EXPLANATIONS OF VOTE

MR Speaker: I vote YES on H Sub for SB 294, the hard work to overcome the many
challenges that faced our Appropriations Committee is much appreciated. The people of
Kansas want to believe we are engaging in full and open debate on the many issues that
we act upon.
The budget process requires our full and undivided attention and I believe your
committee and Budget Sub-committees provided that degree of oversight.
Like Budgets before and those to come, the prioritizing of state revenues and
expenditures remains our job #1. – John C. Grange, Richard Proehl

MR. Speaker: H Sub for SB 294, although flawed is a step in the right direction to
promote growth for the Kansas economy. The goals of prudent spending while leaving a
budget surplus are meritorious, but the rescission of the modest funds to reduce the waiting list for desperate autistic children in unconscionable and unacceptable. Trying to meet economic objectives, no matter how desirable by denying assistance to the most needy is a disgrace. I vote no. – S. MIKE KIEGERL

MR. SPEAKER: After careful consideration, I vote no on H Sub for SB 294. While many facets of the final compromise I appreciate, including an increase in the base state aid and an overall freeze in spending, I cannot support a final budget which does not provide measurable property tax relief and denies state employees a well deserved cost of living pay raise.

Today my constituents can’t speak or vote. So today I am casting my vote for the residents of Topeka that continue to face increased property taxes, and for our state’s employees whose work merits our appreciation. – JOE PATTON

MR. SPEAKER: While I appreciate the work of the budget committees of both houses, this budget falls short in fulfilling my values. We show our values by where we put our money. Some would place that value on having a higher ending balance. I value educating our children and, the Christian concept of caring for the least among us. I also have a commitment to helping our local communities reduce the demands on property taxes. These and other priorities of mine were ignored, dashed and neglected by our process and this bill. On H Sub for SB 294, I vote no. – TOM MOXLEY

MR. SPEAKER: I vote no on H Sub for SB 294. While I appreciate that the budget included an increase in the base state aid for schools, it does not begin to restore the massive cuts made over the last few years. The budget also fails to include the property tax cut I supported, fails to properly reward state workers, and fails to help the nearly 7,000 Kansans with disabilities waiting for services. The budget reflects our priorities and Kansans deserve better. – ANN MAH, VALDENIA WINN, GERALDINE FLAHARTY, BRODERICK HENDERSON, ANNIE KUETHER

MR. SPEAKER: The budget conference committee report is always a mixed bag. H Sub for SB 294 is no different. We strongly support the overdue undermarket pay adjustments for state employees and increased aid for K-12 schools contained in this bill. However, we have fought for property tax relief throughout this session and this budget makes no provisions for this through the Local Ad Valorem Tax Reduction Fund. When we have a $600 million budget surplus, surely we can afford to grant much needed property tax relief for all Kansans. Because this got left on the conference committee table, we cannot support H Sub for SB 294 and therefore vote NO. – PAUL DAVIS, GAIL FINNEY, TOM BURROUGHS, BILL FEUERBORN, BARBARA BALLARD, STAN FROWNFELTER, EBER PHelps

In preparing such report, the state board of education shall consider the funding scheme under the postsecondary tiered technical education state aid act. The report shall include, but not be limited to, recommendations for legislative changes and estimates of the cost to the state of implementing such changes.

New Sec. 6. the adjusted enrollment of the district if the district forwards a copy of such
documentation to the state board no later than January 14 of the school year.

(c) This section shall be part of and supplemental to the school district finance and

Sec. 7. From and after July 1, 2013, K.S.A. 2011 Supp. 71-201 is hereby amended
to read as follows: 71-201. (a) The board of trustees, in accordance with the provisions

board shall make an annual report in the manner prescribed by the state board of
regents. Members of the board of trustees shall be paid subsistence allowances, mileage

The term of any lease entered into under authority of this subsection may be for not to exceed 10 years. Such lease may provide for annual or other payment of rent or rental fees and may obligate the community college to payment of maintenance or other expenses. Any lease or lease-purchase agreement entered into under authority of this subsection shall be subject to change or termination at any time by the legislature. Any assignment of rights in any lease or lease-purchase made under this subsection shall contain a citation of this section and a recitation that the lease or lease-purchase agreement and assignment thereof are subject to change or termination by the legislature. To the extent that the provisions of the cash-basis and budget laws conflict with this subsection in such a manner as to prevent the intention of this subsection from being made effective, the provisions of this subsection shall control. This provision is subject to the provisions of subsection (d).

