claiming the refund or the
date of payment, whichever is later, provided that such return or refund claim satisfies
the requirements specified by K.S.A. 2010 Supp. 79-3693, and amendments thereto, at
the time the return or refund claim is received.

(e) Notwithstanding any other provision of this section or the provisions of the
Kansas compensating tax act:

(1) (A) Any claim for refund of tax imposed by the Kansas retailers' sales tax act or
the Kansas compensating tax act based upon the provisions of subsection (kk) of K.S.A.
79-3606 in existence prior to its amendment by this act which is without dispute shall
be allowed, but, with respect to any claim exceeding $10,000, the refund associated
therewith shall not be paid until after 510 days from the date such claim was filed and
shall not include interest from such date. As used in this subparagraph, a claim for
refund without dispute shall not include any claim the basis for which is a judicial or
quasi-judicial interpretation of such subsection occurring after the effective date of this
act.

(B) Any refund of tax resulting from a final determination or adjudication with
regard to any claim submitted or to be submitted for refund of tax imposed by the
Kansas retailers' sales tax act or the Kansas compensating tax act based upon the
provisions of subsection (kk) of K.S.A. 79-3606 in existence prior to its amendment by
this act not described by subparagraph (A) shall, with respect to any refund exceeding
$50,000, be paid in equal annual installments over 10 years commencing with the year
of such final determination or adjudication. Interest shall not accrue during the time
period of such payment.

(2) No claim for refund of tax imposed by the Kansas retailers' sales tax act or the
Kansas compensating tax act based upon the application of the provisions of subsection
(n) of K.S.A. 79-3606, and amendments thereto, pursuant to its interpretation by the
court of appeals of the state of Kansas in its opinion filed on August 13, 1999, in the
case entitled In re appeal of Water District No. 1 of Johnson County shall be allowed for
tax paid prior to the effective date of this act. The provisions of this subsection shall not
be applicable to water district no. 1 of Johnson county."

And by renumbering the remaining sections accordingly;

Also on page 17, after line 33, by inserting the following:

"Sec. 8. On and after July 1, 2011, K.S.A. 79-2968 and K.S.A. 2010 Supp. 79-
1701a and 79-3609 are hereby repealed."

On page 1, in the title, in line 1, by string all after "ACT"; by striking all in lines 2
and 3 and inserting "concerning taxation; relating to sales taxation, countywide

Prayer by Chaplain Brubaker:

Our Heavenly Father,
the Scripture is full of paradoxes,
many to which we can relate.
In Proverbs we read that
“one man gives freely,
yet gains even more;
whereas another withholds unduly,
but comes to poverty.”
II Thessalonians tells us
“if a man will not work, he shall not eat.”
Yet, in Matthew we read
that when we feed, clothe and
give water to those in need,
we indeed do that for Christ.
It is with these types of paradoxes
that we struggle with our decisions,
especially regarding the budget.
Since these are Your words and admonitions,
we desperately need You to show us where
that fine line is so we can do right by all.
For this wisdom I pray in Christ’s Name, Amen.
(Proverbs 11:24, II Thessalonians 2:10, Matthew 25:34-46)

The Pledge of Allegiance was led by Rep. Hoffman.

No such bonds shall be issued until the question of their issuance shall have been submitted to a vote of the electors of the community college district at a regular election or at a special election called for that purpose and the majority of the electors voting on the proposition in such community college district shall have voted in favor of the issuance of the bonds. as provided in subsection (b) of K.S.A. 72-8808, and amendments thereto, any moneys
in the capital outlay fund of any school district and any moneys received from issuance
of bonds under K.S.A. 72-8805 or 72-8810, and amendments thereto, may be used for
the purpose of the acquisition, construction, reconstruction, repair, remodeling,

purposes, including housing and boarding pupils enrolled in an area vocational school
operated under the board of education, architectural expenses incidental thereto, the
acquisition of building sites, the undertaking and maintenance of asbestos control
projects, the acquisition of school buses, and the acquisition of other equipment. The
board of education of any school district is hereby authorized to invest any portion of
the capital outlay fund of the school district which is not currently needed in
investments authorized by K.S.A. 12-1675, and amendments thereto, in the manner
prescribed therein or may invest the same in direct obligations of the United States
government maturing or redeemable at par and accrued interest within three years from
date of purchase, the principal and interest whereof is guaranteed by the government of
the United States. All interest received on any such investment shall upon receipt
thereof be credited to the capital outlay fund.
Sec. 15. K.S.A. 72-8808 is hereby amended to read as follows: 72-8808. (a) Except
as provided in subsection (b), whenever an initial resolution has been adopted under
K.S.A. 72-8801, and amendments thereto, and such resolution specified a lesser mill rate than the statutorily prescribed mill rate or a lesser number of years than five, the board of education of the school district may adopt a second resolution under the same procedure as is provided in K.S.A. 72-8801, and amendments thereto, for the initial resolution and subject to the same conditions and for the same purposes as provided in K.S.A. 72-8801, and amendments thereto, and shall be authorized to make such additional tax levy as is specified in such second resolution for the remainder of the five years succeeding the adoption of the initial resolution. Any such second resolution shall be limited in amount as specified in K.S.A. 72-8801, and amendments thereto, less such amount as has been authorized in the initial resolution, and not to exceed the statutorily prescribed mill rate in any one year. In the event that any such resolution is so adopted and the tax levy therein specified is approved under the conditions specified in K.S.A. 72-8801, and amendments thereto, the amount of bonds which may be issued under K.S.A. 72-8805, and amendments thereto, may be increased accordingly.

(b) Notwithstanding the provisions of K.S.A. 72-8801, and amendments thereto, during school year 2011-2012, any resolution adopted pursuant to subsection (a) may include, in addition to those purposes set forth in K.S.A. 72-8804, and amendments thereto, the payment of utility services and the acquisition of errors and omissions, property, fire, casualty and liability insurance as purposes for which the tax is being levied. Any such resolution shall be for a period not to exceed one year.

Sec. 16. K.S.A. 72-8814 is hereby amended to read as follows: 72-8814. (a) There is hereby established in the state treasury the school district capital outlay state aid fund. Such fund shall consist of all amounts transferred thereto under the provisions of subsection (c).

(b) In each school year, each school district which levies a tax pursuant to K.S.A. 72-8801 et seq., and amendments thereto, shall be entitled to receive payment from the school district capital outlay state aid fund in an amount determined by the state board of education as provided in this subsection. The state board of education shall:

(1) Determine the amount of the assessed valuation per pupil (AVPP) of each school district in the state and round such amount to the nearest $1,000. The rounded amount is the AVPP of a school district for the purposes of this section;

(2) determine the median AVPP of all school districts;

(3) prepare a schedule of dollar amounts using the amount of the median AVPP of all school districts as the point of beginning. The schedule of dollar amounts shall range upward in equal $1,000 intervals from the point of beginning to and including an amount that is equal to the amount of the AVPP of the school district with the highest AVPP of all school districts and shall range downward in equal $1,000 intervals from the point of beginning to and including an amount that is equal to the amount of the AVPP of the school district with the lowest AVPP of all school districts;

(4) determine a state aid percentage factor for each school district by assigning a state aid computation percentage to the amount of the median AVPP shown on the schedule, decreasing the state aid computation percentage assigned to the amount of the median AVPP by one percentage point for each $1,000 interval above the amount of the median AVPP, and increasing the state aid computation percentage assigned to the amount of the median AVPP by one percentage point for each $1,000 interval below the amount of the median AVPP. Except as provided by K.S.A. 2010 Supp. 72-8814b, and amendments thereto, the state aid percentage factor of a school district is the percentage
assigned to the schedule amount that is equal to the amount of the AVPP of the school
district, except that the state aid percentage factor of a school district shall not exceed
100%. The state aid computation percentage is 25%;
(5) determine the amount levied by each school district pursuant to K.S.A. 72-8801
et seq., and amendments thereto, excluding any amount levied pursuant to subsection
(b) of K.S.A. 72-8808, and amendments thereto;
(6) multiply the amount computed under (5), but not to exceed 8 mills, by the
applicable state aid percentage factor. The product is the amount of payment the school
district is entitled to receive from the school district capital outlay state aid fund in the
school year.
(c) The state board shall certify to the director of accounts and reports the
entitlements of school districts determined under the provisions of subsection (b), and
an amount equal thereto shall be transferred by the director from the state general fund
to the school district capital outlay state aid fund for distribution to school districts,
except that no transfers shall be made from the state general fund to the school district
capital outlay state aid fund during the fiscal years ending June 30, 2011, or June 30,
2012. All transfers made in accordance with the provisions of this subsection shall be
considered to be demand transfers from the state general fund.
(d) Payments from the school district capital outlay state aid fund shall be
distributed to school districts at times determined by the state board of education. The
state board of education shall certify to the director of accounts and reports the amount
due each school district entitled to payment from the fund, and the director of accounts
and reports shall draw a warrant on the state treasurer payable to the treasurer of the
school district. Upon receipt of the warrant, the treasurer of the school district shall
credit the amount thereof to the capital outlay fund of the school district to be used for
the purposes of such fund.
(e) Amounts transferred to the capital outlay fund of a school district as authorized
by K.S.A. 72-6433, and amendments thereto, shall not be included in the computation
when determining the amount of state aid to which a district is entitled to receive under
this section.

Prayer by Chaplain Brubaker:

Father, God,
On this National Day of Prayer
I am reminded of Your Word:
“if my people, who are called by my name
will humble themselves and pray
and seek my face and turn from their wicked ways,
then will I hear from heaven and will forgive their sin
and will heal their land.”

Four things You instruct us to do:
Humble ourselves—
don’t allow us to think more highly of ourselves than we ought
just because we are in a place of power and leadership.
Pray—
in this humility, help us to come to You
and present our petitions and concerns to You.
Seek—
help us to realize we cannot do this on our own abilities,
we need to seek Your wisdom in these matters.
Turn—
we often want to do things and go our own way
when Your Word encourages us
to walk in Your way, Your truth and Your light.
These four things I ask and pray that You will grant us
in Your Son’s Name, Amen.

(11 Chronicles 7:14)
The Pledge of Allegiance was led by Rep. Mosier.

INTRODUCTION OF SENATE BILLS AND CONCURRENT RESOLUTIONS
The following Senate bill was introduced and read by title:

SB 247.

INTRODUCTION OF ORIGINAL MOTIONS AND HOUSE RESOLUTIONS

HOUSE RESOLUTION No. **HR 6030**—
A RESOLUTION in memory of former Representative Terry McLachlan.

WHEREAS, Terry McLachlan, of Wichita, died on March 18, 2011 at age 61 after fighting a valiant battle with cancer. A former Kansas legislator, he served in the House of Representatives from 2007-2008 as a representative of southwest Wichita; and

WHEREAS, Terry was born on September 12, 1949 and was a lifelong resident of Wichita. He attended high school at West High in Wichita. Terry graduated cum laude from Wichita State University in 1978 with a degree in Liberal Arts and a major in social work; and

WHEREAS, Terry also served four years in the United States Air Force and was a veteran with one year of service in Southeast Asia. He obtained the rank of E-5 before his honorable discharge in 1973; and

WHEREAS, Terry was active in his community. He was a youth coach, and he volunteered regularly with the Boy Scouts and the American Red Cross; and

WHEREAS, Terry first worked with Parallax as an Alcohol and Drug Rehabilitation Counselor and as an Intake Counselor. He also worked as Assistant Director for the Wichita Half-Way House for Adults. Terry later began a career at Boeing. While at Boeing, Terry worked in both the military and commercial divisions. He was chosen to serve as the Boeing Loaned Executive to the United Way of the Plains. This experience allowed Terry to work with many social agencies and businesses within the city of Wichita. Terry's time at Boeing spanned over 23 years before he retired in March of 2005; and

WHEREAS, Terry is survived by wife of 33 years, Linda; son Sean and daughter-in-law Cher; daughter Amy Miranda and son-in-law John; brothers Jim and Don; and four grandchildren; and

WHEREAS, Terry was an outstanding person and community servant, whose smile never failed to brighten others’ days. He was a constant, caring and compassionate force. It was an honor and privilege to have known and worked with such a great man: Now, therefore,

Be it resolved by the House of Representatives of the State of Kansas: That we extend our deepest sympathy to the family and friends of Terry McLachlan, and we thank him for the years of public service he gave to his state, his community and his country; and

Be it further resolved: That the Chief Clerk of the House of Representatives shall send an enrolled copy of this resolution to the House Minority Leader's Office.

There being no objection, the following remarks of Rep. Flaharty are spread upon the journal:

To anyone who knew Terry and Linda, it was obvious that they were a successful partnership. From the time when I first met them when Terry decided to run for the House, I knew they were in the race as a team. During his term they were in Topeka together and each made a difference. While Terry served his district, Linda was a volunteer tutor at a Topeka elementary school and made a life changing difference for
some at risk kindergarten pupils.
Terry seemed to be comfortable with women as equal participants in the human family. That is rare in a man. He seemed confident in his own abilities.
I will forever be indebted to both Terry and Linda for the work they did on my 2010 campaign. It was probably the winning difference.
I know of no words that have the power to make things better. We are all powerless in the face of death. But we are all better for knowing and serving with Terry McLachlan.

Rep. Davis presented a framed House certificate to Linda McLachlan.

MOTIONS AND RESOLUTIONS OFFERED ON A PREVIOUS DAY

On motion of Rep. Schwartz, HR 6029, A RESOLUTION congratulating and commending Kansas State University women's basketball program and head coach Deb Patterson, was adopted.

There being no objection, the following remarks of Rep. Schwartz and Rep. Mosier are spread upon the journal:

Remarks of Rep. Schwartz:
Today, May 5, 2011, I have the honor of recognizing the accomplishments of the Kansas State University women’s basketball program and head coach Deb Patterson. Joining me are Representative Carlin and Representative Mosier, Coach Deb Patterson and Jill Shields, Assistant head of the Athletic Academic Program.
The Kansas State university women’s basketball program and Coach Deb Patterson made their mark in the history of women’s basketball this year. In their 43rd season as a program, the Kansas State women’s basketball team earned their 800th win and Coach Patterson earned her 300th win at KSU.

On February 19, the KSU reached this rare milestone when it became the 13th program in NCAA basketball history and only the second in the BIG 12 conference to record 800 wins following a thrilling 69-64 victory over the University of Nebraska at the Devaney Center.
Living close to Nebraska and Big Red territory it was really special for me to see the win over Nebraska. I do not miss many of the girl’s games so was glued to the TV that night to enjoy the win.
The girl’s then went on to win over Iowa State in the quarterfinals of the Big 12 championship giving Coach Deb Patterson her 300th career win as a head coach. With a record of 300-174 at KSU, Coach Patterson is the all-time winningest coach in the school’s history.
I am especially proud of the KSU program. Many of the team members are and have been Kansas girls. Kansas grown and raised. Former team members Kendra Wecker and Nicole Ohlde actually are from my legislative district.
I would like for you to join me in congratulating Coach Patterson and the commend the team for the success the team achieved during the 2010-2011 basketball season.

Remarks of Rep. Mosier:
We congratulate Coach Deb Patterson on being the winningest women's basketball
coach in Kansas State State history!

And we thank her for her dedication and hard work in developing not only a great women's basketball team, but also in developing great women as well.

We congratulate these women on surpassing 800 wins this season.

EXPLANATIONS OF VOTE

MR. SPEAKER: Yesterday a statement was made during the debate on H. Sub. for Sub. SB 111. It prompted me to make some calls to superintendents in my Southeast Kansas District.

I talked to the following districts: Arma, USD #246; Cherokee, USD #247; Girard, USD #248; Frontenac, USD #249; Pittsburg, USD #250; Fort Scott, USD #234; Uniontown, USD #235; Chanute, USD #413; and Pleasanton, USD #344. All of these superintendents told me they were against H. Sub. for Sub. SB 111 and they felt “this was the camel’s nose under the tent.” Therefore, Mr. Speaker, I vote “NO” on H. Sub. for Sub. SB 111. – BOB GRANT, JERRY WILLIAMS

MR. SPEAKER: I vote NO on H. Sub. for Sub. SB 111. This bill has a dis-equalizing effect on school districts all across the state. Also, the bill creates an incentive for school districts to use funds for purposes for which they were not intended, in addition to creating a mechanism for school districts to raise fees paid by parents. This is nothing but a shell game that creates an illusion that the Legislature is trying to help K-12 schools while we slash their funding. – PAUL DAVIS, TOM BURROUGHS, JERRY HENRY, STAN FRAWNFERTELTER, JANICE L. PAULS, BILL FEUERBORN, ANNIE TIEZTE, ED TRIMMER, VALDENIA WINN, EBER PHELPS, JUDITH LOGANBILL, ANN E. MAH, BARBARA BALLARD, MELANIE MEIER, GAIL FINNEY, MELODY MCCRAY-MILLER

On motion of Rep. Siegfreid, the House recessed until 2:30 p.m.

