2. Impose the fine applicable to the offense and may impose the provisions of subsection (q);

3. Release the defendant on probation if the current crime of conviction and criminal history fall within a presumptive nonprison category or through a departure for substantial and compelling reasons subject to such conditions as the court may deem appropriate. On a second or subsequent conviction of K.S.A. 8-1567, and amendments thereto, an offender placed into a work release program must serve a total of 120 hours of confinement. Such 120 hours of confinement shall be a period of at least 48 consecutive hours of imprisonment followed by confinement hours at the end of and continuing to the beginning of the offender’s work day. On a third or subsequent conviction of K.S.A. 8-1567, and amendments thereto, an offender placed into a work release program must serve a total of 240 hours of confinement. (14) suspend imposition of sentence in misdemeanor cases.

(b) (1) In addition to or in lieu of any of the above, the court shall order the defendant to pay restitution, which shall include, but not be limited to, damage or loss caused by the defendant's crime, unless the court finds compelling circumstances which would render a plan of restitution unworkable. In regard to a violation of K.S.A. 2011 Supp. 21-6107, and amendments thereto, such damage or loss shall include, but not be limited to, attorney fees and costs incurred to repair the credit history or rating of the person whose personal identification documents were obtained and used in violation of such section, and to satisfy a debt, lien or other obligation incurred by the person whose personal identification documents were obtained and used in violation of such section. If the court finds a plan of restitution unworkable, the court shall state on the record in detail the reasons therefor.

(2) If the court orders restitution, the restitution shall be a judgment against the defendant which may be collected by the court by garnishment or other execution as on judgments in civil cases. If, after 60 days from the date restitution is ordered by the court, a defendant is found to be in noncompliance with the plan established by the
court for payment of restitution, and the victim to whom restitution is ordered paid has not initiated proceedings in accordance with K.S.A. 60-4301 et seq., and amendments thereto, the court shall assign an agent procured by the attorney general pursuant to K.S.A. 75-719, and amendments thereto, to collect the restitution on behalf of the victim. The chief judge of each judicial district may assign such cases to an appropriate division of the court for the conduct of civil collection proceedings.

(c) In addition to or in lieu of any of the above, the court shall order the defendant to submit to and complete an alcohol and drug evaluation, and pay a fee therefor, when required by subsection (d) of K.S.A. 2011 Supp. 21-6602, and amendments thereto.

(d) In addition to any of the above, the court shall order the defendant to reimburse the county general fund for all or a part of the expenditures by the county to provide counsel and other defense services to the defendant. Any such reimbursement to the county shall be paid only after any order for restitution has been paid in full. In determining the amount and method of payment of such sum, the court shall take account of the financial resources of the defendant and the nature of the burden that payment of such sum will impose. A defendant who has been required to pay such sum and who is not willfully in default in the payment thereof may at any time petition the court which sentenced the defendant to waive payment of such sum or any unpaid portion thereof. If it appears to the satisfaction of the court that payment of the amount due will impose manifest hardship on the defendant or the defendant's immediate family, the court may waive payment of all or part of the amount due or modify the method of payment.

(e) In releasing a defendant on probation, the court shall direct that the defendant be under the supervision of a court services officer. If the court commits the defendant to the custody of the secretary of corrections or to jail, the court may specify in its order the amount of restitution to be paid and the person to whom it shall be paid if restitution is later ordered as a condition of parole, conditional release or postrelease supervision.

(f) (1) When a new felony is committed while the offender is incarcerated and serving a sentence for a felony, or while the offender is on probation, assignment to a community correctional services program, parole, conditional release or postrelease supervision for a felony, a new sentence shall be imposed pursuant to the consecutive sentencing requirements of K.S.A. 2011 Supp. 21-6606, and amendments thereto, and the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(2) When a new felony is committed while the offender is incarcerated in a juvenile correctional facility pursuant to K.S.A. 38-1671, prior to its repeal, or K.S.A. 2011 Supp. 38-2373, and amendments thereto, for an offense, which if committed by an adult would constitute the commission of a felony, upon conviction, the court shall sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure. The conviction shall operate as a full and complete discharge from any obligations, except for an order of restitution, imposed on the offender arising from the offense for which the offender was committed to a juvenile correctional facility.

(3) When a new felony is committed while the offender is on release for a felony pursuant to the provisions of article 28 of chapter 22 of the Kansas Statutes Annotated,
and amendments thereto, or similar provisions of the laws of another jurisdiction, a new sentence may be imposed pursuant to the consecutive sentencing requirements of K.S.A. 2011 Supp. 21-6606, and amendments thereto, and the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(g) Prior to imposing a dispositional departure for a defendant whose offense is classified in the presumptive nonprison grid block of either sentencing guideline grid, prior to sentencing a defendant to incarceration whose offense is classified in grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes or in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes, prior to sentencing a defendant to incarceration whose offense is classified in grid blocks 4-E or 4-F of the sentencing guideline grid for drug crimes and whose offense does not meet the requirements of K.S.A. 2011 Supp. 21-6824, and amendments thereto, prior to revocation of a nonprison sanction of a defendant whose offense is classified in grid blocks 4-E or 4-F of the sentencing guideline grid for drug crimes and whose offense does not meet the requirements of K.S.A. 2011 Supp. 21-6824, and amendments thereto, prior to revocation of a nonprison sanction of a defendant whose offense is classified in grid blocks 4-E or 4-F of the sentencing guideline grid for drug crimes and whose offense does not meet the requirements of K.S.A. 2011 Supp. 21-6824, and amendments thereto, prior to revocation of a nonprison sanction of a defendant whose offense is classified in the presumptive nonprison grid block of either sentencing guideline grid or grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes or in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes, the court shall consider placement of the defendant in the Labette correctional conservation camp, conservation camps established by the secretary of corrections pursuant to K.S.A. 75-52,127, and amendment thereto, or a community intermediate sanction center. Pursuant to this paragraph the defendant shall not be sentenced to imprisonment if space is available in a conservation camp or a community intermediate sanction center and the defendant meets all of the conservation camp's or a community intermediate sanction center's placement criteria unless the court states on the record the reasons for not placing the defendant in a conservation camp or a community intermediate sanction center.

(h) The court in committing a defendant to the custody of the secretary of corrections shall fix a term of confinement within the limits provided by law. In those cases where the law does not fix a term of confinement for the crime for which the defendant was convicted, the court shall fix the term of such confinement.

(i) In addition to any of the above, the court shall order the defendant to reimburse the state general fund for all or a part of the expenditures by the state board of indigents' defense services to provide counsel and other defense services to the defendant. In determining the amount and method of payment of such sum, the court shall take account of the financial resources of the defendant and the nature of the burden that payment of such sum will impose. A defendant who has been required to pay such sum and who is not willfully in default in the payment thereof may at any time petition the court which sentenced the defendant to waive payment of such sum or any unpaid portion thereof. If it appears to the satisfaction of the court that payment of the amount due will impose manifest hardship on the defendant or the defendant's immediate family, the court may waive payment of all or part of the amount due or modify the method of payment. The amount of attorney fees to be included in the court order for reimbursement shall be the amount claimed by appointed counsel on the payment
voucher for indigents' defense services or the amount prescribed by the board of indigents' defense services reimbursement tables as provided in K.S.A. 22-4522, and amendments thereto, whichever is less.

(j) This section shall not deprive the court of any authority conferred by any other Kansas statute to decree a forfeiture of property, suspend or cancel a license, remove a person from office or impose any other civil penalty as a result of conviction of crime.

(k) An application for or acceptance of probation or assignment to a community correctional services program shall not constitute an acquiescence in the judgment for purpose of appeal, and any convicted person may appeal from such conviction, as provided by law, without regard to whether such person has applied for probation, suspended sentence or assignment to a community correctional services program.

(l) The secretary of corrections is authorized to make direct placement to the Labette correctional conservation camp or a conservation camp established by the secretary pursuant to K.S.A. 75-52,127, and amendments thereto, of an inmate sentenced to the secretary's custody if the inmate:

(1) Has been sentenced to the secretary for a probation revocation, as a departure from the presumptive nonimprisonment grid block of either sentencing grid, for an offense which is classified in grid blocks 5-H, 5-I, or 6-G of the sentencing guidelines grid for nondrug crimes or in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes, or for an offense which is classified in grid blocks 4-E or 4-F of the sentencing guidelines grid for drug crimes and such offense does not meet the requirements of K.S.A. 2011 Supp. 21-6824, and amendments thereto; and

(2) otherwise meets admission criteria of the camp.

If the inmate successfully completes a conservation camp program, the secretary of corrections shall report such completion to the sentencing court and the county or district attorney. The inmate shall then be assigned by the court to six months of follow-up supervision conducted by the appropriate community corrections services program. The court may also order that supervision continue thereafter for the length of time authorized by K.S.A. 2011 Supp. 21-6608, and amendments thereto.

(m) When it is provided by law that a person shall be sentenced pursuant to K.S.A. 1993 Supp. 21-4628, prior to its repeal, the provisions of this section shall not apply.

(n) Except as provided by subsection (f) of K.S.A. 2011 Supp. 21-6805, and amendments thereto, in addition to any of the above, for felony violations of K.S.A. 2011 Supp. 21-5706, and amendments thereto, the court shall require the defendant who meets the requirements established in K.S.A. 2011 Supp. 21-6824, and amendments thereto, to participate in a certified drug abuse treatment program, as provided in K.S.A. 2011 Supp. 75-52,144, and amendments thereto, including, but not limited to, an approved after-care plan. If the defendant fails to participate in or has a pattern of intentional conduct that demonstrates the offender's refusal to comply with or participate in the treatment program, as established by judicial finding, the defendant shall be subject to revocation of probation and the defendant shall serve the underlying prison sentence as established in K.S.A. 2011 Supp. 21-6805, and amendments thereto. For those offenders who are convicted on or after July 1, 2003, upon completion of the underlying prison sentence, the defendant shall not be subject to a period of postrelease supervision. The amount of time spent participating in such program shall not be credited as service on the underlying prison sentence.

(o) (1) Except as provided in paragraph (3), in addition to any other penalty or
disposition imposed by law, upon a conviction for unlawful possession of a controlled substance or controlled substance analog in violation of K.S.A. 2011 Supp. 21-5706, and amendments thereto, in which the trier of fact makes a finding that the unlawful possession occurred while transporting the controlled substance or controlled substance analog in any vehicle upon a highway or street, the offender's driver's license or privilege to operate a motor vehicle on the streets and highways of this state shall be suspended for one year.

(2) Upon suspension of a license pursuant to this subsection, the court shall require the person to surrender the license to the court, which shall transmit the license to the division of motor vehicles of the department of revenue, to be retained until the period of suspension expires. At that time, the licensee may apply to the division for return of the license. If the license has expired, the person may apply for a new license, which shall be issued promptly upon payment of the proper fee and satisfaction of other conditions established by law for obtaining a license unless another suspension or revocation of the person’s privilege to operate a motor vehicle is in effect.

(3) (A) In lieu of suspending the driver's license or privilege to operate a motor vehicle on the highways of this state of any person as provided in paragraph (1), the judge of the court in which such person was convicted may enter an order which places conditions on such person's privilege of operating a motor vehicle on the highways of this state, a certified copy of which such person shall be required to carry any time such person is operating a motor vehicle on the highways of this state. Any such order shall prescribe the duration of the conditions imposed, which in no event shall be for a period of more than one year.

(B) Upon entering an order restricting a person's license hereunder, the judge shall require such person to surrender such person's driver's license to the judge who shall cause it to be transmitted to the division of vehicles, together with a copy of the order. Upon receipt thereof, the division of vehicles shall issue without charge a driver's license which shall indicate on its face that conditions have been imposed on such person's privilege of operating a motor vehicle and that a certified copy of the order imposing such conditions is required to be carried by the person for whom the license was issued any time such person is operating a motor vehicle on the highways of this state. If the person convicted is a nonresident, the judge shall cause a copy of the order to be transmitted to the division and the division shall forward a copy of it to the motor vehicle administrator, of such person's state of residence. Such judge shall furnish to any person whose driver's license has had conditions imposed on it under this paragraph a copy of the order, which shall be recognized as a valid Kansas driver's license until such time as the division shall issue the restricted license provided for in this paragraph.

(C) Upon expiration of the period of time for which conditions are imposed pursuant to this subsection, the licensee may apply to the division for the return of the license previously surrendered by such licensee. In the event such license has expired, such person may apply to the division for a new license, which shall be issued immediately by the division upon payment of the proper fee and satisfaction of the other conditions established by law, unless such person's privilege to operate a motor vehicle on the highways of this state has been suspended or revoked prior thereto. If any person shall violate any of the conditions imposed under this paragraph, such person's driver's license or privilege to operate a motor vehicle on the highways of this state shall be revoked for a period of not less than 60 days nor more than one year by the
judge of the court in which such person is convicted of violating such conditions.

