Certification pursuant to this subsection shall not be assignable or transferable;

(b) a certification requirement, and enforcement procedure, for those persons, including electronic gaming machine manufacturers, technology providers and computer system providers, who propose to contract with a lottery gaming facility manager, a racetrack gaming facility manager or the state for the provision of goods or services related to a lottery gaming facility or racetrack gaming facility, including management services. Such certification requirements shall include compliance with such security, fitness and background investigations and standards of officers, directors, key gaming employees and persons directly or indirectly owning a 0.5% or more interest in such entity as the executive director of the Kansas racing and gaming commission deems necessary to determine whether such person’s reputation, habits and associations pose a threat to the public interest of the state or to the reputation of or effective regulation and control of the lottery gaming facility or racetrack gaming facility. In the case of a publicly traded company subject to the jurisdiction of the United States securities and exchange commission or equivalent foreign securities law, such certification requirements shall require such security, fitness and background investigations and standards of officers, directors, key gaming employees and persons directly or indirectly owning a 5% or more interest in such entity, and specify that such publicly traded company annually provide a list of all identifiable shareholders. In the case of institutional investors in a publicly traded company, the certification requirement shall provide a procedure for issuance of waivers of the background investigation requirement by the executive director of the Kansas racing and gaming commission. Any person convicted of any felony, a crime involving gambling or a crime of moral turpitude prior to applying for a certificate hereunder or at any time thereafter shall be deemed unfit. If the executive director of the racing and gaming commission determines the certification standards of another state are comprehensive, thorough and
provide similar adequate safeguards, the executive director may certify an
applicant already certified in such state without the necessity of a full
application and background check. The Kansas racing and gaming
commission shall conduct the security, fitness and background checks
required pursuant to this subsection. Certification pursuant to this
subsection shall not be assignable or transferable;
(c) provisions for revocation of a certification required by subsection
(a) or (b) upon a finding that the certificate holder, an officer or director
thereof or a person directly or indirectly owning a 0.5% 5% or more
interest therein: (1) Has knowingly provided false or misleading material
information to the Kansas lottery or its employees; or (2) has been
convicted of a felony, gambling related offense or any crime of moral
turpitude; and
(d) provisions for suspension, revocation or nonrenewal of a
certification required by subsection (a) or (b) upon a finding that the
certificate holder, an officer or director thereof or a person directly or
indirectly owning a 0.5% 5% or more interest therein: (1) Has failed to
notify the Kansas lottery about a material change in ownership of the
certificate holder, or any change in the directors or officers thereof; (2) is
delinquent in remitting money owed to the Kansas lottery; (3) has violated
any provision of any contract between the Kansas lottery and the
certificate holder; or (4) has violated any provision of the Kansas
expanded lottery act or any rule and regulation adopted hereunder.
