HOUSE BILL No. 2139

AN ACT concerning insurance; relating to rates and rate modifications for workers compensation insurance; authorizing the state fair board to purchase workers compensation insurance; amending K.S.A. 40-954 and 40-2109 and K.S.A. 2010 Supp. 40-955, as amended by section 1 of 2011 House Bill No. 2074 and repealing the existing sections.

Be it enacted by the Legislature of the State of Kansas:

New Section 1. (a) Notwithstanding the provisions of K.S.A. 44-576, and amendments thereto, the state fair board is hereby authorized to purchase workers compensation insurance from an admitted carrier. Any contract for the purchase of workers compensation insurance entered into by the state fair board shall be purchased in the manner prescribed for the purchase of supplies, materials, equipment and contractual services as provided in K.S.A. 75-3738 through 75-3744, and amendments thereto, and any such contract having a premium or rate in excess of $500 shall be purchased on the basis of sealed bids. Such contract shall not be subject to the provisions of K.S.A. 75-4101 through 75-4114 and K.S.A. 2010 Supp. 75-4125, and amendments thereto.

(b) If the state fair board enters into a contract for the purchase of workers compensation insurance as described in subsection (a), from and after the end of the payroll period in which such workers compensation policy takes effect, the state fair board shall not be subject to the self-insurance assessment prescribed by K.S.A. 44-576, and amendments thereto, and the director of accounts and reports shall cease to transfer any amounts for such self-assessment for the state fair board pursuant to such statute, except that any moneys paid relating to existing claims with the state workers compensation self-insurance fund made by the state fair board shall be assessed to the state fair board until all such claims have been closed and settled.

(c) Notwithstanding the provisions of K.S.A. 44-575, and amendments thereto, if the state fair board enters into a contract for the purchase of workers compensation insurance as described in subsection (a), the state workers compensation self-insurance fund shall not be liable for any compensation claims under the workers compensation act relating to the state fair board and arising during the term of such contract, or for any other amounts otherwise required to be paid under the workers compensation act during the term of such contract.

(d) The state fair board shall notify the secretary of administration and the Kansas health policy authority of the effective date of any workers compensation policy acquired pursuant to this section.

Sec. 2. K.S.A. 2010 Supp. 40-955, as amended by section 1 of 2011 House Bill No. 2074, is hereby amended to read as follows:

(a) Every insurer shall file with the commissioner, except as to inland marine risks where general custom of the industry is not to use manual rates or rating plans, every manual of classifications, rules and rates, every rating plan, policy form and every modification of any of the foregoing which it proposes to use. Every such filing shall indicate the proposed effective date and the character and extent of the coverage contemplated and shall be accompanied by the information upon which the insurer supports the filings. A filing and any supporting information shall be open to public inspection after it is filed with the commissioner, except that disclosure shall not be required for any information contained in a filing or in any supporting documentation for the filing when such information is either a trade secret or copyrighted. For the purposes of this section, the term “trade secret” shall have the meaning ascribed to it in K.S.A. 60-3320, and amendments thereto. An insurer may satisfy its obligations to make such filings by authorizing the commissioner to accept on its behalf the filings made by a licensed rating organization or another insurer. Nothing contained in this act shall be construed to require any insurer to become a member or subscriber of any rating organization.

(b) Certificate of insurance forms must be filed with the commissioner of insurance and approved prior to use. Notwithstanding the “large risk” filing exemption in subsection (j), a certificate of insurance cannot be used to modify, alter or amend the insurance policy it describes. The certificate of insurance shall contain the following or similar language: The certificate of insurance neither affirmatively nor negatively amends, extends or alters the coverage afforded by the policies listed thereon. An industry standard setting organization may be authorized by the commissioner of insurance to file certificate of insurance forms on behalf of authorized insurers.

(c) Any rate filing for the basic coverage required by K.S.A. 40-3401
et seq. and amendments thereto, loss costs filings for workers compensation, and rates for assigned risk plans established by article 21 of chapter 40 of the Kansas Statutes Annotated or rules and regulations established by the commissioner shall require approval by the commissioner before its use by the insurer in this state. As soon as reasonably possible after such filing has been made, the commissioner shall in writing approve or disapprove the same, except that any filing shall be deemed approved unless disapproved within 30 days of receipt of the filing.