(4) As used in this subsection, "highway" and "street" means the same as in K.S.A. 8-1424 and 8-1473, and amendments thereto.

(p) In addition to any of the above, for any criminal offense that includes the domestic violence designation pursuant to K.S.A. 2011 Supp. 22-4616, and amendments thereto, the court shall require the defendant to undergo a domestic violence offender assessment and follow all recommendations unless otherwise ordered by the court or the department of corrections. The court may order a domestic violence offender assessment and any other evaluation prior to sentencing if the assessment or evaluation would assist the court in determining an appropriate sentence. The entity completing the assessment or evaluation shall provide the assessment or evaluation and recommendations to the court and the court shall provide the domestic violence assessment and any other evaluation to any entity responsible for supervising such defendant. A defendant ordered to undergo a domestic violence offender assessment shall be required to pay for the assessment and, unless otherwise ordered by the court or the department of corrections, for completion of all recommendations.

(q) In imposing a fine, the court may authorize the payment thereof in installments. In lieu of payment of any fine imposed, the court may order that the person perform community service specified by the court. The person shall receive a credit on the fine imposed in an amount equal to $5 for each full hour spent by the person in the specified community service. The community service ordered by the court shall be required to be performed by the later of one year after the fine is imposed or one year after release from imprisonment or jail, or by an earlier date specified by the court. If by the required date the person performs an insufficient amount of community service to reduce to zero the portion of the fine required to be paid by the person, the remaining balance shall become due on that date. If conditional reduction of any fine is rescinded by the court for any reason, then pursuant to the court's order the person may be ordered to perform community service by one year after the date of such recission or by an earlier date specified by the court. If by the required date the person performs an insufficient amount of community service to reduce to zero the portion of the fine required to be paid by the person, the remaining balance of the fine shall become due on that date. All credits for community service shall be subject to review and approval by the court.

(r) In addition to any other penalty or disposition imposed by law, for any defendant sentenced to imprisonment pursuant to K.S.A. 21-4643, prior to its repeal, or K.S.A. 2011 Supp. 21-6627, and amendments thereto, for crimes committed on or after July 1, 2006, the court shall order that the defendant be electronically monitored upon release from imprisonment for the duration of the defendant's natural life and that the defendant shall reimburse the state for all or part of the cost of such monitoring as determined by the prisoner review board.

Sec. 29. K.S.A. 2011 Supp. 21-6609, as amended by section 5 of 2012 House Bill No. 2535 is hereby amended to read as follows: 21-6609.       limited to, rehabilitative restitution in money or in kind, curfew, revocation or
      suspension of the driver's license, community service, deprivation of nonessential
      activities or privileges, or other appropriate restraints on the inmate's liberty.
   (d) Upon placement in a house arrest program, the court, secretary or house arrest
      staff shall inform the offender, and any other people residing with such offender, of the

      the conditions of the house release.
   (g) As a condition of house arrest, the court or secretary may require an offender
      placed under house arrest to pay any supervision costs associated with the house arrest

(i) The secretary or the court may contract for independent monitoring services. Such independent monitoring service shall be able to provide monitoring 24 hours a day, every day of the year, and any other services as determined by the secretary or the court.

(j) An offender violating the provisions of K.S.A. 8-1567, and amendments thereto, if placed under house arrest, shall be monitored by an electronic monitoring device, which verifies the offender's location. On a second or subsequent conviction of K.S.A. 8-1567, and amendments thereto, an offender placed under house arrest shall serve a total of 120 hours of confinement within the boundaries of the offender's residence. Any exceptions to remaining within the boundaries of the offender's residence provided for in the house arrest agreement shall not be counted as part of the 120 hours. (b) Sentences expressed in the sentencing guidelines grid for nondrug crimes represent months of imprisonment.

c) The sentencing guidelines grid is a two-dimensional crime severity and criminal history classification tool. The grid's vertical axis is the crime severity scale which classifies current crimes of conviction. The grid's horizontal axis is the criminal history scale which classifies criminal histories.

d) The sentencing guidelines grid for nondrug crimes as provided in this section defines presumptive punishments for felony convictions, subject to the sentencing court's discretion to enter a departure sentence. The appropriate punishment for a felony conviction should depend on the severity of the crime of conviction when compared to all other crimes and the offender's criminal history.

e) (1) The sentencing court has discretion to sentence at any place within the sentencing range. In the usual case it is recommended that the sentencing judge select the center of the range and reserve the upper and lower limits for aggravating and mitigating factors insufficient to warrant a departure.

    (2) In presumptive imprisonment cases, the sentencing court shall pronounce the complete sentence which shall include the:

    (A) Prison sentence;

    (B) maximum potential reduction to such sentence as a result of good time; and

    (C) period of postrelease supervision at the sentencing hearing. Failure to pronounce the period of postrelease supervision shall not negate the existence of such period of postrelease supervision.

    (3) In presumptive nonprison cases, the sentencing court shall pronounce the:

    (A) Prison sentence; and

    (B) duration of the nonprison sanction at the sentencing hearing.

(f) Each grid block states the presumptive sentencing range for an offender whose crime of conviction and criminal history place such offender in that grid block. If an offense is classified in a grid block below the dispositional line, the presumptive disposition shall be nonimprisonment. If an offense is classified in a grid block above the dispositional line, the presumptive disposition shall be imprisonment. If an offense is classified in grid blocks 5-H, 5-I or 6-G, the court may impose an optional nonprison sentence as provided in subsection (q).

g) The sentence for a violation of K.S.A. 21-3415, prior to its repeal, aggravated battery against a law enforcement officer committed prior to July 1, 2006, or a violation of subsection (d) of K.S.A. 2011 Supp. 21-5412, and amendments thereto, aggravated assault against a law enforcement officer, which places the defendant's sentence in grid block 6-H or 6-I shall be presumed imprisonment. The court may impose an optional nonprison sentence as provided in subsection (q).

(h) When a firearm is used to commit any person felony, the offender's sentence shall be presumed imprisonment. The court may impose an optional nonprison sentence as provided in subsection (q).

(i) (l) The sentence for the violation of the felony provision of K.S.A. 8-1567, subsection (b)(3) of K.S.A. 2011 Supp. 21-5414, subsections (b)(3) and (b)(4) of K.S.A. 2011 Supp. 21-5823, 21-6412 and 21-6416, and amendments thereto, shall be as provided by the specific mandatory sentencing requirements of that section and shall not be subject to the provisions of this section or K.S.A. 2011 Supp. 21-6807, and amendments thereto.
If because of the offender's criminal history classification the offender is subject to presumptive imprisonment or if the judge departs from a presumptive probation sentence and the offender is subject to imprisonment, the provisions of this section and K.S.A. 2011 Supp. 21-6807, and amendments thereto, shall apply and the offender shall not be subject to the mandatory sentence as provided in K.S.A. 2011 Supp. 21-5823, and amendments thereto.

Notwithstanding the provisions of any other section, the term of imprisonment imposed for the violation of the felony provision of section 2, K.S.A. 8-2,144, K.S.A. 8-1567, subsection (b)(3) of K.S.A. 2011 Supp. 21-5414, subsections (b)(3) and (b)(4) of K.S.A. 2011 Supp. 21-5823, 21-6412 and 21-6416, and amendments thereto, shall not be served in a state facility in the custody of the secretary of corrections, except that the term of imprisonment for felony violations of section 2 or K.S.A. 8-2,144 or K.S.A. 8-1567, and amendments thereto, may be served in a state correctional facility designated by the secretary of corrections if the secretary determines that substance abuse treatment resources and facility capacity is available. The secretary's determination regarding the availability of treatment resources and facility capacity shall not be subject to review. Prior to imposing any sentence pursuant to this subsection, the court may consider assigning the defendant to a house arrest program pursuant to K.S.A. 2011 Supp. 21-6609, and amendments thereto.

The sentence for any persistent sex offender whose current convicted crime carries a presumptive term of imprisonment term shall be double the maximum duration of the presumptive imprisonment term. The sentence for any persistent sex offender whose current conviction carries a presumptive nonprison term shall be presumed imprisonment and shall be double the maximum duration of the presumptive imprisonment term.

Except as otherwise provided in this subsection, as used in this subsection, "persistent sex offender" means a person who:

(A) (i) Has been convicted in this state of a sexually violent crime, as defined in K.S.A. 22-3717, and amendments thereto; and
(ii) at the time of the conviction under subsection (j)(2)(A)(i) has at least one conviction for a sexually violent crime, as defined in K.S.A. 22-3717, and amendments thereto, in this state or comparable felony under the laws of another state, the federal government or a foreign government; or
(B) (i) has been convicted of rape, as defined in K.S.A. 21-3502, prior to its repeal, or K.S.A. 2011 Supp. 21-5503, and amendments thereto; and
(ii) at the time of the conviction under subsection (j)(2)(B)(i) has at least one conviction for rape in this state or comparable felony under the laws of another state, the federal government or a foreign government.

Except as provided in subsection (j)(2)(B), the provisions of this subsection shall not apply to any person whose current convicted crime is a severity level 1 or 2 felony.

(k) (1) If it is shown at sentencing that the offender committed any felony violation for the benefit of, at the direction of, or in association with any criminal street gang, with the specific intent to promote, further or assist in any criminal conduct by gang members, the offender's sentence shall be presumed imprisonment. The court may impose an optional nonprison sentence as provided in subsection (q).
(2) As used in this subsection, "criminal street gang" means any organization,
association or group of three or more persons, whether formal or informal, having as one of its primary activities:

(A) The commission of one or more person felonies; or

(B) the commission of felony violations of article 57 of chapter 21 of the Kansas Statutes Annotated, and amendments thereto, K.S.A. 2010 Supp. 21-36a01 through 21-36a17, and amendments thereto, prior to their transfer, or any felony violation of any provision of the uniform controlled substances act prior to July 1, 2009; and

(C) its members have a common name or common identifying sign or symbol; and

(D) its members, individually or collectively, engage in or have engaged in the commission, attempted commission, conspiracy to commit or solicitation of two or more person felonies or felony violations of article 57 of chapter 21 of the Kansas Statutes Annotated, and amendments thereto, K.S.A. 2010 Supp. 21-36a01 through 21-36a17, and amendments thereto, prior to their transfer, any felony violation of any provision of the uniform controlled substances act prior to July 1, 2009, or any substantially similar offense from another jurisdiction.

(l) Except as provided in subsection (o), the sentence for a violation of subsection (a)(1) of K.S.A. 2011 Supp. 21-5807, and amendments thereto, or any attempt or conspiracy, as defined in K.S.A. 2011 Supp. 21-5301 and 21-5302, and amendments thereto, to commit such offense, when such person being sentenced has a prior conviction for a violation of subsection (a) or (b) of K.S.A. 21-3715, prior to its repeal, 21-3716, prior to its repeal, subsection (a)(1) or (a)(2) of K.S.A. 2011 Supp. 21-5807, or subsection (b) of K.S.A. 2011 Supp. 21-5807, and amendments thereto, or any attempt or conspiracy to commit such offense, shall be presumptive imprisonment.

(m) The sentence for a violation of K.S.A 22-4903 or subsection (a)(2) of K.S.A. 2011 Supp. 21-5913, and amendments thereto, shall be presumptive imprisonment. If an offense under such sections is classified in grid blocks 5-E, 5-F, 5-G, 5-H or 5-I, the court may impose an optional nonprison sentence as provided in subsection (q).

(n) The sentence for a violation of criminal deprivation of property, as defined in K.S.A. 2011 Supp. 21-5803, and amendments thereto, when such property is a motor vehicle, and when such person being sentenced has any combination of two or more prior convictions of subsection (b) of K.S.A. 21-3705, prior to its repeal, or of criminal deprivation of property, as defined in K.S.A. 2011 Supp. 21-5803, and amendments thereto, when such property is a motor vehicle, shall be presumptive imprisonment. Such sentence shall not be considered a departure and shall not be subject to appeal.

(o) The sentence for a felony violation of theft of property as defined in K.S.A. 2011 Supp. 21-5801, and amendments thereto, or burglary as defined in subsection (a) of K.S.A. 2011 Supp. 21-5807, and amendments thereto, when such person being sentenced has no prior convictions for a violation of K.S.A. 21-3701 or 21-3715, prior to their repeal, or theft of property as defined in K.S.A. 2011 Supp. 21-5801, and amendments thereto, or burglary as defined in subsection (a) of K.S.A. 2011 Supp. 21-5807, and amendments thereto; or the sentence for a felony violation of theft of property as defined in K.S.A. 2011 Supp. 21-5801, and amendments thereto, when such person being sentenced has one or two prior felony convictions for a violation of K.S.A. 21-3701, 21-3715 or 21-3716, prior to their repeal, or theft of property as defined in K.S.A. 2011 Supp. 21-5801, and amendments thereto, or burglary or aggravated burglary as defined in K.S.A. 2011 Supp. 21-5807, and amendments thereto; or the sentence for a felony violation of burglary as defined in subsection (a) of K.S.A. 2011
Supp. 21-5807, and amendments thereto, when such person being sentenced has one prior felony conviction for a violation of K.S.A. 21-3701, 21-3715 or 21-3716, prior to their repeal, or theft of property as defined in K.S.A. 2011 Supp. 21-5801, and amendments thereto, or burglary or aggravated burglary as defined in K.S.A. 2011 Supp. 21-5807, and amendments thereto, shall be the sentence as provided by this section, except that the court may order an optional nonprison sentence for a defendant to participate in a drug treatment program, including, but not limited to, an approved after-care plan, if the court makes the following findings on the record:

1) Substance abuse was an underlying factor in the commission of the crime;

2) Substance abuse treatment in the community is likely to be more effective than a prison term in reducing the risk of offender recidivism; and

3) Participation in an intensive substance abuse treatment program will serve community safety interests.

