

2012 Kansas Statutes

75-37,117. Purpose and administration of program. (a) There is hereby established the alternative fuels loan program for the purpose of making loans to government agencies which own and operate motor vehicles to encourage and assist them to:

- (1) Purchase new alternative-motor fueled vehicles;
 - (2) convert existing motor vehicles which operate on gasoline and diesel fuel to operate on alternative fuels;
- and
- (3) construct motor vehicle fueling facilities to serve alternative-fueled vehicles.
- (b) The alternative-fuels loan program shall be administered by the secretary. The secretary shall adopt rules and regulations establishing procedures, criteria and conditions for making loans from the alternative-fuels government fleet loan fund and such other rules and regulations as necessary to operate the alternative-fuels loan program.
