State of Kansas
KANSAS CONSTITUTIONAL PROVISIONS CONCERNING LEGISLATIVE POWERS

Article 2.—LEGISLATIVE

§ 1. Legislative power.—The legislative power of this state shall be vested in a house of representatives and senate.

§ 2. Senators and representatives.—The number of representatives and senators shall be regulated by law, but shall not exceed one hundred twenty-five representatives and forty senators. Representatives and senators shall be elected from single-member districts prescribed by law. Representatives shall be elected for two year terms. Senators shall be elected for four year terms. The terms of representatives and senators shall commence on the second Monday of January of the year following election.

§ 3. Compensation of members of legislature.—The members of the legislature shall receive such compensation as may be provided by law or such compensation as is determined according to law.

§ 4. Qualifications of members.—During the time that any person is a candidate for nomination or election to the legislature and during the term of each legislator, such candidate or legislator shall be and remain a qualified elector who resides in his or her district.

§ 5. Eligibility and disqualification of members.—No member of congress and no civil officer or employee of the United States or of any department, agency, or instrumentality thereof shall be eligible to be a member of the legislature. Any member of the legislature who accepts any appointment or election contrary to the foregoing shall be disqualified as a member of the legislature.

§ 6. This section was eliminated by the 1974 revision of this article.

§ 7. This section was eliminated by the 1974 revision of this article.

§ 8. Organization and sessions.—The legislature shall meet in regular session annually commencing on the second Monday in January, and all sessions shall be held at the state capital. The duration of regular sessions held in even-numbered years shall not exceed ninety calendar days. Such sessions may be extended beyond ninety calendar days by an affirmative vote of two-thirds of the members elected to each house. Bills and concurrent resolutions under consideration by the legislature upon adjournment of a regular session held in an odd-numbered year may be considered at the next succeeding regular session held in an even-numbered year, as if there had been no such adjournment.

The legislature shall be organized concurrently with the terms of representatives except that the senate shall remain organized during the terms of senators. The president of the senate shall preside over the senate, and the speaker of the house of representatives shall preside over
the house of representatives. A majority of the members than elected (or
appointed) and qualified of the house of representatives or the senate
shall constitute a quorum of that house. Neither house, without the con-
sent of the other, shall adjourn for more than two days, Sundays excepted.
Each house shall elect its presiding officer and determine the rules of its
proceedings, except that the two houses may adopt joint rules on certain
matters and provide for the manner of change thereof. Each house shall
provide for the expulsion or censure of members in appropriate cases.
Each house shall be the judge of elections, returns and qualifications of

Rule 33. Consent Calendar and Recording Reports. Whenever a standing committee is of the opinion that a bill or resolution upon which it is reporting is of non-controversial nature, it shall so state in its committee report. Whenever a bill or resolution is so reported, it shall be placed upon a separate calendar, to be known as the Consent Calendar. Each bill or resolution appearing on the Consent Calendar shall remain thereon for at least two full legislative days before being considered under the order of business Final Action. At any time prior to the call for the vote under the order of business Final Action on a bill or resolution on the Consent Calendar, any member may object to the same as being controversial and the same shall be stricken from the Consent Calendar and take its place on General Orders in the usual order. If no such objection is made prior to the call for such vote on the bill or resolution, it shall be voted upon with other bills and resolutions under the order of business Final Action but before consideration of other bills or resolutions appearing on the calendar under such order of business.

Rule 34. Final Action on Bills and Concurrent Resolutions. On final action on any bill or concurrent resolution, the reading clerk shall read the title, except citations to statutes amended or repealed. If the bill is reported for final action without debate, the question shall be at once put: “Shall the bill pass?” No debate shall be allowed, and no motion shall be in order except the motion to adjourn, or for a call of the Senate, unless in case where a bill has been ordered to be placed on final action subject to amendment, or to amendment and debate or unless by the unanimous consent of the Senate, amendments may be made and considered. Rule 35. Final Passage by Yeas and Nays. The question upon the final passage of a bill and every concurrent resolution for amendment of the constitution of Kansas or ratification of an amendment to the Constitution of the United States shall be taken by a roll call vote of the yeas and nays, which shall be entered on the Journal, and unless the bill or concurrent resolution receives the number of votes required by the constitution to pass it, it shall be declared lost, except in cases provided for in Rule 36 (relating to the absence of a quorum).
Rule 36. No Quorum on Final Vote – Effect. If, on taking the vote on final action on a bill or concurrent resolution, it shall appear that a quorum is not present, then the bill or concurrent resolution shall retain its place on the Calendar and shall again be considered for final action when that order of business is again taken up by the Senate.

When a call is demanded, the President shall order the doors of the Senate to be closed, and direct the Secretary to call the roll of the Senators and note the absentees, after which the names of the absentees shall be again called, and those for whose absence no sufficient excuse is given may be sent for and taken into custody by the Sergeant at Arms, or by Assistant Sergeants at Arms appointed for the purpose, and brought before the bar of the Senate, where unless excused by a majority of the Senators present, they shall be reproved by the President for the neglect of duty.

When there is no call of the Senate, the Senator may pass and shall be recorded in the Journal as present and passing. After the roll is completed and before the roll is closed, a Senator may change such Senator’s vote. No vote shall be recorded and no change in vote may be made without unanimous consent of the Senate after announcement by the presiding officer that the roll is closed.

Rule 41. Committee of the Whole. On motion the Senate may go into Committee of the Whole. The President shall appoint a chairperson to preside over the Committee of the Whole. The rules of the Senate shall be observed in the Committee of the Whole, so far as applicable except that there shall be no limit on the number of times of speaking and Rule 38 (authorizing a call of the senate) shall not apply. After the original bill or resolution, together with standing committee amendments, has been considered section by section the chairperson shall announce “Amendments to the bill (or resolution) generally are in order,” and amendments not before offered may be made to any part of the bill or resolution. A motion to amend the bill or resolution shall not be in order while a motion to strike the enacting clause or resolving clause is pending.

Rule 44. Amendments. (1) Amendments to bills shall be germane to the subject of the bill being amended, and the fact that an amendment is to a section in the same chapter of the Kansas Statutes Annotated as an existing section in the bill shall not automatically render the amendment germane. Amendments to concurrent resolutions for amendments of the constitution of Kansas or ratification of an amendment to the Constitution of the United States shall be germane to the subject of the resolution being amended.

(2) All amendments to bills or resolutions shall be submitted in writing on a form provided by the Senate or on a form substantially similar. If the motion to concur is upon amendments to a bill or concurrent resolution for which a conference committee has been appointed and action has not been taken upon the report of such committee by the other house and such motion fails, the bill or concurrent resolution shall not be deemed to have been killed thereby, but if the motion to concur is upon amendments to a bill or concurrent resolution for which a conference committee has not been appointed and such motion fails, the bill or concurrent resolution shall be deemed to be killed.

(c) Motion to nonconcur; when considered final action; effect of adoption of motion. A vote in the house of origin of any bill or concurrent resolution on a motion to nonconcur or to refuse to concur in amendments to such bill or concurrent resolution by the other house which is not coupled with a request for the appointment of a conference committee shall be considered action on final passage of the bill or concurrent resolution and the affirmative and negative votes thereon shall be entered in the journal, and the bill or concurrent resolution shall be deemed killed on the adoption thereof.

(d) House of origin refusal to concur or nonconcur; request for conference; procedure. When a bill or concurrent resolution is returned by either house to the house of origin with amendments, and the house of origin refuses to concur or to nonconcur therein, a conference may be requested by a majority vote of the members present and voting. Such request shall be transmitted to the other house by message which shall include the names of the conferees on the part of the requesting house. Upon receipt of any such message, the receiving house may, in like manner, approve such conference, and shall thereupon notify the requesting house by message stating the names of its conferees.

(e) Membership; appointment; chairperson; house of origin of substitute or materially changed bill or concurrent resolution; meetings of conference committee. Each conference committee shall consist of three members of the senate and three members of the house of representatives, unless otherwise fixed by agreement of the president of the senate and speaker of the house. Senate members shall be appointed by the president of the senate and house members shall be appointed by the speaker of the house of representatives. The president or the speaker may replace any conferee previously appointed by such person. Not less than one member appointed from each house shall be a member of the minority political party of such house except when such representation for such house is waived by the minority leader of such
house. In all cases, the first-named member of the house of origin of the bill or concurrent resolution assigned to the committee shall be chairperson of the conference committee. The house of origin of a substitute bill or substitute concurrent resolution shall be the house in which the bill or concurrent resolution in its original form was introduced. The chairperson of a conference committee on a bill or concurrent resolution the subject matter of which has been ruled to be materially changed shall be a member of the house which amended the bill or concurrent resolution to materially change the subject matter. Each conference committee shall meet on the call of its chairperson. All meetings of conference committees shall be open to the public and no meeting shall be adjourned to another time or place in order to subvert such policy.

(f) Conference committee reports; subject matters which may be included; report not subject to amendment; house which acts first on report; copies of reports; reports considered under any order of business.

Only subject matters which are or have been included in the bill or concurrent resolution in conference or in bills or concurrent resolutions which have been passed or adopted in either one or both houses during the current biennium of the legislature may be included in the report of the conference committee on any bill or concurrent resolution except in any appropriations bill there may be included a proviso relating to any such item of appropriation. A conference committee report shall not be subject to amendment. The original signed conference committee report shall be submitted to and acted upon first by the house other than the house of origin of the bill or concurrent resolution. Except when a conference committee report is an agree to disagree coupled with a request that a new conference committee be appointed or is a recommendation to accede to or recede from all amendments of the second house electronic and paper copies of the report shall be made available to all members of the house considering the report not later than 30 minutes before the time of its consideration, except that if the report is more than six pages in length no paper copies will be required to be distributed to individual members provided that at least 10 paper copies of the report are made available to members at the clerk’s or secretary’s desk at the front of the respective house. By written notice, the majority leader may direct the clerk or secretary to increase from six pages to some greater number of pages the size of conference committee reports that need not be distributed by paper copies to individual members pursuant to this rule. The affirmative vote of 2/3 of the members present in the house at the time of consideration of the report shall be sufficient to dispense with distribution of copies of the conference committee report to all members of that house. Reports of conference committees may be received and considered under any order of business.
(g) Signatures required on conference committee reports. All initial conference committee reports other than an agreement to disagree coupled with a request that a new conference committee be appointed shall be signed by all of the conferees. All initial conference committee reports which are an agreement to disagree coupled with a request that a new conference committee be appointed shall be signed by a majority of the conferees appointed in each house. If a conference committee report which is an agreement to disagree coupled with a request that a new conference committee be appointed is not adopted, a subsequent conference committee report shall be signed by all conferees unless a subsequent conference committee report which is an agreement to disagree coupled with a request that a new conference committee be appointed is adopted, in which case a conference committee report subsequent to the adoption of such report shall be signed by a majority of the conferees appointed in each house. All other conference committee reports shall be signed by a majority of the conferees appointed in each house.

(h) Vote to adopt conference committee report final action; effect of failure of motion to adopt conference committee report. The vote to adopt the report of a conference committee, other than a report of failure to agree coupled with a recommendation for appointment of a new conference committee, shall be considered final action on the bill or concurrent resolution and the affirmative and negative votes thereon shall be entered in the journal. If the motion fails, the bill or concurrent resolution shall be deemed to be killed. If the motion on a conference committee report which is an agreement to disagree coupled with a request that a new conference committee be appointed fails, the bill or concurrent resolution shall not be deemed to have been killed thereby and remains in conference.

(i) Report of conference committee unable to agree; effect of failure to request new conference committee; effect of failure of motion to adopt report requesting new conference committee. If a conference committee upon any bill or concurrent resolution is unable to agree, it shall report that fact to both houses. Such report may request that a new conference committee be appointed thereon. If the committee so reports but fails to request the appointment of a new conference committee thereon the bill or concurrent resolution shall be deemed to have been killed upon the adoption by either house of such report. If the motion to adopt a report requesting the appointment of a new conference committee fails, the bill or concurrent resolution shall be deemed to be killed.

(j) Bills or concurrent resolutions under consideration by conference committees and reports thereof; carryover from odd-numbered to even-numbered year. Bills or concurrent resolutions under consideration by a conference committee, or a report of which has been filed but no action
Joint rules of the House and Senate

taken thereon in either house, at the time of adjournment of a regular session of the legislature held in an odd-numbered year shall remain alive during the interim and may be considered by the committee and legislature as the case may be at the regular session held in the following even-numbered year.

Joint rule 4. Deadlines for introduction and consideration of bills. The senate and house of representatives shall observe the following schedule of deadlines in making requests for drafting and in the introduction and consideration of bills.

(a) Bill request deadline for individual members. Except for bills introduced pursuant to (i) of this rule, no request to draft bills, except those made by committees, through their respective chairpersons, shall be made to, or accepted by, the office of the revisor of statutes after the hour of 5:00 p.m. on January 26, 2009, during the 2009 regular session and on January 25, 2010, during the 2010 regular session.

(b) Bill introduction deadline for individual members. Except as provided in (i) of this rule, no bill sponsored by a member or members shall be introduced in either house of the legislature after the hour of adjournment on February 4, 2009, during the 2009 regular session and on February 10, 2010, during the 2010 regular session. Such deadline for the introduction of bills by individual members may be changed to an earlier date in either house at any time by resolution duly adopted by the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in such house.

(c) Bill request deadline for certain committees. Except for bills to be introduced pursuant to (i) of this rule, no committee except the committee on ways and means of the senate, select committees of either house when so authorized, the committee on federal and state affairs of either house or the house committees on calendar and printing, appropriations and taxation shall make a request to the office of the revisor of statutes for any bill to be drafted for sponsorship by such committee after the hour of 5:00 p.m. on January 30, 2009, during the 2009 regular session and on February 4, 2010, during the 2010 regular session.

(d) Bill introduction deadline for certain committees. Except as provided in (i) of this rule, no bill sponsored by any committee of either house of the legislature, except the committee on ways and means of the senate, select committees of either house when so authorized, the committee on federal and state affairs of either house or the house committees on calendar and printing, appropriations and taxation shall be introduced in either house after the hour of adjournment on February 6, 2009, during the 2009 regular session and on February 12, 2010, during the 2010 regular session.
(e) House of origin bill consideration deadline. No bill, except bills sponsored by, referred to or acted upon by the committee on ways and means of the senate, select committees of either house when so authorized, the committee on federal and state affairs of either house or the house committees on calendar and printing, appropriations and taxation shall be considered in the house in which such bill originated after the hour of adjournment on February 21, 2009, during the 2009 regular session and on February 27, 2010, during the 2010 regular session.

(f) Second house bill consideration deadline. No bill, except bills sponsored by, referred to or acted upon by the committee on ways and means of the senate, select committees of either house when so authorized, the committee on federal and state affairs of either house or the house committees on calendar and printing, appropriations and taxation shall be considered by the house, not the house of origin of such bill, after the hour of adjournment on March 25, 2009, during the 2009 regular session and March 31, 2010, during the 2010 regular session.

(g) Exceptions to limitation of (d), (e) and (f); procedure. Specific exceptions to the limitations prescribed in subsections (d), (e) and (f) may be made in either house by resolution adopted by the affirmative vote of not less than a majority of the members of such house then elected (or appointed) and qualified.

(h) Deadline which falls on day neither house in session; effect. In the event that any deadline prescribed in this rule falls on a day that neither house of the legislature is in session, such deadline shall be observed on the next following day that either house is in session.

(i) Bills introduced in odd-numbered years after deadlines; effect. Bills may be introduced by members and committees in regular sessions occurring in an odd-numbered year after the times prescribed in (b) and (d) of this rule, but there shall be no final action thereon by either house during the session when introduced. Such bills shall be held over for consideration at the next succeeding regular session held in an even-numbered year.

(j) Modification of schedule of deadlines for introduction and consideration of bills; procedure. In any regular session a concurrent resolution may be adopted by the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified of each house setting forth a different schedule of deadlines for introduction and consideration of bills for that session and the provisions of such concurrent resolution shall apply to such session notwithstanding provisions of this rule to the contrary.

(k) Bill consideration deadline; exceptions. No bills shall be considered by the Legislature after April 4, 2009, during the 2009 regular session and after April 10, 2010, during the 2010 regular session except bills vetoed by
the Governor, the omnibus appropriation act and the omnibus reconciliation spending limit bill provided for under K.S.A. 75-6702 and amendments thereto. This subsection (k) may be suspended for the consideration of a specific bill or bills not otherwise exempt under this subsection by the affirmative vote of a majority of the members then elected (or appointed) and qualified in the house in which the bill is to be considered.

Joint rule 5. Closure of meetings to consider matters relating to security. Any standing committee of the House of Representatives, any standing committee of the Senate, the Legislative Coordinating Council, any joint committee of both houses of the legislature, any special or select committee of the House of Representatives or the Senate, the House of Representatives in session, the Senate in session or a joint session of the House of Representatives and the Senate may meet in closed, executive session for the purpose of receiving information and considering matters relating to the security of state officers or employees, or both, or the security of buildings and property under the ownership or control of the State of Kansas.
EXPLANATION OF ABBREVIATIONS

SB 1 ........................Senate Bill No. 1
SCR 1601......................Senate Concurrent Resolution No. 1601
SP 1 ........................Senate Petition No. 1
SR 1801......................Senate Resolution No. 1801
HB 2001 ......................House Bill No. 2001
HCR 5001.....................House Concurrent Resolution No. 5001

FIRST DAY

SENATE CHAMBER, TOPEKA, KANSAS
Monday, January 12, 2009—2:00 p.m.

In accordance with the provisions of the constitution of the State of Kansas and KSA 46-142(d), the 2009 Session of the Kansas Legislature was called to order by Secretary of State Ron Thornburgh.

Secretary Thornburgh introduced the Rev. Fred S. Hollomon, Topeka, Kansas, who will again serve as the Senate Chaplain and delivered the following invocation:

Heavenly Father,
Last year we were dealing
With a shortfall in the millions,
Now we hear it could amount
To, believe it or not, a billion!
So it seems to me, O God,
Our problem has really grown
To where it’d be unwise
To tackle it alone.
I think we need your help, O God,
More than we did before,
To even have a chance
Our balance to restore.
There may be those who wonder, Lord,
Whether it matters much to You
What happens in these chambers
And what it is we do.
Should there really be a doubt,
Then once more we should recall
The advice Ben Franklin gave
In Constitution Hall.
When the convention was in trouble
It was Franklin who advised,
“If God knows when sparrows fall,
Won’t He help an empire rise?”
Please don’t let the Chaplain, Lord,
Be the only one who prays.
Let there be a lot of praying
During these ninety days.
Even research supports prayer,
So for this session’s sake
Don’t let us act surprised
At the difference that You make!
I pray in the name of Jesus,  
AMEN  
The Pledge of Allegiance was led by Secretary Thornburgh.  
Secretary Thornburgh appointed Pat Saville to serve as temporary Secretary of the Senate until such time as a permanent secretary is appointed.  
Secretary Thornburgh requested the reader to call the roll of the Senate from the certified list of members-elect as submitted by the Secretary of State and recorded in the preorganizational meeting of December 1, 2008.  
Forty members-elect were present.  
Secretary Thornburgh introduced the Honorable Marla J. Luckert, Justice of the Kansas Supreme Court, who administered the Oath of Office to the newly elected senators.  

OATH OF OFFICE  
STATE OF KANSAS, COUNTY OF SHAWNEE, ss:

REMARKS BY PRESIDENT MORRIS

Congratulations welcome to the Kansas Senate. For some, today is a landmark. The result of a dream, plus the hard work of a campaign, and the support of family and thousands of friends you never knew you had. For others, this ceremony is not new, but serves as a reminder of the responsibilities you bear because of the office you hold.

We are privileged to be here, to be able to serve the citizens of Kansas. I also feel very honored to have the opportunity to serve another term as your Senate President, and I look forward to working with all of you.

There is a phrase that has become very popular with self-help pundits: The universe rewards action. There are books, websites, blogs, and entire life strategies built around this concept.

I think the better version of this saying is attributed to Dante Alighieri, the 14th Century Italian poet, writer, literary theorist, moral philosopher, and political thinker. He said, “The secret of getting things done is to act.”

What better guidance could we have at this critical point in our State’s history? We face tremendous fiscal difficulties that have been further complicated by a faltering economy. We need to establish a statewide, comprehensive energy plan, we need to craft a new long term comprehensive transportation plan, and we must find a way to continue to provide the most basic government services to those most in need. Our choices are certain to be painful.

We have to act. Failure to take action is to fail the voters who sent us here. By failing to act, we would also be failing ourselves and each other. So let’s work together, within our caucuses and across party lines. Let’s meet these challenges head-on. By setting wise policies now, we can save future lawmakers from facing this same quandary in future legislative sessions.

But today is a day of celebration and recognition. While we enjoy the congratulations that come with earning a seat in the Senate, let’s take a moment to recognize our closest advisors, our most enthusiastic cheerleaders and sometimes our most honest critics: our family members who are here to share this day with us.

To all our family members gathered in this chamber, in the galleries, and those who were unable to attend, we extend our thanks and gratitude for your sacrifice and support. Thank you.

REMARKS BY MINORITY LEADER HENSLEY

Mr. President:

On behalf of the Democratic caucus, I want to congratulate you, the Vice President, the Majority Leader and the other Republican leadership on your election to your respective offices.

I’ve enjoyed working with you in the past four years, and our caucus looks forward to working with you during this new term of office.

We pledge to work with you but also acknowledge that there will be those times in the process when we will, in the legislative vernacular, “agree to disagree.”

I want to thank my fellow Democrats for electing me to once again serve as their leader. This is a high honor you have given me and I will do my best to represent you.

I also want to welcome everyone to my hometown, especially the new members of the Kansas Senate.

And, I want to welcome our family members to the Senate Chamber and thank them for their support during the “rough and tumble” of the recent election campaigns.
Speaking of the “rough and tumble” of campaigns, I told the President and Majority Leader this morning one of my favorite political stories from the famous Lincoln-Douglas debates when the two were running for the U.S. Senate from Illinois in 1858.

Stephen Douglas called Abraham Lincoln “two-faced.” Whereupon Lincoln replied, “I leave it to my audience. If I were two-faced, why would I wear this one?”

I also thank our families in advance for their patience and understanding while we are away from them during our time spent here in this legislative session and the sessions ahead.

I want to take this opportunity to mention several “firsts” among the members of the Democratic caucus.

Today, marks the first time that the Senator from Wyandotte, Senator Haley, was on time for his own swearing in!

The new Senator from Douglas, Senator Holland and his successor in the House are the first Senator and House member duo from the community of Baldwin City since Abraham Lincoln was President.

The new Senator from Wyandotte, Senator Kultala, is the first female Senator to be elected and sworn in from Wyandotte County.

And, even more significant, the new Senator from Sedgwick, Senator Faust-Goudeau, is the first African-American woman in Kansas history to be elected and sworn in to the Kansas Senate.

Another first in our caucus is that our Executive Secretary, Carolyn Campbell, will be sworn in tomorrow as the first African-American in Kansas history to the Kansas State Board of Education.

It is an understatement to say that the 2009 session will confront all of us with many great and difficult challenges.

I told a group of Democrats yesterday that the challenges facing us this session are the most serious I’ve seen in my tenure, and this is my 33rd session.

The downturn in our national and state economy and the shortfall in our state’s budget will set the stage for some really tough and unpopular choices.

And, tonight, we will hear from Governor Sebelius as to what she believes many of those choices will be.

But, political leaders and legislative bodies have been confronted with difficult challenges throughout the years.

Much to what I know is of interest to the Majority Leader, I have on occasion referred to Presidential history on this floor.

This year, 2009, marks the 200th anniversary of the birth of a man who was, in my opinion, the greatest of all American Presidents.

Abraham Lincoln was born in Hardin County, Kentucky on February 12, 1809.

And, if we believe the challenges we will face are tough, they pale in comparison with a divided nation at war and in peril of its very survival while Lincoln was President.

But, he reminded his fellow countrymen, with words he thought few people would ever remember, that even in the darkest days of our nation’s history, they should continue to highly resolve themselves to the cause that “government of the people, by the people, for the people, shall not perish from the earth.”

The challenges we face today do not even come close to putting government in peril. But, the decisions we make in response to those challenges will have a profound impact on the citizens we represent.

Let us make those decisions in a spirit of inclusion and bi-partisanship.
Let us work together to maintain the best possible safety net we can for the people of Kansas, particularly the most vulnerable among us.

Let us resolve ourselves to what another of my favorite Presidents once said. Franklin Roosevelt said, “The test of our progress is not whether we add more to the abundance of those who have much, it is whether we provide enough for those who have too little.”

Again, my congratulations to everyone. Now it’s on to the work of the people.

Senator Hensley

therein: That the following joint rules shall be the joint rules of the Senate and House of Representatives for the 2009-2010 biennium.

JOINT RULES OF THE SENATE AND HOUSE OF REPRESENTATIVES
2009-2010

Joint rule 1. Joint rules; application and date of expiration; adoption, amendment, suspension and revocation. (a) Joint rules; expiration, adoption, amendment, suspension and revocation; vote required. Joint rules are adopted under the authority of section 8 of article 2 of the Constitution of the State of Kansas and shall govern matters made subject thereto except when otherwise specifically provided by joint rule. Joint rules shall expire at the conclusion of the terms of representatives. Joint rules shall be adopted, amended, suspended and revoked by concurrent resolution of the two houses of the legislature. Concurrent resolutions adopting joint rules shall receive the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in each house.

(b) Amendment, suspension or revocation of joint rules; previous notice; vote required. After one day’s previous notice, joint rules may be amended, suspended or revoked by the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in each house. Upon the filing of such notice in either house, a message shall be sent to the other house advising of the filing of such notice and the reading of the message shall constitute notice to the members of such house. If such previous notice is not given, the affirmative vote of 2/3 of the members then elected (or appointed) and qualified in each house shall be required for the amendment, suspension or revocation of a joint rule.

(c) Amendment, suspension or revocation of joint rules at commencement of legislative session; vote required; conditions. Notwithstanding any provision of this rule to the contrary, no notice shall be required for the adoption of a concurrent resolution amending, suspending or revoking any one or more joint rules at the commencement of a legislative session, and adoption of any such concurrent resolution shall require only the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in each house, subject to the following conditions: (1) The concurrent resolution is sponsored by the speaker or the president, and (2) either (a) a copy thereof is mailed to each member of the legislature by deposit in the United States mails not later than 11:00 p.m. on the Thursday preceding the Monday on which the legislative session is to commence or (b) in lieu of mailing, copies of the concurrent resolution are made available to members on the first day of the legislative session and final action is taken on a subsequent legislative day.

Joint rule 2. Joint sessions. (a) Joint session called by concurrent resolution; vote required; time, place and subject matter. A joint session of the senate and house of representatives may be called by concurrent resolution adopted by the affirmative vote of not less than a majority of the members elected (or appointed) and qualified in each house of the legislature or as may otherwise be prescribed by law. Any such resolution shall fix the time and place of the joint session, and the subject matter to be considered at the joint session. Joint sessions shall consider only such matters as are prescribed by law or by the concurrent resolution calling such joint session.

(b) Presiding officer at joint sessions; record of joint session; rules applicable. The speaker of the house of representatives shall preside at all joint sessions of the senate and house of representatives, and the clerk of the house of representatives shall keep a record of the proceedings thereof and shall enter the record of each such session in the journal of the house of representatives. The rules of the house of representatives and the joint rules of the two houses, insofar as the same may be applicable shall be the rules for joint sessions of the two houses.

(c) Votes in joint session; taking; requirements. All votes in a joint session shall be taken by yeas and nays, and in taking the same it shall be the duty of the secretary of the senate first to call the names of the members of the senate, and after which the clerk of the house of representatives shall in like manner call the names of the members of the house. Each member of the senate and the house of representatives present shall be required to vote on all matters considered in joint session, unless excused by a vote of a majority of the members of both houses present.
Joint rule 3. Conference committee procedure. (a) Action by house of origin of bill or concurrent resolution amended by other house. When a bill or concurrent resolution is returned to the house of origin with amendments by the other house, the house of origin may: (1) Concur in such amendments; (2) refuse to concur in such amendments; or (3) refuse to concur in such amendments and request a conference on the bill or concurrent resolution.

(b) Concurrence by house of origin; concurrence prior to taking action on conference committee report by other house; final action; effect of failure of motion to concur. The house of origin of any bill or concurrent resolution may concur in any amendments made by the other house, except that if the bill or concurrent resolution has been referred to a conference committee such action may only be taken prior to the taking of final action upon the conference committee report upon such bill or concurrent resolution by the other house. A vote in the house of origin of any bill or concurrent resolution on a motion to concur in amendments to such bill or concurrent resolution by the other house shall be considered action on the final passage of the bill or concurrent resolution and the affirmative and negative votes thereon shall be entered in the journal. If the motion to concur is upon amendments to a bill or concurrent resolution for which a conference committee has been appointed and action has not been taken upon the report of such committee by the other house and such motion fails, the bill or concurrent resolution shall not be deemed to have been killed thereby, but if the motion to concur is upon amendments to a bill or concurrent resolution for which a conference committee has not been appointed and such motion fails, the bill or concurrent resolution shall be deemed to be killed.

(c) Motion to nonconcur; when considered final action; effect of adoption of motion. A vote in the house of origin of any bill or concurrent resolution on a motion to nonconcur or to refuse to concur in amendments to such bill or concurrent resolution by the other house which is not coupled with a request for the appointment of a conference committee shall be considered action on final passage of the bill or concurrent resolution and the affirmative and negative votes thereon shall be entered in the journal, and the bill or concurrent resolution shall be deemed killed on the adoption thereof.

(d) House of origin refusal to concur or nonconcur; request for conference; procedure. When a bill or concurrent resolution is returned by either house to the house of origin with amendments, and the house of origin refuses to concur or to nonconcur in amendments to such bill or concurrent resolution by the other house which is not coupled with a request for the appointment of a conference committee, a conference may be requested by a majority vote of the members present and voting. Such request shall be transmitted to the other house by message which shall include the names of the conferees on the part of the requesting house. Upon receipt of any such message, the receiving house may, in like manner, approve such conference, and shall thereupon notify the requesting house by message stating the names of its conferees.

(e) Membership; appointment; chairperson; house of origin of substitute or materially changed bill or concurrent resolution; meetings of conference committee. Each conference committee shall consist of three members of the senate and three members of the house of representatives, unless otherwise fixed by agreement of the president of the senate and speaker of the house. Senate members shall be appointed by the president of the senate and house members shall be appointed by the speaker of the house of representatives. The president or the speaker may replace any conferee previously appointed by such person. Not less than one member appointed from each house shall be a member of the minority political party of such house except when such representation for such house is waived by the minority leader of such house. In all cases, the first-named member of the house of origin of the bill or concurrent resolution assigned to the committee shall be chairperson of the conference committee. The house of origin of a substitute bill or substitute concurrent resolution shall be the house in which the bill or concurrent resolution in its original form was introduced. The chairperson of a conference committee on a bill or concurrent resolution the subject matter of which has been ruled to be materially changed shall be a member of the house which amended the bill or concurrent resolution to materially change the subject matter. Each conference committee shall meet on the call of its chairperson. All meetings of conference committees shall be open to the public and no meeting shall be adjourned to another time or place in order to subvert such policy.
(f) Conference committee reports; subject matters which may be included; report not subject to amendment; house which acts first on report; copies of reports; reports considered under any order of business. Only subject matters which are or have been included in the bill or concurrent resolution in conference or in bills or concurrent resolutions which have been passed or adopted in either one or both houses during the current biennium of the legislature may be included in the report of the conference committee on any bill or concurrent resolution except in any appropriations bill there may be included a proviso relating to any such item of appropriation. A conference committee report shall not be subject to amendment. The original signed conference committee report shall be submitted to and acted upon first by the house other than the house of origin of the bill or concurrent resolution. Copies of each report shall be made available to all members of the house considering the same not later than thirty minutes before the time of consideration of the report, except when such report is that members of the committee are unable to reach agreement or is a recommendation to accede to or to recede from all of the amendments of the second house. The affirmative vote of \( \frac{2}{3} \) of the members present in the house at the time of consideration of the report shall be sufficient to dispense with distribution of copies of the conference committee report to all members of that house. Reports of conference committees may be received and considered under any order of business.

(g) Signatures required on conference committee reports. All initial conference committee reports other than an agreement to disagree coupled with a request that a new conference committee be appointed shall be signed by all of the conferees. All initial conference committee reports which are an agreement to disagree coupled with a request that a new conference committee be appointed shall be signed by a majority of the conferees appointed in each house. If a conference committee report which is an agreement to disagree coupled with a request that a new conference committee be appointed is not adopted, a subsequent conference committee report shall be signed by all conferees unless a subsequent conference committee report which is an agreement to disagree coupled with a request that a new conference committee be appointed is adopted, in which case a conference committee report subsequent to the adoption of such report shall be signed by a majority of the conferees appointed in each house. All other conference committee reports shall be signed by a majority of the conferees appointed in each house.

(h) Vote to adopt conference committee report final action; effect of failure of motion to adopt conference committee report. The vote to adopt the report of a conference committee, other than a report of failure to agree coupled with a recommendation for appointment of a new conference committee, shall be considered final action on the bill or concurrent resolution and the affirmative and negative votes thereon shall be entered in the journal. If the motion fails, the bill or concurrent resolution shall be deemed to be killed. If the motion on a conference committee report which is an agreement to disagree coupled with a request that a new conference committee be appointed fails, the bill or concurrent resolution shall not be deemed to have been killed thereby and remains in conference.

(i) Report of conference committee unable to agree; effect of failure to request new conference committee; effect of failure of motion to adopt report requesting new conference committee. If a conference committee upon any bill or concurrent resolution is unable to agree, it shall report that fact to both houses. Such report may request that a new conference committee be appointed thereon. If the committee so reports but fails to request the appointment of a new conference committee thereon the bill or concurrent resolution shall be deemed to have been killed upon the adoption by either house of such report. If the motion to adopt a report requesting the appointment of a new conference committee fails, the bill or concurrent resolution shall be deemed to be killed.

(j) Bills or concurrent resolutions under consideration by conference committees and reports thereof; carryover from odd-numbered to even-numbered year. Bills or concurrent resolutions under consideration by a conference committee, or a report of which has been filed but no action taken thereon in either house, at the time of adjournment of a regular session of the legislature held in an odd-numbered year shall remain alive during the interim and may be considered by the committee and legislature as the case may be at the regular session held in the following even-numbered year.

tives or by rules of the senate for closed meetings, the Committee on Organization, Calendar
and Rules may close its meetings.

The two major political parties shall have proportional representation on each standing
committee other than the Committee on Organization, Calendar and Rules. In the event
application of the preceding sentence results in a fraction, the party having a fraction ex-
ceeding .5 shall receive representation as though such fraction were a whole number.

Rule 8. Special and Select Committees. Special and Select committees of the Senate
and the Chairperson thereof shall be appointed by the President.

Rule 9. Standing Committees—Duties of Chairperson, etc. (a) The chairperson of
each committee shall preside at all meetings of the committee. The chairperson may des-

(b) The chairperson of each committee may call a special meeting of the committee when
necessary.
(c) The chairperson shall have full charge of the committee.
(d) The chairperson of each committee shall cause minutes of each meeting of the com-
mittee to be prepared, subject to approval of the committee at a later meeting. Minutes
shall show the action taken by the committee upon each bill or resolution considered and
the amendments if any voted upon and the disposition of each, whether adopted or not. At
the request of the author of a bill or resolution or any amendment to a bill or resolution, or
on request of any member of the committee, the intent of the author shall be stated in the
committee minutes. At the conclusion of each legislative session copies of all committee
minutes shall be filed with the Director of Legislative Administrative Services.

Rule 10. Vote in Senate Committee. At the time of taking any action upon any bill or
resolution, any member of a committee may demand a division of the vote and the chair-
person shall be required to record the results of the vote as a part of the minutes.

Rule 11. Committee Action on Bills and Resolutions. (a) A committee may recom-
mend that the Senate act favorably, unfavorably or without recommendation upon any mea-

to the Senate. Committee reports shall be signed by the chairperson, and shall be transmitted
to the Senate not later than the second legislative day following the action of the committee.
(b) When a committee fails to report on any bill or resolution following reference to such
committee, it may be withdrawn from the committee by an affirmative vote of 24 members
of the Senate on a motion made as provided in this subsection. Such a motion shall be made
in writing giving the reasons for withdrawal from the committee. Such motion shall be
made under the order of business introduction and notice of original motions and Senate
resolutions. Only one bill or resolution may be named in such a motion. The motion shall
be read by the reading clerk or the member making the motion and shall be printed in the
calendar of the next legislative day under the order of business consideration of motions
and Senate resolutions offered on a previous day. The motion shall be considered on the
legislative day following the day it is made. If the motion prevails, the bill or resolution shall
be placed on the calendar under the order of business General Orders.
(c) Motions to withdraw a bill or resolution from a committee are not subject to amend-
ment or debate.

Rule 12. Adversely Reported Bills and Resolutions. All bills or resolutions adversely
reported shall go upon the Calendar for one day, under the head of Bills Adversely Reported.
A motion to place an adversely reported bill (or resolution) under the order of business
General Orders on the Calendar shall be made when the bill (or resolution) is upon the
Calendar and shall be made when Introduction of Original Motions and Senate Resolutions
is in order, and that motion shall then lie over until the next legislative day when the order
of business Consideration of Motions and Senate Resolutions is reached, but if such motion
is defeated once it shall not be renewed. If an adversely reported bill or resolution has been
previously referred separately under Rule 32 (authorizing the reference of the same bill or
resolution to two or more standing committees), then the motion shall be to return the
adversely reported bill (or resolution) with the committee report attached to the next com-
mittee to which it was referred. If the motion to place the bill (or resolution) on the Calendar
under the order of business General Orders or to return the bill (or resolution) to the next
committee of reference shall prevail, then the words “Adversely Reported” shall be printed
in a line underneath the title of the bill or resolution, and to prevail such motion shall
require an affirmative vote of 24 members of the Senate.

Rule 13. When Bill or Concurrent Resolution Placed on General Orders. When a
bill or a concurrent resolution to amend the constitution has been reported to the Senate
by a committee with the recommendation that it pass or be adopted, it shall immediately

before or immediately after the vote is called but before the result is announced. The
question on excusing any Senator from voting shall be taken without debate and a 2/3
majority of those voting shall be necessary to excuse the Senator. If a Senator refuses to vote, when
not excused, such refusal shall constitute contempt and the President shall, in such case,
order the offending Senator before the bar of the Senate and all privileges of membership
shall be refused such Senator until the contempt shall be duly purged.
Rule 20. When Not Permitted to Vote. No Senator shall be allowed to vote unless the Senator is seated in the Senator’s assigned seat within the Senate chamber when the vote is taken.

The President or Vice President may also name any Senator to temporarily perform the duties of the chair, but the Senator so named shall not act as President beyond adjournment, unless by leave of the Senate. A Senator shall not lose the right of voting on any subject while serving or acting as President.

(b) When a vacancy occurs in the office of President and the Legislature is adjourned to a date more than 60 days after the occurrence of the vacancy, the Senate shall meet within 30 days and elect a member to fill the vacancy. The Vice President shall within 10 days of such occurrence issue a call for the meeting at a time not less than 10 days and not more than 20 days after the date of the call.

(c) When a vacancy occurs in the office of Vice President or majority leader of the Senate, and the Legislature is adjourned to a date more than 30 days after the occurrence of the vacancy, the President shall appoint an acting Vice President or acting majority leader to serve until the convening of the next session of the Legislature, at which time the vacancy shall be filled as though the acting interim appointment had not been made.

(d) When a vacancy occurs in the office of minority leader of the Senate and the Legislature is adjourned to a date more than 30 days after the occurrence of the vacancy, the assistant minority leader shall become the acting minority leader to serve until the convening of the next session of the Legislature, at which time the vacancy shall be filled as though the acting minority leader had not so served.

(e) It is the intention of this rule that any person elected, appointed or designated to serve in accordance herewith to fill a vacancy shall exercise all of the duties and powers of the office so filled.

Rule 22. Party affiliation-change. If any Senator changes political party affiliation (1) from the political party of such Senator at the time of the Senator’s election, or (2) if the Senator was appointed, from the political party of the district convention which elected such person to be so appointed, the following shall apply:

(a) Such Senator shall be removed from all memberships on standing and other committees, from all positions of chairperson or vice chairperson of a standing or other committee, and from any office of the Senate held at the time of such change. 3. To lay on the table.
The several motions specified in this rule shall have precedence in the order named and the first four shall be decided without debate.

Rule 27. Division of Question. (a) If the question in debate contains several points, any Senator may have the same divided, but a motion to strike out and insert shall be indivisible. When a bill or resolution is under consideration in the Senate and after debate is concluded and final action has been announced on the bill or resolution, a request for division of question shall not be in order.

(b) A request for division of question shall be in writing specifying the manner in which the question is to be divided.

(c) The rejection of a motion to strike out and insert one proposition shall not prevent a motion to strike out and insert another proposition, nor prevent a subsequent motion simply to strike out; nor shall the rejection of a motion simply to strike out prevent a subsequent motion to strike out and insert.

Rule 28. Reconsideration of Pending Matters. When a question has been once put and decided it shall be in order for any Senator who voted with the prevailing side to move for a reconsideration thereof, but no motion for reconsideration of any vote shall be in order after the bill, resolution, message, report, amendment or motion, upon which the vote was taken, shall have gone out of the possession of the Senate, nor shall any motion for reconsideration be in order unless made on the same day on which the vote was taken or the next legislative day. No question shall be reconsidered more than once.

Rule 29. Previous Questions. Five Senators shall have the right to move the previous question on any bill, resolution, message, report, amendment, or motion. If no amendment is pending the previous question shall be as follows: “Shall the main question be now put?” If the previous question is decided in the affirmative by a majority vote of those present the main question shall be put without further amendment or debate. If amendments are pending a motion for the previous question shall concern only the last amendment that is pending on which, if the previous question is adopted, the debate will be closed only upon such amendment. The previous question on other questions than the main question shall be as follows: “Shall the question on the (amendment, amendment of an amendment, substitute or other motion affecting same as the case may be) now be put?”

Rule 30. Endorsement on Bills, etc. Before any bill, resolution or petition, addressed to the Senate, shall be received or read, the title of the bill or resolution or a brief statement of the contents of the petition shall be typed on the jacket, with the name of the Senator or committee introducing it.

The reading clerk shall also read the name of the sponsor of the bill or resolution if it has a single sponsor. If the bill or resolution has two sponsors the reading clerk shall read the names of both sponsors, but if the bill or resolution has more than two sponsors the reading clerk shall read the name of the first sponsor together with the words “and others.”

Rule 32. Reference of Bills and Resolutions. All bills shall be referred or rereferred to appropriate standing committees or the committee of the whole by the President. Upon the day of its introduction or upon the next legislative day the President shall refer every bill and each concurrent resolution to be referred to the appropriate standing committee or
the committee of the whole. Bills or resolutions prefiled under K.S.A. 46-801 et seq. and amendments thereto may be referred by the President to the appropriate standing committee or the committee of the whole at any time subsequent to the prefiling of such bill or resolution with the secretary of the senate. Bills introduced by committees, if germane to the purpose and scope of the committee, may be referred to the Committee of the Whole; otherwise to the appropriate standing committee. All bills making an appropriation shall be referred to the Committee on Ways and Means. The President may refer a bill or resolution to two or more standing committees jointly, or separately, in such order as the President may direct, and such bill or resolution, when so referred, shall be considered by the committees in joint meeting, or by each of the committees separately in the order named in the reference, and when the reference is made jointly, the chairperson of the committee named first shall be chairperson of the joint committee.

Rule 33. Consent Calendar and Recording Reports. Whenever a standing committee is of the opinion that a bill or resolution upon which it is reporting is of non-controversial nature, it shall so state in its committee report. Whenever a bill or resolution is so reported, it shall be placed upon a separate calendar, to be known as the Consent Calendar. Each bill or resolution appearing on the Consent Calendar shall remain thereon for at least two full legislative days before being considered under the order of business Final Action. At any time prior to the call for the vote under the order of business Final Action on a bill or resolution on the Consent Calendar, any member may object to the same as being controversial and the same shall be stricken from the Consent Calendar and take its place on General Orders in the usual order. If no such objection is made prior to the call for such vote on the bill or resolution, it shall be voted upon with other bills and resolutions under the order of business Final Action but before consideration of other bills or resolutions appearing on the calendar under such order of business.

Rule 34. Final Action on Bills and Concurrent Resolutions. On final action on any bill or concurrent resolution, the reading clerk shall read the title, except citations to statutes amended or repealed. If the bill is reported for final action without debate, the question shall be at once put: “Shall the bill pass?” No debate shall be allowed, and no motion shall be in order except the motion to adjourn, or for a call of the Senate, unless in case where a bill has been ordered to be placed on final action subject to amendment, or to amendment and debate or unless by the unanimous consent of the Senate, amendments may be made and considered. Like procedure shall apply to concurrent resolutions except that the question put shall be: “Shall the resolution be adopted?” On final action, bills and resolutions may be bulked together for roll call unless objection be made by any Senator.

Rule 35. Final Passage by Yeas and Nays. The question upon the final passage of a bill and every concurrent resolution for amendment of the constitution of Kansas or ratification of an amendment to the Constitution of the United States shall be taken by a roll call vote of the yeas and nays, which shall be entered on the Journal, and unless the bill or concurrent resolution receives the number of votes required by the constitution to pass it, it shall be declared lost, except in cases provided for in Rule 36 (relating to the absence of a quorum).

Rule 36. No Quorum on Final Vote—Effect. If, on taking the vote on final action on a bill or concurrent resolution, it shall appear that a quorum is not present, then the bill or concurrent resolution shall retain its place on the Calendar and shall again be considered for final action when that order of business is again taken up by the Senate.

Rule 37. Roll Call Vote. A roll call vote shall be taken upon all questions upon the demand of five Senators.

Rule 38. Call of Senate—When Made—How Enforced. A call of the Senate may be had upon the demand of five Senators, pending a roll call on the final passage of any bill or resolution, or on any motion to strike the enacting clause, or indefinitely postpone any bill or resolution, and before the result is announced. When a call is demanded, the President shall order the doors of the Senate to be closed, and direct the Secretary to call the roll of the Senators and note the absentees, after which the names of the absentees shall be again called, and those for whose absence no sufficient excuse is given may be sent for and taken into custody by the Sergeant at Arms, or by Assistant Sergeants at Arms appointed for the
purpose, and brought before the bar of the Senate, where unless excused by a majority of the Senators present, they shall be reproved by the President for the neglect of duty.

Rule 39. Dispense with Further Proceedings under Call of Senate. No motion to dispense with further proceedings under the call of the Senate shall be entertained until the President shall be satisfied that the Sergeant at Arms has made diligent effort to secure the attendance of the absentees.

Rule 40. Roll Call Votes. Every Senator in the Senate chamber when a roll call is taken shall respond when the Senator’s name is called. If there is a call of the Senate, the Senator must vote Yea or Nay, except as provided in Rule 19 (senators excused from voting if directly interested in the question). When there is no call of the Senate, the Senator may pass and shall be recorded in the Journal as present and passing. After the roll is completed and before the roll is closed, a Senator may change such Senator’s vote. No vote shall be recorded and no change in vote may be made without unanimous consent of the Senate after announcement by the presiding officer that the roll is closed.

Rule 41. Committee of the Whole. On motion the Senate may go into Committee of the Whole. The President shall appoint a chairperson to preside over the Committee of the Whole. The rules of the Senate shall be observed in the Committee of the Whole, so far as applicable except that there shall be no limit on the number of times of speaking and Rule 38 (authorizing a call of the senate) shall not apply. A motion to lay on the table or a call for the previous question shall not be in order. No substitute motion to amend a bill or resolution shall be in order. A substitute motion to report a bill or resolution to the full Senate once made shall be decided subject only to debate and Rule 51 (motion to strike the enacting or resolving clause). A roll call shall be had on any question subject to the requirements of Rule 37, but no more than five roll calls shall be taken upon any bill or resolution under consideration in the Committee of the Whole.

Rule 42. No Quorum in Committee of the Whole—Procedure. If at any time, when in Committee of the Whole, it be ascertained that there is no quorum present, the chairperson shall immediately vacate the chair and report the fact to the President.

Rule 43. How Bills or Resolutions Considered—Committee of the Whole. Bills or resolutions shall be considered in Committee of the Whole in the following manner: The standing committee report shall first be considered and if it is adopted the bill or resolution as amended by the committee report shall be considered section by section, and as each section is considered, amendments from the floor are in order to that section. If the committee report is not adopted, the bill or resolution, without committee amendments, shall be considered section by section, and as each section is considered amendments from the floor are in order to that section. After a section has been considered, no amendment thereto shall be in order until the whole bill or resolution has been read through. After the original bill or resolution, together with standing committee amendments, has been considered section by section the chairperson shall announce “Amendments to the bill (or resolution) generally are in order,” and amendments not before offered may be made to any part of the bill or resolution. A motion to amend the bill or resolution shall not be in order while a motion to strike the enacting clause or resolving clause is pending.

Rule 44. Amendments. (1) Amendments to bills shall be germane to the subject of the bill being amended, and the fact that an amendment is to a section in the same chapter of the Kansas Statutes Annotated as an existing section in the bill shall not automatically render the amendment germane. Amendments to concurrent resolutions for amendments of the constitution of Kansas or ratification of an amendment to the Constitution of the United States shall be germane to the subject of the resolution being amended.

(2) All amendments to bills or resolutions shall be submitted in writing on a form provided by the Senate or on a form substantially similar. All amendments to printed bills or resolutions shall specify the page and line number as shown on the printed bill or resolution. If a bill or resolution has not been printed, amendments must refer to the typed bill or resolution. All amendments offered, whether adopted or rejected, together with the action taken thereon, shall be recorded in the Journal. When a bill or resolution has been amended, it shall be engrossed before it is enrolled.
(3) In the case of amendment by substitute bill or by substitute concurrent resolution, motion shall be made to substitute a written bill or concurrent resolution for the bill or concurrent resolution under consideration.

Rule 45. Report of Committee of the Whole Subject to Amendment—Time for. The report of the Committee of the Whole is subject to amendment to correctly reflect what has occurred in the Committee of the Whole by motions made at the time the report is offered for adoption by the Senate. When a bill is reported with the recommendation that the enacting clause be stricken, and the report is agreed to by the Senate, the bill shall be considered killed.

Rule 46. Motion for Committee of the Whole to Arise and Report Progress. A motion that the Committee of the Whole shall rise and report progress on any bill shall always be in order and shall be decided without debate, and the matter being considered shall be the first order of business at the next session of the committee, subject to such postponement as the subsequent Committee of the Whole may determine.

Rule 47. Division of the Senate. Whenever a voice vote has been taken upon any question in either the Senate or the Committee of the Whole, any Senator may call for a division of the Senate or Committee of the Whole.

Rule 48. Bills and Resolutions to Final Action. When the Committee of the Whole shall favorably report a bill or resolution, and the report is adopted by the Senate, the bill or resolution shall be considered as ordered to the order of business Final Action. The vote upon the final passage of the bill shall not be taken on the same day on which the bill is placed on Final Action. Bills and resolutions to be sent to the House shall be properly corrected under the supervision of the Secretary of the Senate. The Secretary of the Senate is authorized to correct misspelled words, punctuation and “doublets” or repeated words when preparing bills, resolutions or other documents for signature by officers of the Senate and House.

Rule 49. Bills and Resolutions—Inclusion of Amendments. When a bill or resolution is amended, the Secretary of the Senate shall attach to the original copy all amendments made in the Senate. Substitute bills and substitute concurrent resolutions shall accompany the bill or concurrent resolution for which each is substituted. Upon passage, Senate bills or resolutions, including the original copy and amendments, shall be transmitted to the House.

Rule 50. Reports of Transmittals in Journal—Committee—Reports. Report of transmittal of bills and resolutions to the House shall be immediately entered upon the Journal.

Rule 51. Motion to Strike Enacting or Resolving Clause—Debate Limited. No Senator may speak more than twice on a motion to strike the enacting clause of a bill or the resolving clause of a resolution, and no other motion, except a motion to adjourn, shall be in order until the motion to strike the enacting clause or resolving clause has been decided by roll call vote.

Rule 52. Two-thirds Vote Not Necessary Except on Final Passage of Resolution. When a resolution requiring a vote of 2⁄3 of the Senate for adoption is under consideration, a vote of 2⁄3 shall not be needed to decide any question short of its final passage, except as provided by these rules.

Rule 53. Bills Considered in Regular Order. The Subcommittee on Calendar of the Committee on Organization, Calendar and Rules shall designate from day to day and from time to time the bills to be considered that day and on the next legislative day, and the order of consideration fixed by this subcommittee shall not be changed, except by unanimous consent or by a 2⁄3 vote of all the members of the Senate then elected (or appointed) and qualified, if unanimous consent is refused.

Rule 54. Changing Order on Calendar. Not more than one bill may be named in a motion to change the order of the Calendar, and on each motion no Senator except the Senator making the motion shall speak more than once, nor longer than five minutes.

Rule 55. Resolutions—Classes—Procedures Thereon. Resolutions shall be of the following classes: (1) Senate resolutions; and (2) Senate concurrent resolutions. In acting on them, the Senate shall observe the following procedure:
(1) Senate resolutions shall be in writing, shall be read and shall lie over one day. Senate resolutions other than resolutions for the amendment of rules of the Senate shall not be printed unless ordered by the Senate. There shall be no roll call unless ordered. With the consent of the majority of Senators present and voting, either the requirement to read Senate resolutions or the requirement to lie over one day, or both, may be dispensed with.

(2) Senate concurrent resolutions shall be in writing, shall be read by title, and shall lie over one day. All Senate concurrent resolutions shall be printed, and shall require a roll call on motion to adopt. Propositions to amend the constitution shall be made by concurrent resolution and referred to the proper committee. Other concurrent resolutions may be referred to a proper committee by the President.

All House concurrent resolutions, when in the Senate, shall follow the same procedure as Senate concurrent resolutions.

This rule shall not apply to resolutions relating to the business of the day, nor to resolutions for organization or adjournment.

Rule 56. Confirmation of appointments by Governor or other state official. All nominations or appointments made by the governor or other state official, which are subject to Senate confirmation, may be considered and acted upon by the Senate in either executive or regular session except that no final action thereon may be taken in executive session. When nominations or appointments are made by the governor or other state official for confirmation by the Senate, they shall, unless otherwise ordered by the President, be referred to appropriate committees by the President. Nominations or appointments referred to committees shall be returned to the Senate within 20 legislative days after the same are referred, together with a report thereon, unless additional time be granted by a majority vote of senators present. If the nomination or appointment is not returned to the Senate within the period of time specified for its return and additional time has not been granted, the nomination or appointment shall be considered to be returned to the Senate without recommendation on the next legislative day following the last day of the period of time specified for its return. Any such appointment may be considered and acted upon by the Senate at any time after the nomination or appointment is returned to the Senate. No motion to confirm any such appointment or nomination shall be in order without the unanimous consent of the Senate until the nomination or appointment is returned to the Senate, unless one day’s previous notice thereof is given in open session. Appointments shall be confirmed by the Senate only by an affirmative vote of a majority of all members of the Senate then elected (or appointed) and qualified.

The Senate by resolution, may issue such invitations as it desires. Persons so admitted must stay in the perimeter of the Senate chamber except with the express permission of a member of the Senate. No one registered with the Secretary of State as an agent or lobbyist may be on the floor of the Senate during the hours of 9:30 a.m. to 4:30 p.m. nor at the time the Senate is in session. No person, other than a state officer or employee of the legislative branch or legislator, shall discuss any measure with any Senator on the floor of the Senate during the time the Senate is in session. Any person who violates this rule or any person who shall gain admission to the floor of the Senate by false representation shall be forthwith ejected from the Senate chamber and thereafter be denied admission. No employee shall lobby for or against any measure pending in the Senate, and any employee violating this rule shall be forthwith discharged. Invocation by Chaplain Fred S. Hollomon:

Heavenly Father,
In the garden of Gethsemane
Your only begotten Son
Prayed “Not my will,
But thine be done.”

So when we pray for anything,
It seems that everyone
Should pray “Not my will
But thine be done.”

When we introduce a bill,
Before the process has begun,
We should pray, “Not my will
But thine be done.”

You have a way, O God,
Of blessing anyone
Who always prays, “Not my will,
But only thine be done.”

Help us to remember, Lord,
That there are really none
Who can say we’ve learned to pray,
Until we pray, “Thy will be done.”

I pray in the Name of Jesus Christ,
AMEN

The Pledge of Allegiance was led by President Stephen Morris.

Heavenly Father,

We are here today to honor
Someone to whom honor is due:
You have blessed her, Lord, with talent:
A lady whom we know as Sue.

On the legislative staff in eighty-five
Is where she made her debut;
Rendering outstanding service,
This lady whom we know as Sue.

She was promoted in nineteen ninety-six
To Chief of Staff and we knew
She would continue to excel,
This lady whom we know as Sue.

As Chief of Staff for three presidents,
She did what few people could do:
She adapted to each president's style,
This lady whom we know as Sue.

And now she is retiring
She’s earned some rest, it’s true.
We pray You’ll continue to bless her, Lord,
This lady whom we know as Sue.

I pray this prayer in Jesus’ Name,

AMEN

INTRODUCTION OF ORIGINAL MOTIONS AND SENATE RESOLUTIONS

Senators Morris, Abrams, Apple, Barnett, Brownlee, Bruce, Brungardt, Colyer, Donovan, Emmer, Faust-Goudeau, Francisco, Haley, Hensley, Holland, Huelskamp, Kelly, Kelsey, Kultala, Lee, Lynn, Marshall, Masterson, McGinn, Ostmeyer, Owens, Peterson, Pilcher-Cook, Pyle, Reitz, D. Schmidt, V. Schmidt, Schodorf, Steinenger, Taddiken, Teichman, Umberger, Vratil, Wagle, and Wysong introduced the following Senate resolution, which was read:

SENATE RESOLUTION No. 1804—

A RESOLUTION congratulating and thanking Sue Krische.

WHEREAS, Sue Krische has provided the Kansas Legislature with years of service, including her unprecedented tenure as Chief of Staff to three Senate Presidents over the course of 12 years; and

WHEREAS, Sue Krische was born in Topeka, Kansas. She attended Catholic schools and graduated from Hayden High School prior to attending St. Mary’s College in Leavenworth, Kansas for two years before graduating with a bachelor’s degree in English from Washburn University, Topeka, Kansas; and

WHEREAS, Sue Krische married Larry Krische in 1965, and they lovingly welcomed and raised their three sons: John and his younger twin brothers Matt and Dan. As their sons were growing up, the family followed Larry in his employment with Santa Fe to Chicago, Illinois and San Bernardino, California before ultimately coming back to Topeka in 1971; and

WHEREAS, When her sons were older and in school, Sue Krische began her work for the Kansas Legislature in 1985, serving as a session secretary for Rep. Bill Bunten and as Committee Secretary for House Appropriations under Rep. Bunten from 1987 to 1991 before becoming Administrative Assistant on House Appropriations for Rep. George Teagarden in 1992; and

WHEREAS, Sue Krische made the leap to the Senate in 1993, serving as session secretary to Senate Vice President and chairman of the Senate Judiciary Committee Jerry Moran before later that year moving up the back steps and becoming the full-time Executive Secretary to Senate President Bud Burke; and

WHEREAS, Upon Senator Dick Bond’s ascent to the office of Senate President in 1997, he tapped Sue Krische to serve as his Chief of Staff. Sue Krische continued in her role as Chief of Staff when Senate President Dave Kerr assumed the office in 2001 and when Senate President Stephen R. Morris did so in 2005. Sue Krische’s intelligence, loyalty and discretion were the hallmarks of her service to all three Senate Presidents during her 12 years as Chief of Staff; and
WHEREAS, Sue Krische’s 12-year tenure as the senior staff to the Senate President is unprecedented. Her appointment and reappointment to this key role significantly altered the scope and definition of the position; and

WHEREAS, Sue Krische has been a tremendous asset to the Kansas Legislature throughout her years of service which have been marked by her well known unflappable calm, low-profile approach, unfailing attention to detail and iron determination. Sue Krische’s dedicated service to each Senate President has left an indelible mark on the office of Chief of Staff and her integrity and fairness will long be standards by which other “chiefs” will be measured. Now, therefore,

Be it resolved by the Senate of the State of Kansas: That we congratulate and thank Sue Krische for the years of devoted service she gave to the State of Kansas and for the legacy of excellence she leaves after her many years as Chief of Staff to the office of Senate President; and

Be it further resolved: That we express heartfelt gratitude to Sue Krische for her tireless efforts on behalf of the Kansas Legislature and to wish for her a happy, healthy and eventful retirement. We also thank her family: husband Larry Krische, their eldest son John, his wife Lisa and their baby boy Ben; their twin sons Matt and Dan, with Dan’s wife Amanda, their twin daughters Ellen and Julia and baby boy Sam. May you all enjoy many good times together in the years to come.

On emergency motion of Senator Morris SR 1804 was adopted unanimously.

REMARKS BY SENATOR MORRIS
The Congressional Medal of Honor is the highest award for valor in action which can be bestowed upon an individual serving in the Armed Services of the United States. It is generally presented by the President, in the name of Congress.

If the Kansas Legislature had such an honor, it most certainly would be bestowed upon Sue Krische. For valor in action.

I am not the only Senate President to benefit from having Sue Krische as a “wing man”. Not only did Sue serve as Chief of Staff for an unprecedented three consecutive Senate Presidents, but she was the executive secretary for a fourth Senate President, a committee secretary for a Senate Vice President and served as a committee secretary and administrative assistant to two House Appropriations Chairmen.

I believe some of these distinguished former legislative leaders are here in the chamber today for this special recognition for Sue. To former Senate Presidents Bud Burke, Dick Bond and Dave Kerr, to former Senate Vice President, now Congressman Jerry Moran, and to former House Appropriations Chairmen Bill Bunten and George Teagarden, let’s give a nice round of applause.

Back to you, Sue. It is hard to put into words how much I appreciate all you did for me for the past four years. It is hard to know how to thank you for all you have done through your many years of service to the Senate and to the Legislature. I was thinking back last night, and I cannot begin to count the number of primary campaigns, general election campaigns, the sheer number of candidates—both those who were elected and those who were not. The amount of money you helped raise. The events you helped coordinate. The votes you helped round up and count. The late night phone calls. The early morning meetings. The travel. The good times. The hard times. The times when the Kansas Senate seemed like the only thing in the world that mattered—and the times when the Kansas Senate seemed insignificant compared to life outside the dome.

Through all the good and bad, you remained the consummate professional. When everything else seemed uncertain, your loyalty, credibility and discretion were steadfast. You never sought the limelight, never expected the credit. Your quiet but effective style kept our staff together, and left us Presidents to focus on our jobs.

Thank you, Sue, for your wisdom and your expertise. Thank you for your willingness to do whatever the job required.
You have been an advisor, a confidante and a friend. I will miss you on my staff, but I look forward to remaining friends. I wish you the very best always, and I know the entire Senate joins me in saying farewell, good luck and God Bless.

President Morris introduced members of Sue’s family: her husband, Larry Krishe; her twin sons, Matt and Dan with Dan’s wife Amanda and their children, twin girls Julia and Ellen, and son Sam and Sue’s brother-in-law, Father Vince Krische. Her oldest son, John with his wife Lisa and their son Ben were unable to attend.

In closing President Morris asked the family to take good care of Sue and thanked them for sharing her all these years.

Senators Hensley, Reitz and Vratil also paid tribute to Sue.

On motion of Senator D. Schmidt the Senate adjourned until 2:30 p.m., Thursday, January 15, 2009.
The Senate was called to order by Vice President John Vratil.
The roll was called with thirty-four senators present.
Senators Brungardt, Holland, Lynn, Morris, Pyle and Reitz were excused.
Invocation by Chaplain Fred S. Hollomon:

Heavenly Father,
I want to ask a blessing on
The new Senators who number ten.
Three of them are women,
Seven of them are men.
Tim Owens and Jeff Colyer
Are both from Overland Park.
Use them as only You can
To strike a positive spark.
Holland, Abrams, and Kultala
Come from different cities:
Kansas, Baldwin, and Arkansas;
May they shine in their committees.
Ty Masterson’s from Andover,
Bob Marshall’s from Fort Scott,
Dick Kelsey is from Goddard.
Help them contribute a lot.
Faust-Goudeau is from Wichita,
Pilcher-Cook is from Shawnee.
Bless both of them as they serve,
And may all of them pray for me!
I ask this in the Name of Jesus Christ,
AMEN

The Pledge of Allegiance was led by Vice President John Vratil.

POINT OF PERSONAL PRIVILEGE

Senator Haley rose on a Point of Personal Privilege to give the following remarks:

MR. VICE PRESIDENT; GENTLE COLLEAGUES:
Let me thank each of you (especially the newest members of this body) for allowing me this annual plea without objection. After fifteen years now in this Legislature of commemorating the King holiday (and the weekend that will precede it), frankly, I am joyfully aware that some of us here are ALREADY in step with the concepts of Equality . . .” with Liberty and Justice for ALL. But then, there too, after all of these years, a decade and a half, sadly,
I realize that many of you all never, perhaps ever, will . . . And so sadly, after fifteen years of raising this Point, I realize that some here within the leadership of Kansas, will never be leaders, in your own Districts . . . in your own communities for that matter, for sharing the importance of this Holiday with your families and constituents. The Dr. King Birthday holiday truly epitomizes America’s strength, which we as a productive country have, because of such rich diversity. You know, there are many holidays all over the world. Some (like Christmas and New Year’s, etc.) shared with people of other countries and even other lands; some different but shared in their own way (like Independence or Labor Days, etc.) in other countries . . . but the uniqueness of this Holiday belongs strictly to the United States of America; it doesn’t belong to my religion nor to yours; it doesn’t belong to my political persuasion and it doesn’t belong to yours, the King Holiday is red AND it’s blue AND it’s purple; it belongs to you, it belongs to me and to ALL of us UNIQUELY . . . as Americans. And once again I’m simply here to plead with each of you, as colleagues and as leading Kansans to claim with special pride Ownership of this Holiday and promote cultural awareness and inclusion throughout our borders. Give it your energy, CIVIC SERVICE energy. That force you exert, redoubling in your neighbor, will expand exponentially. Now, that’s the greatest of all potential renewable energy sources! And you know last year, 2008, was a renewal year, Mr. Vice-President. Personally, I have never really been more proud of this country. The world watched our American democracy debate with issue after issue on CONTENT and NOT (well at least not to a large extent) on color or gender or age or race. Almost by chance (many would contend by necessity), Americans put a lot of “-isms” to rest; at least for awhile last year during our presidential election. Where fear had divided, hope instead united and Americans judged the messages and not just the messengers, no matter their age or gender or race. But despite this broadening in our national psyche, despite an unprecedented outcome in any previous presidential race, you know Mr. Vice-President that there is so much left to accomplish. To keep the spirit of the Rev. Dr. Martin Luther King, Jr. Holiday alive and well this weekend should not be another “day off”, but a “day on.” Your leadership, no our leadership is required across our State in each of our cities and villages to remind our constituents, our neighbors and our friends that the legacy of Dr. King is the legacy of a united America. This holiday, which bears but one man’s name, was accomplished by so many many people; who sacrificed and labored; time and resources and even reputation for the creed that is uniquely America. That we are all endowed by our Creator with inalienable rights; rights such as Liberty, Freedom and Justice . . . without partiality to one’s color or one’s creed. As the elected stewards of our great State, I pray that we exert our abilities to do our best to insure that in this, our time, and in this our place . . . that with God’s grace . . . that we too can make a difference. Please. Have a reflective and active King Holiday.

Invocation by Chaplain Fred S. Hollomon:

Heavenly Father,

His name was Martin Luther King, Jr.
He was born and lived in a land of racial prejudice.
I know, because I lived there too.
He followed his father into the gospel ministry.
Like the rest of us, he was not perfect.
But he had a dream.
I believe that dream came from You, O God.
His roots as a Baptist preacher served him well.
He knew it was not Your will for one race to ostracize another.
What made him different was his weapon.
He did not come with a gun.
He refused to resort to violence
His weapon was passive resistance.
And to the surprise of his opposition he won.
The war was not won, but a strategic battle prevailed.
Today, people of all colors drink from the same fountain.
Today, people of all colors use the same rest rooms.
Today, people of all colors eat at the same restaurants
Today, people of all colors sit together on buses.
Today, people of all colors sit together in church.
No, prejudice has not been obliterated.
But the dream of one black Baptist preacher is slowly coming true.
The old song, “We Shall Overcome” marches on.
And I believe if Martin Luther King, Jr. was alive today, he would join me in proclaiming, “Glory to God in the highest, and on earth, peace, among people with whom He is pleased.”

I pray this in the name of Jesus Christ.

AMEN

The Pledge of Allegiance was led by Vice President John Vratil.

REMARKS BY SENATOR HALEY

Mr. President:

Today, it is with a sense of great anticipation that I (or perhaps any legislator, for that matter) utter the complete title and name of “President Barack Obama” for the first time before the Kansas legislature.

(But, I imagine this won’t be the only, or last, time I do invoke his name!) Earlier, many of us watched as President Obama took the oath of office and with it the decidedly arduous task of leading this nation out of what any sane person would agree are some difficult times for the United States of America. The mantra for the campaign for the first American of African descent to hold the office was clear: To provide “Change . . . We can believe in” and the resounding response from the majority of voting America was belief in the genuineness of the Obama appeal. Without recounting the issues of economy; or conflicts; or dependency here . . . polls suggest most Americans overwhelmingly want to see “change” to policies that have failed. We’ve got to do differently than we’ve done before. To meet these challenges, we’ve got to do better. America has to do better.

Now I know Mr. President that President Obama wasn’t voting Kansans choice to bring about change. And I realize too that each of us here are serving by the benefit and at the
mercy of those same voters. Many of them (but hopefully not many of you here) for purely partisan (and some worse) reasons don’t want to see the Obama administration meet any measure of success.

The President, prophetically, has this to say: “The road ahead will be long. Our climb will be steep. We may not get there in one year or even one term, but America—we as a people will get there. There will be setbacks and false starts. There are many who won’t agree with every decision or policy I make as president, and we know that government can’t solve every problem. But I will always be honest with you about the challenges we face. I will listen to you, especially when we disagree. And above all, I will ask you join in the work of remaking this nation the only way it’s been done in America for 221 years—block by block, brick by brick, calloused hand by calloused hand.”

I call on us all to put aside the rancor or partisanship and to pull together for a change this session to restore the greatness that is a solvent compassionate Kansas and a stronger America under the new leadership of this President who has begun to bring about that change this country seeks and many feel that our country in so many ways desperately needs. Kansas does not exist in a vacuum; we are one . . . . of many. After all, ultimately we are now drawing closer as one America. Different races, different cultures, different religions, political parties and creeds maybe, but one America . . . United States of America.

“Ich bin America”
“Yo soy America”
“Je suis America”
“I am America.” We are America.

God Bless the 44th President and his administration; great state of Kansas and the United States of America.

Thank you, Mr. President

On motion of Senator D. Schmidt the Senate adjourned until 2:30 p.m., Wednesday, January 21, 2009.
The Senate was called to order by President Stephen Morris.
The roll was called with forty senators present.
Invocation by Chaplain Fred S. Hollomon:

Heavenly Father,

In the going-on twenty-eight sessions I have served as Senate Chaplain I have observed literally hundreds of different Senators. I have often wondered how You, O God, would identify a good Senator.

Searching through Your Word, it is obvious that You consider the most important of all virtues is LOVE.

I have found four Greek words translated “love”, but the one You consider most associated with You is the word, AGAPE, which means to desire to do that which benefits another the most. Sometimes it’s to comfort, sometimes it’s to correct, sometimes it’s to help, sometimes it’s to encourage.

There are at least eleven times in the New Testament where the superiority of love over all other virtues is expressed.

From time to time I would appreciate Your leading me to point out at least a few of these verses. I cannot do it without You.

By the way, to be fair, I will leave it up to the Senators to evaluate the Chaplains!

I ask this in the Name of Jesus Christ,
AMEN

The Pledge of Allegiance was led by President Stephen Morris.

Journal of the Senate

NINTH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Friday, January 23, 2009—8:00 a.m.

The Senate was called to order by President Stephen Morris.
The roll was called with twenty-six senators present.
Senators Abrams, Barnett, Bruce, Brungardt, Colyer, Faust-Goudeau, Huelskamp, Masterson, Ostmeyer, Pilcher-Cook, Pyle, Taddiken, Wagle and Wysong were excused.
Invocation by Chaplain Fred S. Hollomon:

Heavenly Father,
Yesterday while driving
A sign caught my eye.
It was short and so I read it
As I passed it by.

“Well done” is better than
“Well said” is how it read.
Immediately a Bible verse (Matthew 25:21)
Appeared within my head.

(And I paraphrase it)
“Well done, my faithful servant,
You’ve been faithful with a few.
So more responsibility
Will now be given you.”

I’ve been a preacher, Lord,
For fifty-seven years.
Thousands of my words
Have bombarded many ears.

But Jesus’ commendation
Was certainly not “Well said.”
“Well done” is what I want to hear
When I leave this body dead.

I believe that every Senator
Would like to hear You say,
“Well done, my faithful servant”
And for them is what I pray.

I pray in the Name of Jesus Christ,

AMEN

The Pledge of Allegiance was led by President Stephen Morris.

COMMUNICATIONS FROM STATE OFFICERS
KANSAS SUBSTANCE ABUSE POLICY BOARD
January 22, 2009

On behalf of the Kansas Substance Abuse Board (SAPB), Russell Jennings, Chair, submitted a copy of the Board’s report.

The President announced the above report is on file in the office of the Secretary of the Senate and is available for review at any time.

The Senate was called to order by Vice President John Vratil.
The roll was called with thirty-nine senators present.
Senator Wysong was excused.
Invocation by Chaplain Fred S. Hollomon:

Heavenly Father,

Most every time someone discovers
I'm Chaplain of the Senate;
They have nothing good to say
About anybody in it.

So every year I have a chance
To speak at the Day of Prayer,
I remind them “bad-mouthing never helps,
So pray for all of them there.”

When it comes to criticism,
Years ago I found
Most folks assume that others
Have the easiest jobs around.

There’s an old saying, Lord,
Which may express your views:
“Don’t judge others until you’ve walked
Thirty days in their shoes.”

Thirty days in a Senator’s shoes
Should help the critics realize
They don’t have many reasons
To sit around and criticize.

I pray in Jesus’ Name,

AMEN

The Pledge of Allegiance was led by Vice President John Vratil.

provided, the legislature shall provide for a uniform and equal basis of valuation and rate of taxation of all property subject to taxation. The legislature may provide for the classification and the taxation uniformly as to class of recreational vehicles and watercraft, as defined by the legislature, or may exempt such class from property taxation and impose taxes upon another basis in lieu thereof. The provisions of this subsection shall not be applicable to the taxation of motor vehicles, except as otherwise hereinafter specifically provided, mineral products, money, mortgages, notes and other evidence of debt and grain. Sec. 2. The following statement shall be printed on the ballot with the amendment as a whole:

“A vote for this proposition would permit the legislature to provide for separate classification and taxation of watercraft and to exempt such property from property taxation and impose taxes in lieu thereof.

