EXPLANATION OF VOTE

MR. VICE PRESIDENT: This act is designed to foster mutually beneficial communication between surface owners and the operators of oil and gas leases regarding their joint use of the surface estate. This act simply provides for notice of certain pending activities by an operator in the ordinary course of business to be given to one surface owner, being the surface owner who is the recipient of the property tax bill on the records of the county treasurer. This act does not expand or diminish existing contractual rights and obligations or the constitutionally-protected property rights of the surface owner, mineral owners or the owner of any interests in the mineral or surface estate. I support this bill in this form. —TERRY BRUCE

Journal of the Senate

FIFTY-SECOND DAY

SENATE CHAMBER, TOPEKA, KANSAS Monday, March 30, 2009—10:00 a.m.

The Senate was called to order by President Stephen Morris. The roll was called with thirty-eight senators present. Senators Brungardt and Emler were excused. Invocation by Chaplain Fred S. Hollomon:

Heavenly Father,

The fiftieth anniversary of the signing Of the Declaration of Independence Was marked with an event By an act of Providence.

John Adams and Thomas Jefferson, Former adversaries, Died on that very day In a friendship legendary.

Members of opposing parties, In two bitter campaigns, After serving as president, Their animosity drained.

Now they serve as models For those of us today, Who hang on to bitter grudges With reconciling far away.

It really is hard to understand Why someone favors a certain bill, When it's so very clear to you It's the one that should be killed.

I'm sure that Adams felt that way About some stands that Jefferson took. And Jefferson no doubt felt that Adams Favored issues that deserved the hook.

Another signer of the Declaration Named Dr. Benjamin Rush, Helped to reconcile the two And their animosity crushed.

They didn't change their views at all, But decided to work together, And help produced the Declaration, Though never "birds of a feather." They carried on a correspondence In their later years, Which was cordial and complimentary, An example to their peers.

Lord, help us do unto each other As we would have them do to us. Treating them with courtesy Even when we fuss.

I pray in the Name of Jesus Christ,

AMEN

The Pledge of Allegiance was led by President Stephen Morris.

Journal of the Senate

FIFTY-THIRD DAY

SENATE CHAMBER, TOPEKA, KANSAS Tuesday, March 31, 2009—9:00 a.m.

The Senate was called to order by President Stephen Morris. The roll was called with forty senators present. Invocation by Chaplain Fred S. Hollomon:

Heavenly Father,

In the book of Proverbs we read, "The integrity of the upright guides them, but the unfaithful are destroyed by their duplicity." Prov. 11:3

One word sums up the blameless person; One word describes the morally sound; One word embodies the scrupulously honest; It's the one where integrity is found.

Job was a man of integrity. He was like the man Paul described: The man in his letter to Titus: The one who could never be bribed.

One word sums up what one should be: Integrity is the word. Integrity describes the faultless man, Whose testimony is heard.

Thank You for people of integrity, Lord, May their numbers continue to grow. People we know we can always trust, People who love You so.

I pray in the Name of Jesus Christ,

AMEN

The Pledge of Allegiance was led by President Stephen Morris.

EXPLANATION OF VOTE

MR. PRESIDENT: I vote aye on the budget conference committee to move the process forward in a very difficult time. Every area in the budget has been cut, including education— \$66 over 2 years on the base, and 1% special education. We did not fund the CPIU and are below the promised 4th year for the education plan. All schools are cutting budgets. Small and rural schools will especially be affected. This is really a total of 5.1% cut instead of .1% cut. A cut for special education is really a cut on the general fund, too. I am concerned that with the decrease on the general fund, our stimulus dollars and the waiver for special education may be affected. However the cuts could have been worse and that is why I voted yes.—JEAN SCHODORF

Senators Abrams, Barnett, Teichman and Umbarger requests the record to show they concur with the "Explanation of Vote" offered by Senator Schodorf on S Sub for HB 2364.

EXPLANATION OF VOTE

MR. PRESIDENT: **HB 2221** represents an increased willingness on behalf of this body to subvert the property rights of individuals and undermine the lawful authority of local office holders to implement policy that addresses the needs of their respective localities.

During the heat of debate a great deal of rhetoric was exchanged questioning the motives of proponents and opponents alike. This rhetoric focused on the apparent inconsistencies within the bill itself as proof of some implied misdeeds.

These inconsistencies are brought about not by some sinister motive but as a reflection of an unavoidable conclusion; this body is attempting to legislate something that cannot be codified into a statewide policy. As an unintended consequence, we do not so much create policy, as we select winners and losers.

The legislature has no business acting in an area where it has no compelling interest at stake. If any action is required, it ought to be done by localities, which are in a far superior position to craft any necessary ordinances to meet the real, and not speculative, needs of their constituencies. The legislature, on the other hand, ought to exercise better discretion by ignoring legislation that is fueled by political correctness and erodes the principles of limited governance.—TERRY BRUCE

Senators Ostmeyer and Petersen request the record to show they concur with the "Explanation of Vote" offered by Senator Bruce on **HB 2221.**

MR. PRESIDENT: I vote aye on **HB 2221** and would like to explain my vote. In past years, I have always generally supported local government initiatives when deciding an issue that affects as many local businesses as the smoking ban. After being assigned to social and rehabilitation services, I quickly discovered that approximately 350,000 individuals in a state with a 2.7 million population are on the state's system either through Medicaid or waivers.

This year we are making significant cuts to our budget. We must begin to change how we do business and promote preventive policies that decrease the cost our state incurs in supplying needed human services to our constituency.

In beginning this process an effort was made to keep the bill as it came out of committee, which I supported. I was disappointed in the amendment process when some voted to allow smoking in casinos but yet restrict it for other private businesses.—CAROLYN MCGINN

HCR 5015, A concurrent resolution directing the State Board of Education to take certain actions in relation to children with reading problems, including dyslexia.

On roll call, the vote was: Yeas 40, Nays 0, Present and Passing 0, Absent or Not Voting 0.

Yeas: Abrams, Apple, Barnett, Brownlee, Bruce, Brungardt, Colyer, Donovan, Emler, Faust-Goudeau, Francisco, Haley, Hensley, Holland, Huelskamp, Kelly, Kelsey, Kultala, Lee, Lynn, Marshall, Masterson, McGinn, Morris, Ostmeyer, Owens, Petersen, Pilcher-Cook, Pyle, Reitz, Schmidt D, Schmidt V, Schodorf, Steineger, Taddiken, Teichman, Umbarger, Vratil, Wagle, Wysong.

The Senate was called to order by Vice President John Vratil. The roll was called with forty senators present. Invocation by Chaplain Fred S. Hollomon:

> Heavenly Father, Suppose We got word from Washington, From those who over us rule, Our economy is not in trouble, It's just April Fool!

The Dow Jones is 14,000, And everything is cool; There is no need for stimulus, All was April Fool!

As far as Kansas is concerned, There's news to make us drool; *Raise* the budget by 10%! It was just April Fool!

Unemployment's just 2%, Increase the budget for the schools. Everything is looking up! It was just April Fool!

But I seem to hear from you, O God, That if everything was great There'd be no need for any of us, *Anyone* could run the state!

The voters elected the people Whom they believe we need To make the hard decisions, And In tough times still succeed.

We need to be reminded, Lord, Tough times may make us bleed, But tough times develop tough love And prepare us to succeed.

And for that I thank You in the Name of Jesus Christ,

AMEN

Journal of the Senate

FIFTY-FIFTH DAY

SENATE CHAMBER, TOPEKA, KANSAS Thursday, April 2, 2009—9:30 a.m.

The Senate was called to order by President Stephen Morris. The roll was called with forty senators present. Invocation by Chaplain Fred S. Hollomon:

Heavenly Father,

Once more an acquaintance told me He didn't trust politicians; Not a few, not most, but all of them, Under any conditions.

So I guess what he was saying, "I don't care which way they vote, None of them are sheep, All of them are goats."

This tendency to generalize, And paint all with one brush Is what I've never understood, And would like to see it flushed!

Legislators are used to it, And take it all in stride. They're accustomed to being scapegoats, And more or less let it slide.

If I were a betting man, I would bet money That their spouses and their children Do not think it's funny.

Bad-mouthing legislators Has become so common-place, That we who defend them Feel we're out of place.

Help us, Lord, to convince the critics How this criticism sounds, And listen to themselves, And try to tone it down!

I pray in the Name of Jesus Christ, AMEN

The Pledge of Allegiance was led by President Stephen Morris.

(*a*) Subject to K.S.A. 60-447, *and amendments thereto*, evidence that a person committed a crime or civil wrong on a specified occasion, is inadmissible to prove his or her *such person's* disposition to commit crime or civil wrong as the basis for an inference that the person committed another crime or civil wrong on another specified occasion but,

(e) In a criminal action in which the prosecution intends to offer evidence under this rule, the prosecuting attorney shall disclose the evidence to the defendant, including statements of witnesses, at least 10 days before the scheduled date of trial or at such later time as the court may allow for good cause.

(f) This rule shall not be construed to limit the admission or consideration of evidence under any other rule or to limit the admissibility of the evidence of other crimes or civil wrongs in a criminal action under a criminal statute other than in articles 34, 35 or 36 of chapter 21 of the Kansas Statutes Annotated, and amendments thereto.

(g) As used in this section, an "act or offense of sexual misconduct" includes:

To this end the provisions of this section are severable.

Sec. 13. K.S.A. 60-1505 is hereby amended to read as follows: 60-1505. (a) *Summary proceedings*. The judge shall proceed in a summary way to hear and determine the cause and may do so regardless of whether the person restrained is present. If the plaintiff is an inmate in the custody of the secretary of corrections and the motion and the files and records of the case conclusively show that the inmate is entitled to no relief, the writ shall be dissolved at the cost of the inmate.

(b) Infectious diseases. When any person is restrained because of an alleged infectious or communicable disease, the judge shall appoint a board of not less than two competent physicians to make an examination of such person and report their findings to the judge.

(c) *Temporary orders*. The judge may make an order for the temporary custody of the party and any other temporary orders during the pendency of the proceeding that justice may require.

(d) *Judgment.* If the court determines that the restraint is not wrongful, the writ shall be dissolved at the cost of the plaintiff. If the restraint is found to be wrongful, the judgment shall be either that the person shall be released, or that custody shall be transferred to some other person rightfully entitled thereto, and the court may make such other orders as justice and equity or the welfare of a minor physically present in the state may require. In cases in which the person restrained is a minor, or other incompetent or incapacitated, at the time of rendering judgment at the request of any person adversely affected thereby, the judge shall stay the enforcement of the judgment for a period of not to exceed 48 hours to permit the filing of an appeal, and the judge may provide for the temporary custody of the person during such stay in such manner as the judge sees fit. Enforcement of the judgment after the taking of any appeal may be stayed on such terms and conditions, including such provisions for custody during pendency of the appeal, as the judge shall prescribe. If the state, in open court, announces its intention to appeal from an order discharging a prisoner, the judge shall stay the enforcement of the judgment for a period not more than 24 hours to permit the filing of an appeal.

(e) (1) *The Record.* In habeas corpus proceedings involving extradition to another state, when written notice of appeal from a judgment or an order is filed, the transcript shall be prepared within 20 days after the notice of appeal is filed and sent to the appellate court for review. The appellate court may shorten or extend the time for filing the record if there is a reasonable explanation for the need for such action. When the record is received by the appellate court, the court shall set the time for filing of briefs, if briefs are desired, and shall set the appeal for submission.

(2) *Hearing.* Such cases, taken to the court of appeals by appeal, shall be heard at the earliest practicable time. The appellant need not be personally present, and such appeal shall be heard and determined upon the law and the facts arising upon record. No incidental question which may have arisen on the hearing of the application before the court shall be reviewed.

(3) Orders on Appeal. In such cases, the appellate court shall render such judgment and make such orders as the law and the nature of the case may require, and may make such orders relative to the costs in the case as may seem right, allowing costs and fixing the amount, or allowing no cost at all.

The non-participating manufacturer shall provide to the attorney general the name, address, phone number, proof of the appointment and availability of such resident agent, and such information shall be provided to the satisfaction of the attorney general.

(b) (1) A non-participating manufacturer may substitute its resident agent for another by notifying, in writing sent via certified or registered mail, the attorney general of such termination of the authority of the current agent and providing proof to the satisfaction of the attorney general of the appointment of a new agent. Service upon the non-participating manufacturer after the death of such agent but prior to the appointment of a new agent shall be had upon the secretary of state. (b) Except as otherwise provided, any information provided to the attorney general or director for purposes of enforcement of this act may be shared between the attorney general and the director and shall not be disclosed publicly by the attorney general or the director except when necessary to facilitate compliance with and enforcement of this act.

(c) On a quarterly basis, and upon request made in writing by a tobacco product manufacturer, the attorney general or the director may provide the name of any stamping agent who reports selling the tobacco product manufacturer's products.

(d) On a quarterly basis, and upon request made in writing by a tobacco product manufacturer, a stamping agent shall provide to the requesting tobacco product manufacturer the total number of cigarettes, by brand family, which the stamping agent reported to the attorney general or director pursuant to section 3, and amendments thereto, provided that such information provided by the stamping agent to a tobacco product manufacturer shall be limited to the brand families of that manufacturer as listed in the directory established in subsection (b) of K.S.A. 50-6a04, and amendments thereto.

(e) Unless disclosure is authorized under this section, all information obtained by the director and disclosed to the attorney general or shared with federal agencies, attorneys general of other states or directors of taxation or their equivalents of other states for purposes of enforcement of this act, the corresponding federal laws or the corresponding laws of other states, shall be confidential. The penalties provided under K.S.A. 75-5133, and amendments thereto, shall not apply when information is lawfully disclosed pursuant to this section.

New Sec. 5. (a) Notwithstanding any other provision of law, if a newly qualified nonparticipating manufacturer is to be listed in the directory, or if the attorney general reasonably determines that any non-participating manufacturer who has filed a certification pursuant to subsection (c) of K.S.A. 50-6a04, and amendments thereto, poses an elevated risk for noncompliance with this act neither such non-participating manufacturer nor any of its brand families shall be included or retained in the directory unless and until such nonparticipating manufacturer, or its United States importer that undertakes joint and several liability for the manufacturer's performance in accordance with subsection (c)(3)(I) of K.S.A. 50-6a04, and amendments thereto, has posted a bond in accordance with this section.

(b) The bond required by this section shall be posted by corporate surety located within the United States in an amount equal to the greater of \$50,000 or the amount of escrow the non-participating manufacturer in either its current or predecessor form was required to deposit for sales of cigarettes in this state during the previous calendar year. (c) A non-participating manufacturer may be deemed to pose an elevated risk for non-compliance with this act if:

(1) The non-participating manufacturer, or any affiliate thereof, has underpaid an escrow obligation with respect to any other state or jurisdiction that is a party to the master settlement agreement at any time within the three calendar years prior to the date of submission or approval of the most recent certification, unless:

(B) the underpayment or lack of payment is the subject of a good faith dispute as documented to the satisfaction of the attorney general and the underpayment is cured within 90 calendar days of entry of a final order establishing the amount of the required escrow payment;

(2) any state or jurisdiction that is party to the master settlement agreement has removed the non-participating manufacturer, or its brands or brand families, or an affiliate, or such affiliate's brands or brand families, from the state's directory for noncompliance with the corresponding laws of such other state or jurisdiction at any time within three calendar years prior to the date of submission or approval of the most recent certification; or

(3) any state or jurisdiction that is party to the master settlement agreement has pending litigation, or an unsatisfied judgment against the non-participating manufacturer, or any affiliate thereof, for unpaid escrow obligations, or associated penalties, costs or attorney fees.

(d) As used in this section, "newly qualified non-participating manufacturer" means a non-participating manufacturer that has not previously been listed in the directory. Such non-participating manufacturer may be required to post a bond in accordance with this section for the first five years of its listing, or longer, if they have been deemed to pose an elevated risk for noncompliance.

New Sec. 6. No wholesale dealer, as defined in K.S.A. 79-3301, and amendments thereto, or distributor, as defined in K.S.A. 79-3301, and amendments thereto, of cigarettes shall be issued a license or granted a renewal of a license by the Kansas department of revenue unless such wholesale dealer or distributor has provided to the director reasonable assurances, in writing and under penalty of perjury, that such person will comply fully with the stamping agent requirements in this act.

New Sec. 7. (a) In addition to or in lieu of any other civil or criminal remedy provided by law, the director or the director's designee, upon a finding that a stamping agent has violated subsection (a) of K.S.A. 50-6a04, and amendments thereto, or any rules or regulations adopted pursuant to this act, may revoke or suspend the license of any licensee in the manner provided by K.S.A.79-3309, and amendments thereto. Each package of cigarettes to which tax indicia is affixed, is caused to be affixed or tax is paid thereupon, and each sale or offer to sell cigarettes in violation of subsection (a) of K.S.A. 50-6a04, and amendments thereto, shall constitute a separate violation. The director may also impose a civil penalty in an amount not to exceed the greater of 500% of the retail value of the cigarettes involved or \$5,000 upon a finding of violation of subsection (a) of K.S.A. 50-6a04, and amendments thereto, or a violation of any rules or regulations adopted pursuant to this act. Such fine shall be imposed in the manner provided by K.S.A. 79-3391, and amendments thereto. Any fine collected pursuant to this subsection shall be remitted to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the cigarette and tobacco products regulation fund created pursuant to subsection (e) of K.S.A. 79-3391, and amendments thereto. The moneys credited to this fund shall be used for the purposes of enforcement of this act, or K.S.A. 79-3301 et seq., and amendments thereto.

(b) The attorney general or the attorney general's duly authorized designee shall, when requested by the director, assist the director in a hearing to suspend or revoke a stamping agent's license for a violation of this act.

(b) Any cigarettes constituting contraband may be seized by the attorney general or attorney general's authorized agent, the director or director's authorized agent or any law enforcement officer. All such cigarettes shall be subject to seizure, with or without process or warrant, and forfeiture, as provided herein and in K.S.A. 79-3324a, and amendments thereto, and shall be destroyed and not resold. Such cigarettes shall be deemed contraband whether the violation of subsection (a) of K.S.A. 50-6a04, and amendments thereto, is knowing or otherwise.

(c) (1) Any stamping agent that distributes cigarettes in a state other than Kansas may store in its Kansas warehouse cigarettes made contraband pursuant to this section if such stamping agent has affixed the tax indicia of such other state to each package of cigarettes or can provide evidence that it has paid the required tax thereupon.

(2) Cigarettes made contraband pursuant to this section, without being subject to seizure or forfeiture, may be transported in, into or through the state either:

- (B) when the tax indicia of another state is affixed to each package of cigarettes; or

(C) on a commercial carrier with a proper bill of lading to a licensed Kansas stamping agent who affixes tax indicia to cigarettes for sale in a state other than Kansas if the packing slip accompanying the shipment indicates the shipment is for sale in a state other than Kansas and identifies the state in which the shipment is to be sold. The time of delivery of the shipments shall be indicated on the bill of lading of the common carrier when delivery is completed. The receiving Kansas stamping agent must, within 24 hours of receiving the delivery, affix or caused to be affixed to each package of cigarettes the stamp of the state in which they are to be sold.

New Sec. 9. The attorney general, on behalf of the director, may seek an injunction to restrain a threatened or actual violation of this act by a stamping agent and to compel the stamping agent to comply with this act.

New Sec. 10. (a) It shall be unlawful for a person to sell or distribute cigarettes, or acquire, hold, own, possess, transport, import or cause to be imported cigarettes that the person knows or should know are intended for distribution or sale in this state in violation of subsection (a) of K.S.A. 50-6a04, and amendments thereto. A violation of this subsection shall be a class B misdemeanor.

(b) It shall be unlawful for a non-participating manufacturer, directly or indirectly, to falsely represent to any person in Kansas:

- (1) Any information about a brand family listed on the directory;
- (2) that it is a participating manufacturer;
- (3) that it has made all required escrow payments; or

(4) that it has satisfied any other requirements imposed pursuant to this act.

A violation of this subsection is a class A nonperson misdemeanor.

(c) The attorney general shall have concurrent authority with any county or district attorney to prosecute any violation of this section.

New Sec. 11. (a) Any violation of this act involving the sale or attempted sale of cigarettes by a stamping agent to a retail dealer, vending machine operator or consumer, or by a retail dealer or vending machine operator to a consumer, shall constitute an unlawful and deceptive trade practice as provided in K.S.A. 50-626, and amendments thereto, and shall be subject to the penalties provided for in K.S.A. 50-623 et seq., and amendments thereto, in lieu of or in addition to any penalties provided in this act.

(b) For purposes of this section, a stamping agent shall be deemed a "supplier" for purposes of a consumer transaction, as defined in subsection (c) of K.S.A. 50-624, and amendments thereto, regardless of whether the stamping agent sells to a retail dealer or consumer.

(c) If a court determines that a person has violated this act, the court shall order any profits, gains, gross receipts or other benefit from the violation be surrendered. Any profits, gains, gross receipts or other benefit surrendered from the violation shall be collected pursuant to this subsection and shall be remitted to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the cigarette and tobacco products regulation fund created pursuant to subsection (e) of K.S.A. 79-3391, and amendments thereto.

(d) Unless otherwise expressly provided, the remedies or penalties provided by this act are cumulative to each other and to the remedies or penalties under all other laws of this state.

New Sec. 12. In any action brought by the state to enforce the provisions of this act the state shall be entitled to recover the costs of investigation, expert witness fees, costs of the action and reasonable attorney fees. Recovery of such costs and fees shall be remitted to the state agency or agencies who initiated and brought such action.

New Sec. 13. In any action under K.S.A. 50-6a03, and amendments thereto, reports of the numbers of non-participating manufacturers' cigarettes submitted to the attorney general or director pursuant to subsection (a) of section 3, and amendments thereto, shall be admissible in evidence. These reports shall be presumed to accurately account for the number of cigarettes on which state taxes were paid during the time period by the stamping agent that submitted the report absent a contrary showing by the non-participating manufacturer or importer. Nothing in this section shall be construed as limiting or otherwise affecting the state's right to maintain that such reports are incorrect or do not accurately reflect a non-participating manufacturer's sales in the state during the time period in question, and the presumption shall not apply in the event the state does so maintain.

New Sec. 14. Notwithstanding subsection (j) of K.S.A. 50-6a02, and amendments thereto, the attorney general may promulgate rules and regulations necessary to effect the purposes of this act for the regulation of tobacco product manufacturers. The director may promulgate rules and regulations necessary to effect the purposes of this act for the regulation of stamping agents, retail dealers and vending machine operators.

New Sec. 15. If a court of competent jurisdiction finds that the provisions of K.S.A. 50-6a01 through 50-6a03, and amendments thereto, conflict with and cannot be reconciled with any other provisions of this act, then such provisions of K.S.A. 50-6a01 thru 50-6a03, and amendments thereto, shall control. If any provision of this act causes K.S.A. 50-6a01 through 50-6a03, and amendments thereto, to no longer constitute a qualifying or model statute as those terms are defined in the master settlement agreement, then that portion of this act shall not be valid. If any provision of this act is for any reason held to be invalid, unlawful or unconstitutional, such decision shall not affect the validity of the remaining portions of this act or any part thereof.

Sec. 16. K.S.A. 50-6a04 is hereby amended to read as follows: 50-6a04. (a) No person may affix, or cause to be affixed, tax stamps or meter impressions to individual packages of cigarettes or pay the required tax on roll-your-own tobacco in accordance with K.S.A. 79-3371, and amendments thereto, unless the tobacco product manufacturer that makes or sells such cigarettes or roll-your-own tobacco has.

— (1) Become a participating manufacturer; or

(2) made all required escrow payments. No person may: (1) Affix, or cause to be affixed, tax indicia to a package of cigarettes, or otherwise pay the tax due upon such cigarettes, of a tobacco product manufacturer brand family not included in the directory; or

(2) sell, offer, possess for sale or import for personal consumption in this state, cigarettes of a tobacco product manufacturer brand family not included in the directory.

(b) (1) Not later than July 1, 2002 2009, the attorney general shall develop a list directory, to be posted on the attorney general's website, of all tobacco product manufacturers that have become participating manufacturers or made all required escrow payments. This list shall include the brand families identified by each such tobacco product manufacturer under subsection (c). The list shall be updated as necessary. A person may rely upon the attorney general's list in affixing or causing to be affixed stamps or meter impressions to individual packages of cigarettes or paying the tax on roll-your-own tobacco as required by K.S.A. 79-3371, and amendments thereto, of any brand family included on the list. Except as otherwise provided, the directory shall list all tobacco product manufacturers and brand families of such tobacco product manufacturers that have provided current and accurate certifications conforming to the requirements of subsection (c).

(2) The attorney general shall not include or retain in the directory any non-participating manufacturer, or non-participating manufacturer's brand family, that has failed to provide the required certification, or whose certification the attorney general determines is not in compliance with subsection (c), unless such failure or noncompliance has been cured to the satisfaction of the attorney general.

