

2012 Kansas Statutes

68-594. Same; transfer of equipment and road machinery. Upon the adoption of the provisions of this act by any county, the township boards of all townships in such county shall forthwith turn over and deliver to the board of county commissioners of such county any and all road machinery and equipment which such township has acquired for the purpose of constructing and maintaining township roads.

History: L. 1970, ch. 273, § 4; July 1.