AFTERNOON SESSION

The House met pursuant to recess with Speaker O'Neal in the chair.

(a) The register of deeds also shall keep a well-bound book, in which shall be kept all maps and plats of cities, subdivisions or additions to the same within the county, together with the description, acknowledgment or other writing thereon. The register shall keep an index to such book of plats. Such index shall contain the name or names of the proprietor or proprietors of such cities, subdivisions or addition and the name of the cities, subdivisions or addition. No register of deeds shall be bound to perform any of the duties required to be performed by this act, for which a fee is allowed, unless such fee has been paid or tendered.

(b) The register of deeds shall not record any plat, replat, plat of survey pursuant to the apartment ownership act, K.S.A. 58-3101 et seq., and amendments thereto, or plat of survey pursuant to the townhouse ownership act, K.S.A. 58-3701 et seq., and

After the tax roll has been certified to the county treasurer, the treasurer shall then allocate so much of the sum collected as will pay the taxes and assessments on the property. In the case in which the sum collected is in excess of the amount necessary for the payment of the taxes and assessments, the treasurer shall return the amount of excess to the depositing party. In the case in which the sum collected is insufficient to pay the taxes and assessments, the treasurer shall credit the sum so collected ratably to the funds for which such taxes and assessments were levied and notify the owner of record of the balance due and unpaid. The unpaid portion shall become due in full on or before December 20 and any amount still remaining due and unpaid after that date shall accrue interest at the rate prescribed by K.S.A. 79-2968, and amendments thereto.

(c) The secretary of revenue shall adopt rules and regulations regarding the filing of documents that support the qualifications of the taxpayer for the credit claimed pursuant to this section.

Sec. 14. K.S.A. 2010 Supp. 79-32,160a is hereby amended to read as follows: 70-32,160a. (a) For taxable years commencing after December 31, 1999, any taxpayer who shall invest in a qualified business facility, as defined in subsection (b) of K.S.A. 79-32,154, and amendments thereto, and effective for tax years commencing after December 31, 2010, located in an area other than a metropolitan county as defined in either K.S.A. 2010 Supp. 74-50,114 or 74-50,211, and amendments thereto, and also meets the definition of a business in subsection (b) of K.S.A. 74-50,114, and amendments thereto, shall be allowed a credit for such investment, in an amount
determined under subsection (b) or (c), as the case requires, against the tax imposed by
the Kansas income tax act or where the qualified business facility is the principal place
from which the trade or business of the taxpayer is directed or managed and the facility
has facilitated the creation of at least 20 new full-time positions, against the premium
tax or privilege fees imposed pursuant to K.S.A. 40-252, and amendments thereto, or as
measured by the net income of financial institutions imposed pursuant to article 11 of
chapter 79, article 11 of the Kansas Statutes Annotated, for the taxable year during
which commencement of commercial operations, as defined in subsection (f) of K.S.A.
79-32,154, and amendments thereto, occurs at such qualified business facility. In the
case of a taxpayer who meets the definition of a manufacturing business in subsection
(d) of K.S.A. 74-50,114, and amendments thereto, no credit shall be allowed under this
section unless the number of qualified business facility employees, as determined under
subsection (d) of K.S.A. 79-32,154, and amendments thereto, engaged or maintained in
employment at the qualified business facility as a direct result of the investment by the
taxpayer for the taxable year for which the credit is claimed equals or exceeds two. In
the case of a taxpayer who meets the definition of a nonmanufacturing business in
subsection (f) of K.S.A. 74-50,114, and amendments thereto, no credit shall be allowed
under this section unless the number of qualified business facility employees, as
determined under subsection (d) of K.S.A. 79-32,154, and amendments thereto, engaged or maintained in employment at the qualified business facility as a direct result
of the investment by the taxpayer for the taxable year for which the credit is claimed
equals or exceeds five. Where an employee performs services for the taxpayer outside
the qualified business facility, the employee shall be considered engaged or maintained
in employment at the qualified business facility if (1) the employee's service performed
outside the qualified business facility is incidental to the employee's service inside the
qualified business facility; or (2) the base of operations or, the place from which the
service is directed or controlled, is at the qualified business facility.

The credit
allowed by this subsection shall be a one-time credit. If the amount thereof exceeds the
tax imposed by the Kansas income tax act on the taxpayer's Kansas taxable income or

tax credit is used, except that no such tax credit shall be carried forward for deduction
after the 10th taxable year succeeding the taxable year in which such credit initially
was claimed and no carry forward shall be allowed for deduction in any succeeding
taxable year unless the taxpayer continued to be qualified and was recertified for such
succeeding taxable year pursuant to K.S.A. 74-50,131, and amendments thereto, and no

credits, shall provide information pursuant to K.S.A. 2010 Supp. 79-32,243, and

thereto.

Prayer by Chaplain Brubaker:

This prayer today is for Rep. Sean Gatewood, who asked for a poem, and I said I would:

Our Heavenly Father,
Today is day eighty-five,
and we are wondering if
for five more days we will survive?
Will we finish our business in time
or go into extra sessions
to determine how to spend the last dime?
For many of us this is yet to be seen,
because a rock and a hard place
we find ourselves between.
As we work through the appropriations,
the importance of our responsibility
we cannot shun.
So, once again today
the decisions we weigh,
knowing we can’t please everyone
as we accomplish the work to be done.
So for solutions we ask for Your wisdom,
and a spirit of unity we gladly welcome.
In Christ’s Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Proehl.

Prayer by Chaplain Brubaker:

Our Heavenly Father,
First we want to thank you for the reprieve this past weekend; no doubt our time with loved ones we would have liked to extend.
Time with our families and to honor our moms; our stress and tension, it did calm.
But here we are, back to work today, ready to discuss and debate the issues, I daresay.
Time is running short, decisions need to be made that we all support.
So with that in mind, I pray that all hearts You will align,
And at the end of today when all is said and done, Your will and wisdom will have won.
In Christ’s Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Wolfe Moore.

(b) Property may be seized for forfeiture by a law enforcement officer without process on probable cause to believe the property is subject to forfeiture under this act.

(c) Property may be seized constructively by:
(1) Posting notice of seizure for forfeiture or notice of pending forfeiture on the property.

No liability may attach from the fact that a person declines a law enforcement officer's request to deliver property.

(f) A possessory lien of a person from whose possession property is seized is not affected by the seizure.

(j) Nothing in this act shall prevent the attorney general, an employee of the attorney general or an authorized representative of the attorney general from conducting forfeiture proceedings under this act.
(k) Nothing in this act shall prevent a seizing agency from requesting federal adoption of a seizure. It shall not be necessary to obtain any order pursuant to K.S.A. 22-2512, and amendments thereto, to release any seized property to a federal agency should the county or district attorney approve of such transfer.

(l) Nothing in this act shall prevent a seizing agency, or the plaintiff's attorney on behalf of the seizing agency, from settling any alleged forfeiture claim against property before or during forfeiture proceedings. Such settlement shall be in writing and shall be approved, if a local agency, by the county or district attorney or, if a state agency, by the attorney general's office and a district court judge. No hearing or other proceeding shall be necessary. The records of settlements occurring prior to commencement of judicial forfeiture proceedings in the district court shall be retained by the county or district attorney for not less than five years.

(m) Settlements under this act shall not be conditioned upon any disposition of criminal charges.

Sec. 7. K.S.A. 2010 Supp. 60-4109 is hereby amended to read as follows: 60-4109. (a) Forfeiture proceedings shall be commenced by filing a notice of pending forfeiture or a judicial forfeiture action:

(1) If the plaintiff's attorney fails to initiate forfeiture proceedings by notice of pending forfeiture within 90 days against property seized for forfeiture or if the seizing agency fails to pursue forfeiture of the property upon which a proper claim has been timely filed by filing a judicial forfeiture proceeding within 90 days after notice of pending forfeiture, the property shall be released on the request of an owner or interest holder to such owner's or interest holder's custody, as custodian for the court, pending further proceedings pursuant to this act. Such custodianship shall not exceed 90 days following the release to the owner or interest holder unless an extension is authorized by the court for good cause shown.

(2) If, after notice of pending forfeiture, a claimant files a petition for recognition of exemption pursuant to K.S.A. 60-4110, and amendments thereto, the plaintiff's attorney may delay filing the judicial forfeiture proceeding for a total of 180 days after the notice of pending forfeiture except that if an interest holder timely files a proper petition documenting the complete nature and extent of such holder's interest, including all of the contractual terms and current status, the plaintiff's attorney may delay filing a judicial forfeiture proceeding only if such attorney provides each such petitioner with a written recognition of exemption within 60 days after the effective date of the notice of pending forfeiture, recognizing the interest of such petitioner to the extent of documented outstanding principal plus interest at the contract rate until paid and any attorney fees ordered by a court pursuant to such contract.

(3) Whenever notice of pending forfeiture or service of an in rem complaint or notice of a recognition of exemption and statement of nonexempt interests is required under this act, notice or service shall be given in accordance with one of the following:

(A) If the owner's or interest holder's name and current address are known, by either personal service by any person qualified to serve process or by any law enforcement officer or by mailing a copy of the notice by certified mail, return receipt requested, to the known address;

(B) if the owner's or interest holder's name and address are required by law to be on record with a municipal, county, state or federal agency to perfect an interest in the property, and the owner's or interest holder's current address is not known, by mailing a
copy of the notice by certified mail, return receipt requested, to any address of record with any of the described agencies; or

(C) if the owner's or interest holder's address is not known and is not on record as provided in paragraph (B), or the owner's or interest holder's interest is not known, by publication in one issue of the official county newspaper, as defined by K.S.A. 64-101, and amendments thereto, in the county in which the seizure occurred.

(4) Notice is effective upon personal service, publication or the mailing of a written notice, whichever is earlier, except that notice of pending forfeiture of real property is not effective until it is recorded. Notice of pending forfeiture shall include a description of the property, the date and place of seizure, the conduct giving rise to forfeiture or the violation of law alleged and a summary of procedures and procedural rights applicable to the forfeiture action.

(b) The plaintiff's attorney, without a filing fee, may file a lien for the forfeiture of property upon the initiation of any civil or criminal proceeding relating to conduct giving rise to forfeiture under this act or upon seizure for forfeiture. Court costs may be assessed and, if assessed, shall include the amount of the docket fee prescribed by K.S.A. 60-2001, and amendments thereto, and any additional court costs accrued in the action. A plaintiff's attorney may also file a forfeiture lien in this state in connection with a proceeding or seizure for forfeiture in any other state under a state or federal statute substantially similar to the relevant provisions of this act. The filing constitutes notice to any person claiming an interest in the seized property or in property owned by the named person.

(1) The lien notice shall set forth the following:

(A) The name of the person and, in the discretion of the lienor, any alias, or the name of any corporation, partnership, trust or other entity, including nominees, that are owned entirely or in part or controlled by the person; and

(B) the description of the seized property, the criminal or civil proceeding that has been brought relating to conduct giving rise to forfeiture under this act, the amount claimed by the lienor, the name of the district court where the proceeding or action has been brought, and the case number of the proceeding or action if known at the time of filing.

(2) A lien filed pursuant to this subsection applies to the described seized property or to one named person, any aliases, fictitious names, or other names, including the names of any corporation, partnership, trust, or other entity, owned entirely or in part, or controlled by the named person, and any interest in real property owned or controlled by the named person. A separate forfeiture lien shall be filed for each named person.

(3) The notice of lien creates, upon filing, a lien in favor of the lienor as it relates to the seized property or the named person or related entities. The lien secures the amount of potential liability for civil judgment, and if applicable, the fair market value of seized property relating to all proceedings under this act enforcing the lien. The notice of forfeiture lien referred to in this subsection shall be filed in accordance with the provisions of the laws of this state relating to the type of property that is subject to the lien. The validity and priority of the forfeiture lien shall be determined in accordance with applicable law pertaining to liens. The lienor may amend or release, in whole or in part, a lien filed under this subsection at any time by filing, without a filing fee, an amended lien in accordance with this subsection which identifies the lien amended. The lienor, as soon as practical after filing the lien, shall furnish to any person
named in the lien a notice of the filing of the lien. Failure to furnish notice under this subsection shall not invalidate or otherwise affect the lien.

(4) Upon entry of judgment in the seizing agency's favor, the seizing agency may proceed to execute on the lien as provided by law.

(5) A trustee, constructive or otherwise, who has notice that a notice of forfeiture lien, or a notice of pending forfeiture, or a civil forfeiture proceeding has been filed against the property or against any person or entity for whom the person holds title or appears as record owner, shall furnish within 14 days, to the seizing agency or the plaintiff's attorney all of the following information, unless all of the information is of record in the public records giving notice of liens on that type of property:

(A) The name and address of each person or entity for whom the property is held;

(B) the description of all other property whose legal title is held for the benefit of the named person; and

(C) a copy of the applicable trust agreement or other instrument, if any, under which the trustee or other person holds legal title or appears as record owner of the property.

(6) A trustee with notice who knowingly fails to comply with the provisions of this subsection shall be guilty of a class B nonperson misdemeanor.

(7) A trustee with notice who fails to comply with paragraph (5) is subject to a civil penalty of $100 for each day of noncompliance. The court shall enter judgment ordering payment of $100 for each day of noncompliance from the effective date of the notice until the required information is furnished or the seizing agency executes the seizing agency's judgment lien under this section.

(8) To the extent permitted by the constitutions of the United States and the state of Kansas, the duty to comply with paragraph (5) shall not be excused by any privilege or provision of law of this state or any other state or country which authorizes or directs that testimony or records required to be furnished pursuant to paragraph (5) are privileged, confidential and otherwise may not be disclosed.

(9) A trustee who furnishes information pursuant to paragraph (5) is immune from civil liability for the release of the information.

(10) An employee of the seizing agency or the plaintiff's attorney who releases the information obtained pursuant to paragraph (5), except in the proper discharge of official duties, is guilty of a class B nonperson misdemeanor.

(11) If any information furnished pursuant to paragraph (5) is offered in evidence, the court may seal that portion of the record or may order that the information be disclosed in a designated way.

(12) A judgment or an order of payment entered pursuant to this section becomes a judgment lien against the property alleged to be subject to forfeiture.

Sec. 8. K.S.A. 60-426, 60-2601 and 60-2601a and K.S.A. 2010 Supp. 60-3003, 60-4107 and 60-4109 are hereby repealed."

By renumbering the remaining section;

Any lease-purchase agreement entered into under authority of this subsection shall be subject to the conditions set forth in K.S.A. 10-1116c, and amendments thereto. The term of any lease entered into under authority of this subsection may be for not to exceed 10 years. Such lease may provide for annual or other payment of rent or rental fees and may obligate the community college to payment of maintenance or other expenses. Any lease or lease-purchase agreement entered into under authority of this subsection shall be subject to change or termination at any time by the legislature. Any assignment of rights in any lease or lease-purchase made under this subsection shall contain a citation of this section and a recitation that the lease or lease-purchase agreement and assignment thereof are subject to change or termination by the legislature. To the extent that the provisions of the cash-basis and budget laws conflict with this subsection in such a manner as to prevent the intention of this subsection from being made effective, the provisions of this subsection shall control. This provision is subject to the provisions of subsection (d).

10. To enter into lease agreements as lessor of any property, whether real, personal, or mixed, which is owned or controlled by the community college. Any such agreement may specify the purposes for which the property may be used, require that the property be maintained and operated by the lessee, and may contain such
restrictions or limitations on the use of the property, be entered into for such period of
time, and include such other terms and conditions as the board of trustees determines to
be necessary and proper. Every such agreement shall be subject to change or

Statutes Annotated.

(13) To make and promulgate such rules and regulations, not inconsistent with the
provisions of law or with rules and regulations of the state board of regents, that are
necessary and proper for the administration and operation of the community college,
and for the conduct of the business of the board of trustees.

college.

(15) To appoint a member to fill any vacancy on the board of trustees for the
balance of the unexpired term. When a vacancy occurs, the board shall publish a notice
one time in a newspaper having general circulation in the community college district

academic or vocational education, or taxes collected under K.S.A. 71-204, and
amendments thereto. Any contract made under this subsection with an institution of
another state shall be subject to the provisions of K.S.A. 71-202, and amendments thereto.