(3) In the case of a non-participating manufacturer, neither the tobacco product manufacturer nor a brand family shall be included or retained in the directory if the attorney general concludes:

(A) That an escrow payment required pursuant to K.S.A. 50-6a03, and amendments thereto, for any period for any brand family, whether or not listed by such non-participating manufacturer, has not been fully paid into a qualified escrow fund governed by an escrow agreement that has been approved by the attorney general;

(B) that an outstanding final judgment, including interest thereon, for a violation of K.S.A. 50-6a03, and amendments thereto, has not been fully satisfied for such tobacco product manufacturer; or

(C) that, within three calendar years prior to the date of submission or approval of the most recent certification, such tobacco product manufacturer has defaulted on escrow payments in any other state or jurisdiction that is a party to the master settlement agreement and the default has not been cured within 90 calendar days of such default.

(4) The attorney general shall update the directory as necessary in order to correct mistakes and to add or remove a tobacco product manufacturer or brand family so as to keep the directory in conformity with the requirements of this act.

(5) The attorney general shall promptly post in the directory and transmit by electronic mail to each stamping agent that has provided an electronic mail address, notice of removal from the directory of a tobacco product manufacturer or brand family.

(6) Unless otherwise provided by agreement between a stamping agent and a tobacco product manufacturer, the stamping agent shall be entitled to a refund from a tobacco product manufacturer for any money paid by the stamping agent to the tobacco product manufacturer for any cigarettes of the tobacco product manufacturer in the possession of the stamping agent on the effective date of removal from the directory of that tobacco product manufacturer or brand family.

(7) Unless otherwise provided by agreement between a retail dealer or a vending machine operator and a tobacco product manufacturer, a retail dealer or a vending machine operator shall be entitled to a refund from a tobacco product manufacturer for any money paid by the retail dealer or vending machine operator to a stamping agent for any cigarettes of the tobacco product manufacturer still in the possession of the retail dealer or vending machine operator on the effective date of removal from the directory of that tobacco product manufacturer or brand family.

(c) In order to be included on the list developed by the attorney general under subsection (b), a tobacco product manufacturer shall (1) submit to the attorney general a list of brand families whose cigarettes are to be counted in calculating the participating manufacturer's annual payments under the master settlement agreement or required escrow payments whichever is applicable, (2) appoint a registered agent for service of process in the state and identify such registered agent to the attorney general, and (3) certify, under penalty of perjury, that all escrow payments have been made by all other tobacco product manufacturers that previously made or sold brand families identified under this subsection or brand style included within such brand families, except that, if the brand family or brand style was made or sold by the manufacturer before the effective date of this act, such manufacturer shall be required only to identify such predecessor manufacturer or manufacturers. A tobacco product manufacturer may update the list to reflect changes. (1) On or before April 30 of each year, every tobacco product manufacturer whose cigarettes are sold in this state, whether directly or through a stamping agent or similar intermediary or intermediaries, shall execute and deliver in the manner prescribed by the attorney general a certification to the attorney general certifying under penalty of perjury that, as of the date of such certification, such tobacco product manufacturer either is:

(A) A participating manufacturer; or

(B) in full compliance with K.S.A. 50-6a03, and amendments thereto, including payment of all quarterly installment payments as may be required by subsection (d).

(2) A participating manufacturer shall include in its certification a list of its brand families. The participating manufacturer shall update such list 30 calendar days prior to any addition to, or modification of its brand families by executing and delivering a supplemental certification to the attorney general.

(3) A non-participating manufacturer shall include in its certification:

(A) The number of units sold for each brand family sold in the state during the preceding calendar year;

(B) a list of all of its brand families sold in the state at any time during the current calendar year, including any brand family sold in the state during the preceding calendar year that is no longer being sold in the state as of the date of such certification;

(C) the identity, by name and address, of any other tobacco product manufacturer who manufactured such brand families in the preceding or current calendar year;

(D) a declaration that such non-participating manufacturer is registered to do business in the state, or has appointed a resident agent for service of process, and provided notice thereof as required by section 2, and amendments thereto;

(*E*) a declaration that such non-participating manufacturer:

(i) Has established and continues to maintain a qualified escrow fund; and

(ii) has executed an escrow agreement that governs the qualified escrow fund and that such escrow agreement has been reviewed and approved by the attorney general;

(F) a declaration that such non-participating manufacturer consents to the jurisdiction of the district court of the third judicial district, Shawnee county, Kansas, for purposes of enforcing this act, or rules or regulations promulgated pursuant thereto, as required by subsection (c) of section 2, and amendments thereto;

(G) a declaration that such non-participating manufacturer is in full compliance with subsection (b) of K.S.A. 50-6a03, and amendments thereto, and any rules or regulations promulgated pursuant to this act;

(H) (i) the name, address and telephone number of the financial institution where the non-participating manufacturer has established such qualified escrow fund required pursuant to subsection (b) of K.S.A. 50-6a03, and amendments thereto;

(ii) the account number of such qualified escrow fund and any sub-account number for the state of Kansas;

(iii) the amount such non-participating manufacturer placed in such qualified escrow fund for cigarettes sold in this state during the preceding calendar year, the date and amount of each such deposit and such evidence or verification as may be deemed necessary by the attorney general to confirm the foregoing; and

(iv) the amount and date of any withdrawal or transfer of funds the non-participating manufacturer made at any time from such qualified escrow fund or from any other qualified escrow fund into which it ever made escrow payments pursuant to subsection (b) of K.S.A. 50-6a03, and amendments thereto; and

(I) in the case of a non-participating manufacturer located outside of the United States, a declaration from each of its importers to the United States of any of its brand families to be sold in Kansas that such importer accepts joint and several liability with the non-participating manufacturer for:

(i) All escrow deposits due under subsection (b) of K.S.A. 50-6a03, and amendments thereto;

(ii) all penalties assessed under subsection (b) of K.S.A. 50-6a03, and amendments thereto; and

(iii) payment of all costs and attorney fees pursuant to any successful action under this act against said manufacturer.

Such declarations by importers of a non-participating manufacturer shall appoint for the declarant a resident agent for service of process in Kansas in accordance with section 2, and amendments thereto, and consent to jurisdiction in accordance with section 2, and amendments thereto.

(4) A tobacco product manufacturer may not include a brand family in its certification unless:

(A) In the case of a participating manufacturer, said participating manufacturer affirms that the brand family shall be deemed to be its cigarettes for purposes of calculating its payments under the master settlement agreement for the relevant year in the volume and shares determined pursuant to the master settlement agreement; or

(B) in the case of a non-participating manufacturer, said non-participating manufacturer affirms that the brand family shall be deemed to be its cigarettes for purposes of subsection (b) of K.S.A. 50-6a03, and amendments thereto.

Nothing in this paragraph shall be construed as limiting or otherwise affecting the state's right to maintain that a brand family constitutes cigarettes of a different tobacco product manufacturer for purposes of calculating payments under the master settlement agreement or subsection (b) of K.S.A. 50-6a03, and amendments thereto.

(5) Invoices and documentation of sales and other such information relied upon for such certification shall be maintained by tobacco product manufacturers for a period of at least five years.

(d) In addition to or in lieu of any other civil or criminal penalty provided by law, upon a finding that a licensee has violated subsection (a) or any rules and regulations adopted pursuant thereto, the director may revoke or suspend the license of any licensee in the manner provided by K.S.A. 79-3309, and amendments thereto. The director may also impose a civil fine in an amount not to exceed the greater of 500% of the retail value of the cigarettes or roll-your-own tobacco involved or \$5,000 upon a finding of a violation of subsection (a) or any rules and regulations adopted pursuant thereto. Such fine shall be imposed in the manner provided by K.S.A. 79-3391, and amendments thereto. The attorney general may require a tobacco product manufacturer subject to the requirements of subsection (c) to make the escrow deposits required by subsection (b) of K.S.A. 50-6a03, and amendments thereto, in quarterly installments during the calendar year in which the sales covered by such deposits are made. The attorney general may require production of information sufficient to enable the attorney general to determine the adequacy of the amount of the installment deposit.

(e) Any cigarettes or roll-your-own tobacco that are stamped, to which a meter impression is affixed or for which tax is paid as required by K.S.A. 79-3371, and amendments thereto, in violation of subsection (a) shall be deemed contraband under K.S.A. 79-3323, and amendments thereto, and shall be subject to seizure and forfeiture as provided therein and in K.S.A. 79-3324a, and amendments thereto. All such cigarettes and roll-your-own tobacco seized and forfeited shall be destroyed. Such cigarettes and roll-your-own tobacco shall be deemed contraband whether the violation of subsection (a) is knowing or otherwise. (f) (1) The director may require wholesale dealers and distributors to submit such information as is necessary to enable the attorney general to determine whether a nonparticipating manufacturer has made the required escrow payments.

(2) The attorney general may require nonparticipating manufacturers to submit such information as the attorney general may determine is necessary to enable the attorney general to determine whether a nonparticipating manufacturer has made the required escrow payments.

(g) The attorney general may require a nonparticipating manufacturer to make the required escrow payments in quarterly installments during the year in which the sales covered by such payments are made in order to be placed on the list developed by the attorney general under subsection (b).

- (h) (1) It shall be unlawful for a nonparticipating manufacturer, directly or indirectly, to falsely represent to any person in Kansas.

- (A) Any information about a brand family pursuant to the list submitted pursuant to subsection (b),

(B) that it is a participating manufacturer;

(C) that it has made all required escrow payments; or

EXPLANATION OF VOTE

MR. PRESIDENT: I reluctantly vote yes for **HB 2130**—reluctantly because of the many phone calls I received stating that this bill would be an attempt to exercise racial profiling. I want all citizens to abide by the law and buckle up for safety, and I do believe that seat belts save lives but I also believe this bill will have unintended consequences. It will give police officers who already have a tendency to commit racial profiling another excuse to stop drivers who otherwise are obeying the law. I also believe that there will be unnecessary stops of drivers in old vehicles without shoulder straps. But this bill will save lives and I therefore vote yes.—OLETHA FAUST-GOUDEAU.

Senator Haley requests the record to show he concurs with the "Explanation of Vote" offered by Senator Faust-Goudeau on HB 2130.

MR. PRESIDENT: I reluctantly vote "AYE" on **HB 2130.** The concept of "pretextual stops" (or detaining a driver by law enforcement on the *pretense* of wrong doing) is a familiar theme in Kansas and even in our culturally diverse America whose drivers come from different races; different counties and states; different religions.

Racial and other profiling by law enforcement is illegal but unenforced. For now, **SB 179**, (which languishes on General Orders below the line), would adjust some of these injustices which costs otherwise innocent motorists thousands of dollars and hundreds of hours of wasted time every year. This harassment by those sworn to *uphold* our laws is shameful; a state and a national disgrace. But **HB 2130** will save lives. Seat belts save lives, and public safety here trumps the erosions of probable cause that will result from the passage of **HB 2130**.—DAVID HALEY

Sec. 3. K.S.A. 2008 Supp. 79-503a is hereby amended to read as follows: 79-503a. "Fair market value" means the amount in terms of money that a well informed buyer is justified in paying and a well informed seller is justified in accepting for property in an open and competitive market, assuming that the parties are acting without undue compulsion. In the determination of fair market value of any real property which is subject to any special assessment, such value shall not be determined by adding the present value of the special assessment to the sales price. For the purposes of this definition it will be assumed that consummation of a sale occurs as of January 1.

Sales in and of themselves shall not be the sole criteria of fair market value but shall be used in connection with cost, income and other factors including but not by way of exclusion:

(a) The proper classification of lands and improvements;

(b) the size thereof;

(c) the effect of location on value;

 $\left(d\right)$ depreciation, including physical deterioration or functional, economic or social obsolescence;

(e) cost of reproduction of improvements;

(f) productivity taking into account all restrictions imposed by the state or federal government and local governing bodies, including, but not limited to, restrictions on property rented or leased to low income individuals and families as authorized by section 42 of the federal internal revenue code of 1986, as amended;

(h) rental or reasonable rental values or rental values restricted by the state or federal government or local governing bodies, including, but not limited to, restrictions on property rented or leased to low income individuals and families, as authorized by section 42 of the federal internal revenue code of 1986, as amended;

(i) sale value on open market with due allowance to abnormal inflationary factors influencing such values;

(j) restrictions or requirements imposed upon the use of real estate by the state or federal government or local governing bodies, including zoning and planning boards or commissions, and including, but not limited to, restrictions or requirements imposed upon the use of real estate rented or leased to low income individuals and families, as authorized by section 42 of the federal internal revenue code of 1986, as amended; and

(k) comparison with values of other property of known or recognized value. The assessment-sales ratio study shall not be used as an appraisal for appraisal purposes.

The appraisal process utilized in the valuation of all real and tangible personal property for ad valorem tax purposes shall conform to generally accepted appraisal procedures which are adaptable to mass appraisal and consistent with the definition of fair market value unless otherwise specified by law.

New Sec. 4. EXPLANATION OF VOTE

MR. PRESIDENT: I vote yes on the conference committee report on **SB 98.** I support renewing the mill levy for school district funding. However, I object to the provisions of **SB 312** in this bill which will allow for property taxes to be collected on stored natural gas inventories. Even though the tax revenue is desired, we are on shaky legal ground to enact this property tax and will likely face additional lawsuits.—KARIN BROWNLEE

(D) a shelter facility; or

(E) the secretary, if the child is 15 years of age or younger, or 16 or 17 years of age if the child has no identifiable parental or family resources or shows signs of physical, mental, emotional or sexual abuse.

If the secretary presents the court with a plan to provide services to a child or family (2)which the court finds will assure the safety of the child, the court may only place the child in the temporary custody of the secretary until the court finds the services are in place. The court shall have the authority to require any person or entity agreeing to participate in the plan to perform as set out in the plan. When the child is placed in the temporary custody of the secretary, the secretary shall have the discretionary authority to place the child with a parent or to make other suitable placement for the child. When the child is presently alleged, but not vet adjudicated to be a child in need of care solely pursuant to subsection (d)(9) or (d)(10) of K.S.A. 2008 Supp. 38-2202, and amendments thereto, the child may be placed in a juvenile detention facility or other secure facility, but the total amount of time that the child may be held in such facility under this section and K.S.A. 2008 Supp. 38-2242, and amendments thereto, shall not exceed 24 hours, excluding Saturdays, Sundays and legal holidays. The order of temporary custody shall remain in effect until modified or rescinded by the court or an adjudication order is entered but not exceeding 60 days, unless good cause is shown and stated on the record.

(h) If the court issues an order of temporary custody, the court may also enter an order restraining any alleged perpetrator of physical, sexual, mental or emotional abuse of the child from residing in the child's home; visiting, contacting, harassing or intimidating the child; or attempting to visit, contact, harass or intimidate the child, other family members or witnesses. Such restraining order shall be served by personal service pursuant to subsection (a) of K.S.A. 2008 Supp. 38-2237, and amendments thereto, on any alleged perpetrator to whom the order is directed.

(i) (1) The court shall not enter an order removing a child from the custody of a parent pursuant to this section unless the court first finds probable cause that: (A)(i) the child is likely to sustain harm if not immediately removed from the home;

- (ii) allowing the child to remain in home is contrary to the welfare of the child; or
- (iii) immediate placement of the child is in the best interest of the child; and

(B) reasonable efforts have been made to maintain the family unit and prevent the unnecessary removal of the child from the child's home or that an emergency exists which threatens the safety to the child.

(2) Such findings shall be included in any order entered by the court. If the child is placed in the custody of the secretary, upon making the order the court shall provide the secretary with a written copy.

(j) If the court enters an order of temporary custody that provides for placement of the child with a person other than the parent, the court shall make a child support determination pursuant to K.S.A. 2008 Supp. 38-2277, and amendments thereto.

Sec. 6. K.S.A. 2008 Supp. 38-2255 is hereby amended to read as follows: 38-2255. (a) *Considerations*. Prior to entering an order of disposition, the court shall give consideration to:

(1) The child's physical, mental and emotional condition;

(2) the child's need for assistance;

(3) the manner in which the parent participated in the abuse, neglect or abandonment of the child;

(4) any relevant information from the intake and assessment process; and

(5) the evidence received at the dispositional hearing.

(b) *Placement with a parent.* The court may place the child in the custody of either of the child's parents subject to terms and conditions which the court prescribes to assure the proper care and protection of the child, including, but not limited to:

(1) Supervision of the child and the parent by a court services officer;

(2) participation by the child and the parent in available programs operated by an appropriate individual or agency; and

 $(\bar{3})$ any special treatment or care which the child needs for the child's physical, mental or emotional health and safety.

(c) Removal of a child from custody of a parent. The court shall not enter an order removing a child from the custody of a parent pursuant to this section unless the court first finds probable cause that: (1)(A) The child is likely to sustain harm if not immediately removed from the home;

(B) allowing the child to remain in home is contrary to the welfare of the child; or

(C) immediate placement of the child is in the best interest of the child; and

(2) reasonable efforts have been made to maintain the family unit and prevent the unnecessary removal of the child from the child's home or that an emergency exists which threatens the safety to the child.

(d) Custody of a child removed from the custody of a parent. If the court has made the findings required by subsection (c), the court shall enter an order awarding custody to a relative of the child or to a person with whom the child has close emotional ties, to any other suitable person, to a shelter facility, to a youth residential facility or, if the child is 15 years of age or younger, or 16 or 17 years of age if the child has no identifiable parental or family resources or shows signs of physical, mental, emotional or sexual abuse, to the sectory. Custody awarded under this subsection shall continue until further order of the court.

(1) When custody is awarded to the secretary, the secretary shall consider any placement recommendation by the court and notify the court of the placement or proposed placement of the child within 10 days of the order awarding custody.

(A) After providing the parties or interested parties notice and opportunity to be heard, the court may determine whether the secretary's placement or proposed placement is contrary to the welfare or in the best interests of the child. In making that determination the court shall consider the health and safety needs of the child and the resources available to meet the needs of children in the custody of the secretary. If the court determines that the placement or proposed placement is contrary to the welfare or not in the best interests of the child, the court shall notify the secretary, who shall then make an alternative placement.

(B) The secretary may propose and the court may order the child to be placed in the custody of a parent or parents if the secretary has provided and the court has approved an appropriate safety action plan which includes services to be provided. The court may order the parent or parents and the child to perform tasks as set out in the safety action plan.

(2) The custodian designated under this subsection shall notify the court in writing at least 10 days prior to any planned placement with a parent. The written notice shall state the basis for the custodian's belief that placement with a parent is no longer contrary to the welfare or best interest of the child. Upon reviewing the notice, the court may allow the custodian to proceed with the planned placement or may set the date for a hearing to determine if the child shall be allowed to return home. If the court sets a hearing on the matter, the custodian shall not return the child home without written consent of the court.

(3) The court may grant any person reasonable rights to visit the child upon motion of the person and a finding that the visitation rights would be in the best interests of the child.

(4) The court may enter an order restraining any alleged perpetrator of physical, mental or emotional abuse or sexual abuse of the child from residing in the child's home; visiting, contacting, harassing or intimidating the child, other family member or witness; or attempting to visit, contact, harass or intimidate the child, other family member or witness. Such restraining order shall be served by personal service pursuant to subsection (a) of K.S.A. 2008 Supp. 38-2237, and amendments thereto, on any alleged perpetrator to whom the order is directed.

(5) The court shall provide a copy of any orders entered within 10 days of entering the order to the custodian designated under this subsection.

(e) Further determinations regarding a child removed from the home. If custody has been awarded under subsection (d) to a person other than a parent, a permanency plan shall be provided or prepared pursuant to K.S.A. 2008 Supp. 38-2264, and amendments thereto. If a permanency plan is provided at the dispositional hearing, the court may determine whether reintegration is a viable alternative or, if reintegration is not a viable alternative, whether the child should be placed for adoption or a permanent custodian appointed. In determining whether reintegration is a viable alternative, the court shall consider:

(1) Whether a parent has been found by a court to have committed one of the following crimes or to have violated the law of another state prohibiting such crimes or to have aided

and abetted, attempted, conspired or solicited the commission of one of these crimes: Murder in the first degree, K.S.A. 21-3401, and amendments thereto, murder in the second degree, K.S.A. 21-3402, and amendments thereto, capital murder, K.S.A. 21-3439, and amendments thereto, voluntary manslaughter, K.S.A. 21-3403, and amendments thereto, or a felony battery that resulted in bodily injury;

(2) whether a parent has subjected the child or another child to aggravated circumstances;

(3) whether a parent has previously been found to be an unfit parent in proceedings under this code or in comparable proceedings under the laws of another state or the federal government;

(4) whether the child has been in extended out of home placement;

(5) whether the parents have failed to work diligently toward reintegration;

(6) whether the secretary has provided the family with services necessary for the safe return of the child to the home; and

(7) whether it is reasonable to expect reintegration to occur within a time frame consistent with the child's developmental needs.

(f) Proceedings if reintegration is not a viable alternative. If the court determines that reintegration is not a viable alternative, proceedings to terminate parental rights and permit placement of the child for adoption or appointment of a permanent custodian shall be initiated unless the court finds that compelling reasons have been documented in the case plan why adoption or appointment of a permanent custodian would not be in the best interests of the child. If compelling reasons have not been documented, the county or district attorney shall file a motion within 30 days to terminate parental rights or a motion to appoint a permanent custodian when the parents voluntarily relinquish parental rights or consent to the appointment of a permanent custodian.

(g) Additional Orders. In addition to or in lieu of any other order authorized by this section:

(1) The court may order the child and the parents of any child who has been adjudicated a child in need of care to attend counseling sessions as the court directs. The expense of the counseling may be assessed as an expense in the case. No mental health provider shall charge a greater fee for court-ordered counseling than the provider would have charged to the person receiving counseling if the person had requested counseling on the person's own initiative.

(2) If the court has reason to believe that a child is before the court due, in whole or in part, to the use or misuse of alcohol or a violation of the uniform controlled substances act by the child, a parent of the child, or another person responsible for the care of the child, the court may order the child, parent of the child or other person responsible for the care of the child to submit to and complete an alcohol and drug evaluation by a qualified person or agency and comply with any recommendations. If the evaluation is performed by a community-based alcohol and drug safety program certified pursuant to K.S.A. 8-1008, and amendments thereto, the child, parent of the child or other person responsible for the care of the child shall pay a fee not to exceed the fee established by that statute. If the court finds that the child and those legally liable for the child's support are indigent, the fee may be waived. In no event shall the fee be assessed against the secretary.

(3) If child support has been requested and the parent or parents have a duty to support the child, the court may order one or both parents to pay child support and, when custody is awarded to the secretary, the court shall order one or both parents to pay child support. The court shall determine, for each parent separately, whether the parent is already subject to an order to pay support for the child. If the parent is not presently ordered to pay support for any child who is subject to the jurisdiction of the court and the court has personal jurisdiction over the parent, the court shall order the parent to pay child support in an amount determined under K.S.A. 2008 Supp. 38-2277, and amendments thereto. Except for good cause shown, the court shall issue an immediate income withholding order pursuant to K.S.A. 23-4,105 et seq., and amendments thereto, for each parent ordered to pay support under this subsection, regardless of whether a payor has been identified for the parent. A parent ordered to pay child support under this subsection shall be notified, at the hearing or otherwise, that the child support order may be registered pursuant to K.S.A. 2008 Supp. 38-2279, and amendments thereto. The parent shall also be informed that, after registration, the income withholding order may be served on the parent's employer without further notice to the parent and the child support order may be enforced by any method allowed by law. Failure to provide this notice shall not affect the validity of the child support order.

Sec. 7. K.S.A. 2008 Supp. 38-2202, 38-2203, 38-2232, 38-2242, 38-2243 and 38-2255 are hereby repealed.";

And by renumbering the remaining section accordingly;

Also on page 20, in line 14, by striking "Kansas register" and inserting "statute book";

(a) A vehicle shall be driven as nearly as practicable entirely within a single lane and shall not be moved from such lane until the driver has first ascertained that such movement can be made with safety.

(b) Upon a roadway which is divided into three (3) lanes and provides for two-way movement of traffic, a vehicle shall not be driven in the center lane except when overtaking and passing another vehicle traveling in the same direction when such center lane is clear of traffic within a safe distance, or in preparation for making a left turn or where such center lane is at the time allocated exclusively to traffic moving in the same direction that the vehicle is proceeding and such allocation is designated by official traffic-control devices.

(c) Upon a highway located outside the corporate limits of any city divided into two lanes of traffic proceeding in the same direction, all vehicles shall be driven in the right lane except when:

(4) otherwise required by other provisions of law.

(d) Upon a highway located outside the corporate limits of any city divided into three or more lanes of traffic proceeding in the same direction, vehicles shall not be driven in the far left lane except when:

(d) (g) Official traffic-control devices may be installed prohibiting the changing of lanes on sections of roadway and drivers of vehicles shall obey the directions of every such device.

(h) From and after July 1, 2009, and prior to July 1, 2010, a law enforcement officer shall issue a warning citation to anyone violating the provisions of subsection (c) or (d).