(10) To enter into lease agreements as lessor of any property, whether real, personal, or mixed, which is owned or controlled by the community college. Any such agreement may specify the purposes for which the property may be used, require that the property be maintained and operated by the lessee, and may contain such restrictions or limitations on the use of the property, be entered into for such period of time, and include such other terms and conditions as the board of trustees determines to be necessary and proper. Every such agreement shall be subject to change or termination at any time by the legislature. Any assignment of rights under any such agreement shall be subject to approval by the board of trustees and shall contain a citation of this section and a recitation that the lease agreement and assignment of rights thereunder are subject to change or termination by the legislature.

(11) To determine that any property owned by the college is no longer necessary for college purposes and to dispose of the same in such manner and upon such terms and conditions as provided by law.

(12) To exercise the right of eminent domain, pursuant to chapter 26 of the Kansas Statutes Annotated, and amendments thereto.

(13) To make and promulgate such rules and regulations, not inconsistent with the provisions of law or with rules and regulations of the state board of regents, that are necessary and proper for the administration and operation of the community college, and for the conduct of the business of the board of trustees.

(14) To exercise all other powers not inconsistent with the provisions of law or with the rules and regulations of the state board of regents which may be reasonably necessary or incidental to the establishment, maintenance and operation of a community college.

(15) To appoint a member to fill any vacancy on the board of trustees for the balance of the unexpired term. When a vacancy occurs, the board shall publish a notice one time in a newspaper having general circulation in the community college district stating that the vacancy has occurred and that it will be filled by appointment by the board not sooner than 15 days after such publication.

(16) To contract with one or more agencies, either public or private, whether
located within or outside the community college district or whether located within or outside the state of Kansas for the conduct by any such agencies of education for students of the community college, and to provide for the payment to any such agencies for their contracted educational services from any funds or moneys of the community college, including funds or moneys received from student tuition and fees, funds received from the state of Kansas or the United States for education, or taxes collected under K.S.A. 71-204, and amendments thereto. Any contract made under this subsection with an institution of another state shall be subject to the provisions of K.S.A. 71-202, and amendments thereto.

(17) To authorize by resolution the establishment of a petty cash fund in an amount not to exceed $1,000, and to designate in such resolution an employee to maintain such petty cash fund. The employee designated in any resolution provided for in this subsection receiving such funds shall keep a record of all receipts and expenditures from the fund, and shall from time to time, and at the end of the fiscal year, prepare a statement for the board showing all receipts, expenditures, and the balance in the petty cash fund. The board of trustees may authorize the employee designated to maintain any petty cash fund to make a claim for replenishment of the fund to its original amount in advance of approval by the board of trustees if, at any time during the period between regular monthly meetings of the board of trustees, the balance remaining in the fund is insufficient to make needed expenditures for any purpose for which the petty cash fund is maintained. No petty cash fund may be replenished more than one time during each period between regular monthly meetings of the board of trustees. If a petty cash fund is replenished prior to the end of the fiscal year in accordance with the foregoing authorization, the employee authorized to maintain the petty cash fund shall keep an accurate record of all expenditures made therefrom, and the purpose therefor, and shall submit the record to the board of trustees at the next regular monthly meeting thereof. The petty cash fund shall be replenished by payment from the appropriate funds of the community college to the petty cash fund upon proper claim. The fund shall be kept separate from all other funds and shall be used only for authorized expenditures and itemized receipts shall be taken for each expenditure. No part of such fund may be loaned or advanced against the salary of an employee. All employees entrusted with such funds under this subsection shall be bonded by the community college district.