A defendant sentenced to an optional nonprison sentence under this subsection shall be supervised by community correctional services. The provisions of subsection (f)(1) of K.S.A. 2011 Supp. 21-6824, and amendments thereto, shall apply to a defendant sentenced under this subsection. The sentence under this subsection shall not be considered a departure and shall not be subject to appeal.

(p) The sentence for a felony violation of theft of property as defined in K.S.A. 2011 Supp. 21-5801, and amendments thereto, when such person being sentenced has any combination of three or more prior felony convictions for violations of K.S.A. 21-3701, 21-3715 or 21-3716, prior to their repeal, or theft of property as defined in K.S.A. 2011 Supp. 21-5801, and amendments thereto, or burglary or aggravated burglary as defined in K.S.A. 2011 Supp. 21-5807, and amendments thereto; or the sentence for a violation of burglary as defined in subsection (a) of K.S.A. 2011 Supp. 21-5807, and amendments thereto, when such person being sentenced has any combination of two or more prior convictions for violations of K.S.A. 21-3701, 21-3715 and 21-3716, prior to their repeal, or theft of property as defined in K.S.A. 2011 Supp. 21-5801, and amendments thereto, or burglary or aggravated burglary as defined in K.S.A. 2011 Supp. 21-5807, and amendments thereto, shall be presumed imprisonment and the defendant shall be sentenced to prison as provided by this section, except that the court may recommend that an offender be placed in the custody of the secretary of corrections, in a facility designated by the secretary to participate in an intensive substance abuse treatment program, upon making the following findings on the record:

1) Substance abuse was an underlying factor in the commission of the crime;

2) Substance abuse treatment with a possibility of an early release from imprisonment is likely to be more effective than a prison term in reducing the risk of offender recidivism; and

3) Participation in an intensive substance abuse treatment program with the possibility of an early release from imprisonment will serve community safety interests by promoting offender reformation.

The intensive substance abuse treatment program shall be determined by the secretary of corrections, but shall be for a period of at least four months. Upon the successful completion of such intensive treatment program, the offender shall be returned to the court and the court may modify the sentence by directing that a less severe penalty be imposed in lieu of that originally adjudged within statutory limits. If the offender's term of imprisonment expires, the offender shall be placed under the
applicable period of postrelease supervision. The sentence under this subsection shall not be considered a departure and shall not be subject to appeal.

(q) As used in this section, an "optional nonprison sentence" is a sentence which the court may impose, in lieu of the presumptive sentence, upon making the following findings on the record:

(1) An appropriate treatment program exists which is likely to be more effective than the presumptive prison term in reducing the risk of offender recidivism; and

(2) the recommended treatment program is available and the offender can be admitted to such program within a reasonable period of time; or

(3) the nonprison sanction will serve community safety interests by promoting offender reformation.

Any decision made by the court regarding the imposition of an optional nonprison sentence shall not be considered a departure and shall not be subject to appeal.

(r) The sentence for a violation of subsection (c)(2) of K.S.A. 2011 Supp. 21-5413, and amendments thereto, shall be presumptive imprisonment and shall be served consecutively to any other term or terms of imprisonment imposed. Such sentence shall not be considered a departure and shall not be subject to appeal.

(s) The sentence for a violation of K.S.A. 2011 Supp. 21-5512, and amendments thereto, shall be presumptive imprisonment. Such sentence shall not be considered a departure and shall not be subject to appeal.

(t)(1) If the trier of fact makes a finding that an offender wore or used ballistic resistant material in the commission of, or attempt to commit, or flight from any felony, in addition to the sentence imposed pursuant to the Kansas sentencing guidelines act, the offender shall be sentenced to an additional 30 months' imprisonment.

(2) The sentence imposed pursuant to subsection (t)(1) shall be presumptive imprisonment and shall be served consecutively to any other term or terms of imprisonment imposed. Such sentence shall not be considered a departure and shall not be subject to appeal.

(3) As used in this subsection, "ballistic resistant material" means: (A) Any commercially produced material designed with the purpose of providing ballistic and trauma protection, including, but not limited to, bulletproof vests and kevlar vests; and (B) any homemade or fabricated substance or item designed with the purpose of providing ballistic and trauma protection.

(u) The sentence for a violation of K.S.A. 2011 Supp. 21-6107, and amendments thereto, or any attempt or conspiracy, as defined in K.S.A. 2011 Supp. 21-5301 and 21-5302, and amendments thereto, to commit such offense, when such person being sentenced has a prior conviction for a violation of K.S.A. 21-4018, prior to its repeal, or K.S.A. 2011 Supp. 21-6107, and amendments thereto, or any attempt or conspiracy to commit such offense, shall be presumptive imprisonment. Such sentence shall not be considered a departure and shall not be subject to appeal.

Sec. 31. K.S.A. 2011 Supp. 22-2802 is hereby amended to read as follows: 22-2802. (1) Any person charged with a crime shall, at the person's first appearance before a magistrate, be ordered released pending preliminary examination or trial upon the execution of an appearance bond in an amount specified by the magistrate and sufficient to assure the appearance of such person before the magistrate when ordered and to assure the public safety. If the person is being bound over for a felony, the bond shall also be conditioned on the person's appearance in the district court or by way of a two-
way electronic audio-video communication as provided in subsection (14) at the time required by the court to answer the charge against such person and at any time thereafter that the court requires. Unless the magistrate makes a specific finding otherwise, if the person is being bonded out for a person felony or a person misdemeanor, the bond shall be conditioned on the person being prohibited from having any contact with the alleged victim of such offense for a period of at least 72 hours. The magistrate may impose such of the following additional conditions of release as will reasonably assure the appearance of the person for preliminary examination or trial:

(a) Place the person in the custody of a designated person or organization agreeing to supervise such person;

(b) place restrictions on the travel, association or place of abode of the person during the period of release;

(c) impose any other condition deemed reasonably necessary to assure appearance as required, including a condition requiring that the person return to custody during specified hours;

(d) place the person under a house arrest program pursuant to K.S.A. 2011 Supp. 21-6609, and amendments thereto; or

(e) place the person under the supervision of a court services officer responsible for monitoring the person's compliance with any conditions of release ordered by the magistrate. The magistrate may order the person to pay for any costs associated with the supervision provided by the court services department in an amount not to exceed $15 per week of such supervision. The magistrate may also order the person to pay for all other costs associated with the supervision and conditions for compliance in addition to the $15 per week.

(2) In addition to any conditions of release provided in subsection (1), for any person charged with a felony, the magistrate may order such person to submit to a drug and alcohol abuse examination and evaluation in a public or private treatment facility or state institution and, if determined by the head of such facility or institution that such person is a drug or alcohol abuser or is incapacitated by drugs or alcohol, to submit to treatment for such drug or alcohol abuse, as a condition of release.

(3) The appearance bond shall be executed with sufficient solvent sureties who are residents of the state of Kansas, unless the magistrate determines, in the exercise of such magistrate's discretion, that requiring sureties is not necessary to assure the appearance of the person at the time ordered.

(4) A deposit of cash in the amount of the bond may be made in lieu of the execution of the bond pursuant to subsection (3). Except as provided in subsection (5), such deposit shall be in the full amount of the bond and in no event shall a deposit of cash in less than the full amount of bond be permitted. Any person charged with a crime who is released on a cash bond shall be entitled to a refund of all moneys paid for the cash bond, after deduction of any outstanding restitution, costs, fines and fees, after the final disposition of the criminal case if the person complies with all requirements to appear in court. The court may not exclude the option of posting bond pursuant to subsection (3).

(5) Except as provided further, the amount of the appearance bond shall be the same whether executed as described in subsection (3) or posted with a deposit of cash as described in subsection (4). When the appearance bond has been set at $2,500 or less and the most serious charge against the person is a misdemeanor, a severity level 8, 9 or
10 nonperson felony, a drug severity level 4 felony or a violation of K.S.A. 8-1567 or section 2, and amendments thereto, the magistrate may allow the person to deposit cash with the clerk in the amount of 10% of the bond, provided the person meets at least the following qualifications:

(A) is a resident of the state of Kansas;
(B) has a criminal history score category of G, H or I;
(C) has no prior history of failure to appear for any court appearances;
(D) has no detainer or hold from any other jurisdiction;
(E) has not been extradited from, and is not awaiting extradition to, another state; and
(F) has not been detained for an alleged violation of probation.

(6) In the discretion of the court, a person charged with a crime may be released upon the person's own recognizance by guaranteeing payment of the amount of the bond for the person's failure to comply with all requirements to appear in court. The release of a person charged with a crime upon the person's own recognizance shall not require the deposit of any cash by the person.

(7) The court shall not impose any administrative fee.

(8) In determining which conditions of release will reasonably assure appearance and the public safety, the magistrate shall, on the basis of available information, take into account the nature and circumstances of the crime charged; the weight of the evidence against the defendant; whether the defendant is lawfully present in the United States; the defendant's family ties, employment, financial resources, character, mental condition, length of residence in the community, record of convictions, record of appearance or failure to appear at court proceedings or of flight to avoid prosecution; the likelihood or propensity of the defendant to commit crimes while on release, including whether the defendant will be likely to threaten, harass or cause injury to the victim of the crime or any witnesses thereto; and whether the defendant is on probation or parole from a previous offense at the time of the alleged commission of the subsequent offense.

(9) The appearance bond shall set forth all of the conditions of release.

(10) A person for whom conditions of release are imposed and who continues to be detained as a result of the person's inability to meet the conditions of release shall be entitled, upon application, to have the conditions reviewed without unnecessary delay by the magistrate who imposed them. If the magistrate who imposed conditions of release is not available, any other magistrate in the county may review such conditions.

(11) A magistrate ordering the release of a person on any conditions specified in this section may at any time amend the order to impose additional or different conditions of release. If the imposition of additional or different conditions results in the detention of the person, the provisions of subsection (10) shall apply.

(12) Statements or information offered in determining the conditions of release need not conform to the rules of evidence. No statement or admission of the defendant made at such a proceeding shall be received as evidence in any subsequent proceeding against the defendant.

(13) The appearance bond and any security required as a condition of the defendant's release shall be deposited in the office of the magistrate or the clerk of the court where the release is ordered. If the defendant is bound to appear before a magistrate or court other than the one ordering the release, the order of release, together
with the bond and security shall be transmitted to the magistrate or clerk of the court before whom the defendant is bound to appear.

(14) Proceedings before a magistrate as provided in this section to determine the release conditions of a person charged with a crime including release upon execution of an appearance bond may be conducted by two-way electronic audio-video communication between the defendant and the judge in lieu of personal presence of the defendant or defendant's counsel in the courtroom in the discretion of the court. The defendant may be accompanied by the defendant's counsel. The defendant shall be informed of the defendant's right to be personally present in the courtroom during such proceeding if the defendant so requests. Exercising the right to be present shall in no way prejudice the defendant.

(15) The magistrate may order the person to pay for any costs associated with the supervision of the conditions of release of the appearance bond in an amount not to exceed $15 per week of such supervision. As a condition of sentencing under K.S.A. 2011 Supp. 21-6604, and amendments thereto, the court may impose the full amount of any such costs in addition to the $15 per week, including, but not limited to, costs for treatment and evaluation under subsection (2).

Sec. 32. K.S.A. 2011 Supp. 22-2908 is hereby amended to read as follows: 22-2908. (a) In determining whether diversion of a defendant is in the interests of justice and of benefit to the defendant and the community, the county or district attorney shall consider at least the following factors among all factors considered:

1. The nature of the crime charged and the circumstances surrounding it;
2. any special characteristics or circumstances of the defendant;
3. whether the defendant is a first-time offender and if the defendant has previously participated in diversion, according to the certification of the Kansas bureau of investigation or the division of vehicles of the department of revenue;
4. whether there is a probability that the defendant will cooperate with and benefit from diversion;
5. whether the available diversion program is appropriate to the needs of the defendant;
6. the impact of the diversion of the defendant upon the community;
7. recommendations, if any, of the involved law enforcement agency;
8. recommendations, if any, of the victim;
9. provisions for restitution; and
10. any mitigating circumstances.

