

2012 Kansas Statutes

74-5342. Same; prosecutions by attorney general and county attorney. The attorney general shall comply with such directions of the board and prosecute said action on behalf of the state, but the county attorney of any county where a psychologist has practiced, at the request of the attorney general or of the board, shall appear and prosecute such action.

History: L. 1967, ch. 432, § 42; July 1.