(17) To authorize by resolution the establishment of a petty cash fund in an amount
not to exceed $1,000, and to designate in such resolution an employee to maintain such
petty cash fund. The employee designated in any resolution provided for in this
subsection receiving such funds shall keep a record of all receipts and expenditures
from the fund, and shall from time to time, and at the end of the fiscal year, prepare a
statement for the board showing all receipts, expenditures, and the balance in the petty
cash fund. The board of trustees may authorize the employee designated to maintain any
petty cash fund to make a claim for replenishment of the fund to its original amount in
advance of approval by the board of trustees if, at any time during the period between
regular monthly meetings of the board of trustees, the balance remaining in the fund is
insufficient to make needed expenditures for any purpose for which the petty cash fund
is maintained. No petty cash fund may be replenished more than one time during each period between regular monthly meetings of the board of trustees. If a petty cash fund is replenished prior to the end of the fiscal year in accordance with the foregoing authorization, the employee authorized to maintain the petty cash fund shall keep an accurate record of all expenditures made therefrom, and the purpose therefor, and shall submit the record to the board of trustees at the next regular monthly meeting thereof. The petty cash fund shall be replenished by payment from the appropriate funds of the community college to the petty cash fund upon proper claim. The fund shall be kept separate from all other funds and shall be used only for authorized expenditures and itemized receipts shall be taken for each expenditure. INTRODUCTION OF ORIGINAL MOTIONS AND HOUSE RESOLUTIONS

HOUSE RESOLUTION No. HR 6032—
A RESOLUTION congratulating and commending Victor Ortiz for becoming the World Boxing Council (WBC) welterweight champion of the world.

WHEREAS, On April 16th, 2011 Victor “Vicious” Ortiz defeated Andre Berto by unanimous decision to become the WBC welterweight champion of the world at Foxwoods, Connecticut; and

WHEREAS, Shortly after his birth in Liberal, Kansas, Victor Ortiz moved to and grew up in Garden City, Kansas where he attended the Garden City Unified School District No. 457, from kindergarten through the ninth grade; and

WHEREAS, Victor Ortiz has developed his "Vicious" nickname and fighting style by attacking challenges head-on. He has overcome trying circumstances and difficult obstacles to achieve his goal of becoming a world champion. He was forced to grow up without his mother from age 7 and without his father from age 12. He would later become the guardian for his younger brother, Temo, juggling a demanding training schedule with his newly assumed responsibilities as a father figure; and

WHEREAS, Victor Ortiz started his boxing training and career in Garden City, Kansas under the tutelage of Ignacio “Bucky” Avila at the Garden City Boxing Club, who not only trained Victor how to box, but also how to be a man; and

WHEREAS, Victor Ortiz found a support system inside the Garden City Boxing Club and also with tutor and mentor Sharon Ford, who took Victor into her home when his family life disintegrated; and

WHEREAS, Victor Ortiz won a Silver Glove Championship and was a two-time Golden Glove Champion; and

WHEREAS, Victor Ortiz eventually became a seven-time national amateur boxing champion; and

WHEREAS, Regardless of Victor's travels, his heart has remained in Kansas. A KU Jayhawk fan since the age 5, he enjoys frequent trips to Lawrence to visit friends on the KU campus. During his title fight against Berto, Victor sported a pair of boxing trunks with the official Jayhawk logo on the back; and

WHEREAS, Victor Ortiz has always called Garden City, Kansas “home”; and

WHEREAS, Victor Ortiz is proud to serve as a role model exemplifying hard work and commitment, especially for the Hispanic and Latino communities: Now, therefore,

Be it resolved by the House of Representatives of the State of Kansas: That we congratulate and commend Victor Ortiz for becoming the WBC welterweight boxing champion of the world. His determination and perseverance in the face of numerous hardships and challenges serve as inspiration to all Kansans. We wish him continued success in and out of the ring and all happiness in the future; and

Be it further resolved: That the Chief Clerk of the House of Representatives shall send two enrolled copies of this resolution to Representative Mesa.

There being no objection, the following remarks of Rep. Mesa are spread upon the journal:

I want to take this chance to honor a Kansas champion today. Victor Ortiz won the World Boxing Council's Welterweight Championship Title on April 16, after a grueling fight against Andre Berto, in which both boxers were knocked out twice. Despite his boxing nickname being “Vicious,” everyone that knows Victor says that he is always smiling, always upbea, and always positive. Victor's story is not only a lesson in the value of positivity – it's also a lesson in determination, patience and hard
work.

Victor was born and raised in Garden City, but had to learn to care for himself and his siblings from a young age after both parents abandoned the family early in his life. Victor and his siblings spent their pre-teen years without any adult guardian. Without anyone to look after them, Victor was forced to resort to selling drugs just to be able to feed himself and his siblings. Victor and his brother also spent some time in foster care, until his older sister took over legal guardianship over the two boys when she turned 18.

By then, Victor had already begun spending hours in the gym, training for a boxing career that would eventually give him a chance to shine. He found mentors to help him on his journey, never let up on the effort that he put forth, and above all, despite his experiences as a child, he kept a positive attitude and a smile on his face.

Victor exemplifies the spirit of not getting bitter over the circumstances of your life, but rather to channel your energy into making yourself better. And make himself better he did. By the age of 16, he had made the Junior Olympics Tournament, finishing first in his weight class. He trained hard in his teenage years, and turned pro at the age of 17.

Victor suffered an enormously scary and insecure childhood. It is my hope that no child in Kansas ever has to face the circumstances that Victor had to. But now, everyone that knows Victor says that he can't keep a smile off of his face. That positivity has served him well in his boxing career, and it's that positivity that I would like to celebrate and honor today.

Victor didn't get bitter – he got better.

(a) When used in this section, "surplus real estate" means real estate which is no longer needed by the state agency which owns such real estate as determined in accordance with this section.
(b) (1) The secretary of administration shall develop criteria for the identification of surplus real estate, including but not limited to, a review of any legal restrictions associated with the real estate and the reasons for the state agency to keep the real estate. In accordance with such criteria, the secretary shall assist state agencies in the identification of surplus real estate. The secretary of administration shall periodically review the status of all real estate of state agencies subject to this section to determine if any of the real estate owned by state agencies is potentially surplus real estate. If any real estate owned by a state agency is determined by the secretary of administration, in consultation with the head of the state agency, to be surplus real estate in accordance with the criteria developed under subsection (a), then the secretary of administration shall recommend to the governor that such real estate be sold under the procedures prescribed by this section.
(2) The secretary of administration shall develop guidelines for the sale of surplus real estate. In accordance with such guidelines and upon the approval of the governor, after consultation with the head of the state agency which owns such surplus real estate, after consultation with the joint committee on state building construction and after approval by the state finance council under subsection (c), the secretary may offer such property for sale by one of the following means: (A) Public auction; (B) by listing the surplus property with a licensed real estate broker or salesperson; or (C) by sealed bid. Subject to the approval of the state finance council as required by subsection (c), the secretary of administration may sell surplus real estate and any improvements thereon on behalf of the state agency which owns such property.
(c) Prior to the sale of any surplus real estate under subsection (b), the state finance council shall approve the sale, which is hereby characterized as a matter of legislative delegation and subject to the guidelines prescribed in subsection (c) of K.S.A. 75-3711, and amendments thereto. The matter may be submitted to the state finance council for approval at any time, including periods of time during which the legislature is in session.
(d) Prior to offering any real estate for sale, such property shall be appraised pursuant to K.S.A. 75-3043a, and amendments thereto, unless the appraisal is waived as provided in this subsection. The secretary of administration may waive the requirement for appraisal for any parcel of surplus real estate that is to be sold at public auction under this section if the secretary of administration determines that it is in the best interests of the state to waive the requirement for appraisal for such parcel of surplus real estate. The costs of any such appraisal may be paid from the proceeds of the sale.
(e) Conveyance of title in surplus real estate offered for sale by the secretary of administration shall be executed on behalf of the state agency by the secretary of administration. The deed for the conveyance may be by warranty deed or by quitclaim deed as determined to be in the best interests of the state by the secretary of administration in consultation with the head of the state agency which owns the surplus real estate.

(f) (1) Any proceeds from the sale of surplus real estate and any improvements thereon, after deduction of the expenses of such sale and any cost of appraisal of the surplus real estate, shall be deposited in the state treasury as prescribed by this subsection, unless otherwise authorized by law. On and after the effective date of this act July 1, 2012, 20% of the proceeds from each such sale deposited in the state treasury shall be credited to the surplus real estate fund or another appropriate special revenue fund of the state agency which owned the surplus real estate, as is prescribed by law or as may be determined by the state agency, unless otherwise required by state or federal law or by the limitations or restrictions of the state's title to the real estate being sold. In the case of proceeds from the sale of surplus real estate at a state mental health institution or a state mental retardation institution, such portion of the proceeds shall be credited to the client benefit fund of such institution or to another special revenue fund of such institution for: (A) Rehabilitation and repair or other capital improvements for such institution or (B) one-time expenditures for community mental health organizations if the real estate sold was at a state mental health institution or for community developmental disabilities organizations if the real estate sold was at a state mental retardation institution, and, in any such case, shall be expended in accordance with the provisions of appropriation acts. The remaining 80% of the proceeds from each such sale deposited in the state treasury shall be credited to the state general fund Kansas public employees retirement fund to be applied to the payment, in full or in part, of the unfunded actuarial pension liability as directed by the Kansas public employees retirement system. As used in this section, "unfunded actuarial pension liability" means the unfunded actuarially accrued liability of the state for the state of Kansas and participating employers under K.S.A. 74-4931, and amendments thereto, portion of such liability of the Kansas public employees retirement system, determined as of the later of December 31, 2011, or the end of the most recent calendar year for which an actuarial valuation report is available.

(2) The amount of expenses and the cost of appraisal for each sale of surplus real estate pursuant to this section shall be transferred and credited to the property contingency fund created under K.S.A. 75-3652, and amendments thereto, and may be expended for any operations of the department of administration.

(3) Any state agency owning real estate may apply to the director of accounts and reports to establish a surplus real estate special revenue fund in the state treasury. Subject to the provisions of appropriation acts, moneys in a surplus real estate special revenue fund may be expended for the operating expenditures of the state agency.

(g) Any sale of property by the secretary of transportation pursuant to K.S.A. 68-413, and amendments thereto, shall not be subject to the provisions of this section. The House accedes to all Senate amendments to the bill, and your committee on conference further agrees to amend the bill as printed as Senate Substitute for House Bill No. 2071, as follows:

On page 1, by striking all in lines 6 through 36;

By striking all on pages 2 through 4;

On page 5, by striking all in lines 1 through 29 and inserting "New Section 1. (a) Whenever a person civilly committed pursuant to K.S.A. 59-29a01 et seq., and amendments thereto, files a petition pursuant to K.S.A. 60-1501 et seq., and amendments thereto, relating to such commitment, the costs incurred, including, but not limited to, costs of appointed counsel fees and expenses, witness fees and expenses, expert fees and expenses, and other expenses related to the prosecution and defense of such petition shall be taxed to the county responsible for the costs. Any district court receiving a statement of costs from another district court shall forthwith approve the same for payment out of the general fund of its county except that it may refuse to approve the same for payment only on the ground that it is not the county responsible for the costs. If the claim for costs is not paid within 120 days, an action may be maintained thereon by the claimant county in the district court of the claimant county against the debtor county."
(b) The county responsible for the costs incurred pursuant to subsection (a) shall be reimbursed for such costs by the office of the attorney general from the sexually violent predator expense fund. The attorney general shall develop and implement a procedure to provide such reimbursements. If there are no moneys available in such fund to pay any such reimbursements, the county may file a claim against the state pursuant to article 9 of chapter 46, of the Kansas Statutes Annotated, and amendments thereto.

(c) As used in this section, “county responsible for the costs” means the county where the person was determined to be a sexually violent predator pursuant to K.S.A. 59-29a01 et seq., and amendments thereto.

Sec. 2. K.S.A. 2010 Supp. 59-29a04a is hereby amended to read as follows: 59-29a04a. (a) There is hereby created in the state treasury the sexually violent predator expense fund which shall be administered by the attorney general. All moneys credited to such fund shall be used to reimburse counties under:

(1) K.S.A. 59-29a04, and amendments thereto, responsible for the costs related to determining whether a person may be a sexually violent predator; and

(2) section 1, and amendments thereto, for the costs related to a person filing a petition pursuant to K.S.A. 60-1501 et seq., and amendments thereto, relating to the civil commitment pursuant to K.S.A. 59-29a01 et seq., and amendments thereto.

(b) All expenditures from the sexually violent predator expense fund shall be made in accordance with appropriation acts upon warrants of the director of accounts and reports issued pursuant to vouchers approved by the attorney general or the attorney general's designee.

Sec. 3. K.S.A. 59-29a06 is hereby amended to read as follows: 59-29a06. (a) Within 60 days after the completion of any hearing held pursuant to K.S.A. 59-29a05, and amendments thereto, the court shall conduct a trial to determine whether the person is a sexually violent predator. The trial may be continued upon the request of either party and a showing of good cause, or by the court on its own motion in the due administration of justice, and when the respondent will not be substantially prejudiced.

(b) At all stages of the proceedings under K.S.A. 59-29a01 et seq., and amendments thereto, any person subject to K.S.A. 59-29a01 et seq., and amendments thereto, shall be entitled to the assistance of counsel, and if the person is indigent, the court shall appoint counsel to assist such person. Whenever any person is subjected to an examination under K.S.A. 59-29a01 et seq., and amendments thereto, such person may retain experts or professional persons to perform an examination of such person's behalf. When the person wishes to be examined by a qualified expert or professional person of such person's own choice, such examiner shall be permitted to have reasonable access to the person for the purpose of such examination, as well as to all relevant medical and psychological records and reports. In the case of a person who is indigent, the court, upon the person's request, shall determine whether the services are necessary and reasonable compensation for such services. If the court determines that the services are necessary and the expert or professional person's requested compensation for such services is reasonable, the court shall assist the person in obtaining an expert or professional person to perform an examination or participate in the trial on the person's behalf. The court shall approve payment for such services upon the filing of a certified claim for compensation supported by a written statement specifying the time expended, services rendered, expenses incurred on behalf of the
person and compensation received in the same case or for the same services from any other source.

(c) Notwithstanding K.S.A. 60-456, and amendments thereto, at any trial conducted under K.S.A. 59-29a01 et seq., and amendments thereto, the parties shall be permitted to call expert witnesses. The facts or data in the particular case upon which an expert bases an opinion or inference may be those perceived by or made known to the expert at or before the hearing. If the facts or data are of a type reasonably relied upon by experts in the particular field in forming opinions or inferences upon the subject, such facts and data need not be admissible in evidence in order for the opinion or inference to be admitted.

(d) The person, the attorney general, or the judge shall have the right to demand that the trial be before a jury. Such demand for the trial to be before a jury shall be filed, in writing, at least four days prior to trial. Number and selection of jurors shall be determined as provided in K.S.A. 22-3403, and amendments thereto. If no demand is made, the trial shall be before the court.

(e) A jury shall consist of 12 jurors unless the parties agree in writing with the approval of the court that the jury shall consist of any number of jurors less than 12 jurors. The person and the attorney general shall each have eight peremptory challenges, or in the case of a jury of less than 12 jurors, a proportionally equal number of peremptory challenges.

(f) The provisions of this section are not jurisdictional, and failure to comply with such provisions in no way prevents the attorney general from proceeding against a person otherwise subject to the provision of K.S.A. 59-29a01 et seq., and amendments thereto.

Sec. 4 K.S.A. 59-29a06 and K.S.A. 2010 Supp. 59-29a04a are hereby repealed.

Prayer by Chaplain Brubaker:

Our Heavenly Father,
As we draw nearer to what we hope is the end of this session,
we are not getting closer to finishing.
We see a light at the end of the tunnel,
but fear it is a train coming our way.
Teach us to listen and apply Your Word:
“Consider it pure joy…
because you know that the testing
of your faith develops perseverance.
Perseverance must finish its work
so that you may be mature and complete,
not lacking anything.”
(James 1:4-5)
Your Word also tells us that You will not place upon us
that which is beyond what we can endure.
(I Corinthians 10:13 paraphrased)
Some of us may be surprised just how
endurable we are these days!
Give us Your grace and help us
to be patient, persevering and enduring.
In Christ’s Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Tietze.