(d) Any other rate filing, except personal lines filings, shall become effective on filing or any prospective date selected by the insurer, subject to the commissioner disapproving the same if the rates are determined to be inadequate, excessive, unfairly discriminatory or otherwise fail to meet the requirements of this act. Personal lines rate filings shall be on file for a waiting period of 30 days before becoming effective, subject to the commissioner disapproving the same if the rates are determined to be inadequate, excessive, unfairly discriminatory or otherwise fail to meet requirements of this act. The term “personal lines” shall mean insurance for noncommercial automobile, homeowners, dwelling fire-and-renters insurance policies, as defined by the commissioner by rules and regulations. A filing complies with this act unless it is disapproved by the commissioner within the waiting period or pursuant to subsection (f).

(e) In reviewing any rate filing the commissioner may require the insurer or rating organization to provide, at the insurer’s or rating organization’s expense, all information necessary to evaluate the reasonableness of the filing, to include payment of the cost of an actuary selected by the commissioner to review any rate filing, if the department of insurance does not have a staff actuary in its employ.

(f) (1) (A) If a filing is not accompanied by the information required by this act, the commissioner shall promptly inform the company or organization making the filing. The filing shall be deemed to be complete when the required information is received by the commissioner or the company or organization certifies to the commissioner the information requested is not maintained by the company or organization and cannot be obtained.

(B) If the commissioner finds a filing does not meet the requirements of this act, the commissioner shall send to the insurer or rating organization that made the filing, written notice of disapproval of the filing, specifying in what respects the filing fails to comply and stating the filing shall not become effective.

(C) If at any time after a filing becomes effective, the commissioner finds a filing does not comply with this act, the commissioner shall after a hearing held on not less than 10 days' notice to every insurer and rating organization that made the filing, issue an order specifying in what respects the filing failed to comply with the act, and stating when, within a reasonable period thereafter, the filing shall be no longer effective. Copies of the order shall be sent to such insurer or rating organization. The order shall not affect any contract or policy made or issued prior to the expiration of the period set forth in the order.

(2) (A) In the event an insurer or organization has no legally effective rate because of an order disapproving rates, the commissioner shall specify an interim rate at the time the order is issued. The interim rate may be modified by the commissioner on the commissioner’s own motion or upon motion of an insurer or organization.

(B) The interim rate or any modification thereof shall take effect prospectively in contracts of insurance written or renewed 15 days after the commissioner’s decision setting interim rates.

(C) When the rates are finally determined, the commissioner shall order any overcharge in the interim rates to be distributed appropriately, except refunds to policyholders the commissioner determines are de minimis may not be required.

(3) (A) Any person or organization aggrieved with respect to any filing that is in effect may make written application to the commissioner for a hearing thereon, except that the insurer or rating organization that made the filing may not proceed under this subsection. The application shall specify the grounds to be relied on by the applicant.

(B) If the commissioner finds the application is made in good faith, that the applicant would be so aggrieved if the applicant’s grounds are established, and that such grounds otherwise justify holding such a hearing, the commissioner shall, within 30 days after receipt of the application, hold
a hearing on not less than 10 days' written notice to the applicant and every insurer and rating organization that made such filing.

(C) Every rating organization receiving a notice of hearing or copy of an order under this section, shall promptly notify all its members or subscribers affected by the hearing or order. Notice to a rating organization of a hearing or order shall be deemed notice to its members or subscribers.

(g) No insurer shall make or issue a contract or policy except in accordance with filings which have been filed or approved for such insurer as provided in this act.

(1) On an application for personal motor vehicle insurance where the applicant has applied for collision or comprehensive coverage, the applicant shall be allowed to identify a lienholder listed on the certificate of title for the motor vehicle described in the application.

(2) On an application for property insurance on real property, the applicant shall be allowed to identify a mortgagee listed on a mortgage for the real property described in the application.

(h) The commissioner may adopt rules and regulations to allow suspension or modification of the requirement of filing and approval of rates as to any kind of insurance, subdivision or combination thereof, or as to classes of risks, the rates for which cannot practicably be filed before they are used.