“A vote against this proposition would continue the taxation of watercraft in the same manner as all other property.”

Heavenly Father,

Toward the end of many sessions
When we seemed to reach a stalemate,
I turned to quote from Ben Franklin
For help as it was getting late.

Lord, I’d like to refer to him again,
Before we reach the end,
And seek the wisdom and inspiration
Of the genius we know as Ben.

In April of seventeen eighty-seven
He delivered a powerful speech
To the Constitutional Convention
Where a deadlock had been reached.

As Franklin began to close his speech,
The eighty-one year old said that day,
“God governs in the affairs of men”,
And then he went on to say . . .

“If God sees every sparrow fall,
Then we shouldn’t be afraid,
For surely a nation cannot rise
Without the Father’s aid,”

(And Lord, I would paraphrase)
“If You see every sparrow fall,
Then shouldn’t we take our chances,
And trust that You can help us solve
The deficits that plague Kansas?”

I pray in the Name of Jesus,

AMEN

The Pledge of Allegiance was led by President Stephen Morris.

Invocation by Chaplain Fred S. Hollomon:

Heavenly Father, 
The reason we are here this morning 
We have a lot to do. 
We are facing a gigantic elephant 
Which is difficult to chew. 
This elephant doesn’t represent 
Any particular party. 
It’s an elephant which represents 
A budget hale and hardy! 
Some say it’s common knowledge, 
An elephant in its prime 
Can only be consumed 
One bite at a time! 
Others say that this won’t work. 
This elephant in its prime 
Won’t ever be consumed 
One bite at a time. 
This elephant has a way of growing 
Faster than we can eat. 
If we don’t find a better way, 
We’ll only taste defeat. 
Lord, You know this kind of elephant. 
You have tackled more than one. 
Reveal to us just what to do. 
To cause him to succumb. 
I pray in the Name of Jesus, 
AMEN

The Pledge of Allegiance was led by President Stephen Morris.

EXPLANATION OF VOTE

MR. PRESIDENT: I respectfully vote “No” on Senate Substitute for SB 23. This bill is a failure to address the fundamental budget problem we face; we are spending more than we are receiving during an economic downturn of historic proportion. In my opinion this bill will result in dramatic reduction in services to our most needy and vulnerable Kansans or a tax increase.

While I am opposed to this bill for the reasons outlined above, I am most opposed to an earmark contained within the bill. The definition of an earmark is an item placed in a budget bill at the eleventh hour for the benefit of a select few. The earmark of over $6.6 million could be used to help fund our community mental health or reduce the waiting list for those needing developmental disabilities services. The hearts must be warmed across Kansas of the people who advocate for big government because earmarks are alive and well under the dome at our state capital. Some may say this is not an earmark but just good fiscal policy. My response is that no matter how much lipstick you put on an earmark it is still an earmark.

—PAT APPLE

Senators Barnett, McGinn, Reitz, Schodorf and Vratil request the record to show they concur with the “Explanation of Vote” offered by Senator Apple on Senate Substitute for SB 23.
Mr. President: This bipartisan compromise is a small start at correcting years of bad policy. The best way to ensure the future of our state and fix our budget crisis is to grow the Kansas economy. We should be first out of the recession—not last.

We didn’t have to be in this position even with this recession. Previous budgets grew several times faster than the rate of inflation. If it grew at just 5% or had a rainy day fund, we would be talking about giving every Kansas family a $500 rebate instead of closing schools and raising taxes.

Some had months and years to make the necessary cuts, but refused to lead. By waiting, it forced more painful and unnecessary cuts that harm students, damages essential programs, and hurts our economy.

The previous version of SB 23 hurt the neediest Kansans, closed prisons and harmed schools. It created the possibility of a major tax increase at the height of the recession which would devastate jobs.

Kansans want smaller, more effective government that encourages jobs and growth. They want us to retool how government functions so that it can serve Kansans better.

While imperfect the bipartisan compromise is a small start in the right direction.—Jeff Colyer

Senator Brownlee requests the record to show she concurs with the “Explanation of Vote” offered by Senator Colyer on Sub for SB 23.

Mr. President: I vote Aye on Substitute for Senate Bill 23.

With a budget shortfall unprecedented since I began serving in the Kansas Legislature, it is more important than ever that Democrats and Republicans work in bipartisan cooperation. Unfortunately, the drafting of this bill as it left committee did not involve this cooperation.

Without a seat at the table, a majority of Senators felt it necessary to form a coalition. Together, we drafted a bipartisan alternative that responds in part to our budget problems and has a reasonable chance of becoming law. While this bipartisan approach is based on tough choices, we strived to keep the commitment we made to K-12 education while preventing local property tax increases, to protect our most vulnerable citizens, and to maintain public safety. Essentially, we’ve taken the first step to finding solutions necessary to resolve our budget shortfall without causing major hardships in the midst of the current fiscal year.

Collaboration, not confrontation, is what our constituents expect and deserve from us. I urge all members of the Kansas Senate, regardless of party, to work together as we move forward in our consideration of the 2010 budget.—Anthony Hensley

Senators Faust-Goudeau, Haley, Kelly, Kultala and Lee request the record to show they concur with the “Explanation of Vote” offered by Senator Hensley on Sub SB 23.

Mr. President: I vote aye on this legislation which makes cuts to the ‘09 budget. This action would not be necessary had sound fiscal policy been followed in previous years. Deficit spending, as well as poor management of revenue in good economic times has brought about these difficult budget issues. Those voting for budgets in prior years need only briefly look back to see how the state got in this situation.—Dennis Pyle

Senators Abrams, Brownlee, Haley, Kelsey and Petersen request the record to show they concur with the “Explanation of Vote” offered by Senator Huelskamp on Sub SB 23.

Mr. President: The budget crisis we are facing now in Kansas has been years in the making—years of overspending that is. For years many of us have been warning that this day was coming and we are heartened that many now recognize the need for fiscal responsibility. The road to a balanced budget is not easy—but it is necessary and long overdue. I vote aye.—Tim Huelskamp

Senators Abrams, Brownlee, Haley, Kelsey and Petersen request the record to show they concur with the “Explanation of Vote” offered by Senator Huelskamp on Sub SB 23.

Mr. President: I vote aye on this legislation which makes cuts to the ‘09 budget. This action would not be necessary had sound fiscal policy been followed in previous years. Deficit spending, as well as poor management of revenue in good economic times has brought about these difficult budget issues. Those voting for budgets in prior years need only briefly look back to see how the state got in this situation.—Dennis Pyle

Mr. President: Today is a historic day. Given the difficult task we have of balancing our budget, this body is about to pass S Sub for SB 23 which results in a 3.8 million dollar tax increase.

I believe this signals to Kansans across the state this bodies willingness to increase revenues.

Today we had a bill introduced in Ways and Means that would increase fees by 50% for the state water plan fund.
I predict that this is only the beginning, and that with the passage of this tax increase the pressure for additional tax increases will only grow stronger.—MARK TADDIKEN

Senators Barnett, McGinn and Schodorf request the record to show they concur with the “Explanation of Vote” offered by Senator Taddiken on Sub SB 23.

Invocation by Chaplain Fred S. Hollomon:

Heavenly Father,
As we go on celebrating
The birth of our state of Kansas,
Please bless all the towns between
Baxter Springs and St. Francis.

We ask You to bless the towns
From Hiawatha to Hugoton.
And every Kansas county
From rising to the setting sun.

I wasn’t born in Kansas,
But I’ve lived here fifty years.
All but two of our nine children
Were born in cities here.

One son graduated from K.U.,
A daughter from K State.
Right now I wish that one of them
Had attended Wichita State.

Help me when I’m praying, Lord,
And let there be no doubt
That I carefully prepared it,
And not left anything out!

I pray in the Name of Jesus Christ,
AMEN

The Pledge of Allegiance was led by President Stephen Morris.

COMMUNICATIONS FROM STATE OFFICERS

KANSAS CRIMINAL CODE
RECODIFICATION COMMISSION

The 2008 Interim Report to the Kansas Legislature was submitted by Professor Tom Stacy, Chairman, and Ed Klumpp, Vice-Chairman.

He will also appear at Constitution Hall as part of the Bleeding Kansas series. Mr. Leahy can also be seen in the docudrama “Bloody Dawn”, playing the role of William Quantrill.
The Senate was called to order by President Stephen Morris. The roll was called with thirty-eight senators present. Senators Hensley and Pyle were excused. Invocation by Chaplain Fred S. Hollomon:

Heavenly Father,
Last week I was thinking
About what I should pray.
A sense of humor crossed my mind,
But is this the appropriate day?

There’s so much on their mind, O God,
With controversial bills;
Perhaps each waking moment
Is probably more than filled.

On the other hand . . .
It may be just the time
Humor is what they need
To loosen everybody up,
Even help them to succeed.

So when the mood gets tense
And tempers start to flare,
I pray that someone will step in
And spread some humor there.

And if I may be bold, O God,
If there’s anyone who can;
It’s the Senator in charge of humor,
Senator Donovan is the man!

I pray in the Name of Jesus Christ,
AMEN

The Pledge of Allegiance was led by President Stephen Morris.

SENATE CONCURRENT RESOLUTION No. 1606—

A CONCURRENT RESOLUTION regarding the Kansas Legislature's opposition to the relocation of the Guantanamo Bay detainees to Ft. Leavenworth, Kansas or elsewhere within Kansas and urging the President of the United States and other members of the federal executive branch, to not consider Ft. Leavenworth or elsewhere in Kansas as a potential site for the relocation of the Guantanamo Bay detainees.

WHEREAS, Leavenworth County and the cities of Leavenworth and Lansing, Kansas and the State of Kansas strongly oppose the relocation of the Guantanamo detainees to Fort Leavenworth, Kansas; and

WHEREAS, The Military Disciplinary Barracks at Fort Leavenworth, unlike Guantanamo Bay, is not isolated from the surrounding civilian population, and would pose numerous safety, security, and economic hardships on all of Leavenworth County, and would negatively impact the municipal services, the local economy, and the security of the cities of Leavenworth and Lansing and the state of Kansas; and

WHEREAS, Increased security of Fort Leavenworth would close Fort facilities that are now available for some use by the civilian community, including Sherman Airfield which is the only public use airport in Leavenworth County and the Munson clinic and other facilities that are used by veterans, military retirees and the public; and

WHEREAS, Security concerns also include the fact that railroad right-of-way that trains use crosses through the Fort property; the Fort is small and houses over 3,000 residents; there are no emergency medical services or surgical services at the Fort and the only clinic is utilized by active duty soldiers, retirees and their families for medical care; the two small hospitals in town and the veterans facilities are not equipped to handle the security associated with serving Guantanamo Bay detainees; and

WHEREAS, Security concerns would not only be felt locally, but also throughout the Kansas metropolitan areas and the state of Kansas by becoming a high profile target for terrorism as a result of such relocation; and

WHEREAS, The Leavenworth County Sheriff's Office, as well as the Leavenworth and Lansing Police Departments are not fully capable of handling an international terrorist incident and the inevitable non-violent protests that would occur outside the Fort's gates since protests are not allowed on military institutions; and

WHEREAS, The Leavenworth Community has, from its inception, embraced Fort Leavenworth and neither the community nor the post could exist without each entity's support and the local economy is dependent on the families who are stationed at the Fort to further their academic enrichment; and

WHEREAS, Fort Leavenworth has always served a dual-mission, because the Command and General Staff College and the Military Barracks are both located on post; it is critical to keep education as the primary focus of this installation and if Guantanamo Bay detainees are relocated to Fort Leavenworth the growth of the installation would cease and future expansion of military educational services would not occur; and

WHEREAS, 2009 marked the 100th year anniversary of the International Military Student program at Fort Leavenworth; the program can trace its inception back to 1894 and graduated its first international student in 1908; over the past century, 25 graduates have become Heads of State, 300 have become head of their nation's military and over 2,000 have become Generals; as a result there are military and political leaders around the world who were schooled at Fort Leavenworth, lived in the city adjacent to the Fort and made
lifelong American friends; it is crucial, especially in the present state of international relations, that the international officers program at Fort Leavenworth remain strong and vital and if Guantanamo Bay detainees are relocated to Fort Leavenworth, many counties will not send military students and their families to America, impairing a significant contribution to international peace and understanding; and

WHEREAS, The Military Disciplinary Barracks at Fort Leavenworth is a conventional prison with only a handful of segregation units and most prisoners in large pods containing cells opening into a common area and it would be highly inappropriate to house foreign detainees with United States military prisoners; and

WHEREAS, The state, counties and cities have the responsibility for the safety of our citizens, local schools, businesses, and mutual aid for surrounding communities related to the detainee prison facility being located in Kansas and opposed the likely changes and relocation of the Command and General Staff College; the restricted access the relocation could cause for railroad traffic, and the increased negative publicity for the community from potential sympathizers of the detainees: Now, therefore,

Be it resolved by the Senate of the State of Kansas, the House of Representatives concurring therein: That the Kansas legislature strongly opposes the relocation of the Guantanamo Bay detainees to Fort Leavenworth, Kansas or elsewhere within Kansas and that the Legislature underscores its commitment to provide any and all support necessary to ensure the Guantanamo Bay detainees are not moved to Kansas.

Be it further resolved: That the Secretary of State provide enrolled copies of this resolution to President Obama, Vice President Biden, the Kansas congressional delegation, and Governor Kathleen Sebelius.

On emergency motion of Senator D. Schmidt, SCR 1606 was adopted by voice vote.

Leavenworth guests introduced by Senator Kultala were Heather Morgan, Scott Miller, Ken Bernard, Lisa Weekly, Terry Weekly and Laura Gasbarre.

WHEREAS, Medical studies have shown that long-term total mortality after bariatric surgery is significantly reduced, particularly for mortality rates from diabetes and heart disease; and

WHEREAS, Justin Cessna’s bariatric surgical procedure was only made possible by the generosity of Dr. Bernita Berntsen of Tallgrass General, Vascular and Bariatric Surgery, who performed the surgery; Dr. James Hamilton, who advocated for Mr. Cessna and provided the surgical band for the procedure; Dr. David Bishop, who was the anesthesiologist for the procedure; and Michael Schrader, the President and CEO of St. Francis Health Center, who provided the facilities necessary for the procedure; and

REPORT ON ENGROSSED BILLS

Sub SB 23 reported correctly engrossed January 30, 2009.

REPORTS OF STANDING COMMITTEES

Committee on Public Health and Welfare recommends SB 82 be passed.

On motion of Senator D. Schmidt the Senate adjourned until 2:30 p.m., Tuesday, February 3, 2009.
The Senate was called to order by President Stephen Morris.  
The roll was called with forty senators present.  
Invocation by Chaplain Fred S. Hollomon:

Heavenly Father,  
If a legislator was asked  
“What is your most needed provision?”  
More than likely the answer would be,  
“The ability to make wise decisions.”
But the question immediately arises,  
“What do you mean by ‘wise’?”  
If we look for the best definition,  
You may be in for a surprise.

In the third chapter of the book of James (3:17)  
There are eight words made very clear:  
Pure, peaceful, considerate, submissive,  
Merciful, fruitful, impartial, sincere.
So it’s obvious wisdom involves much more  
Than a simple definition.  
If your decision doesn’t measure up,  
Then it can’t be a wise decision.

Lord, help us to measure ourselves,  
Do our decisions involve eight descriptions?  
If not, they don’t measure up  
To truly wise decisions.

I pray in the Name of Jesus Christ,  
AMEN

The Pledge of Allegiance was led by President Stephen Morris.

Be it resolved by the Legislature of the State of Kansas, two-thirds of the members elected (or appointed) and qualified to the Senate and two-thirds of the members elected (or appointed) and qualified to the House of Representatives concurred therein:

Section 1. The following proposition to amend the constitution of the state of Kansas shall be submitted to the qualified electors of the state for their approval or rejection: Section 1 of article 11 of the constitution of the state of Kansas is hereby amended to read as follows:

“§ 1. System of taxation; classification; exemption. (a) The provisions of this subsection shall govern the assessment and taxation of property on and after January 1, 1993, and each year thereafter. Except as otherwise hereinafter specifically provided, the legislature shall provide for a uniform and equal basis of valuation and rate of taxation of all property subject to taxation. The legislature may provide for the classification and the taxation uniformly as to class of recreational vehicles, as
defined by the legislature, or may exempt such class from property taxation and impose taxes upon another basis in lieu thereof. The provisions of this subsection shall not be applicable to the taxation of motor vehicles, except as otherwise hereinafter specifically provided, mineral products, money, mortgages, notes and other evidence of debt and grain. Property shall be classified into the following classes for the purpose of assessment and assessed at the percentage of value prescribed therefor:

Class 1 shall consist of real property. Real property shall be further classified into seven subclasses. Such property shall be defined by law for the purpose of subclassification and assessed uniformly as to subclass at the following percentages of value:

1. Real property used for residential purposes including multi-family residential real property and real property necessary to accommodate a residential community of mobile or manufactured homes including the real property upon which such homes are located ........................................... 11½%

2. Land devoted to agricultural use which shall be valued upon the basis of its agricultural income or agricultural productivity pursuant to section 12 of article 11 of the constitution ..................................................... 30%

3. Vacant lots ................................................................. 12%

4. Real property which is owned and operated by a not-for-profit organization not subject to federal income taxation pursuant to section 501 of the federal internal revenue code, and which is included in this subclass by law .......................................................... 12%

5. Public utility real property, except railroad real property which shall be assessed at the average rate that all other commercial and industrial property is assessed .................................................. 33%

6. Real property used for commercial and industrial purposes and buildings and other improvements located upon land devoted to agricultural use .................................................. 25%

7. All other urban and rural real property not otherwise specifically subclassified ......................................................................... 30%

Class 2 shall consist of tangible personal property. Such tangible personal property shall be further classified into six subclasses, shall be defined by law for the purpose of subclassification and assessed uniformly as to subclass at the following percentages of value:

1. Mobile homes used for residential purposes ........................................... 11½%

2. Mineral leasehold interests except oil leasehold interests the average daily production from which is five barrels or less, and natural gas leasehold interests the average daily production from which is 100 mcf or less, which shall be assessed at 25% .................................................. 30%

3. Public utility tangible personal property including inventories thereof, except railroad personal property including inventories thereof, which shall be assessed at the average rate all other commercial and industrial property is assessed .................................................................. 33%

4. All categories of motor vehicles not defined and specifically valued and taxed pursuant to law enacted prior to January 1, 1985 ......................... 30%

5. Commercial and industrial machinery and equipment which, if its economic life is seven years or more, shall be valued at its retail cost when new less seven-year straight-line depreciation, or which, if its economic life is less than seven years, shall be valued at its retail cost when new less straight-line depreciation over its economic life, except that, the value so obtained for such property, notwithstanding its economic life and as long as such property is being used, shall not be less than 20% of the retail cost when new of such property ........................................ 25%

chants’ and manufacturers’ inventories, other than public utility inventories included in subclass (3) of class 2, livestock, and all household goods and personal effects not used for the production of income, shall be exempted from property taxation.

(c) For purposes of this section, the term “public utility” shall include every person or entity, regardless of residence or domicile or jurisdiction of the state corporation commission or other regulatory body, that owns, controls or holds for resale natural gas that is stored or delivered for storage in an underground formation in this state. The legislature shall have the authority from time to time to redefine the term “public utility” for purposes of subclassification and taxation under this article.”

Sec. 2. The following statement shall be printed on the ballot with the amendment as a whole:

“Explanatory statement. The purpose of this amendment is to define public utility for property tax purposes to include a person or entity regardless of where the taxpayer resides or is domiciled or jurisdiction of the state corporation commission to include any such person or entity who owns, controls or holds natural gas for resale which is stored or delivered for storage underground, and allow the legislature to redefine such term.

“A vote for this amendment would subject a person or entity who owns, controls or holds natural gas for resale which is stored or delivered for storage underground to property taxation as a public utility regardless of where the taxpayer resides or domiciles or jurisdiction of the state corporation commission.” A vote against this amendment would make no changes in current law providing a property tax exemption for such person or entity.”

Sec. 3. This resolution, if approved by two-thirds of the members elected (or appointed) and qualified to the Senate, and two-thirds of the members elected (or appointed) and qualified to the House of Representatives shall be entered on the journals, together with the yeas and nays. The secretary of state shall cause this resolution to be published as provided by law and shall cause the proposed amendment to be submitted to the electors of the state at the general election in the year 2010 unless a special election is called at a sooner date by concurrent resolution of the legislature, in which case it shall be submitted to the electors of the state at the special election.

SENATE CONCURRENT RESOLUTION No. 1608—

By Committee on Federal and State Affairs

A PROPOSITION to amend article 15 of the constitution of the state of Kansas by adding a new section thereto, concerning equal rights for men and women.

Be it resolved by the Legislature of the State of Kansas, two-thirds of the members elected (or appointed) and qualified to the Senate and two-thirds of the members elected (or appointed) and qualified to the House of Representatives concurring therein:

Section 1. The following proposition to amend the constitution of the state of Kansas shall be submitted to the qualified electors of the state for their approval or rejection: Article 15 of the constitution of the state of Kansas is amended by adding a new section thereto to read as follows:

“§ 17. Equal rights. Equality of rights under the law shall not be denied or abridged by the state or any of its political or taxing subdivisions on account of sex.”

Sec. 2. The following statement shall be printed on the ballot with the amendment as a whole:

“Explanatory statement. There is currently no constitutional provision specifically addressing equal rights of men and women. There are laws that prohibit discrimination in employment, housing and wages based on sex.

“A vote for this proposition would amend the Kansas constitution to incorporate into it the prohibition of discrimination based on sex. The proposed constitutional amendment would prohibit the state or any of its political or taxing subdivisions from enacting laws discriminating against men or women based on sex.”
“A vote against this proposition would not amend the constitution, in which case the current laws would remain unchanged but could be amended by future acts of the legislature or its political or taxing subdivisions or modified by judicial interpretation.”

Sec. 3. Invocation by Chaplain Fred S. Hollomon:

Heavenly Father,
I want to thank You for the book of Proverbs. Especially for some of my favorites:
The man of integrity walks securely, but he who takes crooked paths will be found out.
When words are many, sin is not absent, but he who holds his tongue is wise.
The integrity of the upright guides them, but the unfaithful are destroyed by their duplicity.
For lack of guidance a nation falls, but many advisors make victory sure.
One man gives freely, yet gains even more; another withholds unduly, but comes to poverty.
The Lord detests lying lips, but He delights in men who are truthful.
He who walks with the wise grows wise, but a companion of fools suffers harm.
A simple man believes anything, but a prudent man gives thought to his steps.
A patient man has great understanding, but a quick-tempered man displays folly.
Righteousness exalts a nation, but sin is a disgrace to any people.
I thank You in the Name of Jesus Christ,

AMEN

The roll was called with forty senators present.
Invocation by Chaplain Fred S. Hollomon:

Heavenly Father,

Today, I'm attempting to put myself in the place of a Senator.

I told my constituents, Lord,
I would try to make a difference;
I said I would do my best
And serve them with all diligence.

But sometimes they forget, O God,
I've only one of forty votes.
So even if I vote their way,
The bill just may not float.

Even if it passes,
The House must also pass it;
Which is another obstacle
Considering this facet.

Besides, the Governor has the right
To veto any bill
Which makes it more possible
That it will be killed.

If the veto is overridden
It can still experience defeat,
Being declared unconstitutional
By the Court across the street.

However, I believe You helped me, Lord,
To get here in the Senate,
So I trust that You will help me
To make a difference in it!
I ask this in the Name of Jesus Christ,

AMEN

The Pledge of Allegiance was led by Vice President John Vratil.

**INTRODUCTION OF ORIGINAL MOTIONS AND SENATE RESOLUTIONS**

Senator V. Schmidt introduced the following Senate resolution, which was read:

**SENATE RESOLUTION No. 1811—**

A RESOLUTION encouraging participation in the American Heart Association’s Go Red for Women campaign.

WHEREAS, Friday, February 6, has been designated “National Wear Red Day for Women” by the American Heart Association, and this event is part of the Go Red for Women campaign, the American Heart Association’s national call to increase awareness about heart disease, the leading cause of death for women, and that this movement celebrates the energy, passion and power women have to take charge of their heart health in order to live stronger, longer lives; and

WHEREAS, The color red and the red dress symbol have become linked with the ability all women have to improve their heart health, and the American Heart Association is encouraging everyone to wear red on February 6 in support of all women who have experienced heart disease or stroke; and

WHEREAS, Diseases of the heart are the nation’s leading cause of death and stroke is the third leading cause of death. In 2007, heart disease killed 5,727 Kansans, and more women die of cardiovascular disease than the next five leading causes of death combined, including all cancers; and

WHEREAS, Increasing women’s awareness of heart disease through this program is important because only 21% of women consider cardiovascular disease their greatest health risk. This lack of urgency about women’s heart health contributes to the death of over 460,000 American females each year, with over 11 females a day dying from heart disease and stroke in Kansas; and

WHEREAS, Many of the risk factors that can lead to heart disease, such as high blood pressure, high blood cholesterol and diabetes, can be controlled or prevented. Research has shown that men and women who lead healthy lifestyles, including making healthy food choices, getting regular exercise, maintaining a healthy weight and choosing not to smoke, can significantly decrease their risk of heart disease; and

WHEREAS, February is designated as American Heart Month, and women who contact the American Heart Association will be provided with information to learn their own personal risk for heart disease, using tools such as the American Heart Association’s Go Red for Women Heart Checkup and by talking to their healthcare provider and obtaining information regarding free lifestyle programs to improve their health: Now, therefore,

Be it resolved by the Senate of the State of Kansas: That we support the efforts of the American Heart Association in reducing women’s heart health problems and urge individual participation in the American Heart Association’s Go Red for Women campaign; and

Be it further resolved: That the Secretary of the Senate provide an enrolled copy of this resolution to Linda J. De Coursey, American Heart Association, 5375 SW 7th Street, Topeka, KS, 66606.

Heavenly Father,
In Your book of Ecclesiastes You tell us “There is a time for everything.”
Please bless the following paraphrase:
A time to compromise and a time to stand your ground.
A time to smile and a time to frown.
A time to listen and a time to speak.
A time to defend and a time to turn the cheek.
A time to laugh and a time to weep.
A time to work and a time to sleep.
A time to avoid and a time to embrace.
A time to print and a time to erase.
A time to mourn and a time to celebrate.
A time to hurry and a time to wait.
A time to stop and a time to go.
A time to reap and a time to sow.
A time to save and a time to spend.
A time to receive and a time to send.
A time to walk and a time to run.
A time to be serious and a time to have fun.

Invocation by Chaplain Fred S. Hollomon:

Heavenly Father,

Some time ago I prayed about how You considered love the most important virtue. LOVE is the first fruit of the Spirit the apostle Paul lists in his letter to the Galatians. The second fruit of the Spirit is JOY.

(Ephes.5:22)

James said in his New Testament letter, “When you experience many trials, Count them all as joy. And face them with a smile.” (1:2)

When I first read that, Lord, I almost replied, “You surely must be kidding,” Until James clarified . . . . .

The testing of our faith Leads to maturity, (1:3-4) And maturity’s what we need To gain security.

And surely in this session We have to spend a while Dealing with some issues Which qualify as trials!

Lord, thank you for assuring us As we endure our trials, They contribute to maturity, And hopefully help us smile.

I pray in the Name of Jesus Christ,

AMEN

The Pledge of Allegiance was led by President Stephen Morris.

Invocation by Chaplain Fred S. Hollomon:

Heavenly Father,

Quite frequently we hear a Senator say, “I move that an emergency be declared, the rules suspended” and some resolution be passed.

I would like to be able to move that an emergency be declared, the rules suspended and each of the ten commandments be obeyed.
I move that an emergency be declared, the rules suspended, and that no one shall have any other gods before You.
I move that an emergency be declared, the rules suspended, and that no one shall worship any hand made image.
I move that an emergency be declared, the rules suspended, and that no one will misuse the name of God.
I move that an emergency be declared, the rules suspended, and that everyone will keep the Sabbath Day holy.
I move that an emergency be declared, the rules suspended, and that everyone will honor their parents.
I move that an emergency be declared, the rules suspended, and that no one shall commit murder.
I move that an emergency be declared, the rules suspended, and that no one will commit adultery.
I move that an emergency be declared, the rules suspended, and that no one shall steal.
I move that an emergency be declared, the rules suspended, and that no one gives false testimony against their neighbor.
I move that an emergency be declared, the rules suspended, and that no one covets anything belonging to their neighbors.

Most of all, I move an emergency be declared, the rules suspended, and that everyone obey the two greatest commandments: You shall love the Lord your God with all your heart, with all your mind, with all your strength, and with all your soul, and love your neighbor as yourself.

I pray in the Name of Jesus Christ, AMEN

Almighty God,
It is my prayer to you today that each member of this decision making body will recognize your presence in this place.
When there are issues to be determined and decided and the lines are unclear, I pray that your wisdom will be searched out and that you will make your desire and will very plain to those who seek it.
We are thankful for the men and women who serve us in this state where so many frustrating issues regularly come before them. As we thank them for their leadership and commitment, we thank you for your guidance. May they not lean to their own understanding but to your might and leadership to them. Lead our leaders through the fields of uncertainty and difficulty to places of greater understanding and peace of mind in their decisions.
Please hear our prayer and be gracious to our plea. We serve in each of our positions to bring honor and glory to your name. May we know how best to do that.
It is in the name of Jesus Christ that I pray. Amen

Invocation by Chaplain Fred S. Hollomon:

Heavenly Father,

This day is the 200th birthday anniversary of Abraham Lincoln who is on
the list of great American Presidents.

And yet, while President, he was vilified probably more than any of our
Presidents.

Here are just a few of the worst remarks he had to endure:

“Vain, weak, hypocritical”

His call for troops was denounced as “illegal, inhuman, diabolical”

“Idiot, baboon”

“Some leaders would be glad to find him hanging from the post in front of
the White House.”

“Gorilla”

“Feeble, cowardly, shameful.”

“No hope for the country except the death of the President and a new
administration.”

“Both conservatives and radicals agreed that Lincoln was a failure as a
President”

“Tenfold a greater traitor to his country than any southern rebel.”

You know, O God, that I took each of these quotes from a reliable
biography of Lincoln.

These are just a few of the vilifications aimed at a man now considered
to be one of our greatest presidents.

We know that Lincoln often consulted You for wisdom.

We thank You for leading him through the bitter criticisms to become the
man who issued the Emancipation Proclamation and, among many other
accomplishments, left us the Gettysburg Address.

I pray this in the Name of Jesus Christ.

AMEN

The Pledge of Allegiance was led by President Stephen Morris.

The question on excusing any Senator from voting shall be taken without debate and a 2/3 majority of those voting shall be necessary to excuse the Senator. If a Senator refuses to vote, when not excused, such refusal shall constitute contempt and the President shall, in such case, order the offending Senator before the bar of the Senate and all privileges of membership shall be refused such Senator until the contempt shall be duly purged.

Rule 20. When Not Permitted to Vote. No Senator shall be allowed to vote unless the Senator is seated in the Senator’s assigned seat within the Senate chamber when the vote is taken.

Rule 21. Vice President and Filling Certain Vacancies. (a) In the absence of the President, the Vice President shall assume the duties of the President. The President or Vice President may also name any Senator to temporarily perform the duties of the chair, but the Senator so named shall not act as President beyond adjournment, unless by leave of the Senate. A Senator shall not lose the right of voting on any subject while serving or acting as President.

(b) When a vacancy occurs in the office of President and the Legislature is adjourned to a date more than 60 days after the occurrence of the vacancy, the Senate shall meet within 30 days and elect a member to fill the vacancy. The Vice President shall within 10 days of such occurrence issue a call for the meeting at a time not less than 10 days and not more than 20 days after the date of the call.

(c) When a vacancy occurs in the office of Vice President or majority leader of the Senate, and the Legislature is adjourned to a date more than 30 days after the occurrence of the vacancy, the President shall appoint an acting Vice President or acting majority leader to serve until the convening of the next session of the Legislature, at which time the vacancy shall be filled as though the acting interim appointment had not been made.

(d) When a vacancy occurs in the office of minority leader of the Senate and the Legislature is adjourned to a date more than 30 days after the occurrence of the vacancy, the assistant minority leader shall become the acting minority leader to serve until the convening
of the next session of the Legislature, at which time the vacancy shall be filled as though
the acting minority leader had not so served.

(c) It is the intention of this rule that any person elected, appointed or designated to serve
in accordance herewith to fill a vacancy shall exercise all of the duties and powers of the
office so filled.

Rule 22. Party Affiliation—Change. If any Senator changes political party affiliation
(1) from the political party of such Senator at the time of the Senator’s election, or (2) if
the Senator was appointed, from the political party of the district convention which elected
such person to be so appointed, the following shall apply:

(a) Such Senator shall be removed from all memberships on standing and other commit-
tees, from all positions of chairperson or vice chairperson of a standing or other committee,
and from any office of the Senate held at the time of such change. The Committee on
Organization, Calendar and Rules shall appoint a Senator to fill any vacancy which arises
under this subpart (a).

(b) The proportion of Senators from major political parties on each standing committee
originally determined under Rule 7 (providing for proportional representation of members
of political parties upon standing committees) shall not be altered. The Committee on
Organization, Calendar and Rules shall fill each standing committee member position va-
cated by such Senator by appointing a Senator of the political party from which such Senator
changed.

Rule 23. Caucuses May Be Closed. Caucuses of Senate majority and minority parties
may be closed.

Rule 24. Motions in Writing. All motions to amend bills and resolutions shall be made
in writing, and upon request of any Senator shall be read by the reading clerk before being
voted upon. All other motions shall be reduced to writing when desired by any Senator.

Rule 25. Motions Withdrawn. Any motion may be withdrawn by the maker before
amendment or decision is made thereon except as the foregoing is modified by Rule 41
(relating to procedure in the committee of the whole).

Rule 26. Motions in Order When Question Under Debate. When a question is under
debate, no motion shall be in order, except:

Not Debatable

6. To commit to a standing committee.
7. To commit to a special committee.
8. To commit to the Committee of the Whole.
9. To amend.
10. To postpone indefinitely.

The several motions specified in this rule shall have precedence in the order named and
the first four shall be decided without debate.

Rule 27. Division of Question. (a) If the question in debate contains several points,
any Senator may have the same divided, but a motion to strike out and insert shall be
indivisible. When a bill or resolution is under consideration in the Senate and after debate
is concluded and final action has been announced on the bill or resolution, a request for
division of question shall not be in order.

(b) A request for division of question shall be in writing specifying the manner in which
the question is to be divided.

(c) The rejection of a motion to strike out and insert one proposition shall not prevent a
motion to strike out and insert another proposition, nor prevent a subsequent motion simply
to strike out; nor shall the rejection of a motion simply to strike out prevent a subsequent
motion to strike out and insert.
Rule 28. Reconsideration of Pending Matters. When a question has been once put and decided it shall be in order for any Senator who voted with the prevailing side to move for a reconsideration thereof, but no motion for reconsideration of any vote shall be in order after the bill, resolution, message, report, amendment or motion, upon which the vote was taken, shall have gone out of the possession of the Senate, nor shall any motion for reconsideration be in order unless made on the same day on which the vote was taken or the next legislative day. No question shall be reconsidered more than once.

Rule 29. Previous Questions. Five Senators shall have the right to move the previous question on any bill, resolution, message, report, amendment, or motion. If no amendment is pending the previous question shall be as follows: “Shall the main question be now put?” If the previous question is decided in the affirmative by a majority vote of those present the main question shall be put without further amendment or debate. If amendments are pending a motion for the previous question shall concern only the last amendment that is pending on which, if the previous question is adopted, the debate will be closed only upon such amendment. The previous question on other questions than the main question shall be as follows: “Shall the question on the (amendment, amendment of an amendment, substitute or other motion affecting same as the case may be) now be put?”

Rule 30. Endorsement on Bills, etc. Before any bill, resolution or petition, addressed to the Senate, shall be received or read, the title of the bill or resolution or a brief statement of the contents of the petition shall be typed on the jacket, with the name of the Senator or committee introducing it.

Rule 31. Introduction of Bills and Concurrent Resolutions. Every bill and concurrent resolution shall be introduced by a Senator, by a committee, on the report of a committee, by message from the House of Representatives, or by proper prefiling as provided by law. For the purpose of introduction, every bill and concurrent resolution shall be placed in the possession of the secretary and the reading clerk shall read the title, except citations of statutes amended or repealed. The reading clerk shall also read the name of the sponsor of the bill or resolution if it has a single sponsor. If the bill or resolution has two sponsors the reading clerk shall read the names of both sponsors, but if the bill or resolution has more than two sponsors the reading clerk shall read the name of the first sponsor together with the words “and others.”

Rule 32. Reference of Bills and Resolutions. All bills shall be referred or rereferred to appropriate standing committees or the committee of the whole by the President. Upon the day of its introduction or upon the next legislative day the President shall refer every bill and each concurrent resolution to be referred to the appropriate standing committee or the committee of the whole. Bills or resolutions prefilled under K.S.A. 46-801 et seq. and amendments thereto may be referred by the President to the appropriate standing committee or the committee of the whole at any time subsequent to the prefiling of such bill or resolution with the secretary of the senate. Bills introduced by committees, if germane to the purpose and scope of the committee, may be referred to the Committee of the Whole; otherwise to the appropriate standing committee. All bills making an appropriation shall be referred to the Committee on Ways and Means. The President may refer a bill or resolution to two or more standing committees jointly, or separately, in such order as the President may direct, and such bill or resolution, when so referred, shall be considered by the committees in joint meeting, or by each of the committees separately in the order named in the reference, and when the reference is made jointly, the chairperson of the committee named first shall be chairperson of the joint committee.

Rule 33. Consent Calendar and Recording Reports. Whenever a standing committee is of the opinion that a bill or resolution upon which it is reporting is of non-controversial nature, it shall so state in its committee report. Whenever a bill or resolution is so reported, it shall be placed upon a separate calendar, to be known as the Consent Calendar. Each bill or resolution appearing on the Consent Calendar shall remain thereon for at least two full legislative days before being considered under the order of business Final Action. At any time prior to the call for the vote under the order of business Final Action on a bill or resolution on the Consent Calendar, any member may object to the same as being controversial and the same shall be stricken from the Consent Calendar and take its place on General Orders in the usual order. If no such objection is made prior to the call for such
vote on the bill or resolution, it shall be voted upon with other bills and resolutions under the order of business Final Action but before consideration of other bills or resolutions appearing on the calendar under such order of business.

**Rule 34. Final Action on Bills and Concurrent Resolutions.** On final action on any bill or concurrent resolution, the reading clerk shall read the title, except citations to statutes amended or repealed. If the bill is reported for final action without debate, the question shall be at once put: “Shall the bill pass?” No debate shall be allowed, and no motion shall be in order except the motion to adjourn, or for a call of the Senate, unless in case where a bill has been ordered to be placed on final action subject to amendment, or to amendment and debate or unless by the unanimous consent of the Senate, amendments may be made and considered. Like procedure shall apply to concurrent resolutions except that the question put shall be: “Shall the resolution be adopted?” On final action, bills and resolutions may be bulked together for roll call unless objection be made by any Senator.

**Rule 35. Final Passage by Yeas and Nays.** The question upon the final passage of a bill and every concurrent resolution for amendment of the constitution of Kansas or ratification of an amendment to the Constitution of the United States shall be taken by a roll call vote of the yeas and nays, which shall be entered on the Journal, and unless the bill or concurrent resolution receives the number of votes required by the constitution to pass it, it shall be declared lost, except in cases provided for in Rule 36 (relating to the absence of a quorum).

**Rule 36. No Quorum on Final Vote—Effect.** If, on taking the vote on final action on a bill or concurrent resolution, it shall appear that a quorum is not present, then the bill or concurrent resolution shall retain its place on the Calendar and shall again be considered for final action when that order of business is again taken up by the Senate.

**Rule 37. Roll Call Vote.** A roll call vote shall be taken upon all questions upon the demand of five Senators.

**Rule 38. Call of Senate—When Made—How Enforced.** A call of the Senate may be had upon the demand of five Senators, pending a roll call on the final passage of any bill or resolution, or on any motion to strike the enacting clause, or indefinitely postpone any bill or resolution, and before the result is announced. When a call is demanded, the President shall order the doors of the Senate to be closed, and direct the Secretary to call the roll of the Senators and note the absentees, after which the names of the absentees shall be again called, and those for whose absence no sufficient excuse is given may be sent for and taken into custody by the Sergeant at Arms, or by Assistant Sergeants at Arms appointed for the purpose, and brought before the bar of the Senate, where unless excused by a majority of the Senators present, they shall be reproved by the President for the neglect of duty.

**Rule 39. Dispense with Further Proceedings under Call of Senate.** No motion to dispense with further proceedings under the call of the Senate shall be entertained until the President shall be satisfied that the Sergeant at Arms has made diligent effort to secure the attendance of the absentees.

**Rule 40. Roll Call Votes.** Every Senator in the Senate chamber when a roll call is taken shall respond when the Senator’s name is called. If there is a call of the Senate, the Senator must vote Yea or Nay, except as provided in Rule 19 (senators excused from voting if directly interested in the question). When there is no call of the Senate, the Senator may pass and shall be recorded in the Journal as present and passing. After the roll is completed and before the roll is closed, a Senator may change such Senator’s vote. No vote shall be recorded and no change in vote may be made without unanimous consent of the Senate after announcement by the presiding officer that the roll is closed.

**Rule 41. Committee of the Whole.** On motion the Senate may go into Committee of the Whole. The President shall appoint a chairperson to preside over the Committee of the Whole. The rules of the Senate shall be observed in the Committee of the Whole, so far as applicable except that there shall be no limit on the number of times of speaking and Rule 38 (authorizing a call of the senate) shall not apply. A motion to lay on the table or a call for the previous question shall not be in order. No substitute motion to amend a bill or resolution shall be in order. A substitute motion to report a bill or resolution to the full Senate once made shall be decided subject only to debate and Rule 51 (motion to strike the
enacting or resolving clause). A roll call shall be had on any question subject to the require-
ments of Rule 37.

**Rule 42. No Quorum in Committee of the Whole—Procedure.** If at any time, when
in Committee of the Whole, it be ascertained that there is no quorum present, the chair-
person shall immediately vacate the chair and report the fact to the President.

**Rule 43. How Bills or Resolutions Considered—Committee of the Whole.** Bills or
resolutions shall be considered in Committee of the Whole in the following manner: The
standing committee report shall first be considered and if it is adopted the bill or resolution
as amended by the committee report shall be considered section by section, and as each
section is considered, amendments from the floor are in order to that section. If the com-
mittee report is not adopted, the bill or resolution, without committee amendments, shall
be considered section by section, and as each section is considered amendments from the
floor are in order to that section. After a section has been considered, no amendment thereto
shall be in order until the whole bill or resolution has been read through. After the original
bill or resolution, together with standing committee amendments, has been considered sec-
tion by section the chairperson shall announce “Amendments to the bill (or resolution)
generally are in order,” and amendments not before offered may be made to any part of
the bill or resolution. A motion to amend the bill or resolution shall not be in order while
a motion to strike the enacting clause or resolving clause is pending.

**Rule 44. Amendments.** (1) Amendments to bills shall be germane to the subject of the
bill being amended, and the fact that an amendment is to a section in the same chapter of
the Kansas Statutes Annotated as an existing section in the bill shall not automatically render
the amendment germane. Amendments to concurrent resolutions for amendments of the
constitution of Kansas or ratification of an amendment to the Constitution of the United
States shall be germane to the subject of the resolution being amended.

(2) All amendments to bills or resolutions shall be submitted in writing on a form provided
by the Senate or on a form substantially similar. All amendments to printed bills or reso-
lutions shall specify the page and line number as shown on the printed bill or resolution. If
a bill or resolution has not been printed, amendments must refer to the typed bill or reso-
lution. All amendments offered, whether adopted or rejected, together with the action taken
thereon, shall be recorded in the Journal. When a bill or resolution has been amended, it
shall be engrossed before it is enrolled.

(3) In the case of amendment by substitute bill or by substitute concurrent resolution,
motion shall be made to substitute a written bill or concurrent resolution for the bill or
concurrent resolution under consideration.

**Rule 45. Report of Committee of the Whole Subject to Amendment—Time for.**
The report of the Committee of the Whole is subject to amendment to correctly reflect
what has occurred in the Committee of the Whole by motions made at the time the report
is offered for adoption by the Senate. When a bill is reported with the recommendation that
the enacting clause be stricken, and the report is agreed to by the Senate, the bill shall be
considered killed.

**Rule 46. Motion for Committee of the Whole to Arise and Report Progress.** A
motion that the Committee of the Whole shall rise and report progress on any bill shall
always be in order and shall be decided without debate, and the matter being considered
shall be the first order of business at the next session of the committee, subject to such
postponement as the subsequent Committee of the Whole may determine.

**Rule 47. Division of the Senate.** Whenever a voice vote has been taken upon any
question in either the Senate or the Committee of the Whole, any Senator may call for a
division of the Senate or Committee of the Whole.

**Rule 48. Bills and Resolutions to Final Action.** When the Committee of the Whole
shall favorably report a bill or resolution, and the report is adopted by the Senate, the bill
or resolution shall be considered as ordered to the order of business Final Action. The vote
upon the final passage of the bill shall not be taken on the same day on which the bill is
placed on Final Action. Bills and resolutions to be sent to the House shall be properly
corrected under the supervision of the Secretary of the Senate. The Secretary of the Senate
is authorized to correct misspelled words, punctuation and “doublets” or repeated words
when preparing bills, resolutions or other documents for signature by officers of the Senate and House.

**Rule 49. Bills and Resolutions—Inclusion of Amendments.** When a bill or resolution is amended, the Secretary of the Senate shall attach to the original copy all amendments made in the Senate. **Rule 51. Motion to Strike Enacting or Resolving Clause—Debate Limited.** No Senator may speak more than twice on a motion to strike the enacting clause of a bill or the resolving clause of a resolution, and no other motion, except a motion to adjourn, shall be in order until the motion to strike the enacting clause or resolving clause has been decided by roll call vote.

**Rule 52. Two-thirds Vote Not Necessary Except on Final Passage of Resolution.** When a resolution requiring a vote of $\frac{2}{3}$ of the Senate for adoption is under consideration, a vote of $\frac{2}{3}$ shall not be needed to decide any question short of its final passage, except as provided by these rules.

**Rule 53. Bills Considered in Regular Order.** The Subcommittee on Calendar of the Committee on Organization, Calendar and Rules shall designate from day to day and from time to time the bills to be considered that day and on the next legislative day, and the order of consideration fixed by this subcommittee shall not be changed, except by unanimous consent or by a $\frac{2}{3}$ vote of all the members of the Senate then elected (or appointed) and qualified, if unanimous consent is refused.

**Rule 54. Changing Order on Calendar.** Not more than one bill may be named in a motion to change the order of the Calendar, and on each motion no Senator except the Senator making the motion shall speak more than once, nor longer than five minutes.

**Rule 55. Resolutions—Classes—Procedures Thereon.** Resolutions shall be of the following classes: (1) Senate resolutions; and (2) Senate concurrent resolutions. In acting on them, the Senate shall observe the following procedure:

1. Senate resolutions other than resolutions for the amendment of rules of the Senate shall not be printed unless ordered by the Senate. There shall be no roll call unless ordered. With the consent of the majority of Senators present and voting, either the requirement to read Senate resolutions or the requirement to lie over one day, or both, may be dispensed with.

2. Senate concurrent resolutions shall be in writing, shall be read by title, and shall lie over one day. All Senate concurrent resolutions shall be printed, and shall require a roll call on motion to adopt. Propositions to amend the constitution shall be made by concurrent resolution and referred to the proper committee. Other concurrent resolutions may be referred to a proper committee by the President.

All House concurrent resolutions, when in the Senate, shall follow the same procedure as Senate concurrent resolutions.

This rule shall not apply to resolutions relating to the business of the day, nor to resolutions for organization or adjournment.

**Rule 56. Confirmation of Appointments by Governor or Other State Official.** All nominations or appointments made by the governor or other state official, which are subject to Senate confirmation, may be considered and acted upon by the Senate in either executive or regular session except that no final action thereon may be taken in executive session. When nominations or appointments are made by the governor or other state official for confirmation by the Senate, they shall, unless otherwise ordered by the President, be referred to appropriate committees by the President. Nominations or appointments referred to committees shall be returned to the Senate within 20 legislative days after the same are referred, together with a report thereon, unless additional time be granted by a majority vote of senators present. If the nomination or appointment is not returned to the Senate within the period of time specified for its return and additional time has not been granted,
the nomination or appointment shall be considered to be returned to the Senate without recommendation on the next legislative day following the last day of the period of time specified for its return. Any such appointment may be considered and acted upon by the Senate at any time after the nomination or appointment is returned to the Senate. No motion to confirm any such appointment or nomination shall be in order without the unanimous consent of the Senate until the nomination or appointment is returned to the Senate, unless one day's previous notice thereof is given in open session. SENATE RESOLUTION No. 1819—

A RESOLUTION commemorating the bicentennial of President Abraham Lincoln’s birth.

WHEREAS, Abraham Lincoln was born on February 12, 1809, in Hardin County, Kentucky, to Thomas Lincoln and Nancy Hanks, in a one-room log cabin, making him the first president born outside the original Thirteen Colonies; in 1816, the Lincoln family was forced to move due to economic hardship to Perry County, Indiana, where his mother died when he was nine years old; in 1830, after more economic difficulties, the family settled on public land in Macon County, Illinois; and

WHEREAS, Lincoln began his political career in 1832, at age 23, with an unsuccessful campaign for the Illinois House of Representatives, as a member of the Whig Party; in 1834, he won election to the Illinois House, where he served four consecutive terms and was admitted to the bar in 1836; two years later, he made his first protest against slavery, stating that the institution was “founded on both injustice and bad policy.” On November 4, 1842, Lincoln married Mary Todd in Springfield, Illinois, and they had four sons, only one of which, Robert Todd Lincoln, survived into adulthood; and

WHEREAS, In 1846, Lincoln was elected to one term in the U.S. House of Representatives after which he returned to Springfield to resume his law practice, which involved extensive travel on horseback from county to county. As a lawyer, he earned the nickname “Honest Abe” because he refused cases he could not conscientiously defend. Opposed to
the 1854 Kansas-Nebraska Act, Lincoln’s re-entry into public life came when he gave a speech to a crowd in Peoria, Illinois, outlining his moral, political and economic arguments against slavery that he would continue to uphold throughout his career; and

WHEREAS, In the 1856 election, Lincoln was instrumental in forming the new Republican Party and, in 1858, he accepted the Republican nomination for U.S. Senate and delivered his famous speech, “A house divided against itself cannot stand. I believe this government cannot endure permanently half slave and half free.” His opponent was Illinois Democrat Stephen A. Douglas and the campaign featured the Lincoln-Douglas debates; while Lincoln lost the election, his speeches in these debates transformed him into a national political figure; and

WHEREAS, In 1860, Abraham Lincoln was nominated as the Republican Party’s candidate for President and on November 6, 1860, he defeated his rival Douglas, among others, and was elected 16th President of the United States and the first President elected from Illinois. On February 22, 1861, President-elect Lincoln, visiting Independence Hall in Philadelphia en route to his inauguration, raised a new American flag containing 34 stars after the admission of Kansas as the 34th state less than one month before, on January 29, 1861; and

WHEREAS, On December 20, 1860, South Carolina seceded from the Union and was followed by ten other southern states; the eleven states declared themselves to be a new nation, the Confederate States of America. At Lincoln’s inauguration on March 4, 1861, a sizeable garrison of federal troops was present, ready to protect the capital from Confederate invasion; and

WHEREAS, President Lincoln’s tenure in office was occupied primarily with the defeat of the Confederate States of America in the nation’s Civil War and he closely supervised the war effort, especially the selection of top generals. He was also successful in uniting the factions of the Republican Party, bringing leaders of each faction into his cabinet and forcing them to cooperate. He introduced measures that resulted in the abolition of slavery, issuing his Emancipation Proclamation in 1863 and promoting the passage of the Thirteenth Amendment to the Constitution, which passed Congress before his death and was ratified by the states later in 1865; and

WHEREAS, The Battle of Gettysburg was a Union victory, it was also the bloodiest battle of the Civil War causing massive casualties to the Union Army. On November 19, 1863, at Soldiers’ National Cemetery in Gettysburg, Lincoln delivered brief remarks not only to dedicate the grounds of the cemetery, but also to consecrate the living in the struggle “that we here highly resolve that these dead shall not have died in vain—that this nation, under God, shall have a new birth of freedom—and that government of the people, by the people, for the people, shall not perish from the earth;” and

WHEREAS, In 1864, the National Union Convention nominated Lincoln for President and Andrew Johnson, a Democrat from Tennessee, for Vice President in order to broaden the war coalition. They ran on the Union Party ticket, uniting Republicans and pro-Union Democrats, and easily won the 1864 election in a landslide. In his second inaugural address on March 4, 1864, President Lincoln said, “Fondly do we hope, fervently do we pray, that this mighty scourge of war may speedily pass away;” and

WHEREAS, On April 9, 1865, after four years of Civil War, an estimated 630,000 deaths and over 1 million casualties, General Robert E. Lee surrendered the Confederate Army of Northern Virginia to General Ulysses S. Grant, in the town of Appomattox Court House, Virginia. President Lincoln gave instructions to “Let them down easy;” and

WHEREAS, On April 14, 1865, while attending the play Our American Cousin at Washington’s Ford Theater, President Lincoln was shot by John Wilkes Booth and never regained consciousness. He died on April 15, 1865. At Lincoln’s death, Secretary of War Edwin Stanton remarked, “Now he belongs to the ages. There lies the most perfect ruler of men the world has ever seen.” Lincoln was the first President to be assassinated or to lie in state and his body was carried by train in a grand funeral procession through several states on its way home to Illinois, which later adopted as its state nickname Land of Lincoln; and

WHEREAS, Historians have ranked Abraham Lincoln one of the greatest Presidents in our nation’s history. Inscribed on the Lincoln Memorial are the words: “In this temple, as in the hearts of the people for whom he saved the Union, the memory of Abraham Lincoln
is enshrined forever.” Beneath these words, the 16th President—the Great Emancipator and preserver of the nation during its greatest crisis—sits immortalized in marble: Now, therefore,

Be it resolved by the Senate of the State of Kansas: That we commemorate February 12, 2009, as the bicentennial of the birth of President Abraham Lincoln; and

Be it further resolved: That the Secretary of the Senate provide an enrolled copy of this resolution to the Lincoln Illinois Bicentennial Commission c/o the Abraham Lincoln Presidential Library and Museum, 112 North Sixth Street, Springfield, Illinois 62701.

On emergency motion of Senator Hensley SR 1819 was adopted unanimously.

Senators Haley and Faust-Goudeau introduced the following Senate resolution, which was read:

SENATE RESOLUTION No. 1821—

A RESOLUTION commemorating the 100th anniversary of the founding of the NAACP.

WHEREAS, Publicizing the issue of equality through lobbying efforts through the court system, the media and mainstream press and through other organizations is the advocacy of the NAACP; and

WHEREAS, The NAACP’s successful struggles against injustices include:

• organizing a nationwide protest of D.W. Griffith’s racially inflammatory and bigoted and silent film, Birth of a Nation
• defeating a grandfather clause that was used against black voters in the South in 1915 and an all-white primary in 1927

• successfully arguing the case of Brown v. Board of Education of Topeka in front of the United States Supreme Court. Considered the NAACP’s greatest legal victory, the case was presented by future United States Supreme Court Justice Thurgood Marshall and found that state laws that separated public schools for black and white students denied all children equal educational opportunities
• serving as the catalyst for the largest grassroots Civil Rights Movement to date, when NAACP member Rosa Parks was arrested and fined for refusing to give up her seat on a segregated bus in Montgomery, Alabama in 1955
• organizing the first ever sit-ins at segregated lunch counters in the Docum Drug Store in Wichita, Kansas in 1958; these sit-ins became the model used across the nation in later years
• obtaining passage of the Civil Rights Act in 1964
• registering more than 80,000 voters in the Old South after passage of the Voting Rights Act in 1965
• initiating the first bill ever signed by a governor that allows voter registration in high schools in 1979, benefitting both African Americans and white high school seniors
• leading a massive anti-apartheid rally in New York in 1985
• establishing television diversity agreements with the entertainment industry and organizing a march of more than 50,000 people to protest the flying of the Confederate battle flag in Columbia, South Carolina in 2000, the largest Civil Rights demonstration ever held in the South; and
WHEREAS, Throughout the history of the Civil Rights movement the NAACP has been a leader and has been instrumental to social progress and equality: Now, Therefore,
Be it resolved by the Senate of the State of Kansas: That we commemorate the 100th anniversary of the founding of the NAACP and the cause of Civil Rights for which it has advocated for 100 years; and
Be if further resolved: That the Secretary of the Senate be directed to provide one enrolled copy of this resolution to Senator David Haley and one to Senator Alethea Faust-Goudeau.

EXPLANATION OF VOTE

Mr. President: In an economic downturn, all budgets are difficult, no matter whether we are talking for a family, a business, or the state. The 09 budget before us is no different.
There is, in this recession budget, something for everyone to hate.
I am glad to see that monies remain for WCGME, for Physical Disabilities, and further there is inclusion of a rolling waiting list. There are monies for DOC to allow WCF to stay as a viable entity.
I’m glad to see that schools don’t have a $127 cut. Unfortunately the Senate budget of $33 cut went to a $66 cut in BSAPP. That will be exceptionally difficult in the last 3-4 months of this fiscal year when most of the contracts are already mostly fulfilled. Therefore, most of the labor cuts will be for cooks, janitors and paraprofessionals.
Further, we have no knowledge of how much, when or even if a Federal Stimulus bill will be available. We cannot and should not rely on any proposed Stimulus bill.
I have no doubt that the 2010 budget will have to be cut 10% or even 15%. But for 09, this is too much.
Having said this, I vote Nay.—Steve Abrams

Senator Ostneyer requests the record to show he concurs with the “Explanation of Vote” offered by Senator Abrams on House Sub for Senate Sub 23.

Mr. President: I vote no on the conference committee report on House Sub for Senate Sub 23.

This lopsided compromise will strike a devastating blow to Kansas school districts, forcing draconian cuts and unfair choices during the waning months of the current school year.
Ironically, while slashing funds for our K-12 school children, the report allowed an entity of the Kansas Board of Regents to circumvent the budget process, ask for and receive nearly $3 million in new funding for graduate medical education. While educating Kansas doctors is important, it is unjust to increase funding for one program while asking other equally-important programs to do more with less.
While the bipartisan budget plan approved by the Senate was based on tough choices, it strived to keep the promise we made to our children for school funding. Now, in just the
third year, this conference committee report will effectively reverse our obligation to the children of Kansas in an incredibly irresponsible manner.—Laura Kelly

Senators Hensley and Lee request the record to show they concur with the “Explanation of Vote” offered by Senator Kelly on House Sub for Senate Sub 23.

Mr. President: In spite of the disparity of the issue of providing $2.9 million to the WCGME program and not reducing the Base Aid reduction below the $66 per student level I will vote AYE on both Bills 161 & 23. WCGME is a very worthwhile program, but not at the expense of the Base Aid per student funding.—Bob Marshall

Mr. President: This is not the bill that I want to support. The cuts to education are more than what the schools in my district can afford and still maintain a quality education. Because of their size they are already functioning as highly efficient schools. These cuts will no longer allow my schools to be efficient and effective but will harm the very programs that are so badly needed by these students. However, my fear is that if this bill doesn’t pass the consequences of future negotiations will hurt my schools more. The longer we take the less time schools will have to face the cuts they will eventually have to make. So, Mr. President, it is time to do what is right and not what I want. Therefore, I vote yes.—Ruth Teichman

On motion of Senator D. Schmidt the Senate adjourned until 8:00 a.m., Friday, February 13, 2009.
The Senate was called to order by President Stephen Morris.
The roll was called with thirty-five senators present.
Senators Barnett, Colyer, Donovan, Lynn and Masterson were excused.
Invocation by Chaplain Fred S. Hollomon:

Heavenly Father,

Seldom does Friday the 13th fall between Lincoln’s birthday anniversary and Valentine’s day. We have three days I call the trilogy of three L’s: Lincoln, luck and love. I prayed about Lincoln yesterday. Today, O God, I want to contrast the luck of Friday 13th to the love of Valentine’s day.

And for that we are most thankful.

I pray in the Name of Jesus Christ,

AMEN

The Pledge of Allegiance was led by President Stephen Morris.

Eternal Father of our souls
Creator of all things

To You
Who one day we will all have to give an account

On this President’s Day, I come asking that you will bless the Members of this body as they think together and work together in this Chamber, in their committee rooms, and in their offices. Help them to continue under the strains and the tensions of problems and decisions, of meetings and conferences, and the endless demands made on them.

Bless these men and women chosen by the people of this State, you know them, their needs, their motives, their hopes, and their fears. Lord, put your arms around them to give them strength, and speak to them to give them wisdom to meet the challenges yet before them. May they hear your voice and seek your guidance now and for the rest of the day.

May they remember that you are concerned about what is said and done in this place of deliberation. And, may this holy interlude flow through each of them with a sense of joy and power, to remain with them until night shall bring your quiet utterance in their ears, “Well done, good and faithful servant.”

Also, please bless and empower our new President and all those, along with these, who have been called to serve our great Nation.

EXPLANATION OF VOTE

MR. PRESIDENT: Comments were made that indicated that those who oppose this bill don’t care about the health of citizens, or are in the pocket of big tobacco.

I would suggest there is another reason.

Is it desirable to protect all of the state’s citizens from those vices that have a negative impact on themselves or other citizens?

Is smoking the only individual right that some people choose to engage in even when they know it’s to their detriment and even knowing that it might have a negative impact on others around them? How about gambling, or drinking alcohol?

So, the question becomes, does the force of government require every individual who enjoys a vice that is legal to then submit to having their rights subsumed within the concept of “the state knows what is best.”

Just as there are already many laws regarding cigarettes, there are many laws concerned with the use of alcohol and regulating gambling. Should we continue to try and regulate them out of existence?

The State cannot, nor should it be in the business of infringing on the rights of its citizens, even when those rights are counterproductive to good health and well being of that same citizen.—STEVE E. ABRAMS
Senator Ostmeyer requests the record to show he concurs with the “Explanation of Vote” offered by Senator Abrams on SB 25.

MR. PRESIDENT: This vote reminds me of the child who says he may be sitting down on the outside but he is standing up on the inside. I vote yes for the health of Kansans. However, to exempt casinos is wrong.

Additionally, honey attracts more support than the sharp words of the bill’s author. I vote yes on SB 25.—KARIN BROWNLEE

MR. PRESIDENT: Like most of my constituents, I support a statewide smoking ban in public places. My community has made a similar decision on the local level which improved our quality of life.

Clearly the health impact of smoking on Kansans is severe. The data that smoking harms every Kansan exposed to it is overwhelming. I see this on a daily basis in my medical practice. It is a clear safety concern and has economic consequences.

This bill is imperfect and does not have the right balance. There has been hypocrisy from many sides. I am particularly troubled that this body has exempted state-owned businesses for economic reasons while denying private businesses—with which the state competes—the same consideration.

The debate has not been civil and less senatorial than Kansans expect from us. I believe the tone of the debate probably cost this body from coming up with a balance that would be supported by the vast majority of Kansans.

I hope we can work together with our colleagues in the House to find resolution to an issue that affects all Kansans.—JEFF COLEY

MR. PRESIDENT: I do have a strong belief in smaller government with an emphasis on personal and local control. There are compelling arguments on both sides so I must choose what I believe is the right thing to do for my district and for the entire state. As a former healthcare marketing director, my vote today is for the health of Kansans and a commitment to public health for our citizens. My constituents expressed their support of a statewide indoor clean air act. We have reached a tipping point within our state and the citizens of Kansas have tipped towards the fact that this is a public health issue that concerns everyone. I am proud of the leadership my district took by enacting their own ordinances. This bill reflects a commitment to public health and will strengthen our initiative to receive the National Cancer Institute designation. This is testimony to our progressive and innovative policy on behalf of all the citizens of Kansas. So I vote yes to a healthy Kansas, yes to public health, and yes to SB 25. Thank you, Mr. President.—JULIA LYNN

MR. PRESIDENT: I vote NO. Yesterday, out of one side of the mouth, it was stated that if I disagreed with SB 25 as it stood I was “in the pocket of big tobacco” and against health, yet out of the other side of the mouth voted to exempt “our” business, casinos, from the bill. I oppose this bill, not because I am in the pocket of tobacco, but because I am in the pocket of the people. How dare we openly recognize the negative effects of this bill by exempting our “state owned” business, but not consider the livelihood of our constituents who sent us here. I am not opposed to any kind of smoking ban, just this hypocritical one we have before us today.—TY MASTERSON

Senator Ostmeyer requests the record to show he concurs with the “Explanation of Vote” offered by Senator Masterson on SB 25.

Heavenly Father,
There is no doubt that we are caught in a serious dilemma. The whole
country is.
There is an old saying that “When the going gets tough, the tough get
going.” That’s probably true, O God, but going where?
Abraham Lincoln was caught in perhaps the worst situation any American
President has ever experienced. At least North Kansas and South Kansas
are not involved in a bloody war!
But to answer the question “Where do we go when the going gets tough?”
I would like to remind myself and the Senate of a confession President
Lincoln made, “I have been driven many times to my knees by the
overwhelming conviction that I had nowhere to go but prayer. My own
wisdom and that of all about me seemed insufficient for the day.”
O God, I earnestly pray that no one in the Executive, Legislative, and
Judicial branches of our state government will ever consider You irrelevant
in times like these.
It’s obvious “honest Abe” did not.
I pray in the Name of Jesus Christ,
AMEN

The Pledge of Allegiance was led by Vice President John Vratil.

MESSAGE FROM THE GOVERNOR
Pursuant to Article 2, Section 14 of the Constitution of the State of Kansas, I hereby return House Substitute for Substitute for Senate Bill No. 23 with my signature approving the bill, except for the items enumerated below.

With these line-item vetoes and accompanying allotments, the total reduction in the Fiscal Year 2009 budget, passed by the Legislature, will be $300 million. These cuts were achieved through a strategic and responsible approach to successfully meet the budget challenges we face as a state in these difficult economic times.

I have already proposed a balanced budget for Fiscal Year 2010, and it is now time for the Legislature to turn its focus to the future, and join me in developing shared solutions to overcome the even greater challenges that lie ahead.

Department of Administration

KPERS Debt Service
Section 37 (t) has been line-item vetoed in its entirety.

Although the Legislature recognized the budgetary savings arising from restructuring several bond issuances, the restructuring of the KPERS bond cannot occur until approved by the State Finance Council. Since a meeting of the Council scheduled to discuss this issue did not occur, that approval has not yet been given. For this reason, I find it necessary to veto this portion of the bill that lapses the debt service. This will ensure the monies remain in the Department’s budget so that the state does not fail to meet its obligations to make debt service payments.

Department of Education

Reductions to Schools
Section 53 (a) has been line-item vetoed in its entirety.
Section 53 (b) has been line-item vetoed in its entirety.

Drastically reducing state aid to schools, with only three months left in the school year, leaves children, parents and teachers in a needless financial predicament. Similarly, reducing funding for special education services in the middle of the school year is pointlessly punitive to those students in need of additional assistance. The state also must preserve special education funding to ensure we can access federal stimulus funds requiring maintenance of effort in special education spending at the state level.

Through allotment authority, I intend to follow the lead of the bipartisan efforts in the Legislature to reduce school funding by only $33 per pupil, instead of the more severe $66 per pupil as agreed to in conference committee on SB 23.

University of Kansas Medical Center

Wichita Center for Graduate Medical Education
Section 66 (e) has been line-item vetoed in its entirety.

The revised fiscal year 2009 budget already includes $2.5 million in additional funding for the Wichita Center for Graduate Medical Education. I will be asking the Kansas Board of Regents to make a full and comprehensive recommendation for WCGME funding in the FY 2010 budget and look forward to working with the Legislature to act on their proposal.
Transfer Limitation

Section 86 (b) has been line-item vetoed in its entirety.

With this veto and accompanying allotment, I am restoring my original budget recommendations to limit transfers to the Heath Care Stabilization Fund, helping to preserve State General Fund balances.

Kansas Bioscience Authority

Section 86 (h) has been line-item vetoed in its entirety.

With this veto and accompanying allotment, I am restoring my original budget recommendations to limit transfers to the Kansas Bioscience Authority, helping to preserve State General Fund balances.

INTRODUCTION OF ORIGINAL MOTIONS AND SENATE RESOLUTIONS

Senators Huelskamp, Abrams, Apple, Barnett, Brownlee, Bruce, Brungardt, Donovan, Emler, Kelsey, Lynn, Marshall, Masterson, McGinn, Morris, Ostmeyer, Owens, Pilcher-Cook, Pyle, D. Schmidt, Taddiken, Teichman, Umbarger, Vratil and Wagle introduced the following Senate resolution, which was read:

SENATE RESOLUTION No. 1828—
A RESOLUTION urging the Kansas Congressional Delegation to oppose legislation that disenfranchises workers by removing their right to a private ballot union election.
WHEREAS, The right to a private, secret ballot when voting on external representation is fundamentally inherent in our representative Republic and shall not be infringed upon; and
WHEREAS, Passing the Employee Free Choice Act (EFCA; H.R. 800/S. 1041 as introduced in the 110th Congress) will replace a federally supervised private ballot election with a system that facilitates coercion and intimidation, known as “card check”, whereby employees publically sign cards to vote for unionization; and
WHEREAS, 79% of the American people support a worker’s right to a federally supervised secret ballot election when deciding whether or not to join a union; and
WHEREAS, Agreement in opposition to the EFCA is overwhelming; with 77% of Republicans, 82% of Democrats and 79% of independents believing in protecting private ballots; and
WHEREAS, In July 2002, before a United States House of Representatives subcommittee, a union employee testified that those who would not vote for a union in a public “card check” program were threatened with termination, deportation and loss of 401(k) and health benefits; and
WHEREAS, Chairman of the United States House of Representatives Education and Labor Committee, Representative Miller (D-CA), a staunch supporter of the American “card check” bill, sent a letter to Mexican government officials which stated, “. . . we feel that the private ballot is absolutely necessary in order to ensure workers are not intimidated into voting for a union they may otherwise not choose.”; and

WHEREAS, The Employee Free Choice Act’s mandatory binding arbitration provisions deny workers the right to participate in the collective bargaining process between employees and the union: Now, therefore,

Be it resolved by the Senate of the State of Kansas: That we find so-called “card check” legislation such as the Employee Free Choice Act to be detrimental to the rights of workers and an offence against democratic principles and that we urge all the members of the Kansas Congressional Delegation to support worker freedom by opposing the EFCA and any of its components in 2009 and in future years; and

Be it further resolved: That the Secretary of the Senate be directed to provide an enrolled copy of this resolution to each member of the Kansas Congressional Delegation.

The institution’s purchasing department also may designate a trade journal for the publication. The institution’s purchasing department also may solicit such bids by sending notices by mail to prospective bidders and by posting the notice on a public bulletin board for at least 10 business days before the date stated in the notice for the opening of the bids unless otherwise provided by law. No construction project shall be subject to any inspection requirement or any requirement to obtain any permit, license or other instrument of approval for the project which is imposed by any city, township, district, city or other political subdivision of this state, except that such project shall be subject to reasonable inspections for the sole purpose of allowing members of the police and fire departments and other public emergency services personnel to become familiar with the project. As used in this section “building code” means any building code and includes any plumbing code, electrical wiring code, gas piping code or similar code. This act shall apply to all construction projects in existence prior to the effective date of this act and to those commenced on or after the effective date.

Sec. 6. (a) As an alternative to the procedure established in section 3, and amendments thereto, the state board may establish an alternative project delivery program under which construction management at-risk procurement processes may be utilized for state educational institution construction projects. This authorization for construction management at-risk procurement shall be for the sole and exclusive use of planning, acquiring, designing, building, equipping, altering, repairing, improving or demolishing any structure or appurtenance thereto, including facilities, utilities or other improvements to any real property.

(b) The state board shall establish a state educational institution procurement committee which shall be composed of five members, or their designees, as follows: (1) The director of facilities at the state board who shall serve as chairperson of the committee; (2) an architect or engineer from a state educational institution; (3) a representative of the associated general contractors of Kansas appointed from a list of at least three nominees submitted by the association to the state board; (4) a representative of the American institute of architects appointed from a list of at least three nominees submitted by the association to the state board; and (5) a representative of the American council of engineering companies appointed from a list of at least three nominees submitted by the association to the state board.

(c) The procurement committee shall review and approve requests for the utilization of alternative project delivery under the state educational institution project delivery building construction procurement act for capital improvement projects financed totally from non-state moneys. If the committee approves a request for utilization of alternative project delivery, the committee shall provide a shortlist of construction managers/design builders for use in such capital improvement project.

(d) The procurement committee shall approve those projects for which the use of alternative project delivery procurement process is appropriate. In making such determination, the committee shall consider the following factors:
(1) The likelihood that the alternative project delivery method of procurement selected will serve the public interest by providing substantial savings of time or money over the traditional design-bid-build delivery process.

(2) The ability to overlap design and construction phases is required to meet the needs of the end user.

(3) The use of an accelerated schedule is required to make repairs resulting from an emergency situation.

(4) The project presents significant phasing or technical complexities, or both, requiring the use of an integrated team of designers and constructors to solve project challenges during the design or preconstruction phase.

(5) The use of an alternative project delivery method will not encourage favoritism in awarding the public contract or substantially diminish competition for the public contract.

(e) When a request is made for alternative delivery procurement by a state educational institution, the institution on behalf of the state board shall publish a notice in the Kansas register that the procurement committee will be holding a public hearing with the opportunity for comment on such request. Notice shall be published at least 15 days prior to the hearing.

(f) If the procurement committee finds that the project does not qualify for the alternative project delivery methods included under this act, then the construction services for such project shall be obtained pursuant to competitive bids and all contracts for construction services shall be awarded to the lowest responsible bidder in accordance with procurement procedures determined and administered by the state board which shall be consistent with the provisions of this act.

(g) When it is necessary in the judgment of an institution to obtain project services for a particular project as described under this act, the institution shall publish a notice of the request for qualifications and proposals for the required project services at least 15 days prior to the commencement of such request in the Kansas register in accordance with K.S.A. 75-430a, and amendments thereto, and in such other appropriate manner as may be determined by the institution.

Sec. 7. Construction management at-risk project delivery procedures shall be conducted as follows:

(a) The state board shall determine the scope and level of detail required to permit qualified construction manager or general contractors to submit construction management at-risk proposals in accordance with the request for proposals given the nature of the project.

(b) Prior to completion of the construction documents, but as early as during the schematic design phase, the construction manager or general contractor shall be selected. The project design professional may be employed or retained by the institution to assist in the selection process.

(c) The institution shall publish a notice of the request for qualifications and proposals for the required project services at least 15 days prior to the commencement of such requests in the Kansas register in accordance with K.S.A. 75-430a, and amendments thereto, and in such other appropriate manner as may be determined by the institution.

(d) The state board shall solicit proposals in a three stage qualifications based selection process. Phase I shall be the solicitation of qualifications and prequalifying a minimum of three but no more than five construction managers or general contractors to advance to phase II. Phase II shall be the solicitation of a request for proposal for the project, and phase III shall include an interview with each proposer to present their qualifications and answer questions.