Sec. 2. K.S.A. 2010 Supp. 12-4509 is hereby amended to read as follows: 12-4509.
(a) Whenever a person is found guilty of the violation of an ordinance, the municipal
judge may:
(1) Release the person without imposition of sentence;
(2) release the person on probation after the imposition of sentence, without
imprisonment or the payment of a fine or a portion thereof, subject to conditions
imposed by the court as provided in subsection (e); or
(3) impose such sentence of fine or imprisonment, or both, as
authorized for the
ordinance violation; or
(4) impose a sentence of house arrest as provided in section 249 of chapter 136 of
the 2010 Session Laws of Kansas, and amendments thereto.
(b) In addition to or in lieu of any other sentence authorized by law, whenever a
person is found guilty of the violation of an ordinance and there is evidence that the act
constituting the violation of the ordinance was substantially related to the possession,
use or ingestion of cereal malt beverage or alcoholic liquor by such person, the judge
may order such person to attend and satisfactorily complete an alcohol or drug
education or training program certified by the chief judge of the judicial district or
licensed by the secretary of social and rehabilitation services.
(c) Except as provided in subsection (d), in addition to or in lieu of any other
sentence authorized by law, whenever a person is convicted of having violated, while
under 21 years of age, an ordinance prohibiting an act prohibited by K.S.A. 2010 Supp.
21-36a01 through 21-36a17, and amendments thereto, or K.S.A. 8-1599, 41-719 or 41-
727, and amendments thereto, the municipal judge shall order such person to submit to
and complete an alcohol and drug evaluation by a community-based alcohol and drug
safety action program certified pursuant to K.S.A. 8-1008, and amendments thereto, and
to pay a fee not to exceed the fee established by that statute for such evaluation. If the
judge finds that the person is indigent, the fee may be waived.
(d) If the person is 18 or more years of age but less than 21 years of age and is
convicted of a violation of K.S.A. 41-727, and amendments thereto, involving cereal
malt beverage, the provisions of subsection (c) are permissive and not mandatory.
(e) The court may impose any conditions of probation or suspension of sentence
that the court deems proper, including, but not limited to, requiring that the defendant:

(1) Avoid such injurious or vicious habits, as directed by the court or the probation officer;

(2) avoid such persons or places of disreputable or harmful character, as directed by the court or the probation officer;

(3) report to the probation officer as directed;

(4) permit the probation officer to visit the defendant at home or elsewhere;

(5) work faithfully at suitable employment insofar as possible;

(6) remain within the state unless the court grants permission to leave;

(7) pay a fine or costs, applicable to the ordinance violation, in one or several sums and in the manner as directed by the court;

(8) support the defendant's dependents;

(10) perform community or public service work for local governmental agencies, private corporations organized not for profit, or charitable or social service organizations performing services for the community;

(11) perform services under a system of day fines whereby the defendant is required to satisfy fines, costs or reparation or restitution obligations by performing services for a period of days determined by the court on the basis of ability to pay, standard of living, support obligations and other factors;

(12) make reparation or restitution to the aggrieved party for the damage or loss caused by the defendant's crime, in an amount and manner determined by the court and to the person specified by the court; or

(13) reimburse the city, in accordance with any order made under subsection (f), for all or a part of the reasonable expenditures by the city to provide counsel and other defense services to the defendant.

(f) In addition to or in lieu of any other sentence authorized by law, whenever a person is found guilty of the violation of an ordinance the judge may order such person to reimburse the city for all or a part of the reasonable expenditures by the city to provide counsel and other defense services to the defendant. In determining the amount and method of payment of such sum, the court shall take account of the financial resources of the defendant and the nature of the burden that payment of such sum will impose. A defendant who has been required to pay such sum and who is not willfully in default in the payment thereof may at any time petition the court which sentenced the defendant to waive payment of such sum or of any unpaid portion thereof. If it appears to the satisfaction of the court that payment of the amount due will impose manifest hardship on the defendant or the defendant's immediate family, the court may waive payment of all or part of the amount due or modify the method of payment.

(1) Any person charged with a crime shall, at the person's first appearance before a magistrate, be ordered released pending preliminary examination or trial upon the execution of an appearance bond in an amount specified by the magistrate and sufficient to assure the appearance of such person before the magistrate when ordered and to assure the public safety. The magistrate may impose such of the following additional conditions of release as will reasonably assure the appearance of the person for preliminary examination or trial:
(a) Place the person in the custody of a designated person or organization agreeing to supervise such person;
(b) place restrictions on the travel, association or place of abode of the person during the period of release;"
(c) impose any other condition deemed reasonably necessary to assure appearance as required, including a condition requiring that the person return to custody during specified hours;
(d) place the person under a home arrest program pursuant to section 249 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto; or

The magistrate may also order the person to pay for all other costs associated with the supervision and conditions for compliance in addition to the $15 per week.

(2) In addition to any conditions of release provided in subsection (1), for any person charged with a felony, the magistrate may order such person to submit to a drug and alcohol abuse examination and evaluation in a public or private treatment facility or state institution and, if determined by the head of such facility or institution that such person is a drug or alcohol abuser or is incapacitated by drugs or alcohol, to submit to treatment for such drug or alcohol abuse, as a condition of release.

(3) The appearance bond shall be executed with sufficient solvent sureties who are residents of the state of Kansas, unless the magistrate determines, in the exercise of such magistrate's discretion, that requiring sureties is not necessary to assure the appearance of the person at the time ordered.

(4) A deposit of cash in the amount of the bond may be made in lieu of the execution of the bond pursuant to paragraph subsection (3). Except as provided in paragraph subsection (5), such deposit shall be in the full amount of the bond and in no event shall a deposit of cash in less than the full amount of bond be permitted. Any person charged with a crime who is released on a cash bond shall be entitled to a refund of all moneys paid for the cash bond, after deduction of any outstanding restitution, costs, fines and fees, after the final disposition of the criminal case if the person complies with all requirements to appear in court. When the appearance bond has been set at $2,500 or less and the most serious charge against the person is a misdemeanor, a severity level 8, 9 or 10 nonperson felony, a drug severity level 4 felony or a violation of K.S.A. 8-1567, and amendments thereto, the magistrate may allow the person to deposit cash with the clerk in the amount of 10% of the bond, provided the person meets at least the following qualifications:

(E) has not been extradited from, and is not awaiting extradition to, another state; and
(F) has not been detained for an alleged violation of probation.

(6) In the discretion of the court, a person charged with a crime may be released
upon the person's own recognizance by guaranteeing payment of the amount of the bond for the person's failure to comply with all requirements to appear in court. The release of a person charged with a crime upon the person's own recognizance shall not require the deposit of any cash by the person.

(7) The court shall not impose any administrative fee.

(8) In determining which conditions of release will reasonably assure appearance and the public safety, the magistrate shall, on the basis of available information, take into account the nature and circumstances of the crime charged; the weight of the evidence against the defendant; whether the defendant is lawfully present in the United States; the defendant's family ties, employment, financial resources, character, mental condition, length of residence in the community, record of convictions, record of appearance or failure to appear at court proceedings or of flight to avoid prosecution; the likelihood or propensity of the defendant to commit crimes while on release, including whether the defendant will be likely to threaten, harass or cause injury to the victim of the crime or any witnesses thereto; and whether the defendant is on probation or parole from a previous offense at the time of the alleged commission of the subsequent offense.

(9) The appearance bond shall set forth all of the conditions of release.

(10) A person for whom conditions of release are imposed and who continues to be detained as a result of the person's inability to meet the conditions of release shall be entitled, upon application, to have the conditions reviewed without unnecessary delay by the magistrate who imposed them. If the magistrate who imposed conditions of release is not available, any other magistrate in the county may review such conditions.

(11) A magistrate ordering the release of a person on any conditions specified in this section may at any time amend the order to impose additional or different conditions of release. If the imposition of additional or different conditions results in the detention of the person, the provisions of subsection (10) shall apply.

(12) Statements or information offered in determining the conditions of release need not conform to the rules of evidence. No statement or admission of the defendant made at such a proceeding shall be received as evidence in any subsequent proceeding against the defendant.

(13) The appearance bond and any security required as a condition of the defendant's release shall be deposited in the office of the magistrate or the clerk of the court where the release is ordered. If the defendant is bound to appear before a magistrate or court other than the one ordering the release, the order of release, together with the bond and security shall be transmitted to the magistrate or clerk of the court before whom the defendant is bound to appear.

(14) Proceedings before a magistrate as provided in this section to determine the release conditions of a person charged with a crime including release upon execution of an appearance bond may be conducted by two-way electronic audio-video communication between the defendant and the judge in lieu of personal presence of the defendant or defendant's counsel in the courtroom in the discretion of the court. The defendant may be accompanied by the defendant's counsel. The defendant shall be informed of the defendant's right to be personally present in the courtroom during such proceeding if the defendant so requests. Exercising the right to be present shall in no way prejudice the defendant.

(15) The magistrate may order the person to pay for any costs associated with the
supervision of the conditions of release of the appearance bond in an amount not to exceed $15 per week of such supervision. As a condition of sentencing under section 244 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto, the court may impose the full amount of any such costs in addition to the $15 per week, including, but not limited to, costs for treatment and evaluation under subsection (2).

(6) assign the defendant to a house arrest program pursuant to section 249 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto;

(7) order the defendant to attend and satisfactorily complete an alcohol or drug education or training program as provided by subsection (c) of section 242 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto;

(8) order the defendant to repay the amount of any reward paid by any crime stoppers chapter, individual, corporation or public entity which materially aided in the apprehension or conviction of the defendant; repay the amount of any costs and expenses incurred by any law enforcement agency in the apprehension of the defendant, if one of the current crimes of conviction of the defendant includes escape from custody or aggravated escape from custody, as defined in section 136 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto; repay expenses incurred by a fire district, fire department or fire company responding to a fire which has been determined to be arson or aggravated arson as defined in section 98 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto, if the defendant is convicted of such crime; repay the amount of any public funds utilized by a law enforcement agency to purchase controlled substances from the defendant during the investigation which leads to the defendant's conviction; or repay the amount of any medical costs and expenses incurred by any law enforcement agency or county. Such repayment of the amount of any such costs and expenses incurred by a county, law enforcement agency, fire district, fire department or fire company or any public funds utilized by a law enforcement agency shall be deposited and credited to the same fund from which the public funds were credited to prior to use by the county, law enforcement agency, fire district, fire department or fire company;

(9) order the defendant to pay the administrative fee authorized by K.S.A. 22-4529, and amendments thereto, unless waived by the court;
(10) order the defendant to pay a domestic violence special program fee authorized by K.S.A. 20-369, and amendments thereto;

(11) if the defendant is convicted of a misdemeanor or convicted of a felony specified in subsection (i) of section 285 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto, assign the defendant to work release program, other than a program at a correctional institution under the control of the secretary of corrections as defined in K.S.A. 75-5202, and amendments thereto, provided such work release program requires such defendant to return to confinement at the end of each day in the work release program. On a second conviction of K.S.A. 8-1567, and amendments thereto, an offender placed into a work release program must serve a total of 120 hours of confinement. Such 120 hours of confinement shall be a period of at least 48 consecutive hours of imprisonment followed by confinement hours at the end of and continuing to the beginning of the offender’s work day. On a third or subsequent conviction of K.S.A. 8-1567, and amendments thereto, an offender placed into a work release program must serve a total of 240 hours of confinement. Such 240 hours of confinement shall be a period of at least 48 consecutive hours of imprisonment followed by confinement hours at the end of and continuing to the beginning of the offender’s work day;

(12) order the defendant to pay the full amount of unpaid costs associated with the conditions of release of the appearance bond under K.S.A. 22-2802, and amendments thereto;

(13) impose any appropriate combination of (1), (2), (3), (4), (5), (6), (7), (8), (9), (10), and (11) and (12); or

(14) suspend imposition of sentence in misdemeanor cases.

(b) (1) In addition to or in lieu of any of the above, the court shall order the defendant to pay restitution, which shall include, but not be limited to, damage or loss caused by the defendant's crime, unless the court finds compelling circumstances which would render a plan of restitution unworkable. In regard to a violation of section 177 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto, such damage or loss shall include, but not be limited to, attorney fees and costs incurred to repair the credit history or rating of the person whose personal identification documents were obtained and used in violation of such section, and to satisfy a debt, lien or other obligation incurred by the person whose personal identification documents were obtained and used in violation of such section. If the court finds a plan of restitution unworkable, the court shall state on the record in detail the reasons therefor.

(2) If the court orders restitution, the restitution shall be a judgment against the defendant which may be collected by the court by garnishment or other execution as on judgments in civil cases. If, after 60 days from the date restitution is ordered by the court, a defendant is found to be in noncompliance with the plan established by the court for payment of restitution, and the victim to whom restitution is ordered paid has not initiated proceedings in accordance with K.S.A. 60-4301 et seq., and amendments thereto, the court shall assign an agent procured by the attorney general pursuant to K.S.A. 75-719, and amendments thereto, to collect the restitution on behalf of the victim. The chief judge of each judicial district may assign such cases to an appropriate division of the court for the conduct of civil collection proceedings.

(c) In addition to or in lieu of any of the above, the court shall order the defendant to submit to and complete an alcohol and drug evaluation, and pay a fee therefor, when
required by subsection (d) of section 242 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto.

(d) In addition to any of the above, the court shall order the defendant to reimburse the county general fund for all or a part of the expenditures by the county to provide counsel and other defense services to the defendant. Any such reimbursement to the county shall be paid only after any order for restitution has been paid in full. In determining the amount and method of payment of such sum, the court shall take account of the financial resources of the defendant and the nature of the burden that payment of such sum will impose. A defendant who has been required to pay such sum and who is not willfully in default in the payment thereof may at any time petition the court which sentenced the defendant to waive payment of such sum or any unpaid portion thereof. If it appears to the satisfaction of the court that payment of the amount due will impose manifest hardship on the defendant or the defendant's immediate family, the court may waive payment of all or part of the amount due or modify the method of payment.

(e) In imposing a fine the court may authorize the payment thereof in installments. In releasing a defendant on probation, the court shall direct that the defendant be under the supervision of a court services officer. If the court commits the defendant to the custody of the secretary of corrections or to jail, the court may specify in its order the amount of restitution to be paid and the person to whom it shall be paid if restitution is later ordered as a condition of parole, conditional release or postrelease supervision.

(f) (1) When a new felony is committed while the offender is incarcerated and serving a sentence for a felony, or while the offender is on probation, assignment to a community correctional services program, parole, conditional release or postrelease supervision for a felony, a new sentence shall be imposed pursuant to the consecutive sentencing requirements of section 246 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto, and the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(2) When a new felony is committed while the offender is incarcerated in a juvenile correctional facility pursuant to K.S.A. 38-1671, prior to its repeal, or K.S.A. 2010 Supp. 38-2373, and amendments thereto, for an offense, which if committed by an adult would constitute the commission of a felony, upon conviction, the court shall sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure. The conviction shall operate as a full and complete discharge from any obligations, except for an order of restitution, imposed on the offender arising from the offense for which the offender was committed to a juvenile correctional facility.

(3) When a new felony is committed while the offender is on release for a felony pursuant to the provisions of article 28 of chapter 22 of the Kansas Statutes Annotated, and amendments thereto, or similar provisions of the laws of another jurisdiction, a new sentence may be imposed pursuant to the consecutive sentencing requirements of section 246 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto, and the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison
sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(g) Prior to imposing a dispositional departure for a defendant whose offense is classified in the presumptive nonprison grid block of either sentencing guideline grid, prior to sentencing a defendant to incarceration whose offense is classified in grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes or in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes, prior to sentencing a defendant to incarceration whose offense is classified in grid blocks 4-E or 4-F of the sentencing guideline grid for drug crimes and whose offense does not meet the requirements of section 305 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto, prior to revocation of a nonprison sanction of a defendant whose offense is classified in grid blocks 4-E or 4-F of the sentencing guideline grid for drug crimes and whose offense does not meet the requirements of section 305 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto, or prior to revocation of a nonprison sanction of a defendant whose offense is classified in the presumptive nonprison grid block of either sentencing guideline grid or grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes or in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes, the court shall consider placement of the defendant in the Labette correctional conservation camp, conservation camps established by the secretary of corrections pursuant to K.S.A. 75-52,127, and amendment thereto, or a community intermediate sanction center. Pursuant to this paragraph the defendant shall not be sentenced to imprisonment if space is available in a conservation camp or a community intermediate sanction center and the defendant meets all of the conservation camp's or a community intermediate sanction center's placement criteria unless the court states on the record the reasons for not placing the defendant in a conservation camp or a community intermediate sanction center.

(h) The court in committing a defendant to the custody of the secretary of corrections shall fix a term of confinement within the limits provided by law. In those cases where the law does not fix a term of confinement for the crime for which the defendant was convicted, the court shall fix the term of such confinement.

