

2012 Kansas Statutes

65-205. Joint board by cities and counties; agreement; jurisdiction; board in counties over 300,000. Whenever it shall be determined that the public health and sanitation of any city or county may be best promoted by the creation of a joint board of health for any two or more cities, counties or city and county the governing bodies of such municipalities may so declare by resolution and may, by agreement with each other, establish a joint board of health with the same powers, duties, and limitations as are now or hereafter may be provided by law for the creation and conduct of boards of health to act severally in such municipalities. Upon the creation of any such board of health all the jurisdiction, powers and duties now conferred by law upon any local, municipal or county board of health shall be withdrawn from such local, municipal or county board of health and conferred upon the joint board of health. In all counties having a population of more than 300,000 such board of health existing on July 1, 1974, is hereby abolished and in its place a joint board is hereby created and shall consist of 11 persons who shall be appointed as follows:

Five members, one of whom shall be a medical doctor who is duly licensed to practice in the state of Kansas, shall be appointed by the governing body of the first-class city located within such county; five members, one of whom shall be a psychiatrist who is duly licensed to practice in the state of Kansas, shall be appointed by the board of county commissioners, and one member shall be appointed by the chief district judge of such county, and such member shall be a pharmacist duly licensed under the laws of the state of Kansas. Such members shall hold such office for a term of four years and until their successors are appointed and qualified, except that the members of the first board appointed on or after July 1, 1974, shall hold their offices for terms as follows: Three members appointed by the governing body of the first-class city located within such county for a term of one year and two members appointed by such governing body for terms of three years; three members appointed by the board of county commissioners of such county for terms of four years and two members appointed by such board of county commissioners for terms of two years; one member appointed by the chief district judge of such county for a term of two years, and the appointing authority, appointing more than one member, shall designate the term for which each is to serve. Such members shall be eligible for reappointment, but at no time shall a majority of such board be composed of medical doctors. The actions of such board shall be subject to the approval of the governing bodies of the city and county sitting en banc and such governing bodies may, while sitting en banc, provide by mutual agreement and resolution, rules and regulations for the operation of such joint board of health. All the powers, duties and functions conferred or imposed by law upon such joint board of health in existence prior to July 1, 1974, and abolished by the provisions of this act, are hereby transferred and conferred upon the joint board of health created by this act.
