Joint rule 1. Joint rules; application and date of expiration; adoption, amendment, suspension and revocation. (a) Joint rules; expiration, adoption, amendment, suspension and revocation; vote required. Joint rules are adopted under the authority of section 8 of article 2 of the Constitution of the State of Kansas and shall govern matters made subject thereto except when otherwise specifically provided by joint rule. Joint rules shall expire at the conclusion of the terms of representatives. Joint rules shall be adopted, amended, suspended and revoked by concurrent resolution of the two houses of the legislature. Concurrent resolutions adopting joint rules shall receive the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in each house.

(b) Amendment, suspension or revocation of joint rules; previous notice; vote required. After one day's previous notice, joint rules may be amended, suspended or revoked by the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in each house. Upon the filing of such notice in either house, a message shall be sent to the other house advising of the filing of such notice and the reading of the message shall constitute notice to the members of such house. If such previous notice is not given, the affirmative vote of \( \frac{2}{3} \) of the members then elected (or appointed) and qualified in each house shall be required for the amendment, suspension or revocation of a joint rule.

(c) Amendment, suspension or revocation of joint rules at commencement of legislative session; vote required; conditions. Notwithstanding any provision of this rule to the contrary, no notice shall be required for the adoption of a concurrent resolution amending, suspending or revoking any one or more joint rules at the commencement of a legislative session, and adoption of any such concurrent resolution shall require only the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in each house, subject to the following conditions: (1) The concurrent resolution is sponsored by the speaker or the president, and (2) either (a) a copy thereof is mailed to each member of the legislature by deposit in the United States mails not later than 11:00 p.m. on the Thursday preceding the Monday on which the legislative session is to commence or (b) in lieu of mailing, copies of the concurrent resolution are made available to members on the first day of the legislative session and final action is taken on a subsequent legislative day.

Joint rule 2. Joint sessions. (a) Joint session called by concurrent resolution; vote required; time, place and subject matter. A joint session of the senate and house of representatives may be called by concurrent resolution adopted by the affirmative vote of not less than a majority of the members elected (or appointed) and qualified in each house of the legislature or as may otherwise be prescribed by law. Any such resolution shall fix the time and place of the joint session, and the subject matter to be considered at the joint session. Joint sessions shall consider only such matters as are prescribed by law or by the concurrent resolution calling such joint session.

(b) Presiding officer at joint sessions; record of joint session; rules applicable. The speaker of the house of representatives shall preside at all joint sessions of the senate.
and house of representatives, and the clerk of the house of representatives shall keep a record of the proceedings thereof and shall enter the record of each such session in the journal of the house of representatives. The rules of the house of representatives and the joint rules of the two houses, insofar as the same may be applicable shall be the rules for joint sessions of the two houses.

(c) Votes in joint session; taking; requirements. All votes in a joint session shall be taken by yeas and nays, and in taking the same it shall be the duty of the secretary of the senate first to call the names of the members of the senate, and after which the clerk of the house of representatives shall in like manner call the names of the members of the house. Each member of the senate and the house of representatives present shall be required to vote on all matters considered in joint session, unless excused by a vote of a majority of the members of both houses present.

Joint rule 3. Conference committee procedure. (a) Action by house of origin of bill or concurrent resolution amended by other house. When a bill or concurrent resolution is returned to the house of origin with amendments by the other house, the house of origin may: (1) Concur in such amendments; (2) refuse to concur in such amendments; or (3) refuse to concur in such amendments and request a conference on the bill or concurrent resolution.

(b) Concurrence by house of origin; concurrence prior to taking action on conference committee report by other house; final action; effect of failure of motion to concur. The house of origin of any bill or concurrent resolution may concur in any amendments made by the other house, except that if the bill or concurrent resolution has been referred to a conference committee such action may only be taken prior to the taking of final action upon the conference committee report upon such bill or concurrent resolution by the other house. A vote in the house of origin of any bill or concurrent resolution on a motion to concur in amendments to such bill or concurrent resolution by the other house shall be considered action on the final passage of the bill or concurrent resolution and the affirmative and negative votes thereon shall be entered in the journal. If the motion to concur is upon amendments to a bill or concurrent resolution for which a conference committee has been appointed and action has not been taken upon the report of such committee by the other house and such motion fails, the bill or concurrent resolution shall not be deemed to have been killed thereby and the motion to concur may be renewed but not on the same legislative day. If the motion to concur is upon amendments to a bill or concurrent resolution for which a conference committee has not been appointed and such motion fails, the bill or concurrent resolution shall be deemed to be killed.

(c) Motion to nonconcur; when considered final action; effect of adoption of motion. A vote in the house of origin of any bill or concurrent resolution on a motion to nonconcur or to refuse to concur in amendments to such bill or concurrent resolution by the other house which is not coupled with a request for the appointment of a conference committee shall be considered action on final passage of the bill or concurrent resolution and the affirmative and negative votes thereon shall be entered in the journal, and the bill or concurrent resolution shall be deemed killed on the adoption thereof.

(d) House of origin refusal to concur or nonconcur; request for conference; procedure. When a bill or concurrent resolution is returned by either house to the house of origin with amendments, and the house of origin refuses to concur or to nonconcur therein, a conference may be requested by a majority vote of the members present and
voting. Such request shall be transmitted to the other house by message which shall include the names of the conferees on the part of the requesting house. Upon receipt of any such message, the receiving house may, in like manner, approve such conference, and shall thereupon notify the requesting house by message stating the names of its conferees.

(e) Membership; appointment; chairperson; house of origin of substitute or materially changed bill or concurrent resolution; meetings of conference committee. Each conference committee shall consist of three members of the senate and three members of the house of representatives, unless otherwise fixed by agreement of the president of the senate and speaker of the house. Senate members shall be appointed by the president of the senate and house members shall be appointed by the speaker of the house of representatives. The president or the speaker may replace any conferee previously appointed by such person. Not less than one member appointed from each house shall be a member of the minority political party of such house except when such representation for such house is waived by the minority leader of such house. In all cases, the first-named member of the house of origin of the bill or concurrent resolution assigned to the committee shall be chairperson of the conference committee. The house of origin of a substitute bill or substitute concurrent resolution shall be the house in which the bill or concurrent resolution in its original form was introduced. The chairperson of a conference committee on a bill or concurrent resolution the subject matter of which has been ruled to be materially changed shall be a member of the house which amended the bill or concurrent resolution to materially change the subject matter. Each conference committee shall meet on the call of its chairperson. All meetings of conference committees shall be open to the public and no meeting shall be adjourned to another time or place in order to subvert such policy.

(f) Conference committee reports; subject matters which may be included; report not subject to amendment; house which acts first on report; copies of reports; reports considered under any order of business. Only subject matters which are or have been included in the bill or concurrent resolution in conference or in bills or concurrent resolutions which have been passed or adopted in either one or both houses during the current biennium of the legislature may be included in the report of the conference committee on any bill or concurrent resolution except in any appropriations bill there may be included a proviso relating to any such item of appropriation. A conference committee report shall not be subject to amendment. The original signed conference committee report shall be submitted to and acted upon first by the house other than the house of origin of the bill or concurrent resolution. Except when a conference committee report is an agree to disagree coupled with a request that a new conference committee be appointed or is a recommendation to accede to or recede from all amendments of the second house, electronic and paper copies of the report shall be made available to all members of the house considering the report not later than 30 minutes before the time of its consideration, except that if the report is more than six pages in length no paper copies will be required to be distributed to individual members provided that at least 10 paper copies of the report are made available to members at the clerk's or secretary's desk at the front of the respective house. By written notice, the majority leader may direct the clerk or secretary to increase from six pages to some greater number of pages the size of conference committee reports that need not be distributed by paper copies to individual members pursuant to this rule. The affirmative
vote of $\frac{2}{3}$ of the members present in the house at the time of consideration of the report shall be sufficient to dispense with distribution of copies of the conference committee report to all members of that house. Reports of conference committees may be received and considered under any order of business.

(g) **Signatures required on conference committee reports.** All initial conference committee reports other than an agreement to disagree coupled with a request that a new conference committee be appointed shall be signed by all of the conferees. All initial conference committee reports which are an agreement to disagree coupled with a request that a new conference committee be appointed shall be signed by a majority of the conferees appointed in each house. If a conference committee report which is an agreement to disagree coupled with a request that a new conference committee be appointed is not adopted, a subsequent conference committee report shall be signed by all conferees unless a subsequent conference committee report which is an agreement to disagree coupled with a request that a new conference committee be appointed is adopted, in which case a conference committee report subsequent to the adoption of such report shall be signed by a majority of the conferees appointed in each house. All other conference committee reports shall be signed by a majority of the conferees appointed in each house.

(h) **Vote to adopt conference committee report final action; effect of failure of motion to adopt conference committee report.** The vote to adopt the report of a conference committee, other than a report of failure to agree coupled with a recommendation for appointment of a new conference committee, shall be considered final action on the bill or concurrent resolution and the affirmative and negative votes thereon shall be entered in the journal. If the motion fails, the bill or concurrent resolution shall be deemed to be killed. If the motion on a conference committee report which is an agreement to disagree coupled with a request that a new conference committee be appointed fails, the bill or concurrent resolution shall not be deemed to have been killed thereby and remains in conference.

(i) **Report of conference committee unable to agree; effect of failure to request new conference committee; effect of failure of motion to adopt report requesting new conference committee.** If a conference committee upon any bill or concurrent resolution is unable to agree, it shall report that fact to both houses. Such report may request that a new conference committee be appointed thereon. If the committee so reports but fails to request the appointment of a new conference committee thereon, the bill or concurrent resolution shall be deemed to have been killed upon the adoption by either house of such report. If the motion to adopt a report requesting the appointment of a new conference committee fails, the bill or concurrent resolution shall be deemed to be killed.

(j) **Bills or concurrent resolutions under consideration by conference committees and reports thereof; carryover from odd-numbered to even-numbered year.** Bills or concurrent resolutions under consideration by a conference committee, or a report of which has been filed but no action taken thereon in either house, at the time of adjournment of a regular session of the legislature held in an odd-numbered year shall remain alive during the interim and may be considered by the committee and legislature as the case may be at the regular session held in the following even-numbered year.

**Joint rule 4. Deadlines for introduction and consideration of bills.** The senate and house of representatives shall observe the following schedule of deadlines in making
requests for drafting and in the introduction and consideration of bills.

(a) Bill request deadline for individual members. Except for bills introduced pursuant to (i) of this rule, no request to draft bills, except those made by committees, through their respective chairpersons, shall be made to, or accepted by, the office of the revisor of statutes after the hour of 5:00 p.m. on February 4, 2013, during the 2013 regular session and on February 3, 2014, during the 2014 regular session.

limitations prescribed in subsections (d), (e) and (f) may be made in either house by resolution adopted by the affirmative vote of not less than a majority of the members of such house then elected (or appointed) and qualified.

(h) **Deadline which falls on day neither house in session; effect.** In the event that any deadline prescribed in this rule falls on a day that neither house of the legislature is in session, such deadline shall be observed on the next following day that either house is in session.

(i) **Bills introduced in odd-numbered years after deadlines; effect.** Bills may be introduced by members and committees in regular sessions occurring in an odd-numbered year after the times prescribed in (b) and (d) of this rule, but there shall be no final action thereon by either house during the session when introduced. Such bills shall be held over for consideration at the next succeeding regular session held in an even-numbered year.

(j) **Modification of schedule of deadlines for introduction and consideration of bills; procedure.** In any regular session a concurrent resolution may be adopted by the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in each house setting forth a different schedule of deadlines for introduction and consideration of bills for that session and the provisions of such concurrent resolution shall apply to such session notwithstanding provisions of this rule to the contrary.

ARTICLE 21. AMENDMENT OF BILLS AND RESOLUTIONS

Rule 2101. Germaneness.

Amendments to bills and resolutions shall be germane to the subject of the bill or resolution. The principal test of whether an amendment is germane shall be its relationship to the subject of the bill or resolution, rather
than to wording of the title thereof. The amendment, including any amendment from the floor to strike all of the substantive provisions of a bill or resolution and insert other provisions, must be relevant, appropriate, and have some relation to or involve the same subject as the bill or resolution to be amended. 1. A motion to strike out and insert words of less than a sentence shall be indivisible;
2. the distinct propositions shall be only in the form submitted in the motion to amend;
3. each proposition must be so distinct that, one being removed, the remainder may stand entirely on their own; and
4. those portions of a motion to amend a bill as described in Rule 2110 shall be indivisible.

(b) Upon a request to divide a motion to amend a bill or resolution, the presiding officer shall inquire as to whether there is a request for a ruling on germaneness of the motion to amend. If such a request is made, the issue of germaneness shall be determined prior to dividing the motion.

If no request for a ruling on germaneness of the motion to amend is made, the presiding officer shall proceed to divide the motion to amend in accordance with this rule, and no subsequent request for a ruling on germaneness of any distinct proposition of the motion so divided shall be in order.

(c) The presiding officer, or any member, may request that the member requesting the division make the request in writing specifying the manner in which the motion to amend should be divided.
(d) The division of the motion to amend shall be in accordance with the rules of the House and with items (1) to (4), inclusive, of subsection (a). The ruling of the chairperson of the Committee on Rules and Journal, or in the chairperson’s absence the vice chairperson of the Committee, on how to divide the motion to amend shall not be subject to appeal except that any member may appeal the ruling of the chairperson, or vice chairperson, on the grounds that the division is not in accordance with a rule of the House including the provisions of items (1), (2), (3) or (4) of subsection (a), or any combination thereof.

**Rule 2108. Motions to Strike Out and Insert.**

The rejection of a motion to amend a bill or resolution by striking out and inserting one proposition shall not prevent a motion to strike out and insert another proposition, nor prevent a subsequent motion simply to strike out; nor shall the rejection of a motion simply to strike out prevent a subsequent motion to strike out and insert.

**Rule 2109. Identical Motions.**

Except upon the unanimous consent of the House, an identical motion to amend a bill or resolution shall not be made a second time on the same legislative day.

**Rule 2110. Floor Amendments to Bills Making Appropriations.**

Unless by majority consent to correct an error in drafting, no floor amendment to increase the amount of expenditures that would be authorized in a provision of an appropriations bill shall be in order unless the amendment contains a provision reducing, by a like or greater amount, expenditures that would be authorized in another provision of such appropriations bill.

Rule 2303. Motion to Reconsider.

A motion to reconsider shall take precedence of all other questions except the motion to adjourn. No motion for reconsideration of any vote shall be in order, unless made on the same day or the legislative day following that on which the decision to be reconsidered took place, nor unless a member voting with the prevailing side shall move such reconsideration. A motion for reconsideration, being put and lost, shall not be renewed, nor shall any subject or vote be a second time reconsidered without unanimous consent, but this provision shall not be construed as preventing the introduction of a bill on the same subject. The member moving for reconsideration shall be allowed not more than two minutes for stating the reasons in support of the motion. Such motion shall be subject to debate by any member, stating reasons in support or opposition to the motion. Each of such members shall be allowed not more than one minute for the purpose of such debate. A motion to reconsider any final action of the House shall be in order at any time prior to the time at which the message of the House thereon is read into the record of the Senate. A motion to reconsider any final action of the House may be made after the time at which the message of the House thereon is read into the report of the Senate but any action taken pursuant thereto will be contingent upon the return of the measure to the House by the Senate.

When voting on the previous question, the House decides that the main question shall not now be put, the main question shall be considered as still remaining under debate. The main question shall be on the passage of the bill, resolution or other matter under consideration. When amendments are pending, a vote shall first be taken upon such amendments in their order without further debate or amendment. A majority vote of the members present shall order the previous question.
Rule 2305. Motions Not Subject to Debate.

All questions relating to priority of business shall be decided without debate. The motion to adjourn, to change the order of consideration of a bill, for a call of the House, and to lay on the table shall be decided without amendment or debate. The several motions to postpone or commit shall preclude all debate on the main question.

Rule 2306. Motion to Refer Bills or Resolutions to Committee When Not in Committee of the Whole.

When not in the Committee of the Whole, a motion to refer a bill or resolution from the Calendar to a standing committee shall be in order only when the body is meeting as the House of Representatives and shall be authorized only when offered by the Majority Leader, or in the absence of the Majority Leader, by the Assistant Majority Leader. Such motion shall require the affirmative vote of a majority of the members then elected (or appointed) and qualified to the House.

When not in the Committee of the Whole, a motion to strike a bill or resolution from the Calendar shall be in order only when the body is meeting as the House of Representatives and shall be authorized only when offered by the Majority Leader, or in the absence of the Majority Leader, by the Assistant Majority Leader. (1) A motion to suspend the rules, and to declare an emergency and to advance a bill to the order of business Final Action, as contemplated in article 2, section 15 of the Constitution shall require an affirmative vote of 2/3 of
the members present in the House.