(b) A county or district attorney shall not enter into a diversion agreement in lieu of further criminal proceedings on a complaint if:

1. The complaint alleges a violation of K.S.A. 8-1567 or section 2, and amendments thereto, and the defendant: (A) Has previously participated in diversion upon a complaint alleging a violation of that statute or an ordinance of a city in this state which prohibits the acts prohibited by that statute; (B) has previously been convicted of or pleaded nolo contendere to a violation of that statute or a violation of a law of another state or of a political subdivision of this or any other state, which law prohibits the acts prohibited by that statute; or (C) during the time of the alleged violation was involved in a motor vehicle accident or collision resulting in personal injury or death;

(3) the complaint alleges a domestic violence offense, as defined in K.S.A. 2011 Supp. 21-5111, and amendments thereto, and the defendant has participated in two or more diversions in the previous five year period upon complaints alleging a domestic violence offense.

(c) A county or district attorney may enter into a diversion agreement in lieu of further criminal proceedings on a complaint for violations of article 10 of chapter 32 of the Kansas Statutes Annotated, and amendments thereto, if such diversion carries the same penalties as the conviction for the corresponding violations. If the defendant has previously participated in one or more diversions for violations of article 10 of chapter 32 of the Kansas Statutes Annotated, and amendments thereto, then each subsequent diversion shall carry the same penalties as the conviction for the corresponding violations.

Sec. 33. K.S.A. 2011 Supp. 22-2909 is hereby amended to read as follows: 22-2909. (a) A diversion agreement shall provide that if the defendant fulfills the obligations of the program described therein, as determined by the attorney general or county or district attorney, such attorney shall act to have the criminal charges against the defendant dismissed with prejudice. The diversion agreement shall include specifically the waiver of all rights under the law or the constitution of Kansas or of the United States to a speedy arraignment, preliminary examinations and hearings, and a speedy trial, and in the case of diversion under subsection (c) waiver of the rights to counsel and trial by jury. The diversion agreement may include, but is not limited to, provisions concerning payment of restitution, including court costs and diversion costs, residence in a specified facility, maintenance of gainful employment, and participation in programs offering medical, educational, vocational, social and psychological services, corrective and preventive guidance and other rehabilitative services. If a county creates a local fund under the property crime restitution and compensation act, a county or district attorney may require in all diversion agreements as a condition of diversion the payment of a diversion fee in an amount not to exceed $100. Such fees shall be deposited into the local fund and disbursed pursuant to recommendations of the local board under the property crime restitution and victims compensation act.

(b) The diversion agreement shall state: (1) The defendant's full name; (2) the defendant's full name at the time the complaint was filed, if different from the defendant's current name; (3) the defendant's sex, race and date of birth; (4) the crime with which the defendant is charged; (5) the date the complaint was filed; and (6) the district court with which the agreement is filed.

In addition, the agreement shall include a requirement that the defendant:
(1) Pay a fine specified by the agreement in an amount equal to an amount authorized by K.S.A. 8-1567 or section 2, and amendments thereto, for a first offense or, in lieu of payment of the fine, perform community service specified by the agreement, in accordance with K.S.A. 8-1567 or section 2, and amendments thereto; and

(2) participate in an alcohol and drug evaluation conducted by a licensed provider pursuant to K.S.A. 8-1008, and amendments thereto, and follow any recommendation made by the provider after such evaluation.

(d) If a diversion agreement is entered into in lieu of further criminal proceedings on a complaint alleging a domestic violence offense, as defined in K.S.A. 2011 Supp. 21-5111, and amendments thereto, the diversion agreement shall include a requirement that the defendant undergo a domestic violence offender assessment and follow all recommendations unless otherwise agreed to with the prosecutor in the diversion agreement. The defendant shall be required to pay for such assessment and, unless otherwise agreed to with the prosecutor in the diversion agreement, for completion of all recommendations.

(e) If a diversion agreement is entered into in lieu of further criminal proceedings on a complaint alleging a violation other than K.S.A. 8-1567 or section 2, and amendments thereto, the diversion agreement may include a stipulation, agreed to by the defendant, the defendant's attorney if the defendant is represented by an attorney and the attorney general or county or district attorney, of the facts upon which the charge is based and a provision that if the defendant fails to fulfill the terms of the specific diversion agreement and the criminal proceedings on the complaint are resumed, the proceedings, including any proceedings on appeal, shall be conducted on the record of the stipulation of facts relating to the complaint.

(f) If the person entering into a diversion agreement is a nonresident, the attorney general or county or district attorney shall transmit a copy of the diversion agreement to the division. The division shall forward a copy of the diversion agreement to the motor vehicle administrator of the person's state of residence.

(g) If the attorney general or county or district attorney elects to offer diversion in lieu of further criminal proceedings on the complaint and the defendant agrees to all of the terms of the proposed agreement, the diversion agreement shall be filed with the district court and the district court shall stay further proceedings on the complaint. If the defendant declines to accept diversion, the district court shall resume the criminal proceedings on the complaint.

(h) Except as provided in subsection (i), if a diversion agreement is entered into in lieu of further criminal proceedings alleging commission of a misdemeanor by the defendant, while under 21 years of age, under K.S.A. 2011 Supp. 21-5701 through 21-5717, and amendments thereto, or K.S.A. 41-719, 41-727, 41-804, 41-2719 or 41-2720, and amendments thereto, the agreement shall require the defendant to participate in an alcohol and drug evaluation conducted by a licensed provider pursuant to K.S.A. 8-1008, and amendments thereto, and follow any recommendation made by the provider after such evaluation.

(j) Except diversion agreements reported under subsection (k), the attorney general or county or district attorney shall forward to the Kansas bureau of investigation a copy of the diversion agreement at the time such agreement is filed with the district court. The copy of the agreement shall be made available upon request to the attorney general or any county, district or city attorney or court.

(k) At the time of filing the diversion agreement with the district court, the attorney general or county or district attorney shall forward to the division of vehicles of the state department of revenue a copy of any diversion agreement entered into in lieu of further criminal proceedings on a complaint alleging a violation of K.S.A. 8-1567, and amendments thereto. EXPLANATION OF VOTE

MR. PRESIDENT: The Conference Committee Report on H Sub for SB 177 on the Governor's desk is not fiscally responsible. I respect the efforts of Senator Donovan, Senator Apple and Senator Holland, but the current compromise is not acceptable for Kansas needs. I vote no.

A responsible tax plan is still possible. – PETE BRUNGARDT

Senators Owens, Reitz, Schodorf, Teichman, Umbarger and Vratil request the record to show they concur with the “Explanation of Vote” offered by Senator Brungardt on H Sub for SB 177.

EXPLANATION OF VOTE

MR. PRESIDENT: Like most of us in this Chamber, I want a tax structure for Kansas that is responsible, pro-growth and competitive. But, at the same time, we need to maintain a balanced budget. We need to take care of our responsibilities. And, we need to look out for the future of our state.

Kansas is emerging from this economic recession in a better position than most states. But, we are not out of the woods yet. This particular plan could turn our balanced budget into a deficit in just five years. I don’t think that is the kind of tax relief that will move Kansas forward.
As I’ve said before, a reasonable plan involves lowering our individual income tax rates and eliminating the income tax on businesses up to $100,000. We also need to reduce property taxes, reduce sales taxes and adjust HPIP.

Let me reiterate: I want a tax structure for Kansas that is responsible, pro-growth and competitive. I greatly appreciate the hard work that has gone into this plan. But, I hope the conference committee will reconvene today and come back to us with a more reasonable plan that’s right for Kansas. – **Stephen Morris**

EXPLANATION OF VOTE

MR. PRESIDENT: The reapportionment map being considered today is being presented merely to create evidence and dicta for courts & Judges to consider. It should be considered as manufactured evidence. This map was drawn in secret by a very limited number of Senators likely fewer than five.
The Abrams map: “For the People #12” was reviewed and given input by a majority of Republican Senators, and perhaps several Democrat Senators, and was altered to include said input. The Steineger map: “Mona Lisa” was reviewed and given input by all 32 Senate Republicans, and at least 4 Senate Democrats, and said map was altered to agree with said input. Neither map involves consolidation of Senate Districts. Openness and inclusiveness are clear signs of a desire to be fair and non partisan.
The Bison map, drawn by few, without input from any majority of Senators, and which results in a consolidation of districts, clearly is gerrymandering and should be rejected. – CHRIS STEINEGER

Senators Masterson and Pilcher-Cook request the record to show they concur with the “Explanation of Vote” offered by Senator Steineger on S Sub for HB 2087.

Journal of the Senate

SEVENTY-THIRD DAY

 SENATE CHAMBER, TOPEKA, KANSAS
Saturday, May 19, 2012, 10:00 a.m.

The Senate was called to order by President Stephen Morris.
The roll was called with thirty-eight senators present.
Senators Emler and Kelsey were excused.
Invocation by Chaplain Fred S. Hollomon:

Heavenly Father,

When Senators explain their vote,
They may ask that their remarks
Be spread upon the journal
Which could ignite a spark.

For sometimes other Senators,
Impressed by what was said,
Ask to join in those remarks
Which were on the journal spread.

It occurs to me, O God,
That Your remarks eternal
Have for centuries been spread
Upon Your sacred Journal.

It also then occurs to me
It should ignite in us a spark,
And we should all stand up and say,
“Lord, we join in Your remarks!”

I pray in the Name of Jesus Christ, AMEN

The Pledge of Allegiance was led by President Stephen Morris.

The amount of such state aid shall be computed by the state board as provided in this section. The state board shall:

(1) Determine the total amount of general fund and local option budgets of all school districts;

(2) subtract from the amount determined in paragraph (1) the total amount attributable to assignment of transportation weighting, program weighting, special education weighting and at-risk pupil weighting to enrollment of all school districts;

(3) divide the remainder obtained in paragraph (2) by the total number of full-time equivalent pupils enrolled in all school districts on September 20;

(4) determine the total full-time equivalent enrollment of exceptional children receiving special education and related services provided by all school districts;

(5) multiply the amount of the quotient obtained in paragraph (3) by the full-time equivalent enrollment determined in paragraph (4);

(6) determine the amount of federal funds received by all school districts for the provision of special education and related services;

(10) subtract the amount of the sum obtained under paragraph (8) from the amount determined under paragraph (9); and

(11) multiply the remainder obtained under paragraph (10) by 92%.

The computed amount is the amount of state aid for the provision of special
education and related services aid a school district is entitled to receive for the ensuing school year.

(b) Each school district shall be entitled to receive:

(1) Reimbursement for actual travel allowances paid to special teachers at not to exceed the rate specified under K.S.A. 75-3203, and amendments thereto, for each mile actually traveled during the school year in connection with duties in providing special education or related services for exceptional children; such reimbursement shall be computed by the state board by ascertaining the actual travel allowances paid to special teachers by the school district for the school year and shall be in an amount equal to 80% of such actual travel allowances;

(2) reimbursement in an amount equal to 80% of the actual travel expenses incurred for providing transportation for exceptional children to special education or related services; such reimbursement shall not be paid if such child has been counted in determining the transportation weighting of the district under the provisions of the school district finance and quality performance act;

(3) reimbursement in an amount equal to 80% of the actual expenses incurred for the maintenance of an exceptional child at some place other than the residence of such child for the purpose of providing special education or related services; such reimbursement shall not exceed $600 per exceptional child per school year; and

(4) subject to the provisions of subsection (f) and except for those school districts entitled to receive reimbursement under subsection (c) or (d), after subtracting the amounts of reimbursement under paragraphs (1), (2) and (3) of this subsection (a) from the total amount appropriated for special education and related services under this act, an amount which bears the same proportion to the remaining amount appropriated as the number of full-time equivalent special teachers who are qualified to provide special education or related services to exceptional children and are employed by the school district for approved special education or related services bears to the total number of such qualified full-time equivalent special teachers employed by all school districts for approved special education or related services.

Each special teacher who is qualified to assist in the provision of special education or related services to exceptional children shall be counted as $2/5 full-time equivalent special teacher who is qualified to provide special education or related services to exceptional children.

(c) Each school district which has paid amounts for the provision of special education and related services under an interlocal agreement shall be entitled to receive reimbursement under subsection (b)(4). The amount of such reimbursement for the district shall be the amount which bears the same relation to the aggregate amount available for reimbursement for the provision of special education and related services under the interlocal agreement, as the amount paid by such district in the current school year for provision of such special education and related services bears to the aggregate of all amounts paid by all school districts in the current school year who have entered into such interlocal agreement for provision of such special education and related services.

(d) Each contracting school district which has paid amounts for the provision of special education and related services as a member of a cooperative shall be entitled to receive reimbursement under subsection (b)(4). The amount of such reimbursement for the district shall be the amount which bears the same relation to the aggregate amount
available for reimbursement for the provision of special education and related services by the cooperative, as the amount paid by such district in the current school year for provision of such special education and related services bears to the aggregate of all amounts paid by all contracting school districts in the current school year by such cooperative for provision of such special education and related services.

