(b) A law enforcement officer shall take a child under 18 years of age into custody when the officer:

1. Reasonably believes the child will be harmed if not immediately removed from the place or residence where the child has been found; or

and a verified missing person entry for the child can be found in the national crime information center missing person system; or

(3) reasonably believes the child is a victim of human trafficking, aggravated human trafficking or commercial sexual exploitation of a child.

(c) (1) If a person provides shelter to a child whom the person knows is a runaway, such person shall promptly report the child's location either to a law enforcement agency or to the child's parent or other custodian.

(2) If a person reports a runaway's location to a law enforcement agency pursuant to this section and a law enforcement officer of the agency has reasonable grounds to believe that it is in the child's best interests, the child may be allowed to remain in the place where shelter is being provided, subject to subsection (b), in the absence of a court order to the contrary. If the child is allowed to so remain, the law enforcement agency shall promptly notify the secretary of the child's location and circumstances.

(d) Except as provided in subsections (a) and (b), a law enforcement officer may temporarily detain and assume temporary custody of any child subject to compulsory school attendance, pursuant to K.S.A. 72-1111, and amendments thereto, during the hours school is actually in session and shall deliver the child pursuant to subsection (g) of K.S.A. 2012 Supp. 38-2232, and amendments thereto.

Sec. 33. On January 1, 2014, K.S.A. 2012 Supp. 38-2232 is hereby amended to read as follows: 38-2232. (a)(1) To the extent possible, when any law enforcement officer takes into custody a child under the age of 18 years without a court order, the child shall forthwith be delivered to the custody of the child's parent or other custodian unless there are reasonable grounds to believe that such action would not be in the best interests of the child.

(2) Except as provided in subsection (b), if the child is not delivered to the custody of the child's parent or other custodian, the child shall forthwith be delivered to a shelter facility designated by the court, court services officer, juvenile intake and assessment worker, licensed attendant care center or other person or, if the child is 15 years of age or younger, or 16 or 17 years of age if the child has no identifiable parental or family resources or shows signs of physical, mental, emotional or sexual abuse, to a facility or person designated by the secretary.

(3) If, after delivery of the child to a shelter facility, the person in charge of the shelter facility at that time and the law enforcement officer determine that the child will not remain in the shelter facility and if the child is presently alleged, but not yet adjudicated, to be a child in need of care solely pursuant to subsection (d)(9) or (d)(10) of K.S.A. 2012 Supp. 38-2202, and amendments thereto, the law enforcement officer shall deliver the child to a juvenile detention facility or other secure facility, designated by the court, where the child shall be detained for not more than 24 hours, excluding Saturdays, Sundays, legal holidays, and days on which the office of the clerk of the court is not accessible.

(4) No child taken into custody pursuant to this code shall be placed in a juvenile detention facility or other secure facility, except as authorized by this section and by K.S.A. 2012 Supp. 38-2242, 38-2243 and 38-2260, and amendments thereto.

(5) It shall be the duty of the law enforcement officer to furnish to the county or district attorney, without unnecessary delay, all the information in the possession of the officer pertaining to the child, the child's parents or other persons interested in or likely to be interested in the child and all other facts and circumstances which caused the child
to be taken into custody.

(b) (1) When any law enforcement officer takes into custody any child as provided in subsection (b)(2) of K.S.A. 2012 Supp. 38-2231, and amendments thereto, proceedings shall be initiated in accordance with the provisions of the interstate compact on juveniles, K.S.A. 38-1001 et seq., and amendments thereto, or K.S.A. 2012 Supp. 38-1008, and amendments thereto, when effective. Any child taken into custody pursuant to the interstate compact on juveniles may be detained in a juvenile detention facility or other secure facility.

(2) When any law enforcement officer takes into custody any child as provided in subsection (b)(3) of K.S.A. 2012 Supp. 38-2231, and amendments thereto, the law enforcement officer shall place the child in protective custody and may deliver the child to a staff secure facility. The law enforcement officer shall contact the department for children and families to begin an assessment to determine safety, placement and treatment needs for the child. Such child shall not be placed in a juvenile detention facility or other secure facility, except as authorized by this section and by K.S.A. 2012 Supp. 38-2242, 38-2243 and 38-2260, and amendments thereto.

(c) Whenever a child under the age of 18 years is taken into custody by a law enforcement officer without a court order and is thereafter placed as authorized by subsection (a), the facility or person shall, upon written application of the law enforcement officer, have physical custody and provide care and supervision for the child. The application shall state:

(1) The name and address of the child, if known;

(2) the names and addresses of the child's parents or nearest relatives and persons with whom the child has been residing, if known; and

(3) the officer's belief that the child is a child in need of care and that there are reasonable grounds to believe that the circumstances or condition of the child is such that the child would be harmed unless placed in the immediate custody of the shelter facility or other person.

(d) A copy of the application shall be furnished by the facility or person receiving the child to the county or district attorney without unnecessary delay.

(e) The shelter facility or other person designated by the court who has custody of the child pursuant to this section shall discharge the child not later than 72 hours following admission, excluding Saturdays, Sundays, legal holidays, and days on which the office of the clerk of the court is not accessible, unless a court has entered an order pertaining to temporary custody or release.

(f) In absence of a court order to the contrary, the county or district attorney or the placing law enforcement agency shall have the authority to direct the release of the child at any time.

(g) When any law enforcement officer takes into custody any child as provided in subsection (d) of K.S.A. 2012 Supp. 38-2231, and amendments thereto, the child shall forthwith be delivered to the school in which the child is enrolled, any location designated by the school in which the child is enrolled or the child's parent or other custodian.

Sec. 34. On January 1, 2014, K.S.A. 2012 Supp. 38-2242 is hereby amended to read as follows: 38-2242. (a) The court, upon verified application, may issue ex parte an order directing that a child be held in protective custody and, if the child has not been taken into custody, an order directing that the child be taken into custody. The
application shall state for each child:
   (1) The applicant's belief that the child is a child in need of care;
   (2) that the child is likely to sustain harm if not immediately removed from the home;
   (3) that allowing the child to remain in the home is contrary to the welfare of the child; and
   (4) the facts relied upon to support the application, including efforts known to the applicant to maintain the family unit and prevent the unnecessary removal of the child from the child's home, or the specific facts supporting that an emergency exists which threatens the safety of the child.

(b) (1) The order of protective custody may be issued only after the court has determined there is probable cause to believe the allegations in the application are true. The order shall remain in effect until the temporary custody hearing provided for in K.S.A. 2012 Supp. 38-2243, and amendments thereto, unless earlier rescinded by the court.

(2) No child shall be held in protective custody for more than 72 hours, excluding Saturdays, Sundays, legal holidays, and days on which the office of the clerk of the court is not accessible, unless within the 72-hour period a determination is made as to the necessity for temporary custody in a temporary custody hearing. The time spent in custody pursuant to K.S.A. 2012 Supp. 38-2232, and amendments thereto, shall be included in calculating the 72-hour period. Nothing in this subsection shall be construed to mean that the child must remain in protective custody for 72 hours. If a child is in the protective custody of the secretary, the secretary shall allow at least one supervised visit between the child and the parent or parents within such time period as the child is in protective custody. The court may prohibit such supervised visit if the court determines it is not in the best interest of the child.

(c) (1) Whenever the court determines the necessity for an order of protective custody, the court may place the child in the protective custody of:
   (A) A parent or other person having custody of the child and may enter a restraining order pursuant to subsection (e);
   (B) a person, other than the parent or other person having custody, who shall not be required to be licensed under article 5 of chapter 65 of the Kansas Statutes Annotated, and amendments thereto;
   (C) a youth residential facility;
   (D) a shelter facility; or
   (E) a staff secure facility, notwithstanding any other provision of law, if the child has been subjected to human trafficking or aggravated human trafficking, as defined by K.S.A. 2012 Supp. 21-5426, and amendments thereto, or commercial sexual exploitation of a child, as defined by section 4, and amendments thereto, or the child committed an act which, if committed by an adult, would constitute a violation of K.S.A. 2012 Supp. 21-6419, and amendments thereto; or
   (F) the secretary, if the child is 15 years of age or younger, or 16 or 17 years of age if the child has no identifiable parental or family resources or shows signs of physical, mental, emotional or sexual abuse.

(2) If the secretary presents the court with a plan to provide services to a child or family which the court finds will assure the safety of the child, the court may only place the child in the protective custody of the secretary until the court finds the services are
in place. The court shall have the authority to require any person or entity agreeing to participate in the plan to perform as set out in the plan. When the child is placed in the protective custody of the secretary, the secretary shall have the discretionary authority to place the child with a parent or to make other suitable placement for the child. When the child is placed in the temporary custody of the secretary and the child has been subjected to human trafficking or aggravated human trafficking, as defined by K.S.A. 2012 Supp. 21-5426, and amendments thereto, or commercial sexual exploitation of a child, as defined by section 4, and amendments thereto, or the child committed an act which, if committed by an adult, would constitute a violation of K.S.A. 2012 Supp. 21-6419, and amendments thereto, the secretary shall have the discretionary authority to place the child in a staff secure facility, notwithstanding any other provision of law. When the child is presently alleged, but not yet adjudicated, to be a child in need of care solely pursuant to subsection (d)(9) or (d)(10) of K.S.A. 2012 Supp. 38-2202, and amendments thereto, the child may be placed in a juvenile detention facility or other secure facility pursuant to an order of protective custody for a period of not to exceed 24 hours, excluding Saturdays, Sundays, legal holidays, and days on which the office of the clerk of the court is not accessible.

(d) The order of protective custody shall be served pursuant to subsection (a) of K.S.A. 2012 Supp. 38-2237, and amendments thereto, on the child's parents and any other person having legal custody of the child. The order shall prohibit the removal of the child from the court's jurisdiction without the court's permission.

(e) If the court issues an order of protective custody, the court may also enter an order restraining any alleged perpetrator of physical, sexual, mental or emotional abuse of the child from residing in the child's home; visiting, contacting, harassing or intimidating the child, other family member or witness; or attempting to visit, contact, harass or intimidate the child, other family member or witness. Such restraining order shall be served by personal service pursuant to subsection (a) of K.S.A. 2012 Supp. 38-2237, and amendments thereto, on any alleged perpetrator to whom the order is directed.

(f) (1) The court shall not enter the initial order removing a child from the custody of a parent pursuant to this section unless the court first finds probable cause that: (A) (i) The child is likely to sustain harm if not immediately removed from the home; (ii) allowing the child to remain in home is contrary to the welfare of the child; or (iii) immediate placement of the child is in the best interest of the child; and (B) reasonable efforts have been made to maintain the family unit and prevent the unnecessary removal of the child from the child's home or that an emergency exists which threatens the safety to the child.

(2) Such findings shall be included in any order entered by the court. If the child is placed in the custody of the secretary, the court shall provide the secretary with a written copy of any orders entered upon making the order.

Sec. 35. On January 1, 2014, K.S.A. 2012 Supp. 38-2243 is hereby amended to read as follows: 38-2243. (a) Upon notice and hearing, the court may issue an order directing who shall have temporary custody and may modify the order during the pendency of the proceedings as will best serve the child's welfare.

(b) A hearing pursuant to this section shall be held within 72 hours, excluding Saturdays, Sundays, legal holidays, and days on which the office of the clerk of the court is not accessible, following a child having been taken into protective custody.
Whenever it is determined that a temporary custody hearing is required, the court shall immediately set the time and place for the hearing. Notice of a temporary custody hearing shall be given to all parties and interested parties.

Notice of the temporary custody hearing shall be given at least 24 hours prior to the hearing. The court may continue the hearing to afford the 24 hours prior notice or, with the consent of the party or interested party, proceed with the hearing at the designated time. If an order of temporary custody is entered and the parent or other person having custody of the child has not been notified of the hearing, did not appear or waive appearance and requests a rehearing, the court shall rehear the matter without unnecessary delay.

Oral notice may be used for giving notice of a temporary custody hearing where there is insufficient time to give written notice. Oral notice is completed upon filing a certificate of oral notice.

The court may enter an order of temporary custody after determining there is probable cause to believe that the: (1) Child is dangerous to self or to others; (2) child is not likely to be available within the jurisdiction of the court for future proceedings; or (3) health or welfare of the child may be endangered without further care; (4) child has been subjected to human trafficking or aggravated human trafficking, as defined by K.S.A. 2012 Supp. 21-5426, and amendments thereto, or commercial sexual exploitation of a child, as defined by section 4, and amendments thereto; or (5) child committed an act which, if committed by an adult, would constitute a violation of K.S.A. 2012 Supp. 21-6419, and amendments thereto.

Whenever the court determines the necessity for an order of temporary custody the court may place the child in the temporary custody of:

(A) A parent or other person having custody of the child and may enter a restraining order pursuant to subsection (h);

(B) a person, other than the parent or other person having custody, who shall not be required to be licensed under article 5 of chapter 65 of the Kansas Statutes Annotated, and amendments thereto;

(C) a youth residential facility;

(D) a shelter facility;

(E) a staff secure facility, notwithstanding any other provision of law, if the child has been subjected to human trafficking or aggravated human trafficking, as defined by K.S.A. 2012 Supp. 21-5426, and amendments thereto, or commercial sexual exploitation of a child, as defined by section 4, and amendments thereto, or the child committed an act which, if committed by an adult, would constitute a violation of K.S.A. 2012 Supp. 21-6419, and amendments thereto; or

(F) the secretary, if the child is 15 years of age or younger, or 16 or 17 years of age if the child has no identifiable parental or family resources or shows signs of physical, mental, emotional or sexual abuse.

If the secretary presents the court with a plan to provide services to a child or family which the court finds will assure the safety of the child, the court may only place the child in the temporary custody of the secretary until the court finds the services are in place. The court shall have the authority to require any person or entity agreeing to participate in the plan to perform as set out in the plan. When the child is placed in the temporary custody of the secretary, the secretary shall have the discretionary authority to place the child with a parent or to make other suitable placement for the child.
the child is placed in the temporary custody of the secretary and the child has been subjected to human trafficking or aggravated human trafficking, as defined by K.S.A. 2012 Supp. 21-5426, and amendments thereto, or commercial sexual exploitation of a child, as defined by section 4, and amendments thereto, or the child committed an act which, if committed by an adult, would constitute a violation of K.S.A. 2012 Supp. 21-6419, and amendments thereto, the secretary shall have the discretionary authority to place the child in a staff secure facility, notwithstanding any other provision of law. When the child is presently alleged, but not yet adjudicated to be a child in need of care solely pursuant to subsection (d)(9) or (d)(10) of K.S.A. 2012 Supp. 38-2202, and amendments thereto, the child may be placed in a juvenile detention facility or other secure facility, but the total amount of time that the child may be held in such facility under this section and K.S.A. 2012 Supp. 38-2242, and amendments thereto, shall not exceed 24 hours, excluding Saturdays, Sundays, legal holidays, and days on which the office of the clerk of the court is not accessible. The order of temporary custody shall remain in effect until modified or rescinded by the court or an adjudication order is entered but not exceeding 60 days, unless good cause is shown and stated on the record.

(h) If the court issues an order of temporary custody, the court may also enter an order restraining any alleged perpetrator of physical, sexual, mental or emotional abuse of the child from residing in the child's home; visiting, contact, harassing or intimidating the child; or attempting to visit, contact, harass or intimidate the child, other family members or witnesses. Such restraining order shall be served by personal service pursuant to subsection (a) of K.S.A. 2012 Supp. 38-2237, and amendments thereto, on any alleged perpetrator to whom the order is directed.

(i) (1) The court shall not enter the initial order removing a child from the custody of a parent pursuant to this section unless the court first finds probable cause that: (A) (i) The child is likely to sustain harm if not immediately removed from the home; (ii) allowing the child to remain in home is contrary to the welfare of the child; or (iii) immediate placement of the child is in the best interest of the child; and (B) reasonable efforts have been made to maintain the family unit and prevent the unnecessary removal of the child from the child's home or that an emergency exists which threatens the safety to the child.

(2) Such findings shall be included in any order entered by the court. If the child is placed in the custody of the secretary, upon making the order the court shall provide the secretary with a written copy.

(j) If the court enters an order of temporary custody that provides for placement of the child with a person other than the parent, the court shall make a child support determination pursuant to K.S.A. 2012 Supp. 38-2277, and amendments thereto.

Sec. 36. On January 1, 2014, K.S.A. 2012 Supp. 38-2255 is hereby amended to read as follows: 38-2255. (a) Considerations. Prior to entering an order of disposition, the court shall give consideration to:

(1) The child's physical, mental and emotional condition;
(2) the child's need for assistance;
(3) the manner in which the parent participated in the abuse, neglect or abandonment of the child;
(4) any relevant information from the intake and assessment process; and
(5) the evidence received at the dispositional hearing.

(b) Custody with a parent. The court may place the child in the custody of either of
the child's parents subject to terms and conditions which the court prescribes to assure the proper care and protection of the child, including, but not limited to:

1. Supervision of the child and the parent by a court services officer;
2. participation by the child and the parent in available programs operated by an appropriate individual or agency; and
3. any special treatment or care which the child needs for the child's physical, mental or emotional health and safety.

(c) Removal of a child from custody of a parent. The court shall not enter the initial order removing a child from the custody of a parent pursuant to this section unless the court first finds probable cause that:

1. (A) The child is likely to sustain harm if not immediately removed from the home;
   (B) allowing the child to remain in home is contrary to the welfare of the child; or
   (C) immediate placement of the child is in the best interest of the child; and
2. reasonable efforts have been made to maintain the family unit and prevent the unnecessary removal of the child from the child's home or that an emergency exists which threatens the safety to the child.

The court shall not enter an order removing a child from the custody of a parent pursuant to this section based solely on the finding that the parent is homeless.

(d) Custody of a child removed from the custody of a parent. If the court has made the findings required by subsection (c), the court shall enter an order awarding custody to:

A relative of the child or to a person with whom the child has close emotional ties who shall not be required to be licensed under article 5 of chapter 65 of the Kansas Statutes Annotated, and amendments thereto, any other person, a shelter facility, a youth residential facility, a staff secure facility, notwithstanding any other provision of law, if the child has been subjected to human trafficking or aggravated human trafficking, as defined by K.S.A. 2012 Supp. 21-5426, and amendments thereto, or commercial sexual exploitation of a child, as defined by section 4, and amendments thereto, or the child committed an act which, if committed by an adult, would constitute a violation of K.S.A. 2012 Supp. 21-6419, and amendments thereto, or, if the child is 15 years of age or younger, or 16 or 17 years of age if the child has no identifiable parental or family resources or shows signs of physical, mental, emotional or sexual abuse, to the secretary. Custody awarded under this subsection shall continue until further order of the court.

1. When custody is awarded to the secretary, the secretary shall consider any placement recommendation by the court and notify the court of the placement or proposed placement of the child within 10 days of the order awarding custody. After providing the parties or interested parties notice and opportunity to be heard, the court may determine whether the secretary's placement or proposed placement is contrary to the welfare or in the best interests of the child. In making that determination the court shall consider the health and safety needs of the child and the resources available to meet the needs of children in the custody of the secretary. If the court determines that the placement or proposed placement is contrary to the welfare or not in the best interests of the child, the court shall notify the secretary, who shall then make an alternative placement.

2. The custodian designated under this subsection shall notify the court in writing at least 10 days prior to any planned placement with a parent. The written notice shall state the basis for the custodian's belief that placement with a parent is no longer
contrary to the welfare or best interest of the child. Upon reviewing the notice, the court may allow the custodian to proceed with the planned placement or may set the date for a hearing to determine if the child shall be allowed to return home. If the court sets a hearing on the matter, the custodian shall not return the child home without written consent of the court.

3) The court may grant any person reasonable rights to visit the child upon motion of the person and a finding that the visitation rights would be in the best interests of the child.

4) The court may enter an order restraining any alleged perpetrator of physical, mental or emotional abuse or sexual abuse of the child from residing in the child's home; visiting, contacting, harassing or intimidating the child, other family member or witness; or attempting to visit, contact, harass or intimidate the child, other family member or witness. Such restraining order shall be served by personal service pursuant to subsection (a) of K.S.A. 2012 Supp. 38-2237, and amendments thereto, on any alleged perpetrator to whom the order is directed.

5) The court shall provide a copy of any orders entered within 10 days of entering the order to the custodian designated under this subsection.

(e) Further determinations regarding a child removed from the home. If custody has been awarded under subsection (d) to a person other than a parent, a permanency plan shall be provided or prepared pursuant to K.S.A. 2012 Supp. 38-2264, and amendments thereto. If a permanency plan is provided at the dispositional hearing, the court may determine whether reintegration is a viable alternative or, if reintegration is not a viable alternative, whether the child should be placed for adoption or a permanent custodian appointed. In determining whether reintegration is a viable alternative, the court shall consider:

1) Whether a parent has been found by a court to have committed one of the following crimes or to have violated the law of another state prohibiting such crimes or to have aided and abetted, attempted, conspired or solicited the commission of one of these crimes: (A) Murder in the first degree, K.S.A. 21-3401, prior to its repeal, or K.S.A. 2012 Supp. 21-5402, and amendments thereto; (B) murder in the second degree, K.S.A. 21-3402, prior to its repeal, or K.S.A. 2012 Supp. 21-5403, and amendments thereto; (C) capital murder, K.S.A. 21-3439, prior to its repeal, or K.S.A. 2012 Supp. 21-5401, and amendments thereto; (D) voluntary manslaughter, K.S.A. 21-3403, prior to its repeal, or K.S.A. 2012 Supp. 21-5404, and amendments thereto; (E) a felony battery that resulted in bodily injury;

2) whether a parent has subjected the child or another child to aggravated circumstances;

3) whether a parent has previously been found to be an unfit parent in proceedings under this code or in comparable proceedings under the laws of another state or the federal government;

4) whether the child has been in extended out of home placement;

5) whether the parents have failed to work diligently toward reintegration;

6) whether the secretary has provided the family with services necessary for the safe return of the child to the home; and

7) whether it is reasonable to expect reintegration to occur within a time frame consistent with the child's developmental needs.

(f) Proceedings if reintegration is not a viable alternative. If the court determines
that reintegration is not a viable alternative, proceedings to terminate parental rights and
permit placement of the child for adoption or appointment of a permanent custodian
shall be initiated unless the court finds that compelling reasons have been documented
in the case plan why adoption or appointment of a permanent custodian would not be in
the best interests of the child. If compelling reasons have not been documented, the
county or district attorney shall file a motion within 30 days to terminate parental rights
or a motion to appoint a permanent custodian within 30 days and the court shall hold a
hearing on the motion within 90 days of its filing. No hearing is required when the
parents voluntarily relinquish parental rights or consent to the appointment of a
permanent custodian.

(g) Additional Orders. In addition to or in lieu of any other order authorized by this
section:

(1) The court may order the child and the parents of any child who has been
adjudicated a child in need of care to attend counseling sessions as the court directs. The
expense of the counseling may be assessed as an expense in the case. No mental health
provider shall charge a greater fee for court-ordered counseling than the provider would
have charged to the person receiving counseling if the person had requested counseling
on the person's own initiative.

(2) If the court has reason to believe that a child is before the court due, in whole or
in part, to the use or misuse of alcohol or a violation of K.S.A. 2012 Supp. 21-5701
through 21-5717, and amendments thereto, by the child, a parent of the child, or another
person responsible for the care of the child, the court may order the child, parent of the
child or other person responsible for the care of the child to submit to and complete an
alcohol and drug evaluation by a qualified person or agency and comply with any
recommendations. If the evaluation is performed by a community-based alcohol and
drug safety program certified pursuant to K.S.A. 8-1008, and amendments thereto, the
child, parent of the child or other person responsible for the care of the child shall pay a
fee not to exceed the fee established by that statute. If the court finds that the child and
those legally liable for the child's support are indigent, the fee may be waived. In no
event shall the fee be assessed against the secretary.

(3) If child support has been requested and the parent or parents have a duty to
support the child, the court may order one or both parents to pay child support and,
when custody is awarded to the secretary, the court shall order one or both parents to
pay child support. The court shall determine, for each parent separately, whether the
parent is already subject to an order to pay support for the child. If the parent is not
presently ordered to pay support for any child who is subject to the jurisdiction of the
court and the court has personal jurisdiction over the parent, the court shall order the
parent to pay child support in an amount determined under K.S.A. 2012 Supp. 38-2277,
and amendments thereto. Except for good cause shown, the court shall issue an
immediate income withholding order pursuant to K.S.A. 2012 Supp. 23-3101 et seq.,
and amendments thereto, for each parent ordered to pay support under this subsection,
regardless of whether a payor has been identified for the parent. A parent ordered to pay
child support under this subsection shall be notified, at the hearing or otherwise, that the
child support order may be registered pursuant to K.S.A. 2012 Supp. 38-2279, and
amendments thereto. The parent shall also be informed that, after registration, the
income withholding order may be served on the parent's employer without further
notice to the parent and the child support order may be enforced by any method allowed
by law. Failure to provide this notice shall not affect the validity of the child support order.

Sec. 37. K.S.A. 2012 Supp. 38-2312 is hereby amended to read as follows: 38-2312. (a) Except as provided in subsection (b) and (c), any records or files specified in this code concerning a juvenile may be expunged upon application to a judge of the court of the county in which the records or files are maintained. The application for expungement may be made by the juvenile, if 18 years of age or older or, if the juvenile is less than 18 years of age, by the juvenile's parent or next friend.

(b) There shall be no expungement of records or files concerning acts committed by a juvenile which, if committed by an adult, would constitute a violation of K.S.A. 21-3401, prior to its repeal, or K.S.A. 2012 Supp. 21-5402, and amendments thereto, murder in the first degree; K.S.A. 21-3402, prior to its repeal, or K.S.A. 2012 Supp. 21-5403, and amendments thereto, murder in the second degree; K.S.A. 21-3403, prior to its repeal, or K.S.A. 2012 Supp. 21-5404, and amendments thereto, voluntary manslaughter; K.S.A. 21-3404, prior to its repeal, or K.S.A. 2012 Supp. 21-5405, and amendments thereto, involuntary manslaughter; K.S.A. 21-3439, prior to its repeal, or K.S.A. 2012 Supp. 21-5401, and amendments thereto, capital murder; K.S.A. 21-3442, prior to its repeal, or subsection (a)(3) of K.S.A. 2012 Supp. 21-5405, and amendments thereto, involuntary manslaughter while driving under the influence of alcohol or drugs; K.S.A. 21-3502, prior to its repeal, or K.S.A. 2012 Supp. 21-5503, and amendments thereto, rape; K.S.A. 21-3503, prior to its repeal, or subsection (a) of K.S.A. 2012 Supp. 21-5506, and amendments thereto, indecent liberties with a child; K.S.A. 21-3504, prior to its repeal, or subsection (b) of K.S.A. 2012 Supp. 21-5506, and amendments thereto, aggravated indecent liberties with a child; K.S.A. 21-3506, prior to its repeal, or K.S.A. 2012 Supp. 21-5508, and amendments thereto, indecent solicitation of a child; K.S.A. 21-3510, prior to its repeal, or subsection (a) of K.S.A. 2012 Supp. 21-5510, and amendments thereto, sexual exploitation of a child; K.S.A. 21-3608, prior to its repeal, or subsection (a) of K.S.A. 2012 Supp. 21-5601, and amendments thereto, endangering a child; K.S.A. 21-3609, prior to its repeal, or K.S.A. 2012 Supp. 21-5602, and amendments thereto, abuse of a child; or which would constitute an attempt to commit a violation of any of the offenses specified in this subsection.

(c) Notwithstanding any other law to the contrary, for any offender who is required to register as provided in the Kansas offender registration act, K.S.A. 22-4901 et seq., and amendments thereto, there shall be no expungement of any conviction or any part of the offender’s criminal record while the offender is required to register as provided in the Kansas offender registration act.

(d) When a petition for expungement is filed, the court shall set a date for a hearing on the petition and shall give notice thereof to the county or district attorney. The petition shall state: (1) The juvenile's full name; (2) the full name of the juvenile as reflected in the court record, if different than (1); (3) the juvenile's sex and date of birth; (4) the offense for which the juvenile was adjudicated; (5) the date of the trial; and (6) the identity of the trial court. Except as otherwise provided by law, a petition for
expungement shall be accompanied by a docket fee in the amount of $100. On and after
the effective date of this act through June 30, 2013, the supreme court may impose a
charge, not to exceed $19 per case, to fund the costs of non-judicial personnel. All
petitions for expungement shall be docketed in the original action. Any person who may
have relevant information about the petitioner may testify at the hearing. The court may
inquire into the background of the petitioner.

(e) (1) After hearing, the court shall order the expungement of the records and files
if the court finds that:

(A) (i) The juvenile has reached 23 years of age or that two years have elapsed
since the final discharge; or

(ii) one year has elapsed since the final discharge for an adjudication concerning
acts committed by a juvenile which, if committed by an adult, would constitute a
violation of K.S.A. 2012 Supp. 21-6419, and amendments thereto;

(B) since the final discharge of the juvenile, the juvenile has not been convicted of
a felony or of a misdemeanor other than a traffic offense or adjudicated as a juvenile
offender under the revised Kansas juvenile justice code and no proceedings are pending
seeking such a conviction or adjudication; and

(C) the circumstances and behavior of the petitioner warrant expungement.

(2) The court may require that all court costs, fees and restitution shall be paid.

(f) Upon entry of an order expunging records or files, the offense which the records
or files concern shall be treated as if it never occurred, except that upon conviction of a
crime or adjudication in a subsequent action under this code the offense may be
considered in determining the sentence to be imposed. The petitioner, the court and all
law enforcement officers and other public offices and agencies shall properly reply on
inquiry that no record or file exists with respect to the juvenile. Inspection of the
expunged files or records thereafter may be permitted by order of the court upon
petition by the person who is the subject thereof. The inspection shall be limited to
inspection by the person who is the subject of the files or records and the person's
designees.

(g) A certified copy of any order made pursuant to subsection (a) or (d) shall be
sent to the Kansas bureau of investigation, which shall notify every juvenile or criminal
justice agency which may possess records or files ordered to be expunged. If the agency
fails to comply with the order within a reasonable time after its receipt, such agency
may be adjudged in contempt of court and punished accordingly.

(h) The court shall inform any juvenile who has been adjudicated a juvenile
offender of the provisions of this section.

(i) Nothing in this section shall be construed to prohibit the maintenance of
information relating to an offense after records or files concerning the offense have
been expunged if the information is kept in a manner that does not enable identification
of the juvenile.

(j) Nothing in this section shall be construed to permit or require expungement of
files or records related to a child support order registered pursuant to the revised Kansas
juvenile justice code.

(k) Whenever the records or files of any adjudication have been expunged under
the provisions of this section, the custodian of the records or files of adjudication
relating to that offense shall not disclose the existence of such records or files, except
when requested by:
(1) The person whose record was expunged;
(2) a private detective agency or a private patrol operator, and the request is accompanied by a statement that the request is being made in conjunction with an application for employment with such agency or operator by the person whose record has been expunged;
(3) a court, upon a showing of a subsequent conviction of the person whose record has been expunged;
(4) the secretary of social and rehabilitation services, the department for children and families, or a designee of the secretary, for the purpose of obtaining information relating to employment in an institution, as defined in K.S.A. 76-12a01, and amendments thereto, of the department of social and rehabilitation services for children and families of any person whose record has been expunged;
(5) a person entitled to such information pursuant to the terms of the expungement order;
(6) the Kansas lottery, and the request is accompanied by a statement that the request is being made to aid in determining qualifications for employment with the Kansas lottery or for work in sensitive areas within the Kansas lottery as deemed appropriate by the executive director of the Kansas lottery;
(7) the governor or the Kansas racing commission, or a designee of the commission, and the request is accompanied by a statement that the request is being made to aid in determining qualifications for executive director of the commission, for employment with the commission, for work in sensitive areas in parimutuel racing as deemed appropriate by the executive director of the commission or for licensure, renewal of licensure or continued licensure by the commission;
(8) the Kansas sentencing commission; or
(9) the Kansas bureau of investigation, for the purposes of:
(A) Completing a person's criminal history record information within the central repository in accordance with K.S.A. 22-4701 et seq., and amendments thereto; or
(B) providing information or documentation to the federal bureau of investigation, in connection with the national instant criminal background check system, to determine a person's qualification to possess a firearm.
(l) The provisions of subsection (k)(9) shall apply to all records created prior to, on and after July 1, 2011.