(2) A motion to suspend the rules and to permit amendment and debate of a bill under the order of business Final Action shall require an affirmative vote of 2/3 of the members present in the House.

(b) When under the rules of the House a motion, question or action requires a vote of a majority greater than a majority of the members present, the majority specified for such motion, question or action shall be required to suspend the rules for the purpose of such motion, question or action. When under the rules of the House notice of a motion reduces the required majority for adoption of the motion, the required majority shall not be reduced if the notice is disposed of by suspension of the rules.

Prayer by the Rev. Eunice Brubaker:

Our Heavenly Father – as we begin this new legislative session, I challenge all our leaders to live in accordance to what Your Word says...

“If my people, who are called by my name...”

Constantly remind us that we are Your creation – You have placed us here.

“will humble themselves...”

Help us to come in a spirit of humility before You and each other – recognizing the privilege and honor given to us to serve the people of this great state of Kansas. Help us to honor you in this service to others.

“and pray and seek my face...”

Without Your wisdom and guidance, we will do meaningless work over the next 90 days. Help us to daily pray and seek You and Your wisdom in the decisions to be made.

“and turn from their wicked ways...”

Forgive us as from time to time our humanness and egos get in the way and hinder the progress that needs to happen.

“then will I hear from heaven...”

We know that You hear all the prayers, concerns, petitions, praise and thanksgiving that we offer up to You. You even encourage us to talk to You about everything.

“and will forgive their sin and will heal their land...”

Forgive us of our sin, our shortcomings and we do ask for healing for our society – our communities – our state – our nation.

In Christ’s Name I pray, Amen.
The Pledge of Allegiance was led by Rep. Carlson.

Secretary of State Kris Kobach announced the appointment of Susan Kannarr as temporary Chief Clerk of the House.

Secretary of State Kris Kobach requested Rep. Merrick to approach the bar for the oath of office.

Speaker-elect Merrick subscribed to the following oath of office, which was administered by Chief Justice Nuss.

State of Kansas, County of Shawnee, ss:

I do solemnly swear that I will support the constitution of the United States and the constitution of the State of Kansas, and faithfully discharge the duties of the office of Speaker of the House of Representatives, so help me God. Subscribed and sworn to before me this 14th day of January, 2013.

LAWTON R. NUSS
Chief Justice of the Supreme Court

Speaker Merrick addressed the following remarks to the members of the House:

Thank you, Mr. Chief Justice. Elected Republican and Democratic House leaders, colleagues, staff and friends… I am incredibly honored to stand before you today as Speaker of the House.

And thank you for honoring me with your trust and confidence by electing me to this position. It is my goal to lead you and to serve this office with humility, patience and perseverance.

It’s incredible that a boy born in a log cabin in the Canadian wilderness… who grew up dirt poor and raised by a single mother in Iowa… would find his way before you today. It speaks of the incredible opportunity our great nation offers. Thanks to our system of individual responsibility anyone with a strong dose of persistence, determination and grit is capable of achieving remarkable success.

Persistence and determination play a big role in our job. Each of you were inspired to run for office because of deeply held convictions. You have ideas about where you would like to take the state.

Do not be afraid to share your ideas with your colleagues here and across the rotunda. You may not always find that others share your enthusiasm…but do not let that dampen the motivation to achieve your goals. At the same time, do not be afraid to persevere and work with others who may have a different view. Making friends will
serve you much better than making enemies.

We stand on the edge of a wonderful opportunity….a legislative session that promises open communication between chambers and the support of the executive branch.

We have to work together with fellow legislators to tackle the significant challenges before us this session. This session especially we should remember President Kennedy’s admonition to “let us not seek the Republican answer or the Democratic answer, but the right answer. Let us not seek to fix the blame for the past. Let us accept our own responsibility for the future.”

We know the budget is always a challenge, but especially this year because we chose to leave more money in the pockets of hard-working Kansans, and to commit to running the state on less. We will tirelessly pursue economic growth because it benefits every child, woman and man in this state.

I know I speak for many of you when I say we want our children to attend the best schools in the country... and when they graduate to not be lured elsewhere... but to have the opportunity to stay right here in Kansas. The path to that goal does not lie in raising taxes and growing government—that’s been tried before over and over again. The path to opportunity for every Kansan lies in the free-market, in more choices, in less government burden and restriction.

Let this be our one moment in time. Every one of us is defined by the choices we make, the obstacles we surmount, the teams we achieve, the people we love and maybe most of all the goals we don’t quite reach. Whether in victory or defeat, how we choose to handle these moments is what marks us long after we are gone. In the end, it is how we will be remembered. I hope this will be our moment in time. Let’s be remembered for doing what is right for this great state.

I’m very excited to work with each of you ….as well as President Wagle and the body across the rotunda…. Governor Brownback... and Democratic leaders from both chambers.

In closing, I want to thank my wonderful wife of 40 years Phyllis… and to our sons Matt and Michael. Your love and support mean everything to me.

God bless each of you, and God bless the great state of Kansas. Let’s get to work.

Speaker Merrick was presented with the gavel by Secretary of State Kris Kobach and assumed the chair.

Speaker Merrick announced the appointment of Susan Kannarr as Chief Clerk and Wayne Owen as Sergeant-at-Arms of the House of Representatives.

Speaker Merrick requested Rep. Mast to approach the bar for the oath of office.

Speaker pro tem-elect Mast subscribed to the following oath of office, which was administered by Chief Justice Nuss.
State of Kansas, County of Shawnee, ss:

I do solemnly swear that I will support the constitution of the United States and the constitution of the State of Kansas, and faithfully discharge the duties of the office of Speaker pro tem of the House of Representatives, so help me God. Subscribed and sworn to before me this 14th day of January, 2013.

LAWTON R. NUSS
Chief Justice of the Supreme Court

Speaker pro tem Mast addressed the following remarks to the members of the House:

“These are the times that try men’s souls.” I woke up one morning with that phrase on my mind. It was stated by Thomas Paine on December 23, 1776 and seems appropriate even today. Our biggest concerns seem to be coming from the Federal Government. We are looking at our national leaders who keep facing a fiscal cliff of enormous proportions that will affect each state greatly as they keep postponing coming to grips with it and taking it head on. On average, around 40% of a state’s budget is federal dollars so the problem for Kansas is obvious. We are also looking at regulations from the federal government that threaten to choke our energy opportunities, over-regulate our farmers, and eliminate liberties in health care decisions. We will be addressing huge challenges in funding Medicaid, education, and the many other responsibilities of state governance as well. Of course, this is only the beginning of issues we will address over the next two years, but address them we must.

Kansas faced its own fiscal cliff when federal stimulus dollars ran out and we needed to trim our own budgets or force our citizens to sacrifice more of their hard earned dollars to avoid the reality of a recession. We have come through that time and the result is national recognition for our self-disciple. As a result, we see our private sector growing rather than the size of government.

Kansas is a state born out of adversity and trials. Even as we were being accepted into the nation as a state, we came together to address the most controversial issue of the day. I know we all take great pride knowing our founding fathers chose to recognize that all men are created equal and deserve equal protection and privileges under our laws.

I would like to close with another quote I found recently. “The budget should be balanced, the treasury should be refilled, public debt should be reduced. The arrogance of officialdom should be tempered and controlled, and assistance to foreign lands should be curtailed lest Rome become bankrupt. People must again learn to work, instead of living on public assistance.”...Cicero, 55 B.C.

We know the eventual outcome for Rome. We see what is happening in Greece today as well as states like California. I pledge to help address the problems we face with each of you individually to the greatest extent of my ability as well as working with other members of leadership to strengthen our resolve. Kansas is a state we are all privileged to live in, and by God’s grace we can be an example other states will want to follow. We should look to Him first to guide our every action.

Thank you for the privilege to serve in this capacity as Speaker Pro Tem for the next two years. I want to work shoulder to shoulder with each of you.
Speaker Merrick asked for announcements from party caucuses:

Rep. Hoffman stated the majority (Republican) party had met and elected the following:
- Majority Leader, Rep. Jene Vickrey
- Assistant Majority Leader, Rep. David Crum
- Caucus Chairperson, Rep. Kyle Hoffman

Rep. Vickrey addressed the following remarks to the members of the House:

Mr. Speaker Merrick, Speaker Pro Tem Mast, Minority Leader Davis, fellow members of the Kansas House, and honored quests.

Most of us remember the hymn “Count your blessings.” As Kansans, we all have many to count. My first is my wonderful wife, Teresa. She and I will celebrate our 32nd wedding anniversary this July 28th. Together, we have four children. The oldest, Jacob, is a Pittsburg State graduate who is married to Kori. They are the parents of our granddaughters, Emma, 3 ½ year and 1 year old Olivia. Next is our 18 year old daughter, Jasmine “Jazzy” with our one year old granddaughter Analeigh. Twins, Josh and Johanna, are in 8th grade at Louisburg Middle School. Teresa and I are so blessed with grandchildren and even more excited that they live so close to us.

Another blessing to count for me is being born and raised on a family farm in rural Miami County. That family farm is where WWII era parents, Loma and Wendell, taught me through examples of how they lived their lives. They would often express memorable quotes to me: "always give an honest day’s work for an honest day’s pay", "your word is your bond" and "a handshake is the same as a signature.” These are the values of the hardworking, honest Kansans we represent and they deserve our best effort when we debate and work on legislation to find real solutions to improve their lives.

Finally, the blessing we all enjoy as members of the Kansas House of Representatives. It is true as our new members will soon experience, that we are often the “raucous” house. However, we are the “Peoples House” and are responsive to those who we represent. By design, the House is the voice of the people, the protector of liberty and freedom.

It is a great honor to serve as your Majority Leader. Know that together we will turn challenges into opportunity.

Rep. Ballard stated the minority (Democrat) party had caucused and elected the following officers:
- Minority Leader, Rep. Paul Davis
- Assistant Minority Leader, Rep. Tom Burroughs
- Agenda Chairperson, Rep. Annie Tietze
- Caucus Chairperson, Rep. Barbara Ballard
- Policy Chairperson, Rep. Valdenia Winn
Rep. Davis addressed the following remarks to the members of the House:

I first want to thank my colleagues in the House Democratic Caucus for allowing me to serve as your leader for the next two years. Our group has become a mix of seasoned veterans and energetic first termers. And regardless of whether you have been here for many years or whether this is your first year, I am honored by the opportunity to work on your behalf.

I want to congratulate Representative Merrick on his election as Speaker of the House, and I’d like to welcome the 57 new members of this body. The fact that this is a historical moment in each of your lives coincides with this incoming class of legislators marking a historical moment in the life of this legislative body and our State.

Fifty-seven new members – that is quite remarkable. We rarely experience such an influx of fresh faces at one time. And at this moment, we really don’t know much about one another, other than our respective political affiliations. But as we embark on this 90-day journey, it is important for each of us to pause from our hectic daily routines in this building, listen to each other, learn from one another and find out a little about what lies beneath our partisan labels.

I say this because these are tough times. And I’m not talking about the economy or any quantitative measure of prosperity. I’m talking about the toxic atmosphere that has poisoned lawmaking chambers across the country over the last decade.

Yes, we come from different walks of life, we have different priorities, and we have different beliefs about the role of government. There is no question that at times we will disagree passionately about issues that come before us. And this is something we should encourage and celebrate; because it is the essence of democracy. But we must do so with an understanding that compromise is good, that Republicans and Democrats working together does lead to better policymaking, and that our debates should be guided by a time-honored, respectful sense of civility toward each other.

There is nothing like a shared human experience to aid us in transcending party lines. And we have certainly experienced one of those in recent weeks. As a Father, the horrific shooting at Sandy Hook Elementary School that occurred one month ago today reminded me, probably like no other event in my 40 years, that life is very, very precious. And as I saw the pictures of the young, innocent children flashing across my television set in the days following, I kept seeing my own three-year-old daughter’s big brown eyes and curly hair. And my heart continues to ache for the parents who sent their children to school that Friday morning – 11 days before Christmas – never to see them alive again.

Our nation has now become mired in a discussion about what we should do or should not do to make sure that another Sandy Hook doesn’t occur. And I have watched our nation slowly fall back into the deadly politics of polarization—defined by name calling on television talk shows, an unwillingness to acknowledge that differing viewpoints have something meaningful to add to the debate, and a lack of people of who are willing to exercise the necessary leadership to promote a dialogue that brings people together instead of tearing them apart.

There may or may not be laws that need to be changed and we need to have these debates. But as I keep pondering how we should respond to this horrible tragedy, I keep coming back to the fact that the ultimate cure for these acts, if there is one, lies in each one of us—how we live our lives, and most importantly, how we treat each other.
We don’t have to pass any law to make that change, and we can start right now. I must confess that during my previous ten years in this body there are a lot of people that I didn’t take the time to get to know, I didn’t listen to much and I didn’t have an appreciation for. But I had an experience last year that really made me realize what I had been missing.

For a of number years another member of this body and I sparred at forums and probably didn’t speak more than a few words to each other. I think it is fair to say that neither of us had a whole of lot of use for the other.

But he decided to strike up a conversation with me about a year ago as we walked out of a Farm Bureau dinner and we ended talking for over an hour. That conversation, which was mostly about the struggles both of us had with balancing service in the Legislature with our professions and our families, allowed us to work closely together during the redistricting process and on a number of other issues.

That conversation allowed me to find out more about who he is as a person, it made me realize that we actually have a lot in common, and it helped me appreciate that this Representative offered a lot to the legislative process that I didn’t appreciate at all before.

This is the People’s House – it does not belong to a political party and it is the ultimate marketplace of ideas. No matter what the partisan breakdown of this chamber may be, we are all equal partners in this process and we are the stewards of democracy in this State. Everyone in this room was elected to be a voice for others. Everyone here has the right – and a responsibility – to speak up, regardless of whether you find yourself in the minority or the majority.

We will enact better policy and we will become better human beings if we approach the legislative process a little less like we approached our political campaigns and a little more like we approach the “circle time” that occurs at my daughter’s school, Sandy Hook Elementary and virtually every other grade school in our country---Everyone, Everyone has something worthwhile to contribute----Or in other words, there is more to this than just 63 votes.

In closing, I’d like to evoke the image of someone that I believe everyone in this room will agree is a true Kansas hero.

The morning after the most recent partisan fight in Washington, a discouraged Tom Brokaw appeared on the news and displayed a photo that he urged every member of Congress to keep close. It was an image of 89- year-old Republican Senator Bob Dole, standing before a casket that held the remains of Democratic Senator Daniel Inouye. The two men lived their lives on opposite ends of the ideological spectrum, but they developed a friendship that outlasted any political disagreement they may have had throughout their distinguished careers. Despite his frail condition, Senator Dole refused to attend Inouye’s wake in a wheelchair because he was determined to salute him properly.

Lawmakers face just as many challenges today as they faced back when Bob Dole walked the halls of the United States Capitol. The only difference between then and now is the number of people who are willing to listen to and work with one another. But even in these polarizing times, I believe that every man and woman in this room has a little bit of Bob Dole inside them. We are all capable of embracing that same spirit of statesmanship, because at the end of the day there is so much more that unites us than divides us.
As Senator Dole said: “Anyone who wants to understand me must first understand Russell, Kansas. It is my home, where my roots lie, and a constant source of strength. My father's view of the world as "stewers versus doers" registered early. From my neighbors, I learned to feel deeply for God, country and family. The Russell of my youth was not a place of wealth. Yet it was generous with the values that would shape my outlook and the compassion that would restore life's richness after I had begun to doubt my future. I have tried in my own way to give back some of what the town has given me. I have tried to defend and serve the America that I learned to love in Russell.”

It doesn’t get much more Kansas than that. It is the places like Russell, Lawrence and Stilwell that bind us all together. And it is as President Kennedy said almost 50 years ago “for in the final analysis our most basic common link is that we all inhabit this planet. We all breathe the same air. We all cherish our childrens’ future. And we are all mortal”.

So, just like that image of our Republican senator saluting his Democratic colleague after a lifetime of service and friendship, I hope you will keep the words of Bob Dole and John Kennedy close as we embark on this journey together.

Ad astra per aspera.

The roll was called with 125 members present.

ARTICLE 21. AMENDMENT OF BILLS AND RESOLUTIONS

Rule 2101. Germaneness. Amendments to bills and resolutions shall be germane to the subject of the bill or resolution. The principal test of whether an amendment is germane shall be its relationship to the subject of the bill or resolution, rather than to wording of the title thereof. The amendment, including any amendment from the floor to strike all of the substantive provisions of a bill or resolution and insert other provisions, must be relevant, appropriate, and have some relation to or involve the same subject as the bill or resolution to be amended. For the purposes of this rule the subject matter of any appropriation bill is the spending and appropriating of money and any amendment which changes the amount of money spent in any state agency or program is germane to any appropriation bill.