(i) Except for workers compensation and employer’s liability line, the following categories of commercial lines risks are considered special risks which are exempt from the filing requirements in this section: (1) Risks that are written on an excess or umbrella basis; (2) commercial risks, or portions thereof, that are not rated according to manuals, rating plans, or schedules including “a” rates; (3) large risks; and (4) special risks designated by the commissioner, including but not limited to risks insured under highly protected risks rating plans, commercial aviation, credit insurance, boiler and machinery, inland marine, fidelity, surety and guarantee bond insurance risks.

(j) For the purposes of this subsection, “large risk” means: (1) An insured that has total insured property values of $5,000,000 or more; (2) an insured that has total annual gross revenues of $10,000,000 or more; or (3) an insured that has in the preceding calendar year a total paid premium of $50,000 or more for property insurance, $50,000 or more for general liability insurance, or $100,000 or more for multiple lines policies.

(k) The exemption for any large risk contained in subsection (h) shall not apply to workers compensation and employer’s liability insurance, insurance purchasing groups, and the basic coverage required by K.S.A. 40-3401 et seq., and amendments thereto.

(l) Underwriting files, premium, loss and expense statistics, financial and other records pertaining to special risks written by any insurer shall be maintained by the insurer and shall be subject to examination by the commissioner.

(m) (1) Any entity that purchases a workers compensation policy for the covered employees of more than one employer pursuant to a shared employment relationship with each employer must purchase the workers compensation policy on a separate multiple coordinate policy basis. Such workers compensation policies must be issued pursuant to K.S.A. 44-501 et seq., and amendments thereto, from an insurer holding a certificate of authority to do business in this state and providing workers compensation coverage.

(2) The commissioner of insurance may allow an insurer to issue coverage through a master policy if the commissioner is satisfied that the insurer is able to track and report individual client experience to the advisory organization in an acceptable fashion. All such master policies must be filed with the commissioner for prior approval.

(3) The commissioner of insurance shall be authorized to adopt such rules and regulations as are reasonable and necessary to carry out the purpose and the provisions of this subsection.

Sec. 3. K.S.A. 40-2109 is hereby amended to read as follows: 40-2109. Every insurer undertaking to transact in this state the business of either workers compensation or employer’s liability insurance or both, and every rating organization which files rates for such insurance shall cooperate in the preparation and submission to the commissioner of insurance of a plan or plans, for the equitable apportionment among insurers of applicants for
insurance who are in good faith, entitled to but who are unable to procure through ordinary methods, such insurance. Such plan or plans shall provide:

(a) Reasonable rules governing the equitable distribution of risks by direct insurance, reinsurance or otherwise and their assignment to insurers;

(b) rates and rate modifications applicable to such risks which shall be reasonable, adequate and not unfairly discriminatory;

(c) a method whereby applicants for insurance, insured and insurers may have a hearing on grievances and the right of appeal to the commissioner;

(d) for every such plan or plans, there shall be a governing board to be appointed by the commissioner of insurance which shall meet at least annually to review and prescribe operating rules, and which shall consist of the following members:

(1) Seven members who shall be appointed as follows: Three of such members shall be representatives of foreign insurance companies, two members shall be representatives of domestic insurance companies and two members shall be licensed independent insurance agents. Such members shall be appointed for a term of three years, except that the initial appointment shall include two members appointed for a two-year term and two members appointed for a one-year term, as designated by the commissioner; and

(2) Two members representative of the general public interest with such members to be appointed for a term of two years.

The commissioner shall review the plan as soon as reasonably possible after filing in order to determine whether it meets the requirements set forth in subsections (a) and (c) above. As soon as reasonably possible after the plan has been filed the commissioner shall in writing approve or disapprove the same, except that any plan shall be deemed approved unless disapproved within 45 days. Subsequent to the waiting period the commissioner may disapprove any plan on the ground that it does not meet the requirements set forth in subsections (a), (b) and (c) above, but only after a hearing held upon not less than 10 days’ written notice to every insurer and rating organization affected specifying the matter to be considered at such hearing, and only by an order specifying in what respect the commissioner finds that such plan fails to meet such requirements and stating when within a reasonable period thereafter such plan shall be deemed no longer effective.

Such order shall not affect any assignment made or policy issued or made prior to the expiration of the period set forth in such order. Amendments to such plan or plans shall be prepared, and filed and reviewed in the same manner as herein provided with respect to the original plan or plans.

