

2012 Kansas Statutes

19-4806. Priority of competing claims. When two or more claims are filed for limited funds available, a local board shall give priority first to victim loss incurred from crimes where prosecutions result, second to crimes where restitution is authorized as part of a diversion agreement and then to all other victim claims.

History: L. 1990, ch. 321, § 7; July 1.
