SENATE CHAMBER

MR. PRESIDENT:

I move to amend **Substitute for SB 72**, on page 3, following line 6, by inserting:

"Sec. 2. K.S.A. 66-1,187 is hereby amended to read as follows: 66-1,187. As used in this act:

(a) "Broadband" means the transmission of digital signals at rates equal to or greater than 1.5 megabits per second.

(b) "CLASS services" means custom local area signaling services, which include automatic callback, automatic recall, calling number identification, selective call rejection, selective call acceptance, selective call forwarding, distinctive ringing and customer originated trace.

(c) "Commission" means the state corporation commission.

(d) "Dialing parity" means that a person that is not an affiliate of a local exchange carrier is able to provide telecommunications services in such a manner that customers have the ability to route automatically, without the use of any access code, their telecommunications to the telecommunications carrier of the customer's designation from among two or more telecommunications carriers, including such local exchange carrier.

(e) "Federal act" means the federal telecommunications act of 1996, P.L. 104-104 (amending the communications act of 1934, 47 U.S.C. § 151, et seq.)

(f) "ISDN" means integrated services digital network which is a network and associated technology that provides simultaneous voice and data communications over a single communications channel.

(g) "LATA" has the meaning ascribed to it in the federal act.

(h) "Local exchange carrier" means any telecommunications public utility or its successor

providing switched telecommunications service within any local exchange service area, as approved by the commission on or before January 1, 1996. However, with respect to the Hill City exchange area, in which multiple carriers were certified by the commission prior to January 1, 1996, the commission's determination, subject to any court appeals, of which authorized carrier shall serve as the carrier of last resort will determine which carrier shall be deemed the local exchange carrier for that exchange.

(i) "Number portability" has the meaning ascribed to it in the federal act.

(j) "1+ intraLATA dialing parity" means the ability of a local exchange service customer to specify the telecommunications or local exchange carrier that will carry the intraLATA long distance messages when that customer dials either "1" or "0" plus a 10-digit number.

(k) "Operating area" means:

(1) In the case of a rural telephone company, operating area or service area means such company's study area or areas as approved by the federal communications commission;

(2) in the case of a local exchange carrier, other than a rural telephone company, operating area or service area means such carrier's local exchange service area or areas as approved by the commission.

(l) "Rural telephone company" has the meaning ascribed to it in the federal act, excluding any local exchange carrier which together with all of its affiliates has 20,000 or more access lines in the state.

(m) "Telecommunications carrier" means a corporation, company, individual, association of persons, their trustees, lessees or receivers that provides a telecommunications service, including, but not limited to, interexchange carriers and competitive access providers, but not including local exchange carriers certified before January 1, 1996, except for electing carriers.

(n) "Telecommunications public utility" means any public utility, as defined in K.S.A. 66-104, and amendments thereto, which owns, controls, operates or manages any equipment, plant or

generating machinery, or any part thereof, for the transmission of telephone messages, as defined in K.S.A. 66-104, and amendments thereto, or the provision of telecommunications services in or throughout any part of Kansas.

(o) "Telecommunications service" means the provision of a service for the transmission of telephone messages, or two-way video or data messages.

(p) "Universal service" means telecommunications services and facilities which include: single party, two-way voice grade calling; stored program controlled switching with vertical service capability; E911 capability; tone dialing; access to operator services; access to directory assistance; and equal access to long distance services.

(q) "Enhanced universal service" means telecommunications services, in addition to those included in universal service, which shall include: Signaling system seven capability, with CLASS service capability; basic and primary rate ISDN capability, or the technological equivalent; full-fiber interconnectivity, or the technological equivalent, between central offices; and broadband capable facilities to: All schools accredited pursuant to K.S.A. 72-1101 et seq., and amendments thereto; hospitals as defined in K.S.A. 65-425, and amendments thereto; public libraries; and state and local government facilities which request broadband services.";

And by renumbering sections accordingly;

On page 15, in line 9, after "carrier." by inserting "A local exchange carrier may make such election by providing the commission with at least 90 days' written notice of election. The notice of election shall include a verified statement that a majority of the carrier's local exchange access lines are price deregulated. Such notification shall include information regarding the number of access lines the carrier serves in each of the carrier's exchanges. Within 45 days of receipt of such a notification, the commission shall review the information concerning the carrier's local exchange access lines and upon failure of the commission, within 45 days of receipt of the notification, to determine that a majority of

such lines of the carrier are not price deregulated the commission shall designate the carrier as an electing carrier.";

On page 16, in line 23, after "50-6,103" by inserting "and 66-1,187";

On page 1, in the title, in line 1, after "50-6,103" by inserting "and 66-1,187"
