The Honorable Carolyn McGinn, Chairperson  
Senate Committee on Ways and Means  
Statehouse, Room 545-S  
Topeka, Kansas 66612

Dear Senator McGinn:

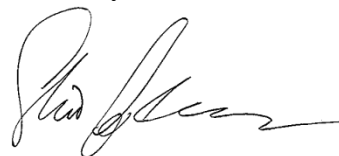

**SUBJECT:** Fiscal Note for SB 353 by Senate Committee on Ways and Means

In accordance with KSA 75-3715a, the following fiscal note concerning SB 353 is respectfully submitted to your committee.

SB 353 would shorten the current license restoration period on five Board of Barbering licensing fees from three years to two years as specified in the bill. The bill would include two additional fees for the Board. The first would be for the issuance of a new chair lease license or annual renewal at \$25 and the second fee would be for the restoration of an expired chair lease license, if the expiration period is under two years at \$40. SB 353 would amend various statutes to strengthen the Board's ability to censure, limit, condition, suspend, revoke, or refuse to issue or renew a license.

The Board of Barbering indicates SB 353 would reduce the amount of revenue collected since the Board would no longer collect restoration fees for licenses that expire between two and three years. The two additional fees for chair leases and chair restorations are currently being charged by the Board at \$25 and \$40, respectively, so the Board would not collect additional revenue as a result of enacting this bill. Currently, both fees are authorized in the *Kansas Administrative Regulations* 61-4-2. Any fiscal effect associated with SB 353 is not reflected in *The FY 2013 Governor's Budget Report*.

Sincerely,

Steven J. Anderson, CPA, MBA  
Director of the Budget