Sec. 2. K.S.A. 2008 Supp. 8-1911 is hereby amended to read as follows: 8-1911. (a) The secretary of transportation with respect to highways under the secretary's jurisdiction and local authorities with respect to highways under their jurisdiction, in their discretion, upon application, may issue a special permit, which term shall include an authorization number, to the owner or operator of an oversize or overweight vehicle. The special permit shall authorize the special permit holder to operate or move a vehicle or combination of vehicles which exceed the limitations of this act, on a route, or routes, designated in the special permit and in accordance with the terms and conditions of the special permit.

(c) A permit shall be valid only when the registration on the power unit is equal to or exceeds the total gross weight of the vehicle. When the gross weight of the vehicle exceeds the upper limit of the available registration, the maximum amount of registration must be purchased. The provisions of this subsection shall not apply to a wrecker or tow truck, as defined in K.S.A. 66-1329, and amendments thereto, and registered in accordance with the provisions of K.S.A. 8-143, and amendments thereto.

(d) The secretary or local authority may issue or withhold the permit at the secretary's or local authority's discretion or may limit the number of trips, or establish seasonal or other time limitations within which the vehicles described may be operated on the highways, or may otherwise limit or prescribe conditions of operations of such vehicle or combination of vehicles, when necessary to assure against undue damage to the road. The secretary or local

authority may require such undertaking or other security as may be deemed necessary to compensate for any injury to any roadway or road structure.

Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the state highway fund. The secretary may adopt rules and regulations for payment and collection of all fees. The secretary may adopt rules and regulations implementing the provisions of this section to prescribe standards for any permit program to enhance highway safety.

(g) If any local authority does not desire to exercise the powers conferred on it by this section to issue or deny permits then such a permit from the local authority shall not be required to operate any such vehicle or combination of vehicles on highways under the jurisdiction of such local authority, but in no event shall the jurisdiction of the local authority be construed as extending to any portion of any state highway, any city street designated by the secretary as a connecting link in the state highway system or any highway within the national system of interstate and defense highways, which highways and streets, for the purpose of this section, shall be under the jurisdiction of the secretary.

(2) impose the fine applicable to the offense;

(3) release the defendant on probation if the current crime of conviction and criminal history fall within a presumptive nonprison category or through a departure for substantial and compelling reasons subject to such conditions as the court may deem appropriate. (12) suspend imposition of sentence in misdemeanor cases.

(b) (1) In addition to or in lieu of any of the above, the court shall order the defendant to pay restitution, which shall include, but not be limited to, damage or loss caused by the defendant's crime, unless the court finds compelling circumstances which would render a plan of restitution unworkable. In regard to a violation of K.S.A. 21-4018, and amendments thereto, such damage or loss shall include, but not be limited to, attorney fees and costs incurred to repair the credit history or rating of the person whose personal identification documents were obtained and used in violation of such section, and to satisfy a debt, lien or other obligation incurred by the person whose personal identification documents were obtained and used in violation. If the court finds a plan of restitution unworkable, the court shall state on the record in detail the reasons therefor.

(2) If the court orders restitution, the restitution shall be a judgment against the defendant which may be collected by the court by garnishment or other execution as on judgments in civil cases. If, after 60 days from the date restitution is ordered by the court, a defendant is found to be in noncompliance with the plan established by the court for payment of restitution, and the victim to whom restitution is ordered paid has not initiated proceedings in accordance with K.S.A. 60-4301 et seq., and amendments thereto, the court shall assign an agent procured by the attorney general pursuant to K.S.A. 75-719, and amendments thereto, to collect the restitution on behalf of the victim. The administrative judge of each judicial district may assign such cases to an appropriate division of the court for the conduct of civil collection proceedings.

(c) In addition to or in lieu of any of the above, the court shall order the defendant to submit to and complete an alcohol and drug evaluation, and pay a fee therefor, when required by subsection (4) of K.S.A. 21-4502, and amendments thereto.

(d) In addition to any of the above, the court shall order the defendant to reimburse the county general fund for all or a part of the expenditures by the county to provide counsel and other defense services to the defendant. Any such reimbursement to the county shall be paid only after any order for restitution has been paid in full. In determining the amount and method of payment of such sum, the court shall take account of the financial resources of the defendant and the nature of the burden that payment of such sum will impose. A defendant who has been required to pay such sum and who is not willfully in default in the payment thereof may at any time petition the court which sentenced the defendant to waive payment of such sum or any unpaid portion thereof. If it appears to the satisfaction of the court that payment of the amount due will impose manifest hardship on the defendant or the defendant's immediate family, the court may waive payment of all or part of the amount due or modify the method of payment.

(e) In imposing a fine the court may authorize the payment thereof in installments. In releasing a defendant on probation, the court shall direct that the defendant be under the

supervision of a court services officer. If the court commits the defendant to the custody of the secretary of corrections or to jail, the court may specify in its order the amount of restitution to be paid and the person to whom it shall be paid if restitution is later ordered as a condition of parole, conditional release or postrelease supervision.

(f) (1) When a new felony is committed while the offender is incarcerated and serving a sentence for a felony, or while the offender is on probation, assignment to a community correctional services program, parole, conditional release, or postrelease supervision for a felony, a new sentence shall be imposed pursuant to the consecutive sentencing requirements of K.S.A. 21-4608, and amendments thereto, and the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(2) When a new felony is committed while the offender is incarcerated in a juvenile correctional facility pursuant to K.S.A. 38-1671 prior to its repeal or K.S.A. 2007 2008 Supp. 38-2373, and amendments thereto, for an offense, which if committed by an adult would constitute the commission of a felony, upon conviction, the court shall sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure. The conviction shall operate as a full and complete discharge from any obligations, except for an order of restitution, imposed on the offender arising from the offense for which the offender was committed to a juvenile correctional facility.

(3) When a new felony is committed while the offender is on release for a felony pursuant to the provisions of article 28 of chapter 22 of the Kansas Statutes Annotated, or similar provisions of the laws of another jurisdiction, a new sentence may be imposed pursuant to the consecutive sentencing requirements of K.S.A. 21-4608, and amendments thereto, and the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(g) Prior to imposing a dispositional departure for a defendant whose offense is classified in the presumptive nonprison grid block of either sentencing guideline grid, prior to sentencing a defendant to incarceration whose offense is classified in grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes or in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes, prior to sentencing a defendant to incarceration whose offense is classified in grid blocks 4-E or 4-F of the sentencing guideline grid for drug crimes and whose offense does not meet the requirements of K.S.A. 21-4729, and amendments thereto, prior to revocation of a nonprison sanction of a defendant whose offense is classified in grid blocks 4-E or 4-F of the sentencing guideline grid for drug crimes and whose offense does not meet the requirements of K.S.A. 21-4729, and amendments thereto, or prior to revocation of a nonprison sanction of a defendant whose offense is classified in the presumptive nonprison grid block of either sentencing guideline grid or grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes or in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes, the court shall consider placement of the defendant in the Labette correctional conservation camp, conservation camps established by the secretary of corrections pursuant to K.S.A. 75-52,127, and amendment thereto or a community intermediate sanction center. Pursuant to this paragraph the defendant shall not be sentenced to imprisonment if space is available in a conservation camp or a community intermediate sanction center and the defendant meets all of the conservation camp's or a community intermediate sanction center's placement criteria unless the court states on the record the reasons for not placing the defendant in a conservation camp or a community intermediate sanction center.

(h) The court in committing a defendant to the custody of the secretary of corrections shall fix a term of confinement within the limits provided by law. In those cases where the law does not fix a term of confinement for the crime for which the defendant was convicted, the court shall fix the term of such confinement.

(i) In addition to any of the above, the court shall order the defendant to reimburse the state general fund for all or a part of the expenditures by the state board of indigents' defense

services to provide counsel and other defense services to the defendant. In determining the amount and method of payment of such sum, the court shall take account of the financial resources of the defendant and the nature of the burden that payment of such sum will impose. A defendant who has been required to pay such sum and who is not willfully in default in the payment thereof may at any time petition the court which sentenced the defendant to waive payment of such sum or any unpaid portion thereof. If it appears to the satisfaction of the court that payment of the amount due will impose manifest hardship on the defendant or the defendant's immediate family, the court may waive payment of all or part of the amount due or modify the method of payment. The amount of attorney fees to be included in the court order for reimbursement shall be the amount claimed by appointed counsel on the payment y oucher for indigents' defense services or the amount prescribed by the board of indigents' defense services reimbursement tables as provided in K.S.A. 22-4522, and amendments thereto, whichever is less.

(j) This section shall not deprive the court of any authority conferred by any other Kansas statute to decree a forfeiture of property, suspend or cancel a license, remove a person from office, or impose any other civil penalty as a result of conviction of crime.

(k) An application for or acceptance of probation or assignment to a community correctional services program shall not constitute an acquiescence in the judgment for purpose of appeal, and any convicted person may appeal from such conviction, as provided by law, without regard to whether such person has applied for probation, suspended sentence or assignment to a community correctional services program.

(I) The secretary of corrections is authorized to make direct placement to the Labette correctional conservation camp or a conservation camp established by the secretary pursuant to K.S.A. 75-52,127, and amendments thereto, of an inmate sentenced to the secretary's custody if the inmate: (1) Has been sentenced to the secretary for a probation revocation, as a departure from the presumptive nonimprisonment grid block of either sentencing grid, for an offense which is classified in grid blocks 5-H, 5-I, or 6-G of the sentencing guidelines grid for nondrug crimes or in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes, or for an offense which is classified in gridblocks 4-E or 4-F of the sentencing guidelines grid for drug crimes and such offense does not meet the requirements of K.S.A. 21-4729, and amendments thereto, and (2) otherwise meets admission criteria of the camp. If the inmate successfully completes a conservation camp program, the secretary of corrections shall report such completion to the sentencing court and the county or district attorney. The inmate shall then be assigned by the court to six months of follow-up supervision conducted by the appropriate community corrections services program. The court may also order that supervision continue thereafter for the length of time authorized by K.S.A. 21-4611 and amendments thereto.

(m) When it is provided by law that a person shall be sentenced pursuant to K.S.A. 1993 Supp. 21-4628, prior to its repeal, the provisions of this section shall not apply.

(n) Except as provided by subsection (f) of K.S.A. 21-4705, and amendments thereto, in addition to any of the above, for felony violations of K.S.A. 65-4160 or 65-4162, and amendments thereto, the court shall require the defendant who meets the requirements established in K.S.A. 21-4729, and amendments thereto, to participate in a certified drug abuse treatment program, as provided in K.S.A. 2007 2008 Supp. 75-52,144, and amendments thereto, including but not limited to, an approved after-care plan. If the defendant fails to participate in or has a pattern of intentional conduct that demonstrates the offender's refusal to comply with or participate in the treatment program, as established by judicial finding, the defendant shall be subject to revocation of probation and the defendant shall serve the underlying prison sentence as established in K.S.A. 21-4705, and amendments thereto. For those offenders who are convicted on or after the effective date of this act, upon completion of the underlying prison sentence, the defendant shall not be subject to a period of postrelease supervision. The amount of time spent participating in such program shall not be credited as service on the underlying prison sentence.

(o) (1) Except as provided in paragraph (3), in addition to any other penalty or disposition imposed by law, upon a conviction for unlawful possession of a controlled substance or controlled substance analog in violation of K.S.A. 65-4160, 65-4162 or 65-4164, and amendments thereto, in which the trier of fact makes a finding that the unlawful possession occurred while transporting the controlled substance or controlled substance analog in any vehicle upon a highway or street, the offender's driver's license or privilege to operate a motor vehicle on the streets and highways of this state shall be suspended for one year.

(2) Upon suspension of a license pursuant to this subsection, the court shall require the person to surrender the license to the court, which shall transmit the license to the division of motor vehicles of the department of revenue, to be retained until the period of suspension expires. At that time, the licensee may apply to the division for return of the license. If the license has expired, the person may apply for a new license, which shall be issued promptly upon payment of the proper fee and satisfaction of other conditions established by law for obtaining a license unless another suspension or revocation of the person's privilege to operate a motor vehicle is in effect.

(3) (A) In lieu of suspending the driver's license or privilege to operate a motor vehicle on the highways of this state of any person as provided in paragraph (1), the judge of the court in which such person was convicted may enter an order which places conditions on such person's privilege of operating a motor vehicle on the highways of this state, a certified copy of which such person shall be required to carry any time such person is operating a motor vehicle on the highways of this state. Any such order shall prescribe the duration of the conditions imposed, which in no event shall be for a period of more than one year.

(B) Upon entering an order restricting a person's license hereunder, the judge shall require such person to surrender such person's driver's license to the judge who shall cause it to be transmitted to the division of vehicles, together with a copy of the order. Upon receipt thereof, the division of vehicles shall issue without charge a driver's license which shall indicate on its face that conditions have been imposed on such person's privilege of operating a motor vehicle and that a certified copy of the order imposing such conditions is required to be carried by the person for whom the license was issued any time such person is operating a motor vehicle on the highways of this state. If the person convicted is a nonresident, the judge shall cause a copy of the order to be transmitted to the division shall forward a copy of it to the motor vehicle administrator, of such person's state of residence. Such judge shall furnish to any person whose driver's license has had conditions imposed on it under this paragraph a copy of the order, which shall be recognized as a valid Kansas driver's license until such time as the division shall issue the restricted license provided for in this paragraph.

(C) Upon expiration of the period of time for which conditions are imposed pursuant to this subsection, the licensee may apply to the division for the return of the license previously surrendered by such licensee. In the event such license has expired, such person may apply to the division for a new license, which shall be issued immediately by the division upon payment of the proper fee and satisfaction of the other conditions established by law, unless such person's privilege to operate a motor vehicle on the highways of this state has been suspended or revoked prior thereto. If any person shall violate any of the conditions imposed under this paragraph, such person's driver's license or privilege to operate a motor vehicle on the highways of this state shall be revoked for a period of not less than 60 days nor more than one year by the judge of the court in which such person is convicted of violating such conditions.

(4) As used in this subsection, "highway" and "street" have the meanings provided by K.S.A. 8-1424 and 8-1473, and amendments thereto.

EXPLANATION OF VOTE

MR. PRESIDENT: I vote "No" on **HB 2060**. At least once a year, this Legislature is bamboozled into the hypocrisy of the need to exercise wise fiscal constraint versus the belief that excessive expense will actually benefit the common good. **HB 2060** does just that. It's only purpose is to inflate crimes with mandatory prison sentences. The more sentences; the fewer available prison beds . . . and the need to spend more precious tax dollars to expand prison space.

Mr. President, this would all be well and good if the general public were better protected or even better served. But, none of the provisions of this special interest conglomerate, make the average Kansan any safer, only poorer. Wisdom prevailing . . . again I vote "No".—DAVID HALEY

The Conference Committee report was adopted.

EXPLANATION OF VOTE

MR. PRESIDENT: I vote NO on the conference committee report for HB 2121.

I have no objections to the provisions that were originally within **HB 2121** however I do object to some of the provisions of **HB 2295** that were added to the conference committee report on this bill. It is sensible to require the owner or operator of a dairy manufacturing plant to verify that their claims are accurate. It is not sensible for the legislature to pass measures that may restrict information for consumers who want to know that the cows producing milk for a specific product have not been injected with rbST. The Federal Food and Drug Administration gives guidance on labeling regarding rbST that is working for farmers, processors, marketers and consumers; they also require that the statements be truthful. To go beyond those guidelines and establish our own state requirements for labeling is not friendly to Kansas, national, and international businesses. Because the ambiguous word "similar" is used in the requirements the state will be collecting fee funds from Kansas dairies that will have to be spent giving out of state businesses direction that we could have easily provided more straightforwardly in the statute.—MARCI FRANCISCO

Senators Hensley and Kelly request the record to show they concur with the "Explanation of Vote" offered by Senator Francisco on **HB 2121**.

EXPLANATION OF VOTE

MR. PRESIDENT: While there are various positive aspects to **House Bill 2158**, the attempt to regulate websites, e-mails, and all other Internet communication is clearly overboard and potentially unconstitutional. By subjecting political e-mails, blogs, editorials, tweets, and websites of our constituents to government scrutiny and possible fines and other penalties if certain language is not included, we are severely limiting lst Amendment protections for political participation. Whether it be the age of the printing press or the Internet, this is not the American thing to do.—TIM HUELSKAMP

Senators Brownlee and Lynn request the record to show they concur with the "Explanation of Vote" offered by Senator Huelskamp on **House Bill 2158**.

MR. PRESIDENT: I vote no on **HB 2158**. I am concerned that well intentioned Kansans will find themselves in violation of Kansas law and face harsh fines whey they engage in internet communications on behalf of a candidate. Political speech and advocacy by individuals should be encouraged and protected in our society.—SUSAN WAGLE

Senator Petersen requests the record to show he concurs with the "Explanation of Vote" offered by Senator Wagle on **HB 2158**.

The provisions of this section shall apply to the estates of all decedents dying after December 31, 2006, but before January 1, 2010. The provisions of this section shall be part of and supplemental to the Kansas estate tax act.

Sec. 5. K.S.A. 2008 Supp. 79-15,253 is hereby amended to read as follows: 79-15,253. On January 1, 2010, the provisions of K.S.A. 2008 Supp. 79-15,201 through 79-15,253, *and section 4*, and amendments thereto, are hereby repealed.

Sec. 6. K.S.A. 2008 Supp. 79-3230 is hereby amended to read as follows: 79-3230. (a) The amount of income taxes imposed by this act shall be assessed within three years after the original return was filed, the tax as shown to be due on the return was paid or within one year after an amended return is filed, whichever is the later date, and no proceedings in court for the collection of such taxes shall be begun after the expiration of such period. For purposes of this act any return filed before the 15th day of the fourth month following the close of the taxable year shall be considered as being filed on the 15th day of the fourth month following the close of the taxable year, and any tax shown to be due on the return and paid before the 15th day of the fourth month following the close of the taxable year, shall be deemed to have been paid on the 15th day of the fourth month following the close of the taxable year.

(b) In the case of a false or fraudulent return with intent to evade tax, the tax may be assessed, or a proceeding in court for collection of such tax may be begun at any time.

(c) No claim shall be allowed for credit or refund of overpayment of any tax imposed by this act unless filed by the taxpayer within three years from the date the original return was filed *due*, *including any extension allowed pursuant to law*, or two years from the date the tax claimed to be refunded or against which the credit is claimed was paid, whichever of such periods expires later, or if no return was filed by the taxpayer, within two years from the date the tax claimed to be refunded or against which the credit is claimed was paid. Where the assessment of any income tax imposed by this act has been made within the period of limitation properly applicable thereto, such tax may be collected by distraint or by a proceeding in court, but only if begun within one year after the period of limitation as defined in this act.

(d) In case a taxpayer has made claim for a refund, the taxpayer shall have the right to commence a suit for the recovery of the refund at the expiration of six months after the filing of the claim for refund, if no action has been taken by the director of taxation.

(e) Before the expiration of time prescribed in this section for the assessment of additional tax or the filing of a claim for a refund, the director of taxation is authorized to enter into an agreement in writing with the taxpayer consenting to the extension of the periods of limitations as defined in this act for the assessment of tax or for the filing of a claim for refund, at any time prior to the expiration of the period of limitations. The period so agreed upon may be extended by subsequent agreements in writing made before the expiration of the period previously agreed upon. A copy of all such agreements and extensions thereof shall be filed with the director of taxation within 30 days after their execution.

(f) Any taxpayer whose income has been adjusted by the federal internal revenue service or by the income tax collection agency of another state is required to report such adjustments to the Kansas department of revenue by mail within 180 days of the date the federal or other state adjustments are paid, agreed to or become final, whichever is earlier. Such adjustments shall be reported by filing an amended return for the applicable taxable year and a copy of the federal or state revenue agent's report detailing such adjustments. In the event such taxpayer is a corporation, such report shall be by certified or registered mail.

Notwithstanding the provisions of subsection (a) or (c) of this section, additional income taxes may be assessed and proceedings in court for collection of such taxes may be commenced and any refund or credit may be allowed by the director of taxation within 180 days following receipt of any such report of adjustments by the Kansas department of revenue, or within two years from the date the tax claimed to be refunded or, against which the credit is claimed was paid, whichever period expires later. No assessment shall be made nor any refund or credit shall be allowable under the provisions of this paragraph subsection except to the extent the same is attributable to changes in the taxpayer's income due to adjustments indicated by such report. *Failure by the taxpayer to comply with the provisions of this subsection shall not bar the Kansas department of revenue from assessing additional taxes or proceeding in court to collect such taxes.*

(g) In the event of failure to comply with the provisions of this section, the statute of limitations shall be tolled Failure by the taxpayer to comply with the requirements for filing returns shall toll the periods of limitation for the Kansas department of revenue to assess or collect taxes.

Sec. 7. K.S.A. 2008 Supp. 79-4502 is hereby amended to read as follows: 79-4502. As used in this act, unless the context clearly indicates otherwise:

"Income" means the sum of adjusted gross income under the Kansas income tax (a)act, maintenance, support money, cash public assistance and relief, not including any refund granted under this act, the gross amount of any pension or annuity, including all monetary retirement benefits from whatever source derived, including but not limited to, all payments received under the railroad retirement act, except disability payments, payments received under the federal social security act, except that for determination of what constitutes income such amount shall not exceed 50% of any such social security payments and shall not include any social security payments to a claimant who prior to attaining full retirement age had been receiving disability payments under the federal social security act in an amount not to exceed the amount of such disability payments or 50% of any such social security payments, whichever is greater, all dividends and interest from whatever source derived not included in adjusted gross income, workers compensation and the gross amount of "loss of time" insurance. Income does not include gifts from nongovernmental sources or surplus food or other relief in kind supplied by a governmental agency, nor shall net operating losses and net capital losses be considered in the determination of income. Income does not

include veterans disability pensions. Income does not include disability payments received under the federal social security act.

(b) "Household" means a claimant, a claimant and spouse who occupy the homestead or a claimant and one or more individuals not related as husband and wife who together occupy a homestead.

 $(c)^{2}$ "Household income" means all income received by all persons of a household in a calendar year while members of such household.

(d) "Homestead" means the dwelling, or any part thereof, whether owned or rented, which is occupied as a residence by the household and so much of the land surrounding it, as defined as a home site for ad valorem tax purposes, and may consist of a part of a multi-dwelling or multi-purpose building and a part of the land upon which it is built or a manufactured home or mobile home and the land upon which it is situated. "Owned" includes a vendee in possession under a land contract, a life tenant, a beneficiary under a trust and one or more joint tenants or tenants in common.

(e) "Claimant" means a person who has filed a claim under the provisions of this act and was, during the entire calendar year preceding the year in which such claim was filed for refund under this act, except as provided in K.S.A. 79-4503, and amendments thereto, both domiciled in this state and was: (1) A person having a disability; (2) a person who is 55 years of age or older $\overline{\sigma(3)}$; (3) a disabled veteran; (4) the surviving spouse of active duty military personnel who died in the line of duty; or (5) a person other than a person included under (1) $\overline{\sigma}$, (2), (3) or (4) having one or more dependent children under 18 years of age residing at the person's homestead during the calendar year immediately preceding the year in which a claim is filed under this act. The surviving spouse of a disabled veteran who was receiving benefits pursuant to subsection (e)(3) of this section at the time of the veterans' death, shall be eligible to continue to receive benefits until such time the surviving spouse remarries.

When a homestead is occupied by two or more individuals and more than one of the individuals is able to qualify as a claimant, the individuals may determine between them as to whom the claimant will be. If they are unable to agree, the matter shall be referred to the secretary of revenue whose decision shall be final.

(f) "Property taxes accrued" means property taxes, exclusive of special assessments, delinquent interest and charges for service, levied on a claimant's homestead in 1979 or any calendar year thereafter by the state of Kansas and the political and taxing subdivisions of the state. When a homestead is owned by two or more persons or entities as joint tenants or tenants in common and one or more of the persons or entities is not a member of claimant's household, "property taxes accrued" is that part of property taxes levied on the homestead that reflects the ownership percentage of the claimant's household. For purposes of this act, property taxes are "levied" when the tax roll is delivered to the local treasurer with the treasurer's warrant for collection. When a claimant and household own their homestead part of a calendar year, "property taxes accrued" means only taxes levied on the homestead when both owned and occupied as a homestead by the claimant's household at the time of the levy, multiplied by the percentage of 12 months that the property was owned and occupied by the household as its homestead in the year. When a household owns and occupies two or more different homesteads in the same calendar year, property taxes accrued shall be the sum of the taxes allocable to those several properties while occupied by the household as its homestead during the year. Whenever a homestead is an integral part of a larger unit such as a multi-purpose or multi-dwelling building, property taxes accrued shall be that percentage of the total property taxes accrued as the value of the homestead is of the total value. For the purpose of this act, the word "unit" refers to that parcel of property covered by a single tax statement of which the homestead is a part.