(1) Phase I shall require all proposers to submit a statement of qualifications which shall include, but not be limited to:

(A) Similar project experience;
(B) experience in this type of project delivery system;
(C) references from design professionals and owners from previous projects;
(D) description of the construction manager’s or general contractor’s project management approach;
(E) financial statements; and
(F) bonding capacity.
Firms submitting a statement of qualifications shall be capable of providing a public works bond in accordance with K.S.A. 60-1111, and amendments thereto, and shall present evidence of such bonding capacity to the procurement committee with their statement of qualifications. If a firm fails to present such evidence, such firm shall be deemed unqualified for selection under this subsection.

(2) The procurement committee shall evaluate the qualifications of all proposers in accordance with the instructions of the request for qualifications. The procurement committee shall prepare a short list containing a minimum of three and maximum of five qualified firms, which have the best and most relevant qualifications to perform the services required of the project, to participate in phase II of the selection process. If three qualified proposers cannot be identified, the selection process shall cease. The procurement committee shall have discretion to disqualify any proposer that, in the procurement committee’s opinion, lacks the minimal qualifications required to perform the work.

(3) Phase II of the process shall be conducted as follows:

(A) Prequalified firms selected in phase I shall be given a request for proposal. The request for proposal shall require all proposers to submit a more in depth response including, but not be limited to:

(i) Company overview;
(ii) experience or references, or both, relative to the project under question;
(iii) resumes of proposed project personnel;
(iv) overview of preconstruction services;
(v) overview of construction planning;
(vi) proposed safety plan;
(vii) fees, including fees for preconstruction services, fees for general conditions, fees for overhead and profit and fees for self-performed work, if any.

(4) Phase III shall be conducted as follows:

A negotiating committee shall interview all of the proposers, allowing the competing firms to present their proposed team members, qualifications and project plan and to answer questions. Interview scores shall not account for more than 50% of the total possible score.

(i) A negotiating committee shall be composed of the head of the institution for which the proposed construction project is planned, or a person designated by the head of the institution, and two other persons designated by the head of the institution for which the proposed project is planned.

(B) The negotiating committee shall select the firm providing the best value based on the request for proposal instructions to proposers. The negotiating committee shall proceed to negotiate with and attempt to enter into a contract with the firm receiving the best total score to serve as the construction manager or general contractor for the project. If the negotiating committee be unable to negotiate a satisfactory contract with the firm scoring the best total score, negotiations with that firm shall be terminated, and the committee shall undertake negotiations with the firm with the next best total score, in accordance with this section.

(C) The negotiating committee determines that it is not in the best interest of the institution to proceed with the project pursuant to the proposals offered, the negotiating committee shall reject all proposals. If all proposals are rejected, the state board may solicit new proposals using different design criteria, budget constraints or qualifications.

(D) The contract to perform construction management at-risk services for a project shall be prepared by the institution and entered into between the institution and the firm performing such construction management at-risk services. A construction management at-risk contract utilizing a cost plus guaranteed maximum price contract value shall return all savings under the guaranteed maximum price to the institution.

(E) The institution shall publish a construction services bid notice in the Kansas register and in such other appropriate manner for the construction manager or general contractor as may be determined by the institution. Each construction services bid notice shall include the request for bids and other bidding information prepared by the construction manager.
or general contractor and the institution. The institution may allow the construction manager or general contractor to self-perform construction services provided the construction manager or general contractor submits a bid proposal under the same conditions as all other competing firms. If a firm submitting a bid proposal fails to present such evidence, such firm shall be deemed unqualified for selection under this subsection. Invocation by Chaplain Fred S. Hollomon:

Heavenly Father,
Too often we discover
Legislators are maligned
Too often by the people
They expected to be kind.

No doubt there are occasions
When some have said or done
Things which they should not
Have done to anyone.

When we happen to be the victim
Of an unprovoked attack,
What course are we to take?
How should we react?

The apostle Paul told us
To forgive them what they've done;
Just as God’s forgiven us,
Forgive the guilty one.

I pray in the Name of Jesus Christ,
AMEN

The Pledge of Allegiance was led by President Stephen Morris.

The bill passed, as amended.

**EXPLANATION OF VOTE**

It is my sincerest belief that the people of Kansas have entrusted to the legislative branch the exclusive power to appropriate the people’s money. **Senate Bill 134** represents an attempt to diminish and erode this body’s authority by permitting the judicial branch to raise and appropriate state funds as it sees fit.

Rather than forfeit our responsibilities, this body should make the conscious and necessary decision to properly fund the third branch of government at such a level as to allow for justice to be realized by our constituents.

The appropriate remedy for a decrease made to the court’s budget from SGF dollars should be a supplementation by docket fee funds set at a level the legislature alone sees fit.

—TERRY BRUCE

Senators Abrams, Brownlee, Colyer, Huelskamp, Kelsey, Masterson, Ostmeyer, Petersen, Pilcher-Cook, Pyle, Taddiken and Wagle request the record to show they concur with the “Explanation of Vote” offered by Senator Bruce on **SB 134**.

**MR. PRESIDENT:** I vote yes on **SB 134**. It is wrong for us in the legislature to treat a co-equal branch of government as just another “agency.” This is about a separation of powers. When we as the Legislative Branch fail to adequately fund another branch we put on the backs of that branch’s workers our failure, thereby rendering them unable to perform the vital function of a co-equal branch and deprive the citizens of our state access on a timely basis to judicial redress.

The “Emergency Surcharge” sought by the Judicial Branch is **required** and for the Legislative Branch to continue to revisit its disagreement with the court over the “School finance formula” decision is just wrong! This is not about teaching the court a civics lesson. A vote against **SB 134** would be a more egregious violation of the constitutional separation of powers than any accusations directed against the courts in the school finance debate. Mr. President, I vote yes.—THOMAS C. OWENS

Senators Francisco, Kelly, McGinn, Schodorf request the record to show they concur with the “Explanation of Vote” offered by Senator Owens on **SB 134**.

(f) Every video recording of any statement as required by this section shall be confidential and exempt from the Kansas open records act in accordance with K.S.A. 45-221, and amendments thereto.

EXPLANATION OF VOTE

Mr. President: If you want to transfer income to the working poor, there are fairer and better ways to do it. The state minimum wage affects only a small number of Kansans—mostly teenagers. A better way is the federal Earned Income Tax Credit which gives monthly payments to the neediest American families without concentrating the burden on just a few businesses. These issues are better addressed at the federal level.—JEFF COYER

Senator Lynn requests the record to show she concurs with the “Explanation of Vote” offered by Senator Colyer on SB 160.

Mr. President: I vote yes on Senate Bill 160 to bring Kansas’ $2.65 minimum wage in line with the federal minimum wage. This bill would provide true and immediate relief to the estimated 17,000 Kansans currently earning less than the federal minimum wage.

Kansans value work, but that value is not reflected in a state minimum wage that is the lowest in the nation, out of line with our neighboring states, and lower than rates in the US Territories of Guam, Puerto Rico and the Virgin Islands.

The time is right for the legislature to make this change because paying decent wages has positive economic benefits across the board: for the workers who can better provide food and shelter for themselves and their families, for the merchants who receive the dollars those workers spend, and for the employers who may save money through reduced employee turnover and a more productive workforce.

I am pleased that we are taking this significant step to protect and value our workers that is long overdue.—MARCI FRANCISCO

Senators Faust-Goudeau, Haley, Hensley and Kultala request the record to show they concur with the “Explanation of Vote” offered by Senator Francisco on SB 160.

EXPLANATION OF VOTE

MR. PRESIDENT: History of the Haley family as chronicled by my late uncle Alex Haley in “ROOTS,” an America saga tells of my fore father . . . . son of a white farm owner and black slave, he was born a slave, considered a “property” of his father and the farm; merely ⅗ of a human being. This man, though a slave, became so proficient at the art of breeding and training gamecocks or “roosters” at fighting that throughout the state folks who heard of his extraordinary ability at winning cockfights called him, simply, “Chicken George”. Chicken George had a winning record by all accounts that would put most professional sports franchises to shame. Before the NFL, the NBA, the NHL or MLB existed in this country, many Americans entertained themselves with the new archaic and definitely barbaric “sport” of “cockfighting.” And Chicken George’s father-master gave his son-slave money from the gambling; the “pot” the winnings that he earned in his craft.

What did the slave-son do when he could? Gave this money back to his master-father in order to buy his freedom; his liberty first and then the liberty and freedom of his wife. Now, no one in this Legislature has a greater affiliation with the enhancement of penalties for...
extreme animal cruelty than David Haley. None of you nor anyone in the House can take
that from my legacy in Kansas. But I vote “NO” today because the generations of freedom
that my family has enjoyed in this country at largely in part to gamecock fighting, ironically.

Since David Haley is a product of a stable foundation generations old, Senator David
Haley can not vote for a bill which outlaws that which long ago made me free. Most folks
may call him “Chicken George” if he were alive today, I would have to call him “great-
great-great-grandpa.” So symbolically, I VOTE “NO” on SB 238.—DAVID HALEY

Heavenly Father,
Our country is in trouble,
That’s easy enough to see;
Big business is hurting
And every employee.

Stocks are plunging downward,
Almost in free fall.
Savings disappearing;
It affects us all.
I’m old enough to remember
What they called the Great Depression.
On everyone in America
It made a big impression.

Unemployment reached
Twenty-five per cent.
Soup lines stood for blocks
Seeking nourishment.
What brought it to an end?
Some say Roosevelt.
Others say it was World War II
When recovery was felt.
Regardless of how bad it gets,
Even when our trouble’s large;
We know that things will turn out right
Because You’re the One in charge!

Invocation by Chaplain Fred S. Hollomon:

Heavenly Father,

Last Sunday was the 277th anniversary of the first president of our nation,
George Washington.

I was so impressed with what President Calvin Coolidge said to the 69th
Congress on February 22, 1927:

“Washington was the directing spirit without which there would have been
no independence, no Union, no Constitution, and no Republic. His ways
were the ways of truth. His influence grows. In wisdom of action, in purity
of character he stands alone. We cannot yet estimate him. We can only
indicate our reverence for him and thank the Divine Providence which sent
him to serve and inspire his fellow men.”

Lord, all I can do is to add my gratitude and I’m sure the gratitude of this
Senate for the way You guided and inspired the man who came to be known
as the Father of our Country.

I pray in the Name of Jesus Christ,

AMEN

SENATE CONCURRENT RESOLUTION No. 1610—

A CONCURRENT RESOLUTION urging the Environmental Protection Agency to authorize the use of higher blends of ethanol in non-flex fuel vehicles.

WHEREAS, Kansas has supported the production and use of ethanol blends for over twenty years, but is approaching an ethanol blend “wall” which will curtail ethanol production in the state; and

WHEREAS, The United States Environmental Protection Agency has not yet approved the use of ethanol blends in excess of ten percent in non-flex fuel vehicles, although the EPA has the ability to approve the use of higher ethanol blends in such vehicles and non-flex fuel vehicles can run safely using blends in excess of E10; and

WHEREAS, The 2007 Federal Energy Bill requires the increased use of ethanol, a requirement that could be addressed through the use of higher ethanol blends, such as blends up to E20 in non-flex fuel vehicles; and

WHEREAS, Numerous studies have shown favorable emissions data through the use of blends up to E20 in comparison with unleaded gasoline; and

WHEREAS, Authorizing the use of higher blends of ethanol in non-flex fuel vehicles will double or triple the use of American-grown ethanol; and

WHEREAS, Kansas will benefit significantly through the increased production of ethanol and related job creation, in addition to the benefit enjoyed by Kansas drivers and fuel consumers through the use of additional ethanol blends at lower cost and through greater fuel efficiency in some vehicles using ethanol blends; and

WHEREAS, Kansas, as well as the entire country, continues to strive for energy independence and increasing the use of ethanol and other biofuels is one more approach toward self-sufficiency. Now, therefore,

Be it resolved by the Senate of the State of Kansas, the House of Representatives concurring therein: That we strongly support and urge the prompt authorization and implementation by the United States Environmental Protection Agency, and other appropriate federal agencies, of the use of higher levels of ethanol blends in non-flex fuel vehicles; and

Be it further resolved: That the Secretary of State is directed to provide an enrolled copy of this resolution to the Administrator of the Environmental Protection Agency, each member of the Kansas Congressional Delegation and the secretary of the United States Department of Agriculture.

Invocation by Chaplain Fred S. Hollomon:

Heavenly Father,

I hear some people say that they don’t understand the Bible. It’s true that some portions of scripture are not as plain-spoken as others. But I would like to thank You, O God, for instructions that any adult and most children can understand. The book of James is one of those:

Everyone should be quick to listen, slow to speak and slow to become angry. James 1:19b

Religion that God our Father accepts as pure and faultless is this: to look after orphans and widows in their distress and to keep oneself from being polluted by the world. James 1:27

As the body without the spirit is dead, so faith without deeds is dead. James 2:26

Out of the same mouth come praise and cursing. My brothers, this should not be. James 3:10

When you ask, you do not receive, because you ask with wrong motives, that you may spend what you get on your own pleasures. James 4:3

Resist the devil and he will flee from you. Come near to God and He will come near to you. James 4:7b-8a

Anyone, then, who knows the good he ought to do and doesn’t do it, sins. James 4:17.

These are just a few of the examples of how You speak clearly to our needs, O God. Help us all to pay attention!

I pray in the Name of Jesus Christ,

AMEN

The Pledge of Allegiance was led by Vice President John Vratil.

MR. PRESIDENT: I vote AYE. The creation of Individual Development Accounts (I.D.A.'s) or Family Development Accounts (F.D.A.'s) was a hard fought Legislative victory which has enabled average and low income Kansans to save for their first home or small business or higher education with matching dollar benefits. I am proud of SB 225 and this Senate's endorsement of a personal advocacy that I have led and hold dear.—DAVID HALEY

The Senate was called to order by President Stephen Morris.
The roll was called with twenty-nine senators present.
Senators Barnett, Brownlee, Brungardt, Colyer, Huelskamp, Kelsey, Lynn, Pyle, V. Schmidt, Taddiken and Wagle were excused.
Invocation by Chaplain Fred S. Hollomon:

Heavenly Father,

While at home over the week-end spare the Senators from constituents
who think they are in Washington.

Please remind constituents
That whether marketing or farming,
Senators cannot be blamed
For the economy or global warming.

And also remind constituents
That Senators can’t be blamed
For what goes on in Washington,
They are really not the same.

And please remind constituents
Senators deal with Kansas land,
And cannot be responsible for
Iraq or Afghanistan.

And, Lord, please help constituents
To remember if they can
Not to ask their Senator
To greet Roberts and Moran!

I ask this in the Name of Jesus Christ,

AMEN

Invocation by Chaplain Fred S. Hollomon:

Heavenly Father,
From time to time I hear people being accused of “playing politics”.
I guess this has been going on since the first Congress and state legislatures.
Someone thinks he’s doing right,
Not resorting to any tricks.
But another says all he’s doing
Is “playing politics”.
One person admits that he might
Be acting like a maverick.
Another person begs to differ,
Saying he’s “playing politics”.
Another person is accused
Of doing things too quick,
But it’s enough to be accused
Of “playing politics”.
Lord, maybe most of us
Have gotten in our licks,
And could be accused of
“Playing politics.”
I wonder when the trumpet blows
And You return to take Your pick,
The rest will shake their heads and say,
“They’re still playing politics.”
I pray in the Name of Jesus Christ,
AMEN

It is so easy for us to see those differences and to concentrate on the potential conflicts in them. It is easy for us to become trapped by our desire to persuade others to accept our ideas.

Help us to see these differences as gifts from a loving God, as a warehouse of ideas from which we can shape the answers to the needs of our people. Help us to recognize the enormous strength in this room. Help us to use it to make Kansas strong, wise, and helpful. Give us the wisdom to see the truth, the courage to follow it, and the kindness to ease the pain of those who hurt.

We ask this in the name of Jesus. Amen

INTRODUCTION OF BILLS AND CONCURRENT RESOLUTIONS

The following bill and resolutions were introduced and read by title:

SENATE CONCURRENT RESOLUTION No. 1612—
By Senators Wagle, D. Schmidt, Abrams, Brownlee, Bruce, Colyer, Donovan, Emler, Huelskamp, Kelsey, Lynn, Masterson, Ostmeyer, Petersen, Pilcher-Cook, Pyle and Taddiken.

A PROPOSITION to amend section 5 of article 3 of the constitution of the state of Kansas, relating to the selection of justices of the supreme court.

Be it resolved by the Legislature of the State of Kansas, two-thirds of the members elected (or appointed) and qualified to the Senate and two-thirds of the members elected (or appointed) and qualified to the House of Representatives concurring therein:

Section 1. The following proposition to amend the constitution of the state of Kansas shall be submitted to the qualified electors of the state for their approval or rejection:

Section 5 of article 3 of the constitution of the state of Kansas is hereby amended to read as follows:

§ 5. Selection of justices of the supreme court. (a) Any vacancy occurring in the office of any justice of the supreme court and any position to be open thereon as a result of enlargement of the court, or the retirement or failure of an incumbent to file his such justice’s declaration of candidacy to succeed himself be retained in office as hereinafter required, or failure of a justice to be elected to succeed himself be retained in office, shall be filled by appointment by the governor, with the consent of the senate, of one of three six persons possessing the qualifications of office who shall be nominated and whose names shall be submitted to the governor by the supreme court nominating commission established as hereinafter provided.

(b) In event of the failure of the governor to make the appointment within sixty days from the time the names of the nominees are submitted to him the governor, the chief justice of the supreme court, with the consent of the senate, shall make the appointment from such nominees.

(c) No person appointed pursuant to subsection (a) or (b) of this section shall assume the office of justice of the supreme court until the senate, by an affirmative vote of the majority of all members of the senate then elected or appointed and qualified, consents to such appointment. The senate shall vote to consent to any such appointment not later than 30 days after such appointment is received by the senate. If the senate is not in session and will not be in session within the 30-day time limitation, the president of the senate shall convene the senate for the sole purpose of voting on such appointment and no other action shall be in order during such session. In the event a majority of the senate does not vote to consent to the appointment, the governor may appoint another of the six persons whose names were submitted to the governor pursuant to subsection (a) and such subsequent appointment shall be considered by the senate in the same procedure as provided in this article. If the governor fails to make such subsequent appointment within 15 days after the senate vote on the previous appointee or if all six persons whose names were submitted to the governor pursuant to subsection (a) have been considered by, but did not receive the consent of, the senate, then the chief justice of the supreme court shall make the appointment from such nominees.

(d) Each justice of the supreme court appointed pursuant to provisions of subsection (a), (b) or (c) of this section and consented to pursuant to the provisions of subsection (c) of this section shall hold office for an initial term ending on the second Monday in January following the first general election that occurs after the expiration of twelve months in office. Not less than sixty days prior to the holding of the general election next preceding the expiration of his such justice’s term of office, any justice of the supreme court may file in the office of the secretary of state a declaration of candidacy for election to succeed himself be retained in office. If a declaration is not so filed, the position held by such justice shall be open from the expiration of his such justice’s term of office. If such declaration is filed, his such justice’s name shall be submitted at the next general election to the electors of the state on a separate judicial ballot, without party designation, reading substantially as follows:
“Shall ____________________________________________
(Here insert name of justice.)
be retained in office?"

If a majority of those voting on the question vote against retaining him such justice in office, the position or office which he such justice holds shall be open upon the expiration of his such justice's term of office; otherwise he such justice shall, unless removed for cause, remain in office for the regular term of six years from the second Monday in January following such election. At the expiration of each term he such justice shall, unless by law he such justice is compelled to retire, be eligible for retention in office by election in the manner prescribed in this section.

(e) A nonpartisan nominating commission whose duty it shall be to nominate and submit to the governor the names of persons for appointment to fill vacancies in the office of any justice of the supreme court is hereby established, and shall be known as the “supreme court nominating commission.” Said commission shall be organized as hereinafter provided.

(f) The supreme court nominating commission shall be composed as follows: One member, who shall be chairman chairperson, chosen from among their number by the members of the bar who are residents of and licensed in Kansas; one member from each congressional district chosen from among their number by the resident members of the bar in each such district; one member, who is not a lawyer, from each congressional district, appointed by the governor from among the residents of each such district; one member, who is not a lawyer, appointed by the speaker of the house of representatives; and one member, who is not a lawyer appointed by the president of the senate.

(g) The terms of office, the procedure for selection and certification of the members of the commission and provision for their compensation or expenses shall be as provided by the legislature.

(h) No member of the supreme court nominating commission shall, while he such person is a member, hold any other public office by appointment or any official position in a political party or for six months thereafter be eligible for nomination for the office of justice of the supreme court. The commission may act only by the concurrence of a majority of its members.”

Sec. 2. The following statement shall be printed on the ballot with the amendment as a whole:

“Explanatory statement. The purpose of this amendment is to require persons appointed by the governor or the chief justice to the office of justice of the supreme court to be consented to by the senate. A procedure is established whereby senate consent would occur within 30 days of receiving the appointment. If the senate does not consent by a majority vote, the supreme court nominating commission would submit six more names to the governor. The governor would then select an appointment which would again go to the senate for consent. The same nomination, appointment and consent procedure would be followed until a valid appointment is made. If the senate fails to vote on the appointment within 30 days, it will be considered that the senate has consented to the appointment.

“A vote for this proposition would provide a procedure whereby the senate, by majority vote, would consent to the appointment, by the governor or chief justice, of supreme court justices.

“A vote against this proposition would continue in effect the current provision whereby the supreme court nominating commission nominates three persons for the office of the supreme court and the governor appoints one of such persons.”

Sec. 3. This resolution, if approved by two-thirds of the members elected (or appointed) and qualified to the Senate, and two-thirds of the members elected (or appointed) and qualified to the House of Representatives shall be entered on the journals, together with the yeas and nays. The secretary of state shall cause this resolution to be published as
provided by law and shall cause the proposed amendment to be submitted to the electors of the state at the general election in November in the year 2010 unless a special election is called at a sooner date by concurrent resolution of the legislature, in which case it shall be submitted to the electors of the state at the special election.

SENATE CONCURRENT RESOLUTION No. 1613—
By Senators Wagle, Abrams, Brownlee, Bruce, Colyer, Donovan, Huelskamp, Kelsey, Lynn, Masterson, Ostmeyer, Petersen, Pilcher-Cook, Pyle, D. Schmidt, Steineger and Taddiken

A PROPOSITION to amend section 24 of article 2 of the constitution of the state of Kansas, relating to appropriations.

Be it resolved by the Legislature of the State of Kansas, two-thirds of the members elected (or appointed) and qualified to the Senate, and two-thirds of the members elected (or appointed) and qualified to the House of Representatves concurring therein:

Section 1. The following proposition to amend the constitution of the state of Kansas shall be submitted to the qualified electors of the state for their approval or rejection: Section 24 of article 2 of the constitution of the state of Kansas is hereby amended to read as follows:

"§ 24. Appropriations. No money shall be drawn from the treasury except in pursuance of a specific appropriation made by law. The executive and judicial branches shall have no authority to direct the legislative branch to make any appropriation of money or to redirect the expenditure of funds appropriated by law, except as the legislative branch may provide by law or as may be required by the Constitution of the United States."

Sec. 2. The following statement shall be printed on the ballot with the amendment as a whole:

"Explanatory statement. The purpose of this amendment is to clarify that the executive and judicial branches shall not direct the legislative branch to make any appropriation of money or to redirect the expenditures of funds appropriated by law, except as the legislative branch may provide by law or as may be required by the Constitution of the United States.

"A vote for this amendment would clarify that section 24 of article 2 of the Kansas Constitution provides that neither the judicial branch nor the executive branch can force the legislative branch to appropriate money, except as the legislative branch may provide by law or as may be required by the Constitution of the United States. The amendment would also prohibit the judicial branch from ordering a change in how money is spent after it has been appropriated by the legislative branch, except as the legislative branch may provide by law or as may be required by the Constitution of the United States. If money is appropriated for a particular purpose the judicial branch could not stop that money from being spent for that purpose.

"A vote against this amendment would provide no change to the Kansas Constitution and the existing order that directs the legislative branch to make an appropriation of money shall remain in effect."

Sec. 3. This resolution, if approved by two-thirds of the members elected (or appointed) and qualified to the Senate, and two-thirds of the members elected (or appointed) and qualified to the House of Representatives shall be entered on the journals, together with the yeas and nays. The secretary of state shall cause this resolution to be published as provided by law and shall cause the proposed amendment to be submitted to the electors of the state at the general election in November in the year 2010 unless a special election is called at a sooner date by concurrent resolution of the legislature, in which case it shall be submitted to the electors of the state at the special election.

The bill passed.

**EXPLANATION OF VOTE**

**MR. PRESIDENT: SB 275** clarifies that the only method to perfect a security interest in implements of husbandry is by filing a financing statement with the Secretary of State. Since enactment of the titling statutes, all lenders in Kansas and all segments of the agricultural industry have known that implements of husbandry are not required to be titled by law. The Kansas Department of Revenue has never required the titling of implements of husbandry. It would not serve the public interest to interpret the law in any other manner.

This bill will not impair the property rights of any person in Kansas who currently owns a tractor or other implement of husbandry, or a lender who has complied with existing law
by perfecting a lien against that implement by filing a UCC financing statement. **SB 275** does not change existing law. It clarifies it. I vote aye on **SB 275**.—**MARK TADDIKEN**

Senators McGinn, Ostmeyer and Teichman request the record to show they concur with the “Explanation of Vote” offered by Senator Taddiken on **SB 275**.

**EXPLANATION OF VOTE**

MR. PRESIDENT: Kansas needs a forward-looking comprehensive energy plan to meet the future needs of our citizens and position us to take advantage of upcoming opportunities rather than tie us to increasing expenditures associated with carbon production. Much of **S Sub for Sub HB 2014** is not forward looking, it is not comprehensive, and does not comprise a plan. The bill does not establish a clear and coherent direction for the department of administration with regard to energy efficient performance standards for state owned and leased facilities. The change in the definition of an electric cooperative will allow removal of protections for individual ratepayers. The discussion on the bill started with energy policy but turned into a discussion about the construction of coal plants. This year the Kansas Senate acted to clean up indoor air; we should be doing the same for our outdoor air.—**MARC FRANCISCO**

Senator Hensley requests the record to show he concurs with the “Explanation of Vote” offered by Senator Francisco on **S Sub for Sub HB 2014**.

**HB 2147.** An act regulating traffic; concerning the removal of certain vehicles from highways; amending K.S.A. 8-1603 and 8-1605 and K.S.A. 2008 Supp. 8-2118 and repealing the existing sections.

On roll call, the vote was: Yeas 40, Nays 0, Present and Passing 0, Absent or Not Voting 0.

The bill passed.

On motion of Senator D. Schmidt the Senate adjourned until 8:00 a.m., Friday, March 6, 2009.
The Senate was called to order by President Stephen Morris.
The roll was called with twenty-eight senators present.
Senators Barnett, Brungardt, Colyer, Donovan, Haley, Kelsey, Masterson, Owens, Pyle, Schodorf, Steineger and Wagle were excused.
Invocation by Chaplain Fred S. Hollomon:

Heavenly Father,

In two former invocations I thanked You for LOVE and JOY, two fruits of the Spirit. Today I thank You for PEACE, another fruit of the Spirit.

Love is the attitude
Which we should express
For You and our neighbors,
For whom we are blessed.

Joy is celebration
For all that You do,
And the close relationship
We have with You.

Peace is serenity
Which we shouldn’t think odd,
All three are products
of one nation under God.

Blessed are the peacemakers,
Who trod this sod,
And help us remain
One nation under God.

When the Holy Spirit
Within us dwells,
All three fruits
Are ours as well.

And for this I thank You in the Name of Jesus Christ.

AMEN

The Pledge of Allegiance was led by President Stephen Morris.

Invocation by Chaplain Fred S. Hollomon:

Heavenly Father,

Two of Your most faithful servants in the history of our nation were named Webster:
Daniel, for what he spoke.
Noah, for what he wrote.

Daniel served as Secretary of State for three presidents: Harrison, Tyler, and Fillmore. He is considered one of the greatest orators in American history.

I marvel at his prediction of the future of our country. He stated this sometime in the first half of the 19th century: “If we abide by the principles taught in the Bible, our country will go on prospering and to prosper; but if we and our posterity neglect its instructions and authority, no man can tell how sudden a catastrophe may overwhelm us and bury all our glory in profound obscurity.”

Noah was the author of Webster’s Dictionary. In 1832 he published his History of the United States of America in which he wrote: “The moral principles and precepts contained in the Scriptures ought to form the basis of all of our civil constitutions and laws. . . . All the miseries and evils which men suffer from vice, crime, ambition, injustice, oppression, slavery and war, proceed from their despising or neglecting the precepts contained in the Bible.”

Thank you, Lord, for raising up these two men in the 19th century who understood that obedience to the precepts of the Bible is necessary for a nation to maintain its greatness.

I pray in the Name of Jesus Christ,

AMEN

The Pledge of Allegiance was led by Vice President John Vratil.

Heavenly Father,

In previous prayers I’ve dealt with
Love and Joy and Peace
The fourth fruit of the Spirit
Is PATIENCE that won’t cease.

In scripture it is used to mean
Your attitude, Lord, toward us.
You exercise much patience
And neither fuss nor “cuss”.

The great preacher, Chrysostom,
Said it’s the grace of a man
Who refuses to avenge himself
When obviously he can.

One writer says it’s persistent patience
Which refuses to surrender in defeat,
Which continues to keep on trying,
Until the victory is complete.

What does patience mean to us
Who have a deficit to fill,
When compromise is difficult,
And progress is uphill?

We must be patient with each other,
And debate with some constraint;
To be grateful when they’re agreeable,
And be patient when they ain’t!

I pray in the Name of Jesus Christ,

AMEN

The Pledge of Allegiance was led by President Stephen Morris.

Heavenly Father,
Should we let the Bible
Affect the way we vote?
Or should we let its influence
Be rare and remain remote?

Our founding fathers did not flinch
From using Bible quotes;
Whether while debating
Or deciding how to vote.

Blackstone’s Commentaries set
The foundation for legal minds.
He was the second most quoted source
By the Founders in their time.

Blackstone said the laws of God
Should not suffer contradiction,
But the law that You revealed, O God,
Is Your jurisdiction.

I know, O God, that legislators
Will seek help all around.
I only pray they’ll search Your Word
And find what Blackstone found.

I pray in the Name of Jesus Christ,
AMEN

Be it resolved by the Legislature of the State of Kansas, two-thirds of the members elected (or appointed) and qualified to the Senate and two-thirds of the members elected (or appointed) and qualified to the House of Representatives concurring therein:

Section 1. The following proposition to amend the constitution of the state of Kansas shall be submitted to the qualified electors of the state for their approval or rejection: Article 11 of the constitution of the state of Kansas is hereby amended by adding a new section thereto to read as follows:

§ 14. Budget Stabilization Fund. A budget stabilization fund shall be established and maintained in the state treasury.

(a) Not later than June 30 of each year, an amount equal to .25 percent of the state revenues collected in the preceding 12 months shall be transferred to the budget stabilization fund. The legislature shall have the power to transfer or appropriate additional amounts to the budget stabilization fund as the legislature may deem appropriate.

(b) Moneys may be transferred from the budget stabilization fund only as follows:

(1) Any amount of moneys may be transferred from the budget stabilization fund into a single other state fund. Any transfer authorized by this subparagraph shall be by a separate bill that does not include any other matter except that authorizing the transfer from the budget stabilization fund. The affirmative vote of not less than three-fifths of all members then elected (or appointed) and qualified to each house shall be necessary to pass any separate bill authorized by this subparagraph.

(2) Whenever the amount in the budget stabilization fund exceeds five percent of the state revenues collected in the previous fiscal year, moneys that exceed such five percent may be transferred from the budget stabilization fund into a single other state fund. Any transfer authorized by this subparagraph shall be by a separate bill that does not include any other matter except that authorizing the transfer from the budget stabilization fund.

(c) Amounts in the budget stabilization fund may be invested as provided by law and the earnings thereon shall be retained in the budget stabilization fund.

(d) As used in this section, “state revenues” means all revenues from any source deposited to any state fund excluding any revenues received from the federal government.

Sec. 2. The following statement shall be printed on the ballot with the amendment as a whole:

“Explanatory statement. The purpose of this amendment is to establish a budget stabilization fund in the state treasury.

(1) By a separate act of the legislature passed by an affirmative vote of not less than three-fifths of all members then elected (or appointed) and qualified to each house.

(2) By a separate act of the legislature whenever the amount in such fund exceeds five percent of the state revenues collected in the previous fiscal year, moneys that exceed such five percent may be transferred from the budget stabilization fund.
“A vote against this amendment would make no changes in current law concerning
the state’s finance.”

Sec. 3. This resolution, if approved by two-thirds of the members elected (or appointed)
and qualified to the Senate, and two-thirds of the members elected (or appointed) and
qualified to the House of Representatives shall be entered on the journals, together with

### LEGEND
- Presumptive Probation
- Border Box
- Presumptive Imprisonment
(b) The provisions of subsection (a) will apply for the purpose of sentencing violations of
the uniform controlled substances act except as otherwise provided by law. Sentences ex-
pressed in the sentencing guidelines grid for drug crimes in subsection (a) represent months
of imprisonment.

(c) (1) The sentencing court has discretion to sentence at any place within the sentencing
range. The sentencing judge shall select the center of the range in the usual case and reserve
the upper and lower limits for aggravating and mitigating factors insufficient to warrant a
departure. The sentencing court shall not distinguish between the controlled substances
cocaine base (9041L000) and cocaine hydrochloride (9041L005) when sentencing within
the sentencing range of the grid block.

(2) In presumptive imprisonment cases, the sentencing court shall pronounce the com-
plete sentence which shall include the prison sentence, the maximum potential reduction
to such sentence as a result of good time and the period of postrelease supervision at the
sentencing hearing. Failure to pronounce the period of postrelease supervision shall not
negate the existence of such period of postrelease supervision.

(3) In presumptive nonprison cases, the sentencing court shall pronounce the prison
sentence as well as the duration of the nonprison sanction at the sentencing hearing.

(d) Each grid block states the presumptive sentencing range for an offender whose crime
of conviction and criminal history place such offender in that grid block. If an offense is
classified in a grid block below the dispositional line, the presumptive disposition shall be
nonimprisonment. If an offense is classified in a grid block above the dispositional line, the
presumptive disposition shall be imprisonment. If an offense is classified in grid blocks 3-
E, 3-F, 3-G, 3-H or 3-I, the court may impose an optional nonprison sentence upon making
the following findings on the record:

(1) An appropriate treatment program exists which is likely to be more effective than the
presumptive prison term in reducing the risk of offender recidivism; and

(2) the recommended treatment program is available and the offender can be admitted
to such program within a reasonable period of time; or

(3) the nonprison sanction will serve community safety interests by promoting offender
reformation.

Any decision made by the court regarding the imposition of an optional nonprison sen-
tence if the offense is classified in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I shall not be con-
sidered a departure and shall not be subject to appeal.

(e) The sentence for a second or subsequent conviction of K.S.A. 65-4159 and amend-
ments thereto, manufacture of any controlled substance or controlled substance analog shall
be a presumptive term of imprisonment of two times the maximum duration of the pre-
sumptive term of imprisonment. The court may impose an optional reduction in such sen-
tence of not to exceed 50% of the mandatory increase provided by this subsection upon
making a finding on the record that one or more of the mitigating factors as specified in
K.S.A. 21-4716 and amendments thereto justify such a reduction in sentence. Any decision
made by the court regarding the reduction in such sentence shall not be considered a
departure and shall not be subject to appeal.

(f) (1) The sentence for a third or subsequent felony conviction of K.S.A. 65-4160 or 65-
4162, and amendments thereto, shall be a presumptive term of imprisonment and the de-
fendant shall be sentenced to prison as provided by this section. Such term of imprisonment
shall be served in a facility designated by the secretary of corrections in the custody of the
secretary of corrections to participate in an intensive substance abuse treatment program.
The intensive substance abuse treatment program shall be determined by the secretary of
corrections, but shall be for a period of at least four months. Upon the successful completion
of such intensive treatment program, the offender shall be returned to the court and the
court may modify the sentence by directing that a less severe penalty be imposed in lieu of
that originally adjudged within statutory limits. If the offender’s term of imprisonment ex-
pires, the offender shall be placed under the applicable period of postrelease supervision.

(2) If the defendant has previously completed a certified drug abuse treatment program,
as provided in K.S.A. 2008 Supp. 75-52,144, and amendments thereto, has been discharged
or refused to participate in a certified drug abuse treatment program, as provided in K.S.A.
2008 Supp. 75-52.144, and amendments thereto, has completed an intensive substance abuse treatment program under paragraph (1) or has been discharged or refused to participate in an intensive substance abuse treatment program under paragraph (1), such defendant’s term of imprisonment shall not be subject to modification under paragraph (1).

The sentence under this subsection shall not be considered a departure and shall not be subject to appeal.

(g) (1) Except as provided further, if an offender carries a firearm to commit a drug felony, or in furtherance of a drug felony, possesses a firearm, in addition to the sentence imposed pursuant to the Kansas sentencing guideline act, the offender shall be sentenced to:

(A) An additional 12 months imprisonment;

(B) if the firearm is brandished, an additional 15 months imprisonment; and

(C) if the firearm is discharged, an additional 24 months imprisonment.

(2) The sentence imposed pursuant to paragraph (1) shall be presumptively imprisonment.

(3) The provisions of this subsection shall not apply to violations of K.S.A. 65-4152, 65-4160 or 65-4162, and amendments thereto.

(4) For purposes of this subsection, the term “brandish” means, with respect to a firearm, to display all or part of the firearm, or otherwise make the presence of the firearm known to another person, in order to intimidate that person, regardless of whether the firearm is directly visible to that person.

(H) Except as otherwise provided in this subsection, the provisions of this section shall apply. In applying the provisions of this section, the trial court may determine the number of peremptory challenges to allow by reviewing the classification for the crime charged, or nearest comparable felony, as it was classified under the criminal law in effect prior to July 1, 1993. If the severity level of the most serious crime charged raises the potential penalty above that of another crime which was classified higher under the criminal law in effect prior to July 1, 1993, the defendant shall be allowed the number of peremptory challenges as for that higher classified crime under the prior system.
(I) The trial court shall resolve any conflicts with a liberal construction in favor of allowing the greater number of peremptory challenges.

(b) After the parties have interposed all of their challenges to jurors, or have waived further challenges, the jury shall be sworn to try the case.
(c) Immediately after the jury is empaneled and sworn, a trial judge may empanel one or more alternate or additional jurors whenever, in the judge’s discretion, the judge believes it advisable to have such jurors available to replace jurors who, prior to the time the jury retires to consider its verdict, become or are found to be unable to perform their duties. Such jurors shall be selected in the same manner, have the same qualifications, and be subject to the same examination and challenges and take the same oath and have the same functions, powers and privileges as the regular jurors. Such jurors may be selected at the same time as the regular jurors or after the jury has been empaneled and sworn, in the judge’s discretion. Each party shall be entitled to one peremptory challenge to such alternate jurors. Such alternate jurors shall be seated near the other jurors, with equal power and facilities for seeing and hearing the proceedings in the case, and they must attend at all times upon the trial of the cause in company with the other jurors. They shall obey the orders of and be bound by the admonition of the court upon each adjournment, but if the regular jurors are ordered to be kept in custody during the trial of the case, such alternate jurors also shall be kept in confinement with the other jurors. Upon final submission of the case to the jury, the alternate jurors may be discharged or they may be retained separately and not discharged until the final decision of the jury. If the alternate jurors are not discharged on final submission of the case and if any regular juror shall be discharged from jury service in any such action prior to the jury reaching its verdict, the court shall draw the name of an alternate juror who shall replace the juror so discharged and be subject to the same rules and regulations as though such juror had been selected as one of the original jurors.”;

SB 54. An act concerning a mural in the capitol.

On roll call, the vote was: Yeas 40, Nays 0, Present and Passing 0, Absent or Not Voting 0.

The bill passed.

EXPLANATION OF VOTE

MR. PRESIDENT: I vote “AYE”, along with a unanimous Senate, on SB 54, which compels the planning and the placing of a mural on one of our newly renovated Capitol walls. The landmark legal case of Brown vs. Board of Education is one of the few items in Americana for which Kansas is really and truly known.

My father, who contributed as a Kansas City attorney to the Brown pleadings, and I, as a law student in Washington D. C. and a staffer for former Senator Dole, took exceptional pride once when President Reagan remarked at a White House ceremony on Kansas and his own knowledge of the Brown decision. It speaks volumes for our unique legacy. In 2004, both President George W. Bush and then presidential candidate US Senator John Kerry
came, on the SAME day, to Topeka to commemorate the 50th Anniversary of the US Supreme Court’s decision underscoring the gravamen of the premise that “separate is NOT equal” in public education and overturning the 1896 decision of Plessy vs. Ferguson which argued “separate could be equal.”

Kansas is best known world-wide for the Brown decision and that, second only perhaps to the “Wizard of Oz”, this is our State’s best identifying legacy. This history, like the John Brown mural, is who we really and truly are and, at our best, who I personally hope Kansans always aspire to be.—DAVID HALEY

SB 260. An act concerning insurance; relating to the recovery of economic or noneconomic loss sustained as a result of an accident while operating an uninsured motor vehicle.

On roll call, the vote was: Yeas 37, Nays 3, Present and Passing 0, Absent or Not Voting 0.

Nays: Faust-Goudeau, Haley, Hensley.

The bill passed, as amended.

EXPLANATION OF VOTE

MR. PRESIDENT: I vote no on SB 260. Due to the economic down times that we are experiencing here in the State of Kansas and due to the jobs that are being lost and the people who are filing bankruptcy and due to the practice of the insurance companies raising
premiums on the basis of low credit scores, I believe that we will have more and more uninsured drivers on our roads and highways. I have received numerous letters, e-mails, and phone calls about this issue this session, and it is a serious one. SB 260 will add further damage.—OLETHA FAUST-GOUDEAU

The Senate was called to order by President Stephen Morris.
The roll was called with thirty senators present.
Senators Abrams, Barnett, Brownlee, Brungardt, Colyer, Faust-Goudeau, Haley, Kelsey, Masterson and Pyle were excused.
Invocation by Chaplain Fred S. Hollomon:

Heavenly Father,
Praying for the Senators
Is what I like to do
They have responsibilities
And plenty of problems, too.

Some of them live in Topeka,
And can go home every night.
Some who live not far away
Commute before daylight.

Some who live quite far away
Rent here a place to sleep.
Others with several children
Commute home every week.

Farmers, Physicians, and Attorneys
Are almost half those in it.
All of them have other jobs
Besides being in the Senate.

This is just the beginning
Of what I need to pray.
I’ll save the rest of my prayer
For another day.

I pray in the Name of Jesus,
AMEN

The Pledge of Allegiance was led by President Stephen Morris.

SENATE RESOLUTION No. 1851—
A RESOLUTION urging review, modification and reorganization of laws pertaining to the maintenance and availability of health information.

WHEREAS, Kansans have an interest in the confidentiality, security, integrity and availability of their health information; and

On motion of Senator D. Schmidt the Senate adjourned until 2:30 p.m., Monday, March 16, 2009.
The Senate was called to order by President Stephen Morris.
The roll was called with forty senators present.

President Morris introduced as guest chaplain, Rev. Howard Cupp, Westside Christian Church, Topeka, Kansas, who delivered the invocation:

God of our dreams and our disappointments, our fears and our frustrations: we give thanks for the blessings that fill our lives, especially now for the guidance and empowerment that you offer for just and fair leadership.

We find ourselves in a difficult and confusing time. Perhaps we are learning the inadequacy of our cherished ways of doing things. Perhaps, after sowing seeds of injustice, we are reaping a harvest of crumbling institutions. We confess our need for your guidance if we're to find our way through and beyond these trying times to a life of justice and abundance for all our citizens.

So I pray that you will grant these men and women the power, the desire, and the grace truly to listen—and hear—you and one another, that this body might become a representative community, rather than armies of opposing parties and interests, and rise above the desire for power and control, to lay a good foundation, through laws, budgets, and programs, for a life of justice and abundance—not just for a privileged majority—but for all who call Kansas home.

Bless their efforts, God, to serve you and all their constituents faithfully. Amen.

The Pledge of Allegiance was led by President Stephen Morris.

WHEREAS, The Federal American Recovery and Reinvestment Act of 2009 will provide over $1.7 billion in federal economic stimulus funds to the state of Kansas; and

WHEREAS, The funds are designed to stimulate the economy in the short term and for investment in education and other essential public services to ensure the long-term economic health of our nation; and

WHEREAS, The State of Kansas will receive over $875 million in federal economic stimulus funds under the Federal American Recovery and Reinvestment Act of 2009 for educational purposes; and

WHEREAS, Approximately $600 million of the federal economic stimulus funds under the Federal American Recovery and Reinvestment Act of 2009 will be expended for primary and secondary education in the state of Kansas; and

WHEREAS, The Secretary of the United States Department of Education, Arne Duncan, has cautioned state and school district officials that federal economic stimulus funds received under the Federal American Recovery and Reinvestment Act of 2009 are provided on a one-time basis and that state and school district officials need to find the best way to stretch every dollar and not to spend such funds to finance on-going programs; and

WHEREAS, School districts should take steps to be prepared for the possibility that unless the state and national economy markedly improves, in Fiscal Year 2012 the State General Fund could face a potential shortfall of huge proportions resulting in the reduction of appropriation of state moneys for school districts: Now, therefore,

Be it resolved by the Senate of the State of Kansas, the House of Representatives concurring therein: That we encourage school districts to utilize carefully one-time federal economic stimulus funds received under the Federal American Recovery and Reinvestment Act of 2009 and not to finance on-going programs with such funds; and

Invocation by Chaplain Fred S. Hollomon:

Heavenly Father,
I’d like to begin by quoting one of St. Patrick’s prayers:

“I rise today, through God’s might to uphold me, God’s wisdom to guide
me, God’s eye to look before me, God’s ear to hear me, God’s hand to guard
me, God’s way to lie before me and God’s shield to protect me.”

St. Patrick’s Day is celebrated in many ways. As for me, it is a good time
to thank You for making saints out of sinners.

You made a saint out of a sinner named Peter;
You made a saint out of a sinner named Paul.
You’ve made saints out of so many sinners,
Only You know the names of them all.

You made saints out of sinners in Corinth,
A city known for its sin.
You made saints out of sinners in Athens
Who were never the same again.

We celebrate the day of St. Patrick,
And rejoice over the life of St. Paul,
But when sinners become saints in Topeka,
It’s the biggest celebration of all!

I pray in the Name of Jesus Christ,
AMEN

The Pledge of Allegiance was led by Vice President John Vratil.

On roll call, the vote was: Yeas 32, Nays 6, Present and Passing 0, Absent or Not Voting 2.

Absent or Not Voting: Hensley, Wysong.
The Senate concurred.

EXPLANATION OF VOTE

Although I honestly believe that knowledge is empowering and that every woman, even during the anxiety associated with a crisis pregnancy, should have as much information about her abortion as possible . . . this bill increases both the cost (by providing an ultrasound per procedure) and the coercion (with an additional “waiting period” and “offer” to “view a picture”), to add to the already potentially distressed patient. Further, this bill once again codifies a misnomer by confusing the medically correct term “fetus” with the invasively inflammatory term “unborn child”.—DAVID HALEY

“Sec. 4. K.S.A. 2008 Supp. 8-1001 is hereby amended to read as follows: 8-1001. (a) Any person who operates or attempts to operate a vehicle within this state is deemed to have given consent, subject to the provisions of this act, to submit to one or more tests of the
person’s blood, breath, urine or other bodily substance to determine the presence of alcohol or drugs. The testing deemed consented to herein shall include all quantitative and qualitative tests for alcohol and drugs. A person who is dead or unconscious shall be deemed not to have withdrawn the person’s consent to such test or tests, which shall be administered in the manner provided by this section.

(b) A law enforcement officer shall request a person to submit to a test or tests deemed consented to under subsection (a): (1) If the officer has reasonable grounds to believe the person was operating or attempting to operate a vehicle while under the influence of alcohol or drugs, or both, or to believe that the person was driving a commercial motor vehicle, as defined in K.S.A. 8-2,128, and amendments thereto, while having alcohol or other drugs in such person’s system, or was under the age of 21 years while having alcohol or other drugs in such person’s system; and one of the following conditions exists: (A) The person has been arrested or otherwise taken into custody for any offense involving operation or attempted operation of a vehicle while under the influence of alcohol or drugs, or both, or for a violation of K.S.A. 8-1567a, and amendments thereto, or involving driving a commercial motor vehicle, as defined in K.S.A. 8-2,128, and amendments thereto, while having alcohol or other drugs in such person’s system, in violation of a state statute or a city ordinance; or (B) the person has been involved in a vehicle accident or collision resulting in property damage or personal injury other than serious injury; or (C) if the person was operating or attempting to operate a vehicle and such vehicle has been involved in an accident or collision resulting in serious injury or death, any person and the operator could be cited for any traffic offense, as defined in K.S.A. 8-2117, and amendments thereto; or (3) if the person was operating or attempting to operate a vehicle and such vehicle has been involved in an accident or collision with one or more other vehicles resulting in the death of any person. The traffic offense violation shall constitute probable cause for purposes of paragraph (2). The test or tests under paragraph (2) shall not be required if a law enforcement officer has reasonable grounds to believe the actions of the operator did not contribute to the accident or collision. The law enforcement officer directing administration of the test or tests may act on personal knowledge or on the basis of the collective information available to law enforcement officers involved in the accident investigation or arrest.

(c) If a law enforcement officer requests a person to submit to a test of blood under this section, the withdrawal of blood at the direction of the officer may be performed only by: (1) A person licensed to practice medicine and surgery, licensed as a physician’s assistant, or a person acting under the direction of any such licensed person; (2) a registered nurse or a licensed practical nurse; (3) any qualified medical technician, including, but not limited to, an emergency medical technician-intermediate or mobile intensive care technician, as those terms are defined in K.S.A. 65-6112, and amendments thereto, authorized by medical protocol or (4) a phlebotomist.

(d) A law enforcement officer may direct a medical professional described in this section to draw a sample of blood from a person: (1) If the person has given consent and meets the requirements of subsection (b); (2) if medically unable to consent, if the person meets the requirements of subsection (b); or (3) if the person refuses to submit to and complete a test, if the person meets the requirements of paragraph (2) of subsection (b).

(e) When so directed by a law enforcement officer through a written statement, the medical professional shall withdraw the sample as soon as practical and shall deliver the sample to the law enforcement officer or another law enforcement officer as directed by the requesting law enforcement officer as soon as practical, provided the collection of the sample does not jeopardize the person’s life, cause serious injury to the person or seriously impede the person’s medical assessment, care or treatment. The medical professional authorized herein to withdraw the blood and the medical care facility where the blood is drawn may act on good faith that the requirements have been met for directing the withdrawing of blood once presented with the written statement provided for under this subsection. The medical professional shall not require the person to sign any additional consent or waiver form. In such a case, the person authorized to withdraw blood and the medical care facility shall not be liable in any action alleging lack of consent or lack of informed consent.
(f) Such sample or samples shall be an independent sample and not be a portion of a sample collected for medical purposes. The person collecting the blood sample shall complete the collection portion of a document provided by law enforcement.

(g) If a person must be restrained to collect the sample pursuant to this section, law enforcement shall be responsible for applying any such restraint utilizing acceptable law enforcement restraint practices. The restraint shall be effective in controlling the person in a manner not to jeopardize the person’s safety or that of the medical professional or attending medical or health care staff during the drawing of the sample and without interfering with medical treatment.

(h) A law enforcement officer may request a urine sample upon meeting the requirements of paragraph (1) of subsection (b) and shall request a urine sample upon meeting the requirements of paragraph (2) of subsection (b).

(i) If a law enforcement officer requests a person to submit to a test of urine under this section, the collection of the urine sample shall be supervised by persons of the same sex as the person being tested and shall be conducted out of the view of any person other than the persons supervising the collection of the sample and the person being tested, unless the right to privacy is waived by the person being tested. When possible, the supervising person shall be a law enforcement officer. The results of qualitative testing for drug presence shall be admissible in evidence and questions of accuracy or reliability shall go to the weight rather than the admissibility of the evidence. If the person is medically unable to provide a urine sample in such manner due to the injuries or treatment of the injuries, the same authorization and procedure as used for the collection of blood in subsections (d) and (e) shall apply to the collection of a urine sample.

(j) No law enforcement officer who is acting in accordance with this section shall be liable in any civil or criminal proceeding involving the action.

(k) Before a test or tests are administered under this section, the person shall be given oral and written notice that: (1) Kansas law requires the person to submit to and complete one or more tests of breath, blood or urine to determine if the person is under the influence of alcohol or drugs, or both;

(2) the opportunity to consent to or refuse a test is not a constitutional right;

(3) there is no constitutional right to consult with an attorney regarding whether to submit to testing;

(4) if the person refuses to submit to and complete any test of breath, blood or urine hereafter requested by a law enforcement officer, the person’s driving privileges will be suspended for one year for the first occurrence, two years for the second occurrence, three years for the third occurrence, 10 years for the fourth occurrence and permanently revoked for a fifth or subsequent occurrence;

(5) if the person submits to and completes the test or tests and the test results show for the first occurrence:

(A) An alcohol concentration of .08 or greater, the person’s driving privileges will be suspended for 30 days for the first occurrence; or

(B) an alcohol concentration of .15 or greater, the person’s driving privileges will be suspended for one year;

(6) if the person submits to and completes the test or tests and the test results show an alcohol concentration of .08 or greater, the person’s driving privileges will be suspended for one year for the second, third or fourth occurrence and permanently revoked for a fifth or subsequent occurrence;

(7) if the person is less than 21 years of age at the time of the test request and submits to and completes the tests and the test results show an alcohol concentration of .08 or greater, the person’s driving privileges will be suspended for one year except the person’s driving privileges will be permanently revoked for a fifth or subsequent occurrence;

(8) refusal to submit to testing may be used against the person at any trial on a charge arising out of the operation or attempted operation of a vehicle while under the influence of alcohol or drugs, or both;

(9) the results of the testing may be used against the person at any trial on a charge arising out of the operation or attempted operation of a vehicle while under the influence of alcohol or drugs, or both; and
after the completion of the testing, the person has the right to consult with an attorney and may secure additional testing, which, if desired, should be done as soon as possible and is customarily available from medical care facilities willing to conduct such testing.

If a law enforcement officer has reasonable grounds to believe that the person has been driving a commercial motor vehicle, as defined in K.S.A. 8-2,128, and amendments thereto, while having alcohol or other drugs in such person’s system, the person shall also be provided the oral and written notice pursuant to K.S.A. 8-2,145 and amendments thereto. Any failure to give the notices required by K.S.A. 8-2,145 and amendments thereto shall not invalidate any action taken as a result of the requirements of this section. If a law enforcement officer has reasonable grounds to believe that the person has been driving or attempting to drive a vehicle while having alcohol or other drugs in such person’s system and such person was under 21 years of age, the person also shall be given the notices required by K.S.A. 8-1567a, and amendments thereto. Any failure to give the notices required by K.S.A. 8-1567a, and amendments thereto, shall not invalidate any action taken as a result of the requirements of this section.

After giving the foregoing information, a law enforcement officer shall request the person to submit to testing. The selection of the test or tests shall be made by the officer. If the person refuses to submit to and complete a test as requested pursuant to this section, additional testing shall not be given unless the certifying officer has probable cause to believe that the person, while under the influence of alcohol or drugs, or both, has operated a vehicle in such a manner as to have caused the death of any person. If the test results show a blood or breath alcohol concentration of .08 or greater, the person’s driving privileges shall be subject to suspension, or suspension and restriction, as provided in K.S.A. 8-1002 and 8-1014, and amendments thereto.

The person’s refusal shall be admissible in evidence against the person at any trial on a charge arising out of the alleged operation or attempted operation of a vehicle while under the influence of alcohol or drugs, or both.

If a law enforcement officer had reasonable grounds to believe the person had been driving a commercial motor vehicle, as defined in K.S.A. 8-2,128, and amendments thereto, and the test results show a blood or breath alcohol concentration of .04 or greater, the person shall be disqualified from driving a commercial motor vehicle, pursuant to K.S.A. 8-2,142, and amendments thereto. If a law enforcement officer had reasonable grounds to believe the person had been driving a commercial motor vehicle, as defined in K.S.A. 8-2,128, and amendments thereto, and the test results show a blood or breath alcohol concentration of .08 or greater, or the person refuses a test, the person’s driving privileges shall be subject to suspension, or suspension and restriction, pursuant to this section, in addition to being disqualified from driving a commercial motor vehicle pursuant to K.S.A. 8-2,142, and amendments thereto.

An officer shall have probable cause to believe that the person operated a vehicle while under the influence of alcohol or drugs, or both, if the vehicle was operated by such person in such a manner as to have caused the death of or serious injury to a person. In such event, such test or tests may be made pursuant to a search warrant issued under the authority of K.S.A. 22-2502, and amendments thereto, or without a search warrant under the authority of K.S.A. 22-2501, and amendments thereto.

Failure of a person to provide an adequate breath sample or samples as directed shall constitute a refusal unless the person shows that the failure was due to physical inability caused by a medical condition unrelated to any ingested alcohol or drugs.

It shall not be a defense that the person did not understand the written or oral notice required by this section.

No test results shall be suppressed because of technical irregularities in the consent or notice required pursuant to this act.

Nothing in this section shall be construed to limit the admissibility at any trial of alcohol or drug concentration testing results obtained pursuant to a search warrant.

Upon the request of any person submitting to testing under this section, a report of the results of the testing shall be made available to such person.

This act is remedial law and shall be liberally construed to promote public health, safety and welfare.
(w) As used in this section, “serious injury” means a physical injury to a person, as determined by law enforcement, which has the effect of, prior to the request for testing:
(1) Disabling a person from the physical capacity to remove themselves from the scene;
(2) renders a person unconscious;
(3) the immediate loss of or absence of the normal use of at least one limb;
(4) an injury determined by a physician to require surgery; or
(5) otherwise indicates the person may die or be permanently disabled by the injury.”;

On motion of Senator D. Schmidt the Senate adjourned until 2:30 p.m., Thursday, March 19, 2009.
The Senate was called to order by President Stephen Morris.
The roll was called with forty senators present.
Invocation by Chaplain Fred S. Hollomon:

Heavenly Father,
One of Your faithful ministers
Named John Witherspoon
Entered our fight for freedom
Not a day too soon.
President of Princeton,
He signed our Declaration
And in the Continental Congress
Helped to save our nation.
To be a statesman and a patriot,
He encouraged three elements.
They were extremely effective,
And have remained so ever since
“True and undefiled religion”
Has to be maintained;
Profanity and immorality
Must not become ingrained.
If anyone opposes
That for which God stands,
He must be considered
Not a statesmanlike man.
We thank You, Lord, for molding
Men like Witherspoon;
You brought him to America.
Certainly not too soon.
I pray in the Name of Jesus Christ,
AMEN

The Pledge of Allegiance was led by President Stephen Morris.

**EXPLANATION OF VOTE**

**Mr. President:** I vote “no” on HB 2002. It seems to have become legislative sport to treat Johnson County schools differently from others. On special education reimbursement, all six Johnson County school districts receive less than 70% of excess costs even though by law they should receive 92%. Some districts receive about 200%. In this bill we are not allowed the opportunity to have a second count date for our fast growing school districts. This again carves out our schools to be treated differently, perhaps unfairly.—KARIN BROWNLEE

Senators Lynn and Colyer requested the record to show they concur with the “Explanation of Vote” offered by Senator Brownlee on HB 2002.

EXPLANATION OF VOTE

MR. PRESIDENT: I vote “NO” on HB 2060. As I indicated during yesterday’s General Orders debate, I continue to find it absurd that this Senate is writing a “blank check,” and/or imposing an unfunded mandate on our County jails, especially during these times of economic uncertainty. We don’t even have a firm fiscal estimate on bedsprice.

This bill does nothing to increase public safety. It just creates a bunch of so called “feel-good/H11005 get-tough-on-crime” provisions for somebody’s future campaign literature fodder.

As a true fiscal conservative, I’m not going to fall for the costs of this charade.—DAVID HALEY.

New Sec. 5. (a) Before issuing a public adjuster license to an applicant under this act, the commissioner shall find that the applicant:

(1) Is eligible to designate this state as the applicant’s home state or is a nonresident who is not eligible for a license under section 8, and amendments thereto;

(b) In addition to satisfying the requirements of subsection (a), an applicant shall

(2) have successfully passed the public adjuster examination.

(c) The commissioner may require any documents reasonably necessary to verify the information contained in the application.

New Sec. 6. (a) An applicant for a public adjuster license under this act shall pass a written examination, unless exempt from this requirement pursuant to section 7, and amendments thereto. The examination shall test the knowledge of the individual concerning the duties and responsibilities of a public adjuster and the insurance laws and regulations of this state. Examinations required by this section shall be developed and conducted under rules and regulations prescribed by the commissioner.

(b) The commissioner may make arrangements, including contracting with an outside testing service, for administering examinations.

If the applicant again fails to satisfactorily complete the examination, the applicant may retake the examination following a waiting period of not less than seven days following the date of the second examination. If the applicant again fails to satisfactorily complete the examination, the applicant may retake the examination following a waiting period of not less than six months following the date of the third examination, except that following a waiting period of not less than two years following the date of the third examination, the applicant will be treated as a new applicant and new examination and waiting periods shall apply.

New Sec. 7. (a) An applicant who applies for a public adjuster license in this state, who is currently licensed as a public adjuster in another state based on the individual’s passage of a public adjuster examination, shall not be required to complete any pre-licensing examination.

(b) An individual licensed as a public adjuster in another state, based on the individual’s passage of a public adjuster examination, who moves to this state shall make application within 90 days of establishing legal residence in this state to become a resident licensee pursuant to section 5, and amendments thereto. No pre-licensing examination shall be required of that individual to obtain a public adjuster license.

(c) An individual who applies for a public adjuster license in this state and who was previously licensed as a public adjuster in this state, shall not be required to complete any pre-licensing examination, if the individual’s application for licensure as a public adjuster is received within 12 months of the cancellation of the applicant’s previous license in this state and if, at the time of cancellation, the applicant was in good standing in this state.
New Sec. 8. (a) Unless denied licensure pursuant to section 10, and amendments thereto, a nonresident individual shall receive a nonresident public adjuster license, if:

(1) The individual is currently licensed and in good standing as a resident public adjuster in that individual’s home state;

(3) the individual has submitted to the commissioner the appropriate completed application for licensure; and

(4) the individual’s home state awards nonresident public adjuster licenses to residents of this state on the same basis.

(b) The commissioner may verify the public adjuster’s licensing status through the producer database maintained by the NAIC.

(c) As a condition to continuation of a public adjuster license issued under this section, the licensee shall maintain a resident public adjuster license in the licensee’s home state. The nonresident public adjuster license issued under this section shall terminate and be surrendered immediately to the commissioner, if the home state public adjuster license terminates for any reason, unless the public adjuster has a new home state and has been issued a license as a resident public adjuster in the new home state. Notification to the state or states where the nonresident license is issued must be made as soon as practicable, but no later than 30 days of a change in the new home state resident license. The licensee shall include in such notification the licensee’s new and old addresses. A new home state resident license is required for a nonresident license to remain valid, and the new home state must have reciprocity with this state, in order for the nonresident license to remain valid.

New Sec. 9. (a) An individual who has met the requirements for licensure under this act shall be issued a public adjuster license. A public adjuster license shall remain in effect, unless revoked, terminated or suspended, as long as the request for renewal is timely submitted and a license renewal fee of $100 is paid and any other requirements for license renewal are met by the due date. The licensee shall inform the commissioner by any means acceptable to the commissioner of a change of address, change of legal name or change of information submitted on the application within 30 days of the change.

(b) A public adjuster shall be subject to the provisions of subsection (9) of K.S.A. 40-2404, and amendments thereto.

(c) A public adjuster who allows such person’s license to lapse may, within 12 months from the due date of the renewal, be issued a new public adjuster license upon the commissioner’s receipt of proof that the licensee has satisfactorily completed the renewal process and the licensee’s payment of a reinstatement fee of $100. The new public adjuster license shall be effective the date the commissioner receives such proof and the reinstatement fee.

(d) A licensed public adjuster that is unable to comply with license renewal procedures due to military service, a long-term medical disability or some other extenuating circumstance, may request an extension of time to comply with those procedures.

(e) The public adjuster license shall contain the licensee’s name, city and state of business address, personal identification number, the date of issuance, the expiration date and any other information the commissioner deems necessary.

(f) In order to assist in the performance of the commissioner’s duties, the commissioner may contract with non-governmental entities, including the NAIC, to perform any ministerial functions, including the collection of fees and data related to licensing that the commissioner may deem appropriate.

New Sec. 10. (a) The commissioner may suspend, revoke or refuse to issue or renew a public adjuster’s license for any of the following causes:

(1) Providing incorrect, misleading, incomplete or materially untrue information in the license application;

(2) violating:

(A) Any provision of chapter 40 of the Kansas Statutes Annotated, and amendments thereto, or any rule and regulation promulgated thereunder;

(B) any subpoena or order of the commissioner;
(C) any insurance law or regulation of another state; or
(D) any subpoena or order issued by the regulatory official for insurance in another state;

(4) misappropriating, converting or improperly withholding any monies or properties re-
ceived in the course of doing insurance business;
(5) intentionally misrepresenting the terms of an actual or proposed insurance contract
or application for insurance;
(6) having been convicted of a misdemeanor or felony;

untrustworthiness or financial irresponsibility in the conduct of business in this state or
elsewhere;
(9) having an insurance license, or its equivalent, denied, suspended or revoked in any
other state, province, district or territory;
(10) forging another’s name to an application for insurance or to any document related
to an insurance transaction;
(11) cheating, including improperly using notes or any other reference material, to com-
plete an examination for an insurance license;
(12) knowingly accepting insurance business from an individual who is not licensed but
who is required to be licensed by the commissioner;
(13) failing to comply with an administrative or court order imposing a child support
obligation upon the applicant or license holder; or
(14) failing to pay state income tax or comply with any administrative or court order
directing payment of state income tax.

(b) In addition, the commissioner may deny, suspend, revoke or refuse renewal of a public
adjuster’s license if the commissioner finds that the interests of the public are not properly
served under such license. Any action taken under this section which affects any license or
imposes any administrative penalty shall be taken only after notice and an opportunity for
a hearing conducted in accordance with the Kansas administrative procedure act.

(c) In lieu of any action under subsection (a), the commissioner may:
(1) Censure the individual; or
(2) issue an order imposing an administrative penalty up to a maximum of $500 for each
violation, but not to exceed $2,500 for the same violation occurring within any six consecutive
calendar months from the date of the original violation, unless such person knew or should
have known that the violative act could give rise to disciplinary action under subsection (a).
If such person knew or reasonably should have known the violative act could give rise to
any disciplinary proceeding authorized by subsection (a), the commissioner may impose a
penalty up to a maximum of $1,000 for each violation, but not to exceed $5,000 for the
same violation occurring within any six consecutive calendar months from the date of the
original violation.

(d) The commissioner shall remit all such fines collected under subsection (c) to the state
treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto.
Upon receipt of each such remittance, the state treasurer shall deposit the entire amount
in the state treasury to the credit of the state general fund.

(e) The commissioner shall retain the authority to enforce the provisions of and impose
any penalty or remedy authorized by this act against any individual who is under investigation
for or charged with a violation of this act, even if the individual’s license or registration has
been surrendered or has lapsed by operation of law.

New Sec. 11. (a) Prior to issuance of a public adjuster license and for the duration of the
license, the commissioner may require the applicant to furnish evidence of financial res-
ponsibility, in a format prescribed by the commissioner, by means of:
(1) A surety bond executed and issued by an insurer authorized to issue surety bonds in
this state, which bond:
(A) Shall be in such reasonable amount as the commissioner may require;
(B) shall be in favor of the commissioner and shall specifically authorize recovery by the
commissioner on behalf of any person in this state who sustains damages as the result of
erroneous acts, failure to act, conviction of fraud or conviction of unfair practices in the applicant’s capacity as a public adjuster; and

(C) shall not be terminated unless at least 30-days prior written notice has been filed by the insurer with the commissioner and given to the licensee.

(2) An irrevocable letter of credit issued by a qualified financial institution, which letter of credit:

(A) Shall be in such reasonable amount as the commissioner may require;

(B) shall be to an account of the commissioner and subject to lawful levy of execution on behalf of any person to whom the public adjuster has been found to be legally liable as the result of erroneous acts, failure to act, fraudulent acts or unfair practices in the applicant’s capacity as a public adjuster; and

(C) shall not be terminated unless at least 30-days prior written notice has been filed by the issuer with the commissioner and given to the licensee.

(b) Where the commissioner has required an applicant to furnish evidence of financial responsibility pursuant to subsection (a):

(1) The issuer of the evidence of financial responsibility shall notify the commissioner upon termination of the bond or letter of credit, unless otherwise directed by the commissioner;

(2) the commissioner may ask for the evidence of the public adjuster’s financial responsibility at any time the commissioner deems relevant; and

(3) the authority to act as a public adjuster shall terminate automatically if the evidence of financial responsibility terminates or becomes impaired.

New Sec. 12. (a) As used in this section:

(1) “Biennial due date” means the date of birth of any public adjuster who is required to complete continuing education credits and report the completion of the continuing education credits to the commissioner, except that such due date shall not be earlier than two years from the date of the public adjuster’s initial licensure under this act.

(2) “Biennium” means, for any public adjuster who was born in an odd-numbered year, the two-year period starting with the public adjuster’s biennial due date in 2011 and each two-year period thereafter. For any public adjuster who was born in an even-numbered year, such term means the two-year period starting with the public adjuster’s biennial due date in 2012 and each two-year period thereafter.

(b) An individual, who holds a public adjuster license and who is not exempt under subsection (d), shall satisfactorily complete a minimum of 12 hours of continuing education courses, which shall include 11 hours of property/casualty or general continuing education courses and one hour of ethics, reported on a biennial basis in conjunction with the license renewal cycle. Only continuing education courses approved by the commissioner shall be used to satisfy the requirements of this subsection.

(c) Unless suspended, revoked or refused renewal pursuant to section 10, and amendments thereto, a public adjuster’s license shall remain in effect as long as the education requirements for a resident public adjuster are met by such public adjuster’s biennial due date.

(d) The continuing education requirements of this section shall not apply to licensees holding nonresident public adjuster licenses who have met the continuing education requirements of their home state and whose home state gives credit to residents of this state on the same basis.

New Sec. 13. (a) No public adjuster shall charge, agree to or accept as compensation or reimbursement any payment, commission, fee or other thing of value equal to more than 10% of any insurance settlement or proceeds.

(b) A public adjuster shall not pay a commission, service fee or other valuable consideration to a person for investigating or settling first party claims in this state, if that person is a business entity or is an individual required to be licensed under this act and is not so licensed.

(c) A person shall not accept a commission, service fee or other valuable consideration for investigating or settling first party claims in this state, if that person is a business entity or is an individual required to be licensed under this act and is not so licensed.
(d) No public adjuster shall require, demand or accept any fee, retainer, compensation, deposit or other thing of value, prior to settlement of a claim.

New Sec. 14. (a) Public adjusters shall ensure that all contracts for their services are in writing and contain the following:

(1) Legible full name of the public adjuster signing the contract;
(2) permanent home state business address and phone number of the public adjuster;
(3) the public adjuster’s license number;
(4) title of “public adjuster contract”;
(5) the insured’s full name, street address, insurance company name and policy number, if known or upon notification;
(6) a description of the loss and its location, if applicable;
(7) description of services to be provided to the insured;
(8) signatures of the public adjuster and the insured;
(9) the date the contract was signed by the public adjuster and the date the contract was signed by the insured;
(10) attestation language stating that the public adjuster is fully bonded pursuant to this act; and

11 full salary, fee, commission, compensation or other considerations the public adjuster is to receive for services to be rendered by the public adjuster for or on behalf of the insured.

(b) The public adjuster contract may specify that the public adjuster shall be named as a co-payee on an insurer’s payment of a claim. If the compensation is based on a share of the insurance settlement, the exact percentage shall be specified. Compensation provisions in a public adjuster contract shall not be redacted in any copy of the contract provided to the commissioner.

(c) If the insurer, not later than 72 hours after the date on which the loss is reported to the insurer, either pays or commits in writing to pay to the insured the policy limit of the insurance policy, the public adjuster shall:

1) Not receive a commission consisting of a percentage of the total amount paid by an insurer to resolve a claim;
2) inform the insured that the loss recovery amount might not be increased by the insurer; and

3) be entitled only to reasonable compensation from the insured for services provided by the public adjuster on behalf of the insured, based on the time spent on a claim and expenses incurred by the public adjuster, until the claim is paid or the insured receives a written commitment to pay from the insurer.

(d) A public adjuster shall provide the insured a written disclosure concerning any direct or indirect financial interest that the public adjuster has with any other party who is involved in any aspect of the claim, other than the salary, fee, commission or other consideration established in the written contract with the insured, including, but not limited to, any ownership of, other than as a minority stockholder, or any compensation expected to be received from, any construction firm, salvage firm, building appraisal firm, motor vehicle repair shop or any other firm that provides estimates for work, or that performs any work, in conjunction with damages caused by the insured loss on which the public adjuster is engaged. As used in this subsection, the word “firm” shall include any individual or business entity.

(e) A public adjuster contract may not contain any contract term that:

1) Allows the public adjuster’s percentage fee to be collected when money is due from an insurance company, but not paid, or that allows a public adjuster to collect the entire fee from the first check issued by an insurance company, rather than as percentage of each check issued by an insurance company;
2) requires the insured to authorize an insurance company to issue a check only in the name of the public adjuster;
3) imposes collection costs or late fees; or
4) precludes a public adjuster from pursuing civil remedies.

(f) Prior to the signing of the contract the public adjuster shall provide the insured with a separate disclosure document regarding the claim process that states:

1) Property insurance policies obligate the insured to present a claim to the insured’s insurance company for consideration;
(2) there are three types of adjusters that could be involved in that process, and they are as follows:

(A) A company adjuster who is an employee of an insurance company, represents the interest of the insurance company, is paid by the insurance company and will not charge the insured a fee;

(B) an independent adjuster who is hired on a contract basis by an insurance company to represent the insurance company's interest in the settlement of the claim, who is paid by the insured's insurance company and will not charge the insured a fee; or

(C) a public adjuster who does not work for any insurance company but works for an insured to assist in the preparation, presentation and settlement of a claim. An insured engages a public adjuster by signing a contract agreeing to pay the public adjuster a fee or commission based on a percentage of the settlement, or other method of compensation;

(3) the insured is not required to hire a public adjuster to help the insured meet the insured's obligations under the policy, but has the right to do so;

(4) the insured has the right to initiate direct communications with the insured's attorney, the insurer, the insurer's adjuster and the insurer's attorney, or any other person regarding the settlement of the insured's claim;

(5) the public adjuster is not a representative or employee of the insurer;

(6) the salary, fee, commission or other consideration is the obligation of the insured, not the insurer.

(g) The contracts shall be executed in duplicate to provide an original contract to the public adjuster and an original contract to the insured. The public adjuster's original contract shall be available at all times for inspection without notice by the commissioner.

