

2012 Kansas Statutes

24-117. Completion of drainage-district work in counties between 90,000 and 135,000; resolution.

That when any drainage district, organized under the laws of this state, in counties with a population of not less than 90,000 and not more than 135,000, shall have completed the drainage work of such district, and in the opinion of the board of directors further construction of drainage facilities is unnecessary, said directors may, by a majority vote thereof, adopt a resolution determining said fact.

History: L. 1933, ch. 183, § 1; March 28.