Sec. 38. K.S.A. 2012 Supp. 38-2361 is hereby amended to read as follows: 38-2361. (a) Upon adjudication as a juvenile offender pursuant to K.S.A. 2012 Supp. 38-2356, and amendments thereto, modification of sentence pursuant to K.S.A. 2012 Supp. 38-2367, and amendments thereto, or violation of a condition of sentence pursuant to K.S.A. 2012 Supp. 38-2368, and amendments thereto, and subject to subsection (a) of K.S.A. 2012 Supp. 38-2365, and amendments thereto, the court may impose one or more of the following sentencing alternatives. In the event that any sentencing alternative chosen constitutes an order authorizing or requiring removal of the juvenile from the juvenile's home and such findings either have not previously been made or the findings are not or may no longer be current, the court shall make determinations as required by K.S.A. 2012 Supp. 38-2334 and 38-2335, and amendments thereto.
(1) Place the juvenile on probation through court services or community corrections for a fixed period, subject to terms and conditions the court deems appropriate consistent with juvenile justice programs in the community.
(2) Order the juvenile to participate in a community based program available in such judicial district subject to the terms and conditions the court deems appropriate. This alternative shall not be ordered with the alternative in paragraph (12) and when ordered with the alternative in paragraph (10) shall constitute a recommendation. Requirements pertaining to child support may apply if custody is vested with other than a parent.

(3) Place the juvenile in the custody of a parent or other suitable person, subject to terms and conditions consistent with juvenile justice programs in the community. This alternative shall not be ordered with the alternative in paragraph (10) or (12). Requirements pertaining to child support may apply if custody is vested with other than a parent.

(4) Order the juvenile to attend counseling, educational, mediation or other sessions, or to undergo a drug evaluation pursuant to subsection (b).

(5) Suspend or restrict the juvenile's driver's license or privilege to operate a motor vehicle on the streets and highways of this state pursuant to subsection (c).

(6) Order the juvenile to perform charitable or community service work.

(7) Order the juvenile to make appropriate reparation or restitution pursuant to subsection (d).

(8) Order the juvenile to pay a fine not exceeding $1,000 pursuant to subsection (e).

(9) Place the juvenile under a house arrest program administered by the court pursuant to K.S.A. 2012 Supp. 21-6609, and amendments thereto.

(10) Place the juvenile in the custody of the commissioner as provided in K.S.A. 2012 Supp. 38-2365, and amendments thereto. This alternative shall not be ordered with the alternative in paragraph (3) or (12). Except for a mandatory drug and alcohol evaluation, when this alternative is ordered with alternatives in paragraphs (2), (4) and (9), such orders shall constitute a recommendation by the court. Requirements pertaining to child support shall apply under this alternative.

(11) Commit the juvenile to a sanctions house for a period no longer than 28 days subject to the provisions of subsection (f).

(12) Commit the juvenile directly to the custody of the commissioner for a period of confinement in a juvenile correctional facility and a period of aftercare pursuant to K.S.A. 2012 Supp. 38-2369, and amendments thereto. The provisions of K.S.A. 2012 Supp. 38-2365, and amendments thereto, shall not apply to juveniles committed pursuant to this provision, provided however, that 21 days prior to the juvenile's release from a juvenile correctional facility, the commissioner or designee shall notify the court of the juvenile's anticipated release date. The court shall set and hold a permanency hearing pursuant to K.S.A. 2012 Supp. 38-2365, and amendments thereto, within seven days after the juvenile's release. This alternative may be ordered with the alternative in paragraph (7). Requirements pertaining to child support shall apply under this alternative.

(b) If the court orders the juvenile to attend counseling, educational, mediation or other sessions, or to undergo a drug and alcohol evaluation pursuant to subsection (a) (4), the following provisions apply:

(1) The court may order the juvenile offender to participate in counseling or mediation sessions or a program of education, including placement in an alternative educational program approved by a local school board. The costs of any counseling or mediation may be assessed as expenses in the case. No mental health center shall charge
a fee for court-ordered counseling greater than what the center would have charged the person receiving the counseling if the person had requested counseling on the person's own initiative. No mediator shall charge a fee for court-ordered mediation greater than what the mediator would have charged the person participating in the mediation if the person had requested mediation on the person's own initiative. Mediation may include the victim but shall not be mandatory for the victim; and

(2) if the juvenile has been adjudicated to be a juvenile by reason of a violation of a statute that makes such a requirement, the court shall order and, if adjudicated for any other offense, the court may order the juvenile to submit to and complete a drug and alcohol evaluation by a community-based drug and alcohol safety action program certified pursuant to K.S.A. 8-1008, and amendments thereto, and to pay a fee not to exceed the fee established by that statute for such evaluation. The court may waive the mandatory evaluation if the court finds that the juvenile completed a drug and alcohol evaluation, approved by the community-based alcohol and drug safety action program, within 12 months before sentencing. If the evaluation occurred more than 12 months before sentencing, the court shall order the juvenile to submit to and complete the evaluation and program as provided herein. If the court finds that the juvenile and those legally liable for the juvenile's support are indigent, the court may waive the fee. In no event shall the fee be assessed against the commissioner or the juvenile justice authority nor shall the fee be assessed against the secretary of social and rehabilitation services for children and families if the juvenile is in the secretary's care, custody and control.

(c) If the court orders suspension or restriction of a juvenile offender's driver's license or privilege to operate a motor vehicle on the streets and highways of this state pursuant to subsection (a)(5), the following provisions apply:

(1) The duration of the suspension ordered by the court shall be for a definite time period to be determined by the court. Upon suspension of a license pursuant to this subsection, the court shall require the juvenile offender to surrender the license to the court. The court shall transmit the license to the division of motor vehicles of the department of revenue, to be retained until the period of suspension expires. At that time, the licensee may apply to the division for return of the license. If the license has expired, the juvenile offender may apply for a new license, which shall be issued promptly upon payment of the proper fee and satisfaction of other conditions established by law for obtaining a license unless another suspension or revocation of the juvenile offender's privilege to operate a motor vehicle is in effect. As used in this subsection, "highway" and "street" have the meanings provided by K.S.A. 8-1424 and 8-1473, and amendments thereto. Any juvenile offender who does not have a driver's license may have driving privileges revoked. No Kansas driver's license shall be issued to a juvenile offender whose driving privileges have been revoked pursuant to this section for a definite time period to be determined by the court; and

(2) in lieu of suspending a juvenile offender's driver's license or privilege to operate a motor vehicle on the highways of this state, the court may enter an order which places conditions on the juvenile offender's privilege of operating a motor vehicle on the streets and highways of this state, a certified copy of which the juvenile offender shall be required to carry any time the juvenile offender is operating a motor vehicle on the streets and highways of this state. The order shall prescribe a definite time period for the
conditions imposed. Upon entering an order restricting a juvenile offender's license, the court shall require the juvenile offender to surrender such juvenile offender's license to the court. The court shall transmit the license to the division of vehicles, together with a copy of the order. Upon receipt thereof, the division of vehicles shall issue without charge a driver's license which shall indicate on its face that conditions have been imposed on the juvenile offender's privilege of operating a motor vehicle and that a certified copy of the order imposing the conditions is required to be carried by the juvenile offender when operating a motor vehicle on the streets and highways of this state. If the juvenile offender is a nonresident, the court shall cause a copy of the order to be transmitted to the division and the division shall forward a copy of it to the motor vehicle administrator of the juvenile offender's state of issuance. The court shall furnish to any juvenile offender whose driver's license has had conditions imposed on it under this section a copy of the order, which shall be recognized as a valid Kansas driver's license until the division issues the restricted license provided for in this subsection. Upon expiration of the period of time for which conditions are imposed pursuant to this subsection, the juvenile offender may apply to the division for the return of the license previously surrendered by the juvenile offender. In the event the license has expired, the juvenile offender may apply to the division for a new license, which shall be issued immediately by the division upon payment of the proper fee and satisfaction of the other conditions established by law unless such juvenile offender's privilege to operate a motor vehicle on the streets and highways of this state has been suspended or revoked prior thereto. If any juvenile offender violates any of the conditions imposed under this subsection, the juvenile offender's driver's license or privilege to operate a motor vehicle on the streets and highways of this state shall be revoked for a period as determined by the court in which the juvenile offender is convicted of violating such conditions.

(d) The following provisions apply to the court's determination of whether to order reparation or restitution pursuant to subsection (a)(7):

(1) The court shall order the juvenile to make reparation or restitution to the aggrieved party for the damage or loss caused by the juvenile offender's offense unless it finds compelling circumstances that would render a plan of reparation or restitution unworkable. If the court finds compelling circumstances that would render a plan of reparation or restitution unworkable, the court shall enter such findings with particularity on the record. In lieu of reparation or restitution, the court may order the juvenile to perform charitable or social service for organizations performing services for the community; and

(2) restitution may include, but shall not be limited to, the amount of damage or loss caused by the juvenile's offense. Restitution may be made by payment of an amount fixed by the court or by working for the parties sustaining loss in the manner ordered by the court. An order of monetary restitution shall be a judgment against the juvenile that may be collected by the court by garnishment or other execution as on judgments in civil cases. Such judgment shall not be affected by the termination of the court's jurisdiction over the juvenile offender.

(e) If the court imposes a fine pursuant to subsection (a)(8), the following provisions apply:

(1) The amount of the fine may not exceed $1,000 for each offense. The amount of the fine should be related to the seriousness of the offense and the juvenile's ability to
pay. Payment of a fine may be required in a lump sum or installments;

(2) in determining whether to impose a fine and the amount to be imposed, the court shall consider that imposition of a fine is most appropriate in cases where the juvenile has derived pecuniary gain from the offense and that imposition of a restitution order is preferable to imposition of a fine; and

(3) any fine imposed by court shall be a judgment against the juvenile that may be collected by the court by garnishment or other execution as on judgments in civil cases. Such judgment shall not be affected by the termination of the court's jurisdiction over the juvenile.

(f) If the court commits the juvenile to a sanctions house pursuant to subsection (a)(11), the following provisions shall apply:

(1) The court may order commitment for up to 28 days for the same offense or violation of sentencing condition. The court shall review the commitment every seven days and, may shorten the initial commitment or, if the initial term is less than 28 days, may extend the commitment;

(2) if, in the sentencing order, the court orders a sanctions house placement for a verifiable probation violation and such probation violation occurs, the juvenile may immediately be taken to a sanctions house and detained for no more than 48 hours, excluding Saturdays, Sundays, holidays, and days on which the office of the clerk of the court is not accessible, prior to court review of the placement. The court and all parties shall be notified of the sanctions house placement; and

(3) a juvenile over 18 years of age and less than 23 years of age at sentencing shall be committed to a county jail, in lieu of a sanctions house, under the same time restrictions imposed by paragraph (1), but shall not be committed to or confined in a juvenile detention facility.

(g) Any order issued by the judge pursuant to this section shall be in effect immediately upon entry into the court's minutes.

(h) In addition to the requirements of K.S.A. 2012 Supp. 38-2373, and amendments thereto, if a person is under 18 years of age and convicted of a felony or adjudicated as a juvenile offender for an offense if committed by an adult would constitute the commission of a felony, the court shall forward a signed copy of the journal entry to the commissioner within 30 days of final disposition.

(i) Except as further provided, if a juvenile has been adjudged to be a juvenile offender for an offense that if committed by an adult would constitute the commission of: (1) Aggravated human trafficking, as defined in subsection (b) of K.S.A. 2012 Supp. 21-5426, and amendments thereto, if the victim is less than 14 years of age; (2) rape, as defined in subsection (a)(3) of K.S.A. 2012 Supp. 21-5503, and amendments thereto; (3) aggravated indecent liberties with a child, as defined in subsection (b)(3) of K.S.A. 2012 Supp. 21-5506, and amendments thereto; (4) aggravated criminal sodomy, as defined in subsection (b)(1) or (b)(2) of K.S.A. 2012 Supp. 21-5504, and amendments thereto; (5) promoting prostitution, as defined in K.S.A. 2012 Supp. 21-6420, and amendments thereto, if the prostitute is less than 14 years of age; (6) sexual exploitation of a child, as defined in subsection (a)(1) or (a)(4) of K.S.A. 2012 Supp. 21-5510, and amendments thereto, if the victim is less than 14 years of age; or (7) an attempt, conspiracy or criminal solicitation, as defined in K.S.A. 2012 Supp. 21-5301, 21-5302 or 21-5303, and amendments thereto, of an offense defined in parts
(1) through (6); the court shall issue an order prohibiting the juvenile from attending the attendance center that the victim of the offense attends. If only one attendance center exists, for which the victim and juvenile are eligible to attend, in the school district where the victim and the juvenile reside, the court shall hear testimony and take evidence from the victim, the juvenile, their families and a representative of the school district as to why the juvenile should or should not be allowed to remain at the attendance center attended by the victim. After such hearing, the court may issue an order prohibiting the juvenile from attending the attendance center that the victim of the offense attends.

(j) The sentencing hearing shall be open to the public as provided in K.S.A. 2012 Supp. 38-2353, and amendments thereto.

Sec. 39. K.S.A. 2012 Supp. 41-311 is hereby amended to read as follows: 41-311.

On motion of Rep. Siegfried to adopt the conference committee report on S Sub for HB 2199, Rep. DeGraaf offered a substitute motion to not adopt the conference committee report and that a new conference committee be appointed. The motion did not prevail.

Sec. 7. K.S.A. 2012 Supp. 72-6433d is hereby amended to read as follows: 72-6433d. (a) (1) The provisions of this subsection shall apply in any school year in which the amount of base state aid per pupil is $4,433 or less.

(2) The board of any school district may adopt a local option operating budget which does not exceed the local option operating budget calculated as if the base state aid per pupil was $4,433, or which does not exceed the local option operating budget as calculated pursuant to K.S.A. 72-6433, and amendments thereto, whichever is greater.

(b) The board of education of any school district may adopt a local option operating budget which does not exceed the local option operating budget calculated as if the district received state aid for special education and related services equal to the amount of state aid for special education and related services received in school year 2008-2009, or which does not exceed the local option operating budget as calculated pursuant to K.S.A. 72-6433, and amendments thereto, whichever is greater.

(c) The board of education of any school district may exercise the authority granted
under subsection (a) or (b) or both subsections (a) and (b).

(d) To the extent that the provisions of K.S.A. 72-6433, and amendments thereto, conflict with this section, this section shall control.

(e) The provisions of this section shall expire on June 30, 2014.

Sec. 8. K.S.A. 2012 Supp. 72-6434 is hereby amended to read as follows: 72-6434.

(a) In each school year, each district that has adopted a local operating budget is eligible for entitlement to an amount of supplemental general state aid. Except as provided by K.S.A. 2012 Supp. 72-6434b, and amendments thereto, entitlement of a district to supplemental general state aid shall be determined by the state board as provided in this subsection. The state board shall:

(1) Determine the amount of the assessed valuation per pupil in the preceding school year of each district in the state;

(2) rank the districts from low to high on the basis of the amounts of assessed valuation per pupil determined under (1);

(3) identify the amount of the assessed valuation per pupil located at the 81.2 percentile of the amounts ranked under (2);

(4) divide the assessed valuation per pupil of the district in the preceding school year by the amount identified under (3);

(5) subtract the ratio obtained under (4) from 1.0. If the resulting ratio equals or exceeds 1.0, the eligibility of the district for entitlement to supplemental general state aid shall lapse. If the resulting ratio is less than 1.0, the district is entitled to receive supplemental general state aid in an amount which shall be determined by the state board by multiplying the amount of the local operating budget of the district by such ratio. The product is the amount of supplemental general state aid the district is entitled to receive for the school year.

(b) If the amount of appropriations for supplemental general state aid is less than the amount each district is entitled to receive for the school year, the state board shall prorate the amount appropriated among the districts in proportion to the amount each district is entitled to receive.

(c) The state board shall prescribe the dates upon which the distribution of payments of supplemental general state aid to school districts shall be due. Payments of supplemental general state aid shall be distributed to districts on the dates prescribed by the state board. The state board shall certify to the director of accounts and reports the amount due each district, and the director of accounts and reports shall draw a warrant on the state treasurer payable to the treasurer of the district. Upon receipt of the warrant, the treasurer of the district shall credit the amount thereof to the supplemental general fund of the district to be used for the purposes of such fund.

(d) If any amount of supplemental general state aid that is due to be paid during the month of June of a school year pursuant to the other provisions of this section is not paid on or before June 30 of such school year, then such payment shall be paid on or after the ensuing July 1, as soon as moneys are available therefor. Any payment of supplemental general state aid that is due to be paid during the month of June of a school year and that is paid to school districts on or after the ensuing July 1 shall be recorded and accounted for by school districts as a receipt for the school year ending on the preceding June 30.

(e) (1) Except as provided by paragraph (2), moneys received as supplemental general state aid shall be used to meet the requirements under the school performance
accreditation system adopted by the state board, to provide programs and services required by law and to improve student performance.

(2) Amounts of supplemental general state aid attributable to any percentage over 25% of state financial aid determined for the current school year may be transferred to the capital improvements fund of the district and the capital outlay fund of the district if such transfers are specified in the resolution authorizing the adoption of a local option operating budget in excess of 25%.

(f) For the purposes of determining the total amount of state moneys paid to school districts, all moneys appropriated as supplemental general state aid shall be deemed to be state moneys for educational and support services for school districts.

Sec. 9. K.S.A. 2012 Supp. 72-6435 is hereby amended to read as follows: 72-6435.

(a) In each school year, the board of every district that has adopted a local option budget may levy an ad valorem tax on the taxable tangible property of the district for the purpose of: (1) Financing that portion of the district's local option operating budget which is not financed from any other source provided by law; (2) paying a portion of the principal and interest on bonds issued by cities under authority of K.S.A. 12-1774, and amendments thereto, for the financing of redevelopment projects upon property located within the district; and (3) funding transfers to the capital improvement fund of the district and the capital outlay fund of the district if such transfers are specified in the resolution authorizing the adoption of a local option operating budget in excess of 25% of state financial aid determined for the current school year.

(b) The proceeds from the tax levied by a district under authority of this section, except the proceeds of such tax levied for the purpose of paying a portion of the principal and interest on bonds issued by cities under authority of K.S.A. 12-1774, and amendments thereto, for the financing of redevelopment projects upon property located within the district, shall be deposited in the supplemental general fund of the district.

(c) No district shall proceed under K.S.A. 79-1964, 79-1964a or 79-1964b, and amendments to such sections.

Sec. 10. K.S.A. 2012 Supp. 72-6441 is hereby amended to read as follows: 72-6441. (a) (1) The board of any district to which the provisions of this subsection apply may levy an ad valorem tax on the taxable tangible property of the district each year for a period of time not to exceed two years in an amount not to exceed the amount authorized by the state court of tax appeals under this subsection for the purpose of financing the costs incurred by the state that are directly attributable to assignment of ancillary school facilities weighting to enrollment of the district. The state court of tax appeals may authorize the district to make a levy which will produce an amount that is not greater than the difference between the amount of costs directly attributable to commencing operation of one or more new school facilities and the amount that is financed from any other source provided by law for such purpose, including any amount attributable to assignment of school facilities weighting to enrollment of the district for each school year in which the district is eligible for such weighting. If the district is not eligible, or will be ineligible, for school facilities weighting in any one or more years during the two-year period for which the district is authorized to levy a tax under this subsection, the state court of tax appeals may authorize the district to make a levy, in such year or years of ineligibility, which will produce an amount that is not greater than the actual amount of costs attributable to commencing operation of the facility or facilities.
(2) The state court of tax appeals shall certify to the state board of education the amount authorized to be produced by the levy of a tax under subsection (a).

(3) The state court of tax appeals may adopt rules and regulations necessary to effectuate the provisions of this subsection, including rules and regulations relating to the evidence required in support of a district's claim that the costs attributable to commencing operation of one or more new school facilities are in excess of the amount that is financed from any other source provided by law for such purpose.

(4) The provisions of this subsection apply to any district that: (A) Commenced operation of one or more new school facilities in the school year preceding the current school year or has commenced or will commence operation of one or more new school facilities in the current school year or any or all of the foregoing; (B) is authorized to adopt and has adopted a local option operating budget which is at least equal to that amount required to qualify for school facilities weighting under K.S.A. 2012 Supp. 72-6415b, and amendments thereto; and (C) is experiencing extraordinary enrollment growth as determined by the state board of education.

(b) The board of any district that has levied an ad valorem tax on the taxable tangible property of the district each year for a period of two years under authority of subsection (a) may continue to levy such tax under authority of this subsection each year for an additional period of time not to exceed three years in an amount not to exceed the amount computed by the state board of education as provided in this subsection if the board of the district determines that the costs attributable to commencing operation of one or more new school facilities are significantly greater than the costs attributable to the operation of other school facilities in the district. The tax authorized under this subsection may be levied at a rate which will produce an amount that is not greater than the amount computed by the state board of education as provided in this subsection. In computing such amount, the state board shall: (1) Determine the amount produced by the tax levied by the district under authority of subsection (a) in the second year for which such tax was levied and add to such amount the amount of general state aid directly attributable to school facilities weighting that was received by the district in the same year; (2) compute 75% of the amount of the sum obtained under (1), which computed amount is the amount the district may levy in the first year of the three-year period for which the district may levy a tax under authority of this subsection; (3) compute 50% of the amount of the sum obtained under (1), which computed amount is the amount the district may levy in the second year of the three-year period for which the district may levy a tax under authority of this subsection; and (4) compute 25% of the amount of the sum obtained under (1), which computed amount is the amount the district may levy in the third year of the three-year period for which the district may levy a tax under authority of this subsection.

In determining the amount produced by the tax levied by the district under authority of subsection (a), the state board shall include any moneys which have been apportioned to the ancillary facilities fund of the district from taxes levied under the provisions of K.S.A. 79-5101 et seq. and 79-5118 et seq., and amendments thereto.

(c) The proceeds from the tax levied by a district under authority of this section shall be remitted to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the state school district finance fund.
Sec. 11. K.S.A. 72-6444 is hereby amended to read as follows: 72-6444. (a) In each school year, commencing with the 1997-98 school year, the state board shall compute a district prescribed percentage for the purpose of determining the amount of a local operating budget the board of a district to which the provisions of this section apply may adopt for the school year. The district prescribed percentage for each district to which the provisions of this section apply shall be computed by the state board as provided in this section. The state board shall:

1. Determine the actual amount per pupil for the preceding school year of the general fund budget and the local operating budget, if any, of each district;

2. Compute the average amount per pupil for the preceding school year of general fund budgets and local operating budgets of districts with 75-125 enrollment in such school year;

3. Compute the average amount per pupil for the preceding school year of general fund budgets and local operating budgets of districts with 200-399 enrollment in such school year;

4. Compute the average amount per pupil for the preceding school year of general fund budgets and local operating budgets of districts with 1,800 or over enrollment in such school year;

5. Compute an average amount per pupil for the preceding school year of general fund budgets and local operating budgets of districts with 100-299.9 enrollment in such school year by preparing a schedule based upon an accepted mathematical formula and deriving an amount for each such district from a linear transition between the average amount per pupil computed under (2) and the average amount per pupil computed under (3);

6. Compute an average amount per pupil for the preceding school year of general fund budgets and local operating budgets of districts with 300-1,799.9 enrollment in such school year by preparing a schedule based upon an accepted mathematical formula and deriving an amount for each such district from a linear transition between the average amount per pupil computed under (3) and the average amount per pupil computed under (4);

7. For districts with 0-99.9 enrollment, compare the amount determined for the district under (1) to the average amount computed under (2). If the amount determined under (1) is equal to or greater than the average amount computed under (2), the provisions of this section do not apply to the district. If the amount determined under (1) is less than the average amount computed under (2), subtract the amount determined under (1) from the amount computed under (2), multiply the remainder by enrollment of the district in the preceding school year, and divide the product by the amount of state financial aid determined for the district in the preceding school year. The quotient is the district prescribed percentage of the district;

8. For districts with 100-299.9 enrollment, compare the amount determined for the district under (1) to the average amount computed under (5). If the amount determined under (1) is equal to or greater than the average amount computed under (5), the provisions of this section do not apply to the district. If the amount determined under (1) is less than the average amount computed under (5), subtract the amount determined under (1) from the amount computed under (5), multiply the remainder by enrollment of the district in the preceding school year, and divide the product by the amount of state financial aid determined for the district in the preceding school year. The quotient is the
district prescribed percentage of the district;

(9) for districts with 300-1,799.9 enrollment, compare the amount determined for the district under (1) to the average amount computed under (6). If the amount determined under (1) is equal to or greater than the average amount computed under (6), the provisions of this section do not apply to the district. If the amount determined under (1) is less than the average amount computed under (6), subtract the amount determined under (1) from the amount computed under (6), multiply the remainder by enrollment of the district in the preceding school year, and divide the product by the amount of state financial aid determined for the district in the preceding school year. The quotient is the district prescribed percentage of the district;

(10) for districts with 1,800 or over enrollment, compare the amount determined for the district under (1) to the average amount computed under (4). If the amount determined under (1) is equal to or greater than the average amount computed under (4), the provisions of this section do not apply to the district. If the amount determined under (1) is less than the average amount computed under (4), subtract the amount determined under (1) from the amount computed under (4), multiply the remainder by enrollment of the district in the preceding school year, and divide the product by the amount of state financial aid determined for the district in the preceding school year. The quotient is the district prescribed percentage of the district.

(b) The provisions of this section apply to any district that budgeted an amount per pupil in the preceding school year, as determined under provision (1) of subsection (a), that was less than the average amount per pupil of general fund budgets and local option operating budgets computed by the state board under whichever of the provisions (7) through (10) of subsection (a) is applicable to the district's enrollment group.

(c) For the purposes of this section, the term "local operating budget" means "local option budget" as that term was used prior to the amendment of this section by this act.

Sec. 12. K.S.A. 2012 Supp. 72-6449 is hereby amended to read as follows: 72-6449. (a) As used in this section, "school district" or "district" means a school district authorized to make a levy under this section.

(b) The board of education of any district may levy a tax on the taxable tangible property within the district for the purpose of financing the costs incurred by the state that are attributable directly to assignment of the cost of living weighting to the enrollment of the district. There is hereby established in every school district a fund which shall be called the cost of living fund, which fund shall consist of all moneys deposited therein or transferred thereto in accordance with law. All moneys derived from a tax imposed pursuant to this section shall be credited to the cost of living fund. The proceeds from the tax levied by a district credited to the cost of living fund shall be remitted to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the state school district finance fund.

(c) The state board of education shall determine whether a district may levy a tax under this section as follows:

(1) Determine the statewide average appraised value of single family residences for the calendar year preceding the current school year;

(2) multiply the amount determined under (1) by 1.25;

(3) determine the average appraised value of single family residences in each
school district for the calendar year preceding the current school year; and

(4) (A) subtract the amount determined under (2) from the amount determined under (3). If the amount determined for the district under this paragraph is a positive number and the district is authorized to adopt and has adopted a local option operating budget in an amount equal to at least 31% of the state financial aid for the school district, the district qualifies for assignment of cost of living weighting and may levy a tax on the taxable tangible property of the district for the purpose of financing the costs that are attributable directly to assignment of the cost of living weighting to enrollment of the district; or

(B) as an alternative to the authority provided in paragraph (4)(A), if a district was authorized to make a levy pursuant to this section in school year 2006-2007, such district shall remain authorized to levy such tax at a rate necessary to generate revenue in the same amount generated in school year 2006-2007 if: (i) The amount determined under paragraph (4)(A) is a positive number; and (ii) the district continues to adopt a local option operating budget in an amount equal to the state prescribed percentage in effect in school year 2006-2007.

(d) No tax may be levied under this section unless the board of education adopts a resolution authorizing such a tax levy and publishes the resolution at least once in a newspaper having general circulation in the district. Except as provided by subsection (e), the resolution shall be published in substantial compliance with the following form:

Unified School District No.___________,

_______________ County, Kansas.

RESOLUTION

Be It Resolved that:

The board of education of the above-named school district shall be authorized to levy an ad valorem tax in an amount not to exceed the amount necessary to finance the costs attributable directly to the assignment of cost of living weighting to the enrollment of the district. The ad valorem tax authorized by this resolution may be levied unless a petition in opposition to the same, signed by not less than 5% of the qualified electors of the school district, is filed with the county election officer of the home county of the school district within 30 days after the publication of this resolution. If a petition is filed, the county election officer shall submit the question of whether the levy of such a tax shall be authorized in accordance with the provisions of this resolution to the electors of the school district at the next general election of the school district, as is specified by the board of education of the school district.

CERTIFICATE

This is to certify that the above resolution was duly adopted by the board of education of Unified School District No. ______, ____________ County, Kansas, on the ___ day of ________, (year)._____

Clerk of the board of education.

All of the blanks in the resolution shall be filled. If no petition as specified above is filed in accordance with the provisions of the resolution, the resolution authorizing the ad valorem tax levy shall become effective. If a petition is filed as provided in the resolution, the board may notify the county election officer to submit the question of
whether such tax levy shall be authorized. If the board fails to notify the county election officer within 30 days after a petition is filed, the resolution shall be deemed abandoned and of no force and effect and no like resolution shall be adopted by the board within the nine months following publication of the resolution. If a majority of the votes cast in an election conducted pursuant to this provision are in favor of the resolution, such resolution shall be effective on the date of such election. If a majority of the votes cast are not in favor of the resolution, the resolution shall be deemed of no effect and no like resolution shall be adopted by the board within the nine months following such election.

(e) In determining the amount produced by the tax levied by the district under the authority of this section, the state board shall include any moneys which have been apportioned to the cost of living fund of the district from taxes levied under the provisions of K.S.A. 79-5101 et seq. and 79-5118 et seq., and amendments thereto.

Sec. 13. K.S.A. 2012 Supp. 72-6451 is hereby amended to read as follows: 72-6451. (a) As used in this section:

1. "School district" or "district" means a school district which: (A) Has a declining enrollment; and (B) has adopted a local option operating budget in an amount which equals at least 31% of the state financial aid for the school district at the time the district applies to the state court of tax appeals for authority to make a levy pursuant to this section.

2. "Declining enrollment" means an enrollment which has declined in amount from that of the preceding school year.

(b) (1) (A) A school district may levy an ad valorem tax on the taxable tangible property of the district each year for a period of time not to exceed two years in an amount not to exceed the amount authorized by the state court of tax appeals under this subsection for the purpose of financing the costs incurred by the state that are directly attributable to assignment of declining enrollment weighting to enrollment of the district. The state court of tax appeals may authorize the district to make a levy which will produce an amount that is not greater than the amount of revenues lost as a result of the declining enrollment of the district. Such amount shall not exceed 5% of the general fund budget of the district in the school year in which the district applies to the state court of tax appeals for authority to make a levy pursuant to this section.

