(e) Amounts transferred to the capital outlay fund of a school district as authorized by K.S.A. 72-6433, and amendments thereto, shall not be included in the computation when determining the amount of state aid to which a district is entitled to receive under this section.

Sec. 13. K.S.A. 2011 Supp. 75-2319 is hereby amended to read as follows: 75-
(a) There is hereby established in the state treasury the school district capital improvements fund. The fund shall consist of all amounts transferred thereto under the provisions of subsection (c).

(b) Subject to the provisions of subsection (f), in each school year, each school district which is obligated to make payments from its capital improvements fund shall be entitled to receive payment from the school district capital improvements fund in an amount determined by the state board of education as provided in this subsection. The state board of education shall:

1. Determine the amount of the assessed valuation per pupil (AVPP) of each school district in the state and round such amount to the nearest $1,000. The rounded amount is the AVPP of a school district for the purposes of this section;
2. Determine the median AVPP of all school districts;
3. Prepare a schedule of dollar amounts using the amount of the median AVPP of all school districts as the point of beginning. The schedule of dollar amounts shall range upward in equal $1,000 intervals from the point of beginning to and including an amount that is equal to the amount of the AVPP of the school district with the highest AVPP of all school districts and shall range downward in equal $1,000 intervals from the point of beginning to and including an amount that is equal to the amount of the AVPP of the school district with the lowest AVPP of all school districts;
4. (A) Determine a state aid percentage factor for each school district by assigning a state aid computation percentage to the amount of the median AVPP shown on the schedule, decreasing the state aid computation percentage assigned to the amount of the median AVPP by one percentage point for each $1,000 interval above the amount of the median AVPP, and increasing the state aid computation percentage assigned to the amount of the median AVPP by one percentage point for each $1,000 interval below the amount of the median AVPP. Except as provided by K.S.A. 2010 Supp. 75-2319c, and amendments thereto, the state aid percentage factor of a school district is the percentage assigned to the schedule amount that is equal to the amount of the AVPP of the school district. The state aid percentage factor of a school district shall not exceed 100%. The state aid computation percentage is 5% for contractual bond obligations incurred by a school district prior to the effective date of this act, and 25% for contractual bond obligations incurred by a school district on or after the effective date of this act;
4. (B) (i) For contractual bond obligations incurred by a school district prior to July 1, 1992, the state aid computation percentage is 5%.
(ii) For contractual bond obligations incurred by a school district on or after July 1, 1992, if the issuance of such bonds has been approved by the electors of the school district at an election held prior to January 1, 2013, the state aid computation percentage is 25%.
(iii) For contractual bond obligations incurred by a school district the issuance of which was approved by the electors of the district at an election held on or after January 1, 2013, the state aid computation percentage is 15%;
5. Determine the amount of payments in the aggregate that a school district is obligated to make from its bond and interest fund and, of such amount, compute the amount attributable to contractual bond obligations incurred by the school district prior to the effective date of this act and the amount attributable to contractual bond obligations incurred by the school district on or after the effective date of this act under paragraphs (4)(B)(i), (4)(B)(ii) and (4)(B)(iii) of this subsection;
(6) multiply each of the amounts computed under (5) by the applicable state aid percentage factor; and

(7) add the products obtained under (6). The amount of the sum is the amount of payment the school district is entitled to receive from the school district capital improvements fund in the school year.

c) The state board of education shall certify to the director of accounts and reports the entitlements of school districts determined under the provisions of subsection (b), and an amount equal thereto shall be transferred by the director from the state general fund to the school district capital improvements fund for distribution to school districts. All transfers made in accordance with the provisions of this subsection shall be considered to be demand transfers from the state general fund, except that all such transfers during the fiscal years ending June 30, 2011, and June 30, 2012, shall be considered to be revenue transfers from the state general fund.

d) Payments from the school district capital improvements fund shall be distributed to school districts at times determined by the state board of education to be necessary to assist school districts in making scheduled payments pursuant to contractual bond obligations. The state board of education shall certify to the director of accounts and reports the amount due each school district entitled to payment from the fund, and the director of accounts and reports shall draw a warrant on the state treasurer payable to the treasurer of the school district. Upon receipt of the warrant, the treasurer of the school district shall credit the amount thereof to the bond and interest fund of the school district to be used for the purposes of such fund.

e) The provisions of this section apply only to contractual obligations incurred by school districts pursuant to general obligation bonds issued upon approval of a majority of the qualified electors of the school district voting at an election upon the question of the issuance of such bonds.

(f) Amounts transferred to the capital improvements fund of a school district as authorized by K.S.A. 72-6433, and amendments thereto, shall not be included in the computation when determining the amount of state aid to which a district is entitled to receive under this section.

(11) multiply the remainder obtained under paragraph (10) by 92%.

The computed amount is the amount of state aid for the provision of special education and related services aid a school district is entitled to receive for the ensuing school year.

(b) Each school district shall be entitled to receive:

(1) Reimbursement for actual travel allowances paid to special teachers at not to exceed the rate specified under K.S.A. 75-3203, and amendments thereto, for each mile actually traveled during the school year in connection with duties in providing special education or related services for exceptional children; such reimbursement shall be computed by the state board by ascertaining the actual travel allowances paid to special teachers by the school district for the school year and shall be in an amount equal to 80% of such actual travel allowances;

(2) reimbursement in an amount equal to 80% of the actual travel expenses incurred for providing transportation for exceptional children to special education or related services; such reimbursement shall not be paid if such child has been counted in determining the transportation weighting of the district under the provisions of the school district finance and quality performance act;

(3) reimbursement in an amount equal to 80% of the actual expenses incurred for the maintenance of an exceptional child at some place other than the residence of such child for the purpose of providing special education or related services; such reimbursement shall not exceed $600 per exceptional child per school year; and

(4) subject to the provisions of subsection (f) and except for those school districts entitled to receive reimbursement under subsection (c) or (d), after subtracting the amounts of reimbursement under paragraphs (1), (2) and (3) of this subsection (a) from the total amount appropriated for special education and related services under this act, an amount which bears the same proportion to the remaining amount appropriated as the number of full-time equivalent special teachers who are qualified to provide special education or related services to exceptional children and are employed by the school district for approved special education or related services bears to the total number of such qualified full-time equivalent special teachers employed by all school districts for approved special education or related services.

Each special teacher who is qualified to assist in the provision of special education or related services to exceptional children shall be counted as 2/5 full-time equivalent special teacher who is qualified to provide special education or related services to exceptional children.

(c) Each school district which has paid amounts for the provision of special education and related services under an interlocal agreement shall be entitled to receive reimbursement under subsection (b)(4). The amount of such reimbursement for the district shall be the amount which bears the same relation to the aggregate amount available for reimbursement for the provision of special education and related services under the interlocal agreement, as the amount paid by such district in the current school year for provision of such special education and related services bears to the aggregate of all amounts paid by all school districts in the current school year who have entered into such interlocal agreement for provision of such special education and related services.
(d) Each contracting school district which has paid amounts for the provision of special education and related services as a member of a cooperative shall be entitled to receive reimbursement under subsection (b)(4). The amount of such reimbursement for the district shall be the amount which bears the same relation to the aggregate amount available for reimbursement for the provision of special education and related services by the cooperative, as the amount paid by such district in the current school year for provision of such special education and related services bears to the aggregate of all amounts paid by all contracting school districts in the current school year by such cooperative for provision of such special education and related services.

(e) No time spent by a special teacher in connection with duties performed under a contract entered into by the Kansas juvenile correctional complex, the Atchison juvenile correctional facility, the Larned juvenile correctional facility, or the Topeka juvenile correctional facility and a school district for the provision of special education services by such state institution shall be counted in making computations under this section.

(C) divide the remainder obtained under (B) by the total full-time equivalent enrollment of all school districts in the current school year;

(2) (A) multiply the quotient obtained under (1) (C) by the full-time equivalent enrollment of the school district in the current school year;

(B) multiply the product obtained under (2) (A) by .75. The product is the minimum amount of state aid the district may receive under paragraph (4) of subsection (b) for the current school year;

(C) multiply the quotient obtained under (2) (A) by 1.50. The product is the maximum amount of state aid the district may receive under paragraph (4) of subsection (b) for the current school year.

(3) If the amount determined under paragraph (4) of subsection (b) is less than the product obtained under (2)(B), the district shall receive state aid in an amount equal to the product obtained under (2)(B), plus any amount determined under paragraph (5) of this subsection.

(4) If the amount determined under paragraph (4) of subsection (b), plus any amount determined under paragraph (5) of this subsection, is greater than the product obtained under (2) (C), the district shall receive state aid in an amount equal to the product obtained under (2)(C). The balance of state aid remaining after determining the amount of state aid payable to districts under this paragraph shall be reallocated to districts as provided by paragraph (5) of this subsection.

(5) The balance of state aid remaining after determining the amount of state aid payable to districts under paragraph (4) of this subsection shall be reallocated to districts which have not received state aid in an amount equal to the product obtained
under (2)(B). Such state aid shall be reallocated to such districts in the same manner as
the original allocation. If the balance is insufficient to pay each such district the
minimum amount specified in this subsection, the state board shall prorate the balance
among such districts.

(6) The provisions of this subsection (f) shall expire on June 30, 2014.

(e) Any resolution authorizing the adoption of a local option budget in excess of 30% of the state financial aid of the district in the current school year adopted under subsection (b)(2) shall not become effective unless such resolution specifying the excess percentage has been submitted to and approved by a majority of the qualified electors of the school district voting at an election called and held thereon. The election shall be called and held in the manner provided by K.S.A. 10-120, and amendments thereto.

(f) Unless specifically stated otherwise in the resolution, the authority to adopt a local option operating budget shall be continuous and permanent. The board of any district which is authorized to adopt a local option budget may choose not to adopt such a budget or may adopt a budget in an amount less than the amount authorized. If the board of any district whose authority to adopt a local option budget is not continuous and permanent refrains from adopting a local option budget, the authority of such district to adopt a local option budget shall not be extended by such refrainment beyond the period specified in the resolution authorizing adoption of such budget.

(g) The board of any district may initiate procedures to renew or increase the authority to adopt a local option operating budget at any time during a school year after the tax levied pursuant to K.S.A. 72-6435, and amendments thereto, is certified to the county clerk under any existing authorization.

(h) The board of any district that is authorized to adopt a local option operating budget prior to the effective date of this act under a resolution which authorized the adoption of such budget in accordance with the provisions of this section in effect prior to its amendment by this act may continue to operate under such resolution for the period of time specified in the resolution or may abandon the resolution and operate under the provisions of this section as amended by this act. (B) If the district received supplemental general state aid in the school year, the state board shall determine the ratio of the amount of supplemental general state aid received to the amount of the local option operating budget of the district for the school year and multiply the total amount of the unexpended budget remaining by such ratio. An amount equal to the amount of the product shall be transferred to the general fund of the district or remitted to the state treasurer. Upon receipt of any such remittance, the state treasurer shall deposit the same in the state treasury to the credit of the state school district finance fund.

(5) (A) An amount equal to the product obtained by multiplying $420 by the adjusted enrollment of the district shall be transferred to the general fund of the district. Such amount shall be expended in the following manner and order of priority:

(i) (a) An amount equal to 10% of the state financial aid of the district directly attributable to at-risk pupils under K.S.A. 72-6414, and amendments thereto, and K.S.A. 2011 Supp. 72-6455 and 72-6459, and amendments thereto, shall be expended for at-risk assistance or programs in the district; and

(b) an amount equal to 10% of the state financial aid of the district directly attributable to bilingual education under subsection (a)(1) of K.S.A. 72-6413, and amendments thereto, shall be expended for bilingual education programs in the district; and

(ii) the remainder of such moneys, if any, shall be expended for general operating expenses.

(B) For the purposes of determining the total amount of state moneys paid to school districts, all moneys transferred under this paragraph shall be deemed to be state moneys for educational and support services for school districts.

(k) Each year the state board of education shall determine the statewide average percentage of local option operating budgets legally adopted by school districts for the preceding school year.

(l) For the purposes of this section, the term "local operating budget" means "local

Sec. 33. K.S.A. 2011 Supp. 72-6433d is hereby amended to read as follows: 72-6433d. (a) (1) The provisions of this subsection shall apply in any school year in which the amount of base state aid per pupil is $4,433 or less.

(2) The board of any school district may adopt a local option-operating budget which does not exceed the local option-operating budget calculated as if the base state aid per pupil was $4,433 or which does not exceed an amount as authorized by K.S.A. 72-6433, and amendments thereto, whichever is greater.

(b) (1) The provisions of this subsection shall apply in any school year in which the amount appropriated for state aid for special education and related services is less than the amount appropriated for state aid for special education and related services in school year 2008-2009.

(2) The board of education of any school district may adopt a local option-operating budget which does not exceed the local option-operating budget calculated as if the district received state aid for special education and related services equal to the amount of state aid for special education and related services received in school year 2008-2009, or which does not exceed an amount as authorized by K.S.A. 72-6433, and amendments thereto, whichever is greater.

(c) The board of education of any school district may exercise the authority granted under subsection (a) or (b) or both subsections (a) and (b).

(d) To the extent that the provisions of K.S.A. 72-6433, and amendments thereto, conflict with this section, this section shall control.

Sec. 34. K.S.A. 2011 Supp. 72-6434 is hereby amended to read as follows: 72-6434. (a) In each school year, each district that has adopted a local option-operating budget is eligible for entitlement to an amount of supplemental general state aid. Except as provided by K.S.A. 2011 Supp. 72-6434b, and amendments thereto, entitlement of a district to supplemental general state aid shall be determined by the state board as provided in this subsection. The state board shall:

(1) Determine the amount of the assessed valuation per pupil in the preceding school year of each district in the state;

(2) rank the districts from low to high on the basis of the amounts of assessed valuation per pupil determined under (1);

(3) identify the amount of the assessed valuation per pupil located at the 81.2 percentile of the amounts ranked under (2);

(4) divide the assessed valuation per pupil of the district in the preceding school year by the amount identified under (3);

(5) subtract the ratio obtained under (4) from 1.0. If the resulting ratio equals or exceeds 1.0, the eligibility of the district for entitlement to supplemental general state aid shall lapse. If the resulting ratio is less than 1.0, the district is entitled to receive supplemental general state aid in an amount which shall be determined by the state board by multiplying the amount of the local option-operating budget of the district by such ratio. The product is the amount of supplemental general state aid the district is entitled to receive for the school year.

(b) If the amount of appropriations for supplemental general state aid is less than
the amount each district is entitled to receive for the school year, the state board shall prorate the amount appropriated among the districts in proportion to the amount each district is entitled to receive.

(c) The state board shall prescribe the dates upon which the distribution of payments of supplemental general state aid to school districts shall be due. Payments of supplemental general state aid shall be distributed to districts on the dates prescribed by the state board. The state board shall certify to the director of accounts and reports the amount due each district, and the director of accounts and reports shall draw a warrant on the state treasurer payable to the treasurer of the district. Upon receipt of the warrant, the treasurer of the district shall credit the amount thereof to the supplemental general fund of the district to be used for the purposes of such fund.

(d) If any amount of supplemental general state aid that is due to be paid during the month of June of a school year pursuant to the other provisions of this section is not paid on or before June 30 of such school year, then such payment shall be paid on or after the ensuing July 1, as soon as moneys are available therefor. Any payment of supplemental general state aid that is due to be paid during the month of June of a school year and that is paid to school districts on or after the ensuing July 1 shall be recorded and accounted for by school districts as a receipt for the school year ending on the preceding June 30.

(e) (1) Except as provided by paragraph (2), moneys received as supplemental general state aid shall be used to meet the requirements under the school performance accreditation system adopted by the state board, to provide programs and services required by law and to improve student performance.

(2) Amounts of supplemental general state aid attributable to any percentage over 25% of state financial aid determined for the current school year may be transferred to the capital improvements fund of the district and the capital outlay fund of the district if such transfers are specified in the resolution authorizing the adoption of a local option operating budget in excess of 25%.

(f) For the purposes of determining the total amount of state moneys paid to school districts, all moneys appropriated as supplemental general state aid shall be deemed to be state moneys for educational and support services for school districts.

Sec. 35. K.S.A. 2011 Supp. 72-6435 is hereby amended to read as follows: 72-6435. (a) In each school year, the board of every district that has adopted a local option operating budget may, if the district has a local option operating budget which is not financed from any other source provided by law, levy an ad valorem tax on the taxable tangible property of the district for the purpose of: (1) Financing that portion of the district's local option operating budget which is not financed from any other source provided by law; (2) paying a portion of the principal and interest on bonds issued by cities under authority of K.S.A. 12-1774, and amendments thereto, for the financing of redevelopment projects upon property located within the district; and (3) funding transfers to the capital improvement fund of the district and the capital outlay fund of the district if such transfers are specified in the resolution authorizing the adoption of a local option operating budget in excess of 25% of state financial aid determined for the current school year.

(b) The proceeds from the tax levied by a district under authority of this section, except the proceeds of such tax levied for the purpose of paying a portion of the principal and interest on bonds issued by cities under authority of K.S.A. 12-1774, and amendments thereto, for the financing of redevelopment projects upon property located within the district, shall be deposited in the supplemental general fund of the district.
(c) No district shall proceed under K.S.A. 79-1964, 79-1964a or 79-1964b, and amendments to such sections.

Sec. 36. K.S.A. 2011 Supp. 72-6441 is hereby amended to read as follows: 72-6441. (a) (1) The board of any district to which the provisions of this subsection apply may levy an ad valorem tax on the taxable tangible property of the district each year for a period of time not to exceed two years in an amount not to exceed the amount authorized by the state court of tax appeals under this subsection for the purpose of financing the costs incurred by the state that are directly attributable to assignment of ancillary school facilities weighting to enrollment of the district. The state court of tax appeals may authorize the district to make a levy which will produce an amount that is not greater than the difference between the amount of costs directly attributable to commencing operation of one or more new school facilities and the amount that is financed from any other source provided by law for such purpose, including any amount attributable to assignment of school facilities weighting to enrollment of the district for each school year in which the district is eligible for such weighting. If the district is not eligible, or will be ineligible, for school facilities weighting in any one or more years during the two-year period for which the district is authorized to levy a tax under this subsection, the state court of tax appeals may authorize the district to make a levy, in such year or years of ineligibility, which will produce an amount that is not greater than the actual amount of costs attributable to commencing operation of the facility or facilities.

(2) The state court of tax appeals shall certify to the state board of education the amount authorized to be produced by the levy of a tax under subsection (a).

(3) The state court of tax appeals may adopt rules and regulations necessary to effectuate the provisions of this subsection, including rules and regulations relating to the evidence required in support of a district's claim that the costs attributable to commencing operation of one or more new school facilities are in excess of the amount that is financed from any other source provided by law for such purpose.

(4) The provisions of this subsection apply to any district that: (A) Commenced operation of one or more new school facilities in the school year preceding the current school year or has commenced or will commence operation of one or more new school facilities in the current school year or any or all of the foregoing; (B) is authorized to adopt and has adopted a local option operating budget which is at least equal to that amount required to qualify for school facilities weighting under K.S.A. 2011 Supp. 72-6415b, and amendments thereto; and (C) is experiencing extraordinary enrollment growth as determined by the state board of education.

(b) The board of any district that has levied an ad valorem tax on the taxable tangible property of the district each year for a period of two years under authority of subsection (a) may continue to levy such tax under authority of this subsection each year for an additional period of time not to exceed three years in an amount not to exceed the amount computed by the state board of education as provided in this subsection if the board of the district determines that the costs attributable to commencing operation of one or more new school facilities are significantly greater than the costs attributable to the operation of other school facilities in the district. The tax authorized under this subsection may be levied at a rate which will produce an amount that is not greater than the amount computed by the state board of education as provided in this subsection. In computing such amount, the state board shall: (1)
Determine the amount produced by the tax levied by the district under authority of subsection (a) in the second year for which such tax was levied and add to such amount the amount of general state aid directly attributable to school facilities weighting that was received by the district in the same year; (2) compute 75% of the amount of the sum obtained under (1), which computed amount is the amount the district may levy in the first year of the three-year period for which the district may levy a tax under authority of this subsection; (3) compute 50% of the amount of the sum obtained under (1), which computed amount is the amount the district may levy in the second year of the three-year period for which the district may levy a tax under authority of this subsection; and (4) compute 25% of the amount of the sum obtained under (1), which computed amount is the amount the district may levy in the third year of the three-year period for which the district may levy a tax under authority of this subsection.

In determining the amount produced by the tax levied by the district under authority of subsection (a), the state board shall include any moneys which have been apportioned to the ancillary facilities fund of the district from taxes levied under the provisions of K.S.A. 79-5101 et seq. and 79-5118 et seq., and amendments thereto.

(c) The proceeds from the tax levied by a district under authority of this section shall be remitted to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the state school district finance fund.

Sec. 37. K.S.A. 72-6444 is hereby amended to read as follows: 72-6444. (a) In each school year, commencing with the 1997-98 school year, the state board shall compute a district prescribed percentage for the purpose of determining the amount of a local option—operating budget the board of a district to which the provisions of this section apply may adopt for the school year. The district prescribed percentage for each district to which the provisions of this section apply shall be computed by the state board as provided in this section. The state board shall:

(1) Determine the actual amount per pupil for the preceding school year of the general fund budget and the local option—operating budget, if any, of each district;

(2) compute the average amount per pupil for the preceding school year of general fund budgets and local option—operating budgets of districts with 75-125 enrollment in such school year;

(3) compute the average amount per pupil for the preceding school year of general fund budgets and local option—operating budgets of districts with 200-399 enrollment in such school year;

(4) compute the average amount per pupil for the preceding school year of general fund budgets and local option—operating budgets of districts with 1,800 or over enrollment in such school year;

(5) compute an average amount per pupil for the preceding school year of general fund budgets and local option—operating budgets of districts with 100-299.9 enrollment in such school year by preparing a schedule based upon an accepted mathematical formula and deriving an amount for each such district from a linear transition between the average amount per pupil computed under (2) and the average amount per pupil computed under (3);

(6) compute an average amount per pupil for the preceding school year of general fund budgets and local option—operating budgets of districts with 300-1,799.9
enrollment in such school year by preparing a schedule based upon an accepted mathematical formula and deriving an amount for each such district from a linear transition between the average amount per pupil computed under (3) and the average amount per pupil computed under (4):

(7) for districts with 0-99.9 enrollment, compare the amount determined for the district under (1) to the average amount computed under (2). If the amount determined under (1) is equal to or greater than the average amount computed under (2), the provisions of this section do not apply to the district. If the amount determined under (1) is less than the average amount computed under (2), subtract the amount determined under (1) from the amount computed under (2), multiply the remainder by enrollment of the district in the preceding school year, and divide the product by the amount of state financial aid determined for the district in the preceding school year. The quotient is the district prescribed percentage of the district;

(8) for districts with 100-299.9 enrollment, compare the amount determined for the district under (1) to the average amount computed under (5). If the amount determined under (1) is equal to or greater than the average amount computed under (5), the provisions of this section do not apply to the district. If the amount determined under (1) is less than the average amount computed under (5), subtract the amount determined under (1) from the amount computed under (5), multiply the remainder by enrollment of the district in the preceding school year, and divide the product by the amount of state financial aid determined for the district in the preceding school year. The quotient is the district prescribed percentage of the district;

(9) for districts with 300-1,799.9 enrollment, compare the amount determined for the district under (1) to the average amount computed under (6). If the amount determined under (1) is equal to or greater than the average amount computed under (6), the provisions of this section do not apply to the district. If the amount determined under (1) is less than the average amount computed under (6), subtract the amount determined under (1) from the amount computed under (6), multiply the remainder by enrollment of the district in the preceding school year, and divide the product by the amount of state financial aid determined for the district in the preceding school year. The quotient is the district prescribed percentage of the district;

(10) for districts with 1,800 or over enrollment, compare the amount determined for the district under (1) to the average amount computed under (4). If the amount determined under (1) is equal to or greater than the average amount computed under (4), the provisions of this section do not apply to the district. If the amount determined under (1) is less than the average amount computed under (4), subtract the amount determined under (1) from the amount computed under (4), multiply the remainder by enrollment of the district in the preceding school year, and divide the product by the amount of state financial aid determined for the district in the preceding school year. The quotient is the district prescribed percentage of the district.

(b) The provisions of this section apply to any district that budgeted an amount per pupil in the preceding school year, as determined under provision (1) of subsection (a), that was less than the average amount per pupil of general fund budgets and local option operating budgets computed by the state board under whichever of the provisions (7) through (10) of subsection (a) is applicable to the district's enrollment group.

(c) For the purposes of this section, the term "local operating budget" means "local option budget" as that term was used prior to the amendment of this section by this act.
Sec. 38. K.S.A. 2011 Supp. 72-6449 is hereby amended to read as follows: 72-6449. (a) As used in this section, "school district" or "district" means a school district authorized to make a levy under this section.

(b) The board of education of any district may levy a tax on the taxable tangible property within the district for the purpose of financing the costs incurred by the state that are attributable directly to assignment of the cost of living weighting to the enrollment of the district. There is hereby established in every school district a fund which shall be called the cost of living fund, which fund shall consist of all moneys deposited therein or transferred thereto in accordance with law. All moneys derived from a tax imposed pursuant to this section shall be credited to the cost of living fund. The proceeds from the tax levied by a district credited to the cost of living fund shall be remitted to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the state school district finance fund.

(c) The state board of education shall determine whether a district may levy a tax under this section as follows:

(1) Determine the statewide average appraised value of single family residences for the calendar year preceding the current school year;
(2) multiply the amount determined under (1) by 1.25;
(3) determine the average appraised value of single family residences in each school district for the calendar year preceding the current school year; and
(4) (A) subtract the amount determined under (2) from the amount determined under (3). If the amount determined for the district under this paragraph is a positive number and the district is authorized to adopt and has adopted a local option operating budget in an amount equal to at least 31% of the state financial aid for the school district, the district qualifies for assignment of cost of living weighting and may levy a tax on the taxable tangible property of the district for the purpose of financing the costs that are attributable directly to assignment of the cost of living weighting to enrollment of the district; or
(B) as an alternative to the authority provided in paragraph (4)(A), if a district was authorized to make a levy pursuant to this section in school year 2006-2007, such district shall remain authorized to levy such tax at a rate necessary to generate revenue in the same amount generated in school year 2006-2007 if: (i) The amount determined under paragraph (4)(A) is a positive number; and (ii) the district continues to adopt a local option operating budget in an amount equal to the state prescribed percentage in effect in school year 2006-2007.

(d) No tax may be levied under this section unless the board of education adopts a resolution authorizing such a tax levy and publishes the resolution at least once in a newspaper having general circulation in the district. Except as provided by subsection (e), the resolution shall be published in substantial compliance with the following form:
Unified School District No. ______,
________________________ County, Kansas.

RESOLUTION

Be It Resolved that:
The board of education of the above-named school district shall be authorized to levy an ad valorem tax in an amount not to exceed the amount necessary to finance the costs
attributable directly to the assignment of cost of living weighting to the enrollment of the district. The *ad valorem* tax authorized by this resolution may be levied unless a petition in opposition to the same, signed by not less than 5% of the qualified electors of the school district, is filed with the county election officer of the home county of the school district within 30 days after the publication of this resolution. If a petition is filed, the county election officer shall submit the question of whether the levy of such a tax shall be authorized in accordance with the provisions of this resolution to the electors of the school district at the next general election of the school district, as is specified by the board of education of the school district.

CERTIFICATE

This is to certify that the above resolution was duly adopted by the board of education of

Unified School District No. _______, ____________ County, Kansas, on the ____ day of ________, (year)____.

__________________________
Clerk of the board of education.

All of the blanks in the resolution shall be filled. If no petition as specified above is filed in accordance with the provisions of the resolution, the resolution authorizing the *ad valorem* tax levy shall become effective. If a petition is filed as provided in the resolution, the board may notify the county election officer to submit the question of whether such tax levy shall be authorized. If the board fails to notify the county election officer within 30 days after a petition is filed, the resolution shall be deemed abandoned and of no force and effect and no like resolution shall be adopted by the board within the nine months following publication of the resolution. If a majority of the votes cast in an election conducted pursuant to this provision are in favor of the resolution, such resolution shall be effective on the date of such election. If a majority of the votes cast are not in favor of the resolution, the resolution shall be deemed of no effect and no like resolution shall be adopted by the board within the nine months following such election.

(e) In determining the amount produced by the tax levied by the district under the authority of this section, the state board shall include any moneys which have been apportioned to the cost of living fund of the district from taxes levied under the provisions of K.S.A. 79-5101 *et seq.* and 79-5118 *et seq.*, and amendments thereto.

Sec. 39. K.S.A. 2011 Supp. 72-6451 is hereby amended to read as follows: 72-6451. (a) As used in this section:

(1) "School district" or "district" means a school district which: (A) Has a declining enrollment; and (B) has adopted a local *option-operating* budget in an amount which equals at least 31% of the state financial aid for the school district at the time the district applies to the state court of tax appeals for authority to make a levy pursuant to this section.

(2) "Declining enrollment" means an enrollment which has declined in amount from that of the preceding school year.

(b) (1) (A) A school district may levy an *ad valorem* tax on the taxable tangible property of the district each year for a period of time not to exceed two years in an amount not to exceed the amount authorized by the state court of tax appeals under this subsection for the purpose of financing the costs incurred by the state that are directly attributable to assignment of declining enrollment weighting to enrollment of the district. The state court of tax appeals may authorize the district to make a levy which
will produce an amount that is not greater than the amount of revenues lost as a result of the declining enrollment of the district. Such amount shall not exceed 5% of the general fund budget of the district in the school year in which the district applies to the state court of tax appeals for authority to make a levy pursuant to this section.

(B) As an alternative to the authority provided in paragraph (1)(A), if a district was authorized to make a levy pursuant to this section in school year 2006-2007, such district shall remain authorized to make a levy at a rate necessary to generate revenue in the same amount that was generated in school year 2007-2008 if the district adopts a local option-operating budget in an amount equal to the state prescribed percentage in effect in school year 2006-2007.

(2) The state court of tax appeals shall certify to the state board the amount authorized to be produced by the levy of a tax under this section.

(3) The state board shall prescribe guidelines for the data that school districts shall include in cases before the state court of tax appeals pursuant to this section.

(c) A district may levy the tax authorized pursuant to this section for a period of time not to exceed two years unless authority to make such levy is renewed by the state court of tax appeals. The state court of tax appeals may renew the authority to make such levy for periods of time not to exceed two years.

(d) The state board shall provide to the state court of tax appeals such school data and information requested by the state court of tax appeals and any other information deemed necessary by the state board.

(e) There is hereby established in every district a fund which shall be called the declining enrollment fund. Such fund shall consist of all moneys deposited therein or transferred thereto according to law. The proceeds from the tax levied by a district under authority of this section shall be credited to the declining enrollment fund of the district. The proceeds from the tax levied by a district credited to the declining enrollment fund shall be remitted to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the state school district finance fund.

(f) In determining the amount produced by the tax levied by the district under authority of this section, the state board shall include any moneys which have been apportioned to the declining enrollment fund of the district from taxes levied under the provisions of K.S.A. 79-5101 et seq. and 79-5118 et seq., and amendments thereto.

Sec. 40. K.S.A. 2011 Supp. 72-6456 is hereby amended to read as follows: 72-6456. (a) For the purpose of determining the general fund budget of a school district, weightings shall not be assigned to a pupil enrolled in and attending KAMS.

(b) Moneys in the general fund which are attributable to a pupil enrolled in and attending KAMS shall not be included in the computation of the local option-operating budget of the school district.

(c) The provisions of this section shall be part of and supplemental to the school district finance and quality performance act.

New Sec. 41. (a) In any action challenging the adequacy of the state's provision for finance of the educational interests of the state, no less than 65% of all state moneys appropriated, distributed or otherwise provided by or through the state to school districts shall be deemed by the court to have been expended in the classroom or for instruction, as defined in subsection (d) of K.S.A. 2011 Supp. 72-64c01, and
amendments thereto. Such moneys shall be deemed by the court to have been first applied to pay the costs related to providing the areas of instruction required by K.S.A. 72-1101, 72-1103 and 72-1117, and amendments thereto, and for the course included in the precollege curriculum prescribed by the state board of regents pursuant to K.S.A. 76-717, and amendments thereto.

(b) Any party challenging the adequacy of the state's provision for finance of the educational interests of the state shall have the burden, at all times, to prove that state moneys appropriated, distributed or otherwise provided by the state to a school district or districts, which is the subject of such action, were not sufficient to fund the costs of the areas of instruction required by K.S.A. 72-1101, 72-1103 and 72-1117, and amendments thereto, and for courses included in the precollege curriculum prescribed by the state board of regents pursuant to K.S.A. 76-717, and amendments thereto.

(c) For purposes of determining the adequacy of the state's provision for finance of the educational interests of the state, educational programs that school districts are required to provide pursuant to federal law shall not be included.

Prayer by Chaplain Brubaker:

Lord,
We pause for a moment and invite Your Spirit to permeate this room.
I pray for these leaders the following:
Help them to love truth,
gain wisdom,
display courage,
maintain impartiality,
speak tactfully,
remain patient,
live with integrity,
be sharp with insight
and quick to seek discernment.
All these things are those for which Your Word encourages leaders to seek and to be.
And in the midst of all this, may they not forget humor, for Your Word assures us that “a cheerful disposition is good for our health; gloom and doom leave you bone-tired.”
Please be with Representative Schwab as he is at the hospital with his son.
May it not be too serious and we ask for healing of his body.
In Your Son’s Name I pray, Amen.

MESSAGE FROM THE SENATE

Announcing the Senate herewith transmits the veto message from the Governor on SB 353, An Act concerning barbers; relating to the powers of the board; fees; licensure; amending K.S.A. 65-1819 and 65-1820a and K.S.A. 2011 Supp. 65-1817 and 65-1824 and repealing the existing sections,

which was received on April 4, 2012, and was read before the Senate on April 25, 2012.

Message from the Governor

Recent indicators show the economic recovery in Kansas is underway, yet remains fragile. As I set forth in my Roadmap for Kansas, now is the time for government to get out of the way by reducing spending, cutting taxes, and returning to its core functions. Only when the state’s economic role is limited to maintaining a fair and safe playing field for all can the resourcefulness, ingenuity, and hard work of Kansans in every field of labor be fully realized. Now is not the time to add layer after layer of regulatory fees, burdensome certification requirements, barriers to entry, and bureaucracy to our economy.

While SB 353 deals only with one business, it is a clear example of the steady growth of state power over economic activity. By vetoing SB 353, I intend not only to prevent this small increase of government interference in the marketplace, but also to send the clear message that Kansas will not accept unnecessary government burdens on the free market. It is time to take the parking brake off of the dynamic economic engine that is the Kansas spirit, which if unleashed, will generate growth and prosperity for all.

Therefore, pursuant to Article 2, Section 14(a) of the Constitution of the State of Kansas, I hereby veto SB 353.

SAM BROWNBACK
Governor

Dated: April 4, 2012

There being no motion to reconsider the veto on SB 353, the President ruled the veto sustained.

**EXPLANATIONS OF VOTE**

**MR. SPEAKER:** I vote No on **H Sub for SB 313**. While I consider myself a pro-life legislator and usually vote accordingly, I cannot support **H Sub for SB 313**. I believe any legislation that allows physicians to not fully and accurately inform their patients to be the worst health policy imaginable. – **KATHY WOLFE MOORE**

**MR. SPEAKER:** I cannot in good conscience vote for a bill that forbids teaching doctors potentially life-saving procedures and forbids hospitals from allowing them, that puts
employers at risk of losing tax coverage when they provide health insurance, that creates a wrongful death suit for the death of a fertilized egg before it attaches to the uterus and becomes a fetus. As a pro life woman, I cannot vote for a bill that will sacrifice the life of any woman or deny her information to save her life. This legislation is a very dangerous precedent of state control. I vote no on H Sub for SB 313. – PAT COLLOTON

Mr. Speaker: Laws that are directed specifically at the women of Kansas have dominated the legislature in recent years. It is tragic that as some have rushed through the passage of these laws, they have failed to properly vet them through the entire committee process. Women must have accurate medical information as well as true informed consent. H Sub for SB 313 purposely creates confusion about risks associated with medical treatments; it requires limited informed consent information that is one-sided; it allows healthcare providers to withhold information from patients, which is unethical. Therefore, I vote no. – BARBARA BOLLIER, KAY WOLF, SHERYL SPALDING, JO ANN POTTORFF, LOUIS RUIZ, ANNIE TETZE, ANNIE KUETHER, GAIL FINNEY, TOM BURROUGHS, ED TRIMMER, BARBARA BALLARD, PAUL DAVIS, SYDNEY CARLIN, CHARLES B. ROTH

Mr. Speaker: If the Governor wonders why our children leave the state, he has only to look at this bill. What woman would stay in a state that thinks she is a stupid cow, incapable of handling the truth about her pregnancy? Where we promote junk science? Where her medical records could be searched for tax violations? Where it is legal for your doctor to lie? Tax breaks don't cause abortions. Unwanted pregnancies cause abortions. Could we work on that? If this bill becomes law, our children will have reason to move away and never come back. Stop this war on women. I vote no on H Sub for SB 313. – ANN E. MAH, NILE DILLMORE

Mr. Speaker: I vote yes on H Sub for SB 313. Make no mistake...Abortion is not about health, it is solely about death, the death of a living, human, person that is innocent of any crime.

The act of abortion comes to kill, to thieve, and to destroy. We bring this legislation in hopes that the child growing in the mother's womb might have life, and have it to the full. – STEVEN R. BRUNK, S. MIKE KIEGERL, TERRI LOIS GREGORY, JIM HOWELL, MARIO GOICO, JOSEPH SCAPA, TOM ARPKE

Mr. Speaker: I vote no on H Sub for SB 313 not because of it's pro life features, but because of 20 pages of tax law changes that complicate everyone's personal and business life with little or no effect. We can do better. – TOM MOXLEY, DON HINEMAN

SB 314, AN ACT concerning the department of wildlife, parks and tourism; relating to licenses; related to hunting; amending K.S.A. 2011 Supp. 32-906, 32-919 , 32-932, 32-937, 32-988 and 32-1002 and repealing the existing sections, was considered on final action.

SIXTY-FIFTH DAY

HALL OF THE HOUSE OF REPRESENTATIVES,
TOPEKA, KS, Wednesday, May 9, 2012, 10:00 a.m.

The House met pursuant to adjournment with Speaker O'Neal in the chair.

The roll was called with 124 members present.

Rep. LeDoux was excused on verified illness.

Prayer by Chaplain Brubaker:

Lord,

Some may have come in today
feeling a bit jet lagged from being here late last night.

Some may be feeling like the saying that,

“a conclusion is the place where you get tired of thinking,”

and wonder if in exhaustion, we made wise decisions.

Today, help each one to seek to live, speak, act and decide

for that which brings honor to You.

I pray for our Speaker as he leads this House

and builds bridges between the two bodies of the legislature

I pray for the Majority and Minority leaders

as they work together to bring about consensus between the two parties.

I pray for the Caucus Chairs as they work with their party members—

leading to know when to stand firm, and when to reconsider.

Help them all to remember the “Big Four”—

communication – cooperation – consideration – collaboration.

And, Lord, we thank you today for the best college

football coach ever – and, yes, I am biased!

Seriously, we do appreciate and recognize all that

Coach Snyder has done not only for the school,

but for the state of Kansas.

In Christ’s Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Prescott.

MESSAGES FROM THE GOVERNOR

HB 2631, HB 2777 approved on May 8, 2012.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Meier are spread upon the Journal:

As Mother’s Day is right around the corner, we are all thinking about the strong women in our lives and Kansas is known for its strong women. If you ever take the time for a walk on the Capitol grounds, you will notice the statue dedicated to the pioneer women of Kansas on the South lawn. We honor our strong women in Kansas.

Before you, stands a group of young strong women, strong pioneer women - literally. This is the Leavenworth Highschool Pioneers Girls Powerlifting Team.

On March 31st, these Lady Pioneers made the trip to Oklahoma City, Oklahoma, to compete in the Natural Athlete Strength Association Highschool Nationals. There, they earned multiple team and individual awards and brought 3 National titles home to Kansas. They earned the National Title for Power Press Combined, the National Title for Junior/Senior Unequipped Powerlift, and the National Title for Unequipped Powerlift Combined.

The Lady Pioneers showed their dominance of the meet by having 13 compete on that day, with 12 lifters on the team doing no worse than second place in any event they entered.

I would like to introduce the individual National Champions:

Freshman Hannah Overbey earned her national champion title in Unequipped Powerlifting for the Freshman/Sophomore division and she earned the Overall Best Lifter award as the pound-for-pound strongest in Powerlifting. Hannah also took 2nd in Power Press to her teammate Maggie Lee.

Maggie Lee earned her title as National Champion for the second year in a row, in both the power clean/bench press event and Unequipped Powerlifting for the Junior/Senior division. Maggie was the Overall Best Lifter in Power Press and earned new American records in every lift. The highlight of the day for Lee was the fact that she had been trailing a girl from Oklahoma the entire day in Powerlifting, and came back to win during the deadlift by setting an American record of 269.5 lbs.

Senior Lauren Patelli lead the way as the National Champion in Power Press, an event contested by all high school weight classes for females, recording an American record of 143 lbs clean and a 99 lb bench press. Lauren also took 2nd in the Junior/Senior Powerlifting division to her team mate and first year contestant, Tabitha Larkin.

Tabitha Larkin took 3rd in Power Press in addition to her National Champion title in the Junior/Senior Powerlifting division. During Tabitha’s road to her national title, she posted an American record squat of 214.5 lbs.

Senior Janay Johnson finished her Leavenworth Powerlifting career in style by
repeating as national champion in two events. Janay hoisted the American records in every lift, and was the Overall Best Lifter for Power Press and Outstanding Lifter for all weight classes and age groups, earning her a very unique championship belt that was almost too big for her to wear. The two awards make for seven total best lifter trophies earned by Janay during the 2012 calendar year, a feat that would be difficult to match by any competitive lifter of any age.

Junior Lacie Thornton earned her National Champion titles for a second year, in both Power Press and Powerlifting. Lacie also broke an American record in Power Press on the strength of her personal record of a 143 lb clean and a 115.5 lb bench press.

Hunter Anne Postier came in 2nd place for unequipped Powerlifting and earned her National Champion titles in both the Power Press and Bench Press by setting American records in the clean at 176 lbs and the bench press at 137.5 lbs.

Emily Ruble took home her National Champion titles in both the Clean and Bench Press for the second year in a row.

Accompanying the team today is their proud coach, Daniel Capps, and the highschool’s Athletic Director, Shawn Terry.

I am sure you all agree, this is quite an impressive group of young ladies. I have a certificate for the team that reads: Fellow Representatives, please help me to recognize our strong women of Kansas and Leavenworth Highschool: the Leavenworth Highschool Pioneer Girls Powerlifting Team.

On motion of Rep. Carlson to concur in Senate amendments to S Sub for HB 2117, Rep. Kinzer moved, pursuant to House Rule 2304, to move the previous question. Rep. Moxley rose on a point of order and offered a motion to adjourn, which was ruled out of order. Rep. Moxley requested a ruling from the Rules Chair on the motion of Rep. **EXPLANATIONS OF VOTE**

MR. SPEAKER: I vote no S Sub for HB 2117 because it pits those who are a business against those who get a W-2 from the business. It runs the state in the red and will not grow anything. Voting for something in a high pressure last minute deal is not the way to run a railroad, no wait, I guess that is exactly the way to run a Railroad. -- BILL OTTO
Mr. Speaker: **S Sub for HB 2117** will decimate any possibility of properly funding education. I have been on the losing side of many issues in my 17 years here, but this is the first time I've been ashamed of the process. I vote **NO** on **S Sub for HB 2117.** – **GERALDINE FLAHERTY**

Mr. Speaker: Economists have long debated the value of tax cuts on the economy. To assume that tax cuts will so increase business that the net effects will be a revenue gain is a myth. This was tried, of course, under President Reagan, and found to be wanting. Estimates generated from our research department show that our budget will be underwater in 2014, 2015, 2016, 2017—I vote no on **S Sub for HB 2117.** – **SYDNEY CARLIN**

Mr. Speaker: Members of the Kansas House of Representatives I, like you, was elected to represent the citizens of my, or your, district, in this body. I believe all of the citizens of Kansas believe we live in a democratic republic. It is not a principle of a democratic republic to stifle debate. I vote **no** on **S Sub for HB 2117.** – **BOB BETHELL**

Mr. Speaker: I was elected to represent the citizens of the 86th District. With this maneuvering my constituents' voices and concerns have not been heard—they have been disregarded, disenfranchised, and marginalized. Mr. Speaker, I vote **NO** on **S Sub for HB 2117.** – **JUDITH LOGANBILL**

Mr. Speaker: This is a train wreck. This is not conservative policy. I vote **no** on **S Sub for HB 2117.** – **VINCENT WETTA**

Mr. Speaker: This bill affects all Kansans—not just some. Yet, only a small percentage were allowed to be represented today. Debate has been intentionally stifled by a small majority of this chamber. I am appalled that so little consideration of our constituents has been given. For this reason, I must vote no on **S Sub for HB 2117.** – **ANNIE TIETZE**

Mr. Speaker: I vote **no** on **S Sub for HB 2117** because I believe voting on this bill without the opportunity of being vetted or debated by the elected officials of each district of this state is not only irresponsible but disgraceful. Unlike others in this chamber, I am not surprised to see the voices of our represented districts silenced. For the four years I have been here in the House chamber, I have repeatedly seen many voices, organizations, and people in need completely ignored time after time. I hope and pray we will do better in the future. We all work for the citizens of Kansas and apparently we have forgotten. – **GAIL FINNEY**

Mr. Speaker: We have had to make massive cuts to programs for seniors, veterans, children, schools, the disabled and the families in need of assistance in the past few years because of the poor economy. Now that the economy is improving we are going to artificially devastate the State general fund and create the need for future massive cuts to these programs. This tax policy breaks the promise that we have made to Kansas citizens and will make Kansas a good place to live for only the most wealthy. Mr. Speaker, I vote “**No” on **S Sub for HB 2117.** – **ED TRIMMER**

Mr. Speaker: I vote no on **S Sub for HB 2117** simply because I do not know enough about it to vote yes. The debate was stopped prematurely by a procedure that was
exercised to stifle our due diligence by limiting our deliberations. This is indeed a sad day when we do not give all colleagues of differing viewpoints the courtesy of time to ask questions, clarify and to state their opposing positions. Oddly enough the same procedure also limited statements of support. – JOHN C GRANGE

MR. SPEAKER: I vote no on this motion to concur on S Sub for HB 2117. The Senate tax plan was voted down and was only reconsidered and passed after pressure from the governor. Now we are passing a tax plan that put us $2.7 billion in the hole, but we are assured that the administration says “We can make it work.” There is also the notion that the bill will remain unsigned until the Senate “comes to its senses.” This is Washington politics of the highest order, some will call it blackmail. Kansans should be ashamed of its legislature today. This is not the Kansas way. – CHARLES ROTH

MR. SPEAKER: Walking up to the edge of the cliff. We watched Congress do that last winter with devastating effects on the stock market, business, consumer confidence and the resulting human toll to everyone in the U.S. Economy. This is no different in the toll it will put on Kansas, its services, its roads, its schools, and most importantly its people. The short-changing of our colleague's rights to explain their vote and change their votes is unprecedented. I vote no on S Sub for HB 2117. – TOM MOXLEY

Mr. Speaker: I vote No on S Sub for HB 2117. In my almost twenty years in the House of Representatives, I have never seen debate stifled in this manner. I have spent a lot of late nights in this Chamber listening and debating a lot of tough and contentious issues. It is sad to see some members of this Chamber, not allow their colleagues their opportunity to represent the people who elected them. I vote no on S Sub for HB 2117. – BOB GRANT

MR. SPEAKER: Today is a sad day in the people’s House. As debate was stifled on this bill there were at least 10 Representatives waiting to address the legislation. I do not believe there is one among us who is not prepared to support tax relief this year. I do not believe there is one among us who does not believe that Kansas economy is rebounding and that our revenues will increase during the next year. We can afford to simplify and lower taxes. This bill goes way too far. This is the most irresponsible legislation I have seen in my career. I vote no on S Sub for HB 2117. – DON HILL

MR. SPEAKER: I vote yes on S Sub for HB 2117. For too many years our state had a failed tax policy that has put us in the red, and it is time we move our state forward with a tax plan that will grow our economy and create jobs. This tax plan will lower income and sales tax for all Kansans and create better jobs that will increase the quality of life for Kansans. – BRENDA K. LANDWEHR, AMANDA GROSSERODE, SHARON SCHWARTZ, DENNIS E. HEDKE, TERRILOIS GREGORY, BRETT HILDABRAND, CONNIE O’BRIEN, RANDY GARBER, JANA GOODMAN, PEGGY MST, KYLE HOFFMAN, JOE SEIWERT, JOHN RUBIN, JOSEPH SCAPA

On motion of Rep. Siegfried, the House recessed until 4:45 p.m.

LATE AFTERNOON SESSION
The House met pursuant to recess with Speaker O'Neal in the chair.

Prayer by Chaplain Brubaker:

Our Heavenly Father,
As I thought about what to pray today,
my spirit was checked and I believe
I am to pray this passage of Scripture
that I shared earlier with some of the leaders.
“Be still and know that I am God.”
What does this mean for our leaders today
as they make tough decisions?
Be still – help us to quiet ourselves,
to cease from our own efforts,
to relax, to quit striving
get over ourselves – chill.
And know – help us to not just know about You,
but to know You experientially –
to know Your power, love, forgiveness and holiness.
I am God – help us to understand You Are –
That You are who You are –
You are the Beginning and the End –
You have always been and always will be –
You are who we need You to be today.
Help our leaders to think about, dwell, and live out
this passage today as they speak,
vote, and how they treat one another.
In Christ’s Name I pray, Amen.
(Psalm 46:10)

The Pledge of Allegiance was led by Rep. Slattery.

INTRODUCTION OF GUESTS
There being no objection, the following remarks of Rep. Goico are spread upon the
This certificate acknowledges the achievements of the Salvation Army in the Kansas Supportive Services for Veteran Families program.

