On emergency motion of Rep. Vickrey, **HR 6070**, as follows, was introduced and adopted:

HOUSE RESOLUTION No. 6070—

A RESOLUTION congratulating the Paola Panther Robotics team on its success at the Crossroads Regional FIRST Robotics competition.

WHEREAS, The FIRST Robotics Competition is an international high school robotics competition organized by For Inspiration and Recognition of Science and Technology (FIRST). Each year, teams of high school students compete to build robots weighing 120 pounds that can complete a task, which changes every year. Teams are given a standard set of parts and are required to set a budget when building their robot, and the team has six weeks to build a competitive robot that can operate autonomously as well as when guided by wireless controls to accomplish the game's tasks; and

WHEREAS, FIRST was founded in 1989 by inventor and entrepreneur Dean Kamen, with inspiration and assistance from physicist and MIT professor emeritus Woodie Flowers; and

WHEREAS, There are 44 FIRST district competitions, 54 regional competitions and one championship event held each year; and

WHEREAS, FIRST Team 1108 was founded in 2003 at Paola High School and made an immediate impact on the robotics scene. The team won the Rookie All-Star Award during its first season at the championship event; and

WHEREAS, This season, the team traveled to Terre Haute, Indiana, and participated in the Crossroads Regional where it received four major awards. The team received its record-tying eighth Regional Chairman's Award, mentor Gregg Rupp was named as a Woodie Flowers Award Finalist and team president Kate Sample was named as a Dean's List Finalist. Topping the weekend off for Panther Robotics, FIRST Team 1108 was captain of the winning alliance, its first regional win since its inception in 2003; and

WHEREAS, The Chairman's Award is the most prestigious award a team can win at a regional competition or at the championship, more so than even winning the competition itself. The Woodie Flowers Award is awarded to a mentor within a team who the team believes has made a large contribution and deserves to be recognized, with criteria based on how well the mentor inspires the students toward better communication and engineering. The Dean's List Award recognizes individual students for their technical knowledge, leadership skills and their ability to inspire their team toward FIRST's mission; and

WHEREAS, Members of Panther Robotics will compete at the championship competition on April 23-26 in St. Louis, Missouri. They will compete against other regional tournament and Chairman Award winners from across the country: Now, therefore,

Be it resolved by the House of Representatives of the State of Kansas: That we congratulate the Paola Panther Robotics team on its success at the Crossroads Regional FIRST Robotics competition. The FIRST Robotics competition is a way to boost the science, technology, engineering and math fields at all levels of education, and the Paola Panther Robotics team exemplifies this mission. We wish them tremendous success at the championship competition; and

Be it further resolved: That the Chief Clerk of the House of Representatives shall

send five enrolled copies of this resolution to Representative Vickrey.

MOTIONS AND RESOLUTIONS OFFERED ON A PREVIOUS DAY

On motion of Rep. DeGraaf, **HR 6069**, A RESOLUTION honoring the American Legion Post 408 Flag Etiquette Team, was adopted.

There being no objection, the following remarks of Rep. DeGraaf are spread upon the Journal:

With us today, on behalf of the John M. West Derby/Haysville American Legion Post 408 Flag Etiquette Team is Legion Commander Terry Marr and his wife Brenda.

Members of the House, with your help, we are here today to applaud those who saw a need and took the initiative to address that need. Representative Jim Howell and I wish to recognize outstanding volunteerism and initiative with House Resolution 6069.

For more than 200 years, the American flag has been the symbol of our nation's strength and unity. It's been a source of pride and inspiration for millions of citizens. The American Flag continues to be a prominent icon in our national history.

Throughout American history, the flag has symbolized Hope, Hardiness, Valor, Perseverance, Purity and Justice.

The flag further reminds us of the many generations that have shed their blood with courage to secure our freedom. The American Flag with all its meaning is extraordinary and deserving of honor! Unfortunately, there are some among us today who do not know the rich history and simply do not know why or how to demonstrate respect for the symbol of our blessed nation.

The John M. West Derby/Haysville American Legion Post 408 has many great members who know that part of the American Legion's charter is to mentor youth and sponsor wholesome programs in the community by advocating patriotism and honor. Under the commander's leadership, a number of these patriots took the initiative to develop a comprehensive program to teach the history, symbolism and respectful etiquette for the American Flag.

At the encouragement of Commander Marr, this team has developed a unique and outstanding program that they hope to expand to more schools and community organizations. They have already volunteered hundreds of hours and are energetic and excited to deliver this program to more students, seniors and citizens.

Commander Marr, on behalf of those gathered here today, we thank you for your service and ask you to extend our deep appreciation to the American Legion Post 408 Flag Etiquette Team for their service and sacrifice!