(B) As an alternative to the authority provided in paragraph (1)(A), if a district was authorized to make a levy pursuant to this section in school year 2006-2007, such district shall remain authorized to make a levy at a rate necessary to generate revenue in the same amount that was generated in school year 2007-2008 if the district adopts a local option operating budget in an amount equal to the state prescribed percentage in effect in school year 2006-2007.

(2) The state court of tax appeals shall certify to the state board the amount authorized to be produced by the levy of a tax under this section.

(3) The state board shall prescribe guidelines for the data that school districts shall include in cases before the state court of tax appeals pursuant to this section.

(c) A district may levy the tax authorized pursuant to this section for a period of time not to exceed two years unless authority to make such levy is renewed by the state court of tax appeals. The state court of tax appeals may renew the authority to make such levy for periods of time not to exceed two years.

(d) The state board shall provide to the state court of tax appeals such school data and information requested by the state court of tax appeals and any other information
deemed necessary by the state board.

(e) There is hereby established in every district a fund which shall be called the declining enrollment fund. Such fund shall consist of all moneys deposited therein or transferred thereto according to law. The proceeds from the tax levied by a district under authority of this section shall be credited to the declining enrollment fund of the district. The proceeds from the tax levied by a district credited to the declining enrollment fund shall be remitted to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the state school district finance fund.

(f) In determining the amount produced by the tax levied by the district under authority of this section, the state board shall include any moneys which have been apportioned to the declining enrollment fund of the district from taxes levied under the provisions of K.S.A. 79-5101 et seq. and 79-5118 et seq., and amendments thereto.

Sec. 14. K.S.A. 2012 Supp. 72-6456 is hereby amended to read as follows: 72-6456. (a) For the purpose of determining the general fund budget of a school district, weightings shall not be assigned to a pupil enrolled in and attending KAMS.

(b) Moneys in the general fund which are attributable to a pupil enrolled in and attending KAMS shall not be included in the computation of the local option operating budget of the school district.

(c) The provisions of this section shall be part of and supplemental to the school district finance and quality performance act.

Sec. 15. K.S.A. 72-6444 and K.S.A. 2012 Supp. 72-978, 72-978a, 72-6409, 72-6410, 72-6415b, 72-6433, 72-6433d, 72-6434, 72-6435, 72-6441, 72-6449, 72-6451 and 72-6456 are hereby repealed.

(c) On and after the effective date of this act: (1) Each licensed insurance agent who is an individual and holds a property or casualty qualification, or both, or a personal lines qualification shall biennially obtain a minimum of 12 C.E.C.’s in courses certified as property and casualty which shall include at least one hour of instruction in insurance ethics which also may include regulatory compliance. No more than three of the required C.E.C.’s shall be in insurance agency management.

(2) Each licensed insurance agent who is an individual and holds a life, accident and health, or variable contracts qualification, or any combination thereof, shall biennially complete 12 C.E.C.’s in courses certified as life, accident and health, or variable contracts which shall include at least one hour of instruction in insurance ethics which also may include regulatory compliance. (4) Each licensed insurance agent who is an individual and is licensed only for title insurance shall biennially obtain a minimum of four C.E.C.’s in courses certified by the board of abstract examiners as title under the property and casualty category.

Such agent shall file a report on or before such agent's biennial due date affirming that such agent transacted no other insurance business during the period covered by the report. Upon request of the commissioner, an agent shall provide certification from an officer of each insurance company which has appointed such agent that the agent transacted no other insurance business during the period covered by the report. Agents who have offered to sell or sold only pre-need funeral insurance are exempt from the requirement to obtain C.E.C.’s.

(6) Each licensed insurance agent who is an individual and holds only a bail bond qualification is exempt from the requirement to obtain C.E.C.’s.

(d) On and after the effective date of this act, each individual insurance agent who holds a license with both a property or casualty qualification, or both, and a life, accident and health or variable contracts qualification, or any combination thereof, and who earns C.E.C.’s from courses certified by the commissioner as qualifying for credit in any class, may apply, at such insurance agent’s option, such C.E.C.’s toward either the property or casualty continuing education requirement or to the life, accident and health or variable contracts continuing education requirement. However, no C.E.C. shall be applied to satisfy both the biennial property or casualty requirement, or both, and the biennial requirement for life, accident and health or variable contracts, or any combination thereof.

(e) An instructor of an approved subject shall be entitled to the same C.E.C. as a student completing the study.

(f) (1) An individual insurance agent who has been licensed for more than one
year, on or before such insurance agent's biennial due date, shall file a report with the commissioner certifying that such insurance agent has met the continuing education requirements for the previous biennium ending on such insurance agent's biennial due date. Each individual insurance agent shall maintain a record of all courses attended together with a certificate of attendance for the remainder of the biennium in which the courses were attended and the entire next succeeding biennium.

(2) If the required report showing proof of continuing education completion is not received by the commissioner by the individual insurance agent's biennial due date, such individual insurance agent's qualification and each and every corresponding license shall be suspended automatically for a period of 90 calendar days or until such time as the producer satisfactorily demonstrates completion of the continuing education requirement whichever is sooner. In addition the commissioner shall assess a penalty of $100 for each license suspended. If such insurance agent fails to furnish to the commissioner the required proof of continuing education completion and the monetary penalty within 90 calendar days of such insurance agent's biennial due date, such individual insurance agent's qualification and each and every corresponding license shall expire on such insurance agent's biennial due date. If after more than three but less than 12 months from the date the license expired, the insurance agent wants to reinstate such insurance agent's license, such individual shall provide the required proof of continuing education completion and pay a reinstatement fee in the amount of $100 for each license suspended. If after more than 12 months from the date an insurance agent's license has expired, such insurance agent wants to reinstate such insurance agent's license, such individual shall apply for an insurance agent's license, provide the required proof of continuing education completion and pay a reinstatement fee in the amount of $100 for each license suspended. Upon receipt of a written application from such insurance agent claiming extreme hardship, the commissioner may waive any penalty imposed under this subsection.

(3) On and after the effective date of this act, any applicant for an individual insurance agent's license who previously held a license which expires on or after June 30, 2001, because of failure to meet continuing education requirements and who seeks to be relicensed shall provide evidence that appropriate C.E.C.'s have been completed for the prior biennium.

(4) Upon receipt of a written application from an individual insurance agent, the commissioner, in cases involving medical hardship or military service, may extend the time within which to fulfill the minimum continuing educational requirements for a period of not to exceed 180 days.

(5) This section shall not apply to any inactive insurance agent during the period of such inactivity. For the purposes of this paragraph, "inactive period" or "period of inactivity" shall mean a continuous period of time of not less than two years and not more than four years starting from the date inactive status is granted by the commissioner. Before returning to active status, such inactive insurance agent shall:

(A) File a report with the commissioner certifying that such agent has met the continuing education requirement; and

(B) pay the renewal fee. If the required proof of continuing education completion and the renewal fee is not furnished at the end of the inactive period, such individual insurance agent's qualification and each and every corresponding license shall expire at the end of the period of inactivity. For issuance of a new license, the individual shall
apply for a license and pass the required examination.

(6) Any individual who allows such individual's insurance agent license in this state and all other states in which such individual is licensed as an insurance agent to expire for a period of four or more consecutive years, shall apply for a new insurance agent license and pass the required examination.

(g) (1) Each course, program of study, or subject shall be submitted to and certified by the commissioner in order to qualify for purposes of continuing education.

(I) a nonrefundable annual provider fee of $100.

(3) Upon receipt of such information, the commissioner shall grant or deny certification of any submitted course, program of study or subject as an approved subject, program of study or course and indicate the number of C.E.C.'s that will be recognized for each approved course, program of study or subject. Each approved course, program of study or subject shall be assigned by the commissioner to one or both of the following classes:

(A) Property and casualty; or
(B) life insurance (including annuity and variable contracts), and accident and health insurance.

(4) Each course, program of study or subject shall have a value of at least one C.E.C.

(5) Each provider seeking approval of a course, program of study or subject for continuing education credit shall issue or cause to be issued to each person who attends a course, program of study or subject offered by such provider a certificate of attendance. The certificate shall be signed by either the instructor who presents the course, program of study or course or such provider's authorized representative. Each provider shall maintain a list of all individuals who attend courses offered by such provider for continuing education credit for the remainder of the biennium in which the courses are offered and the entire next succeeding biennium.

The commissioner shall accept, without substantive review, any course, program of study or subject submitted by a provider which has been approved by the insurance supervisory authority of any other state or territory accredited by the NAIC. The commissioner may disapprove any individual instructor or provider who has been the subject of disciplinary proceedings or who has otherwise failed to comply with any other state's or territory's laws or regulations.

(6) The commissioner may grant or approve any specific course, program of
study or course that has appropriate merit, such as any course, programs of study or course with broad national or regional recognition, without receiving any request for certification. (7) The C.E.C. value assigned to any course, program of study or subject, other than a correspondence course, computer based training, interactive internet study training or other course pursued by independent study, shall in no way be contingent upon passage or satisfactory completion of any examination given in connection with such course, program of study or subject. The commissioner shall establish, by rules and regulations criteria for determining acceptability of any method used for verification of the completion of each stage of any computer based or interactive internet study training. Completion of any computer based training or interactive internet study training shall be verified in accordance with a method approved by the commissioner.

(h) Upon request, the commissioner shall provide a list of all approved continuing education courses currently available to the public.

(i) An individual insurance agent who independently studies an insurance course, program of study or subject which is not an agent's examination approved by the commissioner and who passes an independently monitored examination, shall receive credit for the C.E.C.'s assigned by the commissioner as recognition for the approved subject. No other credit shall be given for independent study.

(j) Any licensed individual insurance agent who is unable to comply with license renewal procedures due to military service or some other extenuating circumstances may request a waiver of those procedures from the commissioner. Such agent may also request from the commissioner a waiver of any examination requirement or any other fine or sanction imposed for failure to comply with renewal procedures.

Conferees on part of House

On motion of Rep. Shultz to adopt the conference committee report on HB 2339, Rep. Peck offered a substitute motion to not adopt the conference committee report and
that a new conference committee be appointed.

Rep. Rooker rose on a point of order, under House Rule 108, citing Joint Rule 3 and that the report contained a bill not passed by either Chamber. The Rules Vice-Chair ruled the conference committee report was in order because the bill was passed by the Senate in this conference committee report.

The question reverted back to the substitute motion of Rep. Peck, which did not prevail.

The question then reverted back to the original motion of Rep. Shultz and the conference committee report was adopted.

On roll call, the vote was: Yeas 116; Nays 4; Present but not voting: 0; Absent or not voting: 5.

CONFERENCE COMMITTEE REPORT

MADAM PRESIDENT and MR. SPEAKER: Your committee on conference on Senate amendments to HB 2093 submits the following report:

The Senate recedes from all of its amendments to the bill, and your committee on conference further agrees to amend the bill, as introduced, as follows:

On page 1, following line 6, by inserting:

"Section 1. K.S.A. 21-2512 is hereby amended to read as follows: 21-2512. (a) Notwithstanding any other provision of law, a person in state custody, at any time after conviction for murder in the first degree as defined by K.S.A. 21-3401, prior to its repeal, or K.S.A. 2012 Supp. 21-5402, and amendments thereto, or for rape as defined by K.S.A. 21-3502, prior to its repeal, or K.S.A. 2012 Supp. 21-5503, and amendments thereto, may petition the court that entered the judgment for forensic DNA testing (deoxyribonucleic acid testing) of any biological material that:

(1) Is related to the investigation or prosecution that resulted in the conviction;
(2) is in the actual or constructive possession of the state; and
(3) was not previously subjected to DNA testing, or can be subjected to retesting with new DNA techniques that provide a reasonable likelihood of more accurate and probative results.

(b) (1) The court shall notify the prosecuting attorney of a petition made under subsection (a) and shall afford the prosecuting attorney an opportunity to respond.
(2) Upon receiving notice of a petition made under subsection (a), the prosecuting attorney shall take such steps as are necessary to ensure that any remaining biological material that was secured in connection with the case is preserved pending the completion of proceedings under this section.
(c) The court shall order DNA testing pursuant to a petition made under subsection (a) upon a determination that testing may produce noncumulative, exculpatory evidence relevant to the claim of the petitioner that the petitioner was wrongfully convicted or sentenced.
(d) The cost of DNA testing ordered under subsection (c) shall be borne by the state or the petitioner, as the court may order in the interests of justice, if it is shown that the petitioner is not indigent and possesses the means to pay.
(e) The court may at any time appoint counsel for an indigent applicant under this section.

(f) (1) Except as provided in subsection (f)(3), if the results of DNA testing conducted under this section are unfavorable to the petitioner, the court:
   (A) shall dismiss the petition; and
   (B) in the case of a petitioner who is not indigent, may assess the petitioner for the cost of such testing.

(2) If the results of DNA testing conducted under this section are favorable to the petitioner and are of such materiality that a reasonable probability exists that the new evidence would result in a different outcome at trial or sentencing, the court shall:
   (A) order a hearing, notwithstanding any provision of law that would bar such a hearing; and
   (B) enter any order that serves the interests of justice, including, but not limited to, an order:
      (i) vacating and setting aside the judgment;
      (ii) discharging the petitioner if the petitioner is in custody;
      (iii) resentencing the petitioner; or
      (iv) granting a new trial.

(3) If the results of DNA testing conducted under this section are inconclusive, the court may order a hearing to determine whether there is a substantial question of innocence. If the petitioner proves by a preponderance of the evidence that there is a substantial question of innocence, the court shall proceed as provided in subsection (f)(2).

(g) Nothing in this section shall be construed to limit the circumstances under which a person may obtain DNA testing or other postconviction relief under any other provision of law.

   (c) As used in this section, an "inherently dangerous felony" means:

INTRODUCTION OF BILLS AND CONCURRENT RESOLUTIONS

The following concurrent resolution was introduced and read by title:

House Concurrent Resolution **No. 5018**

By Representative Goico

A CONCURRENT RESOLUTION honoring native Kansan, Army Chaplain Father Emil Kapaun, Medal of Honor winner.

WHEREAS, On April 11, President Barack Obama will award the Catholic priest, U.S. Army Chaplain and Korean War hero, the late Father Captain Emil J. Kapaun, the Medal of Honor for conspicuous gallantry, the nation's highest military honor; and

WHEREAS, Chaplain Kapaun will receive the Medal of Honor posthumously for his extraordinary heroism while serving with the 3rd Battalion, 8th Cavalry Regiment, 1st Cavalry Division in combat operations against Chinese communists at Unsan, Korea, and as a prisoner of war from November 2, 1950, until his death on May 23, 1951; and

WHEREAS, When the Chinese viciously attacked his unit at Unsan, Chaplain Kapaun moved fearlessly from foxhole to foxhole under direct enemy fire, providing comfort and first aid to his outnumbered comrades; and

WHEREAS, As the surrounding enemy closed in, U.S. officers ordered an evacuation, but Chaplain Kapaun elected to stay behind with the wounded, fully aware of his certain capture; and

WHEREAS, He repeatedly crawled to the wounded, dragging some to safety and digging shallow trenches for others to shield them from enemy fire; and

WHEREAS, As enemy forces approached the American position and hand-to-hand combat ensued, Father Kapaun noticed a wounded Chinese officer, and he convinced the wounded man to negotiate the safe surrender of the American forces; and

WHEREAS, Following their capture, Father Kapaun and his fellow prisoners marched for several days northward toward prisoner-of-war camps. He refused to take a break from carrying stretchers for the wounded while encouraging others to do their part; and

WHEREAS, Shortly after his capture, Chaplain Kapaun bravely pushed aside an enemy soldier preparing to execute a comrade, thus saving a life and inspiring others; and

WHEREAS, At the prison camp, POWs were forced to live in cabins with no heat, where the water was contaminated and the food was scarce; and

WHEREAS, After dark, Chaplain Kapaun would slip out of his cabin to steal food
and medical supplies from the guards’ storehouse. Before he went out on these raids, he prayed to St. Dismas, the thief who was crucified with Jesus and repented as he hung dying on his cross — Catholics venerate St. Dismas as the patron saint of reformed thieves; and

WHEREAS, Father Kapaun turned scrap tin into pots so he and his fellow POWs could boil their drinking water, thus reducing the risk of dysentery; and

WHEREAS, He picked ice off sick and dying men who were too weak to care for themselves. He encouraged his fellow POWs not to despair. However, the harsh living conditions in the camp eventually caught up with the heroic priest who died in the camp, suffering from chronic dysentery, pneumonia, and a blood clot in one leg, which had made it almost impossible for him to walk; and

WHEREAS, In 1993, the Catholic Church formally initiated his cause for sainthood and upon approval from the Congregation for the Causes of Saints, Father Kapaun was designated a Servant of God; and

WHEREAS, The Diocese of Wichita and the Archdiocese for the Military Services (AMS) have received reports of miracles involving Father Kapaun, including accounts by some of his fellow prisoners of war; and

WHEREAS, The Diocese of Wichita, is gathering information to determine what, if any, miracles can be attributed to Father Kapaun that would indicate that he should be beatified; and

WHEREAS, Father Kapaun is also being considered for possible designation as a martyr for the faith, which would allow him to be beatified without performing a miracle; and

WHEREAS, Chaplain Kapaun was born in 1916 on a farm outside Pilsen, Kansas, in Marion County; and

WHEREAS, Chaplain Kapaun was ordained a Roman Catholic priest in 1940 and celebrated his first mass at his home parish in Pilsen at St. John Nepomucene Church; and

WHEREAS, Chaplain Kapaun also served in the Army Chaplain Corps in World War II; and

WHEREAS, Kapaun Mt. Carmel High School in Wichita, Kansas is named in honor of Chaplain Kapaun: Now, therefore,

Be it resolved by the House of Representatives of the State of Kansas, the Senate concurring therein: That Army Chaplain Father Emil J. Kapaun, Medal of Honor winner be recognized for his acts of extraordinary bravery and for his bringing great honor on his home state of Kansas and all of its people; and

Be it further resolved: That the Secretary of State shall provide an enrolled copy of this resolution to Bishop Michael Jackels, Diocese of Wichita.

**MADAM PRESIDENT and MR. SPEAKER:** Your committee on conference on House amendments to **SB 102** submits the following report:

The Senate accedes to all House amendments to the bill, and your committee on conference further agrees to amend the bill, as printed with House Committee amendments, as follows

On page 1, by striking all in lines 6 through 36;
On page 2, by striking all in lines 1 through 4 and inserting:

"Section 1. Sections 1 through 11, and amendments thereto, may be cited as the second amendment protection act.

Sec. 2. The legislature declares that the authority for sections 1 through 11, and amendments thereto, is the following:

(a) The tenth amendment to the constitution of the United States guarantees to the states and their people all powers not granted to the federal government elsewhere in the constitution and reserves to the state and people of Kansas certain powers as they were understood at the time that Kansas was admitted to statehood in 1861. The guaranty of those powers is a matter of contract between the state and people of Kansas and the United States as of the time that the compact with the United States was agreed upon and adopted by Kansas in 1859 and the United States in 1861.

(b) The ninth amendment to the constitution of the United States guarantees to the people rights not granted in the constitution and reserves to the people of Kansas certain rights as they were understood at the time that Kansas was admitted to statehood in 1861. The guaranty of those rights is a matter of contract between the state and people of Kansas and the United States as of the time that the compact with the United States was agreed upon and adopted by Kansas in 1859 and the United States in 1861.

(c) The second amendment to the constitution of the United States reserves to the people, individually, the right to keep and bear arms as that right was understood at the time that Kansas was admitted to statehood in 1861, and the guaranty of that right is a matter of contract between the state and people of Kansas and the United States as of the time that the compact with the United States was agreed upon and adopted by Kansas in 1859 and the United States in 1861.

(d) Section 4 of the bill of rights of the constitution of the state of Kansas clearly secures to Kansas citizens, and prohibits government interference with, the right of individual Kansas citizens to keep and bear arms. This constitutional protection is unchanged from the constitution of the state of Kansas, which was approved by
congress and the people of Kansas, and the right exists as it was understood at the time that the compact with the United States was agreed upon and adopted by Kansas in 1859 and the United States in 1861.

Sec. 3. As used in sections 1 through 11, and amendments thereto, the following definitions apply:

(a) "Borders of Kansas" means the boundaries of Kansas described in the act for admission of Kansas into the union, 12 stat. 126, ch. 20, § 1.

(b) "Firearms accessories" means items that are used in conjunction with or mounted upon a firearm but are not essential to the basic function of a firearm, including, but not limited to, telescopic or laser sights, magazines, flash or sound suppressors, collapsible or adjustable stocks and grips, pistol grips, thumbhole stocks, speedloaders, ammunition carriers and lights for target illumination.

(c) "Manufacture" means to assemble using multiple components to create a more useful finished product.

Sec. 4. (a) A personal firearm, a firearm accessory or ammunition that is manufactured commercially or privately and owned in Kansas and that remains within the borders of Kansas is not subject to any federal law, treaty, federal regulation, or federal executive action, including any federal firearm or ammunition registration program, under the authority of congress to regulate interstate commerce. It is declared by the legislature that those items have not traveled in interstate commerce. This section applies to a firearm, a firearm accessory or ammunition that is manufactured commercially or privately and owned in the state of Kansas.

(b) Component parts are not firearms, firearms accessories or ammunition, and their importation into Kansas and incorporation into a firearm, a firearm accessory or ammunition manufactured and owned in Kansas does not subject the firearm, firearm accessory or ammunition to federal regulation. It is declared by the legislature that such component parts are not firearms, firearms accessories or ammunition and are not subject to congressional authority to regulate firearms, firearms accessories and ammunition under interstate commerce as if they were actually firearms, firearms accessories or ammunition.

(c) Firearms accessories that are imported into Kansas from another state and that are subject to federal regulation as being in interstate commerce do not subject a firearm to federal regulation under interstate commerce because they are attached to or used in conjunction with a firearm in Kansas.

Sec. 5. A firearm manufactured in Kansas within the meaning of sections 1 through 11, and amendments thereto, must have the words "Made in Kansas" clearly stamped on a central metallic part, such as the receiver or frame.

Sec. 6. (a) Any act, law, treaty, order, rule or regulation of the government of the United States which violates the second amendment to the constitution of the United States is null, void and unenforceable in the state of Kansas.

(b) No official, agent or employee of the state of Kansas, or any political subdivision thereof, shall enforce or attempt to enforce any act, law, treaty, order, rule or regulation of the government of the United States regarding any personal firearm, firearm accessory or ammunition that is manufactured commercially or privately and owned in the state of Kansas and that remains within the borders of Kansas.

Sec. 7. It is unlawful for any official, agent or employee of the government of the United States, or employee of a corporation providing services to the government of the
United States to enforce or attempt to enforce any act, law, treaty, order, rule or regulation of the government of the United States regarding a firearm, a firearm accessory, or ammunition that is manufactured commercially or privately and owned in the state of Kansas and that remains within the borders of Kansas. Violation of this section is a severity level 10 nonperson felony. Any criminal prosecution for a violation of this section shall be commenced by service of complaint and summons upon such official, agent or employee. Such official, agent or employee shall not be arrested or otherwise detained prior to, or during the pendency of, any trial for a violation of this section.

Sec. 8. A county or district attorney, or the attorney general, may seek injunctive relief in any court of competent jurisdiction to enjoin any official, agent or employee of the government of the United States or employee of a corporation providing services to the government of the United States from enforcing any act, law, treaty, order, rule or regulation of the government of the United States regarding a firearm, a firearm accessory, or ammunition that is manufactured commercially or privately and owned in the state of Kansas and that remains within the borders of Kansas.

Sec. 9. Sections 1 through 11, and amendments thereto, do not apply to: (a) A firearm that cannot be carried and used by one person; (b) ammunition with a projectile that explodes using an explosion of chemical energy after the projectile leaves the firearm; or (c) other than shotguns, a firearm that discharges two or more projectiles with one activation of the trigger or other firing device.

Sec. 10. Sections 1 through 11, and amendments thereto, apply to firearms, firearms accessories and ammunition that are manufactured, as defined in section 3, and amendments thereto, owned and remain within the borders of Kansas on and after October 1, 2009.

Sec. 11. If any provision of sections 1 through 10, and amendments thereto, or the application to any persons or circumstances is held to be invalid, such invalidity shall not affect the other provisions or application of sections 1 through 10, and amendments thereto, and to this end the provisions of section 1 through 10, and amendments thereto, are declared to be severable.

Sec. 12. This act shall take effect and be in force from and after its publication in the Kansas register.

On page 1, in the title, in line 1 by striking all after "ACT"; by striking all in lines 2 and 3 and inserting "enacting the second amendment protection act.";

EXPLANATIONS OF VOTE

Mr. Speaker: SB 102 protects individual Kansans rights to keep and bear Kansas-made firearms free of federal government interference and declares such federal interference unconstitutional because Kansas-made firearms and accessories remaining within Kansas borders are not in interstate commerce. This bill only proscribes
enforcement of federal laws regarding firearms, not the use of firearms by felons. This bill does not prevent prosecution of any persons with criminal histories or felonious actions involving firearms. Under the Second and Tenth Amendments to the United States Constitution and Section 4 of the Kansas Bill of Rights, SB102 proclaims Kansas sovereignty under the Second and Tenth Amendments.

MR. SPEAKER: I served for many years as a Federal law enforcement officer, with a sworn duty to protect and serve. I have also served as a state court judge for many, many years. I supported a motion to change the bill to convert criminal prosecution of Federal officers doing their duty to civil restraining orders and injunctions. I fully support our state sovereignty and our 2nd Amendment rights, but I cannot support prosecution of a law enforcement officer doing his sworn duty. I vote no on SB 102. – John Barker

CONFERENCE COMMITTEE REPORT

MADAM PRESIDENT AND MR. SPEAKER: Your committee on conference on House amendments to SB 23 submits the following report:

The House recedes from all of its amendments to the bill, and your committee on conference further agrees to amend the bill as introduced, as follows:

On page 1, following line 5, by inserting:

"New Section 1. The director of budget and the director of legislative research shall jointly certify to the secretary of state that the aggregate amount of appropriations for the school district capital outlay state aid fund is equal to 100% of the amount that school districts are entitled to receive from the school district capital outlay state aid fund for such school year pursuant to K.S.A. 2012 Supp. 72-8814, and amendments thereto. Upon receipt of such certification, the secretary of state shall cause a notice of such certification to be published in the Kansas register;"

Also on page 1, following line 35, by inserting:

"Sec. 3. K.S.A. 2012 Supp. 72-6441 is hereby amended to read as follows: 72-6441. (a) (1) The board of any district to which the provisions of this subsection apply may levy an ad valorem tax on the taxable tangible property of the district each year for a period of time not to exceed two years in an amount not to exceed the amount authorized by the state court of tax appeals under this subsection for the purpose of financing the costs incurred by the state that are directly attributable to assignment of ancillary school facilities weighting to enrollment of the district. The state court of tax appeals may authorize the district to make a levy which will produce an amount that is not greater than the difference between the amount of costs directly attributable to commencing operation of one or more new school facilities and the amount that is financed from any other source provided by law for such purpose, including any
amount attributable to assignment of school facilities weighting to enrollment of the district for each school year in which the district is eligible for such weighting. If the district is not eligible, or will be ineligible, for school facilities weighting in any one or more years during the two-year period for which the district is authorized to levy a tax under this subsection, the state court of tax appeals may authorize the district to make a levy, in such year or years of ineligibility, which will produce an amount that is not greater than the actual amount of costs attributable to commencing operation of the facility or facilities.

(2) The state court of tax appeals shall certify to the state board of education the amount authorized to be produced by the levy of a tax under subsection (a).

(3) The state court of tax appeals may adopt rules and regulations necessary to effectuate the provisions of this subsection, including rules and regulations relating to the evidence required in support of a district's claim that the costs attributable to commencing operation of one or more new school facilities are in excess of the amount that is financed from any other source provided by law for such purpose.

(4) The provisions of this subsection apply to any district that: (A) Commenced operation of one or more new school facilities in the school year preceding the current school year or has commenced or will commence operation of one or more new school facilities in the current school year or any or all of the foregoing; (B) is authorized to adopt and has adopted a local option budget which is at least equal to that amount required to qualify for school facilities weighting under K.S.A. 2012 Supp. 72-6415b, and amendments thereto; and (C) is experiencing extraordinary enrollment growth as determined by the state board of education.

(b) The board of any district that has levied an ad valorem tax on the taxable tangible property of the district each year for a period of two years under authority of subsection (a) may continue to levy such tax under authority of this subsection each year for an additional period of time not to exceed three years in an amount not to exceed the amount computed by the state board of education as provided in this subsection if the board of the district determines that the costs attributable to commencing operation of one or more new school facilities are significantly greater than the costs attributable to the operation of other school facilities in the district. The tax authorized under this subsection may be levied at a rate which will produce an amount that is not greater than the amount computed by the state board of education as provided in this subsection. In computing such amount, the state board shall:

(1) Determine the amount produced by the tax levied by the district under authority of subsection (a) in the second year for which such tax was levied and add to such amount the amount of general state aid directly attributable to school facilities weighting that was received by the district in the same year;

(2) compute $75\%-90\%$ of the amount of the sum obtained under paragraph (1), which computed amount is the amount the district may levy in the first year of the three-year six-year period for which the district may levy a tax under authority of this subsection;

(3) compute $50\%-75\%$ of the amount of the sum obtained under paragraph (1), which computed amount is the amount the district may levy in the second year of the three-year six-year period for which the district may levy a tax under authority of this subsection; and

(4) compute $25\%-60\%$ of the amount of the sum obtained under paragraph (1),
which computed amount is the amount the district may levy in the third year of the three-year-six-year period for which the district may levy a tax under authority of this subsection;

(5) compute 45% of the amount of the sum obtained under paragraph (1), which computed amount is the amount the district may levy in the fourth year of the six-year period for which the district may levy a tax under authority of this subsection;

(6) compute 30% of the amount of the sum obtained under paragraph (1), which computed amount is the amount the district may levy in the fifth year of the six-year period for which the district may levy a tax under authority of this subsection; and

(7) compute 15% of the amount of the sum obtained under paragraph (1), which computed amount is the amount the district may levy in the sixth year of the six-year period for which the district may levy a tax under authority of this subsection.

In determining the amount produced by the tax levied by the district under authority of subsection (a), the state board shall include any moneys which have been apportioned to the ancillary facilities fund of the district from taxes levied under the provisions of K.S.A. 79-5101 et seq. and 79-5118 et seq., and amendments thereto.

(c) The proceeds from the tax levied by a district under authority of this section shall be remitted to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the state school district finance fund.

Sec. 4. K.S.A. 2012 Supp. 72-6448 is hereby amended to read as follows: 72-6448. (a) As used in this section:

Conferees on part of Senate

On motion of Rep. Cassidy to adopt the conference committee report on SB 23, Rep. Trimmer offered a substitute motion to not adopt the conference committee report and that a new conference committee be appointed. The motion did not prevail.

The question reverted back to the original motion of Rep. Cassidy and the conference committee report on SB 23 was adopted.

On roll call, the vote was: Yeas 119; Nays 1; Present but not voting: 0; Absent or
not voting: 5.

Nays: Ward.

Present but not voting: None.

Absent or not voting: Finch, Osterman, Peterson, Sawyer, Tietze.

EXPLANATIONS OF VOTE

Mr. Speaker: I vote yes on SB 23. The renewal of the 20-mill levy is crucial to the survival of our public schools. The military second count is key to our military students and the full equalization of capital outlay is a dream.

However, the changes to the ancillary weighting conflict directly with the Gannon court order. The courts will decide the outcome.