The nature of combat in Iraq and Afghanistan has had a detrimental impact on service members and their families. Quite often veterans return home and find themselves without a job and on the verge of losing their homes. Suicide rates have escalated rapidly among these veterans. Programs like this one help protect those who have protected our country and our freedoms, and their families.

The Salvation Army received a grant last year from the United States Department of Veteran Affairs to serve veterans throughout the state.

This program addresses the housing needs for very low income Kansas veterans and their families who are, at the present time, homeless or at risk of becoming homeless. This program provides specialized housing services, case management, access to veteran and state benefits, temporary financial assistance and other supportive services.

The primary goals of the program are:

1) Veterans at risk of becoming homeless will remain housed in appropriate, affordable housing.
2) Homeless veterans will be housed immediately.
3) Veterans will increase their income through counseling and employment assistance.

Program Accomplishments:
- The first veteran participant was enrolled in November, 2011.
- As of April 30, 2012, 169 veterans and their families have been settled in 93 households across the state of Kansas.
- These households include 48 children.
- 82 individuals have completed the program during the first 6 months of service with 95% exiting the program with permanent housing.

This certificate recognizes these memorable achievements in service of our veterans and our state, and offers the wishes of the Kansas House of Representative for continued success.

Rep. Goico presented a framed House certificate to members of the Salvation Army.

**FINAL ACTION ON BILLS AND CONCURRENT RESOLUTIONS**

**H Sub for SB 59**, AN ACT concerning property taxation; relating to exemptions;
commercial and industrial machinery and equipment; classification; amending K.S.A. 2011 Supp. 79-223 and repealing the existing section, was considered on final action.

On roll call, the vote was: Yeas 103; Nays 21; Present but not voting: 0; Absent or not voting: 1.

Present but not voting: None.

Absent or not voting: LeDoux.

The substitute bill passed, as amended.

EXPLANATION OF VOTE

MR. SPEAKER: H Sub for SB 59 intends to ensure machinery and equipment considered as personal property prior to the enactment of the commercial and industrial machinery and equipment exemption continues to be considered personal property after its enactment. The bill intends to capture property that was exempt in 2006. If exempt property was ordered to be exempt by the Court of Tax Appeals and described as "machinery and equipment" or "personal property", it should continue to be classified as personal property after the expiration of the exemption period. This accomplishes that goal. Although this is written, I am shouting legislative intent. I vote yes. -- SCOTT SCHWAB, MARVIN KLEEB, RICHARD CARLSON

CONFERENCE COMMITTEE REPORT

MR. PRESIDENT and MR. SPEAKER: Your committee on conference on House amendments to House Substitute for SB 160 submits the following report:

The Senate accedes to all House amendments to the bill, and your committee on conference further agrees to amend the bill as printed to House Substitute for Senate Bill No.160, as follows:

On page 1, by striking all in lines 6 through 36;
On page 2, by striking all in lines 1 through 13 and inserting:

"Section 1. K.S.A. 2011 Supp. 23-3103 is hereby amended to read as follows: follows: 23-3103. (a) Any new or modified order for support shall include a provision for the withholding of income to enforce the order for support.

(b) Except as otherwise provided in subsection (j), (k) or (l), all new or modified orders for support shall provide for immediate issuance of an income withholding order."
The income withholding order shall be issued without further notice to the obligor and shall specify an amount sufficient to satisfy the order for support and to defray any arrearage. The income withholding order shall be issued regardless of whether a payor subject to the jurisdiction of this state can be identified at the time the order for support is entered.

(c) Except as otherwise provided in this subsection or subsections (j) or (l), if no income withholding order is in effect to enforce the support order, an income withholding order shall be issued by the court upon request of the obligee or public office, provided that the obligor accrued an arrearage equal to or greater than the amount of support payable for one month and the requirements of subsections (d) and (h) have been met. The income withholding order shall be issued without further notice to the obligor and shall specify an amount sufficient to satisfy the order for support and to defray any arrearage. The income withholding order shall be issued regardless of whether a payor subject to the jurisdiction of this state can be identified at the time the income withholding order is issued.

(d) Not less than seven days after the obligee or public office has served a notice pursuant to subsection (h), the obligee or public office may initiate income withholding pursuant to paragraph (1) or (2).

(1) The obligee or public office may apply for an income withholding order by filing with the court an affidavit stating: (A) The date that the notice was served on the obligor and the manner of service; (B) that the obligor has not filed a motion to stay issuance of the income withholding order or, if a motion to stay has been filed, the reason an income withholding order must be issued immediately; (C) a specified amount to be withheld by the payor to satisfy the order of support and to defray any arrearage; (D) whether the income withholding order is to include a medical withholding order; and (E) that the amount of the arrearage as of the date the notice to the obligor was prepared was equal to or greater than the amount of support payable for one month. In addition to any other penalty provided by law, the filing of such an affidavit with knowledge of the falsity of a material declaration is punishable as a contempt.

Upon the filing of the affidavit, the income withholding order shall be issued without further notice to the obligor, hearing or amendments of the support order. Payment of all or part of the arrearage before issuance of the income withholding order shall not prevent issuance of the income withholding order, unless the arrearage is paid in full and the order for support does not include an amount for the current support of a person. No affidavit is required if the court, upon hearing a motion to stay issuance of the income withholding order or otherwise, issues an income withholding order.

(2) In a title IV-D case, the IV-D agency may issue an income withholding order as authorized by K.S.A. 39-7,147, and amendments thereto. Any such income withholding order shall be considered an income withholding order issued pursuant to this act.

(e) (1) An income withholding order shall be directed to any payor of the obligor. Notwithstanding any other requirement of this act as to form or content, any income withholding order prepared in a standard format prescribed by the secretary of social and rehabilitation services shall be deemed to be in compliance with this act.

(2) An income withholding order which does not include a medical withholding order shall require the payor to withhold from any income due, or to become due, to the obligor a specified amount sufficient to satisfy the order of support and to defray any
arrearage and shall include notice of and direction to comply with the provisions of K.S.A. 2011 Supp. 23-3104 and 23-3105, and amendments thereto.

3) An income withholding order which consists only of a medical withholding order shall include notice of the medical child support order and shall conform to the requirements of K.S.A. 2011 Supp. 23-3116, and amendments thereto. The medical withholding order shall include notice of and direction to comply with the requirements of K.S.A. 2011 Supp. 23-3104, 23-3105, 23-3114 and 23-3117, and amendments thereto.

4) An income withholding order which includes both a medical withholding order and an income withholding order for cash support shall meet the requirements of paragraphs (2) and (3).

(f) (1) Upon written request and without the requirement of further notice to the obligor, the clerk of the district court shall cause a copy of the income withholding order to be served on the payor only by personal service or registered mail, return receipt requested.

(2) Without the requirement of further notice to the obligor, the court trustee or IV-D agency may cause a copy of any income withholding order to be served on the payor only by personal service or registered mail, return receipt requested or by any alternate method acceptable to the payor. No payor shall be liable to any person solely because of the method of service accepted by the payor.

(3) As used in this section, "copy of the income withholding order" means any document or notice, regardless of format, that advises the payor of the same general duties, requires the same amount to be withheld from income and requires medical withholding to the same extent as the original income withholding order.

(g) An income withholding order shall be binding on any existing or future payor on whom a copy of the order is served and shall require the continued withholding of income from each periodic payment of income until further order of the court or agency that issued the income withholding order. At any time following issuance of an income withholding order, a copy of the income withholding order may be served on any payor without the requirement of further notice to the obligor.

(h) Except as provided in subsection (k) or (l), at any time following entry of an order for support the obligee or public office may serve upon the obligor a written notice of intent to initiate income withholding. If any notice in the court record indicates that title IV-D services are being provided in the case, whether or not the IV-D services include enforcement of current support, the person or public office requesting issuance of the income withholding order shall obtain the consent of the IV-D agency to the terms of the proposed income withholding order.

The notice of intent to initiate income withholding shall be served on the obligor only by personal service or registered mail, return receipt requested. The notice served on the obligor must state: (1) The terms of the order of support and the total arrearage as of the date the notice was prepared; (2) the amount of income that will be withheld, not including premiums to satisfy a medical withholding order; (3) whether a medical withholding order will be included; (4) that the provision for withholding applies to any current or subsequent payor; (5) the procedures available for contesting the withholding and that the only basis for contesting the withholding is a mistake of fact concerning the amount of the support order, the amount of the arrearage, the amount of income to be withheld or the proper identity of the obligor; (6) the period within which the obligor
must act to stay issuance of the income withholding order and that failure to take such action within the specified time will result in payors' being ordered to begin withholding; and (7) the action which will be taken if the obligor contests the withholding.

The obligor may, at any time, waive in writing the notice required by this subsection. (i) On request of an obligor, the court shall issue an income withholding order which shall be honored by a payor regardless of whether there is an arrearage. Nothing in this subsection shall limit the right of the obligee to request modification of the income withholding order.

(j) (1) In a nontitle IV-D case, upon presentation to the court of a written agreement between the parties providing for an alternative arrangement, no income withholding order shall be issued pursuant to subsection (b). In any case, before entry of a new or modified order for support, a party may request that no income withholding order be issued pursuant to subsection (b) if notice of the request has been served on all interested parties and: (A) The party demonstrates, and the court finds, that there is good cause not to require immediate income withholding; or (B) a written agreement among all interested parties provides for an alternative arrangement. If child support and maintenance payments are both made to an obligee by the same obligor, and if the court has determined that good cause has been shown that direct child support payments to the obligee may be made, then the court shall provide for direct maintenance payments to the obligee and no income withholding order shall be issued pursuant to subsection (b). In a title IV-D case, the determination that there is good cause not to require immediate income withholding must include a finding that immediate income withholding would not be in the child's best interests and, if an obligor's existing obligation is being modified, proof of timely payment of previously ordered support.

(2) Notwithstanding the provisions of subsection (j)(1), the court shall issue an income withholding order when an affidavit pursuant to subsection (d) is filed if an arrearage exists in an amount equal to or greater than the amount of support payable for one month.

(3) If a notice pursuant to subsection (h) has been served in a title IV-D case, there is no arrearage or the arrearage is less than the amount of support payable for one month, and the obligor files a motion to stay issuance of the income withholding order based upon the court's previous finding of good cause not to require immediate income withholding pursuant to subsection (j)(1), the obligor must demonstrate the continued existence of good cause. Unless the court again finds that good cause not to require immediate income withholding exists, the court shall issue the income withholding order.

(4) If a notice pursuant to subsection (h) has been served in a title IV-D case, there is no arrearage or the arrearage is less than the amount of support payable for one month, and the obligor files a motion to stay issuance of an income withholding order based upon a previous agreement of the interested parties for an alternative arrangement pursuant to subsection (j)(1), the court shall issue an income withholding order, notwithstanding any previous agreement, if the court finds that:

(A) The agreement was not in writing;
(B) the agreement was not approved by all interested parties;
(C) the terms of the agreement or alternative arrangement are not being met;
(D) the agreement or alternative arrangement is not in the best interests of the child;
or

(E) the agreement or alternative arrangement places an unnecessary burden upon the obligor, obligee or a public office.

(5) The procedures and requirements of K.S.A. 2011 Supp. 23-3106, and amendments thereto, apply to any motion pursuant to paragraph (3) or (4) of this subsection (j).

(k) (1) An ex parte interlocutory order for support may be enforced pursuant to subsection (b) only if the obligor has consented to the income withholding in writing.

(2) An ex parte interlocutory order for support may be enforced pursuant to subsection (c) only if 14 or more days have elapsed since the order for support was served on the obligor.

(3) Any other interlocutory order for support may be enforced by income withholding pursuant to this act in the same manner as a final order for support.

(4) No bond shall be required for the issuance of an income withholding order to enforce an interlocutory order pursuant to this act.

(l) All new or modified orders for maintenance of a spouse or ex-spouse, except orders for a spouse or ex-spouse living with a child for whom an order of support is also being enforced, entered on or after July 1, 1992, shall include a provision for the withholding of income to enforce the order of support. Unless the parties consent in writing to earlier issuance of a withholding order, withholding shall take effect only after there is an arrearage in an amount equal to or greater than the amount of support payable for two months and after service of a notice as provided in subsection (h).

"Sec. 5. K.S.A. 2011 Supp. 79-32,154 is hereby amended to read as follows: 79-32,154. As used in this act, the following words and phrases shall have the meanings respectively ascribed to them herein:

(a) "Facility" shall mean any factory, mill, plant, refinery, warehouse, feedlot, building or complex of buildings located within the state, including the land on which such facility is located and all machinery, equipment and other real and tangible personal property located at or within such facility used in connection with the operation of such facility. The word "building" shall include only structures within which individuals are customarily employed or which are customarily used to house machinery, equipment or other property.

(b) "Qualified business facility" shall mean a facility which satisfies the requirements of paragraphs (1) and (2) of this subsection.

(1) Such facility is employed by the taxpayer in the operation of a revenue producing enterprise, as defined in subsection (c). Such facility shall not be considered a qualified business facility in the hands of the taxpayer if the taxpayer's only activity with respect to such facility is to lease it to another person or persons. If the taxpayer employs only a portion of such facility in the operation of a revenue producing enterprise, and leases another portion of such facility to another person or persons or does not otherwise use such other portions in the operation of a revenue producing enterprise, the portion employed by the taxpayer in the operation of a revenue producing enterprise shall be considered a qualified business facility, if the requirements of paragraph (2) of this subsection are satisfied.

(2) If such facility was acquired by the taxpayer from another person or persons, such facility was not employed, immediately prior to the transfer of title to such facility to the taxpayer, or to the commencement of the term of the lease of such facility to the taxpayer, by any other person or persons in the operation of a revenue producing enterprise and the taxpayer continues the operation of the same or substantially identical revenue producing enterprise, as defined in subsection (i), at such facility.

(c) "Revenue producing enterprise" shall mean:

(1) The assembly, fabrication, manufacture or processing of any agricultural, mineral or manufactured product;

(2) the storage, warehousing, distribution or sale of any products of agriculture, aquaculture, mining or manufacturing;

(3) the feeding of livestock at a feedlot;
(4) the operation of laboratories or other facilities for scientific, agricultural, aquacultural, animal husbandry or industrial research, development or testing;
(5) the performance of services of any type;
(6) the feeding of aquatic plants and animals at an aquaculture operation;
(7) the administrative management of any of the foregoing activities; or
(8) any combination of any of the foregoing activities.
"Revenue producing enterprise" shall not mean a swine production facility as defined in K.S.A. 17-5903, and amendments thereto, that is owned or leased by a corporation or limited liability company.

(d) "Qualified business facility employee" shall mean a person employed by the taxpayer in the operation of a qualified business facility during the taxable year for which the credit allowed by K.S.A. 79-32,153, and amendments thereto, is claimed:

(1) A person shall be deemed to be so engaged if such person performs duties in connection with the operation of the qualified business facility on: (A) A regular, full-time basis; (B) a part-time basis, provided such person is customarily performing such duties at least 20 hours per week throughout the taxable year; or (C) a seasonal basis, provided such person performs such duties for substantially all of the season customary for the position in which such person is employed. The number of qualified business facility employees during any taxable year shall be determined by dividing by 12 the sum of the number of qualified business facility employees on the last business day of each month of such taxable year. If the qualified business facility is in operation for less than the entire taxable year, the number of qualified business facility employees shall be determined by dividing the sum of the number of qualified business facility employees on the last business day of each full calendar month during the portion of such taxable year during which the qualified business facility was in operation by the number of full calendar months during such period. Notwithstanding the provisions of this subsection, for the purpose of computing the credit allowed by K.S.A. 79-32,153, and amendments thereto, in the case of an investment in a qualified business facility, which facility existed and was operated by the taxpayer or related taxpayer prior to such investment, the number of qualified business facility employees employed in the operation of such facility shall be reduced by the average number, computed as provided in this subsection, of individuals employed in the operation of the facility during the taxable year preceding the taxable year in which the qualified business facility investment was made at the facility.

(2) For taxable years commencing after December 31, 1997, in the case of a taxpayer claiming a credit against the premium tax and privilege fees imposed pursuant to K.S.A. 40-252, and amendments thereto or the privilege tax as measured by net income of financial institutions imposed pursuant to chapter 79 article 11 of the Kansas Statutes Annotated, "qualified business employee" shall not mean any person who is employed in the operation of a qualified business facility in the state due to the merger, acquisition or other reconfiguration of the taxpayer unless such employee's position represents a net gain of total positions created by the taxpayer and the employee's position was not in existence at the time of the merger acquisition or other reconfiguration of the taxpayer.

(e) "Qualified business facility investment" shall mean the value of the real and tangible personal property, except inventory or property held for sale to customers in the ordinary course of the taxpayer's business, which constitutes the qualified business
facility, or which is used by the taxpayer in the operation of the qualified business facility, during the taxable year for which the credit allowed by K.S.A. 79-32,153, and amendments thereto, is claimed. The value of such property during such taxable year shall be: (1) Its original cost if owned by the taxpayer; or (2) eight times the net annual rental rate, if leased by the taxpayer. The net annual rental rate shall be the annual rental rate paid by the taxpayer less any annual rental rate received by the taxpayer from subrentals. The qualified business facility investment shall be determined by dividing by 12 the sum of the total value of such property on the last business day of each calendar month of the taxable year. If the qualified business facility is in operation for less than an entire taxable year, the qualified business facility investment shall be determined by dividing the sum of the total value of such property on the last business day of each full calendar month during the portion of such taxable year during which the qualified business facility was in operation by the number of full calendar months during such period. Notwithstanding the provisions of this subsection, for the purpose of computing the credit allowed by K.S.A. 79-32,153, and amendments thereto, in the case of an investment in a qualified business facility, which facility existed and was operated by the taxpayer or related taxpayer prior to such investment the amount of the taxpayer's qualified business facility investment in such facility shall be reduced by the average amount, computed as provided in this subsection, of the investment of the taxpayer or a related taxpayer in the facility for the taxable year preceding the taxable year in which the qualified business facility investment was made at the facility.

(f) "Commencement of commercial operations" shall be deemed to occur during the first taxable year for which the qualified business facility is first available for use by the taxpayer, or first capable of being used by the taxpayer, in the revenue producing enterprise in which the taxpayer intends to use the qualified business facility.

(g) "Qualified business facility income" shall mean the Kansas taxable income derived by the taxpayer from the operation of the qualified business facility. If a taxpayer has income derived from the operation of a qualified business facility as well as from other activities conducted within this state, the Kansas taxable income derived by the taxpayer from the operation of the qualified business facility shall be determined by multiplying the taxpayer's Kansas taxable income by a fraction, the numerator of which is the property factor, as defined in paragraph (1), plus the payroll factor, as defined in paragraph (2), and the denominator of which is two. In the case of financial institutions, the property and payroll factors shall be computed utilizing the specific provisions of the apportionment method applicable to financial institutions, if enacted, and the qualified business facility income shall be based upon net income.

(1) The property factor is a fraction, the numerator of which is the average value of the taxpayer's real and tangible personal property owned or rented and used in connection with the operation of the qualified business facility during the tax period, and the denominator of which is the average value of all the taxpayer's real and tangible personal property owned or rented and used in this state during the tax period. The average value of all such property shall be determined as provided in K.S.A. 79-3281 and 79-3282, and amendments thereto.

(2) The payroll factor is a fraction, the numerator of which is the total amount paid during the tax period by the taxpayer for compensation to persons qualifying as qualified business facility employees, as determined under subsection (d), at the qualified business facility, and the denominator of which is the total amount paid in this
state during the tax period by the taxpayer for compensation. The compensation paid in this state shall be determined as provided in K.S.A. 79-3283, and amendments thereto.

The formula set forth in this subsection (g) shall not be used for any purpose other than determining the qualified business facility income attributable to a qualified business facility.

(h) "Related taxpayer" shall mean: (1) A corporation, partnership, trust or association controlled by the taxpayer; (2) an individual, corporation, partnership, trust or association in control of the taxpayer; or (3) a corporation, partnership, trust or association controlled by an individual, corporation, partnership, trust or association in control of the taxpayer. For the purposes of this act, "control of a corporation" shall mean ownership, directly or indirectly, of stock possessing at least 80% of the total combined voting power of all classes of stock entitled to vote and at least 80% of all other classes of stock of the corporation; "control of a partnership or association" shall mean ownership of at least 80% of the capital or profits interest in such partnership or association; and "control of a trust" shall mean ownership, directly or indirectly, of at least 80% of the beneficial interest in the principal or income of such trust.

(i) "Same or substantially identical revenue producing enterprise" shall mean a revenue producing enterprise in which the products produced or sold, services performed or activities conducted are the same in character and use, are produced, sold, performed or conducted in the same manner and to or for the same type of customers as the products, services or activities produced, sold, performed or conducted in another revenue producing enterprise.

EXPLANATIONS OF VOTE

MR. SPEAKER: I vote no on H Sub for SB 102. I respect the right of the Senate to draw its own map. – PAT COLLOTON, JO ANN POTTORFF

MR. SPEAKER: It is truly unfortunate that political circumstances have led to bitter divisions in the Kansas Senate which have complicated their redistricting process. However, longstanding tradition holds that the Senate draws their map and the House draws its map. It is neither proper nor productive for those of us in the House to insert ourselves into that internal squabble. We vote NO on H Sub for SB 102. – J. ROBERT BROOKENS, CHARLES B. ROTH

MR. SPEAKER: I vote yes on H Sub for SB 102. Redistricting is our constitutional responsibility as legislators. H Sub for SB 102 provides Kansans with the proper and fair representation that they deserve. – GREG SMITH, TOM ARPKE

MR. SPEAKER: I vote no on H Sub for SB 102. Johnson County has seen the largest population growth over the last decade and added two full House and two partially new districts in the state House district map. We need a map that will support the growing population by adding a new Senate seat in Johnson County. According to the 2010 census, Johnson County has a population 544,179 which should translate into nearly eight senate districts. H Sub for SB 102 does not shift a new seat to the county for the needed level of representation which is why I cannot support this map. – KELLY MEIGS, MIKE SLATTERY, KAY WOLF, AMANDA GROSSERODE, JIM DENNING, ROBERT MONTGOMERY, SHERYL SPALDING, RON WORLEY

If an application for registration or renewal of registration is denied by the commissioner or withdrawn by the applicant, the fee shall not be refunded. Unless renewed under this section, each registration shall expire on the June 30 following the date of issuance.

(b) The livestock animal health commissioner shall determine annually the amount of funds which will be required for the administration and enforcement of this section and K.S.A. 47-1806, and amendments thereto, and shall fix and adjust from time to time a livestock dealer registration fee and a renewal fee in such reasonable amounts as may be necessary for such purposes, except that in no case shall either the livestock dealer registration fee or the renewal fee exceed $75.

Sec. 104. K.S.A. 47-1808 is hereby amended to read as follows: 47-1808. (a) Except if bonded under the packers and stockyards act, 1921, as amended and supplemented, 7 U.S.C. § 181 et seq., every livestock dealer required to be registered pursuant to K.S.A. 47-1805, and amendments thereto, upon notification by the livestock animal health commissioner of the amount of bond required, shall file with the livestock animal health commissioner a bond with good corporate surety qualified under the laws of the state of Kansas in a sum computed by dividing the dollar value of livestock sold during the preceding business year, or the substantial part of that business year, in which the livestock dealer did business, by the actual number of days on which livestock was sold. The divisor, the number of days on which livestock was sold, shall not exceed 130. The amount of bond coverage must be the next multiple of $5,000 above the amount so determined. When the computation exceeds $75,000, the amount of bond coverage need not exceed $75,000 plus 10% of the excess over $75,000, raised to the next $5,000 multiple. In cases where a business operation is being commenced, an estimated amount of business to be transacted during the next 12 months may be used subject to adjustment later, if indicated. In no event shall the bond be for an amount less than $10,000.

(b) The bond shall be in favor of the state of Kansas for the benefit of all persons interested, their legal representatives, attorneys or assigns and shall be conditioned on the faithful performance of all the registrant's duties as a livestock dealer. Any person injured by the breach of any obligation of the livestock dealer may commence suit on the bond in any court of competent jurisdiction to recover damages that the person has sustained, but any suit commenced shall either be a class action or shall join as parties plaintiff or parties defendant or other persons who may be affected by such suit on the bond. No bond shall be cancelled by the surety on less than 30 days' notice by mail to the livestock animal health commissioner and the principal except that no such
notice shall be required for cancellation of any bond by reason of nonpayment of the premium thereon. The liability of the surety on the bond may continue for each successive registration period the bond covers. The total liability of the surety shall be limited to the amount stated on the current bond or on an appropriate rider or endorsement to the current bond. It is the intent of this statute that the bonds be nonaccumulative, that stacking of bonds not occur in excess of the face value of the current bond.

(c) Whenever the livestock animal health commissioner determines that any bond given by any livestock dealer is inadequate and insufficient security against any loss that might arise under the terms of the bond, the livestock animal health commissioner shall require any additional bond that the livestock animal health commissioner considers necessary to provide adequate security. If the livestock animal health commissioner considers the financial condition of the surety upon any livestock dealer and the livestock dealer's bond to be impaired, the livestock animal health commissioner shall require any substituted or additional bond that the livestock animal health commissioner considers necessary except this act shall not apply to those who buy livestock for others incidentally to their own farming operation.

(d) In all actions hereafter commenced in which judgment is rendered against any surety company on any surety bond furnished under the provisions of this section, if it appears from the evidence that the surety company has refused without just cause to pay the loss upon demand, the court shall allow the plaintiff a reasonable sum as attorney fees to be recovered and collected as a part of the costs. When a tender is made by the surety company before the commencement of the action in which judgment is rendered and the amount recovered is not in excess of the tender, no such costs shall be allowed.

The supervisors who are first elected shall serve for terms of one, two and three years according to the following plan: The two persons receiving the highest number of votes in the election shall hold office for three years; the two persons receiving the next highest number of votes shall hold such office for a term of two years and the remaining supervisor shall hold office for a term of one year. In the event of a tie vote, such terms shall be decided by lot. Nothing in this section shall be construed as affecting the length of the term of supervisors holding office on January 1, 1995. Successors to such persons shall be elected for terms of three years. An annual meeting of all qualified electors of the district shall be held in the month of January or February. Notice of the time and place of such meeting shall be given by such supervisors by publishing a notice in the official county paper once each week for two consecutive weeks prior to the week in which such meeting is to be held. At such meeting the supervisors shall make full and due report of their activities and financial affairs since the last annual meeting and shall conduct an election by secret ballot of all of the qualified electors of the district there present for the election of supervisors whose terms have expired. Whenever a vacancy occurs in the membership of the governing body the remaining supervisors of the district shall appoint a qualified elector of the district to fill the office for the unexpired term. The supervisors shall designate a chairperson and may from time to time change such designation. A supervisor shall hold office until a successor has been elected or appointed and has qualified. A majority of the supervisors shall constitute a quorum and the concurrence of a majority of the supervisors in any matter within their duties shall be required for its determination. Any supervisor may be removed by the state conservation commission upon notice and hearing in accordance with the provisions of the Kansas administrative procedure act, for neglect of duty or malfeasance in office, but for no other reason. The supervisors may invite the legislative body of any municipality or county located near the territory comprised within the district to designate a representative to advise and consult with the supervisors of the district on all questions
of program and policy which may affect the property, water supply, or other interests of such municipality or county.

Sec. 126. K.S.A. 2011 Supp. 2-1907c is hereby amended to read as follows: 2-1907c. On or before September 1 of each year, each conservation district shall submit to the state conservation commission Kansas department of agriculture division of conservation a certification of the amount of money to be furnished by the county commissioners for conservation district activities for the ensuing calendar year. Such amount shall be the same as authorized for such purposes in each approved county budget. For the purpose of providing state financial assistance to conservation districts, the state conservation commission Kansas department of agriculture division of conservation in the regular budget request, as a line item for the forthcoming fiscal year, shall submit a special request for an amount equal to the sum of the allocations of each county to each conservation district, but in no event to exceed the sum of $25,000 per district. This $25,000 limitation shall be applicable for fiscal year 2008, and thereafter, subject to appropriations therefor. The state conservation commission Kansas department of agriculture division of conservation as soon as practicable after July 1 of the following year shall disburse such moneys as may be appropriated by the state for this purpose to each conservation district to match funds allocated by the commissioners of each county. Distribution shall be prorated in proportion to county allocations in the event that appropriations are insufficient for complete matching of funds. Municipal accounting procedures shall be used in the distribution of and in the expenditure of all funds.

Sec. 127. K.S.A. 2011 Supp. 2-1915 is hereby amended to read as follows: 2-1915. (a) Appropriations may be made for grants out of funds in the treasury of this state for terraces, terrace outlets, check dams, dikes, ponds, ditches, critical area planting, grassed waterways, tailwater recovery irrigation systems, precision land forming, range seeding, detention and grade stabilization structures and other enduring water conservation practices installed on public lands and on privately owned lands and, the control and eradication of sericea lespedeza as provided in subsection (n) of K.S.A. 2-1908, and amendments thereto, on public lands and on privately owned lands. Except as provided by the multipurpose small lakes program act, any such grant shall not exceed 80% of the total cost of any such practice.

(b) A program for protection of riparian and wetland areas shall be developed by the state conservation commission Kansas department of agriculture division of conservation and implemented by the conservation districts. The conservation districts shall prepare district programs to address resource management concerns of water quality, erosion and sediment control and wildlife habitat as part of the conservation district long-range and annual work plans. Preparation and implementation of conservation district programs shall be accomplished with assistance from appropriate state and federal agencies involved in resource management.

(c) Subject to the provisions of K.S.A. 2-1919, and amendments thereto, any holder of a water right, as defined by subsection (g) of K.S.A. 82a-701, and amendments thereto, who is willing to voluntarily return all or a part of the water right to the state shall be eligible for a grant not to exceed 80% of the total cost of the purchase price for such water right. The state conservation commission Kansas department of agriculture division of conservation shall administer this cost-share program with funds appropriated by the legislature for such purpose. The chief engineer shall certify to the
(d) (1) Subject to appropriation acts therefor, the state conservation commission Kansas department of agriculture division of conservation shall develop the Kansas water quality buffer initiative for the purpose of restoring riparian areas using best management practices. The executive director of the state conservation commission Kansas department of agriculture division of conservation shall ensure that the initiative is complementary to the federal conservation reserve program.

(2) There is hereby created in the state treasury the Kansas water quality buffer initiative fund. All expenditures from such fund shall be made in accordance with appropriation acts upon warrants of the director of accounts and reports issued pursuant to vouchers approved by the executive director of the state conservation commission Kansas department of agriculture division of conservation or the executive director's designee. Money credited to the fund shall be used for the purpose of making grants to install water quality best management practices pursuant to the initiative.

(3) The county or district appraiser shall identify and map riparian buffers consisting of at least one contiguous acre per parcel of real property located in the appraiser's county. Notwithstanding any other provisions of law, riparian buffers shall be valued by the county or district appraiser as tame grass land, native grass land or waste land, as appropriate. As used in this subsection (3), "riparian buffer" means an area of stream-side vegetation that: (A) Consists of tame or native grass and may include forbs and woody plants; (B) is located along a perennial or intermittent stream, including the stream bank and adjoining floodplain; and (C) is a minimum of 66 feet wide and a maximum of 180 feet wide.

(e) The Kansas department of agriculture division of conservation with the approval of the state conservation commission shall adopt rules and regulations to administer such grant and protection programs.

(f) Any district is authorized to make use of any assistance whatsoever given by the United States, or any agency thereof, or derived from any other source, for the planning and installation of such practices. The state conservation commission Kansas department of agriculture division of conservation may enter into agreements with other state and federal agencies to implement the Kansas water quality buffer initiative.

Sec. 127. K.S.A. 2011 Supp. 2-1930 is hereby amended to read as follows: 2-1930.

(a) There is hereby established the water right transition assistance pilot project program. The program shall be administered by the state conservation commission Kansas department of agriculture division of conservation. The Kansas department of agriculture, division of water resources and recognized local governing agencies, including groundwater management districts, shall cooperate in program implementation. The program shall be administered for the purpose of reducing consumptive use in the target or high priority areas of the state by issuing water right transition grants for privately held water rights.

(b) (1) The state conservation commission Kansas department of agriculture division of conservation may receive and expend funds from the federal or state government, or private source for the purpose of carrying out the provisions of this section. The state conservation commission Kansas department of agriculture division
of conservation and the participating groundwater management districts shall carry over unexpended funds from one fiscal year to the next.

(2) Federal and state funds shall not exceed $1,500,000 per year.

(3) **State conservation commission Kansas department of agriculture division of conservation** expenditures for permanent partial water right retirements shall not exceed 30% of the total amount of funds for the water right transition assistance pilot project program.

(c) The **state conservation commission Kansas department of agriculture division of conservation** may enter into water right transition assistance pilot project program contracts with landowners that will result in the permanent retirement of part or all of landowner historic consumptive use water rights by action of the chief engineer as provided for in subsection (f) of this section.

(d) All applications for permanent water right retirements shall be considered for funding.

(e) Permanent retirement of partial water rights shall only be approved by the Kansas department of agriculture division of water resources when the groundwater management district has the metering and monitoring capabilities necessary to ensure compliance with the program. When prioritizing among water right applications for acceptance under the water right transition assistance pilot project, where rights with similar hydrologic impacts are considered, priority should be given to the senior right as determined under the Kansas water appropriation act.

(f) Water rights enrolled in the water right transition assistance pilot project program for permanent retirement shall require the written consent of all landowners and authorized agents to voluntarily request dismissal and forfeiture of priority of the enrolled water right. Upon enrollment of the water right into the water right transition assistance pilot project program, the chief engineer of the Kansas department of agriculture division of water resources shall concurrently dismiss and terminate the water right in accordance with the terms of the contract.

(g) (1) The **state conservation commission Kansas department of agriculture division of conservation** shall make water right transition grants available only in areas that have been designated as target or high priority areas by the groundwater management districts and the chief engineer of the Kansas department of agriculture division of water resources or priority areas outside the groundwater management districts as designated by the chief engineer of the Kansas department of agriculture division of water resources.

(2) Two of the target or high priority areas shall be the prairie dog creek area located in hydrologic unit code 10250015 and the rattlesnake creek subbasin located in hydrologic unit code 11030009.

(h) Contracts accepted under the water right transition assistance program shall result in a net reduction in consumptive use equivalent to the amount of historic consumptive use of the water right or rights enrolled in the program based on the average historic consumptive water use. Except as provided for in subsections (i) and (j), once a water right transition assistance pilot project program grant has been provided, the land authorized to be irrigated by the water right or water rights associated with that grant shall not be irrigated permanently. Water right transition assistance pilot project program contracts shall be subject to such terms, conditions and limitations as may be necessary to ensure that such reduction in consumptive use occurs and can be
adequately monitored and enforced.

"Historic consumptive water use" means the average amount of water consumed by crops as a result of the lawful beneficial use of water for irrigation during four of the six preceding calendar years, with the highest and lowest years removed from the analysis. For purposes of this program, historic consumptive water use will be determined by multiplying the average reported water use for the four selected years by a factor of 0.85 for center pivot sprinkler irrigation systems, 0.75 for flood or gravity irrigation systems and 0.95 for subsurface drip irrigation systems, but not to exceed the net irrigation requirements for the 50% chance rainfall for the appropriate county as shown in K.A.R. 5-5-12. The applicant may also submit an engineering study that determines the average historic consumptive water use as an alternative method if it is demonstrated to be more accurate for the water right or water rights involved.

(i) Enrollment in the water right transition assistance pilot project program shall not subsequently prohibit irrigation of the land that, prior to enrollment, was authorized by the water right or water rights if irrigation can be lawfully allowed by another water right or permit pursuant to the rules and regulations and consideration of any future changes to other water rights that may be proposed to be transferred to such land.

(j) If more than one water right overlaps the place of use authorized by the water right proposed to be enrolled in the water right transition assistance pilot project program, then all overlapping water rights shall be enrolled in water right transition assistance pilot project program or the landowners shall take the necessary lawful steps to eliminate the overlap with the water right to be enrolled. The burden shall be on the landowner to provide sufficient information to substantiate that the proposed use of water by the resulting exercise of all water rights involved will result in the net reduction amount of historic consumptive water use by the water right or water rights to be enrolled. The state conservation commission Kansas department of agriculture division of conservation may require such documentation to be provided by someone with special knowledge or experience related to water rights and such operations.

(k) The state conservation commission Kansas department of agriculture division of conservation shall adopt rules and regulations as necessary for the administration of this section. When adopting such rules and regulations the state conservation commission Kansas department of agriculture division of conservation shall consider cropping, system design, metered water use and all other pertinent information that will permit a verifiable reduction in annual water consumptive use and permit alternative crop or other use of the land so that the landowner's economic opportunities are taken into account.

(l) The state conservation commission Kansas department of agriculture division of conservation shall report annually to the senate standing committee on natural resources and the house standing committee on environment on the economic impact studies being conducted on the reduction of water consumption and the financial impact on the communities within the program areas. Such studies shall include comparative data for areas and communities outside the program areas.

(m) The water right transition assistance pilot project program shall expire five years from the effective date of the fiscal year for which state moneys are appropriated thereof and approval of program rules and regulations.

(n) Water right transition assistance grants for water rights to remain unused for the contract period shall constitute due and sufficient cause for nonuse pursuant to K.S.A.
82a-718 and amendments thereto pursuant to the determination of the chief engineer for the duration of the water right transition assistance pilot project contract.

(o) The *state conservation commission Kansas department of agriculture division of conservation* shall hold at least two meetings in each water right transition assistance pilot project program area prior to entering into any water right transition assistance pilot project program contract for the permanent retirement of part or all of landowner historic consumptive use water rights. Such meetings shall inform the public of the possible economic and hydrologic impacts of the program. The *state conservation commission Kansas department of agriculture division of conservation* shall provide notice of such meetings through publication in local newspapers of record and in the Kansas register.

Sec. 129. K.S.A. 2011 Supp. 2-1931 is hereby amended to read as follows: 2-1931.
(a) Any person who commits any of the following may incur a civil penalty as provided by this section:

(1) Any violation of the Kansas water right transition assistance pilot project program act or any rule and regulation adopted thereunder; and

(2) any violation of term, condition or limitation defined and or imposed within the contractual agreement between the *state conservation commission Kansas department of agriculture division of conservation* and the water right owner.

(b) Any participant who violates any section of a water right transition assistance pilot project program contract shall be subject to either one or both of the following:

(1) A civil penalty of not less than $100 nor more than $1,000 per violation. Each day shall constitute a separate violation for purposes of this section; and

(2) repayment of the grant amount in its entirety plus a penalty at six percent of the full grant amount.

(c) Any penalties or reimbursements received under this act shall be reappropriated for use in the water right transition assistance pilot project program.

Notice of the annual meeting shall be given at least 10 days prior to the date thereof by one publication in a newspaper of general circulation in each of the counties of which said watershed district is a part. Elections shall be by ballot. Qualified voters in attendance shall be entitled to vote at any such meeting. The directors shall fill any vacancy occurring on the board prior to the expiration of the term of any director by electing a substitute director to serve for the unexpired term.

The number of directors of a district or the date of the annual meeting, or both, may be changed at an annual meeting if notice of the proposition of making such change or changes is given at the annual meeting immediately preceding the annual meeting at which such change or changes are considered. If the number of directors is proposed to be changed, the proposition shall be introduced in the same manner as other items of business and shall clearly show the changes in representation of subwatersheds, if any, and in the length of terms of the directors. It shall be the duty of the board of directors
to include the proposition in the notice of the annual meeting at which such changes are being considered. If a majority of those voting are favorable, the election of directors shall be in conformance with the adopted proposal and all powers shall be exercised by the newly constituted board beginning immediately after the annual meeting. Copies of the minutes of the annual meeting and report on the financial condition and activities of the district shall be furnished to the state conservation commission Kansas department of agriculture division of conservation.

Sec. 131. K.S.A. 24-1212 is hereby amended to read as follows: 24-1212. Notice of such meeting shall be mailed to each director at least five days prior to the date thereof, and special meetings may be held at any time upon waiver of notice of such meeting by all directors or may be called by the president or any two directors at any time. Notice in writing, signed by the persons calling any special meeting, shall be mailed to each director at least two days prior to the time fixed for such special meeting. A majority of the directors shall constitute a quorum for the transaction of business and in the absence of any of the duly elected officers of the district a quorum at any meeting may select a director to act as such officer pro temp. Each meeting of the board, whether regular or special, shall be open to the public. Copies of the minutes of regular and special meetings shall be furnished to the state conservation commission Kansas department of agriculture division of conservation.

No person shall obtain a license to carry on the business authorized by the license as agent for another, obtain a license by fraud or make any false statement or otherwise violate any of the provisions of this act in obtaining any license hereunder. No person having obtained a license hereunder shall violate any of the provisions of this act with respect to the manufacture, possession, distribution or sale of alcoholic liquor or cereal malt beverage; or with respect to the maintenance of the licensed premises.

(b) Violation of subsection (a) shall be punishable as follows, except where other penalties are specifically provided by law:

(1) For a first offense, by a fine of not more than $500; and

(2) for a second or subsequent offense, by a fine of not more than $1,000 or by imprisonment for not more than six months, or both.

(c) Each day any person engages in business as a manufacturer, distributor, microbrewery, microdistillery, farm winery or retailer in violation of the provisions of this act shall constitute a separate offense.

(d) Any license obtained to carry on the business as agent for another or any license obtained by fraud or by false statements shall be revoked by the director. When a license has been revoked for obtaining a license to carry on the business authorized by the license as agent for another, or obtained a license by fraud or by any false statement, all alcoholic liquor in the possession of the person who procured the license shall be forfeited and sold and the proceeds of the sale shall be paid to the county treasurer of the county where the alcoholic liquor was located. During the pendency of any appeal from any order revoking a license, the director may obtain an order from the district court of the county where the alcoholic liquor is located, restraining the sale or disposal
of the alcoholic liquor. When an order revoking any license is issued by the director, the
director shall forthwith forward by registered mail a certified copy of the order
revoking the license under the seal of the director to the county attorney of the county
where the alcoholic liquor is located.

Within 15 days after the order of revocation becomes final, the county attorney shall
institute, against the person who procured the license, a civil action under the code of
civil procedure in the district court of the county in the name of the state of Kansas on
the relation of the county attorney to forfeit all alcoholic liquor. Summons shall be
served as provided by the code of civil procedure upon the person who procured the
license. Upon the return day of the summons issued or as soon after as convenient to
the court, an order shall be entered by the court forfeiting the alcoholic liquor to the
state of Kansas and ordering it to be sold by the sheriff of the county in which the
forfeiture occurred. The order shall fix the time and place of sale and the method and
manner in which the sale shall be held, together with notice of the sale as the court
directs. After payment of all costs of the action, including a reasonable fee for the
county attorney, the balance remaining shall be paid to the state treasurer pursuant to
K.S.A. 20-2801, and amendments thereto.

Sec. 32. From and after July 1, 2012, K.S.A. 41-1101 is hereby amended to read as
follows: 41-1101. (a) No distributor licensed under this act shall purchase any alcoholic
liquor from any manufacturer, owner of alcoholic liquor at the time it becomes a
marketable product, exclusive agent of such manufacturer or owner, microbrewery,
microdistillery, farm winery or distributor of alcoholic liquor bottled in a foreign
country either within or without this state, unless the manufacturer, owner, exclusive
agent, microbrewery, microdistillery, farm winery or distributor files with the director a
written statement sworn to by the manufacturer, owner, exclusive agent, microbrewery,
microdistillery, farm winery or distributor or, in case of a corporation, one of its
principal officers, agreeing to sell any of the brands or kinds of alcoholic liquor
manufactured or distributed by the manufacturer, owner, exclusive agent,
microbrewery, microdistillery, farm winery or distributor to any distributor licensed in
this state and having a franchise to distribute the alcoholic liquor pursuant to K.S.A. 41-
410, and amendments thereto, and to make such sales to all such licensed distributors in
this state at the same current price and without discrimination. Each manufacturer,
owner, exclusive agent, microbrewery, microdistillery or farm winery shall provide to
each distributor written notice not less than 45 days before any change in the current
price of any spirits or wine which such manufacturer, owner, exclusive agent,
microbrewery, microdistillery or farm winery sells to such distributor. If any
manufacturer, owner, exclusive agent, microbrewery, microdistillery, farm winery or
distributor making the agreement violates the agreement by refusing to sell such
alcoholic liquor to any such franchised licensed distributor in this state or discriminates
in current prices among such franchised licensed distributors making or attempting to
make purchases of alcoholic liquor from the manufacturer, owner, exclusive agent,
microbrewery, microdistillery, farm winery or distributor, the director shall notify, by
registered mail, each such franchised licensed distributor in this state of the violation.
Thereupon, it shall be unlawful for a franchised licensed distributor in this state to
purchase any alcoholic liquor from the manufacturer, owner, exclusive agent,
microbrewery, microdistillery, farm winery or distributor. If thereafter such a franchised
licensed distributor purchases any alcoholic liquor from the manufacturer, owner,
exclusive agent, microbrewery, microdistillery, farm winery or distributor, such franchise's license shall be revoked by the director. If any manufacturer, owner, exclusive agent, microbrewery, microdistillery, farm winery or distributor of alcoholic liquor bottled in a foreign country, making any agreement hereunder, does not have a sufficient supply of alcoholic liquor of any of the brands or kinds which the manufacturer, owner, exclusive agent, microbrewery, microdistillery, farm winery or distributor manufactures or distributes to supply the demands of all licensed distributors having a franchise to distribute such alcoholic liquor, the manufacturer, owner, exclusive agent, microbrewery, microdistillery, farm winery or distributor may ration such alcoholic liquor and apportion the available supply among such franchised licensed distributors purchasing or attempting to purchase it, in accordance with a plan which shall be subject to the approval of the director.

(b) No retailer licensed under this act shall purchase any alcoholic liquor from any distributor licensed under this act unless the distributor files with the director a written statement sworn to by the distributor, or in case of a corporation by one of its principal officers, agreeing to sell any of the brands or kinds of alcoholic liquor distributed by the distributor and to provide service in connection therewith to any licensed retailer whose licensed premises are located within the geographic territory of the distributor's franchise for the alcoholic liquor, unless written approval to do otherwise is obtained from the director, and to make such sales to all such licensed retailers at the same current bottle, sleeve and case price and without discrimination. For purposes of this subsection the "same current bottle, sleeve and case price" for spirits and wine means a price effective for a specified period as designated by the distributor on or before the first day of each month. If any distributor making the agreement violates the agreement by refusing to sell or provide service to any such licensed retailer in this state without written approval of the director or discriminates in current prices among such licensed retailers making or attempting to make purchases of alcoholic liquor from the distributor, the director may revoke the license of the distributor. If any licensed distributor making any agreement hereunder does not have a sufficient supply of alcoholic liquor of any of the brands or kinds which the distributor distributes to supply the demands of all such licensed retailers, the distributor may ration such alcoholic liquor and apportion the available supply among such licensed retailers purchasing or attempting to purchase the same, in accordance with a plan which shall be subject to the approval of the director.

(c) No club or drinking establishment licensed in this state shall purchase any wine or beer from any distributor licensed under this act unless the distributor files with the director a written statement sworn to by the distributor, or in case of a corporation by one of its principal officers, agreeing to sell any of the brands or kinds of wine or beer distributed by the distributor to those clubs and drinking establishments to which the distributor is authorized to sell such wine or beer and to which the distributor desires to sell such wine or beer, unless written approval to do otherwise is obtained from the director and to make such sales to all such licensed clubs or drinking establishments at the same current bottle and case price and without discrimination. If any distributor making the agreement violates the agreement by refusing to sell to any such licensed club or drinking establishment in this state without written approval of the director or discriminates in current prices among such licensed clubs or drinking establishments making or attempting to make purchases of wine or beer from the distributor, the
director may revoke the license of the distributor. If any licensed distributor making any agreement hereunder does not have a sufficient supply of wine or beer of any of the brands or kinds which the distributor distributes to supply the demands of all such licensed clubs or drinking establishments, the distributor may ration such wine or beer and apportion the available supply among such licensed clubs or drinking establishments purchasing or attempting to purchase the same, in accordance with a plan which shall be subject to the approval of the director.

For the purposes of this subsection, a delivery charge shall not be considered a part of the price of wine or beer sold by a distributor.

(d) No retailer licensed under K.S.A. 41-2701 et seq., and amendments thereto, shall purchase any cereal malt beverage from any distributor licensed under this act unless the distributor files with the director a written statement sworn to by the distributor, or in case of a corporation by one of its principal officers, agreeing to sell any of the brands or kinds of cereal malt beverage distributed by the distributor to those retailers to which the distributor is authorized to sell such cereal malt beverage, unless written approval to do otherwise is obtained from the director, and to make such sales to all such licensed retailers at the same current price and without discrimination. If any distributor making the agreement violates the agreement by refusing to sell to any such licensed retailer in this state without written approval of the director or discriminates in current prices among such licensed retailers making or attempting to make purchases of cereal malt beverage from the distributor, the director may revoke the license of the distributor. If any licensed distributor making any agreement hereunder does not have a sufficient supply of cereal malt beverage of any of the brands or kinds which the distributor distributes to supply the demands of all such licensed retailers, the distributor may ration such cereal malt beverage and apportion the available supply among such licensed retailers purchasing or attempting to purchase the same, in accordance with a plan which shall be subject to the approval of the director.

(e) No distributor shall sell alcoholic liquor or cereal malt beverage to a retailer licensed under the Kansas liquor control act, to a club, drinking establishment or caterer licensed under the club and drinking establishment act or to a retailer licensed under K.S.A. 41-2702, and amendments thereto, at a discount for multiple case lots.

Conferees on part of House

On motion of Rep. Brunk to adopt the conference committee report on Sub HB 2689, Rep. Peck offered a substitute motion to not adopt the conference committee report and asked that a new conference committee be appointed.

The substitute motion did not prevail.

The question reverted back to the original motion of Rep. Brunk and the conference committee report was adopted.

On roll call, the vote was: Yeas 97; Nays 24; Present but not voting: 0; Absent or not voting: 4.

Present but not voting: None.
Absent or not voting: Grant, LeDoux, Mast, Weber.

