

2012 Kansas Statutes

72-53,102. Same; purpose of registration requirement. The purpose of this act is solely to make available to a school district, an accredited nonpublic school, or a private elementary or secondary school to which a pupil transfers, the name and location of the private elementary or secondary school from which the pupil transferred so that request may be made by the transferee school district, accredited nonpublic school, or private elementary or secondary school for the pupil's records.

History: L. 1982, ch. 286, § 3; L. 1986, ch. 268, § 4; July 1.