Any member, upon recognition by the presiding officer, may request a ruling upon the germaneness of any amendment to a bill or resolution. All rulings upon the question of germaneness shall be made by the chairperson of the House Committee on Rules and Journal. At the time of making such ruling, the chairperson shall state the reasons or basis for such ruling. Appeals from rulings of the chairperson may be taken upon the motion of any member. Such appeals shall be in order at the time of the making of the ruling and shall take precedence over any question pending at the time the chairperson makes such ruling. Appeals from the ruling of the chairperson shall be debatable only by the member making the motion to amend which is the subject of the ruling, the member carrying the measure sought to be amended, the Majority Leader or a member designated by the Majority Leader and the Minority Leader or a member designated by the Minority Leader. Debate upon the ruling of the chairperson shall be limited to the question of the germaneness of the proposed amendment. At the conclusion of debate the presiding officer shall inquire: "Shall the chairperson's ruling be sustained?"

Rule 2102. Form of Amendment Motions. Motions to amend bills and resolutions shall specify the page and line number, as shown on the printed bill or resolution, and shall be in writing on a form provided by the House or a form substantially similar. A motion shall be out of order unless the written motion is first delivered to the chief clerk. In the case of amendment by substitute bill, motion shall be made to substitute a written bill for the bill under consideration.

Rule 2103. Reading Amendments; General Rule. Motions to amend bills and resolutions shall not require readings as for bills introduced, except as otherwise provided in Rule 2107, but shall be subject to Rule 2306.

Rule 2104. Motions to Amend Motions. A motion to amend a motion to amend a bill or resolution shall not be in order.

Rule 2105. Dividing Amendments. (a) When any motion to amend a bill or resolution contains distinct propositions, it shall be divided by the chairperson at the request of any member. The division by the chairperson shall be made in accordance with the following:

(1) A motion to strike out and insert words of less than a sentence shall be indivisible;
(2) the distinct propositions shall be only in the form submitted in the motion to amend;
(3) each proposition must be so distinct that, one being removed, the remainder may stand entirely on their own; and
(4) those portions of a motion to amend a bill as described in Rule 2110 shall be
indivisible.

(b) Upon a request to divide a motion to amend a bill or resolution, the chairperson shall inquire as to whether there is a request for a ruling on germaneness of the motion to amend. If such a request is made, the issue of germaneness shall be determined prior to dividing the motion.

If no request for a ruling on germaneness of the motion to amend is made, the chairperson shall proceed to divide the motion to amend in accordance with this rule, and no subsequent request for a ruling on germaneness of any distinct proposition of the motion so divided shall be in order.

(c) The chairperson, or any member, may request that the member requesting the division make the request in writing specifying the manner in which the motion to amend should be divided.

(d) The chairperson may request that the member requesting the division and the chairperson or the vice-chairperson of the Committee on Rules and Journal recommend an appropriate division, but the final ruling on how to divide the motion to amend shall be that of the chairperson who shall announce the division to the body.

(e) The division of the motion to amend shall be in accordance with the rules of the House and with items (1) to (4), inclusive, of subsection (a). The ruling of the chairperson on how to divide the motion to amend shall not be subject to appeal except that any member may appeal the ruling of the chairperson on the grounds that the division is not in accordance with a rule of the House including the provisions of items (1), (2), (3) or (4) of subsection (a), or any combination thereof.

Rule 2106. Substitute Motions. No substitute motion to amend a bill or resolution shall be in order.

Rule 2107. Subject Change by Senate. (a) When the Senate adopts amendments to a House bill which materially changes its subject, upon return of such bill to the House, it shall be read as provided for the introduction of bills and be referred as provided in Rule 901.

(b) The Speaker may determine when a bill is subject to subsection (a). An affirmative vote of 70 members shall be required to sustain a challenge to the Speaker's determination hereunder.

Rule 2108. Motions to Strike Out and Insert. The rejection of a motion to amend a bill or resolution by striking out and inserting one proposition shall not prevent a subsequent motion to strike out and insert another proposition, nor prevent a subsequent motion simply to strike out; nor shall the rejection of a motion simply to strike out prevent a subsequent motion to strike out and insert.

Rule 2109. Identical Motions. Except upon the unanimous consent of the House, an identical motion to amend a bill or resolution shall not be made a second time on the same legislative day.

Rule 2110. Floor Amendments to Bills Making Appropriations. Unless by majority consent to correct an error in drafting, no floor amendment to increase the amount of expenditures that would be authorized in a provision of an appropriations bill shall be in order unless the amendment contains a provision reducing, by a like or greater amount, expenditures that would be authorized in another provision of such appropriations bill.

ARTICLE 23. PROCEDURAL MOTIONS

Rule 2301. Order of Motions. When a question is under consideration, no motion
shall be received except as specified under the Rules of the House, which motions shall have precedence in the following order:

(b) For call of the House.
(c) To lay on the table.
(d) For the previous question.
(e) To postpone to a certain time.

(k) To postpone indefinitely.

**Rule 2302. Motion to Adjourn.** The motion to adjourn shall always be in order, except while a vote is being taken and until announced, or when a member has the floor, or when the previous question is pending; but a motion to recess is not equivalent to a motion to adjourn.

**Rule 2303. Motion to Reconsider.** A motion to reconsider shall take precedence of all other questions except the motion to adjourn. No motion for reconsideration of any vote shall be in order, unless made on the same day or the legislative day following that on which the decision to be reconsidered took place, nor unless a member voting with the prevailing side shall move such reconsideration. A motion for reconsideration, being put and lost, shall not be renewed, nor shall any subject or vote be a second time reconsidered without unanimous consent, but this provision shall not be construed as preventing the introduction of a bill on the same subject. The member moving for reconsideration shall be allowed not more than two minutes for stating the reasons in support of the motion. Such motion shall be subject to debate by any member, stating reasons in support or opposition to the motion. Each of such members shall be allowed not more than one minute for the purpose of such debate. Such motion shall require the affirmative vote of members equal in number to that required to take the action proposed to be reconsidered. A motion to reconsider any final action of the House shall be in order at any time prior to the time at which the message of the House thereon is read into the record of the Senate. A motion to reconsider any final action of the House may be made after the time at which the message of the House thereon is read into the report of the Senate but any action taken pursuant thereto will be contingent upon the return of the measure to the House by the Senate.

**Rule 2304. Previous Question.** The "previous question" shall be: "Shall the main question be now put?" and until it is decided shall preclude all amendments or debate. When voting on the previous question, the House decides that the main question shall not now be put, the main question shall be considered as still remaining under debate. The main question shall be on the passage of the bill, resolution or other matter under consideration. When amendments are pending, a vote shall first be taken upon such amendments in their order without further debate or amendment. A majority vote of the members present shall order the previous question.

**Rule 2305. Motions Not Subject to Debate.** All questions relating to priority of business shall be decided without debate. The motion to adjourn, to change the order of
consideration of a bill, for a call of the House, and to lay on the table shall be decided without amendment or debate. The several motions to postpone or commit shall preclude all debate on the main question.

Rule 2306. Motion to Refer Bills or Resolutions to Committee When Not in Committee of the Whole. When not in the Committee of the Whole, a motion to refer a bill or resolution from the Calendar to a standing committee shall be in order only when the body is meeting as the House of Representatives and shall be authorized only when offered by the Majority Leader, or in the absence of the Majority Leader, by the Assistant Majority Leader. Such motion shall require the affirmative vote of a majority of the members then elected (or appointed) and qualified to the House.

Rule 2307. Motion to Strike Bills and Resolutions from Calendar When Not in Committee of the Whole. When not in the Committee of the Whole, a motion to strike a bill or resolution from the Calendar shall be in order only when the body is meeting as the House of Representatives and shall be authorized only when offered by the Majority Leader, or in the absence of the Majority Leader, by the Assistant Majority Leader. Such motion shall require the affirmative vote of a majority of the members then elected (or appointed) and qualified to the House.

Rule 2309. Dividing Motion. If any motion, other than a motion under Rule 2105, contains distinct propositions, it shall be divided by the chairperson at the request of any member. Motions under Rule 2105 shall be divided in accordance with that rule.

Rule 2310. When Motions to be in Writing. Every motion, except those specified in Rules 2301 and 2303, shall be in writing if the Speaker or any member desires it. All motions to amend a bill or resolution and all resolutions shall be in writing.

Rule 2311. Suspension of Rules of the House. (a) No rule of the House shall be suspended except by unanimous consent or by an affirmative vote of a majority of the members then elected (or appointed) and qualified to the House, subject to the following exceptions:

(1) A motion to suspend the rules, and to declare an emergency and to advance a bill to the order of business Final Action, as contemplated in article 2, section 15 of the Constitution shall require an affirmative vote of 2/3 of the members present in the House.

(2) A motion to suspend the rules and to permit amendment and debate of a bill under the order of business Final Action shall require an affirmative vote of 2/3 of the members present in the House.

(b) When under the rules of the House a motion, question or action requires a vote of a majority greater than a majority of the members present, the majority specified for such motion, question or action shall be required to suspend the rules for the purpose of such motion, question or action. When under the rules of the House notice of a motion reduces the required majority for adoption of the motion, the required majority shall not be reduced if the notice is disposed of by suspension of the rules.

(c) Suspension of the rules or unanimous consent shall not reduce the majority required under subpart (1) of subsection (a) of this rule.

Rule 2312. Mason's Manual; When Applicable. (a) In any case where rules of the House or the joint rules of the Senate and House do not apply, Mason's Manual of

The electronic voting system shall be used to record the vote whenever a roll call vote is taken on any question and may be used for ascertaining the vote upon any measure upon which a division of the assembly has been called. In the event that the system is not operating properly, roll call votes may be taken by calling the roll.

Rule 2502. Procedure for Taking a Roll Call Vote. When a roll call vote is taken, the presiding officer shall state the question and instruct the members to proceed to vote. When sufficient time has been allowed the members to vote, the presiding officer shall inquire: "Has every member had an opportunity to vote?" After a short pause the presiding officer shall direct the chief clerk to close the roll. After the roll has been closed, when Rule 2505 applies, the presiding officer shall inquire: "Does any member desire to explain his or her vote?" and any member so desiring may give such explanation when recognized by the presiding officer. In addition to such penalties as may be prescribed by law, any member who votes or attempts to vote for another member shall be subject to Article 49 of these rules. If a person not a member votes or attempts to vote for any member, such person shall be barred from the floor of the House for the remainder of the session, and, in addition to penalties prescribed by law, may be punished further as the House determines.

(c) The Speaker shall not be compelled to vote except in case of a tie.

Rule 2505. Explaining Vote. Any member may, when a roll call vote is being taken
on the passage or adoption of any bill or resolution, explain their vote. Such member shall be allowed not more than one minute for such explanation. Such explanation, if furnished in writing and signed, with printed name and district number, by such member by 4:00 p.m. upon the day the vote is taken or if the vote is taken subsequent to 3:30 p.m., within one-half hour after the adjournment of the House on that day, shall be entered in the Journal, provided it does not contain more than 100 words.

(b) A roll call vote shall be taken for the adoption of any concurrent resolution to amend the Constitution of the state of Kansas, to call a Kansas constitutional convention, to extend a session of the Legislature in even-numbered years, to ratify any amendment of the Constitution of the United States, to make any application for Congress to call a convention for proposing amendments to the Constitution of the United States and when required by the joint rules of the House and Senate. A roll call vote is not required for adoption of concurrent resolutions pertaining to commendations or acknowledgments, unless required under subsection (e) of Rule 2507.

(c) A roll call vote shall be taken for the adoption of any House resolution to adopt, amend or revoke any rule of the House or to reject any executive reorganization order.

(d) A roll call vote shall be taken to concur in Senate amendments to any bill or concurrent resolution or to adopt any conference committee report other than a report agreeing to disagree.

(e) A roll call vote shall be taken on any question on demand of 15 members, unless a roll call vote is already pending.

Also, this Rule 2508 shall apply to the taking of a vote on a motion to strike the enacting clause of a bill and the resolving clause of a resolution and on a motion to strike all after the enacting clause or resolving clause, except when the House is in the Committee of the Whole. All members present during the call shall be required to vote before the call is raised. The call of the House shall not be raised (so long as 10 members continue the demand) until a reasonable effort, as determined by the Speaker, has been exerted to secure absentees.
(b) Any member, who is directly interested in a question, may be excused from voting, when there is a call of the House. The member, who is requesting to be excused from voting, shall state the reasons therefor, occupying not more than five minutes. The question on excusing such member from voting shall be taken without debate and a 2/3 majority of members present shall be necessary to excuse such member. If a member refuses to vote, when not excused, such refusal shall constitute grounds for reprimand, censure or expulsion under Article 49 of the Rules of the House.

Rule 2509. Voice Vote; Division of the Assembly. Except when a roll call vote is required, a voice vote shall be taken on all questions. Any member may call for a division of the assembly to determine the vote by the voting system.

Help our leaders to capture this new excitement and passion
    and begin to build upon it.
As we look around, we see familiar faces,
    we see many new faces.
    From Elkhart to Highland,

these representatives have come together
    to work as a team to make Kansas a better state
    and to improve the life of our citizens.

    to the stock broker’s office in Corporate Woods,
    we know there are differences of opinions and philosophies,
    but as mentioned yesterday, help us to focus on the similarities
    and not obsess about the differences.

GOVERNOR SAM BROWNBACK'S COMPLETE TEXT
OF THE STATE OF THE STATE
January 15, 2013

Mr. Speaker, Madam President, Legislators, Justices of the Kansas Supreme Court; Lt. Governor Jeff Colyer and members of my Cabinet; leaders of the Native American Nations of Kansas, my wonderful wife and First Lady of Kansas, Mary – my parents, Bob and Nancy Brownback - and My Fellow Kansans - Good evening.

Kansas Governors have appeared more than 130 times to discuss the state of our state. I am honored to be the first Governor to say, "Welcome, Madam President."

Mr. Speaker, Madam President, the state of our state is strong and blessed and leading America in several key arenas.

Let me begin tonight by saying Kansas is a truly special place---a state that chose freedom when the darkness of slavery divided our nation. A place where the world learned to fly and bounce a basketball – and the place where a boy born in a log cabin in Canada could grow up to be Speaker of the Kansas House.

Yes, Kansas is a special place - and it is our home.

When our country seems adrift, Kansas leads to the stars through difficulty.

In an era when many believe America has lost its way, Kansans know the difficult path that the Nation must take.

It is the well-worn sod tracks of hard work, thrift, patience, perseverance, faith, sacrifice and family that will get us where we want our country to be.

And as has been our tradition since before statehood, our place, Kansas, will not be timid in doing what is right, even if much of the Nation takes another way.

Where others choose to raise taxes, we will lower them so our people have more money, not the government.

Where other governments expand, we grow smaller.

Where others choose to grow spending, Kansas grows jobs.

In important ways, our state is going against the tide and reflecting more of the values of the Greatest Generation, the World War II generation, more than my own.

Where some accept the breakdown of the family as unavoidable, we push back, knowing that strong families and healthy marriages are the best guarantee for the future of our kids.

Where some walk away from our Nation’s motto, we embrace it as a part of the
pioneering spirit…”In God We Trust.”

Yes, Kansas is a special place.

When I started as governor, we began the fiscal year with $876.05 in the bank and a projected deficit of $500 million - even after taxes had been increased.

Working with the legislature, we ended last fiscal year with a $500 million ending balance…a billion dollar swing to the good AND we paid off all of our callable bonds!

The last decade was unfortunately a lost decade where Kansas lost thousands of private sector jobs while the rest of America grew. In December 2010, our unemployment rate was seven percent.

Today our state’s unemployment rate is 5.4 percent – the 10th lowest in America - and Wichita State University projects we will add more than 24,000 private sector jobs in the state this year alone.

When I started as governor, we had the highest state income tax in the region, now we have the 2nd lowest and I want us to take it to zero. Look out Texas, here comes Kansas!

In the previous decade, we had population losses of more than ten percent in nearly half of our counties. Today we are adding hundreds of new Kansans in many of our rural counties. Communities like Colby are actually adding kindergarten classes for the first time in years.

Kansas has been blessed.

Although the current drought is harsh, our reservoirs and aquifers continue to give us the water we need. But now they need attention. Several of our reservoirs and many of our lakes need dredging from siltation. The Ogallala Aquifer needs local action to reduce its use and save some of it for future generations.

Our forefathers and mothers sacrificed to provide for us. Now we must prepare and in cases, sacrifice so our children and grandchildren will be provided for. We will go forward by simply doing the right things for our children.

**Preparing Children for 21st Century Careers/Reading/Families**

For one, we must reduce childhood poverty. Trillions of dollars have been spent since President Johnson first declared our country’s war on poverty. Yet, childhood poverty rates nationwide have remained virtually unchanged at more than 23 percent.

We need a new strategy. Kansans intuitively know what the Brookings Institute has reported - that the best way to combat childhood poverty is through effective education, jobs and family.

A key to a child’s success is the ability to read.

This morning, 40,000 Kansas children woke up, got dressed, and went to kindergarten.
They are the class of 2025. They are the future of Kansas.