(c) Subject to the provisions of subsection (d), the board of trustees may purchase or otherwise acquire land or land and improvements and may acquire, construct, reconstruct, repair or remodel improvements thereon or additions thereto, including furnishings, equipment, and architectural and incidental expense related thereto, and for such purposes the board of trustees is authorized to issue and sell general obligation bonds, the cumulative total not to exceed the following amounts: Where the community college district has a taxable tangible valuation of less than $90,000,000 or is located in a county designated as urban under the provisions of K.S.A. 19-3524, and amendments thereto, not to exceed 5% of the taxable tangible property of the community college district, and where the community college district has a taxable tangible valuation of more than $90,000,000 not to exceed 3% except as provided above for any community college district located in a county designated as urban under the provisions of K.S.A. 19-3524, and amendments thereto, of the taxable tangible property of the community college district. If any increase in the valuation of a community college district results in an outstanding bonded indebtedness in excess of that provided in this subsection,
such increase shall not constitute a violation of this subsection. No such bonds shall be issued until the question of their issuance shall have been submitted to a vote of the electors of the community college district at a regular election or at a special election called for that purpose and the majority of the electors voting on the proposition in such community college district shall have voted in favor of the issuance of the bonds. Such election shall be called, noticed and held and the bonds issued, sold, delivered and retired in accordance with the provisions of the general bond law except as herein otherwise expressly provided.

(d) (1) Except as provided in section 3, and amendments thereto, the board of trustees of a community college may purchase or otherwise acquire land or land and improvements within: (1) (A) The community college district; or (2) (B) the service area of the community college. Nothing in this subsection shall be construed or operate in any manner to require a board of trustees to sell, convey or otherwise dispose of land or land and improvements located outside the community college district or the service area of the community college and owned or being acquired by the community college on the effective date of this act.

(2) For the purposes of this subsection, "service area" means a designated geographic area of the state established pursuant to agreement of the presidents of the community colleges and adopted in policy by the state board of regents.

Nothing in this act shall be construed to amend, repeal or in any way change laws relating to community college student or out-district tuition. Each school year, to the extent there are sufficient moneys appropriated to the career technical education secondary program, the state board of regents shall distribute state funds to community colleges, technical colleges and the Washburn institute of technology for the cost associated with secondary students enrolled in postsecondary career technical education programs as determined by the state board of regents.

Except that the director of taxation shall transfer all of the moneys credited to the Wilson county trust account to the Wilson county capital improvement fund in any such tax year until the payment of all costs of financing projects authorized pursuant to K.S.A. 2011 Supp. 74-8961, and amendments thereto, has been completed, and at that time the provisions of this subsection related to distributions to the Wilson county treasurer shall be applicable as provided in this subsection.

On an annual basis, the director of taxation shall certify to the director of accounts and reports the counties entitled to a distribution pursuant to this section. The administration fee shall be imposed and collected prior to crediting any amount to any trust account established and maintained for a county in the oil and gas valuation depletion trust fund. All amounts collected for the administration fee shall be transferred from the oil and gas valuation depletion trust fund to the state general fund.

(d) All moneys credited to the oil and gas valuation depletion trust fund upon the effective date of this act shall be distributed to each county not later than 30 days following the effective date of this act for deposit in the county's oil and gas valuation depletion trust fund established pursuant to the provisions of section 2, and amendments thereto.

The House met pursuant to SCR 1620 with Speaker O'Neal in the chair.

