The retirant shall not receive a refund or interest of any amounts already paid to fund the original joint annuitant benefit. The retirant may not name a subsequent joint annuitant once the original joint annuitant option has been cancelled.

(2) The amount of retirement benefit payable under an option shall be based on the age of the member and, if applicable, the age of the joint annuitant, and shall be such amount as to be the actuarial equivalent of the retirement benefit otherwise payable under K.S.A. 74-4915, and amendments thereto,