(g) "Disability" means:

(1) Inability to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or has lasted or can be expected to last for a continuous period of not less than 12 months, and an individual shall be determined to be under a disability only if the physical or mental impairment or impairments are of such severity that the individual is not only unable to do the individual's previous work but cannot, considering age, education and work experience,

engage in any other kind of substantial gainful work which exists in the national economy, regardless of whether such work exists in the immediate area in which the individual lives or whether a specific job vacancy exists for the individual, or whether the individual would be hired if application was made for work. For purposes of the preceding sentence (with respect to any individual), "work which exists in the national economy" means work which exists in significant numbers either in the region where the individual lives or in several regions of the country; for purposes of this subsection, a "physical or mental impairment" is an impairment that results from anatomical, physiological or psychological abnormalities which are demonstrable by medically acceptable clinical and laboratory diagnostic techniques; or

(2) blindness and inability by reason of blindness to engage in substantial gainful activity requiring skills or abilities comparable to those of any gainful activity in which the individual has previously engaged with some regularity and over a substantial period of time.

(h) "Blindness" means central visual acuity of $^{20}2_{000}$ or less in the better eye with the use of a correcting lens. An eye which is accompanied by a limitation in the fields of vision such that the widest diameter of the visual field subtends an angle no greater than 20 degrees shall be considered for the purpose of this paragraph as having a central visual acuity of $^{20}2_{000}$ or less.

(i) "Rent constituting property taxes accrued" means 15% of the gross rent actually paid in cash or its equivalent in 2007 or any taxable year thereafter by a claimant and claimant's household solely for the right of occupancy of a Kansas homestead on which ad valorem property taxes were levied in full for that year. When a household occupies two or more different homesteads in the same calendar year, rent constituting property taxes accrued shall be computed by adding the rent constituting property taxes accrued for each property rented by the household while occupied by the household as its homestead during the year.

(j) "Gross rent" means the rental paid at arm's length solely for the right of occupancy of a homestead or space rental paid to a landlord for the parking of a mobile home, exclusive of charges for any utilities, services, furniture and furnishings or personal property appliances furnished by the landlord as a part of the rental agreement, whether or not expressly set out in the rental agreement. Whenever the director of taxation finds that the landlord and tenant have not dealt with each other at arms length and that the gross rent charge was excessive, the director may adjust the gross rent to a reasonable amount for the purposes of the claim.

(k) "Disabled veteran" means a person who is a resident of Kansas and has been honorably discharged from active service in any branch of the armed forces of the United States or Kansas national guard and who has been certified by the United States department of veterans affairs or its successor to have a 50% permanent disability sustained through military action or accident or resulting from disease contracted while in such active service."; And by renumbering the remaining sections accordingly;

Also on page 85, in line 43, by striking all after "Supp." and by inserting "79-15,253, 79-3230, 79-3602, as amended by section 1 of 2009 House Bill No. 2321, 79-3603, 79-3606 and 79-4502";

On page 1, in the title, in line 10, by striking "sales" the first time it appears; in line 11, after "exemptions" by inserting "; valuation of land devoted to agricultural use for estate tax purposes; periods of limitation for income tax refunds and adjustments of income; home-stead property tax refunds;"; in line 12, by striking "79-3602, 79-3603 and 79-3606" and inserting "79-15,253, 79-3230, 79-3602, as amended by section 1 of 2009 House Bill No. 2321, 79-3603, 79-3606 and 79-4502";

EXPLANATION OF VOTE

MR. PRESIDENT: I really wanted to vote for **HB 2172** because of the sales tax exemption for Goodwill Industries and the Homestead Property Tax Refund Program which would include disabled veterans and their spouses. Those two entities represent only about 3.5% of the potential revenue in this conference committee report. However, I cannot in good conscience support this report because I believe we need to consider all revenue options in addition to the significant budget cuts we have already passed out of this body during these tough economic times.—KELLY KULTALA

Senators Haley and Kelly request the record to show they concur with the "Explanation of Vote" offered by Senator Kultala on **HB 2172.**

MR. PRESIDENT: In light of the budget situation our state is facing, I cannot vote for **HB 2172.** Even though the bill included several sales tax exemptions, a clarification to the estate tax provisions dealing with the valuation of agricultural land, and an expansion of who would be eligible to claim the Homestead Property Tax Refund program, all of which I would very much have liked to have been able to support, I cannot vote for this bill. When the state is being forced to cut funding for K-12 education and for programs for our senior citizens as well as not having the financial resources to increase support for Home and Community Based Service for our disability populations, I cannot vote for legislation which would exacerbate that very situation.—JANIS LEE

Senators Francisco, Haley, Hensley, and Kelly request the record to show they concur with the "Explanation of Vote" offered by Senator Lee on **HB 2172**.

MR. PRESIDENT: I vote aye on the conference committee report on **House Bill 2172**. This bill contains good tax policy. In difficult fiscal times, I believe that any tax reductions this year should be offset so that the net effect on state revenues is flat. **House Bill 2172** and our other actions today accomplish that goal.

This conference committee report contains at least four provisions for which enactment of **House Bill 2172** is required to maintain the status quo. Oddly, however, the official fiscal note on this bill only acknowledges the lost revenues from this bill's effect on three of those provisions. It ignores the gained revenues from changing the fourth. I believe fiscal notes should be consistent in how they count the cost of inaction. If the revenue gain from enactment of the **House Bill 2172**, estimated in committee testimony at about \$5 million per year, were counted, then the net fiscal note for this bill becomes positive in the first year. Coupled with the positive fiscal note from the other tax bill we approved today, the net effect of the Senate's actions on tax policy today is revenue neutral.—DEREK SCHMIDT

Senators Abrams, Brownlee, Lynn, McGinn, Ostmeyer, Petersen, and Teichman request the record to show they concur with the "Explanation of Vote" offered by Senator D. Schmidt on **House Bill 2172.**

MR. PRESIDENT: I vote no on the conference committee report on **House Bill 2172** because it further erodes the state sales tax base. The charitable organizations benefitting from this bill are worthy, but we must draw the line on sales tax exemptions somewhere. We now have over 100 sales tax exemptions. This bill is estimated to reduce state revenue in 2010 by $\$4\frac{1}{2}$ million and a total of \$43.6 million over five years. We will wish we had this revenue when we labor to pass the Omnibus budget. Although the motives are good, the results of this bill are bad. We cannot afford **House Bill 2172.**—JOHN VRATIL

Senators Francisco, Haley, Hensley, Kelly and Owens request the record to show they concur with the "Explanation of Vote" offered by Senator Vratil on **House Bill 2172**.

EXPLANATION OF VOTE

MR. PRESIDENT: I strongly support **SB 97**. Last month we lost 9700 jobs in Kansas, and just last week the number of Kansans requesting unemployment increased dramatically.

The PEAK Act is a major economic shot in the arm when we need it most. It will create jobs that otherwise would never come to Kansas.

Furthermore the fiscal note shows how we should look at the economic impact of all major bills.

We need to create jobs in Kansas. This is a great step forward.—JEFF COLYER

Senators Apple, Brownlee, Donovan, Lynn and Petersen request the record to show they concur with the "Explanation of Vote" offered by Senator Colyer on **SB 97**.

SENATE CHAMBER, TOPEKA, KANSAS Friday, April 3, 2009—10:00 a.m.

The Senate was called to order by President Stephen Morris. The roll was called with thirty-nine senators present. Senator Wysong was excused. Invocation by Chaplain Fred S. Hollomon:

Heavenly Father,

Each session is planned for ninety days; Sometimes we don't make it, sometimes we do. If there's a lot of pressure involved, We strive to get it through.

But often it takes more time To produce bills fit to present. Then the public is quickly informed How much more money we spent.

Whether we hurry or whether we don't, The result is always the same Some people think we did well, Most people think it's a shame.

So I ask You, Lord, to help us To try hard to get some rest, To remember we can't please everyone, And just continue to do our best.

I pray in the Name of Jesus Christ,

AMEN

the opinion that there is reasonable probability that the inmate can be released without detriment to the community or to the inmate. Parole shall not be granted as an award of clemency and shall not be considered a reduction of sentence or a pardon.

(h) The Kansas parole board shall hold a parole hearing at least the month prior to the month an inmate will be eligible for parole under subsections (a), (b) and (c). At least the month preceding the parole hearing, the county or district attorney of the county where the inmate was convicted shall give written notice of the time and place of the public comment sessions for the inmate to any victim of the inmate's crime who is alive and whose address is known to the county or district attorney or, if the victim is deceased, to the victim's family if the family's address is known to the county or district attorney. Except as otherwise provided, failure to notify pursuant to this section shall not be a reason to postpone a parole hearing. In the case of any inmate convicted of an off-grid felony or a class A felony the secretary of corrections shall give written notice of the time and place of the public comment session for such inmate at least one month preceding the public comment session to any victim of such inmate's crime or the victim's family pursuant to K.S.A. 74-7338, and amendments thereto. If notification is not given to such victim or such victim's family in the case of any inmate convicted of an off-grid felony or a class A felony, the board shall postpone a decision on parole of the inmate to a time at least 30 days after notification is given as provided in this section. Nothing in this section shall create a cause of action against the state or an employee of the state acting within the scope of the employee's employment as a result of the failure to notify pursuant to this section. If granted parole, the inmate may be released on parole on the date specified by the board, but not earlier than the date the inmate is eligible for parole under subsections (a), (b) and (c). At each parole hearing and, if parole is not granted, at such intervals thereafter as it determines appropriate, the Kansas parole board shall consider: (1) Whether the inmate has satisfactorily completed the programs required by any agreement entered under K.S.A. 75-5210a, and amendments thereto, or any revision of such agreement; and (2) all pertinent information regarding such inmate, including, but not limited to, the circumstances of the offense of the inmate; the presentence report; the previous social history and criminal record of the inmate; the conduct, employment, and attitude of the inmate in prison; the reports of such physical and mental examinations as have been made, including, but not limited to, risk factors revealed by any risk assessment of the inmate; comments of the victim and the victim's family including in person comments, contemporaneous comments and prerecorded comments made by any technological means; comments of the public; official comments; any recommendation by the staff of the facility where the inmate is incarcerated; proportionality of the time the inmate has served to the sentence a person would receive under the Kansas sentencing guidelines for the conduct that resulted in the inmate's incarceration; and capacity of state correctional institutions.

(i) In those cases involving inmates sentenced for a crime committed after July 1, 1993, the parole board will review the inmates proposed release plan. The board may schedule a hearing if they desire. The board may impose any condition they deem necessary to insure public safety, aid in the reintegration of the inmate into the community, or items not completed under the agreement entered into under K.S.A. 75-5210a, and amendments thereto. The board may not advance or delay an inmate's release date. Every inmate while on post-release supervision shall remain in the legal custody of the secretary of corrections and is subject to the orders of the secretary.

(j) Before ordering the parole of any inmate, the Kansas parole board shall have the inmate appear before either in person or via a video conferencing format and shall interview the inmate unless impractical because of the inmate's physical or mental condition or absence from the institution. Every inmate while on parole shall remain in the legal custody of the secretary of corrections and is subject to the orders of the secretary. Whenever the Kansas parole board formally considers placing an inmate on parole and no agreement has been entered into with the inmate under K.S.A. 75-5210a, and amendments thereto, the board shall notify the inmate in writing of the reasons for not granting parole. If an agreement has been entered under K.S.A. 75-5210a, and amendments thereto, and the inmate has not satisfactorily completed the programs specified in the agreement, or any revision of such agreement, the board shall notify the inmate in writing of the secretary.

inmate must satisfactorily complete before parole will be granted. If parole is not granted only because of a failure to satisfactorily complete such programs, the board shall grant parole upon the secretary's certification that the inmate has successfully completed such programs. If an agreement has been entered under K.S.A. 75-5210a, and amendments thereto, and the secretary of corrections has reported to the board in writing that the inmate has satisfactorily completed the programs required by such agreement, or any revision thereof, the board shall not require further program participation. However, if the board determines that other pertinent information regarding the inmate warrants the inmate's not being released on parole, the board shall state in writing the reasons for not granting the parole. If parole is denied for an inmate sentenced for a crime other than a class A or class B felony or an off-grid felony, the board shall hold another parole hearing for the inmate not later than one year after the denial unless the parole board finds that it is not reasonable to expect that parole would be granted at a hearing if held in the next three years or during the interim period of a deferral. In such case, the parole board may defer subsequent parole hearings for up to three years but any such deferral by the board shall require the board to state the basis for its findings. If parole is denied for an inmate sentenced for a class A or class B felony or an off-grid felony, the board shall hold another parole hearing for the inmate not later than three years after the denial unless the parole board finds that it is not reasonable to expect that parole would be granted at a hearing if held in the next 10 years or during the interim period of a deferral. In such case, the parole board may defer subsequent parole hearings for up to 10 years but any such deferral shall require the board to state the basis for its findings.

 $(k)\,\,$ Parolees and persons on postrelease supervision shall be assigned, upon release, to the appropriate level of supervision pursuant to the criteria established by the secretary of corrections.

(1) The Kansas parole board shall adopt rules and regulations in accordance with K.S.A. 77-415 et seq., and amendments thereto, not inconsistent with the law and as it may deem proper or necessary, with respect to the conduct of parole hearings, postrelease supervision reviews, revocation hearings, orders of restitution, reimbursement of expenditures by the state board of indigents' defense services and other conditions to be imposed upon parolees or releasees. Whenever an order for parole or postrelease supervision is issued it shall recite the conditions thereof.

(m) Whenever the Kansas parole board orders the parole of an inmate or establishes conditions for an inmate placed on postrelease supervision, the board:

(1) Unless it finds compelling circumstances which would render a plan of payment unworkable, shall order as a condition of parole or postrelease supervision that the parolee or the person on postrelease supervision pay any transportation expenses resulting from returning the parolee or the person on postrelease supervision to this state to answer criminal charges or a warrant for a violation of a condition of probation, assignment to a community correctional services program, parole, conditional release or postrelease supervision;

(2) to the extent practicable, shall order as a condition of parole or postrelease supervision that the parolee or the person on postrelease supervision make progress towards or successfully complete the equivalent of a secondary education if the inmate has not previously completed such educational equivalent and is capable of doing so;

(3) may order that the parolee or person on postrelease supervision perform community or public service work for local governmental agencies, private corporations organized notfor-profit or charitable or social service organizations performing services for the community;

(4) may order the parolee or person on postrelease supervision to pay the administrative fee imposed pursuant to K.S.A. 22-4529, and amendments thereto, unless the board finds compelling circumstances which would render payment unworkable; and

(5) unless it finds compelling circumstances which would render a plan of payment unworkable, shall order that the parolee or person on postrelease supervision reimburse the state for all or part of the expenditures by the state board of indigents' defense services to provide counsel and other defense services to the person. In determining the amount and method of payment of such sum, the parole board shall take account of the financial resources of the person and the nature of the burden that the payment of such sum will

impose. Such amount shall not exceed the amount claimed by appointed counsel on the payment voucher for indigents' defense services or the amount prescribed by the board of indigents' defense services reimbursement tables as provided in K.S.A. 22-4522, and amendments thereto, whichever is less, minus any previous payments for such services.

(n) If the court which sentenced an inmate specified at the time of sentencing the amount and the recipient of any restitution ordered as a condition of parole or postrelease supervision, the Kansas parole board shall order as a condition of parole or postrelease supervision that the inmate pay restitution in the amount and manner provided in the journal entry unless the board finds compelling circumstances which would render a plan of restitution unworkable.

(o) Whenever the Kansas parole board grants the parole of an inmate, the board, within 10 days of the date of the decision to grant parole, shall give written notice of the decision to the county or district attorney of the county where the inmate was sentenced.

(p) When an inmate is to be released on postrelease supervision, the secretary, within 30 days prior to release, shall provide the county or district attorney of the county where the inmate was sentenced written notice of the release date.

(q) Inmates shall be released on postrelease supervision upon the termination of the prison portion of their sentence. Time served while on postrelease supervision will vest.

(r) An inmate who is allocated regular good time credits as provided in K.S.A. 22-3725, and amendments thereto, may receive meritorious good time credits in increments of not more than 90 days per meritorious act. These credits may be awarded by the secretary of corrections when an inmate has acted in a heroic or outstanding manner in coming to the assistance of another person in a life threatening situation, preventing injury or death to a person, preventing the destruction of property or taking actions which result in a financial savings to the state.

(s) The provisions of subsections (d)(1)(A), (d)(1)(B), (d)(1)(C) and (d)(1)(E) shall be applied retroactively as provided in subsection (t).

(t) For offenders sentenced prior to the effective date of this act who are eligible for modification of their postrelease supervision obligation, the department of corrections shall modify the period of postrelease supervision as provided for by this section for offenders convicted of severity level 9 and 10 crimes on the sentencing guidelines grid for nondrug crimes and severity level 4 crimes on the sentencing guidelines grid for drug crimes on or before September 1, 2000; for offenders convicted of severity level 7 and 8 crimes on the sentencing guidelines grid for nondrug crimes on or before November 1, 2000; and for offenders convicted of severity level 5 and 6 crimes on the sentencing guidelines grid for drug crimes on or before Sentencing guidelines grid for drug crimes on or before Sentencing guidelines grid for drug crimes on or before January 1, 2001.

(u) An inmate sentenced to imprisonment pursuant to K.S.A. 21-4643, and amendments thereto, for crimes committed on or after July 1, 2006, shall be placed on parole for life and shall not be discharged from supervision by the Kansas parole board. When the board orders the parole of an inmate pursuant to this subsection, the board shall order as a condition of parole that the inmate be electronically monitored for the duration of the inmate's natural life.

 $\left(v\right)$ Whenever the Kansas parole board or the court orders a person to be electronically monitored, the board or court shall order the person to reimburse the state for all or part of the cost of such monitoring. In determining the amount and method of payment of such sum, the board or court shall take account of the financial resources of the person and the nature of the burden that the payment of such sum will impose.

(w) Documents, records and reports from the parole board, reviewed and produced on and after July 1, 2008 through June 30, 2009, concerning factors and rationale used to determine the granting or denial of parole, shall be available to members of the standing senate committee on judiciary, house committee on judiciary, house committee on corrections and juvenile justice and the joint committee on corrections and juvenile justice, when carrying out such committee's official functions in accordance with K.S.A. 75-4319, and amendments thereto, in a closed or executive meeting. The parole board shall provide to such legislative members a summary statement of the factors and rationale used to determine such grant or denial. Such information shall include such summary statement and any correspondence received by the parole board relating to such grant or denial. Documents, records and reports received by the committee are confidential and shall not be further disclosed. Such documents, records and reports received shall not be subject to K.S.A. 45-221, and amendments thereto. All copies of such documents, records and reports shall be returned to the parole board prior to the open meeting resuming. Unauthorized disclosure may subject such member to discipline or censure from the house of representatives or senate.

The Senate accedes to all House amendments to the bill, and your committee on conference further agrees to amend the bill, as printed with House Committee amendments, as follows:

On page 1, following line 16, by inserting the following:

"New Section 1. (a) In addition to any other fees specifically prescribed by law, on and after July 1, 2009, through June 30, 2010, the supreme court may impose a charge, not to exceed \$10 per fee, to fund the costs of non-judicial personnel, on the following:

(1)~ A person who requests an order or writ of execution, pursuant to K.S.A. 60-2401, and amendments thereto.

(2) Persons who request a hearing in aid of execution or an alias order for hearing pursuant to K.S.A. 60-2419, and amendments thereto.

(3) A person requesting an order for garnishment pursuant to article 7 of chapter 60 of the Kansas Statutes Annotated, and amendments thereto, or article 35 of chapter 61 of the Kansas Statutes Annotated, and amendments thereto.

(4) Persons who request a writ or order of sale pursuant to K.S.A. 61-3602, and amendments thereto.

(5)~ A person who requests a hearing in aid of execution, pursuant to K.S.A. 61-3604, and amendments thereto.

(b) The clerk of the district court shall remit all revenues received from the fees imposed pursuant to subsection (a) to the state treasurer, in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the judicial branch surcharge fund.

(c) The fees established in this section shall be the only fee collected or moneys in the nature of a fee collected for such court procedures. Such fee shall only be established by an act of the legislature and no other authority is established by law or otherwise to collect a fee.

Sec. 2. K.S.A. 2008 Supp. 8-2107 is hereby amended to read as follows: 8-2107. (a) (1) Notwithstanding any other provisions of the uniform act regulating traffic on highways, when a person is stopped by a police officer for any of the offenses described in subsection (d) and such person is not immediately taken before a judge of the district court, the police officer may require the person stopped, subject to the provisions of subsection (c), to deposit with the officer a valid Kansas driver's license in exchange for a receipt therefor issued by such police officer, the form of which shall be approved by the division of vehicles. Such receipt shall be recognized as a valid temporary Kansas driver's license authorizing the operation of a motor vehicle by the person stopped until the date of the hearing stated on the receipt. The driver's license and a written copy of the notice to appear shall be delivered by the police officer to the court having jurisdiction of the offense charged as soon as reasonably possible. If the hearing on such charge is continued for any reason, the judge may note on the receipt date to which such hearing has been continued and such receipt shall be recognized as a valid temporary Kansas driver's license until such date, but in no

event shall such receipt be recognized as a valid Kansas driver's license for a period longer than 30 days from the date set for the original hearing. Any person who has deposited a driver's license with a police officer under this subsection (a) shall have such license returned upon final determination of the charge against such person.

(2) In the event the person stopped deposits a valid Kansas driver's license with the police officer and fails to appear in the district court on the date set for appearance, or any continuance thereof, and in any event within 30 days from the date set for the original hearing, the court shall forward such person's driver's license to the division of vehicles with an appropriate explanation attached thereto. Upon receipt of such person's driver's license, the division shall suspend such person's privilege to operate a motor vehicle in this state until such person appears before the court having jurisdiction of the offense charged, the court makes a final disposition thereof and notice of such disposition is given by the court to the division. No new or replacement license shall be issued to any such person until such notice of disposition has been received by the division. The provisions of K.S.A. 8-256, and amendments thereto, limiting the suspension of a license to one year, shall not apply to suspensions for failure to appear as provided in this subsection (a).

(b) No person shall apply for a replacement or new driver's license prior to the return of such person's original license which has been deposited in lieu of bond under this section. Violation of this subsection (b) is a class C misdemeanor. The division may suspend such person's driver's license for a period of not to exceed one year from the date the division receives notice of the disposition of the person's charge as provided in subsection (a).

(c) (1) In lieu of depositing a valid Kansas driver's license with the stopping police officer as provided in subsection (a), the person stopped may elect to give bond in the amount specified in subsection (d) for the offense for which the person was stopped. When such person does not have a valid Kansas driver's license, such person shall give such bond. Such bond shall be subject to forfeiture if the person stopped does not appear at the court and at the time specified in the written notice provided for in K.S.A. 8-2106, and amendments thereto.

(2) Such bond may be a cash bond, a bank card draft from any valid and unexpired credit card approved by the division of vehicles or superintendent of the Kansas highway patrol or a guaranteed arrest bond certificate issued by either a surety company authorized to transact such business in this state or an automobile club authorized to transact business in this state or an automobile club authorized to transact business in this state or an automobile club authorized to transact business in this state by the commissioner of insurance. If any of the approved bank card issuers redeem the bank card draft at a discounted rate, such discount shall be charged against the amount designated as the fine for the offense. If such bond is not forfeited, the amount of the bond less the discount rate shall be reimbursed to the person providing the bond by the use of a bank card draft. Any such guaranteed arrest bond certificate shall be signed by the person to whom it is issued and shall contain a printed statement that such surety company or automobile club guarantees the appearance of such person and will, in the event of failure of such person not to exceed an amount to be stated on such certificate.

(3) Such cash bond shall be taken in the following manner: The police officer shall furnish the person stopped a stamped envelope addressed to the judge or clerk of the court named in the written notice to appear and the person shall place in such envelope the amount of the bond, and in the presence of the police officer shall deposit the same in the United States mail. After such cash payment, the person stopped need not sign the written notice to appear, but the police officer shall note the amount of the bond mailed on the notice to appear form and shall give a copy of such form to the person. If the person stopped furnishes the police officer with a guaranteed arrest bond certificate or bank card draft, the police officer shall give such person a receipt therefor and shall note the amount of the bond on the notice to appear form and give a copy of such form to the person stopped. Such person need not sign the written notice to appear, and the guaranteed arrest bond certificate or bank card draft to the court having jurisdiction of the offense charged as soon as reasonably possible.

 $(d) \quad$ The offenses for which appearance bonds may be required as provided in subsection (c) and the amounts thereof shall be as follows:

On and after July 1, 1996:

Deal-loss driving	\$82
Reckless driving	@02
Driving when privilege is canceled, suspended or revoked	82
Failure to comply with lawful order of officer	57
Registration violation (registered for 12,000 pounds or less)	52
Registration violation (registered for more than 12,000 pounds)	92
No driver's license for the class of vehicle operated or violation of	
restrictions	52
Spilling load on highway	52
Transporting open container of alcoholic liquor or cereal malt beverage	
accessible while vehicle in motion	223

(e) In the event of forfeiture of any bond under this section, \$75 of the amount forfeited shall be regarded as a docket fee in any court having jurisdiction over the violation of state law.