It only rewards 4 of 286 school districts. We should not reward 4 and leave the rest to fend for themselves. – Nile Dillmore, Stan Frownfelter, Julie Menghini, Tom Burroughs, Valdenia C. Winn, Broderick Henderson, Gail Finney, Patricia M. Sloop, Virgil Weigel, Janice L. Pauls, John Wilson, Bob Grant, Carolyn L. Bridges, Roderick Houston, Sydney Carlin, Barbara W. Ballard, Ed Trimmer

Mr. Speaker: I very reluctantly vote for the Conference Committee Report on SB 23. It is bundled with Ancillary Facility Weighting, which benefits only 4 rich districts and leaves poor school districts like mine even further behind. The motion to send it back to remove this failed and is just one more step down the slippery slope. Wealthy districts feed at the public trough while equalization for poor districts is ignored. When will this legislature realize that “equal” means just exactly that? CONSTITUTION TO THE RESCUE! – Ed Bideau

The secretary shall exempt principal and interest held in irrevocable trust pursuant to subsection (c) of K.S.A. 16-303, and amendments thereto, from the eligibility requirements of applicants for and recipients of medical assistance. Such assistance shall be known as medical assistance.

(C) For the purposes of this paragraph, "public assistance" includes, but is not
limited to, medicaid, medical assistance or title XIX of the social security act.

(4) (A) When an applicant or recipient of medical assistance is a party to a contract, agreement or accord for personal services being provided by a nonlicensed individual or provider and such contract, agreement or accord involves health and welfare monitoring, pharmacy assistance, case management, communication with medical, health or other professionals, or other activities related to home health care, long term care, medical assistance benefits, or other related issues, any moneys paid under such contract, agreement or accord shall be considered to be an available resource unless the following restrictions are met: (i) The contract, agreement or accord must be in writing and executed prior to any services being provided; (ii) the moneys paid are in direct relationship with the fair market value of such services being provided by similarly situated and trained nonlicensed individuals; (iii) if no similarly situated nonlicensed individuals or situations can be found, the value of services will be based on federal hourly minimum wage standards; (iv) such individual providing the services will report all receipts of moneys as income to the appropriate state and federal governmental revenue agencies; (v) any amounts due under such contract, agreement or accord shall be paid after the services are rendered; (vi) the applicant or recipient shall have the power to revoke the contract, agreement or accord; and (vii) upon the death of the applicant or recipient, the contract, agreement or accord ceases.

(B) When an applicant or recipient of medical assistance is a party to a written contract for personal services being provided by a licensed health professional or facility and such contract involves health and welfare monitoring, pharmacy assistance, case management, communication with medical, health or other professionals, or other activities related to home health care, long term care, medical assistance benefits or other related issues, any moneys paid in advance of receipt of services for such contracts shall be considered to be an available resource.

(5) Any trust may be amended if such amendment is permitted by the Kansas uniform trust code.

(f) Eligibility for medical assistance of resident receiving medical care outside state. A person who is receiving medical care including long-term care outside of Kansas whose health would be endangered by the postponement of medical care until return to the state or by travel to return to Kansas, may be determined eligible for medical assistance if such individual is a resident of Kansas and all other eligibility factors are met. Persons who are receiving medical care on an ongoing basis in a long-term medical care facility in a state other than Kansas and who do not return to a care facility in Kansas when they are able to do so, shall no longer be eligible to receive assistance in Kansas unless such medical care is not available in a comparable facility or program providing such medical care in Kansas. For persons who are minors or who are under guardianship, the actions of the parent or guardian shall be deemed to be the actions of the child or ward in determining whether or not the person is remaining outside the state voluntarily.

(g) Medical assistance; assignment of rights to medical support and limited power of attorney; recovery from estates of deceased recipients. (1) Except as otherwise provided in K.S.A. 39-786 and 39-787, and amendments thereto, or as otherwise authorized on and after September 30, 1989, under section 303, and amendments thereto, of the federal medicare catastrophic coverage act of 1988, whichever is applicable, by applying for or receiving medical assistance under a medical care plan in
which federal funds are expended, any accrued, present or future rights to support and any rights to payment for medical care from a third party of an applicant or recipient and any other family member for whom the applicant is applying shall be deemed to have been assigned to the secretary on behalf of the state. The assignment shall automatically become effective upon the date of approval for such assistance without the requirement that any document be signed by the applicant or recipient. By applying for or receiving medical assistance the applicant or recipient is also deemed to have appointed the secretary, or the secretary’s designee, as an attorney in fact to perform the specific act of negotiating and endorsing all drafts, checks, money orders or other negotiable instruments, representing payments received by the secretary in behalf of any person applying for, receiving or having received such assistance. This limited power of attorney shall be effective from the date the secretary approves the application for assistance and shall remain in effect until the assignment has been terminated in full. The assignment of any rights to payment for medical care from a third party under this subsection shall not prohibit a health care provider from directly billing an insurance carrier for services rendered if the provider has not submitted a claim covering such services to the secretary for payment. Support amounts collected on behalf of persons whose rights to support are assigned to the secretary only under this subsection and no other shall be distributed pursuant to subsection (d) of K.S.A. 39-756, and amendments thereto, except that any amounts designated as medical support shall be retained by the secretary for repayment of the unreimbursed portion of assistance. Amounts collected pursuant to the assignment of rights to payment for medical care from a third party shall also be retained by the secretary for repayment of the unreimbursed portion of assistance.

(2) The amount of any medical assistance paid after June 30, 1992, under the provisions of subsection (e) is (A) a claim against the property or any interest therein belonging to and a part of the estate of any deceased recipient or, if there is no estate, the estate of the surviving spouse, if any, shall be charged for such medical assistance paid to either or both, and (B) a claim against any funds of such recipient or spouse in any account under K.S.A. 9-1215, 9-1216, 17-2263, 17-2264, 17-5828 or 17-5829, and amendments thereto. There shall be no recovery of medical assistance correctly paid to or on behalf of an individual under subsection (e) except after the death of the surviving spouse of the individual, if any, and only at a time when the individual has no surviving child who is under 21 years of age or is blind or permanently and totally disabled. Transfers of real or personal property by recipients of medical assistance without adequate consideration are voidable and may be set aside. Except where there is a surviving spouse, or a surviving child who is under 21 years of age or is blind or permanently and totally disabled, the amount of any medical assistance paid under subsection (e) is a claim against the estate in any guardianship or conservatorship proceeding. The monetary value of any benefits received by the recipient of such medical assistance under long-term care insurance, as defined by K.S.A. 40-2227, and amendments thereto, shall be a credit against the amount of the claim provided for such medical assistance under this subsection (g). The secretary is authorized to enforce each claim provided for under this subsection (g). The secretary shall not be required to pursue every claim, but is granted discretion to determine which claims to pursue. All moneys received by the secretary from claims under this subsection (g) shall be deposited in the social welfare fund. The secretary may adopt rules and regulations for
the implementation and administration of the medical assistance recovery program under this subsection (g).

(3) By applying for or receiving medical assistance under the provisions of article 7 of chapter 39 of the Kansas Statutes Annotated, and amendments thereto, such individual or such individual's agent, fiduciary, guardian, conservator, representative payee or other person acting on behalf of the individual consents to the following definitions of estate and the results therefrom:

(A) If an individual receives any medical assistance before July 1, 2004, pursuant to article 7 of chapter 39 of the Kansas Statutes Annotated, and amendments thereto, which forms the basis for a claim under subsection (g)(2), such claim is limited to the individual's probatable estate as defined by applicable law; and

(B) if an individual receives any medical assistance on or after July 1, 2004, pursuant to article 7 of chapter 39 of the Kansas Statutes Annotated, and amendments thereto, which forms the basis for a claim under subsection (g)(2), such claim shall apply to the individual's medical assistance estate. The medical assistance estate is defined as including all real and personal property and other assets in which the deceased individual had any legal title or interest immediately before or at the time of death to the extent of that interest or title. The medical assistance estate includes, without limitation assets conveyed to a survivor, heir or assign of the deceased recipient through joint tenancy, tenancy in common, survivorship, transfer-on-death deed, payable-on-death contract, life estate, trust, annuities or similar arrangement.

(4) The secretary of social and rehabilitation services of health and environment or the secretary's designee is authorized to file and enforce a lien against the real property of a recipient of medical assistance in certain situations, subject to all prior liens of record and transfers for value to a bona fide purchaser of record. The lien must be filed in the office of the register of deeds of the county where the real property is located within one year from the date of death of the recipient and must contain the legal description of all real property in the county subject to the lien. This lien is for payments of medical assistance made by the department of social and rehabilitation services to the recipient who is an inpatient in a nursing home or other medical institution.

(A) After the death of a recipient of medical assistance, the secretary of health and environment or the secretary's designee may place a lien on any interest in real property owned by such recipient.

(B) The secretary of health and environment or the secretary's designee may place a lien on any interest in real property owned by a recipient of medical assistance during the lifetime of such recipient. Such lien may be filed only after notice and an opportunity for a hearing has been given. Such lien may be enforced only upon competent medical testimony that the recipient cannot reasonably be expected to be discharged and returned home. A six-month period of compensated inpatient care at a nursing home, nursing homes or other medical institution shall constitute a determination by the department of social and rehabilitation services of health and environment that the recipient cannot reasonably be expected to be discharged and returned home. To return home means the recipient leaves the nursing or medical facility and resides in the home on which the lien has been placed for a continuous period of at least 90 days without being readmitted as an inpatient to a nursing or medical facility. The amount of the lien shall be for the amount of assistance
paid by the department of social and rehabilitation services after the expiration of six months from the date the recipient became eligible for compensated inpatient care at a nursing home, nursing homes or other medical institution department of health and environment until the time of the filing of the lien and for any amount paid thereafter for such medical assistance to the recipient. After the lien is filed against any real property owned by the recipient, such lien will be dissolved if the recipient is discharged, returns home and resides upon the real property to which the lien is attached for a continuous period of at least 90 days without being readmitted as an inpatient to a nursing or medical facility. If the recipient is readmitted as an inpatient to a nursing or medical facility for a continuous period of less than 90 days, another continuous period of at least 90 days shall be completed prior to dissolution of the lien.

(5) The lien filed by the secretary of health and environment or the secretary's designee for medical assistance correctly received may be enforced before or after the death of the recipient by the filing of an action to foreclose such lien in the Kansas district court or through an estate probate court action in the county where the real property of the recipient is located. However, it may be enforced only:

(A) After the death of the surviving spouse of the recipient;
(B) when there is no child of the recipient, natural or adopted, who is 20 years of age or less residing in the home;
(C) when there is no adult child of the recipient, natural or adopted, who is blind or disabled residing in the home; or
(D) when no brother or sister of the recipient is lawfully residing in the home, who has resided there for at least one year immediately before the date of the recipient's admission to the nursing or medical facility, and has resided there on a continuous basis since that time.

(6) The lien remains on the property even after a transfer of the title by conveyance, sale, succession, inheritance or will unless one of the following events occur:

(A) The lien is satisfied. The recipient, the heirs, personal representative or assigns of the recipient may discharge such lien at any time by paying the amount of the lien to the secretary or the secretary's designee;
(B) the lien is terminated by foreclosure of prior lien of record or settlement action taken in lieu of foreclosure; or
(C) the value of the real property is consumed by the lien, at which time the secretary or the secretary's designee may force the sale for the real property to satisfy the lien; or
(D) after a lien is filed against the real property, it will be dissolved if the recipient leaves the nursing or medical facility and resides in the property to which the lien is attached for a period of more than 90 days without being readmitted as an inpatient to a nursing or medical facility, even though there may have been no reasonable expectation that this would occur. If the recipient is readmitted to a nursing or medical facility during this period, and does return home after being released, another 90 days must be completed before the lien can be dissolved.

(7) If the secretary of social and rehabilitation for aging and disability services or the secretary of health and environment, or both, or such secretary's designee has not filed an action to foreclose the lien in the Kansas district court in the county where the real property is located within 10 years from the date of the filing of the lien, then the
lien shall become dormant, and shall cease to operate as a lien on the real estate of the recipient. Such dormant lien may be revived in the same manner as a dormant judgment lien is revived under K.S.A. 60-2403 et seq., and amendments thereto.

(8) Within seven days of receipt of notice by the secretary for children and families or the secretary's designee of the death of a recipient of medical assistance under this subsection, the secretary for children and families or the secretary's designee shall give notice of such recipient's death to the secretary of health and environment or the secretary's designee.

(h) Placement under the revised Kansas code for care of children or revised Kansas juvenile justice code; assignment of support rights and limited power of attorney. In any case in which the secretary of social and rehabilitation services for children and families pays for the expenses of care and custody of a child pursuant to K.S.A. 2012 Supp. 38-2201 et seq. or 38-2301 et seq., and amendments thereto, including the expenses of any foster care placement, an assignment of all past, present and future support rights of the child in custody possessed by either parent or other person entitled to receive support payments for the child is, by operation of law, conveyed to the secretary. Such assignment shall become effective upon placement of a child in the custody of the secretary or upon payment of the expenses of care and custody of a child by the secretary without the requirement that any document be signed by the parent or other person entitled to receive support payments for the child. When the secretary pays for the expenses of care and custody of a child or a child is placed in the custody of the secretary, the parent or other person entitled to receive support payments for the child is also deemed to have appointed the secretary, or the secretary's designee, as attorney in fact to perform the specific act of negotiating and endorsing all drafts, checks, money orders or other negotiable instruments representing support payments received by the secretary on behalf of the child. This limited power of attorney shall be effective from the date the assignment to support rights becomes effective and shall remain in effect until the assignment of support rights has been terminated in full.

(i) No person who voluntarily quits employment or who is fired from employment due to gross misconduct as defined by rules and regulations of the secretary or who is a fugitive from justice by reason of a felony conviction or charge shall be eligible to receive public assistance benefits in this state. Any recipient of public assistance who fails to timely comply with monthly reporting requirements under criteria and guidelines prescribed by rules and regulations of the secretary shall be subject to a penalty established by the secretary by rules and regulations.

(j) If the applicant or recipient of aid to families with dependent children is a mother of the dependent child, as a condition of the mother's eligibility for aid to families with dependent children the mother shall identify by name and, if known, by current address the father of the dependent child except that the secretary may adopt by rules and regulations exceptions to this requirement in cases of undue hardship. Any recipient of aid to families with dependent children who fails to cooperate with requirements relating to child support enforcement under criteria and guidelines prescribed by rules and regulations of the secretary shall be subject to a penalty established by the secretary by rules and regulations which penalty shall progress to ineligibility for the family after three months of noncooperation.

(k) By applying for or receiving child care benefits or food stamps, the applicant
or recipient shall be deemed to have assigned, pursuant to K.S.A. 39-756, and amendments thereto, to the secretary on behalf of the state only accrued, present or future rights to support from any other person such applicant may have in such person's own behalf or in behalf of any other family member for whom the applicant is applying for or receiving aid. The assignment of support rights shall automatically become effective upon the date of approval for or receipt of such aid without the requirement that any document be signed by the applicant or recipient. By applying for or receiving child care benefits or food stamps, the applicant or recipient is also deemed to have appointed the secretary, or the secretary's designee, as an attorney in fact to perform the specific act of negotiating and endorsing all drafts, checks, money orders or other negotiable instruments representing support payments received by the secretary in behalf of any person applying for, receiving or having received such assistance. This limited power of attorney shall be effective from the date the secretary approves the application for aid and shall remain in effect until the assignment of support rights has been terminated in full. An applicant or recipient who has assigned support rights to the secretary pursuant to this subsection shall cooperate in establishing and enforcing support obligations to the same extent required of applicants for or recipients of aid to families with dependent children.

Sec. 24. K.S.A. 58-3957 is hereby amended to read as follows: 58-3957. (a) (1) A person, excluding another state, claiming an interest in any property paid or delivered to the administrator may file with the administrator a claim on a form prescribed by the administrator and verified by the claimant.

(2) The department of health and environment may claim an interest in any property paid or delivered to the administrator if the deceased owner of such property received medical assistance under K.S.A. 39-709, and amendments thereto, except that such claim shall not exceed the amount of medical assistance received by the deceased owner.

(3) The administrator may hold a hearing on the claim in accordance with the provisions of the Kansas administrative procedure act. The decision resulting from any hearing shall be a public record.

(b) The administrator shall consider each claim within 90 days after it is filed and give written notice to the claimant if the claim is denied in whole or in part. The notice may be given by mailing it to the last address, if any, stated in the claim as the address to which notices are to be sent. If no address for notices is stated in the claim, the notice may be mailed to the last address, if any, of the claimant as stated in the claim. No notice of denial need be given if the claim fails to state either the last address to which notices are to be sent or the address of the claimant.

(c) If a claim is allowed, the administrator shall pay over or deliver to the claimant the property or the amount the administrator actually received or the net proceeds if it has been sold by the administrator, together with any additional amount required by K.S.A. 58-3954 and amendments thereto. Interest reported under the previous disposition of unclaimed property act shall not be computed, paid or delivered to the claimant after enactment of this act. If the claim is for property presumed abandoned under K.S.A. 58-3943 and amendments thereto, which was sold by the administrator within three years after the date of delivery, the amount payable for that claim is the value of the property at the time the claim was made or the net proceeds of sale, whichever is greater.
(d) Any holder who pays the owner for property that has been delivered to the state and which, if claimed from the administrator, would be subject to subsection (c) shall add any additional amount as provided in K.S.A. 58-3954, and amendments thereto. The additional amount shall be repaid to the holder by the administrator in the same manner as the principal.

"Section 1. K.S.A. 68-2003 is hereby amended to read as follows: 68-2003. (a) There is hereby created a body politic and corporate to be known as the Kansas turnpike authority. The authority is hereby constituted a public instrumentality and the exercise by the authority of the powers conferred by this act in the construction, operation and maintenance of turnpike projects shall be deemed and held to be the performance of an essential governmental function.

(b) The Kansas turnpike authority shall consist of five members. Two members shall be appointed by the governor for terms of four years. The members appointed by the governor shall be residents of the state and shall each year be owners of revenue bonds issued by the Kansas turnpike authority. One member of the authority shall be the secretary of transportation. One member shall be the chairperson of the committee on transportation and tourism of the senate, and one member shall be a member of the committee on transportation of the house of representatives and shall be appointed by the speaker of the house of representatives. Any person appointed by the governor to fill a vacancy on the authority shall be appointed to serve only for the unexpired term, and a member of the authority shall be eligible for reappointment. A member of the authority may be removed by the governor for misfeasance, malfeasance or willful neglect of duty, but only after reasonable notice and a public hearing conducted in accordance with the provisions of the Kansas administrative procedure act. Each member of the authority, before entering upon the member's duties, shall take and subscribe an oath or affirmation as required by law.

(c) The authority shall elect one member as chairperson of the authority and another as vice-chairperson. The authority shall also elect a secretary-treasurer who need not be a member of the authority. The chairperson, vice-chairperson and secretary-treasurer shall serve as officers at the pleasure of the authority. Three members of the authority shall constitute a quorum and the affirmative vote of three members shall be necessary for any action taken by the authority. No vacancy in the membership of the authority shall impair the right of a quorum to exercise all the rights and perform all the duties of the authority.

(d) Members of the Kansas turnpike authority attending meetings of such authority, or attending a subcommittee meeting thereof authorized by such authority, shall be paid compensation, subsistence allowances, mileage and other expenses as provided in K.S.A. 75-3223, and amendments thereto.

(e) On and after July 1, 2013, the secretary of transportation shall serve as the director of operations of the authority. The director of operations shall be responsible for the daily administration of the toll roads, bridges, structures and facilities constructed, maintained or operated pursuant to this act. The director of operations or the director's designee shall have such powers as are necessary to carry out these responsibilities. The provisions of this subsection shall expire and have no effect on and after July 1, 2016.

Sec. 2. K.S.A. 68-2009 is hereby amended to read as follows: 68-2009. (a) The authority is hereby authorized to fix, revise, charge and collect tolls for the use of each turnpike project and the different parts or sections thereof, and to contract with any
person, partnership, association or corporation desiring the use of any part thereof, including the right-of-way adjoining the paved portion, for placing thereon telephone, telegraph, electric light or power lines, motor fuel filling stations, garages, and restaurants, or for any other purpose except for tracks for railroad or railway use, and to fix the terms, conditions, rents and rates of charges for such use. All contracts made by the authority for retail establishments or locations for retail establishments shall be made separately for each retail establishment or location for a retail establishment and sealed bids shall be asked separately on each retail establishment or each location for a retail establishment by public offering duly advertised as provided by law for the advertising for bids on state highway construction projects and each such contract shall be let by the authority in like manner as provided by law for the letting of highway construction contracts by the secretary of transportation. Such tolls shall be so fixed and adjusted in respect of the aggregate of tolls from the turnpike project or projects in connection with which the bonds of any issue shall have been issued as to provide a fund sufficient with other revenues, if any, to pay (a): (1) The cost of maintaining, repairing and operating such turnpike project or projects; and (b) the principal of and the interest on such bonds as the same shall become due and payable, and to create reserves for such purposes.

(b) Such tolls shall not be subject to supervision or regulation by any other commission, board, bureau or agency of the state. The tolls and all other revenues derived from the turnpike project or projects in connection with which the bonds of any issue shall have been issued, except such part thereof as may be necessary to pay such cost of maintenance, repair and operation and to provide such reserves therefor as may be provided for in the resolution authorizing the issuance of such bonds or in the trust agreement securing the same, shall be set aside at such regular intervals as may be provided in such resolution or such trust agreement in a sinking fund which is hereby pledged to, and charged with, the payment of the principal of and the interest on such bonds as the same shall become due, and the redemption price or the purchase price of bonds retired by call or purchase as therein provided. Such pledge shall be valid and binding from the time when the pledge is made; the tolls or other revenues or other moneys so pledged and thereafter received by the authority shall immediately be subject to the lien of such pledge without any physical delivery thereof or further act, and the lien of any such pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the authority, irrespective of whether such parties have notice thereof. Neither the resolution nor any trust agreement by which a pledge is created need be filed or recorded except in the records of the authority. The use and disposition of moneys to the credit of such sinking fund shall be subject to the provisions of the resolution authorizing the issuance of such bonds or of such trust agreement. Except as may otherwise be provided in such resolution or such trust agreement, such sinking fund shall be a fund for all such bonds without distinction or priority of one over another.

(c) The authority shall not use toll or other revenue for any other purposes than those set forth in this section.

Sec. 3. K.S.A. 68-2021 is hereby amended to read as follows: 68-2021. On and after July 1, 2016, the secretary of transportation and the Kansas turnpike authority are hereby authorized and empowered to contract with each other, by the terms of which contract or contracts the secretary may undertake; (1) to provide personnel and
equipment, either of the department of transportation or consulting or contracting firms, required in making any traffic and cost studies or surveys or origin-destination studies necessary preliminary to financing by the Kansas turnpike authority of any particular toll project undertaken as authorized by law, and to do such work; and

(2) to provide personnel and equipment required, and to do any engineering, geological work, soils testing or materials testing which may be required by the Kansas turnpike authority either preliminary to the financing of any particular toll project authorized by law or which may be required after such financing and during the construction of such project. Provided, That the charges for services contemplated by such project shall be made by the secretary of transportation on the basis of the total and actual cost to the department of all wages, salaries, expenses, equipment rental, damage to equipment, depreciation or other charges and expenses chargeable to the services to be rendered to the Kansas turnpike authority. Provided further, except that the total amount of any credit and funds advanced hereunder shall not at any one time exceed the sum of two hundred fifty thousand dollars ($250,000).

New Sec. 4. (a) The secretary of transportation and the Kansas turnpike authority are hereby authorized and empowered to contract with each other to provide personnel and equipment and other resources, either of the department of transportation, the Kansas turnpike authority or consulting or contracting firms for: (1) Recordkeeping, reporting, administrative, planning, engineering, legal and clerical functions; and

(2) construction, operation and maintenance of turnpike projects and highways of the state.

(b) The Kansas turnpike authority shall retain its separate identity, powers and duties as an instrumentality of the state. Duplication of effort, facilities and equipment shall be minimized by the authority and the secretary of transportation in operation and maintenance of turnpikes and highways of the state. The authority and the secretary are authorized to take such action as necessary to implement this section, including the temporary transfer of personnel, property and equipment from the authority to the secretary, and the secretary to the authority, to effect contracts described in subsection (a). The integrity of the bonded indebtedness shall be maintained through the actions of the authority.

(c) The provisions of this section shall expire and have no effect on and after July 1, 2016."

EXPLANATION OF VOTE

MR. SPEAKER: I vote NO on HB 2234 because this bill has way too much left to the unknown. The Turnpike is a well-managed program that should not be messed with.

Making the Secretary of Transportation as the Director of Operations is new. Why do we need this? Why are we not doing a study as to what is needed for the Turnpike's sake? Why have we repealed good statutes and left the bad statutes in place?

I encourage my colleagues to change their votes to NO for this bill and send it back for more study and more answers. – JOE EDWARDS

There being no objection, the following remarks of Rep. Clayton are spread upon the Journal:

We are here to congratulate Emporia State University’s debate team of Ryan Walsh and Elijah Smith on winning the National Debate Tournament and the Cross Examination Debate Association national tournament. With us today are Coach Sam Maurer and Marie Miller.

Walsh and Smith won the National Debate Tournament defeating team from Northwestern University, just one week after Smith and Walsh also won the Cross Examination Debate Association national tournament. Emporia State University is the first program to have a team win both titles in the same season. Smith and Walsh are also the first black team to win the NDT title in a round that took over two hours.

Please join me in congratulating Walsh, Smith, Maurer, and Marie Miller. The Emporia State University Community and the entire state of Kansas should be proud of their accomplishments.

COMMITTEE ASSIGNMENT CHANGE

PROTEST

Mr. Speaker: Pursuant to Article 2, Section 10 of the Kansas Constitution, I hereby submit the following protest regarding SB 23.

One section of SB 23 allows a local school board that has levied an additional property tax for ancillary school facilities for two years to continue that levy for up to six additional years. This new law expands the number years a district may use this extra school finance formula device to enhance the amount of money available to these wealthy districts from three (3) years to six (6) years. The amount of the levy is reduced to 90.0 percent in the first year of the six-year period, 75.0 percent in the second year, 60.0 percent in the third year, 45.0 percent in the fourth year, 30.0 percent in the fifth year, and 15.0 percent in the sixth year.

The original ancillary school facilities law permitted school district to request permission to levy an additional property tax for up to two years to defray costs associated with commencing operation of a new facility beyond the costs otherwise financed under the law.

The original ancillary school facilities law provided an addition benefit to a few rapidly growing wealthy districts, it created a disparity in the distribution of education funds and is dis-equalizing. The enhanced ancillary school facilities law enacted in Senate Bill 23 increases that disparity in the distribution of education funds, and increases the dis-equalizing of the school finance formula.

This is in direct violation of the Court order issued in Gannon vs. State of Kansas. Therein the “State of Kansas was enjoined from performing the unconstitutional act of amending, changing, altering, diluting, superseding, or by-passing any of the provisions of K.S.A. 72-6434 (school finance formula) as it existed on July 1, 2012, if the effect of the same would be to create a wealth based disparity in the distribution of funds or in the ability to use local option budget by a school district.”

This order has been enjoined by the Kansas Supreme Court to allow the parties to mediate their issues with the goal of settling the case. It is bad legal advice and worse settlement strategy to disregard and ignore a Court order even while it is stayed.

SB 23 amends the school finance formula the effect is to create a wealth based disparity in the distribution of funds in violation of a legal Court order.

Mr. Speaker, I vote NO on SB 23. – Jim Ward

PROTEST

Mr. Speaker: Pursuant to Article 2, Section 10 of the Kansas Constitution, I hereby submit the following protest regarding the Second Conference Committee Report on SB 171.

SB 171 would increase the Base State Aid per Pupil from current level of $3,838 to $4,264 for school years 2013-2014 and 2014-2015.
Then **SB 171** by legislative mandate would transfer money from the local option budget of every school district in an amount equal to the difference between current state adjusted enrollment funding of $3,838, to the amount needed to meet new adjusted enrollment amount of $4,264. Under **SB 171** every school district in the state would have the exact same amount of money from the exact same tax revenue sources in 2013-2014 as they do in 2012-2013. There would be no additional money. **The state is using an accounting gimmick to create the allusion of spending more money on Base State Aid per Pupil.**

This is in direct violation of the Court order issued in Gannon vs. State of Kansas. Therein the State of Kansas was enjoined from performing the *unconstitutional act* of “*using any accounting mechanism* that would, will or may in due course affect, *effect* or fund less that the base student aid per pupil as it existed on July 1, 2012.”

This order has been enjoined by the Kansas Supreme Court to allow the parties to mediate their issues with the goal of settling the case. It is bad legal advice and worse settlement strategy to disregard and ignore a Court order even while it is stayed.

**SB 171** implements an accounting gimmick to mislead the Court and the people of Kansas regarding the amount of funding being made available to Kansas school children in violation of a legal Court order.

Mr. Speaker, I vote NO on **SB 171**. – **JIM WARD**

MOTIONS AND RESOLUTIONS OFFERED ON A PREVIOUS DAY

On motion of Rep. Goico, HCR 5018, A CONCURRENT RESOLUTION honoring native Kansan, Army Chaplain Father Emil Kapaun, Medal of Honor winner, was adopted.

There being no objection, the following remarks of Rep. Goico are spread upon the Journal:

Captain Emil Joseph Kapaun was a Roman Catholic priest and a United States chaplain who died as a prisoner of war during the Korean War at age 35. For his wartime activities, the Roman Catholic Church has declared him a “Servant of God”, which is the first stage on the path to sainthood. On April 11, 2013, President Obama awarded him the “Medal of Honor”.

Emil Kapaun was born and grew up on a farm three miles southwest of Pilsen, Kansas. His parents were Czech, immigrants. In 1940, Kapaun was ordained a priest in Wichita. Father Kapaun joined the army in 1944. He served in the Burma Theater during World War II. He was discharged. He re-joined the Army prior to the Korean War.

He was awarded the Medal of Honor for acts of valor during the Battle of Unsan. As Chinese Communist forces encircled the battalion, Kapaun moved fearlessly from foxhole to foxhole under direct enemy fire in order to provide comfort and reassurance to the outnumbered soldiers. He repeatedly exposed himself to enemy fire to recover wounded men, dragging them to safety. When he couldn't drag them, he dug shallow trenches to shield them from enemy fire. As Chinese forces closed in, Kapaun rejected several chances to escape, instead volunteering to stay behind and care for the wounded, until he was taken as a prisoner.

After he was captured, Chaplain Kapaun and other prisoners were marched for three weeks, in subzero weather, 87 miles toward prisoner-of-war camps. During the march Kapaun led by example in caring for injured soldiers, refusing to take a break from carrying the stretchers of the wounded while encouraging others to do their part.

In the prison camp, Father Kapaun risked his life by sneaking around the camp after dark, foraging for food, caring for the sick, and encouraging his fellow soldiers to sustain their faith and their humanity. On at least one occasion, he was brutally punished for his disobedience, being forced to sit outside in subzero weather without any garments.

Chaplain Emil Kapaun repeatedly risked his own life to save the lives of hundreds of fellow Americans. His extraordinary courage, faith and leadership inspired thousands of prisoners to survive hellish conditions, resist enemy indoctrination, and retain their faith in God and country.

Because of his service in combat conditions Father Kapaun was awarded the Medal of Honor, Distinguish Service Cross, Legion of Merit, Bronze Star Medal with a Valor Device, Prisoner of War Medal and numerous other campaign medals. Chaplain Kapaun is one of the most decorated chaplains in the history of the Chaplain Corp.