(c) No time spent by a special teacher in connection with duties performed under a contract entered into by the Kansas juvenile correctional complex, the Atchison juvenile correctional facility, the Larned juvenile correctional facility, and a school district for the provision of special education services by such state institution shall be counted in making computations under this section.

(A) Determine the total amount of moneys appropriated as state aid for the provision of special education and related services to all school districts for the current school year;

(C) divide the remainder obtained under (B) by the total full-time equivalent enrollment of all school districts in the current school year;

(2) (A) multiply the quotient obtained under (1) (C) by the full-time equivalent enrollment of the school district in the current school year;

(B) multiply the product obtained under (2) (A) by .75. The product is the minimum amount of state aid the district may receive under paragraph (4) of subsection (b) for the current school year;

(C) multiply the quotient obtained under (2) (A) by 1.50. The product is the maximum amount of state aid the district may receive under paragraph (4) of subsection (b) for the current school year.

(3) If the amount determined under paragraph (4) of subsection (b) is less than the product obtained under (2)(B), the district shall receive state aid in an amount equal to the product obtained under (2)(B), plus any amount determined under paragraph (5) of this subsection.

(2) The limitation on the amount which may be maintained in the contingency reserve fund imposed under subsection (b) shall not apply to any district whose state financial aid is computed under the provisions of K.S.A. 72-6445a, and amendments thereto. Rules and regulations adopted pursuant to this subsection that are more rigorous than those set forth in subsection (a) shall not be effective prior to the first day of the fourth academic year following the year in which the rules and regulations are adopted.

In addition to academic coursework, such plan may also address such student's extracurricular activities, financial needs and any other aspect of such student's life which may have a bearing on the student's academic success at the state educational institution. Journal of the Senate

SEVENTY-FOURTH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Sunday, May 20, 2012, 11:00 a.m.

The Senate was called to order by President Stephen Morris.
The roll was called with thirty-five senators present.
Senators Abrams, Donovan, Emler, Kelsey and Steineger were excused.
The President introduced Chaplain Tony D. Venturella, Director of Communications
in the Senate President's office, who delivered the invocation.

Heavenly Father,
The word is today is our last day. Of that we cannot be sure. We realize however that
whether it is or isn't, our real Last Day is a rendezvous we shall not miss and for which
we shall not be late.
May we have that real last day in perspective and so order our lives, here today, and
this week, and as we begin our real lives, in the real world, apart from this place.

As Saint Francis reminds us:
Lord, make me an instrument of your peace.
Where there is hatred, let me sow love.
Where there is injury, pardon.
Where there is doubt, faith.
Where there is despair, hope.
Where there is darkness, light.
Where there is sadness, joy.
Grant that I may not so much seek to be consoled, as to console;
to be understood, as to understand;
to be loved, as to love.
For it is in giving that we receive.
It is in pardoning that we are pardoned,
and it is in dying that we are born to Eternal Life.

This is our hope, our confidence, our trust.
Amen

New Sec. 2. (a) The state board of regents shall establish the career technical education incentive program.

(b) (1) Each school year, to the extent there are sufficient moneys appropriated to the career technical education incentive program, the state board of regents shall make an award to those school districts who have at least one pupil who graduates from a high school in the school district having obtained an industry-recognized credential in an occupation that has been identified by the secretary of labor, in consultation with the state board of regents and the state board of education, as an occupation in highest need of additional skilled employees at the time the pupil entered the career technical education course or program in the school district. Such school districts shall receive an award in an amount equal to $1,000 for each such pupil graduating from a high school in the school district. Such awards shall be paid at such times as established by the state board of regents. Such awards shall be expended for the expenses incurred by the board of education of the school district under subsection (b)(2), and any moneys remaining after distribution in accordance with subsection (b)(2) may be expended as determined by the board of education of a school district towards operating the school from which the pupils graduated. Upon receipt of such award and application by a pupil who has not attained a high school diploma and is currently or was previously enrolled in a career technical education course or program in the school district, the board of education of each school district shall pay \( \frac{1}{2} \) of the costs of the industry-recognized credential assessment specified in such application in an amount not to exceed $1,000. specified by the state board of regents.

(3) In each school year, each governing body of a community college, technical
college or institute of technology is entitled to receive from appropriations for the career
technical education incentive program an amount which is equal to the amount certified

due each governing body of a community college, technical college or institute of
technology. The director of accounts and reports shall draw warrants on the state
treasurer payable to the treasurer of each governing body of a community college,
technical college or institute of technology entitled to payment under this subsection

Upon approval of its application by the state board of regents, the governing board of a community college, technical college or institute of technology may purchase or otherwise acquire land or land and improvements in such service area for the purpose of providing such career technical educational program.

New Sec. 5. On or before January 15, 2014, the state board of education shall prepare a report to the legislature proposing a strategy and proposed plan for providing state aid to career technical education programs or courses in school districts. In preparing such report, the state board of education shall consider the funding scheme under the postsecondary tiered technical education state aid act. The report shall include, but not be limited to, recommendations for legislative changes and estimates of the cost to the state of implementing such changes.

(a) If a pupil submits an application for free meals under the national school lunch act on or before the date on which the enrollment of the school district is calculated and it is later determined by the school district or the department of education that the pupil should not have been eligible for free meals, the district or the department shall notify the state board of such determination. Except as provided in subsection (b), upon receipt of such notice, the state board shall recompute the adjusted enrollment of the district and the general fund budget of the district based on the adjusted enrollment of the district excluding the at-risk pupil weighting and high density at-risk pupil weighting, if any, assigned to such pupil.

(b) If a pupil becomes ineligible to receive free meals under the national school lunch act for failure to submit, in a timely manner, any documentation necessary for verification of eligibility as required by the national school lunch act, but subsequently submits such documentation, such pupil shall not be excluded from the calculation of the adjusted enrollment of the district if the district forwards a copy of such documentation to the state board no later than January 14 of the school year.

(c) This section shall be part of and supplemental to the school district finance and quality performance act. This section shall be applicable to school year 2012-2013 and each school year thereafter.

The board shall make an annual report in the manner prescribed by the state board of regents. Members of the board of trustees shall be paid subsistence allowances, mileage and other actual and necessary expenses incurred in the performance of their official duties.

(9) To acquire by gift, purchase, lease-purchase, condemnation or otherwise, and to own, lease, use and operate property, whether real, personal, or mixed, or any interest therein, which is necessary or desirable for community college purposes. Any lease-purchase agreement entered into under authority of this subsection shall be subject to the conditions set forth in K.S.A. 10-1116c, and amendments thereto. The term of any lease entered into under authority of this subsection may be for not to exceed 10 years. Such lease may provide for annual or other payment of rent or rental fees and may obligate the community college to payment of maintenance or other expenses. Any lease or lease-purchase agreement entered into under authority of this subsection shall be subject to change or termination at any time by the legislature. Any assignment of rights in any lease or lease-purchase made under this subsection shall contain a citation of this section and a recitation that the lease or lease-purchase agreement and assignment thereof are subject to change or termination by the legislature. The employee designated in any resolution provided for in this subsection receiving such funds shall keep a record of all receipts and expenditures from the fund, and shall from time to time, and at the end of the fiscal year, prepare a statement for the board showing all receipts, expenditures, and the balance in the petty cash fund. The board of trustees may authorize the employee designated to maintain any petty cash fund to make a claim for replenishment of the fund to its original amount in advance of approval by the board of trustees if, at any time during the period between regular monthly meetings of the board of trustees, the balance remaining in the fund is insufficient to make needed expenditures for any purpose for which the petty cash fund is maintained. No petty cash fund may be replenished more than one time during each period between regular monthly meetings of the board of trustees. If a petty cash fund is replenished prior to the end of the fiscal year in accordance with the foregoing authorization, the employee authorized to maintain the petty cash fund shall keep an accurate record of all expenditures made therefrom, and the purpose therefor, and shall submit the record to the board of trustees at the next regular monthly meeting thereof. The petty cash fund shall be replenished by payment from the appropriate funds of the community college to the petty cash fund upon proper claim. The fund shall be kept separate from all other funds and shall be used only for authorized expenditures and
itemized receipts shall be taken for each expenditure. No part of such fund may be loaned or advanced against the salary of an employee. All employees entrusted with such funds under this subsection shall be bonded by the community college district.

(c) Subject to the provisions of subsection (d), the board of trustees may purchase or otherwise acquire land or land and improvements and may acquire, construct, reconstruct, repair or remodel improvements thereon or additions thereto, including furnishings, equipment, and architectural and incidental expense related thereto, and for such purposes the board of trustees is authorized to issue and sell general obligation bonds, the cumulative total not to exceed the following amounts: Where the community college district has a taxable tangible valuation of less than $90,000,000 or is located in a county designated as urban under the provisions of K.S.A. 19-3524, and amendments thereto, not to exceed 5% of the taxable tangible property of the community college district, and where the community college district has a taxable tangible valuation of more than $90,000,000 not to exceed 3% except as provided above for any community college district located in a county designated as urban under the provisions of K.S.A. 19-3524, and amendments thereto, of the taxable tangible property of the community college district. If any increase in the valuation of a community college district results in an outstanding bonded indebtedness in excess of that provided in this subsection, such increase shall not constitute a violation of this subsection. No such bonds shall be issued until the question of their issuance shall have been submitted to a vote of the electors of the community college district at a regular election or at a special election called for that purpose and the majority of the electors voting on the proposition in such community college district shall have voted in favor of the issuance of the bonds. Such election shall be called, noticed and held and the bonds issued, sold, delivered and retired in accordance with the provisions of the general bond law except as herein otherwise expressly provided.

Nothing in this subsection shall be construed or operate in any manner to require a board of trustees to sell, convey or otherwise dispose of land or land and improvements located outside the community college district or the service area of the community college and owned or being acquired by the community college on the effective date of this act.

(2) For the purposes of this subsection, "service area" means a designated geographic area of the state established pursuant to agreement of the presidents of the community colleges and adopted in policy by the state board of regents.

Nothing in this act shall be construed to amend, repeal or in any way change laws relating to community college student or out district tuition. Each school year, to the extent there are sufficient moneys appropriated to the career technical education secondary program, the state board of regents shall distribute state funds to community colleges, technical colleges and the Washburn institute of technology for the cost associated with secondary students enrolled in postsecondary career technical education programs as determined by the state board of regents.

(3) For purposes of this subsection:

(B) "Fees" means those charges assessed against a student by a community college, technical college or the institute of technology for student services, such as health clinics, athletic activities and technology services, or for books, supplies or other materials necessary for a particular course or program, the expense of which is not covered by tuition.

No school district shall pay tuition for a student who is a postsecondary student, and no school district shall be required to pay tuition or fees of a student who is eligible to have tuition and fees for the course or training the student selects paid by any state or federal agency from moneys, funds or appropriations made available under any one or more state or federal programs. Any state agency administering any one or more such programs shall pay such tuition and fees upon

In the case of a school district which is not a party to an agreement under K.S.A. 72-4421, and amendments thereto, should there be insufficient or no moneys in the vocational career technical education fund to pay such tuition, the board of education shall transfer from the general fund to the vocational career technical education fund such amount as will satisfy the insufficiency.

(16) appoint as its resident agent for the purpose of service of process, either the president of the technical college or the chairperson of the governing board, or both;
(17) take any other action, not inconsistent with any law or any rules and regulations of the state board of regents, which is necessary or incidental to the establishment, operation and maintenance of the college;

Any lease-purchase agreement entered into under authority of this subsection shall be subject to change or termination at any time by the legislature. Any assignment of rights in any lease-purchase made under this subsection shall contain a citation of this section and a recitation that the lease-purchase agreement and assignment thereof are subject to change or termination by the legislature.

Sec. 11. K.S.A. 2011 Supp. 72-6455 is hereby amended to read as follows: 72-6455. (a) As used in this section, school district means any district having: (1) An enrollment of at least 50% at-risk pupils; or (2) an enrollment of at least 35.1% at-risk pupils and an enrollment density of at least 212.1 pupils per square mile.

(b) The high density at-risk pupil weighting of each school district shall be determined by the state board by multiplying the number of at-risk pupils by .10. The product is the high density at-risk pupil weighting of the district.

(c) If a school district becomes ineligible for high density at-risk pupil weighting because enrollment of at-risk pupils in the district falls below the requirements of subsection (a), the high density at-risk pupil weighting of the district shall be the greater of: (1) The high density at-risk pupil weighting in the current school year; (2) the high density at-risk pupil weighting in the prior school year; or (3) the average of the high density at-risk pupil weighting in the current school year and the preceding two school years.

The provisions of this subsection paragraph shall expire on June 30, 2011.