(h) The public adjuster shall provide the insurer a notification letter, which has been signed by the insured, authorizing the public adjuster to represent the insured's interest.

(i) The insured has the right to rescind the public adjuster contract within three business days after the date the contract was signed. The rescission shall be in writing and mailed or delivered to the public adjuster at the address in the contract within the three business day period.

(j) If the insured exercises the right to rescind the contract, anything of value given by the insured under the contract will be returned to the insured within 15 business days following the receipt by the public adjuster of the rescission notice.

New Sec. 15. (a) A public adjuster shall maintain a complete record of each transaction as a public adjuster. The records required by this section shall include the following:

(1) Name of the insured;

(2) date, location and amount of the loss;

(6) itemized statement of all compensation received by the public adjuster, from any source whatsoever, in connection with the loss;

(7) a register of all moneys received, deposited, disbursed or withdrawn in connection with a transaction with an insured, including fees, transfers and disbursements from a trust account and all transactions concerning all interest-bearing accounts;

(8) name of public adjuster who executed the contract;

(9) name of the attorney representing the insured, if applicable, and the name of the claims representatives of the insurance company; and

(10) evidence of financial responsibility in the format prescribed by the commissioner.

(b) Records shall be maintained for at least five years after the termination of the transaction with an insured and shall be open to examination by the commissioner at all times.

(c) Records submitted to the commissioner in accordance with this section that contain information identified in writing as proprietary by the public adjuster shall be treated as confidential by the commissioner and shall not be open for inspection under the Kansas open records act.
(d) The provisions of subsection (c) shall expire on July 1, 2014, unless the legislature acts to reenact such provisions. The provisions of subsection (c) shall be reviewed by the legislature prior to July 1, 2014.

New Sec. 16. (a) A public adjuster is obligated, under the public adjuster’s license, to serve with objectivity and complete loyalty, the interest of the insured only and to render to the insured such information, counsel and service, as within the knowledge, understanding and opinion in good faith of the public adjuster, as will best serve the insured’s insurance claim needs and interest.

(b) A public adjuster shall not solicit, or attempt to solicit, an insured during the progress of a loss-producing occurrence, as defined in the insured’s insurance contract.

(c) A public adjuster shall not permit an unlicensed employee or representative of the public adjuster to conduct business for which a license is required under this act.

(1) A policy issued by an insurance company organized under the laws of the state of Kansas on its employees and agents, which agents for the purpose of this act only shall be deemed employees, the beneficiaries under such policies to be persons designated by each insured, or a policy issued to an employer, or to the trustees of a fund established by an employer, which employer or trustees shall be deemed the policyholder, to insure employees of the employer for the benefit of persons other than the employer, both subject to the following requirements: (a) The employees eligible for insurance under the policy shall be all of the employees of the employer, or all of any class or classes thereof determined by conditions pertaining to their employment. The policy may provide that the term "employees" shall include the employees of one or more subsidiary corporations, and the employees, individual proprietors, and partners of one or more affiliated corporations, proprietors or partnerships if the business of the employer and of such affiliated corporations, proprietors or partnerships is under common control through stock ownership, contract or otherwise. A policy on which part of the premium is to be derived from funds contributed by the insured employees may be placed in force only if at least 75% of the then eligible employees, excluding any as to whom evidence of individual insurability is not satisfactory to the insurer, elect to make the required contribution or entirely by the employees at their option. A policy on which no part of the premium

A policy on which no part of the premium is to be derived from the collection of such identifiable charges shall insure all eligible debtors, or all except any as to whom evidence of individual insurability is not satisfactory to the insurer. (c) The policy may be issued only if the group of eligible debtors is then receiving new entrants at the rate of at least 100 persons yearly, or may reasonably be expected to receive at least 100 new entrants during the first policy year, and only if the policy reserves to the insurer the right to require evidence of individual insurability if less than 75% of the new entrants become insured. A policy on which no part of the premium is to be derived from funds contributed by the insured members specifically for their insurance shall insure all eligible members, or all except any as to whom evidence of individual insurability is not satisfactory to the insurer or except those who reject coverage in writing.

(c) The policy shall cover at least 25 members at date of issue. (d) The amounts of insurance under the policy shall be based upon some plan precluding individual selection either by the members or by the union.

The policy may provide that the term “employees” shall include the trustees or their employees, or both, if their duties are principally connected with such trusteeship. (b) The premium for the policy shall may be paid by the trustees either wholly from funds contributed by the employer or employers of the insured persons, or by the union or unions, or by both, or partly from such funds and partly from funds contributed by the insured employees or wholly from funds contributed by the employees or members at their option. No policy shall be issued on which the entire premium is to be derived from funds contributed by the insured persons. The policy shall insure all eligible persons, or all except any as to whom evidence of individual insurability is not satisfactory to the insurer or except those who reject coverage in writing. (c) The policy shall cover at date of issue at least 100 persons and not less than an average of five persons per employer unit. Invocation by Chaplain Fred S. Hollomon:

Heavenly Father,
Continuing a prayer
I prayed a week ago—
Praying for the Senators
Whom I think I know.

I continue to hear folks say
(What drives me up the wall)
“They’re all crooks anyway”
With emphasis on the “all”.

Of course that’s far from true,
And it says a whole lot more
About the character of the critics
Than the Senators they deplore.

Except for maybe lawyers,
There a lot more jokes
About the “politicians”
Than any other folks.

Good humor is refreshing
But these critics have no clue
About Senators’ responsibilities,
And all else they have to do.

There is more to pray about,
But I limit what I say
To little more than a minute
So they can start their day.

I pray in the Name of Jesus Christ,
AMEN

The Pledge of Allegiance was led by Vice President John Vratil.

Invocation by Chaplain Fred S. Hollomon:

Heavenly Father,

While the economy is getting worse
And the Dow Jones has been falling,
Way out in South West Kansas
The rain has NOT been falling.

Some parts have seen no helpful rain
Since summer of two thousand eight.
Farms and ranches need some moisture
Before it is too late.

Elijah prayed and saw the rain
For forty months to stop.
Then Elijah prayed for rain
And the ground produced its crop.

My name is not Elijah,
But I do believe in prayer;
So I pray that rain will fall
Where needed everywhere.

For one reason or another
It may not be Your will,
But if it is, I pray
My prayer You will fulfill.

Thanking You in the Name of Jesus Christ,

AMEN

The Pledge of Allegiance was led by President Stephen Morris.

(a) (1) Group sickness and accident insurance is declared to be that form of sickness and accident insurance covering groups of persons, with or without one or more members of their families or one or more dependents. Except at the option of the employee or member and except employees or members enrolling in a group policy after the close of an open enrollment opportunity, no individual employee or member of an insured group and no individual dependent or family member may be excluded from eligibility or coverage under a policy providing hospital, medical or surgical expense benefits both with respect to policies issued or renewed within this state and with respect to policies issued or renewed outside this state covering persons residing in this state. For purposes of this section, an open enrollment opportunity shall be deemed to be a period no less favorable than a period beginning on the employee’s or member’s date of initial eligibility and ending 30 days thereafter.

(2) An eligible employee, member or dependent who requests enrollment following the open enrollment opportunity or any special enrollment period for dependents as specified
in subsection (3) shall be considered a late enrollee. An accident and sickness insurer may exclude a late enrollee, except during an open enrollment period. However, an eligible employee, member or dependent shall not be considered a late enrollee if:

(A) The individual:

(i) Was covered under another group policy which provided hospital, medical or surgical expense benefits or was covered under section 607(1) of the employee retirement income security act of 1974 (ERISA) at the time the individual was eligible to enroll;

(ii) states in writing, at the time of the open enrollment period, that coverage under another group policy which provided hospital, medical or surgical expense benefits was the reason for declining enrollment, but only if the group policyholder or the accident and sickness insurer required such a written statement and provided the individual with notice of the requirement for a written statement and the consequences of such written statement;

(iii) has lost coverage under another group policy providing hospital, medical or surgical expense benefits or under section 607(1) of the employee retirement income security act of 1974 (ERISA) as a result of the termination of employment, reduction in the number of hours of employment, termination of employer contributions toward such coverage, the termination of the other policy’s coverage, death of a spouse or divorce or legal separation or was under a COBRA continuation provision and the coverage under such provision was exhausted; and

(iv) requests enrollment within 30 days after the termination of coverage under the other policy; or

(B) a court has ordered coverage to be provided for a spouse or minor child under a covered employee’s or member’s policy.

(3) (A) If an accident and sickness insurer issues a group policy providing hospital, medical or surgical expenses and makes coverage available to a dependent of an eligible employee or member and such dependent becomes a dependent of the employee or member through marriage, birth, adoption or placement for adoption, then such group policy shall provide for a dependent special enrollment period as described in subsection (3)(B) of this section during which the dependent may be enrolled under the policy and in the case of the birth or adoption of a child, the spouse of an eligible employee or member may be enrolled if otherwise eligible for coverage.

(B) A dependent special enrollment period under this subsection shall be a period of not less than 30 days and shall begin on the later of (i) the date such dependent coverage is made available, or (ii) the date of the marriage, birth or adoption or placement for adoption.

(C) If an eligible employee or member seeks to enroll a dependent during the first 30 days of such a dependent special enrollment period, the coverage of the dependent shall become effective: (i) in the case of marriage, not later than the first day of the first month beginning after the date the completed request for enrollment is received; (ii) in the case of the birth of a dependent, as of the date of such birth; or (iii) in the case of a dependent’s adoption or placement for adoption, the date of such adoption or placement for adoption.

(4) (A) No group policy providing hospital, medical or surgical expense benefits issued or renewed within this state or issued or renewed outside this state covering residents within this state shall limit or exclude benefits for specific conditions existing at or prior to the effective date of coverage thereunder. Such policy may impose a preexisting conditions exclusion, not to exceed 90 days following the date of enrollment for benefits for conditions whether mental or physical, regardless of the cause of the condition for which medical advice, diagnosis, care or treatment was recommended or received in the 90 days prior to the effective date of enrollment. Any preexisting conditions exclusion shall run concurrently with any waiting period.

(B) Such policy may impose a waiting period after full-time employment starts before an employee is first eligible to enroll in any applicable group policy.

(C) A health maintenance organization which offers such policy which does not impose any preexisting conditions exclusion may impose an affiliation period for such coverage, provided that: (i) such application period is applied uniformly without regard to any health status related factors and (ii) such affiliation period does not exceed two months. The affiliation period shall run concurrently with any waiting period under the plan.
(D) A health maintenance organization may use alternative methods from those described in this subsection to address adverse selection if approved by the commissioner.

(E) For the purposes of this section, the term “preexisting conditions exclusion” shall mean, with respect to coverage, a limitation or exclusion of benefits relating to a condition based on the fact that the condition was present before the date of enrollment for such coverage whether or not any medical advice, diagnosis, care or treatment was recommended or received before such date.

(F) For the purposes of this section, the term “date of enrollment” means the date the individual is enrolled under the group policy or, if earlier, the first day of the waiting period for such enrollment.

(G) For the purposes of this section, the term “waiting period” means with respect to a group policy the period which must pass before the individual is eligible to be covered for benefits under the terms of the policy.

(5) Genetic information shall not be treated as a preexisting condition in the absence of a diagnosis of the condition related to such information.

(6) A group policy providing hospital, medical or surgical expense benefits may not impose any preexisting condition exclusion relating to pregnancy as a preexisting condition.

(7) A group policy providing hospital, medical or surgical expense benefits may not impose any preexisting condition waiting period in the case of a child who is adopted or placed for adoption before attaining 18 years of age and who, as of the last day of a 30-day period beginning on the date of the adoption or placement for adoption, is covered by a policy specified in subsection (a). This subsection shall not apply to coverage before the date of such adoption or placement for adoption.

(8) Such policy shall waive such a preexisting conditions exclusion to the extent the employee or member or individual dependent or family member was covered by (A) a group or individual sickness and accident policy, (B) coverage under section 607(1) of the employees retirement income security act of 1974 (ERISA), (C) a group specified in K.S.A. 40-2222 and amendments thereto, (D) part A or part B of title XVIII of the social security act, (E) title XIX of the social security act, other than coverage consisting solely of benefits under section 1928, (F) a state children’s health insurance program established pursuant to title XXI of the social security act, (G) chapter 55 of title 10 United States code, (H) a medical care program of the Indian health service or of a tribal organization, (I) the Kansas uninsurable health plan act pursuant to K.S.A. 40-2217 and amendments thereto, (J) a health plan offered under chapter 89 of title 5, United States code, (K) a health benefit plan under section 5(e) of the peace corps act (22 U.S.C. 2504(e)), or (L) a group subject to K.S.A. 12-2616 et seq. and amendments thereto which provided hospital, medical and surgical expense benefits within 63 days prior to the effective date of coverage with no gap in coverage. A group policy shall credit the periods of prior coverage specified in subsection (a)(7) without regard to the specific benefits covered during the period of prior coverage. Any period that the employee or member is in a waiting period for any coverage under a group health plan or is in an affiliation period shall not be taken into account in determining the continuous period under this subsection.

(b) (1) An accident and sickness insurer which offers group policies providing hospital, medical or surgical expense benefits shall provide a certification as described in subsection (b)(2): (A) At the time an eligible employee, member or dependent ceases to be covered under such policy or otherwise becomes covered under a COBRA continuation provision; (B) in the case of an eligible employee, member or dependent being covered under a COBRA continuation provision, at the time such eligible employee, member or dependent ceases to be covered under a COBRA continuation provision; and (C) on the request on behalf of such eligible employee, member or dependent made not later than 24 months after the date of the cessation of the coverage described in subsection (b)(1) (A) or (b)(1) (B), whichever is later.

(2) The certification described in this subsection is a written certification of (A) the period of coverage under a policy specified in subsection (a) and any coverage under such COBRA continuation provision, and (B) any waiting period imposed with respect to the eligible employee, member or dependent for any coverage under such policy.
(c) Any group policy may impose participation requirements, define full-time employees or members and otherwise be designed for the group as a whole through negotiations between the group sponsor and the insurer to the extent such design is not contrary to or inconsistent with this act.

(d) (1) An accident and sickness insurer offering a group policy providing hospital, medical or surgical expense benefits must renew or continue in force such coverage at the option of the policyholder or certificateholder except as provided in paragraph (2) below.

(2) An accident and sickness insurer may nonrenew or discontinue coverage under a group policy providing hospital, medical or surgical expense benefits based only on one or more of the following circumstances:

(A) If the policyholder or certificateholder has failed to pay any premium or contributions in accordance with the terms of the group policy providing hospital, medical or surgical expense benefits or the accident and sickness insurer has not received timely premium payments;

(B) if the policyholder or certificateholder has performed an act or practice that constitutes fraud or made an intentional misrepresentation of material fact under the terms of such coverage;

(C) if the policyholder or certificateholder has failed to comply with a material plan provision relating to employer contribution or group participation rules;

(D) if the accident and sickness insurer is ceasing to offer coverage in such group market in accordance with subsections (d)(3) or (d)(4);

(E) in the case of accident and sickness insurer that offers coverage under a policy providing hospital, medical or surgical expense benefits through an enrollment area, there is no longer any eligible employee, member or dependent in connection with such policy who lives, resides or works in the medical service enrollment area of the accident and sickness insurer or in the area for which the accident and sickness insurer is authorized to do business;

(F) in the case of a group policy providing hospital, medical or surgical expense benefits which is offered through an association or trust pursuant to subsections (f)(3) or (f)(5), the membership of the employer in such association or trust ceases but only if such coverage is terminated uniformly without regard to any health status related factor relating to any eligible employee, member or dependent.

(3) In any case in which an accident and sickness insurer which offers a group policy providing hospital, medical or surgical expense benefits decides to discontinue offering such type of group policy, such coverage may be discontinued only if:

(A) The accident and sickness insurer notifies all policyholders and certificateholders and all eligible employees or members of such discontinuation at least 90 days prior to the date of the discontinuation of such coverage;

(B) the accident and sickness insurer offers to each policyholder who is provided such group policy providing hospital, medical or surgical expense benefits currently being offered by such accident and sickness insurer, the option to purchase any other group policy providing hospital, medical or surgical expense benefits being offered by such accident and sickness insurer; and

(C) in exercising the option to discontinue coverage and in offering the option of coverage under subparagraph (B), the accident and sickness insurer acts uniformly without regard to the claims experience of those policyholders or certificateholders or any health status related factors relating to any eligible employee, member or dependent covered by such group policy or new employees or members who may become eligible for such coverage.

(4) If the accident and sickness insurer elects to discontinue offering group policies providing hospital, medical or surgical expense benefits or group coverage to a small employer pursuant to K.S.A. 40-2209f and amendments thereto, such coverage may be discontinued only if:

(A) The accident and sickness insurer provides notice to the insurance commissioner, to all policyholders or certificateholders and to all eligible employees and members covered by such group policy providing hospital, medical or surgical expense benefits at least 180 days prior to the date of the discontinuation of such coverage;
(B) all group policies providing hospital, medical or surgical expense benefits offered by such accident and sickness insurer are discontinued and coverage under such policies are not renewed; and

(C) the accident and sickness insurer may not provide for the issuance of any group policies providing hospital, medical or surgical expense benefits in the discontinued market during a five year period beginning on the date of the discontinuation of the last such group policy which is nonrenewed.

(e) An accident and sickness insurer offering a group policy providing hospital, medical or surgical expense benefits may not establish rules for eligibility (including continued eligibility) of any employee, member or dependent to enroll under the terms of the group policy based on any of the following factors in relation to the eligible employee, member or dependent: (A) Health status, (B) medical condition, including both physical and mental illness, (C) claims experience, (D) receipt of health care, (E) medical history, (F) genetic information, (G) evidence of insurability, including conditions arising out of acts of domestic violence, or (H) disability. This subsection shall not be construed to require a policy providing hospital, medical or surgical expense benefits to provide particular benefits other than those provided under the terms of such group policy or to prevent a group policy providing hospital, medical or surgical expense benefits from establishing limitations or restrictions on the amount, level, extent or nature of the benefits or coverage for similarly situated individuals enrolled under the group policy.

(f) Group accident and health insurance may be offered to a group under the following basis:

(1) Under a policy issued to an employer or trustees of a fund established by an employer, who is the policyholder, insuring at least two employees of such employer, for the benefit of persons other than the employer. The term “employers” shall include the officers, managers, employees and retired employees of the employer, the partners, if the employer is a partnership, the proprietor, if the employer is an individual proprietorship, the officers, managers and employees and retired employees of subsidiary or affiliated corporations of a corporation employer, and the individual proprietors, partners, employees and retired employees of individuals and firms, the business of which and of the insured employer is under common control through stock ownership contract, or otherwise. The policy may provide that the term “employees” may include the trustees or their employees, or both, if their duties are principally connected with such trusteeship. A policy issued to insure the employees of a public body may provide that the term “employees” shall include elected or appointed officials.

(2) Under a policy issued to a labor union which shall have a constitution and bylaws insuring at least 25 members of such union.

(3) Under a policy issued to the trustees of a fund established by two or more employers or business associations or by one or more labor unions or by one or more employers and one or more labor unions, which trustees shall be the policyholder, to insure employees of the employers or members of the union or members of the association for the benefit of persons other than the employers or the unions or the associations. The term “employees” shall include the officers, managers, employees and retired employees of the employer and the individual proprietor or partners if the employer is an individual proprietor or partnership. The policy may provide that the term “employees” shall include the trustees or their employees, or both, if their duties are principally connected with such trusteeship.

(4) A policy issued to a creditor, who shall be deemed the policyholder, to insure debtors of the creditor, subject to the following requirements: (a) The debtors eligible for insurance under the policy shall be all of the debtors of the creditor whose indebtedness is repayable in installments, or all of any class or classes determined by conditions pertaining to the indebtedness or to the purchase giving rise to the indebtedness. (b) The premium for the policy shall be paid by the policyholder, either from the creditor’s funds or from charges collected from the insured debtors, or from both.

(5) A policy issued to an association which has been organized and is maintained for the purposes other than that of obtaining insurance, insuring at least 25 members, employees, or employees of members of the association for the benefit of persons other than the association or its officers. The term “employees” shall include retired employees. The pre-
miums for the policies shall be paid by the policyholder, either wholly from association funds, or funds contributed by the members of such association or by employees of such members or any combination thereof.

(6) Under a policy issued to any other type of group which the commissioner of insurance may find is properly subject to the issuance of a group sickness and accident policy or contract.

(g) Each such policy shall contain in substance: (1) A provision that a copy of the application, if any, of the policyholder shall be attached to the policy when issued, that all statements made by the policyholder or by the persons insured shall be deemed representations and not warranties, and that no statement made by any person insured shall be used in any contest unless a copy of the instrument containing the statement is or has been furnished to such person or the insured's beneficiary.

(2) A provision setting forth the conditions under which an individual's coverage terminates under the policy, including the age, if any, to which an individual's coverage under the policy shall be limited, or, the age, if any, at which any additional limitations or restrictions are placed upon an individual's coverage under the policy.

(3) Provisions setting forth the notice of claim, proofs of loss and claim forms, physical examination and autopsy, time of payment of claims, to whom benefits are payable, payment of claims, change of beneficiary, and legal action requirements. Such provisions shall not be less favorable to the individual insured or the insured's beneficiary than those corresponding policy provisions required to be contained in individual accident and sickness policies.

(4) A provision that the insurer will furnish to the policyholder, for the delivery to each employee or member of the insured group, an individual certificate approved by the commissioner of insurance setting forth in summary form a statement of the essential features of the insurance coverage of such employee or member, the procedure to be followed in making claim under the policy and to whom benefits are payable. Such certificate shall also contain a summary of those provisions required under paragraphs (2) and (3) of this subsection (g) in addition to the other essential features of the insurance coverage. If dependents are included in the coverage, only one certificate need be issued for each family unit.

(h) No group disability income policy which integrates benefits with social security benefits, shall provide that the amount of any disability benefit actually being paid to the disabled person shall be reduced by changes in the level of social security benefits resulting either from changes in the social security law or due to cost of living adjustments which become effective after the first day for which disability benefits become payable.

(i) A group policy of insurance delivered or issued for delivery or renewed which provides hospital, surgical or major medical expense insurance, or any combination of these coverages, on an expense incurred basis, shall provide that an employee or member or such employee's or member's covered dependents whose insurance under the group policy has been terminated for any reason, including discontinuance of the group policy in its entirety or with respect to an insured class, and who has been continuously insured under the group policy or under any group policy providing similar benefits which it replaces for at least three months immediately prior to termination, shall be entitled to have such coverage nonetheless continued under the group policy for a period of 18 months and have issued to the employee or member or such employee's or member's covered dependents by the insurer, at the end of such eighteen-month period of continuation, a policy of health insurance which conforms to the applicable requirements specified in this subsection. This requirement shall not apply to a group policy which provides benefits for specific diseases or for accidental injuries only or a group policy issued to an employer subject to the continuation and conversion obligations set forth at title I, subtitle B, part 6 of the employee retirement income security act of 1974 or at title XXII of the public health service act, as each act was in effect on January 1, 1987 to the extent federal law provides the employee or member or such employee's or member's covered dependents with equal or greater continuation or conversion rights; or an employee or member or such employee's or member's covered dependents shall not be entitled to have such coverage continued or a converted policy issued to the employee or member or such employee's or member's covered dependents if termination of the insurance under the group policy occurred because:
(1) The employee or member or such employee’s or member’s covered dependents failed to pay any required contribution after receiving reasonable notice of such required contribution from the insurer in accordance with rules and regulations adopted by the commissioner of insurance; (2) any discontinued group coverage was replaced by similar group coverage within 31 days; (3) the employee or member is or could be covered by medicaid (title XVIII of the United States social security act as added by the social security amendments of 1965 or as later amended or superseded); (4) the employee or member is or could be covered to the same extent by any other insured or lawful self-insured arrangement which provides expense incurred hospital, surgical or medical coverage and benefits for individuals in a group under which the person was not covered prior to such termination; or (5) coverage for the employee or member, or any covered dependent thereof, was terminated for cause as permitted by the group policy or certificate of coverage approved by the commissioner.

In the event the group policy is terminated and not replaced the insurer may issue an individual policy or certificate in lieu of a conversion policy or the continuation of group coverage required herein if the individual policy or certificate provides substantially similar coverage for the same or less premium as the group policy. In any event, the employee or member shall have the option to be issued a conversion policy which meets the requirements set forth in this subsection in lieu of the right to continue group coverage.

(j) The continued coverage and the issuance of a converted policy shall be subject to the following conditions:

1. Written application for the converted policy shall be made and the first premium paid to the insurer not later than 31 days after termination of coverage under the group policy or not later than 31 days after notice is received pursuant to paragraph (20) of this subsection.
2. The converted policy shall be issued without evidence of insurability.
3. The employer insurance carrier shall give the employee and such employee’s covered dependents reasonable notice of the right to continuation of coverage. The terminated employee or member shall pay to the employer insurance carrier the premium for the eighteen-month continuation of coverage and such premium shall be the same as that applicable to members or employees remaining in the group. Failure to pay such premium shall terminate coverage under the group policy at the end of the period for which the premium has been paid. The premium rate charged for converted policies issued subsequent to the period of continued coverage shall be such that can be expected to produce an anticipated loss ratio of not less than 80% based upon conversion, morbidity and reasonable assumptions for expected trends in medical care costs. In the event the group policy is terminated and is not replaced, converted policies may be issued at self-sustaining rates that are not unreasonable in relation to the coverage provided based on conversion, morbidity and reasonable assumptions for expected trends in medical care costs. The frequency of premium payment shall be the frequency customarily required by the insurer for the policy form and plan selected, provided that the insurer shall not require premium payments less frequently than quarterly.
4. The effective date of the converted policy shall be the day following the termination of insurance under the group policy.
5. The converted policy shall cover the employee or member and the employee’s or member’s dependents who were covered by the group policy on the date of termination of insurance. At the option of the insurer, a separate converted policy may be issued to cover any dependent.
6. The insurer shall not be required to issue a converted policy covering any person if such person is or could be covered by medicaid (title XVIII of the United States social security act as added by the social security amendments of 1965 or as later amended or superseded). Furthermore, the insurer shall not be required to issue a converted policy covering any person if:
   (A) (i) Such person is covered for similar benefits by another hospital, surgical, medical or major medical expense insurance policy or hospital or medical service subscriber contract or medical practice or other prepayment plan or by any other plan or program, or
   (ii) such person is eligible for similar benefits (whether or not covered therefor) under any arrangement of coverage for individuals in a group, whether on an insured or uninsured basis, or
(iii) similar benefits are provided for or available to such person, pursuant to or in ac-
cordance with the requirements of any state or federal law, and

(B) the benefits provided under the sources referred to in clause (A) (i) above for such
person or benefits provided or available under the sources referred to in clauses (A) (ii) and
(A) (iii) above for such person, together with the benefits provided by the converted policy,
would result in over-insurance according to the insurer’s standards. The insurer’s standards
must bear some reasonable relationship to actual health care costs in the area in which the
insured lives at the time of conversion and must be filed with the commissioner of insurance
prior to their use in denying coverage.

(7) A converted policy may include a provision whereby the insurer may request infor-
mation in advance of any premium due date of such policy of any person covered as to
whether:

(A) Such person is covered for similar benefits by another hospital, surgical, medical or
major medical expense insurance policy or hospital or medical service subscriber contract
or medical practice or other prepayment plan or by any other plan or program;

(B) such person is covered for similar benefits under any arrangement of coverage for
individuals in a group, whether on an insured or uninsured basis; or

(C) similar benefits are provided for or available to such person, pursuant to or in ac-
cordance with the requirements of any state or federal law.

(8) The converted policy may provide that the insurer may refuse to renew the policy
and the coverage of any person insured for the following reasons only:

(A) Either the benefits provided under the sources referred to in clauses (A)(i) and (A)(ii)
of paragraph (6) for such person or benefits provided or available under the sources referred
to in clause (A)(iii) of paragraph (6) for such person, together with the benefits provided by
the converted policy, would result in over-insurance according to the insurer’s standards on
file with the commissioner of insurance, or the converted policyholder fails to provide the
requested information;

(B) fraud or material misrepresentation in applying for any benefits under the converted
policy; or

(C) other reasons approved by the commissioner of insurance.

(9) An insurer shall not be required to issue a converted policy which provides coverage
and benefits in excess of those provided under the group policy from which conversion is
made.

(10) If the converted policy provides that any hospital, surgical or medical benefits payable
may be reduced by the amount of any such benefits payable under the group policy after
the termination of the individual’s insurance or the converted policy includes provisions so
that during the first policy year the benefits payable under the converted policy, together
with the benefits payable under the group policy, shall not exceed those that would have
been payable had the individual’s insurance under the group policy remained in force and
effect, the converted policy shall provide credit for deductibles, copayments and other con-
ditions satisfied under the group policy.

(11) Subject to the provisions and conditions of this act, if the group insurance policy
from which conversion is made insures the employee or member for major medical expense
insurance, the employee or member shall be entitled to obtain a converted policy providing
catastrophic or major medical coverage under a plan meeting the following requirements:

(A) A maximum benefit at least equal to either, at the option of the insurer, paragraphs
(i) or (ii) below:

(i) The smaller of the following amounts:

The maximum benefit provided under the group policy or a maximum payment of
$250,000 per covered person for all covered medical expenses incurred during the covered
person’s lifetime.

(ii) The smaller of the following amounts:

The maximum benefit provided under the group policy or a maximum payment of
$250,000 for each unrelated injury or sickness.

(B) Payment of benefits at the rate of 80% of covered medical expenses which are in
excess of the deductible, until 20% of such expenses in a benefit period reaches $1,000,
after which benefits will be paid at the rate of 100% during the remainder of such benefit
Payment of benefits for outpatient treatment of mental illness, if provided in the converted policy, may be at a lesser rate but not less than 50%.

(C) A deductible for each benefit period which, at the option of the insurer, shall be (i) the sum of the benefits deductible and $100, or (ii) the corresponding deductible in the group policy. The term “benefits deductible,” as used herein, means the value of any benefits provided on an expense incurred basis which are provided with respect to covered medical expenses by any other hospital, surgical, or medical insurance policy or hospital or medical service subscriber contract or medical practice or other prepayment plan, or any other plan or program whether on an insured or uninsured basis, or in accordance with the requirements of any state or federal law and, if pursuant to the conditions of paragraph (13), the converted policy provides both basic hospital or surgical coverage and major medical coverage, the value of such basic benefits.

If the maximum benefit is determined by clause (A)(ii) of this paragraph, the insurer may require that the deductible be satisfied during a period of not less than three months if the deductible is $100 or less, and not less than six months if the deductible exceeds $100.

(D) The benefit period shall be each calendar year when the maximum benefit is determined by clause (A)(i) of this paragraph or 24 months when the maximum benefit is determined by clause (A)(ii) of this paragraph.

(E) The term “covered medical expenses,” as used above, shall include at least, in the case of hospital room and board charges 80% of the average semiprivate room and board rate for the hospital in which the individual is confined and twice such amount for charges in an intensive care unit. Any surgical schedule shall be consistent with those customarily offered by the insurer under group or individual health insurance policies and must provide at least a $1,200 maximum benefit.

(12) The conversion privilege required by this act shall, if the group insurance policy insures the employee or member for basic hospital or surgical expense insurance as well as major medical expense insurance, make available the plans of benefits set forth in paragraph (11). At the option of the insurer, such plans of benefits may be provided under one policy.

The insurer may also, in lieu of the plans of benefits set forth in paragraph (11), provide a policy of comprehensive medical expense benefits without first dollar coverage. The policy shall conform to the requirements of paragraph (11). An insurer electing to provide such a policy shall make available a low deductible option, not to exceed $100, a high deductible option between $500 and $1,000, and a third deductible option midway between the high and low deductible options.

(13) The insurer, at its option, may also offer alternative plans for group health conversion in addition to those required by this act.

(14) In the event coverage would be continued under the group policy on an employee following the employee’s retirement prior to the time the employee is or could be covered by medicare, the employee may elect, in lieu of such continuation of group insurance, to have the same conversion rights as would apply had such person’s insurance terminated at retirement by reason of termination of employment or membership.

(15) The converted policy may provide for reduction of coverage on any person upon such person’s eligibility for coverage under medicare (title XVIII of the United States social security act as added by the social security amendments of 1965 or as later amended or superseded) or under any other state or federal law providing for benefits similar to those provided by the converted policy.

(16) Subject to the conditions set forth above, the continuation and conversion privileges shall also be available:

(A) To the surviving spouse, if any, at the death of the employee or member, with respect to the spouse and such children whose coverage under the group policy terminates by reason of such death, otherwise to each surviving child whose coverage under the group policy terminates by reason of such death, or, if the group policy provides for continuation of dependents’ coverage following the employee’s or member’s death, at the end of such continuation;

(B) to the spouse of the employee or member upon termination of coverage of the spouse, while the employee or member remains insured under the group policy, by reason of ceasing
to be a qualified family member under the group policy, with respect to the spouse and such children whose coverage under the group policy terminates at the same time; or
(C) to a child solely with respect to such child upon termination of such coverage by reason of ceasing to be a qualified family member under the group policy, if a conversion privilege is not otherwise provided above with respect to such termination.

(17) The insurer may elect to provide group insurance coverage which complies with this act in lieu of the issuance of a converted individual policy.

(18) A notification of the conversion privilege shall be included in each certificate of coverage.

(19) A converted policy which is delivered outside this state must be on a form which could be delivered in such other jurisdiction as a converted policy had the group policy been issued in that jurisdiction.

(20) The insurer shall give the employee or member and such employee’s or member’s covered dependents: (A) Reasonable notice of the right to convert at least once during the eighteen-month continuation period; or (B) for persons covered under 29 U.S.C. 1161 et seq., notice of the right to a conversion policy required by this subsection (d) shall be given at least 30 days prior to the end of the continuation period provided by 29 U.S.C. 1161 et seq. or from the date the employer ceases to provide any similar group health plan to any employee. Such notices shall be provided in accordance with rules and regulations adopted by the commissioner of insurance.

(k) (1) No policy issued by an insurer to which this section applies shall contain a provision which excludes, limits or otherwise restricts coverage because medicaid benefits as permitted by title XIX of the social security act of 1965 are or may be available for the same accident or illness.

(2) Violation of this subsection shall be subject to the penalties prescribed by K.S.A. 40-2407 and 40-2411, and amendments thereto.

(l) The commissioner is hereby authorized to adopt such rules and regulations as may be necessary to carry out the provisions of this section.

Sec. 27. K.S.A. 2008 Supp. 40-3209 is hereby amended to read as follows: 40-3209. (a) All forms of group and individual certificates of coverage and contracts issued by the organization to enrollees or other marketing documents purporting to describe the organization’s health care services shall contain as a minimum:

(1) A complete description of the health care services and other benefits to which the enrollee is entitled;

(2) The locations of all facilities, the hours of operation and the services which are provided in each facility in the case of individual practice associations or medical staff and group practices, and, in all other cases, a list of providers by specialty with a list of addresses and telephone numbers;

(3) The financial responsibilities of the enrollee and the amount of any deductible, copayment or coinsurance required;

(4) All exclusions and limitations on services or any other benefits to be provided including any deductible or copayment feature and all restrictions relating to pre-existing conditions;

(5) All criteria by which an enrollee may be disenrolled or denied reenrollment;

(6) Service priorities in case of epidemic, or other emergency conditions affecting demand for medical services;

(7) In the case of a health maintenance organization, a provision that an enrollee or a covered dependent of an enrollee whose coverage under a health maintenance organization group contract has been terminated for any reason but who remains in the service area and who has been continuously covered by the health maintenance organization or under any group policy providing similar benefits which it replaces for at least three months immediately prior to termination shall be entitled to obtain a converted contract or have such coverage continued under the group contract for a period of 18 months following which such enrollee or dependent shall be entitled to obtain a converted contract in accordance with the provisions of this section. The employer insurance carrier shall give the employee and such employee’s dependents reasonable notice of the right to continuation of coverage. The terminated employee shall pay the employer insurance carrier the premium for the continuation of coverage and such premium shall be the same as that applicable to members...
or employees remaining in the group. The converted contract shall provide coverage at least equal to the conversion coverage options generally available from insurers or mutual nonprofit hospital and medical service corporations in the service area at the applicable premium cost. The group enrollee or enrollees shall be solely responsible for paying the premiums for the alternative coverage. The frequency of premium payment shall be the frequency customarily required by the health maintenance organization, mutual nonprofit hospital and medical service corporation or insurer for the policy form and plan selected, except that the insurer, mutual nonprofit hospital and medical service corporation or health maintenance organization shall require premium payments at least quarterly. The coverage shall be available to all enrollees of any group without medical underwriting. The requirement imposed by this subsection shall not apply to a contract which provides benefits for specific diseases or for accidental injuries only, nor shall it apply to any employee or member or such employee’s or member’s covered dependents when:

(A) Such person was terminated for cause as permitted by the group contract approved by the commissioner;

(B) any discontinued group coverage was replaced by similar group coverage within 31 days; or

(C) the employee or member is or could be covered by any other insured or uninsured arrangement which provides expense incurred hospital, surgical or medical coverage and benefits for individuals in a group under which the person was not covered prior to such termination. Written application for the converted contract shall be made and the first premium paid not later than 31 days after termination of the group coverage or receipt of notice of conversion rights from the health maintenance organization, whichever is later, and shall become effective the day following the termination of coverage under the group contract. The health maintenance organization shall give the employee or member and such employee’s or member’s covered dependents reasonable notice of the right to convert at least once within 30 days of termination of coverage under the group contract. The group contract and certificates may include provisions necessary to identify or obtain identification of persons and notification of events that would activate the notice requirements and conversion rights created by this section but such requirements and rights shall not be invalidated by failure of persons other than the employee or member entitled to conversion to comply with any such provisions. In addition, the converted contract shall be subject to the provisions contained in paragraphs (2), (4), (5), (6), (7), (8), (9), (13), (14), (15), (16), (17) and (19) of subsection (j) of K.S.A. 40-2209, and amendments thereto;

(8)(A) group contracts shall contain a provision extending payment of such benefits until discharged or for a period not less than 31 days following the expiration date of the contract, whichever is earlier, for covered enrollees and dependents confined in a hospital on the date of termination;

(B) a provision that coverage under any subsequent replacement contract that is intended to afford continuous coverage will commence immediately following expiration of any prior contract with respect to covered services not provided pursuant to subparagraph (8)(A); and

(9) an individual contract shall provide for a 10-day period for the enrollee to examine and return the contract and have the premium refunded, but if services were received by the enrollee during the 10-day period, and the enrollee returns the contract to receive a refund of the premium paid, the enrollee must pay for such services.

(b) No health maintenance organization or medicare provider organization authorized under this act shall contract with any provider under provisions which require enrollees to guarantee payment, other than copayments and deductibles, to such provider in the event of nonpayment by the health maintenance organization or medicare provider organization for any services which have been performed under contracts between such enrollees and the health maintenance organization or medicare provider organization. Further, any contract between a health maintenance organization or medicare provider organization and a provider shall provide that if the health maintenance organization or medicare provider organization fails to pay for covered health care services as set forth in the contract between the health maintenance organization or medicare provider organization and its enrollee, the enrollee or covered dependents shall not be liable to any provider for any amounts owed by the health maintenance organization or medicare provider organization. If there is no
written contract between the health maintenance organization or medicare provider organization and the provider or if the written contract fails to include the above provision, the enrollee and dependents are not liable to any provider for any amounts owed by the health maintenance organization or medicare provider organization. Any action by a provider to collect or attempt to collect from a subscriber or enrollee any sum owed by the health maintenance organization to a provider shall be deemed to be an unconscionable act within the meaning of K.S.A. 50-627 and amendments thereto.

(c) No group or individual certificate of coverage or contract form or amendment to an approved certificate of coverage or contract form shall be issued unless it is filed with the commissioner. Such contract form or amendment shall become effective within 30 days of such filing unless the commissioner finds that such contract form or amendment does not comply with the requirements of this section.

(d) Every contract shall include a clear and understandable description of the health maintenance organization’s or medicare provider organization’s method for resolving enrollee grievances.

(e) The provisions of subsections (A), (B), (C), (D) and (E) of K.S.A. 40-2209 and 40-2215 and amendments thereto shall apply to all contracts issued under this section, and the provisions of such sections shall apply to health maintenance organizations.

(f) In lieu of any of the requirements of subsection (a), the commissioner may accept certificates of coverage issued by a medicare provider organization in conformity with requirements imposed by any appropriate federal regulatory agency.

EXPLANATION OF VOTE

MR. PRESIDENT: I support a constitutional amendment which would help protect Kansans in times of crisis. We should have learned in the 90’s and after 9/11. If we had an emergency fund, we could better protect schools and the most vulnerable. Kansas is only one of a few states that does not have a rainy day fund, and consequently we are in a bigger budget crisis than most states. A rainy day fund would mitigate the pressures to increase taxes and cut safety net programs in the heat of a recession.

Every family should have an emergency fund. Kansas should as well. There is no better day to prepare for the next crisis than now. A rainy day fund would not harm the current state budget as it has appropriate safety valves and would not take effect until 2011. A rainy day fund is essential to fiscal responsibility, getting out of the recession, keeping taxes low, and protecting schools and the most vulnerable.—JEFF COYER

Senators Abrams, Apple, Barnett, Emler, Lynn, Petersen and Vratil request the record to show they concur with the “Explanation of Vote” offered by Senator Colyer on SCR 1614.

MR. PRESIDENT: I vote No on SCR 1614. While I believe it would be good public policy for our State to have a budget stabilization fund, the process provided by SCR 1614 makes no fiscal sense. SCR 1614 requires the State to put aside millions of dollars each year without regard for revenue intake. If implemented this year, when we are struggling to find enough dollars to fund vital services for our most vulnerable citizens, to provide access to health care for our poorest Kansans, and to keep our public safety programs viable, we would have had to make even more draconian cuts. I offered an amendment that would have established a budget stabilization fund with transfers made any year the State experienced an increase over the previous year’s revenues. If that amendment had passed, I would have been an enthusiastic supporter of SCR 1614.—LAURA KELLY
Senator Francisco requests the record to show she concurs with the “Explanation of Vote” offered by Senator Kelly on SCR 1614.

Mr. President: I vote no on Senate Concurrent Resolution 1614, which should be referred to as the 2009 budget destabilization bill. Instead of returning unused state tax dollars to hardworking Kansans, this bill will mandate that millions of dollars be placed into an interest-bearing fund—a fund which will not be made available to reimburse local taxpayers or to the state for maintaining vital programs and services. These transfers will be made even when state revenues are declining.

Furthermore, SCR 1614 would require a 2/3 majority vote to transfer money out of the fund only when the balance exceeds 5 percent of total state revenues. It’s likely that this mandatory 5 percent will not be met for at least 20 years.

SCR 1614 will only create an additional burden on the state legislature by further restricting its constitutional ability to collect and transfer money, even in times of need. Our founders created a representative democracy for a reason. In times of financial crisis it’s vital that the legislature be able to make economic decisions that are in the best interest of our state and its residents without requiring an extraordinary majority.—Janis Lee

EXPLANATION OF VOTE

Mr. President: I vote no on HB 2214, just as I voted no on SB 260, which has been incorporated into HB 2214. I don’t have to tell you that we are experiencing down times here in the State of Kansas. Many people are losing their jobs. When people have to choose between paying the rent and buying groceries, of course, they are going to fall behind on some bills and their credit scores will be lowered. Raising premiums on the basis of those low credits scores only adds insult to injury. Due to that practice, I believe that we will have more and more uninsured drivers on our roads and highways, not because they are deadbeats but only because life has beaten them down for the moment. I have received numerous letters, e-mails, and phone calls about this issue this session, and it is a serious one. HB 2214 will further damage the situation, stressing people’s budgets even more, and I cannot support it.—OLETHA FAUST-GOUDEAU

The Senate was called to order by President Stephen Morris. The roll was called with forty senators present. Invocation by Chaplain Fred S. Hollomon:

Heavenly Father,

During General Orders
Senators address the Chair.
There are at least two reasons
For addressing the person there.

There has to be an authority
Who keeps procedure in line.
Senators addressing the Chair
Help debates to remain benign.

O God, these rules of order
Should be a model of what we do.
The way that we treat each other
Should be the same as we treat You.

The Lord sits on His Throne,
And we can never afford
To say something to each other
That we should not say to the Lord.

I pray in the Name of Jesus Christ,

AMEN

COMMITTEE OF THE WHOLE

On motion of Senator D. Schmidt, the Senate resolved itself into Committee of the Whole, for consideration of bills on the calendar under the heading of General Orders with Senator Brungardt in the chair.

On motion of Senator Brungardt the following report was adopted:

SCR 1611 be adopted.

A motion by Senator Haley to amend SCR 1611 failed and the following amendment was rejected: on page 2, line 8, by striking “general” and inserting “primary”.

The committee report on HB 2126 recommending a S Sub for HB 2126 be adopted, and the substitute bill be passed.

FINAL ACTION OF BILLS AND CONCURRENT RESOLUTIONS

On motion of Senator D. Schmidt an emergency was declared by a 2/3 constitutional majority, and SCR 1611; S Sub for HB 2126 were advanced to Final Action and roll call.

SCR 1611, A proposition to amend section 4 of the bill of rights of the constitution of the State of Kansas, relating to the right to bear arms.

On roll call, the vote was: Yeas 39, Nays 1, Present and Passing 0, Absent or Not Voting 0.

Nays: Haley.

A two-thirds constitutional majority having voted in favor of the resolution SCR 1611 was adopted.

EXPLANATION OF VOTE

Mr. President: I support SCR 1611. This constitutional amendment confirms that the right of individual Kansans to keep and bear arms is paramount and a guarantee of liberty.

Our legislative intent is clear and is similar to the that of our founding fathers. In The Federalist Papers Number 29, Alexander Hamilton did not view the right to keep arms as being confined to active militia members but individuals.

“Little more can reasonably be aimed at with the respect to the people at large than to have them properly armed and equipped”

James Madison in Federalist No. 46 wrote: “Besides the advantage of being armed, which the Americans possess over the people of almost every other nation, the existence of subordinate governments, to which the people are attached, forms a barrier against the enterprises of ambition,”
Tench Coxe published his “Remarks on the First Part of the Amendments to the Federal Constitution,” in the Federal Gazette, June 18, 1789. He was a contemporary of Madison pointed out that the individual right to bear arms is the preservation of individual liberty. He said: “the people are confirmed by the next article in their right to keep and bear their private arms.”—JEFF COLYER

Senators Abrams, Lynn and Petersen request the record to show they concur with the “Explanation of Vote” offered by Senator Colyer on SCR 1611.

MR. PRESIDENT: I reluctantly vote “No” on Senate Concurrent Resolution 1611. The substance of SCR 1611 (or the individual right to keep and bear arms) does not, in my mind, outweigh the procedure of SCR 1611. The litmus test of Gun Rights should not be the qualification for otherwise good public officials to be elected. . . or not. By submitting this question to the November general election candidates who do not share my view of our codified Kansas constitution’s language regarding gun ownership may be unduly prejudiced in their attempt to join or rejoin our democracy. Diversity of thought and inclusion are crucially important concepts; enough for me to be unique in insuring the SCR’s less than unanimous passage here, now.—DAVID HALEY

MR. PRESIDENT: For many years, the citizens of Kansas have operated under the assumption that they possess an individual, Constitutional right to gun ownership. And we celebrated the decision last summer of the U.S. Supreme Court in Heller vs. D.C. confirming this individual right is enshrined in our U.S. Constitution.

However, we remain troubled. The Heller decision was a very narrow 5-4 vote and could be overturned by a new Justice appointment to the Court. And now we learn that the Kansas Supreme Court, in a unanimous decision more than 100 years ago, ruled there are no individual rights to gun ownership in our Kansas Constitution.

We can no longer await or hope for the right decision from the Judiciary. Instead, it is time to allow Kansans a voice on this matter. By offering this proposed Constitutional Amendment, our citizens will have the final say—shall we have an individual right to gun ownership in Kansas, or shall the state control and dictate who may own or use a gun.

Mr. President, I am very hopeful that the majority of Kansas will agree—the power shall rest with the citizens, not with the government.—TIM HUELSKAMP

Senators Abrams, Lynn, Ostmeyer and Petersen request the record to show they concur with the “Explanation of Vote” offered by Senator Huelskamp on SCR 1611.

MR. PRESIDENT: I vote Aye. The City of Salina v. Blaksley, 72 Kan. 230, 83 P. 619 (1905), interpreted Section 4 of the Kansas Bill of Rights as guaranteeing no individual right to keep arms or to bear arms. The court held “It deals exclusively with the military. Individual rights are not considered in this section.” To drive home this point, the court concluded: “The defendant was not a member of an organized militia, nor of any other military organization provided for by law, and was therefore not within the provision of the Bill of Rights, and was not protected by its terms.” The court also applied this holding to the Second Amendment. Blaksley thus judicially repealed the right to bear arms by holding it only belongs to the military while on duty. This is at odds with the constitution’s words and with history. The U.S. Supreme Court rejected this erroneous “collective right” holding on the Second Amendment in District of Columbia v. Heller, 128 S. Ct. 2783 (2008). The Kansas Legislature and the people of Kansas should also reject this erroneous application to the Kansas Bill of Rights by exercising their right to amend the Kansas Constitution.—MIKE PETERSEN

Senators Apple, Bruce, Colyer, Huelskamp, Kelly, Kelsey, Lynn, Marshall, Masterson, Ostmeyer, Pilcher-Cook, Schodorf, Steineger, Taddiken and Teichman, request the record to show they concur with the “Explanation of Vote” offered by Senator Petersen on SCR 1611.

S Sub for HB 2126. An act concerning telecommunications; relating to providing caller location in emergency situations; relating to enhanced wireless 911 service; concerning certain fees and disposition thereof; relating to audits of certain systems; establishing the joint committee on enhanced and next generation 911; definitions; amending K.S.A. 2008 Supp. 12-5322, 12-5323, 12-5334, 12-5338 and 12-5361 and repealing the existing sections.
On roll call, the vote was: Yeas 40, Nays 0, Present and Passing 0, Absent or Not Voting 0.
The substitute bill passed.

EXPLANATION OF VOTE
MR. PRESIDENT: I stand in strong support of Senate Substitute for House Bill 2126, that contains the Kelsey Smith Act.
The Kelsey Smith Act will honor the life of a young lady who tragically lost her life at the hands of her abductor in June of 2007. Nothing we do will change the outcome of that terrible day. We can, however, strive to make Kansas safer by requiring wireless telecommunication carriers to cooperate with law enforcement when there is risk of death or serious bodily harm.
The system usually works but in this instance, it did not. Hopefully another family will not have to wait four days to locate a missing loved one. This bill will also disseminate critical contact information to our 911 centers. The Kansas Bureau of Investigation will lead this effort.
This bill will also convene a legislative task force to evaluate our current 911 system to ensure we will have adequate funding and state of the art equipment across Kansas.—PAT APPLE

SB 242. An act concerning personal property taxation; relating to motor vehicles; computation of amount of tax; amending K.S.A. 79-5105 and repealing the existing section.

On roll call, the vote was: Yeas 16, Nays 24, Present and Passing 0, Absent or Not Voting 0.

A constitutional majority having failed to vote in favor of the bill, SB 242 did not pass.

EXPLANATION OF VOTE

MR PRESIDENT: I vote NO on SB 242. While I support lowering property taxes on vehicles in Kansas, I do not support doing that on the backs of our local units of government. It is inappropriate that the legislature reduces the amount of revenues collected by local units of governments in order to increase the revenues coming to the state and to lower the property tax burden on vehicles. If SB 242 were to pass, local units of government would be left with very little option other than to increase the property tax burden on our homes and businesses.—JANIS K. LEE

Senators Francisco, Hensley and Kelly request the record to show they concur with the “Explanation of Vote” offered by Senator Lee on SB 242.

SB 312. An act concerning property taxation; relating to public utilities; natural gas inventories; amending K.S.A. 2008 Supp. 79-5a01 and repealing the existing section.

On roll call, the vote was: Yeas 32, Nays 6, Present and Passing 2, Absent or Not Voting 0.

SR 1859. A resolution supporting the Airborne Laser program and urging the United State Congress to provide the necessary funding for the on-going development and operation of the program.

On roll call, the vote was: Yeas 40, Nays 0, Present and Passing 0, Absent or Not Voting 0.

The resolution was adopted.

On roll call, the vote was: Yeas 26, Nays 14, Present and Passing 0, Absent or Not Voting 0.

The substitute bill passed, as amended.

EXPLANATION OF VOTE

Mr. President: I vote yes on Senate Substitute for HB 2354 because the bill maintains funding for education, helps make health care more available and affordable, moves our budget near the point that expenditures equal revenues and helps keep Kansans at work.

We all recognize that the stimulus spending money that allows our budget to balance this year only represents a pain killer that eases the pain, but does not provide a cure. We know that eventually, everyone will share that pain.

Mr. President, the Kansas Legislature has made progress during an extremely challenging time. Working together, I am confident Kansas will return to a state of steady growth and prosperity.—Jim Barnett

Senators Lynn and Schodorf request the record to show they concur with the “Explanation of Vote” offered by Senator Barnett on S Sub for HB 2354.

EXPLANATION OF VOTE

Mr. President: I vote no on this budget proposal. In these difficult times, it does not strike the right balance supporting essential services like schools, safety-net clinics, and law enforcement.

We are looking at a cliff in the next two years. This budget is not based on sound economic projections.

And we have made minimal effort to make a transition to more stable funding. We are sowing the seeds of a budget crisis that may actually be worse than what we imagined. It is setting up a perfect storm to raise taxes on working Kansans and cut critical programs at the height of the recession.

We made no attempt to reform the giant HMO called Medicaid, encourage excellent schools, or adopt more effective state programs.

Most importantly, there has been no consideration of the long term economic impacts on Kansas. We should use the breathing room gained from the stimulus package to stimulate economic growth rather than planning to raise taxes on working Kansans and businesses and cut programs for the most needy.—Jeff Coyler

Senators Brownlee and Faust-Goudeau request the record to show they concur with the “Explanation of Vote” offered by Senator Coyler on S Sub for HB 2354.
Mr. President: I vote no on Senate Substitute for House Bill 2354. As amended by committee, the money committed to keeping our promise to fully fund the second phase of the state employee pay plan was drastically reduced. This plan would have improved the way Kansas compensates its state employees by bringing thousands of state employees’ wages up to market. Unfortunately, by reducing this funding the Kansas Senate has not only broken our promise, but has essentially balanced the state budget on the backs of Kansas’ dedicated state employees and their families.

In addition, the Children’s Initiative Fund, the purpose for which is to fund vital early childhood education programs, has been unnecessarily raided to fund other health care programs. While I agree that it’s vital the State find a way to fund health insurance for the 8,000 Kansas children who are currently living without coverage, such funding should have been secured through a more stable funding source such as the State General Fund, rather than the Children’s Initiative Fund.—Laura Kelly

Senators Hensley, Kultala and Lee request the record to show they concur with the “Explanation of Vote” offered by Senator Kelly on S Sub for HB 2354.

On motion of Senator D. Schmidt the Senate adjourned until 10:00 a.m., Wednesday, March 24, 2009.
The Senate was called to order by Vice President John Vratil.
The roll was called with forty senators present.
Invocation by Chaplain Fred S. Hollomon:

Heavenly Father,
I read about a teenage boy
Whose leg became infected.
The doctor shared the news
The boy had not expected.
"I need to amputate," he said,
But the teenager said, "No way"
So he and his family prayed two nights
And in between, all day.
The leg was healed and they all knew
It was due to all Your power;
For You had a great big plan
For Dwight D. Eisenhower!

Some people say they, too, have prayed
But their prayers were not fulfilled.
We must remember we need to pray
According to Your will!

Friday's Prayer Breakfast Day,
So we pray for all of Kansas,
From Hugoton to Wathena,
From Galena to St. Francis.

Please join me as we pray silently for all the citizens of Kansas, especially
those who are experiencing hard times.
I pray in the Name of Jesus Christ,
AMEN

The Pledge of Allegiance was led by Vice President John Vratil.

Sec. 5. K.S.A. 2008 Supp. 59-29a08 is hereby amended to read as follows: 59-29a08. (a) Each person committed under K.S.A. 59-29a01 et seq., and amendments thereto, shall have a current examination of the person’s mental condition made once every year. The secretary
shall provide the committed person with an annual written notice of the person’s right to petition the court for release over the secretary’s objection. The notice shall contain a waiver of rights. The secretary shall also forward the annual report, as well as the annual notice and waiver form, to the court that committed the person under K.S.A. 59-29a01 et seq., and amendments thereto. The committed person shall have a right to have an attorney represent the person at the hearing but the person is not entitled to be present at the hearing.

(b) Nothing contained in K.S.A. 59-29a01 et seq., and amendments thereto, shall prohibit the person from otherwise petitioning the court for discharge at this hearing.

(c) (1) If the court at the hearing determines that probable cause exists to believe that the person’s mental abnormality or personality disorder has so changed that the person is safe to be placed in transitional release, then the court shall set a hearing on the issue.

(2) The court may order and hold a hearing when: (A) There is current evidence from an expert or professional person that an identified physiological change to the committed person, such as paralysis, stroke or dementia, that renders the committed person unable to commit a sexually violent offense and this change is permanent; and

The attorney general shall represent the state and shall have a right to a jury trial and to have the committed person evaluated by experts chosen by the state. The committed person shall also have the right to have experts evaluate the person on the person’s behalf and the court shall appoint an expert if the person is indigent and requests an appointment. (d) If, after the hearing, the court or jury is convinced beyond a reasonable doubt that the person is not appropriate for transitional release, the court shall order that the person remain in secure commitment. Otherwise, the court shall order that the person be placed in transitional release.

(e) If the court determines that the person should be placed in transitional release, the secretary shall transfer the person to the transitional release program. The court shall set the matter for a hearing within two working days of receipt of notice of the person’s having been returned to the secure commitment facility and cause notice thereof to be given to the attorney general, the person and the secretary. The attorney general shall have the burden of proof to show probable cause that the person violated conditions of transitional
release. The hearing shall be to the court. At the conclusion of the hearing the court shall issue an order returning the person to the secure commitment facility or to the transitional release program, and may order such other further conditions with which the person must comply if the person is returned to the transitional release program.

Sec. 6. K.S.A. 59-29a19 is hereby amended to read as follows: 59-29a19. (a) If the court determines that the person should be placed on conditional release, the court, based upon the recommendation of the treatment staff, shall establish a plan of treatment which the person shall be ordered to follow. The person preparing the report shall forward the report to the court. The court shall review the same. If the court determines that probable cause exists to believe that the person’s mental abnormality or personality disorder has so changed that the person is safe to be entitled to final discharge, the court shall set a formal hearing on the issue. The attorney general shall have the burden of proof to show beyond a reasonable doubt that the person’s mental abnormality or personality disorder remains such that such person is not appropriate for final discharge. The person shall have the same rights as enumerated in K.S.A. 59-29a06 and amendments thereto. Subsequent to either a court review or a hearing, the court shall issue an appropriate order with findings of fact. The order of the court shall be provided to the attorney general, the person and the secretary.

(c) If, after a hearing, the court is convinced beyond a reasonable doubt that the person is not appropriate for final discharge, the court shall continue custody of the person with the secretary for placement in a secure facility, transitional release program or conditional release program. Otherwise, the court shall order the person finally discharged. In the event the court does not order final discharge of the person, the person still retains the right to annual reviews.

(d) At any time during which the person is on conditional release and the professional person designated by the court in the treatment plan to monitor the person’s compliance with it determines that the person has violated any material condition of that plan, that professional person may request the district court to issue an emergency ex parte order directing any law enforcement officers to take the person into custody and return the person to the secure commitment facility. Any such request may be made verbally or by telephone, but shall be followed in written, facsimile or electronic copy form delivered to the court not later than 5:00 p.m. of the first day the district court is open for the transaction of business after the verbal or telephonic request was made.

The court shall set the matter for a hearing within two working days of receipt of notice of the person’s having been returned to the secure commitment facility and cause notice thereof to be given to the attorney general, the person and the secretary. The attorney general shall have the burden of proof to show probable cause that the person violated conditions of conditional release. The hearing shall be to the court. At the conclusion of the hearing the court shall issue an order returning the person to the secure commitment facility, to the transitional release program or to conditional release, and may order such other further conditions with which the person must comply if the person is returned to either the transitional release program or to conditional release.
(f) The final discharge shall not prevent the person from being prosecuted for any criminal acts which the person is alleged to have committed or from being subject in the future to a subsequent commitment under this act.

Sec. 7. K.S.A. 59-29b67 is hereby amended to read as follows: 59-29b67. (a) An order for outpatient treatment may be entered by the court at any time in lieu of any type of order which would have required inpatient care and treatment if the court finds that the patient is likely to comply with an outpatient treatment order and that the patient will not likely be a danger to the community or be likely to cause harm to self or others while subject to an outpatient treatment order.

(b) No order for outpatient treatment shall be entered unless the head of the outpatient treatment facility has consented to treat the patient on an outpatient basis under the terms and conditions set forth by the court.

(c) If outpatient treatment is ordered, the order may state specific conditions to be followed by the patient, but shall include the general condition that the patient is required to comply with all directives and treatment as required by the head of the outpatient treatment facility or the head’s designee. The court may also make such orders as are appropriate to provide for monitoring the patient’s progress and compliance with outpatient treatment. Within any outpatient order for treatment the court shall specify the period of treatment as provided for in subsection (a) of K.S.A. 59-29b66 or subsection (f) of K.S.A. 59-29b69 and amendments thereto.

(d) The court shall retain jurisdiction to modify or revoke the order for outpatient treatment at any time on its own motion, on the motion of any counsel of record or upon notice from the treatment facility of any need for new conditions in the order for outpatient treatment or of material noncompliance by the patient with the order for outpatient treatment. However, if the venue of the matter has been transferred to another court, then the court having venue of the matter shall have such jurisdiction to modify or revoke the outpatient treatment order. Revocation or modification of an order for outpatient treatment may be made ex parte by order of the court in accordance with the provisions of subsections (e) or (f).

(e) The treatment facility shall immediately report to the court any material noncompliance by the patient with the outpatient treatment order. Such notice may be verbal or by telephone but shall be followed by a verified written, facsimile or electronic copy notice sent to the court, to counsel for all parties and, as appropriate, to the head of the inpatient treatment facility designated to receive the patient, by not later than 5:00 p.m. of the first day the district court is open for the transaction of business after the verbal or telephonic communication was made to the court. Upon receipt of verbal, telephone, or verified written, facsimile or electronic copy notice of material noncompliance, the court may enter an ex parte emergency custody order providing for the immediate detention of the patient in a designated inpatient treatment facility. Any ex parte emergency custody order issued by the court under this subsection shall expire at 5:00 p.m. of the second day the district court is open for the transaction of business after the patient is taken into custody. The court shall not enter successive ex parte emergency custody orders.

(f) (1) Upon the taking of a patient into custody pursuant to an ex parte emergency custody order revoking a previously issued order for outpatient treatment and ordering the patient to involuntary inpatient care the court shall set the matter for hearing not later than the close of business on the second day the court is open for business after the patient is taken into custody. Notice of the hearing shall be given to the patient, the patient’s attorney, the patient’s legal guardian, the petitioner or the county or district attorney as appropriate, the head of the outpatient treatment facility and the head of the inpatient treatment facility, similarly as provided for in K.S.A. 59-29b63 and amendments thereto.

(2) Upon the entry of an ex parte order modifying a previously issued order for outpatient treatment, but allowing the patient to remain at liberty, a copy of the order shall be served upon the patient, the patient’s attorney, the county or district attorney and the head of the outpatient treatment facility similarly as provided for in K.S.A. 59-29b63 and amendments thereto. Thereafter, any party to the matter, including the petitioner, the county or district attorney or the patient, may request a hearing on the matter if the request is filed within 5 days from the date of service of the ex parte order upon the patient. The court may also
order such a hearing on its own motion within 5 days from the date of service of the notice. If no request or order for hearing is filed within the 5-day period, the ex parte order and the terms and conditions set out in the ex parte order shall become the final order of the court substituting for any previously entered order for outpatient treatment. If a hearing is requested, a formal written request for revocation or modification of the outpatient treatment order shall be filed by the county or district attorney or the petitioner and a hearing shall be held thereon within 5 days after the filing of the request.

(g) The hearing held pursuant to subsection (f) shall be conducted in the same manner as hearings provided for in K.S.A. 59-29b59 and amendments thereto. Upon the completion of the hearing, if the court finds by clear and convincing evidence that the patient violated any condition of the outpatient treatment order, the court may enter an order for inpatient treatment, or may modify the order for outpatient treatment with different terms and conditions in accordance with this section.

(h) The outpatient treatment facility shall comply with the provisions of K.S.A. 59-29b69 and amendments thereto concerning the filing of written reports for each period of treatment during the time any outpatient treatment order is in effect and the court shall receive and process such reports in the same manner as reports received from an inpatient treatment facility.

Sec. 8. K.S.A. 59-29b71 is hereby amended to read as follows: 59-29b71. (a) At any time after the petition provided for in K.S.A. 59-29b57 and amendments thereto has been filed venue may be transferred in accordance with this section.

(1) Prior to trial required by K.S.A. 59-29b65 and amendments thereto. Before the expiration of two full working days following the probable cause hearing held pursuant to K.S.A. 59-29b59 or 59-29b62 and amendments thereto, the district court then with jurisdiction, on its own motion or upon the written request of any person, may transfer the venue of the case to the district court of the county where the patient is being detained, evaluated or treated in a treatment facility under the authority of an order issued pursuant to K.S.A. 59-29b58, 59-29b59 or 59-29b64 and amendments thereto. Thereafter the district court may on its own motion or upon the written request of any person transfer venue to another district court only for good cause shown. When an order changing venue is issued, the district court issuing the order shall immediately send to the district court to which venue is changed a facsimile or electronic copy of all pleadings and orders in the case. The district court shall also immediately send a facsimile or electronic copy of the order transferring venue to the treatment facility where the patient is being detained, evaluated or treated.

(2) After the trial required by K.S.A. 59-29b65 and amendments thereto, the district court may on its own motion or upon the written request of any person transfer venue to another district court for good cause shown. When an order changing venue is issued, the district court issuing the order shall immediately send to the district court to which venue is changed a facsimile or electronic copy of the petition for determination of whether a person is a person with an alcohol or substance abuse problem subject to involuntary commitment for care and treatment, the most recent notice of hearing issued by the court, the order changing venue, the current order of treatment, the most recent written report summarizing treatment and any order allowing withdrawal of the patient’s attorney. The transferring district court shall also immediately send a facsimile or electronic copy of the order transferring venue to the treatment facility where the patient is being detained, evaluated or treated. No later than 5:00 p.m. of the second full day the district court transferring venue is open for business following the issuance of the order transferring venue, the district court transferring venue shall send to the receiving district court the entire file of the case by restricted mail.

(b) The district court issuing an order transferring venue, if not in the county of residence of the proposed patient, shall transmit to the district court in the county of residence of the proposed patient a statement of any court costs incurred by the county of the district court issuing the order and, if the county of residence is not the receiving county, a certified copy of all pleadings and orders in the case.

(c) Any district court to which venue is transferred shall proceed in the case as if the petition had been originally filed therein and shall cause notice of the change of venue to be given to the persons named in and in the same manner as provided for in K.S.A. 59-29b63 and amendments thereto. In the event that notice of a change of location of a hearing
due to a change of venue cannot be served at least 48 hours prior to any hearing previously scheduled by the transferring court or because of scheduling conflicts the hearing can not be held by the receiving court on the previously scheduled date, then the receiving court shall continue the hearing for up to seven full working days to allow adequate time for notice to be given and the hearing held.

(d) Any district court to which venue is transferred, if not in the county of residence of the patient, shall transmit to the district court in the county of residence of the patient a statement of any court costs incurred and a certified copy of all pleadings and orders entered in the case after transfer.

Sec. 9. K.S.A. 59-2967 is hereby amended to read as follows: 59-2967. (a) An order for outpatient treatment may be entered by the court at any time in lieu of any type of order which would have required inpatient care and treatment if the court finds that the patient is likely to comply with an outpatient treatment order and that the patient will not likely be a danger to the community or be likely to cause harm to self or others while subject to an outpatient treatment order.

(b) No order for outpatient treatment shall be entered unless the head of the outpatient treatment facility has consented to treat the patient on an outpatient basis under the terms and conditions set forth by the court, except that no order for outpatient treatment shall be refused by a participating mental health center.

(c) If outpatient treatment is ordered, the order may state specific conditions to be followed by the patient, but shall include the general condition that the patient is required to comply with all directives and treatment as required by the head of the outpatient treatment facility or the head’s designee. The court may also make such orders as are appropriate to provide for monitoring the patient’s progress and compliance with outpatient treatment.

Within any outpatient order for treatment the court shall specify the period of treatment as provided for in subsection (a) of K.S.A. 59-2966 or subsection (f) of K.S.A. 59-2969 and amendments thereto.

(d) The court shall retain jurisdiction to modify or revoke the order for outpatient treatment at any time on its own motion, on the motion of any counsel of record or upon notice from the treatment facility of any need for new conditions in the order for outpatient treatment or of material noncompliance by the patient with the order for outpatient treatment. However, if the venue of the matter has been transferred to another court, then the court having venue of the matter shall have such jurisdiction to modify or revoke the outpatient treatment order. Revocation or modification of an order for outpatient treatment may be made ex parte by order of the court in accordance with the provisions of subsections (e) or (f).

(e) The treatement facility shall immediately report to the court any material noncompliance by the patient with the outpatient treatment order. Upon receipt of verbal, telephone, or verified written, facsimile or electronic notice of material noncompliance, the court may enter an ex parte emergency custody order providing for the immediate detention of the patient in a designated inpatient treatment facility except that the court shall not order the detention of the patient at a state psychiatric hospital, unless a written statement from a qualified mental health professional authorizing such detention at a state psychiatric hospital has been filed with the court. Any ex parte emergency custody order issued by the court under this subsection shall expire at 5:00 p.m. of the second day the district court is open for the transaction of business after the patient is taken into custody. The court shall not enter successive ex parte emergency custody orders.

(f) (1) Upon the taking of a patient into custody pursuant to an ex parte emergency custody order revoking a previously issued order for outpatient treatment and ordering the patient to involuntary inpatient care the court shall set the matter for hearing not later than the close of business on the second day the court is open for business after the patient is taken into custody. Notice of the hearing shall be given to the patient, the patient’s attorney, the
patient’s legal guardian, the petitioner or the county or district attorney as appropriate, the head of the outpatient treatment facility and the head of the inpatient treatment facility, similarly as provided for in K.S.A. 59-2963 and amendments thereto.

(2) Upon the entry of an ex parte order modifying a previously issued order for outpatient treatment, but allowing the patient to remain at liberty, a copy of the order shall be served upon the patient, the patient’s attorney, the county or district attorney and the head of the outpatient treatment facility similarly as provided for in K.S.A. 59-2963 and amendments thereto. Thereafter, any party to the matter, including the petitioner, the county or district attorney or the patient, may request a hearing on the matter if the request is filed within five days from the date of service of the ex parte order upon the patient. The court may also order such a hearing on its own motion within five days from the date of service of the notice. If no request or order for hearing is filed within the five-day period, the ex parte order and the terms and conditions set out in the ex parte order shall become the final order of the court substituting for any previously entered order for outpatient treatment. If a hearing is requested, a formal written request for revocation or modification of the outpatient treatment order shall be filed by the county or district attorney or the petitioner and a hearing shall be held thereon within 5 days after the filing of the request.

(g) The hearing held pursuant to subsection (f) shall be conducted in the same manner as hearings provided for in K.S.A. 59-2959 and amendments thereto. Upon the completion of the hearing, if the court finds by clear and convincing evidence that the patient violated any condition of the outpatient treatment order, the court may enter an order for inpatient treatment, except that the court shall not order treatment at a state psychiatric hospital unless a written statement from a qualified mental health professional authorizing such treatment at a state psychiatric hospital has been filed with the court, or may modify the order for outpatient treatment with different terms and conditions in accordance with this section.

(b) The outpatient treatment facility shall comply with the provisions of K.S.A. 59-2969 and amendments thereto concerning the filing of written reports for each period of treatment during the time any outpatient treatment order is in effect and the court shall receive and process such reports in the same manner as reports received from an inpatient treatment facility.

As an alternative to the requirements and procedures described in section 4, and amendments thereto, under this section, a municipality may create a district, or modify a district previously created under this section, upon receipt of a petition that is signed by the owners of more than 55% of the land area within the proposed district, and signed by owners collectively owning more than 55% by assessed value of the land area within the proposed district. The petition shall contain a notice that: (1) The names of the signers may not be withdrawn after such a period of time; and (2) if applicable, the signers consent to any assessments to the extent described therein without regard to benefits conferred by the project.

(c) Upon filing of the petition pursuant to this section, the municipality shall adopt a resolution to give notice of a public hearing on the advisability of creating or modifying the district. Such resolution shall be published at least once each week for two consecutive weeks in the newspaper and shall be sent by certified mail to all owners. Such ordinance or resolution shall authorize the project, approve the estimated cost of the project, contain the legal description of the district, contain a map of the district, levy the community improvement district sales tax, if applicable, approve the maximum amount and method of assessment, if applicable, and approve the method of financing including, if applicable, the issuance of full faith and credit bonds. Such ordinance or resolution shall become effective upon publication once in the newspaper.
(e) The district boundaries and the method of financing for the project shall not require that all property that is benefited by the project, whether the benefited property is within or without the district, be included in the district or be subject to an assessment or the community improvement district sales tax.

(f) Following authorization of the project, the ordinance or resolution establishing the district shall be submitted for recording in the office of the register of deeds of the county in which the district is located.

New Sec. 6. (a) In addition to any other power provided by law and as a complete alternative to all other methods provided by law, the governing body may make, or cause to be made, projects identified in the petition submitted pursuant to either section 4 or section 5, and amendments thereto, and may levy and collect special assessments upon property in the district and provide for the payment of all or any part of the cost of the project out of the proceeds of such special assessments. If special assessments shall be levied to finance all or a portion of the cost of a project, the municipality shall follow the procedures in K.S.A. 12-6a01 et seq., and amendments thereto, to levy such assessments except that no assessments may be levied against the municipality at large and annual installments of the assessments may be levied as provided in subsection (b).

(b) If the method of financing for the project includes payment from the sources described in subsections (c) or (e) of section 9, and amendments thereto, the ordinance or resolution of the municipality that authorizes the levy of special assessments may provide that the annual installments of such assessment for any year may be reduced or eliminated to the extent that, prior to the date the municipality certifies the tax levy of the municipality to the county clerk pursuant to K.S.A. 79-1801, and amendments thereto, the municipality has received sufficient funds from the sources described in subsections (c) and (e) of section 9, and amendments thereto, to pay the debt service on any bonds issued under the provisions of this act, and amendments thereto, for the project which would have been paid by such annual installment. The municipality is not required to refund any prepayment of assessments after such prepayment is made to the municipality, and any prepayment of assessments under this section shall be in compliance with the provisions of K.S.A. 10-115, and amendments thereto.

