

2012 Kansas Statutes

15-11b04. Same; acceptance of existing building; equipping and operation. A community building district organized under the provisions of this act is authorized to accept the conveyance of an existing community building owned by any individual, association or private or public corporation and to maintain, operate, improve and equip the same for use as a community building by the inhabitants of the community building district.

History: L. 1959, ch. 114, § 4; June 30.