Prayer by Chaplain Brubaker:

Our Heavenly Father,
Today we gather for the last time
as this collective body.
Five months ago we stood here and asked
for Your help through this session.
Thank you for Your guidance, wisdom,
direction and understanding.
For all that was accomplished, we are grateful.
For those things yet to be completed,
we trust You to clear the path for completion.
Today, we pause in silence and in memory
of our friend and colleague, Representative Bob Bethell.
Personally, I thank you for the impact he had on my life...
not to mention the thousands of other lives he touched.
His sudden unexpected passing causes us to
realize just how temporary life really is
and how important it is for us to be careful how we live.
As we look back across the last several weeks,
if we have said hateful things, please forgive us.
If we have been rude to one another, please forgive us.
If we have made getting our way
make us pushy and unbearable, please forgive us.
Help us to be intentional in recognizing that life is short
and that we must show compassion to each other,
display dignity and grace;
and to make each day a challenge
to bring a smile to someone's face.
I pray for each representative as they return to their homes and work.
Be with those who will be campaigning over the summer.
For those who are retiring from this office
or choosing a different path for their future,
thank you for their service --
and be with them in their new adventures.
Continue to give them wisdom and direction.
Please be with Rep. Bowers who just had surgery.
We ask for your healing touch and a speedy recovery.
All these things I pray in Christ's Name, Amen.

The pledge of allegiance was led by Rep. Lorene Bethell.

COMMUNICATIONS FROM STATE OFFICERS

To all to whom these presents shall come, Greetings:

I, Kris Kobach, Secretary of State of the State of Kansas, do hereby certify that Lorene Bethell, Alden, was appointed by the Governor effective June 1, 2012, to the Kansas House of Representatives, One Hundred Thirteenth District, to fill the vacancy created by the death of Robert Bethell.

In Testimony Whereof, I have hereunto subscribed my name and caused to be affixed my official seal this 1st day June, A.D. 2012.

Kris Kobach
Secretary of State

PERSONAL PRIVILEGE

There being no objection, the following remarks of Rep. Siegfried are spread upon the Journal:

I stand before you today for the purpose of honoring our good friend and colleague, Representative Bob Bethell. We are joined by his wife, Lorene, along with his daughter, Aletha, her husband, Todd, and Bob’s grandkids, Addison and Zachary Pelham.

It is my privilege now to present them with this certificate on behalf of this body, signed by the Governor and other legislative leaders commemorating him as the 2012 Capitol Statesman. This is awarded for his exemplary leadership and service above partisan politics.

Bob represented the 113th district since 1999, most recently as Chairman of the House Aging and Long-Term Care Committee. He was a graduate of John Brown University, as well as the University of Illinois. Prior to his service in the legislature, he served as a principal, college admissions director, and a nursing home administrator. From 1994 to 1998, Bob served as Mayor of Alden, Kansas. He was also a pastor for the Alden and Raymond Baptist Churches.

He will always be remembered for his “Veggie Tales” lapel pin and Mickey Mouse ties and pins. These were all things he wore to appropriately remind all of us not to take ourselves too seriously. In his spare time he enjoyed restoring antique cars, and had one of the finest collections around. However, that also meant every year Bob seemed to have a new bill relating to antique cars ready to pass around the legislature. It didn’t take long for us to suspect he might have had his own motives in doing so, and he was always quick with a wink and a nod to confirm.

Above all though, Bob was a tireless advocate for the elderly, the frail, and the disabled. Bob fought for those who simply couldn’t fight for themselves. He was
knowledgeable, thorough, well educated, and relentless. He knew more than anyone when it came to these topics, and never gave up on what he truly believed in.

Through his advocacy, these communities made tremendous gains. The reason for this, in my mind, is that Bob defined statesmanship. Because of this, he was able to accomplish so much in his time here, and I believe its why so many of us will fittingly remember this as his legacy.

We wish you well, my good friend.

PERSONAL PRIVILEGE

The following remarks of Speaker O'Neal are spread upon the Journal:

All of us have lasting memories of life events that have shaped our lives. For me, one of those lasting memories was having my parents explain to me at an early age that I was adopted; that I was born in inner city Kansas City, that my parents had adopted me and had driven me home to Western Kansas through the historic Kansas flooding of 1951. Another one of my lasting memories of living in the basement farm house of my parents between Healy and Manning, Kansas when I was a toddler was listening to Max Falkenstein call KU basketball games. That's where my dream of attending Kansas University was born.