Many American soldiers that were in the prison camps with Father Kapaun remembered him for his great humility, bravery, love, kindness and solicitude for his fellow prisoners. He was their hero, and their admired and beloved "padre." He kept up the G.I.'s morale, and most of all, allowed a lot of men to not despair in their faith.
Fr. Kapaun is an example of devotion to duty, and bravery of body and soul. He lived the Catholic faith in his devotion to a Christ-like life, in the spirit of one who loved and served God and man unto death.

Receiving this resolution is Father John Hotze who serves as a Chaplain at McConnell Air Force Base and is a priest of the Diocese of Wichita. He is also the Director of the Father Kapaun Guild. In this position Father Hotze gathers and disseminates information on the life of Chaplain Emil Kapaun.

The House stood at ease until the sound of the gavel.

Speaker Merrick called the House to order.

- Presumptive Probation
- Presumptive Imprisonment
(b) Sentences expressed in the sentencing guidelines grid for drug crimes in subsection (a) represent months of imprisonment.

(c) (1) The sentencing court has discretion to sentence at any place within the sentencing range. In the usual case it is recommended that the sentencing judge select the center of the range and reserve the upper and lower limits for aggravating and mitigating factors insufficient to warrant a departure. The sentencing court shall not distinguish between the controlled substances cocaine base (9041L000) and cocaine hydrochloride (9041L005) when sentencing within the sentencing range of the grid block.

(2) In presumptive imprisonment cases, the sentencing court shall pronounce the complete sentence which shall include the:

(A) Prison sentence;
(B) maximum potential reduction to such sentence as a result of good time; and
(C) period of postrelease supervision at the sentencing hearing. Failure to pronounce the period of postrelease supervision shall not negate the existence of such period of postrelease supervision.

(3) In presumptive nonprison cases, the sentencing court shall pronounce the prison sentence as well as the duration of the nonprison sanction at the sentencing hearing.

(d) Each grid block states the presumptive sentencing range for an offender whose crime of conviction and criminal history place such offender in that grid block. If an offense is classified in a grid block below the dispositional line, the presumptive disposition shall be nonimprisonment. If an offense is classified in a grid block above the dispositional line, the presumptive disposition shall be imprisonment. If an offense is classified in grid blocks 4-E, 4-F, 4-G, 4-H, 4-I, 5-C or 5-D, the court may impose an optional nonprison sentence as provided in subsection (q) of K.S.A. 2012 Supp. 21-6804, and amendments thereto.

(e) The sentence for a second or subsequent conviction of K.S.A. 65-4159, prior to its repeal, K.S.A. 2010 Supp. 21-36a03, prior to its transfer, or K.S.A. 2012 Supp. 21-5703, and amendments thereto, manufacture of any controlled substance or controlled substance analog, shall be a presumptive term of imprisonment of two times the maximum duration of the presumptive term of imprisonment. The court may impose an optional reduction in such sentence of not to exceed 50% of the mandatory increase provided by this subsection upon making a finding on the record that one or more of the mitigating factors as specified in K.S.A. 2012 Supp. 21-6815, and amendments thereto, justify such a reduction in sentence. Any decision made by the court regarding the reduction in such sentence shall not be considered a departure and shall not be subject to appeal.

(f) (1) The sentence for a third or subsequent felony conviction of K.S.A. 65-4160 or 65-4162, prior to their repeal, K.S.A. 2010 Supp. 21-36a06, prior to its transfer, or K.S.A. 2012 Supp. 21-5706, and amendments thereto, shall be a presumptive term of imprisonment and the defendant shall be sentenced to prison as provided by this section. The defendant's term of imprisonment shall be served in the custody of the secretary of corrections in a facility designated by the secretary. Subject to appropriations therefore, the defendant shall participate in an intensive substance abuse treatment program, of at least four months duration, selected by the secretary of corrections. If the secretary determines that substance abuse treatment resources are otherwise available, such term of imprisonment may be served in a facility designated
by the secretary of corrections in the custody of the secretary of corrections to participate in an intensive substance abuse treatment program. The secretary's determination regarding the availability of treatment resources shall not be subject to review. Upon the successful completion of such intensive treatment program, the offender shall be returned to the court and the court may modify the sentence by directing that a less severe penalty be imposed in lieu of that originally adjudged. If the offender's term of imprisonment expires, the offender shall be placed under the applicable period of postrelease supervision.

(2) Such defendant's term of imprisonment shall not be subject to modification under paragraph (1) if:
   (A) The defendant has previously completed a certified drug abuse treatment program, as provided in K.S.A. 2012 Supp. 75-52,144, and amendments thereto;
   (B) has been discharged or refused to participate in a certified drug abuse treatment program, as provided in K.S.A. 2012 Supp. 75-52,144, and amendments thereto;
   (C) has completed an intensive substance abuse treatment program under paragraph (1); or
   (D) has been discharged or refused to participate in an intensive substance abuse treatment program under paragraph (1).

The sentence under this subsection shall not be considered a departure and shall not be subject to appeal.

(g) (1) Except as provided further, if the trier of fact makes a finding that an offender carried, possessed a firearm to commit a drug felony and such firearm was readily accessible during the commission of, or in furtherance of, a drug felony, a felony violation of any provision of article 57 of chapter 21, and amendments thereto, possessed a firearm, or any attempt to commit such offense, in addition to the sentence imposed pursuant to K.S.A. 2012 Supp. 21-6801 through 21-6824, and amendments thereto, the offender shall be sentenced to:
   (A) Except as provided in subsection (g)(1)(B), an additional 6 months' imprisonment; and
   (B) if the trier of fact makes a finding that the firearm was discharged, an additional 18 months' imprisonment.

(2) The sentence imposed pursuant to subsection (g)(1) shall be presumptive imprisonment. Such sentence shall not be considered a departure and shall not be subject to appeal.

(3) The provisions of this subsection shall not apply to violations of K.S.A. 2012 Supp. 21-5706 or 21-5713, and amendments thereto.

Sec. 4. K.S.A. 2012 Supp. 21-5107, as amended by section 1 of 2013 House Bill No. 2252, is hereby amended to read as follows: 21-5107. (a) A prosecution for rape, aggravated criminal sodomy, murder, terrorism or illegal use of weapons of mass destruction may be commenced at any time.

(b) Except as provided in subsection (e), a prosecution for any crime shall be commenced within 10 years after its commission if the victim is the Kansas public employees retirement system.

(c) Except as provided in subsection (e), a prosecution for a sexually violent crime as defined in K.S.A. 22-3717, and amendments thereto:
   (1) When the victim is 18 years of age or older shall be commenced within 10 years or one year from the date on which the identity of the suspect is conclusively
established by DNA testing, whichever is later; or
(2) when the victim is under 18 years of age shall be commenced within 10 years of the date the victim turns 18 years of age or one year from the date on which the identity of the suspect is conclusively established by DNA testing, whichever is later.
(d) Except as provided by subsection (e), a prosecution for any crime, as defined in K.S.A. 2012 Supp. 21-5102, and amendments thereto, not governed by subsection (a), (b) or (c) shall be commenced within five years after it is committed.
(e) The period within which a prosecution shall be commenced shall not include any period in which:
(1) The accused is absent from the state;
(2) the accused is concealed within the state so that process cannot be served upon the accused;
(3) the fact of the crime is concealed;
(4) a prosecution is pending against the defendant for the same conduct, even if the indictment or information which commences the prosecution is quashed or the proceedings thereon are set aside, or are reversed on appeal;
(5) an administrative agency is restrained by court order from investigating or otherwise proceeding on a matter before it as to any criminal conduct defined as a violation of any of the provisions of article 41 of chapter 25 and article 2 of chapter 46 of the Kansas Statutes Annotated, and amendments thereto, which may be discovered as a result thereof regardless of who obtains the order of restraint; or
(6) whether the fact of the crime is concealed by the active act or conduct of the accused, there is substantially competent evidence to believe two or more of the following factors are present:
(A) The victim was a child under 15 years of age at the time of the crime;
(B) the victim was of such age or intelligence that the victim was unable to determine that the acts constituted a crime;
(C) the victim was prevented by a parent or other legal authority from making known to law enforcement authorities the fact of the crime whether or not the parent or other legal authority is the accused; and
(D) there is substantially competent expert testimony indicating the victim psychologically repressed such witness' memory of the fact of the crime, and in the expert's professional opinion the recall of such memory is accurate and free of undue manipulation, and substantial corroborating evidence can be produced in support of the allegations contained in the complaint or information but in no event may a prosecution be commenced as provided in subsection (e)(6) later than the date the victim turns 28 years of age. Corroborating evidence may include, but is not limited to, evidence the defendant committed similar acts against other persons or evidence of contemporaneous physical manifestations of the crime.
(f) An offense is committed either when every element occurs, or, if a legislative purpose to prohibit a continuing offense plainly appears, at the time when the course of conduct or the defendant's complicity therein is terminated. Time starts to run on the day after the offense is committed.
(g) A prosecution is commenced when a complaint or information is filed, or an indictment returned, and a warrant thereon is delivered to the sheriff or other officer for execution. No such prosecution shall be deemed to have been commenced if the warrant so issued is not executed without unreasonable delay.
As used in this section, "parent or other legal authority" shall include, but not be limited to, natural and stepparents, grandparents, aunts, uncles or siblings.;

PROTEST

MR. SPEAKER: Pursuant to Article 2 Sec. 10 of the Constitution on the State of Kansas, I hereby make written protest with respect to those provisions of HB 2120 purporting to decriminalize certain raffles. Article 15 Sec. 3 of the Constitution on the State of Kansas provides that “Lotteries and the sale of lottery tickets are forever prohibited.”
Our state Supreme Court has interpreted the term lottery to apply to any game of chance. Article 15 Sec. 3a-c provide limited exceptions to this broad constitutional prohibition; in the case of non-governmental entities the only permissible “lotteries” are bingo games conducted by nonprofit entities and some forms of horse and dog racing. Thus under our Constitution the legislature lacks the authority to authorize private raffles. While the purported decriminalization of raffles in HB 2120 is of questionable validity, it is clear that even in the absence of criminal sanction, raffles remain unlawful in Kansas as a matter of direct Constitutional prohibition. The action of the House in passing HB 2120 was ill considered and inconsistent with our carefully balanced Constitutional frame work regarding gambling in Kansas. – LANCE Y. KINZER

(b) Sentences expressed in the sentencing guidelines grid for nondrug crimes represent months of imprisonment.

(c) The sentencing guidelines grid is a two-dimensional crime severity and criminal history classification tool. The grid's vertical axis is the crime severity scale which classifies current crimes of conviction. The grid's horizontal axis is the criminal history scale which classifies criminal histories.

(d) The sentencing guidelines grid for nondrug crimes as provided in this section defines presumptive punishments for felony convictions, subject to the sentencing court's discretion to enter a departure sentence. The appropriate punishment for a felony conviction should depend on the severity of the crime of conviction when compared to all other crimes and the offender's criminal history.

(e) (1) The sentencing court has discretion to sentence at any place within the sentencing range. In the usual case it is recommended that the sentencing judge select the center of the range and reserve the upper and lower limits for aggravating and mitigating factors insufficient to warrant a departure.

(2) In presumptive imprisonment cases, the sentencing court shall pronounce the complete sentence which shall include the:
   (A) Prison sentence;
   (B) maximum potential reduction to such sentence as a result of good time; and
   (C) period of postrelease supervision at the sentencing hearing. Failure to pronounce the period of postrelease supervision shall not negate the existence of such period of postrelease supervision.

(3) In presumptive nonprison cases, the sentencing court shall pronounce the:
   (A) Prison sentence; and
   (B) duration of the nonprison sanction at the sentencing hearing.

(f) Each grid block states the presumptive sentencing range for an offender whose crime of conviction and criminal history place such offender in that grid block. If an offense is classified in a grid block below the dispositional line, the presumptive disposition shall be nonimprisonment. If an offense is classified in a grid block above the dispositional line, the presumptive disposition shall be imprisonment. If an offense is classified in grid blocks 5-H, 5-I or 6-G, the court may impose an optional nonprison sentence as provided in subsection (q).

(g) The sentence for a violation of K.S.A. 21-3415, prior to its repeal, aggravated battery against a law enforcement officer committed prior to July 1, 2006, or a violation of subsection (d) of K.S.A. 2012 Supp. 21-5412, and amendments thereto, aggravated assault against a law enforcement officer, which places the defendant's sentence in grid block 6-H or 6-I shall be presumed imprisonment. The court may impose an optional nonprison sentence as provided in subsection (q).

(h) When a firearm is used to commit any person felony, the offender's sentence shall be presumed imprisonment. The court may impose an optional nonprison sentence as provided in subsection (q).

(i) (1) The sentence for the violation of the felony provision of K.S.A. 2012 Supp. 8-1025, K.S.A. 8-2,144, K.S.A. 8-1567, subsection (b)(3) of K.S.A. 2012 Supp. 21-5414, subsections (b)(3) and (b)(4) of K.S.A. 2012 Supp. 21-5823, K.S.A. 2012 Supp. 21-6412 and K.S.A. 2012 Supp. 21-6416, and amendments thereto, shall be as provided by the specific mandatory sentencing requirements of that section and shall not be subject to the provisions of this section or K.S.A. 2012 Supp. 21-6807, and amendments
thereto.

(2) If because of the offender's criminal history classification the offender is subject to presumptive imprisonment or if the judge departs from a presumptive probation sentence and the offender is subject to imprisonment, the provisions of this section and K.S.A. 2012 Supp. 21-6807, and amendments thereto, shall apply and the offender shall not be subject to the mandatory sentence as provided in K.S.A. 2012 Supp. 21-5823, and amendments thereto.

(3) Notwithstanding the provisions of any other section, the term of imprisonment imposed for the violation of the felony provision of K.S.A. 2012 Supp. 8-1025, K.S.A. 8-2,144, K.S.A. 8-1567, subsection (b)(3) of K.S.A. 2012 Supp. 21-5414, subsections (b)(3) and (b)(4) of K.S.A. 2012 Supp. 21-5823, K.S.A. 2012 Supp. 21-6412 and K.S.A. 2012 Supp. 21-6416, and amendments thereto, shall not be served in a state facility in the custody of the secretary of corrections, except that the term of imprisonment for felony violations of K.S.A. 2012 Supp. 8-1025 or K.S.A. 8-2,144 or K.S.A. 8-1567, and amendments thereto, may be served in a state correctional facility designated by the secretary of corrections if the secretary determines that substance abuse treatment resources and facility capacity is available. The secretary's determination regarding the availability of treatment resources and facility capacity shall not be subject to review. Prior to imposing any sentence pursuant to this subsection, the court may consider assigning the defendant to a house arrest program pursuant to K.S.A. 2012 Supp. 21-6609, and amendments thereto.

(j) (1) The sentence for any persistent sex offender whose current convicted crime carries a presumptive term of imprisonment shall be double the maximum duration of the presumptive imprisonment term. The sentence for any persistent sex offender whose current conviction carries a presumptive nonprison term shall be presumed imprisonment and shall be double the maximum duration of the presumptive imprisonment term.

(2) Except as otherwise provided in this subsection, as used in this subsection, "persistent sex offender" means a person who:

(A) (i) Has been convicted in this state of a sexually violent crime, as defined in K.S.A. 22-3717, and amendments thereto; and

(ii) at the time of the conviction under subsection (j)(2)(A)(i) has at least one conviction for a sexually violent crime, as defined in K.S.A. 22-3717, and amendments thereto, in this state or comparable felony under the laws of another state, the federal government or a foreign government; or

(B) (i) has been convicted of rape, as defined in K.S.A. 21-3502, prior to its repeal, or K.S.A. 2012 Supp. 21-5503, and amendments thereto; and

(3) Except as provided in subsection (j)(2)(B), the provisions of this subsection shall not apply to any person whose current convicted crime is a severity level 1 or 2 felony.

(k) (1) If it is shown at sentencing that the offender committed any felony violation for the benefit of, at the direction of, or in association with any criminal street gang, with the specific intent to promote, further or assist in any criminal conduct by gang members, the offender's sentence shall be presumed imprisonment. The court may
impose an optional nonprison sentence as provided in subsection (q).

(2) As used in this subsection, "criminal street gang" means any organization, association or group of three or more persons, whether formal or informal, having as one of its primary activities:

(A) The commission of one or more person felonies; or

Such sentence shall not be considered a departure and shall not be subject to appeal.

(o) The sentence for a felony violation of theft of property as defined in K.S.A. 2012 Supp. 21-5801, and amendments thereto, or burglary as defined in subsection (a) of K.S.A. 2012 Supp. 21-5801, and amendments thereto, when such person being sentenced has no prior convictions for a violation of K.S.A. 21-3701 or 21-3715, prior to their repeal, or theft of property as defined in K.S.A. 2012 Supp. 21-5801, and amendments thereto, or burglary as defined in subsection (a) of K.S.A. 2012 Supp. 21-5807, and amendments thereto; or the sentence for a felony violation of theft of property as defined in K.S.A. 2012 Supp. 21-5801, and amendments thereto, when such person being sentenced has one or two prior felony convictions for a violation of K.S.A. 21-3701, 21-3715 or 21-3716, prior to their repeal, or theft of property as defined in K.S.A. 2012 Supp. 21-5801, and amendments thereto, or burglary or aggravated
burglary as defined in K.S.A. 2012 Supp. 21-5807, and amendments thereto; or the sentence for a felony violation of burglary as defined in subsection (a) of K.S.A. 2012 Supp. 21-5807, and amendments thereto, when such person being sentenced has one prior felony conviction for a violation of K.S.A. 21-3701, 21-3715 or 21-3716, prior to their repeal, or theft of property as defined in K.S.A. 2012 Supp. 21-5801, and amendments thereto, or burglary or aggravated burglary as defined in K.S.A. 2012 Supp. 21-5807, and amendments thereto, shall be the sentence as provided by this section, except that the court may order an optional nonprison sentence for a defendant to participate in a drug treatment program, including, but not limited to, an approved after-care plan, if the court makes the following findings on the record:

1. Substance abuse was an underlying factor in the commission of the crime;
2. Substance abuse treatment in the community is likely to be more effective than a prison term in reducing the risk of offender recidivism; and
3. Participation in an intensive substance abuse treatment program will serve community safety interests.

A defendant sentenced to an optional nonprison sentence under this subsection shall be supervised by community correctional services. The provisions of subsection (f)(1) of K.S.A. 2012 Supp. 21-6824, and amendments thereto, shall apply to a defendant sentenced under this subsection. The sentence under this subsection shall not be considered a departure and shall not be subject to appeal.

(p) The sentence for a felony violation of theft of property as defined in K.S.A. 2012 Supp. 21-5801, and amendments thereto, when such person being sentenced has any combination of three or more prior felony convictions for violations of K.S.A. 21-3701, 21-3715 or 21-3716, prior to their repeal, or theft of property as defined in K.S.A. 2012 Supp. 21-5801, and amendments thereto, or burglary or aggravated burglary as defined in K.S.A. 2012 Supp. 21-5807, and amendments thereto; or the sentence for a violation of burglary as defined in subsection (a) of K.S.A. 2012 Supp. 21-5807, and amendments thereto, when such person being sentenced has any combination of two or more prior convictions for violations of K.S.A. 21-3701, 21-3715 and 21-3716, prior to their repeal, or theft of property as defined in K.S.A. 2012 Supp. 21-5801, and amendments thereto, or burglary or aggravated burglary as defined in K.S.A. 2012 Supp. 21-5807, and amendments thereto, shall be presumed imprisonment and the defendant shall be sentenced to prison as provided by this section, except that the court may recommend that an offender be placed in the custody of the secretary of corrections, in a facility designated by the secretary to participate in an intensive substance abuse treatment program, upon making the following findings on the record:

1. Substance abuse was an underlying factor in the commission of the crime;
2. Substance abuse treatment with a possibility of an early release from imprisonment is likely to be more effective than a prison term in reducing the risk of offender recidivism; and
3. Participation in an intensive substance abuse treatment program with the possibility of an early release from imprisonment will serve community safety interests by promoting offender reformation.

The intensive substance abuse treatment program shall be determined by the secretary of corrections, but shall be for a period of at least four months. Upon the successful completion of such intensive treatment program, the offender shall be returned to the court and the court may modify the sentence by directing that a less
severe penalty be imposed in lieu of that originally adjudged within statutory limits. If the offender's term of imprisonment expires, the offender shall be placed under the applicable period of postrelease supervision. The sentence under this subsection shall not be considered a departure and shall not be subject to appeal.

(q) As used in this section, an "optional nonprison sentence" is a sentence which the court may impose, in lieu of the presumptive sentence, upon making the following findings on the record:

(1) An appropriate treatment program exists which is likely to be more effective than the presumptive prison term in reducing the risk of offender recidivism; and

(2) the recommended treatment program is available and the offender can be admitted to such program within a reasonable period of time; or

(3) the nonprison sanction will serve community safety interests by promoting offender reformation.

Any decision made by the court regarding the imposition of an optional nonprison sentence shall not be considered a departure and shall not be subject to appeal.

(r) The sentence for a violation of subsection (c)(2) of K.S.A. 2012 Supp. 21-5413, and amendments thereto, shall be presumptive imprisonment and shall be served consecutively to any other term or terms of imprisonment imposed. Such sentence shall not be considered a departure and shall not be subject to appeal.

(s) The sentence for a violation of K.S.A. 2012 Supp. 21-5512, and amendments thereto, shall be presumptive imprisonment. Such sentence shall not be considered a departure and shall not be subject to appeal.

(t) (1) If the trier of fact makes a finding that an offender wore or used ballistic resistant material in the commission of, or attempt to commit, or flight from any felony, in addition to the sentence imposed pursuant to the Kansas sentencing guidelines act, the offender shall be sentenced to an additional 30 months' imprisonment.

(2) The sentence imposed pursuant to subsection (t)(1) shall be presumptive imprisonment and shall be served consecutively to any other term or terms of imprisonment imposed. Such sentence shall not be considered a departure and shall not be subject to appeal.

(3) As used in this subsection, "ballistic resistant material" means: (A) Any commercially produced material designed with the purpose of providing ballistic and trauma protection, including, but not limited to, bulletproof vests and kevlar vests; and (B) any homemade or fabricated substance or item designed with the purpose of providing ballistic and trauma protection.

(u) The sentence for a violation of K.S.A. 2012 Supp. 21-6107, and amendments thereto, or any attempt or conspiracy, as defined in K.S.A. 2012 Supp. 21-5301 and 21-5302, and amendments thereto, to commit such offense, when such person being sentenced has a prior conviction for a violation of K.S.A. 21-4018, prior to its repeal, or K.S.A. 2012 Supp. 21-6107, and amendments thereto, or any attempt or conspiracy to commit such offense, shall be presumptive imprisonment. Such sentence shall not be considered a departure and shall not be subject to appeal.

If such offender violates a condition of release during the term of the conditional release, the court may require such offender to register pursuant to paragraph (1).

(h) Notwithstanding any other provisions of this section, an offender 14 years of age or more who is adjudicated as a juvenile offender for an act which if committed by an adult would constitute a sexually violent crime set forth in subsection (c) of K.S.A. 22-4902, and amendments thereto, and such crime is an off-grid felony or a felony ranked in severity level 1 of the nondrug grid as provided in K.S.A. 21-4704, prior to its repeal, or K.S.A. 2012 Supp. 21-6804, and amendments thereto, shall be required to
register for such offender's lifetime.

(i) Notwithstanding any other provision of law, if a diversionary agreement or probation order, either adult or juvenile, or a juvenile offender sentencing order, requires registration under the Kansas offender registration act for an offense that would not otherwise require registration as provided in subsection (a)(5) of K.S.A 22-4902, and amendments thereto, then all provisions of the Kansas offender registration act shall apply, except that the duration of registration shall be controlled by such diversionary agreement, probation order or juvenile offender sentencing order.

(j) The duration of registration does not terminate if the convicted or adjudicated offender again becomes liable to register as provided by the Kansas offender registration act during the required period of registration.

(k) For any person moving to Kansas who has been convicted or adjudicated in an out of state court, or who was required to register under an out of state law, the duration of registration shall be the length of time required by the out of state jurisdiction or by the Kansas offender registration act, whichever length of time is longer. The provisions of this subsection shall apply to convictions or adjudications prior to June 1, 2006, and to persons who moved to Kansas prior to June 1, 2006, and to convictions or adjudications on or after June 1, 2006, and to persons who moved to Kansas on or after June 1, 2006.

The duration of registration shall begin upon establishing residency, beginning employment or beginning school.

Prayer by Representative Frownfelter:

A GAME GUY’S PRAYER

“Dear God:

“Help me to be a sport in this little game of life. I don't ask for any place in the lineup; play me where you need me, I only ask for the stuff to give You a hundred per cent of what I've got. If all the hard drives come my way, I thank You for the compliment. Help me to remember that You won't let anything come that You and I together can't handle. And help me to take the bad breaks as part of the game. Help make me thankful for them.

“And God, help me always to play on the square, no matter what the other players do. Help me to come clean. Help me to see that often the best part of the game is helping the other guys. Help me to be a ‘regular fellow’ with the other players.

“Finally, God, if fate seems to uppercut me with both hands and I'm laid up on the shelf in sickness or old age, help me to take that as part of the game also. Help me not to whimper or squeal that the game was a frame-up, or that I had a raw deal. When in the dusk I get the final bell, I ask for no lying, complimentary stones. I'd only like to know that You feel I've been a good guy.”

(Adapted from a prayer by Richard J. Cushing D.D.)

The Pledge of Allegiance was led by Rep. Grant.
PERSONAL PRIVILEGE

There being no objection, the following remarks of Rep. Grant are spread upon the Journal:

Family, Friends & Colleagues,

As the old saying goes, “the clock on the wall says it is time to call it quits, sink into the sunset and call it a day.”

In my case it is time to call it the end of a career that I have really enjoyed for the last twenty-three years, less two for red-shirting in 1995-96. I have been privileged to attend and be part of a lot of events, meet a lot of great people and see things across the Great State of Kansas that, had I not been a State Representative, I might not have had the opportunity to do.

I would like to thank my wife Lynn, daughter Megan Fry and her husband, Kevin and children, Ross and Katie, for their love and support throughout this endeavor.

In addition, I want to thank the people of the second district for allowing me the distinct privilege and opportunity to represent them in Topeka. I have been fortunate to have served the people of Cherokee, Crawford, Bourbon, Neosho and Allen counties at different times in my career. It has been an honor to serve this district through all its geographical changes. Southeast Kansas is a great part of the state and I hope I have served it well.

I have met some great people along the way and if I tried to thank all of them, we would be here until the next session started. I don’t know about you but I don’t think I want to do that.

There are a few people I do need to make some comments about: L.V. “Sam” Roper, the man I followed into the Legislature. I say “followed” because you could not replace Sam. He was my friend, my mentor and he gave me good, sound advice. He said “Always think things through and always tell the truth. People may not like it but when asked the same question two weeks down the road, you don’t have to try and remember what you said. It will be automatic.”

Herman Dillon, for those who knew him, was a person you could not forget. He was a close friend and colleague.

I  have  been  so  lucky  to  have  three  excellent  secretaries,  Vernita  Mitchell,  Jo Copeland and Judy Corpolongo. These long-suffering ladies kept me on the straight and narrow over the years and I could not have done my job without them.

The staff in the Capitol building from the custodians to the doormen do a remarkable job making this building a pleasant workplace. I thank them for all the behind the scenes work they do to keep this a house of and for the people of Kansas.

The Democratic staff members through the years have been an exceptional bunch and it has been a pleasure to work with Haley, Tyler and Allison in recent years. Phil Stevenson has been my rock for several years, helping me keep my seat. A thank you too, to John Polzar who helped me regain the position in 1996. The person I always consider to be the mainstay of the Democratic office is Jan King. She knows the process well and doesn’t have a problem telling someone where to go. Jan, you are the greatest.

I have worked with some remarkable Democratic leaders: Speaker Marvin Barkis, Tom Sawyer, Jim Garner, Dennis McKinney Paul Davis as well as Bill Reardon and R.J. Wilson. They have all been a huge source of support for me. I value their
friendship as I do so many past and present legislators on both sides of the aisle. Like I said, if I start naming them all we would be here far too long. My memory is not that good anyway and I might leave someone out.

I have served under 5 governors, Joan Finney, Bill Graves, Kathleen Sebelius, Mark Parkinson and Sam Brownback, and have had differences of opinion with all of them. I have served in good times and bad, in contentious years and productive sessions. My advice to all of you: Don’t forget WHY you are here. NEVER, EVER forget who hired you. You have a great responsibility to the people you represent as well all the people of Kansas.

It’s been a hell of ride, but come January, it will be time for me to stay home. May God bless you all and may God bless the great state of Kansas.

PERSONAL PRIVILEGE

There being no objection, the following remarks of Rep. Hedke are spread upon the Journal:

June 5, 1984, was a big day in the household of Dennis and Annette Hedke, as we observed the live, beautiful birth of our first child, Reasha Christine. A special name we made up just for this very special person; a softened version of the Hebrew word for ‘Tenderness’, Recha.

This child was read to while still in her mother's womb, and she took full advantage of the opportunity. She entered the gifted program at Beech Elementary in Wichita at age 5, went to private school at Wichita Collegiate for some years, was then home-schooled with her brother for 5 years, and entered Trinity Academy in Wichita for her freshman year in high school.

We moved to Katy, TX during the summer of 1999, and she entered a brand new public high school, Cinco Ranch, graduated near the top of her class in their first graduating class in the spring of 2002. She achieved multiple scholarships from Southern Methodist University in Dallas and entered undergraduate studies the fall of that year, graduating with a triple degree in Political Science, Public Policy and International Studies.

She went to work in the real world to save money, with the goal of attending Law School. She was accepted to night school at SMU, continuing to work nearly full time to support most of her expenses.

We were very happy when she graduated law school cum laude in December 2012. She then dove in, all-in, to study for the Texas Bar, taking that exam in February 2013. The news arrived last week that she passed that exam, and she is now officially ready to practice law.

We could not possibly be more proud of her successes and wanted to share that elation with some very special colleagues in this Chamber today.

Thank you very much for your indulgence, your attention and your patience. God Bless each and every one of you.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Ruiz are spread upon the Journal:
I'd like to introduce Mark Holland, 4th generation Kansan, 3rd generation United Methodist Pastor, his wife Julie, and four children. He was elected two terms as an at-large Commissioner for the 2nd district Unified Government of Kansas City, Kansas.

Mark received his B.A. in Philosophy and Anthropology from Southern Methodist University in Dallas. He has been involved with some of the decision making that has proven successful with the new Cerner towers, Livestrong Stadium, and Hollywood Casino. He has championed health care initiatives for healthier outcomes, and has been known for his outstanding community involvement in all areas of Kansas City, Kansas.

It is my pleasure and very much an honor to introduce to this House membership—Mayor and CEO Mark Holland, two members of his staff, Lindsay Behgam and Maureen Mahoney.

INTRODUCTION OF ORIGINAL MOTIONS

CONFERENCE COMMITTEE REPORT

MADAM PRESIDENT and MR. SPEAKER: Your committee on conference on Senate amendments to HB 2081 submits the following report:

The House accedes to all Senate amendments to the bill, and your committee on conference further agrees to amend the bill, as printed with Senate Committee amendments, as follows:

On page 1, following line 5, by inserting:

"Section 1. K.S.A. 60-903 is hereby amended to read as follows: 60-903. (a) No notice or bond required. A restraining order may issue without notice or bond, except as provided in subsection (b) of K.S.A. 60-904, and amendments thereto, but if it appears to the judge that a restraining order may result in damage to the party restrained, a bond to secure payment of any damages sustained may be required. An application for a restraining order shall also be considered as an application for a temporary injunction and either party may give notice of hearing thereon. The order shall remain in force until the hearing on the application for a temporary injunction.