EXPLANATIONS OF VOTE

MR. SPEAKER: There are 12 bills that have been bundled into Sub HB 2689 and I support some of them. However, there are several bills that I have a problem with and I cannot support those provisions. Since we were not able to vote on them individually, I must vote no on Sub HB 2689. – JOSEPH SCAPA, PETE DEGRAAF

MR. SPEAKER: We all know alcohol is a controlled substance. Many a person who is under the influence of alcohol has participated in activities and conducted themselves in a manner that is uncharacteristic of and embarrassing to them. Passage of Sub HB 2689 will increase the accessibility and consumption of alcoholic liquor in Kansas. Furthermore, County Fairs are not a place for the consumption of alcoholic liquor. Sub HB 2689 opens wide the door that will allow that to happen. I vote NO on Sub HB 2689. – VIRGIL PECK, JR

MR. SPEAKER: As one that comes from a broken family due mostly to alcoholism, I am sensitive to the harm and pain alcohol can cause. We need to be careful to ensure traditional family values are protected as we find ways to deregulate the alcohol industry in a balanced fashion. The Happy Hour provision in this bill specifically concerns me. On one hand, I want these businesses to maximize their ability to make money but not by pushing cheap drinks late at night. Kansas has a problem with DUlIs and businesses in other states with similar laws promote late-night happy hours. I vote no on Sub HB 2689. – JIM HOWELL

"Sec. 16. K.S.A. 2011 Supp. 21-6604, as amended by section 1 of 2012 House Bill No. 2465 is hereby amended to read as follows: 21-6604. (a) Whenever any person has been found guilty of a crime, the court may adjudge any of the following:

(1) Commit the defendant to the custody of the secretary of corrections if the current crime of conviction is a felony and the sentence presumes imprisonment, or the sentence imposed is a dispositional departure to imprisonment; or, if confinement is for a misdemeanor, to jail for the term provided by law;

(2) impose the fine applicable to the offense and may impose the provisions of subsection (q);

(3) release the defendant on probation if the current crime of conviction and criminal history fall within a presumptive nonprison category or through a departure for substantial and compelling reasons subject to such conditions as the court may deem appropriate. In felony cases except for violations of K.S.A. 8-1567, and amendments thereto, the court may include confinement in a county jail not to exceed 60 days, which need not be served consecutively, as a condition of an original probation sentence and up to 60 days in a county jail upon each revocation of the probation sentence, or community corrections placement;

(4) assign the defendant to a community correctional services program as provided in K.S.A. 75-5291, and amendments thereto, or through a departure for substantial and compelling reasons subject to such conditions as the court may deem appropriate, including orders requiring full or partial restitution;

(5) assign the defendant to a conservation camp for a period not to exceed six
months as a condition of probation followed by a six-month period of follow-up through adult intensive supervision by a community correctional services program, if the offender successfully completes the conservation camp program;

(6) assign the defendant to a house arrest program pursuant to K.S.A. 2011 Supp. 21-6609, and amendments thereto;

(7) order the defendant to attend and satisfactorily complete an alcohol or drug education or training program as provided by subsection (c) of K.S.A. 2011 Supp. 21-6602, and amendments thereto;

(8) order the defendant to repay the amount of any reward paid by any crime stoppers chapter, individual, corporation or public entity which materially aided in the apprehension or conviction of the defendant; repay the amount of any costs and expenses incurred by any law enforcement agency in the apprehension of the defendant, if one of the current crimes of conviction of the defendant includes escape from custody or aggravated escape from custody, as defined in K.S.A. 2011 Supp. 21-5911, and amendments thereto; repay expenses incurred by a fire district, fire department or fire company responding to a fire which has been determined to be arson oragrivated arson as defined in K.S.A. 2011 Supp. 21-5812, and amendments thereto, if the defendant is convicted of such crime; repay the amount of any public funds utilized by a law enforcement agency to purchase controlled substances from the defendant during the investigation which leads to the defendant's conviction; or repay the amount of any medical costs and expenses incurred by any law enforcement agency or county. Such repayment of the amount of any such costs and expenses incurred by a county, law enforcement agency, fire district, fire department or fire company or any public funds utilized by a law enforcement agency shall be deposited and credited to the same fund from which the public funds were credited to prior to use by the county, law enforcement agency, fire district, fire department or fire company;

(9) order the defendant to pay the administrative fee authorized by K.S.A. 22-4529, and amendments thereto, unless waived by the court;

(10) order the defendant to pay a domestic violence special program fee authorized by K.S.A. 20-369, and amendments thereto;

(11) if the defendant is convicted of a misdemeanor or convicted of a felony specified in subsection (i) of K.S.A. 2011 Supp. 21-6804, and amendments thereto, assign the defendant to work release program, other than a program at a correctional institution under the control of the secretary of corrections as defined in K.S.A. 75-5202, and amendments thereto, provided such work release program requires such defendant to return to confinement at the end of each day in the work release program. On a second conviction of K.S.A. 8-1567, and amendments thereto, an offender placed into a work release program must serve a total of 120 hours of confinement. Such 120 hours of confinement shall be a period of at least 48 consecutive hours of imprisonment followed by confinement hours at the end of and continuing to the beginning of the offender’s work day. On a third or subsequent conviction of K.S.A. 8-1567, and amendments thereto, an offender placed into a work release program must serve a total of 240 hours of confinement. Such 240 hours of confinement shall be a period of at least 48 consecutive hours of imprisonment followed by confinement hours at the end of and continuing to the beginning of the offender’s work day;

(12) order the defendant to pay the full amount of unpaid costs associated with the conditions of release of the appearance bond under K.S.A. 22-2802, and amendments
thereto;

(13) impose any appropriate combination of (1), (2), (3), (4), (5), (6), (7), (8), (9), (10), (11) and (12); or

(14) suspend imposition of sentence in misdemeanor cases.

(b) (1) In addition to or in lieu of any of the above, the court shall order the defendant to pay restitution, which shall include, but not be limited to, damage or loss caused by the defendant's crime, unless the court finds compelling circumstances which would render a plan of restitution unworkable. In regard to a violation of K.S.A. 2011 Supp. 21-6107, and amendments thereto, such damage or loss shall include, but not be limited to, attorney fees and costs incurred to repair the credit history or rating of the person whose personal identification documents were obtained and used in violation of such section, and to satisfy a debt, lien or other obligation incurred by the person whose personal identification documents were obtained and used in violation of such section. If the court finds a plan of restitution unworkable, the court shall state on the record in detail the reasons therefor.

(2) If the court orders restitution, the restitution shall be a judgment against the defendant which may be collected by the court by garnishment or other execution as on judgments in civil cases. If, after 60 days from the date restitution is ordered by the court, a defendant is found to be in noncompliance with the plan established by the court for payment of restitution, and the victim to whom restitution is ordered paid has not initiated proceedings in accordance with K.S.A. 60-4301 et seq., and amendments thereto, the court shall assign an agent procured by the attorney general pursuant to K.S.A. 75-719, and amendments thereto, to collect the restitution on behalf of the victim. The chief judge of each judicial district may assign such cases to an appropriate division of the court for the conduct of civil collection proceedings.

(c) In addition to or in lieu of any of the above, the court shall order the defendant to submit to and complete an alcohol and drug evaluation, and pay a fee therefor, when required by subsection (d) of K.S.A. 2011 Supp. 21-6602, and amendments thereto.

(d) In addition to any of the above, the court shall order the defendant to reimburse the county general fund for all or a part of the expenditures by the county to provide counsel and other defense services to the defendant. Any such reimbursement to the county shall be paid only after any order for restitution has been paid in full. In determining the amount and method of payment of such sum, the court shall take account of the financial resources of the defendant and the nature of the burden that payment of such sum will impose. A defendant who has been required to pay such sum and who is not willfully in default in the payment thereof may at any time petition the court which sentenced the defendant to waive payment of such sum or any unpaid portion thereof. If it appears to the satisfaction of the court that payment of the amount due will impose manifest hardship on the defendant or the defendant's immediate family, the court may waive payment of all or part of the amount due or modify the method of payment.

(e) In releasing a defendant on probation, the court shall direct that the defendant be under the supervision of a court services officer. If the court commits the defendant to the custody of the secretary of corrections or to jail, the court may specify in its order the amount of restitution to be paid and the person to whom it shall be paid if restitution is later ordered as a condition of parole, conditional release or postrelease supervision.

(f) (1) When a new felony is committed while the offender is incarcerated and
serving a sentence for a felony, or while the offender is on probation, assignment to a community correctional services program, parole, conditional release or postrelease supervision for a felony, a new sentence shall be imposed pursuant to the consecutive sentencing requirements of K.S.A. 2011 Supp. 21-6606, and amendments thereto, and the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(2) When a new felony is committed while the offender is incarcerated in a juvenile correctional facility pursuant to K.S.A. 38-1671, prior to its repeal, or K.S.A. 2011 Supp. 38-2373, and amendments thereto, for an offense, which if committed by an adult would constitute the commission of a felony, upon conviction, the court shall sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure. The conviction shall operate as a full and complete discharge from any obligations, except for an order of restitution, imposed on the offender arising from the offense for which the offender was committed to a juvenile correctional facility.

(3) When a new felony is committed while the offender is on release for a felony pursuant to the provisions of article 28 of chapter 22 of the Kansas Statutes Annotated, and amendments thereto, or similar provisions of the laws of another jurisdiction, a new sentence may be imposed pursuant to the consecutive sentencing requirements of K.S.A. 2011 Supp. 21-6606, and amendments thereto, and the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(g) Prior to imposing a dispositional departure for a defendant whose offense is classified in the presumptive nonprison grid block of either sentencing guideline grid, prior to sentencing a defendant to incarceration whose offense is classified in grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes or in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes, prior to sentencing a defendant to incarceration whose offense is classified in grid blocks 4-E or 4-F of the sentencing guideline grid for drug crimes and whose offense does not meet the requirements of K.S.A. 2011 Supp. 21-6824, and amendments thereto, or prior to revocation of a nonprison sanction of a defendant whose offense is classified in grid blocks 4-E or 4-F of the sentencing guideline grid for drug crimes and whose offense does not meet the requirements of K.S.A. 2011 Supp. 21-6824, and amendments thereto, or prior to revocation of a nonprison sanction of a defendant whose offense is classified in the presumptive nonprison grid block of either sentencing guideline grid or grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes or in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes, the court shall consider placement of the defendant in the Labette correctional conservation camp, conservation camps established by the secretary of corrections pursuant to K.S.A. 75-52,127, and amendments thereto, or a community intermediate sanction center. Pursuant to this paragraph the defendant shall not be sentenced to imprisonment if space is available in a conservation camp or a community intermediate sanction center and the defendant meets all of the conservation camp's or a community intermediate sanction center's placement criteria unless the court states on
the record the reasons for not placing the defendant in a conservation camp or a community intermediate sanction center.

(h) The court in committing a defendant to the custody of the secretary of corrections shall fix a term of confinement within the limits provided by law. In those cases where the law does not fix a term of confinement for the crime for which the defendant was convicted, the court shall fix the term of such confinement.

(i) In addition to any of the above, the court shall order the defendant to reimburse the state general fund for all or a part of the expenditures by the state board of indigents' defense services to provide counsel and other defense services to the defendant. In determining the amount and method of payment of such sum, the court shall take account of the financial resources of the defendant and the nature of the burden that payment of such sum will impose. A defendant who has been required to pay such sum and who is not willfully in default in the payment thereof may at any time petition the court which sentenced the defendant to waive payment of such sum or any unpaid portion thereof. If it appears to the satisfaction of the court that payment of the amount due will impose manifest hardship on the defendant or the defendant's immediate family, the court may waive payment of all or part of the amount due or modify the method of payment. The amount of attorney fees to be included in the court order for reimbursement shall be the amount claimed by appointed counsel on the payment voucher for indigents' defense services or the amount prescribed by the board of indigents' defense services reimbursement tables as provided in K.S.A. 22-4522, and amendments thereto, whichever is less.

(j) This section shall not deprive the court of any authority conferred by any other Kansas statute to decree a forfeiture of property, suspend or cancel a license, remove a person from office or impose any other civil penalty as a result of conviction of crime.

(k) An application for or acceptance of probation or assignment to a community correctional services program shall not constitute an acquiescence in the judgment for purpose of appeal, and any convicted person may appeal from such conviction, as provided by law, without regard to whether such person has applied for probation, suspended sentence or assignment to a community correctional services program.

(l) The secretary of corrections is authorized to make direct placement to the Labette correctional conservation camp or a conservation camp established by the secretary pursuant to K.S.A. 75-52,127, and amendments thereto, of an inmate sentenced to the secretary's custody if the inmate:

1) Has been sentenced to the secretary for a probation revocation, as a departure from the presumptive nonimprisonment grid block of either sentencing grid, for an offense which is classified in grid blocks 5-H, 5-I, or 6-G of the sentencing guidelines grid for nonviolent crimes or in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes, or for an offense which is classified in grid blocks 4-E or 4-F of the sentencing guidelines grid for drug crimes and such offense does not meet the requirements of K.S.A. 2011 Supp. 21-6824, and amendments thereto; and

2) otherwise meets admission criteria of the camp.

If the inmate successfully completes a conservation camp program, the secretary of corrections shall report such completion to the sentencing court and the county or district attorney. The inmate shall then be assigned by the court to six months of follow-up supervision conducted by the appropriate community corrections services program. The court may also order that supervision continue thereafter for the length of time

(m) When it is provided by law that a person shall be sentenced pursuant to K.S.A. 1993 Supp. 21-4628, prior to its repeal, the provisions of this section shall not apply.

(n) Except as provided by subsection (f) of K.S.A. 2011 Supp. 21-6805, and amendments thereto, in addition to any of the above, for felony violations of K.S.A. 2011 Supp. 21-5706, and amendments thereto, the court shall require the defendant who meets the requirements established in K.S.A. 2011 Supp. 21-6824, and amendments thereto, to participate in a certified drug abuse treatment program, as provided in K.S.A. 2011 Supp. 75-52,144, and amendments thereto, including, but not limited to, an approved after-care plan. If the defendant fails to participate in or has a pattern of intentional conduct that demonstrates the offender's refusal to comply with or participate in the treatment program, as established by judicial finding, the defendant shall be subject to revocation of probation and the defendant shall serve the underlying prison sentence as established in K.S.A. 2011 Supp. 21-6805, and amendments thereto. For those offenders who are convicted on or after July 1, 2003, upon completion of the underlying prison sentence, the defendant shall not be subject to a period of postrelease supervision. The amount of time spent participating in such program shall not be credited as service on the underlying prison sentence.

(o) (1) Except as provided in paragraph (3), in addition to any other penalty or disposition imposed by law, upon a conviction for unlawful possession of a controlled substance or controlled substance analog in violation of K.S.A. 2011 Supp. 21-5706, and amendments thereto, in which the trier of fact makes a finding that the unlawful possession occurred while transporting the controlled substance or controlled substance analog in any vehicle upon a highway or street, the offender's driver's license or privilege to operate a motor vehicle on the streets and highways of this state shall be suspended for one year.

(2) Upon suspension of a license pursuant to this subsection, the court shall require the person to surrender the license to the court, which shall transmit the license to the division of motor vehicles of the department of revenue, to be retained until the period of suspension expires. At that time, the licensee may apply to the division for return of the license. If the license has expired, the person may apply for a new license, which shall be issued promptly upon payment of the proper fee and satisfaction of other conditions established by law for obtaining a license unless another suspension or revocation of the person's privilege to operate a motor vehicle is in effect.

(3) (A) In lieu of suspending the driver's license or privilege to operate a motor vehicle on the highways of this state of any person as provided in paragraph (1), the judge of the court in which such person was convicted may enter an order which places conditions on such person's privilege of operating a motor vehicle on the highways of this state, a certified copy of which such person shall be required to carry any time such person is operating a motor vehicle on the highways of this state. Any such order shall prescribe the duration of the conditions imposed, which in no event shall be for a period of more than one year.

(B) Upon entering an order restricting a person's license hereunder, the judge shall require such person to surrender such person's driver's license to the judge who shall cause it to be transmitted to the division of vehicles, together with a copy of the order. Upon receipt thereof, the division of vehicles shall issue without charge a driver's license which shall indicate on its face that conditions have been imposed on such
person's privilege of operating a motor vehicle and that a certified copy of the order imposing such conditions is required to be carried by the person for whom the license was issued any time such person is operating a motor vehicle on the highways of this state. If the person convicted is a nonresident, the judge shall cause a copy of the order to be transmitted to the division and the division shall forward a copy of it to the motor vehicle administrator, of such person's state of residence. Such judge shall furnish to any person whose driver's license has had conditions imposed on it under this paragraph a copy of the order, which shall be recognized as a valid Kansas driver's license until such time as the division shall issue the restricted license provided for in this paragraph.

(C) Upon expiration of the period of time for which conditions are imposed pursuant to this subsection, the licensee may apply to the division for the return of the license previously surrendered by such licensee. In the event such license has expired, such person may apply to the division for a new license, which shall be issued immediately by the division upon payment of the proper fee and satisfaction of the other conditions established by law, unless such person's privilege to operate a motor vehicle on the highways of this state has been suspended or revoked prior thereto. If any person shall violate any of the conditions imposed under this paragraph, such person's driver's license or privilege to operate a motor vehicle on the highways of this state shall be revoked for a period of not less than 60 days nor more than one year by the judge of the court in which such person is convicted of violating such conditions.

(4) As used in this subsection, "highway" and "street" means the same as in K.S.A. 8-1424 and 8-1473, and amendments thereto.

(p) In addition to any of the above, for any criminal offense that includes the domestic violence designation pursuant to K.S.A. 2011 Supp. 22-4616, and amendments thereto, the court shall require the defendant to: (1) Undergo a domestic violence offender assessment and conducted by a certified batterer intervention program; and (2) follow all recommendations made by such program, unless otherwise ordered by the court or the department of corrections. The court may order a domestic violence offender assessment and any other evaluation prior to sentencing if the assessment or evaluation would assist the court in determining an appropriate sentence. The entity completing the assessment or evaluation shall provide the assessment or evaluation and recommendations to the court and the court shall provide the domestic violence offender assessment and any other evaluation to any entity responsible for supervising such defendant. A defendant ordered to undergo a domestic violence offender assessment shall be required to pay for the assessment and, unless otherwise ordered by the court or the department of corrections, for completion of all recommendations.

(q) In imposing a fine, the court may authorize the payment thereof in installments. In lieu of payment of any fine imposed, the court may order that the person perform community service specified by the court. The person shall receive a credit on the fine imposed in an amount equal to $5 for each full hour spent by the person in the specified community service. The community service ordered by the court shall be required to be performed by the later of one year after the fine is imposed or one year after release from imprisonment or jail, or by an earlier date specified by the court. If by the required date the person performs an insufficient amount of community service to reduce to zero the portion of the fine required to be paid by the person, the remaining balance shall become due on that date. If conditional reduction of any fine is rescinded by the court
for any reason, then pursuant to the court's order the person may be ordered to perform community service by one year after the date of such rescission or by an earlier date specified by the court. If by the required date the person performs an insufficient amount of community service to reduce to zero the portion of the fine required to be paid by the person, the remaining balance of the fine shall become due on that date. All credits for community service shall be subject to review and approval by the court.

(r) In addition to any other penalty or disposition imposed by law, for any defendant sentenced to imprisonment pursuant to K.S.A. 21-4643, prior to its repeal, or K.S.A. 2011 Supp. 21-6627, and amendments thereto, for crimes committed on or after July 1, 2006, the court shall order that the defendant be electronically monitored upon release from imprisonment for the duration of the defendant's natural life and that the defendant shall reimburse the state for all or part of the cost of such monitoring as determined by the prisoner review board."

guilty of contempt such person shall be punished as the court shall direct.

(c) If, after proper service of the order to appear and show cause, the person served
shall not appear in court as ordered, or if the court finds at a hearing held on motion of a

If the person found guilty of contempt as provided in this subsection is a licensed attorney, the court may file a complaint with the disciplinary administrator if the licensing agency is the Kansas supreme court, or the appropriate bar counsel's office if the licensee practices in another state.

(g) If a person is found guilty of contempt in a child support enforcement proceeding, including an assignment of child support rights to the commissioner of juvenile justice, in an amount equal to or greater than the amount of support payable for six months or the obligor has been ordered by the court to pay a sum certain each month toward the liquidation of the arrearages and the obligor has substantially failed to abide by that order, the court may restrict the obligor's driver's license. (b) *Captions.* All pleadings shall be captioned, "In the matter of the marriage of _________ and _________." In the caption, the name of the petitioner shall appear first and the name of the respondent shall appear second, but the respective parties shall not be designated as such.

(c) *Contents of petition.* The grounds for divorce, annulment or separate maintenance shall be alleged as nearly as possible in the general language of the statute, without detailed statement of facts. If there are minor children of the marriage, the petition shall state their names and dates of birth and shall contain, or be accompanied by an affidavit which contains, the information required by K.S.A. 2011 Supp. 23-37,209, and amendments thereto.

(d) *Bill of particulars.* The opposing party may demand a statement of the facts which shall be furnished in the form of a bill of particulars. The facts stated in the bill of particulars shall be the specific facts upon which the action shall be tried. If interrogatories have been served on or a deposition taken of the party from whom the bill of particulars is demanded, the court in its discretion may refuse to grant the demand for a bill of particulars. A copy of the bill of particulars shall be delivered to the judge. The bill of particulars shall not be filed with the clerk of the court or become a part of the record except on appeal, and then only when the issue to be reviewed relates to the facts stated in the bill of particulars. The bill of particulars shall be destroyed by the district judge unless an appeal is taken, in which case the bill of particulars shall be destroyed upon receipt of the final order from the appellate court.

(e) *Service of process.* Service of process shall be made in the manner provided in article 3 of this 27 of chapter 23 of the Kansas Statutes Annotated, and amendments thereto.

Sec. 37. K.S.A. 2011 Supp. 23-2706 is hereby amended to read as follows: 23-2706. The court shall grant a requested decree of divorce, separate maintenance or annulment unless the granting of the decree is discretionary under this act or unless the court finds that there are no grounds for the requested alteration of marital status. If a decree of divorce, separate maintenance or annulment is denied for lack of grounds, the court shall nevertheless, if application is made by one of the parties, make the orders authorized by K.S.A. 2011 Supp. 23-2501 and 23-2502 articles 28, 29, 30 and 32 of chapter 23 of the Kansas Statutes Annotated, and amendments thereto.

Sec. 38. K.S.A. 2011 Supp. 23-2709 is hereby amended to read as follows: 23-2709. In an action for divorce, the court shall conduct a pretrial conference or conferences in accordance with K.S.A. 60-216, and amendments thereto, upon request of either party or on the court's own motion. Any pretrial conference shall be set on a date other than the date of trial and the parties shall be present or available within the courthouse.

Sec. 39. K.S.A. 2011 Supp. 23-2710 is hereby amended to read as follows: 23-2710. (a) *In an action for divorce.* After the filing of the answer or other responsive pleading by the respondent, the court, on its own motion or upon motion of either of the parties, may require both parties to the action to seek marriage counseling if marriage counseling services are available within the judicial district of venue of the action. Neither party shall be required to submit to marriage counseling provided by any
religious organization of any particular denomination.

(b) The cost of any counseling authorized by this section may be assessed as costs in the case.

Sec. 40. K.S.A. 2011 Supp. 23-2715 is hereby amended to read as follows: 23-2715. In an action for divorce, costs and attorney fees may be awarded to either party as justice and equity require. The court may order that the amount be paid directly to the attorney, who may enforce the order in the attorney's name in the same case.

Sec. 41. K.S.A. 2011 Supp. 23-2717 is hereby amended to read as follows: 23-2717. If a party fails to comply with a provision of a decree, temporary order or injunction issued under K.S.A. 2011 Supp. 23-2701 through 23-2718, 23-2802, 23-2901 through 23-2905, 23-3001 through 23-3006, 23-3119, 23-3120, 23-3201 through 23-3222, 23-3301, 23-3402, 23-3403, 23-3510 and 28-179 articles 27 through 38 of chapter 23 of the Kansas Statutes Annotated, and amendments thereto, the obligation of the other party to make payments for support or maintenance or to permit visitation or parenting time is not suspended, but the other party may request by motion that the court grant an appropriate order.

Sec. 42. K.S.A. 2011 Supp. 23-2802 is hereby amended to read as follows: 23-2802. (a) The decree A decree under section 24, and amendments thereto, shall divide the real and personal property of the parties, including any retirement and pension plans, whether owned by either spouse prior to marriage, acquired by either spouse in the spouse's own right after marriage or acquired by the spouses' joint efforts, by: (1) A division of the property in kind; (2) awarding the property or part of the property to one of the spouses and requiring the other to pay a just and proper sum; or (3) ordering a sale of the property, under conditions prescribed by the court, and dividing the proceeds of the sale.

(b) Upon request, the trial court shall set a valuation date to be used for all assets at trial, which may be the date of separation, filing or trial as the facts and circumstances of the case may dictate. The trial court may consider evidence regarding changes in value of various assets before and after the valuation date in making the division of property. In dividing defined-contribution types of retirement and pension plans, the court shall allocate profits and losses on the nonparticipant's portion until date of distribution to that nonparticipant.

(c) In making the division of property the court shall consider: (1) The age of the parties; (2) the duration of the marriage; (3) the property owned by the parties; (4) their present and future earning capacities; (5) the time, source and manner of acquisition of property; (6) family ties and obligations; (7) the allowance of maintenance or lack thereof; (8) dissipation of assets; (9) the tax consequences of the property division upon the respective economic circumstances of the parties; and (10) such other factors as the court considers necessary to make a just and reasonable division of property.

(d) The decree shall provide for any changes in beneficiary designation on: (1) Any insurance or annuity policy that is owned by the parties, or in the case of group life insurance policies, under which either of the parties is a covered person; (2) any trust instrument under which one party is the grantor or holds a power of appointment over part or all of the trust assets, that may be exercised in favor of either party; or (3) any transfer on death or payable on death account under which one or both of the parties are owners or beneficiaries.

Nothing in this section shall relieve the parties of the obligation to effectuate any
change in beneficiary designation by the filing of such change with the insurer or issuer in accordance with the terms of such policy.

Sec. 43. K.S.A. 2011 Supp. 23-2902 is hereby amended to read as follows: 23-2902. (a) Any decree of divorce or separate maintenance may award to either party an allowance for future support denominated as maintenance, in an amount the court finds to be fair, just and equitable under all of the circumstances.

(b) Maintenance may be in a lump sum, in periodic payments, on a percentage of earnings or on any other basis.

(c) The decree may make the future payments modifiable or terminable under circumstances prescribed in the decree.

Sec. 44. K.S.A. 2011 Supp. 23-2905 is hereby amended to read as follows: 23-2905. (a) Except for good cause shown, every order requiring payment of maintenance under this section shall require that the maintenance be paid through the central unit for collection and disbursement of support payments designated pursuant to K.S.A. 2011 Supp. 39-7,135, and amendments thereto. A written agreement between the parties to make direct maintenance payments to the obligee and not pay through the central unit shall constitute good cause.

(b) If child support and maintenance payments are both made to an obligee by the same obligor, and if the court has made a determination concerning the manner of payment of child support, then maintenance payments shall be paid in the same manner.

Sec. 45. K.S.A. 2011 Supp. 23-3001 is hereby amended to read as follows: 23-3001. (a) In any action for divorce or separate maintenance under article 27 of chapter 23 of the Kansas Statutes Annotated, and amendments thereto, the court shall make provisions for the support and education of the minor children.

(b) Regardless of the type of custodial arrangement ordered by the court, the court may order the child support and education expenses to be paid by either or both parents for any child less than 18 years of age, at which age the support shall terminate unless:

(1) The parent or parents agree, by written agreement approved by the court, to pay support beyond the time the child reaches 18 years of age;

(2) the child reaches 18 years of age before completing the child's high school education in which case the support shall not terminate automatically, unless otherwise ordered by the court, until June 30 of the school year during which the child became 18 years of age if the child is still attending high school; or

(3) the child is still a bona fide high school student after June 30 of the school year during which the child became 18 years of age, in which case the court, on motion, may order support to continue through the school year during which the child becomes 19 years of age so long as the child is a bona fide high school student and the parents jointly participated or knowingly acquiesced in the decision which delayed the child’s completion of high school. The court, in extending support pursuant to subsection (b) (3), may impose such conditions as are appropriate and shall set the child support utilizing the guideline table category for 12-year through 18-year old children. For purposes of this section, "bona fide high school student" means a student who is enrolled in full accordance with the policy of the accredited high school in which the student is pursuing a high school diploma or a graduate equivalency diploma (GED).

(c) Provision for payment of support and educational expenses of a child after reaching 18 years of age if still attending high school shall apply to any child subject to
the jurisdiction of the court, including those whose support was ordered prior to July 1, 1992. If an agreement approved by the court prior to July 1, 1992, provides for termination of support before the date provided by subsection (b)(3), the court may review and modify such agreement, and any order based on such agreement, to extend the date for termination of support to the date provided by subsection (b)(3).

Sec. 46. K.S.A. 2011 Supp. 23-3004 is hereby amended to read as follows: 23-3004. Except for good cause shown, every order requiring payment of child support under this section article shall require that the support be paid through the central unit for collection and disbursement of support payments designated pursuant to K.S.A. 2011 Supp. 39-7,135, and amendments thereto. A written agreement between the parties to make direct child support payments to the obligee and not pay through the central unit shall constitute good cause, unless the court finds the agreement is not in the best interest of the child or children. The obligor shall file such written agreement with the court. The obligor shall maintain written evidence of the payment of the support obligation and, at least annually, shall provide such evidence to the court and the obligee.

Sec. 47. K.S.A. 2011 Supp. 23-3005 is hereby amended to read as follows: 23-3005. (a) Subject to the provisions of K.S.A. 23-36,207, and amendments thereto, the court may modify or change any prior child support order, including any order issued in a title IV-D case, within three years of the date of the original order or a modification order, when a material change in circumstances is shown, irrespective of the present domicile of the child or the parents. If more than three years has passed since the date of the original order or modification order, a material change in circumstance need not be shown.

(b) The court may make a modification of child support retroactive to a date at least one month after the date that the motion to modify was filed with the court. Any increase in support ordered effective prior to the date the court's judgment is filed shall not become a lien on real property pursuant to K.S.A. 60-2202, and amendments thereto.

Sec. 48. K.S.A. 2011 Supp. 23-3207 is hereby amended to read as follows: 23-3207. After making a determination of the legal custodial arrangements, the court shall determine the residency of the child from the following options, which arrangement the court must find to be in the best interest of the child. The parties shall submit to the court either an agreed parenting plan or, in the case of dispute, proposed parenting plans for the court's consideration. Such options are:

(a) Residency. The court may order a residential arrangement in which the child resides with one or both parents on a basis consistent with the best interests of the child.

(b) Divided residency. In an exceptional case, the court may order a residential arrangement in which one or more children reside with each parent and have parenting time with the other.

(c) Nonparental residency. If during the proceedings the court determines that there is probable cause to believe that the child is a child in need of care as defined by subsections (d)(1), (d)(2), (d)(3) or (d)(11) of K.S.A. 2011 Supp. 38-2202, and amendments thereto, or that neither parent is fit to have residency, the court may award temporary residency of the child to a grandparent, aunt, uncle or adult sibling, or, another person or agency if the court finds by written order that:

(1) (A) The child is likely to sustain harm if not immediately removed from the
home;

(B) allowing the child to remain in the home is contrary to the welfare of the child; or

(C) immediate placement of the child is in the best interest of the child; and

(2) reasonable efforts have been made to maintain the family unit and prevent the unnecessary removal of the child from the child’s home or that an emergency exists which threatens the safety of the child. In making such a residency order, the court shall give preference, to the extent that the court finds it is in the best interests of the child, first to awarding such residency to a relative of the child by blood, marriage or adoption and second to awarding such residency to another person with whom the child has close emotional ties. The court may make temporary orders for care, support, education and visitation that it considers appropriate. Temporary residency orders are to be entered in lieu of temporary orders provided for in K.S.A. 2011 Supp. 38-2243 and 38-2244, and amendments thereto, and shall remain in effect until there is a final determination under the revised Kansas code for care of children. An award of temporary residency under this paragraph shall not terminate parental rights nor give the court the authority to consent to the adoption of the child. When the court enters orders awarding temporary residency of the child to an agency or a person other than the parent, the court shall refer a transcript of the proceedings to the county or district attorney. The county or district attorney shall file a petition as provided in K.S.A. 2011 Supp. 38-2234, and amendments thereto, and may request termination of parental rights pursuant to K.S.A. 2011 Supp. 38-2266, and amendments thereto. The costs of the proceedings shall be paid from the general fund of the county. When a final determination is made that the child is not a child in need of care, the county or district attorney shall notify the court in writing and the court, after a hearing, shall enter appropriate custody orders pursuant to this section article. If the same judge presides over both proceedings, the notice is not required. Any disposition order pursuant to the revised Kansas code for care of children shall be binding and shall supersede any order under this section article.

Sec. 49. K.S.A. 2011 Supp. 23-3208 is hereby amended to read as follows: 23-3208. (a) Parents. A parent is entitled to reasonable parenting time unless the court finds, after a hearing, that the exercise of parenting time would seriously endanger the child’s physical, mental, moral or emotional health.

(b) Enforcement of rights. An order granting visitation rights or parenting time pursuant to this section under this article may be enforced in accordance with the uniform child custody jurisdiction and enforcement act, or K.S.A. 2011 Supp. 23-3401, and amendments thereto.

(c) Court-ordered exchange or parenting time at a child exchange and visitation center. The court may order exchange or visitation parenting time to take place at a child exchange and visitation center, as established in K.S.A. 75-720, and amendments thereto.

Sec. 50. K.S.A. 2011 Supp. 23-3215 is hereby amended to read as follows: 23-3215. (a) A parent entitled to legal custody of, or residency of, or parenting time with a child pursuant to K.S.A. 2011 Supp. 23-2712, 23-2715, 23-2716, 23-2802, 23-2902 through 23-2605, 23-3001 through 23-2006, 23-3201 through 23-3207, 23-3216 and 23-3218, and amendments thereto, shall give written notice to the other parent of one or more of the following events when such parent: (1) Is subject to the registration
requirements of the Kansas offender registration act, K.S.A. 22-4901 et seq., and amendments thereto, or any similar act in any other state, or under military or federal law; (2) has been convicted of abuse of a child, K.S.A. 21-3609, prior to its repeal, or K.S.A. 2011 Supp. 21-5602, and amendments thereto; (3) is residing with an individual who is known by the parent to be subject to the registration requirements of the Kansas offender registration act, K.S.A. 22-4901 et seq., and amendments thereto, or any similar act in any other state, or under military or federal law; or (4) is residing with an individual who is known by the parent to have been convicted of abuse of a child, K.S.A. 21-3609, prior to its repeal, or K.S.A. 2011 Supp. 21-5602, and amendments thereto. Such notice shall be sent by restricted mail, return receipt requested, to the last known address of the other parent within 14 days following such event.

(b) Failure to give notice as required by subsection (a) is an indirect civil contempt punishable as provided by law. In addition, the court may assess, against the parent required to give notice, reasonable attorney fees and any other expenses incurred by the other parent by reason of the failure to give notice.

(c) An event described in subsection (a) may be considered a material change of circumstances which justifies modification of a prior order of legal custody, residency, child support or parenting time.

Sec. 51. K.S.A. 2011 Supp. 23-3219 is hereby amended to read as follows: 23-3219. (a) A party filing a motion to modify a final order pertaining to child custody or residential placement pursuant to K.S.A. 2011 Supp. 23-2201 and 23-2205 through 23-2225 or K.S.A. 2011 Supp. 23-2701 through 23-2718, 23-2802, 23-2901 through 23-2905, 23-3001 through 23-3006, 23-3119, 23-3120, 23-3201 through 23-3222, 23-3301, 23-3402, 23-2402, 23-3510 and 28-179 article 22, 27 or 32 of chapter 23 of the Kansas Statutes Annotated, and amendments thereto, shall include with specificity in the verified motion, or in an accompanying affidavit, all known factual allegations which constitute the basis for the change of custody or residential placement. If the court finds that the allegations set forth in the motion or the accompanying affidavit fail to establish a prima facie case, the court shall deny the motion. If the court finds that the motion establishes a prima facie case, the matter may be tried on factual issues.

(b) In the event the court is asked to issue an ex parte order modifying a final child custody or residential placement order based on alleged emergency circumstances, the court shall:

(1) Attempt to have the nonmoving party's counsel, if any, present before taking up the matter.

(2) Set the matter for review hearing at the earliest possible court setting after issuance of the ex parte order, but in no case later than 15 days after issuance.

(3) Require personal service of the order and notice of review hearing on the nonmoving party.

No ex parte order modifying a final custody or residential placement order shall be entered without sworn testimony to support a showing of the alleged emergency.

Sec. 52. K.S.A. 2011 Supp. 23-3221 is hereby amended to read as follows: 23-3221. (a) The court may modify an order granting or denying parenting time or visitation rights whenever modification would serve the best interests of the child.

(b) Repeated unreasonable denial of or interference with visitation rights or parenting time granted pursuant to this section under this article may be considered a material change of circumstances which justifies modification of a prior order of legal custody or residential placement.
custody, residency, visitation or parenting time.

(c) Any party may petition the court to modify an order granting visitation rights or parenting time to require that the exchange or transfer of children for visitation or parenting time take place at a child exchange and visitation center, as established in K.S.A. 75-720, and amendments thereto. The court may modify an order granting visitation whenever modification would serve the best interests of the child.

Sec. 53. K.S.A. 2011 Supp. 23-3222 is hereby amended to read as follows: 23-3222. (a) Except as provided in subsection (d), a parent entitled to legal custody or residency of or parenting time with a child pursuant to K.S.A. 2011 Supp. 23-2712, 23-2715, 23-2716, 23-2802, 23-2902 through 23-2605, 23-3001 through 23-2606, 23-3201 through 23-3207, 23-3216 and 23-3218, and amendments thereto, under this article shall give written notice to the other parent not less than 30 days prior to: (1) Changing the residence of the child; or (2) removing the child from this state for a period of time exceeding 90 days. Such notice shall be sent by restricted mail, return receipt requested, to the last known address of the other parent.

(b) Failure to give notice as required by subsection (a) is an indirect civil contempt punishable as provided by law. In addition, the court may assess, against the parent required to give notice, reasonable attorney fees and any other expenses incurred by the other parent by reason of the failure to give notice.

(c) A change of the residence or the removal of a child as described in subsection (a) may be considered a material change of circumstances which justifies modification of a prior order of legal custody, residency, child support or parenting time. In determining any motion seeking a modification of a prior order based on change of residence or removal as described in (a), the court shall consider all factors the court deems appropriate including, but not limited to: (1) The effect of the move on the best interests of the child; (2) the effect of the move on any party having rights granted pursuant to K.S.A. 2011 Supp. 23-2712, 23-2715, 23-2716, 23-2802, 23-2902 through 23-2605, 23-3001 through 23-2606, 23-3201 through 23-3207, 23-3216 and 23-3218, and amendments thereto, under this article; and (3) the increased cost the move will impose on any party seeking to exercise rights granted under K.S.A. 2011 Supp. 23-2712, 23-2715, 23-2716, 23-2802, 23-2902 through 23-2605, 23-3001 through 23-2606, 23-3201 through 23-3207, 23-3216 and 23-3218, and amendments thereto this article.

Sec. 65. K.S.A. 2011 Supp. 38-2255 is hereby amended to read as follows: 38-2255. (a) **Considerations.** Prior to entering an order of disposition, the court shall give consideration to:

(1) The child's physical, mental and emotional condition;
(2) the child's need for assistance;
(3) the manner in which the parent participated in the abuse, neglect or abandonment of the child;
(4) any relevant information from the intake and assessment process; and
(5) the evidence received at the dispositional hearing.

(b) **Custody with a parent.** The court may place the child in the custody of either of the child's parents subject to terms and conditions which the court prescribes to assure the proper care and protection of the child, including, but not limited to:

(1) Supervision of the child and the parent by a court services officer;
(2) participation by the child and the parent in available programs operated by an appropriate individual or agency; and
(3) any special treatment or care which the child needs for the child's physical, mental or emotional health and safety.

(c) **Removal of a child from custody of a parent.** The court shall not enter the initial order removing a child from the custody of a parent pursuant to this section unless the court first finds probable cause that: (1) (A) The child is likely to sustain harm if not immediately removed from the home;

(B) allowing the child to remain in home is contrary to the welfare of the child; or
(C) immediate placement of the child is in the best interest of the child; and
(2) reasonable efforts have been made to maintain the family unit and prevent the
unnecessary removal of the child from the child's home or that an emergency exists
which threatens the safety to the child.

The court shall not enter an order removing a child from the custody of a parent
pursuant to this section based solely on the finding that the parent is homeless.

(d) Custody of a child removed from the custody of a parent. If the court has made
the findings required by subsection (c), the court shall enter an order awarding custody
to a relative of the child or to a person with whom the child has close emotional ties
who shall not be required to be licensed under article 5 of chapter 65 of the Kansas
Statutes Annotated, and amendments thereto, to any other suitable person, to a shelter
facility, to a youth residential facility or, if the child is 15 years of age or younger, or 16
or 17 years of age if the child has no identifiable parental or family resources or shows
signs of physical, mental, emotional or sexual abuse, to the secretary. Custody awarded
under this subsection shall continue until further order of the court.

(1) When custody is awarded to the secretary, the secretary shall consider any
placement recommendation by the court and notify the court of the placement or
proposed placement of the child within 10 days of the order awarding custody. After
providing the parties or interested parties notice and opportunity to be heard, the court
can determine whether the secretary's placement or proposed placement is contrary to
the welfare or in the best interests of the child. In making that determination the court
shall consider the health and safety needs of the child and the resources available to
meet the needs of children in the custody of the secretary. If the court determines that
the placement or proposed placement is contrary to the welfare or not in the best
interests of the child, the court shall notify the secretary, who shall then make an
alternative placement.

(2) The custodian designated under this subsection shall notify the court in writing
at least 10 days prior to any planned placement with a parent. The written notice shall
state the basis for the custodian's belief that placement with a parent is no longer
contrary to the welfare or best interest of the child. Upon reviewing the notice, the court
can allow the custodian to proceed with the planned placement or may set the date for
a hearing to determine if the child shall be allowed to return home. If the court sets a
hearing on the matter, the custodian shall not return the child home without
written consent of the court.

(3) The court may grant any person reasonable rights to visit the child upon motion
of the person and a finding that the visitation rights would be in the best interests of the
child.

(4) The court may enter an order restraining any alleged perpetrator of physical,
mental or emotional abuse or sexual abuse of the child from residing in the child's
home; visiting, contacting, harassing or intimidating the child, other family member or
witness; or attempting to visit, contact, harass or intimidate the child, other family
member or witness. Such restraining order shall be served by personal service pursuant
to subsection (a) of K.S.A. 2011 Supp. 38-2237, and amendments thereto, on any
alleged perpetrator to whom the order is directed.

(5) The court shall provide a copy of any orders entered within 10 days of entering
the order to the custodian designated under this subsection.

(e) Further determinations regarding a child removed from the home. If custody
has been awarded under subsection (d) to a person other than a parent, a permanency plan shall be provided or prepared pursuant to K.S.A. 2011 Supp. 38-2264, and amendments thereto. If a permanency plan is provided at the dispositional hearing, the court may determine whether reintegration is a viable alternative or, if reintegration is not a viable alternative, whether the child should be placed for adoption or a permanent custodian appointed. In determining whether reintegration is a viable alternative, the court shall consider:

1. Whether a parent has been found by a court to have committed one of the following crimes or to have violated the law of another state prohibiting such crimes or to have aided and abetted, attempted, conspired or solicited the commission of one of these crimes: (A) Murder in the first degree, K.S.A. 21-3401, prior to its repeal, or K.S.A. 2011 Supp. 21-5402, and amendments thereto; (B) murder in the second degree, K.S.A. 21-3402, prior to its repeal, or K.S.A. 2011 Supp. 21-5403, and amendments thereto; (C) capital murder, K.S.A. 21-3439, prior to its repeal, or K.S.A. 2011 Supp. 21-5401, and amendments thereto; (D) voluntary manslaughter, K.S.A. 21-3403, prior to its repeal, or K.S.A. 2011 Supp. 21-5404, and amendments thereto; or (E) a felony battery that resulted in bodily injury;

2. Whether a parent has subjected the child or another child to aggravated circumstances;

3. Whether a parent has previously been found to be an unfit parent in proceedings under this code or in comparable proceedings under the laws of another state or the federal government;

4. Whether the child has been in extended out of home placement;

5. Whether the parents have failed to work diligently toward reintegration;

6. Whether the secretary has provided the family with services necessary for the safe return of the child to the home; and

7. Whether it is reasonable to expect reintegration to occur within a time frame consistent with the child’s developmental needs.

(f) Proceedings if reintegration is not a viable alternative. If the court determines that reintegration is not a viable alternative, proceedings to terminate parental rights and permit placement of the child for adoption or appointment of a permanent custodian shall be initiated unless the court finds that compelling reasons have been documented in the case plan why adoption or appointment of a permanent custodian would not be in the best interests of the child. If compelling reasons have not been documented, the county or district attorney shall file a motion within 30 days to terminate parental rights or a motion to appoint a permanent custodian within 30 days and the court shall hold a hearing on the motion within 90 days of its filing. No hearing is required when the parents voluntarily relinquish parental rights or consent to the appointment of a permanent custodian.

(g) Additional Orders. In addition to or in lieu of any other order authorized by this section:

1. The court may order the child and the parents of any child who has been adjudicated a child in need of care to attend counseling sessions as the court directs. The expense of the counseling may be assessed as an expense in the case. No mental health provider shall charge a greater fee for court-ordered counseling than the provider would have charged to the person receiving counseling if the person had requested counseling on the person’s own initiative.
(2) If the court has reason to believe that a child is before the court due, in whole or in part, to the use or misuse of alcohol or a violation of K.S.A. 2011 Supp. 21-5701 through 21-5717, and amendments thereto, by the child, a parent of the child, or another person responsible for the care of the child, the court may order the child, parent of the child or other person responsible for the care of the child to submit to and complete an alcohol and drug evaluation by a qualified person or agency and comply with any recommendations. If the evaluation is performed by a community-based alcohol and drug safety program certified pursuant to K.S.A. 8-1008, and amendments thereto, the child, parent of the child or other person responsible for the care of the child shall pay a fee not to exceed the fee established by that statute. If the court finds that the child and those legally liable for the child's support are indigent, the fee may be waived. In no event shall the fee be assessed against the secretary.

(3) If child support has been requested and the parent or parents have a duty to support the child, the court may order one or both parents to pay child support and, when custody is awarded to the secretary, the court shall order one or both parents to pay child support. The court shall determine, for each parent separately, whether the parent is already subject to an order to pay support for the child. If the parent is not presently ordered to pay support for any child who is subject to the jurisdiction of the court and the court has personal jurisdiction over the parent, the court shall order the parent to pay child support in an amount determined under K.S.A. 2011 Supp. 38-2277, and amendments thereto. Except for good cause shown, the court shall issue an immediate income withholding order pursuant to K.S.A. 2011 Supp. 38-2279, and amendments thereto, for each parent ordered to pay support under this subsection, regardless of whether a payor has been identified for the parent. A parent ordered to pay child support under this subsection shall be notified, at the hearing or otherwise, that the child support order may be registered pursuant to K.S.A. 2011 Supp. 38-2279, and amendments thereto. The parent shall also be informed that, after registration, the income withholding order may be served on the parent's employer without further notice to the parent and the child support order may be enforced by any method allowed by law. Failure to provide this notice shall not affect the validity of the child support order.

Sec. 66. K.S.A. 2011 Supp. 38-2264 is hereby amended to read as follows: 38-2264. (a) A permanency hearing is a proceeding conducted by the court or by a citizen review board for the purpose of determining progress toward accomplishment of a permanency plan as established by K.S.A. 2011 Supp. 38-2263, and amendments thereto.

(b) The court or a citizen review board shall hear and the court shall determine whether and, if applicable, when the child will be:

1. Reintegrated with the child's parents;
2. placed for adoption;
3. placed with a permanent custodian; or
4. if the secretary has documented compelling reasons why it would not be in the child's best interests for a placement in one of the placements pursuant to paragraphs (1), (2) or (3) placed in another planned permanent arrangement.

(c) The court shall enter a finding as to whether reasonable efforts have been made by appropriate public or private agencies to rehabilitate the family and achieve the permanency goal in place at the time of the hearing.
(d) A permanency hearing shall be held within 12 months of the date the court authorized the child's removal from the home and not less frequently than every 12 months thereafter.

(e) If the court determines at any time other than during a permanency hearing that reintegration may not be a viable alternative for the child, a permanency hearing shall be held no later than 30 days following that determination.

(f) When the court finds that reintegration continues to be a viable alternative, the court shall determine whether and, if applicable, when the child will be returned to the parent. The court may rescind any of its prior dispositional orders and enter any dispositional order authorized by this code or may order that a new plan for the reintegration be prepared and submitted to the court. If reintegration cannot be accomplished as approved by the court, the court shall be informed and shall schedule a hearing pursuant to this section. No such hearing is required when the parents voluntarily relinquish parental rights or consent to appointment of a permanent custodian.

(g) If the court finds reintegration is no longer a viable alternative, the court shall consider whether: (1) The child is in a stable placement with a relative; (2) services set out in the case plan necessary for the safe return of the child have been made available to the parent with whom reintegration is planned; or (3) compelling reasons are documented in the case plan to support a finding that neither adoption nor appointment of a permanent custodian are in the child's best interest. If reintegration is not a viable alternative and either adoption or appointment of a permanent custodian might be in the best interests of the child, the county or district attorney or the county or district attorney's designee shall file a motion to terminate parental rights or a motion to appoint a permanent custodian within 30 days and the court shall set a hearing on such motion within 90 days of the filing of such motion.

(h) If the court enters an order terminating parental rights to a child, or an agency has accepted a relinquishment pursuant to K.S.A. 59-2124, and amendments thereto, the requirements for permanency hearings shall continue until an adoption or appointment of a permanent custodian has been accomplished. If the court determines that reasonable efforts or progress have not been made toward finding an adoptive placement or appointment of a permanent custodian or placement with a fit and willing relative, the court may rescind its prior orders and make others regarding custody and adoption that are appropriate under the circumstances. Reports of a proposed adoptive placement need not contain the identity of the proposed adoptive parents.