(f) None of the provisions of this section shall be construed to conflict with the provisions of the nonresident violator compact.

(g) When a person is stopped by a police officer for any traffic infraction and the person is a resident of a state which is not a member of the nonresident violator compact, K.S.A. 8-1219 et seq., and amendments thereto, or the person is licensed to drive under the laws of a foreign country, the police officer may require a bond as provided for under subsection (c). The bond shall be in the amount specified in the uniform fine schedule in subsection (c) of K.S.A. 8-2118, and amendments thereto, plus \$75 which shall be regarded as a docket fee in any court having jurisdiction over the violation of state law.

The party filing such notice shall within 30 days after any satisfaction of the judgment entered in such action, or any other final disposition thereof, cause to be filed with such clerk of the district court a notice that all claims in such action are released. (c) Notwithstanding the foregoing provisions of this section, the filing of a notice of the pendency of an action pursuant to subsection (a) shall create no lien rights against the property of an employee of the state or a municipality prior to the date judgment is rendered if the pleadings in the pending action allege a negligent or wrongful act or omission of the employee while acting within the scope of such employee's employment, regardless of whether or not it is alleged in the alternative that the employee was acting outside of such employee's employment. A judgment against an employee shall become a lien upon such employee's property in the county where notice is filed pursuant to subsection (a) when the judgment is rendered only if it is found that (1) the employee's negligent or wrongful act or omission occurred when the employee. In such cases the lien shall not be effective prior to the date judgment was rendered. EXPLANATION OF VOTE

MR. PRESIDENT: I vote no on **SB 160.** We are not raising the minimum wage; the federal government has already done this. The few exceptions in Kansas which might have a lower wage are likely due to the current federal exceptions to the minimum wage.

The average Kansas wage in 2007 was \$17.55/hr. Our vote today does not increase this wage. The workers, employers and free market forces of Kansas increase wages.—KARIN BROWNLEE

Senator Masterson requests the record to show he concurs with the "Explanation of Vote" offered by Senator Brownlee on **SB 160**.

MR. PRESIDENT: As a co-sponsor of **SB 160** I'd like to thank Senators Francisco and Kelsey for their hard work.

I vote yes on **SB 160** with great pride. For too long, we have failed to protect the people at the bottom of the pyramid. Now we have assured them a living wage. I am especially proud that we worked on this together and that it has broad support. Any legislation that passes here in this building passes with the votes of bipartisanship, so I think we can all take credit for raising the minimum wage in the state of Kansas and bringing ourselves into line with adjoining states.—OLETHA FAUST-GOUDEAU

MR. PRESIDENT: I vote yes on **Senate Bill 160**, the Kansas Minimum Wage Bill. Led by bipartisan efforts in the Senate, **SB 160** will increase Kansas' dismal \$2.65 per hour minimum wage to \$7.25 per hour on January 1st, 2010.

Kansas' minimum wage is currently the lowest in the nation—so low that it allows employers to legally pay a rate that keeps people in poverty. According to the Department of Labor, there were at least 17,000 Kansas workers last year who earned the state minimum wage. Many of these Kansans are working multiple jobs in a tough economy just to provide food and shelter for their families. Kansas' minimum hourly wage reflects how our state values the work efforts of its citizens. After remaining stagnant for more than 20 years, this wage increase will show the nation that we value Kansas workers enough to provide them with a liveable wage.

Senate Bill 160 is a significant victory for hardworking Kansans across our great state.— ANTHONY HENSLEY

Senators Holland, Kelly and Kultala request the record to show they concur with the "Explanation of Vote" offered by Senator Hensley on **Senate Bill 160.**

CONSIDERATION OF MOTIONS TO CONCUR OR NONCONCUR

Senator Taddiken moved the Senate concur in house amendments to **H Sub for SB 218**. In accordance with Rule 26, Senator Hensley made a motion to postpone to day certain, Wednesday, April 29, 2009. The motion failed.

Citing Rule 29, and joined by the required five senators, Senator Vratil moved the previous question. The motion carried.

H Sub for SB 218, An act concerning abortion; regarding restrictions on late term and partial birth abortion; amending K.S.A. 65-445, 65-6701, 65-6703, 65-6709, as amended by section 1 of 2009 House Substitute for Senate Bill No. 238 and 65-6721 and K.S.A. 2008 Supp. 65-2836 and repealing the existing sections; also repealing K.S.A. 65-6713.

On roll call, the vote was: Yeas 25, Nays 11, Present and Passing 2, Absent or Not Voting 2.

Yeas: Abrams, Apple, Barnett, Brownlee, Bruce, Colyer, Donovan, Huelskamp, Kelsey, Lee, Lynn, Marshall, Masterson, McGinn, Morris, Ostmeyer, Owens, Petersen, Pilcher-Cook, Pyle, Reitz, Schmidt D, Taddiken, Umbarger, Wagle.

Nays: Faust-Goudeau, Francisco, Haley, Hensley, Holland, Kelly, Kultala, Schmidt V, Schodorf, Steineger, Vratil.

Present and Passing: Emler, Teichman. Absent or Not Voting: Brungardt, Wysong. The Senate concurred.

EXPLANATION OF VOTE

MR. PRESIDENT: I believe **House Substitute for SB 218** is a flawed product that may have serious issues which will lead to protracted litigation. We could and should have produced a better product. Late term abortion is an abomination that we should not tolerate. I hope a constitutional challenge to this bill will not abrogate much needed legislation.— JAY SCOTT EMLER

MR. PRESIDENT: I vote "No" on **H Sub for SB 218.** Whether "pro-choice" or "pro-life," you can not respect the process of leaving completely unanswered questions to such sweeping changes in medical definitions and to our current laws. Where is this Senate's accountability to <u>reason</u>? Are we, as a majority, such a group of ideologists that we toss study and research to hurriedness and to haphazardness? **H Sub for SB 218** is only an effort to add a chilling effect towards a woman's constitutional right to choose during a crisis pregnancy. It is a flawed production as the asked-but-unanswered-questions illuminate. Explaining how sausage is made to my constituents is never easy. Neither will the attempt to explain this new "law." Again, I vote "NO" on **H Sub for SB 218** 1.

MR. PRESIDENT: It is shameful, that certain late-term abortionists continue to flaunt our late-term abortion laws. This bill is very simple—it provides basic medical facts to women and holds these abortionists accountable. To do otherwise, would be a disservice to these women and their families and to the infinite and sacred value of human life.—TIM HUELSKAMP

Senators Brownlee, Lynn, Ostmeyer and Umbarger request the record to show they concur with the "Explanation of Vote" offered by Senator Huelskamp on **H Sub for SB 218**.

Journal of the Senate

FIFTY-SEVENTH DAY

SENATE CHAMBER, TOPEKA, KANSAS Wednesday, April 29, 2009-10:00 a.m.

The Senate was called to order by President Stephen Morris. The roll was called with forty senators present. Invocation by Chaplain Fred S. Hollomon:

Heavenly Father,

As we face some weighty decisions during this hopefully brief session, I am quoting some advice from Your Word according to the Book of Proverbs:

"My son, if you accept my words and store up my commands within you, turning your ear to wisdom and applying your heart to understanding, and if you call out for insight and cry aloud for understanding, and if you look for it as for silver and search for it as for hidden treasure, than you will understand the fear of the Lord and find the knowledge of God.

For the Lord gives wisdom, and from His mouth come knowledge and understanding." (Proverbs 2:1-6)

I also want to include some quotes which I hope You will endorse....

John C. Maxwell: "We hear half of what is being said, listen to half of what we hear, understand half of it, believe half of that, and remember only half of that." John C. Maxwell: "Success is knowing your purpose in life, Growing to your maximum potential, and Sowing seeds that benefit others."

Harry S. Truman: "Progress occurs when courageous, skillful leaders seize the opportunity to change things for the better."

John C. Maxwell: "As a leader, if I try to please everybody, eventually I will alienate everybody."

Fred Hollomon: "Listen to the wise, pray for the ignorant."

I pray in the Name of Jesus Christ.

AMEN

All the quotes except the Bible and mine were copied from *Leadership Bold* authored by John C. Maxwell.

The Pledge of Allegiance was led by President Stephen Morris.

MESSAGE FROM THE GOVERNOR

For more than a decade, Kansas laws have banned partial birth abortions and post-viability abortions except in those very limited cases where it is necessary to preserve the life or health of a pregnant woman. The United States Supreme Court has consistently held that while states can limit the availability of post-viability abortions, they must allow them where necessary to protect the health or life of the woman.

As Governor of Kansas, I have worked hard to reduce abortions by supporting a range of initiatives including adoption incentives, encouraging parental involvement and individual responsibility for young men and women, expanding health services for Kansas children, promoting access to affordable contraceptives, expanded maternal and infant health services

and promotional efforts, providing funds for proven successful pregnancy maintenance programs and encouraging age-appropriate sex education.

These efforts have resulted in reducing the number of abortions by more than 10% in the last six years in Kansas. I am confident that with a more united effort to reduce the number of unplanned pregnancies, combined with creating conditions that provide support and assistance for mothers and their babies, we will have even greater success reducing abortions in our state.

Unfortunately, House Sub for SB 218 will not help to reduce the number of abortions in Kansas, and would likely be declared unconstitutional. Under the bill, a physician intending to comply with the law could later be criminally prosecuted. A physician acting in good faith to save a pregnant woman's life, and using his or her best medical judgment, should not be subject to later criminal prosecution. Similar language was declared unconstitutional by the United States Court of Appeals for the Sixth Circuit in Womens Medical Professional Corp. v. Voinovich, 130 F.3d 187 (6th Cir. 1997).

The provisions in this bill that would allow for the criminal prosecution of a physician intending to comply with the law will lead to the intimidation of health care providers and reduce access to comprehensive health care for women, even when it is necessary to preserve their lives and health. While I agree that we should try to reduce the number of abortions, it cannot be at the increased risk to the life or health of women. Therefore, pursuant to Article 2, Section 14 of the Constitution of the State of Kansas, I veto House Substitute for SB 218."

SENATE RESOLUTION No. 1876-

A RESOLUTION urging the extension of the influenza vaccination season.

WHEREAS, The most effective strategy for preventing influenza is annual vaccination; and

WHEREAS, According to the Centers for Disease Control, the influenza vaccination rate for fully vaccinated children in Kansas was 19.5% for the 2006-2007 flu season; and

WHEREAS, Beginning with the 2008-2009 influenza season, vaccination of all children aged six months to 18 years is recommended by the Centers for Disease Control and Prevention's (CDC) Advisory Committee on Immunization Practices (ACIP) as well as the American Academy of Pediatrics (AAP); and

WHEREAS, Annual vaccination of all children aged six months through 18 years should begin as soon as vaccine is available in the 2008-2009 influenza season, but should be initiated no later than the 2009-2010 season. Strategies that focus on providing routine vaccination to persons at higher risk for influenza complications have long been recommended, although rates of flu vaccination among the majority of these groups remains low; and

WHEREAS, During the 2007-2008 influenza season there were 87 reported pediatric deaths caused by influenza in the United States. Influenza is the most frequent cause of death for a vaccine-preventable disease in the United States and is responsible for an average of 200,000 hospitalizations each year and an estimated 36,000 deaths, primarily among the elderly; and

WHEREAS, According to the AAP, the ACIP's expanded recommendations target all school-aged children, the population that bears the greatest burden of disease and is at higher risk of needing influenza-related medical care compared with healthy adults. Moreover, the AAP states that reducing influenza transmission among school-aged children will in turn reduce transmission of influenza to household contacts and community members; and

WHEREAS, Influenza vaccine should be offered to all children as soon as vaccine becomes available prior to the start of the season and should continue into March and beyond, as there is often more than one peak in influenza illness during the same season. Thus, the AAP states that vaccination through May 1st can provide protection and increase the window of opportunity for children who need two doses of vaccine; and

WHEREAS, School-based vaccination is an efficient venue for the mass vaccination of school-age children against influenza. Moreover, school-based vaccination programs benefit the communities in which they are conducted by helping reduce transmission of influenza to other members of the community. The potential threat of an influenza pandemic underscores the benefit of building local infrastructure and strengthening community partnerships as a preventive measure to address both seasonal influenza and the event of pandemic: Now, therefore,

Be it resolved by the Senate of the State of Kansas: That we urge the extension of the influenza vaccination season, both earlier and later, in order to vaccinate and protect children, adults and especially those in high risk groups; and

Be it further resolved: That we recognize the importance of protecting all Kansans during this influenza season against this dangerous and potentially deadly disease; and

Be it further resolved: That the Secretary of the Senate be directed to provide an enrolled copy of this resolution to Senator Vicki Schmidt.

On emergency motion of Senator V. Schmidt SR 1876 was adopted unanimously.

Senator V. Schmidt introduced Dr. Daniel Reynolds, Katherine Reynolds, wife and sons Ethen and Colby Reynolds. Also in attendance were guests: Scott Brown and Ashley Bailey.

Senator Francisco introduced the following Senate resolution, which was read:

SENATE RESOLUTION No. 1877-

WHEREAS, Brett Bricker and Nate Johnson of the University of Kansas defeated defending national champion Wake Forest to win the National Debate Tournament championship; and WHEREAS, Bricker and Johnson topped 78 intercollegiate teams competing at the tournament held March 26-31 at the University of Texas-Austin. They defeated California-Berkeley in the semifinal to advance to the championship round; and

WHEREAS, This is KU's fifth national debate title, having previously won in 1954, 1970, 1976 and 1983. KU has had a team in the National Debate Tournament for each of the past 42 years; and

WHEREAS, Brett Bricker, a mathematics major, is the son of Gary and Norma Bricker and a graduate of Wichita High School Southeast. Nate Johnson, who is majoring in philosophy, political science and psychology, is the son of Ron and Betty Johnson and a graduate of Manhattan High School; and

WHEREAS, Led by 18-year Kansas coach and 2006 national coach of the year, head coach Scott Harris, the KU debate team also won two other national tournaments this season; and

WHEREAS, Brothers Patrick and Sean Kennedy, both Leawood sophomores, defeated Georgetown to win first place at the Freshman/Sophomore Nationals, held in East Lansing, Michigan; and

WHEREAS, At the National Junior Division Debate Tournament in Overland Park, two KU teams tied for first place. Patrick Kennedy and Mathew Peterson, Wichita junior, went 12-0 and defeated Kansas State University in the semifinals. Mark Wilkins, Topeka sophomore, and Andrew Jack, Lawrence and Manhattan junior, were 11-1, defeating the University of Minnesota in the other semifinal; and

WHEREAS, Last season, the KU debate team finished the year ranked first in the national varsity rankings; and

WHEREAS, The University of Kansas debate team has demonstrated exemplary abilities in capturing the national debate championship and in continuing the history of excellence in debate at KU: Now, therefore,

Be it resolved by the Senate of the State of Kansas: That we congratulate and commend the University of Kansas debate team for its outstanding achievements this season and that we wish all the team members continued success in their academic endeavors; and

In determining the amount and method of payment of such sum, the court shall take account of the financial resources of the defendant and the nature of the burden that payment of such sum will impose. A defendant who has been required to pay such sum and who is not willfully in default in the payment thereof may at any time petition the court which sentenced the defendant to waive payment of such sum or any unpaid portion thereof. If it appears to the satisfaction of the court that payment of the amount due will impose manifest hardship on the defendant or the defendant's immediate family, the court may waive payment of all or part of the amount due or modify the method of payment.

(e) In imposing a fine the court may authorize the payment thereof in installments. In releasing a defendant on probation, the court shall direct that the defendant be under the supervision of a court services officer. If the court commits the defendant to the custody of the secretary of corrections or to jail, the court may specify in its order the amount of restitution to be paid and the person to whom it shall be paid if restitution is later ordered as a condition of parole, conditional release or postrelease supervision.

In this event, imposition of a prison sentence for the new crime does not constitute a departure. The conviction shall operate as a full and complete discharge from any obligations, except for an order of restitution, imposed on the offender arising from the offense for which the offender was committed to a juvenile correctional facility.

(3) When a new felony is committed while the offender is on release for a felony pursuant to the provisions of article 28 of chapter 22 of the Kansas Statutes Annotated, or similar provisions of the laws of another jurisdiction, a new sentence may be imposed pursuant to the consecutive sentencing requirements of K.S.A. 21-4608, and amendments thereto, and the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(g) Prior to imposing a dispositional departure for a defendant whose offense is classified in the presumptive nonprison grid block of either sentencing guideline grid, prior to sentencing a defendant to incarceration whose offense is classified in grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes or in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes, prior to sentencing a defendant to incarceration whose offense is classified in grid blocks 4-E or 4-F of the sentencing guideline grid for drug crimes and whose offense does not meet the requirements of K.S.A. 21-4729, and amendments thereto, prior to revocation of a nonprison sanction of a defendant whose offense is classified in grid blocks 4-E or 4-F of the sentencing guideline grid for drug crimes and whose offense does not meet the requirements of K.S.A. 21-4729, and amendments thereto, or prior to revocation of a nonprison sanction of a defendant whose offense is classified in the presumptive nonprison grid block of either sentencing guideline grid or grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes or in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes, the court shall consider placement of the defendant in the Labette correctional conservation camp, conservation camps established by the secretary of corrections pursuant to K.S.A. 75-52,127, and amendment thereto or a community intermediate sanction center. Pursuant to this paragraph the defendant shall not be sentenced to imprisonment if space is available in a conservation camp or a community intermediate sanction center and the defendant meets all of the conservation camp's or a community intermediate sanction center's placement criteria unless the court states on the record the reasons for not placing the defendant in a conservation camp or a community intermediate sanction center.

(h) The court in committing a defendant to the custody of the secretary of corrections shall fix a term of confinement within the limits provided by law. In those cases where the law does not fix a term of confinement for the crime for which the defendant was convicted, the court shall fix the term of such confinement.

(i) In addition to any of the above, the court shall order the defendant to reimburse the state general fund for all or a part of the expenditures by the state board of indigents' defense services to provide counsel and other defense services to the defendant. In determining the amount and method of payment of such sum, the court shall take account of the financial resources of the defendant and the nature of the burden that payment of such sum will impose. A defendant who has been required to pay such sum and who is not willfully in default in the payment thereof may at any time petition the court which sentenced the defendant to waive payment of such sum or any unpaid portion thereof. If it appears to the satisfaction of the court that payment of the amount due will impose manifest hardship on the defendant or the defendant's immediate family, the court may waive payment of all or part of the amount due or modify the method of payment. The amount of attorney fees to be included in the court order for reimbursement shall be the amount claimed by appointed counsel on the payment voucher for indigents' defense services or the amount prescribed by the board of indigents' defense services reimbursement tables as provided in K.S.A. 22-4522, and amendments thereto, whichever is less.

(j) This section shall not deprive the court of any authority conferred by any other Kansas statute to decree a forfeiture of property, suspend or cancel a license, remove a person from office, or impose any other civil penalty as a result of conviction of crime.

(k) An application for or acceptance of probation or assignment to a community correctional services program shall not constitute an acquiescence in the judgment for purpose of appeal, and any convicted person may appeal from such conviction, as provided by law, without regard to whether such person has applied for probation, suspended sentence or assignment to a community correctional services program.

(I) The secretary of corrections is authorized to make direct placement to the Labette correctional conservation camp or a conservation camp established by the secretary pursuant to K.S.A. 75-52,127, and amendments thereto, of an inmate sentenced to the secretary's custody if the inmate: (1) Has been sentenced to the secretary for a probation revocation, as a departure from the presumptive nonimprisonment grid block of either sentencing grid, for an offense which is classified in grid blocks 5-H, 5-I, or 6-G of the sentencing guidelines

grid for nondrug crimes or in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes, or for an offense which is classified in gridblocks 4-E or 4-F of the sentencing guidelines grid for drug crimes and such offense does not meet the requirements of K.S.A. 21-4729, and amendments thereto, and (2) otherwise meets admission criteria of the camp. If the inmate successfully completes a conservation camp program, the secretary of corrections shall report such completion to the sentencing court and the county or district attorney. The inmate shall then be assigned by the court to six months of follow-up supervision conducted by the appropriate community corrections services program. The court may also order that supervision continue thereafter for the length of time authorized by K.S.A. 21-4611 and amendments thereto.

(m) When it is provided by law that a person shall be sentenced pursuant to K.S.A. 1993 Supp. 21-4628, prior to its repeal, the provisions of this section shall not apply.

(n) Except as provided by subsection (f) of K.S.A. 21-4705, and amendments thereto, in addition to any of the above, for felony violations of K.S.A. 65-4160 or 65-4162 section 6 of 2009 House Bill No. 2236, and amendments thereto, the court shall require the defendant who meets the requirements established in K.S.A. 21-4729, and amendments thereto, participate in a certified drug abuse treatment program, as provided in K.S.A. 2007 2008 Supp. 75-52,144, and amendments thereto, including but not limited to, an approved aftercare plan. If the defendant fails to participate in or has a pattern of intentional conduct that demonstrates the offender's refusal to comply with or participate in the treatment program, as established by judicial finding, the defendant shall be subject to revocation of probation and the defendant shall serve the underlying prison sentence as established in K.S.A. 21-4705, and amendments thereto. For those offenders who are convicted on or after the effective date of this act, upon completion of the underlying prison sentence, the defendant shall not be subject to a period of postrelease supervision. The amount of time spent participating in such program shall not be credited as service on the underlying prison sentence.

(o) (1) Except as provided in paragraph (3), in addition to any other penalty or disposition imposed by law, upon a conviction for unlawful possession of a controlled substance or controlled substance analog in violation of section 6 of 2009 House Bill No. 2236, and amendments thereto, in which the trier of fact makes a finding that the unlawful possession occurred while transporting the controlled substance or controlled substance analog in any vehicle upon a highway or street, the offender's driver's license or privilege to operate a motor vehicle on the streets and highways of this state shall be suspended for one year.

(2) Upon suspension of a license pursuant to this subsection, the court shall require the person to surrender the license to the court, which shall transmit the license to the division of motor vehicles of the department of revenue, to be retained until the period of suspension expires. At that time, the licensee may apply to the division for return of the license. If the license has expired, the person may apply for a new license, which shall be issued promptly upon payment of the proper fee and satisfaction of other conditions established by law for obtaining a license unless another suspension or revocation of the person's privilege to operate a motor vehicle is in effect.

(3) (A) In lieu of suspending the driver's license or privilege to operate a motor vehicle on the highways of this state of any person as provided in paragraph (1), the judge of the court in which such person was convicted may enter an order which places conditions on such person's privilege of operating a motor vehicle on the highways of this state, a certified copy of which such person shall be required to carry any time such person is operating a motor vehicle on the highways of this state. Any such order shall prescribe the duration of the conditions imposed, which in no event shall be for a period of more than one year.

(B) Upon entering an order restricting a person's license hereunder, the judge shall require such person to surrender such person's driver's license to the judge who shall cause it to be transmitted to the division of vehicles, together with a copy of the order. Upon receipt thereof, the division of vehicles shall issue without charge a driver's license which shall indicate on its face that conditions have been imposed on such person's privilege of operating a motor vehicle and that a certified copy of the order imposing such conditions is required to be carried by the person for whom the license was issued any time such person is operating a motor vehicle on the highways of this state. If the person convicted is a nonresident, the judge shall cause a copy of the order to be transmitted to the division and the division shall

forward a copy of it to the motor vehicle administrator, of such person's state of residence. Such judge shall furnish to any person whose driver's license has had conditions imposed on it under this paragraph a copy of the order, which shall be recognized as a valid Kansas driver's license until such time as the division shall issue the restricted license provided for in this paragraph.

(C) Upon expiration of the period of time for which conditions are imposed pursuant to this subsection, the licensee may apply to the division for the return of the license previously surrendered by such licensee. In the event such license has expired, such person may apply to the division for a new license, which shall be issued immediately by the division upon payment of the proper fee and satisfaction of the other conditions established by law, unless such person's privilege to operate a motor vehicle on the highways of this state has been suspended or revoked prior thereto. If any person shall violate any of the conditions imposed under this paragraph, such person's driver's license or privilege to operate a motor vehicle on the highways of this state shall be revoked for a period of not less than 60 days nor more than one year by the judge of the court in which such person is convicted of violating such conditions.

(4) As used in this subsection, "highway" and "street" have the meanings provided by K.S.A. 8-1424 and 8-1473, and amendments thereto.

the opinion that there is reasonable probability that the inmate can be released without detriment to the community or to the inmate. Parole shall not be granted as an award of clemency and shall not be considered a reduction of sentence or a pardon.

