

2012 Kansas Statutes

13-10,120. Same; contracts; equipment. The governing body of said city may contract for the making of such repairs or may purchase or otherwise acquire the necessary tools and machinery to permit the city to make such repairs itself. In neither case, however, shall the cost of such repairs exceed the estimated cost thereof as provided in K.S.A. 13-10,119, nor shall the city be liable for any cost exceeding such estimate.

History: L. 1949, ch. 160, § 2; April 8.