(i) If permanency with one parent has been achieved without the termination of the other parent's rights, the court may, prior to dismissing the case, enter child custody orders, including residency and parenting time that the court determines to be in the best interests of the child. The court shall complete a parenting plan pursuant to K.S.A. 60-4625 K.S.A. 2011 Supp. 23-3213, and amendments thereto.

(1) Before entering a custody order under this subsection, the court shall inquire whether a custody order has been entered or is pending in a civil custody case by a court of competent jurisdiction within the state of Kansas.

(2) If a civil custody case has been filed or is pending, a certified copy of the custody, residency and parenting time orders shall be filed in the civil custody case. The court in the civil custody case may, after consultation with the court in the child in need of care case, enter an order declaring that the custody order in the child in need of care
case shall become the custody order in the civil custody case.

(3) A district court, on its own motion or upon the motion of any party, may order the consolidation of the child in need of care case with any open civil custody case involving the child and both of the child's parents. Custody, residency and parenting time orders entered in consolidated child in need of care and civil custody cases take precedence over any previous orders affecting both parents and the child that were entered in the civil custody case regarding the same or related issues. Following entry of a custody order in a consolidated case, the court shall dismiss the child in need of care case and, if necessary, return the civil custody case to the original court having jurisdiction over it.

(4) If no civil custody case has been filed, the court may direct the parties to file a civil custody case and to file the custody orders from the child in need of care case in that case. Costs of the civil custody case may be assessed to the parties.

(5) Nothing in this subsection shall operate to expand access to information that is confidential under K.S.A. 38-2209, and amendments thereto, and the confidentiality of such information shall be preserved in all filings in a civil custody case.

(j) When permanency has been achieved to the satisfaction of the court, the court shall enter an order closing the case.

Sec. 67. K.S.A. 2011 Supp. 38-2304 is hereby amended to read as follows: 38-2304. (a) Except as provided in K.S.A. 2011 Supp. 38-2347, and amendments thereto, proceedings concerning a juvenile shall be governed by the provisions of this code.

(b) The district court shall have original jurisdiction to receive and determine proceedings under this code.

(c) When a complaint is filed under this code, the juvenile shall be presumed to be subject to this code, unless the contrary is proved.

(d) Once jurisdiction is acquired by the district court over an alleged juvenile offender, except as otherwise provided in subsection (e), jurisdiction shall continue until one of the following occurs:

(1) The complaint is dismissed;
(2) the juvenile is adjudicated not guilty at trial;
(3) the juvenile, after being adjudicated guilty and sentenced:
  (i) successfully completes the term of probation or order of assignment to community corrections;
  (ii) is discharged by the commissioner pursuant to K.S.A. 2011 Supp. 38-2376, and amendments thereto;
  (iii) reaches the juvenile's 21st birthday and no exceptions apply that extend jurisdiction beyond age 21;
(4) the court terminates jurisdiction; or
(5) the offender is convicted of a new felony while the offender is incarcerated in a juvenile correctional facility pursuant to K.S.A. 38-1671l prior to its repeal or K.S.A. 2011 Supp. 38-2373, and amendments thereto, for an offense, which if committed by an adult would constitute the commission of a felony.

(e) Once jurisdiction is acquired by the district court over an alleged juvenile offender, it shall continue beyond the juvenile offender's 21st birthday but no later than the juvenile offender's 23rd birthday if either or both of the following conditions apply:

(1) The juvenile offender is sentenced pursuant to K.S.A. 2011 Supp. 38-2369, and amendments thereto, and the term of the sentence including successful completion of
aftercare extends beyond the juvenile offender's 21st birthday; or

(2) the juvenile offender is sentenced pursuant to an extended jurisdiction juvenile prosecution and continues to successfully serve the sentence imposed pursuant to the revised Kansas juvenile justice code.

(f) Termination of jurisdiction pursuant to this section shall have no effect on the juvenile offender's continuing responsibility to pay restitution ordered.

(g) (1) If a juvenile offender, at the time of sentencing, is in an out of home placement in the custody of the secretary of social and rehabilitation services under the Kansas code for care of children, the sentencing court may order the continued placement of the juvenile offender as a child in need of care unless the offender was adjudicated for a felony or a second or subsequent misdemeanor. If the adjudication was for a felony or a second or subsequent misdemeanor, the continued placement cannot be ordered unless the court finds there are compelling circumstances which, in the best interest of the juvenile offender, require that the placement should be continued. In considering whether compelling circumstances exist, the court shall consider the reports and recommendations of the foster placement, the contract provider, the secretary of social and rehabilitation services, the presentence investigation and all other relevant factors. If the foster placement refuses to continue the juvenile in the foster placement the court shall not order continued placement as a child in need of care.

(2) If a placement with the secretary of social and rehabilitation services is continued after sentencing, the secretary shall not be responsible for any costs of sanctions imposed under this code.

(3) If the juvenile offender is placed in the custody of the juvenile justice authority, the secretary of social and rehabilitation services shall not be responsible for furnishing services ordered in the child in need of care proceeding during the time of the placement pursuant to the revised Kansas juvenile justice code. Nothing in this subsection shall preclude the juvenile offender from accessing other services provided by the department of social and rehabilitation services or any other state agency if the juvenile offender is otherwise eligible for the services.

(h) A court's order issued in a proceeding pursuant to this code, shall take precedence over such orders in a proceeding under article 11 of chapter 38 of the Kansas Statutes Annotated, and amendments thereto (parentage act), a proceeding under article 16 of chapter 60 of the Kansas Statutes Annotated, and amendments thereto (divorce), chapter 23 of the Kansas Statutes Annotated, and amendments thereto, the Kansas family law code, a proceeding under article 31 of chapter 60 of the Kansas Statutes Annotated, and amendments thereto (protection from abuse act), a proceeding under article 21 of chapter 59 of the Kansas Statutes Annotated, and amendments thereto (adoptive placement and relinquishment act), a proceeding under article 30 of chapter 59 of the Kansas Statutes Annotated, and amendments thereto (guardians and conservators), or a comparable case in another jurisdiction, except as provided by K.S.A. 38-1336 K.S.A. 2011 Supp. 23-37,101 et seq., and amendments thereto (uniform child custody jurisdiction and enforcement act).

Sec. 68. K.S.A. 2011 Supp. 38-2313 is hereby amended to read as follows: 38-2313. (a) Fingerprints or photographs shall not be taken of any juvenile who is taken into custody for any purpose, except that:

(1) Fingerprints or photographs of a juvenile may be taken if authorized by a judge of the district court having jurisdiction;
(2) a juvenile's fingerprints shall be taken, and photographs of a juvenile may be taken, immediately upon taking the juvenile into custody or upon first appearance or in any event before final sentencing, before the court for an offense which, if committed by an adult, would constitute the commission of a felony, a class A or B misdemeanor or assault, as defined in subsection (a) of K.S.A. 2011 Supp. 21-5412, and amendments thereto;

(3) fingerprints or photographs of a juvenile may be taken under K.S.A. 21-2501, and amendments thereto, if the juvenile has been: (A) Prosecuted as an adult pursuant to K.S.A. 2011 Supp. 38-2347, and amendments thereto; or (B) taken into custody for an offense described in subsection (n)(1) or (n)(2) of K.S.A. 2011 Supp. 38-2302, and amendments thereto;

(4) fingerprints or photographs shall be taken of any juvenile admitted to a juvenile correctional facility; and

(5) photographs may be taken of any juvenile placed in a juvenile detention facility. Photographs taken under this paragraph shall be used solely by the juvenile detention facility for the purposes of identification, security and protection and shall not be disseminated to any other person or agency except after an escape and necessary to assist in apprehension.

(b) Fingerprints and photographs taken under subsection (a)(1) or (a)(2) shall be kept readily distinguishable from those of persons of the age of majority. Fingerprints and photographs taken under subsections (a)(3) and (a)(4) may be kept in the same manner as those of persons of the age of majority.

(c) Fingerprints and photographs of a juvenile shall not be sent to a state or federal repository, except that:

(1) Fingerprints and photographs may be sent to the state and federal repository if authorized by a judge of the district court having jurisdiction;

(2) a juvenile's fingerprints shall, and photographs of a juvenile may, be sent to the state and federal repository if taken under subsection (a)(2) or (a)(4); and

(3) fingerprints or photographs taken under subsection (a)(3) shall be processed and disseminated in the same manner as those of persons of the age of majority.

(d) Fingerprints or photographs of a juvenile may be furnished to another juvenile justice agency, as defined by K.S.A. 2011 Supp. 38-2325, and amendments thereto, if the other agency has a legitimate need for the fingerprints or photographs.

(e) Any fingerprints or photographs of an alleged juvenile offender taken under the provisions of subsection (a)(2) of K.S.A. 38-1611, prior to its repeal, may be sent to a state or federal repository on or before December 31, 2006.

(f) Any law enforcement agency that willfully fails to submit any fingerprints or photographs required by this section shall be liable to the state for the payment of a civil penalty, recoverable in an action brought by the attorney general, in an amount not exceeding $500 for each report not made. Any civil penalty recovered under this subsection shall be paid into the state general fund.

(g) The director of the Kansas bureau of investigation shall adopt any rules and regulations necessary to implement, administer and enforce the provisions of this section, including time limits within which fingerprints shall be sent to a state or federal repository when required by this section.

(h) Nothing in this section shall preclude the custodian of a juvenile from authorizing photographs or fingerprints of the juvenile to be used in any action under
the Kansas parentage act, K.S.A. 2011 Supp. 23-2201 et seq., and amendments thereto.

Sec. 69. K.S.A. 2011 Supp. 38-2318 is hereby amended to read as follows: 38-2318. When there is a dispute with respect to parentage, the court may stay child support proceedings, if any are pending in the case, until the dispute is resolved by a separate action under the Kansas parentage act, K.S.A. 2011 Supp. 23-2201 et seq., and amendments thereto. Nothing in this section shall be construed to limit the power of the court to carry out the purposes of the revised Kansas juvenile justice code.

Sec. 70. K.S.A. 2011 Supp. 38-2362 is hereby amended to read as follows: 38-2362. (a) When sentencing a juvenile offender, the court may order a juvenile offender's parent to participate in counseling, mediation sessions or an alcohol and drug evaluation and treatment program ordered as part of the juvenile offender's sentence under K.S.A. 2011 Supp. 38-2361, and amendments thereto, or to participate in parenting classes.

(1) Upon entering an order requiring a juvenile offender's parent to attend counseling sessions or mediation, the court shall give the parent notice of the order. The notice shall inform the parent of the parent's right to request a hearing within 14 days after entry of the order and the parent's right to employ an attorney to represent the parent at the hearing or, if the parent is financially unable to employ an attorney, the parent's right to request the court to appoint an attorney to represent the parent.

(2) If the parent does not request a hearing within 14 days after entry of the order, the order shall take effect at that time.

(3) If the parent requests a hearing, the court shall set the matter for hearing and, if requested, shall appoint an attorney to represent the parent. The expense and fees of the appointed attorney may be allowed and assessed as provided by K.S.A. 2011 Supp. 38-2306, and amendments thereto.

(b) In addition to any other orders provided for by this section, the parent of a juvenile offender may be held responsible for the costs of sanctions or the support of the juvenile offender as follows:

(1) The board of county commissioners of a county may provide by resolution that the parent of any juvenile offender placed under a house arrest program pursuant to subsection (a)(9) of K.S.A. 2011 Supp. 38-2361, and amendments thereto, shall be required to pay to the county the cost of such house arrest program. The board of county commissioners shall prepare a sliding financial scale based on the ability of the parent to pay for such a program.

(2) If child support has been requested and a parent has a duty to support the juvenile offender, the court may order, and when custody is placed with the commissioner shall order, one or both parents to pay child support. The court shall determine, for each parent separately, whether the parent already is subject to an order to pay support for the juvenile. If the parent currently is not ordered to pay support for the juvenile and the court has personal jurisdiction over the parent, the court shall order the parent to pay child support in an amount determined under K.S.A. 2011 Supp. 38-2319, and amendments thereto. Except for good cause shown, the court shall issue an immediate income withholding order pursuant to K.S.A. 23-4,105 K.S.A. 2011 Supp. 23-3101 et seq., and amendments thereto, for each parent ordered to pay support under this subsection, regardless of whether a payor has been identified for the parent. A parent ordered to pay child support under this subsection shall be notified, at the hearing or otherwise, that the child support order may be registered pursuant to K.S.A. 2011 Supp. 38-2321, and amendments thereto. The parent also shall be informed that, after
registration, the income withholding order may be served on the parent's employer without further notice to the parent and the child support order may be enforced by any method allowed by law. Failure to provide this notice shall not affect the validity of the child support order.

Sec. 71. K.S.A. 2011 Supp. 39-7,135 is hereby amended to read as follows: 39-7,135. (a) The department of social and rehabilitation services, the title IV-D agency for the state, shall maintain a central unit for collection and disbursement of support payments to meet the requirements of title IV-D and this section. Such central unit shall be known as the Kansas payment center. The name "Kansas payment center" shall be reserved for use by the state of Kansas for the functions of the central unit and shall not be used by any entity without the consent of the secretary of social and rehabilitation services.

The department may contract with another entity for development, enhancement or operation, in whole or in part, of such central unit. The Kansas payment center shall be subject to the following conditions and limitations:

(1) The Kansas payment center shall be subject to the Kansas supreme court rule concerning official child support and maintenance records established pursuant to subsection (c).

(2) No contract shall include provisions allowing the contractor to be paid, in whole or in part, on the basis of an amount per phone call received by the center nor allowing the contractor to be paid an amount per check issued for checks that were issued in error by the center. Nothing in this paragraph shall be construed to prevent the secretary of social and rehabilitation services from compensating on the basis of an amount per phone call any contractor that does not process receipts or disbursements under this section.

(3) Any contract for processing receipts or disbursements under this section shall include penalty provisions for noncompliance with federal regulations relating to the timeliness of collections and disbursements and shall include a monetary penalty of $100 for each erroneous transaction, whether related to collection or disbursement. Penalties shall be collected as and when assessed. Of the penalty, $25 shall be allocated to the obligee and $75 shall be allocated to the department of social and rehabilitation services.

(4) Designees of the secretary of social and rehabilitation services and designees of the office of judicial administration shall have full access to all data, subject to the provisions of title IV-D of the federal social security act, 42 U.S.C. § 651 et seq. Designees of the secretary of social and rehabilitation services, all district court clerks and court trustees shall have access to records of the Kansas payment center sufficient to allow them to assist in the process of matching support payments to the correct accounts.

(5) The Kansas payment center shall provide sufficient customer service staff during regular business hours. Obligors and obligees shall be provided 24-hour access to information about the status of receipts and disbursements, including, but not limited to, date of receipt by the center, date of processing by the center and date of disbursement to the obligee.

(b) The Kansas payment center shall have, by operation of law, a limited power of attorney to perform the specific act of endorsing and negotiating all drafts, checks, money orders or other negotiable instruments representing support payments received
by the center. Nothing in this subsection shall be construed as affecting the property rights or interests of any person in such negotiable instruments. The provisions of this subsection shall apply to any negotiable instrument received by the center on or after October 1, 2000.

(c) The Kansas supreme court, by court rule, shall establish the procedure for the creation, maintenance and correction of official child support and maintenance records for use as official court records.

(d) The department shall collaborate with the Kansas supreme court to maintain the Kansas payment center, which shall include all support payments subject to the requirements of title IV-D of the federal social security act, 42 U.S.C. § 651 et seq., and, except as specifically directed otherwise by the court pursuant to K.S.A. 2011 Supp. 23-2712, 23-2715, 23-2716, and 23-2802, 23-2902 through 23-2605, 23-3001 through 23-3006, 23-3201 through 23-3207, 23-3216 and 23-3218 and articles 29, 30 and 31 of chapter 23 of the Kansas Statutes Annotated, and amendments thereto, all other support payments due under a court order entered in this state.

(e) Any provision in any support order or income withholding order entered in this state which requires remittance of support payments to the clerk of the district court or district court trustee shall be deemed to require remittance of support payments to the Kansas payment center, regardless of the date the support or income withholding order was entered.

(f) (1) Except as otherwise provided in this subsection, payments received by the Kansas payment center which cannot be matched to any account nor returned to the payor shall be transferred to the state treasurer in accordance with the unclaimed property act.

(2) Except as otherwise provided in this subsection, disbursements which cannot be delivered to the payee after a good faith effort to locate the payee shall be transferred to the state treasurer in accordance with the unclaimed property act.

(3) To the extent that the secretary of social and rehabilitation services would be required to treat as federal program income any amount transferable to the state treasurer pursuant to this subsection or the unclaimed property act, such amount shall not be presumed abandoned but shall be held by the secretary until the amount may be delivered to the true owner. The secretary and the state treasurer shall collaborate on procedures for locating the true owner and confirming claims to amounts so held.

Sec. 72. K.S.A. 39-7,138 is hereby amended to read as follows: 39-7,138. The following definitions shall apply in any IV-D administrative proceeding related to K.S.A. 39-7,137 through 39-7,152, and amendments thereto, except where the context requires otherwise.

For purposes of this section, a person receiving title IV-D services is not available for testing if a claim for good cause not to cooperate under title IV-D is pending or has been determined in the person's favor or if the person ceases to receive title IV-D services for any reason.

(c) A copy of the order for genetic tests shall be served upon persons required to comply with the order only by personal service or registered mail, return receipt requested. The order shall specify the time and place the person is required to appear for testing, which shall be at least ten days after the date the order is entered.

(d) If a presumption of paternity arises pursuant to subsection (a) of K.S.A. 38-414, K.S.A. 2011 Supp. 23-2208, and amendments thereto, because the mother married or attempted to marry any man, the secretary shall not order genetic testing unless a court of this state or an appropriate tribunal in another state has found that determining the child's biological father is in the child's best interests. If a tribunal subsequently determines that the prohibition of this subsection applied at the time genetic tests were ordered by the secretary, any support order based in whole or in part upon the genetic tests may be set aside only as provided in K.S.A. 60-260, and amendments thereto.

(e) Upon receiving the results of genetic testing, the secretary shall promptly send a copy of the results to the parties, together with notice of the time limits for requesting any additional genetic tests or for challenging the results pursuant to K.S.A. 38-1118, K.S.A. 2011 Supp. 23-2212, and amendments thereto, how to make such request or challenge, and any associated costs. If the order is served on the person by mail, the time for requesting review shall be extended by three days. An order issued pursuant to this section shall be subject to defenses that would apply if the order had been issued by a court of this state. If the request for review is made within the time allowed, the effect of the order shall be stayed with respect to the person requesting review pending resolution of the review.

(g) An order issued pursuant to this section whose effect has not been stayed may be enforced pursuant to the civil enforcement provisions of the Kansas judicial review act, K.S.A. 77-601; et seq., and amendments thereto, after the time for compliance with the order has expired.

Sec. 74. K.S.A. 39-7,147 is hereby amended to read as follows: 39-7,147. (a)
Except as otherwise provided in K.S.A. 23-4,107 or K.S.A. 39-7,149 or K.S.A. 2011 Supp. 23-3103, and amendments thereto, if no income withholding order is in effect to enforce a support order in a title IV-D case, an income withholding order may be entered by the secretary. A notice of intent to initiate income withholding, as described in K.S.A. 23-4,107, K.S.A. 2011 Supp. 23-3103, and amendments thereto, shall be served on the responsible parent at least seven days before the secretary issues the income withholding order. If the amount of arrearages is less than the amount of current support due for one month, the requirements of subsection (d) must be met. The income withholding order shall conform to the requirements of the income withholding act and amendments thereto and shall have the same force and effect as an income withholding order issued by a district court of this state.

(b) If an income withholding order is issued by the secretary to enforce a support order entered by a court of this state, the original document shall be delivered for filing to the clerk of the court that entered the support order. Thereafter, if the secretary is no longer providing title IV-D services in the case, the clerk of the district court shall use the income withholding order issued by the secretary in the same manner as an income withholding order issued by the court.

(c) If an income withholding order is issued by the secretary to enforce a support order entered by a tribunal of another state, the secretary shall transmit a copy of the income withholding order to the tribunal of the other state.

(d) If there are no arrearages or the amount of arrearages under the support order is less than the amount of current support due for one month, the secretary may initiate income withholding only if:

1. Any arrearages are owed;
2. A medical child support order exists;
3. The secretary determines that immediate issuance of the income withholding order was required by K.S.A. 23-4,107, K.S.A. 2011 Supp. 23-3103, and amendments thereto, or by a similar law of another state, but no income withholding order was entered;
4. The responsible parent consents;
5. Required payments have been received after the due date at least twice within the preceding 12 months, regardless of whether any arrearages are owed; or
6. The support order was entered by a tribunal of another state.

(e) If the support order was entered by or registered with a court of this state, the notice of intent to initiate income withholding shall be served on the responsible parent by only personal service or registered mail, return receipt requested. In all other cases, the notice of intent to initiate income withholding shall be served upon the responsible parent only by personal service or registered mail, return receipt requested.

Sec. 75. K.S.A. 44-514 is hereby amended to read as follows: 44-514. (a) Except as provided in subsection (b), K.S.A. 23-4,146 and the income withholding act, K.S.A. 2011 Supp. 23-3101 et seq., and amendments thereto, no claim for compensation, or compensation agreed upon, awarded, adjudged, or paid, shall be assignable or subject to levy, execution, attachment, garnishment, or any other remedy or procedure for the recovery or collection of a debt, and this exemption cannot be waived.

(b) Claims for compensation, or compensation agreed upon, adjudged or paid, which are paid to a worker on a weekly basis or by lump sum shall be subject to enforcement of an order for support by means of voluntary or involuntary assignment.
of a portion of the compensation.

(1) Any involuntary assignment shall be obtained by motion filed within the case which is the basis of the existing order of support.

(A) Any motion seeking an involuntary assignment of compensation shall be served on the claimant and the claimant's counsel to the workers compensation claim, if known, the motion shall set forth:

(i) The amount of the current support order to be enforced;
(ii) the amount of any arrearage alleged to be owed under the support order;
(iii) the identity of the payer of the compensation to the claimant, if known; and
(iv) whether the assignment requested seeks to attach compensation for current support or arrearages or both.

(B) Motions for involuntary assignments of compensation shall be granted. The relief granted for:

(i) Current support shall be collectible from benefits paid on a weekly basis but shall not exceed 25% of the workers gross weekly compensation excluding any medical compensation and rehabilitation costs paid directly to providers.

(ii) Past due support shall be collectible from lump-sum settlements, judgments or awards but shall not exceed 40% of a lump sum, excluding any medical compensation and rehabilitation costs paid directly to providers.

(2) In any proceeding under this subsection, the court may also consider the modification of the existing support order upon proper notice to the other interested parties.

(3) Any order of involuntary assignment of compensation shall be served upon the payer of compensation and shall set forth the:

(A) Amount of the current support order;
(B) amount of the arrearage owed, if any;
(C) applicable percentage limitations;
(D) name and address of the payee to whom assigned sums shall be disbursed by the payer; and
(E) date the assignment is to take effect and the conditions for termination of the assignment.

(4) For the purposes of this section, "order for support" means any order of any Kansas court, authorized by law to issue such an order, which provides for the payment of funds for the support of a child or for maintenance of a spouse or ex-spouse, and includes such an order which provides for payment of an arrearage accrued under a previously existing order and reimbursement orders, including but not limited to, an order established pursuant to K.S.A. 39-718a and amendments thereto, prior to its repeal; K.S.A. 39-718b and amendments thereto; or an order established pursuant to the uniform interstate family support act, K.S.A. 2011 Supp. 23-36,101 et seq., and amendments thereto.

(5) For all purposes under this section, each obligation to pay child support or order for child support shall be satisfied prior to satisfaction of any obligation to pay or order for maintenance of a spouse or ex-spouse.

Sec. 76. K.S.A. 2011 Supp. 59-2136 is hereby amended to read as follows: 59-2136. (a) The provisions of this section shall apply where a relinquishment or consent to an adoption has not been obtained from a parent and K.S.A. 59-2124 and 59-2129, and amendments thereto, state that the necessity of a parent's relinquishment or consent can
be determined under this section.

(b) Insofar as practicable, the provisions of this section applicable to the father also shall apply to the mother and those applicable to the mother also shall apply to the father.

c) In stepparent adoptions under subsection (d), the court may appoint an attorney to represent any father who is unknown or whose whereabouts are unknown. In all other cases, the court shall appoint an attorney to represent any father who is unknown or whose whereabouts are unknown. If no person is identified as the father or a possible father, the court shall order publication notice of the hearing in such manner as the court deems appropriate.

d) In a stepparent adoption, if a mother consents to the adoption of a child who has a presumed father under subsection (a)(1), (2) or (3) of K.S.A. 38-1114 K.S.A. 2011 Supp. 23-2208, and amendments thereto, or who has a father as to whom the child is a legitimate child under prior law of this state or under the law of another jurisdiction, the consent of such father must be given to the adoption unless such father has failed or refused to assume the duties of a parent for two consecutive years next preceding the filing of the petition for adoption or is incapable of giving such consent. In determining whether a father's consent is required under this subsection, the court may disregard incidental visitations, contacts, communications or contributions. In determining whether the father has failed or refused to assume the duties of a parent for two consecutive years next preceding the filing of the petition for adoption, there shall be a rebuttable presumption that if the father, after having knowledge of the child's birth, has knowingly failed to provide a substantial portion of the child support as required by judicial decree, when financially able to do so, for a period of two years next preceding the filing of the petition for adoption, then such father has failed or refused to assume the duties of a parent. The court may consider the best interests of the child and the fitness of the nonconsenting parent in determining whether a stepparent adoption should be granted.

e) Except as provided in subsection (d), if a mother desires to relinquish or consents to the adoption of such mother's child, a petition shall be filed in the district court to terminate the parental rights of the father, unless the father's relationship to the child has been previously terminated or determined not to exist by a court. The petition may be filed by the mother, the petitioner for adoption, the person or agency having custody of the child or the agency to which the child has been or is to be relinquished. Where appropriate, the request to terminate parental rights may be contained in a petition for adoption. If the request to terminate parental rights is not filed in connection with an adoption proceeding, venue shall be in the county in which the child, the mother or the presumed or alleged father resides or is found. In an effort to identify the father, the court shall determine by deposition, affidavit or hearing, the following:

(1) Whether there is a presumed father under K.S.A. 38-1114 K.S.A. 2011 Supp. 23-2208, and amendments thereto;

(2) whether there is a father whose relationship to the child has been determined by a court;

(3) whether there is a father as to whom the child is a legitimate child under prior law of this state or under the law of another jurisdiction;

(4) whether the mother was cohabitating with a man at the time of conception or birth of the child;
(5) whether the mother has received support payments or promises of support with respect to the child or in connection with such mother's pregnancy; and
(6) whether any man has formally or informally acknowledged or declared such man's possible paternity of the child.

If the father is identified to the satisfaction of the court, or if more than one man is identified as a possible father, each shall be given notice of the proceeding in accordance with subsection (f).

(f) Notice of the proceeding shall be given to every person identified as the father or a possible father by personal service, certified mail return receipt requested or in any other manner the court may direct. Proof of notice shall be filed with the court before the petition or request is heard.

(g) If, after the inquiry, the court is unable to identify the father or any possible father and no person has appeared claiming to be the father and claiming custodial rights, the court shall enter an order terminating the unknown father's parental rights with reference to the child without regard to subsection (h). If any person identified as the father or possible father of the child fails to appear or, if appearing, fails to claim custodial rights, such person's parental rights with reference to the child shall be terminated without regard to subsection (h).

(h)(1) When a father or alleged father appears and asserts parental rights, the court shall determine parentage, if necessary pursuant to the Kansas parentage act, K.S.A. 2011 Supp. 23-2201 et seq., and amendments thereto. If a father desires but is financially unable to employ an attorney, the court shall appoint an attorney for the father. Thereafter, the court may order that parental rights be terminated, upon a finding by clear and convincing evidence, of any of the following:
(A) The father abandoned or neglected the child after having knowledge of the child's birth;
(B) the father is unfit as a parent or incapable of giving consent;
(C) the father has made no reasonable efforts to support or communicate with the child after having knowledge of the child's birth;
(D) the father, after having knowledge of the pregnancy, failed without reasonable cause to provide support for the mother during the six months prior to the child's birth;
(E) the father abandoned the mother after having knowledge of the pregnancy;
(F) the birth of the child was the result of rape of the mother; or
(G) the father has failed or refused to assume the duties of a parent for two consecutive years next preceding the filing of the petition.

(2) In making a finding whether parental rights shall be terminated under this subsection, the court may:
(A) Consider and weigh the best interest of the child; and
(B) disregard incidental visitations, contacts, communications or contributions.

(3) In determining whether the father has failed or refused to assume the duties of a parent for two consecutive years next preceding the filing of the petition for adoption, there shall be a rebuttable presumption that if the father, after having knowledge of the child's birth, has knowingly failed to provide a substantial portion of the child support as required by judicial decree, when financially able to do so, for a period of two years next preceding the filing of the petition for adoption, then such father has failed or refused to assume the duties of a parent.

(i) A termination of parental rights under this section shall not terminate the right of
the child to inherit from or through the parent. Upon such termination, all the rights of birth parents to such child, including their right to inherit from or through such child, shall cease.

Sec. 77. K.S.A. 2011 Supp. 60-308 is hereby amended to read as follows: 60-308.

(a) Proof and effect. (1) Service of process may be made on any party outside this state. If on a party domiciled in this state or on a party that has submitted to the jurisdiction of the courts of this state, such service provides personal jurisdiction over that party; otherwise it provides in rem jurisdiction over specifically identified property that party has in this state.

(2) The service of process must be made: (A) In the same manner as service within this state, by an officer authorized to serve process in this state or in the state where the party is served; or (B) by a party or the party's attorney pursuant to subsection (c) of K.S.A. 60-303, and amendments thereto. The server must file an affidavit or a declaration pursuant to K.S.A. 53-601, and amendments thereto, or any other competent proof, stating the time, manner and place of service. The court may consider the affidavit, declaration or any other competent proof in determining whether service has been properly made.

(3) No default may be entered until the expiration of at least 30 days after service. A default judgment rendered on service outside this state may be set aside only on a showing that is timely and sufficient under subsection (b) of K.S.A. 60-260, and amendments thereto, to set aside a default judgment.

(b) Submitting to jurisdiction. (1) Any person, whether or not a citizen or resident of this state, who in person or through an agent or instrumentality does any of the following acts, thereby submits the person and, if an individual, the individual's representative, to the jurisdiction of the courts of this state for any claim for relief arising from the act:

(A) Transacting any business in this state;
(B) committing a tortious act in this state;
(C) owning, using or possessing real estate located in this state;
(D) contracting to insure any person, property or risk located in this state at the time of contracting;

(G) causing to persons or property in this state an injury arising out of an act or omission outside this state by the defendant if, at the time of the injury, either:
   (i) The defendant was engaged in solicitation or service activities in this state; or
   (ii) products, materials or things processed, serviced or manufactured by the defendant anywhere were used or consumed in this state in the ordinary course of trade or use;
(H) living in a marital relationship in this state notwithstanding subsequent departure from this state, for all obligations arising for maintenance, child support or property settlement under article 16 of this chapter, the Kansas family law code, chapter 23 of the Kansas Statutes Annotated, and amendments thereto, if the other party to the marital relationship continues to reside in this state;
(I) serving as insurer of a person at the time of an act by the person which is the subject of an action in a court of competent jurisdiction in this state which results in judgment being taken against the person;

(J) having sexual intercourse in this state, in an action seeking to adjudge the person to be a parent of a child and in an action to require the person to provide support for a child as provided by law, if: (i) The conception of the child results from the act; and (ii) the other party to the act or the child continues to reside in this state;

(K) entering into an express or implied arrangement, whether by contract, tariff or otherwise, with a corporation or partnership residing or doing business in this state under which the corporation or partnership has supplied transportation services or communication service or equipment, including telephonic communication services, for a business or commercial user when the services supplied to the user are managed, operated or monitored in this state, provided that the person is given reasonable notice that arranging or continuing the transportation services or communication services may result in jurisdiction under this section; or

(L) having contact with this state which would support jurisdiction consistent with the constitutions of the United States and of this state.

(2) A person submits to the jurisdiction of the courts of this state for a claim for relief which did not arise in this state if substantial, continuous and systematic contact with this state is established which would support jurisdiction consistent with the constitutions of the United States and of this state.

(c) *Section not exclusive.* Nothing in this section affects the right to serve process in any other manner provided by law.

Sec. 78. K.S.A. 2011 Supp. 60-703 is hereby amended to read as follows: 60-703. The order of attachment shall be issued by a judge of the district court upon the filing of a petition stating the claim and the filing of an affidavit, or an affidavit and bond as required in this article, except that no order of attachment shall be issued before judgment on plaintiff's claim where the property of the defendant to be attached is in the possession of a third party and is in the form of earnings due and owing to the defendant. The filing of an affidavit stating one or more grounds of attachment is required in every case. A bond is required in every case except in actions instituted on behalf of the state of Kansas or a county of the state. The order of attachment may be issued and executed on Sunday, a legal holiday, or a day on which the office of the clerk of the court is not accessible if the affidavit states that the party seeking the attachment will lose the benefit thereof unless the writ be issued or served on such day. The provisions of this section shall not be applicable to garnishments authorized pursuant to K.S.A. 60-1607, 2011 Supp. 23-2707, and amendments thereto.

Sec. 79. K.S.A. 60-2308 is hereby amended to read as follows: 60-2308. (a) Money received by any debtor as pensioner of the United States within three months next preceding the issuing of an execution, or attachment, or garnishment process, cannot be applied to the payment of the debts of such pensioner when it appears by the affidavit of the debtor or otherwise that such pension money is necessary for the maintenance of the debtor's support or a family support wholly or in part by the pension money. The filing of the affidavit by the debtor, or making proof as provided in this section, shall be *prima facie* evidence of the necessity of such pension money for such support. It shall be the duty of the court in which such proceeding is pending to release all moneys held by such attachment or garnishment process, immediately upon the filing of such
affidavit, or the making of such proof.

(b) Except as provided in subsection (c), any money or other assets payable to a participant or beneficiary from, or any interest of any participant or beneficiary in, a retirement plan which is qualified under sections 401(a), 403(a), 403(b), 408, 408A or 409 of the federal internal revenue code of 1986 and amendments thereto shall be exempt from any and all claims of creditors of the beneficiary or participant. Any such plan shall be conclusively presumed to be a spendthrift trust under these statutes and the common law of the state.

(c) Any plan or arrangement described in subsection (b) shall not be exempt from the claims of an alternate payee under a qualified domestic relations order. However, the interest of any and all alternate payees under a qualified domestic relations order shall be exempt from any and all claims of any creditor, other than the state department of social and rehabilitation services, of the alternate payee. As used in this subsection, the terms "alternate payee" and "qualified domestic relations order" have the meaning ascribed to them in section 414(p) of the federal internal revenue code of 1986 and amendments thereto.

(d) The provisions of subsections (b) and (c) shall apply to any proceeding which:

(1) Is filed on or after July 1, 1986; or
(2) was filed on or after January 1, 1986, and is pending on or on appeal July 1, 1986.

(e) Money held by the central unit for collection and disbursement of support payments designated pursuant to K.S.A. 23-4,118 K.S.A. 2011 Supp. 39-7,135, and amendments thereto, the state department of social and rehabilitation services, any clerk of a district court or any district court trustee in connection with a court order for the support of any person, whether the money is identified as child support, spousal support, alimony or maintenance, shall be exempt from execution, attachment or garnishment process.

(f) (1) The provisions of this subsection shall apply to any proceeding which:

(A) Is filed on or after January 1, 2002; or
(B) was filed prior to January 1, 2002, and is pending on or on appeal after January 1, 2002.

(2) Except as provided by paragraphs (3) and (4) of this subsection, if the designated beneficiary of a family postsecondary education savings account established pursuant to K.S.A. 2005 2011 Supp. 75-640 et seq., and amendments thereto, is a lineal descendant of the account owner, all moneys in the account shall be exempt from any claims of creditors of the account owner or designated beneficiary.

(3) The provisions of paragraph (2) of this subsection shall not apply to:

(A) Claims of any creditor of an account owner, as to amounts contributed within a one-year period preceding the date of the filing of a bankruptcy petition under 11 U.S.C. section § 101 et seq.; or
(B) claims of any creditor of an account owner, as to amounts contributed within a one-year period preceding an execution on judgment for such claims against the account owner.

(4) The provisions of paragraph (2) of this subsection shall not apply to:

(A) Claims of any creditor of an account owner, as to amounts exceeding $5,000 contributed within a period of time which is more than one year but less than two years preceding the date of the filing of a bankruptcy petition under 11 U.S.C. section § 101 et seq.; or
(B) claims of any creditor of an account owner, as to amounts exceeding $5,000 contributed within a period of time which is more than one year but less than two years preceding an execution on judgment for such claims against the account owner.

Sec. 80. K.S.A. 2011 Supp. 60-2403 is hereby amended to read as follows: 60-2403. (a) (1) Except as provided in subsection (b) or (d), if a renewal affidavit is not filed or if execution, including any garnishment proceeding, support enforcement proceeding or proceeding in aid of execution, is not issued, within five years from the date of the entry of any judgment in any court of record in this state, including judgments in favor of the state or any municipality in the state, or within five years from the date of any order reviving the judgment or, if five years have intervened between the date of the last renewal affidavit filed or execution proceedings undertaken on the judgment and the time of filing another renewal affidavit or undertaking execution proceedings on it, the judgment, including court costs and fees therein shall become dormant, and shall cease to operate as a lien on the real estate of the judgment debtor. When a judgment becomes and remains dormant for a period of two years, it shall be the duty of the judge to release the judgment of record when requested to do so.

(2) A "renewal affidavit" is a statement under oath, signed by the judgment creditor or the judgment creditor's attorney, filed in the proceedings in which the judgment was entered and stating the remaining balance due and unpaid on the judgment.

(3) A "support enforcement proceeding" means any civil proceeding to enforce any judgment for payment of child support or maintenance and includes, but is not limited to, any income withholding proceeding under the income withholding act, K.S.A. 23-4,105 through 23-4,118 K.S.A. 2011 Supp. 23-3101 et seq., and amendments thereto, or the interstate income withholding act, K.S.A. 23-4,125 through 23-4,137 and amendments thereto, any contempt proceeding and any civil proceeding under the uniform interstate family support act, K.S.A. 23-9,104 K.S.A. 2011 Supp. 23-36,101 et seq., and amendments thereto.

(b) Except for those judgments which have become void as of July 1, 2007, no judgment for the support of a child shall be or become dormant for any purpose except as provided in this subsection. If a judgment would have become dormant under the conditions set forth in subsection (a), the judgment shall cease to operate as a lien on the real estate of the judgment debtor as of the date the judgment would have become dormant, but the judgment shall not be released of record pursuant to subsection (a).

(c) The time within which action must be taken to prevent a judgment from becoming dormant does not run during any period in which the enforcement of the judgment by legal process is stayed or prohibited.

(d) If a renewal affidavit is not filed or if execution is not issued, within 10 years from the date of the entry of any judgment of restitution in any court of record in this state, the judgment, including court costs and fees therein shall become dormant, and shall cease to operate as a lien on the real estate of the judgment debtor. Except as provided in subsection (b), when a judgment becomes and remains dormant for a period of two years, it shall be the duty of the judge to release the judgment of record when requested to do so.

Sec. 81. K.S.A. 2011 Supp. 60-2803 is hereby amended to read as follows: 60-2803. (a) When a money judgment rendered in a civil action in a court of this state is satisfied, the judgment creditor or the assignee of the judgment creditor shall file satisfaction and release of the judgment within 21 days after receipt of written demand
therefor, sent by restricted mail as defined by K.S.A. 60-103, and amendments thereto. Such satisfaction and release shall be filed with the clerk of the court in which the judgment was entered and with the clerk of any other court in which the judgment was filed.

(b) If a judgment creditor or the assignee of a judgment creditor refuses or neglects to enter satisfaction and release of a judgment when required by this section, such judgment creditor or assignee shall be liable to the judgment debtor, or other interested person demanding the satisfaction or release, in damages in the amount of $100, together with a reasonable attorney's fee for preparing and prosecuting the action to recover such damages.

(c) The provisions of this section shall not apply if the judgment is satisfied by payment through the office of the clerk of the district court, the district court trustee or any central unit for collection and disbursement of support payments designated pursuant to K.S.A. 23-4,118, K.S.A. 2011 Supp. 39-7,135, and amendments thereto.

Sec. 82. K.S.A. 60-3103 is hereby amended to read as follows: 60-3103. Any district court shall have jurisdiction over all proceedings under the protection from abuse act. The right of a person to obtain relief under the protection from abuse act shall not be affected by the person's leaving the residence or household to avoid further abuse. Any petition under this act seeking orders regarding a custody determination, as defined in K.S.A. 38-1337, K.S.A. 2011 Supp. 23-37,102, and amendments thereto, shall state that information required by K.S.A. 38-1256, K.S.A. 2011 Supp. 23-37,209, and amendments thereto, and the basis under which child-custody jurisdiction is sought to be invoked.

Sec. 83. K.S.A. 2011 Supp. 60-3107 is hereby amended to read as follows: 60-3107. (a) The court may approve any consent agreement to bring about a cessation of abuse of the plaintiff or minor children or grant any of the following orders:

1. Restraining the defendant from abusing, molesting or interfering with the privacy or rights of the plaintiff or of any minor children of the parties. Such order shall contain a statement that if such order is violated, such violation may constitute assault as defined in subsection (a) of K.S.A. 2011 Supp. 21-5412, and amendments thereto, battery as defined in subsection (a) of K.S.A. 2011 Supp. 21-5413, and amendments thereto, domestic battery as defined in K.S.A. 2011 Supp. 21-5414, and amendments thereto, and violation of a protective order as defined in K.S.A. 2011 Supp. 21-5924, and amendments thereto.

2. Granting possession of the residence or household to the plaintiff to the exclusion of the defendant, and further restraining the defendant from entering or remaining upon or in such residence or household, subject to the limitation of subsection (d). Such order shall contain a statement that if such order is violated, such violation shall constitute criminal trespass as defined in subsection (a)(1)(C) of K.S.A. 2011 Supp. 21-5808, and amendments thereto, and violation of a protective order as defined in K.S.A. 2011 Supp. 21-5924, and amendments thereto. The court may grant an order, which shall expire 60 days following the date of issuance, restraining the defendant from cancelling utility service to the residence or household.

3. Requiring defendant to provide suitable, alternate housing for the plaintiff and any minor children of the parties.

4. Awarding temporary custody and residency and establishing temporary parenting time with regard to minor children.
(5) Ordering a law enforcement officer to evict the defendant from the residence or household.

(6) Ordering support payments by a party for the support of a party's minor child, if the party is the father or mother of the child, or the plaintiff, if the plaintiff is married to the defendant. Such support orders shall remain in effect until modified or dismissed by the court or until expiration and shall be for a fixed period of time not to exceed one year. On the motion of the plaintiff, the court may extend the effect of such order for 12 months.

(7) Awarding costs and attorney fees to either party.

(8) Making provision for the possession of personal property of the parties and ordering a law enforcement officer to assist in securing possession of that property, if necessary.

(9) Requiring any person against whom an order is issued to seek counseling to aid in the cessation of abuse.

(10) Ordering or restraining any other acts deemed necessary to promote the safety of the plaintiff or of any minor children of the parties.

(b) No protection from abuse order shall be entered against the plaintiff unless:

(1) The defendant properly files a written cross or counter petition seeking such a protection order;

(2) the plaintiff had reasonable notice of the written cross or counter petition by personal service as provided in subsection (d) of K.S.A. 60-3104, and amendments thereto; and

(3) the issuing court made specific findings of abuse against both the plaintiff and the defendant and determined that both parties acted primarily as aggressors and neither party acted primarily in self-defense.

(c) Any order entered under the protection from abuse act shall not be subject to modification on ex parte application or on motion for temporary orders in any action filed pursuant to K.S.A. 60-1601 et seq., prior to such section's repeal or transfer, or K.S.A. 38-1101 et seq., and amendments thereto, or articles 22 or 27 of chapter 23 of the Kansas Statutes Annotated, and amendments thereto. Orders previously issued in an action filed pursuant to K.S.A. 60-1601 et seq., prior to such section's repeal or transfer, or K.S.A. 38-1101 et seq., and amendments thereto, or articles 22 or 27 of chapter 23 of the Kansas Statutes Annotated, and amendments thereto, shall be subject to modification only as to those matters subject to modification by the terms of K.S.A. 2011 Supp. 23-2712, 23-2715, 23-2716, 23-2802, 23-2902 through 23-2905, 23-3001 through 23-3006, 23-3201 through 23-3207, 23-3216 and 23-3218 and article 27 of chapter 23 of the Kansas Statutes Annotated, and amendments thereto, and on sworn testimony to support a showing of good cause. Immediate and present danger of abuse to the plaintiff or minor children shall constitute good cause. If an action is filed pursuant to K.S.A. 2011 Supp. 23-2712, 23-2715, 23-2716, 23-2802, 23-2902 through 23-2905, 23-3001 through 23-3006, 23-3201 through 23-3207, 23-3216 and 23-3218 or articles 22 or 27 of chapter 23 of the Kansas Statutes Annotated, and amendments thereto, during the pendency of a proceeding filed under the protection from abuse act or while an order issued under the protection from abuse act is in effect, the court, on final hearing or on agreement of the parties, may issue final orders authorized by K.S.A. 2011 Supp. 23-2712, 23-2715, 23-2716, 23-2802, 23-2902 through 23-2905, 23-3001 through 23-3006, 23-3201 through 23-3207,
and 23-3218 and articles 22 and 27 of chapter 23 of the Kansas Statutes Annotated, and amendments thereto, that are inconsistent with orders entered under the protection from abuse act. Any inconsistent order entered pursuant to this subsection shall be specific in its terms, reference the protection from abuse order and parts thereof being modified and a copy thereof shall be filed in both actions. The court shall consider whether the actions should be consolidated in accordance with K.S.A. 60-242, and amendments thereto. Any custody or parenting time order, or order relating to the best interests of a child, issued pursuant to the revised Kansas code for care of children or the revised Kansas juvenile justice code, shall be binding and shall take precedence over any such custody or parenting order involving the same child issued under the protection from abuse act, until jurisdiction under the revised Kansas code for care of children or the revised Kansas juvenile justice code is terminated. Any inconsistent custody or parenting order issued in the revised Kansas code for care of children case or the revised Kansas juvenile justice code case shall be specific in its terms, reference any preexisting protection from abuse order and the custody being modified, and a copy of such order shall be filed in the preexisting protection from abuse case.

(d) If the parties to an action under the protection from abuse act are not married to each other and one party owns the residence or household, the court shall not have the authority to grant possession of the residence or household under subsection (a)(2) to the exclusion of the party who owns it.

(e) Subject to the provisions of subsections (b), (c) and (d), a protective order or approved consent agreement shall remain in effect until modified or dismissed by the court and shall be for a fixed period of time not to exceed one year, except that, on motion of the plaintiff, such period may be extended for one additional year.

(f) The court may amend its order or agreement at any time upon motion filed by either party.

(g) No order or agreement under the protection from abuse act shall in any manner affect title to any real property.

(h) If a person enters or remains on premises or property violating an order issued pursuant to subsection (a)(2), such violation shall constitute criminal trespass as defined in subsection (a)(1)(C) of K.S.A. 2011 Supp. 21-5808, and amendments thereto, violation of a protective order as defined in K.S.A. 2011 Supp. 21-5924, and amendments thereto. If a person abuses, molests or interferes with the privacy or rights of another violating an order issued pursuant to subsection (a)(1), such violation may constitute assault as defined in subsection (a) of K.S.A. 2011 Supp. 21-5412, and amendments thereto, battery as defined in subsection (a) of K.S.A. 2011 Supp. 21-5413, and amendments thereto, domestic battery as defined in K.S.A. 2011 Supp. 21-5414, and amendments thereto, and violation of a protective order as defined in K.S.A. 2011 Supp. 21-5924, and amendments thereto.

Sec. 84. K.S.A. 65-2409a is hereby amended to read as follows: 65-2409a. (a) A certificate of birth for each live birth which occurs in this state shall be filed with the state registrar within five days after such birth and shall be registered by such registrar if such certificate has been completed and filed in accordance with this section. If a birth occurs on a moving conveyance, a birth certificate shall indicate as the place of birth the location where the child was first removed from the conveyance.

(b) When a birth occurs in an institution, the person in charge of the institution or the person's designated representative shall obtain the personal data, prepare the
certificate, secure the signatures required by the certificate and file such certificate with the state registrar. The physician in attendance or, in the absence of the physician, the person in charge of the institution or that person's designated representative shall certify to the facts of birth and provide the medical information required by the certificate within five days after the birth. When a birth occurs outside an institution, the certificate shall be prepared and filed by one of the following in the indicated order of priority: (1) The physician in attendance at or immediately after the birth, or in the absence of such a person; (2) any other person in attendance at or immediately after the birth, or in the absence of such a person; or (3) the father, the mother or, in the absence of the father and the inability of the mother, the person in charge of the premises where the birth occurred.

(c) If the mother was married at the time of either conception or birth, or at any time between conception and birth, the name of the husband shall be entered on the certificate as the father of the child unless paternity has been determined otherwise by a court of competent jurisdiction, in which case the name of the father as determined by the court shall be entered. If the mother was not married either at the time of conception or of birth, or at any time between conception and birth, the name of the father shall not be entered on the certificate of birth without the written consent of the mother and of the person to be named as the father on a form provided by the state registrar pursuant to K.S.A. 38-1128, K.S.A. 2011 Supp. 23-2204, and amendments thereto, unless a determination of paternity has been made by a court of competent jurisdiction, in which case the name of the father as determined by the court shall be entered.

(d) One of the parents of any child shall sign the certificate of live birth to attest to the accuracy of the personal data entered thereon, in time to permit its filing within the five days prescribed above.

(e) Except as otherwise provided by this subsection, a fee of $4 shall be paid for each certificate of live birth filed with the state registrar. Such fee shall be paid by the parent or parents of the child. If a birth occurs in an institution, the person in charge of the institution or the person's designated representative shall be responsible for collecting the fee and shall remit such fee to the secretary of health and environment not later than the 15th day following the end of the calendar quarter during which the birth occurred. If a birth occurs other than in an institution, the person completing the birth certificate shall be responsible for collecting the fee and shall remit such fee to the secretary of health and environment not later than the 15th day of the month following the birth.