(h) The Kansas parole board shall hold a parole hearing at least the month prior to the month an inmate will be eligible for parole under subsections (a), (b) and (c). At least the month preceding the parole hearing, the county or district attorney of the county where the inmate was convicted shall give written notice of the time and place of the public comment sessions for the inmate to any victim of the inmate's crime who is alive and whose address is known to the county or district attorney or, if the victim is deceased, to the victim's family if the family's address is known to the county or district attorney. Except as otherwise provided, failure to notify pursuant to this section shall not be a reason to postpone a parole hearing. In the case of any inmate convicted of an off-grid felony or a class A felony the secretary of corrections shall give written notice of the time and place of the public comment session for such inmate at least one month preceding the public comment session to any victim of such inmate's crime or the victim's family pursuant to K.S.A. 74-7338, and amendments thereto. If notification is not given to such victim or such victim's family in the case of any inmate convicted of an off-grid felony or a class A felony, the board shall postpone a decision on parole of the inmate to a time at least 30 days after notification is given as provided in this section. Nothing in this section shall create a cause of action against the state or an employee of the state acting within the scope of the employee's employment as a result of the failure to notify pursuant to this section. If granted parole, the inmate may be released on parole on the date specified by the board, but not earlier than the date the inmate is eligible for parole under subsections (a), (b) and (c). At each parole hearing and, if parole is not granted, at such intervals thereafter as it determines appropriate, the Kansas parole board shall consider: (1) Whether the inmate has satisfactorily completed the programs required by any agreement entered under K.S.A. 75-5210a, and amendments thereto, or any revision of such agreement; and (2) all pertinent information regarding such inmate, including, but not limited to, the circumstances of the offense of the inmate; the presentence report; the previous social history and criminal record of the inmate; the conduct, employment, and attitude of the inmate in prison; the reports of such physical and mental examinations as have been made, including, but not limited to, risk factors revealed by any risk assessment of the inmate; comments of the victim and the victim's family including in person comments, contemporaneous comments and prerecorded comments made by any technological means; comments of the public; official comments; any recommendation by the staff of the facility where the inmate is incarcerated; proportionality of the time the inmate has served to the sentence a person would receive under the Kansas sentencing guidelines for the conduct that resulted in the inmate's incarceration; and capacity of state correctional institutions.

(i) In those cases involving inmates sentenced for a crime committed after July 1, 1993, the parole board will review the inmates proposed release plan. The board may schedule a hearing if they desire. The board may impose any condition they deem necessary to insure public safety, aid in the reintegration of the inmate into the community, or items not completed under the agreement entered into under K.S.A. 75-5210a, and amendments thereto. The board may not advance or delay an inmate's release date. Every inmate while on post-release supervision shall remain in the legal custody of the secretary of corrections and is subject to the orders of the secretary.

(j) Before ordering the parole of any inmate, the Kansas parole board shall have the inmate appear before either in person or via a video conferencing format and shall interview the inmate unless impractical because of the inmate's physical or mental condition or absence from the institution. Every inmate while on parole shall remain in the legal custody of the secretary of corrections and is subject to the orders of the secretary. Whenever the Kansas parole board formally considers placing an inmate on parole and no agreement has been entered into with the inmate under K.S.A. 75-5210a, and amendments thereto, the board shall notify the inmate in writing of the reasons for not granting parole. If an agreement has been entered under K.S.A. 75-5210a, and amendments thereto, and the inmate has not satisfactorily completed the programs specified in the agreement, or any revision of such agreement, the board shall notify the inmate in writing of the secretary of the specific programs the

inmate must satisfactorily complete before parole will be granted. If parole is not granted only because of a failure to satisfactorily complete such programs, the board shall grant parole upon the secretary's certification that the inmate has successfully completed such programs. If an agreement has been entered under K.S.A. 75-5210a, and amendments thereto, and the secretary of corrections has reported to the board in writing that the inmate has satisfactorily completed the programs required by such agreement, or any revision thereof, the board shall not require further program participation. However, if the board determines that other pertinent information regarding the inmate warrants the inmate's not being released on parole, the board shall state in writing the reasons for not granting the parole. If parole is denied for an inmate sentenced for a crime other than a class A or class B felony or an off-grid felony, the board shall hold another parole hearing for the inmate not later than one year after the denial unless the parole board finds that it is not reasonable to expect that parole would be granted at a hearing if held in the next three years or during the interim period of a deferral. In such case, the parole board may defer subsequent parole hearings for up to three years but any such deferral by the board shall require the board to state the basis for its findings. If parole is denied for an inmate sentenced for a class A or class B felony or an off-grid felony, the board shall hold another parole hearing for the inmate not later than three years after the denial unless the parole board finds that it is not reasonable to expect that parole would be granted at a hearing if held in the next 10 years or during the interim period of a deferral. In such case, the parole board may defer subsequent parole hearings for up to 10 years but any such deferral shall require the board to state the basis for its findings.

 $(k)\,\,$ Parolees and persons on postrelease supervision shall be assigned, upon release, to the appropriate level of supervision pursuant to the criteria established by the secretary of corrections.

(1) The Kansas parole board shall adopt rules and regulations in accordance with K.S.A. 77-415 et seq., and amendments thereto, not inconsistent with the law and as it may deem proper or necessary, with respect to the conduct of parole hearings, postrelease supervision reviews, revocation hearings, orders of restitution, reimbursement of expenditures by the state board of indigents' defense services and other conditions to be imposed upon parolees or releasees. Whenever an order for parole or postrelease supervision is issued it shall recite the conditions thereof.

(m) Whenever the Kansas parole board orders the parole of an inmate or establishes conditions for an inmate placed on postrelease supervision, the board:

(1) Unless it finds compelling circumstances which would render a plan of payment unworkable, shall order as a condition of parole or postrelease supervision that the parolee or the person on postrelease supervision pay any transportation expenses resulting from returning the parolee or the person on postrelease supervision to this state to answer criminal charges or a warrant for a violation of a condition of probation, assignment to a community correctional services program, parole, conditional release or postrelease supervision;

(2) to the extent practicable, shall order as a condition of parole or postrelease supervision that the parolee or the person on postrelease supervision make progress towards or successfully complete the equivalent of a secondary education if the inmate has not previously completed such educational equivalent and is capable of doing so;

(3) may order that the parolee or person on postrelease supervision perform community or public service work for local governmental agencies, private corporations organized notfor-profit or charitable or social service organizations performing services for the community;

(4) may order the parolee or person on postrelease supervision to pay the administrative fee imposed pursuant to K.S.A. 22-4529, and amendments thereto, unless the board finds compelling circumstances which would render payment unworkable; and

(5) unless it finds compelling circumstances which would render a plan of payment unworkable, shall order that the parolee or person on postrelease supervision reimburse the state for all or part of the expenditures by the state board of indigents' defense services to provide counsel and other defense services to the person. In determining the amount and method of payment of such sum, the parole board shall take account of the financial resources of the person and the nature of the burden that the payment of such sum will impose. Such amount shall not exceed the amount claimed by appointed counsel on the payment voucher for indigents' defense services or the amount prescribed by the board of indigents' defense services reimbursement tables as provided in K.S.A. 22-4522, and amendments thereto, whichever is less, minus any previous payments for such services.

(n) If the court which sentenced an inmate specified at the time of sentencing the amount and the recipient of any restitution ordered as a condition of parole or postrelease supervision, the Kansas parole board shall order as a condition of parole or postrelease supervision that the inmate pay restitution in the amount and manner provided in the journal entry unless the board finds compelling circumstances which would render a plan of restitution unworkable.

(o) Whenever the Kansas parole board grants the parole of an inmate, the board, within 10 days of the date of the decision to grant parole, shall give written notice of the decision to the county or district attorney of the county where the inmate was sentenced.

(p) When an inmate is to be released on postrelease supervision, the secretary, within 30 days prior to release, shall provide the county or district attorney of the county where the inmate was sentenced written notice of the release date.

(q) Inmates shall be released on postrelease supervision upon the termination of the prison portion of their sentence. Time served while on postrelease supervision will vest.

(r) An inmate who is allocated regular good time credits as provided in K.S.A. 22-3725, and amendments thereto, may receive meritorious good time credits in increments of not more than 90 days per meritorious act. These credits may be awarded by the secretary of corrections when an inmate has acted in a heroic or outstanding manner in coming to the assistance of another person in a life threatening situation, preventing injury or death to a person, preventing the destruction of property or taking actions which result in a financial savings to the state.

(s) The provisions of subsections (d)(1)(A), (d)(1)(B), (d)(1)(C) and (d)(1)(E) shall be applied retroactively as provided in subsection (t).

(t) For offenders sentenced prior to the effective date of this act who are eligible for modification of their postrelease supervision obligation, the department of corrections shall modify the period of postrelease supervision as provided for by this section for offenders convicted of severity level 9 and 10 crimes on the sentencing guidelines grid for nondrug crimes and severity level 4 crimes on the sentencing guidelines grid for drug crimes on or before September 1, 2000; for offenders convicted of severity level 7 and 8 crimes on the sentencing guidelines grid for nondrug crimes on or before November 1, 2000; and for offenders convicted of severity level 5 and 6 crimes on the sentencing guidelines grid for drug crimes on or before Sentencing guidelines grid for drug crimes on or before Sentencing guidelines grid for drug crimes on or before January 1, 2001.

(u) An inmate sentenced to imprisonment pursuant to K.S.A. 21-4643, and amendments thereto, for crimes committed on or after July 1, 2006, shall be placed on parole for life and shall not be discharged from supervision by the Kansas parole board. When the board orders the parole of an inmate pursuant to this subsection, the board shall order as a condition of parole that the inmate be electronically monitored for the duration of the inmate's natural life.

(v) Whenever the Kansas parole board or the court orders a person to be electronically monitored, the board or court shall order the person to reimburse the state for all or part of the cost of such monitoring. In determining the amount and method of payment of such sum, the board or court shall take account of the financial resources of the person and the nature of the burden that the payment of such sum will impose.

(w) Documents, records and reports from the parole board, reviewed and produced on and after July 1, 2008, through June 30, 2009, concerning factors and rationale used to determine the granting or denial of parole, shall be available to members of the standing senate committee on judiciary and the standing house committee on corrections and juvenile justice, when carrying out such committee's official functions in accordance with K.S.A. 75-4319, and amendments thereto, in a closed or executive meeting. The parole board shall provide to such legislative members a summary statement of the factors and rationale used to determine such grant or denial and any correspondence received by the parole board relating to such grant or denial. Documents, records and reports received by the committee

are confidential and shall not be further disclosed. Such documents, records and reports received shall have information redacted which identifies any person or location, including, but not limited to, a city or county, except this provision shall not apply to the name of the inmate whose records are being reviewed. Such documents, records and reports received shall not be subject to K.S.A. 45-221, and amendments thereto. All copies of such documents, records and reports shall be returned to the parole board prior to the open meeting resuming. Unauthorized disclosure may subject such member to discipline or censure from the house of representatives or senate. If the house of representatives does not have a standing committee on corrections and juvenile justice, the standing committee on judiciary shall have access to such records in the same manner and under the same restrictions as the committee on corrections and juvenile justice.

(C) all offenders convicted of an offense which satisfies the definition of offender pursuant to K.S.A. 22-4902, and amendments thereto, and which is classified as a severity level 7 or higher offense and who receive a nonprison sentence, regardless of the manner in which the sentence is imposed;

(D) any offender for whom a violation of conditions of release or assignment or a nonprison sanction has been established as provided in K.S.A. 22-3716, and amendments thereto, prior to revocation resulting in the offender being required to serve any time for the sentence imposed or which might originally have been imposed in a state facility in the custody of the secretary of corrections;

(b) (1) In order to establish a mechanism for community correctional services to participate in the department of corrections annual budget planning process, the secretary of corrections shall establish a community corrections advisory committee to identify new or enhanced correctional or treatment interventions designed to divert offenders from prison.

Journal of the Senate

SIXTIETH DAY

SENATE CHAMBER, TOPEKA, KANSAS Monday, May 4, 2009—10:00 a.m.

The Senate was called to order by President Stephen Morris. The roll was called with forty senators present. Invocation by Chaplain Fred S. Hollomon:

Heavenly Father,

I pray for our new Governor: Governor Mark Parkinson. He's taking the place of the one Who is now in Washington.

He used to be a Senator From District twenty-three. So he experienced state government From the view that Senators see.

Addressing the legislature, He said bipartisanship Is the key to solving problems Which have Kansas in their grip.

One reporter said the effort To find the right mix Of revenue and expense changes Would be a challenge to fix.

In a wedding once I witnessed Bipartisanship without a spat, I united a Republican man To a lady Democrat!

How wonderful it would be, O God, If we could reach an amiable solution Which resembled the peace I witnessed At that wedding's calm conclusion.

I pray in the Name of Jesus Christ,

AMEN

The Pledge of Allegiance was led by President Stephen Morris.

Journal of the Senate

SIXTY-FIRST DAY

SENATE CHAMBER, TOPEKA, KANSAS Tuesday, May 5, 2009—9:00 a.m.

The Senate was called to order by President Stephen Morris. The roll was called with forty senators present. Invocation by Chaplain Fred S. Hollomon:

Heavenly Father,

I want to thank You that Your influence on the Founders is obvious as their own words have shown:

George Washington: (May 14, 1787 at the Constitutional Convention) "Let us raise a standard to which the wise and the honest can repair; the event is in the hands of God."

John Adams: (October 11, 1798) "Our constitution was made only for a moral and religious people. It is wholly inadequate to the government of any other."

Ben Franklin (June 28, 1787 at the Constitutional Convention) "... the longer I live, the more convincing proofs I see of the truth—that God governs in the affairs of men. And if a sparrow cannot fall to the ground without His notice, is it probable that an empire can rise without His aid?"

James Madison: (1778) "We have staked the future of all of our political institutions upon the capacity of mankind for self-government, upon the capacity of each and all of us to govern ourselves, to control ourselves, to sustain ourselves according to the Ten Commandments of God."

These quotations, along with those of the rest of the founders, verify that they took seriously the words of the Psalmist, "Blessed is the nation whose God is the Lord." (Psalms 33:12a) And that You intended to influence all layers of American government.

I pray in the Name of Jesus Christ,

AMEN

The Pledge of Allegiance was led by President Stephen Morris.

EXPLANATION OF VOTE

MR. PRESIDENT: Many state agencies are fee funded and do not receive any funding from the state. Fees supporting these agencies are collected from the industry which the agency regulates for a specific purpose. Raiding those funds is a violation of the trust between the fee-payer and the Kansas Legislature. Referring to fee fund sweeps as "spending cuts" is an insult.

It is more appropriate to call this measure a massive, back-door tax increase. Attorney General Opinion 2002-45 said it best, "If an assessment so exceeds the cost of regulation that it is apparent the Legislature is using it as a general revenue raising measure, the overage cannot stand on police power authority. If the assessment is in fact a revenue raising measure, it must be analyzed as such, which may include a determination as to whether it meets Commerce Clause and Equal Protection requirements, as well as any state constitutional requirements applicable to the type of tax it is."

The Legislature should not take what does not belong to it. I regard fee sweeps of this magnitude as being unconstitutional, and I flatly refuse to participate in or validate their existence. I vote ves on the amendment.—TERRY BRUCE

EXPLANATION OF VOTE

MR. PRESIDENT: I vote "no" on **Senate Sub for HB 2373.** This budget bill does not close the gap between revenue and expenditures which is setting us up for a tax increase. I cannot support an increased tax burden on Kansans during such a serious recession.—KARIN BROWNLEE.

Journal of the Senate

SIXTY-SECOND DAY

SENATE CHAMBER, TOPEKA, KANSAS Wednesday, May 6, 2009—10:00 a.m.

The Senate was called to order by Vice President John Vratil. The roll was called with thirty-eight senators present. Senators Masterson and Wysong were excused. Invocation by Chaplain Fred S. Hollomon:

Heavenly Father,

All governing authorities are established by God, According to the Apostle Paul. They are also Your servants to do good, And are deserving of respect by all. (Romans 13:1-5)

Too often we're guilty, O God, Of rebelling against those who serve. We gripe and complain and never pray For the kind of treatment they deserve.

I've said it before, and I'll say it again, I wish those of us who complain Would have to walk in their shoes And experience some of their pain.

Governing authorities constantly experience That old saying that is still true yet: "When I'm right, no one remembers, When I'm wrong, no one forgets."

The best thing we can do for them, Which we should be doing all along; Is to pray a lot more than we criticize, Whether they are right or wrong.

I pray in the Name of Jesus Christ,

AMEN

The Pledge of Allegiance was led by Vice President John Vratil.

INTRODUCTION OF ORIGINAL MOTIONS AND SENATE RESOLUTIONS

Senators Haley and Faust-Goudeau introduced the following Senate resolution, which was read:

SENATE RESOLUTION No. 1888-

A RESOLUTION recognizing the observance of an annual Juneteenth Day.

WHEREAS, June 19th, the oldest known celebration of the ending of slavery, is known in many places as Juneteenth Day; and

WHEREAS, News of the end of slavery did not reach frontier areas of the United States for more than 2 years after President Lincoln's Emancipation Proclamation of January 1, 1863, and months after the conclusion of the Civil War, and

WHEREAS, On June 19, 1865, Union soldiers led by Major General Gordon Granger arrived in Galveston, Texas, with news that the Civil War had ended and that the enslaved were free; and

WHEREAS, News of the end of slavery did not have the same impact on Kansas because Kansas was established as and remained a "free" state; and

WHEREAS, Many African-Americans continue the tradition of celebrating Juneteenth as inspiration and encouragement for future generations and for more than 140 years, Juneteenth Day celebrations have been held to honor African-American freedom while encouraging self-development and respect for all cultures; and

WHEREAS, Although Juneteenth Day is beginning to be recognized as a national, and even global event, the history behind the celebration should not be forgotten; and

WHEREAS, The faith and strength of character demonstrated by former slaves remains an example for all people of the United States, regardless of background, religion or race: Now THEREFORE,

Be it resolved by the Senate of the State of Kansas: That we recognize the historical significance of Juneteenth; support the continued celebration of Juneteenth to provide an opportunity for the people of the State of Kansas to learn more about the past to better understand the experiences that have shaped the nation and encourage the people of the State of Kansas to observe Juneteenth Day with appropriate ceremonies, activities and programs; and

Be it further resolved: That the Secretary of the Senate provide an enrolled copy of this resolution to Senator David Haley.

On emergency motion of Senator Faust-Goudeau SR 1888 was adopted unanimously.

REMARKS

MR. VICE PRESIDENT:

Although Juneteenth Day is beginning to be recognized as a National and even a Global Event—the history behind the celebration should not be forgotten.

Mr. Vice President—I know I won't forget the foresight into the future of President Lincoln's Emancipation Proclamation—because I know it had a direct impact on my being able to stand here today as the first African American female to serve in the Kansas Senate in our state's history. So I will be forever grateful for the celebration and I'd like to thank Senator David Haley for allowing me to co-sponsor this resolution with him—OLETHA FAUST-GOUDEAU

REPORTS OF STANDING COMMITTEES

Committee on Natural Resources recommends HB 2283 be amended on page 1, after line 13, by inserting:

"New Section 1. Not less than 60 days before the effective date of any ordinance annexing land into the boundaries of any city:

(a) The city shall give written notice to any rural water district organized pursuant to K.S.A. 82a-612 et seq., and amendments thereto, in whose territory the land or any portion thereof is located of the city's intent to annex such land; and

(b) the notice shall contain the description of the land to be annexed and the city's plan for the provision of water service to the land being annexed.

New Sec. 2. Following annexation of rural water district territory by a city, the city and the district may contract for the district to provide water service to all or certain portions of the annexed area. If the agreement includes a provision for the payment of a franchise fee to the city, such agreement shall be subject to the provisions of K.S.A. 12-2001 et seq., and amendments thereto.

New Sec. 3. (a) Following annexation, the rural water district shall remain the water service provider to the annexed area unless the city gives written notice designating a different supplier. If the city designates a different supplier, the city shall purchase the property, facilities, improvements and going concern value of the facilities of the district located within the territory annexed by the city. If an agreement for the purchase of such property,

MAY 6, 2009

facilities, improvements and going concern value of the facilities of the district annexed by the city is not executed within 90 days after delivery of the notice designating a different supplier, the city and the rural water district in good faith shall engage in mediation. Unless an agreement is executed, no change in water service provider shall occur and no appraisers shall be appointed until more than 120 days after delivery of the notice of intent to change the water supplier and the mediation has been terminated.

(b) If the district and the city are unable to reach agreement on the reasonable value for such property, facilities, improvements and going concern value of the facilities of the district, then the reasonable value shall be determined in the following manner:

(1) The district and the city shall each select one qualified appraiser and the two appraisers so selected shall then select a third appraiser for the purpose of conducting an appraisal to determine reasonable value of the property, facilities, improvements and going concern value of the facilities of the district annexed by the city. The appraisers shall consider all elements of value, employing any method of valuation the appraisers deem appropriate and shall specifically consider the following factors in determining reasonable value:

(A) Whether any property of the district is rendered useless or valueless to the district;

(B) the amount of damage to property remaining in the ownership of the district following annexation;

(C) impact on the existing indebtedness of the district and such district's ability to repay that debt;

(D) the value of the service facilities of the district located within the area in question;

(E) the amount of any expenditures for planning, design or construction of service facilities outside the incorporated or annexed area that are allocable to service to the area in question;

(F) the amount of the district's contractual obligations allocable to the area in question;

(G) any demonstrated impairment of service or increase of cost to consumers of the district remaining after the annexation and the impact on future revenues lost from existing customers;

(H) any necessary and reasonable legal expenses and professional fees;

(I) any factors relevant to maintaining the current financial integrity of the district; and (J) any other relevant factors.

(2) The appraisers shall hear such evidence as the appraisers deem appropriate and shall make a written summary of findings and conclusions. The agreement or decision of at least two of the three appraisers shall be the fair market value presented to the city for payment and the district for acceptance.

(3) If either the district or the city is dissatisfied with the decision of the appraisers, then the district or the city may appeal within 30 days such award to the district court. Such appeal shall be heard de novo by the court without a jury.

(c) The compensation required by this section shall be paid to the district whether or not the city actually utilizes the facilities of the district for the delivery of water to property within the city and shall be paid at a time not later than 120 days following the date upon which the fair market value of the facilities are certified to the city and to the district, or at such later date as may be mutually agreed upon by the city and the district or as may be determined by the district court.

(d) In any event, the district may elect to retain facilities located within the city used for transmission of water, provided that the district use those facilities to continue to supply water service to benefit units outside the city. The district shall not receive compensation for facilities it elects to retain.

(e) Except as otherwise provided, nothing in this section shall be construed as limiting the authority of a city to select water service suppliers to areas within the city limits, or to limit the authority of a city to adopt and enforce regulations for the operation of a water service supplier, including, but not limited to, standards of water quality, classification of water customers, capacity of water system, water system connections to sanitary sewer systems, rates and billing practices and other regulations for protection of the public health, safety and welfare.

(f) In the event that a district will no longer be the water supplier to land as a result of annexation and notice pursuant to subsection (a), the district shall continue to provide such

service until the city gives notice of its assumption of responsibility for service, designating the date that the service shall transfer to the supplier designated by the city. The district and the city shall cooperate as necessary to minimize the inconvenience to water customers as a result of the transfer. The city shall give written notice to each customer of the district for whom water service is being transferred specifying the name and address of the new supplier, the effective date of the transfer, the reason for the transfer and a schedule of applicable rates. The district shall not discontinue or limit service to customers who were supplied water by the district at the time of annexation during the period of negotiations unless such customer has violated district bylaws or rules and regulations.

(g) Following the transfer of water service from the district to the city, the annexed land, or amount of such land for which water service has been transferred to the city, shall be deleted from the territory of the district and all benefit units attached to land located therein shall be canceled without compensation. Notice of such deletion of territory shall be provided to the county clerk and the chief engineer of the division of water resources of the department of agriculture.

Sec. 4. K.S.A. 2008 Supp. 82a-612 is hereby amended to read as follows: 82a-612. As used in this act, unless the context clearly requires otherwise:

Journal of the Senate

SIXTY-THIRD DAY

SENATE CHAMBER, TOPEKA, KANSAS Thursday, May 7, 2009—9:00 a.m.

The Senate was called to order by President Stephen Morris. The roll was called with thirty-nine senators present. Senator Haley was excused. Invocation by Chaplain Fred S. Hollomon:

Heavenly Father,

On this National Day of Prayer we recall the instructions You gave King Solomon for Israel in the 10th century B.C.

"If My people, who are called by My name, will humble themselves and pray and seek My face and turn from their wicked ways, then will I hear from heaven and will forgive their sin and will heal their land."

Four conditions for forgiveness For people called Your Name: Humility, Prayer, Diligence, Behavior with no shame:

If we obey Your instructions, You will hear our appeal; Forgiveness will be ours And our nation shall be healed.

And for that we thank You in the Name of Jesus Christ, AMEN

The Pledge of Allegiance was led by President Stephen Morris.

The conviction shall operate as a full and complete discharge from any obligations, except for an order of restitution, imposed on the offender arising from the offense for which the offender was committed to a juvenile correctional facility.