(b) Temporary restraining order; issuing without notice. Except as provided in subsection (b) of K.S.A. 60-904, and amendments thereto, the court may issue a temporary restraining order without notice or bond to the adverse party or its attorney only if:

1. Specific facts in an affidavit or a verified complaint clearly show that immediate and irreparable injury, loss or damage will result to the movant before the adverse party can be heard in opposition;

2. the movant's attorney certifies in writing any efforts made to give notice and the reasons why it should not be required; and

3. notice of the issuance of a temporary restraining order is provided to the
attorney general of the state of Kansas if the adverse party is the state of Kansas or an agency, officer or employee thereof, or to the appropriate city clerk or county clerk if the adverse party is a city or county or an agency, officer or employee thereof.

(b) **Contents; expiration.** Every temporary restraining order issued without notice must state the date and hour it was issued, describe the injury and state why it is irreparable, state why the order was issued without notice and be promptly filed in the clerk's office and entered in the record. The order expires at the time after entry, not to exceed 14 days, that the court sets, unless before that time the court, for good cause, extends it for a like period or the adverse party consents to a longer extension. The reasons for an extension must be entered in the record.

(c) **Expediting the temporary injunction hearing.** If the temporary restraining order is issued without notice, the motion for a temporary injunction must be set for hearing at the earliest possible time, taking precedence over all other matters except hearings on older matters of the same character. At the hearing, the party who obtained the order must proceed with the motion, and if the party does not, the court must dissolve the order.

(d) **Service.** Where a temporary restraining order is issued without notice, it shall be served upon each party restrained in the manner prescribed for personal service of a summons.

(e) **Motion to Dissolve.** On two days' notice to the party who obtained the temporary restraining order without notice, or on shorter notice set by the court, the adverse party may appear and move to dissolve or modify the order. The court must then hear and decide the motion as promptly as justice requires.

(f) **Security.** Unless otherwise provided by statute or this section, the court may issue a temporary restraining order only if the movant gives security in an amount that the court considers proper to pay the costs and damages sustained by any party found to have been wrongfully restrained. The state of Kansas or an agency, officer or employee thereof, is not required to give security. For any city or county or an agency, officer or employee thereof, at the discretion of the judge, the security required by this subsection may be waived.

Sec. 2. K.S.A. 2012 Supp. 60-2001 is hereby amended to read as follows: 60-2001.

(a) **Docket fee.** Except as otherwise provided by law, no case shall be filed or docketed in the district court, whether original or appealed, without payment of a docket fee in the amount of $156 on and after July 1, 2009 through June 30, 2013, and $154 on and after July 1, 2013, to the clerk of the district court. Except as provided further, the docket fee established in this subsection shall be the only fee collected or moneys in the nature of a fee collected for the docket fee. Such fee shall only be established by an act of the legislature and no other authority is established by law or otherwise to collect a fee. On and after the effective date of this act through June 30, 2013, the supreme court may impose an additional charge, not to exceed $22 per docket fee, to fund the costs of non-judicial personnel.

(b) **Poverty affidavit in lieu of docket fee.** (1) **Effect.** In any case where a plaintiff by reason of poverty is unable to pay a docket fee, and an affidavit so stating is filed, no fee will be required. An inmate in the custody of the secretary of corrections may file a poverty affidavit only if the inmate attaches a statement disclosing the average account balance, or the total deposits, whichever is less, in the inmate's trust fund for each month in: (A) The six-month period preceding the filing of the action; or (B) the current
period of incarceration, whichever is shorter. Such statement shall be certified by the secretary. On receipt of the affidavit and attached statement, the court shall determine the initial fee to be assessed for filing the action and in no event shall the court require an inmate to pay less than $3. The secretary of corrections is hereby authorized to disburse money from the inmate's account to pay the costs as determined by the court. If the inmate has a zero balance in such inmate's account, the secretary shall debit such account in the amount of $3 per filing fee as established by the court until money is credited to the account to pay such docket fee. Any initial filing fees assessed pursuant to this subsection shall not prevent the court, pursuant to subsection (d), from taxing that individual for the remainder of the amount required under subsection (a) or this subsection.

(2) Form of affidavit. The affidavit provided for in this subsection shall be in the following form and attached to the petition:

State of Kansas, ______________ County.

In the district court of the county: I do solemnly swear that the claim set forth in the petition herein is just, and I do further swear that, by reason of my poverty, I am unable to pay a docket fee set forth a factual basis upon which the plaintiff alleges by reason of poverty an inability to pay a docket fee, including, but not limited to, the source and amount of the plaintiff's weekly income. Such affidavit shall be signed and sworn to by the plaintiff under oath, before one who has authority to administer the oath, under penalty of perjury, K.S.A. 2012 Supp. 21-5903, and amendments thereto. The form of the affidavit shall be deemed sufficient if in substantial compliance with the form set forth by the judicial council.

(3) Court review; grounds for dismissal; service of process. The court shall review any petition authorized for filing under this subsection. Upon such review, if the court finds that the plaintiff's allegation of poverty is untrue, the court shall direct the plaintiff to pay the docket fee or dismiss the petition without prejudice. Notwithstanding K.S.A. 60-301, and amendments thereto, service of process shall not issue unless the court grants leave following its review.

(c) Disposition of fees. The docket fees and the fees for service of process shall be the only costs assessed in each case for services of the clerk of the district court and the sheriff. For every person to be served by the sheriff, the persons requesting service of process shall provide proper payment to the clerk and the clerk of the district court shall forward the service of process fee to the sheriff in accordance with K.S.A. 28-110, and amendments thereto. The service of process fee, if paid by check or money order, shall be made payable to the sheriff. Such service of process fee shall be submitted by the sheriff at least monthly to the county treasurer for deposit in the county treasury and credited to the county general fund. The docket fee shall be disbursed in accordance with K.S.A. 20-362, and amendments thereto.

(d) Additional court costs. Other fees and expenses to be assessed as additional court costs shall be approved by the court, unless specifically fixed by statute. Other fees shall include, but not be limited to, witness fees, appraiser fees, fees for service of process, fees for depositions, alternative dispute resolution fees, transcripts and publication, attorney fees, court costs from other courts and any other fees and expenses required by statute. All additional court costs shall be taxed and billed against the parties as directed by the court. No sheriff in this state shall charge any mileage for serving any papers or process.
Sec. 3. K.S.A. 2012 Supp. 60-2414 is hereby amended to read as follows: 60-2414.  
(a) **Right of redemption by defendant owner.** Except as stated in subsection (m) and as otherwise provided by law, the defendant owner may redeem any real property sold under execution, special execution or order of sale, at any time within 12 months from the day of sale, for the amount paid by the current holder of the certificate of purchase, including expenses incurred by the holder of the certificate of purchase in accordance with subsection (d), together with interest at the rate provided for in subsection (e)(1) of K.S.A. 16-204, and amendments thereto, costs and taxes to the date of redemption. The defendant owner in the meantime shall be entitled to the possession of the property. If the court finds after hearing, either before or after sale, upon not less than 21 days' notice to all parties, that the property has been abandoned, or is not occupied in good faith, the period of redemption for the defendant owner may be shortened or extinguished by the court. The right of redemption shall not apply to oil and gas leaseholds. Except for mortgages covering agricultural lands or for mortgages covering single or two-family dwellings owned by or held in trust for natural persons owning or holding such dwelling as their residence, the mortgagor may agree in the mortgage instrument to a shorter period of redemption than 12 months or may wholly waive the period of redemption.  
(b) **Redemption by lien creditor.** Except as provided in subsection (m), for the first three months of the redemption period, if any, the right of the defendant owner or successors and assigns to redeem is exclusive. If no redemption is made by the defendant owner during the time in which the defendant owner has the exclusive right to redeem, any creditor referred to in subsection (c) may redeem the property during the balance of the redemption period remaining. If the defendant owner has waived the right of redemption, a creditor shall have a right to redeem the property for a period of three months from the date of the judicial sale. If the defendant owner has agreed to a period of redemption of three months or less, a creditor shall have a right to redeem for a period of three months from the date of expiration of the defendant owner's redemption period. If the court shortens or extinguishes the period of redemption because of abandonment or lack of good faith occupation as provided in subsection (a), the court shall specify in the order a time not to exceed three months during which a creditor may redeem. The first creditor redeeming must pay only the amount of the successful sale bid, the expenses incurred by the holder of the certificate in accordance with subsection (d), together with interest at the rate provided for in subsection (e)(1) of K.S.A. 16-204, and amendments thereto, costs and taxes to the date of redemption. After redemption by a creditor, no further redemption shall be allowed except by the defendant owner or such owner's successors and assigns. If a creditor redeems during the period of redemption for the defendant owner, the defendant owner shall have the balance of such period, but in no event less than 14 days from the filing of the affidavit required in subsection (f), to redeem from the creditor. When the defendant owner or such owner's successors and assigns redeem subsequent to redemption by a creditor, the defendant owner or such owner's successors and assigns shall pay an amount equal to the redemption amount paid by such creditor, plus the amount required by subsection (f), and expenses incurred by the creditor in accordance with subsection (d), together with interest at the rate provided for in subsection (e)(1) of K.S.A. 16-204, and amendments thereto, costs and taxes to the date of redemption.  
(c) **Creditors who may redeem.** Any creditor whose claim is or becomes a lien prior
to the expiration of the time allowed by law for the redemption by creditors may redeem. A mortgagee may redeem upon the terms prescribed by this section before or after the debt secured by the mortgage falls due.

(d) Terms of redemption; rights of parties. During the period allowed for redemption, the holder of the certificate of purchase or the creditor who has redeemed may pay the taxes on the lands sold, insurance premiums on the improvements thereon, other sums necessary to prevent waste, and interest or sums due, upon any prior lien or encumbrance on the real property. Upon the redemption of the property, the holder of the certificate or the creditor who has redeemed shall be entitled to repayment of all sums thus paid, together with interest at the rate provided for in subsection (e)(1) of K.S.A. 16-204, and amendments thereto. All expenses incurred by the holder of the certificate or the creditor who has redeemed shall be as shown by receipts or vouchers filed in the office of the clerk of the district court.

(e) Effect of failure of debtor to redeem; deficiency. If the defendant owner or such owner's successors or assigns fail to redeem as provided in this section, the holder of the certificate of purchase or the creditor who has redeemed prior to the expiration of the redemption period will hold the property absolutely. If it is held by a redeeming creditor, the lien and the claim out of which it arose will be held to be extinguished, unless the redeeming creditor is unwilling to hold the property and credit the defendant owner with the full amount of the redeeming creditor's lien and, at the time of redemption, files with the clerk of the district court a statement of the amount that the redeeming creditor is willing to credit on the claim. If the redeeming creditor files such a statement and the defendant owner or such owner's successors and assigns fail to redeem, the creditor's claim shall be extinguished by the amount in the statement. The sheriff, at the end of the redemption period, shall execute a deed to the current owner of the certificate of purchase or the creditor who has redeemed prior to the expiration of the redemption period.

(f) Mode of redemption. The party redeeming shall pay the money into the office of the clerk of the district court for the use of the persons entitled to it. The clerk shall give a receipt for the money, stating the purpose for which it is paid. The clerk shall also enter the transaction on the appearance docket of the case, showing the amount paid. A redeeming creditor, or agent of the creditor, shall also file an affidavit stating as nearly as practicable the amount still unpaid due on the claim of that creditor and any lesser amount the creditor is willing to credit on the claim in accordance with subsection (e). The creditor's claim, or such lesser amount as the creditor is willing to credit on the claim in accordance with subsection (e), shall be added to the redemption amount to be paid by the defendant owner or such owner's successors and assigns.

(g) Redemption of property sold in parcels, or undivided portions. Whenever the property has been sold in parcels, any distinct portion of that property may be redeemed by itself. If a creditor has redeemed, the amount of the creditor's claim or such lesser amount as the creditor is willing to credit on the claim as stated in the affidavit under subsection (f) shall be added to each parcel sold pro rata in proportion to the amount for which it was originally sold. When the interests of several tenants in common have been sold on execution the undivided portion of any or either of them may be redeemed separately.

(h) Transfer of right of redemption. The rights of the defendant owner in relation to redemption may be assigned or transferred, and the assignee or transferee shall have the
same right of redemption as the defendant owner. The assigned or transferred right of
redemption shall not be subject to levy or sale on execution.

(i) *Holder of legal title.* The holder of the legal title at the time of issuance of
execution or order of sale shall have the same right of redemption upon the same terms
and conditions as the defendant in execution and shall be entitled to the possession of
the property the same as the defendant in execution.

(j) *Injury or waste after sale.* After the sheriff makes the deed to the purchaser or
party entitled to a deed under sale as provided in this section, the purchaser or party
may assert a claim for damages against any person committing or permitting any injury
or waste upon the property purchased after the sale and before possession is delivered
under the conveyance.

(k) *Second sale not permitted.* Real estate once sold upon order of sale, special
execution or general execution shall not again be liable for sale for any balance due
upon the judgment or decree under which it is sold, or any judgment or lien inferior
thereto, including unadjudicated junior liens filed after the petition is filed in the district
court to foreclose the senior lien against the real estate.

(l) *Injunction or receiver to protect property.* The holder of the certificate of
purchase shall be entitled to prevent any waste or destruction of the premises purchased.
For that purpose the court, on proper showing, may issue an injunction or, when
required to protect the premises against waste, appoint a receiver who shall hold the
premises until the purchaser is entitled to a deed. The receiver may rent, control and
manage the premises but the income during that time, except the fees and expenses of
the receiver and the amount that is necessary to keep up repairs, prevent waste and pay
real estate taxes and insurance premiums, shall go to the person who otherwise would
be entitled to possession during the period of redemption.

(m) *Owners reduced redemption period.* In the event a default occurs in the
conditions of the mortgage or instrument of the most senior lien foreclosed before
1/3 of the original indebtedness secured by the mortgage or lien has been paid, the court shall
order a redemption period of three months. If, after proper showing, the court finds that
the total outstanding amount of all mortgages or liens is less than 1/3 of the market value
of the property, the court shall order a redemption period of 12 months. If the court
finds after a hearing with not less than 21 days' notice to all parties, that the defendant
owner has involuntarily lost such owner's primary source of income after the date of the
foreclosure sale and prior to expiration of a three-month period of redemption, the court
can extend the three-month period of redemption an additional three months. If the
court orders a redemption period of six months or less, the right of the defendant owner
or successors and assigns to redeem is exclusive for the first two months of the
redemption period. This subsection shall not apply in the event redemption rights have
been shortened, waived or terminated pursuant to subsection (a)."

The House accedes to all Senate amendments to the bill, and your committee on conference further agrees to amend the bill, as printed with Senate Committee amendments, as follows:

On page 2, following line 10, by inserting:

"New Sec. 3. (a) On and after July 1, 2015, notwithstanding any other law to the contrary, for any order of support required to be paid through the central unit for collection and disbursement of support payments designated pursuant to K.S.A. 2012 Supp. 39-7,135, and amendments thereto, regardless of when such order was entered or modified, amounts collected by such central unit shall be distributed in accordance with rules and regulations adopted by the secretary of the department for children and
families. Such rules and regulations shall be based on child support distribution requirements as set forth in part D of title IV of the federal social security act, 42 U.S.C. § 651 et seq., as amended, and federal regulations promulgated pursuant thereto.

(b) Prior to July 1, 2015, the secretary of the department for children and families shall adopt rules and regulations to implement the provisions of this section. Such rules and regulations shall not become effective until July 1, 2015.

New Sec. 4. (a) Except as otherwise provided in this section, an income withholding order for attachment of a lump sum payment shall have the effect of attaching: (1) Any intangible property, funds, credits or other indebtedness of a non-recurring nature belonging or owing to the obligor which is due from the payor or in the possession or under the control of the payor at the time of service of the order; and (2) all such personal property becoming due to the obligor between the time the order is served on the payor and the 35th day after the date the order is served.

(b) The payor shall hold the attached funds, credits or indebtedness at least 14 days following the date the income withholding order for attachment of a lump sum payment was served. Thereafter, except as otherwise provided in this section, the payor shall remit the amount attached no later than the date the lump sum payment would have been paid to the obligor or 21 days after the date the order was served, whichever is later.

(c) The payor shall hold the attached funds, credits or indebtedness until further order of the court if, before remitting funds pursuant to subsection (b), the payor receives notice of a hearing on the obligor's claim of exemption concerning the income withholding order for attachment of a lump sum payment.

(d) This section shall be part of and supplemental to the income withholding act, K.S.A. 2012 Supp. 23-3101 et seq., and amendments thereto.

New Sec. 5. (a) Immediately following the date the income withholding order for attachment of a lump sum payment is served on the payor, the person or public office seeking the withholding shall send a notice to the obligor, notifying the obligor: (1) That an income withholding order to attach a lump sum payment has been served on the payor and the effect of such order; (2) of the obligor's right to assert any claim of exemption allowed under the income withholding act; and (3) of the obligor's right to a hearing on such claim. The notice shall be substantially in compliance with the form developed pursuant to K.S.A. 2012 Supp. 23-3113, and amendments thereto, and shall contain a description of the exemptions that are applicable under the income withholding act and the procedure by which the obligor can assert any claim of exemption.

(b) If the obligor requests a hearing to assert any claim of exemption, the request shall be filed no later than 10 days following the date the notice is served on the obligor. If a hearing is requested, the hearing shall be held by the court no sooner than five days nor later than 10 days after the request is filed. At the time the request for hearing is filed, the obligor shall obtain from the clerk of the court the date and time for the hearing which shall be noted on the request form. Immediately after the request for hearing is filed, the obligor shall hand-deliver or mail, by first-class mail, a copy of the request for hearing to the payor and to the person or public office seeking the withholding or such person's attorney, if the person is represented by an attorney.

Such collections may be remitted directly to the secretary. The secretary, and any other agency affected, shall use electronic processes to the greatest extent feasible.

(b) Except as otherwise provided in subsection (j), (k) or (m), all new or modified orders for support shall provide for immediate issuance of an income withholding order. medical withholding to the same extent as the original income withholding order that
complies with the requirements of subsection (e)(1).

(g) An income withholding order shall be binding on any existing or future payor on whom a copy of the order is served and shall require the continued withholding of income from each periodic payment of income until further order of the court or agency that issued the income withholding order. At any time following issuance of an income withholding order, a copy of the income withholding order may be served on any payor without the requirement of further notice to the obligor.

(h) Except as provided in subsection (k) or (l), at any time following entry of an order for support the obligee or public office may serve upon the obligor a written notice of intent to initiate income withholding. If any notice in the court record indicates that title IV-D services are being provided in the case, whether or not the IV-D services include enforcement of current support, the person or public office requesting issuance of the income withholding order shall obtain the consent of the IV-D agency to the terms of the proposed income withholding order.

The notice of intent to initiate income withholding shall be served on the obligor only by personal service, first-class mail or registered mail, return receipt requested. The notice served on the obligor must state: (1) The terms of the order of support and the total arrearage as of the date the notice was prepared; (2) the amount of income that will be withheld, not including premiums to satisfy a medical withholding order; (3) whether a medical withholding order will be included; (4) that the provision for withholding applies to any current or subsequent payor; (5) the procedures available for contesting the withholding and that the only basis for contestant the withholding is a mistake of fact concerning the amount of the support order, the amount of the arrearage, the amount of income to be withheld or the proper identity of the obligor; (6) the period within which the obligor must act to stay issuance of the income withholding order and that failure to take such action within the specified time will result in payors' being ordered to begin withholding; and (7) the action which will be taken if the obligor contests the withholding.

The obligor may, at any time, waive in writing the notice required by this subsection.

(i) On request of an obligor, the court shall issue an income withholding order which shall be honored by a payor regardless of whether there is an arrearage. Nothing in this subsection shall limit the right of the obligee to request modification of the income withholding order.

(j) (1) In a non-title IV-D case, upon presentation to the court of a written agreement between the parties providing for an alternative arrangement, no income withholding order shall be issued pursuant to subsection (b). In any case, before entry of a new or modified order for support, a party may request that no income withholding order be issued pursuant to subsection (b) if notice of the request has been served on all interested parties and: (A) The party demonstrates, and the court finds, that there is good cause not to require immediate income withholding; or (B) a written agreement among all interested parties provides for an alternative arrangement. If child support and maintenance payments are both made to an obligee by the same obligor, and if the court has determined that good cause has been shown that direct child support payments to the obligee may be made, then the court shall provide for direct maintenance payments to the obligee and no income withholding order shall be issued pursuant to subsection (b). In a title IV-D case, the determination that there is good cause not to require immediate income withholding must include a finding that immediate income
withholding would not be in the child's best interests and, if an obligor's existing obligation is being modified, proof of timely payment of previously ordered support.

(2) Notwithstanding the provisions of subsection (j)(1), the court shall issue an income withholding order when an affidavit pursuant to subsection (d) is filed if an arrearage exists in an amount equal to or greater than the amount of support payable for one month.

(3) If a notice pursuant to subsection (h) has been served in a title IV-D case, there is no arrearage or the arrearage is less than the amount of support payable for one month, and the obligor files a motion to stay issuance of the income withholding order based upon the court's previous finding of good cause not to require immediate income withholding pursuant to subsection (j)(1), the obligor must demonstrate the continued existence of good cause. Unless the court again finds that good cause not to require immediate income withholding exists, the court shall issue the income withholding order.

(4) If a notice pursuant to subsection (h) has been served in a title IV-D case, there is no arrearage or the arrearage is less than the amount of support payable for one month, and the obligor files a motion to stay issuance of an income withholding order based upon a previous agreement of the interested parties for an alternative arrangement pursuant to subsection (j)(1), the court shall issue an income withholding order, notwithstanding any previous agreement, if the court finds that:

(A) The agreement was not in writing;
(B) the agreement was not approved by all interested parties;
(C) the terms of the agreement or alternative arrangement are not being met;
(D) the agreement or alternative arrangement is not in the best interests of the child; or
(E) the agreement or alternative arrangement places an unnecessary burden upon the obligor, obligee or a public office.

(5) The procedures and requirements of K.S.A. 2012 Supp. 23-3106, and amendments thereto, apply to any motion pursuant to paragraph (3) or (4) of this subsection.

(k) (1) An ex parte interlocutory order for support may be enforced pursuant to subsection (b) only if the obligor has consented to the income withholding in writing.

(2) An ex parte interlocutory order for support may be enforced pursuant to subsection (c) only if 14 or more days have elapsed since the order for support was served on the obligor.

(3) Any other interlocutory order for support may be enforced by income withholding pursuant to this act in the same manner as a final order for support.

(4) No bond shall be required for the issuance of an income withholding order to enforce an interlocutory order pursuant to this act.

(l) All remittances from any income withholding order, regardless of when such order was entered or modified, shall be required to be directed to the central unit for collection and disbursement of support payments designated pursuant to K.S.A. 2012 Supp. 39-7,135, and amendments thereto.

(m) All new or modified orders for maintenance of a spouse or ex-spouse, except orders for a spouse or ex-spouse living with a child for whom an order of support is also being enforced, entered on or after July 1, 1992, shall include a provision for the withholding of income to enforce the order of support. Unless the parties consent
in writing to earlier issuance of a withholding order, withholding shall take effect only after there is an arrearage in an amount equal to or greater than the amount of support payable for two months and after service of a notice as provided in subsection (h).

Sec. 9. K.S.A. 2012 Supp. 23-3104 is hereby amended to read as follows: 23-3104.

(a) It shall be the affirmative duty of any payor to respond within 10 days to written or electronic requests for information presented by the public office concerning: (1) The full name of the obligor; (2) the current address of the obligor; (3) the obligor's social security number; (4) the obligor's work location; (5) the number of the obligor's claimed dependents; (6) the obligor's gross income; (7) the obligor's net income; (8) an itemized statement of deductions from the obligor's income; (9) the obligor's pay schedule; (10) the obligor's health insurance coverage; and (11) whether or not income owed the obligor is being withheld pursuant to this act. This is an exclusive list of the information that the payor is required to provide under this section.

(b) It shall be the duty of any payor who has been served a copy of an income withholding order for payment of an order for cash support that meets the requirements of subsection (4)(i) to deduct and pay over income as provided in this section. The payor shall begin the required deductions no later than the next payment of income due the obligor after 14 days following service of the order on the payor.

(c) Within seven business days of the time the obligor is normally paid, the payor shall pay the amount withheld as directed by the income withholding agency pursuant to K.S.A. 2012 Supp. 23-3105, and amendments thereto, as directed by the income withholding order or by a rule of the Kansas supreme court. The payor shall identify each payment with the name of the obligor, the county and case number of the income withholding order, and the date the income was withheld from the obligor. The payor shall pay the amounts withheld and identify each payment in the same business day. A payor subject to more than one income withholding order payable to the same payee may combine the amounts withheld into a single payment, but only if the amount attributable to each income withholding order is clearly identified. Premiums required for a child's coverage under a health benefit plan shall be remitted as provided in the health benefit plan and shall not be combined with any other support payment required by the income withholding order.

(d) The payor shall continue to withhold income as required by the income withholding order until further order of the court or agency.

(e) From income due the obligor, the payor may withhold and retain to defray the payor's costs a cost recovery fee of $5 for each pay period for which income support is withheld from a periodic payment or $10 for each month for which income support is withheld from a periodic payment, whichever is less. For income withholding from a lump sum payment, a cost recovery fee of up to $10 per withholding may be withheld by the payor and shall be in addition to any cost recovery fee charged for withholding from periodic payments. Any such cost recovery fee shall be in addition to the amount withheld as support.

(f) The entire sum withheld by the payor, including the cost recovery fee and premiums due from the obligor which are incurred solely because of a medical withholding order, shall not exceed the limits provided for under section 303(b) 50% of the obligor's disposable income as defined by section 302(b) of the consumer credit protection act (15 U.S.C. § 1673(b)) 1672(b). If amounts of earnings required to be withheld exceed the maximum amount of earnings which may be withheld according to
the consumer credit protection act under this section, priority shall be given to payment of current and past due support, and the payor shall promptly notify the holder of the limited power of attorney of any nonpayment of premium for a health benefit plan on the child's behalf. An income withholding order issued pursuant to this act shall not be considered a wage garnishment as defined in subsection (b) of K.S.A. 60-2310, and amendments thereto. If amounts of earnings required to be withheld in accordance with this act are less than the maximum amount of earnings which could be withheld according to section 303(b) of the consumer credit protection act, 15 U.S.C. § 1673(b), the payor shall honor garnishments filed by other creditors to the extent that the total amount taken from earnings does not exceed consumer credit protection act limitations.

(g) A payor who has been served an income withholding order by the IV-D agency which includes an amount to defray an arrearage shall contact the IV-D agency no less than 14 days prior to making payment of any lump sum amount to the obligor. The payor may make payment of the lump sum to the obligor once 14 days have passed after providing such contact unless additional process, or notice of intended process, has been received.

(h) The payor shall promptly notify the court or agency that issued the income withholding order of the termination of the obligor's employment or other source of income, or the layoff of the obligor from employment, and provide the obligor's last known address and the name and address of the individual's current employer, if known.

(i) A payor who complies with a copy of an income withholding order that is regular on its face shall not be subject to civil liability to any person or agency for conduct in compliance with the income withholding order. As used in this section, "regular on its face" means a completed document in the standard format for any income withholding notice that has been adopted by the United States secretary of health and human services in a final rule or a certified copy of the income withholding order that is in compliance with subsection (e)(1) of K.S.A. 2012 Supp. 23-3103, and amendments thereto.

(j) Except as provided further, if any payor violates the provisions of this act, the court may enter a judgment against the payor for the total amount which should have been withheld and paid over. If the payor, without just cause or excuse, fails to pay over income within the time established in subsection (c) and the obligee files a motion to have such income paid over, the court shall enter a judgment against the payor and in favor of the obligee for three times the amount of the income owed and reasonable attorney fees. If the payor, without good cause, fails to pay over the income and identify each payment in the same business day, the court shall enter a judgment against the payor and in favor of the obligee for twice the amount of the cost recovery fee, as established in subsection (e), per obligor.

(k) In addition to any judgment authorized by subsection (i), a payor shall be subject to a civil penalty not exceeding $500 and other equitable relief as the court considers proper if the payor: (1) Discharges, refuses to employ or takes disciplinary action against an obligor subject to an income withholding order because of such withholding and the obligations or additional obligations which it imposes upon the payor; or (2) fails to withhold support from income or to pay such amounts in the manner required by this act.

The provisions of this section as amended by this act shall apply to all income withheld on or after July 1, 2013, regardless of when the applicable income withholding order was entered.
order was entered or modified.

Sec. 10. K.S.A. 2012 Supp. 23-3105 is hereby amended to read as follows: 23-3105. (a) An income withholding order shall have priority over any other legal process under state law against the same income. Withholding of income under this section shall be made without regard to any prior or subsequent garnishments, attachments, wage assignments or other claims of creditors.

(b) Except as provided by K.S.A. 60-2310, and amendments thereto, any state law which limits or exempts income from legal process or the amount or percentage of income that can be withheld shall not apply to withholding income under this act.

(c) Subject to the provisions of K.S.A. 2012 Supp. 23-36,503, and amendments thereto, if more than one income withholding order requires withholding from the same source of income of a single obligor, the payor shall withhold and disburse as ordered the total amount required by all income withholding orders if such amount does not exceed the limits of subsection (f) of K.S.A. 2012 Supp. 23-3104, and amendments thereto, as shown in the withholding order which specifies the highest percentage of income allowed to be withheld. If the total amount required by all income withholding orders, including premiums due from the obligor which are incurred solely because of a medical withholding order, exceeds such limits, the payor shall withhold the amount permitted to be withheld under such limits and from the amount withheld the payor shall retain any cost recovery fee charged by the payor. The remaining funds shall first be prorated by the payor among all income withholding orders for the obligor that require payment of current support. When all current support for the month has been satisfied, any remaining funds shall be prorated among all income withholding orders for the obligor that require payment of an amount for arrearages. With respect to a medical withholding order, the payor shall promptly notify the affected holder of the limited power of attorney of any nonpayment of premium. The payor may request assistance from the income withholding agency in determining the amount to be disbursed for each income withholding order, but such assistance shall not relieve the payor from any responsibility under this act. Upon request of a public office or of any obligee whose income withholding order is affected by this subsection, the payor shall provide the county, case number and terms of all the obligor's income withholding orders.

(d) The provisions of this section as amended by this act shall apply to all income withheld on or after July 1, 1992, regardless of when the applicable income withholding order was entered or modified.

Sec. 11. K.S.A. 2012 Supp. 39-7,147 is hereby amended to read as follows: 39-7,147. (a) Except as otherwise provided in K.S.A. 39-7,149 or K.S.A. 2012 Supp. 23-3103, and amendments thereto, if no income withholding order is in effect to enforce a support order in a title IV-D case, an income withholding order may be entered by the secretary. A notice of intent to initiate income withholding, as described in K.S.A. 2012 Supp. 23-3103, and amendments thereto, shall be served on the responsible parent at least seven days before the secretary issues the income withholding order. If the amount of arrearages is less than the amount of current support due for one month, the requirements of subsection (d) must be met. The income withholding order shall conform to the requirements of the income withholding act, and amendments thereto and shall have the same force and effect as an income withholding order issued by a district court of this state.
(b) If an income withholding order is issued by the secretary to enforce a support order entered by a court of this state, the original document shall be delivered for filing to the clerk of the court that entered the support order. Thereafter, if the secretary is no longer providing title IV-D services in the case, the clerk of the district court shall use the income withholding order issued by the secretary in the same manner as an income withholding order issued by the court.

