

2012 Kansas Statutes

65-5307. Records of asbestos projects required, contents; notification of secretary. (a) Every licensee shall keep a record of each asbestos project it performs and shall make the record available to the secretary at any reasonable time. Records required by this section shall be kept for not less than six years. The record shall include:

(1) The name, address and certificate number of the individual person who supervised the asbestos project and of each employee or agent of the licensee who worked on the project;

(2) the location and a description of the project and the amount of asbestos material that was removed;

(3) the starting and completion dates of each instance of removal or encapsulation;

(4) a summary of the procedures that were used to comply with all applicable standards;

(5) the name and address of each asbestos disposal site where the waste containing asbestos was deposited;
and

(6) any other information which may be required by the secretary.

(b) Every licensee, state agency or political or taxing subdivision of the state that engages in an asbestos project shall notify the secretary, in the manner prescribed by the secretary, of the proposed date on which the project is to be initiated.