If no plan meeting the standards set forth in subsections (a), (b) and (c) is submitted to the commissioner within the period stated in any order, disapproving an existing plan the commissioner shall, if necessary to carry out the purpose of this section after hearing, prepare and promulgate a plan meeting such requirements. When such plan or plans or amendments thereto have been approved or promulgated, no insurer shall thereafter issue a policy of workers compensation or employer’s liability insurance or undertake to transact such business in this state unless such insurer shall participate in such an approved or promulgated plan. If, after a hearing conducted in accordance with the provisions of the Kansas administrative procedure act, the commissioner finds that any activity or practice of any insurer or rating organization in connection with the operation of such plan or plans is unfair or unreasonable or otherwise inconsistent with the provisions of this section the commissioner may issue a written order specifying in what respects such activity or practice is unfair or unreasonable or otherwise inconsistent with the provisions of this section and requiring discontinuance of such activity or practice.

(e) The commissioner shall approve rates and rate modifications for each plan that provides workers compensation insurance pursuant to this section which, over a period of time, but no later than January 1, 1997, will reduce the assessments levied by the plan to less than 10%. If the commissioner finds that the percentage of the total Kansas workers compensation premium volume written by the plan has not decreased below 20% of the total amount of such premium volume by December 31, 1998, the provisions of this subsection shall no longer apply and the commissioner may cause the governing board of the plan to file new rates and rate modifications pursuant to this section. Notwithstanding the foregoing provisions of this subsection, the commissioner shall not approve rates or rating plans...
which produce rates or premiums for risks with less than $2,250 annual
premium that are higher than those which would be applied to such risks
in the voluntary market, except that this. This provision shall not prohibit
the application of surcharges, experience modifications or other rating var-
ables based on the claims experience of individual risks.

Sec. 4. K.S.A. 40-954 is hereby amended to read as follows: 40-954.
In determining whether rates are not excessive or inadequate or not unfairly
discriminatory:
(a) Due consideration shall be given to:
(1) Past and prospective loss and expense experience within and outside
the state;
(2) catastrophe hazards and contingencies;
(3) trends within and outside this state;
(4) loadings for leveling premium rates over time;
(5) dividends, savings or unabsorbed premium deposits allowed or re-
turned by insurers to their policyholders, members, or subscribers and the
investment income of the insurer; and
(6) all other relevant factors within and outside the state, including the
judgment of technical personnel.
(b) The expense provisions included in the rates to be used by an insurer
may reflect the operating methods of the insurer, or group of insurers, and, so
far as it is credible, its own expense experience.
(c) Risks may be classified in any reasonable way for the establishment
of rates and minimum premiums, except that no classification may be based
on race, color, creed or national origin and classifications in automobile
insurance may not be based on physical disability of an insured. Rates thus
produced may be modified for individual risks in accordance with rating
plans, schedules, except for workers compensation, individual risk premium
modification plans and expense reduction plans that establish reasonable
standards for measuring probable variations in experience, hazards, ex-
penses or any combination of those factors.
Such standards shall permit recognition of expected differences in loss
or expense characteristics, and shall be designed so that such plans are
reasonable and equitable in their application, and are not unfairly discrimi-
natory, violative of public policy or otherwise contrary to the best interests
of the people of this state. This section shall not prevent the development
of new or innovative rating methods which otherwise comply with this act.
(d) Rates may be modified for individual risks, upon written application
of the insured, stating the insured’s reasons therefore, filed with and not
disapproved by the commissioner within 10 days after filings.
(e) The rates may contain provisions for contingencies and an allow-
able permitting a reasonable profit. In determining the reasonableness of
the profit, consideration shall be given to the investment income attributable
to the line of insurance.
(f) The commissioner may by rule exempt any person or class of per-
sons, line of insurance, or any market segment from any or all of the pro-
visions of this chapter, if and to the extent that the commissioner finds their
application unnecessary to achieve the purposes of this act.
(g) Once it has been filed, use of any rating plan shall be mandatory
and such plan shall be applied uniformly for eligible risks in a manner that
is not unfairly discriminatory.

Sec. 5. K.S.A. 40-954 and 40-2109 and K.S.A. 2010 Supp. 40-955, as
amended by section 1 of 2011 House Bill No. 2074, are hereby repealed.
Sec. 6. This act shall take effect and be in force from and after its publication in the statute book.