The fee provided for by this subsection shall not be required to be paid if the parent or parents of the child are at the time of the birth receiving assistance, as defined by K.S.A. 39-702, and amendments thereto, from the secretary of social and rehabilitation services.

(f) Except as provided in this subsection, when a certificate of birth is filed pursuant to this act, each parent shall furnish the social security number or numbers issued to the parent. Social security numbers furnished pursuant to this subsection shall not be recorded on the birth certificate. A parent shall not be required to furnish such person's social security number pursuant to this subsection if no social security number has been issued to the parent; the social security number is unknown; or the secretary determines that good cause, as defined in federal regulations promulgated pursuant to title IV-D of the federal social security act, exists for not requiring the social security
number. Nothing in this subsection shall delay the filing or issuance of the birth certificate.

Sec. 85. K.S.A. 2011 Supp. 74-147 is hereby amended to read as follows: 74-147. (a) Any notice to a licensing body served pursuant to K.S.A. 20-1204a, and amendments thereto, shall have attached a copy of the court order finding the licensee in contempt of court in a child support proceeding. Any notice to a licensing body served pursuant to K.S.A. 23-3119, and amendments thereto, shall have attached a copy of the warrant or subpoena outstanding against the licensee. Any notice to a licensing body served pursuant to K.S.A. 2011 Supp. 60-1622 and amendments thereto, shall have attached a copy of the court order stating the findings of fact required by K.S.A. 2011 Supp. 60-1622a and amendments thereto. The notice shall advise the licensing body of the duty to comply with K.S.A. 74-146 and 74-147, and amendments thereto; shall provide the name of the licensee and information which will assist the licensing body to identify the correct person; and shall provide the name, mailing address and telephone number of the person serving the notice. If inadequate identifying information is included in the notice, the licensing body shall promptly contact the person serving the notice to request additional information.

(b) If a licensing body receives a notice pursuant to subsection (a), the licensing body shall, within 30 days after receiving the notice, notify the licensee of the licensing body's intent to suspend or to withhold issuance or renewal of the licensee's authorization to practice a profession in this state and of the licensee's rights and duties under this section. If the licensing body does not receive sufficient information with the notice to identify the correct licensee, the 30 days shall commence when sufficient identifying information is received.

(c) If the licensing body receives a notice pursuant to subsection (a), the licensing body shall provide the licensee a temporary license, authorizing the individual to practice a profession in this state, if the licensee is otherwise eligible. The temporary license shall be valid for a period of six months from the date the notice to the licensee pursuant to subsection (b) was issued. A temporary license issued under this section shall not be extended, except that the licensing body may extend the temporary license up to 30 days to prevent extreme hardship for a person being served by the licensee. If the licensee does not furnish a release pursuant to subsection (c) within the time required by the licensing body, the licensing body shall proceed to suspend, terminate, deny or refuse to renew the licensee's authority to practice a profession in this state.

(d) If an authorization to practice a profession in this state is suspended, denied or not renewed pursuant to this section, any funds paid by the licensee shall not be refunded by the licensing body.

(e) If a temporary license has been issued pursuant to subsection (c), the licensee shall obtain a release from the court that authorized the notice to the licensing body, as a condition for the issuance or renewal of the licensee's authorization to practice a profession in this state. The licensing body may require the licensee to furnish the release before the temporary license expires.

(f) In any review of the licensing body's actions pursuant to K.S.A. 74-146 and 74-147, and amendments thereto, conducted by the licensing body at the request of the licensee, the issues shall be limited to the identity of the licensee and the validity of notices pursuant to this section. The licensing body shall have no jurisdiction over
issues related to the support obligation of the licensee.

(g) The licensing body shall immediately terminate any proceedings, concerning a court order for support of a child, against a licensee upon presentation by the licensee of a notice of compliance from the court that authorized the initial notice as provided in subsection (a). The court shall issue a notice of compliance to the licensee if the licensee has contacted the court and is attempting to comply with a payment plan. If the licensee's license has been suspended or not renewed, and the licensee has provided the notice of compliance from the court and otherwise qualifies for the license, the licensing body shall reinstate the license or issue the renewal license to the licensee.

Sec. 86. K.S.A. 2011 Supp. 74-4923 is hereby amended to read as follows: 74-4923. (a) No alteration, amendment or repeal of this act shall affect the then existing rights of members and beneficiaries but shall be effective only as to rights which would otherwise accrue under this act as a result of services rendered by an employee after the alteration, amendment or repeal. This subsection shall not apply to any alteration or amendment of this act which provides greater benefits to members or beneficiaries, but any increase of benefits shall only be applicable to benefits payable on the first day of the month coinciding with or following the effective date of the alteration or amendment.

(b) Any annuity, benefits, funds, property or rights created by, or accruing to any person under the provisions of K.S.A. 74-4901 et seq. or 74-4951 et seq., and amendments thereto, including, but not limited to, for all taxable years beginning after December 31, 2000, amounts received as a lump-sum payment at retirement as provided by K.S.A. 74-4918, 74-4964 or 74-4964a, and amendments thereto, and all earnings thereof, shall be exempt from any tax of the state of Kansas or any political subdivision or taxing body of the state, and such lump-sum payment at retirement, and all earnings thereof, shall retain such tax exempt status even if a retirant elects to roll over such lump-sum payment at retirement, and earnings, into a qualified retirement account whether segregated from or commingled with other retirement funds; shall not be subject to execution, garnishment or attachment, or, except as otherwise provided, any other process or claim whatsoever; and shall be unassignable, except that within 30 days after the death of a retirant the lump-sum death benefit payable to a retirant's beneficiary pursuant to the provisions of K.S.A. 74-4989, and amendments thereto, may be assignable to a funeral establishment providing funeral services to the retirant by the beneficiary of such retirant. Any annuity or benefit or accumulated contributions due and owing to any person under the provisions of K.S.A. 74-4901 et seq. or 74-4951 et seq., and amendments thereto, are subject to claims of an alternate payee under a qualified domestic relations order. As used in this subsection, the terms "alternate payee" and "qualified domestic relations order" shall have the meaning ascribed to them in section 414(p) of the federal internal revenue code. The provisions of this act shall apply to any qualified domestic relations order which is in effect on or after July 1, 1994. The Kansas public employees retirement system shall not be a party to any action under article 16 of chapter 60, the Kansas family law code, chapter 23 of the Kansas Statutes Annotated, and amendments thereto, but is subject to orders from such actions issued by the district court of the county where such action was filed and may also accept orders which it deems to be qualified under this subsection from courts having jurisdiction of such actions outside the state of Kansas. Such orders from such actions shall specify either a specific amount or specific percentage of the amount of the
pension or benefit or any accumulated contributions due and owing from the system to be distributed by the system pursuant to this act.

(c) In any case where a state agency is owed a debt or where a participating employer under the Kansas public employees retirement system or under the Kansas police and firemen's retirement system has been required to pay and has paid an arrearage obligation of the amount of contributions of a member which were not paid at the time required and where the employment of the member by the state agency or participating employer has been terminated and the member is eligible to withdraw accumulated contributions in accordance with K.S.A. 74-4917 and 74-4963, and amendments thereto, the state agency or participating employer shall be paid from the member's account in the fund an amount equal to the debt or the amount of contributions of the member paid by the participating employer pursuant to an arrearage obligation, upon application to the board therefor accompanied by certification of the amount to be paid to the state agency or participating employer. If any application and certification under this subsection are not received by the board prior to the withdrawal of accumulated contributions by the member, the board shall not be liable to pay and shall not pay any amount from the fund pursuant to any such application and certification.

Sec. 87. K.S.A. 74-7334 is hereby amended to read as follows: 74-7334. (a) There is hereby created in the state treasury the crime victims assistance fund. All moneys credited to the fund pursuant to K.S.A. 12-4117, 19-101e, 19-4707 and 20-367, and amendments thereto, shall be used solely for the purpose of making grants for on-going operating expenses of programs, including court-appointed special advocate programs, providing: (1) Temporary emergency shelter for victims of child abuse and neglect; (2) counseling and assistance to those victims; or (3) educational services directed at reducing the incidence of child abuse and neglect and diminishing its impact on the victim. The remainder of moneys credited to the fund shall be used for the purpose of supporting the operation of state agency programs which provide services to the victims of crime and making grants to existing programs or to establish and maintain new programs providing services to the victims of crime.

(b) All expenditures from the crime victims assistance fund shall be made in accordance with appropriations acts upon warrants of the director of accounts and reports issued pursuant to vouchers approved by the attorney general or by a person or persons designated by the attorney general.

(c) The attorney general may apply for, receive and accept moneys from any source for the purposes for which moneys in the crime victims assistance fund may be expended. Upon receipt of any such moneys, the attorney general shall remit the entire amount to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the crime victims assistance fund.

(d) Grants made to programs with funds derived from K.S.A. 12-4117, 19-101e, 19-4707 and 20-367, and amendments thereto, shall be based on the numbers of persons served by the program and shall be made only to programs aimed at preventing child abuse and neglect or providing residential services or facilities to victims of child abuse or neglect. In order for programs to qualify for funding under this section, they must:
Meet the requirements of section 501(c) of the internal revenue code of 1986;
be registered and in good standing as a nonprofit corporation;
meet normally accepted standards for nonprofit organizations;
have trustees who represent the racial, ethnic and socioeconomic diversity of the county or counties served;

demonstrate ability to successfully administer programs;
make available an independent certified audit of the previous year's financial records;
have obtained appropriate licensing or certification, or both;
serve a significant number of residents of the county or counties served;
not unnecessarily duplicate services already adequately provided to county residents; and
agree to comply with reporting requirements of the attorney general.
The attorney general may adopt rules and regulations establishing additional standards for eligibility and accountability for grants made pursuant to this section.
All moneys credited to the fund pursuant to K.S.A. 23-108a K.S.A. 2011 Supp. 23-2510, and amendments thereto, shall be set aside to use as matching funds for meeting any federal requirement for the purpose of establishing child exchange and visitation centers as provided in K.S.A. 75-720, and amendments thereto. If no federal funds are made available to the state for the purpose of establishing such child exchange and visitation centers, then such moneys may be used as otherwise provided in this section. Only those moneys credited to the fund pursuant to K.S.A. 23-108a K.S.A. 2011 Supp. 23-2510, and amendments thereto, may be used for such matching funds. No state general fund moneys shall be used for such matching funds.
Sec. 88. K.S.A. 2011 Supp. 65-6608, as amended by section 1 of 2012 Senate Bill No. 290 is hereby amended to read as follows: 65-6608. As used in the addictions counselor licensure act:

(b) "Addiction counseling" means the utilization of special skills to assist persons with addictions, and to assist such persons' families and friends to achieve resolution of addiction through the exploration of the disease and its ramifications, the examination of attitudes and feelings, the consideration of alternative solutions and decision making, as these relate specifically to addiction. (d) "Licensed clinical addiction counselor" means a person who engages in the independent practice of addiction counseling and diagnosis and treatment of substance use disorders specified in the edition of the American psychiatric association's diagnostic and statistical manual of mental disorders (DSM) designated by the board by rules and regulations and is licensed under this act.

*Message from the Governor*

The provisions of Senate Bill 315 as introduced, and which are now contained in Sections 11 through 13 of House Substitute for Senate Bill 315, unnecessarily impair the prerogatives of the executive branch and take away an important tool for the efficient and uniform management of the executive branch of state government. The remaining provisions of House Substitute for Senate Bill 315 represent good policy and should become law.

Therefore, pursuant to Article 2 Section 14 of the Kansas Constitution, I hereby veto House Substitute for Senate Bill 315 and urge the Legislature to return the bill to me modified as set forth above before final adjournment.

**SAM BROWNBACK**

Prayer by Rep. Bethell:

Our Father,
You have told us that where two or three are gathered you will be in the midst.
We are thankful and grateful for your desire to interact with each one of your creation.
You also tell us to guard our steps...draw near to listen rather than to give sacrifice to fools, for they do not know they are doing evil.
We ask, Lord, that you speak to us, but help us to realize that we have a responsibility to listen to you. Open our ears that we may hear and follow you.
Remind us daily of the words of the Prophet Micah:
What O man does God require of you? But to act justly, love mercy and to walk humbly with your God.
This I ask in your name, Amen.

The Pledge of Allegiance was led by Rep. Johnson.

"Sec. 29. K.S.A. 2011 Supp. 21-6604, as amended by section 1 of 2012 House Bill No. 2465, is hereby amended to read as follows: 21-6604. (a) Whenever any person has been found guilty of a crime, the court may adjudge any of the following:

(1) Commit the defendant to the custody of the secretary of corrections if the current crime of conviction is a felony and the sentence presumes imprisonment, or the sentence imposed is a dispositional departure to imprisonment; or, if confinement is for a misdemeanor, to jail for the term provided by law;

(2) impose the fine applicable to the offense and may impose the provisions of subsection (q);

(3) release the defendant on probation if the current crime of conviction and criminal history fall within a presumptive nonprison category or through a departure for substantial and compelling reasons subject to such conditions as the court may deem appropriate. In felony cases except for violations of K.S.A. 8-1567, and amendments
thereto, the court may include confinement in a county jail not to exceed 60 days, which need not be served consecutively, as a condition of an original probation sentence and up to 60 days in a county jail upon each revocation of the probation sentence, or community corrections placement;

(4) assign the defendant to a community correctional services program as provided in K.S.A. 75-5291, and amendments thereto, or through a departure for substantial and compelling reasons subject to such conditions as the court may deem appropriate, including orders requiring full or partial restitution;

(5) assign the defendant to a conservation camp for a period not to exceed six months as a condition of probation followed by a six-month period of follow-up through adult intensive supervision by a community correctional services program, if the offender successfully completes the conservation camp program;

(6) assign the defendant to a house arrest program pursuant to K.S.A. 2011 Supp. 21-6609, and amendments thereto;

(7) order the defendant to attend and satisfactorily complete an alcohol or drug education or training program as provided by subsection (c) of K.S.A. 2011 Supp. 21-6602, and amendments thereto;

(8) order the defendant to repay the amount of any reward paid by any crime stoppers chapter, individual, corporation or public entity which materially aided in the apprehension or conviction of the defendant; repay the amount of any costs and expenses incurred by any law enforcement agency in the apprehension of the defendant, if one of the current crimes of conviction of the defendant includes escape from custody or aggravated escape from custody, as defined in K.S.A. 2011 Supp. 21-5911, and amendments thereto; repay expenses incurred by a fire district, fire department or fire company responding to a fire which has been determined to be arson or aggravated arson as defined in K.S.A. 2011 Supp. 21-5812, and amendments thereto, if the defendant is convicted of such crime; repay the amount of any public funds utilized by a law enforcement agency to purchase controlled substances from the defendant during the investigation which leads to the defendant's conviction; or repay the amount of any medical costs and expenses incurred by any law enforcement agency or county. Such repayment of the amount of any such costs and expenses incurred by a county, law enforcement agency, fire district, fire department or fire company or any public funds utilized by a law enforcement agency shall be deposited and credited to the same fund from which the public funds were credited to prior to use by the county, law enforcement agency, fire district, fire department or fire company;

(9) order the defendant to pay the administrative fee authorized by K.S.A. 22-4529, and amendments thereto, unless waived by the court;

(10) order the defendant to pay a domestic violence special program fee authorized by K.S.A. 20-369, and amendments thereto;

(11) if the defendant is convicted of a misdemeanor or convicted of a felony specified in subsection (i) of K.S.A. 2011 Supp. 21-6804, and amendments thereto, assign the defendant to work release program, other than a program at a correctional institution under the control of the secretary of corrections as defined in K.S.A. 75-5202, and amendments thereto, provided such work release program requires such defendant to return to confinement at the end of each day in the work release program. On a second conviction of K.S.A. 8-1567, and amendments thereto, an offender placed into a work release program must serve a total of 120 hours of confinement. Such 120
hours of confinement shall be a period of at least 48 consecutive hours of imprisonment followed by confinement hours at the end of and continuing to the beginning of the offender’s work day. On a third or subsequent conviction of K.S.A. 8-1567, and amendments thereto, an offender placed into a work release program must serve a total of 240 hours of confinement. Such 240 hours of confinement shall be a period of at least 48 consecutive hours of imprisonment followed by confinement hours at the end of and continuing to the beginning of the offender’s work day;

(12) order the defendant to pay the full amount of unpaid costs associated with the conditions of release of the appearance bond under K.S.A. 22-2802, and amendments thereto;

(13) impose any appropriate combination of (1), (2), (3), (4), (5), (6), (7), (8), (9), (10), (11) and (12); or

(14) suspend imposition of sentence in misdemeanor cases.

(b) (1) In addition to or in lieu of any of the above, the court shall order the defendant to pay restitution, which shall include, but not be limited to, damage or loss caused by the defendant's crime, unless the court finds compelling circumstances which would render a plan of restitution unworkable. In regard to a violation of K.S.A. 2011 Supp. 21-6107, and amendments thereto, damage or loss shall include, but not be limited to, attorney fees and costs incurred to repair the credit history or rating of the person whose personal identification documents were obtained and used in violation of such section, and to satisfy a debt, lien or other obligation incurred by the person whose personal identification documents were obtained and used in violation of such section. If the court finds a plan of restitution unworkable, the court shall state on the record in detail the reasons therefor.

(2) If the court orders restitution, the restitution shall be a judgment against the defendant which may be collected by the court by garnishment or other execution as on judgments in civil cases. If, after 60 days from the date restitution is ordered by the court, a defendant is found to be in noncompliance with the plan established by the court for payment of restitution, and the victim to whom restitution is ordered paid has not initiated proceedings in accordance with K.S.A. 60-4301 et seq., and amendments thereto, the court shall assign an agent procured by the attorney general pursuant to K.S.A. 75-719, and amendments thereto, to collect the restitution on behalf of the victim. The chief judge of each judicial district may assign such cases to an appropriate division of the court for the conduct of civil collection proceedings.

(c) In addition to or in lieu of any of the above, the court shall order the defendant to submit to and complete an alcohol and drug evaluation, and pay a fee therefor, when required by subsection (d) of K.S.A. 2011 Supp. 21-6602, and amendments thereto.

(d) In addition to any of the above, the court shall order the defendant to reimburse the county general fund for all or a part of the expenditures by the county to provide counsel and other defense services to the defendant. Any such reimbursement to the county shall be paid only after any order for restitution has been paid in full. In determining the amount and method of payment of such sum, the court shall take account of the financial resources of the defendant and the nature of the burden that payment of such sum will impose. A defendant who has been required to pay such sum and who is not willfully in default in the payment thereof may at any time petition the court which sentenced the defendant to waive payment of such sum or any unpaid portion thereof. If it appears to the satisfaction of the court that payment of the amount
due will impose manifest hardship on the defendant or the defendant's immediate family, the court may waive payment of all or part of the amount due or modify the method of payment.

(e) In releasing a defendant on probation, the court shall direct that the defendant be under the supervision of a court services officer. If the court commits the defendant to the custody of the secretary of corrections or to jail, the court may specify in its order the amount of restitution to be paid and the person to whom it shall be paid if restitution is later ordered as a condition of parole, conditional release or postrelease supervision.

(f) (1) When a new felony is committed while the offender is incarcerated and serving a sentence for a felony, or while the offender is on probation, assignment to a community correctional services program, parole, conditional release or postrelease supervision for a felony, a new sentence shall be imposed pursuant to the consecutive sentencing requirements of K.S.A. 2011 Supp. 21-6606, and amendments thereto, and the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(2) When a new felony is committed while the offender is incarcerated in a juvenile correctional facility pursuant to K.S.A. 38-1671, prior to its repeal, or K.S.A. 2011 Supp. 38-2373, and amendments thereto, for an offense, which if committed by an adult would constitute the commission of a felony, upon conviction, the court shall sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure. The conviction shall operate as a full and complete discharge from any obligations, except for an order of restitution, imposed on the offender arising from the offense for which the offender was committed to a juvenile correctional facility.

(3) When a new felony is committed while the offender is on release for a felony pursuant to the provisions of article 28 of chapter 22 of the Kansas Statutes Annotated, and amendments thereto, or similar provisions of the laws of another jurisdiction, a new sentence may be imposed pursuant to the consecutive sentencing requirements of K.S.A. 2011 Supp. 21-6606, and amendments thereto, and the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(g) Prior to imposing a dispositional departure for a defendant whose offense is classified in the presumptive nonprison grid block of either sentencing guideline grid, prior to sentencing a defendant to incarceration whose offense is classified in grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes or, in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, or in grid blocks 4-E, 4-F, 4-G, 4-H or 4-I of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, prior to sentencing a defendant to incarceration whose offense is classified in grid blocks 4-E or 4-F of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, or in grid blocks 5-C, 5-D, 5-E or 5-F of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, and whose offense does not meet the requirements of K.S.A. 2011 Supp. 21-6824, and amendments thereto, prior to revocation of a nonprison sanction of a defendant whose offense is classified in grid
blocks 4-E or 4-F of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, or in grid blocks 5-C, 5-D, 5-E or 5-F of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, and whose offense does not meet the requirements of K.S.A. 2011 Supp. 21-6824, and amendments thereto, or prior to revocation of a nonprison sanction of a defendant whose offense is classified in the presumptive nonprison grid block of either sentencing guideline grid or grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes or in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, or in grid blocks 4-E, 4-F, 4-G, 4-H or 4-I of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, the court shall consider placement of the defendant in the Labette correctional conservation camp, conservation camps established by the secretary of corrections pursuant to K.S.A. 75-52,127, and amendment thereto, or a community intermediate sanction center. Pursuant to this paragraph subsection the defendant shall not be sentenced to imprisonment if space is available in a conservation camp or a community intermediate sanction center and the defendant meets all of the conservation camp's or a community intermediate sanction center's placement criteria unless the court states on the record the reasons for not placing the defendant in a conservation camp or a community intermediate sanction center.

(h) The court In committing a defendant to the custody of the secretary of corrections, the court shall fix a term of confinement within the limits provided by law. In those cases where the law does not fix a term of confinement for the crime for which the defendant was convicted, the court shall fix the term of such confinement.

(i) In addition to any of the above, the court shall order the defendant to reimburse the state general fund for all or a part of the expenditures by the state board of indigents' defense services to provide counsel and other defense services to the defendant. In determining the amount and method of payment of such sum, the court shall take account of the financial resources of the defendant and the nature of the burden that payment of such sum will impose. A defendant who has been required to pay such sum and who is not willfully in default in the payment thereof may at any time petition the court which sentenced the defendant to waive payment of such sum or any unpaid portion thereof. If it appears to the satisfaction of the court that payment of the amount due will impose manifest hardship on the defendant or the defendant's immediate family, the court may waive payment of all or part of the amount due or modify the method of payment. The amount of attorney fees to be included in the court order for reimbursement shall be the amount claimed by appointed counsel on the payment voucher for indigents' defense services or the amount prescribed by the board of indigents' defense services reimbursement tables as provided in K.S.A. 22-4522, and amendments thereto, whichever is less.

(j) This section shall not deprive the court of any authority conferred by any other Kansas statute to decree a forfeiture of property, suspend or cancel a license, remove a person from office or impose any other civil penalty as a result of conviction of crime.

(k) An application for or acceptance of probation or assignment to a community correctional services program shall not constitute an acquiescence in the judgment for purpose of appeal, and any convicted person may appeal from such conviction, as provided by law, without regard to whether such person has applied for probation, suspended sentence or assignment to a community correctional services program.
(l) The secretary of corrections is authorized to make direct placement to the Labette correctional conservation camp or a conservation camp established by the secretary pursuant to K.S.A. 75-52,127, and amendments thereto, of an inmate sentenced to the secretary's custody if the inmate:

(1) Has been sentenced to the secretary for a probation revocation, as a departure from the presumptive nonimprisonment grid block of either sentencing grid, for an offense which is classified in grid blocks 5-H, 5-I; or 6-G of the sentencing guidelines grid for nondrug crimes or, in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, in grid blocks 4-E, 4-F, 4-G, 4-H or 4-I of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, or for an offense which is classified in grid blocks 4-E or 4-F of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, or in grid blocks 5-C, 5-D, 5-E or 5-F of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, and such offense does not meet the requirements of K.S.A. 2011 Supp. 21-6824, and amendments thereto; and

(2) otherwise meets admission criteria of the camp.

If the inmate successfully completes a conservation camp program, the secretary of corrections shall report such completion to the sentencing court and the county or district attorney. The inmate shall then be assigned by the court to six months of follow-up supervision conducted by the appropriate community corrections services program. The court may also order that supervision continue thereafter for the length of time authorized by K.S.A. 2011 Supp. 21-6608, and amendments thereto.

(m) When it is provided by law that a person shall be sentenced pursuant to K.S.A. 1993 Supp. 21-4628, prior to its repeal, the provisions of this section shall not apply.

(n) Except as provided by subsection (f) of K.S.A. 2011 Supp. 21-6805, and amendments thereto, in addition to any of the above, for felony violations of K.S.A. 2011 Supp. 21-5706, and amendments thereto, the court shall require the defendant who meets the requirements established in K.S.A. 2011 Supp. 21-6824, and amendments thereto, to participate in a certified drug abuse treatment program, as provided in K.S.A. 2011 Supp. 75-52,144, and amendments thereto, including, but not limited to, an approved after-care plan. If the defendant fails to participate in or has a pattern of intentional conduct that demonstrates the offender's refusal to comply with or participate in the treatment program, as established by judicial finding, the defendant shall be subject to revocation of probation and the defendant shall serve the underlying prison sentence as established in K.S.A. 2011 Supp. 21-6805, and amendments thereto.

For those offenders who are convicted on or after July 1, 2003, upon completion of the underlying prison sentence, the defendant shall not be subject to a period of postrelease supervision. The amount of time spent participating in such program shall not be credited as service on the underlying prison sentence.

(o) (1) Except as provided in paragraph (3), in addition to any other penalty or disposition imposed by law, upon a conviction for unlawful possession of a controlled substance or controlled substance analog in violation of K.S.A. 2011 Supp. 21-5706, and amendments thereto, in which the trier of fact makes a finding that the unlawful possession occurred while transporting the controlled substance or controlled substance analog in any vehicle upon a highway or street, the offender's driver's license or privilege to operate a motor vehicle on the streets and highways of this state shall be suspended for one year.
(2) Upon suspension of a license pursuant to this subsection, the court shall require the person to surrender the license to the court, which shall transmit the license to the division of motor vehicles of the department of revenue, to be retained until the period of suspension expires. At that time, the licensee may apply to the division for return of the license. If the license has expired, the person may apply for a new license, which shall be issued promptly upon payment of the proper fee and satisfaction of other conditions established by law for obtaining a license unless another suspension or revocation of the person's privilege to operate a motor vehicle is in effect.

(3) (A) In lieu of suspending the driver's license or privilege to operate a motor vehicle on the highways of this state of any person as provided in paragraph (1), the judge of the court in which such person was convicted may enter an order which places conditions on such person's privilege of operating a motor vehicle on the highways of this state, a certified copy of which such person shall be required to carry any time such person is operating a motor vehicle on the highways of this state. Any such order shall prescribe the duration of the conditions imposed, which in no event shall be for a period of more than one year.

(B) Upon entering an order restricting a person's license hereunder, the judge shall require such person to surrender such person's driver's license to the judge who shall cause it to be transmitted to the division of vehicles, together with a copy of the order. Upon receipt thereof, the division of vehicles shall issue without charge a driver's license which shall indicate on its face that conditions have been imposed on such person's privilege of operating a motor vehicle and that a certified copy of the order imposing such conditions is required to be carried by the person for whom the license was issued any time such person is operating a motor vehicle on the highways of this state. If the person convicted is a nonresident, the judge shall cause a copy of the order to be transmitted to the division and the division shall forward a copy of it to the motor vehicle administrator, of such person's state of residence. Such judge shall furnish to any person whose driver's license has had conditions imposed on it under this paragraph a copy of the order, which shall be recognized as a valid Kansas driver's license until such time as the division shall issue the restricted license provided for in this paragraph.

(C) Upon expiration of the period of time for which conditions are imposed pursuant to this subsection, the licensee may apply to the division for the return of the license previously surrendered by such licensee. In the event such license has expired, such person may apply to the division for a new license, which shall be issued immediately by the division upon payment of the proper fee and satisfaction of the other conditions established by law, unless such person's privilege to operate a motor vehicle on the highways of this state has been suspended or revoked prior thereto. If any person shall violate any of the conditions imposed under this paragraph, such person's driver's license or privilege to operate a motor vehicle on the highways of this state shall be revoked for a period of not less than 60 days nor more than one year by the judge of the court in which such person is convicted of violating such conditions.

(4) As used in this subsection, "highway" and "street" mean the same as in K.S.A. 8-1424 and 8-1473, and amendments thereto.

(p) In addition to any of the above, for any criminal offense that includes the domestic violence designation pursuant to K.S.A. 2011 Supp. 22-4616, and amendments thereto, the court shall require the defendant to undergo a domestic violence offender assessment and follow all recommendations unless otherwise ordered
by the court or the department of corrections. The court may order a domestic violence offender assessment and any other evaluation prior to sentencing if the assessment or evaluation would assist the court in determining an appropriate sentence. The entity completing the assessment or evaluation shall provide the assessment or evaluation and recommendations to the court and the court shall provide the domestic violence offender assessment and any other evaluation to any entity responsible for supervising such defendant. A defendant ordered to undergo a domestic violence offender assessment shall be required to pay for the assessment and, unless otherwise ordered by the court or the department of corrections, for completion of all recommendations.

(q) In imposing a fine, the court may authorize the payment thereof in installments. In lieu of payment of any fine imposed, the court may order that the person perform community service specified by the court. The person shall receive a credit on the fine imposed in an amount equal to $5 for each full hour spent by the person in the specified community service. The community service ordered by the court shall be required to be performed by the later of one year after the fine is imposed or one year after release from imprisonment or jail, or by an earlier date specified by the court. If by the required date the person performs an insufficient amount of community service to reduce to zero the portion of the fine required to be paid by the person, the remaining balance shall become due on that date. If conditional reduction of any fine is rescinded by the court for any reason, then pursuant to the court's order the person may be required to perform community service by one year after the date of such rescission or by an earlier date specified by the court. If by the required date the person performs an insufficient amount of community service to reduce to zero the portion of the fine required to be paid by the person, the remaining balance of the fine shall become due on that date. All credits for community service shall be subject to review and approval by the court.

(r) In addition to any other penalty or disposition imposed by law, for any defendant sentenced to imprisonment pursuant to K.S.A. 21-4643, prior to its repeal, or K.S.A. 2011 Supp. 21-6627, and amendments thereto, for crimes committed on or after July 1, 2006, the court shall order that the defendant be electronically monitored upon release from imprisonment for the duration of the defendant's natural life and that the defendant shall reimburse the state for all or part of the cost of such monitoring as determined by the prisoner review board.";

The clerk of the court shall send a certified copy of the order of expungement to the Kansas bureau of investigation which shall notify the federal bureau of investigation, the secretary of corrections and any other criminal justice agency which may have a record of the arrest, conviction or diversion. After the order of expungement is entered, the petitioner shall be treated as not having been arrested, convicted or diverted of the crime, except that:
(1) Upon conviction for any subsequent crime, the conviction that was expunged may be considered as a prior conviction in determining the sentence to be imposed;

(E) to aid in determining the petitioner's qualifications for the following under the Kansas expanded lottery act: (i) Lottery gaming facility manager or prospective manager, racetrack gaming facility manager or prospective manager, licensee or certificate holder; or (ii) an officer, director, employee, owner, agent or contractor thereof;

(F) upon application for a commercial driver's license under K.S.A. 8-2,125 through 8-2,142, and amendments thereto;

Whenever a person enters into a diversion agreement, the person shall be informed of the ability to expunge the diversion.

under this statute may state that such person has never been arrested, convicted or diverted of such crime, but the expungement of a felony conviction does not relieve an individual of complying with any state or federal law relating to the use or possession of firearms by persons convicted of a felony.

(F) indecent solicitation of a child, K.S.A. 21-3510, prior to its repeal, or subsection (a) of K.S.A. 2011 Supp. 21-5508, and amendments thereto;

(G) aggravated indecent solicitation of a child, K.S.A. 21-3511, prior to its repeal, or subsection (b) of K.S.A. 2011 Supp. 21-5508, and amendments thereto;

(H) sexual exploitation of a child, K.S.A. 21-3516, prior to its repeal, or K.S.A. 2011 Supp. 21-5510, and amendments thereto;

(I) aggravated sexual battery, K.S.A. 21-3518, prior to its repeal, or subsection (b) of K.S.A. 2011 Supp. 21-5505, and amendments thereto;

(J) aggravated incest, K.S.A. 21-3603, prior to its repeal, or subsection (b) of K.S.A. 2011 Supp. 21-5604, and amendments thereto; or

(K) an attempt, conspiracy or criminal solicitation, as defined in K.S.A. 21-3301, 21-3302 or 21-3303, prior to their repeal, or K.S.A. 2011 Supp. 21-5301, 21-5302 or 21-5303, and amendments thereto, of a sexually violent crime as defined in this section.

(3) As used in this subsection, "sexually motivated" means that one of the purposes for which the defendant committed the crime was for the purpose of the defendant's sexual gratification.

(e) If an inmate is sentenced to imprisonment for a crime committed while on parole or conditional release, the inmate shall be eligible for parole as provided by subsection (c), except that the prisoner review board may postpone the inmate's parole eligibility date by assessing a penalty not exceeding the period of time which could have been assessed if the inmate's parole or conditional release had been violated for reasons other than conviction of a crime.

(f) If a person is sentenced to prison for a crime committed on or after July 1, 1993, while on probation, parole, conditional release or in a community corrections program, for a crime committed prior to July 1, 1993, and the person is not eligible for retroactive application of the sentencing guidelines and amendments thereto pursuant to K.S.A. 21-4724, prior to its repeal, the new sentence shall not be aggregated with the old sentence, but shall begin when the person is paroled or reaches the conditional release date on the old sentence. If the offender was past the offender's conditional release date at the time the new offense was committed, the new sentence shall not be aggregated with the old sentence but shall begin when the person is ordered released by the prisoner review board or reaches the maximum sentence expiration date on the old sentence, whichever is earlier. The new sentence shall then be served as otherwise provided by law. The period of postrelease supervision shall be based on the new sentence, except that those offenders whose old sentence is a term of imprisonment for life, imposed pursuant to K.S.A. 1993 Supp. 21-4628, prior to its repeal, or an indeterminate sentence with a maximum term of life imprisonment, for which there is no conditional release or maximum sentence expiration date, shall remain on postrelease supervision for life or until discharged from supervision by the prisoner review board.
(g) Subject to the provisions of this section, the prisoner review board may release on parole those persons confined in institutions who are eligible for parole when: (1) The board believes that the inmate should be released for hospitalization, for deportation or to answer the warrant or other process of a court and is of the opinion that there is reasonable probability that the inmate can be released without detriment to the community or to the inmate; or (2) the secretary of corrections has reported to the board in writing that the inmate has satisfactorily completed the programs required by any agreement entered under K.S.A. 75-5210a, and amendments thereto, or any revision of such agreement, and the board believes that the inmate is able and willing to fulfill the obligations of a law abiding citizen and is of the opinion that there is reasonable probability that the inmate can be released without detriment to the community or to the inmate. Parole shall not be granted as an award of clemency and shall not be considered a reduction of sentence or a pardon.

(h) The prisoner review board shall hold a parole hearing at least the month prior to the month an inmate will be eligible for parole under subsections (a), (b) and (c). At least the one month preceding the parole hearing, the county or district attorney of the county where the inmate was convicted shall give written notice of the time and place of the public comment sessions for the inmate to any victim of the inmate's crime who is alive and whose address is known to the county or district attorney or, if the victim is deceased, to the victim's family if the family's address is known to the county or district attorney. Except as otherwise provided, failure to notify pursuant to this section shall not be a reason to postpone a parole hearing. In the case of any inmate convicted of an off-grid felony or a class A felony, the secretary of corrections shall give written notice of the time and place of the public comment session for such inmate at least one month preceding the public comment session to any victim of such inmate's crime or the victim's family pursuant to K.S.A. 74-7338, and amendments thereto. If notification is not given to such victim or such victim's family in the case of any inmate convicted of an off-grid felony or a class A felony, the board shall postpone a decision on parole of the inmate to a time at least 30 days after notification is given as provided in this section. Nothing in this section shall create a cause of action against the state or an employee of the state acting within the scope of the employee's employment as a result of the failure to notify pursuant to this section. If granted parole, the inmate may be released on parole on the date specified by the board, but not earlier than the date the inmate is eligible for parole under subsections (a), (b) and (c). At each parole hearing and, if parole is not granted, at such intervals thereafter as it determines appropriate, the board shall consider: (1) Whether the inmate has satisfactorily completed the programs required by any agreement entered under K.S.A. 75-5210a, and amendments thereto, or any revision of such agreement; and (2) all pertinent information regarding such inmate, including, but not limited to, the circumstances of the offense of the inmate; the presentence report; the previous social history and criminal record of the inmate; the conduct, employment, and attitude of the inmate in prison; the reports of such physical and mental examinations as have been made, including, but not limited to, risk factors revealed by any risk assessment of the inmate; comments of the victim and the victim's family including in person comments, contemporaneous comments and prerecorded comments made by any technological means; comments of the public; official comments; any recommendation by the staff of the facility where the inmate is incarcerated; proportionality of the time the inmate has served to the sentence a person
would receive under the Kansas sentencing guidelines for the conduct that resulted in
the inmate's incarceration; and capacity of state correctional institutions.

(i) In those cases involving inmates sentenced for a crime committed after July 1,
1993, the prisoner review board will review the inmates proposed release plan. The
board may schedule a hearing if they desire. The board may impose any condition they
deem necessary to insure public safety, aid in the reintegration of the inmate into the
community, or items not completed under the agreement entered into under K.S.A. 75-
5210a, and amendments thereto. The board may not advance or delay an inmate's
release date. Every inmate while on postrelease supervision shall remain in the legal
custody of the secretary of corrections and is subject to the orders of the secretary.

(j) (1) Before ordering the parole of any inmate, the prisoner review board shall
have the inmate appear either in person or via a video conferencing format and shall
interview the inmate unless impractical because of the inmate's physical or mental
condition or absence from the institution. Every inmate while on parole shall remain in
the legal custody of the secretary of corrections and is subject to the orders of the
secretary. Whenever the board formally considers placing an inmate on parole and no
agreement has been entered into with the inmate under K.S.A. 75-5210a, and
amendments thereto, the board shall notify the inmate in writing of the reasons for not
granting parole. If an agreement has been entered under K.S.A. 75-5210a, and
amendments thereto, and the inmate has not satisfactorily completed the programs
specified in the agreement, or any revision of such agreement, the board shall notify the
inmate in writing of the specific programs the inmate must satisfactorily complete
before parole will be granted. If parole is not granted only because of a failure to
satisfactorily complete such programs, the board shall grant parole upon the secretary's
certification that the inmate has successfully completed such programs. If an agreement
has been entered under K.S.A. 75-5210a, and amendments thereto, and the secretary of
corrections has reported to the board in writing that the inmate has satisfactorily
completed the programs required by such agreement, or any revision thereof, the board
shall not require further program participation. However, if the board determines that
other pertinent information regarding the inmate warrants the inmate's not being
released on parole, the board shall state in writing the reasons for not granting the
parole. If parole is denied for an inmate sentenced for a crime other than a class A or
class B felony or an off-grid felony, the board shall hold another parole hearing for the
inmate not later than one year after the denial unless the board finds that it is not
reasonable to expect that parole would be granted at a hearing if held in the next three
years or during the interim period of a deferral. In such case, the board may defer
subsequent parole hearings for up to three years but any such deferral by the board shall
require the board to state the basis for its findings. If parole is denied for an inmate
sentenced for a class A or class B felony or an off-grid felony, the board shall hold another parole hearing for the
inmate not later than three years after the denial unless the board finds that it is not reasonable to expect that parole would be granted at a hearing if held in the next 10 years or during the interim period of a deferral. In such
case, the board may defer subsequent parole hearings for up to 10 years but any such
deferral shall require the board to state the basis for its findings.

(2) Inmates sentenced for a class A or class B felony who have not had a board
hearing in the five years prior to July 1, 2010, shall have such inmates' cases reviewed
by the board on or before July 1, 2012. Such review shall begin with the inmates with
the oldest deferral date and progress to the most recent. Such review shall be done utilizing existing resources unless the board determines that such resources are insufficient. If the board determines that such resources are insufficient, then the provisions of this paragraph are subject to appropriations therefor.

(k) (1) Parolees and persons on postrelease supervision shall be assigned, upon release, to the appropriate level of supervision pursuant to the criteria established by the secretary of corrections.

(2) Parolees and persons on postrelease supervision are, and shall agree in writing to be, subject to search or seizure by a parole officer or a department of corrections enforcement, apprehension and investigation officer, at any time of the day or night, with or without a search warrant and with or without cause. Nothing in this subsection shall be construed to authorize such officers to conduct arbitrary or capricious searches or searches for the sole purpose of harassment.

(3) Parolees and persons on postrelease supervision are, and shall agree in writing to be, subject to search or seizure by any law enforcement officer based on reasonable suspicion of the person violating conditions of parole or postrelease supervision or reasonable suspicion of criminal activity. Any law enforcement officer who conducts such a search shall submit a written report to the appropriate parole officer no later than the close of the next business day after such search. The written report shall include the facts leading to such search, the scope of such search and any findings resulting from such search.

(l) The prisoner review board shall adopt promulgate rules and regulations in accordance with K.S.A. 77-415 et seq., and amendments thereto, not inconsistent with the law and as it may deem proper or necessary, with respect to the conduct of parole hearings, postrelease supervision reviews, revocation hearings, orders of restitution, reimbursement of expenditures by the state board of indigents' defense services and other conditions to be imposed upon parolees or releasees. Whenever an order for parole or postrelease supervision is issued it shall recite the conditions thereof.

(m) Whenever the prisoner review board orders the parole of an inmate or establishes conditions for an inmate placed on postrelease supervision, the board:

(1) Unless it finds compelling circumstances which would render a plan of payment unworkable, shall order as a condition of parole or postrelease supervision that the parolee or the person on postrelease supervision pay any transportation expenses resulting from returning the parolee or the person on postrelease supervision to this state to answer criminal charges or a warrant for a violation of a condition of probation, assignment to a community correctional services program, parole, conditional release or postrelease supervision;

(2) to the extent practicable, shall order as a condition of parole or postrelease supervision that the parolee or the person on postrelease supervision make progress towards or successfully complete the equivalent of a secondary education if the inmate has not previously completed such educational equivalent and is capable of doing so;

(3) may order that the parolee or person on postrelease supervision perform community or public service work for local governmental agencies, private corporations organized not-for-profit or charitable or social service organizations performing services for the community;

(4) may order the parolee or person on postrelease supervision to pay the administrative fee imposed pursuant to K.S.A. 22-4529, and amendments thereto,
unless the board finds compelling circumstances which would render payment unworkable;

(5) unless it finds compelling circumstances which would render a plan of payment unworkable, shall order that the parolee or person on postrelease supervision reimburse the state for all or part of the expenditures by the state board of indigents’ defense services to provide counsel and other defense services to the person. In determining the amount and method of payment of such sum, the prisoner review board shall take account of the financial resources of the person and the nature of the burden that the payment of such sum will impose. Such amount shall not exceed the amount claimed by appointed counsel on the payment voucher for indigents’ defense services or the amount prescribed by the board of indigents’ defense services reimbursement tables as provided in K.S.A. 22-4522, and amendments thereto, whichever is less, minus any previous payments for such services;

(6) shall order that the parolee or person on postrelease supervision agree in writing to be subject to search or seizure by a parole officer or a department of corrections enforcement, apprehension and investigation officer, at any time of the day or night, with or without a search warrant and with or without cause. Nothing in this subsection shall be construed to authorize such officers to conduct arbitrary or capricious searches or searches for the sole purpose of harassment; and

(7) shall order that the parolee or person on postrelease supervision agree in writing to be subject to search or seizure by any law enforcement officer based on reasonable suspicion of the person violating conditions of parole or postrelease supervision or reasonable suspicion of criminal activity.

(n) If the court which sentenced an inmate specified at the time of sentencing the amount and the recipient of any restitution ordered as a condition of parole or postrelease supervision, the prisoner review board shall order as a condition of parole or postrelease supervision that the inmate pay restitution in the amount and manner provided in the journal entry unless the board finds compelling circumstances which would render a plan of restitution unworkable.

(o) Whenever the prisoner review board grants the parole of an inmate, the board, within 14 days of the date of the decision to grant parole, shall give written notice of the decision to the county or district attorney of the county where the inmate was sentenced.

(p) When an inmate is to be released on postrelease supervision, the secretary, within 30 days prior to release, shall provide the county or district attorney of the county where the inmate was sentenced written notice of the release date.

(q) Inmates shall be released on postrelease supervision upon the termination of the prison portion of their sentence. Time served while on postrelease supervision will vest.

(r) An inmate who is allocated regular good time credits as provided in K.S.A. 22-3725, and amendments thereto, may receive meritorious good time credits in increments of not more than 90 days per meritorious act. These credits may be awarded by the secretary of corrections when an inmate has acted in a heroic or outstanding manner in coming to the assistance of another person in a life threatening situation, preventing injury or death to a person, preventing the destruction of property or taking actions which result in a financial savings to the state.

(s) The provisions of subsections (d)(1)(A), (d)(1)(B), (d)(1)(C) and (d)(1)(E) shall be applied retroactively as provided in subsection (t).

(t) For offenders sentenced prior to May 25, 2000, who are eligible for modification
of their postrelease supervision obligation, the department of corrections shall modify the period of postrelease supervision as provided for by this section for offenders convicted of severity level 9 and 10 crimes on the sentencing guidelines grid for nondrug crimes and severity level 4 crimes on the sentencing guidelines grid for drug crimes on or before September 1, 2000; for offenders convicted of severity level 7 and 8 crimes on the sentencing guidelines grid for nondrug crimes on or before November 1, 2000; and for offenders convicted of severity level 5 and 6 crimes on the sentencing guidelines grid for nondrug crimes and severity level 3 crimes on the sentencing guidelines grid for drug crimes on or before January 1, 2001.

(u) An inmate sentenced to imprisonment pursuant to K.S.A. 21-4643, prior to its repeal, or K.S.A. 2011 Supp. 21-6627, and amendments thereto, for crimes committed on or after July 1, 2006, shall be placed on parole for life and shall not be discharged from supervision by the prisoner review board. When the board orders the parole of an inmate pursuant to this subsection, the board shall order as a condition of parole that the inmate be electronically monitored for the duration of the inmate's natural life.

(v) Whenever the prisoner review board or the court orders a person to be electronically monitored pursuant to this section, or the court orders a person to be electronically monitored pursuant to subsection (r) of K.S.A. 2011 Supp. 21-6604, and amendments thereto, the board or court shall order the person to reimburse the state for all or part of the cost of such monitoring. In determining the amount and method of payment of such sum, the board or court shall take account of the financial resources of the person and the nature of the burden that the payment of such sum will impose.

(w) (1) On and after July 1, 2012, for any inmate who is a sex offender, as defined in K.S.A. 22-4902, and amendments thereto, whenever the prisoner review board orders the parole of such inmate or establishes conditions for such inmate placed on postrelease supervision, such inmate shall agree in writing to not possess pornographic materials.

(A) As used in this subsection, "pornographic materials" means: Any obscene material or performance depicting sexual conduct, sexual contact or a sexual performance; and any visual depiction of sexually explicit conduct.

(B) As used in this subsection, all other terms have the meanings provided by K.S.A. 2011 Supp. 21-5510, and amendments thereto.

(2) The provisions of this subsection shall be applied retroactively to every sex offender, as defined in K.S.A. 22-4902, and amendments thereto, who is on parole or postrelease supervision on July 1, 2012. The prisoner review board shall obtain the written agreement required by this subsection from such offenders as soon as practicable.

The Senate accedes to all House amendments to the bill, and your committee on
conference further agrees to amend the bill, as printed with House Committee amendments, as follows:

On page 1, following line 6, by inserting:

"Section 1. K.S.A. 2011 Supp. 21-5107 is hereby amended to read as follows: 21-5107. (a) A prosecution for murder, terrorism or illegal use of weapons of mass destruction may be commenced at any time.

(b) Except as provided in subsection (e), a prosecution for any crime shall be commenced within 10 years after its commission if the victim is the Kansas public employees retirement system.

c) Except as provided in subsection (e), a prosecution for a sexually violent offense as defined in K.S.A. 22-3717, and amendments thereto, shall be commenced within the limitation of time provided by the law pertaining to such offense or one year from the date on which the identity of the suspect is conclusively established by DNA testing, whichever is later.

d) Except as provided by subsection (e), a prosecution for any crime, as defined in K.S.A. 2011 Supp. 21-5102, and amendments thereto, not governed by subsections (a), (b) or (c) shall be commenced within five years after it is committed.

e) The period within which a prosecution shall be commenced shall not include any period in which:

1) The accused is absent from the state;

2) The accused is concealed within the state so that process cannot be served upon the accused;

3) The fact of the crime is concealed;

4) A prosecution is pending against the defendant for the same conduct, even if the indictment or information which commences the prosecution is quashed or the proceedings thereon are set aside, or are reversed on appeal;

5) An administrative agency is restrained by court order from investigating or otherwise proceeding on a matter before it as to any criminal conduct defined as a violation of any of the provisions of article 41 of chapter 25 and article 2 of chapter 46 of the Kansas Statutes Annotated, and amendments thereto, which may be discovered as a result thereof regardless of who obtains the order of restraint; or

6) Whether the fact of the crime is concealed by the active act or conduct of the accused, there is substantially competent evidence to believe two or more of the following factors are present:

(A) The victim was a child under 15 years of age at the time of the crime;

(B) The victim was of such age or intelligence that the victim was unable to determine that the acts constituted a crime;

(C) The victim was prevented by a parent or other legal authority from making known to law enforcement authorities the fact of the crime whether or not the parent or other legal authority is the accused; and

(D) There is substantially competent expert testimony indicating the victim psychologically repressed such witness' memory of the fact of the crime, and in the expert's professional opinion the recall of such memory is accurate and free of undue manipulation, and substantial corroborating evidence can be produced in support of the allegations contained in the complaint or information but in no event may a prosecution be commenced as provided in this section subsection (e)(6) later than the date the victim turns 28 years of age. Corroborating evidence may include, but is not limited to,
evidence the defendant committed similar acts against other persons or evidence of contemporaneous physical manifestations of the crime.