The high density at-risk pupil weighting of each school district shall be determined by the state board as follows:

(A) Except as provided in subparagraph (C), if the district has an enrollment of at least 35%, but less than 50% at-risk pupils, the state board shall:

(i) Subtract 35% from the percentage of at-risk enrollment in the district;

(ii) multiply the amount determined under clause (i) by .7; and

(iii) multiply the number of at-risk pupils enrolled in the district by the product determined under clause (ii). The resulting product is the high density at-risk pupil weighting of the district.

(B) If the district has an enrollment of 50% or more at-risk pupils, the state board shall multiply the number of at-risk pupils by .105. The resulting product is the high density at-risk pupil weighting of the district.

(C) If the district has an enrollment of at least 35.1% at-risk pupils and an enrollment density of at least 212.1 pupils per square mile, the state board shall multiply the number of at-risk pupils by .105. The resulting product is the high density at-risk pupil weighting of the district.

Sec. 154. On July 1, 2012, K.S.A. 2011 Supp. 72-8814 is hereby amended to read as follows: 72-8814. (a) There is hereby established in the state treasury the school district capital outlay state aid fund. Such fund shall consist of all amounts transferred thereto under the provisions of subsection (c).

(b) In each school year, each school district which levies a tax pursuant to K.S.A. 72-8801 et seq., and amendments thereto, shall be entitled to receive payment from the school district capital outlay state aid fund in an amount determined by the state board of education as provided in this subsection. The state board of education shall:

(1) Determine the amount of the assessed valuation per pupil (AVPP) of each school district in the state and round such amount to the nearest $1,000. The rounded amount is the AVPP of a school district for the purposes of this section;

(2) determine the median AVPP of all school districts;

(3) prepare a schedule of dollar amounts using the amount of the median AVPP of all school districts as the point of beginning. The schedule of dollar amounts shall range
upward in equal $1,000 intervals from the point of beginning to and including an amount that is equal to the amount of the AVPP of the school district with the highest AVPP of all school districts and shall range downward in equal $1,000 intervals from the point of beginning to and including an amount that is equal to the amount of the AVPP of the school district with the lowest AVPP of all school districts;

(4) determine a state aid percentage factor for each school district by assigning a state aid computation percentage to the amount of the median AVPP shown on the schedule, decreasing the state aid computation percentage assigned to the amount of the median AVPP by one percentage point for each $1,000 interval above the amount of the median AVPP, and increasing the state aid computation percentage assigned to the amount of the median AVPP by one percentage point for each $1,000 interval below the amount of the median AVPP. Except as provided by K.S.A. 2011 Supp. 72-8814b, and amendments thereto, the state aid percentage factor of a school district is the percentage assigned to the schedule amount that is equal to the amount of the AVPP of the school district, except that the state aid percentage factor of a school district shall not exceed 100%. The state aid computation percentage is 25%;

(5) determine the amount levied by each school district pursuant to K.S.A. 72-8801 et seq., and amendments thereto;

(6) multiply the amount computed under (5), but not to exceed 8 mills, by the applicable state aid percentage factor. The product is the amount of payment the school district is entitled to receive from the school district capital outlay state aid fund in the school year.

(c) The state board shall certify to the director of accounts and reports the entitlements of school districts determined under the provisions of subsection (b), and an amount equal thereto shall be transferred by the director from the state general fund to the school district capital outlay state aid fund for distribution to school districts, except that no transfers shall be made from the state general fund to the school district capital outlay state aid fund during the fiscal years ending June 30, 2012 and June 30, 2013. All transfers made in accordance with the provisions of this subsection shall be considered to be demand transfers from the state general fund.

(d) Payments from the school district capital outlay state aid fund shall be distributed to school districts at times determined by the state board of education. The state board of education shall certify to the director of accounts and reports the amount due each school district entitled to payment from the fund, and the director of accounts and reports shall draw a warrant on the state treasurer payable to the treasurer of the school district. Upon receipt of the warrant, the treasurer of the school district shall credit the amount thereof to the capital outlay fund of the school district to be used for the purposes of such fund.

(e) Amounts transferred to the capital outlay fund of a school district as authorized by K.S.A. 72-6433, and amendments thereto, shall not be included in the computation when determining the amount of state aid to which a district is entitled to receive under this section.

the debt service rate, and the rate at which moneys shall be credited to the IMPACT program services fund in order to finance program costs that are not financed by bonds, which shall be referred to as the direct funding rate. The total of the debt service rate and the direct funding rate shall be the combined rate. Each rate so determined shall be certified to the secretary of revenue. The combined rate determined under this subsection shall not exceed 2%.

(2) Upon receipt of the rates determined and certified under subsection (a)(1), the secretary of revenue shall apply daily the combined rate to that portion of the moneys withheld from the wages of individuals and collected under the Kansas withholding and declaration of estimated tax act, K.S.A. 79-3294 et seq., and amendments thereto. The amount so determined shall be credited as follows: (A) The portion attributable to the debt service rate shall be credited to the IMPACT program repayment fund; and (B) the remaining portion shall be credited to the IMPACT program services fund.

(3) The aggregate of all amounts credited to the IMPACT program repayment fund under this section during any fiscal year to pay bond repayment obligations on bonds to finance major project investments shall not exceed the amount which results when the rate of 2% is applied to all moneys withheld from the wages of individuals and received under the Kansas withholding and declaration of estimated tax act.

(4) The provisions of this subsection shall remain in effect prior to July 1, 2012.

(b) Commencing July 1, 2012, and on the first day of each month thereafter during fiscal year 2013 and fiscal year 2014, the secretary of revenue shall apply a rate of 2% to that portion of moneys withheld from the wages of individuals and collected under the Kansas withholding and declaration of estimated tax act, K.S.A. 79-3294 et seq., and amendments thereto. The amount so determined shall be credited on a monthly basis as follows: (1) An amount necessary to meet obligations of the debt services for the IMPACT program repayment fund; and (2) an amount to the IMPACT program services fund as needed for program administration; and (3) any remaining amounts to the job creation program fund created pursuant to K.S.A. 2011 Supp. 74-50,224, and amendments thereto.

(c) Commencing July 1, 2014, and on an annual basis thereafter, the secretary of revenue shall estimate the amount equal to the amount of net savings realized from the elimination, modification or limitation of any credit, deduction or program pursuant to the provisions of this act as compared to the expense deduction provided for in K.S.A. 2011 Supp. 79-32,143a, and amendments thereto. Whereupon such amount of savings in accordance with appropriation acts shall be remitted to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. In addition, such other amount or amounts of money may be transferred from the state general fund or any other fund or funds in the state treasury to the job creation program fund in accordance with appropriation acts.

Sec. 157. On July 1, 2012, K.S.A. 2011 Supp. 75-2319 is hereby amended to read as follows: 75-2319. (a) There is hereby established in the state treasury the school district capital improvements fund. The fund shall consist of all amounts transferred thereto under the provisions of subsection (c).

(b) Subject to the provisions of subsection (f), in each school year, each school district which is obligated to make payments from its capital improvements fund shall be entitled to receive payment from the school district capital improvements fund in an amount determined by the state board of education as provided in this subsection. The state board of education shall:

(1) Determine the amount of the assessed valuation per pupil (AVPP) of each
school district in the state and round such amount to the nearest $1,000. The rounded amount is the AVPP of a school district for the purposes of this section;

(2) determine the median AVPP of all school districts;

(3) prepare a schedule of dollar amounts using the amount of the median AVPP of all school districts as the point of beginning. The schedule of dollar amounts shall range upward in equal $1,000 intervals from the point of beginning to and including an amount that is equal to the amount of the AVPP of the school district with the highest AVPP of all school districts and shall range downward in equal $1,000 intervals from the point of beginning to and including an amount that is equal to the amount of the AVPP of the school district with the lowest AVPP of all school districts;

(4) determine a state aid percentage factor for each school district by assigning a state aid computation percentage to the amount of the median AVPP shown on the schedule, decreasing the state aid computation percentage assigned to the amount of the median AVPP by one percentage point for each $1,000 interval above the amount of the median AVPP, and increasing the state aid computation percentage assigned to the amount of the median AVPP by one percentage point for each $1,000 interval below the amount of the median AVPP. Except as provided by K.S.A. 2011 Supp. 75-2319c, and amendments thereto, the state aid percentage factor of a school district is the percentage assigned to the schedule amount that is equal to the amount of the AVPP of the school district. The state aid percentage factor of a school district shall not exceed 100%. The state aid computation percentage is 5% for contractual bond obligations incurred by a school district prior to the effective date of this act, and 25% for contractual bond obligations incurred by a school district on or after the effective date of this act;

(5) determine the amount of payments in the aggregate that a school district is obligated to make from its bond and interest fund and, of such amount, compute the amount attributable to contractual bond obligations incurred by the school district on or after the effective date of this act;

(6) multiply each of the amounts computed under (5) by the applicable state aid percentage factor; and

(7) add the products obtained under (6). The amount of the sum is the amount of payment the school district is entitled to receive from the school district capital improvements fund in the school year.

(c) The state board of education shall certify to the director of accounts and reports the entitlements of school districts determined under the provisions of subsection (b), and an amount equal thereto shall be transferred by the director from the state general fund to the school district capital improvements fund for distribution to school districts. All transfers made in accordance with the provisions of this subsection shall be considered to be demand transfers from the state general fund, except that all such transfers during the fiscal years ending June 30, 2012-2013, and June 30, 2013-2014, shall be considered to be revenue transfers from the state general fund.

(d) Payments from the school district capital improvements fund shall be distributed to school districts at times determined by the state board of education to be necessary to assist school districts in making scheduled payments pursuant to contractual bond obligations. The state board of education shall certify to the director of accounts and reports the amount due each school district entitled to payment from the fund, and the director of accounts and reports shall draw a warrant on the state treasurer

(e) The provisions of this section apply only to contractual obligations incurred by school districts pursuant to general obligation bonds issued upon approval of a majority of the qualified electors of the school district voting at an election upon the question of the issuance of such bonds.

(f) Amounts transferred to the capital improvements fund of a school district as authorized by K.S.A. 72-6433, and amendments thereto, shall not be included in the computation when determining the amount of state aid to which a district is entitled to receive under this section.

Sec. 158. On July 1, 2012, K.S.A. 2011 Supp. 76-775 is hereby amended to read as follows: 76-775. All transfers made in accordance with the provisions of this subsection shall be considered demand transfers from the state general fund, except that all such transfers during the fiscal years ending June 30, 2012, and June 30, 2013, shall be considered to be revenue transfers from the state general fund.

(b) There is hereby established in the state treasury the faculty of distinction program fund which shall be administered by the state board of regents. All moneys transferred under this section to the faculty of distinction program fund of the state board of regents shall be paid to eligible educational institutions that are not state educational institutions for earnings equivalent awards for qualifying gifts to such eligible educational institutions. The state board of regents shall pay from the faculty of distinction program fund the amount of each such transfer to the eligible educational institution the earnings equivalent award for which such transfer was made under this section.

(c) The earnings equivalent award for an endowed professorship shall be determined by the director of accounts and reports and shall be the amount of interest earnings that the amount of the qualifying gift certified by the state board of regents would have earned at the average net earnings rate of the pooled money investment board portfolio for the period for which the determination is being made.

(d) The total amount of new qualifying gifts which may be certified to the director of accounts and reports under this act during any state fiscal year for all eligible
educational institutions shall not exceed $30,000,000. (2) Except as may otherwise be expressly provided by the board of regents, every obligation of the board of regents with respect to such bonds shall be an obligation of the board of regents payable out of any revenues or moneys of the board of regents derived from annual appropriations of the legislature. Subject only to any agreements with holders of particular bonds pledging any particular revenues, the board of regents shall use moneys derived from scientific research and development facilities to provide funds sufficient to pay principal and interest on any bonds issued pursuant to this act commencing after the date a project is completed and has been accepted by the board of regents. Subject to the provisions of appropriation acts, payment of principal and interest on the bonds shall be made by the state board of regents from annual appropriations by the legislature from such revenues as are furnished by the board of regents, or from any other available funds, in amounts sufficient to pay principal and interest on the bonds until the bonds are finally paid.

(3) Upon acceptance by the board of regents of each project initiated and completed under this act and upon a determination by the board of regents that the period for repayment of debt for such project is to commence, the board of regents shall certify to the director of accounts and reports that principal and interest payments for such project are to commence and the dates and amounts of all principal and interest payments for such project. Pursuant to each such certification and commencing on or after July 1, 2004, the director of accounts and reports shall transfer, from the state general fund to the debt service fund or funds at a state educational institution as specified in the certification for such project, the amount certified on or before the respective payment

All such transfers during the fiscal years ending June 30, 2013, and June 30, 2014, shall be considered to be revenue transfers from the state general fund. The aggregate of all such transfers from the state general fund during any fiscal year shall not exceed $10,000,000 and the aggregate of all such transfers from the state general fund under this section shall not exceed $50,000,000.