My parents made me feel special, like I had been hand-picked to be theirs. It was many years later when the full significance of that adoption truly sunk in and I realized how close I had probably come to being just another Missouri abortion statistic. I owe my life and my existence to a mother I would never meet, who had made a courageous decision to choose life for me and a future for me and my wonderful adoptive parents.

And what a life it has been so far. Growing up in a small town and attending a small public school was great. I went on, with the tireless and unselfish help of my parents, to realize my dream of a college education at KU and many many evenings of Max Falkenstein and the Jayhawks. I remember how I felt at Max's retirement and loved reading his book: "A Good Place to Stop".

For the past 28 years I have had the honor of serving in the Kansas House of Representatives. While I had a dream of one day serving in this capacity, I never dreamed that I would serve this long. I have been blessed with wonderful constituents in Hutchinson, where I have lived for 36 years. They have seen fit to send and return me to Topeka 14 times since 1984 and I'm eternally grateful for their support and confidence.

I have served long enough to see our son and daughter born, raised and graduated from college during my tenure. Their pride and support of their dad in this endeavor has sustained me through years of dividing my time between here and home. I've had the privilege of serving with seven Governors. I've tried, unsuccessfully, to add up the total number of legislative colleagues I've served with. Perhaps my classmates from the
session of 1985, Rep. Pottorff and Rep. Holmes can help me with that. We have mourned the loss of current and former colleagues and celebrated births, weddings and achievements of current and former colleagues and their families. In short, we have been a family, with all the drama, challenges, conflicts and solidarity that families have.

I have had the experience of serving in both the majority and the minority and had the privilege of serving as Chairman of the House Judiciary Committee on three separate occasions, a position I have truly cherished and I feel blessed to have had the opportunity to serve in this role, bill bundling jokes, aside! I did my time as Education Chairman and oversaw House Redistricting twice, including a Federal Court appearance in 2002 where I defended the Legislature's Congressional map and an interesting recent two-day experience with Minority Leader Davis in Federal Court where we joined to defend the House redistricting map.

I've experienced three Special Sessions and three fascinating contested House election cases, one of which resulted in having the winner decided by drawing a backgammon chip out of a hat on the House floor. Cindy and I were married over at the Dillon House on April 9, 1999 on what we had thought would be the day after first adjournment. The legislative schedule being ever unpredictable, we, of course, didn't get finished and so we wed during the noon recess, had a lovely reception and I returned to the House floor that afternoon to finish out the day's work in my tuxedo. The Topeka Capital photo of me on the House floor in my tuxedo is one of my favorite scrapbook keepsakes. The memories go on and on.

Most of all, I am grateful for the honor and opportunity you have given me to serve two terms as your House Speaker. I've learned that it's not a position for the faint at heart, but it has been a truly awesome and rewarding experience, thanks to you, my fellow House colleagues. I've learned a great deal in this position. First and foremost, I've learned that timing is not something that is within our control, and that this is a good thing. As you know, I had attempted on prior occasions to win the office of Speaker. I had felt it was my time. God and my House colleagues had other plans for me that were not apparent at the time. As I think back on it, had I been elected Speaker when I thought it was my time, I would have missed this time. And, oh what I would have missed. These past two years in particular have been truly historic and I stand here today to thank you for having a better sense of what my time should be than I did!

There has been much speculation about what I would announce today. I apologize for the suspense. In fact, as Cindy will tell you, this has been the hardest decision I think I've ever had to make. On the one hand, I do respect tradition and, in this case the unwritten tradition of a Speaker serving no more than two terms. On the other hand, I have been humbled and moved by the outpouring of support and encouragement of colleagues urging me to continue for another term. These are unique times and special circumstances, they say. We have an amazing class of freshmen who I've only had the chance to serve with for a single term.

