2012 Kansas Statutes

39-7,161. Home and community based services savings fund administered by secretary of SRS; certification, transfer and expenditure. (a) (1) There is hereby established the home and community based services savings fund in the state treasury which shall be administered by the secretary of social and rehabilitation services. All savings resulting from transferring individuals from the state or private institutions to home and community based services savings fund shall be deposited in this fund. All expenditures from the home and community based services savings fund shall be in accordance with the provisions of appropriation acts upon vouchers approved by the secretary of social and rehabilitation services or the secretary's designee.

(2) Whenever an individual, who is residing in an institution, transfers to home and community based services, the secretary of social and rehabilitation services shall determine the savings attributable to such transfer and shall certify the amount or amounts of such savings to the director of accounts and reports. Upon receipt of each such certification, the director of accounts and reports shall transfer the amount or amounts specified in such certification from the funds and accounts specified to the home and community based services savings fund of the department of social and rehabilitation services in accordance with such certification. The secretary of social and rehabilitation services shall transmit a copy of each such certification to the director of the budget and to the director of legislative research.

(b) The secretary shall certify to the joint committee on home and community based services oversight at the beginning of each calendar quarter the amount of savings resulting from transferring individuals from the state or private institutions to home and community based services that have been transferred during the preceding calendar quarter to the home and community based services savings fund from each state or private institution during the preceding quarter.