The Kansas development finance authority and the board of regents shall enter into contracts with respect to the scientific research and development facilities financed under this act prescribing the obligation of the board of regents and the state educational institutions to provide for repayment of amounts of bond debt service in addition to those amounts provided for by transfers under this section from the state general fund.

(b) (1) The bonds shall be authorized by a resolution adopted by the board of directors of the Kansas development finance authority.

(2) Except as otherwise provided in this act, bonds issued by the Kansas development finance authority under authority of this act shall be subject to the provisions of K.S.A. 74-8901 et seq., and amendments thereto.

c) Any resolution authorizing the board of regents to incur any obligation with respect to bonds issued by the Kansas development finance authority may contain such provisions as deemed appropriate by the board of regents for the purpose of carrying out the purposes of this act and securing such bonds, which shall be a part of the contract with the holders thereof, including, but not limited to, provisions:

(1) Pledging all or any part of the revenues of the board of regents derived from scientific research and development facilities to secure the payment of the bonds or of any issue thereof, subject to such agreements with bondholders as may then exist;

(2) the setting aside of reserves or sinking funds and the regulation and disposition thereof;

(3) limitations on the issuance of additional bonds or other obligations, the terms upon which additional bonds or obligations may be issued and secured, and the refunding of outstanding or other bonds;

(4) defining the acts or omissions to act which shall constitute a default in the obligations and duties of the board of regents to the Kansas development finance authority, the applicable bond trustee or the holders of the bonds, except that such rights and remedies shall not be inconsistent with the general laws of this state and the other provisions of this act; and

(5) any other matters, of like or different character, which in any way affect the security or protection of the holders of the notes or bonds.

(d) Any of the provisions relating to any bonds described in this section may be set forth in a trust indenture, loan agreement, lease agreement or other financing document authorized by a resolution of the board of regents or the board of directors of the Kansas development finance authority.

e) The bonds of each issue may, in the discretion of the board of directors of the Kansas development finance authority, be made redeemable before maturity at such prices and under such terms and conditions as may be determined by the board of directors of the Kansas development finance authority. Bonds issued on behalf of the board of regents shall mature at such time, not exceeding 30 years from their date of issue, as may be determined by the board of regents and the board of directors of the Kansas development finance authority. The bonds may be issued as serial bonds
payable in annual installments or as term bonds or as a combination thereof. The bonds shall bear interest at such rate either fixed or variable, be in such denominations, be in such form, either coupon or registered, carry such registration privileges, be executed in such manner, be payable in such medium of payment and at such place, and be subject to such terms of redemption as provided in the resolution of trust indenture. The bonds may be sold by the Kansas development finance authority, at public or private sale, at such price as the board of directors of the Kansas development finance authority shall determine.

(f) In case any officer of the Kansas development finance authority whose signature or a facsimile of whose signature appears on any bonds or coupons attached thereto ceases to be such officer before the delivery thereof, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes the same as if such officer had remained in office until such delivery.

(g) Any bonds issued by the Kansas development finance authority pursuant to this section, and the income therefrom (including any profit from the sale thereof) shall at all times be free from taxation by the state or any agency, political subdivision or instrumentality of the state, including income and property taxes.

(h) Any holder of bonds issued under the provisions of this act, or any coupons appertaining thereto and the trustee under any trust agreement or resolution authorizing the issuance of such bonds, except the rights under this act may be restricted by such trust agreement or resolution, may, either at law or in equity by suit, action, mandamus or other proceeding, protect and enforce any and all rights under the laws of the state or granted under this act or under such agreement or resolution, or under any other contract executed by the board of regents pursuant to this act, and may enforce and compel the performance of all duties required by this act or by such trust agreement or resolution to be performed by the board of regents or by an officer thereof.

(i) The bonds shall be special, limited obligations of the Kansas development finance authority and the state shall not be liable for bonds issued by the Kansas development finance authority on behalf of the board of regents, and such bonds shall not constitute a debt of the state.

(j) Neither the board of regents, the board of the Kansas development finance authority nor any authorized employee of the board of regents or the Kansas development finance authority shall be personally liable for such bonds by reason of the issuance thereof.

(k) Nothing in this act shall be construed as a restriction or limitation upon any other powers which the board of regents might otherwise have under any other law of this state, and this act is cumulative to any such powers. This act does and shall be construed to provide a complete, additional and alternative method for the doing of the things authorized thereby and shall be regarded as supplemental and additional to powers conferred by other laws. The issuance of bonds under the provisions of this act need not comply with the requirements of any other state law applicable to the issuance of bonds. No proceedings, notice or approval shall be required for the issuance of any bonds or any instrument as security therefor, except as is provided in this act.

(l) Any of the provisions relating to bonds described in this section may be included in any contracts between the board of regents and the Kansas development finance authority relating to obligations of the Kansas development finance authority issued on behalf of the board of regents.

The Conference Committee Report was adopted.

EXPLANATION OF VOTE

MR. PRESIDENT: I vote Aye on House Substitute for SB 294 (budget bill) but with some reservations. In light of our State General Fund positive ending balance, we could have provided more adequate funding to education (both higher and K-12), mental health, aging programs, developmental and physical disability programs, property tax relief, and others that are important to our citizens, communities, and institutions.

Last session I voted against the final budget because it had extensive cuts to K-12 education. It suspended the legislature's commitment to fund years 4 and 5 of "under market pay", and it didn't address waiting lists for developmental and physical disabilities.

This year, our conference committee has negotiated for us a budget with additional funding for K-12 education (although at a reduced amount), continuation of "under market pay" for state employees currently ranked 48th in the nation for pay, and has designated some funding for developmental and physical disability waiting lists. I would also like to thank our conferees for providing additional funding for children's programs, aging programs, and mental health. Our quality of life and community vibrancy are dependent on adequate funding to these and other programs. Thank-you, Mr. President. – ALLEN C. SCHMIDT

Leegin Creative Leather Products, Inc., No. 101,000, 2012 WL 1563976, the Supreme Court of Kansas had accurately interpreted the Kansas restraint of trade act, K.S.A. 50-101 through 50-162, and amendments thereto, and such interpretations have been consistent with the intent of the Kansas Legislature in enacting the Kansas restraint of trade act, K.S.A. 50-101 through 50-162, and amendments thereto, and such interpretations made prior to May 4, 2012, should continue to be considered viable precedent in the state of Kansas.

(b) agree in any manner to keep the price of such article, commodity or transportation at a fixed or graded figure;

EXPLANATION OF VOTE

MR. PRESIDENT: H Sub for SB 416 is a necessary interim step to address the abolition of the “Rule of Reason” for vertical price-fixing cases under the Kansas Restraint of Trade Act following the May 4, 2012 decision of the Kansas Supreme Court in the O'Brien case. I vote for this bill, however, with the understanding that its provisions are not retroactive. I also vote for this bill with the understanding that it does not address horizontal price-fixing cases except to the extent, if any, that such cases were addressed in the O'Brien opinion. – JEFF KING

Senators Apple, Lynn, Masterson, Olson, Ostmeyer, Petersen, Pilcher-Cook and Taddiken request the record to show they concur with the “Explanation of Vote” offered by Senator King on H Sub for SB 416.

EXPLANATION OF VOTE

MR. PRESIDENT: I vote no because we were not given an opportunity or the time to read or study the actual bill or conference committee report before voting on the measure. I support ag business, but pushing a bill through without being able to read it is bad public policy. – JEAN SCHODORF

Senators Francisco, Kelly and Kultala request the record to show they concur with the “Explanation of Vote” offered by Senator Schodorf on H Sub for SB 416.

EXPLANATION OF VOTE

MR. PRESIDENT: I vote aye on this bill because it incorporates a one-year sunset clause and will have close scrutiny during this one year period, but I do so with grave concerns on several issues:

First; we need to take the longer view on H Sub for SB 416 and its potential impacts. This 11th hour bill short circuits the responsible process of passing legislation that is well-vetted, reliable, and devoid of serious unintended consequences. The proper vetting has not occurred as demonstrated by the same-type industry groups lobbying on opposite sides of the issue.

Secondly; this case isn't even past the deadline for a request for rehearing, and is
currently headquartered in District Court for more evidence. It may even head back into
the Supreme Court after that. We have interrupted an unfinished judicial process by
passing an 11th hour law that may be unnecessary.

Thirdly; I am told by several attorneys that although there are federal antitrust
statutes, antitrust law has traditionally been primarily within the realm of the states.
This law actually flies in the face of the rights of the state of Kansas. — ALLEN C.

PROTEST

Senate Bill 291, Senate Bill 416 and violations of the Joint Rules

Pursuant to the provisions of Article 2, Section 10 of the Kansas Constitution, we
make formal written protest regarding the passage of SB 291, the conference committee
report on SB 416 and violations of the Joint Rules of the Senate and House of
Representatives 2011-2012.

One. The House of Representatives repeatedly violated Joint Rule 4(f) by
considering SB 291, a non-exempt bill, after the second house bill consideration
deadline.

The schedule of deadlines for consideration of bills under Joint Rule 4 is mandatory,
not discretionary. Under Joint Rule 4, “[t]he senate and house of representatives shall
observe [emphasis added] the following schedule of deadlines in making request for
drafting and in the introduction and consideration of bills [emphasis added].

Joint Rule 4(f) provides that “no bill, except bills sponsored by, referred to or acted
upon by the committee on ways and means of the senate, select committees of either
house when so authorized, the committee on federal and state affairs of either house or
the house committees on calendar and printing, appropriations and taxation shall be
considered by either house, not the house of origin of such bill, after the hour of
adjournment on March 21, 2012, during the 2012 Regular Session.”

SB 291 is subject to the second house bill consideration deadline because it is not an
exempt bill. SB 291 was introduced in the Senate Judiciary Committee. Upon passage
of the Senate, it was introduced in the House Judiciary Committee. It was not
“sponsored by, referred to or acted upon” by any exempt committee.

On May 16, 2012, after the March 21, 2012 deadline for consideration for non-
exempt bills, the House Judiciary Committee violated Joint Rule 4(f) by considering SB
291 and recommending SB 291 be passed. SB 291 was dead as of March 21, 2012.

On May 18, 2012, the House of Representatives violated Joint Rule 4(f) on three
occasions. The House Committee of the Whole amended SB 291 by adopting
to rerefer it to the Judiciary Committee by Rep. Burroughs. SB 291 was dead as of
March 21, 2012.

On May 19, 2012, the House of Representatives violated Joint Rule 4(f) by passing
SB 291 as amended on Final Action, 96-18. SB 291 was dead as of March 21, 2012.

Two. The House of Representatives was in violation of Joint Rule 4(g) by failing to
pass by an affirmative vote of not less than a majority of the members of the House a
resolution creating a specific exception to the limitation of Joint Rule 4(f) for the
purposes of considering SB 291 in both the House Judiciary Committee and in the
House Committee of the Whole.

Three. On May 18, 2012, the House of Representatives could neither waive the bill
consideration deadlines under Rule 4(k) nor vote to suspend the bill consideration
deadlines under Rule 4(k) in order for the House Committee of the Whole to consider
SB 291. SB 291 was dead as of March 21, 2012 and Rule 4(k) has no effect.

Four. The House of Representatives and Senate are in violation of Joint Rule 3(f) by
including in the conference report on SB 416 subject matters that were not included in
SB 416, were not included in any conference committee, and which had not been passed or adopted in either one or both houses during the current biennium of the legislature.

SB 416 was introduced by the Senate Commerce Committee. As introduced, the bill
related to the state workplace health and safety program and amended K.S.A. 2011
Supp. 44-575. Upon passage by the Senate, the House Committee on Commerce and
Economic Development substantially amended the bill. All amended statutory
provisions were in chapter 44, and the bill’s additional provisions concerned the powers
and duties of the secretary of labor, workplace inspections, and employment security
law. Upon return of the bill, the Senate requested a conference committee.

It is not disputed that a conference committee on SB 416 was appropriately requested
and convened. However, SB 416 was entirely gutted and its provisions replaced with
those of SB 291. SB 416 dealt with chapter 44 and the powers and duties of the
secretary of labor, while SB 291 amends chapter 50 and the Restraint of Trade Act. The
secretary has no regulatory authority under chapter 50-101 et seq.; instead, the Attorney
General enforces the Act, or private litigants may bring action. SB 416 concerns
workforce matters, while SB 291 concerns trade and recent Supreme Court decisions.
The subject matter of SB 291 was never previously contained in SB 416. Consequently,
the conference report on SB 416 includes subject matters that were not included in SB
416 in violation of Joint Rule 3(f).

The House and Senate also violated Joint Rule 3(f) by including in the conference
report on SB 416 subject matters that had not been passed or adopted in either one or
both houses, and also by including subject matters that were not in any conference
committee. As outlined above, the House passed SB 291, a non-exempt bill, in violation
of Joint Rule 4(f), after the second house bill consideration deadline. Further, the House
failed to pass the necessary resolution suspending the rules as required by Joint Rule
4(g) so that it could consider SB 291. Since the House failed to pass SB 291 or its
subject matter, the subject matter of SB 291 was not properly included in the conference
report of SB 416.