I promised myself and my amazingly supportive and patient wife, that I would take time away from the Capital to decide what is best for us and what is hopefully best for the House. Cindy and I have literally discussed this decision for hours over many days and nights. In one of our discussions, focused on the encouragement I've received to continue in this role, we shared a quote she found of a retirement speech given by a retiring military leader who said "I would rather go while I'm being encouraged to stay, rather than stay beyond the time when I should go."
In looking back over the past four years and what we've been able to accomplish here, and, more recently, realizing what an historic session this one has been, I am reminded again of the title of my KU hero Max Falkenstien's book. All things being considered, for me, this is "a good place to stop." Accordingly, I have decided that I will not be seeking re-election to the House in the upcoming election.

I am overwhelmed by the realization that an adopted kid from a Western Kansas farm family of modest means has a chance of becoming the Speaker of the Kansas House of Representatives. We live in a wonderful state, one with unlimited potential and unlimited opportunity. The opportunities I've had and this opportunity in particular have been beyond my dreams. I'm universally told by my former colleagues that there is, in fact, life after the Legislature. To those for whom my decision today disappoints, know that I plan to be close by and I hope and plan that my life after the Legislature includes continuing to work with you in some capacity and helping our great state continue to grow and prosper.

There are too many people to thank today. I have loved working with our amazing legislative staff at all levels. You are always the unsung heroes of this process. You know how emotional I get when mentioning specific people so I'll avoid that for now. I've been blessed with amazing Speaker's Office staff and House colleagues and I've been reaping the rewards of developing lifelong friendships in the legislative halls and on both sides of the aisle as a result of my service here.

My only advice to you today is to continue to honor this great institution and honor those who serve with you. Seriously consider what is best for our state but don't take yourselves too seriously. Continue to acknowledge God's presence here daily. For my part, while I can look back on scores of legislative accomplishments over the years, sometimes the small ones are the most meaningful and rewarding.

I'm particularly proud of the fact that this body has insisted that we honor our nation's flag correctly. We are "one nation under God."

Thank you for your service to Kansas. God bless you all and God bless this great state.

MESSAGE FROM THE SENATE

Announcing the Senate herewith transmits the veto message from the Governor on H Sub for SB 294, An act making and concerning appropriations for fiscal years ending June 30, 2012, June 30, 2013, June 30, 2014, June 30, 2015, and June 30, 2016, for state agencies; authorizing and directing payment of certain claims against the state; authorizing certain transfers, capital improvement projects and fees imposing certain restrictions and limitations, and directing or authorizing certain receipts, disbursements, procedures and acts incidental to the foregoing; amending K.S.A. 2011 Supp. 2-223, 12-5256, 55-193, 72-8814, 74-50,107, 74-99b34, 75-2319, 76-775, 76-783, 76-7,107, 79-2964, 79-2978, 79-2979, 79-3425i; as amended by section 10 of 2012 House Bill No. 2557, 79-34,156, 79-34,171, 79-4227 and 82a-953a and repealing the existing sections, which was received on June 1, 2012, and was read before the Senate on June 1, 2012.

Message to the Senate of the State of Kansas:

I want to thank all Kansas legislators and particularly, the members of the House Appropriations Committee and the Senate Ways and Means Committee, for producing a budget that for the first time in many years meets the statutory requirement of maintaining a 7.5% ending balance. Our state has gone through an incredible transition in just two years: from a projected $500 million deficit to putting nearly half a billion dollars in the bank. A $1 billion swing can only occur when we commit ourselves to shrinking the footprint of state government and pursuing policies that grow the economy. I look forward to continuing this prosperous path in the fiscal years to come.

Pursuant to Article 2, Section 14 of the Constitution of the State of Kansas, I hereby return House Substitute for Senate Bill No. 294 with my signature approving the bill, except for the items enumerated below.

Behavioral Sciences Regulatory Board

Limitation on Expenditures

That portion of Section 12(a) that reads as follows has been line-item vetoed:
“Provided, however, That expenditures from the behavioral sciences regulatory board fee fund for the fiscal year ending June 30, 2012, for leased office space shall not exceed $14.00 per square foot.”