New Sec. 7. (a) In addition to and notwithstanding any limitations on the aggregate amount of the retailers' sales tax contained in K.S.A. 12-187 through 12-197, and amendments thereto, any municipality may impose a community improvement district sales tax on the selling of tangible personal property at retail or rendering or furnishing services taxable pursuant to the provisions of the Kansas retailers' sales tax act, and amendments thereto, within a community improvement district for purposes of financing a project in such district in any increment of .10% or .25% not to exceed 2% and pledging the revenue received therefrom to pay the bonds issued for the project or to reimburse the cost of the project pursuant to pay-as-you-go financing. In the event bonds are issued to finance a project or refunding bonds issued therefore, the community improvement district sales tax imposed pursuant to this section shall expire no later than the date such bonds shall mature. In the event pay-as-you-go financing is utilized, the community improvement district sales tax shall expire 22 years from the date the state director of taxation begins collecting such tax or when the project bonds or pay-as-you-go costs have been paid. (b) Upon receipt of a certified copy of the resolution or ordinance authorizing the levy of the community improvement district sales tax pursuant to this section, the state director of taxation shall cause such tax to be collected in the district at the same time and in the same manner provided for the collection of the state retailers' sales tax. All of the taxes collected under the provisions of this act shall be remitted by the secretary of revenue to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury, and the state treasurer shall credit 2% of all taxes so collected to the community improvement district sales tax administration fund, which fund is hereby established in the state treasury, to defray the expenses of the department of revenue in
administration and enforcement of the collection thereof. The aggregate amount of moneys credited to the community improvement district sales tax administration fund shall not exceed $60,000 in any state fiscal year. The remainder of such taxes shall be credited to the community improvement district sales tax fund, which fund is hereby established in the state treasury. All moneys in the community improvement district sales tax fund shall be remitted at least quarterly by the state treasurer, on instruction from the secretary of revenue, to the treasurers of those municipalities which are qualified to receive disbursements from such fund for the amount collected within such municipality. Any refund due on any community improvement district sales tax collected pursuant to this section shall be paid out of the community improvement district sales tax refund fund which is hereby established in the state treasury and reimbursed by the director of taxation from collections of the community improvement district sales tax authorized by this section. Community improvement district sales tax received by a municipality pursuant to this section shall be deposited in the community improvement district sales tax fund created pursuant to section 10, and amendments thereto.

(c) Notwithstanding any other provisions of law to the contrary, copies of all retailers’ sales and use tax returns filed with the secretary of revenue in connection with a district for which sales or use tax revenues, or both, are pledged or otherwise intended to be used in whole or in part for the payment of bonds issued to finance costs of a project, shall be provided by the secretary of revenue to the bond trustee, escrow agent or paying agent for such bonds upon a written request of the municipality within 15 days of receipt by the secretary of revenue. The bond trustee, escrow agent or paying agent shall keep such retailers’ sales and use tax returns and the information contained therein confidential, but may use such information for purposes of allocating and depositing such sales and use tax revenues in connection with the bonds used to finance costs of a project. Except as otherwise provided herein, the sales and use tax returns received by the bond trustee, escrow agent or paying agent shall be subject to the provisions of K.S.A. 79-3614, and amendments thereto.

New Sec. 8. No suit to set aside the assessments or otherwise question the validity of the proceedings for the creation of the district or the authorization of the project shall be brought after the expiration of 30 days from the publication of the ordinance or resolution creating the district. No suit to set aside the community improvement district sales tax shall be brought after the expiration of 30 days from the publication of the ordinance or resolution declaring the intent to impose the community improvement district sales tax. No protest petition pertaining to the issuance of full faith and credit bonds, as described in section 12, and amendments thereto, shall be brought after the expiration of 60 days following the date of the public hearing described in section 5, and amendments thereto.

New Sec. 9. The cost of all or a portion of any project authorized pursuant to this act shall be paid from all or any of the following sources:

(e) Any other funds appropriated by the municipality for the purpose of paying project costs including the principal and interest of bonds issued pursuant to this act.

New Sec. 10. A separate fund shall be created for each district and such fund shall be identified by a suitable title. Community improvement district sales tax remitted to the municipality pursuant to section 7, and amendments thereto, special assessments paid to the municipality pursuant to this act, proceeds from the sale of bonds issued pursuant to this act, and any other moneys appropriated by the governing body for the purpose of paying project costs, including the principal of and interest on bonds issued pursuant to this act,

In the event moneys remain in the fund after the expiration of the community improvement district sales tax, such moneys shall continue to be used solely to pay the cost of the project. Upon payment of all project costs and principal of and interest on any bonds issued for such district, the municipality shall have the authority to spend any moneys remaining in such fund for the purposes for which local sales tax receipts may be spent.

Such bonds shall be made payable, both as to principal and interest solely from a pledge of the sources of funds described in subsections (a), (b), (c) and (e) of section 9, and amendments thereto. The municipality may pledge such revenue to the repayment of such bonds prior to, simultaneously with or subsequent to the issuance of such bonds, except for any revenues received under the provisions of subsection (e) of section 9 and amendments thereto, which revenues are subject to annual appropriation.

EXPLANATION OF VOTE

MR. VICE PRESIDENT: This act is designed to foster mutually beneficial communication between surface owners and the operators of oil and gas leases regarding their joint use of the surface estate. This act simply provides for notice of certain pending activities by an operator in the ordinary course of business to be given to one surface owner, being the surface owner who is the recipient of the property tax bill on the records of the county treasurer. This act does not expand or diminish existing contractual rights and obligations or the constitutionally-protected property rights of the surface owner, mineral owners or the owner of any interests in the mineral or surface estate. I support this bill in this form.

On motion of Senator D. Schmidt HCR 5018, a concurrent resolution relating to the adjournment of the Senate and House of Representatives for periods during the 2009 regular session of the legislature, was emergencied to final action and adopted by voice vote.

In accordance with HCR 5018, Senator D. Schmidt moved the Senate adjourn until 10:00 a.m., Monday, March 30, 2009.
The Senate was called to order by President Stephen Morris.
The roll was called with thirty-eight senators present.
Senators Brungardt and Emler were excused.
Invocation by Chaplain Fred S. Hollomon:

Heavenly Father,

The fiftieth anniversary of the signing
Of the Declaration of Independence
Was marked with an event
By an act of Providence.

John Adams and Thomas Jefferson,
Former adversaries,
Died on that very day
In a friendship legendary.

Members of opposing parties,
In two bitter campaigns,
After serving as president,
Their animosity drained.

Now they serve as models
For those of us today,
Who hang on to bitter grudges
With reconciling far away.

It really is hard to understand
Why someone favors a certain bill,
When it’s so very clear to you
It’s the one that should be killed.

I’m sure that Adams felt that way
About some stands that Jefferson took.
And Jefferson no doubt felt that Adams
Favored issues that deserved the hook.

Another signer of the Declaration
Named Dr. Benjamin Rush,
Helped to reconcile the two
And their animosity crushed.

They didn’t change their views at all,
But decided to work together,
And help produced the Declaration,
Though never “birds of a feather.”
They carried on a correspondence
In their later years,
Which was cordial and complimentary,
An example to their peers.

Lord, help us do unto each other
As we would have them do to us.
Treating them with courtesy
Even when we fuss.

I pray in the Name of Jesus Christ,

AMEN

The Pledge of Allegiance was led by President Stephen Morris.

Invocation by Chaplain Fred S. Hollomon:

Heavenly Father,
In the book of Proverbs we read, “The integrity of the upright guides them, but the unfaithful are destroyed by their duplicity.” Prov. 11:3

One word sums up the blameless person;
One word describes the morally sound;
One word embodies the scrupulously honest;
It’s the one where integrity is found.
Job was a man of integrity.
He was like the man Paul described:
The man in his letter to Titus:
The one who could never be bribed.
One word sums up what one should be:
Integrity is the word.
Integrity describes the faultless man,
Whose testimony is heard.
Thank You for people of integrity, Lord,
May their numbers continue to grow.
People we know we can always trust,
People who love You so.
I pray in the Name of Jesus Christ,
AMEN

The Pledge of Allegiance was led by President Stephen Morris.

EXPLANATION OF VOTE

MR. PRESIDENT: I vote aye on the budget conference committee to move the process forward in a very difficult time. Every area in the budget has been cut, including education—$66 over 2 years on the base, and 1% special education. We did not fund the CPIU and are below the promised 4th year for the education plan. All schools are cutting budgets. Small and rural schools will especially be affected. This is really a total of 5.1% cut instead of .1% cut. A cut for special education is really a cut on the general fund, too. I am concerned that with the decrease on the general fund, our stimulus dollars and the waiver for special education may be affected. However the cuts could have been worse and that is why I voted yes.—JEAN SCHODORF

Senators Abrams, Barnett, Teichman and Umbarger requests the record to show they concur with the “Explanation of Vote” offered by Senator Schodorf on S Sub for HB 2364.

EXPLANATION OF VOTE

MR. PRESIDENT: HB 2221 represents an increased willingness on behalf of this body to subvert the property rights of individuals and undermine the lawful authority of local office holders to implement policy that addresses the needs of their respective localities.

During the heat of debate a great deal of rhetoric was exchanged questioning the motives of proponents and opponents alike. This rhetoric focused on the apparent inconsistencies within the bill itself as proof of some implied misdeeds.

These inconsistencies are brought about not by some sinister motive but as a reflection of an unavoidable conclusion; this body is attempting to legislate something that cannot be codified into a statewide policy. As an unintended consequence, we do not so much create policy, as we select winners and losers.

The legislature has no business acting in an area where it has no compelling interest at stake. If any action is required, it ought to be done by localities, which are in a far superior position to craft any necessary ordinances to meet the real, and not speculative, needs of their constituencies. The legislature, on the other hand, ought to exercise better discretion by ignoring legislation that is fueled by political correctness and erodes the principles of limited governance.—TERRY BRUCE

Senators Ostmeyer and Petersen request the record to show they concur with the "Explanation of Vote" offered by Senator Bruce on HB 2221.

MR. PRESIDENT: I vote aye on HB 2221 and would like to explain my vote. In past years, I have always generally supported local government initiatives when deciding an issue that affects as many local businesses as the smoking ban. After being assigned to social and rehabilitation services, I quickly discovered that approximately 350,000 individuals in a state with a 2.7 million population are on the state's system either through Medicaid or waivers.

This year we are making significant cuts to our budget. We must begin to change how we do business and promote preventive policies that decrease the cost our state incurs in supplying needed human services to our constituency.

In beginning this process an effort was made to keep the bill as it came out of committee, which I supported. I was disappointed in the amendment process when some voted to allow smoking in casinos but yet restrict it for other private businesses.—CARYN McGINN
HCR 5015. A concurrent resolution directing the State Board of Education to take certain actions in relation to children with reading problems, including dyslexia.

On roll call, the vote was: Yeas 40, Nays 0, Present and Passing 0, Absent or Not Voting 0.

The resolution was adopted.

Sec. 2. K.S.A. 2008 Supp. 8-132 is hereby amended to read as follows: 8-132. (a) Subject to the provisions of this section and K.S.A. 8-1,125, and amendments thereto, the division of vehicles shall furnish to every owner whose vehicle shall be registered one license plate for such vehicle. Such license plate shall have displayed on it the registration number assigned to the vehicle and to the owner thereof, the name of the state, which may be abbreviated, and the year or years for which it is issued. The same type of license plates shall be issued for passenger motor vehicles, rented without a driver, as are issued for private passenger vehicles.

(b) During calendar year 1975 commencing on the effective date of this act, and during every fifth calendar year thereafter, the division of vehicles shall furnish one license plate for any type of vehicle an owner registers or has the registration thereof renewed, but during the succeeding four-year period following calendar year 1975 and during the succeeding four-year period following every fifth calendar year subsequent to 1975, the division of vehicles shall not furnish any license plate for the renewal of a vehicle’s registration. the foregoing provisions of this subsection, whenever, in the discretion of the director of vehicles, it is determined that the license plates currently being issued and displayed are not deteriorating to the extent that their replacement is warranted, the director may adopt rules and regulations to extend the five-year issuance cycle provided for in this subsection by one year at a time, and in the same manner the director may further extend such cycle by one year at a time, successively as the director determines appropriate. If the cycle is extended at the expiration of the extended term, new license plates shall again be issued in the manner and for the term provided in such rules and regulations, except that the owner of a motor vehicle currently registered may continue to display the license plate currently being issued and displayed for a period not to exceed three registration years from the date of the expiration of the extended term. The division shall furnish one decal for each such license plate in accordance with the provisions of this subsection.

(c) Two personalized license plates may be issued to any owner or lessee of a passenger vehicle or a truck licensed for a gross weight of not more than 20,000 pounds, who makes proper application to the division of vehicles not less than 60 days prior to such owner’s or lessee’s renewal of registration date. Such application shall be on a form prescribed by the division and accompanied by a fee of $40, which shall be in addition to any other fee required to renew the registration of such passenger vehicle under the laws of this state. One such personalized license plate shall be displayed on the rear of the vehicle and, at the option of the owner or lessee, the other license plate may be displayed on the front of the vehicle, except that no registration decal shall be issued pursuant to K.S.A. 8-134, and amendments thereto, for any such license plate displayed on the front of such vehicle. One personalized license plate may be issued to any owner of a motorcycle upon proper application in the same manner provided in this subsection (c) for passenger vehicles and trucks. The $40 fee shall be paid only once during the registration period for which such license plates were issued, and any subsequent renewals during the registration period shall be subject only to the registration fee prescribed by K.S.A. 8-143, and amendments thereto. The division shall design distinctive, personalized license plates to be issued which shall contain not more than seven letters or numbers on truck or passenger vehicle license plates and not more than five letters or numbers on motorcycle license plates, or a combination thereof, to be designated by the applicant in lieu of the letters and numbers required by K.S.A. 8-147, and amendments thereto, other than the letters required to designate the county in which such vehicle is registered. Unless the letters or numbers designated by the applicant have been assigned to another vehicle of the same type registered in the same county, or unless the letters or numbers designated by the applicant have a profane, vulgar, lewd or indecent meaning or connotation, as determined by the director of vehicles, the division shall assign such letters or numbers to the applicant’s vehicle, and the letters or numbers, or combination thereof, so assigned shall be deemed the registration number of such vehicle. Subject to the foregoing provisions, all license plates issued under this section shall be manufactured in accordance with K.S.A. 8-147, and amendments thereto. Such license plates shall be issued for a registration period of five years commencing in 1985 and each five years thereafter.

The secretary of revenue shall adopt rules and regulations necessary to carry out the provisions of this act, including, without limitation, rules and regulations concerning (1) the procedure for insuring that duplicate license plates are not issued in the same county throughout the state, (2) the procedure for reserving distinctive license plates for the purpose of obtaining the same on each annual renewal of registration, (3) the procedure for allowing the transfer of personalized license plates from one vehicle to another for which such license plates were originally issued, when the title to the original vehicle has not been transferred and the name or names of the owner or owners listed on the titles to both vehicles are identical, and (4) procedures necessary to coordinate this act with other laws of this state governing registration of vehicles. The director of vehicles shall remit all moneys received by the division of vehicles under this section to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the state highway fund.

Heavenly Father,  
Suppose . . . .  
We got word from Washington,  
From those who over us rule,  
Our economy is not in trouble,  
It’s just April Fool!

The Dow Jones is 14,000,  
And everything is cool;  
There is no need for stimulus,  
All was April Fool!

As far as Kansas is concerned,  
There’s news to make us drool;  
Raise the budget by 10%!  
It was just April Fool!

Unemployment’s just 2%,  
Increase the budget for the schools.  
Everything is looking up!  
It was just April Fool!

But I seem to hear from you, O God,  
That if everything was great  
There’d be no need for any of us,  
Anyone could run the state!

The voters elected the people  
Whom they believe we need  
To make the hard decisions,  
And in tough times still succeed.

We need to be reminded, Lord,  
Tough times may make us bleed,  
But tough times develop tough love  
And prepare us to succeed.

And for that I thank You in the Name of Jesus Christ,  
AMEN

The Pledge of Allegiance was led by Vice President John Vratil.
POINT OF PERSONAL PRIVILEGE

Senator Marshall rose on a point of personal privilege to introduce Ashley Elnicki, Venessa Lee, Emily Walters, Eddie Penner, Jacob Dvorak and Katie Engelland, who were guests representing Pittsburg State University involved in student government.

Journal of the Senate
FIFTY-FIFTH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Thursday, April 2, 2009—9:30 a.m.

The Senate was called to order by President Stephen Morris.
The roll was called with forty senators present.
Invocation by Chaplain Fred S. Hollomon:

Heavenly Father,
Once more an acquaintance told me
He didn’t trust politicians;
Not a few, not most, but all of them,
Under any conditions.

So I guess what he was saying,
“l don’t care which way they vote,
None of them are sheep,
All of them are goats.”

This tendency to generalize,
And paint all with one brush
Is what I’ve never understood,
And would like to see it flushed!

Legislators are used to it,
And take it all in stride.
They’re accustomed to being scapegoats,
And more or less let it slide.

If I were a betting man,
I would bet money
That their spouses and their children
Do not think it’s funny.

Bad-mouthing legislators
Has become so common-place,
That we who defend them
Feel we’re out of place.

Help us, Lord, to convince the critics
How this criticism sounds,
And listen to themselves,
And try to tone it down!

I pray in the Name of Jesus Christ,
AMEN

The Pledge of Allegiance was led by President Stephen Morris.

(h) If any provisions of this section or the application thereof to any person or circumstances is held invalid, the invalidity does not affect other provisions or applications of this section which can be given effect without the invalid provisions or application. To this end the provisions of this section are severable.

Sec. 13. K.S.A. 60-1505 is hereby amended to read as follows: 60-1505. (a) Summary proceedings. The judge shall proceed in a summary way to hear and determine the cause and may do so regardless of whether the person restrained is present. If the plaintiff is an inmate in the custody of the secretary of corrections and the motion and the files and records of the case conclusively show that the inmate is entitled to no relief, the writ shall be dissolved at the cost of the inmate.

(b) Infectious diseases. When any person is restrained because of an alleged infectious or communicable disease, the judge shall appoint a board of not less than two competent physicians to make an examination of such person and report their findings to the judge. The court may appoint at least one competent physician to make an examination of such person and report findings to the judge.
(c) Temporary orders. The judge may make an order for the temporary custody of the party and any other temporary orders during the pendency of the proceeding that justice may require.

(d) Judgment. If the court determines that the restraint is not wrongful, the writ shall be dissolved at the cost of the plaintiff. If the restraint is found to be wrongful, the judgment shall be either that the person shall be released, or that custody shall be transferred to some other person rightfully entitled thereto, and the court may make such other orders as justice and equity or the welfare of a minor physically present in the state may require. In cases in which the person restrained is a minor, or other incompetent or incapacitated, at the time of rendering judgment at the request of any person adversely affected thereby, the judge shall stay the enforcement of the judgment for a period of not to exceed 48 hours to permit the filing of an appeal, and the judge may provide for the temporary custody of the person during such stay in such manner as the judge sees fit. Enforcement of the judgment after the taking of any appeal may be stayed on such terms and conditions, including such provisions for custody during pendency of the appeal, as the judge shall prescribe. If the state, in open court, announces its intention to appeal from an order discharging a prisoner, the judge shall stay the enforcement of the judgment for a period not more than 24 hours to permit the filing of an appeal.

(e) (1) The Record. In habeas corpus proceedings involving extradition to another state, when written notice of appeal from a judgment or an order is filed, the transcript shall be prepared within 20 days after the notice of appeal is filed and sent to the appellate court for review. The appellate court may shorten or extend the time for filing the record if there is a reasonable explanation for the need for such action. When the record is received by the appellate court, the court shall set the time for filing of briefs, if briefs are desired, and shall set the appeal for submission.

(2) Hearing. Such cases, taken to the court of appeals by appeal, shall be heard at the earliest practicable time. The appellant need not be personally present, and such appeal shall be heard and determined upon the law and the facts arising upon record. No incidental question which may have arisen on the hearing of the application before the court shall be reviewed.

(3) Orders on Appeal. In such cases, the appellate court shall render such judgment and make such orders as the law and the nature of the case may require, and may make such orders relative to the costs in the case as may seem right, allowing costs and fixing the amount, or allowing no cost at all.

Sec. 14. K.S.A. 60-455 and 60-1505 are hereby repealed.

And by renumbering the remaining section accordingly;

On page 1, in the title, in line 10, after “concerning” by inserting “civil procedure; relating to”;

The penalties provided under K.S.A. 75-5133, and amendments thereto, shall not apply when information is lawfully disclosed pursuant to this section.

New Sec. 5. (a) Notwithstanding any other provision of law, if a newly qualified non-participating manufacturer is to be listed in the directory, or if the attorney general reasonably determines that any non-participating manufacturer who has filed a certification pursuant to subsection (c) of K.S.A. 50-6a04, and amendments thereto, poses an elevated risk for noncompliance with this act neither such non-participating manufacturer nor any of its brand families shall be included or retained in the directory unless and until such non-participating manufacturer, or its United States importer that undertakes joint and several
liability for the manufacturer’s performance in accordance with subsection (c)(3)(I) of K.S.A. 50-6a04, and amendments thereto, has posted a bond in accordance with this section.

(b) The bond required by this section shall be posted by corporate surety located within the United States in an amount equal to the greater of $50,000 or the amount of escrow the non-participating manufacturer in either its current or predecessor form was required to deposit for sales of cigarettes in this state during the previous calendar year. The bond shall be written in favor of the state of Kansas and shall be conditioned on the performance by the non-participating manufacturer, or its United States importer that undertakes joint and several liability for the manufacturer’s performance in accordance with subsection (c)(3)(I) of K.S.A. 50-6a04, and amendments thereto, of all of its duties and obligations under this act during the year in which the certification is filed and the next succeeding calendar year.

(c) A non-participating manufacturer may be deemed to pose an elevated risk for noncompliance with this act if:

(1) The non-participating manufacturer, or any affiliate thereof, has underpaid an escrow obligation with respect to any other state or jurisdiction that is a party to the master settlement agreement at any time within the three calendar years prior to the date of submission or approval of the most recent certification, unless:

(A) The non-participating manufacturer did not make the underpayment knowingly or recklessly and the non-participating manufacturer promptly cured the underpayment within 180 calendar days of notice of the underpayment; or

(B) the underpayment or lack of payment is the subject of a good faith dispute as documented to the satisfaction of the attorney general and the underpayment is cured within 90 calendar days of entry of a final order establishing the amount of the required escrow payment;

(2) any state or jurisdiction that is party to the master settlement agreement has removed the non-participating manufacturer, or its brands or brand families, or an affiliate, or such affiliate’s brands or brand families, from the state’s directory for noncompliance with the corresponding laws of such other state or jurisdiction at any time within three calendar years prior to the date of submission or approval of the most recent certification; or

(3) any state or jurisdiction that is party to the master settlement agreement has pending litigation, or an unsatisfied judgment against the non-participating manufacturer, or any affiliate thereof, for unpaid escrow obligations, or associated penalties, costs or attorney fees.

(d) As used in this section, “newly qualified non-participating manufacturer” means a non-participating manufacturer that has not previously been listed in the directory. Such non-participating manufacturer may be required to post a bond in accordance with this section for the first five years of its listing, or longer, if they have been deemed to pose an elevated risk for noncompliance.

New Sec. 6. No wholesale dealer, as defined in K.S.A. 79-3301, and amendments thereto, or distributor, as defined in K.S.A. 79-3301, and amendments thereto, of cigarettes shall be issued a license or granted a renewal of a license by the Kansas department of revenue unless such wholesale dealer or distributor has provided to the director reasonable assurances, in writing and under penalty of perjury, that such person will comply fully with the stamping agent requirements in this act.

New Sec. 7. (a) In addition to or in lieu of any other civil or criminal remedy provided by law, the director or the director’s designee, upon a finding that a stamping agent has violated subsection (a) of K.S.A. 50-6a04, and amendments thereto, or any rules or regulations adopted pursuant to this act, may revoke or suspend the license of any licensee in the manner provided by K.S.A.79-3309, and amendments thereto, of cigarettes shall be issued a license or granted a renewal of a license by the Kansas department of revenue unless such wholesale dealer or distributor has provided to the director reasonable assurances, in writing and under penalty of perjury, that such person will comply fully with the stamping agent requirements in this act.

(b) Each package of cigarettes to which tax indicia is affixed, is caused to be affixed or tax is paid thereupon, and each sale or offer to sell cigarettes in violation of subsection (a) of K.S.A. 50-6a04, and amendments thereto, shall constitute a separate violation. The director may also impose a civil penalty in an amount not to exceed the greater of 500% of the retail value of the cigarettes involved or $5,000 upon a finding of violation of subsection (a) of K.S.A. 50-6a04, and amendments thereto, or a violation of any rules or regulations adopted pursuant to this act. Such fine shall be imposed in the manner provided by K.S.A. 79-3391, and amendments
thereto. Any fine collected pursuant to this subsection shall be remitted to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the cigarette and tobacco products regulation fund created pursuant to subsection (e) of K.S.A. 79-3391, and amendments thereto. The moneys credited to this fund shall be used for the purposes of enforcement of this act, or K.S.A. 79-3301 et seq., and amendments thereto.

(b) The attorney general or the attorney general’s duly authorized designee shall, when requested by the director, assist the director in a hearing to suspend or revoke a stamping agent’s license for a violation of this act.

New Sec. 8. (a) The following shall be deemed contraband under K.S.A. 79-3323, and amendments thereto:

1. Any cigarettes that have been sold, offered for sale or possessed for sale in this state in violation of subsection (a) of K.S.A. 50-6a04, and amendments thereto; and
2. Any cigarettes to which tax indicia has been affixed, was caused to be affixed or the tax paid thereupon as required by K.S.A. 79-3311 or 79-3371, and amendments thereto, in violation of subsection (a) of K.S.A. 50-6a04, and amendments thereto.

(b) Any cigarettes constituting contraband may be seized by the attorney general or attorney general’s authorized agent, the director or director’s authorized agent or any law enforcement officer. All such cigarettes shall be subject to seizure, with or without process or warrant, and forfeiture, as provided herein and in K.S.A. 79-3324a, and amendments thereto, and shall be destroyed and not resold. Such cigarettes shall be deemed contraband whether the violation of subsection (a) of K.S.A. 50-6a04, and amendments thereto, is knowing or otherwise.

(c) (1) Any stamping agent that distributes cigarettes in a state other than Kansas may store in its Kansas warehouse cigarettes made contraband pursuant to this section if such stamping agent has affixed the tax indicia of such other state to each package of cigarettes or can provide evidence that it has paid the required tax thereupon.

2. Cigarettes made contraband pursuant to this section, without being subject to seizure or forfeiture, may be transported in, into or through the state either:

A. On a commercial carrier with a proper bill of lading with an out-of-state destination;
B. when the tax indicia of another state is affixed to each package of cigarettes; or
C. on a commercial carrier with a proper bill of lading to a licensed Kansas stamping agent who affixes tax indicia to cigarettes for sale in a state other than Kansas if the packing slip accompanying the shipment indicates the shipment is for sale in a state other than Kansas and identifies the state in which the shipment is to be sold. The time of delivery of the shipments shall be indicated on the bill of lading of the common carrier when delivery is completed. The receiving Kansas stamping agent must, within 24 hours of receiving the delivery, affix or caused to be affixed to each package of cigarettes the stamp of the state in which they are to be sold.

New Sec. 9. The attorney general, on behalf of the director, may seek an injunction to restrain a threatened or actual violation of this act by a stamping agent and to compel the stamping agent to comply with this act.

New Sec. 10. (a) It shall be unlawful for a person to sell or distribute cigarettes, or acquire, hold, own, possess, transport, import or cause to be imported cigarettes that the person knows or should know are intended for distribution or sale in this state in violation of subsection (a) of K.S.A. 50-6a04, and amendments thereto. A violation of this subsection shall be a class B misdemeanor.

(b) It shall be unlawful for a non-participating manufacturer, directly or indirectly, to falsely represent to any person in Kansas:

1. Any information about a brand family listed on the directory;
2. that it is a participating manufacturer;
3. that it has made all required escrow payments; or
4. that it has satisfied any other requirements imposed pursuant to this act.
A violation of this subsection is a class A nonperson misdemeanor.

(c) The attorney general shall have concurrent authority with any county or district attorney to prosecute any violation of this section.
New Sec. 11. (a) Any violation of this act involving the sale or attempted sale of cigarettes by a stamping agent to a retail dealer, vending machine operator or consumer, or by a retail dealer or vending machine operator to a consumer, shall constitute an unlawful and deceptive trade practice as provided in K.S.A. 50-626, and amendments thereto, and shall be subject to the penalties provided for in K.S.A. 50-623 et seq., and amendments thereto, in lieu of or in addition to any penalties provided in this act.

(b) For purposes of this section, a stamping agent shall be deemed a “supplier” for purposes of a consumer transaction, as defined in subsection (c) of K.S.A. 50-624, and amendments thereto, regardless of whether the stamping agent sells to a retail dealer or consumer.

(c) If a court determines that a person has violated this act, the court shall order any profits, gains, gross receipts or other benefit from the violation be surrendered. Any profits, gains, gross receipts or other benefit surrendered from the violation shall be collected pursuant to this subsection and shall be remitted to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the cigarette and tobacco products regulation fund created pursuant to subsection (e) of K.S.A. 79-3391, and amendments thereto.

(d) Unless otherwise expressly provided, the remedies or penalties provided by this act are cumulative to each other and to the remedies or penalties under all other laws of this state.

New Sec. 12. In any action brought by the state to enforce the provisions of this act the state shall be entitled to recover the costs of investigation, expert witness fees, costs of the action and reasonable attorney fees. Recovery of such costs and fees shall be remitted to the state agency or agencies who initiated and brought such action.

New Sec. 13. In any action under K.S.A. 50-6a03, and amendments thereto, reports of the numbers of non-participating manufacturers’ cigarettes submitted to the attorney general or director pursuant to subsection (a) of section 3, and amendments thereto, shall be admissible in evidence. These reports shall be presumed to accurately account for the number of cigarettes on which state taxes were paid during the time period by the stamping agent that submitted the report absent a contrary showing by the non-participating manufacturer or importer. Nothing in this section shall be construed as limiting or otherwise affecting the state’s right to maintain that such reports are incorrect or do not accurately reflect a non-participating manufacturer’s sales in the state during the time period in question, and the presumption shall not apply in the event the state does so maintain.

New Sec. 14. Notwithstanding subsection (j) of K.S.A. 50-6a02, and amendments thereto, the attorney general may promulgate rules and regulations necessary to effect the purposes of this act for the regulation of tobacco product manufacturers. The director may promulgate rules and regulations necessary to effect the purposes of this act for the regulation of stamping agents, retail dealers and vending machine operators.

New Sec. 15. If a court of competent jurisdiction finds that the provisions of K.S.A. 50-6a01 through 50-6a03, and amendments thereto, conflict with and cannot be reconciled with any other provisions of this act, then such provisions of K.S.A. 50-6a01 thru 50-6a03, and amendments thereto, shall control. If any provision of this act causes K.S.A. 50-6a01 through 50-6a03, and amendments thereto, to no longer constitute a qualifying or model statute as those terms are defined in the master settlement agreement, then that portion of this act shall not be valid. If any provision of this act is for any reason held to be invalid, unlawful or unconstitutional, such decision shall not affect the validity of the remaining portions of this act or any part thereof.

Sec. 16. K.S.A. 50-6a04 is hereby amended to read as follows: 50-6a04. (a) No person may affix, or cause to be affixed, tax stamps or meter impressions to individual packages of cigarettes or pay the required tax on roll-your-own tobacco in accordance with K.S.A. 79-3371, and amendments thereto, unless the tobacco product manufacturer that makes or sells such cigarettes or roll-your-own tobacco has:

(1) Become a participating manufacturer, or
(2) made all required escrow payments.

No person may:
(1) Affix, or cause to be affixed, tax indicia to a package of cigarettes, or otherwise pay the tax due upon such cigarettes, of a tobacco product manufacturer brand family not included in the directory; or

(2) sell, offer, possess for sale or import for personal consumption in this state, cigarettes of a tobacco product manufacturer brand family not included in the directory.

(b) (1) Not later than July 1, 2009, the attorney general shall develop a list directory, to be posted on the attorney general’s website, of all tobacco product manufacturers that have become participating manufacturers or made all required escrow payments. This list shall include the brand families identified by each such tobacco product manufacturer under subsection (c). The list shall be updated as necessary. A person may rely upon the attorney general’s list in affixing or causing to be affixed stamps or meter impressions to individual packages of cigarettes or paying the tax on roll-your-own tobacco as required by K.S.A. 79-5371, and amendments thereto, of any brand family included on the list. Except as otherwise provided, the directory shall list all tobacco product manufacturers and brand families of such tobacco product manufacturers that have provided current and accurate certifications conforming to the requirements of subsection (c).

(2) The attorney general shall not include or retain in the directory any non-participating manufacturer, or non-participating manufacturer’s brand family, that has failed to provide the required certification, or whose certification the attorney general determines is not in compliance with subsection (c), unless such failure or noncompliance has been cured to the satisfaction of the attorney general.

(3) In the case of a non-participating manufacturer, neither the tobacco product manufacturer nor a brand family shall be included or retained in the directory if the attorney general concludes:

(A) That an escrow payment required pursuant to K.S.A. 50-6a03, and amendments thereto, for any period for any brand family, whether or not listed by such non-participating manufacturer, has not been fully paid into a qualified escrow fund governed by an escrow agreement that has been approved by the attorney general;

(B) that an outstanding final judgment, including interest thereon, for a violation of K.S.A. 50-6a03, and amendments thereto, has not been fully satisfied for such tobacco product manufacturer;

(3) that, within three calendar years prior to the date of submission or approval of the most recent certification, such tobacco product manufacturer has defaulted on escrow payments in any other state or jurisdiction that is a party to the master settlement agreement and the default has not been cured within 90 calendar days of such default.

(4) The attorney general shall update the directory as necessary in order to correct mistakes and to add or remove a tobacco product manufacturer or brand family so as to keep the directory in conformity with the requirements of this act.

(5) The attorney general shall promptly post in the directory and transmit by electronic mail to each stamping agent that has provided an electronic mail address, notice of removal from the directory of a tobacco product manufacturer or brand family.

(6) Unless otherwise provided by agreement between a stamping agent and a tobacco product manufacturer, the stamping agent shall be entitled to a refund from a tobacco product manufacturer for any money paid by the stamping agent to the tobacco product manufacturer for any cigarettes of the tobacco product manufacturer in the possession of the stamping agent on the effective date of removal from the directory of that tobacco product manufacturer or brand family.

(7) Unless otherwise provided by agreement between a retail dealer or a vending machine operator and a tobacco product manufacturer, a retail dealer or a vending machine operator shall be entitled to a refund from a tobacco product manufacturer for any money paid by the retail dealer or vending machine operator to a stamping agent for any cigarettes of the tobacco product manufacturer still in the possession of the retail dealer or vending machine operator on the effective date of removal from the directory of that tobacco product manufacturer or brand family.

(c) In order to be included on the list developed by the attorney general under subsection (b), a tobacco product manufacturer shall (1) submit to the attorney general a list of brand families whose cigarettes are to be counted in calculating the participating manufac-
turer’s annual payments under the master settlement agreement or required escrow payments whichever is applicable, (2) appoint a registered agent for service of process in the state and identify such registered agent to the attorney general, and (3) certify, under penalty of perjury, that all escrow payments have been made by all other tobacco product manufacturers that previously made or sold brand families identified under this subsection or brand style included within such brand families, except that, if the brand family or brand style was made or sold by the manufacturer before the effective date of this act, such manufacturer shall be required only to identify such predecessor manufacturer or manufacturers. A tobacco product manufacturer may update the list to reflect changes.

(1) On or before April 30 of each year, every tobacco product manufacturer whose cigarettes are sold in this state, whether directly or through a stamping agent or similar intermediary or intermediaries, shall execute and deliver in the manner prescribed by the attorney general a certification to the attorney general certifying under penalty of perjury that, as of the date of such certification, such tobacco product manufacturer either is:

(A) A participating manufacturer; or

(B) in full compliance with K.S.A. 50-6a03, and amendments thereto, including payment of all quarterly installment payments as may be required by subsection (d).

(2) A participating manufacturer shall include in its certification a list of its brand families. The participating manufacturer shall update such list 30 calendar days prior to any addition to, or modification of its brand families by executing and delivering a supplemental certification to the attorney general.

(3) A non-participating manufacturer shall include in its certification:

(A) The number of units sold for each brand family sold in the state during the preceding calendar year;

(B) a list of all of its brand families sold in the state at any time during the current calendar year, including any brand family sold in the state during the preceding calendar year that is no longer being sold in the state as of the date of such certification;

(C) the identity, by name and address, of any other tobacco product manufacturer who manufactured such brand families in the preceding or current calendar year;

(D) a declaration that such non-participating manufacturer is registered to do business in the state, or has appointed a resident agent for service of process, and provided notice thereof as required by section 2, and amendments thereto;

(E) a declaration that such non-participating manufacturer:

(i) Has established and continues to maintain a qualified escrow fund; and

(ii) has executed an escrow agreement that governs the qualified escrow fund and that such escrow agreement has been reviewed and approved by the attorney general;

(F) a declaration that such non-participating manufacturer consents to the jurisdiction of the district court of the third judicial district, Shawnee county, Kansas, for purposes of enforcing this act, or rules or regulations promulgated pursuant thereto, as required by subsection (c) of section 2, and amendments thereto;

(G) a declaration that such non-participating manufacturer is in full compliance with subsection (b) of K.S.A. 50-6a03, and amendments thereto, and any rules or regulations promulgated pursuant to this act;

(H) (i) the name, address and telephone number of the financial institution where the non-participating manufacturer has established such qualified escrow fund required pursuant to subsection (b) of K.S.A. 50-6a03, and amendments thereto;

(ii) the account number of such qualified escrow fund and any sub-account number for the state of Kansas;

(iii) the amount such non-participating manufacturer placed in such qualified escrow fund for cigarettes sold in this state during the preceding calendar year, the date and amount of each such deposit and such evidence or verification as may be deemed necessary by the attorney general to confirm the foregoing; and

(iv) the amount and date of any withdrawal or transfer of funds the non-participating manufacturer made at any time from such qualified escrow fund or from any other qualified escrow fund into which it ever made escrow payments pursuant to subsection (b) of K.S.A. 50-6a03, and amendments thereto; and
in the case of a non-participating manufacturer located outside of the United States, a declaration from each of its importers to the United States of any of its brand families to be sold in Kansas that such importer accepts joint and several liability with the non-participating manufacturer for:

(i) All escrow deposits due under subsection (b) of K.S.A. 50-6a03, and amendments thereto;
(ii) all penalties assessed under subsection (b) of K.S.A. 50-6a03, and amendments thereto; and
(iii) payment of all costs and attorney fees pursuant to any successful action under this act against said manufacturer.

Such declarations by importers of a non-participating manufacturer shall appoint for the declarant a resident agent for service of process in Kansas in accordance with section 2, and amendments thereto, and consent to jurisdiction in accordance with section 2, and amendments thereto.

(4) A tobacco product manufacturer may not include a brand family in its certification unless:

(A) In the case of a participating manufacturer, said participating manufacturer affirms that the brand family shall be deemed to be its cigarettes for purposes of calculating its payments under the master settlement agreement for the relevant year in the volume and shares determined pursuant to the master settlement agreement; or
(B) in the case of a non-participating manufacturer, said non-participating manufacturer affirms that the brand family shall be deemed to be its cigarettes for purposes of subsection (b) of K.S.A. 50-6a03, and amendments thereto.

Nothing in this paragraph shall be construed as limiting or otherwise affecting the state's right to maintain that a brand family constitutes cigarettes of a different tobacco product manufacturer for purposes of calculating payments under the master settlement agreement or subsection (b) of K.S.A. 50-6a03, and amendments thereto.

(5) Invoices and documentation of sales and other such information relied upon for such certification shall be maintained by tobacco product manufacturers for a period of at least five years.

(d) In addition to or in lieu of any other civil or criminal penalty provided by law, upon a finding that a licensee has violated subsection (a) or any rules and regulations adopted pursuant thereto, the director may revoke or suspend the license of any licensee in the manner provided by K.S.A. 79-3309, and amendments thereto. The director may also impose a civil fine in an amount not to exceed the greater of 500% of the retail value of the cigarettes or roll-your-own tobacco involved or $5,000 upon a finding of a violation of subsection (a) or any rules and regulations adopted pursuant thereto. Such fine shall be imposed in the manner provided by K.S.A. 79-3301, and amendments thereto. The attorney general may require a tobacco product manufacturer subject to the requirements of subsection (c) to make the escrow deposits required by subsection (b) of K.S.A. 50-6a03, and amendments thereto, in quarterly installments during the calendar year in which the sales covered by such deposits are made. The attorney general may require production of information sufficient to enable the attorney general to determine the adequacy of the amount of the installment deposit.

(e) Any cigarettes or roll-your-own tobacco that are stamped, to which a meter impression is affixed or for which tax is paid as required by K.S.A. 79-3371, and amendments thereto, in violation of subsection (a) shall be deemed contraband under K.S.A. 79-3323, and amendments thereto, and shall be subject to seizure and forfeiture as provided therein and in K.S.A. 79-3324a, and amendments thereto. All such cigarettes and roll-your-own tobacco seized and forfeited shall be destroyed. Such cigarettes and roll-your-own tobacco shall be deemed contraband whether the violation of subsection (a) is knowing or otherwise.

(1) The director may require wholesale dealers and distributors to submit such information as is necessary to enable the attorney general to determine whether a non-participating manufacturer has made the required escrow payments.

COMMITTEE OF THE WHOLE

On motion of Senator D. Schmidt, the Senate resolved itself into Committee of the Whole, for consideration of bills on the calendar under the heading of General Orders with Senator Taddiken in the chair.

On motion of Senator Taddiken the following report was adopted:

HB 2130 be amended by adoption of the committee amendments, be further amended by motion of Senator Umbarger, on page 5, in line 1, by striking “subsection (a)” in line 2, by striking “of”, and HB 2130 be passed as further amended.

FINAL ACTION OF BILLS AND CONCURRENT RESOLUTIONS

On motion of Senator D. Schmidt an emergency was declared by a 2/3 constitutional majority, and HB 2130 was advanced to Final Action and roll call.

HB 2130, An Act relating to motor vehicles; concerning the use of safety belts; amending K.S.A. 2008 Supp. 8-2503 and 8-2504 and repealing the existing sections.

On roll call, the vote was: Yeas 28, Nays 11, Present and Passing 0, Absent or Not Voting 1.

Absent or Not Voting: Wysong.

The bill passed, as amended.

EXPLANATION OF VOTE

MR. PRESIDENT: I reluctantly vote yes for HB 2130—reluctantly because of the many phone calls I received stating that this bill would be an attempt to exercise racial profiling. I want all citizens to abide by the law and buckle up for safety, and I do believe that seat belts save lives but I also believe this bill will have unintended consequences. It will give police officers who already have a tendency to commit racial profiling another excuse to stop drivers who otherwise are obeying the law. I also believe that there will be unnecessary stops of drivers in old vehicles without shoulder straps. But this bill will save lives and I therefore vote yes.—OLETHA FAUST-GOUDEAU.

Senator Haley requests the record to show he concurs with the “Explanation of Vote” offered by Senator Faust-Goudeau on HB 2130.

MR. PRESIDENT: I reluctantly vote “AYE” on HB 2130. The concept of “pretextual stops” (or detaining a driver by law enforcement on the pretense of wrong doing) is a familiar theme in Kansas and even in our culturally diverse America whose drivers come from different races; different counties and states; different religions. Racial and other profiling by law enforcement is illegal but unenforced. For now, SB 179, (which languishes on General Orders below the line), would adjust some of these injustices which costs otherwise innocent motorists thousands of dollars and hundreds of hours of wasted time every year. This harassment by those sworn to uphold our laws is shameful; a state and a national disgrace. But HB 2130 will save lives. Seat belts save lives, and public safety here trumps the erosions of probable cause that will result from the passage of HB 2130.—DAVID HALEY

Sec. 3. K.S.A. 2008 Supp. 79-503a is hereby amended to read as follows: 79-503a. “Fair market value” means the amount in terms of money that a well informed buyer is justified in paying and a well informed seller is justified in accepting for property in an open and competitive market, assuming that the parties are acting without undue compulsion. In the determination of fair market value of any real property which is subject to any special assessment, such value shall not be determined by adding the present value of the special assessment to the sales price. For the purposes of this definition it will be assumed that consummation of a sale occurs as of January 1.

Sales in and of themselves shall not be the sole criteria of fair market value but shall be used in connection with cost, income and other factors including but not by way of exclusion:

(a) The proper classification of lands and improvements;

(b) the size thereof;

(c) the effect of location on value;

(d) depreciation, including physical deterioration or functional, economic or social obsolescence;

(e) cost of reproduction of improvements;

(f) productivity taking into account all restrictions imposed by the state or federal government and local governing bodies, including, but not limited to, restrictions on property rented or leased to low income individuals and families as authorized by section 42 of the federal internal revenue code of 1986, as amended;

(g) earning capacity as indicated by lease price, by capitalization of net income or by absorption or sell-out period;

(h) rental or reasonable rental values or rental values restricted by the state or federal government or local governing bodies, including, but not limited to, restrictions on property rented or leased to low income individuals and families, as authorized by section 42 of the federal internal revenue code of 1986, as amended;

(i) sale value on open market with due allowance to abnormal inflationary factors influencing such values;

(j) restrictions or requirements imposed upon the use of real estate by the state or federal government or local governing bodies, including zoning and planning boards or commissions, and including, but not limited to, restrictions or requirements imposed upon the use of real estate rented or leased to low income individuals and families, as authorized by section 42 of the federal internal revenue code of 1986, as amended; and
(k) comparison with values of other property of known or recognized value. The assessment-sales ratio study shall not be used as an appraisal for appraisal purposes.

The appraisal process utilized in the valuation of all real and tangible personal property for ad valorem tax purposes shall conform to generally accepted appraisal procedures which are adaptable to mass appraisal and consistent with the definition of fair market value unless otherwise specified by law.

New Sec. 4. It is the purpose of the amendments enacted in this legislation to K.S.A. 79-5a01 to carry out the mandate of the electorate of the state of Kansas who in 1992 amended Section 1 of Article 11 of the Constitution of the state of Kansas to effectuate the taxation of public utility inventories, in response to an appellate decision holding that natural gas owned by public utilities and stored for resale comes within the exemption from ad valorem taxation afforded to merchants' and manufacturers' inventories. The Legislature recognizes that the state has a number of underground formations that are ideal for the storage of natural gas and that the storage of natural gas in these formations by and on behalf of the owners, brokers and marketers of natural gas assures them a plentiful supply of natural gas during periods of peak demand and thereby contributes to their economic viability. The Legislature further recognizes that the state and its political subdivisions provide valuable governmental services that protects the natural gas and its free flow to and from these formations for which such owners, brokers and marketers of natural gas should contribute through the property tax imposed by the amendments enacted in this legislation to K.S.A. 79-5a01.

Sec. 5. K.S.A. 2008 Supp. 79-5a01 is hereby amended to read as follows: 79-5a01. (a) As used in this act, the terms “public utility” or “public utilities” means every individual, company, corporation, association of persons, brokers, marketers, lessees or receivers that now or hereafter own, control and hold for resale, stored broker or market natural gas inventories stored for resale in an underground formation in this state, or now or hereafter are in control, manage or operate a business of:

1. A railroad or railroad corporation if such railroad or railroad corporation owns or holds, by deed or other instrument, an interest in right-of-way, track, franchise, roadbed or trackage in this state;
2. Transmitting to, from, through or in this state telegraphic messages;
3. Transmitting to, from, through or in this state telephonic messages;
4. Transporting or distributing to, from, through or in this state natural gas, oil or other commodities in pipes or pipelines, or engaging primarily in the business of storing natural gas in an underground formation;
5. Generating, conducting or distributing to, from, through or in this state electric power;
6. Transmitting to, from, through or in this state water if for profit or subject to regulation of the state corporation commission; and
7. Transporting to, from, through or in this state cargo or passengers by means of any vessel or boat used in navigating any of the navigable watercourses within or bordering upon this state.

(b) The terms “public utility” or “public utilities” shall not include: (1) Rural water districts established under the laws of the state of Kansas; or (2) any individual, company, corporation, association of persons, lessee or receiver owning or operating an oil or natural gas production gathering line which is situated within one county in this state and does not cross any state boundary line; (3) any individual, company, corporation, association of persons, lessee or receiver owning any vessel or boat operated upon the surface of any manmade waterway located entirely within one county in the state; or (4) for all taxable years commencing after December 31, 1998, any natural gas distribution system which is owned and operated by a nonprofit public utility described by K.S.A. 66-104c, and amendments thereto, and which is operated predominantly for the purpose of providing fuel for the irrigation of land devoted to agricultural use.

(c) The provisions of subsection (a) as amended by this act shall be applicable to all taxable years commencing after December 31, 2008.

Sec. 6. K.S.A. 2008 Supp. 72-6431, 79-201x, 79-503a and 79-5a01 are hereby repealed.";

EXPLANATION OF VOTE

MR. PRESIDENT: I vote yes on the conference committee report on SB 98. I support renewing the mill levy for school district funding. However, I object to the provisions of SB 312 in this bill which will allow for property taxes to be collected on stored natural gas inventories. Even though the tax revenue is desired, we are on shaky legal ground to enact this property tax and will likely face additional lawsuits.—KARIN BROWNLEE

(a) To the extent possible, when any law enforcement officer takes into custody a child under the age of 18 years without a court order, the child shall forthwith be delivered to the custody of the child's parent or other custodian unless there are reasonable grounds to believe that such action would not be in the best interests of the child. Except as provided in subsection (b), if the child is not delivered to the custody of the child's parent or other custodian, the child shall forthwith be delivered to a facility or person designated by the secretary, a shelter facility designated by the court, court services officer, juvenile intake and assessment worker, licensed attendant care center or other person or, if the child is 15 years of age or younger, or 16 or 17 years of age if the child has no identifiable parental or family resources or shows signs of physical, mental, emotional or sexual abuse, to a facility or person designated by the secretary. If, after delivery of the child to a shelter facility, the person in charge of the shelter facility at that time and the law enforcement officer determine that the child will not remain in the shelter facility and if the child is presently alleged, but not yet adjudicated, to be a child in need of care solely pursuant to subsection (d)(9) or (d)/(10) of K.S.A. 2008 Supp. 38-2202, and amendments thereto, the law enforcement officer shall deliver the child to a juvenile detention facility or other secure facility, designated by the court, where the child shall be detained for not more than 24 hours, excluding Saturdays, Sundays and legal holidays. It shall be the duty of the law enforcement officer to furnish to the county or district attorney, without unnecessary delay, all the information in the possession of the officer pertaining to the child, the child's parents or other persons interested in or likely to be interested in the child and all other facts and circumstances which caused the child to be taken into custody. (b) When any law enforcement officer takes into custody any child as provided in subsection (b)(2) of K.S.A. 2008 Supp. 38-2231, and amendments thereto, proceedings shall be initiated in accordance with the provisions of the interstate compact on juveniles, K.S.A. 38-1001 et seq., and amendments thereto, or K.S.A. 2008 Supp. 38-1008, and amendments thereto, when effective. Any child taken into custody pursuant to the interstate compact on juveniles may be detained in a juvenile detention facility or other secure facility. (c) Whenever a child under the age of 18 years is taken into custody by a law enforcement officer without a court order and is thereafter placed as authorized by subsection (a), the facility or person shall, upon written application of the law enforcement officer, have physical custody and provide care and supervision for the child. (d) A copy of the application shall be furnished by the facility or person receiving the child to the county or district attorney without unnecessary delay.

(e) The shelter facility or other person designated by the court who has custody of the child pursuant to this section shall discharge the child not later than 72 hours following
admission, excluding Saturdays, Sundays and legal holidays, unless a court has entered an
order pertaining to temporary custody or release.

(f) In absence of a court order to the contrary, the county or district attorney or the
placing law enforcement agency shall have the authority to direct the release of the child at
any time.

(g) When any law enforcement officer takes into custody any child as provided in sub-
section (d) of K.S.A. 2008 Supp. 38-2231, and amendments thereto, the child shall forthwith
be delivered to the school in which the child is enrolled, any location designated by the
school in which the child is enrolled or the child’s parent or other custodian.

Sec. 4. K.S.A. 2008 Supp. 38-2242 is hereby amended to read as follows: 38-2242. (a)
The court, upon verified application, may issue ex parte an order directing that a child be
held in protective custody and, if the child has not been taken into custody, an order directing
that the child be taken into custody. The application shall state for each child:

1. The applicant’s belief that the child is a child in need of care;
2. That the child is likely to sustain harm if not immediately removed from the home;
3. That allowing the child to remain in the home is contrary to the welfare of the child;
4. The facts relied upon to support the application, including efforts known to the
applicant to maintain the family unit and prevent the unnecessary removal of the child from
the child’s home, or the specific facts supporting that an emergency exists which threatens
the safety of the child.

(b) (1) The order of protective custody may be issued only after the court has deter-
mined there is probable cause to believe the allegations in the application are true. The
order shall remain in effect until the temporary custody hearing provided for in K.S.A. 2008
Supp. 38-2243, and amendments thereto, unless earlier rescinded by the court.

2. No child shall be held in protective custody for more than 72 hours, excluding
Saturdays, Sundays and legal holidays, unless within the 72-hour period a determination is
made as to the necessity for temporary custody in a temporary custody hearing. The time
spent in custody pursuant to K.S.A. 2008 Supp. 38-2232, and amendments thereto, shall be
included in calculating the 72-hour period. Nothing in this subsection shall be construed to
mean that the child must remain in protective custody for 72 hours. If a child is in the
protective custody of the secretary, the secretary shall allow at least one supervised visit
between the child and the parent or parents within such time period as the child is in
protective custody. The court may prohibit such supervised visit if the court determines it
is not in the best interest of the child.

(c) (1) Whenever the court determines the necessity for an order of protective custody,
the court may place the child in the protective custody of:

A. A parent or other person having custody of the child and may enter a restraining
order pursuant to subsection (e);

B. A person, other than the parent or other person having custody, who shall not be
required to be licensed under article 5 of chapter 65 of the Kansas Statutes Annotated, and
amendments thereto;

C. A youth residential facility;

D. A shelter facility; or

E. The secretary, if the child is 15 years of age or younger, or 16 or 17 years of age if
the child has no identifiable parental or family resources or shows signs of physical, mental,
emotional or sexual abuse.

2. If the secretary presents the court with a plan to provide services to a child or family
which the court finds will assure the safety of the child, the court may only place the child
in the protective custody of the secretary until the court finds the services are in place. The
court shall have the authority to require any person or entity agreeing to participate in the
plan to perform as set out in the plan. When the child is placed in the protective custody
of the secretary, the secretary shall have the discretionary authority to place the child with
a parent or to make other suitable placement for the child. When the child is presently
alleged, but not yet adjudicated, to be a child in need of care solely pursuant to subsection
(d)(9) or (d)(10) of K.S.A. 2008 Supp. 38-2202, and amendments thereto, the child may be
placed in a juvenile detention facility or other secure facility pursuant to an order of pro-
ective custody for a period of not to exceed 24 hours, excluding Saturdays, Sundays and legal holidays.

   (d) The order of protective custody shall be served pursuant to subsection (a) of K.S.A. 2008 Supp. 38-2237, and amendments thereto, on the child’s parents and any other person having legal custody of the child. The order shall prohibit the removal of the child from the court’s jurisdiction without the court’s permission.

   (e) If the court issues an order of protective custody, the court may also enter an order restraining any alleged perpetrator of physical, sexual, mental or emotional abuse of the child from residing in the child’s home; visiting, contacting, harassing or intimidating the child, other family member or witness; or attempting to visit, contact, harass or intimidate the child, other family member or witness. Such restraining order shall be served by personal service pursuant to subsection (a) of K.S.A. 2008 Supp. 38-2237, and amendments thereto, on any alleged perpetrator to whom the order is directed.

   (f) (1) The court shall not enter an order removing a child from the custody of a parent pursuant to this section unless the court first finds probable cause that: (A)(i) the child is likely to sustain harm if not immediately removed from the home;
   (ii) allowing the child to remain in home is contrary to the welfare of the child; or
   (iii) immediate placement of the child is in the best interest of the child; and
   (B) reasonable efforts have been made to maintain the family unit and prevent the unnecessary removal of the child from the child’s home or that an emergency exists which threatens the safety to the child.

   (2) Such findings shall be included in any order entered by the court. If the child is placed in the custody of the secretary, the court shall provide the secretary with a written copy of any orders entered upon making the order.

Sec. 5. K.S.A. 2008 Supp. 38-2243 is hereby amended to read as follows: 38-2243. (a) Upon notice and hearing, the court may issue an order directing who shall have temporary custody and may modify the order during the pendency of the proceedings as will best serve the child’s welfare.

(b) A hearing pursuant to this section shall be held within 72 hours, excluding Saturdays, Sundays and legal holidays, following a child having been taken into protective custody.

(c) Whenever it is determined that a temporary custody hearing is required, the court shall immediately set the time and place for the hearing. Notice of a temporary custody hearing shall be given to all parties and interested parties.

(d) Notice of the temporary custody hearing shall be given at least 24 hours prior to the hearing. The court may continue the hearing to afford the 24 hours prior notice or, with the consent of the party or interested party, proceed with the hearing at the designated time. If an order of temporary custody is entered and the parent or other person having custody of the child has not been notified of the hearing, did not appear or waive appearance and requests a rehearing, the court shall rehear the matter without unnecessary delay.

(e) Oral notice may be used for giving notice of a temporary custody hearing where there is insufficient time to give written notice. Oral notice is completed upon filing a certificate of oral notice.

(f) The court may enter an order of temporary custody after determining there is probable cause to believe that the: (1) Child is dangerous to self or to others; (2) child is not likely to be available within the jurisdiction of the court for future proceedings; or (3) health or welfare of the child may be endangered without further care.

(g) (1) Whenever the court determines the necessity for an order of temporary custody the court may place the child in the temporary custody of:
   
   (A) A parent or other person having custody of the child and may enter a restraining order pursuant to subsection (h);
   
   (B) a person, other than the parent or other person having custody, who shall not be required to be licensed under article 5 of chapter 65 of the Kansas Statutes Annotated, and amendments thereto;
   
   (C) a youth residential facility;
   
   (D) a shelter facility; or
(E) the secretary, if the child is 15 years of age or younger, or 16 or 17 years of age if the child has no identifiable parental or family resources or shows signs of physical, mental, emotional or sexual abuse.

(2) If the secretary presents the court with a plan to provide services to a child or family which the court finds will assure the safety of the child, the court may only place the child in the temporary custody of the secretary until the court finds the services are in place. The court shall have the authority to require any person or entity agreeing to participate in the plan to perform as set out in the plan. When the child is placed in the temporary custody of the secretary, the secretary shall have the discretionary authority to place the child with a parent or to make other suitable placement for the child. When the child is presently alleged, but not yet adjudicated to be a child in need of care solely pursuant to subsection (d)(9) or (d)(10) of K.S.A. 2008 Supp. 38-2202, and amendments thereto, the child may be placed in a juvenile detention facility or other secure facility, but the total amount of time that the child may be held in such facility under this section and K.S.A. 2008 Supp. 38-2242, and amendments thereto, shall not exceed 24 hours, excluding Saturdays, Sundays and legal holidays. The order of temporary custody shall remain in effect until modified or rescinded by the court or an adjudication order is entered but not exceeding 60 days, unless good cause is shown and stated on the record.

(h) If the court issues an order of temporary custody, the court may also enter an order restraining any alleged perpetrator of physical, sexual, mental or emotional abuse of the child from residing in the child's home; visiting, contacting, harassing or intimidating the child; or attempting to visit, contact, harass or intimidate the child, other family members or witnesses. Such restraining order shall be served by personal service pursuant to subsection (a) of K.S.A. 2008 Supp. 38-2237, and amendments thereto, on any alleged perpetrator to whom the order is directed.

(i) (1) The court shall not enter an order removing a child from the custody of a parent pursuant to this section unless the court first finds probable cause that: (A)(i) the child is likely to sustain harm if not immediately removed from the home; (ii) allowing the child to remain in home is contrary to the welfare of the child; or (iii) immediate placement of the child is in the best interest of the child; and (B) reasonable efforts have been made to maintain the family unit and prevent the unnecessary removal of the child from the child's home or that an emergency exists which threatens the safety to the child.

(2) Such findings shall be included in any order entered by the court. If the child is placed in the custody of the secretary, upon making the order the court shall provide the secretary with a written copy.

(j) If the court enters an order of temporary custody that provides for placement of the child with a person other than the parent, the court shall make a child support determination pursuant to K.S.A. 2008 Supp. 38-2277, and amendments thereto.

Sec. 6. K.S.A. 2008 Supp. 38-2255 is hereby amended to read as follows: 38-2255. (a) Considerations. Prior to entering an order of disposition, the court shall give consideration to:

(1) The child's physical, mental and emotional condition;
(2) the child's need for assistance;
(3) the manner in which the parent participated in the abuse, neglect or abandonment of the child;
(4) any relevant information from the intake and assessment process; and
(5) the evidence received at the dispositional hearing.

(b) Placement with a parent. The court may place the child in the custody of either of the child's parents subject to terms and conditions which the court prescribes to assure the proper care and protection of the child, including, but not limited to:

(1) Supervision of the child and the parent by a court services officer;
(2) participation by the child and the parent in available programs operated by an appropriate individual or agency; and
(3) any special treatment or care which the child needs for the child's physical, mental or emotional health and safety.
(c) Removal of a child from custody of a parent. The court shall not enter an order removing a child from the custody of a parent pursuant to this section unless the court first finds probable cause that: (1)(A) The child is likely to sustain harm if not immediately removed from the home; 
(B) allowing the child to remain in home is contrary to the welfare of the child; or 
(C) immediate placement of the child is in the best interest of the child; and 
(2) reasonable efforts have been made to maintain the family unit and prevent the unnecessary removal of the child from the child’s home or that an emergency exists which threatens the safety to the child.

(d) Custody of a child removed from the custody of a parent. If the court has made the findings required by subsection (c), the court shall enter an order awarding custody to a relative of the child or to a person with whom the child has close emotional ties, to any other suitable person, to a shelter facility, to a youth residential facility or, if the child is 15 years of age or younger, or 16 or 17 years of age if the child has no identifiable parental or family resources or shows signs of physical, mental, emotional or sexual abuse, to the secretary. Custody awarded under this subsection shall continue until further order of the court.

(1) When custody is awarded to the secretary, the secretary shall consider any placement recommendation by the court and notify the court of the placement or proposed placement of the child within 10 days of the order awarding custody.

(A) After providing the parties or interested parties notice and opportunity to be heard, the court may determine whether the secretary’s placement or proposed placement is contrary to the welfare or in the best interests of the child. In making that determination the court shall consider the health and safety needs of the child and the resources available to meet the needs of children in the custody of the secretary. If the court determines that the placement or proposed placement is contrary to the welfare or not in the best interests of the child, the court shall notify the secretary, who shall then make an alternative placement.

(B) The secretary may propose and the court may order the child to be placed in the custody of a parent or parents if the secretary has provided and the court has approved an appropriate safety action plan which includes services to be provided. The court may order the parent or parents and the child to perform tasks as set out in the safety action plan.

(2) The custodian designated under this subsection shall notify the court in writing at least 10 days prior to any planned placement with a parent. The written notice shall state the basis for the custodian’s belief that placement with a parent is no longer contrary to the welfare or best interest of the child. Upon reviewing the notice, the court may allow the custodian to proceed with the planned placement or may set the date for a hearing to determine if the child shall be allowed to return home. If the court sets a hearing on the matter, the custodian shall not return the child home without written consent of the court.

(3) The court may grant any person reasonable rights to visit the child upon motion of the person and a finding that the visitation rights would be in the best interests of the child.

(4) The court may enter an order restraining any alleged perpetrator of physical, mental or emotional abuse or sexual abuse of the child from residing in the child’s home; visiting, contacting, harassing or intimidating the child, other family member or witness; or attempting to visit, contact, harass or intimidate the child, other family member or witness. Such restraining order shall be served by personal service pursuant to subsection (a) of K.S.A. 2008 Supp. 38-2237, and amendments thereto, on any alleged perpetrator to whom the order is directed.

(5) The court shall provide a copy of any orders entered within 10 days of entering the order to the custodian designated under this subsection.

(e) Further determinations regarding a child removed from the home. If custody has been awarded under subsection (d) to a person other than a parent, a permanency plan shall be provided or prepared pursuant to K.S.A. 2008 Supp. 38-2264, and amendments thereto. If a permanency plan is provided at the dispositional hearing, the court may determine whether reintegration is a viable alternative or, if reintegration is not a viable alternative, whether the child should be placed for adoption or a permanent custodian appointed. In determining whether reintegration is a viable alternative, the court shall consider:

(1) Whether a parent has been found by a court to have committed one of the following crimes or to have violated the law of another state prohibiting such crimes or to have aided
and abetted, attempted, conspired or solicited the commission of one of these crimes: Murder in the first degree, K.S.A. 21-3401, and amendments thereto, murder in the second degree, K.S.A. 21-3402, and amendments thereto, capital murder, K.S.A. 21-3439, and amendments thereto, voluntary manslaughter, K.S.A. 21-3403, and amendments thereto, or a felony battery that resulted in bodily injury;

(2) whether a parent has subjected the child or another child to aggravated circumstances;

(3) whether a parent has previously been found to be an unfit parent in proceedings under this code or in comparable proceedings under the laws of another state or the federal government;

(4) whether the child has been in extended out of home placement;

(5) whether the parents have failed to work diligently toward reintegration;

(6) whether the secretary has provided the family with services necessary for the safe return of the child to the home; and

(7) whether it is reasonable to expect reintegration to occur within a time frame consistent with the child’s developmental needs.

(f) Proceedings if reintegration is not a viable alternative. If the court determines that reintegration is not a viable alternative, proceedings to terminate parental rights and permit placement of the child for adoption or appointment of a permanent custodian shall be initiated unless the court finds that compelling reasons have been documented in the case plan why adoption or appointment of a permanent custodian would not be in the best interests of the child. If compelling reasons have not been documented, the county or district attorney shall file a motion within 30 days to terminate parental rights or a motion to appoint a permanent custodian within 30 days and the court shall hold a hearing on the motion within 90 days of its filing. No hearing is required when the parents voluntarily relinquish parental rights or consent to the appointment of a permanent custodian.

(g) Additional Orders. In addition to or in lieu of any other order authorized by this section:

(1) The court may order the child and the parents of any child who has been adjudicated a child in need of care to attend counseling sessions as the court directs. The expense of the counseling may be assessed as an expense in the case. No mental health provider shall charge a greater fee for court-ordered counseling than the provider would have charged to the person receiving counseling if the person had requested counseling on the person’s own initiative.

(2) If the court has reason to believe that a child is before the court due, in whole or in part, to the use or misuse of alcohol or a violation of the uniform controlled substances act by the child, a parent of the child, or another person responsible for the care of the child, the court may order the child, parent of the child or other person responsible for the care of the child to submit to and complete an alcohol and drug evaluation by a qualified person or agency and comply with any recommendations. If the evaluation is performed by a community-based alcohol and drug safety program certified pursuant to K.S.A. 8-1008, and amendments thereto, the child, parent of the child or other person responsible for the care of the child shall pay a fee not to exceed the fee established by that statute. If the court finds that the child and those legally liable for the child’s support are indigent, the fee may be waived. In no event shall the fee be assessed against the secretary.

(3) If child support has been requested and the parent or parents have a duty to support the child, the court may order one or both parents to pay child support and, when custody is awarded to the secretary, the court shall order one or both parents to pay child support. The court shall determine, for each parent separately, whether the parent is already subject to an order to pay support for the child. If the parent is not presently ordered to pay support for any child who is subject to the jurisdiction of the court and the court has personal jurisdiction over the parent, the court shall order the parent to pay child support in an amount determined under K.S.A. 2008 Supp. 38-2277, and amendments thereto. Except for good cause shown, the court shall issue an immediately enforceable order pursuant to K.S.A. 23-4,105 et seq., and amendments thereto, for each parent ordered to pay support under this subsection, regardless of whether a payor has been identified for the parent. A parent ordered to pay child support under this subsection shall be notified, at the hearing
or otherwise, that the child support order may be registered pursuant to K.S.A. 2008 Supp. 38-2279, and amendments thereto. The parent shall also be informed that, after registration, the income withholding order may be served on the parent’s employer without further notice to the parent and the child support order may be enforced by any method allowed by law. Failure to provide this notice shall not affect the validity of the child support order.

Sec. 7. K.S.A. 2008 Supp. 38-2202, 38-2203, 38-2232, 38-2242, 38-2243 and 38-2255 are hereby repealed.”;

(b) Upon a roadway which is divided into three (3) lanes and provides for two-way movement of traffic, a vehicle shall not be driven in the center lane except when overtaking and passing another vehicle traveling in the same direction when such center lane is clear of traffic within a safe distance, or in preparation for making a left turn or where such center lane is at the time allocated exclusively to traffic moving in the same direction that the vehicle is proceeding and such allocation is designated by official traffic-control devices.

(c) Upon a highway located outside the corporate limits of any city divided into two lanes of traffic proceeding in the same direction, all vehicles shall be driven in the right lane except when:

(h) From and after July 1, 2009, and prior to July 1, 2010, a law enforcement officer shall issue a warning citation to anyone violating the provisions of subsection (c) or (d).

Sec. 2. K.S.A. 2008 Supp. 8-1911 is hereby amended to read as follows: 8-1911. (a) The secretary of transportation with respect to highways under the secretary’s jurisdiction and local authorities with respect to highways under their jurisdiction, in their discretion, upon application, may issue a special permit, which term shall include an authorization number, to the owner or operator of an oversize or overweight vehicle. The special permit shall authorize the special permit holder to operate or move a vehicle or combination of vehicles which exceed the limitations of this act, on a route, or routes, designated in the special permit and in accordance with the terms and conditions of the special permit.

(b) The application for the permit shall describe the vehicle, or combination of vehicles and all loads or cargo for which the special permit is requested, the route or routes on which operation is sought and whether a single trip or annual operation is requested. One special permit may be issued for a vehicle or combination of vehicles, that are both oversize and overweight. A special permit under this section may be for a single trip or for annual operation. The special permit shall designate the route or routes that may be used and any other terms, conditions or restrictions deemed necessary. The secretary of transportation shall charge a fee for each permit or authorization number issued as provided for in subsection (f). No permit shall be required to authorize the moving or operating upon any highway of farm tractors, combines, fertilizer dispensing equipment or other farm machinery, or machinery being transported to be used for terracing or soil or water conservation work upon farms, or vehicles owned by counties, cities and other political subdivisions of the state, except that this sentence shall not: (1) Exempt trucks owned by counties, cities and other political subdivisions specifically designed and equipped and used exclusively for garbage, refuse or solid waste disposal operations from the maximum gross weight limitations contained in the table in K.S.A. 8-1909, and amendments thereto; or (2) authorize travel on interstate highways.

(c) A permit shall be valid only when the registration on the power unit is equal to or exceeds the total gross weight of the vehicle. When the gross weight of the vehicle exceeds the upper limit of the available registration, the maximum amount of registration must be purchased. The provisions of this subsection shall not apply to a wrecker or tow truck, as defined in K.S.A. 66-1329, and amendments thereto, and registered in accordance with the provisions of K.S.A. 8-143, and amendments thereto.

(d) The secretary or local authority may issue or withhold the permit at the secretary’s or local authority’s discretion or may limit the number of trips, or establish seasonal or other time limitations within which the vehicles described may be operated on the highways, or may otherwise limit or prescribe conditions of operations of such vehicle or combination of vehicles, when necessary to assure against undue damage to the road. The secretary or local
authority may require such undertaking or other security as may be deemed necessary to compensate for any injury to any roadway or road structure.

All permit fees received under this section shall be remitted to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the state highway fund. The secretary may adopt rules and regulations for payment and collection of all fees. The secretary may adopt rules and regulations implementing the provisions of this section to prescribe standards for any permit program to enhance highway safety.

(g) If any local authority does not desire to exercise the powers conferred on it by this section to issue or deny permits then such a permit from the local authority shall not be required to operate any such vehicle or combination of vehicles on highways under the jurisdiction of such local authority, but in no event shall the jurisdiction of the local authority be construed as extending to any portion of any state highway, any city street designated by the secretary as a connecting link in the state highway system or any highway within the national system of interstate and defense highways, which highways and streets, for the purpose of this section, shall be under the jurisdiction of the secretary.

(h) A house trailer, manufactured home or mobile home which exceeds the width as provided in subsection (a) of K.S.A. 8-1902, and amendments thereto, may be moved on the highways of this state by obtaining a permit as provided in this section, if:

"Sec. 7. K.S.A. 21-4603d is hereby amended to read as follows: 21-4603d. (a) Whenever any person has been found guilty of a crime, the court may adjudge any of the following:

(1) Commit the defendant to the custody of the secretary of corrections if the current crime of conviction is a felony and the sentence presumes imprisonment, or the sentence imposed is a dispositional departure to imprisonment; or, if confinement is for a misdemeanor, to jail for the term provided by law;

(2) impose the fine applicable to the offense;

(3) release the defendant on probation if the current crime of conviction and criminal history fall within a presumptive nonprison category or through a departure for substantial and compelling reasons subject to such conditions as the court may deem appropriate. In felony cases except for violations of K.S.A. 8-1567, and amendments thereto, the court may include confinement in a county jail not to exceed 60 days, which need not be served consecutively, as a condition of an original probation sentence and up to 60 days in a county jail upon each revocation of the probation sentence, or community corrections placement;

(4) assign the defendant to a community correctional services program as provided in K.S.A. 75-5291, and amendments thereto, or through a departure for substantial and compelling reasons subject to such conditions as the court may deem appropriate, including orders requiring full or partial restitution;

(6) assign the defendant to a house arrest program pursuant to K.S.A. 21-4603b and amendments thereto;

(7) order the defendant to attend and satisfactorily complete an alcohol or drug education or training program as provided by subsection (3) of K.S.A. 21-4502, and amendments thereto;

(8) order the defendant to repay the amount of any reward paid by any crime stoppers chapter, individual, corporation or public entity which materially aided in the apprehension or conviction of the defendant; repay the amount of any costs and expenses incurred by any law enforcement agency in the apprehension of the defendant, if one of the current crimes
of conviction of the defendant includes escape, as defined in K.S.A. 21-3809, and amendments thereto, or aggravated escape, as defined in K.S.A. 21-3810, and amendments thereto; repay expenses incurred by a fire district, fire department or fire company responding to a fire which has been determined to be arson under K.S.A. 21-3718 or 21-3719, and amendments thereto, if the defendant is convicted of such crime; repay the amount of any public funds utilized by a law enforcement agency to purchase controlled substances from the defendant during the investigation which leads to the defendant’s conviction; or repay the amount of any medical costs and expenses incurred by any law enforcement agency or county. Such repayment of the amount of any such costs and expenses incurred by a county, law enforcement agency, fire district, fire department or fire company or any public funds utilized by a law enforcement agency shall be deposited and credited to the same fund from which the public funds were credited to prior to use by the county, law enforcement agency, fire district, fire department or fire company;

(9) order the defendant to pay the administrative fee authorized by K.S.A. 22-4529, and amendments thereto;

(10) order the defendant to pay a domestic violence special program fee authorized by K.S.A. 20-369, and amendments thereto;

(11) impose any appropriate combination of (1), (2), (3), (4), (5), (6), (7), (8), (9) and (10); or

(12) suspend imposition of sentence in misdemeanor cases.