The subject matter of SB 291 were not passed, heard, or even introduced in the
Senate, since the House’s action in the Judiciary Committee was to gut SB 291 and
insert the subject matter of HB 2797. Since the subject matter had not been passed or
adopted in either one or both houses of the legislature during the biennium, it was not
proper to include it in the conference report on SB 416, and the conference committee
report violated Joint Rule 3(f).

Five. The Revisor Emeritus agrees that SB 291 was subject to Joint Rule 4(f), was a
non-exempt bill, and was dead as of March 21, 2012. The Revisor Emeritus further
agrees that Joint Rule 4(k) does not apply to bills that have not met the deadline for
consideration for non-exempt bills and does not provide an exception for such bills. In a
memo to the Secretary to the Kansas Senate, the Revisor Emeritus states the following:
The question has arisen concerning House amendments to **SB 291**. **SB 291** was introduced by the Senate Committee on Judiciary on 1-18-2012 and was referred to the Judiciary Committee. After a hearing the committee recommended the bill be passed as amended on 1-25-2012. The bill passed the Senate by a vote of 39-0 on 2-2-2012.

In the House the bill was referred to the Committee on Judiciary on 2-7-2012. A hearing on the bill was held by the committee on March 13, 2012, but no action was taken on the bill until May of 2012. On May 16, 2012, a committee report recommending a substitute bill be passed was filed with the House. The House waived Joint Rule 4 (k) for the substitute bill on May 18, 2012, and passed the bill 96 to 18 on May 19, 2012.

The rules problem which you inquired about is this: This bill was introduced by the Senate Judiciary Committee in the Senate, was referred to and worked by the Senate Judiciary Committee and upon receipt of the bill by the House was referred to and worked by the House Committee on Judiciary. The bill has never touched an exempt committee. Because of this the bill is subject to the deadline requirement of subsection (f) of Joint Rule 4 which provides that no bill, except those that have touched an exempt committee, “shall be considered by either house, not the house of origin of such bill” after March 21, 2012. **H Sub for SB 291** is subject to this prohibition of subsection (f) of Joint Rule 4 having never touched an exempt committee and having been considered after March 21, 2012, by the “second” house.

To answer your question specifically: It is my opinion that this bill under the Joint rules is “dead” because it has not touched an exempt committee and it was not considered by the “second” house until long after the March 21, 2012, consideration deadline.

In addition, the waiving of subsection (k) of Joint Rule 4 has no effect on this bill, because it was already “dead” under subsection (f). If subsection (k) is construed to revive bills that have not met the deadlines and are not otherwise exempt, then, in effect, there would be no deadlines in the rules and that is not what the Joint rules say.”

MESSAGE FROM THE GOVERNOR
May 31, 2012

Message to the Senate of the State of Kansas:

I want to thank all Kansas legislators and particularly, the members of the House Appropriations Committee and the Senate Ways and Means Committee, for producing a budget that for the first time in many years meets the statutory requirement of maintaining a 7.5% ending balance. Our state has gone through an incredible transition in just two years: from a projected $500 million deficit to putting nearly half a billion dollars in the bank. A $1 billion swing can only occur when we commit ourselves to shrinking the footprint of state government and pursuing policies that grow the economy. I look forward to continuing this prosperous path in the fiscal years to come.

Pursuant to Article 2, Section 14 of the Constitution of the State of Kansas, I hereby return House Substitute for Senate Bill No. 294 with my signature approving the bill, except for the items enumerated below.

Behavioral Sciences Regulatory Board

Limitation on Expenditures

That portion of Section 12(a) that reads as follows has been line-item vetoed: “Provided, however, That expenditures from the behavioral sciences regulatory board fee fund for the fiscal year ending June 30, 2012, for leased office space shall not exceed $14.00 per square foot.”

That portion of Section 12(b) that reads as follows has been line-item vetoed: “Provided, however, That expenditures from the behavioral sciences regulatory board fee fund for the fiscal year ending June 30, 2013, for leased office space shall not exceed $14.00 per square foot.”

Oversight of leased office space is the domain of the Department of Administration. To the extent that we can centrally manage leased space, we can manage our operating costs. These provisions would arbitrarily provide an exception not afforded other agencies and supersede the management function properly placed in the executive branch so I find it necessary to veto them both.

Department of Health & Environment—Environment

Local Environmental Protection Programs

That portion of Section 84(c) that reads as follows has been line-item vetoed: “Local environmental protection program.......................................................$800,000
Provided, That any unencumbered balance in the local environmental protection program account in excess of $100 as of June 30, 2012, is hereby reappropriated for fiscal year 2013.”

The appropriation of $800,000 from the State Water Plan Fund (SWPF) for the Local Environmental Protection Programs would increase funding beyond my budget recommendations for FY 2013. Funding for this program was not recommended by the Kansas Water Authority nor the Department of Health and Environment, and was not included in my budget. The program was started in the early 1990s for the purpose of providing local governments with technical assistance and grant funds in order to establish environmental programs specifically suited for local priorities. Once the programs were established, the intent was to discontinue the state funding. The addition of $800,000 in expenditures from the SWPF for FY 2013 would result in a negative balance of approximately $565,000 in this state fund. Therefore, I hereby line-item veto this provision.

**Department of Education**

**Uniform Accounting Act for Schools**

That portion of Section 42(a) that reads as follows has been line-item vetoed:
“Operating expenditures (including official hospitality)..............................$50,000”

The 2011 Legislature enacted the Uniform Financial Accounting and Reporting Act for school districts to report expenditures to the Department of Education. This funding was not originally included in my FY 2012 budget recommendations and I believe the agency can develop and maintain this system which is similar to current procedures within current resources. I find it necessary to veto this appropriation.

**Department of Revenue**

**Fee Sweeps**

Sections 75(h) and 75(i) have been line-item vetoed in their entirety.

At the direction of the Legislature, the Department of Revenue is now more heavily dependent on fee income for its operations and two of the three fee sweeps included in the appropriations bill are insupportable. For these two, the cash on hand on the date specified will not be sufficient to make such sizable transfers and the agency would not be left with enough funds to function. I am leaving one of the sweeps the agency can manage. The other two sweeps go too far, and I therefore must veto them.

**Department of Education**

**Mentor Teacher Bonuses**

That portion of Section 88(a) that reads as follows has been line-item vetoed:
“Mentor teacher program grants.................................................................$484,337”
I proposed educator quality and mentoring reforms as part of my overall education policy reform for consideration this session, however, the Legislature did not adopt most of these initiatives. For a mentoring bonus program to work properly, it must be done in concert with education reform policy. Without those reforms we fail our educators and their students. Therefore I find it necessary to veto this appropriation and look forward to discussing with the Legislature next session how we can improve teacher performance through mentoring.

**Kansas Water Office**

**Water Resource Education**

That portion of Section 114(c) that reads as follows has been line-item vetoed:

“Water resource education................................................................. $40,000

*Provided*, That any unencumbered balance in the water resource education account in excess of $100 as of June 30, 2012, is hereby reappropriated for fiscal year 2013.”

The appropriation of $40,000 from the State Water Plan Fund for the Water Resource Education program would increase funding beyond my budget recommendations for FY 2013 and would also contribute to a negative balance of approximately $565,000 in the State Water Plan Fund. Funding for this program was not recommended in my budget. Therefore, I hereby line-item veto this provision.

**Wichita Aquifer Storage**

Section 114(d) has been line-item vetoed in its entirety.

The additional appropriation of $500,000 from the Expanded Lottery Act Revenues Fund (ELARF) for the Wichita Aquifer Recharge Project would increase funding beyond my budget recommendations for FY 2013. My FY 2013 budget recommendations included a $500,000 appropriation from the State Water Plan Fund for the project that demonstrates an effective method to provide for long-term planning related to future water supplies. Furthermore, the use of the ELARF will have to be leveraged as part of a specific debt reduction and budget balancing strategy. Therefore, I hereby line-item veto this provision.

**State Fair Board**

**Enhanced Marketing**

Section 113(c) has been line-item vetoed in its entirety.

I included funds in the Department of Commerce budget for a study to examine the feasibility of changing the dates when our State Fair is held. Rather than finance this study, the money was shifted to the Fair for promotion. With the projected negative balance in the Economic Development Initiatives Fund and this change in plan, I veto
the funds. While it does not bring the EDIF into the black, it will be much closer.

**Department of Social & Rehabilitation Services and Department on Aging**

FMS Fee for HCBS Providers

Section 35(b) has been line-item vetoed in its entirety.

That portion of Section 35(l) that reads as follows has been line-item vetoed:

“Mental health and retardation services aid and assistance..............................$91,429”

That portion of Section 36(a) that reads as follows has been line-item vetoed:

“LTC — medicaid assistance — HCBS/FE.....................................................$99,634”

Section 122 has been line-item vetoed in its entirety.

The Financial Management System for Medicaid Home and Community Based Services providers was implemented in FY 2012 as required by the Center for Medicare & Medicaid Services. The system pays a $115 per consumer per month fee to providers for administrative services. The 2012 Legislature appropriated a total of $385,878 from the State General Fund in the above referenced sections to increase the fee to $125 for the months from November 2012 to June 2012. This would require retroactive payments that would strain agency resources. No additional funding was approved to continue the increased rate in FY 2013. The agencies set the $115 fee using a range derived from a study performed by an impartial contractor and by using comparisons with rates paid by other states. The rate is well above the national average and in my opinion is fair payment for services provided. I therefore find it necessary to veto these supplemental appropriations for FY 2012.

Motor Vehicles

Limitations on Acquisitions

Section 119 is vetoed in its entirety.

Agencies purchase vehicles for a variety of reasons and we have a process in place to ensure new purchases are not made unnecessarily. To ensure that agencies have the resources they need to get their work done, I veto this section of the bill.

Kansas Bioscience Authority

Timing of Transfers from the State General Fund

That portion of Section 156(d)(1) that reads as follows has been line-item vetoed:

“During the fiscal years ending June 30, 2013, and June 30, 2014, the state treasurer shall make payments to the bioscience authority on July 15, October 15, January 15 and April 15 in equal installments, subject to the limitations established in subsection (h). If on such dates, during fiscal years 2013 and 2014,
such payments can not be made in equal amounts, the state treasurer shall make the payment in the amount of moneys that is available on such date and upon the next payment date, the state treasurer shall make the payment in an amount equal to the amount that is to be paid on that date plus any additional amount that is owed from a previous date. During the fiscal years ending June 30, 2015, and following fiscal years thereafter, the state treasurer shall make payments to the bioscience authority on July 15, October 15, January 15 and April 15 based on the certification provided by the secretary of revenue.”

In recent years the state has had to delay its quarterly transfers to the Kansas Bioscience Authority from time to time, particularly the November amount, when the State General Fund was low on cash. This was done in cooperation with staff at the Bioscience Authority and was not done in a manner that was intended as punitive or harmful. Because we need to maintain our flexibility in managing the State General Fund cashflow, I veto this provision to require transfers on certain dates. This has the effect of leaving processes as they have been handled up to this point.

Moving Forward

The needs are great, and the people of Kansas, particularly our children, depend on us to put our state on a path of economic growth and prosperity. We took a giant step in the right direction this year. I look forward to continuing to work with the Kansas Legislature to review areas where we can reduce the reach of state government, streamline agencies and programs and focus funding on the state’s core responsibilities.

Again, I commend the Legislature for its work during the 2012 session, and I look forward to working with all of you in the coming months and years as we get our state’s budget and economy back on track.

Sam Brownback, Governor

VETO SUSTAINED

President Morris announced the time had arrived for reconsideration of the line item vetoes on H Sub for SB 294, An act making and concerning appropriations for fiscal years ending June 30, 2012, June 30, 2013, June 30, 2014, June 30, 2015, and June 30, 2016, for state agencies; authorizing and directing payment of certain claims against the state; authorizing certain transfers, capital improvement projects and fees imposing certain restrictions and limitations, and directing or authorizing certain receipts, disbursements, procedures and acts incidental to the foregoing; amending K.S.A. 2011 Supp. 2-223, 12-5256, 55-193, 72-8814, 74-50,107, 74-99b34, 75-2319, 76-775, 76-783, 76-7,107, 79-2964, 79-2978, 79-2979, 79-3425i, as amended by section 10 of 2012 House Bill No. 2557, 79-34,156, 79-34,171, 79-4227 and 82a-953a and repealing the existing sections.

No motion having been offered to reconsider, President Morris announced the Governor's line items vetoes on H Sub for SB 294 were declared sustained.
As provided by SCR 1620, Senator Emmer moved the Senate adjourn Sine Die. The motion prevailed.

President Morris thereupon announced: “By virtue of the authority vested in me as president of the Senate, I now declare the 2012 Session of the Kansas Senate adjourned Sine Die.”