(f) An offense is committed either when every element occurs, or, if a legislative purpose to prohibit a continuing offense plainly appears, at the time when the course of conduct or the defendant's complicity therein is terminated. Time starts to run on the day after the offense is committed except if the offense charged is a sexually violent crime as defined in K.S.A. 22-3717, and amendments thereto, and the victim was under 18 years of age at the time of the offense, then time shall start to run on the day after the victim's 18th birthday.

(g) A prosecution is commenced when a complaint or information is filed, or an indictment returned, and a warrant thereon is delivered to the sheriff or other officer for execution. No such prosecution shall be deemed to have been commenced if the warrant so issued is not executed without unreasonable delay.

(h) As used in this section, "parent or other legal authority" shall include, but not be limited to, natural and stepparents, grandparents, aunts, uncles or siblings.

    Heavenly Father, we pause this Tuesday morning for reflection. So often as humans we seem to lose our way and wonder, “How did we get here?” We put our faith in maps and guides and think that if we just find the right one, all our problems will go away. Help us to remember that even as we despair, others are on much darker paths and need our help more than ever. Grant us the ability to recognize that our own differences are minor compared to the real challenges faced by the people we represent. Renew in us our charge: to help those less fortunate live out the same prairie optimism that exists for all Kansans. Whether that is roads, schools or maps, please help us complete our work.

    In your most holy and precious name we pray, Amen.

The Pledge of Allegiance was led by Rep. Schwartz.

(d) prohibit requirements for certain terms in construction contracts awarded by governmental entities;
(e) prohibit the expenditure of public funds under certain conditions;
(f) prohibit certain terms in procurement documents by governmental entities for public facilities; and
(g) provide powers and duties for certain public officers, employees and contractors.
New Sec. 3. (1) Require any bidder, contractor, subcontractor or material supplier to enter into or agree to enter into any prehire agreement, project labor agreement, collective bargaining agreement or any other similar agreement with one or more labor organizations on the same or other related construction projects; or
(2) discriminate against or treat differently any bidder, contractor, subcontractor or material supplier for becoming, refusing to become or remaining signatories or otherwise to agree to enter into any prehire agreement, project labor agreement,
collective bargaining agreement or any other similar agreement with one or more labor organizations on the same or other related construction projects.

(b) Nothing in this section shall prohibit:

(1) Any bidder, contractor, subcontractor, construction manager, design-builder or material supplier of any tier from voluntarily entering into agreements described in paragraph (1) of subsection (a); or

(2) any contractor, construction manager or design builder from requiring its subcontractors or material suppliers of any tier to enter into a collective bargaining agreement.

New Sec. 4. No provision of this act shall be construed to:

(b) interfere with labor relations of any party that is protected under the national labor relations act, 29 U.S.C. §§ 151 to 169.

New Sec. 5. For the purposes of this act:

(a) "Governmental entity" means a state agency or a municipality as the context requires.

(b) "Municipality" means the same as specified in K.S.A. 12-105a, and amendments thereto.

(c) "State agency" means the same as specified in K.S.A 75-3728a, and amendments thereto.

Sec. 6. K.S.A. 2011 Supp. 75-3740 is hereby amended to read as follows: 75-3740.

(a) Except as provided by K.S.A. 75-3740b, and amendments thereto, and subsection (g), all contracts and purchases made by or under the supervision of the director of purchases or any state agency for which competitive bids are required shall be awarded to the lowest responsible bidder, taking into consideration conformity with the specifications, terms of delivery, and other conditions imposed in the call for bids.

(b) The director of purchases shall have power to decide as to the lowest responsible bidder for all purchases, but if:

(1) The dollar amount of the bid received from the lowest responsible bidder from within the state is identical to the dollar amount of the bid received from the lowest responsible bidder from without the state, the contract shall be awarded to the bidder from within the state; and

(2) in the case of bids for paper products specified in K.S.A. 75-3740b, and amendments thereto, the dollar amounts of the bids received from two or more lowest responsible bidders are identical, the contract shall be awarded to the bidder whose bid is for those paper products containing the highest percentage of recycled materials.

(c) Any or all bids may be rejected, and a bid shall be rejected if it contains any material alteration or erasure made after the bid is opened. The director of purchases may reject the bid of any bidder who is in arrears on taxes due the state, who is not properly registered to collect and remit taxes due the state or who has failed to perform satisfactorily on a previous contract with the state. The secretary of revenue is hereby authorized to exchange such information with the director of purchases as is necessary to effectuate the preceding sentence notwithstanding any other provision of law prohibiting disclosure of the contents of taxpayer records or information. Prior to determining the lowest responsible bidder on contracts for construction of buildings or
for major repairs or improvements to buildings for state agencies, the director of purchases shall consider: (1) The criteria and information developed by the secretary of administration, with the advice of the state building advisory commission to rate contractors on the basis of their performance under similar contracts with the state, local governmental entities and private entities, in addition to other criteria and information available; and (2) the recommendations of the project architect, or, if there is no project architect, the recommendations of the secretary of administration or the agency architect for the project as provided in K.S.A. 75-1254, and amendments thereto. In any case where competitive bids are required and where all bids are rejected, new bids shall be called for as in the first instance, unless otherwise expressly provided by law or the state agency elects not to proceed with the procurement.

(d) Before the awarding of any contract for construction of a building or the making of repairs or improvements upon any building for a state agency, the director of purchases shall receive written approval from the state agency for which the building construction project has been approved, that the bids generally conform with the plans and specifications prepared by the project architect, by the secretary of administration or by the agency architect for the project, as the case may be, so as to avoid error and mistake on the part of the contractors. In all cases where material described in a contract can be obtained from any state institution, the director of purchases shall exclude the same from the contract.

(e) All bids with the names of the bidders and the amounts thereof, together with all documents pertaining to the award of a contract, shall be made a part of a file or record and retained by the director of purchases for five years, unless reproduced as provided in K.S.A. 75-3737, and amendments thereto, and shall be open to public inspection at all reasonable times.

(f) As used in this section and in K.S.A. 75-3741, and amendments thereto, "project architect" shall have the meaning ascribed thereto in K.S.A. 75-1251, and amendments thereto.

(g) When a state agency is receiving bids to purchase passenger motor vehicles, such agency shall follow the procedures prescribed in subsection (b)(1), except in the case where one of the responsible bidders offers motor vehicles which are assembled in Kansas. In such a case, 3% of the bid of the responsible bidder which offers motor vehicles assembled in Kansas shall be subtracted from the bid amount, and that amount shall be used to determine the lowest bid pursuant to subsection (b)(1). This subsection shall only apply to bids which match the exact motor vehicle specifications of the agency purchasing passenger motor vehicles.

Sec. 7. K.S.A. 2011 Supp. 75-3740 is hereby repealed.

Sec. 8. This act shall take effect and be in force from and after its publication in the statute book.";

The court may place the person convicted under a house arrest program pursuant to K.S.A. 2011 Supp. 21-6609, and amendments thereto, to serve the 90 days' imprisonment mandated by this subsection only after such person has served 48 consecutive hours' imprisonment. The offender shall serve a minimum of 2,160 hours of confinement within the boundaries of the offender's residence. Any exceptions to remaining within the boundaries of the offender's residence provided for in the house arrest agreement shall not be counted as part of the 2,160 hours; and

(D) on a third or subsequent conviction a nonperson felony. The person convicted shall be sentenced to not less than 90 days nor more than one year's imprisonment and fined $2,500. The person convicted shall not be eligible for release on probation, suspension or reduction of sentence or parole until the person has served at least 90 days' imprisonment. (2) The court may order that the term of imprisonment imposed pursuant to subsection (b)(1)(C) or (b)(1)(D) be served in a state facility in the custody of the secretary of corrections in a facility designated by the secretary for the provision of substance abuse treatment pursuant to the provisions of K.S.A. 2011 Supp. 21-6804, and amendments thereto. The person shall remain imprisoned at the state facility only while participating in the substance abuse treatment program designated by the secretary and shall be returned to the custody of the sheriff for execution of the balance of the term of imprisonment upon completion of or the person's discharge from the substance abuse treatment program. Custody of the person shall be returned to the sheriff for execution of the sentence imposed in the event the secretary of corrections determines: (A) That substance abuse treatment resources or the capacity of the facility designated by the secretary for the incarceration and treatment of the person is not available; (B) the person fails to meaningfully participate in the treatment program of the designated facility; (C) the person is disruptive to the security or operation of the designated facility; or (D) the medical or mental health condition of the person renders the person unsuitable for confinement at the designated facility. The determination by the secretary that the person either is not to be admitted into the designated facility or is to be transferred from the designated facility is not subject to review. The sheriff shall
be responsible for all transportation expenses to and from the state correctional facility.

(3) In addition, for any conviction pursuant to subsection (b)(1)(B), (b)(1)(C) or (b)(1)(D), at the time of the filing of the judgment form or journal entry as required by K.S.A. 22-3426 or K.S.A. 2011 Supp. 21-6711, and amendments thereto, the court shall cause a certified copy to be sent to the officer having the offender in charge. The court shall determine whether the offender, upon release from imprisonment, shall be supervised by community correctional services or court services based upon the risk and needs of the offender. The risk and needs of the offender shall be determined by use of a risk assessment tool specified by the Kansas sentencing commission. The law enforcement agency maintaining custody and control of a defendant for imprisonment shall cause a certified copy of the judgment form or journal entry to be sent to the supervision office designated by the court and upon expiration of the term of imprisonment shall deliver the defendant to a location designated by the supervision office designated by the court. After the term of imprisonment imposed by the court, the person shall be placed on supervision to community correctional services or court services, as determined by the court, for a mandatory one-year period of supervision, which such period of supervision shall not be reduced. During such supervision, the person shall be required to participate in a multidisciplinary model of services for substance use disorders facilitated by a department of social and rehabilitation services designated care coordination agency to include assessment and, if appropriate, referral to a community based substance use disorder treatment including recovery management and mental health counseling as needed. The multidisciplinary team shall include the designated care coordination agency, the supervision officer, the social and rehabilitation services department designated treatment provider and the offender. Any violation of the conditions of such supervision may subject such person to revocation of supervision and imprisonment in jail for the remainder of the period of imprisonment, the remainder of the supervision period, or any combination or portion thereof.

(4) In addition, prior to sentencing for any conviction pursuant to subsection (b)(1)(A), the court shall order the person to participate in an alcohol and drug evaluation conducted by a provider in accordance with K.S.A. 8-1008, and amendments thereto. The person shall be required to follow any recommendation made by the provider after such evaluation, unless otherwise ordered by the court.

(c) Any person convicted of violating this section or an ordinance which prohibits the acts that this section prohibits who had one or more children under the age of 14 years in the vehicle at the time of the offense shall have such person's punishment enhanced by one month of imprisonment. This imprisonment must be served consecutively to any other minimum mandatory penalty imposed for a violation of this section or an ordinance which prohibits the acts that this section prohibits. Any enhanced penalty imposed shall not exceed the maximum sentence allowable by law. During the service of the enhanced penalty, the judge may order the person on house arrest, work release or other conditional release.

(d) The court may establish the terms and time for payment of any fines, fees, assessments and costs imposed pursuant to this section. Any assessments and costs shall be required to be paid not later than 90 days after imposed, and any remainder of the fine shall be paid prior to the final release of the defendant by the court.

(e) In lieu of payment of a fine imposed pursuant to this section, the court may order that the person perform community service specified by the court. The person
shall receive a credit on the fine imposed in an amount equal to $5 for each full hour spent by the person in the specified community service. The community service ordered by the court shall be required to be performed not later than one year after the fine is imposed or by an earlier date specified by the court. If by the required date the person performs an insufficient amount of community service to reduce to zero the portion of the fine required to be paid by the person, the remaining balance of the fine shall become due on that date.

(f) Prior to filing a complaint alleging a violation of this section, a prosecutor shall request and shall receive from the:

1. Division a record of all prior convictions obtained against such person for any violations of any of the motor vehicle laws of this state; and
2. Kansas bureau of investigation central repository all criminal history record information concerning such person.

(g) The court shall electronically report every conviction of a violation of this section and every diversion agreement entered into in lieu of further criminal proceedings on a complaint alleging a violation of this section to the division. Prior to sentencing under the provisions of this section, the court shall request and shall receive from the division a record of all prior convictions obtained against such person for any violations of any of the motor vehicle laws of this state.

(h) For the purpose of determining whether a conviction is a first, second, third, fourth or subsequent conviction in sentencing under this section:

1. Convictions for a violation of K.S.A. 8-1567, and amendments thereto, or a violation of an ordinance of any city or resolution of any county which prohibits the acts that such section prohibits, or entering into a diversion agreement in lieu of further criminal proceedings on a complaint alleging any such violations, shall be taken into account, but only convictions or diversions occurring: (A) On or after July 1, 2001; and (B) when such person was 18 years of age or older. Nothing in this provision shall be construed as preventing any court from considering any convictions or diversions occurring during the person's lifetime in determining the sentence to be imposed within the limits provided for a first, second, third, fourth or subsequent offense;

2. Any convictions for a violation of the following sections which occurred during a person's lifetime shall be taken into account, but only convictions occurring when such person was 18 years of age or older: (A) This section; (B) driving a commercial motor vehicle under the influence, K.S.A. 8-2,144, and amendments thereto; (C) operating a vessel under the influence of alcohol or drugs, K.S.A. 32-1131, and amendments thereto; (D) involuntary manslaughter while driving under the influence of alcohol or drugs, K.S.A. 21-3442, prior to its repeal, or subsection (a)(3) of K.S.A. 2011 Supp. 21-5405, and amendments thereto; and (E) aggravated vehicular homicide, K.S.A. 21-3405a, prior to its repeal, or vehicular battery, K.S.A. 21-3405b, prior to its repeal, if the crime was committed while committing a violation of K.S.A. 8-1567, and amendments thereto;

3. "Conviction" includes: (A) Entering into a diversion agreement in lieu of further criminal proceedings on a complaint alleging a violation of a crime described in subsection (h)(2); (B) conviction of a violation of an ordinance of a city in this state, a resolution of a county in this state or any law of another state which would constitute a crime described in subsection (h)(1) or (h)(2); and (C) receiving punishment under the uniform code of military justice or Kansas code of military justice for an act which was
committed on a military reservation and which would constitute a crime described in subsection (h)(1) or (h)(2) if committed off a military reservation in this state;

(4) it is irrelevant whether an offense occurred before or after conviction for a previous offense;

(5) multiple convictions of any crime described in subsection (h)(1) or (h)(2) arising from the same arrest shall only be counted as one conviction;

(6) the prior conviction that is an element of the crime of refusing to submit to a test to determine the presence of alcohol or drugs shall not be used for the purpose of determining whether a conviction is a first, second, third or subsequent conviction in sentencing under this section and shall not be considered in determining the sentence to be imposed within the limits provided for a first, second, third or subsequent offense; and

(7) a person may enter into a diversion agreement in lieu of further criminal proceedings for a violation of this section, or an ordinance which prohibits the acts of this section, only once during the person's lifetime.

(i) Upon conviction of a person of a violation of this section or a violation of a city ordinance or county resolution prohibiting the acts prohibited by this section, the division, upon receiving a report of conviction, shall suspend, restrict or suspend and restrict the person's driving privileges as provided by K.S.A. 8-1014, and amendments thereto.

(j) (1) Nothing contained in this section shall be construed as preventing any city from enacting ordinances, or any county from adopting resolutions, declaring acts prohibited or made unlawful by this act as unlawful or prohibited in such city or county and prescribing penalties for violation thereof.

(2) The minimum penalty prescribed by any such ordinance or resolution shall not be less than the minimum penalty prescribed by this section for the same violation, and the maximum penalty in any such ordinance or resolution shall not exceed the maximum penalty prescribed for the same violation.

(3) An ordinance may grant to a municipal court jurisdiction over a violation of such ordinance which is concurrent with the jurisdiction of the district court over a violation of this section, notwithstanding that the elements of such ordinance violation are the same as the elements of a violation of this section that would constitute, and be punished as, a felony.

(4) Any such ordinance or resolution shall authorize the court to order that the convicted person pay restitution to any victim who suffered loss due to the violation for which the person was convicted.

(k) (1) Upon the filing of a complaint, citation or notice to appear alleging a person has violated a city ordinance prohibiting the acts prohibited by this section, and prior to conviction thereof, a city attorney shall request and shall receive from the:

(A) Division a record of all prior convictions obtained against such person for any violations of any of the motor vehicle laws of this state; and

(B) Kansas bureau of investigation central repository all criminal history record information concerning such person.

(2) If the elements of such ordinance violation are the same as the elements of a violation of this section that would constitute, and be punished as, a felony, the city
attorney shall refer the violation to the appropriate county or district attorney for prosecution.

(l) No plea bargaining agreement shall be entered into nor shall any judge approve a plea bargaining agreement entered into for the purpose of permitting a person charged with a violation of this section, or a violation of any ordinance of a city or resolution of any county in this state which prohibits the acts prohibited by this section, to avoid the mandatory penalties established by this section or by the ordinance. For the purpose of this subsection, entering into a diversion agreement pursuant to K.S.A. 12-4413 et seq. or 22-2906 et seq., and amendments thereto, shall not constitute plea bargaining.

(m) As used in this section, "imprisonment" shall include any restrained environment in which the court and law enforcement agency intend to retain custody and control of a defendant and such environment has been approved by the board of county commissioners or the governing body of a city.

(n) On and after July 1, 2012, the amount of $250 from each fine imposed pursuant to this section shall be remitted by the clerk of the district court to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall credit the entire amount to the community corrections supervision fund established by K.S.A. 2011 Supp. 75-52,113, and amendments thereto.

Sec. 3. K.S.A. 2011 Supp. 8-235 is hereby amended to read as follows: 8-235. (a) No person, except those expressly exempted, shall drive any motor vehicle upon a highway in this state unless such person has a valid driver's license. No person shall receive a driver's license unless and until such person surrenders or with the approval of the division, lists to the division all valid licenses in such person's possession issued to such person by any other jurisdiction. All surrendered licenses or the information listed on foreign licenses shall be returned by the division to the issuing department, together with information that the licensee is now licensed in a new jurisdiction. No person shall be permitted to have more than one valid license at any time.

(b) Any person licensed under the motor vehicle drivers' license act may exercise the privilege granted upon all streets and highways in this state and shall not be required to obtain any other license to exercise such privilege by any local authority. Nothing herein shall prevent cities from requiring licenses of persons who drive taxicabs or municipally franchised transit systems for hire upon city streets, to protect the public from drivers whose character or habits make them unfit to transport the public. If a license is denied, the applicant may appeal such decision to the district court of the county in which such city is located by filing within 14 days after such denial, a notice of appeal with the clerk of the district court and by filing a copy of such notice with the city clerk of the involved city. The city clerk shall certify a copy of such decision of the city governing body to the clerk of the district court and the matter shall be docketed as any other cause and the applicant shall be granted a trial of such person's character and habits. The matter shall be heard by the court de novo in accordance with the code of civil procedure. The cost of such appeal shall be assessed in such manner as the court may direct.

(c) Any person operating in this state a motor vehicle, except a motorcycle, which is registered in this state other than under a temporary thirty-day permit shall be the
holder of a driver's license which is classified for the operation of such motor vehicle, and any person operating in this state a motorcycle which is registered in this state shall be the holder of a class M driver's license, except that any person operating in this state a motorcycle which is registered under a temporary thirty-day permit shall be the holder of a driver's license for any class of motor vehicles.

Upon the conclusion of such examination, the division shall take action as may be appropriate and may suspend or revoke the license of such person or permit the licensee to retain such license, or may issue a license subject to restrictions as permitted under K.S.A. 8-245, and amendments thereto.

(d) Refusal or neglect of the licensee to submit to an examination as required by this section shall be grounds for suspension or revocation of the license.

Sec. 5. K.S.A. 2011 Supp. 8-262 is hereby amended to read as follows: 8-262. (a) (1) Any person who drives a motor vehicle on any highway of this state at a time when such person's privilege so to do is canceled, suspended or revoked or while such person's privilege to obtain a driver's license is suspended or revoked pursuant to K.S.A. 8-252a, and amendments thereto, shall be guilty of a class B nonperson misdemeanor on the first conviction and a class A nonperson misdemeanor on the second or subsequent conviction.

(2) No person shall be convicted under this section if such person was entitled at the time of arrest under K.S.A. 8-257, and amendments thereto, to the return of such

(3) Except as otherwise provided by subsection (a)(4) or (c), every person convicted under this section shall be sentenced to at least five days' imprisonment and fined at least $100 and upon a second conviction shall not be eligible for parole until completion of five days' imprisonment.

For the purpose of subsection (a)(2) and (a)(9), in addition to the definition of "conviction" otherwise provided by law, conviction includes, but is not limited to, a diversion agreement entered into in lieu of further criminal proceedings, or a plea of nolo contendere, on a complaint, indictment, information, citation or notice to appear alleging a violation of K.S.A. 8-1567 or section 2, and amendments thereto, or an ordinance of a city in this state, a resolution of a county in this state or law of another state, which ordinance or law prohibits the acts prohibited by that statute.

Sec. 7. K.S.A. 8-286 is hereby amended to read as follows: 8-286. The person convicted shall not be eligible for release on probation, suspension or reduction of sentence or parole until the person has served at least 90 days' imprisonment. The 90 days' imprisonment mandated by this subsection may be served in a work release program only after such person has served 48 consecutive hours' imprisonment, provided such work release program requires such person to return to confinement at the end of each day in the work release program. The court may place the person convicted under a house arrest program pursuant to K.S.A. 2011 Supp. 21-6609, and amendments thereto, or any municipal ordinance to serve the remainder of the minimum sentence only after such person has served 48 consecutive hours' imprisonment.

(h) (1) A person who is convicted of operating a commercial motor vehicle in violation of an out-of-service order shall be disqualified from driving a commercial motor vehicle for a period of not less than:

(A) Ninety days nor more than one year, if the driver is convicted of a first violation of an out-of-service order;

Sec. 11. K.S.A. 2011 Supp. 8-2,144 is hereby amended to read as follows:

(a) Driving a commercial motor vehicle under the influence is operating or attempting to operate any commercial motor vehicle, as defined in K.S.A. 8-2,128, and amendments thereto, while:

(1) the alcohol concentration in the person's blood or breath, as shown by any competent evidence, including other competent evidence, as defined in paragraph (1) of subsection (f) of K.S.A. 8-1013, and amendments thereto, is .04 or more;

(2) the alcohol concentration in the person's blood or breath, as measured within three hours of the time of driving a commercial motor vehicle, is .04 or more; or

(3) committing a violation of subsection (a) of K.S.A. 8-1567, and amendments thereto, or the ordinance of a city or resolution of a county which prohibits any of the acts prohibited thereunder.

(b) (1) Driving a commercial motor vehicle under the influence is:

(A) On a first conviction a class B, nonperson misdemeanor. The person convicted shall be sentenced to not less than 48 consecutive hours nor more than six months' imprisonment, or in the court's discretion, 100 hours of public service, and fined not less than $750 nor more than $1,000. The person convicted shall serve at least 48 consecutive hours' imprisonment or 100 hours of public service either before or as a condition of any grant of probation, suspension or reduction of sentence or parole or other release;
(B) on a second conviction a class A, nonperson misdemeanor. The person convicted shall be sentenced to not less than 90 days nor more than one year's imprisonment and fined not less than $1,250 nor more than $1,750. The person convicted shall serve at least five consecutive days' imprisonment before the person is granted probation, suspension or reduction of sentence or parole or is otherwise released. The five days' imprisonment mandated by this subsection may be served in a work release program only after such person has served 48 consecutive hours' imprisonment, provided such work release program requires such person to return to confinement at the end of each day in the work release program. The person convicted, if placed into a work release program, shall serve a minimum of 120 hours of confinement. Such 120 hours of confinement shall be a period of at least 48 consecutive hours of imprisonment followed by confinement hours at the end of and continuing to the beginning of the offender's work day. The court may place the person convicted under a house arrest program pursuant to K.S.A. 2011 Supp. 21-6609, and amendments thereto, to serve the remainder of the minimum sentence five days' imprisonment mandated by this subsection only after such person has served 48 consecutive hours' imprisonment. The person convicted, if placed under house arrest, shall be monitored by an electronic monitoring device, which verifies the offender's location. The offender shall serve a minimum of 120 hours of confinement within the boundaries of the offender's residence. Any exceptions to remaining within the boundaries of the offender's residence provided for in the house arrest agreement shall not be counted as part of the 120 hours; and

(C) on a third or subsequent conviction a nonperson felony. The person convicted shall be sentenced to not less than 90 days nor more than one year's imprisonment and fined not less than $1,750 nor more than $2,500. The person convicted shall not be eligible for release on probation, suspension or reduction of sentence or parole until the person has served at least 90 days' imprisonment. The 90 days' imprisonment mandated by this subsection may be served in a work release program only after such person has served 48 consecutive hours' imprisonment, provided such work release program requires such person to return to confinement at the end of each day in the work release program. The person convicted, if placed into a work release program, shall serve a minimum of 240 hours of confinement. Such 240 hours of confinement shall be a period of at least 48 consecutive hours of imprisonment followed by confinement hours at the end of and continuing to the beginning of the offender's work day. The court may place the person convicted under a house arrest program pursuant to K.S.A. 2011 Supp. 21-6609, and amendments thereto, to serve the remainder of the minimum sentence 90 days' imprisonment mandated by this subsection only after such person has served 48 consecutive hours' imprisonment. The person convicted, if placed under house arrest, shall be monitored by an electronic monitoring device, which verifies the offender's location. The offender shall serve a minimum of 240 hours of confinement within the boundaries of the offender's residence. Any exceptions to remaining within the boundaries of the offender's residence provided for in the house arrest agreement shall not be counted as part of the 240 hours.

(2) In addition, for any conviction pursuant to subsection (b)(1)(C), at the time of the filing of the judgment form or journal entry as required by K.S.A. 22-3426 or K.S.A. 2011 Supp. 21-6711, and amendments thereto, the court shall cause a certified copy to be sent to the officer having the offender in charge. The court shall determine
whether the offender, upon release from imprisonment, shall be supervised by community correctional services or court services based upon the risk and needs of the offender. The risk and needs of the offender shall be determined by use of a risk assessment tool specified by the Kansas sentencing commission. The law enforcement agency maintaining custody and control of a defendant for imprisonment shall cause a certified copy of the judgment form or journal entry to be sent to the supervision office designated by the court and upon expiration of the term of imprisonment shall deliver the defendant to a location designated by the supervision office designated by the court. After the term of imprisonment imposed by the court, the person shall be placed on supervision to community correctional services or court services, as determined by the court, for a mandatory one-year period of supervision, which such period of supervision shall not be reduced. During such supervision, the person shall be required to participate in a multidisciplinary model of services for substance use disorders facilitated by a department of social and rehabilitation services designated care coordination agency to include assessment and, if appropriate, referral to a community based substance use disorder treatment including recovery management and mental health counseling as needed. The multidisciplinary team shall include the designated care coordination agency, the supervision officer, the social and rehabilitation services department designated treatment provider and the offender. Any violation of the conditions of such supervision may subject such person to revocation of supervision and imprisonment in jail for the remainder of the period of imprisonment, the remainder of the supervision period, or any combination or portion thereof.

(2) In addition, prior to sentencing for any conviction pursuant to subsection (b) (1)(A) or (b)(1)(B), the court shall order the person to participate in an alcohol and drug evaluation conducted by a provider in accordance with K.S.A. 8-1008, and amendments thereto. The person shall be required to follow any recommendation made by the provider after such evaluation, unless otherwise ordered by the court.

(c) Any person convicted of a violation of this section, or a violation of a city ordinance or county resolution prohibiting the acts prohibited by this section, who had one or more children under the age of 14 years in the vehicle at the time of the offense shall have such person's punishment enhanced by one month of imprisonment. This imprisonment shall be served consecutively to any other minimum mandatory penalty imposed for a violation of this section, or a violation of a city ordinance or county resolution prohibiting the acts prohibited by this section. Any enhanced penalty imposed shall not exceed the maximum sentence allowable by law. During the service of the enhanced penalty, the judge may order the person on house arrest, work release or other conditional release.

(d) If a person is charged with a violation of this section involving drugs, the fact that the person is or has been entitled to use the drug under the laws of this state shall not constitute a defense against the charge.

(e) The court may establish the terms and time for payment of any fines, fees, assessments and costs imposed pursuant to this section. Any assessment and costs shall be required to be paid not later than 90 days after imposed, and any remainder of the fine shall be paid prior to the final release of the defendant by the court.

(f) In lieu of payment of a fine imposed pursuant to this section, the court may order that the person perform community service specified by the court. The person shall receive a credit on the fine imposed in an amount equal to $5 for each full hour
spent by the person in the specified community service. The community service ordered by the court shall be required to be performed not later than one year after the fine is imposed or by an earlier date specified by the court. If by the required date the person performs an insufficient amount of community service to reduce to zero the portion of the fine required to be paid by the person, the remaining balance of the fine shall become due on that date.

(g) Prior to filing a complaint alleging a violation of this section, a prosecutor shall request and shall receive from the: (1) Division a record of all prior convictions obtained against such person for any violations of any of the motor vehicle laws of this state; and (2) Kansas bureau of investigation central repository all criminal history record information concerning such person.

(h) The court shall electronically report every conviction of a violation of this section and every diversion agreement entered into in lieu of further criminal proceedings on a complaint alleging a violation of this section to the division. Prior to sentencing under the provisions of this section, the court shall request and shall receive from the: (1) Division a record of all prior convictions obtained against such person for any violation of any of the motor vehicle laws of this state; and (2) Kansas bureau of investigation central repository all criminal history record information concerning such person.

(i) Upon conviction of a person of a violation of this section or a violation of a city ordinance or county resolution prohibiting the acts prohibited by this section, the division, upon receiving a report of conviction, shall: (1) Disqualify the person from driving a commercial motor vehicle under K.S.A. 8-2,142, and amendments thereto; and (2) suspend, restrict or suspend and restrict the person's driving privileges as provided by K.S.A. 8-1014, and amendments thereto.

(j) (1) Nothing contained in this section shall be construed as preventing any city from enacting ordinances, or any county from adopting resolutions, declaring acts prohibited or made unlawful by this section as unlawful or prohibited in such city or county and prescribing penalties for violation thereof.

(2) The minimum penalty prescribed by any such ordinance or resolution shall not be less than the minimum penalty prescribed by this section for the same violation, and the maximum penalty in any such ordinance or resolution shall not exceed the maximum penalty prescribed for the same violation.

(3) Any such ordinance or resolution shall authorize the court to order that the convicted person pay restitution to any victim who suffered loss due to the violation for which the person was convicted.

(k) (1) Upon the filing of a complaint, citation or notice to appear alleging a person has violated a city ordinance prohibiting the acts prohibited by this section, and prior to conviction thereof, a city attorney shall request and shall receive from the: (A) Division of vehicles a record of all prior convictions obtained against such person for any violations of any of the motor vehicle laws of this state; and (B) Kansas bureau of investigation central repository all criminal history record information concerning such person.

(2) If the elements of such ordinance violation are the same as the elements of a violation of this section that would constitute, and be punished as, a felony, the city attorney shall refer the violation to the appropriate county or district attorney for prosecution. The county or district attorney shall accept such referral and pursue a
disposition of such violation, and shall not refer any such violation back to the city attorney.

(l) No plea bargaining agreement shall be entered into nor shall any judge approve a plea bargaining agreement entered into for the purpose of permitting a person charged with a violation of this section, or a violation of any ordinance of a city or resolution of any county in this state which prohibits the acts prohibited by this section, to avoid the mandatory penalties established by this section or by the ordinance or resolution.

(m) The alternatives set out in subsections (a)(1), (a)(2) and (a)(3) may be pleaded in the alternative, and the state, city or county may, but shall not be required to, elect one or two of the three prior to submission of the case to the fact finder.

(n) For the purpose of determining whether a conviction is a first, second, third or subsequent conviction in sentencing under this section:

(1) "Conviction" includes being convicted of a violation of a law of another state or an ordinance of any city, or resolution of any county, which prohibits the acts that this section prohibits:

(2) any convictions occurring during a person's lifetime shall be taken into account when determining the sentence to be imposed for a first, second, third or subsequent offender; and

(3) it is irrelevant whether an offense occurred before or after conviction for a previous offense.

(1) Convictions for a violation of K.S.A. 8-1567, and amendments thereto, or a violation of an ordinance of any city or resolution of any county which prohibits the acts that such section prohibits, or entering into a diversion agreement in lieu of further criminal proceedings on a complaint alleging any such violations, shall be taken into account, but only convictions or diversions occurring on or after July 1, 2001. Nothing in this provision shall be construed as preventing any court from considering any convictions or diversions occurring during the person's lifetime in determining the sentence to be imposed within the limits provided for a first, second, third, fourth or subsequent offense;

(2) any convictions for a violation of the following sections occurring during a person's lifetime shall be taken into account: (A) This section; (B) refusing to submit to a test to determine the presence of alcohol or drugs, K.S.A. 32-1131, and amendments thereto; (C) operating a vessel under the influence of alcohol or drugs, K.S.A. 21-3244, prior to its repeal, or subsection (a)(3) of K.S.A. 2011 Supp. 21-3405, and amendments thereto; and (E) aggravated vehicular homicide, K.S.A. 21-3405a, prior to its repeal, or vehicular battery, K.S.A. 21-3405b, prior to its repeal, if the crime was committed while committing a violation of K.S.A. 8-1567, and amendments thereto;

(3) "conviction" includes: (A) Entering into a diversion agreement in lieu of further criminal proceedings on a complaint alleging a violation of a crime described in subsection (n)(2); (B) conviction of a violation of an ordinance of a city in this state, a resolution of a county in this state or any law of another state which would constitute a crime described in subsection (n)(1) or (n)(2); and (C) receiving punishment under the uniform code of military justice or Kansas code of military justice for an act which was committed on a military reservation and which would constitute a crime described in subsection (n)(1) or (n)(2) if committed off a military reservation in this state;
(4) it is irrelevant whether an offense occurred before or after conviction for a previous offense; and
(5) multiple convictions of any crime described in subsection (n)(1) or (n)(2) arising from the same arrest shall only be counted as one conviction.
(o) For the purpose of this section:
(1) "Alcohol concentration" means the number of grams of alcohol per 100 milliliters of blood or per 210 liters of breath;
(2) "imprisonment" shall include any restrained environment in which the court and law enforcement agency intend to retain custody and control of a defendant and such environment has been approved by the board of county commissioners or the governing body of a city; and
(3) "drug" includes toxic vapors as such term is defined in K.S.A. 2011 Supp. 21-5712, and amendments thereto.
(p) On and after July 1, 2011, the amount of $250 from each fine imposed pursuant to this section shall be remitted by the clerk of the district court to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall credit the entire amount to the community corrections supervision fund established by K.S.A. 2011 Supp. 75-52,113, and amendments thereto.
Sec. 12. K.S.A. 2011 Supp. 8-1001 is hereby amended to read as follows: 8-1001.
(a) Any person who operates or attempts to operate a vehicle within this state is deemed to have given consent, subject to the provisions of this act, to submit to one or more tests of the person's blood, breath, urine or other bodily substance to determine the presence of alcohol or drugs. The testing deemed consented to herein shall include all quantitative and qualitative tests for alcohol and drugs. A person who is dead or unconscious shall be deemed not to have withdrawn the person's consent to such test or tests, which shall be administered in the manner provided by this section.
(b) A law enforcement officer shall request a person to submit to a test or tests deemed consented to under subsection (a): (1) If the officer has reasonable grounds to believe the person was operating or attempting to operate a vehicle while under the influence of alcohol or drugs, or both, or to believe that the person was driving a commercial motor vehicle, as defined in K.S.A. 8-2,128, and amendments thereto, while having alcohol or other drugs in such person's system, or was under the age of 21 years while having alcohol or other drugs in such person's system; and one of the following conditions exists: (A) The person has been arrested or otherwise taken into custody for any offense involving operation or attempted operation of a vehicle while under the influence of alcohol or drugs, or both, or for a violation of K.S.A. 8-1567a, and amendments thereto, or involving driving a commercial motor vehicle, as defined in K.S.A. 8-2,128, and amendments thereto, while having alcohol or other drugs in such person's system, in violation of a state statute or a city ordinance; or (B) the person has been involved in a vehicle accident or collision resulting in property damage or personal injury other than serious injury; or (2) if the person was operating or attempting to operate a vehicle and such vehicle has been involved in an accident or collision resulting in serious injury or death of any person and the operator could be cited for any traffic offense, as defined in K.S.A. 8-2117, and amendments thereto. The traffic offense violation shall constitute probable cause for purposes of paragraph (2). The test or tests under paragraph (2) shall not be required if a law enforcement officer has
reasonable grounds to believe the actions of the operator did not contribute to the accident or collision. The law enforcement officer directing administration of the test or tests may act on personal knowledge or on the basis of the collective information available to law enforcement officers involved in the accident investigation or arrest.

(c) If a law enforcement officer requests a person to submit to a test of blood under this section, the withdrawal of blood at the direction of the officer may be performed only by: (1) A person licensed to practice medicine and surgery, licensed as a physician's assistant, or a person acting under the direction of any such licensed person; (2) a registered nurse or a licensed practical nurse; (3) any qualified medical technician, including, but not limited to, an emergency medical technician-intermediate, mobile intensive care technician, an emergency medical technician-intermediate defibrillator, an advanced emergency medical technician or a paramedic, as those terms are defined in K.S.A. 65-6112, and amendments thereto, authorized by medical protocol or (4) a phlebotomist.

(d) A law enforcement officer may direct a medical professional described in this section to draw a sample of blood from a person:

(1) If the person has given consent and meets the requirements of subsection (b);
(2) if medically unable to consent, if the person meets the requirements of paragraph (2) of subsection (b); or
(3) if the person refuses to submit to and complete a test, if the person meets the requirements of paragraph (2) of subsection (b).

(e) When so directed by a law enforcement officer through a written statement, the medical professional shall withdraw the sample as soon as practical and shall deliver the sample to the law enforcement officer or another law enforcement officer as directed by the requesting law enforcement officer as soon as practical, provided the collection of the sample does not jeopardize the person's life, cause serious injury to the person or seriously impede the person's medical assessment, care or treatment. The medical professional authorized herein to withdraw the blood and the medical care facility where the blood is drawn may act on good faith that the requirements have been met for directing the withdrawing of blood once presented with the written statement provided for under this subsection. The medical professional shall not require the person to sign any additional consent or waiver form. In such a case, the person authorized to withdraw blood and the medical care facility shall not be liable in any action alleging lack of consent or lack of informed consent.

(f) Such sample or samples shall be an independent sample and not be a portion of a sample collected for medical purposes. The person collecting the blood sample shall complete the collection portion of a document provided by law enforcement.

(g) If a person must be restrained to collect the sample pursuant to this section, law enforcement shall be responsible for applying any such restraint utilizing acceptable law enforcement restraint practices. The restraint shall be effective in controlling the person in a manner not to jeopardize the person's safety or that of the medical professional or attending medical or health care staff during the drawing of the sample and without interfering with medical treatment.

(h) A law enforcement officer may request a urine sample upon meeting the requirements of paragraph (1) of subsection (b) and shall request a urine sample upon meeting the requirements of paragraph (2) of subsection (b).

(i) If a law enforcement officer requests a person to submit to a test of urine under
this section, the collection of the urine sample shall be supervised by: (1) A person licensed to practice medicine and surgery, licensed as a physician's assistant, or a person acting under the direction of any such licensed person; (2) a registered nurse or a licensed practical nurse; or (3) a law enforcement officer of the same sex as the person being tested. The collection of the urine sample shall be conducted out of the view of any person other than the persons supervising the collection of the sample and the person being tested, unless the right to privacy is waived by the person being tested.

When possible, the supervising person shall be a law enforcement officer. The results of qualitative testing for drug presence shall be admissible in evidence and questions of accuracy or reliability shall go to the weight rather than the admissibility of the evidence. If the person is medically unable to provide a urine sample in such manner due to the injuries or treatment of the injuries, the same authorization and procedure as used for the collection of blood in subsections (d) and (e) shall apply to the collection of a urine sample.

(j) No law enforcement officer who is acting in accordance with this section shall be liable in any civil or criminal proceeding involving the action.

(k) Before a test or tests are administered under this section, the person shall be given oral and written notice that: (1) Kansas law requires the person to submit to and complete one or more tests of breath, blood or urine to determine if the person is under the influence of alcohol or drugs, or both;

(2) the opportunity to consent to or refuse a test is not a constitutional right;

(3) there is no constitutional right to consult with an attorney regarding whether to submit to testing;

(4) if the person refuses to submit to and complete any test of breath, blood or urine hereafter requested by a law enforcement officer, the person may be charged with a separate crime of refusing to submit to a test to determine the presence of alcohol or drugs, which carries criminal penalties that are greater than or equal to the criminal penalties for the crime of driving under the influence, if such person has:

(A) Any prior test refusal as defined in K.S.A. 8-1013, and amendments thereto, which occurred: (i) On or after July 1, 2001; and (ii) when such person was 18 years of age or older; or

(B) any prior conviction for a violation of K.S.A. 8-1567 or 8-2,144, and amendments thereto, or a violation of an ordinance of any city or resolution of any county which prohibits the acts that such section prohibits, or entering into a diversion agreement in lieu of further criminal proceedings on a complaint alleging any such violations, which occurred: (i) On or after July 1, 2001; and (ii) when such person was 18 years of age or older;

if the person refuses to submit to and complete any test of breath, blood or urine hereafter requested by a law enforcement officer, the person's driving privileges will be suspended for one year for the first or subsequent occurrence;

if the person submits to and completes the test or tests and the test results show:

(A) An alcohol concentration of .08 or greater, the person's driving privileges will be suspended for 30 days for the first occurrence and one year for the second or subsequent occurrence; or

(B) an alcohol concentration of .15 or greater, the person's driving privileges will be suspended for one year for the first or subsequent occurrence;
(6) if the person is less than 21 years of age at the time of the test request and submits to and completes the tests and the test results show an alcohol concentration of .08 or greater, the person's driving privileges will be suspended for one year;

(7) refusal to submit to testing may be used against the person at any trial on a charge arising out of the operation or attempted operation of a vehicle while under the influence of alcohol or drugs, or both;

(8) the results of the testing may be used against the person at any trial on a charge arising out of the operation or attempted operation of a vehicle while under the influence of alcohol or drugs, or both; and

(9) after the completion of the testing, the person has the right to consult with an attorney and may secure additional testing, which, if desired, should be done as soon as possible and is customarily available from medical care facilities willing to conduct such testing.

(l) If a law enforcement officer has reasonable grounds to believe that the person has been driving a commercial motor vehicle, as defined in K.S.A. 8-2,128, and amendments thereto, while having alcohol or other drugs in such person's system, the person shall also be provided the oral and written notice pursuant to K.S.A. 8-2,145, and amendments thereto. Any failure to give the notices required by K.S.A. 8-2,145, and amendments thereto, shall not invalidate any action taken as a result of the requirements of this section. If a law enforcement officer has reasonable grounds to believe that the person has been driving or attempting to drive a vehicle while having alcohol or other drugs in such person's system and such person was under 21 years of age, the person also shall be given the notices required by K.S.A. 8-1567a, and amendments thereto. Any failure to give the notices required by K.S.A. 8-1567a, and amendments thereto, shall not invalidate any action taken as a result of the requirements of this section.

(m) After giving the foregoing information, a law enforcement officer shall request the person to submit to testing. The selection of the test or tests shall be made by the officer. If the test results show a blood or breath alcohol concentration of .08 or greater, the person's driving privileges shall be subject to suspension, or suspension and restriction, as provided in K.S.A. 8-1002 and 8-1014, and amendments thereto.

(n) The person's refusal shall be admissible in evidence against the person at any trial on a charge arising out of the alleged operation or attempted operation of a vehicle while under the influence of alcohol or drugs, or both. The person's refusal shall be admissible in evidence against the person at any trial on a charge arising out of the alleged violation of section 2, and amendments thereto.

(o) If a law enforcement officer had reasonable grounds to believe the person had been driving a commercial motor vehicle, as defined in K.S.A. 8-2,128, and amendments thereto, and the test results show a blood or breath alcohol concentration of .04 or greater, the person shall be disqualified from driving a commercial motor vehicle, pursuant to K.S.A. 8-2,142, and amendments thereto. If a law enforcement officer had reasonable grounds to believe the person had been driving a commercial motor vehicle, as defined in K.S.A. 8-2,128, and amendments thereto, and the test results show a blood or breath alcohol concentration of .08 or greater, or the person refuses a test, the person's driving privileges shall be subject to suspension, or suspension and restriction, pursuant to this section, in addition to being disqualified from driving a commercial motor vehicle pursuant to K.S.A. 8-2,142, and amendments
thereto.

(p) An officer shall have probable cause to believe that the person operated a vehicle while under the influence of alcohol or drugs, or both, if the vehicle was operated by such person in such a manner as to have caused the death of or serious injury to a person. In such event, such test or tests may be made pursuant to a search warrant issued under the authority of K.S.A. 22-2502, and amendments thereto, or without a search warrant under the authority of K.S.A. 22-2501, and amendments thereto.

(q) Failure of a person to provide an adequate breath sample or samples as directed shall constitute a refusal unless the person shows that the failure was due to physical inability caused by a medical condition unrelated to any ingested alcohol or drugs.

(r) It shall not be a defense that the person did not understand the written or oral notice required by this section.

(s) No test results shall be suppressed because of technical irregularities in the consent or notice required pursuant to this act.

(t) Nothing in this section shall be construed to limit the admissibility at any trial of alcohol or drug concentration testing results obtained pursuant to a search warrant.

(u) Upon the request of any person submitting to testing under this section, a report of the results of the testing shall be made available to such person.

(v) This act is remedial law and shall be liberally construed to promote public health, safety and welfare.

Following the preliminary screening test, additional tests may be requested pursuant to K.S.A. 8-1001, and amendments thereto.

(B) In lieu of the restrictions set out in subsection (b)(2)(A), the division, upon
request of the person whose driving privileges are to be restricted, may restrict the
person's driving privileges to driving only a motor vehicle equipped with an ignition
interlock device.
(c) Except as provided in subsection (b), when a person has completed the
suspension pursuant to subsection (a), (b) or (e) or (b) of K.S.A. 8-1014, and
amendments thereto, the division shall restrict the person's driving privileges pursuant
to subsection (a), (b) or (e) or (b) of K.S.A. 8-1014, and amendments thereto, to driving
only a motor vehicle equipped with an ignition interlock device. Upon restricting a
person's driving privileges pursuant to this subsection, the division shall issue a copy of
the order imposing the restrictions which is required to be carried by the person at any
time the person is operating a motor vehicle on the highways of this state.

(d) Whenever an ignition interlock device is required by law, such ignition
interlock device shall be approved by the division and maintained at the person's
expense. Proof of the installation of such ignition interlock device, for the entire period
required by the applicable law, shall be provided to the division before the person's
driving privileges are fully reinstated.

(e) Except as provided further, any person whose license is restricted to operating
only a motor vehicle with an ignition interlock device installed may operate an
employer's vehicle without an ignition interlock device installed during normal business
activities, provided that the person does not partly or entirely own or control the
employer's vehicle or business. The provisions of this subsection shall not apply to any
person whose driving privileges have been restricted for the remainder of the one-year
suspension period as provided in subsection (a)(1) or (a)(3).

(f) Upon expiration of the period of time for which restrictions are imposed
pursuant to this section, the licensee may apply to the division for the return of any
license previously surrendered by the licensee. If the license has expired, the person
may apply to the division for a new license, which shall be issued by the division upon
payment of the proper fee and satisfaction of the other conditions established by law,
unless the person's driving privileges have been suspended or revoked prior to
expiration.

(g) Any person who has had the person's driving privileges suspended or, restricted
or revoked pursuant to subsection (a), (b) or (c) of K.S.A. 8-1014, prior to the
amendments by this act and section 14 of chapter 105 of the 2011 Session Laws of
Kansas, may apply to the division to have the suspension and, restriction or revocation
penalties modified in conformity with the provisions of subsection (a), (b) or (c) of
K.S.A. 8-1014, and amendments thereto. The division shall assess an application fee of
$100 for a person to apply to modify the suspension and, restriction or revocation
penalties previously issued. The division shall modify the suspension, restriction or
revocation penalties, unless such person's driving privileges have been restricted,
suspended, revoked or disqualified pursuant to another action by the division or a court.

(h) The division shall remit all application fees collected pursuant to subsections (a)
and (g) to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and
amendments thereto. Upon receipt of each such remittance, the state treasurer shall
deposit the entire amount in the state treasury and shall credit such moneys to the
division of vehicles operating fund until an aggregate amount of $100,000 is credited to
the division of vehicles operating fund each fiscal year. On and after an aggregate
amount of $100,000 is credited to such fund each fiscal year, the entire amount of such
remittance shall be credited to the community corrections supervision fund created by
K.S.A. 2011 Supp. 75-52,113, and amendments thereto. The application fee established
in this section shall be the only fee collected or moneys in the nature of a fee collected
for such application. Such fee shall only be established by an act of the legislature and
no other authority is established by law or otherwise to collect a fee. The division shall
modify the suspension and restriction penalties, unless such person's driving privileges
have been restricted, suspended, revoked or disqualified pursuant to another action by
the division or a court.
Sec. 18. K.S.A. 2011 Supp. 8-1020 is hereby amended to read as follows: 8-1020.

(a) Any licensee served with an officer's certification and notice of suspension pursuant to K.S.A. 8-1002, and amendments thereto, may request an administrative hearing. Such request may be made either by:

(1) Mailing a written request which is postmarked 14 days after service of notice; or

(2) transmitting a written request by electronic facsimile which is received by the division within 14 days after service of notice.