(b) (1) In addition to or in lieu of any of the above, the court shall order the defendant to pay restitution, which shall include, but not be limited to, damage or loss caused by the defendant’s crime, unless the court finds compelling circumstances which would render a plan of restitution unworkable. In regard to a violation of K.S.A. 21-4018, and amendments thereto, such damage or loss shall include, but not be limited to, attorney fees and costs incurred to repair the credit history or rating of the person whose personal identification documents were obtained and used in violation of such section, and to satisfy a debt, lien or other obligation incurred by the person whose personal identification documents were obtained and used in violation of such section. If the court finds a plan of restitution unworkable, the court shall state on the record in detail the reasons therefor.

(2) If the court orders restitution, the restitution shall be a judgment against the defendant which may be collected by the court by garnishment or other execution as on judgments in civil cases. If, after 60 days from the date restitution is ordered by the court, a defendant is found to be in noncompliance with the plan established by the court for payment of restitution, and the victim to whom restitution is ordered has not initiated proceedings in accordance with K.S.A. 60-4301 et seq., and amendments thereto, the court shall assign an agent procured by the attorney general pursuant to K.S.A. 75-719, and amendments thereto, to collect the restitution on behalf of the victim. The administrative judge of each judicial district may assign such cases to an appropriate division of the court for the conduct of civil collection proceedings.

(c) In addition to or in lieu of any of the above, the court shall order the defendant to submit to and complete an alcohol and drug evaluation, and pay a fee therefor, when required by subsection (4) of K.S.A. 21-4502, and amendments thereto.

(d) In addition to any of the above, the court shall order the defendant to reimburse the county general fund for all or a part of the expenditures by the county to provide counsel and other defense services to the defendant. Any such reimbursement to the county shall be paid only after any order for restitution has been paid in full. In determining the amount and method of payment of such sum, the court shall take account of the financial resources of the defendant and the nature of the burden that payment of such sum will impose. A defendant who has been required to pay such sum and who is not willfully in default in the payment thereof may at any time petition the court which sentenced the defendant to waive payment of such sum or any unpaid portion thereof. If it appears to the satisfaction of the court that payment of the amount due will impose manifest hardship on the defendant or the defendant’s immediate family, the court may waive payment of all or part of the amount due or modify the method of payment.

(e) In imposing a fine the court may authorize the payment thereof in installments. In releasing a defendant on probation, the court shall direct that the defendant be under the
supervision of a court services officer. If the court commits the defendant to the custody of the secretary of corrections or to jail, the court may specify in its order the amount of restitution to be paid and the person to whom it shall be paid if restitution is later ordered as a condition of parole, conditional release or postrelease supervision.

(f) (1) When a new felony is committed while the offender is incarcerated and serving a sentence for a felony, or while the offender is on probation, assignment to a community correctional services program, parole, conditional release, or postrelease supervision for a felony, a new sentence shall be imposed pursuant to the consecutive sentencing requirements of K.S.A. 21-4608, and amendments thereto, and the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(2) When a new felony is committed while the offender is incarcerated in a juvenile correctional facility pursuant to K.S.A. 38-1671 prior to its repeal or K.S.A. 2007-2008 Supp. 38-2373, and amendments thereto, for an offense, which if committed by an adult would constitute the commission of a felony, upon conviction, the court shall sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure. The conviction shall operate as a full and complete discharge from any obligations, except for an order of restitution, imposed on the offender arising from the offense for which the offender was committed to a juvenile correctional facility.

(3) When a new felony is committed while the offender is on release for a felony pursuant to the provisions of article 28 of chapter 22 of the Kansas Statutes Annotated, or similar provisions of the laws of another jurisdiction, a new sentence may be imposed pursuant to the consecutive sentencing requirements of K.S.A. 21-4608, and amendments thereto, and the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(g) Prior to imposing a dispositional departure for a defendant whose offense is classified in the presumptive nonprison grid block of either sentencing guideline grid, prior to sentencing a defendant to incarceration whose offense is classified in grid blocks 3-H, 3-I or 6-G of the sentencing guidelines grid for nondrug crimes or in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes, prior to sentencing a defendant to incarceration whose offense is classified in grid blocks 4-E or 4-F of the sentencing guideline grid for drug crimes and whose offense does not meet the requirements of K.S.A. 21-4729, and amendments thereto, prior to revocation of a nonprison sanction of a defendant whose offense is classified in grid blocks 4-E or 4-F of the sentencing guideline grid for drug crimes and whose offense does not meet the requirements of K.S.A. 21-4729, and amendments thereto, or prior to revocation of a nonprison sanction of a defendant whose offense is classified in the presumptive nonprison grid block of either sentencing guideline grid or grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes or in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes, the court shall consider placement of the defendant in the Labette correctional conservation camp, conservation camps established by the secretary of corrections pursuant to K.S.A. 75-52, 127, and amendment thereto or a community intermediate sanction center. Pursuant to this paragraph the defendant shall not be sentenced to imprisonment if space is available in a conservation camp or a community intermediate sanction center and the defendant meets all of the conservation camp’s or a community intermediate sanction center’s placement criteria unless the court states on the record the reasons for not placing the defendant in a conservation camp or a community intermediate sanction center.

(h) The court in committing a defendant to the custody of the secretary of corrections shall fix a term of confinement within the limits provided by law. In those cases where the law does not fix a term of confinement for the crime for which the defendant was convicted, the court shall fix the term of such confinement.

(i) In addition to any of the above, the court shall order the defendant to reimburse the state general fund for all or a part of the expenditures by the state board of indigents’ defense
services to provide counsel and other defense services to the defendant. In determining the amount and method of payment of such sum, the court shall take account of the financial resources of the defendant and the nature of the burden that payment of such sum will impose. A defendant who has been required to pay such sum and who is not willfully in default in the payment thereof may at any time petition the court which sentenced the defendant to waive payment of such sum or any unpaid portion thereof. If it appears to the satisfaction of the court that payment of the amount due will impose manifest hardship on the defendant or the defendant’s immediate family, the court may waive payment of all or part of the amount due or modify the method of payment. The amount of attorney fees to be included in the court order for reimbursement shall be the amount claimed by appointed counsel on the payment voucher for indigents’ defense services or the amount prescribed by the board of indigents’ defense services reimbursement tables as provided in K.S.A. 22-4522, and amendments thereto, whichever is less.

(j) This section shall not deprive the court of any authority conferred by any other Kansas statute to decree a forfeiture of property, suspend or cancel a license, remove a person from office, or impose any other civil penalty as a result of conviction of crime.

(k) An application for or acceptance of probation or assignment to a community correctional services program shall not constitute an acquiescence in the judgment for purpose of appeal, and any convicted person may appeal from such conviction, as provided by law, without regard to whether such person has applied for probation, suspended sentence or assignment to a community correctional services program.

(l) The secretary of corrections is authorized to make direct placement to the Labette correctional conservation camp or a conservation camp established by the secretary pursuant to K.S.A. 75-52,127, and amendments thereto, of an inmate sentenced to the secretary’s custody if the inmate: (1) Has been sentenced to the secretary for a probation revocation, as a departure from the presumptive nonimprisonment grid block of either sentencing grid, for an offense which is classified in grid blocks 5-H, 5-I, or 6-G of the sentencing guidelines grid for nondrug crimes or in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes, or for an offense which is classified in gridblocks 4-E or 4-F of the sentencing guidelines grid for drug crimes and such offense does not meet the requirements of K.S.A. 21-4729, and amendments thereto, and (2) otherwise meets admission criteria of the camp. If the inmate successfully completes a conservation camp program, the secretary of corrections shall report such completion to the sentencing court and the county or district attorney. The inmate shall then be assigned by the court to six months of follow-up supervision conducted by the appropriate community corrections services program. The court may also order that supervision continue thereafter for the length of time authorized by K.S.A. 21-4611 and amendments thereto.

(m) When it is provided by law that a person shall be sentenced pursuant to K.S.A. 1993 Supp. 21-4628, prior to its repeal, the provisions of this section shall not apply.

(n) Except as provided by subsection (f) of K.S.A. 21-4705, and amendments thereto, in addition to any of the above, for felony violations of K.S.A. 65-4160 or 65-4162, and amendments thereto, the court shall require the defendant who meets the requirements established in K.S.A. 21-4729, and amendments thereto, to participate in a certified drug abuse treatment program, as provided in K.S.A. 2007 Supp. 75-52,144, and amendments thereto, including but not limited to, an approved after-care plan. If the defendant fails to participate in or has a pattern of intentional conduct that demonstrates the offender’s refusal to comply with or participate in the treatment program, as established by judicial finding, the defendant shall be subject to revocation of probation and the defendant shall serve the underlying prison sentence as established in K.S.A. 21-4705, and amendments thereto. For those offenders who are convicted on or after the effective date of this act, upon completion of the underlying prison sentence, the defendant shall not be subject to a period of postrelease supervision. The amount of time spent participating in such program shall not be credited as service on the underlying prison sentence.

(o) (1) Except as provided in paragraph (3), in addition to any other penalty or disposition imposed by law, upon a conviction for unlawful possession of a controlled substance or controlled substance analog in violation of K.S.A. 65-4160, 65-4162 or 65-4164, and amendments thereto, in which the trier of fact makes a finding that the unlawful possession
occurred while transporting the controlled substance or controlled substance analog in any
vehicle upon a highway or street, the offender’s driver’s license or privilege to operate a
motor vehicle on the streets and highways of this state shall be suspended for one year.

(2) Upon suspension of a license pursuant to this subsection, the court shall require the
person to surrender the license to the court, which shall transmit the license to the division
of motor vehicles of the department of revenue, to be retained until the period of suspension
expires. At that time, the licensee may apply to the division for return of the license. If the
license has expired, the person may apply for a new license, which shall be issued promptly
upon payment of the proper fee and satisfaction of other conditions established by law for
obtaining a license unless another suspension or revocation of the person’s privilege to op-
erate a motor vehicle is in effect.

(3) (A) In lieu of suspending the driver’s license or privilege to operate a motor vehicle
on the highways of this state of any person as provided in paragraph (1), the judge of the
court in which such person was convicted may enter an order which places conditions on
such person’s privilege of operating a motor vehicle on the highways of this state, a certified
copy of which such person shall be required to carry any time such person is operating a
motor vehicle on the highways of this state. Any such order shall prescribe the duration of
the conditions imposed, which in no event shall be for a period of more than one year.

(B) Upon entering an order restricting a person’s license hereunder, the judge shall
require such person to surrender such person’s driver’s license to the judge who shall cause
it to be transmitted to the division of vehicles, together with a copy of the order. Upon receipt
thereof, the division of vehicles shall issue without charge a driver’s license which shall
indicate on its face that conditions have been imposed on such person’s privilege of operating
a motor vehicle and that a certified copy of the order imposing such conditions is required
to be carried by the person for whom the license was issued any time such person is operating
a motor vehicle on the highways of this state. If the person convicted is a nonresident, the
judge shall cause a copy of the order to be transmitted to the division and the division shall
issue without charge a driver’s license which shall indicate on its face that conditions have been imposed
on such person’s privilege of operating a motor vehicle and that a certified copy of the order imposing such conditions is required
to be carried by the person for whom the license was issued any time such person is operating
a motor vehicle on the highways of this state. Such judge shall furnish to any person whose driver’s license has had conditions imposed
on it under this paragraph a copy of the order, which shall be recognized as a valid Kansas
driver’s license until such time as the division shall issue the restricted license provided for
in this paragraph.

(C) Upon expiration of the period of time for which conditions are imposed pursuant to
this subsection, the licensee may apply to the division for the return of the license previously
surrendered by such licensee. In the event such license has expired, such person may apply
to the division for a new license, which shall be issued immediately by the division upon
payment of the proper fee and satisfaction of the other conditions established by law, unless
such person’s privilege to operate a motor vehicle on the highways of this state has been
suspended or revoked prior thereto. If any person shall violate any of the conditions imposed
under this paragraph, such person’s driver’s license or privilege to operate a motor vehicle
on the highways of this state shall be revoked for a period of not less than 60 days nor more
than one year by the judge of the court in which such person is convicted of violating such
conditions.

(4) As used in this subsection, “highway” and “street” have the meanings provided by
K.S.A. 8-1424 and 8-1473, and amendments thereto.

Sec. 8. K.S.A. 21-4611 is hereby amended to read as follows: 21-4611. (a) The period
of suspension of sentence, probation or assignment to community corrections fixed by the
court shall not exceed five years in felony cases involving crimes committed prior to July 1,
1993, or two years in misdemeanor cases, subject to renewal and extension for additional
fixed periods not exceeding five years in such felony cases, nor two years in misdemeanor
cases. In no event shall the total period of probation, suspension of sentence or assignment
to community corrections for a felony committed prior to July 1, 1993, exceed the greatest
maximum term provided by law for the crime, except that where the defendant is convicted
of nonsupport of a child, the period may be continued as long as the responsibility for
support continues. Probation, suspension of sentence or assignment to community correc-
tions may be terminated by the court at any time and upon such termination or upon
termination by expiration of the term of probation, suspension of sentence or assignment
to community corrections, an order to this effect shall be entered by the court. The provisions of K.S.A. 75-5291, and amendments thereto, shall be applicable to any assignment to a community correctional services program pursuant to this section.

(b) The district court having jurisdiction of the offender may parole any misdemeanant sentenced to confinement in the county jail. The period of such parole shall be fixed by the court and shall not exceed two years and shall be terminated in the manner provided for termination of suspended sentence and probation.

(c) For all crimes committed on or after July 1, 1993, the duration of probation in felony cases sentenced for the following severity levels on the sentencing guidelines grid for non-drug crimes and the sentencing guidelines grid for drug crimes is as follows:

(1) For non-drug crimes the recommended duration of probations is:
   (A) Thirty-six months for crimes in crime severity levels 1 through 5; and
   (B) 24 months for crimes in crime severity levels 6 and 7.

(2) For drug crimes the recommended duration of probation is 36 months for crimes in crime severity levels 1 and 2.

(3) Except as otherwise provided, in felony cases sentenced at severity levels 9 and 10 on the sentencing guidelines grid for non-drug crimes and severity level 4 on the sentencing guidelines grid for drug crimes, if a non-prison sanction is imposed, the court shall order the defendant to serve a period of probation or assignment to a community correctional services program as provided under K.S.A. 75-5291 et seq., and amendments thereto, of up to 12 months in length.

(4) In felony cases sentenced at severity level 8 on the sentencing guidelines grid for non-drug crimes and severity level 3 on the sentencing guidelines grid for drug crimes and felony cases sentenced pursuant to K.S.A. 21-4729, and amendments thereto, if a non-prison sanction is imposed, the court shall order the defendant to serve a period of probation, or assignment to a community correctional services program, as provided under K.S.A. 75-5291 et seq., and amendments thereto, of up to 18 months in length.

(5) If the court finds and sets forth with particularity the reasons for finding that the safety of the members of the public will be jeopardized or that the welfare of the inmate will not be served by the length of the probation terms provided in subsections (c)(3) and (c)(4), the court may impose a longer period of probation. Such an increase shall not be considered a departure and shall not be subject to appeal.

(6) Except as provided in subsections (c)(7) and (c)(8), the total period in all cases shall not exceed 60 months, or the maximum period of the prison sentence that could be imposed whichever is longer. Non-prison sentences may be terminated by the court at any time.

(7) If the defendant is convicted of nonsupport of a child, the period may be continued as long as the responsibility for support continues. If the defendant is ordered to pay full or partial restitution, the period may be continued as long as the amount of restitution ordered has not been paid.

(8) The court may modify or extend the offender's period of supervision, pursuant to a modification hearing and a judicial finding of necessity. Such extensions may be made for a maximum period of five years or the maximum period of the prison sentence that could be imposed, whichever is longer, inclusive of the original supervision term.

(d) The provisions of subsection (c), as amended by this act, shall be applied retroactively. The sentencing court shall direct that a review of all persons serving a non-prison sanction for a crime in severity levels 8, 9 or 10 of the sentencing guidelines grid for non-drug crimes or a crime in severity levels 3 or 4 of the sentencing guidelines grid for drug crimes be conducted. On or before September 1, 2000, the duration of such person's probation shall be modified in conformity with the provisions of subsection (c)."

EXPLANATION OF VOTE

Mr. President: I vote “No” on HB 2060. At least once a year, this Legislature is bamboozled into the hypocrisy of the need to exercise wise fiscal constraint versus the belief that excessive expense will actually benefit the common good. HB 2060 does just that. It’s only purpose is to inflate crimes with mandatory prison sentences. The more sentences; the fewer available prison beds . . . . and the need to spend more precious tax dollars to expand prison space.

Mr. President, this would all be well and good if the general public were better protected or even better served. But, none of the provisions of this special interest conglomerate, make the average Kansan any safer, only poorer. Wisdom prevailing . . . . again I vote “No”.—David Haley

No swine waste shall be applied to crops or land in excess of agronomic application rates.

(b) The secretary of health and environment shall review and approve all nutrient utilization plans that provide for the application of swine waste to crops or land and that are submitted by swine confined feeding facilities pursuant to K.S.A. 65-1,182 and amendments thereto if the plans demonstrate that swine waste will be applied pursuant to agronomic application rates and include all required information. Nutrient utilization plans shall be submitted on a form required by the secretary. The secretary shall notify the secretary of health and environment when a nutrient utilization plan has been approved and whether...
the approval is conditioned on any amendments or revisions to the plan of health and environment.

B. the operator of an existing swine facility shall submit to the department of health and environment, within six months after the rules and regulations implementing this act are adopted, a nutrient utilization plan on a form prescribed by the secretary of agriculture as applicable and shall comply with the plan by a date established by the secretary of health and environment.

(2) Each nutrient utilization plan shall address site-specific conditions for land application of manure, wastewater and other nutrient sources, comply with the requirements of this section and contain, at minimum, the following:

K. records of training of all personnel who supervise and conduct the land application of manure or wastewater, as required by subsection (f)(7); and
L. any other information required by the secretary of agriculture to facilitate approval.

(3) (A) A swine facility that is required to have a nutrient utilization plan shall amend such plan whenever warranted by changes in the facility, soil test results or other conditions affecting the facility.
Amendments to the nutrient utilization plan must be approved by the secretary of agriculture or the secretary of health and environment.

A swine facility that is required to have a nutrient utilization plan shall maintain such plan in accordance with K.S.A. 65-1,185 and amendments thereto.

Each swine facility that has a manure management plan that includes land application of manure or wastewater shall:
(A) Conduct soil tests, including but not limited to tests for nitrogen, phosphate, chloride, copper and zinc, on the land application areas prior to preparation of the nutrient utilization plan and at least annually thereafter, or as often as required by best available soil science and standards relative to the soils of, and crops to be grown on, the land application areas or as required by the secretary of agriculture or the secretary of health and environment; and

(B) include such calculations in the nutrient utilization plan.

If a swine facility is required to have a nutrient utilization plan and finds that the soil tests required pursuant to this act indicate that the phosphorus holding capacity for any soils in the facility's land application areas may be exceeded within five years, the facility shall promptly initiate the process to obtain access to the additional land application areas needed, or make other adjustments, to achieve the capability to apply manure or wastewater at appropriate agronomic rates.

The Kansas department of agriculture or the department of health and environment may require a swine facility that is required to have a nutrient utilization plan to apply manure or wastewater on all or a portion of the facility's land application areas at a rate within the agronomic phosphorus needs of the crops or pasture, or the soil phosphorus holding capacity, in less than the time originally allowed in the approved nutrient utilization plan if the department of agriculture or the department of health and environment finds that the land application actions of the facility are contributing to the impairment of groundwater or surface water.

Each swine facility that is required to have a nutrient utilization plan shall include in such plan, and thereafter comply with, the requirements that manure or wastewater shall not be applied on bare ground by any process, other than incorporation into the soil during the same day, within 1,000 feet of any habitable structure, wildlife refuge or city, county, state or federal park, unless:

(3) Swine facilities that are required to have a nutrient utilization plan shall not apply manure or wastewater:

(A) To lands classified as highly erodible according to the conservation compliance provisions of the federal food security act of 1985, as in effect on the effective date of this act, and classified as highly erodible on the basis of erosion resulting from water runoff, except where soil conservation practices to control erosion and runoff in compliance with the requirements of this section are identified in the facility's nutrient utilization plan and are followed by the facility;

(B) during rain storms, except where soil conservation practices to control erosion and runoff in compliance with the requirements of this section are identified in the facility's nutrient utilization plan and are followed by the facility;

(C) to frozen or saturated soil, except where soil conservation practices to control runoff in compliance with the requirements of this section are identified in the facility's nutrient utilization plan and are followed by the facility; and

(B) train, and keep current the training of, all employees and contractors who conduct land application activities.

(g) Each swine facility that is required to have a nutrient utilization plan shall amend such plan whenever warranted by changes in conditions. The operator of the facility shall file such plan and any amendments to such plan with the department of health and environment and the department shall forward such plan and any amendments to the secretary of agriculture.

(h) The secretary of agriculture shall make a determination to approve or disapprove a nutrient utilization plan not later than 45 days after the plan is received from the department of health and environment.

EXPLANATION OF VOTE

MR. PRESIDENT: I vote NO on the conference committee report for HB 2121.

I have no objections to the provisions that were originally within HB 2121 however I do object to some of the provisions of HB 2295 that were added to the conference committee report on this bill. It is sensible to require the owner or operator of a dairy manufacturing plant to verify that their claims are accurate. It is not sensible for the legislature to pass measures that may restrict information for consumers who want to know that the cows producing milk for a specific product have not been injected with rbST. The Federal Food and Drug Administration gives guidance on labeling regarding rbST that is working for farmers, processors, marketers and consumers; they also require that the statements be truthful. To go beyond those guidelines and establish our own state requirements for labeling is not friendly to Kansas, national, and international businesses. Because the ambiguous word “similar” is used in the requirements the state will be collecting fee funds from Kansas dairies that will have to be spent giving out of state businesses direction that we could have easily provided more straightforwardly in the statute.—MARCUS FRANCISCO

EXPLANATION OF VOTE

MR. PRESIDENT: While there are various positive aspects to House Bill 2158, the attempt to regulate websites, e-mails, and all other Internet communication is clearly overboard and potentially unconstitutional. By subjecting political e-mails, blogs, editorials, tweets, and websites of our constituents to government scrutiny and possible fines and other penalties if certain language is not included, we are severely limiting 1st Amendment protections for political participation. Whether it be the age of the printing press or the Internet, this is not the American thing to do.—TIm Huelskamp

Senators Brownlee and Lynn request the record to show they concur with the “Explanation of Vote” offered by Senator Huelskamp on House Bill 2158.

MR. PRESIDENT: I vote no on HB 2158. I am concerned that well intentioned Kansans will find themselves in violation of Kansas law and face harsh fines whey they engage in internet communications on behalf of a candidate. Political speech and advocacy by individuals should be encouraged and protected in our society.—SUSAN WAGLE

Senator Petersen requests the record to show he concurs with the “Explanation of Vote” offered by Senator Wagle on HB 2158.

When sheltered living, inc. contracts for the purpose of rehabilitating, constructing, maintaining, repairing, enlarging, furnishing or remodeling such homes and facilities, it shall obtain from the state and furnish to the contractor an exemption certificate for the project involved, and the contractor may purchase materials for incorporation in such project. Upon completion of the project the contractor shall furnish to sheltered living, inc. a sworn statement, on a form to be provided by the director of taxation, that all purchases so made were entitled to exemption under this subsection. Any contractor or any agent, employee or subcontractor thereof, who shall use or otherwise dispose of any materials purchased under such a certificate for any purpose other than that for which such a certificate is issued without the payment of the sales or compensating tax otherwise imposed upon such materials, shall be guilty of a misdemeanor and, upon conviction therefor, shall be subject to the penalties provided for in subsection (g) of K.S.A. 79-3615, and amendments thereto;

"New Sec. 4. If the decedent was a resident of Kansas, the value of an interest in a legal entity that is not publicly traded, including, but not limited to, a partnership, corporation, limited liability company or limited liability partnership, which at the time of the decedent's death owns land that is located in Kansas and treated as land devoted to agricultural use for purposes of K.S.A. 79-1476, and amendments thereto, shall be determined by valuing the land at its most recent valuation pursuant to K.S.A. 79-1476, and amendments thereto. The provisions of this section shall apply to the estates of all decedents dying after December 31, 2006, but before January 1, 2010. The provisions of this section shall be part of and supplemental to the Kansas estate tax act.

On January 1, 2010, the provisions of K.S.A. 2008 Supp. 79-15,201 through 79-15,253, and section 4, and amendments thereto, are hereby repealed.

Sec. 6. K.S.A. 2008 Supp. 79-3230 is hereby amended to read as follows: 79-3230. (a) The amount of income taxes imposed by this act shall be assessed within three years after the original return was filed, the tax as shown to be due on the return was paid or within one year after an amended return is filed, whichever is the later date, and no proceedings in court for the collection of such taxes shall be begun after the expiration of such period. For purposes of this act any return filed before the 15th day of the fourth month following the close of the taxable year shall be considered as being filed on the 15th day of the fourth month following the close of the taxable year, and any tax shown to be due on the return and paid before the 15th day of the fourth month following the close of the taxable year shall be deemed to have been paid on the 15th day of the fourth month following the close of the taxable year.
(b) In the case of a false or fraudulent return with intent to evade tax, the tax may be assessed, or a proceeding in court for collection of such tax may be begun at any time.
(c) No claim shall be allowed for credit or refund of overpayment of any tax imposed by this act unless filed by the taxpayer within three years from the date the original return was filed, and any extension allowed pursuant to law, or two years from the date the tax claimed to be refunded or against which the credit is claimed was paid, whichever
of such periods expires later, or if no return was filed by the taxpayer, within two years from
the date the tax claimed to be refunded or against which the credit is claimed was paid.
Where the assessment of any income tax imposed by this act has been made within the
period of limitation properly applicable thereto, such tax may be collected by distraint or
by a proceeding in court, but only if begun within one year after the period of limitation as
defined in this act.

(d) In case a taxpayer has made claim for a refund, the taxpayer shall have the right to
commence a suit for the recovery of the refund at the expiration of six months after the
filing of the claim for refund, if no action has been taken by the director of taxation.

(e) Before the expiration of time prescribed in this section for the assessment of addi-
tional tax or the filing of a claim for a refund, the director of taxation is authorized to enter
into an agreement in writing with the taxpayer consenting to the extension of the periods
of limitations as defined in this act for the assessment of tax or for the filing of a claim for
refund, at any time prior to the expiration of the period of limitations. The period so agreed
upon may be extended by subsequent agreements in writing made before the expiration of
the period previously agreed upon. A copy of all such agreements and extensions thereof
shall be filed with the director of taxation within 30 days after their execution.

(f) Any taxpayer whose income has been adjusted by the federal internal revenue service
or by the income tax collection agency of another state is required to report such adjustments
to the Kansas department of revenue by mail within 180 days of the date the federal or
other state adjustments are paid, agreed to or become final, whichever is earlier. Such
adjustments shall be reported by filing an amended return for the applicable taxable year
and a copy of the federal or state revenue agent’s report detailing such adjustments. In the
event such taxpayer is a corporation, such report shall be by certified or registered mail.

Notwithstanding the provisions of subsection (a) or (e) of this section, additional income
taxes may be assessed and proceedings in court for collection of such taxes may be com-
menced and any refund or credit may be allowed by the director of taxation within 180 days
following receipt of any such report of adjustments by the Kansas department of revenue,
or within two years from the date the tax claimed to be refunded or, against which the credit
is claimed was paid, whichever period expires later. No assessment shall be made nor any
refund or credit shall be allowable under the provisions of this paragraph subsection except
to the extent the same is attributable to changes in the taxpayer’s income due to adjustments
indicated by such report. Failure by the taxpayer to comply with the provisions of this
subsection shall not bar the Kansas department of revenue to assess or
collect such taxes.

(g) In the event of failure to comply with the provisions of this section, the statute of
limitations shall be tolled. Failure by the taxpayer to comply with the requirements for filing
returns shall toll the periods of limitation for the Kansas department of revenue to assess or
collect taxes.

Sec. 7. K.S.A. 2008 Supp. 79-4502 is hereby amended to read as follows: 79-4502. As
used in this act, unless the context clearly indicates otherwise:

(a) “Income” means the sum of adjusted gross income under the Kansas income tax
act, maintenance, support money, cash public assistance and relief, not including any refund
granted under this act, the gross amount of any pension or annuity, including all monetary
retirement benefits from whatever source derived, including but not limited to, all payments
received under the railroad retirement act, except disability payments, payments received
under the federal social security act, except that for determination of what constitutes in-
come such amount shall not exceed 50% of any such social security payments and shall not
include any social security payments to a claimant who prior to attaining full retirement age
had been receiving disability payments under the federal social security act in an amount
not to exceed the amount of such disability payments or 50% of any such social security
payments, whichever is greater, all dividends and interest from whatever source derived not
included in adjusted gross income, workers compensation and the gross amount of “loss of
time” insurance. Income does not include gifts from nongovernmental sources or surplus
food or other relief in kind supplied by a governmental agency, nor shall net operating losses
and net capital losses be considered in the determination of income. Income does not

include veterans disability pensions. Income does not include disability payments received under the federal social security act.

(b) “Household” means a claimant, a claimant and spouse who occupy the homestead or a claimant and one or more individuals not related as husband and wife who together occupy a homestead.

(c) “Household income” means all income received by all persons of a household in a calendar year while members of such household.

(d) “Homestead” means the dwelling, or any part thereof, whether owned or rented, which is occupied as a residence by the household and so much of the land surrounding it, as defined as a home site for ad valorem tax purposes, and may consist of a part of a multi-dwelling or multi-purpose building and a part of the land upon which it is built or a manufactured home or mobile home and the land upon which it is situated. “Owned” includes a vendee in possession under a land contract, a life tenant, a beneficiary under a trust and one or more joint tenants or tenants in common.

(e) “Claimant” means a person who has filed a claim under the provisions of this act and was, during the entire calendar year preceding the year in which such claim was filed for refund under this act, except as provided in K.S.A. 79-4503, and amendments thereto, both domiciled in this state and was: (1) A person having a disability; (2) a person who is 55 years of age or older (3) a disabled veteran; (4) the surviving spouse of active duty military personnel who died in the line of duty; or (5) a person other than a person included under (1) or (2) or (3) or (4) having one or more dependent children under 18 years of age residing at the person’s homestead during the calendar year immediately preceding the year in which a claim is filed under this act. The surviving spouse of a disabled veteran who was receiving benefits pursuant to subsection (e)(3) of this section at the time of the veterans’ death, shall be eligible to continue to receive benefits until such time the surviving spouse remarries.

When a homestead is occupied by two or more individuals and more than one of the individuals is able to qualify as a claimant, the individuals may determine between them as to whom the claimant will be. If they are unable to agree, the matter shall be referred to the secretary of revenue whose decision shall be final.

(f) “Property taxes accrued” means property taxes, exclusive of special assessments, delinquent interest and charges for service, levied on a claimant’s homestead in 1979 or any calendar year thereafter by the state of Kansas and the political and taxing subdivisions of the state. When a homestead is owned by two or more persons or entities as joint tenants or tenants in common and one or more of the persons or entities is not a member of claimant’s household, “property taxes accrued” is that part of property taxes levied on the homestead that reflects the ownership percentage of the claimant’s household. For purposes of this act, property taxes are “levied” when the tax roll is delivered to the local treasurer with the treasurer’s warrant for collection. When a claimant and household own their homestead part of a calendar year, “property taxes accrued” means only taxes levied on the homestead when both owned and occupied as a homestead by the claimant’s household at the time of the levy, multiplied by the percentage of 12 months that the property was owned and occupied by the household as its homestead in the year. When a household owns and occupies two or more different homesteads in the same calendar year, property taxes accrued shall be the sum of the taxes allocable to those several properties while occupied by the household as its homestead during the year. Whenever a homestead is an integral part of a larger unit such as a multi-purpose or multi-dwelling building, property taxes accrued shall be that percentage of the total property taxes accrued as the value of the homestead is of the total value. For the purpose of this act, the word “unit” refers to that parcel of property covered by a single tax statement of which the homestead is a part.

(g) “Disability” means:

(1) Inability to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or has lasted or can be expected to last for a continuous period of not less than 12 months, and an individual shall be determined to be under a disability only if the physical or mental impairment or impairments are of such severity that the individual is not only unable to do the individual’s previous work but cannot, considering age, education and work experience,
engage in any other kind of substantial gainful work which exists in the national economy, regardless of whether such work exists in the immediate area in which the individual lives or whether a specific job vacancy exists for the individual, or whether the individual would be hired if application was made for work. For purposes of the preceding sentence (with respect to any individual), “work which exists in the national economy” means work which exists in significant numbers either in the region where the individual lives or in several regions of the country; for purposes of this subsection, a “physical or mental impairment” is an impairment that results from anatomical, physiological or psychological abnormalities which are demonstrable by medically acceptable clinical and laboratory diagnostic techniques, or

(2) blindness and inability by reason of blindness to engage in substantial gainful activity requiring skills or abilities comparable to those of any gainful activity in which the individual has previously engaged with some regularity and over a substantial period of time.

(h) “Blindness” means central visual acuity of 20/200 or less in the better eye with the use of a correcting lens. An eye which is accompanied by a limitation in the fields of vision such that the widest diameter of the visual field subtends an angle no greater than 20 degrees shall be considered for the purpose of this paragraph as having a central visual acuity of 20/200 or less.

(i) “Rent constituting property taxes accrued” means 15% of the gross rent actually paid in cash or its equivalent in 2007 or any taxable year thereafter by a claimant and claimant’s household solely for the right of occupancy of a Kansas homestead on which ad valorem property taxes were levied in full for that year. When a household occupies two or more different homesteads in the same calendar year, rent constituting property taxes accrued shall be computed by adding the rent constituting property taxes accrued for each property rented by the household while occupied by the household as its homestead during the year.

(j) “Gross rent” means the rental paid at arm’s length solely for the right of occupancy of a homestead or space rental paid to a landlord for the parking of a mobile home, exclusive of charges for any utilities, services, furniture and furnishings or personal property appliances furnished by the landlord as a part of the rental agreement, whether or not expressly set out in the rental agreement. Whenever the director of taxation finds that the landlord and tenant have not dealt with each other at arms length and that the gross rent charge was excessive, the director may adjust the gross rent to a reasonable amount for the purposes of the claim.

(k) “Disabled veteran” means a person who is a resident of Kansas and has been honorably discharged from active service in any branch of the armed forces of the United States or Kansas national guard and who has been certified by the United States department of veterans affairs or its successor to have a 50% permanent disability sustained through military action or accident or resulting from disease contracted while in such active service.”;

And by renumbering the remaining sections accordingly;

On page 1, in the title, in line 10, by striking “exemptions” the first time it appears; in line 11, after “exemptions” by inserting “; valuation of land devoted to agricultural use for estate tax purposes; periods of limitation for income tax refunds and adjustments of income; homestead property tax refunds;”; in line 12, by striking “79-3602, 79-3603 and 79-3606” and inserting “79-15,253, 79-3230, 79-3602, as amended by section 1 of 2009 House Bill No. 2321, 79-3603, 79-3606 and 79-4502”;

EXPLANATION OF VOTE

MR. PRESIDENT: I really wanted to vote for HB 2172 because of the sales tax exemption for Goodwill Industries and the Homestead Property Tax Refund Program which would include disabled veterans and their spouses. Those two entities represent only about 3.5% of the potential revenue in this conference committee report. However, I cannot in good conscience support this report because I believe we need to consider all revenue options in addition to the significant budget cuts we have already passed out of this body during these tough economic times.—KELLY KULTALA

Senators Haley and Kelly request the record to show they concur with the “Explanation of Vote” offered by Senator Kultala on HB 2172.

MR. PRESIDENT: In light of the budget situation our state is facing, I cannot vote for HB 2172. Even though the bill included several sales tax exemptions, a clarification to the estate tax provisions dealing with the valuation of agricultural land, and an expansion of who would be eligible to claim the Homestead Property Tax Refund program, all of which I would very much have liked to have been able to support, I cannot vote for this bill. When the state is being forced to cut funding for K-12 education and for programs for our senior citizens as well as not having the financial resources to increase support for Home and Community Based Service for our disability populations, I cannot vote for legislation which would exacerbate that very situation.—JANIS LEE

Senators Francisco, Haley, Hensley, and Kelly request the record to show they concur with the “Explanation of Vote” offered by Senator Lee on HB 2172.

MR. PRESIDENT: I vote aye on the conference committee report on House Bill 2172. This bill contains good tax policy. In difficult fiscal times, I believe that any tax reductions this year should be offset so that the net effect on state revenues is flat. House Bill 2172 and our other actions today accomplish that goal.

This conference committee report contains at least four provisions for which enactment of House Bill 2172 is required to maintain the status quo. Oddly, however, the official fiscal note on this bill only acknowledges the lost revenues from this bill’s effect on three of those provisions. It ignores the gained revenues from changing the fourth. I believe fiscal notes should be consistent in how they count the cost of inaction. If the revenue gain from enactment of the House Bill 2172, estimated in committee testimony at about $5 million per year, were counted, then the net fiscal note for this bill becomes positive in the first year. Coupled with the positive fiscal note from the other tax bill we approved today, the net effect of the Senate’s actions on tax policy today is revenue neutral.—DEREK SCHMIDT

Senators Abrams, Brownlee, Lynn, McGinn, Ostmeyer, Petersen, and Teichman request the record to show they concur with the “Explanation of Vote” offered by Senator D. Schmidt on House Bill 2172.

MR. PRESIDENT: I vote no on the conference committee report on House Bill 2172 because it further erodes the state sales tax base. The charitable organizations benefitting from this bill are worthy, but we must draw the line on sales tax exemptions somewhere. We now have over 100 sales tax exemptions. This bill is estimated to reduce state revenue in 2010 by $4½ million and a total of $43.6 million over five years. We will wish we had this revenue when we labor to pass the Omnibus budget. Although the motives are good, the results of this bill are bad. We cannot afford House Bill 2172.—JOHN VRATIL

Senators Francisco, Haley, Hensley, Kelly and Owens request the record to show they concur with the “Explanation of Vote” offered by Senator Vratil on House Bill 2172.

EXPLANATION OF VOTE

MR. PRESIDENT: I strongly support SB 97. Last month we lost 9700 jobs in Kansas, and just last week the number of Kansans requesting unemployment increased dramatically.

The PEAK Act is a major economic shot in the arm when we need it most. It will create jobs that otherwise would never come to Kansas.

Furthermore the fiscal note shows how we should look at the economic impact of all major bills.

We need to create jobs in Kansas. This is a great step forward.—JEFF COLYER

Senators Apple, Brownlee, Donovan, Lynn and Petersen request the record to show they concur with the “Explanation of Vote” offered by Senator Colyer on SB 97.

Invocation by Chaplain Fred S. Hollomon:

Heavenly Father,
Each session is planned for ninety days;
Sometimes we don’t make it, sometimes we do.
If there’s a lot of pressure involved,
We strive to get it through.
But often it takes more time
To produce bills fit to present.
Then the public is quickly informed
How much more money we spent.
Whether we hurry or whether we don’t,
The result is always the same
Some people think we did well,
Most people think it’s a shame.
So I ask You, Lord, to help us
To try hard to get some rest,
To remember we can’t please everyone,
And just continue to do our best.
I pray in the Name of Jesus Christ,
AMEN

The Pledge of Allegiance was led by President Stephen Morris.

(A) Except as provided in subparagraphs (D) and (E), persons sentenced for nondrug severity level 1 through 4 crimes and drug severity levels 1 and 2 crimes must serve 36 months, plus the amount of good time and program credit earned and retained pursuant to K.S.A. 21-4722, and amendments thereto, on postrelease supervision.

(D) (i) The sentencing judge shall impose the postrelease supervision period provided in subparagraph (d)(1)(A), (d)(1)(B) or (d)(1)(C), unless the judge finds substantial and compelling reasons to impose a departure based upon a finding that the current crime of conviction was sexually motivated. In that event, departure may be imposed to extend the postrelease supervision to a period of up to 60 months.

(ii) If the sentencing judge departs from the presumptive postrelease supervision period, the judge shall state on the record at the time of sentencing the substantial and compelling reasons for the departure. Departures in this section are subject to appeal pursuant to K.S.A. 21-4721, and amendments thereto.

(a) Written briefs or oral arguments submitted by either the defendant or the state;

(E) The period of postrelease supervision provided in subparagraphs (A) and (B) may be reduced by up to 12 months and the period of postrelease supervision provided in subparagraph (C) may be reduced by up to six months based on the offender’s compliance with conditions of supervision and overall performance while on postrelease supervision. The reduction in the supervision period shall be on an earned basis pursuant to rules and regulations adopted by the secretary of corrections.
In cases where sentences for crimes from more than one severity level have been imposed, the offender shall serve the longest period of postrelease supervision as provided by this section available for any crime upon which sentence was imposed irrespective of the severity level of the crime. Supervision periods will not aggregate.

Except as provided in subsection (u), persons convicted of a sexually violent crime committed on or after July 1, 2006, and who are released from prison, shall be released to a mandatory period of postrelease supervision for the duration of the person’s natural life.

As used in this section, “sexually violent crime” means:

- Rape, K.S.A. 21-3502, and amendments thereto;
- Indecent liberties with a child, K.S.A. 21-3503, and amendments thereto;
- Aggravated indecent liberties with a child, K.S.A. 21-3504, and amendments thereto;
- Criminal sodomy, subsection (a)(2) and (a)(3) of K.S.A. 21-3505, and amendments thereto;
- Aggravated criminal sodomy, K.S.A. 21-3506, and amendments thereto;
- Indecent solicitation of a child, K.S.A. 21-3510, and amendments thereto;
- Aggravated indecent solicitation of a child, K.S.A. 21-3511, and amendments thereto;
- Sexual exploitation of a child, K.S.A. 21-3516, and amendments thereto;
- Aggravated sexual battery, K.S.A. 21-3518, and amendments thereto;
- Aggravated incest, K.S.A. 21-3603, and amendments thereto; or
- An attempt, conspiracy or criminal solicitation, as defined in K.S.A. 21-3301, 21-3302 or 21-3303, and amendments thereto, of a sexually violent crime as defined in this section.

“Sexually motivated” means that one of the purposes for which the defendant committed the crime was for the purpose of the defendant’s sexual gratification.

If an inmate is sentenced to imprisonment for a crime committed while on parole or conditional release, the inmate shall be eligible for parole as provided by subsection (c), except that the Kansas parole board may postpone the inmate’s parole eligibility date by assessing a penalty not exceeding the period of time which could have been assessed if the inmate’s parole or conditional release had been violated for reasons other than conviction of a crime.

If a person is sentenced to prison for a crime committed prior to July 1, 1993, while on probation, parole, conditional release or in a community corrections program, for a crime committed prior to July 1, 1993, and the person is not eligible for retroactive application of the sentencing guidelines and amendments thereto pursuant to K.S.A. 21-4724, and amendments thereto, the new sentence shall not be aggregated with the old sentence, but shall begin when the person is paroled or reaches the conditional release date on the old sentence. If the offender was past the offender’s conditional release date at the time the new offense was committed, the new sentence shall not be aggregated with the old sentence but shall begin when the person is ordered released by the Kansas parole board or reaches the maximum sentence expiration date on the old sentence, whichever is earlier. The new sentence shall then be served as otherwise provided by law. The period of postrelease supervision shall be based on the new sentence, except that those offenders whose old sentence is a term of imprisonment for life, imposed pursuant to K.S.A. 1993 Supp. 21-4628 prior to its repeal, or an indeterminate sentence with a maximum term of life imprisonment, for which there is no conditional release or maximum sentence expiration date, shall remain on postrelease supervision for life or until discharged from supervision by the Kansas parole board.

Subject to the provisions of this section, the Kansas parole board may release on parole those persons confined in institutions who are eligible for parole when: (1) The board believes that the inmate should be released for hospitalization, for deportation or to answer the warrant or other process of a court and is of the opinion that there is reasonable probability that the inmate can be released without detriment to the community or to the inmate; or (2) the secretary of corrections has reported to the board in writing that the inmate has satisfactorily completed the programs required by any agreement entered under K.S.A. 75-5210a, and amendments thereto, or any revision of such agreement, and the board believes that the inmate is able and willing to fulfill the obligations of a law abiding citizen and is of
the opinion that there is reasonable probability that the inmate can be released without
detriment to the community or to the inmate. Parole shall not be granted as an award of
clemency and shall not be considered a reduction of sentence or a pardon.

(h) The Kansas parole board shall hold a parole hearing at least the month prior to the
month an inmate will be eligible for parole under subsections (a), (b) and (c). At least the
month preceding the parole hearing, the county or district attorney of the county where the
inmate was convicted shall give written notice of the time and place of the public comment
sessions for the inmate to any victim of the inmate’s crime who is alive and whose address
is known to the county or district attorney or, if the victim is deceased, to the victim’s family
if the family’s address is known to the county or district attorney. Except as otherwise
provided, failure to notify pursuant to this section shall not be a reason to postpone a parole
hearing. In the case of any inmate convicted of an off-grid felony or a class A felony the
secretary of corrections shall give written notice of the time and place of the public comment
session for such inmate at least one month preceding the public comment session to any
victim of such inmate’s crime or the victim’s family pursuant to K.S.A. 74-7338, and amend-
ments thereto. If notification is not given to such victim or such victim’s family in the case
of any inmate convicted of an off-grid felony or a class A felony, the board shall postpone
a decision on parole of the inmate to a time at least 30 days after notification is given as
provided in this section. Nothing in this section shall create a cause of action against the
state or an employee of the state acting within the scope of the employee’s employment as
a result of the failure to notify pursuant to this section. If granted parole, the inmate may
be released on parole on the date specified by the board, but not earlier than the date the
inmate is eligible for parole under subsections (a), (b) and (c). At each parole hearing and,
if parole is not granted, at such intervals thereafter as it determines appropriate, the Kansas
parole board shall consider: (1) Whether the inmate has satisfactorily completed the pro-
grams required by any agreement entered under K.S.A. 75-5210a, and amendments thereto,
or any revision of such agreement; and (2) all pertinent information regarding such inmate,
including, but not limited to, the circumstances of the offense of the inmate; the presentence
report; the previous social history and criminal record of the inmate; the conduct, employ-
ment, and attitude of the inmate in prison; the reports of such physical and mental exami-
nations as have been made, including, but not limited to, risk factors revealed by any risk
assessment of the inmate; comments of the victim and the victim’s family including in person
comments, contemporaneous comments and prerecorded comments made by any techno-
logical means; comments of the public; official comments; any recommendation by the staff
of the facility where the inmate is incarcerated; proportionality of the time the inmate has
served to the sentence a person would receive under the Kansas sentencing guidelines for
the conduct that resulted in the inmate’s incarceration; and capacity of state correctional
institutions.

(i) In those cases involving inmates sentenced for a crime committed after July 1, 1993,
the parole board will review the inmates proposed release plan. The board may schedule a
hearing if they desire. The board may impose any condition they deem necessary to insure
public safety, aid in the reintegration of the inmate into the community, or items not com-
pleted under the agreement entered into under K.S.A. 75-5210a, and amendments thereto.
The board may not advance or delay an inmate’s release date. Every inmate while on post-
release supervision shall remain in the legal custody of the secretary of corrections and is
subject to the orders of the secretary.

(j) Before ordering the parole of any inmate, the Kansas parole board shall have the
inmate appear before either in person or via a video conferencing format and shall interview
the inmate unless impractical because of the inmate’s physical or mental condition or ab-
sence from the institution. Every inmate while on parole shall remain in the legal custody
of the secretary of corrections and is subject to the orders of the secretary. Whenever the
Kansas parole board formally considers placing an inmate on parole and no agreement has
been entered into with the inmate under K.S.A. 75-5210a, and amendments thereto, the
board shall notify the inmate in writing of the reasons for not granting parole. If an agree-
ment has been entered under K.S.A. 75-5210a, and amendments thereto, and the inmate
has not satisfactorily completed the programs specified in the agreement, or any revision of
such agreement, the board shall notify the inmate in writing of the specific programs the
inmate must satisfactorily complete before parole will be granted. If parole is not granted only because of a failure to satisfactorily complete such programs, the board shall grant parole upon the secretary's certification that the inmate has successfully completed such programs. If an agreement has been entered under K.S.A. 75-5210a, and amendments thereto, and the secretary of corrections has reported to the board in writing that the inmate has satisfactorily completed the programs required by such agreement, or any revision thereof, the board shall not require further program participation. However, if the board determines that other pertinent information regarding the inmate warrants the inmate's not being released on parole, the board shall state in writing the reasons for not granting the parole. If parole is denied for an inmate sentenced for a crime other than a class A or class B felony or an off-grid felony, the board shall hold another parole hearing for the inmate not later than one year after the denial unless the parole board finds that it is not reasonable to expect that parole would be granted at a hearing if held in the next three years or during the interim period of a deferral. In such case, the parole board may defer subsequent parole hearings for up to three years but any such deferral by the board shall require the board to state the basis for its findings. If parole is denied for an inmate sentenced for a class A or class B felony or an off-grid felony, the board shall hold another parole hearing for the inmate not later than three years after the denial unless the parole board finds that it is not reasonable to expect that parole would be granted at a hearing if held in the next 10 years or during the interim period of a deferral. In such case, the parole board may defer subsequent parole hearings for up to 10 years but any such deferral shall require the board to state the basis for its findings.

(k) Parolees and persons on postrelease supervision shall be assigned, upon release, to the appropriate level of supervision pursuant to the criteria established by the secretary of corrections.

(l) The Kansas parole board shall adopt rules and regulations in accordance with K.S.A. 77-415 et seq., and amendments thereto, not inconsistent with the law and as it may deem proper or necessary, with respect to the conduct of parole hearings, postrelease supervision reviews, revocation hearings, orders of restitution, reimbursement of expenditures by the state board of indigents' defense services and other conditions to be imposed upon parolees or releasees. Whenever an order for parole or postrelease supervision is issued it shall recite the conditions thereof.

(m) Whenever the Kansas parole board orders the parole of an inmate or establishes conditions for an inmate placed on postrelease supervision, the board:

(1) Unless it finds compelling circumstances which would render a plan of payment unworkable, shall order as a condition of parole or postrelease supervision that the parolee or the person on postrelease supervision pay any transportation expenses resulting from returning the parolee or the person on postrelease supervision to this state to answer criminal charges or a warrant for a violation of a condition of probation, assignment to a community correctional services program, parole, conditional release or postrelease supervision;

(2) to the extent practicable, shall order as a condition of parole or postrelease supervision that the parolee or the person on postrelease supervision make progress towards or successfully complete the equivalent of a secondary education if the inmate has not previously completed such educational equivalent and is capable of doing so;

(3) may order that the parolee or person on postrelease supervision perform community or public service work for local governmental agencies, private corporations organized not-for-profit or charitable or social service organizations performing services for the community;

(4) may order the parolee or person on postrelease supervision to pay the administrative fee imposed pursuant to K.S.A. 22-4529, and amendments thereto, unless the board finds compelling circumstances which would render payment unworkable; and

(5) unless it finds compelling circumstances which would render a plan of payment unworkable, shall order that the parolee or person on postrelease supervision reimburse the state for all or part of the expenditures by the state board of indigents' defense services to provide counsel and other defense services to the person. In determining the amount and method of payment of such sum, the parole board shall take account of the financial resources of the person and the nature of the burden that the payment of such sum will
impose. Such amount shall not exceed the amount claimed by appointed counsel on the
payment voucher for indigents' defense services or the amount prescribed by the board of
indigents' defense services reimbursement tables as provided in K.S.A. 22-4522, and amend-
ments thereto, whichever is less, minus any previous payments for such services.

(n) If the court which sentenced an inmate specified at the time of sentencing the
amount and the recipient of any restitution ordered as a condition of parole or postrelease
supervision, the Kansas parole board shall order as a condition of parole or postrelease
supervision that the inmate pay restitution in the amount and manner provided in the journal
entry unless the board finds compelling circumstances which would render a plan of resti-
tution unworkable.

(o) Whenever the Kansas parole board grants the parole of an inmate, the board, within
10 days of the date of the decision to grant parole, shall give written notice of the decision
to the county or district attorney of the county where the inmate was sentenced.

(p) When an inmate is to be released on postrelease supervision, the secretary, within
30 days prior to release, shall provide the county or district attorney of the county where
the inmate was sentenced written notice of the release date.

(q) Inmates shall be released on postrelease supervision upon the termination of the
prison portion of their sentence. Time served while on postrelease supervision will vest.

(r) An inmate who is allocated regular good time credits as provided in K.S.A. 22-3725,
and amendments thereto, may receive meritorious good time credits in increments of not
more than 90 days per meritorious act. These credits may be awarded by the secretary of
corrections when an inmate has acted in a heroic or outstanding manner in coming to the
assistance of another person in a life threatening situation, preventing injury or death to a
person, preventing the destruction of property or taking actions which result in a financial
savings to the state.

(s) The provisions of subsections (d)(1)(A), (d)(1)(B), (d)(1)(C) and (d)(1)(E) shall be
applied retroactively as provided in subsection (t).

(t) For offenders sentenced prior to the effective date of this act who are eligible for
modification of their postrelease supervision obligation, the department of corrections shall
modify the period of postrelease supervision as provided for by this section for offenders
convicted of severity level 9 and 10 crimes on the sentencing guidelines grid for nondrug
crimes and severity level 4 crimes on the sentencing guidelines grid for drug crimes on or
before September 1, 2000; for offenders convicted of severity level 7 and 8 crimes on the
sentencing guidelines grid for nondrug crimes on or before November 1, 2000; and for
offenders convicted of severity level 5 and 6 crimes on the sentencing guidelines grid for
nondrug crimes and severity level 3 crimes on the sentencing guidelines grid for drug crimes
on or before January 1, 2001.

(u) An inmate sentenced to imprisonment pursuant to K.S.A. 21-4643, and amendments
thereto, for crimes committed on or after July 1, 2006, shall be placed on parole for life and
shall not be discharged from supervision by the Kansas parole board. When the board orders
the parole of an inmate pursuant to this subsection, the board shall order as a condition of
parole that the inmate be electronically monitored for the duration of the inmate's natural
life.

(v) Whenever the Kansas parole board or the court orders a person to be electronically
monitored, the board or court shall order the person to reimburse the state for all or part
of the cost of such monitoring. In determining the amount and method of payment of such
sum, the board or court shall take account of the financial resources of the person and the
nature of the burden that the payment of such sum will impose.

(w) Documents, records and reports from the parole board, reviewed and produced on
and after July 1, 2008 through June 30, 2009, concerning factors and rationale used to
determine the granting or denial of parole, shall be available to members of the standing
senate committee on judiciary, house committee on judiciary, house committee on corrections
and juvenile justice and the joint committee on corrections and juvenile justice, when car-
rying out such committee's official functions in accordance with K.S.A. 75-4319, and amend-
ments thereto, in a closed or executive meeting. The parole board shall provide to such
legislative members a summary statement of the factors and rationale used to determine such
grant or denial. Such information shall include such summary statement and any corre-
spondence received by the parole board relating to such grant or denial. Documents, records and reports received by the committee are confidential and shall not be further disclosed. Such documents, records and reports received shall not be subject to K.S.A. 45-221, and amendments thereto. All copies of such documents, records and reports shall be returned to the parole board prior to the open meeting resuming. Unauthorized disclosure may subject such member to discipline or censure from the house of representatives or senate.

```
New Section 1. (a) In addition to any other fees specifically prescribed by law, on and after July 1, 2009, through June 30, 2010, the supreme court may impose a charge, not to exceed $10 per fee, to fund the costs of non-judicial personnel, on the following:

(1) A person who requests an order or writ of execution, pursuant to K.S.A. 60-2401, and amendments thereto.

(2) Persons who request a hearing in aid of execution or an alias order for hearing pursuant to K.S.A. 60-2419, and amendments thereto.

(3) A person requesting an order for garnishment pursuant to article 7 of chapter 60 of the Kansas Statutes Annotated, and amendments thereto, or article 35 of chapter 61 of the Kansas Statutes Annotated, and amendments thereto.

(4) Persons who request a writ or order of sale pursuant to K.S.A. 61-3602, and amendments thereto.

(5) A person who requests a hearing in aid of execution, pursuant to K.S.A. 61-3604, and amendments thereto.
```

(b) The clerk of the district court shall remit all revenues received from the fees imposed pursuant to subsection (a) to the state treasurer, in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the judicial branch surcharge fund.

(c) The fees established in this section shall be the only fee collected or moneys in the nature of a fee collected for such court procedures. Such fee shall only be established by an act of the legislature and no other authority is established by law or otherwise to collect a fee.

Sec. 2. K.S.A. 2008 Supp. 8-2107 is hereby amended to read as follows: 8-2107. (a) (1) Notwithstanding any other provisions of the uniform act regulating traffic on highways, when a person is stopped by a police officer for any of the offenses described in subsection (d) and such person is not immediately taken before a judge of the district court, the police officer may require the person stopped, subject to the provisions of subsection (c), to deposit with the officer a valid Kansas driver’s license in exchange for a receipt therefor issued by such police officer, the form of which shall be approved by the division of vehicles. Such receipt shall be recognized as a valid temporary Kansas driver’s license authorizing the operation of a motor vehicle by the person stopped until the date of the hearing stated on the receipt. The driver’s license and a written copy of the notice to appear shall be delivered by the police officer to the court having jurisdiction of the offense charged as soon as reasonably possible. If the hearing on such charge is continued for any reason, the judge may note on the receipt the date to which such hearing has been continued and such receipt shall be recognized as a valid temporary Kansas driver’s license until such date, but in no
event shall such receipt be recognized as a valid Kansas driver’s license for a period longer than 30 days from the date set for the original hearing. Any person who has deposited a driver’s license with a police officer under this subsection (a) shall have such license returned upon final determination of the charge against such person.

(2) In the event the person stopped deposits a valid Kansas driver’s license with the police officer and fails to appear in the district court on the date set for appearance, or any continuance thereof, and in any event within 30 days from the date set for the original hearing, the court shall forward such person’s driver’s license to the division of vehicles with an appropriate explanation attached thereto. Upon receipt of such person’s driver’s license, the division shall suspend such person’s privilege to operate a motor vehicle in this state until such person appears before the court having jurisdiction of the offense charged, the court makes a final disposition thereof and notice of such disposition is given by the court to the division. No new or replacement license shall be issued to any such person until such notice of disposition has been received by the division. The provisions of K.S.A. 8-256, and amendments thereto, limiting the suspension of a license to one year, shall not apply to suspensions for failure to appear as provided in this subsection (a).

(b) No person shall apply for a replacement or new driver’s license prior to the return of such person’s original license which has been deposited in lieu of bond under this section. Violation of this subsection (b) is a class C misdemeanor. The division may suspend such person’s driver’s license for a period of not to exceed one year from the date the division receives notice of the disposition of the person’s charge as provided in subsection (a).

(c) (1) In lieu of depositing a valid Kansas driver’s license with the stopping police officer as provided in subsection (a), the person stopped may elect to give bond in the amount specified in subsection (d) for the offense for which the person was stopped. When such person does not have a valid Kansas driver’s license, such person shall give such bond. Such bond shall be subject to forfeiture if the person stopped does not appear at the court and at the time specified in the written notice provided for in K.S.A. 8-2206, and amendments thereto.

(2) Such bond may be a cash bond, a bank card draft from any valid and unexpired credit card approved by the division of vehicles or superintendent of the Kansas highway patrol or a guaranteed arrest bond certificate issued by either a surety company authorized to transact such business in this state or an automobile club authorized to transact business in this state by the commissioner of insurance. If any of the approved bank card issuers redeem the bank card draft at a discounted rate, such discount shall be charged against the amount designated as the fine for the offense. If such bond is not forfeited, the amount of the bond less the discount rate shall be reimbursed to the person providing the bond by the use of a bank card draft. Any such guaranteed arrest bond certificate shall be signed by the person to whom it is issued and shall contain a printed statement that such surety company or automobile club guarantees the appearance of such person and will, in the event of failure of such person to appear in court at the time of trial, pay any fine or forfeiture imposed on such person not to exceed an amount to be stated on such certificate.

(3) Such cash bond shall be taken in the following manner: The police officer shall furnish the person stopped a stamped envelope addressed to the judge or clerk of the court named in the written notice to appear and the person shall place in such envelope the amount of the bond, and in the presence of the police officer shall deposit the same in the United States mail. After such cash payment, the person stopped need not sign the written notice to appear, but the police officer shall note the amount of the bond mailed on the notice to appear form and shall give a copy of such form to the person. If the person stopped furnishes the police officer with a guaranteed arrest bond certificate or bank card draft, the police officer shall give such person a receipt therefor and shall note the amount of the bond on the notice to appear form and give a copy of such form to the person stopped. Such person need not sign the written notice to appear, and the police officer shall present the notice to appear and the guaranteed arrest bond certificate or bank card draft to the court having jurisdiction of the offense charged as soon as reasonably possible.

(d) The offenses for which appearance bonds may be required as provided in subsection (c) and the amounts thereof shall be as follows:

On and after July 1, 1996:
Reckless driving ................................................................. $82
Driving when privilege is canceled, suspended or revoked ........ $82
Failure to comply with lawful order of officer ...................... 57
Registration violation (registered for 12,000 pounds or less) .... 52
Registration violation (registered for more than 12,000 pounds) 92
No driver’s license for the class of vehicle operated or violation of restrictions ................................................................. 52
Spilling load on highway ...................................................... 52
Transporting open container of alcoholic liquor or cereal malt beverage accessible while vehicle in motion .......................... 223

(e) In the event of forfeiture of any bond under this section, $75 of the amount forfeited shall be regarded as a docket fee in any court having jurisdiction over the violation of state law.

(f) None of the provisions of this section shall be construed to conflict with the provisions of the nonresident violator compact.

(g) When a person is stopped by a police officer for any traffic infraction and the person is a resident of a state which is not a member of the nonresident violator compact, K.S.A. 8-1219 et seq., and amendments thereto, or the person is licensed to drive under the laws of a foreign country, the police officer may require a bond as provided for under subsection (c). The bond shall be in the amount specified in the uniform fine schedule in subsection (c) of K.S.A. 8-2118, and amendments thereto, plus $75 which shall be regarded as a docket fee in any court having jurisdiction over the violation of state law.

(h) When a person is stopped by a police officer for failure to provide proof of financial security pursuant to K.S.A. 40-3104, and amendments thereto, and the person is a resident of another state or the person is licensed to drive under the laws of a foreign country, the police officer may require a bond as provided for under subsection (c). The bond shall be in the amount of $75, plus $75 which shall be regarded as a docket fee in any court having jurisdiction over the violation of state law.

(i) The docket fee established in this section shall be the only fee collected or moneys in the nature of a fee collected for the docket fee. Such fee shall only be established by an act of the legislature and no other authority is established by law or otherwise to collect a fee. Except as provided further, the docket fee established in this section shall be the only fee collected or moneys in the nature of a fee collected for the docket fee. Such fee shall only be established by an act of the legislature and no other authority is established by law or otherwise to collect a fee. On and after July 1, 2009 through June 30, 2010, the supreme court may impose an additional charge, not to exceed $10 per docket fee, to fund the costs of non-judicial personnel.

Sec. 3. K.S.A. 2008 Supp. 8-2110 is hereby amended to read as follows: 8-2110. (a) Failure to comply with a traffic citation means failure either to (1) appear before any district or municipal court in response to a traffic citation and pay in full any fine and court costs imposed or (2) otherwise comply with a traffic citation as provided in K.S.A. 8-2118, and amendments thereto. Failure to comply with a traffic citation is a misdemeanor, regardless of the disposition of the charge for which such citation was originally issued.

(b) In addition to penalties of law applicable under subsection (a), when a person fails to comply with a traffic citation, except for illegal parking, standing or stopping, the district or municipal court in which the person should have complied with the citation shall mail notice to the person that if the person does not appear in district or municipal court or pay all fines, court costs and any penalties within 30 days from the date of mailing notice, the division of vehicles will be notified to suspend the person’s driving privileges. The district or municipal court may charge an additional fee of $5 for mailing such notice. Upon the person’s failure to comply within such 30 days of mailing notice, the district or municipal court shall electronically notify the division of vehicles. Upon receipt of a report of a failure to comply with a traffic citation under this subsection, pursuant to K.S.A. 8-255, and amendments thereto, the division of vehicles shall notify the violator and suspend the license of the violator until satisfactory evidence of compliance with the terms of the traffic citation has been furnished to the informing court. When the court determines the person has complied with the terms of the traffic citation, the court shall immediately electronically
notify the division of vehicles of such compliance. Upon receipt of notification of such compliance from the informing court, the division of vehicles shall terminate the suspension or suspension action.

(c) Except as provided in subsection (d), when the district or municipal court notifies the division of vehicles of a failure to comply with a traffic citation pursuant to subsection (b), the court shall assess a reinstatement fee of $59 for each charge on which the person failed to make satisfaction regardless of the disposition of the charge for which such citation was originally issued. Such reinstatement fee shall be in addition to any fine, district or municipal court costs and other penalties. The court shall remit all reinstatement fees to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury and shall credit 42.37% of such moneys to the division of vehicles operating fund, 31.78% to the community alcoholism and intoxication programs fund created by K.S.A. 41-1126, and amendments thereto, 10.59% to the juvenile detention facilities fund created by K.S.A. 79-4803, and amendments thereto, and 15.26% to the judicial branch nonjudicial salary adjustment fund created by K.S.A. 2008 Supp. 20-1a15, and amendments thereto.

(d) The district court or municipal court shall waive the reinstatement fee provided for in subsection (c), if the failure to comply with a traffic citation was the result of such person enlisting in or being drafted into the armed services of the United States, being called into service as a member of a reserve component of the military service of the United States, or volunteering for such active duty, or being called into service as a member of the state of Kansas national guard, or volunteering for such active duty, and being absent from Kansas because of such military service. An inmate in the custody of the secretary of corrections may file a poverty affidavit only if the inmate attaches a statement disclosing the average account balance, or the total deposits, whichever is less, in the inmate’s trust fund for each month in (A) the six-month period preceding the filing of the action; or (B) the current period of incarceration, whichever is shorter. Such statement shall be certified by the secretary. On receipt of the affidavit and attached statement, the court shall determine the initial fee to be assessed for filing the action and in no event shall the court require an inmate to pay less than $3. The secretary of corrections is hereby authorized to disburse money from the inmate’s account to pay the costs as determined by the court. If the inmate has a zero balance in such inmate’s account, the secretary shall debit such account in the amount of $3 per filing fee as established by the court until money is credited to the account to pay such docket fee. Any initial filing fees assessed pursuant to this subsection shall not prevent the court, pursuant to subsection (d), from taxing that individual for the remainder of the amount required under subsection (a) or this subsection.

(2) Form of affidavit. The affidavit provided for in this subsection shall be in the following form and attached to the petition:

State of Kansas, County. In the district court of the county: I do solemnly swear that the claim set forth in the petition herein is just, and I do further swear that, by reason of my poverty, I am unable to pay a docket fee.

(c) Disposition of fees. The docket fees and the fees for service of process shall be the only costs assessed in each case for services of the clerk of the district court and the sheriff. For every person to be served by the sheriff, the persons requesting service of process shall provide proper payment to the clerk and the clerk of the district court shall forward the service of process fee to the sheriff in accordance with K.S.A. 28-110, and amendments thereto. The service of process fee, if paid by check or money order, shall be made payable to the sheriff. Such service of process fee shall be submitted by the sheriff at least monthly to the county treasurer for deposit in the county treasury and credited to the county general fund. The docket fee shall be disbursed in accordance with K.S.A. 20-362 and amendments thereto.

(d) Additional court costs. Other fees and expenses to be assessed as additional court costs shall be approved by the court, unless specifically fixed by statute. Other fees shall include, but not be limited to, witness fees, appraiser fees, fees for service of process, fees for depositions, alternative dispute resolution fees, transcripts and publication, attorney fees, court costs from other courts and any other fees and expenses required by statute. All additional court costs shall be taxed and billed against the parties as directed by the court. No sheriff in this state shall charge any mileage for serving any papers or process.

Sec. 24. K.S.A. 2008 Supp. 60-2203a is hereby amended to read as follows: 60-2203a.

(a) After the commencement of any action in any district court of this state, or the courts
of the United States in the state of Kansas or in any action now pending heretofore com-
menced in such courts, which does not involve title to real estate, any party to such action
may give notice in any other county of the state of the pendency of the action by filing for
record with the clerk of the district court of such other county a verified statement setting
forth the parties to the action, the nature of the action, the court in which it is pending, and
the relief sought, which shall impart notice of the pendency of the action and shall result in
the same lien rights as if the action were pending in that county. The lien shall be effective
from the time the statement is filed, but not to exceed four months prior to the entry of
judgment except as provided in subsection (c). The party filing such notice shall within 30
days after any satisfaction of the judgment entered in such action, or any other final dis-
position thereof, cause to be filed with such clerk of the district court a notice that all claims
in such action are released. If the party filing fails or neglects to do so after reasonable
demand by any party in interest, such party shall be liable in damages in the same amounts
and manner as is provided by law for failure of a mortgagee to enter satisfaction of a mort-
gage. Upon the filing of such a notice of the pendency of an action the clerk shall charge a
fee of $14 and shall enter and index the action in the same manner as for the filing of an
original action. Upon the filing of a notice of release, the notice shall likewise be entered
on the docket. The fee established in this subsection shall be the only fee collected or moneys
in the nature of a fee collected for the court procedure. Such fee shall only be established
by an act of the legislature and no other authority is established by law or otherwise to
collect a fee. Except as provided further, the fee established in this subsection shall be the
only fee collected or moneys in the nature of a fee collected for the court procedure. Such
fee shall only be established by an act of the legislature and no other authority is established
by law or otherwise to collect a fee. On and after July 1, 2009 through June 30, 2010, the
supreme court may impose an additional charge, not to exceed $10 per fee, to fund the costs
of non-judicial personnel.

(b) Any notice of the type provided for in subsection (a) which was filed on or after
January 10, 1977, and prior to the effective date of this act shall be deemed to impart notice
of the pendency of the action in the same manner as if the provisions of subsection (a) were
in force and effect on and after January 10, 1977.

(c) Notwithstanding the foregoing provisions of this section, the filing of a notice of the
pendency of an action pursuant to subsection (a) shall create no lien rights against the
property of an employee of the state or a municipality prior to the date judgment is rendered
if the pleadings in the pending action allege a negligent or wrongful act or omission of the
employee while acting within the scope of such employee’s employment, regardless of
whether or not it is alleged in the alternative that the employee was acting outside of such
employee’s employment. A judgment against an employee shall become a lien upon such
employee’s property in the county where notice is filed pursuant to subsection (a) when the
judgment is rendered only if it is found that (1) the employee’s negligent or wrongful act
or omission occurred when the employee was acting outside the scope of such employee’s
employment or (2) the employee’s conduct which gave rise to the judgment was because of
actual fraud or actual malice of the employee. In such cases the lien shall not be effective
prior to the date judgment was rendered. As used in this subsection (c), “employee” shall
have the meaning ascribed to such term in K.S.A. 75-6102, and amendments thereto.

Sec. 25. K.S.A. 2008 Supp. 61-2704 is hereby amended to read as follows: 61-2704. (a)
An action seeking the recovery of a small claim shall be considered to have been commenced
at the time a person files a written statement of the person’s small claim with the clerk of
the court if, within 90 days after the small claim is filed, service of process is obtained or
the first publication is made for service by publication. Otherwise, the action is deemed
commenced at the time of service of process or first publication. An entry of appearance
shall have the same effect as service.

(b) Upon the filing of a plaintiff’s small claim, the clerk of the court shall require from the
plaintiff a docket fee of $39 on and after July 1, 2008 through June 30, 2010, and $37
on and after July 1, 2010, if the claim does not exceed $500; or $59 on and after July 1,
2008 through June 30, 2010, and $57 on and after July 1, 2010, if the claim exceeds $500;
unless for good cause shown the judge waives the fee. The docket fee shall be the only costs
required in an action seeking recovery of a small claim. No person may file more than 20 small claims under this act in the same court during any calendar year.

(c) The docket fee established in this section shall be the only fee collected or moneys in the nature of a fee collected for the docket fee. Such fee shall only be established by an act of the legislature and no other authority is established by law or otherwise to collect a fee. Except as provided further, the docket fee established in this section shall be the only fee collected or moneys in the nature of a fee collected for the docket fee. Such fee shall only be established by an act of the legislature and no other authority is established by law or otherwise to collect a fee. On and after July 1, 2009 through June 30, 2010, the supreme court may impose an additional charge, not to exceed $10 per docket fee, to fund the costs of non-judicial personnel.

Sec. 26. K.S.A. 2008 Supp. 61-4001 is hereby amended to read as follows: 61-4001. (a) Docket fee. No case shall be filed or docketed pursuant to the code of civil procedure for limited actions without the payment of a docket fee in the amount of $37 on and after July 1, 2008 through June 30, 2010, and $35 on and after July 1, 2010, if the amount in controversy or claimed does not exceed $500; $57 on and after July 1, 2008 through June 30, 2010, and $55 on and after July 1, 2010, if the amount in controversy or claimed exceeds $500 but does not exceed $5,000; or $103 on and after July 1, 2008 through June 30, 2010, and $101 on and after July 1, 2010, if the amount in controversy or claimed exceeds $5,000. If judgment is rendered for the plaintiff, the court also may enter judgment for the plaintiff for the amount of the docket fee paid by the plaintiff.

(b) Poverty affidavit; additional court costs; exemptions for the state and municipalities. The provisions of subsections (b), (c) and (d) of K.S.A. 60-2001 and 60-2005 and amendments thereto, shall be applicable to lawsuits brought under the code of civil procedure for limited actions.

(c) The docket fee established in this section shall be the only fee collected or moneys in the nature of a fee collected for the docket fee. Such fee shall only be established by an act of the legislature and no other authority is established by law or otherwise to collect a fee. Except as provided further, the docket fee established in this section shall be the only fee collected or moneys in the nature of a fee collected for the docket fee. Such fee shall only be established by an act of the legislature and no other authority is established by law or otherwise to collect a fee. On and after July 1, 2009 through June 30, 2010, the supreme court may impose an additional charge, not to exceed $10 per docket fee, to fund the costs of non-judicial personnel.

Notification to the state or states where the nonresident license is issued must be made as soon as practicable, but no later than 30 days of a change in the new home state resident license. The licensee shall include in such notification the licensee’s new and old addresses. A new home state resident license is required for a nonresident license to remain valid, and the new home state must have reciprocity with this state, in order for the nonresident license to remain valid.

New Sec. 9. (a) An individual who has met the requirements for licensure under this act shall be issued a public adjuster license. The licensee shall inform the commissioner by any means acceptable to the commissioner of a change of address, change of legal name or change of information submitted on the application within 30 days of the change.

(b) A public adjuster shall be subject to the provisions of subsection (9) of K.S.A. 40-2404, and amendments thereto.

(c) A public adjuster who allows such person’s license to lapse may, within 12 months from the due date of the renewal, be issued a new public adjuster license upon the commissioner’s receipt of proof that the licensee has satisfactorily completed the renewal process and the licensee’s payment of a reinstatement fee of $100. The new public adjuster license shall be effective the date the commissioner receives such proof and the reinstatement fee.