Being able to read is one of the greatest gifts we can give these children. Yet – 29 percent of Kansas 4th graders can’t read at a basic level. A goal of my administration is to ensure each of the 40,000 kindergartners is able to read proficiently by the time they reach 4th grade.

That is why I am proposing the **Kansas Reads to Succeed** initiative. This proposal has three components.

First, it will provide $12 million to support innovative programs to help struggling readers.

Second, it will provide incentives to elementary schools that most successfully increase 4th grading reading scores.

Third, it will require 3rd grade students to demonstrate an ability to read before being promoted to the 4th grade.

Passing children up the grade ladder when we know they can’t read is irresponsible - and cruel. We will do better.

**Jobs and Economic Growth**

It’s never easy being a mom or a dad. But it gets even harder if one or both parents are not able to get a decent job. Our road map for Kansas is focused on the economic growth of our state so employment can expand and families can prosper.

Last year the Kansas Legislature passed the largest tax cut in state history. Tonight we are here to take another step on our path to no state income tax. This will create jobs and opportunities in our state that the current generation has left for Texas or Florida to find.

By making government more efficient and growing our economy, we can keep the sales tax flat at its current level and cut income taxes on our lower income working families to 1.9 percent and drop the top rate to 3.5 percent. This glide path to zero will not cut funding for schools, higher education or essential safety net programs.

And for those who come or stay in Kansas because of lower taxes, opportunities abound.

- An all-time record of more than 15,000 new businesses formed in 2012 – a sign of strong economic growth.

- We are the Air Capital of the world. Our aircraft industry is back on the ascent -and Southwest Airlines is soon to land in Wichita.

- We are the Nation’s breadbasket and its meat counter and are becoming its dairy section as well.
• Our oil production is hitting a high not seen in more than a decade with billions of dollars in new investment in vertical and horizontal drilling.

• We are number one in new wind energy with nearly three billion dollars of new investment last year alone and more to come.

• Our rapidly growing animal health sector that stretches from K-State in Manhattan to Johnson County grabs a significant share of the global industry.

• We provide engineering, architecture and other services to people everywhere.

Our new pro-growth path is a path home for our children. Part of our strategy will involve encouraging, not destroying families. We will help families economically, educationally, and socially. It will involve local efforts of intensive support, mentoring and pushing people to the job market, not another government program. We look forward to continuing our partnership with the Casey Family Programs as we strive toward reaching these goals.

**Two Year Budget**

Just as families must budget, the state of Kansas must prioritize its budget as well. Fiscal discipline has seemingly become a lost art in government.

Our schools only get 54-cents of every valuable education dollar into the classroom. This at a time when we put more state money into K-12 per capita than any surrounding state…and when total spending averages more than $12,600 per student per year.

We seem to focus only on how much money is appropriated, not on whether it is effectively spent. This must change and that change is happening in our Administration.

I am submitting to this Legislature a full two-year budget recommendation, with substantial focus on efficiency and effectiveness.

• This two-year budget is balanced.

• It protects base aid and increases total state funding for K-12 schools.

• It maintains stable funding for higher education.

• It provides funding to educate 50 additional medical doctors every year at a new, state-of-the-art medical training building at the University of Kansas Medical Center. We want the highest quality health care for all Kansans.

• This two-year budget provides essential services for our most needy Kansans.

• It funds a new crime lab and training facility for our state’s law enforcement on the campus of Washburn University.

• It fully funds our state’s infrastructure investments through T-WORKS.
Additionally, both my 2014 and 2015 budgets provide a 7.5 percent ending balance - without cutting core services. This stands in stark contrast to the $876 in the state treasury in July of 2010. Make no mistake; I believe in fiscal discipline and adequate cash balances.

**Government Reform**

Trends matter, and for years Kansas has consistently progressed to larger government, higher taxes, and unfortunately – though perhaps not surprisingly – more of our citizens leaving. We are changing these trends.

My administration has worked to restructure and reform state government to be more efficient and more effective. But there is a lot more we can do.

One of the clearest examples of duplication in state government is the fact that we have two highway departments: the Kansas Department of Transportation and the Kansas Turnpike Authority.

It is time that we realize the efficiencies to be gained by placing these two operations under the same umbrella. We don’t need two highway departments in Kansas. One is enough.

By bringing these two large organizations together under the direction of the Secretary of Transportation, we will serve the public better and more efficiently.

Yes, trends matter, but principles matter even more.

In the democratic system of checks and balances crafted by our Founding Fathers, the power to authorize spending public money was given exclusively to you, the Legislative branch. This is a core principle.

The “power of the purse” is the primary power of the Legislature, not the Executive or the Judiciary.

For the last two years – you, the Legislature, have proven that you can increase state support for education while pursuing pro-growth economic policy. Balancing a wide range of public priorities is one of the strengths of our representative system.

And so I ask you to make it clear in law that defining what is “suitable provision” for public funding of education is a job for the people’s elected representatives – and no one else.

Kansans expect and are entitled to a government that is not beholden to any special interest group.

The guiding principle of our American democracy must be that every citizen stands equal before the law, be they governor or farmer, lawyer or teacher. Unfortunately, our current system of selecting our appellate judges fails the democratic test.

Rather than giving an equal voice to all Kansans in the selection of our judges, Kansas is the only state that allows a special interest group to control the process of choosing
who will be our appellate judges. That is not as it should be. Here, the people rule.

Now I didn’t realize this but Kansas use to elect our state Supreme Court. I would be supportive of returning to that system or going to the federal model of judicial selection. Either passes the democracy test that the current system fails.

**Guidance for Legislators**

I mentioned at the outset that many of you are new to the Legislature. That’s a good thing. The Framers of our Constitution intended frequent rotation in public office, providing valuable new perspective. Yet there's no teacher like experience and no danger greater than pride.

With that in mind, please permit some advice from one who was a freshman legislator just 18 short years ago.

First - value relationships. I treasure the relationships I am fortunate to have with other people.

One of those relationships was with Paul Wellstone, the wonderful liberal Senator from Minnesota. In 1998, Paul and I co-authored the legislation which started America's efforts to fight human trafficking---work we have a chance to build on in this Kansas session. Paul and his wife died in a plane crash in 2002.

Others took up his work in the Senate, but the loss was the departure of Paul, a beautiful soul.

Cherish people and your relationships with them. They are more important than politics or policy.

Second - learn everything you can from those who have come before you. Those people know more than you can imagine, and if you take the time to listen to them, you'll learn a lot.

For me, my mentors have included our own Kansas treasures---Pat Roberts and Bob Dole... I also learned a lot from Senators Pat Moynihan, Phil Gramm, and Ted Kennedy.

For you, it needn't be someone from your part of the state, or even from your party. In fact, you'll probably learn more if it's not. And of all those you could learn from, may I suggest paying particular attention to a teacher?

Will you join me in honoring a man who has spent more time in this Capitol than any other legislator in Kansas history – beginning his 37th year in the Kansas Legislature - the Senator from Shawnee, Anthony Hensley.

And another person you can learn a lot from who has worked in the statehouse even longer than Senator Hensley is Don Wistuba. Don has operated the statehouse snack shop since 1976. He greets each day as a gift from God – and he truly is a gift of joy to the Capitol. Don, would you please stand up and take a bow.
Lastly, measure your time here not by the loud volume of the positions you take but by the service you give. Learn the facts, stand up for what you think is right and fight hard. But remember, today’s opponent is tomorrow’s ally and nobody, not even Coach Snyder or Coach Self, wins every game.

Listen, learn, and lead so that we may move forward together towards a more prosperous, more just, more decent Kansas.

Kansas is the heart of America. Let’s make our place a shining example for the Nation to follow.

It is within our reach to see that our children can read.

It is within our reach to strengthen marriages and families.

It is within our reach to reduce taxes.

It is within our reach to lead in job growth and energy independence.

It is within our reach to balance our budget and meet the needs of our people.

Our place, Kansas, will show the path, the difficult path, for America to go in these troubled times.

Like Kansas Newspaper publisher William Allen White once said, "…There is just one way to stop progress in America; and that is to hire some hungry earthquake to come along and gobble up Kansas."

We have been placed here for a reason and our season is short. Let us build a better state and do it now. Thank you, may God bless you and may God continue to bless the state of Kansas.

On motion of Rep. Vickrey, the House adjourned until 11:00 a.m., Wednesday, January 16, 2013.
The House met pursuant to adjournment with Speaker Merrick in the chair.

The roll was called with 121 members present. Reps. Carpenter, Gandhi, Montgomery and Peterson were excused on excused absence by the Speaker.

Prayer by Chaplain Brubaker:

Our Heavenly Father,
as we come before You today,
we recognize a lot of change has come our way.
The first time legislators number forty-nine—
all learning the ropes and how to walk the line.
Help them in these first few weeks,
to remember all procedures they must keep.
It can be quite overwhelming from time to time,
sometimes feeling like huge hills to climb.
Help our veterans be willing to lend a hand
because at one time, this novelty, they too had to withstand.
However, I have noticed, Lord, that some things never change,
of this I guess we shouldn’t think too strange—
for once again we have a Jayhawk Speaker and a Wildcat Chaplain—
so let the friendly competition begin.
Like the two-party system, it helps keep a balance,
but trusting in You is where we seek our guidance.
In Christ’s Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Proehl.

HOUSE CONCURRENT RESOLUTION No. HCR 5002—

By Committee on Judiciary

A PROPOSITION to amend the constitution of the state of Kansas by revising article 3 thereof, relating to the judiciary.

Be it resolved by the Legislature of the State of Kansas, two-thirds of the members elected (or appointed) and qualified to the House of Representatives and two-thirds of the members elected (or appointed) and qualified to the Senate concurring therein:

Section 1. The following proposition to amend the constitution of the state of Kansas shall be submitted to the qualified electors of the state for their approval or rejection: Article 3 of the constitution of the state of Kansas is hereby amended to read as follows:

"Article 3.—JUDICIAL
"§ 1. Judicial power; seals; rules. The judicial power of this state shall be vested exclusively in one court of justice, which shall be divided into one supreme court, one court of appeals, district courts, and such other courts as are provided by law; and all courts of record shall have a seal. The supreme court shall have general administrative authority over all courts in this state.

"§ 2. Supreme court. The supreme court shall consist of not less than seven justices who shall be selected as provided by this article. All cases shall be heard with not fewer than four justices sitting and the concurrence of a majority of the justices sitting and of not fewer than four justices shall be necessary for a decision. The term of office of the justices shall be six years except as hereinafter provided. The justice who is senior in continuous term of service shall be chief justice, and in case two or more have continuously served during the same period the senior in age of these shall be chief justice. A justice may decline or resign from the office of chief justice without resigning from the court. Upon such declination or resignation, the justice who is next senior in continuous term of service shall become chief justice. During incapacity of a chief justice, the duties, powers and emoluments of the office shall devolve upon the justice who is next senior in continuous service.

"§ 3. Jurisdiction and terms. The supreme court shall have original jurisdiction in proceedings in quo warranto, mandamus, and habeas corpus; and such appellate jurisdiction as may be provided by law. It shall hold one term each year at the seat of government and such other terms at such places as may be provided by law, and its jurisdiction shall be co-extensive with the state.

"§ 4. Reporter; clerk. There shall be appointed, by the justices of the supreme court, a reporter and clerk of such court, who shall hold their offices two years, and whose duties shall be prescribed by law.

"§ 5. Selection of justices of the supreme court. (a) (1) Any vacancy occurring in the office of any justice of the supreme court and any position to be open on the supreme court as a result of enlargement of such court, or the retirement or failure of an incumbent to file such justice's declaration of candidacy to be retained in office as hereinafter required, or failure of a justice to be elected to be retained in office, shall be filled by appointment by the governor, with the consent of the senate, of a person possessing the qualifications of office.

(2) Whenever a vacancy occurs, will occur or position opens on the supreme court, the clerk of the supreme court shall promptly give notice to the governor.

(3) In event of the failure of the governor to make the appointment within 60 days from the date such vacancy occurred or position became open, the chief justice of the supreme court, with the consent of the senate, shall make the appointment of a person possessing the qualifications of office.

(4) Whenever a vacancy in the office of justice of the supreme court exists at the time the appointment to fill such vacancy is made pursuant to this section, the appointment shall be effective at the time it is made, but where an appointment is made pursuant to this section to fill a vacancy which will occur at a future date, such appointment shall not take effect until such date.

(b) No person appointed pursuant to subsection (a) shall assume the office of justice of the supreme court until the senate, by an affirmative vote of the majority of all members of the senate then elected or appointed and qualified, consents to such appointment. The senate shall vote to consent to any such appointment not later than 60
days after such appointment is received by the senate. If the senate is not in session and will not be in session within the 60-day time limitation, the senate shall vote to consent to any such appointment not later than 20 days after the senate begins its next session. In the event a majority of the senate does not vote to consent to the appointment, the governor, within 60 days after the senate vote on the previous appointee, shall appoint another person possessing the qualifications of office and such subsequent appointment shall be considered by the senate in the same procedure as provided in this article. The same appointment and consent procedure shall be followed until a valid appointment has been made. No person who has been previously appointed but did not receive the consent of the senate shall be appointed again for the same vacancy. If the senate fails to vote on an appointment within the time limitation imposed by this subsection, the senate shall be deemed to have given consent to such appointment.

(2) Not less than 60 days prior to the holding of the general election next preceding the expiration of the term of any justice of the supreme court, the justice may file in the office of the secretary of state a declaration of candidacy for retention in office. If a declaration is not filed as provided in this section, the position held by the justice shall be vacant upon the expiration of the justice's term of office. If such declaration is filed, the justice's name shall be submitted at the next general election to the electors of the state on a separate judicial ballot, without party designation, reading substantially as follows:

"Shall (Here insert name of justice.), Justice of the Supreme Court, be retained in office?"

(3) If a majority of those voting on the question vote against retaining the justice in office, the position which the justice holds shall be vacant upon the expiration of the justice's term of office. Otherwise, unless the justice is removed for cause, the justice shall remain in office for the regular term of six years from the second Monday in January following the election. At the expiration of each term, unless by law the justice is compelled to retire, the justice shall be eligible for retention in office by election in the manner prescribed in this section.

(4) If a majority of those voting on the question vote against the justice's retention, the secretary of state, following the final canvass of votes on the question, shall certify the results to the clerk of the supreme court. Any such justice who has not been retained in office pursuant to this section shall not be eligible for nomination or appointment to the office of justice of the supreme court prior to the expiration of six years after the expiration of the justice's term of office.

"§ 6. Court of appeals. (a) (1) The court of appeals shall consist of 14 judges whose positions shall be numbered one to 14. Any vacancy occurring in the office of any judge of the court of appeals and any position to be open on the court of appeals as a result of enlargement of such court, or the retirement or failure of an incumbent to file such judge's declaration of candidacy to be retained in office as hereinafter required, or failure of a judge to be elected to be retained in office, shall be filled by appointment by the governor, with the consent of the senate, of a person possessing the qualifications of office.
Whenever a vacancy occurs, will occur or position opens on the court of appeals, the clerk of the supreme court shall promptly give notice to the governor.

In event of the failure of the governor to make the appointment within 60 days from the date such vacancy occurred or position became open, the chief justice of the supreme court, with the consent of the senate, shall make the appointment of a person possessing the qualifications of office.

Whenever a vacancy in the office of judge of the court of appeals exists at the time the appointment to fill such vacancy is made pursuant to this section, the appointment shall be effective at the time it is made, but where an appointment is made pursuant to this section to fill a vacancy which will occur at a future date, such appointment shall not take effect until such date.

No person appointed pursuant to subsection (a) shall assume the office of judge of the court of appeals until the senate, by an affirmative vote of the majority of all members of the senate then elected or appointed and qualified, consents to such appointment. The senate shall vote to consent to any such appointment not later than 60 days after such appointment is received by the senate. If the senate is not in session and will not be in session within the 60-day time limitation, the senate shall vote to consent to any such appointment not later than 20 days after the senate begins its next session.

In event the majority of the senate does not vote to consent to the appointment, the governor, within 60 days after the senate vote on the previous appointee, shall appoint another person possessing the qualifications of office and such subsequent appointment shall be considered by the senate in the same procedure as provided in this article. The same appointment and consent procedure shall be followed until a valid appointment has been made. No person who has been previously appointed but did not receive the consent of the senate shall be appointed again for the same vacancy. If the senate fails to vote on an appointment within the time limitation imposed by this subsection, the senate shall be deemed to have given consent to such appointment.

Each judge of the court of appeals appointed pursuant to subsection (a) and consented to pursuant to subsection (b) shall hold office for an initial term ending on the second Monday in January following the first general election that occurs after the expiration of 12 months in office.

