

2012 Kansas Statutes

12-1030. Same; city wards. If the majority of all the votes cast at such election shall be in favor of the adoption of the council-city manager form of government, the governing body of such city shall within thirty days after such adoption divide the city into wards; the number of such wards shall be determined by the governing body but in no case shall there be less than five and there shall always be an odd number.

History: L. 1947, ch. 150, § 2; June 30.