(d) A licensed public adjuster that is unable to comply with license renewal procedures due to military service, a long-term medical disability or some other extenuating circumstance, may request an extension of time to comply with those procedures.

(e) The public adjuster license shall contain the licensee’s name, city and state of business address, personal identification number, the date of issuance, the expiration date and any other information the commissioner deems necessary.

(f) In order to assist in the performance of the commissioner’s duties, the commissioner may contract with non-governmental entities, including the NAIC, to perform any ministerial functions, including the collection of fees and data related to licensing that the commissioner may deem appropriate.

New Sec. 10. (a) The commissioner may suspend, revoke or refuse to issue or renew a public adjuster’s license for any of the following causes:
(1) Providing incorrect, misleading, incomplete or materially untrue information in the license application;
(2) violating:
   (A) Any provision of chapter 40 of the Kansas Statutes Annotated, and amendments thereto, or any rule and regulation promulgated thereunder;
   (B) any subpoena or order of the commissioner;
   (C) any insurance law or regulation of another state; or
   (D) any subpoena or order issued by the regulatory official for insurance in another state;
(3) obtaining or attempting to obtain a license through misrepresentation or fraud;
(4) misappropriating, converting or improperly withholding any monies or properties received in the course of doing insurance business;
(5) intentionally misrepresenting the terms of an actual or proposed insurance contract or application for insurance;
(6) having been convicted of a misdemeanor or felony;

(10) forging another’s name to an application for insurance or to any document related to an insurance transaction;
(11) cheating, including improperly using notes or any other reference material, to complete an examination for an insurance license;
(12) knowingly accepting insurance business from an individual who is not licensed but who is required to be licensed by the commissioner;
(13) failing to comply with an administrative or court order imposing a child support obligation upon the applicant or license holder; or
(14) failing to pay state income tax or comply with any administrative or court order directing payment of state income tax.

(b) In addition, the commissioner may deny, suspend, revoke or refuse renewal of a public adjuster’s license if the commissioner finds that the interests of the public are not properly served under such license. Any action taken under this section which affects any license or imposes any administrative penalty shall be taken only after notice and an opportunity for a hearing conducted in accordance with the Kansas administrative procedure act.

(c) In lieu of any action under subsection (a), the commissioner may:

(1) Censure the individual; or
(2) issue an order imposing an administrative penalty up to a maximum of $500 for each violation, but not to exceed $2,500 for the same violation occurring within any six consecutive calendar months from the date of the original violation, unless such person knew or should have known that the violative act could give rise to disciplinary action under subsection (a). If such person knew or reasonably should have known the violative act could give rise to any disciplinary proceeding authorized by subsection (a), the commissioner may impose a penalty up to a maximum of $1,000 for each violation, but not to exceed $5,000 for the same violation occurring within any six consecutive calendar months from the date of the original violation.

(d) The commissioner shall remit all such fines collected under subsection (c) to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the state general fund.

(e) The commissioner shall retain the authority to enforce the provisions of and impose any penalty or remedy authorized by this act against any individual who is under investigation for or charged with a violation of this act, even if the individual’s license or registration has been surrendered or has lapsed by operation of law.

New Sec. 11. (a) Prior to issuance of a public adjuster license and for the duration of the license, the commissioner may require the applicant to furnish evidence of financial responsibility, in a format prescribed by the commissioner, by means of:

(1) A surety bond executed and issued by an insurer authorized to issue surety bonds in this state, which bond:
   (A) Shall be in such reasonable amount as the commissioner may require;
   (B) shall be in favor of the commissioner and shall specifically authorize recovery by the commissioner on behalf of any person in this state who sustains damages as the result of erroneous acts, failure to act, conviction of fraud or conviction of unfair practices in the applicant’s capacity as a public adjuster; and
   (C) shall not be terminated unless at least 30-days prior written notice has been filed by the insurer with the commissioner and given to the licensee.
   (2) An irrevocable letter of credit issued by a qualified financial institution, which letter of credit:
(A) Shall be in such reasonable amount as the commissioner may require;
(B) shall be to an account of the commissioner and subject to lawful levy of execution
on behalf of any person to whom the public adjuster has been found to be legally liable as
the result of erroneous acts, failure to act, fraudulent acts or unfair practices in the appli-
cant’s capacity as a public adjuster; and
(C) shall not be terminated unless at least 30-days prior written notice has been filed
by the issuer with the commissioner and given to the licensee.

(b) Where the commissioner has required an applicant to furnish evidence of financial
responsibility pursuant to subsection (a):
(1) The issuer of the evidence of financial responsibility shall notify the commissioner
upon termination of the bond or letter of credit, unless otherwise directed by the
commissioner;
(2) the commissioner may ask for the evidence of the public adjuster’s financial re-
sponsibility at any time the commissioner deems relevant; and
(3) the authority to act as a public adjuster shall terminate automatically if the evidence
of financial responsibility terminates or becomes impaired.

New Sec. 12. (a) As used in this section:
(1) “Biennial due date” means the date of birth of any public adjuster who is required
to complete continuing education credits and report the completion of the continuing ed-
ucation credits to the commissioner, except that such due date shall not be earlier than two
years from the date of the public adjuster’s initial licensure under this act.
(2) “Biennium” means, for any public adjuster who was born in an odd-numbered year,
the two-year period starting with the public adjuster’s biennial due date in 2011 and each
two-year period thereafter. For any public adjuster who was born in an even-numbered
year, such term means the two-year period starting with the public adjuster’s biennial due
date in 2012 and each two-year period thereafter.

(b) An individual, who holds a public adjuster license and who is not exempt under
subsection (d), shall satisfactorily complete a minimum of 12 hours of continuing education
courses, which shall include 11 hours of property/casualty or general continuing education
courses and one hour of ethics, reported on a biennial basis in conjunction with the license
renewal cycle. Only continuing education courses approved by the commissioner shall be
used to satisfy the requirements of this subsection.

(c) Unless suspended, revoked or refused renewal pursuant to section 10, and amend-
ments thereto, a public adjuster’s license shall remain in effect as long as the education
requirements for a resident public adjuster are met by such public adjuster’s biennial due
date.

(d) The continuing education requirements of this section shall not apply to licensees
holding nonresident public adjuster licenses who have met the continuing education require-
ments of their home state and whose home state gives credit to residents of this state on
the same basis.

New Sec. 13. (a) No public adjuster shall charge, agree to or accept as compensation
or reimbursement any payment, commission, fee or other thing of value equal to more than
10% of any insurance settlement or proceeds.

(b) A public adjuster shall not pay a commission, service fee or other valuable consid-
eration to a person for investigating or settling first party claims in this state, if that person
is a business entity or is an individual required to be licensed under this act and is not so
licensed.

(b) The public adjuster contract may specify that the public adjuster shall be named as a co-payee on an insurer’s payment of a claim. If the compensation is based on a share of the insurance settlement, the exact percentage shall be specified. Compensation provisions in a public adjuster contract shall not be redacted in any copy of the contract provided to the commissioner.

(h) The public adjuster shall provide the insurer a notification letter, which has been signed by the insured, authorizing the public adjuster to represent the insured’s interest.

(i) The insured has the right to rescind the public adjuster contract within three business days after the date the contract was signed. The rescission shall be in writing and mailed or delivered to the public adjuster at the address in the contract within the three business day period.

or condition which requires the third-party entity to provide the participating employer
with the necessary compensation paid information related to any such position filled by the
third-party entity with a retirant to enable the participating employer to comply with pro-

member may continue to receive any amount provided in subsections (b) and (d) of K.S.A.
46-137a, and amendments thereto, and still be entitled to receive such member’s retirement
benefit. Commencing July 1, 2005, the provisions of this subsection shall not apply to retir-

**EXPLANATION OF VOTE**

MR. PRESIDENT: I vote no on SB 160. We are not raising the minimum wage; the federal government has already done this. The few exceptions in Kansas which might have a lower wage are likely due to the current federal exceptions to the minimum wage.

The average Kansas wage in 2007 was $17.55/hr. Our vote today does not increase this wage. The workers, employers and free market forces of Kansas increase wages.—KARIN BROWNLEE

Senator Masterson requests the record to show he concurs with the “Explanation of Vote” offered by Senator Brownlee on SB 160.

MR. PRESIDENT: As a co-sponsor of SB 160 I’d like to thank Senators Francisco and Kelsey for their hard work.

I vote yes on SB 160 with great pride. For too long, we have failed to protect the people at the bottom of the pyramid. Now we have assured them a living wage. I am especially proud that we worked on this together and that it has broad support. Any legislation that passes here in this building passes with the votes of bipartisanship, so I think we can all take credit for raising the minimum wage in the state of Kansas and bringing ourselves into line with adjoining states.—OLETHA FAUST-GOUDEAU

MR. PRESIDENT: I vote yes on Senate Bill 160, the Kansas Minimum Wage Bill. Led by bipartisan efforts in the Senate, SB 160 will increase Kansas’ dismal $2.65 per hour minimum wage to $7.25 per hour on January 1st, 2010.

Kansas’ minimum wage is currently the lowest in the nation—so low that it allows employers to legally pay a rate that keeps people in poverty. According to the Department of Labor, there were at least 17,000 Kansas workers last year who earned the state minimum wage. Many of these Kansans are working multiple jobs in a tough economy just to provide food and shelter for their families.
Kansas’ minimum hourly wage reflects how our state values the work efforts of its citizens. After remaining stagnant for more than 20 years, this wage increase will show the nation that we value Kansas workers enough to provide them with a liveable wage.

**Senate Bill 160** is a significant victory for hardworking Kansans across our great state.— **ANTHONY HENSLEY**

Senators Holland, Kelly and Kultala request the record to show they concur with the “Explanations of Vote” offered by Senator Hensley on **Senate Bill 160**.

**CONSIDERATION OF MOTIONS TO CONCUR OR NONCONCUR**

Senator Taddiken moved the Senate concur in house amendments to **H Sub for SB 218**.

In accordance with Rule 26, Senator Hensley made a motion to postpone to day certain, Wednesday, April 29, 2009. The motion failed.

Citing Rule 29, and joined by the required five senators, Senator Vratil moved the previous question. The motion carried.

On roll call, the vote was: Yeas 25, Nays 11, Present and Passing 2, Absent or Not Voting 2.

Present and Passing: Emler, Teichman.

Absent or Not Voting: Brungardt, Wysong.

The Senate concurred.

**EXPLANATION OF VOTE**

**MR. PRESIDENT**: I believe **House Substitute for SB 218** is a flawed product that may have serious issues which will lead to protracted litigation. We could and should have produced a better product. Late term abortion is an abomination that we should not tolerate. I hope a constitutional challenge to this bill will not abrogate much needed legislation.— **JAY SCOTT EMLER**

**MR. PRESIDENT**: I vote “No” on **H Sub for SB 218**. Whether “pro-choice” or “pro-life,” you can not respect the process of leaving completely unanswered questions to such sweeping changes in medical definitions and to our current laws. Where is this Senate’s accountability to reason? Are we, as a majority, such a group of ideologists that we toss study and research to hurriedness and to haphazardness? **H Sub for SB 218** is only an effort to add a chilling effect towards a woman’s constitutional right to choose during a crisis pregnancy. It is a flawed production as the asked-but-unanswered-questions illuminate. Explaining how sausage is made to my constituents is never easy. Neither will the attempt to explain this new “law.” Again, I vote “NO” on **H Sub for SB 218**.— **DAVID HALEY**

**MR. PRESIDENT**: It is shameful, that certain late-term abortionists continue to flaunt our late-term abortion laws. This bill is very simple—it provides basic medical facts to women and holds these abortionists accountable. To do otherwise, would be a disservice to these women and their families and to the infinite and sacred value of human life.— **TIM HUELSKAMP**

Senators Brownlee, Lynn, Ostmeyer and Umbarger request the record to show they concur with the “Explanations of Vote” offered by Senator Huelskamp on **H Sub for SB 218**.

Invocation by Chaplain Fred S. Hollomon:

Heavenly Father,

As we face some weighty decisions during this hopefully brief session, I am quoting some advice from Your Word according to the Book of Proverbs:

“"My son, if you accept my words and store up my commands within you, turning your ear to wisdom and applying your heart to understanding, and if you call out for insight and cry aloud for understanding, and if you look for it as for silver and search for it as for hidden treasure, than you will understand the fear of the Lord and find the knowledge of God.

"For the Lord gives wisdom, and from His mouth come knowledge and understanding.” (Proverbs 2:1-6)

I also want to include some quotes which I hope You will endorse. . . .

John C. Maxwell: “We hear half of what is being said, listen to half of what we hear, understand half of it, believe half of that, and remember only half of that.”
John C. Maxwell: “Success is knowing your purpose in life, Growing to your maximum potential, and Sowing seeds that benefit others.”
Harry S. Truman: “Progress occurs when courageous, skillful leaders seize the opportunity to change things for the better.”
John C. Maxwell: “As a leader, if I try to please everybody, eventually I will alienate everybody.”
Fred Hollomon: “Listen to the wise, pray for the ignorant.”

I pray in the Name of Jesus Christ.

AMEN

All the quotes except the Bible and mine were copied from Leadership Bold authored by John C. Maxwell.

The Pledge of Allegiance was led by President Stephen Morris.

MESSAGE FROM THE GOVERNOR

For more than a decade, Kansas laws have banned partial birth abortions and post-viability
abortions except in those very limited cases where it is necessary to preserve the life or
health of a pregnant woman. The United States Supreme Court has consistently held that
while states can limit the availability of post-viability abortions, they must allow them where
necessary to protect the health or life of the woman.

As Governor of Kansas, I have worked hard to reduce abortions by supporting a range of
initiatives including adoption incentives, encouraging parental involvement and individual
responsibility for young men and women, expanding health services for Kansas children,
promoting access to affordable contraceptives, expanded maternal and infant health services.
and promotional efforts, providing funds for proven successful pregnancy maintenance programs and encouraging age-appropriate sex education.

These efforts have resulted in reducing the number of abortions by more than 10% in the last six years in Kansas. I am confident that with a more united effort to reduce the number of unplanned pregnancies, combined with creating conditions that provide support and assistance for mothers and their babies, we will have even greater success reducing abortions in our state.

Unfortunately, House Sub for SB 218 will not help to reduce the number of abortions in Kansas, and would likely be declared unconstitutional. Under the bill, a physician intending to comply with the law could later be criminally prosecuted. A physician acting in good faith to save a pregnant woman’s life, and using his or her best medical judgment, should not be subject to later criminal prosecution. Similar language was declared unconstitutional by the United States Court of Appeals for the Sixth Circuit in Womens Medical Professional Corp. v. Voinovich, 130 F.3d 187 (6th Cir. 1997).

The provisions in this bill that would allow for the criminal prosecution of a physician intending to comply with the law will lead to the intimidation of health care providers and reduce access to comprehensive health care for women, even when it is necessary to preserve their lives and health. While I agree that we should try to reduce the number of abortions, it cannot be at the increased risk to the life or health of women. Therefore, pursuant to Article 2, Section 14 of the Constitution of the State of Kansas, I veto House Substitute for SB 218.”

Senator V. Schmidt introduced the following Senate resolution, which was read:
SENATE RESOLUTION No. 1876—
A RESOLUTION urging the extension of the influenza vaccination season.

WHEREAS, The most effective strategy for preventing influenza is annual vaccination; and
WHEREAS, According to the Centers for Disease Control, the influenza vaccination rate for fully vaccinated children in Kansas was 19.5% for the 2006-2007 flu season; and
WHEREAS, Beginning with the 2008-2009 influenza season, vaccination of all children aged six months to 18 years is recommended by the Centers for Disease Control and Prevention’s (CDC) Advisory Committee on Immunization Practices (ACIP) as well as the American Academy of Pediatrics (AAP); and
WHEREAS, Annual vaccination of all children aged six months through 18 years should begin as soon as vaccine is available in the 2008-2009 influenza season, but should be initiated no later than the 2009-2010 season. Strategies that focus on providing routine vaccination to persons at higher risk for influenza complications have long been recommended, although rates of flu vaccination among the majority of these groups remains low; and
WHEREAS, During the 2007-2008 influenza season there were 87 reported pediatric deaths caused by influenza in the United States. Influenza is the most frequent cause of death for a vaccine-preventable disease in the United States and is responsible for an average of 200,000 hospitalizations each year and an estimated 36,000 deaths, primarily among the elderly; and
WHEREAS, According to the AAP, the ACIP’s expanded recommendations target all school-aged children, the population that bears the greatest burden of disease and is at higher risk of needing influenza-related medical care compared with healthy adults. Moreover, the AAP states that reducing influenza transmission among school-aged children will in turn reduce transmission of influenza to household contacts and community members; and
WHEREAS, Influenza vaccine should be offered to all children as soon as vaccine becomes available prior to the start of the season and should continue into March and beyond, as there is often more than one peak in influenza illness during the same season. Thus, the AAP states that vaccination through May 1st can provide protection and increase the window of opportunity for children who need two doses of vaccine; and
WHEREAS, School-based vaccination is an efficient venue for the mass vaccination of school-age children against influenza. Moreover, school-based vaccination programs benefit the communities in which they are conducted by helping reduce transmission of influenza to other members of the community. The potential threat of an influenza pandemic underscores the benefit of building local infrastructure and strengthening community partnerships as a preventive measure to address both seasonal influenza and the event of pandemic: Now, therefore,

Be it resolved by the Senate of the State of Kansas: That we urge the extension of the influenza vaccination season, both earlier and later, in order to vaccinate and protect children, adults and especially those in high risk groups; and

Be it further resolved: That we recognize the importance of protecting all Kansans during this influenza season against this dangerous and potentially deadly disease; and

Be it further resolved: That the Secretary of the Senate be directed to provide an enrolled copy of this resolution to Senator Vicki Schmidt.

On emergency motion of Senator V. Schmidt SR 1876 was adopted unanimously.

Senator Francisco introduced the following Senate resolution, which was read:

WHEREAS, Brett Bricker and Nate Johnson of the University of Kansas defeated defending national champion Wake Forest to win the National Debate Tournament championship; and
WHEREAS, Bricker and Johnson topped 78 intercollegiate teams competing at the tournament held March 26-31 at the University of Texas-Austin. They defeated California-Berkeley in the semifinal to advance to the championship round; and
WHEREAS, This is KU’s fifth national debate title, having previously won in 1954, 1970, 1976 and 1983. KU has had a team in the National Debate Tournament for each of the past 42 years; and
WHEREAS, Brett Bricker, a mathematics major, is the son of Gary and Norma Bricker and a graduate of Wichita High School Southeast. Nate Johnson, who is majoring in philosophy, political science and psychology, is the son of Ron and Betty Johnson and a graduate of Manhattan High School; and
WHEREAS, Led by 18-year Kansas coach and 2006 national coach of the year, head coach Scott Harris, the KU debate team also won two other national tournaments this season; and
WHEREAS, Brothers Patrick and Sean Kennedy, both Leawood sophomores, defeated Georgetown to win first place at the Freshman/Sophomore Nationals, held in East Lansing, Michigan; and
WHEREAS, At the National Junior Division Debate Tournament in Overland Park, two KU teams tied for first place. Patrick Kennedy and Mathew Peterson, Wichita junior, went 12-0 and defeated Kansas State University in the semifinals. Mark Wilkins, Topeka sophomore, and Andrew Jack, Lawrence and Manhattan junior, were 11-1, defeating the University of Minnesota in the other semifinal; and
WHEREAS, Last season, the KU debate team finished the year ranked first in the national varsity rankings; and
WHEREAS, The University of Kansas debate team has demonstrated exemplary abilities in capturing the national debate championship and in continuing the history of excellence in debate at KU: Now, therefore,
Be it resolved by the Senate of the State of Kansas:
That we congratulate and commend the University of Kansas debate team for its outstanding achievements this season and that we wish all the team members continued success in their academic endeavors; and
Be it further resolved: That the Secretary of the Senate be directed to provide an enrolled copy of this resolution to Senator Marci Francisco.

consecutive to such waiting period.

work and subsequently earned wages for insured work in an amount equal to at least eight
times the claimant’s current weekly benefit amount.

there is justifiable cause for the claimant’s failure to participate in such services.

(g) The claimant is returning to work after a qualifying injury and has been paid total
wages for insured work in the claimant’s alternative base period of not less than 30 times
the claimant's weekly benefit amount and has been paid wages in more than one quarter of

work by a licensed and practicing health care provider.

(2) The claimant files for benefits within 24 months of the date the qualifying injury
occurred.

(3) The claimant attempted to return to work with the employer where the qualifying
injury occurred, but the individual's regular work or comparable and suitable work was not
available.”;

Has thousands of constituents,
Consisting of a wide variety
And deserving of their diligence.

Seeking to be knowledgeable,
Senators have resources
Consisting of lobbyists and research,
Conferees and other sources.

They call on their experience,
And their parties for information
Colleagues are quite helpful,
And the media’s observations.

All of them I hope have found
The wisest source of all
Comes from persistent prayer
As on You they call.

You have total knowledge
Of future, present, and past,
And also the right decisions
For every vote that’s cast.

Please convince each Senator, Lord,
Before a vote is cast
It has been approved by You,
So a worthy bill passed.

I pray in the Name of Jesus Christ,

AMEN

“Sec. 7. K.S.A. 21-4603d is hereby amended to read as follows: 21-4603d. (a) Whenever any person has been found guilty of a crime, the court may adjudge any of the following:
(1) Commit the defendant to the custody of the secretary of corrections if the current crime of conviction is a felony and the sentence presumes imprisonment, or the sentence imposed is a dispositional departure to imprisonment; or, if confinement is for a misdemeanor, to jail for the term provided by law;

(2) impose the fine applicable to the offense;

(3) release the defendant on probation if the current crime of conviction and criminal history fall within a presumptive nonprison category or through a departure for substantial and compelling reasons subject to such conditions as the court may deem appropriate. In felony cases except for violations of K.S.A. 8-1567, and amendments thereto, the court may include confinement in a county jail not to exceed 60 days, which need not be served consecutively, as a condition of an original probation sentence and up to 60 days in a county jail upon each revocation of the probation sentence, or community corrections placement;

(4) assign the defendant to a community correctional services program as provided in K.S.A. 75-5291, and amendments thereto, or through a departure for substantial and compelling reasons subject to such conditions as the court may deem appropriate, including orders requiring full or partial restitution;

(5) assign the defendant to a conservation camp for a period not to exceed six months as a condition of probation followed by a six-month period of follow-up through adult intensive supervision by a community correctional services program, if the offender successfully completes the conservation camp program;

(6) assign the defendant to a house arrest program pursuant to K.S.A. 21-4603b and amendments thereto;

(7) order the defendant to attend and satisfactorily complete an alcohol or drug education or training program as provided by subsection (3) of K.S.A. 21-4502, and amendments thereto;

(8) order the defendant to repay the amount of any reward paid by any crime stoppers chapter, individual, corporation or public entity which materially aided in the apprehension or conviction of the defendant; repay the amount of any costs and expenses incurred by any law enforcement agency in the apprehension of the defendant, if one of the current crimes of conviction of the defendant includes escape, as defined in K.S.A. 21-3809, and amendments thereto, or aggravated escape, as defined in K.S.A. 21-3810, and amendments thereto; repay expenses incurred by a fire district, fire department or fire company responding to a fire which has been determined to be arson under K.S.A. 21-3718 or 21-3719, and amendments thereto, if the defendant is convicted of such crime; repay the amount of any public funds utilized by a law enforcement agency to purchase controlled substances from the defendant during the investigation which leads to the defendant’s conviction; or repay the amount of any medical costs and expenses incurred by any law enforcement agency or county. Such repayment of the amount of any such costs and expenses incurred by a county, law enforcement agency, fire district, fire department or fire company or any public funds utilized by a law enforcement agency shall be deposited and credited to the same fund from which the public funds were credited to prior to use by the county, law enforcement agency, fire district, fire department or fire company;

(9) order the defendant to pay the administrative fee authorized by K.S.A. 22-4529, and amendments thereto, unless waived by the court;

(10) order the defendant to pay a domestic violence special program fee authorized by K.S.A. 20-369, and amendments thereto;

(11) impose any appropriate combination of (1), (2), (3), (4), (5), (6), (7), (8), (9) and (10); or

(12) suspend imposition of sentence in misdemeanor cases.

(b) In addition to or in lieu of any of the above, the court shall order the defendant to pay restitution, which shall include, but not be limited to, damage or loss caused by the defendant’s crime, unless the court finds compelling circumstances which would render a plan of restitution unworkable. In regard to a violation of K.S.A. 21-4018, and amendments thereto, such damage or loss shall include, but not be limited to, attorney fees and costs incurred to repair the credit history or rating of the person whose personal identification documents were obtained and used in violation of such section, and to satisfy a debt, lien or other obligation incurred by the person whose personal identification documents were
obtained and used in violation of such section. If the court finds a plan of restitution unworkable, the court shall state on the record in detail the reasons therefor.

(2) If the court orders restitution, the restitution shall be a judgment against the defendant which may be collected by the court by garnishment or other execution as on judgments in civil cases. If, after 60 days from the date restitution is ordered by the court, a defendant is found to be in noncompliance with the plan established by the court for payment of restitution, and the victim to whom restitution is ordered has not initiated proceedings in accordance with K.S.A. 60-4301 et seq., and amendments thereto, the court shall assign an agent procured by the attorney general pursuant to K.S.A. 75-719, and amendments thereto, to collect the restitution on behalf of the victim. The administrative judge of each judicial district may assign such cases to an appropriate division of the court for the conduct of civil collection proceedings.

(c) In addition to or in lieu of any of the above, the court shall order the defendant to submit to and complete an alcohol and drug evaluation, and pay a fee therefor, when required by subsection (4) of K.S.A. 21-4502, and amendments thereto.

(d) In addition to any of the above, the court shall order the defendant to reimburse the county general fund for all or a part of the expenditures by the county to provide counsel and other defense services to the defendant. Any such reimbursement to the county shall be paid only after any order for restitution has been paid in full. In determining the amount and method of payment of such sum, the court shall take account of the financial resources of the defendant and the nature of the burden that payment of such sum will impose. A defendant who has been required to pay such sum and who is not willfully in default in the payment thereof may at any time petition the court which sentenced the defendant to waive payment of such sum or any unpaid portion thereof. If it appears to the satisfaction of the court that payment of the amount due will impose manifest hardship on the defendant or the defendant’s immediate family, the court may waive payment of all or part of the amount due or modify the method of payment.

(e) In imposing a fine the court may authorize the payment thereof in installments. In releasing a defendant on probation, the court shall direct that the defendant be under the supervision of a court services officer. If the court commits the defendant to the custody of the secretary of corrections or to jail, the court may specify in its order the amount of restitution to be paid and the person to whom it shall be paid if restitution is later ordered as a condition of parole, conditional release or postrelease supervision.

(f) (1) When a new felony is committed while the offender is incarcerated and serving a sentence for a felony, or while the offender is on probation, assignment to a community correctional services program, parole, conditional release, or postrelease supervision for a felony, a new sentence shall be imposed pursuant to the consecutive sentencing requirements of K.S.A. 21-4608, and amendments thereto, and the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(2) When a new felony is committed while the offender is incarcerated in a juvenile correctional facility pursuant to K.S.A. 38-1671 prior to its repeal or K.S.A. 2007 Supp. 38-2373, and amendments thereto, for an offense, which if committed by an adult would constitute the commission of a felony, upon conviction, the court shall sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure. The conviction shall operate as a full and complete discharge from any obligations, except for an order of restitution, imposed on the offender arising from the offense for which the offender was committed to a juvenile correctional facility.

(3) When a new felony is committed while the offender is on release for a felony pursuant to the provisions of article 28 of chapter 22 of the Kansas Statutes Annotated, or similar provisions of the laws of another jurisdiction, a new sentence may be imposed pursuant to the consecutive sentencing requirements of K.S.A. 21-4608, and amendments thereto, and the court may sentence the offender to imprisonment for the new conviction,
even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(g) Prior to imposing a dispositional departure for a defendant whose offense is classified in the presumptive nonprison grid block of either sentencing guideline grid, prior to sentencing a defendant to incarceration whose offense is classified in grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes or in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes, prior to sentencing a defendant to incarceration whose offense is classified in grid blocks 4-E or 4-F of the sentencing guidelines grid for drug crimes and whose offense does not meet the requirements of K.S.A. 21-4729, and amendments thereto, prior to revocation of a nonprison sanction of a defendant whose offense is classified in grid blocks 4-E or 4-F of the sentencing guidelines grid for drug crimes and whose offense does not meet the requirements of K.S.A. 21-4729, and amendments thereto, or prior to revocation of a nonprison sanction of a defendant whose offense is classified in the presumptive nonprison grid block of either sentencing guideline grid or grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes or in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes, the court shall consider placement of the defendant in the Labette correctional conservation camp, conservation camps established by the secretary of corrections pursuant to K.S.A. 75-52,127, and amendment thereto or a community intermediate sanction center. Pursuant to this paragraph the defendant shall not be sentenced to imprisonment if space is available in a conservation camp or a community intermediate sanction center and the defendant meets all of the conservation camp’s or a community intermediate sanction center’s placement criteria unless the court states on the record the reasons for not placing the defendant in a conservation camp or a community intermediate sanction center.

(h) The court in committing a defendant to the custody of the secretary of corrections shall fix a term of confinement within the limits provided by law. In those cases where the law does not fix a term of confinement for the crime for which the defendant was convicted, the court shall fix the term of such confinement.

(i) In addition to any of the above, the court shall order the defendant to reimburse the state general fund for all or a part of the expenditures by the state board of indigents’ defense services to provide counsel and other defense services to the defendant. In determining the amount and method of payment of such sum, the court shall take account of the financial resources of the defendant and the nature of the burden that payment of such sum will impose. A defendant who has been required to pay such sum and who is not willfully in default in the payment thereof may at any time petition the court which sentenced the defendant to waive payment of such sum or any unpaid portion thereof. If it appears to the satisfaction of the court that payment of the amount due will impose manifest hardship on the defendant or the defendant’s immediate family, the court may waive payment of all or part of the amount due or modify the method of payment. The amount of attorney fees to be included in the court order for reimbursement shall be the amount claimed by appointed counsel on the payment voucher for indigents’ defense services or the amount prescribed by the board of indigents’ defense services reimbursement tables as provided in K.S.A. 22-4522, and amendments thereto, whichever is less.

(j) This section shall not deprive the court of any authority conferred by any other Kansas statute to decree a forfeiture of property, suspend or cancel a license, remove a person from office, or impose any other civil penalty as a result of conviction of crime.

(k) An application for or acceptance of probation or assignment to a community correctional services program shall not constitute an acquiescence in the judgment for purpose of appeal, and any convicted person may appeal from such conviction, as provided by law, without regard to whether such person has applied for probation, suspended sentence or assignment to a community correctional services program.

(l) The secretary of corrections is authorized to make direct placement to the Labette correctional conservation camp or a conservation camp established by the secretary pursuant to K.S.A. 75-52,127, and amendments thereto, of an inmate sentenced to the secretary’s custody if the inmate: (1) Has been sentenced to the secretary for a probation revocation, as a departure from the presumptive nonimprisonment grid block of either sentencing grid, for an offense which is classified in grid blocks 5-H, 5-I, or 6-G of the sentencing guidelines
grid for nondrug crimes or in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes, or for an offense which is classified in gridblocks 4-E or 4-F of the sentencing guidelines grid for drug crimes and such offense does not meet the requirements of K.S.A. 21-4729, and amendments thereto, and (2) otherwise meets admission criteria of the camp. If the inmate successfully completes a conservation camp program, the secretary of corrections shall report such completion to the sentencing court and the county or district attorney. The inmate shall then be assigned by the court to six months of follow-up supervision conducted by the appropriate community corrections services program. The court may also order that supervision continue thereafter for the length of time authorized by K.S.A. 21-4611 and amendments thereto.

(m) When it is provided by law that a person shall be sentenced pursuant to K.S.A. 1993 Supp. 21-4628, prior to its repeal, the provisions of this section shall not apply.

(n) Except as provided by subsection (f) of K.S.A. 21-4705, and amendments thereto, in addition to any of the above, for felony violations of K.S.A. 65-4160 or 65-4162 section 6 of 2009 House Bill No. 2236, and amendments thereto, the court shall require the defendant who meets the requirements established in K.S.A. 21-4729, and amendments thereto, to participate in a certified drug abuse treatment program, as provided in K.S.A. 2007-2008 Supp. 75-52,144, and amendments thereto, including but not limited to, an approved aftercare plan. If the defendant fails to participate in or has a pattern of intentional conduct that demonstrates the offender’s refusal to comply with or participate in the treatment program, as established by judicial finding, the defendant shall be subject to revocation of probation and the defendant shall serve the underlying prison sentence as established in K.S.A. 21-4705, and amendments thereto. For those offenders who are convicted on or after the effective date of this act, upon completion of the underlying prison sentence, the defendant shall not be subject to a period of postrelease supervision. The amount of time spent participating in such program shall not be credited as service on the underlying prison sentence.

(o) (1) Except as provided in paragraph (3), in addition to any other penalty or disposition imposed by law, upon a conviction for unlawful possession of a controlled substance or controlled substance analog in violation of section 6 of 2009 House Bill No. 2236, and amendments thereto, in which the trier of fact makes a finding that the unlawful possession occurred while transporting the controlled substance or controlled substance analog in any vehicle upon a highway or street, the offender’s driver’s license or privilege to operate a motor vehicle on the streets and highways of this state shall be suspended for one year.

(2) Upon suspension of a license pursuant to this subsection, the court shall require the person to surrender the license to the court, which shall transmit the license to the division of motor vehicles of the department of revenue, to be retained until the period of suspension expires. At that time, the licensee may apply to the division for return of the license. If the license has expired, the person may apply for a new license, which shall be issued promptly upon payment of the proper fee and satisfaction of other conditions established by law for obtaining a license unless another suspension or revocation of the person’s privilege to operate a motor vehicle is in effect.

(3) (A) In lieu of suspending the driver’s license or privilege to operate a motor vehicle on the highways of this state of any person as provided in paragraph (1), the judge of the court in which such person was convicted may enter an order which places conditions on such person’s privilege of operating a motor vehicle on the highways of this state, a certified copy of which such person shall be required to carry any time such person is operating a motor vehicle on the highways of this state. Any such order shall prescribe the duration of the conditions imposed, which in no event shall be for a period of more than one year.

(B) Upon entering an order restricting a person’s license hereunder, the judge shall require such person to surrender such person’s driver’s license to the judge who shall cause it to be transmitted to the division of vehicles, together with a copy of the order. Upon receipt thereof, the division of vehicles shall issue without charge a driver’s license which shall indicate on its face that conditions have been imposed on such person’s privilege of operating a motor vehicle and that a certified copy of the order imposing such conditions is required to be carried by the person for whom the license was issued any time such person is operating a motor vehicle on the highways of this state. If the person convicted is a nonresident, the judge shall cause a copy of the order to be transmitted to the division and the division shall
forward a copy of it to the motor vehicle administrator, of such person's state of residence. Such judge shall furnish to any person whose driver's license has had conditions imposed on it under this paragraph a copy of the order, which shall be recognized as a valid Kansas driver's license until such time as the division shall issue the restricted license provided for in this paragraph.

(C) Upon expiration of the period of time for which conditions are imposed pursuant to this subsection, the licensee may apply to the division for the return of the license previously surrendered by such licensee. In the event such license has expired, such person may apply to the division for a new license, which shall be issued immediately by the division upon payment of the proper fee and satisfaction of the other conditions established by law, unless such person's privilege to operate a motor vehicle on the highways of this state has been suspended or revoked prior thereto. If any person shall violate any of the conditions imposed under this paragraph, such person's driver's license or privilege to operate a motor vehicle on the highways of this state shall be revoked for a period of not less than 60 days nor more than one year by the judge of the court in which such person is convicted of violating such conditions.

(4) As used in this subsection, "highway" and "street" have the meanings provided by K.S.A. 8-1424 and 8-1473, and amendments thereto.

Sec. 8. K.S.A. 21-4611 is hereby amended to read as follows: 21-4611. (a) The period of suspension of sentence, probation or assignment to community corrections fixed by the court shall not exceed five years in felony cases involving crimes committed prior to July 1, 1993, or two years in misdemeanor cases, subject to renewal and extension for additional fixed periods not exceeding five years in such felony cases, nor two years in misdemeanor cases. In no event shall the total period of probation, suspension of sentence or assignment to community corrections for a felony committed prior to July 1, 1993, exceed the greatest maximum term provided by law for the crime, except that where the defendant is convicted of nonsupport of a child, the period may be continued as long as the responsibility for support continues. Probation, suspension of sentence or assignment to community corrections may be terminated by the court at any time and upon termination by expiration of the term of probation, suspension of sentence or assignment to community corrections, an order to this effect shall be entered by the court. The provisions of K.S.A. 75-5291, and amendments thereto, shall be applicable to any assignment to a community correctional services program pursuant to this section.

(b) The district court having jurisdiction of the offender may parole any misdemeanant sentenced to confinement in the county jail. The period of such parole shall be fixed by the court and shall not exceed two years and shall be terminated in the manner provided for termination of suspended sentence and probation.

(c) For all crimes committed on or after July 1, 1993, the duration of probation in felony cases sentenced for the following severity levels on the sentencing guidelines grid for non-drug crimes and the sentencing guidelines grid for drug crimes is as follows:

(1) For nondrug crimes the recommended duration of probation is:
   (A) Thirty-six months for crimes in crime severity levels 1 through 5; and
   (B) 24 months for crimes in crime severity levels 6 and 7.

(2) For drug crimes the recommended duration of probation is 36 months for crimes in crime severity levels 1 and 2.

(3) Except as otherwise provided, in felony cases sentenced at severity levels 9 and 10 on the sentencing guidelines grid for nondrug crimes and severity level 4 on the sentencing guidelines grid for drug crimes, if a nonprison sanction is imposed, the court shall order the defendant to serve a period of probation, or assignment to a community correctional services program as provided under K.S.A. 75-5291 et seq., and amendments thereto, of up to 12 months in length.

(4) In felony cases sentenced at severity level 8 on the sentencing guidelines grid for nondrug crimes and severity level 3 on the sentencing guidelines grid for drug crimes and felony cases sentenced pursuant to K.S.A. 21-4729, and amendments thereto, if a nonprison sanction is imposed, the court shall order the defendant to serve a period of probation, or assignment to a community correctional services program, as provided under K.S.A. 75-5291 et seq., and amendments thereto, of up to 18 months in length.
(5) If the court finds and sets forth with particularity the reasons for finding that the safety of the members of the public will be jeopardized or that the welfare of the inmate will not be served by the length of the probation terms provided in subsections (c)(3) and (c)(4), the court may impose a longer period of probation. Such an increase shall not be considered a departure and shall not be subject to appeal.

(6) Except as provided in subsections (c)(7) and (c)(8), the total period in all cases shall not exceed 60 months, or the maximum period of the prison sentence that could be imposed whichever is longer. Nonprison sentences may be terminated by the court at any time.

(7) If the defendant is convicted of nonsupport of a child, the period may be continued as long as the responsibility for support continues. If the defendant is ordered to pay full or partial restitution, the period may be continued as long as the amount of restitution ordered has not been paid.

(8) The court may modify or extend the offender’s period of supervision, pursuant to a modification hearing and a judicial finding of necessity. Such extensions may be made for a maximum period of five years or the maximum period of the prison sentence that could be imposed, whichever is longer, inclusive of the original supervision term.

(d) The provisions of subsection (c), as amended by this act, shall be applied retroactively. The sentencing court shall direct that a review of all persons serving a nonprison sanction for a crime in severity levels 8, 9 or 10 of the sentencing guidelines grid for nondrug crimes or a crime in severity levels 3 or 4 of the sentencing guidelines grid for drug crimes be conducted. On or before September 1, 2000, the duration of such person’s probation shall be modified in conformity with the provisions of subsection (e)."

Such notice shall specify the exact nature of the alleged error. The state shall have the burden of producing further evidence to satisfy its burden of proof regarding any disputed part, or parts, of the criminal history and the sentencing judge shall allow the state reasonable time to produce such evidence to establish the disputed portion of the criminal history by a preponderance of the evidence. If the offender later challenges such offender’s criminal history, which has been previously established, the burden of proof shall shift to the offender to prove such offender’s criminal history by a preponderance of the evidence.

Sec. 13. K.S.A. 2008 Supp. 22-3717 is hereby amended to read as follows: 22-3717. (a) Except as otherwise provided by this section; K.S.A. 1993 Supp. 21-4628 prior to its repeal; K.S.A. 21-4635 through 21-4638, and amendments thereto; K.S.A. 8-1567, and amendments thereto; K.S.A. 21-4642, and amendments thereto; and K.S.A. 21-4624, and amendments thereto, an inmate, including an inmate sentenced pursuant to K.S.A. 21-4618, and amendments thereto, shall be eligible for parole after serving the entire minimum sentence imposed by the court, less good time credits.

(3) Except as provided by K.S.A. 1993 Supp. 21-4628 prior to its repeal, an inmate sentenced for a class A felony committed before July 1, 1993, including an inmate sentenced pursuant to K.S.A. 21-4618, and amendments thereto, shall be eligible for parole after serving 15 years of confinement, without deduction of any good time credits.

(4) An inmate sentenced to imprisonment for a violation of subsection (a) of K.S.A. 21-3402, and amendments thereto, committed on or after July 1, 1996, but prior to July 1, 1999, shall be eligible for parole after serving 10 years of confinement without deduction of any good time credits.

(5) An inmate sentenced to imprisonment pursuant to K.S.A. 21-4643, and amendments thereto, committed on or after July 1, 2006, shall be eligible for parole after serving the mandatory term of imprisonment without deduction of any good time credits.

(c)(1) Except as provided in subsection (c), if an inmate is sentenced to imprisonment for more than one crime and the sentences run consecutively, the inmate shall be eligible for parole after serving the total of:

(A) The aggregate minimum sentences, as determined pursuant to K.S.A. 21-4605 and amendments thereto, less good time credits for those crimes which are not class A felonies; and

(B) an additional 15 years, without deduction of good time credits, for each crime which is a class A felony.

(2) If an inmate is sentenced to imprisonment pursuant to K.S.A. 21-4643, and amendments thereto, for crimes committed on or after July 1, 2006, the inmate shall be eligible for parole after serving the mandatory term of imprisonment.
(d) (1) Persons sentenced for crimes, other than off-grid crimes, committed on or after July 1, 1993, or persons subject to subparagraph (G), will not be eligible for parole, but will be released to a mandatory period of postrelease supervision upon completion of the prison portion of their sentence as follows:

(A) Except as provided in subparagraphs (D) and (E), persons sentenced for nondrug severity level 1 through 4 crimes and drug severity levels 1 and 2 crimes must serve 36 months, plus the amount of good time and program credit earned and retained pursuant to K.S.A. 21-4722, and amendments thereto, on postrelease supervision.

(B) Except as provided in subparagraphs (D) and (E), persons sentenced for nondrug severity levels 5 and 6 crimes and drug severity level 3 crimes must serve 24 months, plus the amount of good time and program credit earned and retained pursuant to K.S.A. 21-4722, and amendments thereto, on postrelease supervision.

(C) Except as provided in subparagraphs (D) and (E), persons sentenced for nondrug severity level 7 through 10 crimes and drug severity level 4 crimes must serve 12 months, plus the amount of good time and program credit earned and retained pursuant to K.S.A. 21-4722, and amendments thereto, on postrelease supervision.

(D) (i) The sentencing judge shall impose the postrelease supervision period provided in subparagraph (d)(1)(A), (d)(1)(B) or (d)(1)(C), unless the judge finds substantial and compelling reasons to impose a departure based upon a finding that the current crime of conviction was sexually motivated. In that event, departure may be imposed to extend the postrelease supervision to a period of up to 60 months.

(ii) If the sentencing judge departs from the presumptive postrelease supervision period, the judge shall state on the record at the time of sentencing the substantial and compelling reasons for the departure. Departures in this section are subject to appeal pursuant to K.S.A. 21-4721, and amendments thereto.

(iii) In determining whether substantial and compelling reasons exist, the court shall consider:

(a) Written briefs or oral arguments submitted by either the defendant or the state;

(b) any evidence received during the proceeding;

(c) the presentence report, the victim’s impact statement and any psychological evaluation as ordered by the court pursuant to subsection (e) of K.S.A. 21-4714, and amendments thereto; and

(d) any other evidence the court finds trustworthy and reliable.

(iv) The sentencing judge may order that a psychological evaluation be prepared and the recommended programming be completed by the offender. The department of corrections or the parole board shall ensure that court ordered sex offender treatment be carried out.

(v) In carrying out the provisions of subparagraph (d)(1)(D), the court shall refer to K.S.A. 21-4718, and amendments thereto.

(vi) Upon petition, the parole board may provide for early discharge from the postrelease supervision period upon completion of court ordered programs and completion of the presumptive postrelease supervision period, as determined by the crime of conviction, pursuant to subparagraph (d)(1)(A), (d)(1)(B) or (d)(1)(C). Early discharge from postrelease supervision is at the discretion of the parole board.

(vii) Persons convicted of crimes deemed sexually violent or sexually motivated, shall be registered according to the offender registration act, K.S.A. 22-4901 through 22-4910, and amendments thereto.

(viii) Persons convicted of K.S.A. 21-3510 or 21-3511, and amendments thereto, shall be required to participate in a treatment program for sex offenders during the postrelease supervision period.

(E) The period of postrelease supervision provided in subparagraphs (A) and (B) may be reduced by up to 12 months and the period of postrelease supervision provided in subparagraph (C) may be reduced by up to six months based on the offender’s compliance with conditions of supervision and overall performance while on postrelease supervision. The reduction in the supervision period shall be on an earned basis pursuant to rules and regulations adopted by the secretary of corrections.
In cases where sentences for crimes from more than one severity level have been imposed, the offender shall serve the longest period of postrelease supervision as provided by this section available for any crime upon which sentence was imposed irrespective of the severity level of the crime. Supervision periods will not aggregate.

Except as provided in subsection (u), persons convicted of a sexually violent crime committed on or after July 1, 2006, and who are released from prison, shall be released to a mandatory period of postrelease supervision for the duration of the person’s natural life.

As used in this section, “sexually violent crime” means:

- Rape, K.S.A. 21-3502, and amendments thereto;
- Indecent liberties with a child, K.S.A. 21-3503, and amendments thereto;
- Aggravated indecent liberties with a child, K.S.A. 21-3504, and amendments thereto;
- Criminal sodomy, subsection (a)(2) and (a)(3) of K.S.A. 21-3505, and amendments thereto;
- Aggravated criminal sodomy, K.S.A. 21-3506, and amendments thereto;
- Indecent solicitation of a child, K.S.A. 21-3510, and amendments thereto;
- Aggravated indecent solicitation of a child, K.S.A. 21-3511, and amendments thereto;
- Sexual exploitation of a child, K.S.A. 21-3516, and amendments thereto;
- Aggravated sexual battery, K.S.A. 21-3518, and amendments thereto;
- Aggravated incest, K.S.A. 21-3603, and amendments thereto; or
- An attempt, conspiracy or criminal solicitation, as defined in K.S.A. 21-3301, 21-3302 or 21-3303, and amendments thereto, of a sexually violent crime as defined in this section.

“Sexually motivated” means that one of the purposes for which the defendant committed the crime was for the purpose of the defendant’s sexual gratification.

If an inmate is sentenced to imprisonment for a crime committed while on parole or conditional release, the inmate shall be eligible for parole as provided by subsection (c), except that the Kansas parole board may postpone the inmate’s parole eligibility date by assessing a penalty not exceeding the period of time which could have been assessed if the inmate’s parole or conditional release had been violated for reasons other than conviction of a crime.

If a person is sentenced to prison for a crime committed on or after July 1, 1993, while on probation, parole, conditional release or in a community corrections program, for a crime committed prior to July 1, 1993, and the person is not eligible for retroactive application of the sentencing guidelines and amendments thereto pursuant to K.S.A. 21-4724, and amendments thereto, the new sentence shall not be aggregated with the old sentence, but shall begin when the person is paroled or reaches the conditional release date on the old sentence. If the offender was past the offender’s conditional release date at the time the new offense was committed, the new sentence shall not be aggregated with the old sentence but shall begin when the person is ordered released by the Kansas parole board or reaches the maximum sentence expiration date on the old sentence, whichever is earlier. The new sentence shall then be served as otherwise provided by law. The period of postrelease supervision shall be based on the new sentence, except that those offenders whose old sentence is a term of imprisonment for life, imposed pursuant to K.S.A. 1993 Supp. 21-4628 prior to its repeal, or an indeterminate sentence with a maximum term of life imprisonment, for which there is no conditional release or maximum sentence expiration date, shall remain on postrelease supervision for life or until discharged from supervision by the Kansas parole board.

Subject to the provisions of this section, the Kansas parole board may release on parole those persons confined in institutions who are eligible for parole when: (1) The board believes that the inmate should be released for hospitalization, for deportation or to answer the warrant or other process of a court and is of the opinion that there is reasonable probability that the inmate can be released without detriment to the community or to the inmate; or (2) the secretary of corrections has reported to the board in writing that the inmate has satisfactorily completed the programs required by any agreement entered under K.S.A. 75-5210a, and amendments thereto, or any revision of such agreement, and the board believes that the inmate is able and willing to fulfill the obligations of a law abiding citizen and is of
the opinion that there is reasonable probability that the inmate can be released without
detriment to the community or to the inmate. Parole shall not be granted as an award of
clerency and shall not be considered a reduction of sentence or a pardon.

(h) The Kansas parole board shall hold a parole hearing at least the month prior to the
month an inmate will be eligible for parole under subsections (a), (b) and (c). At least the
month preceding the parole hearing, the county or district attorney of the county where the
inmate was convicted shall give written notice of the time and place of the public comment
sessions for the inmate to any victim of the inmate’s crime who is alive and whose address
is known to the county or district attorney or, if the victim is deceased, to the victim’s family
if the family’s address is known to the county or district attorney. Except as otherwise
provided, failure to notify pursuant to this section shall not be a reason to postpone a parole
hearing. In the case of any inmate convicted of an off-grid felony or a class A felony the
secretary of corrections shall give written notice of the time and place of the public comment
session for such inmate at least one month preceding the public comment session to any
victim of such inmate’s crime or the victim’s family pursuant to K.S.A. 74-7338, and amend-
ments thereto. If notification is not given to such victim or such victim’s family in the case
of any inmate convicted of an off-grid felony or a class A felony, the board shall postpone
a decision on parole of the inmate to a time at least 30 days after notification is given as
provided in this section. Nothing in this section shall create a cause of action against the
state or an employee of the state acting within the scope of the employee’s employment as
a result of the failure to notify pursuant to this section. If granted parole, the inmate may
be released on parole on the date specified by the board, but not earlier than the date the
inmate is eligible for parole under subsections (a), (b) and (c). At each parole hearing and,
if parole is not granted, at such intervals thereafter as it determines appropriate, the Kansas
parole board shall consider: (1) Whether the inmate has satisfactorily completed the pro-
grams required by any agreement entered under K.S.A. 75-5210a, and amendments thereto,
or any revision of such agreement; and (2) all pertinent information regarding such inmate,
including, but not limited to, the circumstances of the offense of the inmate; the presentence
report; the previous social history and criminal record of the inmate; the conduct, employ-
ment, and attitude of the inmate in prison; the reports of such physical and mental exami-
nations as have been made, including, but not limited to, risk factors revealed by any risk
assessment of the inmate; comments of the victim and the victim’s family including in person
comments, contemporaneous comments and prerecorded comments made by any technol-
ogical means; comments of the public; official comments; any recommendation by the staff
of the facility where the inmate is incarcerated; proportionality of the time the inmate has
served to the sentence a person would receive under the Kansas sentencing guidelines for
the conduct that resulted in the inmate’s incarceration; and capacity of state correctional
institutions.

(i) In those cases involving inmates sentenced for a crime committed after July 1, 1993,
the parole board will review the inmates proposed release plan. The board may schedule a
hearing if they desire. The board may impose any condition they deem necessary to insure
public safety, aid in the reintegration of the inmate into the community, or items not com-
pleted under the agreement entered into under K.S.A. 75-5210a, and amendments thereto.
The board may not advance or delay an inmate’s release date. Every inmate while on post-
release supervision shall remain in the legal custody of the secretary of corrections and is
subject to the orders of the secretary.

(j) Before ordering the parole of any inmate, the Kansas parole board shall have the
inmate appear before either in person or via a video conferencing format and shall interview
the inmate unless impractical because of the inmate’s physical or mental condition or ab-
sence from the institution. Every inmate while on parole shall remain in the legal custody
of the secretary of corrections and is subject to the orders of the secretary. Whenever the
Kansas parole board formally considers placing an inmate on parole and no agreement has
been entered into with the inmate under K.S.A. 75-5210a, and amendments thereto, the
board shall notify the inmate in writing of the reasons for not granting parole. If an agree-
ment has been entered under K.S.A. 75-5210a, and amendments thereto, and the inmate
has not satisfactorily completed the programs specified in the agreement, or any revision of
such agreement, the board shall notify the inmate in writing of the specific programs the
inmate must satisfactorily complete before parole will be granted. If parole is not granted only because of a failure to satisfactorily complete such programs, the board shall grant parole upon the secretary's certification that the inmate has successfully completed such programs. If an agreement has been entered under K.S.A. 75-5210a, and amendments thereto, and the secretary of corrections has reported to the board in writing that the inmate has satisfactorily completed the programs required by such agreement, or any revision thereof, the board shall not require further program participation. However, if the board determines that other pertinent information regarding the inmate warrants the inmate's not being released on parole, the board shall state in writing the reasons for not granting the parole. If parole is denied for an inmate sentenced for a crime other than a class A or class B felony or an off-grid felony, the board shall hold another parole hearing for the inmate not later than one year after the denial unless the parole board finds that it is not reasonable to expect that parole would be granted at a hearing if held in the next three years or during the interim period of a deferral. In such case, the parole board may defer subsequent parole hearings for up to three years but any such deferral by the board shall require the board to state the basis for its findings. If parole is denied for an inmate sentenced for a class A or class B felony or an off-grid felony, the board shall hold another parole hearing for the inmate not later than three years after the denial unless the parole board finds that it is not reasonable to expect that parole would be granted at a hearing if held in the next 10 years or during the interim period of a deferral. In such case, the parole board may defer subsequent parole hearings for up to 10 years but any such deferral shall require the board to state the basis for its findings.

(k) Parolees and persons on postrelease supervision shall be assigned, upon release, to the appropriate level of supervision pursuant to the criteria established by the secretary of corrections.

(l) The Kansas parole board shall adopt rules and regulations in accordance with K.S.A. 77-415 et seq., and amendments thereto, not inconsistent with the law and as it may deem proper or necessary, with respect to the conduct of parole hearings, postrelease supervision reviews, revocation hearings, orders of restitution, reimbursement of expenditures by the state board of indigents' defense services and other conditions to be imposed upon parolees or releasees. Whenever an order for parole or postrelease supervision is issued it shall recite the conditions thereof.

(m) Whenever the Kansas parole board orders the parole of an inmate or establishes conditions for an inmate placed on postrelease supervision, the board:

1. Unless it finds compelling circumstances which would render a plan of payment unworkable, shall order as a condition of parole or postrelease supervision that the parolee or the person on postrelease supervision pay any transportation expenses resulting from returning the parolee or the person on postrelease supervision to this state to answer criminal charges or a warrant for a violation of a condition of probation, assignment to a community correctional services program, parole, conditional release or postrelease supervision;

2. To the extent practicable, shall order as a condition of parole or postrelease supervision that the parolee or the person on postrelease supervision make progress towards or successfully complete the equivalent of a secondary education if the inmate has not previously completed such educational equivalent and is capable of doing so;

3. May order that the parolee or person on postrelease supervision perform community or public service work for local governmental agencies, private corporations organized for-profit or charitable or social service organizations performing services for the community;

4. May order the parolee or person on postrelease supervision to pay the administrative fee imposed pursuant to K.S.A. 22-4529, and amendments thereto, unless the board finds compelling circumstances which would render payment unworkable; and

5. Unless it finds compelling circumstances which would render a plan of payment unworkable, shall order that the parolee or person on postrelease supervision reimburse the state for all or part of the expenditures by the state board of indigents' defense services to provide counsel and other defense services to the person. In determining the amount and method of payment of such sum, the parole board shall take account of the financial resources of the person and the nature of the burden that the payment of such sum will
impose. Such amount shall not exceed the amount claimed by appointed counsel on the payment voucher for indigents’ defense services or the amount prescribed by the board of indigents’ defense services reimbursement tables as provided in K.S.A. 22-4522, and amendments thereto, whichever is less, minus any previous payments for such services.

(n) If the court which sentenced an inmate specified at the time of sentencing the amount and the recipient of any restitution ordered as a condition of parole or postrelease supervision, the Kansas parole board shall order as a condition of parole or postrelease supervision that the inmate pay restitution in the amount and manner provided in the journal entry unless the board finds compelling circumstances which would render a plan of restitution unworkable.

(o) Whenever the Kansas parole board grants the parole of an inmate, the board, within 10 days of the date of the decision to grant parole, shall give written notice of the decision to the county or district attorney of the county where the inmate was sentenced.

(p) When an inmate is to be released on postrelease supervision, the secretary, within 30 days prior to release, shall provide the county or district attorney of the county where the inmate was sentenced written notice of the release date.

(q) Inmates shall be released on postrelease supervision upon the termination of the prison portion of their sentence. Time served while on postrelease supervision will vest.

(r) An inmate who is allocated regular good time credits as provided in K.S.A. 22-3725, and amendments thereto, may receive meritorious good time credits in increments of not more than 90 days per meritorious act. These credits may be awarded by the secretary of corrections when an inmate has acted in a heroic or outstanding manner in coming to the assistance of another person in a life threatening situation, preventing injury or death to a person, preventing the destruction of property or taking actions which result in a financial savings to the state.

(s) The provisions of subsections (d)(1)(A), (d)(1)(B), (d)(1)(C) and (d)(1)(E) shall be applied retroactively as provided in subsection (t).

(t) For offenders sentenced prior to the effective date of this act who are eligible for modification of their postrelease supervision obligation, the department of corrections shall modify the period of postrelease supervision as provided for by this section for offenders convicted of severity level 9 and 10 crimes on the sentencing guidelines grid for nondrug crimes and severity level 4 crimes on the sentencing guidelines grid for drug crimes on or before September 1, 2000; for offenders convicted of severity level 7 and 8 crimes on the sentencing guidelines grid for nondrug crimes on or before November 1, 2000; and for offenders convicted of severity level 5 and 6 crimes on the sentencing guidelines grid for nondrug crimes and severity level 3 crimes on the sentencing guidelines grid for drug crimes on or before January 1, 2001.

(u) An inmate sentenced to imprisonment pursuant to K.S.A. 21-4643, and amendments thereto, for crimes committed on or after July 1, 2006, shall be placed on parole for life and shall not be discharged from supervision by the Kansas parole board. When the board orders the parole of an inmate pursuant to this subsection, the board shall order as a condition of parole that the inmate be electronically monitored for the duration of the inmate’s natural life.

(v) Whenever the Kansas parole board or the court orders a person to be electronically monitored, the board or court shall order the person to reimburse the state for all or part of the cost of such monitoring. In determining the amount and method of payment of such sum, the board or court shall take account of the financial resources of the person and the nature of the burden that the payment of such sum will impose.

(w) Documents, records and reports from the parole board, reviewed and produced on and after July 1, 2008, through June 30, 2009, concerning factors and rationale used to determine the granting or denial of parole, shall be available to members of the standing senate committee on judiciary and the standing house committee on corrections and juvenile justice, when carrying out such committee’s official functions in accordance with K.S.A. 75-4319, and amendments thereto, in a closed or executive meeting. The parole board shall provide to such legislative members a summary statement of the factors and rationale used to determine such grant or denial and any correspondence received by the parole board relating to such grant or denial. Documents, records and reports received by the committee
are confidential and shall not be further disclosed. Such documents, records and reports received shall have information redacted which identifies any person or location, including, but not limited to, a city or county, except this provision shall not apply to the name of the inmate whose records are being reviewed. Such documents, records and reports received shall not be subject to K.S.A. 45-221, and amendments thereto. All copies of such documents, records and reports shall be returned to the parole board prior to the open meeting resuming. Unauthorized disclosure may subject such member to discipline or censure from the house of representatives or senate. If the house of representatives does not have a standing committee on corrections and juvenile justice, the standing committee on judiciary shall have access to such records in the same manner and under the same restrictions as the committee on corrections and juvenile justice.

Sec. 14. K.S.A. 2008 Supp. 75-4319 is hereby amended to read as follows: 75-4319. Sec. 15. K.S.A. 2008 Supp. 75-5291 is hereby amended to read as follows: 75-5291. (a)

(1) The secretary of corrections may make grants to counties for the development, implementation, operation and improvement of community correctional services that address the criminogenic needs of felony offenders including, but not limited to, adult intensive supervision, substance abuse and mental health services, employment and residential services, and facilities for the detention or confinement, care or treatment of offenders as provided in this section except that no community corrections funds shall be expended by the secretary for the purpose of establishing or operating a conservation camp as provided by K.S.A. 75-52,127 and amendments thereto.

(2) Except as otherwise provided, placement of offenders in community correctional services programs by the court shall be limited to placement of adult offenders, convicted of a felony offense:

(A) Whose offense is classified in grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes or in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes. In addition, the court may place in a community correctional services program adult offenders, convicted of a felony offense, whose offense is classified in grid blocks 6-H, 6-I, 7-C, 7-D, 7-E, 7-F, 7-G, 7-H or 7-I of the sentencing guidelines grid for nondrug crimes;

(C) all offenders convicted of an offense which satisfies the definition of offender pursuant to K.S.A. 22-4902, and amendments thereto, and which is classified as a severity level 7 or higher offense and who receive a nonprison sentence, regardless of the manner in which the sentence is imposed;

(D) any offender for whom a violation of conditions of release or assignment or a non-prison sanction has been established as provided in K.S.A. 22-3716, and amendments thereto, prior to revocation resulting in the offender being required to serve any time for the sentence imposed or which might originally have been imposed in a state facility in the custody of the secretary of corrections;

Invocation by Chaplain Fred S. Hollomon:

Heavenly Father,
I pray for our new Governor:
Governor Mark Parkinson.
He's taking the place of the one
Who is now in Washington.

He used to be a Senator
From District twenty-three.
So he experienced state government
From the view that Senators see.

Addressing the legislature,
He said bipartisanship
Is the key to solving problems
Which have Kansas in their grip.

One reporter said the effort
To find the right mix
Of revenue and expense changes
Would be a challenge to fix.

In a wedding once I witnessed
Bipartisanship without a spat,
I united a Republican man
To a lady Democrat!

How wonderful it would be, O God,
If we could reach an amiable solution
Which resembled the peace I witnessed
At that wedding's calm conclusion.

I pray in the Name of Jesus Christ,

AMEN

Journal of the Senate

SIXTY-FIRST DAY

The Senate was called to order by President Stephen Morris.
The roll was called with forty senators present.
Invocation by Chaplain Fred S. Hollomon:

Heavenly Father,

I want to thank You that Your influence on the Founders is obvious as their own words have shown:

George Washington: (May 14, 1787 at the Constitutional Convention) “Let us raise a standard to which the wise and the honest can repair; the event is in the hands of God.”

John Adams: (October 11, 1798) “Our constitution was made only for a moral and religious people. It is wholly inadequate to the government of any other.”

Ben Franklin: (June 28, 1787 at the Constitutional Convention) “... the longer I live, the more convincing proofs I see of the truth—that God governs in the affairs of men. And if a sparrow cannot fall to the ground without His notice, is it probable that an empire can rise without His aid?”

James Madison: (1778) “We have staked the future of all of our political institutions upon the capacity of mankind for self-government, upon the capacity of each and all of us to govern ourselves, to control ourselves, to sustain ourselves according to the Ten Commandments of God.”

These quotations, along with those of the rest of the founders, verify that they took seriously the words of the Psalmist, “Blessed is the nation whose God is the Lord.” (Psalms 33:12a) And that You intended to influence all layers of American government.

I pray in the Name of Jesus Christ,

AMEN

The Pledge of Allegiance was led by President Stephen Morris.

EXPLANATION OF VOTE

Mr. President: Many state agencies are fee funded and do not receive any funding from the state. Fees supporting these agencies are collected from the industry which the agency regulates for a specific purpose. Raiding those funds is a violation of the trust between the fee-payer and the Kansas Legislature. Referring to fee fund sweeps as "spending cuts" is an insult.

It is more appropriate to call this measure a massive, back-door tax increase. Attorney General Opinion 2002-45 said it best, "If an assessment so exceeds the cost of regulation that it is apparent the Legislature is using it as a general revenue raising measure, the overage cannot stand on police power authority. If the assessment is in fact a revenue raising measure, it must be analyzed as such, which may include a determination as to whether it meets Commerce Clause and Equal Protection requirements, as well as any state constitutional requirements applicable to the type of tax it is."

The Legislature should not take what does not belong to it. I regard fee sweeps of this magnitude as being unconstitutional, and I flatly refuse to participate in or validate their existence. I vote yes on the amendment.—Terry Bruce

A motion by Senator Masterson failed and the following amendment was rejected; on page 17, in line 8, by striking all after "fund"; by striking all in lines 9 through 16; in line 17, by striking all before the period;

On page 35, after line 7, by inserting:

"(o) In addition to the other purposes for which expenditures may be made by the department of revenue from the moneys appropriated from the state general fund or from any special revenue fund or funds for fiscal year 2009 or fiscal year 2010 as authorized by chapter 131 or chapter 184 of the 2008 Session Laws of Kansas or by 2009 House Substitute for Substitute for Senate Bill No. 23, by 2009 Senate Substitute for House Bill No. 2354, or by this or other appropriation act of the 2009 regular session of the legislature, expenditures may be made by the department of revenue from moneys appropriated from the state general fund or from any special revenue fund or funds for fiscal year 2009 or fiscal year 2010 to provide for the secretary of revenue to enter into settlements to equitably resolve any assessment or other disputed matters of tax liability arising from an audit, or any portion of any such assessment, or other matter or tax liability, which is pending in the administrative appeals process before the secretary of revenue, or the secretary's designee, pursuant to K.S.A. 79-3226 or 79-3610, and amendments thereto, is pending before the state court of tax appeals, or is pending in the judicial review process before any state or federal district or appellate court, pursuant to settlement agreements which are hereby authorized to be entered into during fiscal year 2009 or fiscal year 2010 by the secretary of revenue in the exercise of express and implied powers of the secretary of revenue under the statutes and laws of Kansas, including the authority of the secretary of revenue to resolve the amount of tax, penalty or interest due in any such settlement agreement, which are hereby recognized by the legislature: Provided, That all moneys received by the department of revenue pursuant to such settlements of such assessments or other disputed matters of tax liability shall be remitted to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. And provided further, That, upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the state general fund."

The following are exempt from and shall not be reduced by such lapsing provision: (1) Any item of appropriation or reappropriation for debt service for payments pursuant to contractual bond obligations, and (2) any item of appropriation or reappropriation from the state general fund for the fiscal

EXPLANATION OF VOTE

MR. PRESIDENT: I vote “no” on Senate Sub for HB 2373. This budget bill does not close the gap between revenue and expenditures which is setting us up for a tax increase. I cannot support an increased tax burden on Kansans during such a serious recession.—KARIN BROWNLEE.

On motion of Senator D. Schmidt the Senate adjourned until 10:00 a.m., Wednesday, May 6, 2009.
The Senate was called to order by Vice President John Vratil. The roll was called with thirty-eight senators present. Senators Masterson and Wysong were excused.

Invocation by Chaplain Fred S. Hollomon:

Heavenly Father,

All governing authorities are established by God,
According to the Apostle Paul.
They are also Your servants to do good,
And are deserving of respect by all. (Romans 13:1-5)

Too often we’re guilty, O God,
Of rebelling against those who serve.
We gripe and complain and never pray
For the kind of treatment they deserve.

I’ve said it before, and I’ll say it again,
I wish those of us who complain
Would have to walk in their shoes
And experience some of their pain.

Governing authorities constantly experience
That old saying that is still true yet:
“When I’m right, no one remembers,
When I’m wrong, no one forgets.”

The best thing we can do for them,
Which we should be doing all along:
Is to pray a lot more than we criticize,
Whether they are right or wrong.

I pray in the Name of Jesus Christ,

AMEN

INTRODUCTION OF ORIGINAL MOTIONS AND SENATE RESOLUTIONS
Senators Haley and Faust-Goudeau introduced the following Senate resolution, which was read:

**SENATE RESOLUTION No. 1888—**

A RESOLUTION recognizing the observance of an annual Juneteenth Day.

WHEREAS, June 19th, the oldest known celebration of the ending of slavery, is known in many places as Juneteenth Day; and

WHEREAS, News of the end of slavery did not reach frontier areas of the United States for more than 2 years after President Lincoln’s Emancipation Proclamation of January 1, 1863, and months after the conclusion of the Civil War; and

WHEREAS, On June 19, 1865, Union soldiers led by Major General Gordon Granger arrived in Galveston, Texas, with news that the Civil War had ended and that the enslaved were free; and

WHEREAS, News of the end of slavery did not have the same impact on Kansas because Kansas was established as and remained a “free” state; and

WHEREAS, Many African-Americans continue the tradition of celebrating Juneteenth as inspiration and encouragement for future generations and for more than 140 years, Juneteenth Day celebrations have been held to honor African-American freedom while encouraging self-development and respect for all cultures; and

WHEREAS, Although Juneteenth Day is beginning to be recognized as a national, and even global event, the history behind the celebration should not be forgotten; and

WHEREAS, The faith and strength of character demonstrated by former slaves remains an example for all people of the United States, regardless of background, religion or race:

NOW THEREFORE,

Be it resolved by the Senate of the State of Kansas: That we recognize the historical significance of Juneteenth; support the continued celebration of Juneteenth to provide an opportunity for the people of the State of Kansas to learn more about the past to better understand the experiences that have shaped the nation and encourage the people of the State of Kansas to observe Juneteenth Day with appropriate ceremonies, activities and programs; and

Be it further resolved: That the Secretary of the Senate provide an enrolled copy of this resolution to Senator David Haley.

On emergency motion of Senator Faust-Goudeau **SR 1888** was adopted unanimously.

REMARKS
Mr. Vice President:
Although Juneteenth Day is beginning to be recognized as a National and even a Global Event—the history behind the celebration should not be forgotten.

Mr. Vice President—I know I won’t forget the foresight into the future of President Lincoln’s Emancipation Proclamation—because I know it had a direct impact on my being able to stand here today as the first African American female to serve in the Kansas Senate in our state’s history. So I will be forever grateful for the celebration and I’d like to thank Senator David Haley for allowing me to co-sponsor this resolution with him—**OLETHA FAUST-GOUDEAU**

The Senate met pursuant to recess with President Morris in the chair.

REPORTS OF STANDING COMMITTEES

Committee on Natural Resources recommends HB 2283 be amended on page 1, after line 13, by inserting:

“New Section 1. Not less than 60 days before the effective date of any ordinance annexing land into the boundaries of any city:

(a) The city shall give written notice to any rural water district organized pursuant to K.S.A. 82a-612 et seq., and amendments thereto, in whose territory the land or any portion thereof is located of the city’s intent to annex such land; and

(b) the notice shall contain the description of the land to be annexed and the city’s plan for the provision of water service to the land being annexed.

New Sec. 2. Following annexation of rural water district territory by a city, the city and the district may contract for the district to provide water service to all or certain portions of the annexed area. If the agreement includes a provision for the payment of a franchise fee to the city, such agreement shall be subject to the provisions of K.S.A. 12-2001 et seq., and amendments thereto.

New Sec. 3. (a) Following annexation, the rural water district shall remain the water service provider to the annexed area unless the city gives written notice designating a different supplier. If the city designates a different supplier, the city shall purchase the property, facilities, improvements and going concern value of the facilities of the district located within the territory annexed by the city. If an agreement for the purchase of such property,
facilities, improvements and going concern value of the facilities of the district annexed by the city is not executed within 90 days after delivery of the notice designating a different supplier, the city and the rural water district in good faith shall engage in mediation. Unless an agreement is executed, no change in water service provider shall occur and no appraisers shall be appointed until more than 120 days after delivery of the notice of intent to change the water supplier and the mediation has been terminated.

(b) If the district and the city are unable to reach agreement on the reasonable value for such property, facilities, improvements and going concern value of the facilities of the district, then the reasonable value shall be determined in the following manner:

(1) The district and the city shall each select one qualified appraiser and the two appraisers so selected shall then select a third appraiser for the purpose of conducting an appraisal to determine reasonable value of the property, facilities, improvements and going concern value of the facilities of the district annexed by the city. The appraisers shall consider all elements of value, employing any method of valuation the appraisers deem appropriate and shall specifically consider the following factors in determining reasonable value:

(A) Whether any property of the district is rendered useless or valueless to the district;
(B) the amount of damage to property remaining in the ownership of the district following annexation;
(C) impact on the existing indebtedness of the district and such district’s ability to repay that debt;
(D) the value of the service facilities of the district located within the area in question;
(E) the amount of any expenditures for planning, design or construction of service facilities outside the incorporated or annexed area that are allocable to service to the area in question;
(F) the amount of the district’s contractual obligations allocable to the area in question;
(G) any demonstrated impairment of service or increase of cost to consumers of the district remaining after the annexation and the impact on future revenues lost from existing customers;
(H) any necessary and reasonable legal expenses and professional fees;
(I) any factors relevant to maintaining the current financial integrity of the district; and
(J) any other relevant factors.

(2) The appraisers shall hear such evidence as the appraisers deem appropriate and shall make a written summary of findings and conclusions. The agreement or decision of at least two of the three appraisers shall be the fair market value presented to the city for payment and the district for acceptance.

(3) If either the district or the city is dissatisfied with the decision of the appraisers, then the district or the city may appeal within 30 days such award to the district court. Such appeal shall be heard de novo by the court without a jury.

(c) The compensation required by this section shall be paid to the district whether or not the city actually utilizes the facilities of the district for the delivery of water to property within the city and shall be paid at a time not later than 120 days following the date upon which the fair market value of the facilities are certified to the city and to the district, or at such later date as may be mutually agreed upon by the city and the district or as may be determined by the district court.

(d) In any event, the district may elect to retain facilities located within the city used for transmission of water, provided that the district use those facilities to continue to supply water service to benefit units outside the city. The district shall not receive compensation for facilities it elects to retain.

(e) Except as otherwise provided, nothing in this section shall be construed as limiting the authority of a city to select water service suppliers to areas within the city limits, or to limit the authority of a city to adopt and enforce regulations for the operation of a water service supplier, including, but not limited to, standards of water quality, classification of water customers, capacity of water system, water system connections to sanitary sewer systems, rates and billing practices and other regulations for protection of the public health, safety and welfare.

(f) In the event that a district will no longer be the water supplier to land as a result of annexation and notice pursuant to subsection (a), the district shall continue to provide such
service until the city gives notice of its assumption of responsibility for service, designating the city as a result of the transfer. The city shall give written notice to each customer of the district for whom water service is being transferred specifying the name and address of the new supplier, the effective date of the transfer, the reason for the transfer and a schedule of applicable rates. The district shall not discontinue or limit service to customers who were supplied water by the district at the time of annexation during the period of negotiations unless such customer has violated district bylaws or rules and regulations.