(c) If an income withholding order is issued by the secretary to enforce a support order entered by a tribunal of another state, the secretary shall transmit a copy of the income withholding order issued by the secretary in the same manner as an income withholding order issued by the court.

(d) If there are no arrearages or the amount of arrearages under the support order is less than the amount of current support due for one month, the secretary may initiate income withholding only if:
   (1) Any arrearages are owed;
   (2) a medical child support order exists;
   (3) the secretary determines that immediate issuance of the income withholding order was required by K.S.A. 2012 Supp. 23-3103, and amendments thereto, or by a similar law of another state, but no income withholding order was entered;
   (4) the responsible parent consents;
   (5) required payments have been received after the due date at least twice within the preceding 12 months, regardless of whether any arrearages are owed; or
   (6) the support order was entered by a tribunal of another state.

(e) If the support order was entered by or registered with a court of this state, the notice of intent to initiate income withholding shall be served on the responsible parent by only personal service, first-class mail or registered mail, return receipt requested. In all other cases, the notice of intent to initiate income withholding shall be served upon the responsible parent only by personal service or registered mail, return receipt requested.

Sec. 12. K.S.A. 39-7,148 is hereby amended to read as follows: 39-7,148. (a) At any time after issuing an income withholding order, the secretary shall: (1) Modify or terminate the income withholding order because of a modification or termination of the underlying support order; (2) modify the amount of income withheld to reflect payment in full of the arrearages; (3) modify or terminate the income withholding order to reflect the final order in a fair hearing pursuant to K.S.A. 75-3306, and amendments thereto; or (4) modify, or when appropriate terminate, an income withholding order consisting in whole or in part of a medical withholding order because of a modification or termination of the underlying medical child support order.

(b) In addition to modifications required by subsection (a), at any time the secretary may issue a modified income withholding order: (1) To change the amount to be withheld to defray arrearages; or (2) to conform the terms of a medical withholding order to the requirements of a payer. The provisions of this subsection shall apply only to income withholding orders issued pursuant to K.S.A. 39-7,147, and amendments thereto, including any modifications of such orders.

(c) The secretary shall provide notice of any proposed modification to the responsible parent by only personal service, first-class mail or registered mail, return receipt requested, at least 14 days before entry of the modified income withholding order. The responsible parent may request: (1) An administrative hearing pursuant to K.S.A. 75-3306, and amendments thereto, for review of the proposed modification by
complying with procedures established by the secretary within ten days after service of the notice; or (2) a de novo court review pursuant to K.S.A. 39-7,139, and amendments thereto. If the notice is served by mail, the time for requesting review shall be extended by three days. If the proposed modification increases the total amount to be withheld from the responsible parent's income, entry of the modified income withholding order shall be stayed pending resolution of the review. In all other instances, entry of the proposed modification shall be stayed only for cause. The issues in the administrative hearing shall be limited to whether the amount of current support is as stated in the proposed modification and whether the total arrearages are less than the proposed installment to defray arrearages.

(d) The responsible parent may request that the secretary terminate an income withholding order for cash support if: (1) Withholding has not previously been terminated and reinitiated; and (2) there is a written agreement among the parties that provides for an alternative arrangement. If an income withholding order is terminated and the obligor subsequently accrues any arrearages, the secretary may issue another income withholding order as provided in K.S.A. 39-7,147, and amendments thereto.

(e) If the income withholding order includes both a medical withholding order and an income withholding order for cash support, modification or termination of one portion of the income withholding order shall not modify or terminate any other portion of the income withholding order except as expressly provided in the order.

(f) The provisions of K.S.A. 39-7,147, and amendments thereto, relating to transmitting income withholding orders to the tribunal that issued the underlying support order, shall apply to any order issued modifying or terminating income withholding that is issued pursuant to this section."

Conferees on part of House

On motion of Rep. Kinzer, the conference committee report on HB 2015 was adopted.

On roll call, the vote was: Yeas 117; Nays 4; Present but not voting: 0; Absent or not voting: 4.
Nays: Kahrs, Kuether, Tietze, Ward.
Present but not voting: None.
Absent or not voting: Montgomery, Osterman, Peterson, Shultz.

EXPLANATION OF VOTE

Mr. Speaker: This legislation impedes creditors' right to collect legal debt and burdens creditors to prove that the conveyance of a gift is fraudulent. Public policy has long held this exception to protect creditors from fraudulent conveyances. It undermines the marriage covenant. Marriage is a special relationship like none other. Typical marriage vows include the words, “for better, for worse, for richer, for poorer.” In other words, marriage partners share everything including: riches/financial burdens; successes/failures; good times/bad times. By removing this exception in the law it creates an undue burden on creditors and undermines and weakens the institution of marriage. I vote no on CCR for HB 2015.--Mark Kahrs

Prayer by Chaplain Brubaker:

Dear Father God,
Thank You for this opportunity to once again
gather together, and before making important decisions,
ask You to grant us Your wisdom, guidance and will.
For several weeks we have been praying and asking
many things from You...wisdom, direction, compassion,
patience, longsuffering, and a spirit of cooperation.
Today we want to thank You for all you have
helped us to accomplish.
Some may feel exuberant for accomplishments made.
Some may feel discouragement for not being able
to achieve that which they desired.
The important thing for all of us is to know
that we did our best, worked our hardest,
kept our integrity, and respected one another.
If we haven’t done this, please forgive us Lord.
Help us to remember that we are still making decisions
that affect thousands of lives,
and to rush these decisions in light
of our personal schedules and interest
would prove us to be irresponsible leaders.
So grant us patience, wisdom and direction
in order to keep the respect and confidence of the people
who have placed us in leadership.
In Christ’s Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Davis.
INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Petty are spread upon the Journal:

I am joined today by Liberal High School Principal Keith Adams, and Deputy Superintendent of USD 480 Paul Larkin.

There are 369 high schools in the state of Kansas. Liberal High School which was where I graduated from in 2004 was recently ranked the 7th best high school in the state of Kansas by the U.S. News & World Report. Liberal was also ranked better than any other high school in western Kansas.

U.S. News and World Report also reviewed a total of 21,035 U.S. public high schools overall and 31 Kansas schools received a Gold, Silver, or Bronze medal. Liberal received a silver and made the top 10% nationwide.

The criteria for the rankings included student to teacher ratio, college readiness, along with math and reading proficiency.

Liberal High School Principal Keith Adams and his staff, along with the students of LHS have all done a great job of turning itself into an award winning school. When Mr. Adams took over as Principal test scores were low and Liberal wasn’t near any sort of positive ranking. The high school has also had the challenge of having a 78% total minority enrollment. However, Mr. Adams and his staff didn’t use that as an excuse for not succeeding. Instead they rolled their sleeves up and went to work and their hard work has paid off as they have quickly turned the high school around. The one thing I’ll guarantee you though is they aren’t content. They will keep working to make LHS even better.

Principal Keith Adams is here today along with Deputy Superintendent Paul Larkin on behalf of Liberal High School and USD 480. I would like to commend them and all of the students, staff, and administrators of USD 480 who made it possible for LHS to become an award winning school. I have a certificate here I would like to present you both to take back to Liberal High School. Keep up the good work and remember it is always a great day to be a Redskin!

Rep. Petty presented framed House certificates to Mr. Adams and Mr. Larkin.

INTRODUCTION OF ORIGINAL MOTIONS AND HOUSE RESOLUTIONS

Victors, Ward, Waymaster, Weber, Whipple, Wilson, Winn and Wolfe Moore, was introduced and adopted.

HOUSE RESOLUTION No. **HR 6031**

A RESOLUTION celebrating the 10th anniversary of Kansas' bilateral relationship with the Republic of Armenia.

WHEREAS, This year the State of Kansas and the Republic of Armenia are celebrating the 10th anniversary of the bilateral relationship established in 2003; and

WHEREAS, The National Guard State Partnership Program links U.S. states with partner countries for the purpose of supporting the security cooperation objectives of the United States; and

WHEREAS, The program's goals reflect an evolving international affairs mission for the National Guard using the unique civil-military nature to interact with both active and reserve forces of foreign countries; and

WHEREAS, Over 125 engagements have occurred and 350 military members have traveled between Kansas and Armenia since the partnership began; and

WHEREAS, Kansas and Armenia have expanded beyond a military relationship to include relationships and engagements between Kansas agencies and law enforcement entities and their counterparts within the Armenian government; and

WHEREAS, This partnership takes advantage of the unique attributes of America's citizen-soldiers to promote political, economic and social development: Now, therefore,

Be it resolved by the House of Representatives of the State of Kansas: That we celebrate the 10th anniversary of Kansas' bilateral relationship with the Republic of Armenia. This has been a great partnership for the State of Kansas, and we are excited for its future success; and

Be it further resolved: That the Chief Clerk of the House of Representatives be directed to provide an enrolled copy of this resolution to The Office of the Adjutant General, the U.S. Ambassador to Armenia, Representative Weigel and Representative Meier.

There being no objection, the following remarks of Reps. Meier, Carlin, Weigel and Goico are spread upon the Journal:

Remarks by Rep. Meier:

The National Guard State Partnership Program was established shortly after the fall of the Soviet Union, to build bilateral relationships with the new nations that had been former states of the Soviet Union. Since that time it has evolved to include countries around the world and every State’s National Guard throughout the United States. The program’s goal is to form bilateral cooperation and support of the United States’ and each country’s mutual national security objectives.

Remarks by Rep. Carlin:

Since 2003, the state of Kansas has partnered with the Republic of Armenia. The Republic of Armenia is located in the southern Caucuses. It is bordered by Georgia to the north, Iran to the south, Turkey to the west, and Azerbaijan to the east. The total population is around 3 million, with about 46% of the labor force working in agriculture.

The partnership program promotes political, economic and social development as well as military cooperation by taking advantage of the unique civil-military nature of...
the National Guard and its citizen-soldiers, because each guardsman has a profession outside of the military. And just maybe, Kansas has a special link to Armenia because an Armenian doctor saved the life of Senator Bob Dole during World War II. And although the relationship between Kansas and Armenia was primarily established for military cooperation, it has evolved into other aspects of life.

Remarks by Rep Weigel:

The Kansas National Guard has concentrated its military efforts to assist the Armenian Ministry of Defense in its peacekeeping capability by being co-located with Armenian troops during deployments to Kosovo and Iraq. Kansas is also assisting Armenia with the development of their Non-Commissioned Officer Corps and has recently sent Kansas medical service personnel to assist in the development of Mobile hospitals that can be used as regional emergency response assets.

Besides sending agricultural teams to Armenia, Kansas is also assisting Armenia with its agricultural bio-security program. The National Ag-Biosecurity Center at Kansas State University has worked with Armenia in developing a national Agriculture Foreign Disease response plan. Workshops and tabletop exercises were conducted in 2009 and 2010 in Armenia and an Armenian delegation also observed a Foreign Animal Disease response exercise in Kansas in 2010.

Kansas is assisting Armenia with its Nuclear Power program. Representatives from the Kansas Adjutant General’s Department of Emergency Management participated in a Nuclear Power Plant exercise in Armenia in 2009 and Kansas has hosted the Armenian Rescue Service and a delegation from several ministries to observe a Wolf Creek joint exercise in Kansas.

Kansas and Armenia have partnered in various Law Enforcement training exercises and programs. Four Kansas Law Enforcement Departments have partnered with the Armenia Bureau of International Narcotics and Law Enforcement to participate in a Law enforcement reform initiative. This will be a multi-year engagement between Kansas law enforcement institutions and Armenia’s state police. Senior officials from the Kansas City, Overland Park, and Topeka Police Departments, along with the Kansas Law Enforcement Training Center in Hutchinson have met with their Armenian counterparts to formalize their relationships in Kansas and Armenia and have focused on community policing and internal review processes as well as civil restraint.

Remarks by Rep Goico:

Today we are honored to have actual representatives of our Kansas and Armenian partnership here. They are here on this visit to observe firsthand how Kansas law enforcement officers handle crime scenes; recover, process and store evidence; and how crime analysts are able to track and predict future crime trends. We would like to welcome them to Kansas. We have:

Mr. Sergey Abrahanyan, the Head of the International Legal Provision Branch and Deputy Head of the Defense Policy Department

Colonel Sasun Simonyan, the Deputy Head of the Legal Department

"Section 1. K.S.A. 2012 Supp. 8-2107 is hereby amended to read as follows: 8-2107. (a) (1) Notwithstanding any other provisions of the uniform act regulating traffic on highways, when a person is stopped by a police officer for any of the offenses described in subsection (d) and such person is not immediately taken before a judge of the district court, the police officer may require the person stopped, subject to the provisions of subsection (c), to deposit with the officer a valid Kansas driver's license in exchange for a receipt therefor issued by such police officer, the form of which shall be approved by the division of vehicles. Such receipt shall be recognized as a valid temporary Kansas driver's license authorizing the operation of a motor vehicle by the person stopped until the date of the hearing stated on the receipt. The driver's license and a written copy of the notice to appear shall be delivered by the police officer to the court having jurisdiction of the offense charged as soon as reasonably possible. If the hearing on such charge is continued for any reason, the judge may note on the receipt the date to which such hearing has been continued and such receipt shall be recognized as a valid temporary Kansas driver's license until such date, but in no event shall such receipt be recognized as a valid Kansas driver's license for a period longer than 30 days from the date set for the original hearing. Any person who has deposited a driver's license with a police officer under this subsection (a) shall have such license returned upon final determination of the charge against such person.
(2) In the event the person stopped deposits a valid Kansas driver's license with the police officer and fails to appear in the district court on the date set for appearance, or any continuance thereof, and in any event within 30 days from the date set for the original hearing, the court shall forward such person's driver's license to the division of
vehicles with an appropriate explanation attached thereto. Upon receipt of such person's driver's license, the division shall suspend such person's privilege to operate a motor vehicle in this state until such person appears before the court having jurisdiction of the offense charged, the court makes a final disposition thereof and notice of such disposition is given by the court to the division. No new or replacement license shall be issued to any such person until such notice of disposition has been received by the division. The provisions of K.S.A. 8-256, and amendments thereto, limiting the suspension of a license to one year, shall not apply to suspensions for failure to appear as provided in this subsection (a).

(b) No person shall apply for a replacement or new driver's license prior to the return of such person's original license which has been deposited in lieu of bond under this section. Violation of this subsection (b) is a class C misdemeanor. The division may suspend such person's driver's license for a period of not to exceed one year from the date the division receives notice of the disposition of the person's charge as provided in subsection (a).

(c) (1) In lieu of depositing a valid Kansas driver's license with the stopping police officer as provided in subsection (a), the person stopped may elect to give bond in the amount specified in subsection (d) for the offense for which the person was stopped. When such person does not have a valid Kansas driver's license, such person shall give such bond. Such bond shall be subject to forfeiture if the person stopped does not appear at the court and at the time specified in the written notice provided for in K.S.A. 8-2106, and amendments thereto.

(2) Such bond may be a cash bond, a bank card draft from any valid and unexpired credit card approved by the division of vehicles or superintendent of the Kansas highway patrol or a guaranteed arrest bond certificate issued by either a surety company authorized to transact such business in this state or an automobile club authorized to transact business in this state by the commissioner of insurance. If any of the approved bank card issuers redeem the bank card draft at a discounted rate, such discount shall be charged against the amount designated as the fine for the offense. If such bond is not forfeited, the amount of the bond less the discount rate shall be reimbursed to the person providing the bond by the use of a bank card draft. Any such guaranteed arrest bond certificate shall be signed by the person to whom it is issued and shall contain a printed statement that such surety company or automobile club guarantees the appearance of such person and will, in the event of failure of such person to appear in court at the time of trial, pay any fine or forfeiture imposed on such person not to exceed an amount to be stated on such certificate.

(3) Such cash bond shall be taken in the following manner: The police officer shall furnish the person stopped a stamped envelope addressed to the judge or clerk of the court named in the written notice to appear and the person shall place in such envelope the amount of the bond, and in the presence of the police officer shall deposit the same in the United States mail. After such cash payment, the person stopped need not sign the written notice to appear, but the police officer shall note the amount of the bond mailed on the notice to appear form and shall give a copy of such form to the person. If the person stopped furnishes the police officer with a guaranteed arrest bond certificate or bank card draft, the police officer shall give such person a receipt therefor and shall note the amount of the bond on the notice to appear form and give a copy of such form to the person stopped. Such person need not sign the written notice to appear, and the police
officer shall present the notice to appear and the guaranteed arrest bond certificate or bank card draft to the court having jurisdiction of the offense charged as soon as reasonably possible.

(d) The offenses for which appearance bonds may be required as provided in subsection (c) and the amounts thereof shall be as follows:

On and after July 1, 1996:

- Reckless driving: $82
- Driving when privilege is canceled, suspended or revoked: $82
- Failure to comply with lawful order of officer: $57
- Registration violation (registered for 12,000 pounds or less): $52
- Registration violation (registered for more than 12,000 pounds): $92
- No driver's license for the class of vehicle operated or violation of restrictions: $52
- Spilling load on highway: $52
- Transporting open container of alcoholic liquor or cereal malt beverage accessible while vehicle in motion: $223

(e) In the event of forfeiture of any bond under this section, $75 of the amount forfeited shall be regarded as a docket fee in any court having jurisdiction over the violation of state law.

(f) None of the provisions of this section shall be construed to conflict with the provisions of the nonresident violator compact.

(g) When a person is stopped by a police officer for any traffic infraction and the person is a resident of a state which is not a member of the nonresident violator compact, K.S.A. 8-1219 et seq., and amendments thereto, or the person is licensed to drive under the laws of a foreign country, the police officer may require a bond as provided for under subsection (c). The bond shall be in the amount specified in the uniform fine schedule in subsection (c) of K.S.A. 8-2118, and amendments thereto, plus $75 which shall be regarded as a docket fee in any court having jurisdiction over the violation of state law.

(h) When a person is stopped by a police officer for failure to provide proof of financial security pursuant to K.S.A. 40-3104, and amendments thereto, and the person is a resident of another state or the person is licensed to drive under the laws of a foreign country, the police officer may require a bond as provided for under subsection (c). The bond shall be in the amount of $75, plus $75 which shall be regarded as a docket fee in any court having jurisdiction over the violation of state law.

(i) Except as provided further, the docket fee established in this section shall be the only fee collected or moneys in the nature of a fee collected for the docket fee. Such fee shall only be established by an act of the legislature and no other authority is established by law or otherwise to collect a fee. On and after the effective date of this act through June 30, 2013, the supreme court may impose an additional charge, not to exceed $22 per docket fee, to fund the costs of non-judicial personnel.

Sec. 2. K.S.A. 2012 Supp. 8-2110 is hereby amended to read as follows: 8-2110. (a) Failure to comply with a traffic citation means failure either to: (1) Appear before any
district or municipal court in response to a traffic citation and pay in full any fine and court costs imposed; or (2) otherwise comply with a traffic citation as provided in K.S.A. 8-2118, and amendments thereto. Failure to comply with a traffic citation is a misdemeanor, regardless of the disposition of the charge for which such citation was originally issued.

(b) (1) In addition to penalties of law applicable under subsection (a), when a person fails to comply with a traffic citation, except for illegal parking, standing or stopping, the district or municipal court in which the person should have complied with the citation shall mail notice to the person that if the person does not appear in district or municipal court or pay all fines, court costs and any penalties within 30 days from the date of mailing notice, the division of vehicles will be notified to suspend the person's driving privileges. The district or municipal court may charge an additional fee of $5 for mailing such notice. Upon the person's failure to comply within such 30 days of mailing notice, the district or municipal court shall electronically notify the division of vehicles. Upon receipt of a report of a failure to comply with a traffic citation under this subsection, pursuant to K.S.A. 8-255, and amendments thereto, the division of vehicles shall notify the violator and suspend the license of the violator until satisfactory evidence of compliance with the terms of the traffic citation has been furnished to the informing court. When the court determines the person has complied with the terms of the traffic citation, the court shall immediately electronically notify the division of vehicles of such compliance. Upon receipt of notification of such compliance from the informing court, the division of vehicles shall terminate the suspension or suspension action.

(2) (A) In lieu of suspension under paragraph (1), the driver may submit to the division of vehicles a written request for restricted driving privileges, with a non-refundable $25 application fee, to be applied by the division of vehicles for additional administrative costs to implement restricted driving privileges. The division shall remit all restricted driving privilege application fees to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the division of vehicles operating fund.

(B) Upon review and approval of the driver's eligibility, the driving privileges will be restricted by the division of vehicles for a period up to one year or until the terms of the traffic citation have been complied with and the court shall immediately electronically notify the division of vehicles of such compliance. If the driver fails to comply with the traffic citation within the one year restricted period, the driving privileges will be suspended by the division of vehicles until the court determines the person has complied with the terms of the traffic citation and the court shall immediately electronically notify the division of vehicles of such compliance. Upon receipt of notification of such compliance from the informing court, the division of vehicles shall terminate the suspension action. When restricted driving privileges are approved pursuant to this section, the person's driving privileges shall be restricted to driving only under the following circumstances: (i) In going to or returning from the person's place of employment or schooling; (ii) in the course of the person's employment; (iii) during a medical emergency; and (iv) in going to and returning from probation or parole meetings, drug or alcohol counseling or any place the person is required to go by a court. The provisions of this paragraph shall expire on January 1,
(c) Except as provided in subsection (d), when the district or municipal court notifies the division of vehicles of a failure to comply with a traffic citation pursuant to subsection (b), the court shall assess a reinstatement fee of $59 for each charge on which the person failed to make satisfaction regardless of the disposition of the charge for which such citation was originally issued and regardless of any application for restricted driving privileges. Such reinstatement fee shall be in addition to any fine, restricted driving privilege application fee, district or municipal court costs and other penalties. The court shall remit all reinstatement fees to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury and shall credit 42.37% of such moneys to the division of vehicles operating fund, 31.78% to the community alcoholism and intoxication programs fund created by K.S.A. 41-1126, and amendments thereto, 10.59% to the juvenile detention facilities fund created by K.S.A. 79-4803, and amendments thereto, and 15.26% to the judicial branch nonjudicial salary adjustment fund created by K.S.A. 2012 Supp. 20-1a15, and amendments thereto.

(d) The district court or municipal court shall waive the reinstatement fee provided for in subsection (c), if the failure to comply with a traffic citation was the result of such person enlisting in or being drafted into the armed services of the United States, being called into service as a member of a reserve component of the military service of the United States, or volunteering for such active duty, or being called into service as a member of the state of Kansas national guard, or volunteering for such active duty, and being absent from Kansas because of such military service. In any case of a failure to comply with a traffic citation which occurred on or after August 1, 1990, and prior to the effective date of this act, in which a person was assessed and paid a reinstatement fee and the person failed to comply with a traffic citation because the person was absent from Kansas because of any such military service, the reinstatement fee shall be reimbursed to such person upon application therefor. The state treasurer and the director of accounts and reports shall prescribe procedures for all such reimbursement payments and shall create appropriate accounts, make appropriate accounting entries and issue such appropriate vouchers and warrants as may be required to make such reimbursement payments.

(e) Except as provided further, the reinstatement fee established in this section shall be the only fee collected or moneys in the nature of a fee collected for such reinstatement. Such fee shall only be established by an act of the legislature and no other authority is established by law or otherwise to collect a fee. On and after the effective date of this act through June 30, 2013, July 1, 2013, through July 1, 2015, the supreme court may impose an additional charge, not to exceed $22 per reinstatement fee, to fund the costs of non-judicial personnel.

(4) the conviction may be disclosed in a subsequent prosecution for an offense which requires as an element of such offense a prior conviction of the type expunged; and 

(5) upon commitment to the custody of the secretary of corrections, any previously expunged record in the possession of the secretary of corrections may be reinstated and the expungement disregarded, and the record continued for the purpose of the new commitment.

(i) Whenever a person is convicted of a crime, pleads guilty and pays a fine for a crime, is placed on parole, postrelease supervision or probation, is assigned to a community correctional services program, is granted a suspended sentence or is released on conditional release, the person shall be informed of the ability to expunge the arrest records or conviction. Whenever a person enters into a diversion agreement,
the person shall be informed of the ability to expunge the diversion.

(j) Subject to the disclosures required pursuant to subsection (h), in any application for employment, license or other civil right or privilege, or any appearance as a witness, a person whose arrest records, conviction or diversion of a crime has been expunged under this statute may state that such person has never been arrested, convicted or diverted of such crime, but the expungement of a felony conviction does not relieve an individual of complying with any state or federal law relating to the use or possession of firearms by persons convicted of a felony.

(k) Whenever the record of any arrest, conviction or diversion has been expunged under the provisions of this section or under the provisions of any other existing or former statute, the custodian of the records of arrest, conviction, diversion and incarceration relating to that crime shall not disclose the existence of such records, except when requested by:

1. The person whose record was expunged;
2. A private detective agency or a private patrol operator, and the request is accompanied by a statement that the request is being made in conjunction with an application for employment with such agency or operator by the person whose record has been expunged;
3. A court, upon a showing of a subsequent conviction of the person whose record has been expunged;
4. The secretary of social and rehabilitation services, or a designee of the secretary, for the purpose of obtaining information relating to employment in an institution, as defined in K.S.A. 76-12a01, and amendments thereto, of any person whose record has been expunged;
5. A person entitled to such information pursuant to the terms of the expungement order;
6. A prosecutor, and such request is accompanied by a statement that the request is being made in conjunction with a prosecution of an offense that requires a prior conviction as one of the elements of such offense;
7. The supreme court, the clerk or disciplinary administrator thereof, the state board for admission of attorneys or the state board for discipline of attorneys, and the request is accompanied by a statement that the request is being made in conjunction with an application for admission, or for an order of reinstatement, to the practice of law in this state by the person whose record has been expunged;
8. The docket fee for proceedings under this code, if one is assessed as provided in this section, shall be $34. Only one docket fee shall be assessed in each case. Except as provided further, the docket fee established in this section shall be the only fee collected or moneys in the nature of a fee collected for the docket fee. Such fee shall only be established by an act of the legislature and no other authority is established by law or otherwise to collect a fee. On and after the effective date of this act through June 30, 2013, July 1, 2013, through July 1, 2015, the supreme court may impose an additional charge, not to exceed $22 per docket fee, to fund the costs of non-judicial personnel.

(2) Except as provided further, the docket fee established in this section shall be the only fee collected or moneys in the nature of a fee collected for the docket fee. Such fee shall only be established by an act of the legislature and no other authority is established by law or otherwise to collect a fee. On and after the effective date of this act through June 30, 2013, July 1, 2013, through July 1, 2015, the supreme court may impose an additional charge, not to exceed $22 per docket fee, to fund the costs of non-judicial personnel.

(b) Poverty affidavit in lieu of docket fee and exemptions. The provisions of subsection (b) of K.S.A. 60-2001 and K.S.A. 60-2005, and amendments thereto, shall apply to probate docket fees prescribed by this section.

(c) Disposition of docket fee. Statutory charges for the law library and for the prosecuting attorneys’ training fund shall be paid from the docket fee. The remainder of the docket fee shall be paid to the state treasurer in accordance with K.S.A. 20-362, and amendments thereto.

(d) Additional court costs. Other fees and expenses to be assessed as additional court costs shall be approved by the court, unless specifically fixed by statute. Other fees shall include, but not be limited to, witness fees, appraiser fees, fees for service of process outside the state, fees for depositions, transcripts and publication of legal notice,
executor or administrator fees, attorney fees, court costs from other courts and any other fees and expenses required by statute. All additional court costs shall be taxed and billed against the parties or estate as directed by the court. No sheriff in this state shall charge any district court in this state a fee or mileage for serving any paper or process.

Sec. 16. K.S.A. 2012 Supp. 60-2001 is hereby amended to read as follows: 60-2001. (a) Docket fee. Except as otherwise provided by law, no case shall be filed or docketed in the district court, whether original or appealed, without payment of a docket fee in the amount of $156 on and after July 1, 2009 through June 30, 2013, and $154 on and after July 1, 2013, to the clerk of the district court. Except as provided further, the docket fee established in this subsection shall be the only fee collected or moneys in the nature of a fee collected for the docket fee. Such fee shall only be established by an act of the legislature and no other authority is established by law or otherwise to collect a fee. On and after the effective date of this act through June 30, 2013, through July 1, 2015, the supreme court may impose an additional charge, not to exceed $22 per docket fee, to fund the costs of non-judicial personnel.

(b) Poverty affidavit in lieu of docket fee. (1) Effect. In any case where a plaintiff by reason of poverty is unable to pay a docket fee, and an affidavit so stating is filed, no fee will be required. An inmate in the custody of the secretary of corrections may file a poverty affidavit only if the inmate attaches a statement disclosing the average account balance, or the total deposits, whichever is less, in the inmate's trust fund for each month in: (A) The six-month period preceding the filing of the action; or (B) the current period of incarceration, whichever is shorter. Such statement shall be certified by the secretary. On receipt of the affidavit and attached statement, the court shall determine the initial fee to be assessed for filing the action and in no event shall the court require an inmate to pay less than $3. The secretary of corrections is hereby authorized to disburse money from the inmate's account to pay the costs as determined by the court. If the inmate has a zero balance in such inmate's account, the secretary shall debit such account in the amount of $3 per filing fee as established by the court until money is credited to the account to pay such docket fee. Any initial filing fees assessed pursuant to this subsection shall not prevent the court, pursuant to subsection (d), from taxing that individual for the remainder of the amount required under subsection (a) or this subsection.

(2) Form of affidavit. The affidavit provided for in this subsection shall be in the following form and attached to the petition:

State of Kansas, ____________ County.
In the district court of the county: I do solemnly swear that the claim set forth in the petition herein is just, and I do further swear that, by reason of my poverty, I am unable to pay a docket fee.

(c) Disposition of fees. The docket fees and the fees for service of process shall be the only costs assessed in each case for services of the clerk of the district court and the sheriff. For every person to be served by the sheriff, the persons requesting service of process shall provide proper payment to the clerk and the clerk of the district court shall forward the service of process fee to the sheriff in accordance with K.S.A. 28-110, and amendments thereto. The service of process fee, if paid by check or money order, shall be made payable to the sheriff. Such service of process fee shall be submitted by the sheriff at least monthly to the county treasurer for deposit in the county treasury and credited to the county general fund. The docket fee shall be disbursed in accordance
with K.S.A. 20-362, and amendments thereto.

(d) Additional court costs. Other fees and expenses to be assessed as additional court costs shall be approved by the court, unless specifically fixed by statute. Other fees shall include, but not be limited to, witness fees, appraiser fees, fees for service of process, fees for depositions, alternative dispute resolution fees, transcripts and publication, attorney fees, court costs from other courts and any other fees and expenses required by statute. All additional court costs shall be taxed and billed against the parties as directed by the court. No sheriff in this state shall charge any mileage for serving any papers or process.

Sec. 17. K.S.A. 2012 Supp. 60-2203a is hereby amended to read as follows: 60-2203a. (a) After the commencement of any action in any district court of this state, or the courts of the United States in the state of Kansas or in any action now pending heretofore commenced in such courts, which does not involve title to real estate, any party to such action may give notice in any other county of the state of the pendency of the action by filing for record with the clerk of the district court of such other county a verified statement setting forth the parties to the action, the nature of the action, the court in which it is pending, and the relief sought, which shall impart notice of the pendency of the action and shall result in the same lien rights as if the action were pending in that county. The lien shall be effective from the time the statement is filed, but not to exceed four months prior to the entry of judgment except as provided in subsection (c). The party filing such notice shall within 30 days after any satisfaction of the judgment entered in such action, or any other final disposition thereof, cause to be filed with such clerk of the district court a notice that all claims in such action are released. If the party filing fails or neglects to do so after reasonable demand by any party in interest, such party shall be liable in damages in the same amounts and manner as is provided by law for failure of a mortgagee to enter satisfaction of a mortgage. Upon the filing of such a notice of the pendency of an action the clerk shall charge a fee of $14 and shall enter and index the action in the same manner as for the filing of an original action. Upon the filing of a notice of release, the notice shall likewise be entered on the docket. Except as provided further, the fee established in this subsection shall be the only fee collected or moneys in the nature of a fee collected for the court procedure. Such fee shall only be established by an act of the legislature and no other authority is established by law or otherwise to collect a fee. On and after the effective date of this act through June 30, 2013, July 1, 2013, through July 1, 2015, the supreme court may impose an additional charge, not to exceed $22 per fee, to fund the costs of non-judicial personnel.