(i) In addition to any of the above, the court shall order the defendant to reimburse the state general fund for all or a part of the expenditures by the state board of indigents' defense services to provide counsel and other defense services to the defendant. In determining the amount and method of payment of such sum, the court shall take account of the financial resources of the defendant and the nature of the burden that payment of such sum will impose. A defendant who has been required to pay such sum and who is not willfully in default in the payment thereof may at any time petition the court which sentenced the defendant to waive payment of such sum or any unpaid portion thereof. If it appears to the satisfaction of the court that payment of the amount due will impose manifest hardship on the defendant or the defendant's immediate family, the court may waive payment of all or part of the amount due or modify the method of payment. The amount of attorney fees to be included in the court order for reimbursement shall be the amount claimed by appointed counsel on the payment voucher for indigents' defense services or the amount prescribed by the board of indigents' defense services reimbursement tables as provided in K.S.A. 22-4522, and amendments thereto, whichever is less.

(j) This section shall not deprive the court of any authority conferred by any other
Kansas statute to decree a forfeiture of property, suspend or cancel a license, remove a person from office or impose any other civil penalty as a result of conviction of crime.

(k) An application for or acceptance of probation or assignment to a community correctional services program shall not constitute an acquiescence in the judgment for purpose of appeal, and any convicted person may appeal from such conviction, as provided by law, without regard to whether such person has applied for probation, suspended sentence or assignment to a community correctional services program.

(l) The secretary of corrections is authorized to make direct placement to the Labette correctional conservation camp or a conservation camp established by the secretary pursuant to K.S.A. 75-52,127, and amendments thereto, of an inmate sentenced to the secretary's custody if the inmate:

(1) Has been sentenced to the secretary for a probation revocation, as a departure from the presumptive nonimprisonment grid block of either sentencing grid, for an offense which is classified in grid blocks 5-H, 5-I, or 6-G of the sentencing guidelines grid for nondrug crimes or in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes, or for an offense which is classified in grid blocks 4-E or 4-F of the sentencing guidelines grid for drug crimes and such offense does not meet the requirements of section 305 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto; and

(2) otherwise meets admission criteria of the camp.

If the inmate successfully completes a conservation camp program, the secretary of corrections shall report such completion to the sentencing court and the county or district attorney. The inmate shall then be assigned by the court to six months of follow-up supervision conducted by the appropriate community corrections services program. The court may also order that supervision continue thereafter for the length of time authorized by section 248 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto.

(m) When it is provided by law that a person shall be sentenced pursuant to K.S.A. 1993 Supp. 21-4628, prior to its repeal, the provisions of this section shall not apply.

(n) Except as provided by subsection (f) of section 286 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto, in addition to any of the above, for felony violations of K.S.A. 2010 Supp. 21-36a06, and amendments thereto, the court shall require the defendant who meets the requirements established in section 305 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto, to participate in a certified drug abuse treatment program, as provided in K.S.A. 2010 Supp. 75-52,144, and amendments thereto, including, but not limited to, an approved after-care plan. If the defendant fails to participate in or has a pattern of intentional conduct that demonstrates the offender's refusal to comply with or participate in the treatment program, as established by judicial finding, the defendant shall be subject to revocation of probation and the defendant shall serve the underlying prison sentence as established in section 286 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto. For those offenders who are convicted on or after July 1, 2003, upon completion of the underlying prison sentence, the defendant shall not be subject to a period of postrelease supervision. The amount of time spent participating in such program shall not be credited as service on the underlying prison sentence.

(o) (1) Except as provided in paragraph (3), in addition to any other penalty or disposition imposed by law, upon a conviction for unlawful possession of a controlled
substance or controlled substance analog in violation of K.S.A. 2010 Supp. 21-36a06, and amendments thereto, in which the trier of fact makes a finding that the unlawful possession occurred while transporting the controlled substance or controlled substance analog in any vehicle upon a highway or street, the offender's driver's license or privilege to operate a motor vehicle on the streets and highways of this state shall be suspended for one year.

(2) Upon suspension of a license pursuant to this subsection, the court shall require the person to surrender the license to the court, which shall transmit the license to the division of motor vehicles of the department of revenue, to be retained until the period of suspension expires. At that time, the licensee may apply to the division for return of the license. If the license has expired, the person may apply for a new license, which shall be issued promptly upon payment of the proper fee and satisfaction of other conditions established by law for obtaining a license unless another suspension or revocation of the person's privilege to operate a motor vehicle is in effect.

(3) (A) In lieu of suspending the driver's license or privilege to operate a motor vehicle on the highways of this state of any person as provided in paragraph (1), the judge of the court in which such person was convicted may enter an order which places conditions on such person's privilege of operating a motor vehicle on the highways of this state, a certified copy of which such person shall be required to carry any time such person is operating a motor vehicle on the highways of this state. Any such order shall prescribe the duration of the conditions imposed, which in no event shall be for a period of more than one year.

(B) Upon entering an order restricting a person's license hereunder, the judge shall require such person to surrender such person's driver's license to the judge who shall cause it to be transmitted to the division of vehicles, together with a copy of the order. Upon receipt thereof, the division of vehicles shall issue without charge a driver's license which shall indicate on its face that conditions have been imposed on such person's privilege of operating a motor vehicle and that a certified copy of the order imposing such conditions is required to be carried by the person for whom the license was issued any time such person is operating a motor vehicle on the highways of this state. If the person convicted is a nonresident, the judge shall cause a copy of the order to be transmitted to the division and the division shall forward a copy of it to the motor vehicle administrator, of such person's state of residence. Such judge shall furnish to any person whose driver's license has had conditions imposed on it under this paragraph a copy of the order, which shall be recognized as a valid Kansas driver's license until such time as the division shall issue the restricted license provided for in this paragraph.

(C) Upon expiration of the period of time for which conditions are imposed pursuant to this subsection, the licensee may apply to the division for the return of the license previously surrendered by such licensee. In the event such license has expired, such person may apply to the division for a new license, which shall be issued immediately by the division upon payment of the proper fee and satisfaction of the other conditions established by law, unless such person's privilege to operate a motor vehicle on the highways of this state has been suspended or revoked prior thereto. If any person shall violate any of the conditions imposed under this paragraph, such person's driver's license or privilege to operate a motor vehicle on the highways of this state shall be revoked for a period of not less than 60 days nor more than one year by the judge of the court in which such person is convicted of violating such conditions.
(4) As used in this subsection, "highway" and "street" means the same as in K.S.A. 8-1424 and 8-1473, and amendments thereto.

(p) In addition to any of the above, for any criminal offense that includes the domestic violence designation pursuant to section 1 of chapter 101 of the 2010 Session Laws of Kansas, and amendments thereto, the court shall require the defendant to undergo a domestic violence offender assessment and follow all recommendations unless otherwise ordered by the court or the department of corrections. The court may order a domestic violence offender assessment and any other evaluation prior to sentencing if the assessment or evaluation would assist the court in determining an appropriate sentence. The entity completing the assessment or evaluation shall provide the assessment or evaluation and recommendations to the court and the court shall provide the domestic violence assessment and any other evaluation to any entity responsible for supervising such defendant. A defendant ordered to undergo a domestic violence offender assessment shall be required to pay for the assessment and, unless otherwise ordered by the court or the department of corrections, for completion of all recommendations.

(q) In imposing a fine, the court may authorize the payment thereof in installments. In lieu of payment of any fine imposed, the court may order that the person perform community service specified by the court. The person shall receive a credit on the fine imposed in an amount equal to $5 for each full hour spent by the person in the specified community service. The community service ordered by the court shall be required to be performed by the later of one year after the fine is imposed or one year after release from imprisonment or jail, or by an earlier date specified by the court. If by the required date the person performs an insufficient amount of community service to reduce to zero the portion of the fine required to be paid by the person, the remaining balance shall become due on that date. If conditional reduction of any fine is rescinded by the court for any reason, then pursuant to the court's order the person may be ordered to perform community service by one year after the date of such recission or by an earlier date specified by the court. If by the required date the person performs an insufficient amount of community service to reduce to zero the portion of the fine required to be paid by the person, the remaining balance of the fine shall become due on that date. All credits for community service shall be subject to review and approval by the court.

Sec. 19. Section 249 of chapter 136 of the 2010 Session Laws of Kansas is hereby amended to read as follows: Sec. 249. (a) The court or the secretary of corrections may implement a house arrest program for defendants or inmates being sentenced by the court or in the custody of the secretary of corrections as a sanction for offenders who have failed to comply with the conditions of probation, parole or postrelease supervision, except:

(A) Any crime designated as a class A or B felony in article 34 or 35 of the Kansas Statutes Annotated, prior to their repeal;

(B) subsection (b) of section 81 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto; or

(C) section 79 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto;

(D) any off-grid felony; or

(E) any nondrug crime ranked in severity levels 1 through 5 or any felony ranked in
severity levels 1 through 3 of the drug grid, unless the offender has been sentenced to probation:

(2) no inmate shall be placed under house arrest if such inmate's security status is greater than minimum security; or
(3) no inmate shall be placed under house arrest who has been denied parole by the parole board within the last 6 months. Any inmate who, while participating in the house arrest program, is denied parole by the parole board shall be allowed to remain under house arrest until the completion of the sentence or until the inmate is otherwise removed from the program.

(b) Prior to the placement of an inmate under house arrest, the court or secretary or house arrest staff shall provide written notification to the sheriff and district or county attorney of the county in which any person under house arrest is to be placed and to the chief law enforcement officer of any incorporated city or town in which such person is to be placed of the placement of the person under house arrest within the county or incorporated city or town.

(c) House arrest sanctions shall be administered by the court and the secretary of corrections, respectively, through rules and regulations, and may include, but are not limited to, rehabilitative restitution in money or in kind, curfew, revocation or suspension of the driver's license, community service, deprivation of nonessential activities or privileges, or other appropriate restraints on the inmate's liberty.

(d) Upon placement in a house arrest program, the court, secretary or house arrest staff shall inform the offender, and any other people residing with such offender, of the nature and extent of such house arrest monitoring, and shall obtain the written agreement of such offender to comply with all requirements of the program.

(e) The offender shall remain within the property boundaries of the offender's residence at all times during the term of house arrest, except as provided under the house arrest agreement with such offender.

(f) The offender shall allow any law enforcement officer, community corrections officer, court services officer or duly authorized agent of the department of corrections, to enter such offender's residence at any time to verify the offender's compliance with the conditions of the house release.

(g) As a condition of house arrest, the court or secretary may require an offender placed under house arrest to pay any supervision costs associated with the house arrest program.

(h) The offender shall consent to be monitored by:
(1) An electronic monitoring device on such offender's person;
(2) an electronic monitoring device in such offender's home;
(3) a remote blood alcohol monitoring device;
(4) a home telephone verification procedure;
(5) radio frequency devices; or
(6) any combination of monitoring methods as the court, secretary or house arrest staff finds necessary.

(i) The secretary or the court may contract for independent monitoring services. Such independent monitoring service shall be able to provide monitoring 24 hours a day, every day of the year, and any other services as determined by the secretary or the court.

(j) An offender violating the provisions of K.S.A. 8-1567, and amendments thereto,
if placed under house arrest, shall be monitored by an electronic monitoring device, which verifies the offender’s location. On a second conviction of K.S.A. 8-1567, and amendments thereto, an offender placed under house arrest shall serve a total of 120 hours of confinement within the boundaries of the offender’s residence. Any exceptions to remaining within the boundaries of the offender’s residence provided for in the house arrest agreement shall not be counted as part of the 120 hours. On a third or subsequent conviction of K.S.A. 8-1567, and amendments thereto, an offender placed under house arrest shall serve a total of 240 hours of confinement within the boundaries of the offender’s residence. Any exceptions to remaining within the boundaries of the offender’s residence provided for in the house arrest agreement shall not be counted as part of the 240 hours.

(k) As used in this section:

(1) "House arrest staff" means an independent contractor or government entity, and agents thereof, utilized by the secretary or court to administer the provisions of a house arrest program;

(2) "Electronic monitoring device" means:

(A) An active or passive global positioning system-enabled device capable of recording and transmitting an offender's location at all times or at designated intervals. Such monitoring device may record or transmit sound, visual images or other information regarding such offender's location, via wireless communication; or

(B) A radio frequency device capable of monitoring an offender's location;

(3) "Remote alcohol monitoring device" means a device capable of monitoring an offender's blood alcohol content via micro fuel cell or deep lung tissue sample. Such monitoring devices shall be of comparable accuracy to roadside breath alcohol testing devices utilized by law enforcement, and shall have wireless or landline telephone transmission capabilities. Such device may be used in conjunction with an alcohol and drug-sensing bracelet to monitor such offender's compliance with the terms of house arrest.

The clerk of the court shall send a certified copy of the order of expungement to the Kansas bureau of investigation which shall notify the federal bureau of investigation, the secretary of corrections and any other criminal justice agency which may have a record of the arrest, conviction or diversion. After the order of expungement is entered, the petitioner shall be treated as not having been arrested, convicted or diverted of the crime, except that:

(1) Upon conviction for any subsequent crime, the conviction that was expunged may be considered as a prior conviction in determining the sentence to be imposed;
(2) the petitioner shall disclose that the arrest, conviction or diversion occurred if asked about previous arrests, convictions or diversions:
(A) In any application for licensure as a private detective, private detective agency, certification as a firearms trainer pursuant to K.S.A. 2010 Supp. 75-7b21, and amendments thereto, or employment as a detective with a private detective agency, as defined by K.S.A. 75-7b01, and amendments thereto; as security personnel with a private patrol operator, as defined by K.S.A. 75-7b01, and amendments thereto; or with an institution, as defined in K.S.A. 76-12a01, and amendments thereto, of the department of social and rehabilitation services;

(E) to aid in determining the petitioner's qualifications for the following under the Kansas expanded lottery act: (i) Lottery gaming facility manager or prospective manager, racetrack gaming facility manager or prospective manager, licensee or certificate holder; or (ii) an officer, director, employee, owner, agent or contractor thereof;

(F) upon application for a commercial driver's license under K.S.A. 8-2,125 through 8-2,142, and amendments thereto;

(b) Sentences expressed in the sentencing guidelines grid for nondrug crimes represent months of imprisonment.

(c) The sentencing guidelines grid is a two-dimensional crime severity and criminal history classification tool. The grid's vertical axis is the crime severity scale which classifies current crimes of conviction. The grid's horizontal axis is the criminal history scale which classifies criminal histories.

(d) The sentencing guidelines grid for nondrug crimes as provided in this section defines presumptive punishments for felony convictions, subject to the sentencing court's discretion to enter a departure sentence. The appropriate punishment for a felony conviction should depend on the severity of the crime of conviction when compared to all other crimes and the offender's criminal history.

(e) (1) The sentencing court has discretion to sentence at any place within the sentencing range. In the usual case it is recommended that the sentencing judge select the center of the range and reserve the upper and lower limits for aggravating and mitigating factors insufficient to warrant a departure.

(2) In presumptive imprisonment cases, the sentencing court shall pronounce the complete sentence which shall include the:
   (A) Prison sentence;
   (B) maximum potential reduction to such sentence as a result of good time; and
   (C) period of postrelease supervision at the sentencing hearing. Failure to pronounce the period of postrelease supervision shall not negate the existence of such period of postrelease supervision.

(3) In presumptive nonprison cases, the sentencing court shall pronounce the:
   (A) Prison sentence; and
   (B) duration of the nonprison sanction at the sentencing hearing.

(f) Each grid block states the presumptive sentencing range for an offender whose crime of conviction and criminal history place such offender in that grid block. If an offense is classified in a grid block below the dispositional line, the presumptive disposition shall be nonimprisonment. If an offense is classified in a grid block above the dispositional line, the presumptive disposition shall be imprisonment. If an offense is classified in grid blocks 5-H, 5-I or 6-G, the court may impose an optional nonprison sentence as provided in subsection (q).

(g) The sentence for a violation of K.S.A. 21-3415, prior to its repeal, aggravated battery against a law enforcement officer committed prior to July 1, 2006, or a violation of subsection (d) of section 47 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto, aggravated assault against a law enforcement officer, which places the defendant's sentence in grid block 6-H or 6-I shall be presumed imprisonment. The court may impose an optional nonprison sentence as provided in subsection (q).

(h) When a firearm is used to commit any person felony, the offender's sentence shall be presumed imprisonment. The court may impose an optional nonprison sentence as provided in subsection (q).

(i) (l) The sentence for the violation of the felony provision of K.S.A. 8-1567, subsection (b)(3) of section 49 of chapter 136 of the 2010 Session Laws of Kansas, subsections (b)(3) and (b)(4) of section 109 of chapter 136 of the 2010 Session Laws of Kansas, section 223 of chapter 136 of the 2010 Session Laws of Kansas and section 227 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto, shall be as provided by the specific mandatory sentencing requirements of that section and shall
not be subject to the provisions of this section or section 288 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto.