Not less than 60 days prior to the holding of the general election next preceding the expiration of the term of any judge of the court of appeals, the judge may file in the office of the secretary of state a declaration of candidacy for retention in office. If a declaration is not filed as provided in this section, the position held by the judge shall be vacant upon the expiration of the judge's term of office. If such declaration is filed, the judge's name shall be submitted at the next general election to the electors of the state on a separate judicial ballot, without party designation, reading substantially as follows: "Shall (Here insert name of judge.), Judge of the Court of Appeals, be retained in office?"

If a majority of those voting on the question vote against retaining the judge in office, the position which the judge holds shall be vacant upon the expiration of the judge's term of office. Otherwise, unless the judge is removed for cause, the judge shall remain in office for the regular term of four years from the second Monday in January following the election. At the expiration of each term, unless by law the judge is compelled to retire, the judge shall be eligible for retention in office by election in the manner prescribed in this section.
If a majority of those voting on the question vote against the judge's retention, the secretary of state, following the final canvass of votes on the question, shall certify the results to the clerk of the supreme court. Any such judge who has not been retained in office pursuant to this section shall not be eligible for nomination or appointment to the office of judge of the court of appeals prior to the expiration of four years after the expiration of the judge's term of office.

(d) The supreme court may assign a judge of the court of appeals to serve temporarily on the supreme court.

(e) The supreme court or the court of appeals may assign a district judge to serve temporarily on the court of appeals.

"§ 7. District courts. (a) The state shall be divided into judicial districts as provided by law. Each judicial district shall have at least one district judge. The term of office of each judge of the district court shall be four years. District court shall be held at such times and places as may be provided by law. The district judges shall be elected by the electors of the respective judicial districts unless the electors of a judicial district have adopted and not subsequently rejected a method of nonpartisan selection. The legislature shall provide a method of nonpartisan selection of district judges and for the manner of submission and resubmission thereof to the electors of a judicial district. A nonpartisan method of selection of district judges may be adopted, and once adopted may be rejected, only by a majority of electors of a judicial district voting on the question at an election in which the proposition is submitted. Whenever a vacancy occurs in the office of district judge, it shall be filled by appointment by the governor until the next general election that occurs more than 30 days after such vacancy, or as may be provided by such nonpartisan method of selection.

(b) The district courts shall have such jurisdiction in their respective districts as may be provided by law.

(c) The legislature shall provide for clerks of the district courts.

(d) Provision may be made by law for judges pro tem of the district court.

(e) The supreme court or any justice thereof shall have the power to assign judges of district courts temporarily to other districts.

(f) The supreme court may assign a district judge to serve temporarily on the supreme court.

(g) The supreme court or the court of appeals may assign a district judge to serve temporarily on the court of appeals.

"§ 8. Qualifications of justices and judges. Justices of the supreme court, judges of the court of appeals and judges of the district courts shall be at least 30 years of age and shall be duly authorized by the supreme court of Kansas to practice law in the courts of this state and shall possess such other qualifications as may be prescribed by law.

"§ 9. Prohibition of political activity by justices and certain judges. No justice of the supreme court who is appointed or retained under the procedure of section 5 of this article, nor any judge of the court of appeals who is appointed or retained under the procedure of section 6 of this article, nor any judge of the district court holding office under a nonpartisan method authorized in subsection (a) of section 7 of this article, shall directly or indirectly make any contribution to or hold any office in a political party or organization or take part in any political campaign.

"§ 10. Extension of terms until successor qualified. All judicial officers shall
hold their offices until their successors shall have qualified.

"§ 11. Compensation of justices and judges; certain limitation. The justices of the supreme court, judges of the court of appeals and judges of the district courts shall receive for their services such compensation as may be provided by law, which shall not be diminished during their terms of office, unless by general law applicable to all salaried officers of the state. Such justices or judges shall receive no fees or perquisites nor hold any other office of profit or trust under the authority of the state, or the United States except as may be provided by law, or practice law during their continuance in office.

"§ 12. Removal of justices and judges. Justices of the supreme court may be removed from office by impeachment and conviction as prescribed in article 2 of this constitution. In addition to removal by impeachment and conviction, justices may be retired after appropriate hearing, upon certification to the governor, by the supreme court that such justice is so incapacitated as to be unable to perform adequately such justice's duties. Other judges shall be subject to retirement for incapacity, and to discipline, suspension and removal for cause by the supreme court after appropriate hearing.

"§ 13. Savings clause. Nothing contained in this amendment to the constitution shall: (a) Shorten the term of office or abolish the office of any justice of the supreme court, any judge of the court of appeals, any judge of the district court, or any other judge of any other court who is holding office at the time this amendment becomes effective, or who is holding office at the time of adoption, rejection, or resubmission of a nonpartisan method of selection of district judges as provided in subsection (a) of section 7 of this article, and all such justices and judges shall hold their respective offices for the terms for which elected or appointed unless sooner removed in the manner provided by law; (b) repeal any statute of this state relating to the supreme court, the supreme court nominating commission, the court of appeals, district courts, or any other court, or relating to the justices or judges of such courts, and such statutes shall remain in force and effect until amended or repealed by the legislature."

Sec. 2. The following statement shall be printed on the ballot with the amendment as a whole:

"Explanatory statement. The purpose of this amendment is to place the law concerning the court of appeals into the constitution and to do away with the supreme court nominating commission. The governor will appoint a qualified person, or if the governor fails to act, the chief justice of the supreme court would appoint a qualified person, and such person's appointment would be required to be confirmed by the senate. A procedure is established whereby senate confirmation would occur within 60 days of receiving the appointment. If the senate does not confirm the appointment a majority vote, the governor would then appoint another qualified person, and such person's appointment would again go to the senate for confirmation. The same appointment and confirmation procedure would be followed until a valid appointment is made. If the senate fails to vote on an appointment within 60 days, it will be considered that the senate has confirmed the appointment.

"A vote for this proposition would provide a procedure whereby the governor or chief justice would appoint a person to be a supreme court justice or court of appeals judge and the senate, by majority vote, would confirm the appointment of the supreme court justice or court of appeals judge.
"A vote against this proposition would continue in effect the current provision whereby the supreme court nominating commission nominates three persons for the office of the supreme court or court of appeals and the governor appoints one of such persons."

Sec. 3. This resolution, if approved by two-thirds of the members elected (or appointed) and qualified to the House of Representatives, and two-thirds of the members elected (or appointed) and qualified to the Senate shall be entered on the journals, together with the yeas and nays. The secretary of state shall cause this resolution to be published as provided by law and shall cause the proposed amendment to be submitted to the electors of the state at the election in August in the year 2014 unless a special election is called at a sooner date by concurrent resolution of the legislature, in which case it shall be submitted to the electors of the state at the special election.

court, a reporter and clerk of such court, who shall hold their offices two years, and
whose duties shall be prescribed by law.

"§ 5. Selection of justices of the supreme court. (a) Any vacancy occurring in the
office of any justice of the supreme court and any position to be open thereon as a result
of enlargement of the court, or the retirement, resignation or removal of a justice, shall

from the state as a whole. Except as otherwise provided in this section, election laws

The legislature shall provide a method of nonpartisan selection of district judges and for the manner of submission and resubmission thereof to the electors of a judicial district. A nonpartisan method of selection of district judges may be adopted, and once adopted may be rejected, only by a majority of electors of a judicial district voting on the question at an election in which the proposition is submitted. Whenever a vacancy occurs in the office of district judge, it shall be filled by appointment by the governor until the next general election that occurs more than 30 days after such vacancy, or as may be provided by such nonpartisan method of selection.

(b) The district courts shall have such jurisdiction in their respective districts as may be provided by law.

§ 9. Prohibition of political activity by certain judges. No judge of the district court holding office under a nonpartisan method authorized in subsection (a) of section 7 of this article, shall directly or indirectly make any contribution to or hold any office in a political party or organization or take part in any political campaign.

§ 10. Extension of terms until successor qualified. All judicial officers shall hold their offices until their successors shall have qualified.

§ 11. Compensation of justices and judges; certain limitation. The justices of the supreme court, judges of the court of appeals and judges of the district courts shall receive for their services such compensation as may be provided by law, which shall not be diminished during their terms of office, unless by general law applicable to all salaried officers of the state. Such justices or judges shall receive no fees or perquisites nor hold any other office of profit or trust under the authority of the state, or the United States except as may be provided by law, or practice law during their continuance in office.

§ 12. Removal of justices and judges. Justices of the supreme court may be removed from office by impeachment and conviction as prescribed in article 2 of this constitution. In addition to removal by impeachment and conviction, justices may be retired after appropriate hearing, upon certification to the governor, by the supreme
court that such justice is so incapacitated as to be unable to perform adequately such justice's duties. Other judges shall be subject to retirement for incapacity, and to
discipline, suspension and removal for cause by the supreme court after appropriate
hearing.

§ 13. Savings clause. Nothing contained in this amendment to the constitution
shall: (a) Shorten the term of office or abolish the office of any justice of the supreme
court, any judge of the court of appeals, any judge of the district court, or any other
judge of any other court who is holding office at the time this amendment becomes
effective, or who is holding office at the time of adoption, rejection, or resubmission of
a nonpartisan method of selection of district judges as provided in subsection (a) of
section 7 of this article, and all such justices and judges shall hold their respective
offices for the terms for which elected or appointed unless sooner removed in the
manner provided by law; (b) repeal any statute of this state relating to the supreme
court, the supreme court nominating commission, the court of appeals, district courts, or
any other court, or relating to the justices or judges of such courts, and such statutes
shall remain in force and effect until amended or repealed by the legislature."

Sec. 2. The following statement shall be printed on the ballot with the amendment
as a whole:

"Explanatory statement. The purpose of this amendment is to place the law
concerning the court of appeals into the constitution, to do away with the supreme court
nominating commission and to provide for election of justices of the supreme court and
judges of the court of appeals. Future justices and judges would be elected in partisan,
statewide elections. Each justice and judge elected would hold office for a term of six
years and would be allowed to seek reelection.

"A vote for this proposition would cause justices of the supreme court and judges of
the court of appeals to be elected in partisan, statewide elections for terms of six years.

"A vote against this proposition would continue the current system in which justices
of the supreme court and judges of the court of appeals are appointed by the governor
from a list of three individuals submitted by the supreme court nominating
commission."

Sec. 3. This resolution, if approved by two-thirds of the members elected (or
appointed) and qualified to the House of Representatives, and two-thirds of the
members elected (or appointed) and qualified to the Senate shall be entered on the
journals, together with the yeas and nays. The secretary of state shall cause this
resolution to be published as provided by law and shall cause the proposed amendment
to be submitted to the electors of the state at the election in August in the year 2014
unless a special election is called at a sooner date by concurrent resolution of the
legislature, in which case it shall be submitted to the electors of the state at the special
election.

"Explanatory statement. The purpose of this amendment is to place the law concerning the court of appeals into the constitution and to change the membership of the supreme court nominating commission. Commission membership would change to: Four attorney members, one attorney selected from each congressional district by the resident members of the bar in each such district; five members appointed by the governor as follows: One member from each congressional district; and one member from the state as a whole who shall serve as the non-voting chairperson of the commission; and six members appointed by the legislature as follows: Two by the president of the senate; two by the speaker of the house of representatives; one by the minority leader of the senate; and one by the minority leader of the house of representatives.

"A vote for this proposition would place the law concerning the court of appeals into the constitution and continue in effect the current provision whereby the supreme court nominating commission nominates three persons for the office of the supreme court or court of appeals and the governor appoints one of such persons. Commission membership would change to: Four attorney members, one attorney selected from each congressional district by the resident members of the bar in each such district; five members appointed by the governor, one member from each congressional district and one member from the state as a whole who shall serve as the non-voting chairperson of
the commission; and six members appointed by the legislature.

"A vote against this proposition would leave the law concerning the court of appeals in the Kansas statutes and continue in effect the current provision whereby the supreme court nominating commission nominates three persons for the office of the supreme court or court of appeals and the governor appoints one of such persons. Commission membership would remain: One member, who shall be chairman, chosen from among their number by the members of the bar who are residents of and licensed in Kansas; one member from each congressional district chosen from among their number by the resident members of the bar in each such district; and one member, who is not a lawyer, from each congressional district, appointed by the governor from among the residents of each such district."

Sec. 3. This resolution, if approved by two-thirds of the members elected (or appointed) and qualified to the House of Representatives, and two-thirds of the members elected (or appointed) and qualified to the Senate shall be entered on the journals, together with the yeas and nays. The secretary of state shall cause this resolution to be published as provided by law and shall cause the proposed amendment to be submitted to the electors of the state at the general election in November in the year 2014 unless a special election is called at a sooner date by concurrent resolution of the legislature, in which case it shall be submitted to the electors of the state at the special election.

If a majority of those voting on the question vote against retaining him in office, the position or office which he holds shall be open upon the expiration of his term of office; otherwise he shall, unless removed for cause, remain in office for the regular term of six years from the second Monday in January following such election. At the expiration of each term he shall, unless by law he is compelled to retire, be eligible for retention in office by election in the manner prescribed in this section. Whenever a vacancy occurs or will occur or a position opens on the supreme court, the clerk of the supreme court shall promptly give notice to the governor:

(d) No person appointed pursuant to subsection (a) or (b) of this section shall assume the office of justice of the supreme court until the senate, by an affirmative vote of the majority of all members of the senate then elected or appointed and qualified, consents to such appointment. The senate shall vote to consent to any such appointment
not later than 30 days after such appointment is received by the senate. If the senate is not in session and will not be in session within the 30-day time limitation, the president of the senate shall convene the senate for the sole purpose of voting on such appointment and no other action shall be in order during such session. In the event a majority of the senate does not vote to consent to the appointment, the governor, within 30 days after the senate vote on the previous appointee, shall appoint another person possessing the qualifications of office, whose name has been submitted to the governor by the supreme court nominating commission, and such subsequent appointment shall be considered by the senate by the same procedure as provided in this section. The same appointment and consent procedure shall be followed until a valid appointment has been made. No person who has previously been appointed but did not receive the consent of the senate shall be appointed again for the same vacancy. If the senate fails to vote on an appointment within the 30-day time limitation set forth herein, the senate shall be deemed to have given consent to such appointment.

(e) A nonpartisan nominating commission whose duty it shall be to nominate and submit to the governor the names of persons for appointment to fill vacancies in the office of any justice of the supreme court is hereby established, and shall be known as the "supreme court nominating commission." Said commission shall be organized as hereinafter provided.

(f) The supreme court nominating commission shall be composed as follows:
One member, who shall be chairman, chosen from among their number by the members of the bar who are residents of and licensed in Kansas; one member from each congressional district chosen from among their number by the resident members of the bar in each such district, and one member, who is not a lawyer, from each congressional district, appointed by the governor from among the residents of each such district. Three members shall be appointed by the speaker of the house of representatives, three members shall be appointed by the president of the senate and three members shall be appointed by the governor. All members shall be residents of Kansas. At least one member appointed by the speaker of the house of representatives, at least one member appointed by the president of the senate and at least one member appointed by the governor shall be members of the bar in good standing and licensed in Kansas. The governor shall appoint one of the nine members of the supreme court nominating commission to serve as such commission's chairperson.

(h) No member of the supreme court nominating commission shall, while he is a member, hold any other public office by appointment or any official position in a political party or for six months thereafter be eligible for nomination for the office of justice of the supreme court. The commission may act only by the concurrence of a majority of its members.

§ 8. Prohibition of political activity by justices and certain judges. No justice of the supreme court who is appointed or retained under the procedure of section 5 of this article, nor any judge of the district court holding office under a nonpartisan method
authorized in subsection (a) of section 6 of this article, shall directly or indirectly make any contribution to or hold any office in a political party or organization or take part in any political campaign."

Sec. 2. The following statement shall be printed on the ballot with the amendment as a whole:

"Explanatory statement. The purpose of this amendment is to allow the governor to appoint a qualified person to the office of justice of the supreme court, and such person's appointment would be required to be consented to by the senate. If the governor fails to act, the chief justice of the supreme court would appoint a qualified person, and such person's appointment would also be required to be consented to by the senate. The nonpartisan supreme court nominating commission membership would be changed to include appointments by the speaker of the house of representatives and the president of the senate. The gubernatorial appointments to the commission would be reduced from four members to three members. The members of the bar would no longer elect members of the commission. The commission would continue to nominate three persons for appointment by the governor. A procedure is established whereby senate consent would occur within 30 days of receiving the appointment. If the senate does not consent by a majority vote, the governor would then select an appointment which would again go to the senate for consent. The same appointment and consent procedure would be followed until a valid appointment is made. If the senate fails to vote on an appointment within 30 days, it will be considered that the senate has consented to the appointment. Further, the supreme court justices would hold the office during good behavior, be subject to the retirement, discipline and removal for cause provisions of section 15 of article 3 of the Kansas constitution and would no longer be subject to a retention election.