(3) When a new felony is committed while the offender is on release for a felony pursuant to the provisions of article 28 of chapter 22 of the Kansas Statutes Annotated, or similar provisions of the laws of another jurisdiction, a new sentence may be imposed pursuant to the consecutive sentencing requirements of K.S.A. 21-4608, and amendments thereto, and the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. "(b) This additional benefit may be provided to a claimant in a shared work program under K.S.A. 44-757, and amendments thereto. However, if the claimant is in a shared work program then such claimant shall not be entitled to receive this additional benefit for two consecutive benefit years after the training benefits expire. INTRODUCTION OF BILLS AND CONCURRENT RESOLUTIONS

The following resolution was introduced and read by title:

SENATE CONCURRENT RESOLUTION No. 1618-

By Senators Umbarger, Kultala and Marshall

A CONCURRENT RESOLUTION urging the legislature to formulate and implement a comprehensive transportation plan by the 2010 legislative session.

WHEREAS, Transportation connects Kansans to their workplaces, to the institutions that matter to them, and to the services upon which they depend. Transportation is also critical to delivering Kansas products to markets, seizing economic opportunities and creating jobs that stimulate our economy; and

WHEREAS, Our Kansas transportation system is comprised of railroads, airports, passenger rail, transit, roads and bridges; and

WHEREAS, The state has successfully completed the 1989 Comprehensive Highway Program and the 1999 Comprehensive Transportation Program and now faces the challenges of addressing the state's transportation needs for the coming future; and

WHEREAS, More than 2,000 people lost their lives on Kansas roads in the last 5 years, demonstrating an ongoing need to improve the condition and quality of our public roads and bridges to improve the safety of travelers in our state; and

WHEREAS, The state's population is projected to increase by 11 percent in the next 20 years, and over the same time period vehicle and truck traffic is expected to increase by 44 and 97 percent respectively; and

WHEREAS, Transit ridership is on the rise, the importance of freight movement by railroads is increasing, the state's airports are in need of improvement, county and local roads are in need of repair, and intercity train travel is attracting more interest; and

WHEREAS, Transportation revenues are projected to fall short of future transportation needs as documented in the Kansas Long Range Transportation Plan; and

WHEREAS, Over the last 20 years Kansas has made a major investment in our transportation systems and projections indicate that without additional revenue the percent of the state's highways rated in good condition will drop from 83 percent in 2008 to less than 50% in 2020. It would be wasteful to lose our investment because we did not responsibly care for our transportation infrastructure; and

WHEREAS, The state and the country is in the greatest recession since the Great Depression of the 1930s, and transportation construction would provide an economic stimulus to the state through the employment of thousands of men and women in the improvement of our state's transportation infrastructure; and

WHEREAS, All 105 Kansas counties and more than 200 Kansas cities have formally adopted resolutions in support of a new comprehensive transportation plan; and

WHEREAS, Funding of a new Comprehensive Transportation Program was not possible this year as a result of the weakened economy of the state; and

WHEREAS, The T-LINK Task Force met in 2008 over a period of five months, held statewide meetings attended by over 850 Kansans, concluded that a new transportation program is needed and widely supported, and developed a set of recommendations for the state's transportation system; and

WHEREAS, The Legislature's Special Committee on a new Comprehensive Transportation Plan held six meetings across the state, heard testimony from over 120 Kansans, and concluded that a new transportation program is needed and supported; and WHEREAS, Any new transportation plan should build on the body of work already created by the T-LINK Task Force and the Special Committee on a new Comprehensive Transportation Plan: Now, therefore,

Be it resolved by the Senate of the State of Kansas, the House of Representatives concurring therein: That we undertake efforts during the 2009 legislative interim to develop a plan to present to the 2010 Session of the Kansas Legislature and Governor for funding a new, multi-year transportation plan that recognizes the needs of both rural and urban Kansas, supports the economic priorities of the state, and uses the strength of all modes of transportation to help stimulate the state's economic recovery.

Any member of the Kansas public employees retirement system may purchase up to two years of participating service credit for service as approved, directly related journeyman experience above the apprenticeship as required by K.A.R. 91-1-39 prior to the revocation of such regulation on June 30, 2003, for day trade, personal service and public service teachers which commenced on or after January 1, 1962. Such purchase of participating service credit shall be made in accordance with the provisions of K.S.A. 74-49,123, and amendments thereto. The benefit for each such period of service purchased by the member shall be equal to 1.75% of the final average salary of any such member. Such member may purchase such participating service credit by submitting proof of such service acceptable to the board of trustees and by making application therefor prior to the date of retirement of such member for such purchase and to have such member's employee contributions deducted from such member's compensation at an additional rate of contribution, in addition to the employee's rate of contribution as provided in K.S.A. 74-4919, and amendments thereto, based upon the member's attained age at the time of purchase and using actuarial assumptions and tables in use by the retirement system at such time of purchase for such periods of service. Such additional rate of contribution shall commence at the beginning of the quarter following the date upon which such member made application for such purchase and shall remain in effect until all of the full quarters of such service have been purchased. In lieu of the deduction of employee contributions as provided in this section, any such member may purchase such participating service credit by means of a single lump-sum payment in an amount equal to the then present value of benefits being purchased as determined by the actuary using the member's attained age at the time of purchase, annual compensation at the time of purchase and the actuarial assumptions and tables currently in use by the system. The lump-sum payment shall be made immediately upon being notified of the amount due under this purchase method. The provisions of this section shall be part of and supplemental to the provisions of K.S.A. 74-4901 et seq., and amendments thereto.

Sec. 5. K.S.A. 2008 Supp. 74-4920 is hereby amended to read as follows: 74-4920. (1) (a) Upon the basis of each annual actuarial valuation and appraisal as provided for in subsection (3)(a) of K.S.A. 74-4908 and amendments thereto, the board shall certify, on or before July 15 of each year, to the division of the budget in the case of the state and to the agent for each other participating employer an actuarially determined estimate of the rate of contribution which will be required, together with all accumulated contributions and other assets of the system, to be paid by each such participating employer to pay all liabilities which shall exist or accrue under the system, including amortization of the actuarial accrued liability as determined by the board. The board shall determine the actuarial cost method to be used in annual actuarial valuations, to determine the employer contribution rates that shall be certified by the board. Such certified rate of contribution, amortization methods and periods and actuarial cost method shall be based on the standards set forth in subsection (3)(a) of K.S.A. 74-4908 and amendments thereto and shall not be based on any other purpose outside of the needs of the system.

(b) (i) For employers affiliating on and after January 1, 1999, upon the basis of an annual actuarial valuation and appraisal of the system conducted in the manner provided for in K.S.A. 74-4908 and amendments thereto, the board shall certify, on or before July 15 of each year to each such employer an actuarially determined estimate of the rate of contribution which shall be required to be paid by each such employer to pay all of the liabilities which shall accrue under the system from and after the entry date as determined by the board, upon recommendation of the actuary. Such rate shall be termed the employer's participating service contribution and shall be uniform for all participating employers. Such additional liability shall be amortized as determined by the board. For all participating employers described in this section, the board shall determine the actuarial cost method to be used in annual actuarial valuations to determine the employer contribution rates that shall be certified by the board.

(ii) The board shall determine for each such employer separately an amount sufficient to amortize all liabilities for prior service costs which shall have accrued at the time of entry into the system. On the basis of such determination the board shall annually certify to each such employer separately an actuarially determined estimate of the rate of contribution which shall be required to be paid by that employer to pay all of the liabilities for such prior service costs. Such rate shall be termed the employer's prior service contribution.

(2) The division of the budget and the governor shall include in the budget and in the budget request for appropriations for personal services the sum required to satisfy the state's obligation under this act as certified by the board and shall present the same to the legislature for allowance and appropriation.

(3) Each other participating employer shall appropriate and pay to the system a sum sufficient to satisfy the obligation under this act as certified by the board.

(4) Each participating employer is hereby authorized to pay the employer's contribution from the same fund that the compensation for which such contribution is made is paid from or from any other funds available to it for such purpose. Each political subdivision, other than an instrumentality of the state, which is by law authorized to levy taxes for other purposes, may levy annually at the time of its levy of taxes, a tax which may be in addition to all other taxes authorized by law for the purpose of making its contributions under this act and, in the case of cities and counties, to pay a portion of the principal and interest on bonds issued under the authority of K.S.A. 12-1774 and amendments thereto by cities located in the county, which tax, together with any other fund available, shall be sufficient to enable it to make such contribution. In lieu of levying the tax authorized in this subsection, any taxing subdivision may pay such costs from any employee benefits contribution fund established pursuant to K.S.A. 12-16,102 and amendments thereto. Each participating employer which is not by law authorized to levy taxes as described above, but which prepares a budget for its expenses for the ensuing year and presents the same to a governing body which is authorized by law to levy taxes as described above, may include in its budget an amount sufficient to make its contributions under this act which may be in addition to all other taxes authorized by law. Such governing body to which the budget is submitted for approval, may levy a tax sufficient to allow the participating employer to make its contributions under this act, which tax, together with any other fund available, shall be sufficient to enable the participating employer to make the contributions required by this act.

(5) (a) The rate of contribution certified to a participating employer as provided in this section shall apply during the fiscal year of the participating employer which begins in the second calendar year following the year of the actuarial valuation.

(b) (i) Except as specifically provided in this section, for fiscal years commencing in calendar year 1996 and in each subsequent calendar year, the rate of contribution certified to the state of Kansas shall in no event exceed the state's contribution rate for the immediately preceding fiscal year by more than 0.2% of the amount of compensation upon which members contribute during the period.

(a) "Board" means the state board of pharmacy.

(b) "Methamphetamine precursor" means any compound, mixture or preparation containing pseudoephedrine, ephedrine or phenylpropanolamine, or any of their salts or optical isomers, or salts of optical isomers, but does not include products that have been formulated in such a way as to effectively prevent the conversion of the active ingredient into methamphetamine, or its salts for precursors, and does not include animal feed products containing ephedrine or any naturally occurring or herbal ephedra or extract of ephedra.

(c) "Pharmacy" means premises, laboratory, area or other place, including in-state and out-of-state facilities that are required to be registered under K.S.A. 65-1643 or 65-1657, and amendments thereto: (1) Where drugs are offered for sale where the profession of pharmacy is practiced and where prescriptions are compounded and dispensed; or (2) which has displayed upon it or within it the words "pharmacist," "pharmaceutical chemist," "pharmacy," "apothecary," "drugstore," "druggist," "drugs," "drug sundries" or any of these words or combinations of these words or similar import either in English or any sign containing any of these words; or (3) where the characteristic symbols of pharmacy or the characteristic prescription sign "Rx" may be exhibited.

New Sec. 2. (a) The board shall establish and maintain a program for a statewide electronic logging system for sale of methamphetamine precursors.

(d) Each pharmacy that is capable shall submit the information from the log in real time in accordance with transmission methods specified in rules and regulations promulgated by the board.

Such waiver may permit the pharmacy to submit log information by paper form or other means, provided that all information required by rules and regulations is submitted in this alternative format.

(f) No pharmacy or pharmacy employee shall be liable to any person in a civil action for damages or other relief arising from a sale of a methamphetamine precursor that occurs at another pharmacy.

Any contractor shall be bound to comply with the provisions regarding confidentiality of log information in this section, and amendments thereto, and shall be subject to the penalties specified in section 7, and amendments thereto, for unlawful acts.

(b) All information collected for the program database and any records maintained by the board, or by any entity contracting with the board, submitted to, maintained or stored as a part of the database, shall be retained for five years. (1) The land is platted, and some part of the land adjoins the city.

(2) The land is owned by or held in trust for the city or any agency thereof.

(3) The land adjoins the city and is owned by or held in trust for any governmental unit other than another city except that no city may annex land owned by a county without the express permission of the board of county commissioners of the county other than as provided in subsection (f).

(4) The land lies within or mainly within the city and has a common perimeter with the city boundary line of more than 50%.

(5) The land if annexed will make the city boundary line straight or harmonious and some part thereof adjoins the city, except no land in excess of 21 acres shall be annexed for this purpose.

(6) The tract is so situated that $\frac{4}{3}$ of any boundary line adjoins the city, except no tract in excess of 21 acres shall be annexed under this condition.

(7) The land adjoins the city and a written petition for or consent to annexation is filed with the city by the owner.

(b) No portion of any unplatted tract of land devoted to agricultural use of 21 acres or more shall be annexed by any city under the authority of this section without the written consent of the owner thereof.

(c) No city may annex, pursuant to this section, any improvement district incorporated and organized pursuant to K.S.A 19-2753 et seq., and amendments thereto, or any land within such improvement district. The provisions of this subsection shall apply to such improvement districts for which the petition for incorporation and organization was presented on or before January 1, 1987.

(d) Subject to the provisions of this section and subsection (e) of K.S.A. 12-520a, and amendments thereto, a city may annex, pursuant to this section, any fire district or any land within such fire district.

(e) Whenever any city annexes any land under the authority of paragraph 2 of subsection (a) which does not adjoin the city, tracts of land adjoining the land so annexed shall not be deemed to be adjoining the city for the purpose of annexation under the authority of this section until the adjoining land or the land so annexed adjoins the remainder of the city by reason of the annexation of the intervening territory.

(f) No city may annex the right-of-way of any highway under the authority of this section unless at the time of the annexation the abutting property upon one or both sides thereof is already within the city or is annexed to the city in the same proceeding. The board of county commissioners may notify the city of the existence of any highway which has not become part of the city by annexation and which has a common boundary with the city. The notification shall include a legal description and a map identifying the location of the highway. The governing body of the city shall certify by ordinance that the certification is correct and declare the highway, or portion of the highway extending to the center line where another city boundary line abuts the opposing side of the highway, annexed to the city as of the date of the publication of the ordinance.

(g) The governing body of any city by one ordinance may annex one or more separate tracts or lands each of which conforms to any one or more of the foregoing conditions. The invalidity of the annexation of any tract or land in one ordinance shall not affect the validity of the remaining tracts or lands which are annexed by the ordinance and which conform to any one or more of the foregoing conditions.

(h) No city may utilize any provision of this section from and after July 1, 2009, to annex a narrow corridor of land to gain access to noncontiguous tracts of land. The corridor of land must have a tangible value and purpose other than for enhancing future annexations of land by the city.

New Sec. 7. Any city which annexes an area of land under provisions of K.S.A. 12-520 through 12-521, and amendments thereto, shall spend all the proceeds from the ad valorem taxes levied against such land for a period of one year from the date of annexation to provide municipal infrastructure and municipal services, other than police and fire services, to such area. A report documenting the amount of money raised by ad valorem taxes in such area and the amount of money spent in such area shall be made available for public inspection in the city clerk's office.

New Sec. 8. Not less than 60 days before the effective date of any ordinance annexing land into the boundaries of any city:

(a) The city shall give written notice to any rural water district organized pursuant to K.S.A. 82a-612 et seq., and amendments thereto, in whose territory the land or any portion thereof is located of the city's intent to annex such land; and

(b) the notice shall contain the description of the land to be annexed and the city's plan for the provision of water service to the land being annexed.

New Sec. 9. Following annexation of rural water district territory by a city, the city and the district may contract for the district to provide water service to all or certain portions of the annexed area. If the agreement includes a provision for the payment of a franchise fee to the city, such agreement shall be subject to the provisions of K.S.A. 12-2001 et seq., and amendments thereto.

New Sec. 10. (a) Following annexation, the rural water district shall remain the water service provider to the annexed area unless the city gives written notice designating a different supplier. If the city designates a different supplier, the city shall purchase the property, facilities, improvements and going concern value of the facilities of the district located within the territory annexed by the city. If an agreement for the purchase of such property, facilities, improvements and going concern value of the facilities of the district annexed by the city is not executed within 90 days after delivery of the notice designating a different supplier, the city and the rural water district in good faith shall engage in mediation. Unless an agreement is executed, no change in water service provider shall occur and no appraisers shall be appointed until more than 120 days after delivery of the notice of intent to change the water supplier and the mediation has been terminated.

(b) If the district and the city are unable to reach agreement on the reasonable value for such property, facilities, improvements and going concern value of the facilities of the district, then the reasonable value shall be determined in the following manner:

(1) The district and the city shall each select one qualified appraiser and the two appraisers so selected shall then select a third appraiser for the purpose of conducting an appraisal to determine reasonable value of the property, facilities, improvements and going concern value of the facilities of the district annexed by the city. The appraisers shall consider all elements of value, employing any method of valuation the appraisers deem appropriate and shall specifically consider the following factors in determining reasonable value:

(A) Whether any property of the district is rendered useless or valueless to the district;

 $(B) \;$ the amount of damage to property remaining in the ownership of the district following annexation;

(C) impact on the existing indebtedness of the district and such district's ability to repay that debt;

(D) the value of the service facilities of the district located within the area in question;
 (E) the amount of any expenditures for planning, design or construction of service facilities outside the incorporated or annexed area that are allocable to service to the area in question;

(F) the amount of the district's contractual obligations allocable to the area in question;

(G) any demonstrated impairment of service or increase of cost to consumers of the district remaining after the annexation and the impact on future revenues lost from existing customers;

(H) any necessary and reasonable legal expenses and professional fees;

(I) any factors relevant to maintaining the current financial integrity of the district;

(J) the average increase in the number of benefit units in the area annexed for the three years immediately preceding such annexation; and

(K) any other relevant factors as agreed to by the three appointed appraisers.

(2) The appraisers shall hear such evidence as the appraisers deem appropriate and shall make a written summary of findings and conclusions. The agreement or decision of at least two of the three appraisers shall be the fair market value presented to the city for payment and the district for acceptance.

(3) If either the district or the city is dissatisfied with the decision of the appraisers, then the district or the city may appeal within 30 days such award to the district court. Such appeal shall be heard de novo by the court without a jury.

(c) The compensation required by this section shall be paid to the district whether or not the city actually utilizes the facilities of the district for the delivery of water to property within the city and shall be paid at a time not later than 120 days following the date upon which the fair market value of the facilities are certified to the city and to the district, or at such later date as may be mutually agreed upon by the city and the district or as may be determined by the district court.

(d) In any event, the district may elect to retain facilities located within the city used for transmission of water, provided that the district use those facilities to continue to supply water service to benefit units outside the city. The district shall not receive compensation for facilities it elects to retain.

(e) Except as otherwise provided, nothing in this section shall be construed as limiting the authority of a city to select water service suppliers to areas within the city limits, or to limit the authority of a city to adopt and enforce regulations for the operation of a water service supplier, including, but not limited to, standards of water quality, classification of water customers, capacity of water system, water system connections to sanitary sewer systems, rates and billing practices and other regulations for protection of the public health, safety and welfare.

(f) In the event that a district will no longer be the water supplier to land as a result of annexation and notice pursuant to subsection (a), the district shall continue to provide such service until the city gives notice of its assumption of responsibility for service, designating the date that the service shall transfer to the supplier designated by the city. The district and the city shall cooperate as necessary to minimize the inconvenience to water customers as a result of the transfer. The city shall give written notice to each customer of the district for whom water service is being transferred specifying the name and address of the new supplier, the effective date of the transfer, the reason for the transfer and a schedule of applicable rates. The district at the time of annexation during the period of negotiations unless such customer has violated district bylaws or rules and regulations.

(g) Following the transfer of water service from the district to the city, the annexed land, or amount of such land for which water service has been transferred to the city, shall be deleted from the territory of the district and all benefit units attached to land located therein shall be canceled without compensation. Notice of such deletion of territory shall be provided to the county clerk and the chief engineer of the division of water resources of the department of agriculture. Sec. 11. K.S.A. 2008 Supp. 82a-612 is hereby amended to read as follows: 82a-612. As used in this act, unless the context clearly requires otherwise:

(e) "chief engineer" means the chief engineer of the division of water resources, Kansas department of agriculture.

Sec. 12. K.S.A. 2008 Supp. 82a-646 is hereby amended to read as follows: 82a-646. (a) Terms used in this section shall have the meanings provided by K.S.A. 82a-612, and amendments thereto.

(b) If certain lands included within a district cannot be economically or adequately served by the facilities of the district, the owners of such lands may petition the board of directors of the district to release those lands from the district. The petition shall describe the lands requested to be released and shall be signed by at least 75% of the total number of the owners of the lands requested to be released. The board of directors may prescribe a fee to be collected from the petitioners for the purpose of offsetting costs reasonably expected to be incurred by the district in hearing the request for release. The petition for release, together with a verified list of the names and addresses of all owners of the land requested to be released, and the prescribed fee, shall be filed with the secretary of the district.

(c) If the board of directors of the district finds the petition to be in proper form, the board shall conduct a hearing on the petition for release. Notice of the time and place of the hearing shall be mailed to all owners of land requested to be released not later than 10 days before the hearing. The hearing may be continued from time to time without further notice to landowners.

(d) In considering the petition for release, the board shall consider whether the lands requested to be released cannot be economically or adequately served by the facilities of the district and whether the release would be in the best interests of the landowners and the district, based on the following factors. make specific written findings of fact and conclusions determining whether the lands requested to be released cannot be economically or adequately serviced by the facilities of the district and whether such release would be in the best interests of the landowner and the district. The findings and conclusions shall be based upon the preponderance of evidence presented to the board. In determining whether to grant the petition for release, the board's considerations shall be based on the following factors:

(1) Whether the petitioners for release of lands have applied for one or more benefit units to serve the lands requested to be released, which applications have been denied directly or where the cost of the benefit units or service or equipment is unreasonable, excessive or confiscatory so as to render service unavailable;

(2) the length of time before the board of directors reasonably expect to make water service available to the lands requested to be released;

(3) whether water service is available from another source if the lands are released from the district *and the relative cost of obtaining service from each source*;

(4) if water service is available from the district to the lands requested to be released, the relative cost of obtaining such water service, as determined by the district, compared to the additional value of the lands after water service is made available;

(5) if water service is available from the district, the cost of obtaining such water service, as determined by the district, compared to the cost of obtaining water from another source;

(6) whether any applicable law will prevent any other water suppliers from serving the lands requested to be released; and

(7) whether the district's interest in maintaining the integrity of its territory is outweighed by the landowners' need to obtain a source of supply of water to the lands requested to be released;

(8) whether the decision of such board to deny release of lands would allow the district to yield more than adequate compensation;

(9) whether the district establishes a rate for services or equipment that is disproportionate to the services rendered;

(10) whether the district has provided water service to residents or landowners within the disputed territory and would be losing existing customers or whether the disputed territory would supply new customers;

(11) whether the district can provide a safe and adequate supply of water to customers of such district and whether a greater level of water service can be provided by another provider and the relative cost of each option;

(12) whether such board's refusal to detach the territory would result in any economic waste or hinder any economic development; and

(13) where a district provides water service to residences and where a city is required to provide fire protection services, if duplicate water service lines would cause any economic or physical waste.

(d) The board may approve the release of all or part of the lands requested to be released or may deny the request. The burden of proof shall be on the petitioners for release. The board of directors shall make a determination on the petition for release within 120 days after its receipt, shall record its *written* findings *and conclusions* in the minutes of the district and shall mail a copy of such *written* findings *and conclusions* to each petitioner within seven days.

(e) *Except as provided in subsection (f)*, any owner of land requested to be released from the district who is dissatisfied with the determination of the board of directors on the petition for release may bring an action in the district court of the county in which the district is located to determine if the board of directors of the district abused its discretion in making such determination. Such appeal shall be filed within 30 days after the final decision of the board.

(f) If the district denies the landowner's petition for release because such release would not yield adequate compensation to the district, once such release is denied, the district and the landowner shall determine the amount of compensation sufficient to enable the district to be adequately compensated from the release in the following manner:

(1) The district and the landowner shall each select one qualified appraiser and the two appraisers so selected shall then select a third appraiser for the purpose of conducting an appraisal to determine the amount of compensation sufficient to enable the district to be adequately compensated from the release. The appraisers shall consider all elements of value, employing any method of valuation the appraisers deem appropriate and shall specifically consider the following factors in determining reasonable value:

(A) Whether any property of the district is rendered useless or valueless to the district;

(B) the impact on the existing indebtedness of the district and such district's ability to repay that debt;

(C) the value of the service facilities of the district located within the area in question;

 $(D) \quad the \ amount \ of \ the \ district's \ contractual \ obligations \ allocable \ to \ the \ area \ in \ question;$

(E) any demonstrated impairment of service or increase of cost to consumers of the district remaining after the release and the impact on future revenues lost from existing customers;

(F) any necessary and reasonable legal expenses and professional fees;

(G) any factors relevant to maintaining the current financial integrity of the district; and

(H) any other relevant factors.

(2) The appraisers shall hear such evidence as the appraisers deem appropriate and shall make a written summary of findings and conclusions. At least two of the three appraisers shall agree as to the amount of compensation owed by the landowner to the district and shall require such payment from the landowner to the district for acceptance.

(3) If either the district or the landowner is dissatisfied with the decision of the appraisers, then the district or the landowner may appeal within 30 days such award to the district court. Such appeal shall be heard de novo by the court without a jury.

(f) (g) If the board of directors of the district approves the petition, or if the district court on appeal determines that the board abused its discretion in denying release, a copy of the board's action approving the release or of the district court's order on appeal, as the case may be, shall be transmitted to the chief engineer and to the county clerk, who shall note the change of such district's boundaries.