That portion of Section 12(b) that reads as follows has been line-item vetoed:

“Provided, however, That expenditures from the behavioral sciences regulatory board fee fund for the fiscal year ending June 30, 2013, for leased office space shall not exceed $14.00 per square foot.”

Oversight of leased office space is the domain of the Department of Administration. To the extent that we can centrally manage leased space, we can manage our operating costs. These provisions would arbitrarily provide an exception not afforded other agencies and supersede the management function properly placed in the executive branch so I find it necessary to veto them both.

**Department of Health & Environment—Environment**

**Local Environmental Protection Programs**

That portion of Section 84(c) that reads as follows has been line-item vetoed:

“Local environmental protection program.................................................$800,000

Provided, That any unencumbered balance in the local environmental protection program account in excess of $100 as of June 30, 2012, is hereby reappropriated for fiscal year 2013.”

The appropriation of $800,000 from the State Water Plan Fund (SWPF) for the Local Environmental Protection Programs would increase funding beyond my budget recommendations for FY 2013. Funding for this program was not recommended by the Kansas Water Authority nor the Department of Health and Environment, and was not included in my budget. The program was started in the early 1990s for the purpose of providing local governments with technical assistance and grant funds in order to establish environmental programs specifically suited for local priorities. Once the programs were established, the intent was to discontinue the state funding. The addition of $800,000 in expenditures from the SWPF for FY 2013 would result in a negative balance of approximately $565,000 in this state fund. Therefore, I hereby line-item veto this provision.

**Department of Education**

**Uniform Accounting Act for Schools**

That portion of Section 42(a) that reads as follows has been line-item vetoed:

“Operating expenditures (including official hospitality).................................................$50,000”

The 2011 Legislature enacted the Uniform Financial Accounting and Reporting Act for school districts to report expenditures to the Department of Education. This funding was not originally included in my FY 2012 budget recommendations and I believe the agency can develop and maintain this system which is similar to current procedures within current resources. I find it necessary to veto this appropriation.
Department of Revenue

Fee Sweeps

Sections 75(h) and 75(i) have been line-item vetoed in their entirety.

At the direction of the Legislature, the Department of Revenue is now more heavily dependent on fee income for its operations and two of the three fee sweeps included in the appropriations bill are insupportable. For these two, the cash on hand on the date specified will not be sufficient to make such sizable transfers and the agency would not be left with enough funds to function. I am leaving one of the sweeps the agency can manage. The other two sweeps go too far, and I therefore must veto them.

Department of Education

Mentor Teacher Bonuses

That portion of Section 88(a) that reads as follows has been line-item vetoed:
“Mentor teacher program grants...............................................................$484,337”

I proposed educator quality and mentoring reforms as part of my overall education policy reform for consideration this session, however, the Legislature did not adopt most of these initiatives. For a mentoring bonus program to work properly, it must be done in concert with education reform policy. Without those reforms we fail our educators and their students. Therefore I find it necessary to veto this appropriation and look forward to discussing with the Legislature next session how we can improve teacher performance through mentoring.

Kansas Water Office

Water Resource Education

That portion of Section 114(c) that reads as follows has been line-item vetoed:
“Water resource education................................................................. $40,000

Provided, That any unencumbered balance in the water resource education account in excess of $100 as of June 30, 2012, is hereby reapportioned for fiscal year 2013.”

The appropriation of $40,000 from the State Water Plan Fund for the Water Resource Education program would increase funding beyond my budget recommendations for FY 2013 and would also contribute to a negative balance of approximately $565,000 in the State Water Plan Fund. Funding for this program was not recommended in my budget. Therefore, I hereby line-item veto this provision.

Wichita Aquifer Storage

Section 114(d) has been line-item vetoed in its entirety.

The additional appropriation of $500,000 from the Expanded Lottery Act Revenues Fund (ELARF) for the Wichita Aquifer Recharge Project would increase funding beyond my budget recommendations for FY 2013. My FY 2013 budget recommendations included a $500,000 appropriation from the State Water Plan Fund.
for the project that demonstrates an effective method to provide for long-term planning related to future water supplies. Furthermore, the use of the ELARF will have to be leveraged as part of a specific debt reduction and budget balancing strategy. Therefore, I hereby line-item veto this provision.