"A vote for this proposition would provide a procedure whereby the governor or chief justice would appoint a person to be a supreme court justice and the senate, by majority vote, would consent to the appointment of supreme court justices. The supreme court nominating commission would continue to nominate three qualified persons to the governor. The supreme court justices would hold the office during good behavior, be subject to the retirement, discipline and removal for cause provisions of section 15 of article 3 of the Kansas constitution and would no longer be subject to a retention election.

"A vote against this proposition would continue in effect the current provision whereby the supreme court nominating commission nominates three persons for the office of the supreme court and the governor appoints one of such persons. Further, the justices of the supreme court would continue to hold six-year terms and be subject to retention elections."

Sec. 3. This resolution, if approved by two-thirds of the members elected (or appointed) and qualified to the House of Representatives, and two-thirds of the members elected (or appointed) and qualified to the Senate shall be entered on the journals, together with the yeas and nays. The secretary of state shall cause this resolution to be published as provided by law and shall cause the proposed amendment to be submitted to the electors of the state at the election in August of the year 2014 unless a special election is called at a sooner date by concurrent resolution of the legislature, in which case it shall be submitted to the electors of the state at the special election.

Prayer by Guest Chaplain, the Rev. Andy Inskeep, Youth Pastor, Fairlawn Church of the Nazarene, Topeka:

Dear God,
Thank you for the diversity that you have created whether through beautiful elements of the created world such as a sunrise, fruit, flat land, hills. Thank you for the diversity in the personalities and the background of those here today and those we are representing. In the midst of a great awareness of our diversity, God, help us to recognize the things that unify and draw us together.

As this legislative body meets this morning I ask you give them the ability to truly listen and value one another. As the writer of Proverbs said, “Answering before listening is both stupid and rude.” (Proverbs 18:13 MSG)
Help us to not just assume the point one another is making but to truly listen and also hear the heart behind what is being said. Give us the creativity, God, to think of new ways to come to agreement or to solve the problems that our state faces.

Lord, give us the guidance that we need here today. Let our decisions not just be what we think is best but led and brought about by You. Give us the wisdom that can only come from You and for which only You can truly receive the credit.

Finally, God, I ask that You will help us treat one another with love today. Let this not be just our assembly decorum. As many meetings and tasks may fill up our afternoon and evenings, God help us to remember what truly matters. Help
us in our interactions throughout the day let your selfless love
transform us to love another in such a way.
   Comfort the family of Representative Ruiz on the loss of
   his brother.
   In the name of My Lord and Savior Jesus I pray, Amen.

The Pledge of Allegiance was led by Rep. Schroeder.

MESSAGE FROM THE GOVERNOR

Executive Reorganization Order No. 42
By Governor Sam Brownback
January 18, 2013

Pursuant to Article 1, Section 6(b) of the Constitution of the State of Kansas, I am transmitting this day Executive Reorganization Order No. 42 to both houses of the Kansas Legislature. Simultaneously with this Order, I am transmitting the accompanying Governor’s Message.

The post audit report regarding the Juvenile Justice Authority released this summer highlighted how the decades-old social services approach taken by policy makers and previous administrations failed to provide the safety and security that our juvenile offenders require and deserve. The audit clearly shows that juvenile offenders must be served by a professional corrections agency.

This re-organization calls for the facilities and programs administered by the Juvenile Justice Authority to be transferred to the Department of Corrections. Moving JJA to KDOC will increase the emphasis on safety while continuing to provide programs proven to get our youth back on the right path. It will also provide opportunities to strengthen public safety, build upon successes realized through a minimal administrative consolidation of functions two years ago, and provide for the unique needs of these two populations.

While there are some distinct differences in program needs and management strategies for juveniles, and we will continue the rehabilitation of the juvenile population, it is imperative that basic safety and security practices are routinely employed in correctional environments. Many steps have recently been taken to improve the quality of juvenile corrections and a consolidation will make both agencies stronger and better equipped to provide comprehensive corrections in the State of Kansas.

With a broader organizational base, we can focus on the work necessary to make the Kansas juvenile justice system a nationally-recognized model—one that promotes public safety through sound correctional practices and reduces recidivism through the provision of well researched, evidence-based services. The youth, families, staff, and citizens of the State of Kansas deserve nothing less.
My administration looks forward to working with the Kansas Legislature on this longer term, structural solution to the issues at JJA.

**Executive Reorganization Order No. 42**  
By Governor Sam Brownback  
Transmitted January 18, 2013

Section 1. (a) The Juvenile Justice Authority created by K.S.A. 75-7001, and amendments thereto, is hereby abolished.  
(b) Except as otherwise provided by this order, all of the jurisdiction, powers, functions and duties of the juvenile justice authority and the commissioner of juvenile justice are hereby transferred to and conferred and imposed upon the department of corrections and the secretary of corrections.  
(c) Except as otherwise provided by this order, the department of corrections and the secretary of corrections shall be the successor in every way to the jurisdiction, powers, duties and functions of the juvenile justice authority and the commissioner of juvenile justice in which the same were vested prior to the effective date of this order. (d) Except as otherwise provided by this order, whenever the juvenile justice authority, or words of like effect, is referred to or designated by a statute, contract or other document, such reference or designation shall be deemed to apply to the department of corrections.

(h) On the effective date of this order, the department of corrections shall succeed to whatever right, title or interest the juvenile justice authority has acquired in any real property in this state, and the department of corrections shall hold the same for and in the name of the state of Kansas. Any subsequent transfers, layoff, or abolition of classified service positions under the Kansas civil service act shall be made in accordance with the civil service laws and any rules and regulations adopted thereunder. Nothing in this order shall affect the classified status of any transferred person employed by the juvenile justice authority prior to the date of transfer.

Section 3. (a) When any conflict arises as to the disposition of any power, function or duty or the unexpended balance of any appropriation as a result of any abolition, transfer, attachment or change made by or under authority of this order, such conflict shall be resolved by the governor, whose decision shall be final.

(b) The department of corrections shall succeed to all property and records which were used for or pertain to the performance of the powers, duties and functions transferred to the department of corrections from the juvenile justice authority. Any conflict as to the proper disposition of property or records arising under this section, and resulting from the transfer or attachment of any state agency, or all or part of the powers, duties and functions thereof, shall be determined by the governor, whose decision shall be final.

Section 4. (a) The department of corrections shall have the legal custody of all records, memoranda, writings, entries, prints, representations or combinations thereof of any act, transaction, occurrence or event of the juvenile justice authority and any agency or office transferred thereto under previous law.

(b) No suit, action, or other proceeding, judicial or administrative, lawfully commenced, or which could have been commenced, by or against any state agency or
program mentioned in this order, or by or against any officer of the state in such officer's official duties, shall abate by reason of the governmental reorganization effected under the provisions of this order. There being no objection, the following remarks by Rep. Meier are spread upon the Journal:

This morning, our Governor has signed a proclamation designating today, Wednesday, January 23, 2013, as Kansas Armed Forces Appreciation Day. Today, 64 years after the formation of the Department of Defense and the first Armed Forces Day by President Harry S. Truman, the United States military service members are standing ever vigilant at their posts around the world to keep us safe.

In the words of President John F. Kennedy, that still ring true today, “Our Servicemen
and women are serving throughout the world as guardians of peace--many of them away from their homes, their friends and their families. They are visible evidence of our determination to meet any threat to the peace with measured strength and high resolve. They are also evidence of a harsh but inescapable truth--that the survival of freedom requires great cost and commitment, and great personal sacrifice."

Today, our military is deployed in more than 150 countries and they are working here at home to protect America from threats foreign and domestic. Our service members are risking their lives in the mountains of Afghanistan, providing security and peacekeeping missions in places like Djibouti, Kenya, Kosovo and the Sinai. They also are providing humanitarian assistance where the world, our nation, and Kansas have dire need. The Members of our Armed Forces – the Army, Navy, Air Force, Marines, and Coast Guard - are forging a better future for our Nation and the world.

Kansas National Guard and Reserve personnel not only continue their support to emergencies at home but are also deployed themselves. Kansas guardsmen and women make the extra sacrifice of leaving their full time jobs to deploy, and their families are not afforded much of the support that military families on an active duty post receive.

This brings me to another group which deserves special thanks—the spouses of our service members, spouses who take care of the families and raise the children while their service members are at sea or stationed far away, and spouses who have left our shores to be in a faraway land with their service members. As the members of our all volunteer force carry out their missions, their families make their own sacrifices. Military families make a vital contribution to our nation in the support they give to our men and women in uniform. If they were unwilling to endure the absences, the moves between duty stations, and the worry, our service members would not be able to give their full attention to their missions.

The Members of our Armed Forces – the Army, Navy, Air Force, Marines, and Coast Guard - are forging a better future for our Nation and the world.

I invite any Representative who has ever served in our Armed Forces to stand and any Representative who is a spouse of someone who served to stand.

Please join me on this special day – Kansas Armed Forces Appreciation Day - and say thank you to those great Americans who proudly serve this great nation by volunteering to serve in our military!

There being no objection, the following remarks by Rep. Goico are spread upon the Journal:

Today when we acknowledge and celebrate Armed Forces Appreciation Day; we also need to give thanks to all the families of the military members. Quite often when the soldiers are deployed the responsibility of maintaining the family falls on the spouse.

The spouses make a lot of sacrifices in order to have the military member defend our freedoms.

I want to take this opportunity to thank the House of Representatives for all the legislation that we have passed to help the members of the military. I also want to thank the Armed Forces and their families for all our freedoms.
PERSONAL PRIVILEGE

There being no objection, the following remarks of Rep. Ballard are spread upon the Journal:

I stand before you this morning to celebrate Dr. Martin Luther King, and I include members of the Kansas African American Legislative Caucus.

Dr. King's last speech was at Kansas State University, Manhattan, Kansas. He died April 4, 1968, at 6:01 p.m.

Dr. King was a minister who worked for all people and a Nobel Peace Prize winner. He believed in life, liberty and the pursuit of happiness and equal rights for all.

I want to share a poem with you this morning. Some of you have heard it before. We have many new legislators and I want them to hear it.

What Will Matter?
By Michael Josephson

Ready or not, some day it will all come to an end.
There will be no more sunrises, no minutes, hours or days.
All the things you collected, whether treasured or forgotten
will pass to someone else.
Your wealth fame and temporal power will shrivel to irrelevance.
It will not matter what you owned or what you were owed.

Your grudges, resentments, frustrations
and jealousies will finally disappear.
So too, your hopes, ambitions, plans and to-do lists will expire.
The wins and losses that once seemed so important will fade away.

It won't matter where you came from
or what side of the tracks you lived on at the end.
It won't matter whether you were beautiful or brilliant.
Even your gender and skin color will be irrelevant.

So what will matter?
How will the value of your days be measured?
What will matter is not what you bought
but what you built, not what you got but what you gave.
What will matter is not your success
but your significance.
What will matter is not what you learned
but what you taught.
What will matter is every act of integrity,
compassion, courage, or sacrifice
that enriched, empowered or encouraged others
to emulate your example.
What will matter is not your competence
but your character.
What will matter is not how many people you knew,
but how many will feel a lasting loss when you're gone.
What will matter is not your memories,
but the memories that live in those who loved you.
What will matter is how long you will be remembered,
by whom and for what.
Living a life that matters doesn't happen by accident.
It's not a matter of circumstance but of choice.
Choose to live a life that matters.

We celebrate the life of Dr. Martin Luther King, who lived a life that mattered. I challenge each of us to continue to choose to live a life that matters.

Lord our God,

Thank you for the men and women of the House of Representatives who come to elected office with the desire to seek what is best for all Kansans.

Their burden, Lord, is heavy. The demands of office are weighty.

Grant our Representatives wisdom as they consider the great issues facing our state and discernment as they listen to all the competing voices which seek to be heard.

Grant our Representatives patience with us who elected them when we want simplistic solutions to the complex issues facing us all.

Grant our Representatives an extra measure of grace when their best intentions are misunderstood, their decisions are questioned or their motives doubted.

And, Lord, grant our Representatives good-humored friendships with one another that transcend political distinctions as they work together for the people of Kansas.

Our thoughts are with Representative Carlson and his family following an accident in which two of his granddaughters were injured.

Lord our God, for the men and women of the Kansas House of Representatives, for Kansas Senate and for our Governor we give you thanks and praise. Amen.

The Pledge of Allegiance was led by Rep. Edwards.

FINAL ACTION ON BILLS AND CONCURRENT RESOLUTIONS

HR 6004, adopting permanent rules of the House of Representatives for the 2013-2014 biennium, was considered on final action.

On roll call, the vote was: Yeas 82; Nays 40; Present but not voting: 0; Absent or not voting: 3.

Present but not voting: None.

Absent or not voting: Bridges, Kelley, Ruiz.

The resolution was adopted, as amended.

EXPLANATIONS OF VOTE

MR. SPEAKER: HR 6004 denies 2.6 million Kansans a meaningful voice in the spending of their tax dollars and delivers that power into the hands of 12 people. This rule denies 113 popularly elected members of this House the ability to bring different ideas, different priorities and different values to the budget debate. HR 6004 undermines fundamental principles of representative democracy. At the heart of these rules is a fear by my extreme conservative colleagues to engage in debate on their agenda, these rules demonstrate a fear this agenda will not withstand public scrutiny. I vote no on HR 6004. – JIM WARD

MR. SPEAKER: I vote no on HR 6004 because of confusion over whether under SCR 1604 the House can suspend the “Pay Go” rule on its own by a 2/3 vote, or whether a
2/3 vote of both chambers is required. Media reports quoted a Senator that the rule cannot be suspended without a 2/3 vote of BOTH chambers on any appropriation. If correct, that cedes our authority to the Senate. I am strongly in favor of “Pay Go” with each house to be able to suspend the rule by a 2/3 vote, but not a 2/3 vote of both chambers. – Ed Bideau

SCR 1604, adopting joint rules for the Senate and House of Representatives for the 2013-2014 biennium, was considered on final action.

On roll call, the vote was: Yeas 81; Nays 41; Present but not voting: 0; Absent or not voting: 3.

Present but not voting: None.

Absent or not voting: Bridges, Kelley, Ruiz.

The resolution was adopted, as amended.

EXPLANATION OF VOTE

Mr. Speaker: I vote no on SCR 1604 because of confusion over whether the House can suspend the “Pay Go” rule on its own by a 2/3 vote, or whether a 2/3 vote of both chambers is required. Media reports quoted a Senator that the rule cannot be suspended without a 2/3 vote of BOTH chambers on any appropriation. If correct, that cedes our authority to the Senate. I am strongly in favor of “Pay Go” with each house to be able to suspend the rule by a 2/3 vote, but not a 2/3 vote of both chambers. – Ed Bideau

PROTEST

Mr. Speaker: Under Article 2, Section 10 of the Kansas Constitution, we hereby enter the following protest:

SCR 1604 is contrary to the democratic principles enshrined in our state’s constitution and diverges from longstanding legislative precedent.

Article 2, Section 13 of the Kansas Constitution requires “A majority of the members then elected (or appointed) and qualified of each house, voting in the affirmative, shall be necessary to pass any bill.” In effect, SCR 1604 dismisses this majority principle and creates a system where a super-majority of both houses would be required to
change the level of appropriations once an appropriations bill comes out of committee.

In the House of Representatives, **SCR 1604** allows twelve Appropriations Committee members, less than one-tenth of the body, to have the final say over the bottom line of the state’s budget. The power to appropriate monies is one of the central functions of the Kansas Legislature and therefore all members should be allowed to have their votes cast on such an important matter.

When the citizens of Kansas vote in legislative elections, they expect that their chosen representative will have a say in how much money the state spends. Unfortunately, after **SCR 1604**, this will only be true for Kansans who are lucky enough to vote for members of the Senate Ways and Means Committee or the House Appropriations Committee.

For the past two years, the “Pay-Go” rule has been able to be suspended by a majority vote of the House of Representatives. This is congruent with Article 2, Section 13, as it allows a majority of the body to rule. But this has been discarded in favor of a 2/3 vote of both the Senate and House of Representatives to suspend “Pay-Go”. Thereby, 63 representatives, a majority, could vote to raise the total state budget, but that would not suffice because it would not constitute a 2/3 majority. Furthermore, a 2/3 majority in the House of Representatives could vote to raise the total budget, but that may not suffice unless the Senate could produce a 2/3 majority as well.

**Mr. Speaker, we vote no on SCR 1604.** The people of my district deserve to have their voices heard when it comes to fundamental matters of state government and the 2/3 requirement to suspend “Pay-Go” runs afoul of Article, Section 13. – **PAUL DAVIS, JIM WARD**

Prayer by Chaplain Brubaker:

Father of mercy and compassion,
today our leaders hear many voices speaking to them—
influencing how they are to make decisions.
Help them to realize how important it is to hear Your voice
in knowing the difference between:
enabling dependency or providing helpful assistance;
spending on unnecessary and perhaps extravagant wants
or spending prudently on basic necessary needs;
to protect the innocent and vulnerable
or grant more power to those who don’t want to be inconvenienced.
   Lord, it is important to listen to Your voice as You speak:
   “Defend the weak and the fatherless;
    uphold the cause of the poor and the oppressed.”
   (Ps. 82:3)
In Your Son’s Name I pray, Amen.

