### **Kansas Academy of Mathematics and Science**

Students Leo Budy, Basehor; Tyler Clark, St. John; Alexis Greb-Bonham, Wellington; and Kathryn Schmidt, Atchison, each presented a short overview of the KAMS program at Fort Hays State University (Attachment 1). There are currently 24 high school students enrolled in the program which, over two years, provides 68 hours of college credit in addition to a high school diploma, hands-on research opportunities, leadership development opportunities, as well as activities to develop the whole student. Parents Natalie Clark and Dean Schmidt also spoke briefly in support of the program for junior and senior high school students.

A brief question and answer session of the students followed.

Dr. Edward Hammond, President, Fort Hays State University, briefly addressed the committee, stating their requested state appropriation this year would be reduced to \$200,000.

Chair Schodorf recognized the Youth Leadership - Reno County students in the audience participating in "A Day On the Hill" activities.

The next meeting is scheduled for January 21, 2010.

The meeting was adjourned at 02:30 p.m.