New Sec. 13. The provisions of sections 8 through 10, and amendments thereto, shall be part of and supplemental to the Kansas rural water district act.

Sec. 14. K.S.A. 12-519, 12-520b, 12-521, 12-531, 12-532 and K.S.A. 2008 Supp. 12-520, 82a-612 and 82a-646 are hereby repealed.";

And by renumbering the remaining section accordingly;

Be it further resolved: That members of the legislature shall not receive the per diem compensation and subsistence allowances provided for in subsections (a) and (b) of K.S.A. 46-137a, and amendments thereto, for any day within a period in which both houses of the legislature are adjourned for more than two days, Sundays excepted; and

Be it further resolved: That members of the legislature attending a legislative meeting of whatever nature when authorized pursuant to law, or by the President of the Senate, the Speaker of the House of Representatives or the Legislative Coordinating Council during the period of adjournment for which members are not authorized per diem compensation and subsistence allowances pursuant to K.S.A. 46-137a, and amendments thereto, shall receive compensation and travel expenses or allowances as provided by K.S.A. 75-3212, and amendments thereto.

On motion of Senator D. Schmidt, SCR 1619 was adopted by voice vote.

On motion of Senator D. Schmidt and in compliance with **SCR 1619**, the Senate adjourned until Sine Die at 10:00 a.m., Thursday, June 4, 2009.

MESSAGE FROM THE HOUSE

Announcing a veto message from the Governor on **SENATE Substitute for Substitute** for **HOUSE BILL No. 2014**, AN ACT concerning energy; relating to conservation and electric generation, transmission and efficiency and air emissions; amending K.S.A. 19-101a, 55-1,117, 65-3012 and 66-104d and K.S.A. 2008 Supp. 65-3005, 65-3008a, 66-1,184, 74-99d07 and 74-99d14 and repealing the existing sections; also repealing K.S.A. 19-101m., was received on April 13, 2009, and read on April 29,2009.

Message from the Governor

"Last year, I vetoed legislation that forced the Secretary of the Kansas Department of Health and Environment to issue air quality permits for two new coal fired plants which would produce 11 million tons of carbon dioxide each year. These new plants would generate 1400 megawatts of electricity, most of which would be exported to Colorado and Texas. In fact, Kansas would only get 200 megawatts of electricity, while we would get all of the new pollution.

"I vetoed that legislation because while the rest of the country was trying to reduce greenhouse emissions, Kansas would be creating massive new emissions for power we don't need. Additionally, it appeared that federal legislation that would penalize new carbon dioxide emissions was on the horizon leaving Kansans vulnerable for years to come.

"The bill before me now attempts to take us down that failed path once again. What was a bad idea last year, is an even worse idea today. Now, we know that according to Sunflower Electric's own reports, their customers will not need additional power until 2018. We also know that President Obama is moving aggressively to regulate new carbon dioxide emissions. These developments reaffirm that now is not the time for new coal plants in Kansas.

"Prior to the start of this legislative session, Lieutenant Governor Parkinson and I worked with utility stakeholders to develop a renewable portfolio standard that would have further developed the natural resource we have in wind energy. Our proposed energy legislation contained real net-metering so that Kansans would be fairly compensated for power they generated; we also included energy efficiency measures to reduce our future energy needs.

"We presented these proposals to the legislature, with the hope that the legislature would move towards a renewable energy economy creating thousands of jobs right here in Kansas. However, the legislature chose instead to sacrifice real comprehensive energy legislation in the pursuit of more coal-fired power plants.

"Despite what supporters of this legislation say, HB 2014 does little to advance clean, renewable energy. In fact, the renewable energy standards established in HB 2014 are less

than the voluntary standards we already have today. The net metering provisions in the bill are weaker than any of the 42 states that currently offer net metering to utility consumers.

"Kansas needs legislation that will increase development of our renewable energy resources, increase energy efficiency measures and create good-paying jobs. Once again, as the rest of the country moves toward a renewable energy future, the legislature is intent on darkening Kansas' energy future with new coal plants that will provide energy we don't yet need.

"I encourage the legislature to abandon its efforts to saddle Kansas with massive new carbon dioxide emissions, and instead adopt a plan that will take advantage of our enormous wind assets and really look at energy efficiency as a way to stretch our power sources well into the future while creating thousands of sustainable Kansas jobs.

"Pursuant to Article 2, Section 14 of the Constitution of the State of Kansas, I veto House Bill 2014."

Kathleen Sebelius, Governor Dated: April 13, 2009

There being no motion to reconsider **Senate Substitute for Substitute for House Bill No. 2014**, the veto was sustained.

MESSAGE FROM THE HOUSE

Announcing a veto message from the Governor on **House Bill No. 2121**, AN ACT concerning agriculture; relating to application of swine waste; pesticide and fertilizer programs; fees; milk and dairy products; fees and labeling requirements; amending K.S.A. 2-2203, 2-2206, 2-2206, 2-2207, 2-2209, 2-2214, 2-2440a, 2-2440c, 2-2440e, 2-2446e, 2-2449, 2-2450, 2-2454, 2-2455, 2-2470 and 2-2471 and K.S.A. 2008 Supp. 2-1205, 2-2202, 2-2204, 2-2438a, 2-2440b, 2-2440b, 2-2441a, 2-2443a, 2-2445a, 2-2469, 2-2905, 2-2906, 2-3304, 2-3306, 2-3309, 2-3318, 65-778, 65-781 and 65-1,182 and repealing the existing sections; also repealing K.S.A. 2-1211 and 2-2466, was received on April 23, 2009 and read on April 29, 2009.

Message from the Governor

"House Bill 2121 contains a number of provisions relating to pesticide and fertilizer laws and fees as well as dairy inspection and dairy-related fees. Without these fees, Kansas could lose important programs that support essential agricultural business operations in our state. I urge the legislature to send me these components in an independent bill so I can affix my signature and the Department of Agriculture can effectively administer these programs.

"However, the Bill before me also provides for changes in dairy labeling that could make it more difficult to provide consumers with clear information.

"The milk labeling provisions negatively impact a dairy producer's ability to inform consumers that milk is from cows not treated with recombinant bovine growth hormone (rBST).

"Supporters of the bill claim it's necessary to protect consumers from false or misleading information. Yet there has been overwhelming opposition by consumer groups, small dairy producers and retailers to this proposed legislation.

"Furthermore, I am concerned that patchwork labeling requirements that differ from state to state will make it too expensive, in an already troubled economy, to provide consumers with information regarding the dairy products they purchase.

"Therefore, pursuant to Article 2, Section 14 of the Constitution of the State of Kansas, I veto HB 2121."

Kathleen Sebelius, Governor Dated: April 23, 2009

There being no motion to reconsider House Bill No. 2121, the veto was sustained.

MESSAGE FROM THE HOUSE

Announcing a veto message from the Governor on **HOUSE BILL No. 2172**, AN ACT concerning taxation; relating to cash rebates on sales or leases of new motor vehicles; exemptions; valuation of land devoted to agricultural use for estate tax purposes; periods of limitation for income tax refunds and adjustments of income; homestead property tax refunds; amending K.S.A. 2008 Supp. 79-15,253, 79-3230, 79-3602, as amended by section 1 of 2009 House Bill No. 2321, 79-3603, 79-3606 and 79-4502 and repealing the existing sections, was received on April 23, 2009 and read on April 29, 2009.

Message from the Governor

"Many of the organizations requesting tax exemptions in HB 2172 are worthy organizations with important missions; and individually, their requests do not amount to much of a loss in state revenues. However, when added together, the loss in state revenue grows dramatically from \$4.5 million in the first year, to more than \$11 million just a few years from now.

"On April 17th we learned that state revenues leave a deficit gap of \$328 million, impacting the budgets of critical social service programs. With this in mind, I am concerned that further reducing revenues through tax breaks would negatively impact the budgets of critical services for Kansans.

"While the intent of this legislation is good, given the incredible economic challenges and revenue deficits we are facing, we simply are not able to offer these additional tax breaks right now.

"Therefore, pursuant to Article 2, Section 14 of the Constitution of the State of Kansas, I veto HB 2172."

Kathleen Sebelius, Governor Dated: April 23, 2009

There being no motion to reconsider House Bill 2172, the veto was sustained.

MESSAGE FROM THE HOUSE

Announcing a veto message from the Governor on SENATE Substitute for HOUSE BILL No. 2354, AN ACT making and concerning appropriations for the fiscal years ending June 30, 2009, June 30, 2010, June 30, 2011, June 30, 2012, June 30, 2013, and June 30, 2014, for state agencies; authorizing certain transfers, capital improvement projects and fees, imposing certain restrictions and limitations, and directing or authorizing certain receipts, disbursements, procedures and acts incidental to the foregoing; amending section 95 of 2009 House Substitute for Substitute for Senate Bill No. 23 and K.S.A. 2008 Supp. 2-223, 12-5256, 55-193, as amended by section 87 of 2009 House Substitute for Substitute for Senate Bill No. 23, 75-6702, 76-7,107, 79-2959, 79-2964, 79-2978, as amended by section 88 of 2009 House Substitute for Substitute for Senate Bill No. 23, 79-2979, as amended by section 89 of 2009 House Substitute for Substitute for Senate Bill No. 23, 79-3425i, as amended by section 90 of 2009 House Substitute for Substitute for Senate Bill No. 23, 79-4801, as amended by section 92 of 2009 House Substitute for Substitute for Senate Bill No. 23, and 82a-953a, as amended by section 93 of 2009 House Substitute for Substitute for Senate Bill No. 23, and repealing the existing sections., received on April 13, 2009, read on April 29, 2009.

Message from the Governor

Message to the House of Representatives

"In January, I presented the legislature a balanced budget for Fiscal Year 2010 that cut state spending while protecting our schools and our most vulnerable Kansans. In the months following my budget proposal, it became clear that state revenues would continue to decline dramatically as a result of the national economic recession. That's why my budget, and its subsequent budget amendments, proposed millions of dollars in additional savings.

"Unfortunately, the legislature chose not to take action on a number of these cost saving measures. Consequently, the additional cuts to education and services the legislature has

imposed in this bill give me pause, particularly when they chose to leave millions of dollars in revenue on the table that would have made these cuts unnecessary.

"Furthermore, the American Reinvestment and Recovery Act provides Kansas an opportunity to protect our investment in our children's education. Because there is still uncertainty regarding the minimum threshold of funding a state must maintain to access these funds, we should not put this funding in jeopardy. I encourage the legislature to reconsider the revenue enhancements they have chosen to ignore, before further slashing education and other vital state services.

"Therefore, pursuant to Article 2, Section 14 of the Constitution of the State of Kansas, I hereby return Senate Substitute for House Bill No. 2354 with my signature approving the bill, except for the items enumerated below:

Kansas Savings Incentive Program

KSIP Authorization

Sections 30, 98(i), and 100 have been line-item vetoed in their entirety.

As part of my budget recommendations, I abolished this program and swept available monies to the State General Fund. The legislature chose to reinstate the program for FY 2010. This action is contrary to the purpose of strategically reducing agency budgets and should be reconsidered.

Members were given the opportunity to reconsider the line item veto. There having been no motion to reconsider the line item veto, the Speaker of the House ruled the line item veto sustained.

Kansas Technology Enterprise Corporation

Agency Status

Section 56 has been line-item vetoed in its entirety.

I believe that the State of Kansas has an important role in encouraging economic development and helping Kansas get through economically difficult times. The challenges that Kansas has experienced with the downturn of the economy also bring great opportunities. Kansas needs to reexamine its economic development efforts to ensure that they are focused, efficient and positioned to grow the economy in the future. In light of recent evaluations of the Kansas Technology Enterprise Corporation (KTEC), and given our limited state resources, it makes little sense to use the same system and expect different results. KTEC, under its current organization and operation, has struggled to produce a solid return on our investment in recent years. Therefore, I veto this section to allow the legislature to thoroughly review this program to ensure Kansas is positioned to develop a strong economy for years to come.

Members were given the opportunity to reconsider the line item veto. There having been no motion to reconsider the line item veto, the Speaker of the House ruled the line item veto sustained.

Regents System

Use of State Fiscal Stabilization Fund Monies

That portion of Section 72(b) that reads as follows has been line-item vetoed:

"*Provided*, That expenditures made from the federal higher education fiscal stabilization fund—Fort Hays state university shall be expended only for deferred maintenance."

That portion of Section 73(b) that reads as follows has been line-item vetoed:

"*Provided*, That expenditures made from the federal higher education fiscal stabilization fund—Kansas state university shall be expended only for deferred maintenance."

That portion of Section 74(b) that reads as follows has been line-item vetoed:

"*Provided*, That expenditures made from the federal higher education fiscal stabilization fund—Kansas state university extension systems and agriculture research programs shall be expended only for deferred maintenance."

That portion of Section 75(b) that reads as follows has been line-item vetoed:

"*Provided*, That expenditures made from the federal higher education fiscal stabilization fund—Kansas state university veterinary medical center shall be expended only for deferred maintenance."

That portion of Section 76(b) that reads as follows has been line-item vetoed:

"*Provided*, That expenditures made from the federal higher education fiscal stabilization fund—Emporia state university shall be expended only for deferred maintenance."

That portion of Section 77(b) that reads as follows has been line-item vetoed:

"*Provided*, That expenditures made from the federal higher education fiscal stabilization fund—Pittsburg state university shall be expended only for deferred maintenance."

That portion of Section 78(b) that reads as follows has been line-item vetoed:

"*Provided*, That expenditures made from the federal higher education fiscal stabilization fund—university of Kansas shall be expended only for deferred maintenance."

That portion of Section 79(b) that reads as follows has been line-item vetoed:

"*Provided*, That expenditures made from the federal higher education fiscal stabilization fund—university of Kansas medical center shall be expended only for deferred maintenance."

That portion of Section 80(b) that reads as follows has been line-item vetoed:

"*Provided*, That expenditures made from the federal higher education fiscal stabilization fund—Wichita state university shall be expended only for deferred maintenance."

That portion of Section 81(b) that reads as follows has been line-item vetoed:

"*Provided*, That all moneys credited to the federal higher education fiscal stabilization fund shall be expended only for deferred maintenance."

That portion of Section 81(b) that reads as follows has been line-item vetoed:

"*Provided*, That all moneys credited to the federal higher education fiscal stabilization fund—community colleges shall be expended only for deferred maintenance."

That portion of Section 81(b) that reads as follows has been line-item vetoed:

"*Provided*, That all moneys credited to the federal higher education fiscal stabilization fund—municipal university shall be expended only for deferred maintenance."

That portion of Section 81(b) that reads as follows has been line-item vetoed:

"*Provided*, That all moneys credited to the federal higher education fiscal stabilization fund—postsecondary technical education shall be expended only for deferred maintenance."

Early in FY 2009 the Kansas higher education system began to plan for the possibility that state support in FY 2010 could be as much as 7.0 percent below the approved level for FY 2009. Although the cuts are planned, they will have a significant and negative impact across the state's system. However, given the enacted budget, the Board of Regents has stated that its plan would be to allocate the Recovery Act funds for deferred maintenance as well as tuition cost mitigation. The board notes that it would be unable impose a tuition freeze if the level of state support fell below what I have proposed for FY 2010. Now is not the time to make college less affordable.

My veto of the Federal Higher Education Fiscal Stabilization Fund provisos for FY 2010 will allow the Board of Regents to implement its plan and become a partner with the state

in these challenging times. I therefore find it necessary to veto these constraints placed on the Federal Higher Education Fiscal Stabilization Fund.

Members were given the opportunity to reconsider the line item veto. There having been no motion to reconsider the line item veto, the Speaker of the House ruled the line item veto sustained.

Animal Health

Transfer of Federal Monies to the State General Fund

Section 93(f) has been line-item vetoed in its entirety.

The Greensburg Account of the Disease Control—Federal Fund was established to receive federal reimbursement for the Animal Health Department's expenditures related to expenses incurred during the Greensburg tornado recovery and care of animals. This section, as written, does not follow proper accounting procedures for a transfer of these federal monies to the State General Fund. Given the enormous impact federal funds have on our budget, we must properly account for the monies.

Members were given the opportunity to reconsider the line item veto. There having been no motion to reconsider the line item veto, the Speaker of the House ruled the line item veto sustained.

The roll was called with thirty senators present.

Senators Colyer, Donovan, Lee, Ostmeyer, V. Schmidt, Schodorf, Steineger, Teichman, Wagle and Wysong were excused.

Invocation by Chaplain Fred S. Hollomon:

Heavenly Father,

Once more we've been informed The budget's come up short. Reducing programs for the needy Could be our last resort.

Many of us have thought for years That our government's been forced to do What we Christians and our churches Could contribute much more to.

In the book of Matthew (25:31-46) Jesus makes it clear Who will inherit His kingdom When judgement day is here.

Those who feed the hungry And take care of the sick; Who give the thirsty water Are those whom Jesus picked.

Also those who house the homeless, And furnish clothing for those in need, Who visit those in prison Have served the Lord in deed.

Help us, Lord, to do our part To help take up the slack By increasing our donations So the needy will not lack.

I pray in the Name of Jesus Christ,

AMEN

The Pledge of Allegiance was led by President Stephen Morris.

Message to the Senate of the State of Kansas:

Enclosed herewith is Executive Directive No. 09-397 for your information.

MARK PARKINSON Governor

The President announced Executive Directive No. 09-397, Authorizing Expenditure of Federal Funds, is on file in the office of the Secretary of the Senate and is available for review at anytime.

MESSAGE FROM THE GOVERNOR

Veto Message for House Substitute for SB 51:

The state should not take action that limits the ability of cities to pursue developments that will lead to economic growth, especially during these difficult economic times. Cities in Kansas must have the flexibility to annex property that will allow growth and economic development. Planning for growth in a way that promotes the health, safety and public welfare of its citizens and neighbors also is a fundamental responsibility of cities.

I support the procedural safeguards for landowners whose property is annexed over their objection that are contained in **House Substitute for SB 51**. I also support the provisions limiting a city's future ability to annex a narrow corridor of land to reach a non-contiguous tract of land, and the provisions dealing with rural water districts. I hope the Legislature will focus on these aspects of **House Substitute for SB 51** during the next legislative session.

I am concerned that the provisions in **House Substitute for SB 51** that prohibit a city from annexing more than 65 acres of land devoted to agricultural use may prevent cities from growing in ways that would greatly benefit the economy. I have confidence that the current requirement for a county commission to approve a city's proposed annexation of property in the unincorporated county provides a safeguard from unreasonable annexation attempts.

Therefore, pursuant to Article 2, Section 14 of the Constitution of the State of Kansas, I veto House Substitute for Senate Bill 51.

Vetoed: May 22, 2009 Signed: Mark Parkinson, Governor

MESSAGE FROM THE GOVERNOR

Veto Message for SB 171:

This legislation contains a provision which I would be happy to sign into law, the opportunity for overseas and military voters to vote more easily. Allowing federal service voters to register and send ballots by e-mail will make it easier for more Kansans living abroad to participate. Fortunately, the Legislature still has time to send me these provisions in a clean bill before the 2010 elections.

However, this legislation also contains provisions which will discourage advance voting, burdening the democratic process in Kansas. Last year, more than 70 percent of registered voters in Kansas participated in the Presidential election. During that election, as with all elections before it, there was no conclusive evidence of voter fraud in Kansas. Despite this lack of a problem, **SB 171** seeks to find a solution by adding affidavits and signature lines to an already crowded return envelope for an advance ballot. These unnecessary hurdles will inevitably confuse voters and discourage many of them from voting.

County election officials have suggested repeatedly that there is not conclusive evidence of voter fraud in Kansas. In fact, more and more Kansans are voting early; this is a trend we should be encouraging, not disrupting.

Again, I look forward to working with the Legislature next session to sign into law legislation that involves more people in our democracy, without creating new and needless obstacles to the voting process. Therefore, pursuant to Article 2, Section 14 of the Constitution of the State of Kansas, I veto **SB 171**.

Vetoed: May 22, 2009 Signed: Mark Parkinson, Governor

INTRODUCTION OF ORIGINAL MOTIONS AND SENATE RESOLUTIONS

Senators Kultala, Brownlee, Faust-Goudeau, Francisco, Kelly, Lee, Lynn, McGinn, Pilcher-Cook, V. Schmidt, Schodorf, Teichman and Wagle introduced the following Senate resolution, which was read:

SENATE RESOLUTION No. 1897-

A RESOLUTION recognizing the 90th anniversary of the passage of the 19th Amendment to the United States Constitution.

WHEREAS, On June 4, 1919, the 19th Amendment to the United States Constitution, which stated that "the rights of citizens of the United States to vote shall not be denied or abridged by the United States or by any State on account of sex," passed both houses of Congress and was sent to the states for ratification; and

WHEREAS, Kansas ratified the 19th Amendment on June 16, 1919, and it went into effect on August 18, 1920; and

WHEREAS, Kansas was also a leader in pushing for the passage of the Equal Rights Amendment and was one of the first states to ratify it, doing so on March 28, 1972; and

WHEREAS, The women's suffrage movement was founded in the mid-19th century by women who had become politically active through their work in the abolitionist and temperance movements. In July 1848, 240 women suffragists, including Elizabeth Cady Stanton and Lucretia Mott, met in Seneca Falls, New York, to assert the right of women to vote; and

WHEREAS, In 1869, the National Woman Suffrage Association, led by Susan B. Anthony and Elizabeth Cady Stanton, was formed to push for an amendment to the United States Constitution. Another organization, the American Woman Suffrage Association, led by Lucy Stone, was organized in the same year to work through the state legislatures. In 1890, these two societies merged to form the National American Woman Suffrage Association; and WHEREAS, By the beginning of the 20th century, the role of women in American society was changing drastically; women were working more, receiving a better education, bearing fewer children and several states had authorized female suffrage. In 1913, the National Woman's party organized the voting power of these enfranchised women to elect congressional representatives who supported woman suffrage and by 1916, both the Democrat and Republican parties openly endorsed female enfranchisement, leading to the passage of the 19th Amendment in 1919; and

WHEREAS, The State of Kansas has a proud tradition of pushing for equal rights for all citizens: Now, therefore,

Be it resolved by the Senate of the State of Kansas: That we recognize the 90th anniversary of the passage of the 19th Amendment, granting women the right to vote, and that we acknowledge the contributions made by the state of Kansas towards equality for all; and

Be it further resolved: That the Secretary of the Senate be directed to provide an enrolled copy of this resolution to Senators Kelly Kultala and Marci Fancisco.

On emergency motion of Senator Kultala SR 1897 was adopted unanimously.

Message from the Governor

Pursuant to Article 2, Section 14 of the Constitution of the State of Kansas, I hereby return Senate Substitute for House Bill No. 2373 with my signature approving the bill, except for the items enumerated below.

Department of Education—KPERS—School Employer Contributions

That portion of Section 36(a) that reads as follows has been line-item vetoed:

"For the fiscal year ending June 30, 2010 \$1,850,000"

This FY 2010 appropriation for the KPERS—School employer contribution was accounted for in the agency's lapse contained in Section 36(b). In order to appropriate only those monies absolutely necessary, I hereby line-item veto this appropriation.

Members were given the opportunity to reconsider the line item veto. There having been no motion to reconsider the line item veto, the Speaker of the House ruled the line item veto sustained.

Kansas State University

Section 70(c) has been line-item vetoed in its entirety:

Financing of the Salina Aeronautical Center located at Kansas State University's Salina Campus is a lease purchase agreement that is by its nature equivalent to a debt service agreement. The 2009 Legislature intended that funding of debt service should not be lapsed, and I concur with that intent. In that spirit, I therefore find it necessary to veto this lapse so that this obligation can be met.

Members were given the opportunity to reconsider the line item veto. There having been no motion to reconsider the line item veto, the Speaker of the House ruled the line item veto sustained.

Department of Health and Environment

Section 89 has been line-item vetoed in its entirety:

"Regardless of one's views on whether abortion should be allowed in this country, hopefully we can all agree that we should make every effort to prevent unplanned pregnancies. Access to affordable family planning services and contraceptives is critical if we are to continue reducing the number of abortions that occur in this state.

"This section would prohibit distribution of Title X moneys to private family planning providers unless they are either a hospital or provide comprehensive primary and preventative care in addition to family planning services. This proviso would prevent funding for two facilities of other eligible family planning providers. These facilities do not perform abortions, and by law, Title X funding cannot be used for abortion services.

"Both of these facilities provide affordable access to contraceptives and family planning services for women who are significantly below the poverty level. These women are most at risk for unplanned pregnancies. The family planning services provided by these facilities help lower the likelihood of unplanned pregnancy, and thus reduce abortions. Eliminating funding for programs intended to reduce the number of unplanned pregnancies does nothing to help reduce abortions in Kansas.

"I am also concerned this proviso violates Title X of the Public Service Act. The facilities ineligible for funding under this proviso are, by law, eligible under Title X to receive the grants. The Public Service Act is clear that states are not permitted to refuse the award of Title X funding to entities that meet the statutory requirements for the grants. I therefore find it necessary to line-item veto this proviso."
