

2012 Kansas Statutes

40-4204. Utilization of services; payment of provider; right of provider not limited. Whenever a member utilizes the services of a prepaid service plan under the terms of a written contract as required in K.S.A. 40-4202, the payment to the provider of any amount by or on behalf of the member by the prepaid service plan shall be deemed payment to that provider when received. Nothing in this act shall limit any right of the provider against the prepaid service plan resulting from its failure to make payments to the provider.