(2) If because of the offender's criminal history classification the offender is subject to presumptive imprisonment or if the judge departs from a presumptive probation sentence and the offender is subject to imprisonment, the provisions of this section and section 288 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto, shall apply and the offender shall not be subject to the mandatory sentence as provided in section 109 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto.

(3) Notwithstanding the provisions of any other section, the term of imprisonment imposed for the violation of the felony provision of K.S.A. 8-1567, subsection (b)(3) of section 49 of chapter 136 of the 2010 Session Laws of Kansas, subsections (b)(3) and (b)(4) of section 109 of chapter 136 of the 2010 Session Laws of Kansas, section 223 and section 227 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto, shall not be served in a state facility in the custody of the secretary of corrections, except that the term of imprisonment for felony violations of K.S.A. 8-1567, and amendments thereto, may be served in a state correctional facility designated by the secretary of corrections if the secretary determines that substance abuse treatment resources and facility capacity is available. The secretary's determination regarding the availability of treatment resources and facility capacity shall not be subject to review. Prior to imposing any sentence pursuant to this subsection, the court may consider assigning the defendant to a house arrest program pursuant to section 249 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto.

(j) (1) The sentence for any persistent sex offender whose current convicted crime carries a presumptive term of imprisonment shall be double the maximum duration of the presumptive imprisonment term. The sentence for any persistent sex offender whose current conviction carries a presumptive nonprison term shall be presumed imprisonment and shall be double the maximum duration of the presumptive imprisonment term.

(2) Except as otherwise provided in this subsection, as used in this subsection, "persistent sex offender" means a person who:

(A) (i) Has been convicted in this state of a sexually violent crime, as defined in K.S.A. 22-3717, and amendments thereto; and

(ii) at the time of the conviction under subsection (j)(2)(A)(i) has at least one conviction for a sexually violent crime, as defined in K.S.A. 22-3717, and amendments thereto, in this state or comparable felony under the laws of another state, the federal government or a foreign government; or

(B) (i) has been convicted of rape, as defined in K.S.A. 21-3502, prior to its repeal, or section 67 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto; and

(ii) at the time of the conviction under subsection (j)(2)(B)(i) has at least one conviction for rape in this state or comparable felony under the laws of another state, the federal government or a foreign government.

(3) Except as provided in subsection (j)(2)(B), the provisions of this subsection shall not apply to any person whose current convicted crime is a severity level 1 or 2 felony.

(k) (1) If it is shown at sentencing that the offender committed any felony violation for the benefit of, at the direction of, or in association with any criminal street
gang, with the specific intent to promote, further or assist in any criminal conduct by
gang members, the offender's sentence shall be presumed imprisonment. The court may
impose an optional nonprison sentence as provided in subsection (q).

(2) As used in this subsection, "criminal street gang" means any organization,
association or group of three or more persons, whether formal or informal, having as
one of its primary activities:

(A) The commission of one or more person felonies; or

(B) the commission of felony violations of K.S.A. 2010 Supp. 21-36a01 through
21-36a17, and amendments thereto, or any felony violation of any provision of the
uniform controlled substances act prior to July 1, 2009; and

(C) its members have a common name or common identifying sign or symbol; and

(D) its members, individually or collectively, engage in or have engaged in the
commission, attempted commission, conspiracy to commit or solicitation of two or

amendments thereto, or any attempt or conspiracy, as defined in sections 33 and 34 of
chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto, to commit
such offense, when such person being sentenced has a prior conviction for a violation of
subsection (a) or (b) of K.S.A. 21-3715, prior to its repeal, 21-3716, prior to its repeal,
subsection (a)(1) or (a)(2) of section 93 of chapter 136 of the 2010 Session Laws of
Kansas, or subsection (b) of section 93 of chapter 136 of the 2010 Session Laws of
Kansas, and amendments thereto, or any attempt or conspiracy to commit such offense,
shall be presumptive imprisonment.

(m) The sentence for a violation of K.S.A 22-4903 or subsection (a)(2) of section
138 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto, shall
be presumptive imprisonment. If an offense under such sections is classified in grid
blocks 5-E, 5-F, 5-G, 5-H or 5-I, the court may impose an optional nonprison sentence
as provided in subsection (q).

Laws of Kansas, and amendments thereto, when such person being sentenced has no

(1) Substance abuse was an underlying factor in the commission of the crime;
(2) substance abuse treatment in the community is likely to be more effective than a prison term in reducing the risk of offender recidivism; and
(3) participation in an intensive substance abuse treatment program will serve community safety interests.

A defendant sentenced to an optional nonprison sentence under this subsection shall be supervised by community correctional services. The provisions of subsection (f)(1) of section 305 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto, shall apply to a defendant sentenced under this subsection. (p) The sentence for a felony violation of theft of property as defined in section 87 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto, when such person being sentenced has any combination of three or more prior felony convictions for violations of K.S.A. 21-3701, 21-3715 or 21-3716, prior to their repeal, or theft of property as defined in section 87 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto, or burglary or aggravated burglary as defined in section 93 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto, when such person being sentenced has any combination of two or more prior convictions for violations of K.S.A. 21-3701, 21-3715 and 21-3716, prior to their repeal, or theft of property as defined in section 87 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto, or burglary or aggravated burglary as defined in section 93 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto, shall be presumed imprisonment and the defendant shall be sentenced to prison as provided by this section, except that the court may recommend that an offender be placed in the custody of the secretary of corrections, in a facility designated by the secretary to participate in an intensive substance abuse treatment program, upon making the following findings on the record:
(1) Substance abuse was an underlying factor in the commission of the crime;
(2) substance abuse treatment with a possibility of an early release from imprisonment is likely to be more effective than a prison term in reducing the risk of offender recidivism; and
(3) participation in an intensive substance abuse treatment program with the possibility of an early release from imprisonment will serve community safety interests by promoting offender reformation.

The intensive substance abuse treatment program shall be determined by the secretary of corrections, but shall be for a period of at least four months. Upon the successful completion of such intensive treatment program, the offender shall be returned to the court and the court may modify the sentence by directing that a less severe penalty be imposed in lieu of that originally adjudged within statutory limits. If the offender's term of imprisonment expires, the offender shall be placed under the applicable period of postrelease supervision. The sentence under this subsection shall not be considered a departure and shall not be subject to appeal.

(q) As used in this section, an "optional nonprison sentence" is a sentence which the court may impose, in lieu of the presumptive sentence, upon making the following findings on the record:
   (1) An appropriate treatment program exists which is likely to be more effective than the presumptive prison term in reducing the risk of offender recidivism; and
   (2) the recommended treatment program is available and the offender can be admitted to such program within a reasonable period of time; or
   (3) the nonprison sanction will serve community safety interests by promoting offender reformation.

Any decision made by the court regarding the imposition of an optional nonprison sentence shall not be considered a departure and shall not be subject to appeal.

(r) The sentence for a violation of subsection (c)(2) of section 48 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto, shall be presumptive imprisonment and shall be served consecutively to any other term or terms of imprisonment imposed. Such sentence shall not be considered a departure and shall not be subject to appeal.

(s) The sentence for a violation of section 76 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto, shall be presumptive imprisonment. Such sentence shall not be considered a departure and shall not be subject to appeal.

(t) (1) If the trier of fact makes a finding that an offender wore or used ballistic resistant material in the commission of, or attempt to commit, or flight from any felony, in addition to the sentence imposed pursuant to the Kansas sentencing guidelines act, the offender shall be sentenced to an additional 30 months' imprisonment.
   (2) The sentence imposed pursuant to subsection (t)(1) shall be presumptive imprisonment and shall be served consecutively to any other term or terms of imprisonment imposed. Such sentence shall not be considered a departure and shall not be subject to appeal.
   (3) As used in this subsection, "ballistic resistant material" means: (A) Any commercially produced material designed with the purpose of providing ballistic and trauma protection, including, but not limited to, bulletproof vests and kevlar vests; and
      (B) any homemade or fabricated substance or item designed with the purpose of providing ballistic and trauma protection.
(u) The sentence for a violation of section 177 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto, or any attempt or conspiracy, as defined in sections 33 and 34 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto, to commit such offense, when such person being sentenced has a prior conviction for a violation of K.S.A. 21-4018, prior to its repeal, or section 177 of chapter 136 of the 2010 Session Laws of Kansas, and amendments thereto, or any attempt or conspiracy to commit such offense, shall be presumptive imprisonment. Such sentence shall not be considered a departure and shall not be subject to appeal."

Conferrees on part of Senate

On motion of Rep. Colloton, the conference committee report on H. Sub. for SB 55 was adopted.

On roll call, the vote was: Yeas 109; Nays 13; Present but not voting: 0; Absent or not voting: 2.

Absent or not voting: Aurand, Rhoades.

EXPLANATION OF VOTE

MR. SPEAKER: I vote no on H. Sub. for SB 55. This conference report, 95 pages in length, contained at least 15 bills, some of which had not passed either body before
being placed in this mega bill. Legislation made in haste with multiple topics that we have not given adequate time to thoroughly review, makes for a situation that may need to be undone the following session. I would rather get it right the first time than pass something that has flaws of which we can already see – the clunker bill comes to mind. It is certainly preferable to let bills stand alone, discussed on merit. – LANA GORDON, BRETT HILDABRAND, JOE MCELLEND, AMANDA GROSSERODE

"Sec. 8. K.S.A. 12-531 is hereby amended to read as follows: 12-531. (a) Five Three years following the annexation of any land pursuant to K.S.A. 12-520 or 12-521, and amendments thereto, or, where there has been litigation relating to the annexation, five–three years following the conclusion of such litigation, the board of county commissioners shall call a hearing to consider whether the city has provided the municipal services as provided in the timetable set forth in the plan in accordance with K.S.A. 12-520b or 12-521, and amendments thereto. The board of county commissioners shall schedule the matter for public hearing and shall give notice of the date, hour and place of the hearing to: (1) The city; and (2) any landowner in the area subject to the service extension plan.

(b) At the hearing, the board shall hear testimony as to the city's extension of
municipal services, or lack thereof, from the city and the landowner. After the hearing, the board shall make a finding as to whether or not the city has provided services in accordance with its service extension plan. If the board finds that the city has not provided services as provided in its service extension plan, the board shall notify the city and the landowner that such property may be deannexed, as provided in K.S.A. 12-532, and amendments thereto, if the services are not provided within $2\frac{1}{2}$ years of the date of the board's findings.

(c) If the board of county commissioners refuses to hold the hearing as required, any owner of land living in such area annexed may bring an action under provisions of K.S.A. 60-1201 et seq., and amendments thereto, to compel the board to hold the hearing. The court, upon finding the hearing is required, shall award reasonable attorney fees and costs to the landowner.

Sec. 9. K.S.A. 12-532 is hereby amended to read as follows: 12-532. (a) If, within $2\frac{1}{2}$ years following the conclusion of the hearing required by K.S.A. 12-531, and amendments thereto, or, where there has been litigation relating to the hearing, $2\frac{1}{2}$ years following the conclusion of such litigation, the city has not provided the municipal services as provided in the timetable set forth in the plan prepared in accordance with K.S.A. 12-520b or 12-521, and amendments thereto, the owner of such land may petition the board of county commissioners to exclude such land from the boundaries of the city. Within 10 days after receipt of the petition, the board shall schedule the matter for public hearing and shall give notice of the date, hour and place of the hearing to: (1) The owner; (2) the city; (3) the township into which the property, if deannexed, would be placed; and (4) the governing body of any fire district, sewer district, water district or other special district governments which have jurisdiction over territory adjacent to the area sought to be deannexed. The notice shall be sent by certified mail no less than 21 days before the date of the hearing.

(b) At the hearing, the board shall hear testimony as to the city's extension of municipal services, or lack thereof, from both the owner and representatives of the city. Except as provided by subsection (e), if the board finds after the hearing that the city has failed to provide the municipal services in accordance with the plan and consistent with the timetable therein, the board may enter an order excluding the land from the boundaries of the city. Any such order shall take effect in the same manner as provided in K.S.A. 12-523, and amendments thereto, for the effective date of annexation ordinances. Such land shall not be annexed again for one three year years from the effective date of the order without the written consent of the owner of the land.

(c) The county clerk shall certify a copy of the order to the register of deeds of the county. The register of deeds shall record the order in the deed records of the county, and, at the expense of the owner city, the register of deeds also shall record the order of exclusion on the margin of the recorded plat of such land, giving reference thereon to the page and book of records where the order is recorded in the register's office.

(d) Except as provided by this subsection, after the effective date of the order to exclude the land from the city, such land shall not be liable for any general taxes imposed by the city. Such land shall remain liable, however, for any taxes or special assessments levied by the city as are necessary to pay its proportionate share of the interest on and principal of such bonds or other indebtedness incurred by the city for improvements to the land which were approved by the city before the date on which the owner or owners filed a petition for the exclusion of the land from the city.
(e) The board shall not order exclusion of any land if:

(1) The service extension plan conditions the extension of certain improvements or services on the filing of a legally sufficient petition by the owners of the land for the creation of an improvement district and to levy special assessments therein to pay a portion of the costs of such improvements, and a sufficient petition has not been filed;

(2) since the annexation, the governing body of the city initiated the creation of an improvement or benefit district affecting such land to levy special assessments thereon to pay a portion of the costs of certain municipal improvements, and the formation of the district was blocked by the filing of a sufficient protest petition by some or all of the owners of any land in the proposed district;

(3) the exclusion would result in the land being completely surrounded by other tracts of land located within the city's boundaries; or

(4) the board finds the exclusion of the land would have an adverse impact on the health, safety and welfare of the residents of the city or such land.

(f) Any owner or the city aggrieved by the decision of the board may appeal the decision to the district court in the manner provided in K.S.A. 19-223, and amendments thereto. Any city so appealing shall not be required to execute the bond prescribed therein.

(g) If the board of county commissioners refuses to hold the hearing as required, any owner of land may bring an action under provisions of K.S.A. 60-1201 et seq., and amendments thereto, to compel the board to hold the hearing. The court, upon finding the hearing is required, shall award reasonable attorney fees and costs to the landowner.

"New Sec. 12. (a) If any land located within a fire district is annexed by a city and such land remains a part of the fire district beyond the current tax year, the owner of such land shall be entitled to a refund of all ad valorem taxes paid for fire service, including any tax levy for bond and interest payments from either the city or the fire district, whichever entity levies taxes for fire service against the land but does not provide such service.

(b) Cities and fire districts shall establish procedures for landowners to obtain refunds of ad valorem property taxes as required by this section.

(a) Except as provided in subsection (b), in K.S.A. 19-216a, and amendments thereto, all contracts for the expenditure of county moneys for the construction of any courthouse, jail or other county building, or the construction of any bridge, highway, road, dam, turnpike or related structures or stand-alone parking lots in excess of $25,000, shall be awarded, on a public letting, to the lowest and best bid. The person, firm or corporation to whom the contract may be awarded shall give and file with the board of county commissioners a good and sufficient surety bond by a surety company authorized to do business in the state of Kansas, to be approved by the county attorney or county counselor, in the amount of the contract, and conditioned for the faithful performance of the contract.

(b) The provisions of subsection (a) shall not apply: (1) To the expenditure of county funds for professional services; (2) to the provisions of K.S.A. 68-521, and amendments thereto; or (3) to the purchase of contracts of insurance; or (4) to the repair of any courthouse, jail or other county building or the repair or replacement of any such
building’s equipment when an emergency based upon public health or safety is declared by the board of county commissioners. Such emergency shall be defined as an occurrence of severe damage to a building or its equipment resulting from any natural or manmade cause, including fire, flood, earthquake, wind, storm, explosion, riot, terrorism or hostile military or paramilitary action, or events of similar nature or character. Such damage must be so severe it prevents the building or equipment from being used for its intended function. Construction of a replacement building remains subject to the provisions of subsection (a)."

Prayer by Chaplain Brubaker:

Our Heavenly Father,
   I recently read how one might apply
   the principles of putting together a jigsaw puzzle
   to life and work.
   I pray these principles for our leaders today
   as they continue to wrap up the decisions of this session.
   Help them to not force a fit,
   if something is meant to be,
   it will come naturally.
   When things aren’t going well,
   encourage them to take a break.
   Things will look different when they return to it.
   Help them to look at the big picture.
   If they allow themselves to get hung up on small pieces
   it will lead to their frustration.
   Remind them that perseverance pays off.
   Every important puzzle goes together piece by piece.
   And lastly, may they recognize that
   anything worth doing will take time and effort.
   In Christ’s Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Smith.

"Section 1. K.S.A. 2010 Supp. 25-4501 is hereby amended to read as follows: 25-4501. (a) Subject to the provisions of this section, there shall be held a presidential preference primary election in the year 2012, and every fourth year thereafter.