Prayer by Chaplain Brubaker:

Our Heavenly Father,
Today I pray for true humility for our leaders.
In this position, it is sometimes easy to fall prey to thinking higher of ourselves than we ought.
So give them humility which realizes its ignorance, admits its mistakes, recognizes its need, welcomes advice, and accepts rebuke.
Help them to always praise rather than to criticize, to sympathize rather than to discourage, to build rather than to destroy, and to think of people at their best rather than at their worst.
I ask this in the name of Your Son who exemplified humility in its purest form.
Even as we meet, I pray for Representative Brunk who fell this morning and is now at the hospital being treated.
Watch over him.
Be with those who are treating him and bring him a speedy recovery and healing.
In the name of Jehovah Rapha the Healer I pray. Amen.

A PROPOSITION to amend section 2 of article 2 of the constitution of the state of Kansas; relating to senators and representatives.

Be it resolved by the Legislature of the State of Kansas, two-thirds of the members elected (or appointed) and qualified to the House of Representatives and two-thirds of the members elected (or appointed) and qualified to the Senate concurring therein:

Section 1. The following proposition to amend the constitution of the state of Kansas shall be submitted to the qualified electors of the state for their approval or rejection: Section 2 of article 2 of the constitution of the state of Kansas is hereby amended to read as follows:

"§ 2. Senators and representatives. (a) The number of representatives and senators shall be regulated by law, but shall not exceed one hundred twenty-five 125 representatives and forty 40 senators. Representatives and senators shall be elected from single-member districts prescribed by law. Representatives shall be elected for two-year terms. Senators shall be elected for four-year terms. The terms of representatives and senators shall commence on the second Monday of January of the year following election.

(b) (1) From and after January 9, 2017, no individual shall be elected as a representative for more than six consecutive two-year terms.

(2) From and after January 9, 2017, no individual shall be elected as a senator for more than three consecutive four-year terms.

(3) For the purpose of computing the time period under either paragraph (1) or (2)
of this subsection, no time spent serving as either a representative or senator prior to January 9, 2017, shall be counted."

Sec. 2. The following statement shall be printed on the ballot with the amendment as a whole:

"Explanatory statement. This amendment would limit an individual's service as a state representative to six consecutive two-year terms starting on January 9, 2017. This amendment would limit an individual's service as a state senator to three consecutive four-year terms starting on January 9, 2017. Any terms of service occurring prior to January 9, 2017, and any nonconsecutive terms, would not be subject to this limitation.

"A vote for this proposition would limit the service of an individual as a state representative to six consecutive two-year terms starting on January 9, 2017, and also limit the service of an individual as a state senator to three consecutive four-year terms starting on January 9, 2017.

"A vote against this proposition would retain the current constitutional provisions which impose no limitations on the number of terms an individual may serve as a representative or as a senator."

Sec. 3. This resolution, if approved by two-thirds of the members elected (or appointed) and qualified to the House of Representatives, and two-thirds of the members elected (or appointed) and qualified to the Senate shall be entered on the journals, together with the yeas and nays. The secretary of state shall cause this resolution to be published as provided by law and shall cause the proposed amendment to be submitted to the electors of the state at the general election in November in the year 2014 unless a special election is called at a sooner date by concurrent resolution of the legislature, in which case it shall be submitted to the electors of the state at the special election.

Sec. 2. The following statement shall be printed on the ballot with the amendment as a whole:
"Explanatory statement. The purpose of this amendment is to prohibit nationalization of Kansas businesses.

"A vote for this proposition would prohibit the transfer of any ownership interest in any business or any other entity formed under Kansas law to the federal government, or an entity controlled by the federal government. This prohibition would not apply to investments in pension funds operated by the federal government or by an entity controlled by the federal government.

"A vote against this proposition would retain the current status in which the Kansas constitution does not address transfers to the federal government of ownership interests in entities formed under Kansas law."

WHEREAS, The theme for the National Catholic Schools Week 2013 is "Catholic Schools Raise the Standards." The 2013 theme supports the recent launch of the National Standards and Benchmarks for Effective Catholic Elementary and Secondary Schools, that ensures the effective operation and responsible governance of Catholic schools across the country, thus promoting high academic standards and Catholic identity; and

WHEREAS, Catholic schools in the United States are internationally acclaimed for their academic excellence and provide students with more than an exceptional scholastic education; and

WHEREAS, Catholic schools instill a broad, values-added education emphasizing the lifelong development of moral, intellectual and social values in young people in the United States; and

WHEREAS, Catholic schools produce students strongly dedicated to their faith, values, families and communities by providing an intellectually stimulating environment rich in spiritual character and moral development; and

WHEREAS, Catholic schools are committed to community service, producing graduates who hold "helping others" as one of their core values; and
WHEREAS, In the 1972 pastoral message concerning Catholic education, the National Conference of Catholic Bishops stated, "Education is one of the most important ways by which the Church fulfills its commitment to the dignity of the person and building of community. Community is central to education ministry, both as a necessary condition and an ardently desired goal. The educational efforts of the Church, therefore, must be directed to forming persons-in-community; for the education of the individual Christian is important not only to his solitary destiny, but also the destinies of the many communities in which he lives."

WHEREAS, There are 45 Catholic schools of the Archdiocese of Kansas City in Kansas, with a total enrollment of 15,234 students and 7 Catholic schools of the Diocese of Dodge City, Kansas, with a total enrollment of 989 students. There are 16 Catholic schools of the Diocese of Salina, Kansas, with a total enrollment of 2,798 students and 38 Catholic schools of the Diocese of Wichita, Kansas, with a total enrollment of 10,671 students; and

WHEREAS, There are a total of 90 elementary schools and 16 high schools within the Kansas Catholic schools system, totaling 29,692 enrolled students; and

WHEREAS, Almost every Catholic school in Kansas celebrates National Catholic Schools Week with a special All School Mass. In addition, Kansas Catholic schools often host a teacher appreciation day, special service day, special prayer day, student appreciation day and a family appreciation day; and

WHEREAS, Eight Catholic elementary schools and one Catholic high school in Kansas received the 2012 Kansas Governor's Achievement Award. To receive such a prestigious award, a school must have achieved the Standard of Excellence in both reading and mathematics and been among the top 5% of schools in both reading and mathematics in 2012: Now, therefore,

Be it resolved by the House of Representatives of the State of Kansas: That we support the continued dedication of Catholic schools across Kansas toward academic excellence and the key role Catholic schools play in promoting and ensuring a brighter, stronger future for students; and

Be it further resolved: That we support the goals of National Catholic Schools Week and recognize the vital contributions of Kansas Catholic schools; and

EXPLANATIONS OF VOTES

Mr. Speaker: My family is full of teachers. I have my degree in education and just finished serving on my local school board for the past 3½ years and have a record of fighting for pro-teacher issues. I believe HB 2023 is pro-teacher. It gives teachers the right to decide where their money is spent. The bill doesn't keep union members from writing checks and or setting up automatic bank drafts to support a PAC. The bill doesn't restrict the free speech rights of the union or its members. For these reasons I vote YES on HB 2023. – Reid Petty

Mr. Speaker: I vote yes on HB 2023. I believe that the Government should not be allowed to SUPPORT of FACILITATE in any form or manner political activities of any public entity.

What this bill does is prevent ALL public entities from requiring that some portion of the automatic payroll deductions go directly to support political activities. I am against granting this facility to any public entity in order to carry out political activities.

It also firmly maintains every individual's ability to use payroll deduction for union dues.

It does not in any way diminish the fundamental rights of any Union or its members
from carrying on political activities as they desire. – Shanti Gandhi, Richard Carlson

Mr. Speaker: I vote YES on HB 2023. I am voting yes for this bill because in my business I work with trade organizations and each of them has a PAC. I am always required to write a separate check when making a contribution to one of the PAC’s I contribute to. There are many reasons for this but the most referred to are the following: it provides them with separate accountability, transparency and no problem with co-mingling of moneys. Since most organizations require separate checks then I feel this should not be considered a burden on the public sector unions. – Dan Hawkins.

Mr. Speaker: I vote No on HB 2023. HB 2023 is an overtly political attempt to fix a problem that doesn’t exist. Teachers, firefighters and other public employees CHOOSE to join unions, and their payroll deduction is 100% voluntary. As with contributions to the United Way or personal savings accounts, automatic payroll deductions merely streamline our desire to fund causes we support. Furthermore, there is essentially no cost to taxpayers for this service. Because I value the contributions of public employees to this state, I support their rights to improve their profession, and because this bill is a thinly-veiled political attack, I voted NO. – John Wilson

Mr. Speaker: Proponents cautioned against believing the intent of the bill was to harm unions, and yet they gave compelling evidence that in other states such legislation greatly diminished unions. Whatever the true intention, the consequence is clear: RESTRICTED FREEDOM OF SPEECH FOR PUBLIC STATE EMPLOYEES AND TEACHERS.

Proponents said the purpose of the bill was to protect employees from themselves, from “self-imposed pressure.” So in effect, the state will become an intruding “helicopter-parent,” because the state now knows better how adult individuals should choose to spend their own money, than they do themselves. I must disagree. I vote no on HB 2023. – Nancy Lusk

Mr. Speaker: I vote NO on HB 2023. HB 2023 discriminates against public sector employees; limits first amendment rights, and punishes educators. I will not stand aside and remain silent. I stand with public employees in their right to advocate collectively for policies, issues and candidates. They should not be bullied or disenfranchised by an intrusive, paranoid government. – Tom Burroughs, Mike Peterson

Mr. Speaker: I vote No on HB 2023. Good public policy should reflect the values of individual liberty and constitutional rights. The liberties and rights of teachers, public safety servants and public sector workers are being stripped away for political gain. How shameful. – Bob Grant

Mr. Speaker: I am voting in favor of HB 2023 because it only states that a union member must now write a check for their contribution to the PAC. This does nothing else. – Joe Edwards

Mr. Speaker: No one from my district expressed support for this bill but it has many local opponents. My school boards are satisfied with current law and a major city in my
district has expressed strong concerns about these changes. The wording of the bill may have unintended consequences. I am also concerned about the impact on law enforcement officers, the Kansas Troopers Association, Fraternal Order of Police, Firefighters and other city employees, most of whom were not aware this bill would cover them. I am voting my district, voting No on **HB 2023**. – **ED BIDEAU**

**MR. SPEAKER:** I vote no on **HB 2023**. I do not believe public sector employees should have any less opportunity to control the disposition of their pay through payroll deduction than private sector employees. When an individual chooses to work in public employment, they should not be required to give up their ability to direct contributions through payroll deduction simply because they serve the public as a public employee. – **RUSS JENNINGS, MELISSA ROOKER**

**MR. SPEAKER:** I voted **no** on **HB 2023** because it was the wrong Bill, at the wrong time, for the wrong reason. It was a Bill in search of a reason to exist. There was no reason for this Bill to exist. Teachers, firefighters, police officers join a union because they want to, not because they are forced to. This was clearly an attempt to suppress public employees and their first amendment rights. – **VIRGIL WEIGEL**

**MR. SPEAKER:** **HB 2023** removes state government from the responsibility of collecting money for public sector unions through automatic paycheck deductions. The bill does not keep union members from writing checks and or setting up automatic bank drafts to support their PAC. The bill does not restrict the free speech rights of the union or its members. Additionally, it does not prevent any fundraising or union political activities. The bill simply takes state government out of the daily function of public sector unions. For these reasons, I vote **YES** on **HB 2023**. – **RANDY GARBER, RAY MERRICK, MARK KAHRS, JIM HOWELL, JOHN BARKER, ALLAN ROTHISBERG, DAVE CRUM**

**COMMITTEE OF THE WHOLE**

On motion of Rep. Cassidy, Committee of the Whole report, as follows, was adopted: Recommended that **HB 2022** be passed.

**REPORTS OF STANDING COMMITTEES**

Committee on **Education Budget** recommends **HB 2021, HB 2071** be passed.

A PROPOSITION to amend article 15 of the constitution of the state of Kansas by adding a new section thereto, authorizing the legislature to regulate, license and tax the operation or conduct of raffles by certain bona fide nonprofit organizations.

Be it resolved by the Legislature of the State of Kansas, two-thirds of the members elected (or appointed) and qualified to the House of Representatives and two-thirds of the members elected (or appointed) and qualified to the Senate concurring therein:

Section 1. The following proposition to amend the constitution of the state of Kansas shall be submitted to the qualified electors of the state for their approval or rejection: Article 15 of the constitution of the state of Kansas is hereby amended by adding a new section thereto to read as follows:

"§ 3d. Regulation, licensing and taxation of "raffles" authorized. Notwithstanding the provisions of section 3 of article 15 of the constitution of the state of Kansas, the legislature may regulate, license and tax the operation or conduct of raffles, as defined by law, by bona fide nonprofit religious, charitable, fraternal, educational and veterans organizations. No such nonprofit organization shall contract with a professional raffle or other lottery vendor to manage, operate or conduct any raffle."

Sec. 2. The following statement shall be printed on the ballot with the amendment as a whole:

"Explanatory statement. The constitution currently prohibits the operation of lotteries except for specifically authorized lotteries. A raffle is a lottery and is illegal under current law.

"A vote for this proposition would permit the legislature to regulate, license and tax raffles operated or conducted by bona fide religious, charitable, fraternal, educational and veterans nonprofit organizations. The legislature would define what constitutes a raffle. Nonprofit organizations would be prohibited from contracting with a professional lottery vendor to manage, operate or conduct a raffle.

"A vote against this proposition would continue the current prohibition against all raffles."

with faith and assurance that You will lead and direct.
May we find encouragement from the words of Your prophet, Isaiah:
“Do you not know?
Have you not heard?
The Lord is the everlasting God,
the Creator of the ends of the earth.
He will not grow tired or weary,
and his understanding no one can fathom.
He gives strength to the weary
and increases the power of the weak.
Even youths grow tired and weary,
and young men stumble and fall;
But those who hope in the Lord
will renew their strength.
They will soar on wings like eagles;
they will run and not grow weary,
they will walk and not be faint.”
Give our leaders courage to dream new dreams;  
to see new possibilities;  
and to put their hope in You.  
In Christ’s Name I pray, Amen.  
(Isaiah 40:28-31)

The Pledge of Allegiance was led by Rep. Winn.

Prayer by Chaplain Brubaker:

Our Heavenly Father,
    Today is the first day of a new week.
    Help us to look forward and not backward
    Help us to not dwell on last week, because it is history –
    but to look forward to the new opportunities of this week.
    Help us to focus on being and doing our best
    in the work You have called us to do.
    We ask that You not only give us wisdom today,
    but grant us common sense.
    We ask that You not only give us understanding and grace,
    but grant us patience and endurance with one another.
    We ask that You not only direct us in our decisions,
    but also guard our mouths and our attitudes.
    And as our founding president, George Washington, once prayed,
    “direct our thoughts, words and work:
    and frame us more and more into the likeness of
    Thy son Jesus Christ.”
    In Christ's Name I pray, Amen.

HOUSE CONCURRENT RESOLUTION No. HCR 5010—

By Representatives Garber, Carpenter, Christmann, Crum, DeGraaf, Ewy, Goico, Hedke, Hoffman, Howell, Huebert, Montgomery, O'Brien, Peck, Rothlisberg, Seiwert and Thimesch

A PROPOSITION to amend section 1 of the bill of rights of the constitution of the state of Kansas, relating to equal rights.

Be it resolved by the Legislature of the State of Kansas, two-thirds of the members elected (or appointed) and qualified to the House of Representatives and two-thirds of the members elected (or appointed) and qualified to the Senate concurring therein:

Section 1. The following proposition to amend the constitution of the state of Kansas shall be submitted to the qualified electors of the state for their approval or rejection:

Section 1 of the bill of rights of the constitution of the state of Kansas is hereby amended to read as follows:

§1. Equal rights. All men are possessed of equal and inalienable natural rights, among which are life, liberty, and the pursuit of happiness. Recognizing the authority of
the state of Kansas to exercise its police power and its sovereign right to adopt individual liberties in the constitution of the state of Kansas more expansive than those conferred by the constitution of the United States, the state of Kansas shall hereby guarantee the inalienable rights, equal protection and due process of law of every human being from the beginning of the biological development of that human being, including fertilization."

Sec. 2. The following statement shall be printed on the ballot with the amendment as a whole:

"Explanatory statement. The purpose of this amendment is to expand the class of human beings that currently enjoy inalienable rights, equal protection, and due process of the law under the constitution of the state of Kansas to every human being from the beginning of the biological development of that human being, including fertilization.