(b) Any notice of the type provided for in subsection (a) which was filed on or after January 10, 1977, and prior to the effective date of this act shall be deemed to impart notice of the pendency of the action in the same manner as if the provisions of subsection (a) were in force and effect on and after January 10, 1977.

(c) Notwithstanding the foregoing provisions of this section, the filing of a notice of the pendency of an action pursuant to subsection (a) shall create no lien rights against the property of an employee of the state or a municipality prior to the date judgment is rendered if the pleadings in the pending action allege a negligent or wrongful act or omission of the employee while acting within the scope of such employee's employment, regardless of whether or not it is alleged in the alternative that the employee was acting outside of such employee's employment. A judgment against an
employee shall become a lien upon such employee's property in the county where notice is filed pursuant to subsection (a) when the judgment is rendered only if it is found that: (1) The employee's negligent or wrongful act or omission occurred when the employee was acting outside the scope of such employee's employment; or (2) the employee's conduct which gave rise to the judgment was because of actual fraud or actual malice of the employee. In such cases the lien shall not be effective prior to the date judgment was rendered. As used in this subsection (c), "employee" shall have the meaning ascribed to such term in K.S.A. 75-6102, and amendments thereto.

Sec. 18. K.S.A. 2012 Supp. 61-2704 is hereby amended to read as follows: 61-2704. (a) An action seeking the recovery of a small claim shall be considered to have been commenced at the time a person files a written statement of the person's small claim with the clerk of the court if, within 90 days after the small claim is filed, service of process is obtained or the first publication is made for service by publication. Otherwise, the action is deemed commenced at the time of service of process or first publication. An entry of appearance shall have the same effect as service.

(b) Upon the filing of a plaintiff's small claim, the clerk of the court shall require from the plaintiff a docket fee of $39 on and after July 1, 2009, through June 30, 2013, and $37 on and after July 1, 2013, if the claim does not exceed $500; or $59 on and after July 1, 2009, through June 30, 2013, and $57 on and after July 1, 2013, if the claim exceeds $500; unless for good cause shown the judge waives the fee. The docket fee shall be the only costs required in an action seeking recovery of a small claim. No person may file more than 20 small claims under this act in the same court during any calendar year.

(c) Except as provided further, the docket fee established in this section shall be the only fee collected or moneys in the nature of a fee collected for the docket fee. Such fee shall only be established by an act of the legislature and no other authority is established by law or otherwise to collect a fee. On and after the effective date of this act through June 30, 2013, through July 1, 2015, the supreme court may impose an additional charge, not to exceed $12.50 per docket fee, to fund the costs of non-judicial personnel.

If judgment is rendered for the plaintiff, the court also may enter judgment for the plaintiff for the amount of the docket fee paid by the plaintiff.

(2) Except as provided further, the docket fee established in this section shall be the only fee collected or moneys in the nature of a fee collected for the docket fee. Such fee shall only be established by an act of the legislature and no other authority is established by law or otherwise to collect a fee. Prayer by Chaplain Brubaker:

Dear God,
Your Word tells us that
“where there is no vision, the people will perish.”
Everyone here today has a vision
of making things better for Kansans.
However great and good our visions are,
they are limited by the fact that we can only see today.
Each day we make judgments and decisions
that we trust lead us in the right direction.
However, when we look at the great scheme of things,
we recognize that You, God, make all the difference.
Give us your vision as You know what lies ahead for us.
May we work together in accomplishing Your will.
We invite You to make the difference
in our work and efforts.
I pray this in the name of your Son, Jesus Christ, Amen.

Prayer by Chaplain Brubaker:

Heavenly Father,
I read in an article
that the Gettysburg address has 269 words,
the Declaration of Independence has 1,337 words,
and one version of the Bible has only 773,000 words.
However, the tax law has grown from 11,400 words in 1913
to over 7 million words today.
It makes me wonder if the reason we are all still hanging around here
is because we have become people of too many words!
In all seriousness, be with our state leaders
as they work out the details of taxes and budget.
Discussing money always brings out controversial discussion—
which is probably why Jesus spoke more about money
than just about anything else.
Help them to balance wisdom along with prudence,
generosity along with fiscal responsibility,
and to know when and where to save
as well as when and where to spend.
I pray this in Your Son’s Name, Amen.

Heavenly Father, I want to ask that You bless Eunice Brubaker as she faces the challenges before her. I pray You will restore her and give her full recovery.

It is that time of session again Lord where things can get testy and frustrating. May we focus on not being a bigger frustration to You Lord with our tempers, or with our lips. You have said what comes out of our lips comes from our hearts, please remind us of that and let us know how much You love us.

Lord, you have given us a great year this year. We have stayed pretty healthy and we have seen our state prosper. I pray you will let us finish up with the same civility we began this session. May the words of our mouths and the meditation of our hearts be acceptable in Your sight, Oh Lord, our strength, our Redeemer, and our song.

I pray these things in the name of Jesus Christ our Lord, Amen.

PERSONAL PRIVILEGE

There being no objection, the following remarks of Reps. Christmann and Thimesch are spread upon the Journal:

Remarks by Rep. Christmann:

After hearing plenty about the great successes of the football and basketball teams and K-State, KU and Wichita State this year, I'm excited to share some news from one of our independent colleges.
The Sterling College men’s baseball team beat Oklahoma City University last Saturday afternoon. This victory earned the Sterling Warriors a bid to the Avista-NAIA Baseball World Series, which will be held in Lewiston, Idaho on May 24-31. Only 10 teams across the country qualify for this national championship tournament.

Not only is this the first ever trip for the Sterling Warriors to the NAIA World Series, it is the first time that any college in the KCAC athletic conference has ever made the NAIA World Series.

I wish the team could be here to be recognized, but they each know they are students first and foremost and it is exam week at Sterling. So after finishing their final exams and graduation this weekend, the young men will head to Lewiston, Idaho to play Missouri Baptist University in the first game of the double elimination tournament as the number 8 seed.

The game is May 24 at 11:00 a.m. CDT and can be heard on the radio on 95.9 KWHK out of Hutchinson.

Remarks by Rep. Thimesch:
I hope you all will join me in congratulating Sterling College, Head Coach Adrian Dinkel, Athletic Director, Gary Kempf, and the talented young men from the Sterling College baseball team on their success so far. We look forward to our student-athletes representing Sterling College and Kansas well on the national stage as true Champions of Character and hopefully as NAIA Champions.

The legislature shall provide a method of nonpartisan selection of district judges and for the manner of submission and resubmission thereof to the electors of a judicial district. A nonpartisan method of selection of district judges may be adopted, and once adopted may be rejected, only by a majority of electors of a judicial district voting on the question at an election in which the proposition is submitted. "§ 11. Compensation of justices and judges; certain limitation. Such justices or judges shall receive no fees or perquisites nor hold any other office of profit or trust under the authority of the state, or the United States except as may be provided by law, or practice law during their continuance in office.

"§ 12. Removal of justices and judges. Justices of the supreme court may be removed from office by impeachment and conviction as prescribed in article 2 of this constitution. Other judges shall be subject to retirement for incapacity, and to discipline, suspension and removal for cause by the supreme court after appropriate hearing.

"§ 13. Savings clause. Nothing contained in this amendment to the constitution shall: (a) Shorten the term of office or abolish the office of any justice of the supreme court, any judge of the court of appeals, any judge of the district court, or any other judge of any other court who is holding office at the time this amendment becomes effective, or who is holding office at the time of adoption, rejection, or resubmission of a nonpartisan method of selection of district judges as provided in subsection (a) of section 7 of this article, and all such justices and judges shall hold their respective offices for the terms for which elected or appointed unless sooner removed in the manner provided by law; (b) repeal any statute of this state relating to the supreme court, the supreme court nominating commission, the court of appeals, district courts, or any other court, or relating to the justices or judges of such courts, and such statutes shall remain in force and effect until amended or repealed by the legislature."

Sec. 2. The following statement shall be printed on the ballot with the amendment
as a whole:

"Explanatory statement. The purpose of this amendment is to place the law concerning the court of appeals into the constitution and to do away with the supreme court nominating commission. Further, supreme court justices and court of appeals judges would hold office for life, subject to the retirement, discipline and removal for cause provisions of section 15 of article 3 of the Kansas constitution, and would no longer be subject to a retention election. The governor would appoint a qualified person, or if the governor fails to act, the chief justice of the supreme court would appoint a qualified person, and such person's appointment would be required to be confirmed by the senate. A procedure is established whereby senate confirmation would occur within 60 days of receiving the appointment. If the senate does not confirm the appointment by a majority vote, the governor would then appoint another qualified person, and such person's appointment would again go to the senate for confirmation. The same appointment and confirmation procedure would be followed until a valid appointment is made. If the senate fails to vote on an appointment within 60 days, it would be considered that the senate has confirmed the appointment.

"A vote for this proposition would provide a procedure whereby the governor or chief justice would appoint a person to be a supreme court justice or court of appeals judge and the senate, by majority vote, would confirm the appointment of the supreme court justice or court of appeals judge. Supreme court justices and court of appeals judges would hold office for life, subject to the retirement, discipline and removal for cause provisions of section 15 of article 3 of the Kansas constitution, and would no longer be subject to a retention election.

"A vote against this proposition would continue in effect the current provision whereby the supreme court nominating commission nominates three persons for the office of the supreme court or court of appeals and the governor appoints one of such persons. Supreme court justices would continue to hold six-year terms and be subject to retention elections, and court of appeals judges would continue to hold four-year terms and be subject to retention elections."

Sec. 3. This resolution, if approved by two-thirds of the members elected (or appointed) and qualified to the House of Representatives, and two-thirds of the members elected (or appointed) and qualified to the Senate shall be entered on the journals, together with the yeas and nays. The secretary of state shall cause this resolution to be published as provided by law and shall cause the proposed amendment to be submitted to the electors of the state at the election in August in the year 2014 unless a special election is called at a sooner date by concurrent resolution of the legislature, in which case it shall be submitted to the electors of the state at the special election.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Dove are spread upon the Journal:

I would like to introduce Zachary Hevel who has been accepted in the Air Force Academy graduating class of 2017.

When I met Zach, his response to my question of what inspired him to look in his future as a military pilot was simple. He asked his dad what he had to do to be a part of the best of the best. His dad's response was to study hard.

Here is a prime example of leadership. The example of a family with the goals in mind to lead in a positive direction.

Creator God,

And, because the storms sometimes come
with disastrous results,
I want to thank You for Your protection over the lives of our
great citizens across this state this past weekend.
We come to session today because of what
some have called a standstill.
My prayer is that You will bring together
all the available instruments and fine tune them into harmony,
creating a symphony which will be pleasant upon the ears of all.
To do this, the motives and decisions must focus
more on pleasing You rather than attempting to please the world.
It is in Your Son’s Name I pray for Your will to be accomplished.
Amen.

The board may implement the remainder of this act prior to implementation of this section. To that end, this section and provisions related thereto are severable from the remainder of this act and shall be repealed if the federal internal revenue service refuses to grant such approval or issues an adverse decision.

(b) Except as otherwise provided in this act, a member of the system under the provisions of K.S.A. 74-4901 et seq., and amendments thereto, on July 1, 2013, may elect to: (1) Contribute, commencing January 1, 2014, 5% of such member's compensation as employee contributions, and commencing January 1, 2015, and in each subsequent calendar year, 6% of such member's compensation as employee contributions, and to receive an amount for participating service equal to the total of 1.85% of such member's final average salary; or (2) continue to contribute 4% of such member's compensation as employee contributions, and to receive an amount for participating service equal to the total of 1.4% of such member's final average salary. Prayer by Chaplain Brubaker:

God of compassion and comfort,
as we begin today, we come before you in a moment of silence
remembering those lives that have been lost,
and praying for those whose lives have been altered
in our neighboring state of Oklahoma.
It is in times like this that we are reminded
of how important it is to have the right priorities.
Today as You lead and guide the various discussions,
conversations, explanations, debate and questions,
help us to be mindful of those things that really matter –
and to remember when it is all said and done,
the only thing You require is that
we do what is fair and just to our neighbor,
be compassionate and loyal in our love,
and not take ourselves too seriously –
but to take You very seriously.
In Christ’s Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Kuether.

There being no objection, the following remarks of Rep. Howell are spread upon the journal:

Today, I am privileged to honor and celebrate the Wichita State Shockers for their OUTSTANDING sports performance this last year! WSU represents the State of Kansas very well and makes those of us that consider ourselves Shockers and enjoy supporting the great Black and Gold Shocker “spirit of excellence” extremely proud of their accomplishments! We are thrilled to have them in our community and we wish them continued success as they work hard to make Kansas the best state in the Country! WSU is a serious contender for every competition but this year is absolutely remarkable and noteworthy! It is time to recognize their accomplishments.

Wichita State University won the Missouri Valley Conference All Sports Trophy again this year!

This is the 19th time they have won this high honor including 7 of the last 10 years. Many people follow the Shocker Basketball and baseball excitement, but this year, under the direction of Eric Sexton, WSU finished in the top three in 14 of the 15 sports including conference titles in Men’s Golf, Women’s Indoor Track and Field, Women’s Tennis, Women’s Basketball, and runner up in 8 more sports.

WSU remains near the top of the valley standing in just about every sport in which they compete.

Congratulations to the Shockers for the best all-around athletic department in the conference!

Rep. Howell presented Andrew J. Schlapp, Executive Director of Government Relations and Board of Trustees, Wichita State University, with a framed House certificate.

MOTIONS AND RESOLUTIONS OFFERED ON A PREVIOUS DAY

On motion of Rep. Winn, HR 6033, A RESOLUTION congratulating Sumner Academy of Arts and Science on being ranked the #1 academic high school in Kansas, was adopted.

There being no objection, the following remarks of Rep. Winn are spread upon the journal:

On behalf of the Wyandotte County delegation I have the distinct honor today of recognizing Sumner Academy of Arts and Science (USD 500-Kansas City, Kansas) for being ranking #1 academically in the State of Kansas and specifically being designated as the “best high school” in Kansas and the “most challenging high school in the state”. I would like to welcome to the Kansas House of Representatives Vice-Principal of Sumner, Ms. Kristian Foster and Mr. David Smith, Chief of Staff for Superintendent Ms. Cindy Lane.

Sumner Academy of Arts and Science received #1 ranking in the state by two renowned ranking programs that measure how well high schools prepare students for
college and student performance on Advanced Placement, International Baccalaureate tests and state-mandated assessments, among other elements.

*The Washington Post* conducts a national rating programs and as part of its “America’s Most Challenging High Schools” gave Sumner Academy a 72% rating for equity and excellence and ranked it No. 1 in Kansas. Sumner has a 99% graduation rate and 69% of its graduates go on to attend 4-year colleges. On the regional level, *The Washington Post* ranked Sumner #19 in the Midwest.

*U.S. News and World Report* also conducts a national rating program. As part of its 2013 Best High Schools rating system the *U.S. News and World Report* also gave Sumner Academy No. 1 ranking in the State of Kansas. In the nation, the *U.S. News and World Report* ranked Sumner #64 out of 21,000 public high schools. These rankings are based on the number of advanced placement tests taken, as well as, student performance on these exams.

Gene Fite, Principal of Sumner Academy was quoted as saying. “Their focus and hard work, with the aid of an excellent teaching staff, again demonstrated that children in KCK are the equal of anyone anywhere.”

We stand here today to tell the students, parents and staff of Sumner Academy that we are very proud of this accomplishment. We also remind them that they are continuing the legacy of academic excellence of graduates from past decades when Sumner Academy was Sumner High School. The list of outstanding alumni from Sumner High School is much too numerous to identify but include individuals like Beckwith Horton, who holds the patent to the seat belt; Vernon Coffey, who served as Presidential Aide to Richard Nixon, Delano Lewis, who served as U.S. Ambassador to South Africa; and Lillian Ann Owens, who was the 1st African American female to become President of a national life insurance company, north of the Mason-Dixon Line.

Prayer by Chaplain Brubaker:

Heavenly Father,
today, as I come before You on this 90th day
of the 2013 session,
I am reminded of a quote from one of our great Kansans,
President Dwight D. Eisenhower.
He once said that
“a sense of humor is part of the art of leadership
of getting along with people and of getting things done.”
I’m wondering if the longer we go,
the less humor we might have.
So today, I want to pray that You grant each one of us humor—
so we can get along with each other but
especially so we can get things done!
In Christ’s Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Dillmore.

PERSONAL PRIVILEGE

There being no objection, the following remarks of Rep. Concannon are spread upon the Journal:

Two days ago, House members received a copy of Kansas Family Physician magazine with a headline on the front announcing Debra Doubek, MD as 2013 Kansas Family Physician of the Year. Many of you may not know that Dr. Doubek is the wife of our friend and colleague, Representative Phillips. Dr. Doubek is dedicated to her practice and could not be here in person, so we ask you, Tom, to share our congratulations with her and your family. This is such an honor, especially in light of
the fact that Dr. Doubek’s father, Dr. Herb Doubek, was also named Kansas Family Physician of the Year in 1992 making them the only father/daughter team to receive such recognition.

Prayer by Chaplain Brubaker:

Lord, God,
As we think about the last three or four months
and all the time, energy, thought, and effort
that these leaders have put into their leadership role
here in the legislature,
we are reminded of spouses who watched over the home front;
kids or grandkids that might have missed a parent or grandparent
attending their school event or ball game;
the colleagues that kept the business or office running in their absence;
friends that may have missed them at social events;
and even the pets who missed out on a pat or two.
Thank you for all those in the background that provide
the support necessary for these men and women to
fulfill the responsibility to which they were elected.
Encourage those loved ones back home and
bless them for their willingness to make necessary adjustments.
In Christ’s Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Frownfelter.

MESSAGES FROM THE GOVERNOR

VETO MESSAGE FROM THE GOVERNOR

The following message with the Governor's objection to HB 2120, AN ACT concerning crimes, criminal procedure and punishment; relating to DNA evidence; relating to statute of limitations; relating to possession of a firearm during a drug felony; amending K.S.A. 2012 Supp. 21-2511, 21-5107, as amended by section 1 of 2013 House Bill No. 2252, 21-6403 and 21-6805 and repealing the existing sections, was received and read.

Message to the House of Representatives of the State of Kansas:

Many concerns have been expressed regarding the constitutionality of House Bill 2120. Upon careful review, I agree the language in this legislation violates Article 15, Section 3 of the Kansas Constitution. However, I support the Legislature’s policy goal of permitting certain limited raffles for charitable purposes. As such, I encourage the Legislature to consider a constitutional amendment to accomplish this goal.

Pursuant to Article 2, Section 14(a) of the Constitution of the State of Kansas, I hereby veto House Bill 2120.

Sam Brownback
Governor

Dated: May 23, 2013

MESSAGE FROM THE SENATE

Announcing passage of HB 2084, as amended.

INTRODUCTION OF ORIGINAL MOTIONS

On motion of Rep. Vickrey, pursuant to subsection (k) of Joint Rule 4 of the Joint Rules of the Senate and House of Representatives, the rules were suspended for the purpose of considering SB 171, HB 2084.

CONFERENCE COMMITTEE REPORT

MADAM PRESIDENT and MR. SPEAKER: Your committee on conference on House amendments to SB 171 submits the following report:

Your committee on conference agrees to disagree and recommends that a new conference committee be appointed;
And your committee on conference recommends the adoption of this report.

Marc Rhoades  Gene Suellentrop  
Conferees on part of House  
Ty Masterson  Jim Denning  
Conferees on part of Senate

On motion of Rep. Rhoades, the conference committee report was adopted. Speaker Merrick thereupon appointed Reps. Rhoades, Suellentrop and Henry as fourth conferees on the part of the House.

MOTIONS TO CONCUR AND NONCONCUR

On motion of Rep. Hutton to nonconcur in Senate amendments to HB 2084, Rep. Menghini offered a substitute motion to concur in Senate amendments. The substitute motion did not prevail, and the bill is killed.

On roll call, the vote was: Yeas 5; Nays 109; Present but not voting: 0; Absent or not voting: 11.

Yeas: Carpenter, Hutton, Jones, Peck, Suellentrop.

Present but not voting: None.
Absent or not voting: Brunk, Campbell, Christmann, Dove, Hawkins, Kleeb, Osterman, Read, Rubin, Sawyer, Schwab.

EXPLANATIONS OF VOTE

Mr. Speaker: My “Yes” vote to concur with HB 2084 was in opposition to the procedure of the vote and not a vote to increase tax revenue as the bill would have done. The intent of running the bill on the floor was to display contempt for the Senate plan. This is not the way to legislate. I want to see good policy not politics! – Kevin Jones, Will Carpenter

Mr. Speaker: The principled, conservative 2012 legislature passed an approximate $800,000,000 income tax reduction which forces our Kansas government to be more responsible, efficient, lightens the tax burden of Kansas citizens, and is a giant step in
the right direction. Unfortunately, this year’s tax bill reverses some of the important gains with an unnecessary tax increase. The 2010 legislature’s decision to begin a 4/10\(^{th}\) cent sales tax increase this year for KDOT is unnecessary new spending which should instead be directed to balance the budget. We could proudly adjourn the session as principled conservatives but not under this tax policy proposal. I vote No on HB 2084.

– Jim Howell, John Bradford

Mr. Speaker: Principled conservatives voted last year to reduce taxes, a move that was lauded nationally as an example for others to follow. That reduced tax burden positions Kansas for job growth. Bottom line, HB 2084 is a tax increase. As a compassionate conservative I believe we can have smaller, more effective government, ensure our communities are safe, provide quality education for our children, maintain our outstanding roads, minister to the needy, reduce our debts, and still lower taxes. I cannot turn my back on the progress made last year. I vote NO, thereby killing the Senate Tax Plan inside HB 2084. – Pete DeGraaf, Randy Garber

REPORT ON ENROLLED BILLS

HB 2249 reported correctly enrolled, properly signed and presented to the Governor on May 24, 2013.

On motion of Rep. Vickrey, the House adjourned until 10:00 a.m., Tuesday, May 28, 2013.
The House met pursuant to adjournment with Speaker pro tem Mast in the chair.

The roll was called with 109 members present.
Rep. Osterman was excused on verified illness.
Reps. Phillips and Swanson were excused on legislative business.
Reps. Carlin, Christmann, Edmonds, Gandhi, Goico, Jennings, Kleeb, Peck, Peterson, Rubin, Sawyer and Schwartz were excused on excused absence by the Speaker.
Rep. Bridges was absent.
Present later: Reps. Carlin, Sawyer, Schwartz and Swanson.

Prayer by Chaplain Brubaker:

God of love and freedom,
thank You for the long weekend and the opportunity
to step away from the task at hand
to be with family and friends.
Once again, we want to remember
and express our appreciation for those
who have served our nation and paid the highest cost
to protect us and fight for our freedoms.
I thank You for all those who are serving
in our military today—and pray for protection over them.
The freedoms they fight to protect
are those that we exercise here in the democratic process.
Although we may not all agree with the decisions made,
we are grateful for the freedom to make the decisions.
It is in this spirit of gratitude that I pray in Your Name, Amen.

The Pledge of Allegiance was led by Rep. Campbell.

INTRODUCTION OF ORIGINAL MOTIONS AND HOUSE RESOLUTIONS

On emergency motion of Rep. Kuether, HR 6034, by Rep. Kuether, as follows, was introduced and adopted:

HOUSE RESOLUTION No. HR 6034—
A RESOLUTION recognizing the success of the STARBASE program in Kansas.

WHEREAS, The STARBASE program started in 1989 in response to deficiencies and shortfalls in math and science education. Originally, Project STARS was a one-week summer program linking the military and local educational systems where 4th, 5th and 6th graders would learn math and science through hands-on activity; and

WHEREAS, The response to this pilot program was exceptionally positive and, in 1993, Department of Defense funds were made available to start a school-year program, formally launching the STARBASE program. Kansas was one of seven original states to receive funding for the STARBASE program; and

WHEREAS, The Kansas STARBASE program is the largest in the United States with five locations in Wichita, Topeka, Salina, Manhattan and Kansas City. The program has teamed up with western Kansas community colleges and universities to ensure all students have access to this exceptional and unique program; and

WHEREAS, STARBASE has worked with over 50,000 Kansas students to increase their knowledge and create an interest in the areas of math, science, engineering and technology. Along with the academic focus, STARBASE also works to instill a sense of pride and personal accomplishment in the students who have attended the academy. When asked about their experience at STARBASE, 96% of students said STARBASE made learning fun, and 91% said they would like to go back to STARBASE; and

WHEREAS, The success of the STARBASE program is due to the great relationship between the military and local schools as the result of the Department of Defense's management of the program:

Now, therefore,

Be it resolved by the House of Representatives of the State of Kansas: That we recognize the success the STARBASE program has seen in Kansas. The STARBASE program has had a significant impact on Kansas students, and we hope to see continued success of the program; and

Be it further resolved: That the Chief Clerk of the House of Representatives be directed to provide three enrolled copies of this resolution to Representative Kuether.

There being no objection, the following remarks of Rep. Kuether are spread upon the Journal:

It is my privilege to offer House Resolution 6034 supporting the Starbase program. I am joined here this morning by Sen. Elaine Bowers, Ex. Director Jeff Gabriel, board member and President Kerry Taylor, and Brigadier General Eric Peck. As a former Board member, I have seen the success of this program through the eyes of its students. Please join me in supporting this resolution.

EXPLANATION OF VOTE

Mr. Speaker: I was elected by the voters in the 87th district to reduce the tax burden on Kansans by growing our economy and reducing the size of government. I fully support reducing income taxes on our citizens, but reducing bloated government spending should be the source for the reduction. This legislation raises income and sales taxes by over $850,000 in net new tax revenue for the state government. It is irresponsible to increase taxes instead of reigning in out-of-control government spending. I vote no on H Sub for SB 84. – Mark Kahrs

Prayer by Chaplain Brubaker:

God of wisdom,
As we gather once again,
it is obvious that our leaders are at a crossroads
of making some tough decisions.
Help them today to not see the difficulty in the opportunity,
but to see an opportunity in the difficulty.
Help them to understand that the impossible problem
is solved when they see that the problem
is only a tough decision waiting to be made.
And even though they may disagree and debate
over the positions on the issue,
help them to never make it personal and to always
be accepting, understanding and compassionate of each other.
In Christ’s Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Concannon.

Prayer by Chaplain Brubaker:

Omniscient God,
this morning as I come before You to
lift these leaders up in prayer,
I am reminded of the African proverb,
“indecision is like a child with dirty hands:
if he doesn’t wash his hands, he is called dirty;
if he does wash his hands, he is wasting water.”

Your Word tells us that
“if any of you lacks wisdom, he should ask God,
who gives generously to all.”

So, today I ask for wisdom,
for a spirit of concord,
for a shared sense of responsibility,
and for open doors to a solution
that will serve the common good.

In Your Name I pray, Amen

The Pledge of Allegiance was led by Rep. Dierks.

MESSAGE FROM THE SENATE

The Senate accedes to the request of the House for a conference on H Sub for SB 84 and has appointed Senators Tyson, Bruce and Holland as third conferees on the part of the Senate.
INTRODUCTION OF ORIGINAL MOTIONS AND HOUSE RESOLUTIONS

On emergency motion of Rep. Carlin, HR 6035, by Rep. Carlin, as follows, was introduced and adopted:

HOUSE RESOLUTION No. HR 6035—
A RESOLUTION congratulating Kansas State University on a successful year in inter-collegiate athletics.

WHEREAS, The Kansas State University Athletic Department has had unprecedented success this year with several major accomplishments including Big XII Title Championships and Big XII Coach of the Year awards in football, men's basketball and baseball; and

WHEREAS, The 2012 Kansas State Wildcats football team captured the Big XII title with a record of 11-2 and a conference record of 8-1. The successful Wildcat football season ended in a berth to the Tostito's Fiesta Bowl. Head Coach, Bill Snyder, was named the Big XII Coach of the Year and under his direction, the Wildcats had their first ever No. 1 ranking in the BCS standings; and

WHEREAS, The 2012-2013 Kansas State men's basketball team won their first Big XII conference title in 36 years. Under Head Coach Bruce Weber, the Wildcats had an impressive 27-8 record overall and a 14-4 record in the Big XII conference. Coach Weber was named this year's Big XII Coach of the Year after guiding the Wildcats through such a successful season; and

WHEREAS, The Kansas State baseball team was also named Big XII conference champions this year. While the team's season is not yet over, they captured the Big XII championship with an overall record of 36-19 and a conference record of 16-8. Head Coach Brad Hill was named Big XII Coach of the Year, making him the third coach from Kansas State University to win that award for the academic year; and

WHEREAS, Kansas State University is the first school in league history to have its football, men's basketball and baseball coaches all win the Big XII Coach of the Year award in the same academic year. This is also only the second time in league history that the same school won the Big XII conference title in football, men's basketball and baseball:

Be it resolved by the House of Representatives of the State of Kansas:

That we congratulate Kansas State University on its extraordinary inter-collegiate athletic success this year. This is an historic year for Kansas State Athletics, and we congratulate the school's accomplishments and wish them future success; and

Be it further resolved: That the Chief Clerk of the House of Representatives be directed to provide five enrolled copies of this resolution to Representative Carlin.

There being no objection, the following remarks of Rep. Carlin are spread upon the Journal:

One of the things we do here in the Capitol is to recognize excellence among our constituents! Whenever someone or some group achieves excellence we like to recognize them. Today we are so proud and happy to recognize three outstanding Kansans. K-State athletic director, John Currie, has dubbed Manhattan “Title Town” because the outstanding Trio of Bill Snyder, Bruce Weber and Brad Hill have taken Big 12 Championships in Football, Basketball and Baseball during the 2012-2013 academic year, and in the process each individual coach — because of his own strengths and
accomplishments - was named Big 12 Coach of the Year in his respective sport!

It wasn’t easy to schedule this Resolution due to the commitments of our coaches, so we decided to go on ahead today. Kansas State University became the second Big 12 school and fourth nationally in the BCS era to win conference titles in football, men’s basketball and baseball in the same season.

Coach Weber took the Cats to the Big 12 Championship in his first year at the helm of the program. We look forward to the return of historical K-State Basketball greatness under Bruce Weber in Bramlage Coliseum, continued success on the Football Field under Bill Snyder and continuing a strong Baseball Tradition under Brad Hill. This is the 4th season that our Baseball Team has advanced to the Regionals and this is the FIRST time that K-State has been selected to Host the Regional Tourney beginning tomorrow afternoon. (5/31/13)

Enthusiasm in Manhattan is at an all-time high - witnessed by the construction of the $75 million dollar West Stadium Center that will be open August 30th for our first home game. Last fall we celebrated the opening of the $18 million dollar Basketball Training Facility. And I remember not too long ago that our baseball field looked like a Little League Facility – and we have been enjoying the impressive new Tointon Stadium complete with locker rooms, press box, and box seating and hot dogs. Success begets Success and we build on that every day at K-State.