(b) On or before November 1, 2014, and on or before November 1 every fourth year thereafter, the secretary of state shall certify to the governor, to the chief clerk of the house of representatives and to the secretary of the senate a common date in the next succeeding year on which at least five other states will hold a presidential preference primary election, a delegate or mass convention or a caucus of qualified voters at which delegates to a national convention are selected. On or before each such date, if the secretary of state determines that there is no common date on which at least five states are conducting such a selection process in the next succeeding year, the secretary of state shall certify to the governor, the chief clerk of the house of representatives and the secretary of the senate on a date, which shall be on or before the first Tuesday in April of the next following year, on which the presidential preference primary election shall be held.

(c) The date certified by the secretary of state pursuant to subsection (b) shall be the date on which the presidential preference primary election authorized by subsection (a) shall be held in the state of Kansas.

Sec. 2. K.S.A. 25-4502 is hereby amended to read as follows: 25-4502. (a) Every registered elector who has declared such elector's party affiliation with a political party eligible to participate in a state primary election shall have the opportunity to vote one vote at a presidential preference primary election for such elector's preference for one person to be the candidate for nomination by such candidate's party for president of the United States or for "none of the names shown." Any registered elector who has not declared such candidate's party affiliation prior to the election may make such a declaration at the polling place, and thereupon shall be permitted likewise the opportunity to vote one vote at the presidential preference primary. A vote for "none of the names shown" shall express the preference for an uncommitted delegation from Kansas to the national convention of that elector's party. Preference shall be indicated by marking with a cross or check mark inside a voting square or a darkened oval on the ballot at the left of the voter's choice, or by voting by using a voting machine.

(b) The name of any candidate for a political party nomination for president of the United States shall be printed on the ballots only if, not later than twelve o'clock noon, February 12 prior to the date which precedes by seven weeks the date of the presidential preference primary or, if such date falls on Saturday, Sunday or a holiday, not later than twelve o'clock noon the following day that is not a Saturday, Sunday or holiday:

(1) The candidate files with the secretary of state a declaration of intent to become a candidate accompanied by a fee of $100; or
(2) there is filed in the office of secretary of state a petition in the form prescribed by K.S.A. 25-205, and amendments thereto, signed by not less than 1,000 registered
electors, who are affiliated with the political party of such candidate as shown by the party affiliation list. The secretary of state shall determine the sufficiency of each such petition, and such determination shall be final.

Sec. 3. K.S.A. 25-4503 is hereby amended to read as follows: 25-4503. (a) The names of the candidates for nomination for president of the United States by a political party eligible to participate in a state primary election shall be printed on the official ballots for the presidential preference primary elections of their respective parties along with the choice of "none of the names shown." The ballots shall be marked, returned and canvassed in the same manner and under the same conditions, so far as the same are applicable, as in the case of the primary election of candidates for nomination for state offices.

(b) The official presidential preference primary election ballots shall be printed in a single column and shall have the following heading:

This shall be followed by the names of the candidates for president of the United States of such party in the manner and order certified by the secretary of state.

(c) As soon as possible after February 12, the candidate filing deadline, the secretary of state shall certify to each county election officer the name of each person who is a candidate for nomination to be president of the United States of each party authorized to participate in the presidential preference primary election. The secretary of state shall publish, not less than 21 days prior to the presidential preference primary, a notice in one newspaper in each county of the state where a newspaper is published, that the official list of candidates and the date of the election can be acquired in the office of the secretary of state or the office of the county election officer.

No policy of group life insurance shall be delivered in this state unless it conforms to one of the following descriptions:

(1) A policy issued by an insurance company organized under the laws of the state of Kansas on its employees and agents, which agents for the purpose of this act only shall be deemed employees, the beneficiaries under such policies to be persons designated by each insured, or a policy issued to an employer, or to the trustees of a fund established by an employer, which employer or trustees shall be deemed the policyholder, to insure employees of the employer for the benefit of persons other than the employer, both subject to the following requirements:

(a) The employees eligible for insurance under the policy shall be all of the employees of the employer, or all of any class or classes thereof determined by conditions pertaining to their employment. The policy may provide that the term "employees" shall include the employees of one or more subsidiary corporations, and the employees, individual proprietors, and partners of one or more affiliated corporations, proprietors or partnerships if the business of the employer and of such affiliated corporations, proprietors or partnerships is under common control through stock ownership, contract or otherwise. A policy issued to insure the employees of a public body may provide that the term "employees" shall include elected or appointed officials.

(b) The premium for the policy shall be paid by the policyholder, either wholly from the employer's funds or funds contributed by the employer, or partly from such funds and partly from funds contributed by the insured employees. No policy shall..."
be issued on which the entire premium is to be derived from funds contributed by the insured employees. A policy on which part of the premium is to be derived from funds contributed by the insured employees may be placed in force only if at least 75% of the then eligible employees, excluding any as to whom evidence of individual insurability is not satisfactory to the insurer, elect to make the required contribution or entirely by the employees at their option. A policy on which no part of the premium is to be derived from funds contributed by the insured employees shall insure all eligible employees, or all except any as to whom evidence of individual insurability is not satisfactory to the insurer or except those who reject the coverage in writing.

A policy on which no part of the premium is to be derived from the collection of such identifiable charges shall insure all eligible debtors, or all except any as to whom evidence of individual insurability is not satisfactory to the insurer.

(c) The policy may be issued only if the group of eligible debtors is then receiving new entrants at the rate of at least 100 persons yearly, or may reasonably be expected to receive at least 100 new entrants during the first policy year, and only if the policy reserves to the insurer the right to require evidence of individual insurability if less than 75% of the new entrants become insured.

(d) The amount of insurance on the life of any debtor shall at no time exceed the amount owed by that debtor which is repayable in installments to the creditor.

(e) The insurance shall be payable to the policyholder. Such payment shall reduce or extinguish the unpaid indebtedness of the debtor to the extent of such payment.

(3) A policy issued to a labor union, which shall be deemed the policyholder, to insure members of such union for the benefit of persons other than the union or any of its officials, representatives or agents, subject to the following requirements:

(a) The members eligible for insurance under the policy shall be all of the members of the union, or all of any class or classes thereof determined by conditions pertaining to their employment, or to membership in the union, or both.

(b) The premium for the policy may be paid by the policyholder, either wholly from the union's funds, or partly from such funds and partly from funds contributed by the insured members specifically for their insurance or entirely by the insured members at their option. No policy shall be issued on which the entire premium
is to be derived from funds contributed by the insured members specifically for their insurance. A policy on which part of the premium is to be derived from funds contributed by the insured members specifically for their insurance may be placed in force only if at least 75% of the then eligible members excluding any as to whom evidence of individual insurability is not satisfactory to the insurer, elect to make the required contributions. A policy on which no part of the premium is to be derived from funds contributed by the insured members specifically for their insurance shall insure all eligible members, or all except any as to whom evidence of individual insurability is not satisfactory to the insurer or except those who reject coverage in writing.

(c) The policy shall cover at least 25 members at date of issue.

(d) The amounts of insurance under the policy shall be based upon some plan precluding individual selection either by the members or by the union.

(4) A policy issued to the trustees of a fund established in this state by two or more employers if a majority of the employees to be insured of each employer are located within the state, or to the trustees of a fund established by one or more labor unions, or by one or more employers and one or more labor unions, which trustees shall be deemed the policyholder, to insure employees of the employers or members of the unions for the benefit of persons other than the employers or the unions, subject to the following requirements:

(a) The persons eligible for insurance shall be all of the employees of the employers or all of the members of the unions, or all of any class or classes thereof determined by conditions pertaining to their employment, or to membership in the unions, or to both. The policy may provide that the term "employees" shall include retired employees and the individual proprietor or partners if any employer is an individual proprietor or a partnership. No director of a corporate employer shall be eligible for insurance under the policy unless such person is otherwise eligible as a bona fide employee of the corporation by performing services other than the usual duties of a director. No individual proprietor or partner shall be eligible for insurance under the policy unless the proprietor or partner is actively engaged in and devotes a substantial part of their time to the conduct of the business of the proprietor or partnership. The policy may provide that the term "employees" shall include the trustees or their employees, or both, if their duties are principally connected with such trusteeship.

(b) The premium for the policy shall be paid by the trustees either wholly from funds contributed by the employer or employers of the insured persons, or by the union or unions, or by both, or partly from such funds and partly from funds contributed by the insured employees or wholly from funds contributed by the employees or members at their option. No policy shall be issued on which the entire premium is to be derived from funds contributed by the insured persons. The policy shall insure all eligible persons, or all except any as to whom evidence of individual insurability is not satisfactory to the insurer or except those who reject coverage in writing.

(c) The policy shall cover at least 100 persons and not less than an average of five persons per employer unit. (d) The amounts of insurance under the policy shall be based upon some plan precluding individual selection either by the insured persons or by the policyholder, employers, or union.

(e) The requirements of paragraphs (b) and (d) of this subsection governing employer contributions and amounts of insurance shall not apply to a voluntary term life insurance policy issued on a group basis.
(5) A policy issued to an association which has been organized and is maintained for purposes other than that of obtaining insurance, insuring at least 25 members, employees, or employees of members of the association for the benefit of persons other than the association or its officers. The term "employees" as used herein shall be deemed to include retired employees. The premiums for the policies shall be paid by the policyholder, either wholly from association funds, or funds contributed by the members of such association or by employees of such members or any combination thereof. The amounts of insurance under the policy shall be based upon some plan precluding individual selection either by the insured person or by the association or by the member.

(6) Any policy issued pursuant to this section may be extended to insure the employees against loss due to the death of their spouses, their children, their grandchildren, their spouse's children, their spouse's grandchildren, their parents, their spouse's parents, or any class or classes thereof, subject to the following requirements:

(a) The premium for the insurance may be paid by the policyholder, either from the employer's funds or from funds contributed by the insured employees, or from both. If any part of the premium is to be derived from funds contributed by the insured employees, the insurance with respect to spouses, their children, their grandchildren, their spouse's children, their spouse's grandchildren, their parents and their spouse's parents may be placed in force only if at least 75% of the then eligible employees, excluding any as to whose family members' evidence of insurability is not satisfactory to the insurer, elect to make the required contribution. If no part of the premium is to be derived from funds contributed by the employees, all eligible employees, excluding any as to whose family members' evidence of insurability is not satisfactory to the insurer, shall be insured with respect to their spouses, their children, their grandchildren, their spouse's children, their spouse's grandchildren, their parents, their spouse's parents.

(b) The amounts of insurance shall be based upon some plan precluding individual selection either by the employees or by the policyholder, or employer and shall not exceed with respect to any spouse, child or parent 50% of the insurance on the life of such insured employee.

(e) Upon termination of the insurance with respect to the spouse of an employee by reason of the employee's termination of employment or death, the spouse insured pursuant to this section shall have the same conversion rights as to the insurance on such spouse's life as is provided for the employee under K.S.A. 40-434, and amendments thereto.

(d) Notwithstanding the provisions of K.S.A. 40-434, and amendments thereto only one certificate need be issued for delivery to an insured person if a statement concerning any dependent's coverage is included in such certificate.

(e) The requirements of paragraphs (a) and (b) of this subsection governing participation, contribution by an employer and amounts of insurance for dependents shall not apply to a voluntary term life insurance policy issued on a group basis.

(7) A policy may be issued to any other group which the commissioner of insurance finds is the proper subject of a group life insurance policy or contract. Any such group shall be subject to any appropriate conditions or provisions relating thereto which the commissioner may establish or require, consistent with the provisions of this act, and such conditions and provisions shall be included in the policy or contract.

(b) "Emergency medical condition" means:

(2) a medical condition where the time frame for completion of a standard external review would seriously jeopardize the life or health of the insured or would jeopardize the insured's ability to regain maximum function; or

(3) a medical condition for which coverage has been denied based on a determination that the recommended or requested health care service or treatment is experimental or investigational, if the insured's treating physician certifies, in writing, that the recommended or requested health care service or treatment for the medical condition would be significantly less effective if not promptly initiated.

(c) "External review organization" means an entity that conducts independent external reviews of adverse decisions pursuant to a contract with the commissioner. Such entity shall have experience serving as the external quality review organization in health programs administered by the state of Kansas, or be a nationally accredited external review organization which utilizes health care providers actively engaged in the practice of their profession in the state of Kansas who are qualified and credentialed with respect to the health care service review. In the event no Kansas providers are qualified and credentialed with respect to the review of any case, the external review organization shall have the discretion to employ health care providers who actively engage in such health care provider's practice outside the state of Kansas.

(d) "Health insurance plan" means any hospital or medical expense policy, health, hospital or medical service corporation contract, and a plan provided by a municipal group-funded pool, or a health maintenance organization contract offered by an employer or any certificate issued under any such policies, contracts or plans.

(a) The provisions of K.S.A. 40-22a13 through 40-22a16, and amendments thereto, shall not apply to any policy or certificate which provides coverage for any specified disease, specified accident or accident only coverage, credit, dental, disability income, hospital indemnity, long-term care insurance as defined by K.S.A. 40-227, and amendments thereto, vision care or any other limited supplemental benefit nor to any medicare supplement policy of insurance as defined by the commissioner of insurance by rule and regulation, coverage under a plan through medicare, medicaid, or the federal employees health benefits program, any coverage issues as a supplement to liability insurance, workers compensation or similar insurance, automobile medical-payment insurance or any insurance under which benefits are payable with or without regard to fault, whether written on a group, blanket or individual basis.

(b) The right to external review under K.S.A. 40-22a13 through 40-22a16, and amendments thereto, shall not be construed to change the terms of coverage under a health insurance plan or insurance policy.

(c) The insurer or health insurance plan shall provide written notice to the insured of a final adverse decision and the opportunity for requesting an external review.

(d) (1) The insured has the right to request an independent external review of an adverse decision by a health insurance plan or insurer when:

(A) The insured has exhausted all available internal review procedures provided by the health insurance plan or insurer, unless the insured has an emergency medical condition, in which case an expedited procedure is used; or

(B) The insured has not received a final decision from the insurer within 60 days of seeking the internal review, except to the extent that the delay was requested by the insured.

(2) Whenever an insurer or health insurance plan fails to strictly adhere to all appeal procedure requirements as prescribed by state or federal law, the claimant shall be deemed to have exhausted the internal claims and appeal process regardless of whether such insurer or health insurance plan asserts that:

(A) It has substantially complied with such appeal procedure; or

(B) any error it committed was de minimis.

(e) Within 90 days of receipt of an adverse decision by a health insurance plan or an insurer, any request for external review shall be made in writing to the commissioner from the following persons: (1) The insured; (2) the treating physician or health care provider acting on behalf of the insured with written authorization from the insured; or (3) a legally authorized designee of the insured.

(f) The insured shall provide all information in the possession of the insured pertaining to the adverse decision in order for the commissioner to make a preliminary determination for an external review. The insured also shall provide the commissioner with an appeal form, and a fully executed release for the commissioner and the external review organization to obtain any necessary medical records from the insurer or health insurance plan and any other relevant provider.

(g) In responding to the commissioner, the insurer or health insurance plan shall provide a copy of the adverse decision given to the insured and all medical and other records pertaining to the insured's claim within five business days of the request of the
commissioner.

(h) The confidentiality of any medical information submitted by the insured, on behalf of the insured, insurer or health insurance plan, shall be maintained pursuant to applicable state and federal laws.

Sec. 4. From and after July 1, 2011, K.S.A. 40-22a15 is hereby amended to read as follows: 40-22a15. On and after January 1, 2000 July 1, 2011:

(a) The commissioner shall:

(1) Negotiate contracts with external review organizations which are eligible to conduct independent review of the adverse decision by a health insurance plan or insurer;

(2) allow the insurer or the health insurance plan, an insured or treating physician or health care provider acting on behalf of the insured, or legally authorized designee filing a request for external review to provide additional written information as may be relevant for the commissioner to make a final decision on whether the request qualified for external review;

(3) make a decision on a request for external review within 10 business days after receiving all necessary information;

(4) notify the insured and treating physician or health care provider acting on behalf of the insured, or legally authorized designee, and insurer or health insurance plan in writing that a request for external review will or will not be granted; and

(5) design and implement an expedited procedure for use in an emergency medical condition for purposes of the external review organization rendering a decision.

(b) The external review organization as defined in subsection (c) of K.S.A. 40-22a13, and amendments thereto, shall provide that all reviews completed pursuant to K.S.A. 40-22a13 through 40-22a16, and amendments thereto, are conducted by qualified and credentialed health care providers with respect to the health care service under review and who have no conflict of interest relating to the performance of the external review organization's duties in K.S.A. 40-22a13 through 40-22a16, and amendments thereto.