(b) If the licensee makes a timely request for an administrative hearing and makes a timely payment of the required hearing fee, any temporary license issued pursuant to K.S.A. 8-1002, and amendments thereto, shall remain in effect until the 30th day after the effective date of the decision made by the division.

(c) If the licensee fails to make a timely request for an administrative hearing together with the required hearing fee, the licensee's driving privileges shall be suspended or suspended and then restricted in accordance with the notice of suspension served pursuant to K.S.A. 8-1002, and amendments thereto.

(d) (1) Upon receipt of a timely request for a hearing together with the required hearing fee, the division shall forthwith set the matter for hearing before a representative of the director and provide notice of the extension of temporary driving privileges. The hearing shall be held by telephone conference call unless the hearing request includes a request that the hearing be held in person before a representative of the director. The officer's certification and notice of suspension shall inform the licensee of the availability of a hearing before a representative of the director. Except for a hearing conducted by telephone conference call, the hearing shall be conducted in the county where the arrest occurred or a county adjacent thereto.

(2) The division shall charge a fee of $50 for a hearing, to be paid within the time period for making a timely request for a hearing, whether held by telephone or in person, to be applied by the division for administrative costs to conduct the hearing. The division shall remit all hearing fees to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the division of vehicles operating fund. The hearing fee established in this section shall be the only fee collected or moneys in the nature of a fee collected for such hearing. Such fee shall only be established by an act of the legislature and no other authority is established by law or otherwise to collect a fee.

(e) Except as provided in subsection (f), prehearing discovery shall be limited to the following documents, which shall be provided to the licensee or the licensee's attorney no later than seven days prior to the date of hearing:

order allowing the licensee or the licensee's attorney to review any video or audio tape record made of the events upon which the administrative action is based. Such review shall take place at a reasonable time designated by the law enforcement agency and shall be made at the location where the video or audio tape is kept. The licensee may obtain a copy of any such video or audio tape upon request and upon payment of a reasonable fee to the law enforcement agency, not to exceed $25 per tape.

(g) Witnesses at the hearing shall be limited to the licensee, to any law enforcement officer who signed the certification form and to one other witness who was present at the time of the issuance of the certification and called by the licensee. The presence of the certifying officer or officers shall not be required, unless requested by the licensee at the time of making the request for the hearing. The examination of a law enforcement officer shall be restricted to the factual circumstances relied upon in the officer's certification.

(h) (1) If the officer certifies that the person refused the test, the scope of the hearing shall be limited to whether:

(A) A law enforcement officer had reasonable grounds to believe the person was operating or attempting to operate a vehicle while under the influence of alcohol or drugs, or both, or had been driving a commercial motor vehicle, as defined in K.S.A. 8-2,128, and amendments thereto, while having alcohol or other drugs in such person's system;

(B) the person was in custody or arrested for an alcohol or drug related offense or was involved in a vehicle accident or collision resulting in property damage, personal injury or death;

(G) the test result determined that the person had an alcohol concentration of .08 or greater in such person's breath; and

(H) the person was operating or attempting to operate a vehicle.
(3) If the officer certifies that the person failed a blood test, the scope of the hearing shall be limited to whether:

(A) A law enforcement officer had reasonable grounds to believe the person was operating a vehicle while under the influence of alcohol or drugs, or both, or had been driving a commercial motor vehicle, as defined in K.S.A. 8-2,128, and amendments thereto, while having alcohol or other drugs in such person's system;

(i) At a hearing pursuant to this section, or upon court review of an order entered at such a hearing, an affidavit of the custodian of records at the Kansas department of health and environment stating that the breath testing device was certified and the operator of such device was certified on the date of the test shall be admissible into evidence in the same manner and with the same force and effect as if the certifying officer or employee of the Kansas department of health and environment had testified in person. A certified operator of a breath testing device shall be competent to testify regarding the proper procedures to be used in conducting the test.

(j) At a hearing pursuant to this section, or upon court review of an order entered at such a hearing, in which the report of blood test results have been prepared by the Kansas bureau of investigation or other forensic laboratory of a state or local law enforcement agency are to be introduced as evidence, the report, or a copy of the report, of the findings of the forensic examiner shall be admissible into evidence in the same manner and with the same force and effect as if the certifying officer or employee of the Kansas department of health and environment had testified in person. A certified operator of a breath testing device shall be competent to testify regarding the proper procedures to be used in conducting the test.

(k) At the hearing, the licensee has the burden of proof by a preponderance of the evidence to show that the facts set out in the officer's certification are false or insufficient and that the order suspending or suspending and restricting the licensee's driving privileges should be dismissed.

(l) Evidence at the hearing shall be limited to the following:

(1) The documents set out in subsection (e);

(m) After the hearing, the representative of the director shall enter an order affirming the order of suspension or suspension and restriction of driving privileges or for good cause appearing therefor, dismiss the administrative action. If the representative of the director enters an order affirming the order of suspension or suspension and restriction of driving privileges, the suspension or suspension and restriction shall begin on the 30th day after the effective date of the order of suspension or suspension and restriction. If the person whose privileges are suspended is a nonresident licensee, the license of the person shall be forwarded to the appropriate licensing authority in the person's state of residence if the result at the hearing is adverse to such person or if no timely request for a hearing is received.

(n) The representative of the director may issue an order at the close of the hearing or may take the matter under advisement and issue a hearing order at a later date. If the order is made at the close of the hearing, the licensee or the licensee's attorney shall be served with a copy of the order by the representative of the director. If the matter is taken under advisement or if the hearing was by telephone conference call, the licensee and any attorney who appeared at the administrative hearing upon behalf of the licensee each shall be served with a copy of the hearing order by mail. Any law enforcement officer who appeared at the hearing also may be mailed a copy of the hearing order. The effective date of the hearing order shall be the date upon which the hearing order is served, whether served in person or by mail.

(o) The licensee may file a petition for review of the hearing order pursuant to K.S.A. 8-259, and amendments thereto. Upon filing a petition for review, the licensee shall serve the secretary of revenue with a copy of the petition and summons. Upon receipt of a copy of the petition for review by the secretary, the temporary license issued pursuant to subsection (b) shall be extended until the decision on the petition for review is final.

(p) Such review shall be in accordance with this section and the Kansas judicial review act. To the extent that this section and any other provision of law conflicts, this section shall prevail. The petition for review shall be filed within 14 days after the effective date of the order. Venue of the action for review is the county where the person was arrested or the accident occurred, or, if the hearing was not conducted by telephone conference call, the county where the administrative proceeding was held. The action for review shall be by trial de novo to the court and the evidentiary restrictions of subsection (l) shall not apply to the trial de novo. The court shall take testimony, examine the facts of the case and determine whether the petitioner is entitled to driving privileges or whether the petitioner's driving privileges are subject to suspension or suspension and restriction under the provisions of this act. If the court finds that the grounds for action by the agency have been met, the court shall affirm the agency action.

(q) Upon review, the licensee shall have the burden to show that the decision of the agency should be set aside.

(r) Notwithstanding the requirement to issue a temporary license in K.S.A. 8-1002, and amendments thereto, and the requirements to extend the temporary license in this section, any such temporary driving privileges are subject to restriction, suspension, revocation or cancellation as provided in K.S.A. 8-1014, and amendments thereto, or for other cause.
Upon motion by a party, or on the court's own motion, the court may enter an order restricting the driving privileges allowed by the temporary license provided for in K.S.A. 8-1002, and amendments thereto, and in this section. The temporary license also shall be subject to restriction, suspension, revocation or cancellation, as set out in K.S.A. 8-1014, and amendments thereto, or for other cause.

The facts found by the hearing officer or by the district court upon a petition for review shall be independent of the determination of the same or similar facts in the adjudication of any criminal charges arising out of the same occurrence. The disposition of those criminal charges shall not affect the suspension or suspension and restriction to be imposed under this section.

All notices affirming or canceling a suspension under this section, all notices of a hearing held under this section and all issuances of temporary driving privileges pursuant to this section shall be sent by first-class mail and a United States post office certificate of mailing shall be obtained therefor. All notices so mailed shall be deemed received three days after mailing, except that this provision shall not apply to any licensee where such application would result in a manifest injustice.

The provisions of K.S.A. 60-206, and amendments thereto, regarding the computation of time shall be applicable in determining the time for requesting an administrative hearing as set out in subsection (a) and to the time for filing a petition for review pursuant to subsection (o) and K.S.A. 8-259, and amendments thereto.

Sec. 19. K.S.A. 8-1501 is hereby amended to read as follows: 8-1501. The provisions of this article relating to the operation of vehicles refer exclusively to the operation of vehicles upon highways except:

not be counted as part of the 240-2,160 hours.

(2) The court may order that the term of imprisonment imposed pursuant to subsection (b)(1)(D) or (b)(1)(E) be served in a state facility in the custody of the secretary of corrections in a facility designated by the secretary for the provision of substance abuse treatment pursuant to the provisions of K.S.A. 2011 Supp. 21-6804, and amendments thereto. The person shall remain imprisoned at the state facility only while participating in the substance abuse treatment program designated by the secretary and shall be returned to the custody of the sheriff for execution of the balance of the term of imprisonment upon completion of or the person's discharge from the substance abuse treatment program. Custody of the person shall be returned to the sheriff for execution of the sentence imposed in the event the secretary of corrections determines: (A) That substance abuse treatment resources or the capacity of the facility designated by the secretary for the incarceration and treatment of the person is not available; (B) the person fails to meaningfully participate in the treatment program of the designated facility; (C) the person is disruptive to the security or operation of the designated facility; or (D) the medical or mental health condition of the person renders the person unsuitable for confinement at the designated facility. The determination by the secretary that the person either is not to be admitted into the designated facility or is to be transferred from the designated facility is not subject to review. The sheriff shall be responsible for all transportation expenses to and from the state correctional facility.

(3) In addition, for any conviction pursuant to subsection (b)(1)(C), (b)(1)(D) or (b)(1)(E), at the time of the filing of the judgment form or journal entry as required by K.S.A. 22-3426 or K.S.A. 2011 Supp. 21-6711, and amendments thereto, the court shall cause a certified copy to be sent to the officer having the offender in charge. The court shall determine whether the offender, upon release from imprisonment, shall be supervised by community correctional services or court services based upon the risk and needs of the offender. The risk and needs of the offender shall be determined by use of a risk assessment tool specified by the Kansas sentencing commission. The law enforcement agency maintaining custody and control of a defendant for imprisonment shall cause a certified copy of the judgment form or journal entry to be sent to the supervision office designated by the court and upon expiration of the term of imprisonment shall deliver the defendant to a location designated by the supervision office designated by the court. After the term of imprisonment imposed by the court, the person shall be placed on supervision to community correctional services or court services, as determined by the court, for a mandatory one-year period of supervision, which such period of supervision shall not be reduced. During such supervision, the person shall be required to participate in a multidisciplinary model of services for substance use disorders facilitated by a department of social and rehabilitation services designated care coordination agency to include assessment and, if appropriate, referral to a community based substance use disorder treatment including recovery management and mental health counseling as needed. The multidisciplinary team shall include the designated care coordination agency, the supervision officer, the social and rehabilitation services department designated treatment provider and the offender. Any violation of the conditions of such supervision may subject such person to revocation of supervision and imprisonment in jail for the remainder of the period of imprisonment, the remainder of the supervision period, or any combination or portion thereof.

(4) In addition, prior to sentencing for any conviction pursuant to subsection (b)(1)
(A) or (b)(1)(B), the court shall order the person to participate in an alcohol and drug evaluation conducted by a provider in accordance with K.S.A. 8-1008, and amendments thereto. The person shall be required to follow any recommendation made by the provider after such evaluation, unless otherwise ordered by the court.

(c) Any person convicted of violating this section or an ordinance which prohibits the acts that this section prohibits who had one or more children under the age of 14 years in the vehicle at the time of the offense shall have such person's punishment enhanced by one month of imprisonment. This imprisonment must be served consecutively to any other minimum mandatory penalty imposed for a violation of this section or an ordinance which prohibits the acts that this section prohibits. Any enhanced penalty imposed shall not exceed the maximum sentence allowable by law. During the service of the enhanced penalty, the judge may order the person on house arrest, work release or other conditional release.

(d) If a person is charged with a violation of this section involving drugs, the fact that the person is or has been entitled to use the drug under the laws of this state shall not constitute a defense against the charge.

(e) The court may establish the terms and time for payment of any fines, fees, assessments and costs imposed pursuant to this section. Any assessment and costs shall be required to be paid not later than 90 days after imposed, and any remainder of the fine shall be paid prior to the final release of the defendant by the court.

(f) In lieu of payment of a fine imposed pursuant to this section, the court may order that the person perform community service specified by the court. The person shall receive a credit on the fine imposed in an amount equal to $5 for each full hour spent by the person in the specified community service. The community service ordered by the court shall be required to be performed not later than one year after the fine is imposed or by an earlier date specified by the court. If by the required date the person performs an insufficient amount of community service to reduce to zero the portion of the fine required to be paid by the person, the remaining balance of the fine shall become due on that date.

(g)(1) Except as provided in paragraph (5), in addition to any other penalty which may be imposed upon a first conviction of a violation of this section, the court may order that the convicted person's motor vehicle or vehicles be impounded or immobilized for a period not to exceed one year and that the convicted person pay all towing, impoundment and storage fees or other immobilization costs.

(2) The court shall not order the impoundment or immobilization of a motor vehicle driven by a person convicted of a violation of this section if the motor vehicle had been stolen or converted at the time it was driven in violation of this section.

(3) Prior to ordering the impoundment or immobilization of a motor vehicle or vehicles owned by a person convicted of a violation of this section, the court shall consider, but not be limited to, the following:

(A) Whether the impoundment or immobilization of the motor vehicle would result in the loss of employment by the convicted person or a member of such person's family; and

(B) whether the ability of the convicted person or a member of such person's family to attend school or obtain medical care would be impaired.

(4) Any personal property in a vehicle impounded or immobilized pursuant to this subsection may be retrieved prior to or during the period of such impoundment or

(2) "conviction" includes being convicted of a violation of a law of another state or an ordinance of any city, or resolution of any county, which prohibits the acts that this section prohibits or entering into a diversion agreement in lieu of further criminal proceedings in a case alleging a violation of such law, ordinance or resolution;

(3) only convictions occurring on or after July 1, 2001, shall be taken into account when determining the sentence to be imposed for a first, second, third, fourth or subsequent offender;

(1) Convictions for a violation of this section, or a violation of an ordinance of any city or resolution of any county which prohibits the acts that this section prohibits, or entering into a diversion agreement in lieu of further criminal proceedings on a complaint alleging any such violations, shall be taken into account, but only convictions or diversions occurring on or after July 1, 2001. Nothing in this provision shall be construed as preventing any court from considering any convictions or diversions occurring during the person's lifetime in determining the sentence to be imposed within the limits provided for a first, second, third, fourth or subsequent offense;

(2) any convictions for a violation of the following sections occurring during a person's lifetime shall be taken into account: (A) Refusing to submit to a test to determine the presence of alcohol or drugs, section 2, and amendments thereto; (B) driving a commercial motor vehicle under the influence, K.S.A. 8-2,144, and amendments thereto; (C) operating a vessel under the influence of alcohol or drugs, K.S.A. 32-1131, and amendments thereto; (D) involuntary manslaughter while driving under the influence of alcohol or drugs, K.S.A. 21-3442, prior to its repeal, or subsection (a)(3) of K.S.A. 2011 Supp. 21-5405, and amendments thereto; and (E)
aggravated vehicular homicide, K.S.A. 21-3405a, prior to its repeal, or vehicular battery, K.S.A. 21-3405b, prior to its repeal, if the crime was committed while committing a violation of K.S.A. 8-1567, and amendments thereto;

(3) "conviction" includes: (A) Entering into a diversion agreement in lieu of further criminal proceedings on a complaint alleging a violation of a crime described in subsection (i)(2); (B) conviction of a violation of an ordinance of a city in this state, a resolution of a county in this state or any law of another state which would constitute a crime described in subsection (i)(1) or (i)(2); and (C) receiving punishment under the uniform code of military justice or Kansas code of military justice for an act which was committed on a military reservation and which would constitute a crime described in subsection (i)(1) or (i)(2) if committed off a military reservation in this state;

(6) a person may enter into a diversion agreement in lieu of further criminal proceedings for a violation of this section, and amendments thereto, or an ordinance which prohibits the acts of this section, and amendments thereto, only once during the person's lifetime.

(k) Upon conviction of a person of a violation of this section or a violation of a city ordinance or county resolution prohibiting the acts prohibited by this section, the division, upon receiving a report of conviction, shall suspend, restrict or suspend and restrict the person's driving privileges as provided by K.S.A. 8-1014, and amendments thereto.

(l) (1) Nothing contained in this section shall be construed as preventing any city from enacting ordinances, or any county from adopting resolutions, declaring acts prohibited or made unlawful by this act as unlawful or prohibited in such city or county and prescribing penalties for violation thereof.

(2) The minimum penalty prescribed by any such ordinance or resolution shall not be less than the minimum penalty prescribed by this section for the same violation, and the maximum penalty in any such ordinance or resolution shall not exceed the maximum penalty prescribed for the same violation.

(3) On and after July 1, 2007, and retroactive for ordinance violations committed on or after July 1, 2006, an ordinance may grant to a municipal court jurisdiction over a violation of such ordinance which is concurrent with the jurisdiction of the district court over a violation of this section, notwithstanding that the elements of such ordinance violation are the same as the elements of a violation of this section that would constitute, and be punished as, a felony.

(4) Any such ordinance or resolution shall authorize the court to order that the convicted person pay restitution to any victim who suffered loss due to the violation for which the person was convicted.

(5) Any such ordinance or resolution may require or authorize the court to order that the convicted person's motor vehicle or vehicles be impounded or immobilized in accordance with subsection (g).

(m)(1) Upon the filing of a complaint, citation or notice to appear alleging a person has violated a city ordinance prohibiting the acts prohibited by this section, and prior to conviction thereof, a city attorney shall request and shall receive from the:
(A) Division a record of all prior convictions obtained against such person for any violations of any of the motor vehicle laws of this state; and

(B) Kansas bureau of investigation central repository all criminal history record information concerning such person.

(2) If the elements of such ordinance violation are the same as the elements of a violation of this section that would constitute, and be punished as, a felony, the city attorney shall refer the violation to the appropriate county or district attorney for prosecution.

(m) No plea bargaining agreement shall be entered into nor shall any judge approve a plea bargaining agreement entered into for the purpose of permitting a person charged with a violation of this section, or a violation of any ordinance of a city or resolution of any county in this state which prohibits the acts prohibited by this section, to avoid the mandatory penalties established by this section or by the ordinance. For the purpose of this subsection, entering into a diversion agreement pursuant to K.S.A. 12-4413 et seq. or 22-2906 et seq., and amendments thereto, shall not constitute plea bargaining.

(n) The alternatives set out in subsections (a)(1), (a)(2) and (a)(3) may be pleaded in the alternative, and the state, city or county, but shall not be required to, may elect one or two of the three prior to submission of the case to the fact finder.

(p) Upon a fourth or subsequent conviction, the judge of any court in which any person is convicted of violating this section, may revoke the person's license plate or temporary registration certificate of the motor vehicle driven during the violation of this section for a period of one year. Upon revoking any license plate or temporary registration certificate pursuant to this subsection, the court shall require that such license plate or temporary registration certificate be surrendered to the court.

(2) "imprisonment" shall include any restrained environment in which the court and law enforcement agency intend to retain custody and control of a defendant and such environment has been approved by the board of county commissioners or the governing body of a city; and

(3) "drug" includes toxic vapors as such term is defined in K.S.A. 2011 Supp. 21-5712, and amendments thereto.

Upon receipt of remittance of the increase provided in this act, the state treasurer shall deposit the entire amount in the state treasury and the state treasurer shall credit 50% to the community alcoholism and intoxication programs fund and 50% to the department of corrections alcohol and drug abuse treatment fund, which is hereby created in the state treasury.

(2) On and after July 1, 2011, the amount of $250 from each fine imposed pursuant to this section shall be remitted by the clerk of the district court to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall credit the entire amount to the community corrections supervision fund established by K.S.A. 2011 Supp. 75-52,113, and amendments thereto.

This information shall be transmitted, on a form or in a format approved by the attorney general, within 30 days of final disposition.

The diversion agreement shall include specifically the waiver of all rights under the law or the constitution of Kansas or of the United States to counsel, a speedy arraignment, a speedy trial, and the right to trial by jury. The diversion agreement may include, but is not limited to, provisions concerning payment of restitution, including court costs and diversion costs, residence in a specified facility, maintenance of gainful employment, and participation in programs offering medical, educational, vocational, social and psychological services, corrective and preventive guidance and other rehabilitative services. the municipal court shall stay further proceedings on the complaint. If the defendant declines to accept diversion, the municipal court shall resume the criminal proceedings on the complaint.

(b) The municipal court judge shall order the individual to be fingerprinted at an appropriate location as determined by the municipal court judge. Failure of the person to be fingerprinted after court order issued by the municipal judge shall constitute contempt of court. To reimburse the city or other entity for costs associated with fingerprinting, the municipal court judge may assess reasonable court costs, in addition to other court costs imposed by the state or municipality.

Sec. 28. K.S.A. 2011 Supp. 21-6604, as amended by section 1 of 2012 House Bill No. 2465 is hereby amended to read as follows: 21-6604. K.S.A. 2011 Supp. 21-6604 is hereby amended to read as follows: 21-6604. (a) Whenever any person has been found guilty of a crime, the court may adjudge any of the following:

(1) Commit the defendant to the custody of the secretary of corrections if the current crime of conviction is a felony and the sentence presumes imprisonment, or the sentence imposed is a dispositional departure to imprisonment; or, if confinement is for a misdemeanor, to jail for the term provided by law;

(2) impose the fine applicable to the offense and may impose the provisions of subsection (q);

(3) release the defendant on probation if the current crime of conviction and criminal history fall within a presumptive nonprison category or through a departure for
substantial and compelling reasons subject to such conditions as the court may deem appropriate. In felony cases except for violations of K.S.A. 8-1567, 8-2,144 and section 2, and amendments thereto, the court may include confinement in a county jail not to exceed 60 days, which need not be served consecutively, as a condition of an original probation sentence and up to 60 days in a county jail upon each revocation of the probation sentence, or community corrections placement;

(4) assign the defendant to a community correctional services program as provided in K.S.A. 75-5291, and amendments thereto, or through a departure for substantial and compelling reasons subject to such conditions as the court may deem appropriate, including orders requiring full or partial restitution;

(5) assign the defendant to a conservation camp for a period not to exceed six months as a condition of probation followed by a six-month period of follow-up through adult intensive supervision by a community correctional services program, if the offender successfully completes the conservation camp program;

(6) assign the defendant to a house arrest program pursuant to K.S.A. 2011 Supp. 21-6609, and amendments thereto;

(7) order the defendant to attend and satisfactorily complete an alcohol or drug education or training program as provided by subsection (c) of K.S.A. 2011 Supp. 21-6602, and amendments thereto;

(8) order the defendant to repay the amount of any reward paid by any crime stoppers chapter, individual, corporation or public entity which materially aided in the apprehension or conviction of the defendant; repay the amount of any costs and expenses incurred by any law enforcement agency in the apprehension of the defendant, if one of the current crimes of conviction of the defendant includes escape from custody or aggravated escape from custody, as defined in K.S.A. 2011 Supp. 21-5911, and amendments thereto; repay expenses incurred by a fire district, fire department or fire company responding to a fire which has been determined to be arson or aggravated arson as defined in K.S.A. 2011 Supp. 21-5812, and amendments thereto, if the defendant is convicted of such crime; repay the amount of any public funds utilized by a law enforcement agency to purchase controlled substances from the defendant during the investigation which leads to the defendant's conviction; or repay the amount of any medical costs and expenses incurred by any law enforcement agency or county. Such repayment of the amount of any such costs and expenses incurred by a county, law enforcement agency, fire district, fire department or fire company or any public funds utilized by a law enforcement agency shall be deposited and credited to the same fund from which the public funds were credited to prior to use by the county, law enforcement agency, fire district, fire department or fire company;

(9) order the defendant to pay the administrative fee authorized by K.S.A. 22-4529, and amendments thereto, unless waived by the court;

(10) order the defendant to pay a domestic violence special program fee authorized by K.S.A. 20-369, and amendments thereto;

(11) if the defendant is convicted of a misdemeanor or convicted of a felony specified in subsection (i) of K.S.A. 2011 Supp. 21-6804, and amendments thereto, assign the defendant to work release program, other than a program at a correctional institution under the control of the secretary of corrections as defined in K.S.A. 75-5202, and amendments thereto, provided such work release program requires such defendant to return to confinement at the end of each day in the work release program.
On a second or subsequent conviction of K.S.A. 8-1567, and amendments thereto, an offender placed into a work release program must serve a total of 120 hours of confinement. Such 120 hours of confinement shall be a period of at least 48 consecutive hours of imprisonment followed by confinement hours at the end of and continuing to the beginning of the offender’s work day. On a third or subsequent conviction of K.S.A. 8-1567, and amendments thereto, an offender placed into a work release program must serve a total of 240 hours of confinement. Such 240 hours of confinement shall be a period of at least 48 consecutive hours of imprisonment followed by confinement hours at the end of and continuing to the beginning of the offender’s work day.

(12) order the defendant to pay the full amount of unpaid costs associated with the conditions of release of the appearance bond under K.S.A. 22-2802, and amendments thereto;

(13) impose any appropriate combination of (1), (2), (3), (4), (5), (6), (7), (8), (9), (10), (11) and (12); or

(14) suspend imposition of sentence in misdemeanor cases.

(b) (1) In addition to or in lieu of any of the above, the court shall order the defendant to pay restitution, which shall include, but not be limited to, damage or loss caused by the defendant's crime, unless the court finds compelling circumstances which would render a plan of restitution unworkable. In regard to a violation of K.S.A. 2011 Supp. 21-6107, and amendments thereto, such damage or loss shall include, but not be limited to, attorney fees and costs incurred to repair the credit history or rating of the person whose personal identification documents were obtained and used in violation of such section, and to satisfy a debt, lien or other obligation incurred by the person whose personal identification documents were obtained and used in violation of such section. If the court finds a plan of restitution unworkable, the court shall state on the record in detail the reasons therefor.

(2) If the court orders restitution, the restitution shall be a judgment against the defendant which may be collected by the court by garnishment or other execution as on judgments in civil cases. If, after 60 days from the date restitution is ordered by the court, a defendant is found to be in noncompliance with the plan established by the court for payment of restitution, and the victim to whom restitution is ordered paid has not initiated proceedings in accordance with K.S.A. 60-4301 et seq., and amendments thereto, the court shall assign an agent procured by the attorney general pursuant to K.S.A. 75-719, and amendments thereto, to collect the restitution on behalf of the victim. The chief judge of each judicial district may assign such cases to an appropriate division of the court for the conduct of civil collection proceedings.

(c) In addition to or in lieu of any of the above, the court shall order the defendant to submit to and complete an alcohol and drug evaluation, and pay a fee therefor, when required by subsection (d) of K.S.A. 2011 Supp. 21-6602, and amendments thereto.

(d) In addition to any of the above, the court shall order the defendant to reimburse the county general fund for all or a part of the expenditures by the county to provide counsel and other defense services to the defendant. Any such reimbursement to the county shall be paid only after any order for restitution has been paid in full. In determining the amount and method of payment of such sum, the court shall take account of the financial resources of the defendant and the nature of the burden that payment of such sum will impose. A defendant who has been required to pay such sum
and who is not willfully in default in the payment thereof may at any time petition the court which sentenced the defendant to waive payment of such sum or any unpaid portion thereof. If it appears to the satisfaction of the court that payment of the amount due will impose manifest hardship on the defendant or the defendant's immediate family, the court may waive payment of all or part of the amount due or modify the method of payment.

(e) In releasing a defendant on probation, the court shall direct that the defendant be under the supervision of a court services officer. If the court commits the defendant to the custody of the secretary of corrections or to jail, the court may specify in its order the amount of restitution to be paid and the person to whom it shall be paid if restitution is later ordered as a condition of parole, conditional release or postrelease supervision.

(f) (1) When a new felony is committed while the offender is incarcerated and serving a sentence for a felony, or while the offender is on probation, assignment to a community correctional services program, parole, conditional release or postrelease supervision for a felony, a new sentence shall be imposed pursuant to the consecutive sentencing requirements of K.S.A. 2011 Supp. 21-6606, and amendments thereto, and the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(2) When a new felony is committed while the offender is incarcerated in a juvenile correctional facility pursuant to K.S.A. 38-1671, prior to its repeal, or K.S.A. 2011 Supp. 38-2373, and amendments thereto, for an offense, which if committed by an adult would constitute the commission of a felony, upon conviction, the court shall sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure. The conviction shall operate as a full and complete discharge from any obligations, except for an order of restitution, imposed on the offender arising from the offense for which the offender was committed to a juvenile correctional facility.

(3) When a new felony is committed while the offender is on release for a felony pursuant to the provisions of article 28 of chapter 22 of the Kansas Statutes Annotated, and amendments thereto, or similar provisions of the laws of another jurisdiction, a new sentence may be imposed pursuant to the consecutive sentencing requirements of K.S.A. 2011 Supp. 21-6606, and amendments thereto, and the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(g) Prior to imposing a dispositional departure for a defendant whose offense is classified in the presumptive nonprison grid block of either sentencing guideline grid, prior to sentencing a defendant to incarceration whose offense is classified in grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes or in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes, prior to sentencing a defendant to incarceration whose offense is classified in grid blocks 4-E or 4-F of the sentencing guideline grid for drug crimes and whose offense does not meet the requirements of K.S.A. 2011 Supp. 21-6824, and amendments thereto, prior to revocation of a nonprison sanction of a defendant whose offense is classified in grid blocks 4-E or 4-F of the sentencing guideline grid for drug crimes and whose offense
does not meet the requirements of K.S.A. 2011 Supp. 21-6824, and amendments thereto, or prior to revocation of a nonprison sanction of a defendant whose offense is classified in the presumptive nonprison sanction of a defendant whose offense is classified in the presumptive nonprison grid block of either sentencing guideline grid or grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes or in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes, the court shall consider placement of the defendant in the Labette correctional conservation camp, conservation camps established by the secretary of corrections pursuant to K.S.A. 75-52,127, and amendment thereto, or a community intermediate sanction center. Pursuant to this paragraph the defendant shall not be sentenced to imprisonment if space is available in a conservation camp or a community intermediate sanction camp and the defendant meets all of the conservation camp's or a community intermediate sanction center's placement criteria unless the court states on the record the reasons for not placing the defendant in a conservation camp or a community intermediate sanction center.

(h) The court in committing a defendant to the custody of the secretary of corrections shall fix a term of confinement within the limits provided by law. In those cases where the law does not fix a term of confinement for the crime for which the defendant was convicted, the court shall fix the term of such confinement.

(i) In addition to any of the above, the court shall order the defendant to reimburse the state general fund for all or a part of the expenditures by the state board of indigents' defense services to provide counsel and other defense services to the defendant. In determining the amount and method of payment of such sum, the court shall take account of the financial resources of the defendant and the nature of the burden that payment of such sum will impose. A defendant who has been required to pay such sum and who is not willfully in default in the payment thereof may at any time petition the court which sentenced the defendant to waive payment of such sum or any unpaid portion thereof. If it appears to the satisfaction of the court that payment of the amount due will impose manifest hardship on the defendant or the defendant's immediate family, the court may waive payment of all or part of the amount due or modify the method of payment. The amount of attorney fees to be included in the court order for reimbursement shall be the amount claimed by appointed counsel on the payment voucher for indigents' defense services or the amount prescribed by the board of indigents' defense services reimbursement tables as provided in K.S.A. 22-4522, and amendments thereto, whichever is less.

(j) This section shall not deprive the court of any authority conferred by any other Kansas statute to decree a forfeiture of property, suspend or cancel a license, remove a person from office or impose any other civil penalty as a result of conviction of crime.

(k) An application for or acceptance of probation or assignment to a community correctional services program shall not constitute an acquiescence in the judgment for purpose of appeal, and any convicted person may appeal from such conviction, as provided by law, without regard to whether such person has applied for probation, suspended sentence or assignment to a community correctional services program.

(l) The secretary of corrections is authorized to make direct placement to the Labette correctional conservation camp or a conservation camp established by the secretary pursuant to K.S.A. 75-52,127, and amendments thereto, of an inmate sentenced to the secretary's custody if the inmate:

(1) Has been sentenced to the secretary for a probation revocation, as a departure
from the presumptive nonimprisonment grid block of either sentencing grid, for an offense which is classified in grid blocks 5-H, 5-I, or 6-G of the sentencing guidelines grid for nondrug crimes or in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes, or for an offense which is classified in grid blocks 4-E or 4-F of the sentencing guidelines grid for drug crimes and such offense does not meet the requirements of K.S.A. 2011 Supp. 21-6824, and amendments thereto; and

(2) otherwise meets admission criteria of the camp.

If the inmate successfully completes a conservation camp program, the secretary of corrections shall report such completion to the sentencing court and the county or district attorney. The inmate shall then be assigned by the court to six months of follow-up supervision conducted by the appropriate community corrections services program. The court may also order that supervision continue thereafter for the length of time authorized by K.S.A. 2011 Supp. 21-6608, and amendments thereto.

(m) When it is provided by law that a person shall be sentenced pursuant to K.S.A. 1993 Supp. 21-4628, prior to its repeal, the provisions of this section shall not apply.

(n) Except as provided by subsection (f) of K.S.A. 2011 Supp. 21-6805, and amendments thereto, in addition to any of the above, for felony violations of K.S.A. 2011 Supp. 21-5706, and amendments thereto, the court shall require the defendant who meets the requirements established in K.S.A. 2011 Supp. 21-6824, and amendments thereto, to participate in a certified drug abuse treatment program, as provided in K.S.A. 2011 Supp. 75-52,144, and amendments thereto, including, but not limited to, an approved after-care plan. If the defendant fails to participate in or has a pattern of intentional conduct that demonstrates the offender's refusal to comply with or participate in the treatment program, as established by judicial finding, the defendant shall be subject to revocation of probation and the defendant shall serve the underlying prison sentence as established in K.S.A. 2011 Supp. 21-6805, and amendments thereto. For those offenders who are convicted on or after July 1, 2003, upon completion of the underlying prison sentence, the defendant shall not be subject to a period of postrelease supervision. The amount of time spent participating in such program shall not be credited as service on the underlying prison sentence.

(o) (1) Except as provided in paragraph (3), in addition to any other penalty or disposition imposed by law, upon a conviction for unlawful possession of a controlled substance or controlled substance analog in violation of K.S.A. 2011 Supp. 21-5706, and amendments thereto, in which the trier of fact makes a finding that the unlawful possession occurred while transporting the controlled substance or controlled substance analog in any vehicle upon a highway or street, the offender's driver's license or privilege to operate a motor vehicle on the streets and highways of this state shall be suspended for one year.

(2) Upon suspension of a license pursuant to this subsection, the court shall require the person to surrender the license to the court, which shall transmit the license to the division of motor vehicles of the department of revenue, to be retained until the period of suspension expires. At that time, the licensee may apply to the division for return of the license. If the license has expired, the person may apply for a new license, which shall be issued promptly upon payment of the proper fee and satisfaction of other conditions established by law for obtaining a license unless another suspension or revocation of the person's privilege to operate a motor vehicle is in effect.

(3) (A) In lieu of suspending the driver's license or privilege to operate a motor
vehicle on the highways of this state of any person as provided in paragraph (1), the judge of the court in which such person was convicted may enter an order which places conditions on such person's privilege of operating a motor vehicle on the highways of this state, a certified copy of which such person shall be required to carry any time such person is operating a motor vehicle on the highways of this state. Any such order shall prescribe the duration of the conditions imposed, which in no event shall be for a period of more than one year.

(B) Upon entering an order restricting a person's license hereunder, the judge shall require such person to surrender such person's driver's license to the judge who shall cause it to be transmitted to the division of vehicles, together with a copy of the order. Upon receipt thereof, the division of vehicles shall issue without charge a driver's license which shall indicate on its face that conditions have been imposed on such person's privilege of operating a motor vehicle and that a certified copy of the order imposing such conditions is required to be carried by the person for whom the license was issued any time such person is operating a motor vehicle on the highways of this state. If the person convicted is a nonresident, the judge shall cause a copy of the order to be transmitted to the division and the division shall forward a copy of it to the motor vehicle administrator, of such person's state of residence. Such judge shall furnish to any person whose driver's license has had conditions imposed on it under this paragraph a copy of the order, which shall be recognized as a valid Kansas driver's license until such time as the division shall issue the restricted license provided for in this paragraph.

(C) Upon expiration of the period of time for which conditions are imposed pursuant to this subsection, the licensee may apply to the division for the return of the license previously surrendered by such licensee. In the event such license has expired, such person may apply to the division for a new license, which shall be issued immediately by the division upon payment of the proper fee and satisfaction of the other conditions established by law, unless such person's privilege to operate a motor vehicle on the highways of this state has been suspended or revoked prior thereto. If any person shall violate any of the conditions imposed under this paragraph, such person's driver's license or privilege to operate a motor vehicle on the highways of this state shall be revoked for a period of not less than 60 days nor more than one year by the judge of the court in which such person is convicted of violating such conditions.

(4) As used in this subsection, "highway" and "street" means the same as in K.S.A. 8-1424 and 8-1473, and amendments thereto.

(p) In addition to any of the above, for any criminal offense that includes the domestic violence designation pursuant to K.S.A. 2011 Supp. 22-4616, and amendments thereto, the court shall require the defendant to undergo a domestic violence offender assessment and follow all recommendations unless otherwise ordered by the court or the department of corrections. The court may order a domestic violence offender assessment and any other evaluation prior to sentencing if the assessment or evaluation would assist the court in determining an appropriate sentence. The entity completing the assessment or evaluation shall provide the assessment or evaluation and recommendations to the court and the court shall provide the domestic violence assessment and any other evaluation to any entity responsible for supervising such defendant. A defendant ordered to undergo a domestic violence offender assessment shall be required to pay for the assessment and, unless otherwise ordered by the court or the department of corrections, for completion of all recommendations.
(q) In imposing a fine, the court may authorize the payment thereof in installments. In lieu of payment of any fine imposed, the court may order that the person perform community service specified by the court. The person shall receive a credit on the fine imposed in an amount equal to $5 for each full hour spent by the person in the specified community service. The community service ordered by the court shall be required to be performed by the later of one year after the fine is imposed or one year after release from imprisonment or jail, or by an earlier date specified by the court. If by the required date the person performs an insufficient amount of community service to reduce to zero the portion of the fine required to be paid by the person, the remaining balance shall become due on that date. If conditional reduction of any fine is rescinded by the court for any reason, then pursuant to the court's order the person may be ordered to perform community service by one year after the date of such rescission or by an earlier date specified by the court. If by the required date the person performs an insufficient amount of community service to reduce to zero the portion of the fine required to be paid by the person, the remaining balance of the fine shall become due on that date. All credits for community service shall be subject to review and approval by the court.

(r) In addition to any other penalty or disposition imposed by law, for any defendant sentenced to imprisonment pursuant to K.S.A. 21-4643, prior to its repeal, or K.S.A. 2011 Supp. 21-6627, and amendments thereto, for crimes committed on or after July 1, 2006, the court shall order that the defendant be electronically monitored upon release from imprisonment for the duration of the defendant's natural life and that the defendant shall reimburse the state for all or part of the cost of such monitoring as determined by the prisoner review board.

Sec. 29. K.S.A. 2011 Supp. 21-6609, as amended by section 5 of 2012 House Bill No. 2535 is hereby amended to read as follows: 21-6609. (a) The court or the secretary of corrections may implement a house arrest program for defendants or inmates being sentenced by the court or in the custody of the secretary of corrections or as a sanction for offenders who have failed to comply with the conditions of probation, parole or postrelease supervision, except:

(1) No defendant shall be placed by the court under house arrest if found guilty of:
   (A) Any crime designated as a class A or B felony in article 34 or 35 of the Kansas Statutes Annotated, prior to their repeal;
   (B) subsection (b) of K.S.A. 2011 Supp. 21-5604, and amendments thereto;
   (C) K.S.A. 2011 Supp. 21-5602, and amendments thereto;
   (D) any off-grid felony;
   (E) any nondrug crime ranked in severity levels 1 through 5 or any felony ranked in severity levels 1 through 3 of the drug grid, unless the offender has been sentenced to probation;

(2) no inmate shall be placed under house arrest if such inmate's security status is greater than minimum security; or

(3) no inmate shall be placed under house arrest who has been denied parole by the prisoner review board within the last six months. Any inmate who, while participating in the house arrest program, is denied parole by the prisoner review board shall be allowed to remain under house arrest until the completion of the sentence or until the inmate is otherwise removed from the program.

(b) At the time of placement of an inmate under house arrest, the court, secretary or house arrest staff shall provide written notification to the sheriff and district or county
attorney of the county in which any person under house arrest is to be placed and to the chief law enforcement officer of any incorporated city or town in which such person is to be placed of the placement of the person under house arrest within the county or incorporated city or town.

(c) House arrest sanctions shall be administered by the court and the secretary of corrections, respectively, through rules and regulations, and may include, but are not limited to, rehabilitative restitution in money or in kind, curfew, revocation or suspension of the driver's license, community service, deprivation of nonessential activities or privileges, or other appropriate restraints on the inmate's liberty.

(d) Upon placement in a house arrest program, the court, secretary or house arrest staff shall inform the offender, and any other people residing with such offender, of the nature and extent of such house arrest monitoring, and shall obtain the written agreement of such offender to comply with all requirements of the program.

(e) The offender shall remain within the property boundaries of the offender's residence at all times during the term of house arrest, except as provided under the house arrest agreement with such offender.

(f) The offender shall allow any law enforcement officer, community corrections officer, court services officer or duly authorized agent of the department of corrections, to enter such offender's residence at any time to verify the offender's compliance with the conditions of the house release.

(g) As a condition of house arrest, the court or secretary may require an offender placed under house arrest to pay any supervision costs associated with the house arrest program.

(h) The offender shall consent to be monitored by:
   (1) An electronic monitoring device on such offender's person;
   (2) an electronic monitoring device in such offender's home;
   (3) a remote blood alcohol monitoring device;
   (4) a home telephone verification procedure;
   (5) radio frequency devices; or
   (6) any combination of monitoring methods as the court, secretary or house arrest staff finds necessary.

(i) The secretary or the court may contract for independent monitoring services. Such independent monitoring service shall be able to provide monitoring 24 hours a day, every day of the year, and any other services as determined by the secretary or the court.

(j) An offender violating the provisions of K.S.A. 8-1567, and amendments thereto, if placed under house arrest, shall be monitored by an electronic monitoring device, which verifies the offender’s location. On a second or subsequent conviction of K.S.A. 8-1567, and amendments thereto, an offender placed under house arrest shall serve a total of 120 hours of confinement within the boundaries of the offender’s residence. Any exceptions to remaining within the boundaries of the offender’s residence provided for in the house arrest agreement shall not be counted as part of the 120 hours. On a third or subsequent conviction of K.S.A. 8-1567, and amendments thereto, an offender placed under house arrest shall serve a total of 240 hours of confinement within the boundaries of the offender’s residence. Any exceptions to remaining within the boundaries of the offender’s residence provided for in the house arrest agreement shall not be counted as part of the 240 hours the total number of hours of confinement
mandated by that section.

(k) As used in this section:

(1) "House arrest staff" means an independent contractor or government entity, and agents thereof, utilized by the secretary or court to administer the provisions of a house arrest program;

(2) "Electronic monitoring device" means:

(A) An active or passive global positioning system-enabled device capable of recording and transmitting an offender's location at all times or at designated intervals. Such device may be used in conjunction with an alcohol and drug-sensing bracelet to monitor such offender's compliance with the terms of house arrest.

Sec. 30. K.S.A. 2011 Supp. 21-6804 is hereby amended to read as follows: 21-6804. (a) The provisions of this section shall be applicable to the sentencing guidelines grid for nondrug crimes. The following sentencing guidelines grid shall be applicable to nondrug felony crimes:

(b) Sentences expressed in the sentencing guidelines grid for nondrug crimes represent months of imprisonment.

c) The sentencing guidelines grid is a two-dimensional crime severity and criminal history classification tool. The grid's vertical axis is the crime severity scale which classifies current crimes of conviction. The grid's horizontal axis is the criminal history scale which classifies criminal histories.

d) The sentencing guidelines grid for nondrug crimes as provided in this section defines presumptive punishments for felony convictions, subject to the sentencing court's discretion to enter a departure sentence. The appropriate punishment for a felony conviction should depend on the severity of the crime of conviction when compared to all other crimes and the offender's criminal history.

e) (1) The sentencing court has discretion to sentence at any place within the sentencing range. In the usual case it is recommended that the sentencing judge select the center of the range and reserve the upper and lower limits for aggravating and mitigating factors insufficient to warrant a departure.

(2) In presumptive imprisonment cases, the sentencing court shall pronounce the complete sentence which shall include the:

(A) Prison sentence;

(B) maximum potential reduction to such sentence as a result of good time; and

(C) period of postrelease supervision at the sentencing hearing. Failure to pronounce the period of postrelease supervision shall not negate the existence of such period of postrelease supervision.

(3) In presumptive nonprison cases, the sentencing court shall pronounce the:

(A) Prison sentence; and

(B) duration of the nonprison sanction at the sentencing hearing.

(f) Each grid block states the presumptive sentencing range for an offender whose crime of conviction and criminal history place such offender in that grid block. If an offense is classified in a grid block below the dispositional line, the presumptive disposition shall be nonimprisonment. If an offense is classified in a grid block above the dispositional line, the presumptive disposition shall be imprisonment. If an offense is classified in grid blocks 5-H, 5-I or 6-G, the court may impose an optional nonprison sentence as provided in subsection (q).

(g) The sentence for a violation of K.S.A. 21-3415, prior to its repeal, aggravated battery against a law enforcement officer committed prior to July 1, 2006, or a violation of subsection (d) of K.S.A. 2011 Supp. 21-5412, and amendments thereto, aggravated assault against a law enforcement officer, which places the defendant's sentence in grid block 6-H or 6-I shall be presumed imprisonment. The court may impose an optional nonprison sentence as provided in subsection (q).

(h) When a firearm is used to commit any person felony, the offender's sentence shall be presumed imprisonment. The court may impose an optional nonprison sentence as provided in subsection (q).

(i) (l) The sentence for the violation of the felony provision of K.S.A. 8-1567, subsection (b)(3) of K.S.A. 2011 Supp. 21-5414, subsections (b)(3) and (b)(4) of K.S.A. 2011 Supp. 21-5823, 21-6412 and 21-6416, and amendments thereto, shall be as provided by the specific mandatory sentencing requirements of that section and shall
not be subject to the provisions of this section or K.S.A. 2011 Supp. 21-6807, and amendments thereto.

(2) If because of the offender's criminal history classification the offender is subject to presumptive imprisonment or if the judge departs from a presumptive probation sentence and the offender is subject to imprisonment, the provisions of this section and K.S.A. 2011 Supp. 21-6807, and amendments thereto, shall apply and the offender shall not be subject to the mandatory sentence as provided in K.S.A. 2011 Supp. 21-5823, and amendments thereto.

(3) Notwithstanding the provisions of any other section, the term of imprisonment imposed for the violation of the felony provision of section 2, K.S.A. 8-2,144, K.S.A. 8-1567, subsection (b)(3) of K.S.A. 2011 Supp. 21-5414, subsections (b)(3) and (b)(4) of K.S.A. 2011 Supp. 21-5823, 21-6412 and 21-6416, and amendments thereto, shall not be served in a state facility in the custody of the secretary of corrections, except that the term of imprisonment for felony violations of section 2 or K.S.A. 8-2,144 or K.S.A. 8-1567, and amendments thereto, may be served in a state correctional facility designated by the secretary of corrections if the secretary determines that substance abuse treatment resources and facility capacity is available. The secretary's determination regarding the availability of treatment resources and facility capacity shall not be subject to review. Prior to imposing any sentence pursuant to this subsection, the court may consider assigning the defendant to a house arrest program pursuant to K.S.A. 2011 Supp. 21-6609, and amendments thereto.

(j) (1) The sentence for any persistent sex offender whose current convicted crime carries a presumptive term of imprisonment shall be double the maximum duration of the presumptive imprisonment term. The sentence for any persistent sex offender whose current conviction carries a presumptive nonprison term shall be presumed imprisonment and shall be double the maximum duration of the presumptive imprisonment term.

(2) Except as otherwise provided in this subsection, as used in this subsection, "persistent sex offender" means a person who:

(A) (i) Has been convicted in this state of a sexually violent crime, as defined in K.S.A. 22-3717, and amendments thereto; and

(ii) at the time of the conviction under subsection (j)(2)(A)(i) has at least one conviction for a sexually violent crime, as defined in K.S.A. 22-3717, and amendments thereto, in this state or comparable felony under the laws of another state, the federal government or a foreign government; or

(B) (i) has been convicted of rape, as defined in K.S.A. 21-3502, prior to its repeal, or K.S.A. 2011 Supp. 21-5503, and amendments thereto; and

(ii) at the time of the conviction under subsection (j)(2)(B)(i) has at least one conviction for rape in this state or comparable felony under the laws of another state, the federal government or a foreign government.

(3) Except as provided in subsection (j)(2)(B), the provisions of this subsection shall not apply to any person whose current convicted crime is a severity level 1 or 2 felony.

(k) (1) If it is shown at sentencing that the offender committed any felony violation for the benefit of, at the direction of, or in association with any criminal street gang, with the specific intent to promote, further or assist in any criminal conduct by gang members, the offender's sentence shall be presumed imprisonment. The court may
impose an optional nonprison sentence as provided in subsection (q).

