

## 2012 Kansas Statutes

**12-858. Same; revenues.** Upon the establishment of the water and sewage system the current operating funds of or budgeted for the two systems shall be transferred to a "water and sewage fund" and thereafter all revenue collected for such water and sewage system shall be credited to such fund for the use of such water and sewage system.

**History:** L. 1953, ch. 72, § 3; June 30.