(c) The external review organization shall issue a written decision to the insured and concurrently send a copy of such decision to the commissioner including the basis and rationale for its decision within 30 business days. The standard of review shall be whether the health care service denied by the insurer or health insurance plan was medically necessary under the terms of the insured's contract. In reviews regarding experimental or investigational treatment, the standard of review shall be whether the health care service denied by the insurer or health insurance plan was covered or excluded from coverage under the terms of the insured's contract.

(d) The external review organization shall provide expedited resolution when an emergency medical condition exists, and shall resolve all issues within seven business days not more than 72 hours after the date of receipt of the request for an expedited external review, or as expeditiously as the insured’s medical condition or circumstances require.

(e) The external review organization shall maintain and report such data as may be required by the commissioner in order to assess the effectiveness of the external review process.

(f) No external review organization nor any individual working on behalf of such organization shall be liable in damages to any insured, health insurance plan or insurer
for any opinion rendered as part of an external review conducted pursuant to K.S.A. 40-22a13 through 40-22a16, and amendments thereto.

(g) The external review organization shall maintain confidentiality of the medical records of the insured in accordance to state and federal law.

(h) The external review organization's fee for performance of any external review may be paid by the commissioner, the insurer or the health insurance plan. In no event shall the insured be held responsible for any portion of such fee.

Sec. 5. From and after July 1, 2011, K.S.A. 40-22a16 is hereby amended to read as follows: 40-22a16. On and after January 1, 2000 July 1, 2011:

(a) The decision of the external review organization may be reviewed directly by the district court at the request of either the insured, insurer or health insurance plan. The review by the district court shall be *de novo*. The decision of the external review organization shall not preclude the insured, insurer or health insurance plan from exercising other available remedies applicable under state or federal law. Seeking a review by the district court or any other available remedies exercised by the insured, insurer or health insurance plan after the decision of the external review organization will not stay the external review organization's decision as to the payment or provision of services to be rendered during the pendency of the review by the insurer or health insurance plan. All material used in an external review and the decision of the external review organization as a result of the external review shall be deemed admissible in any subsequent litigation.

(b) In no event shall more than one external review be available during the same year for any request arising out of the same set of facts during a period of 12 consecutive months commencing on the date of the initial request for external review. An insured may not pursue, either concurrently or sequentially, an external review process under both a federal and state law. In the event external review processes are available pursuant to federal law and this act, the insured shall have the option of designating which external review process will be utilized.

(c) The commissioner of insurance is hereby authorized to negotiate and enter into contracts necessary to perform the duties required by K.S.A. 40-22a13 through 40-22a16, and amendments thereto.

(d) The commissioner of insurance shall adopt rules and regulations necessary to carry out the purposes of K.S.A. 40-22a13 through 40-22a16, and amendments thereto. The rules and regulations shall ensure that the commissioner is able to provide for an effective and efficient external review of health care services.

(e) Except as provided in subsection (a), the decision of the external review organization shall be binding on the insured and the insurer or health insurance plan.

Sec. 6. K.S.A. 2010 Supp. 40-2122 is hereby amended to read as follows: 40-2122.

(a) The following individuals shall be eligible for plan coverage provided they meet the criteria set forth in subsection (b):

1. Any person who has been a resident of this state for at least six months;
2. any person who is a legal domiciliary of this state who previously was covered under the high risk pool of another state, provided they apply for coverage under the plan within 63 days of losing such other coverage for reasons other than fraud or nonpayment of premiums;
3. any federally defined eligible individual who is a legal domiciliary of this state; or
any federally defined eligible individual for FTAA.

(b) Those individuals who are eligible for plan coverage under subsection (a) must provide evidence satisfactory to the administering carrier that such person meets one of the following criteria:

1. Such person has had health insurance coverage involuntarily terminated for any reason other than nonpayment of premium;
2. Such person has applied for health insurance and been rejected by two carriers because of health conditions;
3. Such person is a child under the age of 19 years and has been unable to purchase or obtain coverage under an individual health insurance policy providing health insurance coverage, because such coverage is not available for sale in the county in which the child resides;
4. Such person has applied for health insurance and has been quoted a premium rate which is in excess of the plan rate;
5. Such person has been accepted for health insurance subject to a permanent exclusion of a preexisting disease or medical condition;
6. Such person is a federally defined eligible individual; or
7. Such person is a federally defined eligible individual for FTAA.

(c) Each resident dependent of a person who is eligible for plan coverage shall also be eligible for plan coverage.

(d) The following persons shall not be eligible for coverage under the plan:

1. Any person who is eligible for medicare or is eligible for medicaid benefits;
2. Any person who has had coverage under the plan terminated less than 12 months prior to the date of the current application, except that this provision shall not apply with respect to an applicant who is a federally defined eligible individual;
3. Any person who has received accumulated benefits from the plan equal to or in excess of the lifetime maximum benefits under the plan prescribed by K.S.A. 40-2124, and amendments thereto;
4. Any person having access to accident and health insurance through an employer-sponsored group or self-insured plan, including coverage under the consolidated omnibus budget reconciliation act (COBRA), except that the requirement for exhaustion of any available COBRA or state continuation is waived whenever such person:
   (A) Is eligible for the credit for health care costs under section 35 of the internal revenue code of 1986; and
   (B) has three months of prior creditable coverage as described in subsection (c) of K.S.A. 40-2124, and amendments thereto; or
   (5) Any person who is eligible for any other public or private program that provides or indemnifies for health services.

Sec. 7. K.S.A. 2010 Supp. 40-2124 is hereby amended to read as follows: 40-2124.

(a) Coverage under the plan shall be subject to both deductible and coinsurance provisions set by the board. The plan shall offer to current participants and new enrollees no fewer than four choices of deductible and copayment options. Coverage
shall contain a coinsurance provision for each service covered by the plan, and such copayment requirement shall not be subject to a stop-loss provision. Such coverage may provide for a percentage or dollar amount of coinsurance reduction at specific thresholds of copayment expenditures by the insured.

(b) Coverage under the plan shall be subject to a maximum lifetime benefit of $2,000,000 to $3,000,000 per covered individual.

(c) Coverage under the plan shall exclude charges or expenses incurred during the first 90 days following the effective date of coverage as to any condition: (1) Which manifested itself during the six-month period immediately prior to the application for coverage in such manner as would cause an ordinarily prudent person to seek diagnosis, care or treatment; or (2) for which medical advice, care or treatment was recommended or received in the six-month period immediately prior to the application for coverage. In succeeding years of operation of the plan, coverage of preexisting conditions may be excluded as determined by the board, except that no such exclusion shall exceed 180 calendar days, and no exclusion shall be applied to either a federally defined eligible individual provided that application for coverage is made not later than 63 days following the applicant's most recent prior creditable coverage or an individual under the age of 19 years who is eligible for enrollment in the plan under paragraph (3) of subsection (b) of K.S.A. 40-2122, and amendments thereto. For any individual who is eligible for the credit for health insurance costs under section 35 of the internal revenue code of 1986, the preexisting conditions limitation will not apply whenever such individual has maintained creditable health insurance coverage for an aggregate period of three months, not counting any period prior to a 63-day break in coverage, as of the date on which such individual seeks to enroll in coverage provided by this act.

(d) (1) Benefits otherwise payable under plan coverage shall be reduced by all amounts paid or payable through any other health insurance, or insurance arrangement, and by all hospital and medical expense benefits paid or payable under any workers compensation coverage, automobile medical payment or liability insurance whether provided on the basis of fault or nonfault, and by any hospital or medical benefits paid or payable under or provided pursuant to any state or federal law or program.

(2) The association shall have a cause of action against an eligible person for the recovery of the amount of benefits paid which are not covered expenses. Benefits due from the plan may be reduced or refused as a set-off against any amount recoverable under this section.

New Sec. 8. (a) Any individual or group health insurance policy, medical service plan, contract, hospital service corporation contract, hospital and medical service corporation contract, fraternal benefit society or health maintenance organization, municipal group-funded pool and the state employee health care benefits plan which is delivered, issued for delivery, amended or renewed on or after July 1, 2011, shall exclude coverage for elective abortions, unless the procedure is necessary to preserve the life of the mother. Coverage for abortions may be obtained through an optional rider for which an additional premium is paid. The premium for the optional rider shall be calculated so that it fully covers the estimated cost of covering elective abortions per enrollee as determined on an average actuarial basis.

(b) No health insurance exchange established within this state or any health insurance exchange administered by the federal government or its agencies within this state shall offer health insurance contracts, plans, or policies that provide coverage for
elective abortions, nor shall any health insurance exchange operating within this state offer coverage for elective abortions through the purchase of an optional rider.

(c) For the purposes of this section:

(2) "Elective" means an abortion for any reason other than to prevent the death of the mother upon whom the abortion is performed; provided, that an abortion may not be deemed one to prevent the death of the mother based on a claim or diagnosis that she will engage in conduct which will result in her death.

(d) The provisions of this section shall be effective from and after July 1, 2011.

Sec. 9. From and after July 1, 2011, K.S.A. 2010 Supp. 40-2,103 is hereby amended to read as follows: 40-2,103. (b) No policy, agreement, contract or certificate issued by a corporation to which this section applies shall contain a provision which excludes, limits or otherwise restricts coverage because medicaid benefits as permitted by title XIX of the social security act of 1965 are or may be available for the same accident or illness.

(c) Violation of subsection (b) shall be subject to the penalties prescribed by K.S.A. 40-2407 and 40-2411, and amendments thereto.

New Sec. 11. From and after July 1, 2011, any provisions of section 8 and amendments thereto, or the application thereof to any person or circumstances is held
invalid, the invalidity shall not affect other provisions or applications of such section which can be given effect without the invalid provisions or application, and to this end, the provisions of section 8, and amendments thereto, are severable.

Sec. 13. K.S.A. 40-2122 and 40-2124 are hereby repealed.

"Sec. 2. K.S.A. 2010 Supp. 40-955, as amended by section 1 of 2011 House Bill No. 2074, is hereby amended to read as follows: 40-955. (a) Every insurer shall file with the commissioner, except as to inland marine risks where general custom of the industry is not to use manual rates or rating plans, every manual of classifications, rules and rates, every rating plan, policy form and every modification of any of the foregoing which it proposes to use. Every such filing shall indicate the proposed effective date and the character and extent of the coverage contemplated and shall be accompanied by the"
information upon which the insurer supports the filings. A filing and any supporting
information shall be open to public inspection after it is filed with the commissioner,
except that disclosure shall not be required for any information contained in a filing or
in any supporting documentation for the filing when such information is either a trade
secret or copyrighted. For the purposes of this section, the term “trade secret” shall have
the meaning ascribed to it in K.S.A. 60-3320, and amendments thereto. An insurer may
satisfy its obligations to make such filings by authorizing the commissioner to accept on
its behalf the filings made by a licensed rating organization or another insurer. Nothing
contained in this act shall be construed to require any insurer to become a member or
subscriber of any rating organization.

(b) Certificate of insurance forms must be filed with the commissioner of insurance
and approved prior to use. Notwithstanding the "large risk" filing exemption in
subsection (j), a certificate of insurance cannot be used to modify, alter or amend the
insurance policy it describes. The certificate of insurance shall contain the following or
similar language: The certificate of insurance neither affirmatively nor negatively
amends, extends or alters the coverage afforded by the policies listed thereon. An
industry standard setting organization may be authorized by the commissioner of
insurance to file certificate of insurance forms on behalf of authorized insurers.

(c) Any rate filing for the basic coverage required by K.S.A. 40-3401 et seq. and
amendments thereto, loss costs filings for workers compensation, and rates for assigned
risk plans established by article 21 of chapter 40 of the Kansas Statutes Annotated or
rules and regulations established by the commissioner shall require approval by the
commissioner before its use by the insurer in this state. As soon as reasonably possible
after such filing has been made, the commissioner shall in writing approve or
disapprove the same, except that any filing shall be deemed approved unless
disapproved within 30 days of receipt of the filing.

(d) Any other rate filing, except personal lines filings, shall become effective on
filing or any prospective date selected by the insurer, subject to the commissioner
disapproving the same if the rates are determined to be inadequate, excessive, unfairly
discriminatory or otherwise fails to meet the requirements of this act. Personal lines rate
filings shall be on file for a waiting period of 30 days before becoming effective, subject

term "personal lines" shall mean insurance for noncommercial automobile, homeowners,
dwelling fire-and-renters insurance policies, as defined by the commissioner by rules and regulations. A filing complies with this act unless it is

(e) In reviewing any rate filing the commissioner may require the insurer or rating
organization to provide, at the insurer's or rating organization's expense, all information
necessary to evaluate the reasonableness of the filing, to include payment of the cost of
an actuary selected by the commissioner to review any rate filing, if the department of
insurance does not have a staff actuary in its employ.

(f) (1) (A) If a filing is not accompanied by the information required by this act, the
commissioner shall promptly inform the company or organization making the filing.
The filing shall be deemed to be complete when the required information is received by
the commissioner or the company or organization certifies to the commissioner the
information requested is not maintained by the company or organization and cannot be obtained.

(B) If the commissioner finds a filing does not meet the requirements of this act, the commissioner shall send to the insurer or rating organization that made the filing, written notice of disapproval of the filing, specifying in what respects the filing fails to comply and stating the filing shall not become effective.

(C) If at any time after a filing becomes effective, the commissioner finds a filing does not comply with this act, the commissioner shall after a hearing held on not less than 10 days' written notice to every insurer and rating organization that made the filing issue an order specifying in what respects the filing failed to comply with the act, and stating when, within a reasonable period thereafter, the filing shall be no longer effective. Copies of the order shall be sent to such insurer or rating organization. The order shall not affect any contract or policy made or issued prior to the expiration of the period set forth in the order.

(2) (A) In the event an insurer or organization has no legally effective rate because of an order disapproving rates, the commissioner shall specify an interim rate at the time the order is issued. (3) (A) Any person or organization aggrieved with respect to any filing that is in effect may make written application to the commissioner for a hearing thereon, except that the insurer or rating organization that made the filing may not proceed under this subsection. The application shall specify the grounds to be relied on by the applicant.

(B) If the commissioner finds the application is made in good faith, that the applicant would be so aggrieved if the applicant's grounds are established, and that such grounds otherwise justify holding such a hearing, the commissioner shall, within 30 days after receipt of the application, hold a hearing on not less than 10 days' written notice to the applicant and every insurer and rating organization that made such filing.

(C) Every rating organization receiving a notice of hearing or copy of an order under this section, shall promptly notify all its members or subscribers affected by the hearing or order. Notice to a rating organization of a hearing or order shall be deemed notice to its members or subscribers.

(g) No insurer shall make or issue a contract or policy except in accordance with filings which have been filed or approved for such insurer as provided in this act.

(2) On an application for property insurance on real property, the applicant shall be allowed to identify a mortgagee listed on a mortgage for the real property described in the application.

(h) The commissioner may adopt rules and regulations to allow suspension or
modification of the requirement of filing and approval of rates as to any kind of insurance, subdivision or combination thereof, or as to classes of risks, the rates for which cannot practicably be filed before they are used.

(i) Except for workers compensation and employer's liability line, the following categories of commercial lines risks are considered special risks which are exempt from the filing requirements in this section: (1) Risks that are written on an excess or umbrella basis; (2) commercial risks, or portions thereof, that are not rated according to manuals, rating plans, or schedules including "a" rates; (3) large risks; and (4) special risks designated by the commissioner, including but not limited to risks insured under highly protected risks rating plans, commercial aviation, credit insurance, boiler and machinery, inland marine, fidelity, surety and guarantee bond insurance risks.

(k) The exemption for any large risk contained in subsection (h) shall not apply to workers compensation and employer's liability insurance, insurance purchasing groups, and the basic coverage required by K.S.A. 40-3401 et seq., and amendments thereto.

(l) Underwriting files, premium, loss and expense statistics, financial and other records pertaining to special risks written by any insurer shall be maintained by the insurer and shall be subject to examination by the commissioner.

(m) (1) Any entity that purchases a workers compensation policy for the covered employees of more than one employer pursuant to a shared employment relationship with each employer must purchase the workers compensation policy on a separate multiple coordinate policy basis. Such workers compensation policies must be issued pursuant to K.S.A. 44-501 et seq., and amendments thereto, from an insurer holding a certificate of authority to do business in this state and providing workers compensation coverage.

(2) The commissioner of insurance may allow an insurer to issue coverage through a master policy if the commissioner is satisfied that the insurer is able to track and report individual client experience to the advisory organization in an acceptable fashion. All such master policies must be filed with the commissioner for prior approval.

(3) The commissioner of insurance shall be authorized to adopt such rules and regulations as are reasonable and necessary to carry out the purpose and the provisions of this subsection.