(2) As used in this subsection, "criminal street gang" means any organization, association or group of three or more persons, whether formal or informal, having as one of its primary activities:

(A) The commission of one or more person felonies; or

(B) the commission of felony violations of article 57 of chapter 21 of the Kansas Statutes Annotated, and amendments thereto, K.S.A. 2010 Supp. 21-36a01 through 21-36a17, and amendments thereto prior to their transfer, or any felony violation of any provision of the uniform controlled substances act prior to July 1, 2009; and

(C) its members have a common name or common identifying sign or symbol; and

(D) its members, individually or collectively, engage in or have engaged in the commission, attempted commission, conspiracy to commit or solicitation of two or more person felonies or felony violations of article 57 of chapter 21 of the Kansas Statutes Annotated, and amendments thereto, K.S.A. 2010 Supp. 21-36a01 through 21-36a17, and amendments thereto prior to their transfer, any felony violation of any provision of the uniform controlled substances act prior to July 1, 2009, or any substantially similar offense from another jurisdiction.

(I) Except as provided in subsection (o), the sentence for a violation of subsection (a)(1) of K.S.A. 2011 Supp. 21-5807, and amendments thereto, or any attempt or conspiracy, as defined in K.S.A. 2011 Supp. 21-5301 and 21-5302, and amendments thereto, to commit such offense, when such person being sentenced has a prior conviction for a violation of subsection (a) or (b) of K.S.A. 21-3715, prior to its repeal, 21-3716, prior to its repeal, subsection (a)(1) or (a)(2) of K.S.A. 2011 Supp. 21-5807, or subsection (b) of K.S.A. 2011 Supp. 21-5807, and amendments thereto, or any attempt or conspiracy to commit such offense, shall be presumptive imprisonment.

(m) The sentence for a violation of K.S.A 22-4903 or subsection (a)(2) of K.S.A. 2011 Supp. 21-5913, and amendments thereto, shall be presumptive imprisonment. If an offense under such sections is classified in grid blocks 5-E, 5-F, 5-G, 5-H or 5-I, the court may impose an optional nonprison sentence as provided in subsection (q).

(n) The sentence for a violation of criminal deprivation of property, as defined in K.S.A. 2011 Supp. 21-5803, and amendments thereto, when such property is a motor vehicle, and when such person being sentenced has any combination of two or more prior convictions of subsection (b) of K.S.A. 21-3705, prior to its repeal, or of criminal deprivation of property, as defined in K.S.A. 2011 Supp. 21-5803, and amendments thereto, when such property is a motor vehicle, shall be presumptive imprisonment. Such sentence shall not be considered a departure and shall not be subject to appeal.

(o) The sentence for a felony violation of theft of property as defined in K.S.A. 2011 Supp. 21-5801, and amendments thereto, or burglary as defined in subsection (a) of K.S.A. 2011 Supp. 21-5807, and amendments thereto, when such person being sentenced has no prior convictions for a violation of K.S.A. 21-3701 or 21-3715, prior to their repeal, or theft of property as defined in K.S.A. 2011 Supp. 21-5801, and amendments thereto, or burglary as defined in subsection (a) of K.S.A. 2011 Supp. 21-5807, and amendments thereto; or the sentence for a felony violation of theft of property as defined in K.S.A. 2011 Supp. 21-5801, and amendments thereto, when such person being sentenced has one or two prior felony convictions for a violation of K.S.A. 21-3701, 21-3715 or 21-3716, prior to their repeal, or theft of property as defined in K.S.A. 2011 Supp. 21-5801, and amendments thereto, or burglary or aggravated
burglary as defined in K.S.A. 2011 Supp. 21-5807, and amendments thereto; or the sentence for a felony violation of burglary as defined in subsection (a) of K.S.A. 2011 Supp. 21-5807, and amendments thereto, when such person being sentenced has one prior felony conviction for a violation of K.S.A. 21-3701, 21-3715 or 21-3716, prior to their repeal, or theft of property as defined in K.S.A. 2011 Supp. 21-5801, and amendments thereto, or burglary or aggravated burglary as defined in K.S.A. 2011 Supp. 21-5807, and amendments thereto, shall be the sentence as provided by this section, except that the court may order an optional nonprison sentence for a defendant to participate in a drug treatment program, including, but not limited to, an approved after-care plan, if the court makes the following findings on the record:

(1) Substance abuse was an underlying factor in the commission of the crime;
(2) substance abuse treatment in the community is likely to be more effective than a prison term in reducing the risk of offender recidivism; and
(3) participation in an intensive substance abuse treatment program will serve community safety interests.

A defendant sentenced to an optional nonprison sentence under this subsection shall be supervised by community correctional services. The provisions of subsection (f)(1) of K.S.A. 2011 Supp. 21-6824, and amendments thereto, shall apply to a defendant sentenced under this subsection. The sentence under this subsection shall not be considered a departure and shall not be subject to appeal.

(p) The sentence for a felony violation of theft of property as defined in K.S.A. 2011 Supp. 21-5801, and amendments thereto, when such person being sentenced has any combination of three or more prior felony convictions for violations of K.S.A. 21-3701, 21-3715 or 21-3716, prior to their repeal, or theft of property as defined in K.S.A. 2011 Supp. 21-5801, and amendments thereto, or burglary or aggravated burglary as defined in K.S.A. 2011 Supp. 21-5807, and amendments thereto; or the sentence for a violation of burglary as defined in subsection (a) of K.S.A. 2011 Supp. 21-5807, and amendments thereto, when such person being sentenced has any combination of two or more prior convictions for violations of K.S.A. 21-3701, 21-3715 and 21-3716, prior to their repeal, or theft of property as defined in K.S.A. 2011 Supp. 21-5801, and amendments thereto, or burglary or aggravated burglary as defined in K.S.A. 2011 Supp. 21-5807, and amendments thereto, shall be presumed imprisonment and the defendant shall be sentenced to prison as provided by this section, except that the court may recommend that an offender be placed in the custody of the secretary of corrections, in a facility designated by the secretary to participate in an intensive substance abuse treatment program, upon making the following findings on the record:

(1) Substance abuse was an underlying factor in the commission of the crime;
(2) substance abuse treatment with a possibility of an early release from imprisonment is likely to be more effective than a prison term in reducing the risk of offender recidivism; and
(3) participation in an intensive substance abuse treatment program with the possibility of an early release from imprisonment will serve community safety interests by promoting offender reformation.

The intensive substance abuse treatment program shall be determined by the secretary of corrections, but shall be for a period of at least four months. Upon the successful completion of such intensive treatment program, the offender shall be returned to the court and the court may modify the sentence by directing that a less
severe penalty be imposed in lieu of that originally adjudged within statutory limits. If the offender's term of imprisonment expires, the offender shall be placed under the applicable period of postrelease supervision. The sentence under this subsection shall not be considered a departure and shall not be subject to appeal.

(q) As used in this section, an "optional nonprison sentence" is a sentence which the court may impose, in lieu of the presumptive sentence, upon making the following findings on the record:

(1) An appropriate treatment program exists which is likely to be more effective than the presumptive prison term in reducing the risk of offender recidivism; and

(2) the recommended treatment program is available and the offender can be admitted to such program within a reasonable period of time; or

(3) the nonprison sanction will serve community safety interests by promoting offender reformation.

Any decision made by the court regarding the imposition of an optional nonprison sentence shall not be considered a departure and shall not be subject to appeal.

(r) The sentence for a violation of subsection (c)(2) of K.S.A. 2011 Supp. 21-5413, and amendments thereto, shall be presumptive imprisonment and shall be served consecutively to any other term or terms of imprisonment imposed. Such sentence shall not be considered a departure and shall not be subject to appeal.

(s) The sentence for a violation of K.S.A. 2011 Supp. 21-5512, and amendments thereto, shall be presumptive imprisonment. Such sentence shall not be considered a departure and shall not be subject to appeal.

(t) (1) If the trier of fact makes a finding that an offender wore or used ballistic resistant material in the commission of, or attempt to commit, or flight from any felony, in addition to the sentence imposed pursuant to the Kansas sentencing guidelines act, the offender shall be sentenced to an additional 30 months' imprisonment.

(2) The sentence imposed pursuant to subsection (t)(1) shall be presumptive imprisonment and shall be served consecutively to any other term or terms of imprisonment imposed. Such sentence shall not be considered a departure and shall not be subject to appeal.

(3) As used in this subsection, "ballistic resistant material" means: (A) Any commercially produced material designed with the purpose of providing ballistic and trauma protection, including, but not limited to, bulletproof vests and kevlar vests; and (B) any homemade or fabricated substance or item designed with the purpose of providing ballistic and trauma protection.

(u) The sentence for a violation of K.S.A. 2011 Supp. 21-6107, and amendments thereto, or any attempt or conspiracy, as defined in K.S.A. 2011 Supp. 21-5301 and 21-5302, and amendments thereto, to commit such offense, when such person being sentenced has a prior conviction for a violation of K.S.A. 21-4018, prior to its repeal, or K.S.A. 2011 Supp. 21-6107, and amendments thereto, or any attempt or conspiracy to commit such offense, shall be presumptive imprisonment. Such sentence shall not be considered a departure and shall not be subject to appeal.

Sec. 31. K.S.A. 2011 Supp. 22-2802 is hereby amended to read as follows: 22-2802. (1) Any person charged with a crime shall, at the person's first appearance before a magistrate, be ordered released pending preliminary examination or trial upon the execution of an appearance bond in an amount specified by the magistrate and sufficient to assure the appearance of such person before the magistrate when ordered and to
assure the public safety. If the person is being bound over for a felony, the bond shall also be conditioned on the person's appearance in the district court or by way of a two-way electronic audio-video communication as provided in subsection (14) at the time required by the court to answer the charge against such person and at any time thereafter that the court requires. Unless the magistrate makes a specific finding otherwise, if the person is being bonded out for a person felony or a person misdemeanor, the bond shall be conditioned on the person being prohibited from having any contact with the alleged victim of such offense for a period of at least 72 hours. The magistrate may impose such of the following additional conditions of release as will reasonably assure the appearance of the person for preliminary examination or trial:

(a) Place the person in the custody of a designated person or organization agreeing to supervise such person;

(b) place restrictions on the travel, association or place of abode of the person during the period of release;

(c) impose any other condition deemed reasonably necessary to assure appearance as required, including a condition requiring that the person return to custody during specified hours;

(d) place the person under a house arrest program pursuant to K.S.A. 2011 Supp. 21-6609, and amendments thereto; or

(e) place the person under the supervision of a court services officer responsible for monitoring the person's compliance with any conditions of release ordered by the magistrate. The magistrate may order the person to pay for any costs associated with the supervision provided by the court services department in an amount not to exceed $15 per week of such supervision. The magistrate may also order the person to pay for all other costs associated with the supervision and conditions for compliance in addition to the $15 per week.

(2) In addition to any conditions of release provided in subsection (1), for any person charged with a felony, the magistrate may order such person to submit to a drug and alcohol abuse examination and evaluation in a public or private treatment facility or state institution and, if determined by the head of such facility or institution that such person is a drug or alcohol abuser or is incapacitated by drugs or alcohol, to submit to treatment for such drug or alcohol abuse, as a condition of release.

(3) The appearance bond shall be executed with sufficient solvent sureties who are residents of the state of Kansas, unless the magistrate determines, in the exercise of such magistrate's discretion, that requiring sureties is not necessary to assure the appearance of the person at the time ordered.

(4) A deposit of cash in the amount of the bond may be made in lieu of the execution of the bond pursuant to subsection (3). Except as provided in subsection (5), such deposit shall be in the full amount of the bond and in no event shall a deposit of cash in less than the full amount of bond be permitted. Any person charged with a crime who is released on a cash bond shall be entitled to a refund of all moneys paid for the cash bond, after deduction of any outstanding restitution, costs, fines and fees, after the final disposition of the criminal case if the person complies with all requirements to appear in court. The court may not exclude the option of posting bond pursuant to subsection (3).

(5) Except as provided further, the amount of the appearance bond shall be the same whether executed as described in subsection (3) or posted with a deposit of cash
as described in subsection (4). When the appearance bond has been set at $2,500 or less and the most serious charge against the person is a misdemeanor, a severity level 8, 9 or 10 nonperson felony, a drug severity level 4 felony or a violation of K.S.A. 8-1567 or section 2, and amendments thereto, the magistrate may allow the person to deposit cash with the clerk in the amount of 10% of the bond, provided the person meets at least the following qualifications:

(A) Is a resident of the state of Kansas;
(B) has a criminal history score category of G, H or I;
(C) has no prior history of failure to appear for any court appearances;
(D) has no detainer or hold from any other jurisdiction;
(E) has not been extradited from, and is not awaiting extradition to, another state; and
(F) has not been detained for an alleged violation of probation.

(6) In the discretion of the court, a person charged with a crime may be released upon the person's own recognizance by guaranteeing payment of the amount of the bond for the person's failure to comply with all requirements to appear in court. The release of a person charged with a crime upon the person's own recognizance shall not require the deposit of any cash by the person.

(7) The court shall not impose any administrative fee.

(8) In determining which conditions of release will reasonably assure appearance and the public safety, the magistrate shall, on the basis of available information, take into account the nature and circumstances of the crime charged; the weight of the evidence against the defendant; whether the defendant is lawfully present in the United States; the defendant's family ties, employment, financial resources, character, mental condition, length of residence in the community, record of convictions, record of appearance or failure to appear at court proceedings or of flight to avoid prosecution; the likelihood or propensity of the defendant to commit crimes while on release, including whether the defendant will be likely to threaten, harass or cause injury to the victim of the crime or any witnesses thereto; and whether the defendant is on probation or parole from a previous offense at the time of the alleged commission of the subsequent offense.

(9) The appearance bond shall set forth all of the conditions of release.

(10) A person for whom conditions of release are imposed and who continues to be detained as a result of the person's inability to meet the conditions of release shall be entitled, upon application, to have the conditions reviewed without unnecessary delay by the magistrate who imposed them. If the magistrate who imposed conditions of release is not available, any other magistrate in the county may review such conditions.

(11) A magistrate ordering the release of a person on any conditions specified in this section may at any time amend the order to impose additional or different conditions of release. If the imposition of additional or different conditions results in the detention of the person, the provisions of subsection (10) shall apply.

(12) Statements or information offered in determining the conditions of release need not conform to the rules of evidence. No statement or admission of the defendant made at such a proceeding shall be received as evidence in any subsequent proceeding against the defendant.

(13) The appearance bond and any security required as a condition of the defendant's release shall be deposited in the office of the magistrate or the clerk of the
court where the release is ordered. If the defendant is bound to appear before a magistrate or court other than the one ordering the release, the order of release, together with the bond and security shall be transmitted to the magistrate or clerk of the court before whom the defendant is bound to appear.

(14) Proceedings before a magistrate as provided in this section to determine the release conditions of a person charged with a crime including release upon execution of an appearance bond may be conducted by two-way electronic audio-video communication between the defendant and the judge in lieu of personal presence of the defendant or defendant's counsel in the courtroom in the discretion of the court. The defendant may be accompanied by the defendant's counsel. The defendant shall be informed of the defendant's right to be personally present in the courtroom during such proceeding if the defendant so requests. Exercising the right to be present shall in no way prejudice the defendant.

(15) The magistrate may order the person to pay for any costs associated with the supervision of the conditions of release of the appearance bond in an amount not to exceed $15 per week of such supervision. As a condition of sentencing under K.S.A. 2011 Supp. 21-6604, and amendments thereto, the court may impose the full amount of any such costs in addition to the $15 per week, including, but not limited to, costs for treatment and evaluation under subsection (2).

Sec. 32. K.S.A. 2011 Supp. 22-2908 is hereby amended to read as follows: 22-2908. (1) The nature of the crime charged and the circumstances surrounding it;
(2) any special characteristics or circumstances of the defendant;
(3) whether the defendant is a first-time offender and if the defendant has previously participated in diversion, according to the certification of the Kansas bureau of investigation or the division of vehicles of the department of revenue;
(4) whether there is a probability that the defendant will cooperate with and benefit from diversion;
(5) whether the available diversion program is appropriate to the needs of the defendant;

(c) A county or district attorney may enter into a diversion agreement in lieu of further criminal proceedings on a complaint for violations of article 10 of chapter 32 of the Kansas Statutes Annotated, and amendments thereto, if such diversion carries the same penalties as the conviction for the corresponding violations. If the defendant has previously participated in one or more diversions for violations of article 10 of chapter 32 of the Kansas Statutes Annotated, and amendments thereto, then each subsequent diversion shall carry the same penalties as the conviction for the corresponding violations.

Sec. 33. K.S.A. 2011 Supp. 22-2909 is hereby amended to read as follows: 22-2909. (a) A diversion agreement shall provide that if the defendant fulfills the obligations of the program described therein, as determined by the attorney general or county or district attorney, such attorney shall act to have the criminal charges against the defendant dismissed with prejudice. The diversion agreement shall include specifically the waiver of all rights under the law or the constitution of Kansas or of the United States to a speedy arraignment, preliminary examinations and hearings, and a speedy trial, and in the case of diversion under subsection (c) waiver of the rights to counsel and trial by jury. The diversion agreement may include, but is not limited to, provisions concerning payment of restitution, including court costs and diversion costs, residence in a specified facility, maintenance of gainful employment, and participation in programs offering medical, educational, vocational, social and psychological services, corrective and preventive guidance and other rehabilitative services. If a county creates a local fund under the property crime restitution and compensation act, a county or district attorney may require in all diversion agreements as a condition of diversion the payment of a diversion fee in an amount not to exceed $100. The defendant shall be required to pay for such assessment and, unless otherwise agreed to with the prosecutor in the diversion agreement, for completion of all recommendations.

(e) If a diversion agreement is entered into in lieu of further criminal proceedings on a complaint alleging a violation other than K.S.A. 8-1567 or section 2, and amendments thereto, the diversion agreement may include a stipulation, agreed to by the defendant, the defendant's attorney if the defendant is represented by an attorney and the attorney general or county or district attorney, of the facts upon which the charge is based and a provision that if the defendant fails to fulfill the terms of the specific diversion agreement and the criminal proceedings on the complaint are resumed, the proceedings, including any proceedings on appeal, shall be conducted on the record of the stipulation of facts relating to the complaint.

(f) If the person entering into a diversion agreement is a nonresident, the attorney general or county or district attorney shall transmit a copy of the diversion agreement to the division. The division shall forward a copy of the diversion agreement to the motor vehicle administrator of the person's state of residence.

(g) If the attorney general or county or district attorney elects to offer diversion in lieu of further criminal proceedings on the complaint and the defendant agrees to all of the terms of the proposed agreement, the diversion agreement shall be filed with the district court and the district court shall stay further proceedings on the complaint. If the defendant declines to accept diversion, the district court shall resume the criminal proceedings on the complaint.

(h) Except as provided in subsection (i), if a diversion agreement is entered into in lieu of further criminal proceedings alleging commission of a misdemeanor by the defendant, while under 21 years of age, under K.S.A. 2011 Supp. 21-5701 through 21-5717, and amendments thereto, or K.S.A. 41-719, 41-727, 41-804, 41-2719 or 41-2720, and amendments thereto, the agreement shall require the defendant to participate in an alcohol and drug evaluation conducted by a licensed provider pursuant to K.S.A. 8-1008, and amendments thereto, and follow any recommendation made by the provider after such evaluation.

(a) Except as provided by K.S.A. 75-3740b, and amendments thereto, and subsection (g), all contracts and purchases made by or under the supervision of the director of purchases or any state agency for which competitive bids are required shall be awarded to the lowest responsible bidder, taking into consideration conformity with the specifications, terms of delivery, and other conditions imposed in the call for bids.

(b) The director of purchases shall have power to decide as to the lowest responsible bidder for all purchases, but if:

(c) Any or all bids may be rejected, and a bid shall be rejected if it contains any material alteration or erasure made after the bid is opened. The director of purchases may reject the bid of any bidder who is in arrears on taxes due the state, who is not properly registered to collect and remit taxes due the state or who has failed to perform satisfactorily on a previous contract with the state. The secretary of revenue is hereby authorized to exchange such information with the director of purchases as is necessary to effectuate the preceding sentence notwithstanding any other provision of law prohibiting disclosure of the contents of taxpayer records or information. Prior to determining the lowest responsible bidder on contracts for construction of buildings or for major repairs or improvements to buildings for state agencies, the director of purchases shall consider: (1) The criteria and information developed by the secretary of

(d) Before the awarding of any contract for construction of a building or the making of repairs or improvements upon any building for a state agency, the director of purchases shall receive written approval from the state agency for which the building construction project has been approved, that the bids generally conform with the plans and specifications prepared by the project architect, by the secretary of administration or by the agency architect for the project, as the case may be, so as to avoid error and mistake on the part of the contractors. In all cases where material described in a contract can be obtained from any state institution, the director of purchases shall exclude the same from the contract.

(e) All bids with the names of the bidders and the amounts thereof, together with all documents pertaining to the award of a contract, shall be made a part of a file or record and retained by the director of purchases for five years, unless reproduced as provided in K.S.A. 75-3737, and amendments thereto, and shall be open to public inspection at all reasonable times.

(f) As used in this section and in K.S.A. 75-3741, and amendments thereto, "project architect" shall have the meaning ascribed thereto in K.S.A. 75-1251, and amendments thereto.

In such a case, 3% of the bid of the responsible bidder which offers motor vehicles assembled in Kansas shall be subtracted from the bid amount, and that amount shall be used to determine the lowest bid pursuant to subsection (b)(1). This subsection shall only apply to bids which match the exact motor vehicle specifications of the agency purchasing passenger motor vehicles.

Sec. 31. K.S.A. 2011 Supp. 75-6609 is hereby amended to read as follows: 75-6609. (a) When used in this section, "surplus real estate" means real estate which is no longer needed by the state agency which owns such real estate as determined in accordance with this section.

(b) (1) The secretary of administration shall develop criteria for the identification of surplus real estate, including, but not limited to, a review of any legal restrictions associated with the real estate and the reasons for the state agency to keep the real estate. In accordance with such criteria, the secretary shall assist state agencies in the identification of surplus real estate. The secretary of administration shall periodically review the status of all real estate of state agencies subject to this section to determine if any of the real estate owned by state agencies is potentially surplus real estate. If any real estate owned by a state agency is determined by the secretary of administration, in consultation with the head of the state agency, to be surplus real estate in accordance with the criteria developed under subsection (a), then the secretary of administration shall recommend to the governor that such real estate be sold under the procedures prescribed by this section.

(2) The secretary of administration shall develop guidelines for the sale of surplus real estate. In accordance with such guidelines and upon the approval of the governor, after consultation with the head of the state agency which owns such surplus real estate, after consultation with the joint committee on state building construction and after approval by the state finance council under subsection (c), the secretary may offer such property for sale by one of the following means: (A) Public auction; (B) by listing the surplus property with a licensed real estate broker or salesperson; or (C) by sealed bid. Subject to the approval of the state finance council as required by subsection (c), the
secretary of administration may sell surplus real estate and any improvements thereon on behalf of the state agency which owns such property.

(c) Prior to the sale of any surplus real estate under subsection (b), the state finance council shall approve the sale, which is hereby characterized as a matter of legislative delegation and subject to the guidelines prescribed in subsection (c) of K.S.A. 75-3711, and amendments thereto. The matter may be submitted to the state finance council for approval at any time, including periods of time during which the legislature is in session.

(d) Prior to offering any real estate for sale, such property shall be appraised pursuant to K.S.A. 75-3043a, and amendments thereto, unless the appraisal is waived as provided in this subsection. The secretary of administration may waive the requirement for appraisal for any parcel of surplus real estate that is to be sold at public auction under this section if the secretary of administration determines that it is in the best interests of the state to waive the requirement for appraisal for such parcel of surplus real estate. The costs of any such appraisal may be paid from the proceeds of the sale.

(e) Conveyance of title in surplus real estate offered for sale by the secretary of administration shall be executed on behalf of the state agency by the secretary of administration. Conferees on part of Senate
On motion of Rep. M. Holmes, the conference committee report on S Sub for Sub HB 2333 was adopted.

Call of the House was demanded.

On roll call, the vote was: Yeas 74; Nays 42; Present but not voting: 0; Absent or not voting: 9.

Present but not voting: None.

Absent or not voting: Carlin, Cassidy, Collins, LeDoux, McCray-Miller, Mesa, Peterson, Roth, B. Wolf.

EXPLANATIONS OF VOTE

Mr. Speaker: I vote “yes” on S Sub for Sub HB 2333. This is an excellent example of due diligence by the 2011-2012 Legislature and hard work by the Pension and Benefits Committees of both chambers.

Plans were debated and approved in each chamber; a conference committee crafted a compromise. Our current KPERS Pension Plan is underfunded and not sustainable, I believe this will lead us to a Pension Plan that is fair, balanced and reduces the risk of insolvency. It may not be perfect, but we will work on that. – John C. Grange, Don Hill

Mr. Speaker: I vote NO on S Sub for Sub HB 2333. Many important and necessary reforms were identified during the work on this bill. I support the concept of a cash balance plan.

Unfortunately, we may have created a plan where the guaranteed return and escalating pay credit structure may offset most of the advantages of the Cash Balance Plan. With an implementation date of January 1, 2015 we could have taken an extra session, got the foundation correct, and still met the implementation date. – Jim Denning, Greg Smith, Kasha Kelley, Lance Y. Kinzer, Brenda K. Landwehr, John Rubin, Kelly Meigs
MR. SPEAKER: I vote yes as there are many important and necessary functions achieved in S Sub for Sub HB 2333. I also support the concept of a cash balance plan. Unfortunately, we also may have created a plan where investment return assumptions continue to overstate the benefits provided, or understate the contributions required. I call on the legislature to continue to earnestly consider the ramifications of our guarantees and the uncertainty it creates for either the benefits or contributions. We are on the right track. We have to make sure the track can bear the load before we place it in service. – PEGGY MAST, AMANDA GROSSERODE, ROBERT MONTGOMERY

(a) Each year, the state board of education shall determine the amount of state aid for the provision of special education and related services each school district shall receive for the ensuing school year. The amount of such state aid shall be computed by the state board as provided in this section. The state board shall:

(1) Determine the total amount of general fund and local option budgets of all school districts;

(2) subtract from the amount determined in paragraph (1) the total amount attributable to assignment of transportation weighting, program weighting, special education weighting and at-risk pupil weighting to enrollment of all school districts;

(3) divide the remainder obtained in paragraph (2) by the total number of full-time equivalent pupils enrolled in all school districts on September 20;

(4) determine the total full-time equivalent enrollment of exceptional children receiving special education and related services provided by all school districts;

(5) multiply the amount of the quotient obtained in paragraph (3) by the full-time equivalent enrollment determined in paragraph (4);

(6) determine the amount of federal funds received by all school districts for the provision of special education and related services;
(7) determine the amount of revenue received by all school districts rendered under contracts with the state institutions for the provisions of special education and related services by the state institution;

(8) add the amounts determined under paragraphs (6) and (7) to the amount of the product obtained under paragraph (5);

(9) determine the total amount of expenditures of all school districts for the provision of special education and related services;

(10) subtract the amount of the sum obtained under paragraph (8) from the amount determined under paragraph (9); and

(11) multiply the remainder obtained under paragraph (10) by 92%.

The computed amount is the amount of state aid for the provision of special education and related services aid a school district is entitled to receive for the ensuing school year.

(b) Each school district shall be entitled to receive:

(1) Reimbursement for actual travel allowances paid to special teachers at not to exceed the rate specified under K.S.A. 75-3203, and amendments thereto, for each mile actually traveled during the school year in connection with duties in providing special education or related services for exceptional children; such reimbursement shall be computed by the state board by ascertaining the actual travel allowances paid to special teachers by the school district for the school year and shall be in an amount equal to 80% of such actual travel allowances;

(2) reimbursement in an amount equal to 80% of the actual travel expenses incurred for providing transportation for exceptional children to special education or related services; such reimbursement shall not be paid if such child has been counted in determining the transportation weighting of the district under the provisions of the school district finance and quality performance act;

(3) reimbursement in an amount equal to 80% of the actual expenses incurred for the maintenance of an exceptional child at some place other than the residence of such child for the purpose of providing special education or related services; such reimbursement shall not exceed $600 per exceptional child per school year; and

(4) subject to the provisions of subsection (f) and except for those school districts entitled to receive reimbursement under subsection (c) or (d), after subtracting the amounts of reimbursement under paragraphs (1), (2) and (3) of this subsection (a) from the total amount appropriated for special education and related services under this act, an amount which bears the same proportion to the remaining amount appropriated as the number of full-time equivalent special teachers who are qualified to provide special education or related services to exceptional children and are employed by the school district for approved special education or related services bears to the total number of such qualified full-time equivalent special teachers employed by all school districts for approved special education or related services.

Each special teacher who is qualified to assist in the provision of special education or related services to exceptional children shall be counted as 2/5 full-time equivalent special teacher who is qualified to provide special education or related services to exceptional children.

district shall be the amount which bears the same relation to the aggregate amount available for reimbursement for the provision of special education and related services under the interlocal agreement, as the amount paid by such district in the current school year for provision of such special education and related services bears to the aggregate of all amounts paid by all school districts in the current school year who have entered into such interlocal agreement for provision of such special education and related services.

(d) Each contracting school district which has paid amounts for the provision of special education and related services as a member of a cooperative shall be entitled to receive reimbursement under subsection (b)(4). The amount of such reimbursement for the district shall be the amount which bears the same relation to the aggregate amount available for reimbursement for the provision of special education and related services by the cooperative, as the amount paid by such district in the current school year for provision of such special education and related services bears to the aggregate of all amounts paid by all contracting school districts in the current school year by such cooperative for provision of such special education and related services.

(e) No time spent by a special teacher in connection with duties performed under a contract entered into by the Kansas juvenile correctional complex, the Atchison juvenile correctional facility, the Larned juvenile correctional facility, or the Topeka juvenile correctional facility and a school district for the provision of special education services by such state institution shall be counted in making computations under this section.

(2) (A) multiply the quotient obtained under (1) (C) by the full-time equivalent enrollment of the school district in the current school year;

(B) multiply the product obtained under (2) (A) by .75. The product is the minimum amount of state aid the district may receive under paragraph (4) of subsection (b) for the current school year;

(C) multiply the quotient obtained under (2) (A) by 1.50. The product is the maximum amount of state aid the district may receive under paragraph (4) of subsection (b) for the current school year.

obtained under (2)(C), the district shall receive state aid in an amount equal to the product obtained under (2)(C). The balance of state aid remaining after determining the amount of state aid payable to districts under this paragraph shall be reallocated to districts as provided by paragraph (5) of this subsection.

Such state aid shall be reallocated to such districts in the same manner as the original allocation. If the balance is insufficient to pay each such district the minimum amount specified in this subsection, the state board shall prorate the balance among such districts.

JOURNAL OF THE HOUSE

2913
2008-2009 through school year 2011-2012 or each school year thereafter shall the amount maintained in the contingency reserve fund exceed an amount equal to 10% of the general fund budget of the district for the school year.

(2) Except as otherwise provided in subsection (c), at no time in school year 2012-2013 or any school year thereafter shall the amount maintained in the contingency reserve fund exceed an amount equal to 6% of the general fund budget of the district for the school year.

(c) (1) If the amount in the contingency reserve fund of a district is in excess of the amount authorized under subsection (b), and if such excess amount is the result of a reduction in the general fund budget of the district for the school year because of a decrease in enrollment, the district may maintain the excess amount in the fund until depletion of such excess amount by expenditure from the fund for the purposes thereof.

(2) The limitation on the amount which may be maintained in the contingency reserve fund imposed under subsection (b) shall not apply to any district whose state financial aid is computed under the provisions of K.S.A. 72-6445a, and amendments thereto. Any such district may maintain the excess amount in the fund until depletion of such excess amount by expenditure from the fund for the purposes thereof.

(d) Notwithstanding the provisions of subsection (c), any unencumbered balance of moneys remaining in the contingency reserve fund of a school district on June 30, 2011, may be expended in school year 2011-2012 the school year that immediately succeeds such date by the school district for general operating expenses of the school district as approved by the board of education.

Sec. 13. K.S.A. 2011 Supp. 72-6460 is hereby amended to read as follows: 72-6460. (a) For school year 2011-2012, subject to any limitations as provided in this act, any school district may expend the unencumbered balance of the moneys held in the at-risk education fund, as provided in K.S.A. 76-6414a, and amendments thereto, bilingual education fund, as provided in K.S.A. 72-9509, and amendments thereto, contingency reserve fund, as provided in K.S.A. 72-6426, and amendments thereto, driver training fund, as provided in K.S.A. 72-6423, and amendments thereto, parent education program fund, as provided in K.S.A. 72-3607, and amendments thereto, preschool-aged at-risk education fund, as provided in K.S.A. 72-6414b, and amendments thereto, professional development fund, as provided in K.S.A. 72-9609, and amendments thereto, summer program fund, as provided in K.S.A. 72-8237, and amendments thereto, textbook and student materials revolving fund, as provided in K.S.A. 72-8250, and amendments thereto, special education fund, as provided in K.S.A. 72-965 and 72-6420, and amendments thereto, virtual school fund, as provided in K.S.A. 72-3715, and amendments thereto, and vocational education fund, as provided in K.S.A. 72-6421, and amendments thereto, to pay for general operating expenses of the district out of the general fund as approved by the board of education of such district.

The board of education of a school district shall consider the use of such funds in the following order of priority:

(1) At-risk education fund, bilingual education fund, contingency reserve fund, driver training fund, parent education program fund, preschool-aged at-risk education fund, professional development fund, summer program fund, virtual school fund and vocational education fund;

(2) textbook and student materials revolving fund; and

(3) special education fund.
The board of education of a school district shall not be limited to the order of priority as listed in this subsection if the board so chooses. The board of education of a school district shall not be required to use the total amount of the unencumbered balance of moneys in a fund before using the unencumbered balance of moneys in another fund.

(b) The amount of money expended by a school district in school year 2011-2012 from the unencumbered balance of moneys in the funds under subsection (a) of this section shall not exceed, in the aggregate, an amount determined by the state board of education. Such amount shall be determined by the state board as follows:

(1) Determine the adjusted enrollment of the district, excluding special education and related services weighting, for the current school year;

(2) subtract the amount of base state aid per pupil appropriated to the department of education for fiscal year 2012 from $4,012; and

(3) multiply the difference obtained adjusted enrollment determined under paragraph (2) by the number determined under paragraph (1) $250. The product is the aggregate amount of moneys that may be expended by a school district in the current school year 2011-2012 from the unencumbered balance of moneys in the funds under subsection (a) of this section.

(c) It is the public policy goal of the state of Kansas that at least 65% of the aggregate of all unencumbered balances authorized to be expended for general operating expenses pursuant to subsection (a) shall be expended in the classroom or for instruction, as provided in K.S.A. 2011 Supp. 72-64c01, and amendments thereto.

Sec. 14. K.S.A. 2011 Supp. 72-8237 is hereby amended to read as follows: 72-8237. (a) The board of education of any school district may: (1) Establish, operate and maintain a summer program for pupils; (2) enter into cooperative or interlocal agreements with one or more other boards of education for the establishment, operation and maintenance of a summer program for pupils; and (3) prescribe and collect fees for providing a summer program for pupils or provide such program without charge.

(b) Fees for providing a summer program for pupils shall be prescribed and collected only to recover the costs incurred as a result of and directly attributable to the establishment, operation and maintenance of the program.

(c) No school district may collect fees for providing a summer program for pupils required to attend such a program in accordance with the provisions of law, rules and regulations of the state board of education, policy of the board of education, or an individualized education plan developed for an exceptional child.

(d) There is hereby established in every district which establishes, operates and maintains a summer program a fund which shall be called the summer program fund, which fund shall consist of all moneys deposited therein or transferred thereto according to law. All moneys received by a district from fees collected under this section or from any other source for summer programs shall be credited to the summer program fund. The expenses of a district directly attributable to summer programs shall be paid from the summer program fund.

Any unencumbered balance of moneys remaining in the summer program fund of a school district on June 30, 2011, may be expended in the school year 2011-2012 that immediately succeeds such date by the school district for general operating expenses of the school district as approved by the board of education.

(e) As used in this section, the term "summer program" means a program which is...
established by the board of education of a school district and operated during the summer months for the purpose of giving remedial instruction to pupils or for the purpose of conducting special projects and activities designed to enrich and enhance the educational experience of pupils, or for both such purposes.

Sec. 15. K.S.A. 2011 Supp. 72-8250 is hereby amended to read as follows: 72-8250. (a) There is hereby established in every school district a textbook and student materials revolving fund. Moneys in such fund shall be used to:

1) Purchase any items designated in K.S.A. 72-5389, and amendments thereto;
2) Pay the cost of materials or other items used in curricular, extracurricular or other school-related activities; and
3) Purchase textbooks as authorized by K.S.A. 72-4141, and amendments thereto.

(b) Any balance remaining in the textbook and student materials revolving fund at the end of the budget year shall be carried forward into that fund for succeeding budget years. Such fund shall not be subject to the provisions of K.S.A. 79-2925 through 79-2937, and amendments thereto. In preparing the budget of such school district, the amounts credited to and the amount on hand in the textbook and student materials revolving fund, and the amount expended therefrom shall be included in the annual budget for the information of the residents of the school district. Interest earned on the investment of moneys in any such fund shall be credited to that fund.

Any unencumbered balance of moneys remaining in the textbook and student materials revolving fund of a school district on June 30, 2012, may be expended in the school year 2011-2012 that immediately succeeds such date by the school district for general operating expenses of the school district as approved by the board of education in an amount not to exceed 1/3 of the unencumbered balance of the school district's textbook and student materials revolving fund.

Sec. 16. K.S.A. 2011 Supp. 72-9509 is hereby amended to read as follows: 72-9509. (a) There is hereby established in every school district a fund which shall be called the bilingual education fund, which fund shall consist of all moneys deposited therein or transferred thereto according to law. The expenses of a district directly attributable to such bilingual education programs shall be paid from the bilingual education fund.

(b) Any balance remaining in the bilingual education fund at the end of the budget year shall be carried forward into the bilingual education fund for succeeding budget years. Such fund shall not be subject to the provisions of K.S.A. 79-2925 through 79-2937, and amendments thereto. In preparing the budget of such school district, the amounts credited to and the amount on hand in the bilingual education fund, and the amount expended therefrom shall be included in the annual budget for the information of the residents of the school district. Interest earned on the investment of moneys in any such fund shall be credited to that fund.

Any unencumbered balance of moneys remaining in the bilingual education fund of a school district on June 30, 2012, may be expended in the school year 2011-2012 that immediately succeeds such date by the school district for general operating expenses of the school district as approved by the board of education.

(c) Each year the board of education of each school district shall prepare and submit to the state board a report on the bilingual education program and assistance provided by the district. Such report shall include information specifying the number of pupils who were served or provided assistance, the type of service provided, the
research upon which the district relied in determining that a need for service or assistance existed, the results of providing such service or assistance and any other information required by the state board.

Sec. 17. K.S.A. 2011 Supp. 72-9609 is hereby amended to read as follows: 72-9609. There is hereby established in every school district a fund which shall be called the professional development fund, which fund shall consist of all moneys deposited therein or transferred thereto according to law. Prayer by Rep. Bethell:

Our Father,
This is the day that you have made, let us rejoice and be glad in it.

We thank you for your watch care over us and ask for your continued involvement with our lives. Isaiah tell us that “your ways are not our ways and your thoughts are not our thoughts” yet as we get to the teachings of your Son we learn that we are to emulate Him. That necessitates our study of Him and His teachings.

Those teachings can be summarized from the writings of Matthew when Jesus said there are two commandments: one dealing with our relationship with you in that we should love you with all of our heart, mind and soul. And the second commandment, that we should love our neighbor as our self. He then tells us that upon those rest all the law and the prophets.
Remind us O Lord that we are to become like you in all of our dealings. I ask this in your name, Amen.

The Pledge of Allegiance was led by Rep. Trimmer.

EXPLANATIONS OF VOTE

MR. SPEAKER: I vote “YES” on H Sub for H Sub for SB 145. One disgruntled Congressman should not dictate what the Kansas Legislature should do with regard to the constitutionally required redrawing of congressional district lines. H Sub for H Sub for SB 145 offers yet another alternative for the required balancing of Kansas population among the four congressional districts, one that recognizes that the 1st District will probably continue to lose population and the 3rd District will continue to gain population. These two districts need to be contiguous. H Sub for H Sub for SB 145 accomplishes that in a reasonable and compact way. – MIKE O'NEAL

MR. SPEAKER: I vote No on this map (H Sub for H Sub for SB 145) not that I like or dislike the map. But after sitting for hours on a call of the house I cannot support the bullying measures taken. I have seen people brought in on their death bed for a vote. I am the No Bull Zone and the way this is passed is outside the zone. – BILL OTTO

MR. SPEAKER: I vote no on H Sub for H Sub for SB 145. My constituents in Leavenworth County are opposed to this map. The Leavenworth/Lansing Chamber of Commerce has written to the Redistricting Committee to express its opposition to dividing Fort Riley from Fort Leavenworth in their representation in Congress. I have received multiple comments from constituents who feel they are being used in a gerrymandering scheme to the detriment of the county and Kansas has become a laughing stock. They do not feel they are a community of interest with the western part of Kansas and the Congressman for Western Kansas agrees. – MELANIE MEIER

MR. SPEAKER: I support Riley County staying in the 2nd District. I testified in the Redistricting Committee to keep Riley County in the 2nd District because I believe it is better for rural Kansas to have a strong 1st District and for Manhattan to remain in a more urban 2nd District.

I supported most of over 20 maps that keep Riley County in the 2nd District but this map is a direct gerrymandering that violates the community of interest requirement. If
this bill fails we will go back to work on it again. We can do better. I vote no on H Sub for H Sub for SB 145. – SYDNEY CARLIN

H Sub for SB 291, AN ACT concerning the Kansas restraint of trade act; amending K.S.A. 50-101 and 50-112 and repealing the existing sections, was considered on final action.

(c) Except as provided in subsection (e), a prosecution for a sexually violent offense as defined in K.S.A. 22-3717, and amendments thereto, shall be commenced within the limitation of time provided by the law pertaining to such offense or one year from the date on which the identity of the suspect is conclusively established by DNA testing, whichever is later.

(d) Except as provided by subsection (e), a prosecution for any crime, as defined in K.S.A. 2011 Supp. 21-5102, and amendments thereto, not governed by subsections (a), (b) or (c) shall be commenced within five years after it is committed.

(e) The period within which a prosecution shall be commenced shall not include any period in which:

(2) the accused is concealed within the state so that process cannot be served upon the accused;

Corroborating evidence may include, but is not limited to, evidence the defendant committed similar acts against other persons or evidence of contemporaneous physical manifestations of the crime.

(a) The board of regents may adopt rules and regulations for the admission of students at the state educational institutions. Except as provided by subsection (f), the rules and regulations shall include the following:

(1) Each Kansas resident who has graduated from an accredited Kansas high school and who is seeking admission to a state educational institution shall be admitted if the applicant for admission has achieved at least one of the following:

(A) The applicant has completed the precollege curriculum prescribed by the board of regents with a minimum grade point average of 2.0 on a 4.0 scale or has been recognized by the board of regents as having attained a functionally equivalent level of education; or

(2) Each Kansas resident who has graduated from a non-accredited private secondary school, as defined in K.S.A. 72-53,100, and amendments thereto, and who is seeking admission to a state educational institution shall be admitted if the applicant for admission has a composite American college testing program (ACT) score of not less than 21 points.

(3) Admission to all state educational institutions shall be granted to each Kansas resident under 21 years of age who has earned the general educational development (GED) certificate with an overall score of not less than 50 points.

(4) Admission to all state educational institutions shall remain open for each
Kansas resident who is 21 years of age or older and who has:

(5) Each state educational institution shall establish and maintain a policy permitting the admission of not more than 10% of the total number of freshman class admissions to the state educational institution as exceptions to the minimum admissions standards prescribed by this section. These exceptions shall only be applied to students who are bona fide residents of Kansas in accordance with rules and regulations of the board of regents and which rules and regulations are substantially similar to law, rule or regulation relative to the determination of resident status for tuition purposes. Such policy shall also provide that in determining which students to admit as exceptions to the minimum admissions standards prescribed by this section, the state educational institution shall give preference to persons who are in military service. The board of regents shall adopt rules and regulations prescribing criteria and guidelines to be applied on a system-wide basis to policies established by the state educational institutions for the purpose of permitting freshman class admissions to the institutions as exceptions to the minimum admissions standards prescribed by this section. On or before January 31 of each year, the board of regents shall submit a report to the legislature containing the number and percentage of freshman class admissions permitted as exceptions to such standards during the preceding academic year. The information contained in the annual report shall be disaggregated by institution.

(6) Each Kansas resident who has earned at least 24 credit hours of transferable course work with a cumulative grade point average of not less than 2.0 on a 4.0 scale at an accredited community college, university or other college shall be admitted as a transfer student to the state educational institutions. Each state educational institution may permit the admission of not more than 10% of the total number of such resident transfer admissions to the state educational institution as exceptions to the minimum admission standards prescribed by this paragraph. In determining which students to admit as exceptions to the minimum admissions standards prescribed by this paragraph, the state educational institution shall give preference to persons who are in military service. The board of regents shall adopt rules and regulations prescribing criteria and guidelines to be applied on a system-wide basis for the purpose of admitting students who have earned at least 24 credit hours of transferable course work to state educational institutions as exceptions to the minimum standards prescribed by this paragraph. On or before January 31 of each year, the board of regents shall submit a report to the legislature containing the number and percentage of transfer student admissions permitted as exceptions to such standards during the preceding academic year. The information contained in the report shall be disaggregated by institution.

(7) Each person who is not a resident of Kansas and who has graduated from an accredited high school may be admitted as a freshman to any of the state educational institutions if the person has achieved at least one of the following:

(A) The person has completed the precollege curriculum prescribed by the board of regents with a minimum grade point average of 2.50 on a 4.0 scale or has been recognized by the board of regents as having attained a functionally equivalent level of education; or
(B) the person has a composite American college testing program (ACT) score of not less than 21 points; or

(C) the person ranks in the top \( \frac{1}{3} \) of the person's high school class upon completion of seven or eight semesters.

(8) Each person who is not a resident of Kansas and who has graduated from a non-accredited private secondary school meeting requirements substantially equivalent to K.S.A. 72-53,100 through 72-53,102, and amendments thereto, may be admitted to any state educational institution if the person has a composite American college testing program (ACT) score of not less than 21 points.

(9) Each person who is not a resident of Kansas and who has earned at least 24 credit hours of transferable course work with a cumulative grade point average of not less than 2.0 on a 4.0 scale at an accredited community college, university or other college may be admitted as a transfer student to any of the state educational institutions. Each state educational institution may permit the admission of not more than 10% of the total number of such non-resident transfer admissions to the state educational institution as exceptions to the minimum admission standards prescribed by this paragraph. In determining which students to admit as exceptions to the minimum admissions standards prescribed by this paragraph, the state educational institution shall give preference to persons who are in military service. The board of regents shall adopt rules and regulations prescribing criteria and guidelines to be applied on a system-wide basis for the purpose of admitting students who have earned at least 24 credit hours of transferable course work to state educational institutions as exceptions to the minimum standards prescribed by this paragraph. On or before January 31 of each year, the board of regents shall submit a report to the legislature containing the number and percentage of transfer student admissions permitted as exceptions to such standards during the preceding academic year. The information contained in the report shall be disaggregated by institution.

(10) (A) For those students admitted under an exception to the minimum admissions standards prescribed by this subsection for academic years 2012-2013 and 2013-2014, each state educational institution may require each such student to adopt an individual plan for success.

(B) For those students admitted under an exception to the minimum admissions standards prescribed by this subsection for academic year 2014-2015 and each academic year thereafter, each state educational institution shall require each such student to adopt an individual plan for success prior to enrollment.

(C) Any individual plan for success adopted pursuant to this paragraph shall be reviewed by the student and the student's advisor at least once during the 12-month period immediately succeeding the initial adoption of such plan. Upon completion of such review, the plan may be revised as mutually agreed to by the student and the student's advisor. Nothing in this paragraph shall be construed as prohibiting any plan from being reviewed at any other time while the student is attending such state educational institution, or from being reviewed more than once during any academic year.

(b) The board of regents may prescribe a precollege curriculum which includes, but need not be limited to, four units of English, three units of mathematics, three units of social studies and three units of natural science.

(c) When a Kansas high school is organized in a manner that provides for
documentation of a student's performance in terms other than units of credit or grade point averages, or both, the board of regents shall determine for the students of such school a level of education that is functionally equivalent to the completion of the precollege curriculum with the required grade point average on a 4.0 scale. The determination of a functionally equivalent level of education required under this subsection shall be made by the board of regents after consultation with the state board of education and the board of education or other governing authority having jurisdiction over the students of the affected school.

(d) The board of regents shall determine a level of education that is functionally equivalent to the completion of the precollege curriculum with the required grade point average on a 4.0 scale for persons who are not residents of Kansas.

(e) The board of regents may authorize the chief executive officer of each state educational institution to adopt additional rules and policies relating to admissions of students so long as such rules and policies are not in conflict with the provisions of this section.

(f) The board of regents may adopt rules and regulations establishing standards for the admission of students to state educational institutions that differ from the standards set forth in subsection (a). Rules and regulations adopted pursuant to this subsection that are more rigorous than those set forth in subsection (a) shall not be effective prior to the first day of the fourth academic year following the year in which the rules and regulations are adopted.

(g) Information in reports required to be compiled and submitted to the legislature by this section may be compiled and submitted to the legislature in a single report.

(h) For purposes of this section:

(1) "Individual plan for success" means a written statement for each student admitted under an exception to the minimum admission standards prescribed in subsection (a) that is jointly developed by the student, the student's advisor and any other employee designated by the state educational institution for the purposes of establishing an individualized plan for such student to assist the student in achieving such student's academic goals. In addition to academic coursework, such plan may also address such student's extracurricular activities, financial needs and any other aspect of such student's life which may have a bearing on the student's academic success at the state educational institution. Any such plan may be revised after its initial adoption as mutually agreed to by the student and the student's advisor.

(2) "Military service" means: (A) Any active service in any armed service of the United States; or (B) membership in the Kansas army or air national guard.

(2) hold the balance, if any, for delivery on demand to the occupant or any other recorded lienholders for a period of one year after receipt of proceeds of the sale and satisfaction of the lien. Thereafter, the proceeds remaining after satisfaction of the lien shall be considered abandoned property to be reported and paid to the state treasurer in accordance with the disposition of unclaimed property act.

e) A purchaser in good faith of any personal property sold under the self-service storage act takes the property free and clear of any rights of:

(1) Persons against whom the lien was valid; and