**State Fair Board**

**Enhanced Marketing**

Section 113(c) has been line-item vetoed in its entirety.

I included funds in the Department of Commerce budget for a study to examine the feasibility of changing the dates when our State Fair is held. Rather than finance this study, the money was shifted to the Fair for promotion. With the projected negative balance in the Economic Development Initiatives Fund and this change in plan, I veto the funds. While it does not bring the EDIF into the black, it will be much closer.

**Department of Social & Rehabilitation Services and Department on Aging**

**FMS Fee for HCBS Providers**

Section 35(b) has been line-item vetoed in its entirety.

That portion of Section 35(l) that reads as follows has been line-item vetoed:

“Mental health and retardation services aid and assistance.......................... $91,429”

That portion of Section 36(a) that reads as follows has been line-item vetoed:

“LTC – medicaid assistance – HCBS/FE ........................................99,634”

Section 122 has been line-item vetoed in its entirety.

The Financial Management System for Medicaid Home and Community Based Services providers was implemented in FY 2012 as required by the Center for Medicare & Medicaid Services. The system pays a $115 per consumer per month fee to providers for administrative services. The 2012 Legislature appropriated a total of $385,878 from the State General Fund in the above referenced sections to increase the fee to $125 for the months from November 2012 to June 2012. This would require retroactive payments that would strain agency resources. No additional funding was approved to continue the increased rate in FY 2013. The agencies set the $115 fee using a range derived from a study performed by an impartial contractor and by using comparisons with rates paid by other states. The rate is well above the national average and in my opinion is fair payment for services provided. I therefore find it necessary to veto these supplemental appropriations for FY 2012.

**Motor Vehicles**

**Limitations on Acquisitions**

Section 119 is vetoed in its entirety.

Agencies purchase vehicles for a variety of reasons and we have a process in place to ensure new purchases are not made unnecessarily. To ensure that agencies have the
resources they need to get their work done, I veto this section of the bill.

**Kansas Bioscience Authority**

**Timing of Transfers from the State General Fund**

That portion of Section 156(d)(1) that reads as follows has been line-item vetoed:

"During the fiscal years ending June 30, 2013, and June 30, 2014, the state treasurer shall make payments to the bioscience authority on July 15, October 15, January 15 and April 15 in equal installments, subject to the limitations established in subsection (h). If on such dates, during fiscal years 2013 and 2014, such payments can not be made in equal amounts, the state treasurer shall make the payment in the amount of moneys that is available on such date and upon the next payment date, the state treasurer shall make the payment in an amount equal to the amount that is to be paid on that date plus any additional amount that is owed from a previous date. During the fiscal years ending June 30, 2015, and following fiscal years thereafter, the state treasurer shall make payments to the bioscience authority on July 15, October 15, January 15 and April 15 based on the certification provided by the secretary of revenue."

In recent years the state has had to delay its quarterly transfers to the Kansas Bioscience Authority from time to time, particularly the November amount, when the State General Fund was low on cash. This was done in cooperation with staff at the Bioscience Authority and was not done in a manner that was intended as punitive or harmful. Because we need to maintain our flexibility in managing the State General Fund cashflow, I veto this provision to require transfers on certain dates. This has the effect of leaving processes as they have been handled up to this point.

**Moving Forward**

The needs are great, and the people of Kansas, particularly our children, depend on us to put our state on a path of economic growth and prosperity. We took a giant step in the right direction this year. I look forward to continuing to work with the Kansas Legislature to review areas where we can reduce the reach of state government, streamline agencies and programs and focus funding on the state’s core responsibilities.

Again, I commend the Legislature for its work during the 2012 session, and I look forward to working with all of you in the coming months and years as we get our state’s budget and economy back on track.

Sam Brownback, Governor