(g) Following the transfer of water service from the district to the city, the annexed land, or amount of such land for which water service has been transferred to the city, shall be deleted from the territory of the district and all benefit units attached to land located therein shall be canceled without compensation. Notice of such deletion of territory shall be provided to the county clerk and the chief engineer of the division of water resources of the department of agriculture.

Sec. 4. K.S.A. 2008 Supp. 82a-612 is hereby amended to read as follows: 82a-612. As used in this act, unless the context clearly requires otherwise:

(1) The district and the landowner shall each select one qualified appraiser and the two appraisers so selected shall then select a third appraiser for the purpose of conducting an appraisal to determine the amount of compensation sufficient to enable the district to be adequately compensated from the release. (H) any other relevant factors.

(2) The appraisers shall hear such evidence as the appraisers deem appropriate and shall make a written summary of findings and conclusions. Invocation by Chaplain Fred S. Hollomon:

Heavenly Father,

On this National Day of Prayer we recall the instructions You gave King Solomon for Israel in the 10th century B.C.

“If My people, who are called by My name, will humble themselves and pray and seek My face and turn from their wicked ways, then will I hear from heaven and will forgive their sin and will heal their land.”

Four conditions for forgiveness
For people called Your Name:
Humility, Prayer, Diligence, Behavior with no shame:

If we obey Your instructions,
You will hear our appeal;
Forgiveness will be ours
And our nation shall be healed.

And for that we thank You in the Name of Jesus Christ,
AMEN

“Sec. 8. K.S.A. 21-4603d is hereby amended to read as follows: 21-4603d. (a) Whenever any person has been found guilty of a crime, the court may adjudge any of the following:

(1) Commit the defendant to the custody of the secretary of corrections if the current crime of conviction is a felony and the sentence imposes a dispositional departure to imprisonment; or, if confinement is for a misdemeanor, to jail for the term provided by law;

(2) impose the fine applicable to the offense;

(3) release the defendant on probation if the current crime of conviction and criminal history fall within a presumptive nonprison category or through a departure for substantial and compelling reasons subject to such conditions as the court may deem appropriate. In felony cases except for violations of K.S.A. 8-1567, and amendments thereto, the court may include confinement in a county jail not to exceed 60 days, which need not be served consecutively, as a condition of an original probation sentence and up to 60 days in a county jail upon each revocation of the probation sentence, or community corrections placement;

(4) assign the defendant to a community correctional services program as provided in K.S.A. 75-5291, and amendments thereto, or through a departure for substantial and compelling reasons subject to such conditions as the court may deem appropriate, including orders requiring full or partial restitution;

(5) assign the defendant to a conservation camp for a period not to exceed six months as a condition of probation followed by a six-month period of follow-up through adult intensive supervision by a community correctional services program, if the offender successfully completes the conservation camp program;

(6) assign the defendant to a house arrest program pursuant to K.S.A. 21-4603b and amendments thereto;

(7) order the defendant to attend and satisfactorily complete an alcohol or drug education or training program as provided by subsection (3) of K.S.A. 21-4502, and amendments thereto;

(8) order the defendant to repay the amount of any reward paid by any crime stoppers chapter, individual, corporation or public entity which materially aided in the apprehension
or conviction of the defendant; repay the amount of any costs and expenses incurred by any law enforcement agency in the apprehension of the defendant, if one of the current crimes of conviction of the defendant includes escape, as defined in K.S.A. 21-3809, and amendments thereto, or aggravated escape, as defined in K.S.A. 21-3810, and amendments thereto; repay expenses incurred by a fire district, fire department or fire company responding to a fire which has been determined to be arson under K.S.A. 21-3718 or 21-3719, and amendments thereto, if the defendant is convicted of such crime; repay the amount of any public funds utilized by a law enforcement agency to purchase controlled substances from the defendant during the investigation which leads to the defendant's conviction; or repay the amount of any medical costs and expenses incurred by any law enforcement agency or county. Such repayment of the amount of any such costs and expenses incurred by a county, law enforcement agency, fire district, fire department or fire company or any public funds utilized by a law enforcement agency shall be deposited and credited to the same fund from which the public funds were credited to prior to use by the county, law enforcement agency, fire district, fire department or fire company;

(9) order the defendant to pay the administrative fee authorized by K.S.A. 22-4529, and amendments thereto, unless waived by the court;

(10) order the defendant to pay a domestic violence special program fee authorized by K.S.A. 20-369, and amendments thereto;

(11) impose any appropriate combination of (1), (2), (3), (4), (5), (6), (7), (8), (9) and (10); or

(12) suspend imposition of sentence in misdemeanor cases.

(b) (1) In addition to or in lieu of any of the above, the court shall order the defendant to pay restitution, which shall include, but not be limited to, damage or loss caused by the defendant’s crime, unless the court finds compelling circumstances which would render a plan of restitution unworkable. In regard to a violation of K.S.A. 21-4018, and amendments thereto, such damage or loss shall include, but not be limited to, attorney fees and costs incurred to repair the credit history or rating of the person whose personal identification documents were obtained and used in violation of such section, and to satisfy a debt, lien or other obligation incurred by the person whose personal identification documents were obtained and used in violation of such section. If the court finds a plan of restitution unworkable, the court shall state on the record in detail the reasons therefor.

(2) If the court orders restitution, the restitution shall be a judgment against the defendant which may be collected by the court by garnishment or other execution as on judgments in civil cases. If, after 60 days from the date restitution is ordered by the court, a defendant is found to be in noncompliance with the plan established by the court for payment of restitution, and the victim to whom restitution is ordered has not initiated proceedings in accordance with K.S.A. 60-4301 et seq., and amendments thereto, the court shall assign an agent procured by the attorney general pursuant to K.S.A. 75-719, and amendments thereto, to collect the restitution on behalf of the victim. The administrative judge of each judicial district may assign such cases to an appropriate division of the court for the conduct of civil collection proceedings.

(c) In addition to or in lieu of any of the above, the court shall order the defendant to submit to and complete an alcohol and drug evaluation, and pay a fee therefor, when required by subsection (4) of K.S.A. 21-4502, and amendments thereto.

(d) In addition to any of the above, the court shall order the defendant to reimburse the county general fund for all or a part of the expenditures by the county to provide counsel and other defense services to the defendant. Any such reimbursement to the county shall be paid only after any order for restitution has been paid in full. In determining the amount and method of payment of such sum, the court shall take account of the financial resources of the defendant and the nature of the burden that payment of such sum will impose. A defendant who has been required to pay such sum and who is not willfully in default in the payment thereof may at any time petition the court which sentenced the defendant to waive payment of such sum or any unpaid portion thereof. If it appears to the satisfaction of the court that payment of the amount due will impose manifest hardship on the defendant or the defendant’s immediate family, the court may waive payment of all or part of the amount due or modify the method of payment.
(e) In imposing a fine the court may authorize the payment thereof in installments. In releasing a defendant on probation, the court shall direct that the defendant be under the supervision of a court services officer. If the court commits the defendant to the custody of the secretary of corrections or to jail, the court may specify in its order the amount of restitution to be paid and the person to whom it shall be paid if restitution is later ordered as a condition of parole, conditional release or postrelease supervision.

(f) (1) When a new felony is committed while the offender is incarcerated and serving a sentence for a felony, or while the offender is on probation, assignment to a community correctional services program, parole, conditional release, or postrelease supervision for a felony, a new sentence shall be imposed pursuant to the consecutive sentencing requirements of K.S.A. 21-4608, and amendments thereto, and the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(2) When a new felony is committed while the offender is incarcerated in a juvenile correctional facility pursuant to K.S.A. 38-1671 prior to its repeal or K.S.A. 2007 Supp. 38-2373, and amendments thereto, for an offense, which if committed by an adult would constitute the commission of a felony, upon conviction, the court shall sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure. The conviction shall operate as a full and complete discharge from any obligations, except for an order of restitution, imposed on the offender arising from the offense for which the offender was committed to a juvenile correctional facility.

(3) When a new felony is committed while the offender is on release for a felony pursuant to the provisions of article 28 of chapter 22 of the Kansas Statutes Annotated, or similar provisions of the laws of another jurisdiction, a new sentence may be imposed pursuant to the consecutive sentencing requirements of K.S.A. 21-4608, and amendments thereto, and the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(g) Prior to imposing a dispositional departure for a defendant whose offense is classified in the presumptive nonprison grid block of either sentencing guideline grid, prior to sentencing a defendant to incarceration whose offense is classified in grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes or in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes, prior to sentencing a defendant to incarceration whose offense is classified in grid blocks 4-E or 4-F of the sentencing guidelines grid for drug crimes and whose offense does not meet the requirements of K.S.A. 21-4729, and amendments thereto, prior to revocation of a nonprison sanction of a defendant whose offense is classified in grid blocks 4-E or 4-F of the sentencing guidelines grid for drug crimes and whose offense does not meet the requirements of K.S.A. 21-4729, and amendments thereto, or prior to revocation of a nonprison sanction of a defendant whose offense is classified in the presumptive nonprison grid block of either sentencing guideline grid or grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes or in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes, the court shall consider placement of the defendant in the Labette correctional conservation camp, conservation camps established by the secretary of corrections pursuant to K.S.A. 75-52,127, and amendment thereto or a community intermediate sanction center. Pursuant to this paragraph the defendant shall not be sentenced to imprisonment if space is available in a conservation camp or a community intermediate sanction center and the defendant meets all of the conservation camp’s or a community intermediate sanction center’s placement criteria unless the court states on the record the reasons for not placing the defendant in a conservation camp or a community intermediate sanction center.

(h) The court in committing a defendant to the custody of the secretary of corrections shall fix a term of confinement within the limits provided by law. In those cases where the law does not fix a term of confinement for the crime for which the defendant was convicted, the court shall fix the term of such confinement.
(i) In addition to any of the above, the court shall order the defendant to reimburse the state general fund for all or a part of the expenditures by the state board of indigents' defense services to provide counsel and other defense services to the defendant. In determining the amount and method of payment of such sum, the court shall take account of the financial resources of the defendant and the nature of the burden that payment of such sum will impose. A defendant who has been required to pay such sum and who is not willfully in default in the payment thereof may at any time petition the court which sentenced the defendant to waive payment of such sum or any unpaid portion thereof. If it appears to the satisfaction of the court that payment of the amount due will impose manifest hardship on the defendant or the defendant's immediate family, the court may waive payment of all or part of the amount due or modify the method of payment. The amount of attorney fees to be included in the court order for reimbursement shall be the amount claimed by appointed counsel on the payment voucher for indigents' defense services or the amount prescribed by the board of indigents' defense services reimbursement tables as provided in K.S.A. 22-4522, and amendments thereto, whichever is less.

(j) This section shall not deprive the court of any authority conferred by any other Kansas statute to decree a forfeiture of property, suspend or cancel a license, remove a person from office, or impose any other civil penalty as a result of conviction of crime.

(k) An application for or acceptance of probation or assignment to a community correctional services program shall not constitute an acquiescence in the judgment for purpose of appeal, and any convicted person may appeal from such conviction, as provided by law, without regard to whether such person has applied for probation, suspended sentence or assignment to a community correctional services program.

(l) The secretary of corrections is authorized to make direct placement to the Labette correctional conservation camp or a conservation camp established by the secretary pursuant to K.S.A. 75-52,127, and amendments thereto, of an inmate sentenced to the secretary's custody if the inmate: (1) Has been sentenced to the secretary for a probation revocation, as a departure from the presumptive nonimprisonment grid block of either sentencing grid, for an offense which is classified in grid blocks 5-H, 5-I, or 6-G of the sentencing guidelines grid for nondrug crimes or in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes, or for an offense which is classified in gridblocks 4-E or 4-F of the sentencing guidelines grid for drug crimes and such offense does not meet the requirements of K.S.A. 21-4729, and amendments thereto, and (2) otherwise meets admission criteria of the camp. If the inmate successfully completes a conservation camp program, the secretary of corrections shall report such completion to the sentencing court and the county or district attorney. The inmate shall then be assigned by the court to six months of follow-up supervision conducted by the appropriate community corrections services program. The court may also order that supervision continue thereafter for the length of time authorized by K.S.A. 21-4611 and amendments thereto.

(m) When it is provided by law that a person shall be sentenced pursuant to K.S.A. 1993 Supp. 21-4628, prior to its repeal, the provisions of this section shall not apply.

(n) Except as provided by subsection (f) of K.S.A. 21-4705, and amendments thereto, in addition to any of the above, for felony violations of K.S.A. 65-4160 or 65-4162 section 6 of 2009 House Bill No. 2236, and amendments thereto, the court shall require the defendant who meets the requirements established in K.S.A. 21-4729, and amendments thereto, to participate in a certified drug abuse treatment program, as provided in K.S.A. 2007 Supp. 75-52,144, and amendments thereto, including but not limited to, an approved aftercare plan. If the defendant fails to participate in or has a pattern of intentional conduct that demonstrates the offender's refusal to comply with or participate in the treatment program, as established by judicial finding, the defendant shall be subject to revocation of probation and the defendant shall serve the underlying prison sentence as established in K.S.A. 21-4705, and amendments thereto. For those offenders who are convicted on or after the effective date of this act, upon completion of the underlying prison sentence, the defendant shall not be subject to a period of postrelease supervision. The amount of time spent participating in such program shall not be credited as service on the underlying prison sentence.

(o) Except as provided in paragraph (3), in addition to any other penalty or disposition imposed by law, upon a conviction for unlawful possession of a controlled substance
or controlled substance analog in violation of section 6 of 2009 House Bill No. 2236, and
amendments thereto, in which the trier of fact makes a finding that the unlawful possession
occurred while transporting the controlled substance or controlled substance analog in any
vehicle upon a highway or street, the offender's driver's license or privilege to operate a
motor vehicle on the streets and highways of this state shall be suspended for one year.

(2) Upon suspension of a license pursuant to this subsection, the court shall require the
person to surrender the license to the court, which shall transmit the license to the division
of motor vehicles of the department of revenue, to be retained until the period of suspension
expires. At that time, the licensee may apply to the division for return of the license. If the
license has expired, the person may apply for a new license, which shall be issued promptly
upon payment of the proper fee and satisfaction of other conditions established by law for
obtaining a license unless another suspension or revocation of the person's privilege to op-
erate a motor vehicle is in effect.

(3) (A) In lieu of suspending the driver's license or privilege to operate a motor vehicle
on the highways of this state of any person as provided in paragraph (1), the judge of the
court in which such person was convicted may enter an order which places conditions on
such person's privilege of operating a motor vehicle on the highways of this state, a certified
copy of which such person shall be required to carry any time such person is operating a
motor vehicle on the highways of this state. Any such order shall prescribe the duration of
the conditions imposed, which in no event shall be for a period of more than one year.

(B) Upon entering an order restricting a person's license hereunder, the judge shall
require such person to surrender such person's driver's license to the judge who shall cause
it to be transmitted to the division of vehicles, together with a copy of the order. Upon receipt
thereof, the division of vehicles shall issue without charge a driver's license which shall
indicate on its face that conditions have been imposed on such person's privilege of operating
a motor vehicle and that a certified copy of the order imposing such conditions is required
to be carried by the person for whom the license was issued any time such person is operating
a motor vehicle on the highways of this state. If the person convicted is a nonresident, the
judge shall cause a copy of the order to be transmitted to the division and the division shall
forward a copy of it to the motor vehicle administrator, of such person's state of residence.
Such judge shall furnish to any person whose driver's license has had conditions imposed
on it under this paragraph a copy of the order, which shall be recognized as a valid Kansas
driver's license until such time as the division shall issue the restricted license provided for
in this paragraph.

(C) Upon expiration of the period of time for which conditions are imposed pursuant to
this subsection, the licensee may apply to the division for the return of the license previously
surrendered by such licensee. In the event such license has expired, such person may apply
to the division for a new license, which shall be issued immediately by the division upon
payment of the proper fee and satisfaction of the other conditions established by law, unless
such person's privilege to operate a motor vehicle on the highways of this state has been
suspended or revoked prior thereto. If any person shall violate any of the conditions imposed
under this paragraph, such person's driver's license or privilege to operate a motor vehicle
on the highways of this state shall be revoked for a period of not less than 60 days nor more
than one year by the judge of the court in which such person is convicted of violating such
conditions.

(4) As used in this subsection, “highway” and “street” have the meanings provided by
K.S.A. 8-1424 and 8-1473, and amendments thereto.

Sec. 9. K.S.A. 21-4611 is hereby amended to read as follows: 21-4611. (a) The period
of suspension of sentence, probation or assignment to community corrections fixed by the
court shall not exceed five years in felony cases involving crimes committed prior to July 1,
1993, or two years in misdemeanor cases, subject to renewal and extension for additional
fixed periods not exceeding five years in such felony cases, nor two years in misdemeanor
cases. In no event shall the total period of probation, suspension of sentence or assignment
to community corrections for a felony committed prior to July 1, 1993, exceed the greatest
maximum term provided by law for the crime, except that where the defendant is convicted
of nonsupport of a child, the period may be continued as long as the responsibility for
support continues. Probation, suspension of sentence or assignment to community correc-
tions may be terminated by the court at any time and upon such termination or upon termination by expiration of the term of probation, suspension of sentence or assignment to community corrections, an order to this effect shall be entered by the court. The provisions of K.S.A. 75-5291, and amendments thereto, shall be applicable to any assignment to a community correctional services program pursuant to this section.

(b) The district court having jurisdiction of the offender may parole any misdemeanant sentenced to confinement in the county jail. The period of such parole shall be fixed by the court and shall not exceed two years and shall be terminated in the manner provided for termination of suspended sentence and probation.

(c) For all crimes committed on or after July 1, 1993, the duration of probation in felony cases sentenced for the following severity levels on the sentencing guidelines grid for non-drug crimes and the sentencing guidelines grid for drug crimes is as follows:

1. For nondrug crimes the recommended duration of probations is:
   A. Thirty-six months for crimes in crime severity levels 1 through 5; and
   B. 24 months for crimes in crime severity levels 6 and 7.

2. For drug crimes the recommended duration of probation is 36 months for crimes in crime severity levels 1 and 2.

3. Except as otherwise provided, in felony cases sentenced at severity levels 9 and 10 on the sentencing guidelines grid for nondrug crimes and severity level 4 on the sentencing guidelines grid for drug crimes, if a nonprison sanction is imposed, the court shall order the defendant to serve a period of probation, or assignment to a community correctional services program as provided under K.S.A. 75-5291 et seq., and amendments thereto, of up to 12 months in length.

4. In felony cases sentenced at severity level 8 on the sentencing guidelines grid for nondrug crimes and severity level 3 on the sentencing guidelines grid for drug crimes and felony cases sentenced pursuant to K.S.A. 21-4729, and amendments thereto, if a nonprison sanction is imposed, the court shall order the defendant to serve a period of probation, or assignment to a community correctional services program, as provided under K.S.A. 75-5291 et seq., and amendments thereto, of up to 18 months in length.

5. If the court finds and sets forth with particularity the reasons for finding that the safety of the members of the public will be jeopardized or that the welfare of the inmate will not be served by the length of the probation terms provided in subsections (c)(3) and (c)(4), the court may impose a longer period of probation. Such an increase shall not be considered a departure and shall not be subject to appeal.

6. Except as provided in subsections (c)(7) and (c)(8), the total period in all cases shall not exceed 60 months, or the maximum period of the prison sentence that could be imposed whichever is longer. Nonprison sentences may be terminated by the court at any time.

7. If the defendant is convicted of nonsupport of a child, the period may be continued as long as the responsibility for support continues. If the defendant is ordered to pay full or partial restitution, the period may be continued as long as the amount of restitution ordered has not been paid.

8. The court may modify or extend the offender’s period of supervision, pursuant to a modification hearing and a judicial finding of necessity. Such extensions may be made for a maximum period of five years or the maximum period of the prison sentence that could be imposed, whichever is longer, inclusive of the original supervision term.

(d) The provisions of subsection (c), as amended by this act, shall be applied retroactively. The sentencing court shall direct that a review of all persons serving a nonprison sanction for a crime in severity levels 8, 9 or 10 of the sentencing guidelines grid for nondrug crimes or a crime in severity levels 3 or 4 of the sentencing guidelines grid for drug crimes be conducted. On or before September 1, 2000, the duration of such person’s probation shall be modified in conformity with the provisions of subsection (c)."

Show us the way to go

Oh, How we want to go home.

WHEREAS, The design of the Kansas State Capitol, based on Palladio’s Villa Rotonda, began in 1566 with a dome and four symmetrical porticos. Furthermore, the architectural design of the United States Capitol, by physician William Thornton, was selected by Thomas Jefferson and George Washington because of its Palladian design; and

WHEREAS, Andreas Palladio, who began as a poor stone mason who studied Vitruvius and ancient buildings and wrote the I Quattro Libri dell’Architettura, which Thomas Jefferson called his “bible” and became the world’s most influential architect, emphasizing symmetry, proportion, the use of classical orders and the idea of blending landscape with architecture; and

WHEREAS, Many of Palladio’s buildings, including Villa Rotonda, Villa Poiana, Villa Emo, Villa Barbaro, La Malcontenta, and Church of Il Redentore, are honored as United Nations World Heritage Sites; and

WHEREAS, Palladio inspired generations of architects such as Inigo Jones, Thomas Jefferson, Frank Lloyd Wright, Christopher Wren, Le Corbusier and I.M. Pei and informed the design of many of the world’s iconic buildings including the U.S. Capitol, the White House, Montecello, Buckingham Palace, St. Paul’s Cathedral, the Library of Congress, the Supreme Court and Kansas’ notable buildings including the Kansas State Capitol, the Cathedral of the Plains, Villa NeoPoiana, the University of Kansas’ Strong Hall and the home of Alf Landon; and

**Afternoon Session**

The Senate met pursuant to recess with President Morris in the chair.

**Introduction of Bills and Concurrent Resolutions**

The following resolution was introduced and read by title:

**Senate Concurrent Resolution No. 1618**

By Senators Umbarger, Kultala and Marshall

A CONCURRENT RESOLUTION urging the legislature to formulate and implement a comprehensive transportation plan by the 2010 legislative session.

WHEREAS, Transportation connects Kansans to their workplaces, to the institutions that matter to them, and to the services upon which they depend. Transportation is also critical to delivering Kansas products to markets, seizing economic opportunities and creating jobs that stimulate our economy; and

WHEREAS, Our Kansas transportation system is comprised of railroads, airports, passenger rail, transit, roads and bridges; and

WHEREAS, The state has successfully completed the 1989 Comprehensive Highway Program and the 1999 Comprehensive Transportation Program and now faces the challenges of addressing the state’s transportation needs for the coming future; and

WHEREAS, More than 2,000 people lost their lives on Kansas roads in the last 5 years, demonstrating an ongoing need to improve the condition and quality of our public roads and bridges to improve the safety of travelers in our state; and

WHEREAS, The state’s population is projected to increase by 11 percent in the next 20 years, and over the same time period vehicle and truck traffic is expected to increase by 44 and 97 percent respectively; and

WHEREAS, Transit ridership is on the rise, the importance of freight movement by railroads is increasing, the state’s airports are in need of improvement, county and local roads are in need of repair, and intercity train travel is attracting more interest; and

WHEREAS, Transportation revenues are projected to fall short of future transportation needs as documented in the Kansas Long Range Transportation Plan; and

WHEREAS, Over the last 20 years Kansas has made a major investment in our transportation systems and projections indicate that without additional revenue the percent of the state’s highways rated in good condition will drop from 83 percent in 2008 to less than 50% in 2020. It would be wasteful to lose our investment because we did not responsibly care for our transportation infrastructure; and

WHEREAS, The state and the country is in the greatest recession since the Great Depression of the 1930s, and transportation construction would provide an economic stimulus to the state through the employment of thousands of men and women in the improvement of our state’s transportation infrastructure; and

WHEREAS, All 105 Kansas counties and more than 200 Kansas cities have formally adopted resolutions in support of a new comprehensive transportation plan; and

WHEREAS, Funding of a new Comprehensive Transportation Program was not possible this year as a result of the weakened economy of the state; and

WHEREAS, The T-LINK Task Force met in 2008 over a period of five months, held statewide meetings attended by over 850 Kansans, concluded that a new transportation program is needed and widely supported, and developed a set of recommendations for the state’s transportation system; and

WHEREAS, The Legislature’s Special Committee on a new Comprehensive Transportation Plan held six meetings across the state, heard testimony from over 120 Kansans, and concluded that a new transportation program is needed and supported; and
WHEREAS, Any new transportation plan should build on the body of work already created by the T-LINK Task Force and the Special Committee on a new Comprehensive Transportation Plan: Now, therefore,

Be it resolved by the Senate of the State of Kansas, the House of Representatives concurring therein: That we undertake efforts during the 2009 legislative interim to develop a plan to present to the 2010 Session of the Kansas Legislature and Governor for funding a new, multi-year transportation plan that recognizes the needs of both rural and urban Kansas, supports the economic priorities of the state, and uses the strength of all modes of transportation to help stimulate the state’s economic recovery.

"New Sec. 4. Any member of the Kansas public employees retirement system may
purchase up to two years of participating service credit for service as approved, directly
related journeyman experience above the apprenticeship as required by K.A.R. 91-1-39 prior
to the revocation of such regulation on June 30, 2003, for day trade, personal service and
public service teachers which commenced on or after January 1, 1962. Such purchase of
participating service credit shall be made in accordance with the provisions of K.S.A. 74-
49,123, and amendments thereto. The benefit for each such period of service purchased by
the member shall be equal to 1.75% of the final average salary of any such member. Such
member may purchase such participating service credit by submitting proof of such service
acceptable to the board of trustees and by making application therefor prior to the date of
retirement of such member for such purchase and to have such member’s employee con-
tributions deducted from such member’s compensation at an additional rate of contribution,
in addition to the employee’s rate of contribution as provided in K.S.A. 74-4919, and amend-
ments thereto, based upon the member’s attained age at the time of purchase and using
actuarial assumptions and tables in use by the retirement system at such time of purchase
for such periods of service. Such additional rate of contribution shall commence at the
beginning of the quarter following the date upon which such member made application for
such purchase and shall remain in effect until all of the full quarters of such service have
been purchased. In lieu of the deduction of employee contributions as provided in this
section, any such member may purchase such participating service credit by means of a
single lump-sum payment in an amount equal to the then present value of benefits being
purchased as determined by the actuary using the member’s attained age at the time of purchase,
annual compensation at the time of purchase and the actuarial assumptions and tables currently in use by the system. The lump-sum payment shall be made immediately
upon being notified of the amount due under this purchase method. The provisions of this
section shall be part of and supplemental to the provisions of K.S.A. 74-4901 et seq., and
amendments thereto.

Sec. 5. K.S.A. 2008 Supp. 74-4920 is hereby amended to read as follows: 74-4920. (1)
(a) Upon the basis of each annual actuarial valuation and appraisal as provided for in sub-
section (3)(a) of K.S.A. 74-4908 and amendments thereto, the board shall certify, on or
before July 15 of each year, to the division of the budget in the case of the state and to the
agent for each other participating employer an actuarially determined estimate of the rate
of contribution which will be required, together with all accumulated contributions and
other assets of the system, to be paid by each such participating employer to pay all liabilities
which shall exist or accrue under the system, including amortization of the actuarial accrued
liability as determined by the board. The board shall determine the actuarial cost method
to be used in annual actuarial valuations, to determine the employer contribution rates that
shall be certified by the board. Such certified rate of contribution, amortization methods
and periods actuarial cost method shall be based on the standards set forth in subsection
(3)(a) of K.S.A. 74-4908 and amendments thereto shall be based on any other
purpose outside of the needs of the system.

(b) (i) For employers affiliating on and after January 1, 1999, upon the basis of an annual
actuarial valuation and appraisal of the system conducted in the manner provided for in
K.S.A. 74-4908 and amendments thereto, the board shall certify, on or before July 15 of
each year to each such employer an actuarially determined estimate of the rate of contribu-
tion which shall be required to be paid by each such employer to pay all of the liabilities
which shall accrue under the system from and after the entry date as determined by the
board, upon recommendation of the actuary. Such rate shall be termed the employer’s
participating service contribution and shall be uniform for all participating employers. Such
additional liability shall be amortized as determined by the board. For all participating
employers described in this section, the board shall determine the actuarial cost method to
be used in annual actuarial valuations to determine the employer contribution rates that
shall be certified by the board.
(ii) The board shall determine for each such employer separately an amount sufficient to amortize all liabilities for prior service costs which shall have accrued at the time of entry into the system. On the basis of such determination the board shall annually certify to each such employer separately an actuarially determined estimate of the rate of contribution which shall be required to be paid by that employer to pay all of the liabilities for such prior service costs. Such rate shall be termed the employer’s prior service contribution.

(2) The division of the budget and the governor shall include in the budget and in the budget request for appropriations for personal services the sum required to satisfy the state’s obligation under this act as certified by the board and shall present the same to the legislature for allowance and appropriation.

(4) Each participating employer is hereby authorized to pay the employer’s contribution from the same fund that the compensation for which such contribution is made is paid from or from any other funds available to it for such purpose. Each political subdivision, other than an instrumentality of the state, which is by law authorized to levy taxes for other purposes, may levy annually at the time of its levy of taxes, a tax which may be in addition to all other taxes authorized by law for the purpose of making its contributions under this act and, in the case of cities and counties, to pay a portion of the principal and interest on bonds issued under the authority of K.S.A. 12-1774 and amendments thereto by cities located in the county, which tax, together with any other fund available, shall be sufficient to enable it to make such contribution. In lieu of levying the tax authorized in this subsection, any taxing subdivision may pay such costs from any employee benefits contribution fund established pursuant to K.S.A. 12-16,102 and amendments thereto. Each participating employer which is not by law authorized to levy taxes as described above, but which prepares a budget for its expenses for the ensuing year and presents the same to a governing body which is authorized by law to levy taxes as described above, may include in its budget an amount sufficient to make its contributions under this act which may be in addition to all other taxes authorized by law. Such governing body to which the budget is submitted for approval, may levy a tax sufficient to allow the participating employer to make its contributions under this act, which tax, together with any other fund available, shall be sufficient to enable the participating employer to make the contributions required by this act.

(5) (a) The rate of contribution certified to a participating employer as provided in this section shall apply during the fiscal year of the participating employer which begins in the second calendar year following the year of the actuarial valuation.

(b) (i) Except as specifically provided in this section, for fiscal years commencing in calendar year 1996 and in each subsequent calendar year, the rate of contribution certified to the state of Kansas shall in no event exceed the state’s contribution rate for the immediately preceding fiscal year by more than 0.2% of the amount of compensation upon which members contribute during the period.

(v) As part of the annual actuarial valuation, there shall be a separate employer rate of contribution calculated for the state of Kansas, a separate employer rate of contribution calculated for participating employers under K.S.A. 74-4931 and amendments thereto, a combined employer rate of contribution calculated for the state of Kansas and participating employers under K.S.A. 74-4931, and amendments thereto, and a separate employer rate of contribution calculated for all other participating employers.

(vi) If the combined employer rate of contribution calculated for the state of Kansas and participating employers under K.S.A. 74-4931, and amendments thereto, is greater than the separate employer rate of contribution for the state of Kansas, the difference in the two rates applied to the actual payroll of the state of Kansas for the applicable fiscal year shall be calculated. This amount shall be certified by the board as additional employer contributions for the participating employers under K.S.A. 74-4931, and amendments thereto, to the division of budget and governor who shall include in the budget each year thereafter provisions for the transfer from the state general fund of sufficient sums to satisfy this obligation. This amount shall be distributed through the same procedure as followed for the employer contribution payments under K.S.A. 74-4939 and K.S.A. 74-4939a, and amendments thereto, and then remitted by the participating employers to the Kansas public employees retirement system for deposit as additional employer contributions to the retirement benefit accumulation reserve for the participating employers under K.S.A. 74-4931, and amendments thereto.

(6) The actuarial cost of any legislation enacted in the 1994 session of the Kansas legislature will be included in the June 30, 1994, actuarial valuation in determining contribution rates for participating employers.

(7) The actuarial cost of the provisions of K.S.A. 74-4950i will be included in the June 30, 1998, actuarial valuation in determining contribution rates for participating employers. The actuarial accrued liability incurred for the provisions of K.S.A. 74-4950i shall be amortized over 15 years.

(8) Except as otherwise provided by law, the actuarial cost of any legislation enacted by the Kansas legislature, except the actuarial cost of K.S.A. 74-49,114a, and amendments thereto, shall be in addition to the employer contribution rates certified for the employer contribution rate in the fiscal year immediately following such enactment.

(9) Notwithstanding the provisions of subsection (8), the actuarial cost of the provisions of K.S.A. 74-49,109 et seq., and amendments thereto shall be first reflected in employer contribution rates effective with the first day of the first payroll period for the fiscal year 2005. The actuarial accrued liability incurred for the provisions of K.S.A. 74-49,109 et seq., and amendments thereto shall be amortized over 10 years.

(10) The cost of the postretirement benefit payment provided pursuant to the provisions of K.S.A. 2008 Supp. 74-49,114b, and amendments thereto, for retirees other than local retirees as described in subsection (11) or insured disability benefit recipients shall be paid in the fiscal year commencing on July 1, 2007.

(11) The actuarial accrued liability incurred for the provisions of K.S.A. 2008 Supp. 74-49,114b, and amendments thereto, for the KPERS local group and retirees who were
employees of local employers which affiliated with the Kansas police and firemen’s retirement system shall be amortized over 10 years.

(14) The board with the advice of the actuary may fix the contribution rates for participating employers joining the system after one year from the first entry date or for employers who exercise the option contained in K.S.A. 74-4912 and amendments thereto at rates different from the rate fixed for employers joining within one year of the first entry date.

(15) For employers affiliating on and after January 1, 1999, the rates of contribution certified to the participating employer as provided in this section shall apply during the fiscal year immediately following such certification, but the rate of contribution during the first year following the employer’s entry date shall be equal to 7% of the amount of compensation on which members contribute during the year. Any amount of such first year’s contribution which may be in excess of the necessary current service contribution shall be credited by the board to the respective employer’s prior service liability.

(16) Employer contributions shall in no way be limited by any other act which now or in the future establishes or limits the compensation of any member.

(17) Notwithstanding any provision of law to the contrary, each participating employer shall remit quarterly, or as the board may otherwise provide, all employee deductions and required employer contributions to the executive director for credit to the Kansas public employees retirement fund within three days after the end of the period covered by the remittance by electronic funds transfer. Remittances of such deductions and contributions received after such date are delinquent. Delinquent payments due under this subsection shall be subject to interest at the rate established for interest on judgments under subsection (a) of K.S.A. 16-204 and amendments thereto. (a) “Board” means the state board of pharmacy.
(b) “Methamphetamine precursor” means any compound, mixture or preparation containing pseudoephedrine, ephedrine or phenylpropanolamine, or any of their salts or optical isomers, or salts of optical isomers, but does not include products that have been formulated in such a way as to effectively prevent the conversion of the active ingredient into methamphetamine, or its salts for precursors, and does not include animal feed products containing ephedrine or any naturally occurring or herbal ephedra or extract of ephedra.
(c) “Pharmacy” means premises, laboratory, area or other place, including in-state and out-of-state facilities that are required to be registered under K.S.A. 65-1643 or 65-1657, and amendments thereto: (1) Where drugs are offered for sale where the profession of pharmacy is practiced and where prescriptions are compounded and dispensed; or (2) which has displayed upon it or within it the words “pharmacist,” “pharmaceutical chemist,” “pharmacy,” “apothecary,” “drugstore,” “druggist,” “drugs,” “drug sundries” or any of these words or combinations of these words or words of similar import either in English or any sign containing any of these words; or (3) where the characteristic symbols of pharmacy or the characteristic prescription sign “Rx” may be exhibited.

New Sec. 2. (a) The board shall establish and maintain a program for a statewide electronic logging system for sale of methamphetamine precursors.
(b) Each pharmacy shall maintain an electronic methamphetamine precursor recording log documenting the sale of methamphetamine precursors. (d) Each pharmacy that is capable shall submit the information from the log in real time in accordance with transmission methods specified in rules and regulations promulgated by the board.
(e) The board may grant a waiver exempting a pharmacy from compliance with the requirements of this section upon showing of good cause by the pharmacy that it is otherwise unable to submit log information by electronic means for various reasons, including, but not limited to, mechanical or electronic failure or financial, technological or any other undue burden on the pharmacy, established by rules and regulations. Such waiver may permit the pharmacy to submit log information by paper form or other means, provided that all information required by rules and regulations is submitted in this alternative format.
(f) No pharmacy or pharmacy employee shall be liable to any person in a civil action for damages or other relief arising from a sale of a methamphetamine precursor that occurs at another pharmacy.

"Sec. 6. K.S.A. 2008 Supp. 12-520 is hereby amended to read as follows: 12-520. (a) Except as hereinafter provided, the governing body of any city, by ordinance, may annex land to such city if any one or more of the following conditions exist:
(1) The land is platted, and some part of the land adjoins the city.
(2) The land is owned by or held in trust for the city or any agency thereof.
(3) The land adjoins the city and is owned by or held in trust for any governmental unit other than another city except that no city may annex land owned by a county without the express permission of the board of county commissioners of the county other than as provided in subsection (f).
(4) The land lies within or mainly within the city and has a common perimeter with the city boundary line of more than 50%.
(5) The land if annexed will make the city boundary line straight or harmonious and some part thereof adjoins the city, except no land in excess of 21 acres shall be annexed for this purpose.
(6) The tract is so situated that ⅔ of any boundary line adjoins the city, except no tract in excess of 21 acres shall be annexed under this condition.
(7) The land adjoins the city and a written petition for or consent to annexation is filed with the city by the owner.
(b) No portion of any unplatted tract of land devoted to agricultural use of 21 acres or more shall be annexed by any city under the authority of this section without the written consent of the owner thereof.
(c) No city may annex, pursuant to this section, any improvement district incorporated and organized pursuant to K.S.A 19-2753 et seq., and amendments thereto, or any land within such improvement district. The provisions of this subsection shall apply to such improvement districts for which the petition for incorporation and organization was presented on or before January 1, 1987.
(d) Subject to the provisions of this section and subsection (e) of K.S.A. 12-520a, and amendments thereto, a city may annex, pursuant to this section, any fire district or any land within such fire district.
(e) Whenever any city annexes any land under the authority of paragraph 2 of subsection (a) which does not adjoin the city, tracts of land adjoining the land so annexed shall not be deemed to be adjoining the city for the purpose of annexation under the authority of this section until the adjoining land or the land so annexed adjoins the remainder of the city by reason of the annexation of the intervening territory.
(f) No city may annex the right-of-way of any highway under the authority of this section unless at the time of the annexation the abutting property upon one or both sides thereof is already within the city or is annexed to the city in the same proceeding. The board of county commissioners may notify the city of the existence of any highway which has not become part of the city by annexation and which has a common boundary with the city.
The notification shall include a legal description and a map identifying the location of the highway. The governing body of the city shall certify by ordinance that the certification is correct and declare the highway, or portion of the highway extending to the center line where another city boundary line abuts the opposing side of the highway, annexed to the city as of the date of the publication of the ordinance.

(g) The governing body of any city by one ordinance may annex one or more separate tracts or lands each of which conforms to any one or more of the foregoing conditions. The invalidity of the annexation of any tract or land in one ordinance shall not affect the validity of the remaining tracts or lands which are annexed by the ordinance and which conform to any one or more of the foregoing conditions.

(h) No city may utilize any provision of this section from and after July 1, 2009, to annex a narrow corridor of land to gain access to noncontiguous tracts of land. The corridor of land must have a tangible value and purpose other than for enhancing future annexations of land by the city.

New Sec. 7. Any city which annexes an area of land under provisions of K.S.A. 12-520 through 12-521, and amendments thereto, shall spend all the proceeds from the ad valorem taxes levied against such land for a period of one year from the date of annexation to provide municipal infrastructure and municipal services, other than police and fire services, to such area. A report documenting the amount of money raised by ad valorem taxes in such area and the amount of money spent in such area shall be made available for public inspection in the city clerk's office.

New Sec. 8. Not less than 60 days before the effective date of any ordinance annexing land into the boundaries of any city:

(a) The city shall give written notice to any rural water district organized pursuant to K.S.A. 82a-612 et seq., and amendments thereto, in whose territory the land or any portion thereof is located of the city's intent to annex such land; and

(b) the notice shall contain the description of the land to be annexed and the city's plan for the provision of water service to the land being annexed.

New Sec. 9. Following annexation of rural water district territory by a city, the city and the district may contract for the district to provide water service to all or certain portions of the annexed area. If the agreement includes a provision for the payment of a franchise fee to the city, such agreement shall be subject to the provisions of K.S.A. 12-2001 et seq., and amendments thereto.

New Sec. 10. (a) Following annexation, the rural water district shall remain the water service provider to the annexed area unless the city gives written notice designating a different supplier. If the city designates a different supplier, the city shall purchase the property, facilities, improvements and going concern value of the facilities of the district located within the territory annexed by the city. If an agreement for the purchase of such property, facilities, improvements and going concern value of the facilities of the district annexed by the city is not executed within 90 days after delivery of the notice designating a different supplier, the city and the rural water district in good faith shall engage in mediation. Unless an agreement is executed, no change in water service provider shall occur and no appraisers shall be appointed until more than 120 days after delivery of the notice of intent to change the water supplier and the mediation has been terminated.

(b) If the district and the city are unable to reach agreement on the reasonable value for such property, facilities, improvements and going concern value of the facilities of the district, then the reasonable value shall be determined in the following manner:

(1) The district and the city shall each select one qualified appraiser and the two appraisers so selected shall then select a third appraiser for the purpose of conducting an appraisal to determine reasonable value of the property, facilities, improvements and going concern value of the facilities of the district annexed by the city. The appraisers shall consider all elements of value, employing any method of valuation the appraisers deem appropriate and shall specifically consider the following factors in determining reasonable value:

(A) Whether any property of the district is rendered useless or valueless to the district;

(B) the amount of damage to property remaining in the ownership of the district following annexation;
(C) impact on the existing indebtedness of the district and such district’s ability to repay that debt;

(D) the value of the service facilities of the district located within the area in question;

(E) the amount of any expenditures for planning, design or construction of service facilities outside the incorporated or annexed area that are allocable to service to the area in question;

(F) the amount of the district’s contractual obligations allocable to the area in question;

(G) any demonstrated impairment of service or increase of cost to consumers of the district remaining after the annexation and the impact on future revenues lost from existing customers;

(H) any necessary and reasonable legal expenses and professional fees;

(I) any factors relevant to maintaining the current financial integrity of the district;

(J) the average increase in the number of benefit units in the area annexed for the three years immediately preceding such annexation; and

(K) any other relevant factors as agreed to by the three appointed appraisers.

(2) The appraisers shall hear such evidence as the appraisers deem appropriate and shall make a written summary of findings and conclusions. The agreement or decision of at least two of the three appraisers shall be the fair market value presented to the city for payment and the district for acceptance.

(3) If either the district or the city is dissatisfied with the decision of the appraisers, then the district or the city may appeal within 30 days such award to the district court. Such appeal shall be heard de novo by the court without a jury.

(c) The compensation required by this section shall be paid to the district whether or not the city actually utilizes the facilities of the district for the delivery of water to property within the city and shall be paid at a time not later than 120 days following the date upon which the fair market value of the facilities are certified to the city and to the district, or at such later date as may be mutually agreed upon by the city and the district or as may be determined by the district court.

(d) In any event, the district may elect to retain facilities located within the city used for transmission of water, provided that the district use those facilities to continue to supply water service to benefit units outside the city. The district shall not receive compensation for facilities it elects to retain.

(e) Except as otherwise provided, nothing in this section shall be construed as limiting the authority of a city to select water service suppliers to areas within the city limits, or to limit the authority of a city to adopt and enforce regulations for the operation of a water service supplier, including, but not limited to, standards of water quality, classification of water customers, capacity of water system, water system connections to sanitary sewer systems, rates and billing practices and other regulations for protection of the public health, safety and welfare.

(f) In the event that a district will no longer be the water supplier to land as a result of annexation and notice pursuant to subsection (a), the district shall continue to provide such service until the city gives notice of its assumption of responsibility for service, designating the date that the service shall transfer to the supplier designated by the city. The district and the city shall cooperate as necessary to minimize the inconvenience to water customers as a result of the transfer. The city shall give written notice to each customer of the district for whom water service is being transferred specifying the name and address of the new supplier, the effective date of the transfer, the reason for the transfer and a schedule of applicable rates. The district shall not discontinue or limit service to customers who were supplied water by the district at the time of annexation during the period of negotiations unless such customer has violated district bylaws or rules and regulations.

(g) Following the transfer of water service from the district to the city, the annexed land, or amount of such land for which water service has been transferred to the city, shall be deleted from the territory of the district and all benefit units attached to land located therein shall be canceled without compensation. Notice of such deletion of territory shall be provided to the county clerk and the chief engineer of the division of water resources of the department of agriculture.
Sec. 11. K.S.A. 2008 Supp. 82a-612 is hereby amended to read as follows: 82a-612. As used in this act, unless the context clearly requires otherwise:
(a) “District” means a rural water district organized pursuant to this act;
(b) “board” means the governing body of a district;
(c) the terms “board of county commissioners” and “county clerk” shall mean, respectively, the board of county commissioners and county clerk of the county in which the greatest portion of the territory of any existing or proposed rural water district is located;
(d) “participating member” means an individual, firm, partnership, association or corporation which owns land located within a district and:

(1) Which has subscribed to one or more benefit units of such district; or
(2) which is charged a franchise fee for water service which is paid, either directly or indirectly through another water provider, to such district;
(e) “chief engineer” means the chief engineer of the division of water resources, Kansas department of agriculture.

Sec. 12. K.S.A. 2008 Supp. 82a-646 is hereby amended to read as follows: 82a-646. (a) Terms used in this section shall have the meanings provided by K.S.A. 82a-612, and amendments thereto.

(b) If certain lands included within a district cannot be economically or adequately served by the facilities of the district, the owners of such lands may petition the board of directors of the district to release those lands from the district. The petition shall describe the lands requested to be released and shall be signed by at least 75% of the total number of the owners of the lands requested to be released. The board of directors may prescribe a fee to be collected from the petitioners for the purpose of offsetting costs reasonably expected to be incurred by the district in hearing the request for release. The petition for release, together with a verified list of the names and addresses of all owners of the land requested to be released, and the prescribed fee, shall be filed with the secretary of the district.

(c) If the board of directors of the district finds the petition to be in proper form, the board shall conduct a hearing on the petition for release. Notice of the time and place of the hearing shall be mailed to all owners of land requested to be released not later than 10 days before the hearing. The hearing may be continued from time to time without further notice to landowners.

(d) In considering the petition for release, the board shall consider whether the lands requested to be released cannot be economically or adequately served by the facilities of the district and whether the release would be in the best interests of the landowners and the district, based on the following factors: make specific written findings of fact and conclusions determining whether the lands requested to be released cannot be economically or adequately serviced by the facilities of the district and whether such release would be in the best interests of the landowner and the district. The findings and conclusions shall be based upon the preponderance of evidence presented to the board. In determining whether to grant the petition for release, the board’s considerations shall be based on the following factors:

(1) Whether the petitioners for release of lands have applied for one or more benefit units to serve the lands requested to be released, which applications have been denied directly or where the cost of the benefit units or service or equipment is unreasonable, excessive or confiscatory so as to render service unavailable;
(2) the length of time before the board of directors reasonably expect to make water service available to the lands requested to be released;
(3) whether water service is available from another source if the lands are released from the district and the relative cost of obtaining service from each source;
(4) if water service is available from the district to the lands requested to be released, the relative cost of obtaining such water service, as determined by the district, compared to the additional value of the lands after water service is made available;
(5) if water service is available from the district, the cost of obtaining such water service, as determined by the district, compared to the cost of obtaining water from another source;
(6) whether any applicable law will prevent any other water suppliers from serving the lands requested to be released; and

(7) whether the district’s interest in maintaining the integrity of its territory is outweighed by the landowners’ need to obtain a source of supply of water to the lands requested to be released;

(8) whether the decision of such board to deny release of lands would allow the district to yield more than adequate compensation;

(9) whether the district establishes a rate for services or equipment that is disproportionate to the services rendered;

(10) whether the district has provided water service to residents or landowners within the disputed territory and would be losing existing customers or whether the disputed territory would supply new customers;

(11) whether the district can provide a safe and adequate supply of water to customers of such district and whether a greater level of water service can be provided by another provider and the relative cost of each option;

(12) whether the board’s refusal to detach the territory would result in any economic waste or hinder any economic development; and

(13) where a district provides water service to residences and where a city is required to provide fire protection services, if duplicate water service lines would cause any economic or physical waste.

(d) The board may approve the release of all or part of the lands requested to be released or may deny the request. The burden of proof shall be on the petitioners for release. The board of directors shall make a determination on the petition for release within 120 days after its receipt, shall record its written findings and conclusions in the minutes of the district and shall mail a copy of such written findings and conclusions to each petitioner within seven days.

(e) Except as provided in subsection (f), any owner of land requested to be released from the district who is dissatisfied with the determination of the board of directors on the petition for release may bring an action in the district court of the county in which the district is located to determine if the board of directors of the district abused its discretion in making such determination. Such appeal shall be filed within 30 days after the final decision of the board.

(f) If the district denies the landowner’s petition for release because such release would not yield adequate compensation to the district, once such release is denied, the district and the landowner shall determine the amount of compensation sufficient to enable the district to be adequately compensated from the release in the following manner:

(1) The district and the landowner shall each select one qualified appraiser and the two appraisers so selected shall then select a third appraiser for the purpose of conducting an appraisal to determine the amount of compensation sufficient to enable the district to be adequately compensated from the release. The appraisers shall consider all elements of value, employing any method of valuation the appraisers deem appropriate and shall specifically consider the following factors in determining reasonable value:

(A) Whether any property of the district is rendered useless or valueless to the district;
(B) the impact on the existing indebtedness of the district and such district’s ability to repay that debt;
(C) the value of the service facilities of the district located within the area in question;
(D) the amount of the district’s contractual obligations allocable to the area in question;
(E) any demonstrated impairment of service or increase of cost to consumers of the district remaining after the release and the impact on future revenues lost from existing customers;
(F) any necessary and reasonable legal expenses and professional fees;
(G) any factors relevant to maintaining the current financial integrity of the district; and
(H) any other relevant factors.

(2) The appraisers shall hear such evidence as the appraisers deem appropriate and shall make a written summary of findings and conclusions. At least two of the three appraisers shall agree as to the amount of compensation owed by the landowner to the district and shall require such payment from the landowner to the district for acceptance.
(3) If either the district or the landowner is dissatisfied with the decision of the appraisers, then the district or the landowner may appeal within 30 days such award to the district court. Such appeal shall be heard de novo by the court without a jury.

(g) If the board of directors of the district approves the petition, or if the district court on appeal determines that the board abused its discretion in denying release, a copy of the board’s action approving the release or of the district court’s order on appeal, as the case may be, shall be transmitted to the chief engineer and to the county clerk, who shall note the change of such district’s boundaries.

New Sec. 13. The provisions of sections 8 through 10, and amendments thereto, shall be part of and supplemental to the Kansas rural water district act.

And by renumbering the remaining section accordingly;

On page 1, in the title, in line 9, by striking all after “ACT”; by striking all in lines 10 and 11 and inserting “concerning local governments; relating to boundary issues; amending K.S.A. 12-519, 12-520b, 12-521, 12-531 and 12-532 and K.S.A. 2008 Supp. 12-520, 82a-612 and 82a-646 and repealing the existing sections.”;

MESSAGE FROM THE HOUSE

Announcing a veto message from the Governor on SENATE SUBSTITUTE FOR SUBSTITUTE FOR HOUSE BILL No. 2014, AN ACT concerning energy; relating to conservation and electric generation, transmission and efficiency and air emissions; amending K.S.A. 19-101a, 55-1,117, 65-3012 and 66-104d and K.S.A. 2008 Supp. 65-3005, 65-3008a, 66-1,184, 74-99d07 and 74-99d14 and repealing the existing sections; also repealing K.S.A. 19-101m., was received on April 13, 2009, and read on April 29, 2009.

Message from the Governor

"Last year, I vetoed legislation that forced the Secretary of the Kansas Department of Health and Environment to issue air quality permits for two new coal fired plants which would produce 11 million tons of carbon dioxide each year. These new plants would generate 1400 megawatts of electricity, most of which would be exported to Colorado and Texas. In fact, Kansas would only get 200 megawatts of electricity, while we would get all of the new pollution.

"I vetoed that legislation because while the rest of the country was trying to reduce greenhouse emissions, Kansas would be creating massive new emissions for power we don't need. Additionally, it appeared that federal legislation that would penalize new carbon dioxide emissions was on the horizon leaving Kansans vulnerable for years to come.

"The bill before me now attempts to take us down that failed path once again. What was a bad idea last year, is an even worse idea today. Now, we know that according to Sunflower Electric's own reports, their customers will not need additional power until 2018. We also know that President Obama is moving aggressively to regulate new carbon dioxide emissions. These developments reaffirm that now is not the time for new coal plants in Kansas.

"Prior to the start of this legislative session, Lieutenant Governor Parkinson and I worked with utility stakeholders to develop a renewable portfolio standard that would have further developed the natural resource we have in wind energy. Our proposed energy legislation contained real net-metering so that Kansans would be fairly compensated for power they generated; we also included energy efficiency measures to reduce our future energy needs.

"We presented these proposals to the legislature, with the hope that the legislature would move towards a renewable energy economy creating thousands of jobs right here in Kansas. However, the legislature chose instead to sacrifice real comprehensive energy legislation in the pursuit of more coal-fired power plants.

"Despite what supporters of this legislation say, HB 2014 does little to advance clean, renewable energy. In fact, the renewable energy standards established in HB 2014 are less
than the voluntary standards we already have today. The net metering provisions in the bill are weaker than any of the 42 states that currently offer net metering to utility consumers.

“Kansas needs legislation that will increase development of our renewable energy resources, increase energy efficiency measures and create good-paying jobs. Once again, as the rest of the country moves toward a renewable energy future, the legislature is intent on darkening Kansas’ energy future with new coal plants that will provide energy we don’t yet need.

“I encourage the legislature to abandon its efforts to saddle Kansas with massive new carbon dioxide emissions, and instead adopt a plan that will take advantage of our enormous wind assets and really look at energy efficiency as a way to stretch our power sources well into the future while creating thousands of sustainable Kansas jobs.

“And again this year, the legislature is trying to saddle Kansas with massive new coal plants and coal companies’ pollution. The new coal plants that the bill seeks to build will be cheaper to construct, but the economic benefits of those plants will come after many years. Meanwhile, the cost of the pollution we will be saddled with is immediate and costly. The cost of constructing and operating the plants that the bill seeks to build will be paid for by ratepayers for years to come. That’s why I vetoed the previous bill that sought to build new coal plants.

“Pursuant to Article 2, Section 14 of the Constitution of the State of Kansas, I veto House Bill 2014.”

Kathleen Sebelius, Governor

MESSAGE FROM THE HOUSE

Announcing a veto message from the Governor on House Bill No. 2121, AN ACT concerning agriculture; relating to application of swine waste; pesticide and fertilizer programs; fees; milk and dairy products; fees and labeling requirements; amending K.S.A. 2-2203, 2-2205, 2-2206, 2-2207, 2-2209, 2-2214, 2-2440a, 2-2440c, 2-2446, 2-2449, 2-2450, 2-2454, 2-2455, 2-2470 and 2-2471 and K.S.A. 2008 Supp. 2-1205, 2-2202, 2-2204, 2-2438a, 2-2440, 2-2440b, 2-2441a, 2-2443a, 2-2445a, 2-2469, 2-2905, 2-2906, 2-3304, 2-3306, 2-3309, 2-3315, 2-3317, 2-3318, 65-779, 65-781 and 65-1,182 and repealing the existing sections; also repealing K.S.A. 2-1211 and 2-2466, was received on April 23, 2009 and read on April 29, 2009.

Message from the Governor

“House Bill 2121 contains a number of provisions relating to pesticide and fertilizer laws and fees as well as dairy inspection and dairy-related fees. Without these fees, Kansas could lose important programs that support essential agricultural business operations in our state. I urge the legislature to send me these components in an independent bill so I can affix my signature and the Department of Agriculture can effectively administer these programs.

“However, the Bill before me also provides for changes in dairy labeling that could make it more difficult to provide consumers with clear information.

“The milk labeling provisions negatively impact a dairy producer’s ability to inform consumers that milk is from cows not treated with recombinant bovine growth hormone (rBST).

“Supporters of the bill claim it’s necessary to protect consumers from false or misleading information. Yet there has been overwhelming opposition by consumer groups, small dairy producers and retailers to this proposed legislation.

“Furthermore, I am concerned that patchwork labeling requirements that differ from state to state will make it too expensive, in an already troubled economy, to provide consumers with information regarding the dairy products they purchase.

“Therefore, pursuant to Article 2, Section 14 of the Constitution of the State of Kansas, I veto HB 2121.”

MESSAGE FROM THE HOUSE

Announcing a veto message from the Governor on HOUSE BILL No. 2172, AN ACT concerning taxation; relating to cash rebates on sales or leases of new motor vehicles; exemptions; valuation of land devoted to agricultural use for estate tax purposes; periods of limitation for income tax refunds and adjustments of income; homestead property tax refunds; amending K.S.A. 2008 Supp. 79-15,253, 79-3230, 79-3602, as amended by section 1 of 2009 House Bill No. 2321, 79-3603, 79-3606 and 79-4502 and repealing the existing sections, was received on April 23, 2009 and read on April 29, 2009.

Message from the Governor

“Many of the organizations requesting tax exemptions in HB 2172 are worthy organizations with important missions; and individually, their requests do not amount to much of a loss in state revenues. However, when added together, the loss in state revenue grows dramatically from $4.5 million in the first year, to more than $11 million just a few years from now.

“On April 17th we learned that state revenues leave a deficit gap of $328 million, impacting the budgets of critical social service programs. With this in mind, I am concerned that further reducing revenues through tax breaks would negatively impact the budgets of critical services for Kansans.

“While the intent of this legislation is good, given the incredible economic challenges and revenue deficits we are facing, we simply are not able to offer these additional tax breaks right now.

“Therefore, pursuant to Article 2, Section 14 of the Constitution of the State of Kansas, I veto HB 2172.”

MESSAGE FROM THE HOUSE

Message from the Governor

Message to the House of Representatives

“In January, I presented the legislature a balanced budget for Fiscal Year 2010 that cut state spending while protecting our schools and our most vulnerable Kansans. In the months following my budget proposal, it became clear that state revenues would continue to decline dramatically as a result of the national economic recession. That’s why my budget, and its subsequent budget amendments, proposed millions of dollars in additional savings.

“Unfortunately, the legislature chose not to take action on a number of these cost saving measures. Consequently, the additional cuts to education and services the legislature has
imposed in this bill give me pause, particularly when they chose to leave millions of dollars in revenue on the table that would have made these cuts unnecessary.

"Furthermore, the American Reinvestment and Recovery Act provides Kansas an opportunity to protect our investment in our children’s education. Because there is still uncertainty regarding the minimum threshold of funding a state must maintain to access these funds, we should not put this funding in jeopardy. I encourage the legislature to reconsider the revenue enhancements they have chosen to ignore, before further slashing education and other vital state services.

"Therefore, pursuant to Article 2, Section 14 of the Constitution of the State of Kansas, I hereby return Senate Substitute for House Bill No. 2354 with my signature approving the bill, except for the items enumerated below:

**Kansas Savings Incentive Program**

**KSIP Authorization**

Sections 30, 98(i), and 100 have been line-item vetoed in their entirety.

As part of my budget recommendations, I abolished this program and swept available monies to the State General Fund. The legislature chose to reinstate the program for FY 2010. This action is contrary to the purpose of strategically reducing agency budgets and should be reconsidered.

Members were given the opportunity to reconsider the line item veto. There having been no motion to reconsider the line item veto, the Speaker of the House ruled the line item veto sustained.

**Kansas Technology Enterprise Corporation**

**Agency Status**

Section 56 has been line-item vetoed in its entirety.

I believe that the State of Kansas has an important role in encouraging economic development and helping Kansas get through economically difficult times. The challenges that Kansas has experienced with the downturn of the economy also bring great opportunities. Kansas needs to reexamine its economic development efforts to ensure that they are focused, efficient and positioned to grow the economy in the future. In light of recent evaluations of the Kansas Technology Enterprise Corporation (KTEC), and given our limited state resources, it makes little sense to use the same system and expect different results. KTEC, under its current organization and operation, has struggled to produce a solid return on our investment in recent years. Therefore, I veto this section to allow the legislature to thoroughly review this program to ensure Kansas is positioned to develop a strong economy for years to come.

Members were given the opportunity to reconsider the line item veto. There having been no motion to reconsider the line item veto, the Speaker of the House ruled the line item veto sustained.

**Regents System**

**Use of State Fiscal Stabilization Fund Monies**

That portion of Section 72(b) that reads as follows has been line-item vetoed:

"Provided, That expenditures made from the federal higher education fiscal stabilization fund—Fort Hays state university shall be expended only for deferred maintenance."

That portion of Section 73(b) that reads as follows has been line-item vetoed:

"Provided, That expenditures made from the federal higher education fiscal stabilization fund—Kansas state university shall be expended only for deferred maintenance."

That portion of Section 74(b) that reads as follows has been line-item vetoed:
“Provided, That expenditures made from the federal higher education fiscal stabilization fund—Kansas state university extension systems and agriculture research programs shall be expended only for deferred maintenance.”

That portion of Section 75(b) that reads as follows has been line-item vetoed:

“Provided, That expenditures made from the federal higher education fiscal stabilization fund—Kansas state university veterinary medical center shall be expended only for deferred maintenance.”

That portion of Section 76(b) that reads as follows has been line-item vetoed:

“Provided, That expenditures made from the federal higher education fiscal stabilization fund—Emporia state university shall be expended only for deferred maintenance.”

That portion of Section 77(b) that reads as follows has been line-item vetoed:

“Provided, That expenditures made from the federal higher education fiscal stabilization fund—Pittsburg state university shall be expended only for deferred maintenance.”

That portion of Section 78(b) that reads as follows has been line-item vetoed:

“Provided, That expenditures made from the federal higher education fiscal stabilization fund—University of Kansas shall be expended only for deferred maintenance.”

That portion of Section 79(b) that reads as follows has been line-item vetoed:

“Provided, That expenditures made from the federal higher education fiscal stabilization fund—University of Kansas medical center shall be expended only for deferred maintenance.”

That portion of Section 80(b) that reads as follows has been line-item vetoed:

“Provided, That expenditures made from the federal higher education fiscal stabilization fund—Wichita state university shall be expended only for deferred maintenance.”

That portion of Section 81(b) that reads as follows has been line-item vetoed:

“Provided, That all moneys credited to the federal higher education fiscal stabilization fund shall be expended only for deferred maintenance.”

That portion of Section 81(b) that reads as follows has been line-item vetoed:

“Provided, That all moneys credited to the federal higher education fiscal stabilization fund—Community colleges shall be expended only for deferred maintenance.”

That portion of Section 81(b) that reads as follows has been line-item vetoed:

“Provided, That all moneys credited to the federal higher education fiscal stabilization fund—Municipal university shall be expended only for deferred maintenance.”

That portion of Section 81(b) that reads as follows has been line-item vetoed:

“Provided, That all moneys credited to the federal higher education fiscal stabilization fund—Postsecondary technical education shall be expended only for deferred maintenance.”

Early in FY 2009 the Kansas higher education system began to plan for the possibility that state support in FY 2010 could be as much as 7.0 percent below the approved level for FY 2009. Although the cuts are planned, they will have a significant and negative impact across the state’s system. However, given the enacted budget, the Board of Regents has stated that its plan would be to allocate the Recovery Act funds for deferred maintenance as well as tuition cost mitigation. The board notes that it would be unable impose a tuition freeze if the level of state support fell below what I have proposed for FY 2010. Now is not the time to make college less affordable.

My veto of the Federal Higher Education Fiscal Stabilization Fund provisos for FY 2010 will allow the Board of Regents to implement its plan and become a partner with the state
in these challenging times. I therefore find it necessary to veto these constraints placed on the Federal Higher Education Fiscal Stabilization Fund.

Members were given the opportunity to reconsider the line item veto. There having been no motion to reconsider the line item veto, the Speaker of the House ruled the line item veto sustained.

**Animal Health**

**Transfer of Federal Monies to the State General Fund**

Section 93(f) has been line-item vetoed in its entirety.

The Greensburg Account of the Disease Control—Federal Fund was established to receive federal reimbursement for the Animal Health Department’s expenditures related to expenses incurred during the Greensburg tornado recovery and care of animals. This section, as written, does not follow proper accounting procedures for a transfer of these federal monies to the State General Fund. Given the enormous impact federal funds have on our budget, we must properly account for the monies.

Members were given the opportunity to reconsider the line item veto. There having been no motion to reconsider the line item veto, the Speaker of the House ruled the line item veto sustained.
As provided by SCR 1619, the Sine Die Session of the regular 2009 Kansas Senate was called to order by President Stephen Morris.

Senators Colyer, Donovan, Lee, Ostmeyer, V. Schmidt, Schodorf, Steineger, Teichman, Wagle and Wysong were excused.

Invocation by Chaplain Fred S. Hollomon:

Heavenly Father,

Once more we’ve been informed
The budget’s come up short.
Reducing programs for the needy
Could be our last resort.

Many of us have thought for years
That our government’s been forced to do
What we Christians and our churches
Could contribute much more to.

In the book of Matthew (25:31-46)
Jesus makes it clear
Who will inherit His kingdom
When judgement day is here.

Those who feed the hungry
And take care of the sick;
Who give the thirsty water
Are those whom Jesus picked.

Also those who house the homeless,
And furnish clothing for those in need,
Who visit those in prison
Have served the Lord in deed.

Help us, Lord, to do our part
To help take up the slack
By increasing our donations
So the needy will not lack.

I pray in the Name of Jesus Christ,

AMEN

The Pledge of Allegiance was led by President Stephen Morris.

MESSAGE FROM THE GOVERNOR
Veto Message for House Substitute for SB 51:
The state should not take action that limits the ability of cities to pursue developments that will lead to economic growth, especially during these difficult economic times. Cities in Kansas must have the flexibility to annex property that will allow growth and economic development. Planning for growth in a way that promotes the health, safety and public welfare of its citizens and neighbors also is a fundamental responsibility of cities.

I support the procedural safeguards for landowners whose property is annexed over their objection that are contained in House Substitute for SB 51. I also support the provisions limiting a city’s future ability to annex a narrow corridor of land to reach a non-contiguous tract of land, and the provisions dealing with rural water districts. I hope the Legislature will focus on these aspects of House Substitute for SB 51 during the next legislative session.

I am concerned that the provisions in House Substitute for SB 51 that prohibit a city from annexing more than 65 acres of land devoted to agricultural use may prevent cities from growing in ways that would greatly benefit the economy. I have confidence that the current requirement for a county commission to approve a city’s proposed annexation of property in the unincorporated county provides a safeguard from unreasonable annexation attempts.

Therefore, pursuant to Article 2, Section 14 of the Constitution of the State of Kansas, I veto House Substitute for Senate Bill 51.
MESSAGE FROM THE GOVERNOR

Veto Message for SB 171:

This legislation contains a provision which I would be happy to sign into law, the opportunity for overseas and military voters to vote more easily. Allowing federal service voters to register and send ballots by e-mail will make it easier for more Kansans living abroad to participate. Fortunately, the Legislature still has time to send me these provisions in a clean bill before the 2010 elections.

However, this legislation also contains provisions which will discourage advance voting, burdening the democratic process in Kansas. Last year, more than 70 percent of registered voters in Kansas participated in the Presidential election. During that election, as with all elections before it, there was no conclusive evidence of voter fraud in Kansas. Despite this lack of a problem, SB 171 seeks to find a solution by adding affidavits and signature lines to an already crowded return envelope for an advance ballot. These unnecessary hurdles will inevitably confuse voters and discourage many of them from voting.

County election officials have suggested repeatedly that there is not conclusive evidence of voter fraud in Kansas. In fact, more and more Kansans are voting early; this is a trend we should be encouraging, not disrupting.

Again, I look forward to working with the Legislature next session to sign into law legislation that involves more people in our democracy, without creating new and needless obstacles to the voting process. Therefore, pursuant to Article 2, Section 14 of the Constitution of the State of Kansas, I veto SB 171.

INTRODUCTION OF ORIGINAL MOTIONS AND SENATE RESOLUTIONS

Senators Kultala, Brownlee, Faust-Goudeau, Francisco, Kelly, Lee, Lynn, McGinn, Pilcher-Cook, V. Schmidt, Schodorf, Teichman and Wagle introduced the following Senate resolution, which was read:

SENATE RESOLUTION No. 1897—

A RESOLUTION recognizing the 90th anniversary of the passage of the 19th Amendment to the United States Constitution.

WHEREAS, On June 4, 1919, the 19th Amendment to the United States Constitution, which stated that “the rights of citizens of the United States to vote shall not be denied or abridged by the United States or by any State on account of sex,” passed both houses of Congress and was sent to the states for ratification; and

WHEREAS, Kansas ratified the 19th Amendment on June 16, 1919, and it went into effect on August 18, 1920; and

WHEREAS, Kansas was also a leader in pushing for the passage of the Equal Rights Amendment and was one of the first states to ratify it, doing so on March 28, 1972; and

WHEREAS, The women’s suffrage movement was founded in the mid-19th century by women who had become politically active through their work in the abolitionist and temperance movements. In July 1848, 240 women suffragists, including Elizabeth Cady Stanton and Lucretia Mott, met in Seneca Falls, New York, to assert the right of women to vote; and

WHEREAS, In 1869, the National Woman Suffrage Association, led by Susan B. Anthony and Elizabeth Cady Stanton, was formed to push for an amendment to the United States Constitution. Another organization, the American Woman Suffrage Association, led by Lucy Stone, was organized in the same year to work through the state legislatures. In 1890, these two societies merged to form the National American Woman Suffrage Association; and
WHEREAS, By the beginning of the 20th century, the role of women in American society was changing drastically; women were working more, receiving a better education, bearing fewer children and several states had authorized female suffrage. In 1913, the National Woman’s party organized the voting power of these enfranchised women to elect congressional representatives who supported woman suffrage and by 1916, both the Democrat and Republican parties openly endorsed female enfranchisement, leading to the passage of the 19th Amendment in 1919; and

WHEREAS, The State of Kansas has a proud tradition of pushing for equal rights for all citizens: Now, therefore,

Be it resolved by the Senate of the State of Kansas: That we recognize the 90th anniversary of the passage of the 19th Amendment, granting women the right to vote, and that we acknowledge the contributions made by the state of Kansas towards equality for all; and

Be it further resolved: That the Secretary of the Senate be directed to provide an enrolled copy of this resolution to Senators Kelly Kultala and Marci Francisco.

On emergency motion of Senator Kultala, SR 1897 was adopted unanimously.

MESSAGE FROM THE HOUSE

Announcing a veto message from the Governor Senate Substitute for HB 2373, AN ACT making and concerning appropriations for the fiscal years ending June 30, 2009, June 30, 2010, June 30, 2011, June 30, 2012, June 30, 2013, and June 30, 2014, for state agencies; authorizing certain transfers, capital improvement projects and fees, imposing certain restrictions and limitations, and directing or authorizing certain receipts, disbursements and acts incidental to the foregoing; amending K.S.A. 2008 Supp. 12-5256, as amended by section 136 of 2009 Senate Substitute for House Bill No. 2354, 76-7,107, as amended by section 139 of 2009 Senate Substitute for House Bill No. 2354, 79-2978, as amended by section 88 of 2009 House Substitute for Substitute for Senate Bill No. 23, 79-2979, as amended by section 89 of 2009 House Substitute for Substitute for Senate Bill No. 23, and 79-3425i, as amended by section 144 of 2009 Senate Substitute for House Bill No. 2354, 79-34,156, as amended by section 91 of 2009 House Substitute for Substitute for Senate Bill No. 23, and 79-4801, as amended by section 145 of 2009 Senate Substitute for House Bill No. 2354, and repealing the existing sections; also repealing section 102 of 2009 Senate
Substitute for House Bill No. 2354, 79-2978, as amended by section 142 of 2009 Senate Substitute for House Bill No. 2354, and 79-2979, as amended by section 143 of 2009 Senate Substitute for House Bill No. 2354, received on May 22, 2009, read on June 4, 2009.

**Message from the Governor**

Pursuant to Article 2, Section 14 of the Constitution of the State of Kansas, I hereby return Senate Substitute for House Bill No. 2373 with my signature approving the bill, except for the items enumerated below.

**Department of Education—KPERS—School Employer Contributions**

That portion of Section 36(a) that reads as follows has been line-item vetoed:

“For the fiscal year ending June 30, 2010 ……………………………. $1,850,000”

This FY 2010 appropriation for the KPERS—School employer contribution was accounted for in the agency’s lapse contained in Section 36(b). In order to appropriate only those monies absolutely necessary, I hereby line-item veto this appropriation.

Members were given the opportunity to reconsider the line item veto. There having been no motion to reconsider the line item veto, the Speaker of the House ruled the line item veto sustained.

**Kansas State University**

Section 70(c) has been line-item vetoed in its entirety:

Financing of the Salina Aeronautical Center located at Kansas State University’s Salina Campus is a lease purchase agreement that is by its nature equivalent to a debt service agreement. The 2009 Legislature intended that funding of debt service should not be lapsed, and I concur with that intent. In that spirit, I therefore find it necessary to veto this lapse so that this obligation can be met.

Members were given the opportunity to reconsider the line item veto. There having been no motion to reconsider the line item veto, the Speaker of the House ruled the line item veto sustained.

**Department of Health and Environment**

Section 89 has been line-item vetoed in its entirety:

“Regardless of one’s views on whether abortion should be allowed in this country, hopefully we can all agree that we should make every effort to prevent unplanned pregnancies. Access to affordable family planning services and contraceptives is critical if we are to continue reducing the number of abortions that occur in this state.

“This section would prohibit distribution of Title X moneys to private family planning providers unless they are either a hospital or provide comprehensive primary and preventative care in addition to family planning services. This proviso would prevent funding for two facilities of other eligible family planning providers. These facilities do not perform abortions, and by law, Title X funding cannot be used for abortion services.

“Both of these facilities provide affordable access to contraceptives and family planning services for women who are significantly below the poverty level. These women are most at risk for unplanned pregnancies. The family planning services provided by these facilities help lower the likelihood of unplanned pregnancy, and thus reduce abortions. Eliminating funding for programs intended to reduce the number of unplanned pregnancies does nothing to help reduce abortions in Kansas.

“I am also concerned this proviso violates Title X of the Public Service Act. The facilities ineligible for funding under this proviso are, by law, eligible under Title X to receive the grants. The Public Service Act is clear that states are not permitted to refuse the award of Title X funding to entities that meet the statutory requirements for the grants. I therefore find it necessary to line-item veto this proviso.”
Members were given the opportunity to reconsider the line item veto. There having been no motion to reconsider the line item veto, the Speaker of the House ruled the line item veto sustained.