"A vote for this proposition would amend the Kansas constitution to explicitly incorporate into it the inalienable right to life of every human being irrespective of age, race, gender, health, function, condition of dependency, including physical or mental dependency, or method of reproduction, from the beginning of their biological development, including fertilization. The proposed constitutional amendment also would prohibit the state from discriminating against any class of human beings in the application, interpretation and enforcement of its laws.

"A vote against this proposition would not amend the constitution, in which case the current federally mandated legal status of preborn humans would remain that of a class of human beings that can intentionally be killed."

Sec. 3. This resolution, if approved by two-thirds of the members elected (or appointed) and qualified to the House of Representatives, and two-thirds of the members elected (or appointed) and qualified to the Senate shall be entered on the journals, together with the yeas and nays. The secretary of state shall cause this resolution to be published as provided by law and shall cause the proposed amendment to be submitted to the electors of the state at the primary election in the year 2014.

Creator, I am humbled by the opportunity to come to you on behalf of these people and this day. Make my heart right so my words will be said in a good way. Di-yin, Chi-howa, Daw-kee, Hesa ke tah mese, Gitche Manatou, Wa-Kawn da, Go Hae Do Nay, Agu gux, Ma heo, Oo ne thl na he, Kos nan, Wak on daw, De-os, Higher Power, You who are ever ready to attend those who call you by name and to attend those who have no name for you. As we gather here today, at this time, and in this place we come with humble hearts acknowledging that in our humanness we sometimes have not walked in the right way or treated others as we would ourselves. Look within us at this moment and see what we hold in our hearts, and help us to set aside ourselves as we seek your blessing on all who are here. Help us to listen to each other with an open spirit to really hear beyond words. Provide us with a patient and calm spirit of peace that will cover words that we speak. Help us to let go of bitterness and mistrust that blind us to what you have for us today and in the future. Grant us wisdom to make good decisions and strength to act on those decisions, recognizing that all that we do have an impact on all those around us and to the future of our children, grandchildren, and their grandchildren. Bless those here today, representing all our warriors, those who protect us now, those who have returned, and those who’s spirits remain with us forever. May we find joy and blessings in this day you have created for us, Ah-ho, Mequetch, Wado, Yakoke, Mudo, Thank you. We pray this now in all that is sacred and holy. AMEN.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Hedke are spread upon the Journal:

It is with great pleasure that I have the opportunity to introduce to the body Mrs. Dyane Smokorowski, or as she is affectionately known by her students, some of whom are with her here today, Mrs. Smoke.

Also appearing with us are Kansas Department of Education Deputy Commissioner Dale Dennis.

I first met Dyane just a few weeks ago, during one of our first Education Committee meetings, where we heard from all the finalists for the special award Mrs. Smoke ultimately won. She and I made a couple of attempts to connect in Andover prior to session startup, but schedule conflicts and events precluded our meeting at that time.

Dyane teaches Advanced Language Arts at Andover Middle School. In addition to her teaching duties, she works with other teachers across Kansas and the nation to help them use technology in a manner that enhances instruction.

Her personality is infectious, and I can easily understand why she was selected to receive this prestigious award. Clearly, she does represent the best Kansas has to offer from the teaching profession.

Dyane, we thank you for your service to Kansas' children and we congratulate you on the event of your receiving this much deserved award.

I will now read you the Proclamation that represents our official acknowledgement of this annual statewide award.

The following resolution was introduced and read by title:

HOUSE RESOLUTION No. HR 6010—
By Committee on Children and Seniors

A RESOLUTION urging the United States Congress to adopt the parental rights amendment to the Constitution of the United States relative to parental rights.

WHEREAS, The right of parents to direct the upbringing and education of their children is a fundamental right protected by the Constitution of the United States and the state of Kansas; and

WHEREAS, Our nation has historically relied first and foremost on parents to meet the real and constant needs of children; and

WHEREAS, The interests of children are best served when parents are free to make child-rearing decisions about education, religion and other areas of a child's life without state interference; and

WHEREAS, The United States Supreme Court in Wisconsin v. Yoder, 406 U.S. 205 (1972), held that "This primary role of the parents in the upbringing of their children is now established beyond debate as an enduring American tradition."; and

WHEREAS, The United States Supreme Court in Troxel v. Granville, 530 U.S. 57 (2000), however, produced six different opinions on the nature and enforceability of parental rights under the Constitution of the United States; and

WHEREAS, This decision created confusion and ambiguity about the fundamental nature of parental rights in the laws and society of the several states; and

WHEREAS, Representative John Fleming of the state of Louisiana introduced House Joint Resolution 3 in the United States House of Representatives, proposing an amendment to the Constitution of the United States to prevent erosion of the enduring American tradition of treating parental rights as fundamental rights, which reads as follows:

"Section 1. The liberty of parents to direct the upbringing and education of their children is a fundamental right.

Section 2. Neither the United States nor any State shall infringe upon this right without demonstrating that its governmental interest as applied to the person is of the highest order and not otherwise served.

Section 3. No treaty may be adopted nor shall any source of international law be employed to supersede, modify, interpret, or apply to the rights guaranteed by this article."; and

WHEREAS, This amendment will add explicit text to the Constitution of the United States to protect in perpetuity the rights of parents as they are now enjoyed, without substantive change to current state or federal laws respecting these rights; and

WHEREAS, Such enumeration of these rights in the text of the Constitution of the United States will preserve them from being infringed upon by the shifting ideologies and interpretations of the United States Supreme Court: Now, therefore,

Be it resolved by the House of Representatives of the State of Kansas: That the Congress of the United States is urged to adopt and submit to the states for ratification the Parental Rights Amendment to the Constitution of the United States proposed by Representative John Fleming in House Joint Resolution 3; and
Be it further resolved: That the Chief Clerk of the House of Representatives shall send an enrolled copy of this resolution to the President of the Senate, each member of the United States Senate, the speaker of the United States House of Representatives and each member of the United States House of Representatives.

MOTIONS AND RESOLUTIONS OFFERED ON A PREVIOUS DAY

On motion of Rep. Goico, HR 6008, A resolution designating February 6, 2013, as “Native American Legislative Day at the Capitol,” was adopted.

There being no objection the following remarks of Rep. Victors are spread upon the Journal:

A-Ho legislators! Today is the second anniversary of the “Native American Legislative Day” here at the capitol. I would like to take this opportunity to graciously introduce and welcome our tribal leaders and councils from the Prairie Band Potawatomi, Kickapoo, Sac and Fox and Iowa Nations of Kansas and Nebraska. I also want to introduce our Native American color guards of Kansas. Throughout the history of America, the Native American has been a crucial entity in fighting and defending this great country. Like all our veterans, many have paid the ultimate sacrifice to secure freedom for all Americans here today. Many of our Native brothers and sisters have done this even before the federal government declared our people of the first nations as citizens of this country. It is with these feelings that today Kansas honors our Native American veterans and color guards. I'm humbled and grateful for their sacrifices they have endured for me to stand before you today. In our warrior culture, a soldier's duty will never end, and I'm proud to say that today our warrior veterans are still here helping, supporting, leading and encouraging our native communities with their continuous efforts. It is with this philosophy that I want to take this opportunity to show my gratitude and honor our Native Veterans and to those who have lost their lives in serving this country today here at the Kansas State Capitol. We-Blah-Ha!

Rep. Victors presented framed certificates and Native American blankets to representatives of the Native American Nations. She also presented Speaker Merrick with a Native American blanket.

Rep. Goico also addressed a few remarks to the members of the House.

(b) There shall be added to federal adjusted gross income:

(i) Interest income less any related expenses directly incurred in the purchase of state or political subdivision obligations, to the extent that the same is not included in federal adjusted gross income, on obligations of any state or political subdivision thereof, but to the extent that interest income on obligations of this state or a political subdivision thereof issued prior to January 1, 1988, is specifically exempt from income tax under the laws of this state authorizing the issuance of such obligations, it shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income. below zero.

gross income, to the extent the same is claimed as the basis for any credit allowed
pursuant to K.S.A. 79-32,203, and amendments thereto.

(x) Amounts received as nonqualified withdrawals, as defined by K.S.A. 2012
Supp. 75-643, and amendments thereto, if, at the time of contribution to a family
postsecondary education savings account, such amounts were subtracted from the
federal adjusted gross income pursuant to paragraph (xv) of subsection (c) of K.S.A.
79-32,117, and amendments thereto, or if such amounts are not already included in the
federal adjusted gross income.

(xi) The amount of any contribution made to the same extent the same is claimed as

amendments thereto.

Message to the House of Representatives of the State of Kansas:

Enclosed herewith is Executive Directive No. 13-438 for your information.

EXECUTIVE DIRECTIVE No. 13-438
Concerning Authorizing Expenditure of Federal Funds

SAM BROWNBACK
Governor

The above Executive Directive is on file and open for inspection in the office of the Chief Clerk.

MOTIONS AND RESOLUTIONS OFFERED ON A PREVIOUS DAY

On motion of Rep. Ruiz, HR 6011, A resolution congratulating the University of Kansas Cancer Center on receiving National Cancer Institute designation, was adopted.

There being no objection, the following remarks of Rep. Ruiz are spread upon the Journal:

It is very much a privilege to be asked to offer this resolution honoring the University of Kansas Medical Center, Dr. Roy Jensen, his staff and all those who made this NCI designation possible. It is timely with the recent death of my brother from cancer.

NCI designation will allow the cancer center to continue recruiting top researchers, apply for federal funding and open more clinical trials only available to NCI-designated centers. The cancer center will be able to expand benefits to members of the Midwest
Cancer Alliance, which brings regional cancer research, care and support professionals together. Designation will also allow the center to build new business opportunities and provide even better access to research.

FINAL ACTION ON BILLS AND CONCURRENT RESOLUTIONS

HB 2009, AN ACT concerning the uniform act regulating traffic; relating to failure to comply with traffic citation; restricted driving privileges; amending K.S.A. 2012 Supp. 8-2110 and repealing the existing section, was considered on final action.

On roll call, the vote was: Yeas 63; Nays 60; Present but not voting: 0; Absent or not voting: 2.

Present but not voting: None.

Absent or not voting: Shultz, Victors.

The bill passed, as amended.

EXPLANATIONS OF VOTE

Mr. Speaker: We vote no on HB 2009 because all fines are now reduced to the fee to reinstate. The state cannot prove if the driver is on his way to work, looking for work, or going to worship. They could be going 500 in a 30, yet the penalty is reduced to $84.

-- SCOTT SCHWAB, MELISSA ROOKER, STEVEN BECKER, JOHN RUBIN, JOSH POWELL

Mr. Speaker: I work in a liquor store and too often individuals with restricted licenses or non-driving ID’s drive up to purchase liquor. Many people drive carefully to avoid traffic violations because they do not have the resources to pay the fines or the time to appear in court. Avenues should be made available for people that do violate traffic laws to make payments on traffic citations if they have financial difficulties, but individuals that refuse to put money toward their fines should deal with the daily disruptions caused by a suspended license. For these reasons, I vote NO on HB 2009. – JAMES TODD
HB 2060, AN ACT concerning taxation; relating to food sales tax refunds and homestead property tax refunds; certain confined persons; amending K.S.A. 79-4505 and K.S.A. 2012 Supp. 79-4502 and repealing the existing sections, was considered on final action.

On roll call, the vote was: Yeas 123; Nays 0; Present but not voting: 0; Absent or not voting: 2.

Nays: None.

Present but not voting: None.

Absent or not voting: Shultz, Victors.

The bill passed, as amended.

On motion of Rep. Vickrey, the House resolved into the Committee of the Whole, with Rep. Seiwert in the chair.

Prayer by Chaplain Brubaker:

Our Heavenly Father,
In Paul’s letter to the church in Corinth, he writes:
“But because God was so gracious, so very generous, here I am.
And I’m not about to let His grace go to waste.
Haven’t I worked hard trying to do more than any of the others?
Even then, my work didn’t amount to all that much.
It was God giving me the work to do,
God giving me the energy to do it.”
(I Corinthians 15:10-11)
Lord, help us to focus on what is important to You right now.
Help us to know what it is You want us to do
to help us to make a difference today.
We know You have a plan.
We know You want us to succeed.
We know You have our best interest at heart
and want us to help others.
Show us today how to use our time effectively for You
and make a difference.
In Jesus Name I pray, Amen.

**INTRODUCTION OF ORIGINAL MOTIONS AND HOUSE RESOLUTIONS**

The following resolution was introduced and read by title:

**HOUSE RESOLUTION No. HR 6012**

By Committee on Insurance
A RESOLUTION encouraging the state of Kansas to enter into a state partnership health insurance exchange.

WHEREAS, The patient protection and affordable care act (public law 111-148), as amended by the federal health care and education reconciliation act of 2010 provided that states have the option to establish their own health insurance exchange; and

WHEREAS, The time for the state of Kansas to establish its own health insurance exchange pursuant to the patient protection and affordable care act (public law 111-148), as amended by the federal health care and education reconciliation act of 2010 has passed; and

WHEREAS, If the state of Kansas wishes to have any control over any health care exchange which may sell health insurance policies in this state, then the state of Kansas should seriously consider entering into a state partnership health insurance exchange with the federal department of health and human services; and

WHEREAS, Entry into a state partnership health insurance exchange with the federal department of health and human services would be highly beneficial to the people of this state because the department of insurance then could continue to approve insurance rates, as well as approve policies offered on the exchange, and assist Kansas consumers with their complaints; and

WHEREAS, The time period in which the state of Kansas can enter into a state partnership health insurance exchange is quite short and ends on February 15, 2013: Now, therefore,

Be it resolved by the House of Representatives of the State of Kansas: That we encourage the commissioner of insurance to take all steps necessary to enter into a state partnership health insurance exchange with the federal department of health and human services. 

Be it further resolved: That the Chief Clerk of the House of Representatives shall send an enrolled copy of this resolution to Governor Sam Brownback; Sandy Praeger, Commissioner of Insurance; and Kathleen Sebelius, Secretary of the Department of Health and Human Services.

REPORT ON ENGROSSED BILLS

HR 6008 reported correctly enrolled and properly signed on February 8, 2013.

On motion of Rep. Vickrey, the House adjourned until 11:00 a.m., Monday, February 11, 2013.
The House met pursuant to adjournment with Speaker Merrick in the chair.

The roll was called with 124 members present.

Prayer by guest chaplain, Deacon Everett Schultz, First Mennonite Church, Pretty Prairie, and guest of Rep. Seiwert:

Our Father in Heaven,
We come before Thee this morning praising You and thanking you for Your many blessings. We have been so abundantly blessed in our land, and we acknowledge that it is from Your Hand. You are the creator of this land, and we are privileged to live in it because of Your love and mercy. I thank you Father that this great Hall still opens its sessions with prayer.

Dear Father, please give the people in this room wisdom and guidance. I thank you that you have selected them to be elected and to serve in this great House. I pray that you will bless them. And I pray that they will be true to their campaign promises and honor you in truth as they serve. Your Word states that the “The fear of the Lord is the beginning of wisdom.” Proverbs 9:10 Therefore, Father, I ask that you will give them wisdom and understanding so that they will be able to make truthful decisions that will meet the needs of this great state not only for us today, but also for our children and grand-children, and honor those who elected them based on their promises. Your Word also states that “He who walks with integrity, and works righteousness, and speaks truth from his/her heart”, “will abide in Thy tent.” Psalm 15:3, 1

Father, I realize there are many different viewpoints in this room. But there is only one state of Kansas. Help these people to be unified with one another, regardless of political party or area of the state, so that the good of the entire state is done, and not their own desires and purposes. Work in each one’s heart here today Father to bring unity. I ask that you cause them to do
The Pledge of Allegiance was led by Rep. Seiwert.

**MOTIONS AND RESOLUTIONS OFFERED ON A PREVIOUS DAY**

On motion of Rep. Edmonds, **HR 6007**, a resolution designating the Official Robert (Bob) G. Bethell House of Representatives ballot box, was adopted.

There being no objection, the following remarks of Rep. Edmonds are spread upon the Journal:

Before we begin I would request your indulgence in allowing me to invite Bob Bethell’s family to join me in the well. With us this morning is Bob’s widow, Representative Lorene Bethell. Also with us is Bob and Lorene’s daughter Aletha Pelham. She is joined by her husband Todd Pelham.

I had the great good fortune to know Bob Bethell for the last fifteen years of his life. Eight of those years we served together in this House. He was my colleague and my very good friend. He was a fine gentleman, an outstanding legislator, and most of all a devout man of God. I shall always miss him terribly.

Those of us who had the honor to serve with Bob knew him for his substantial intellect, for his great fund of knowledge, particularly in the health care arena, and for his passion to aid and protect society’s most vulnerable members. He was a tireless advocate for the elderly, the disabled, and the disadvantaged. Many in this state have been benefitted by Representative Bethell’s efforts.

Some of us were also privileged to have known Bob in his pastoral capacity. While serving the 113th district in the House, Bob also pastored two churches in Rice County, one at Alden and the other at Raymond. Bob included my own family amongst his extended flock, presiding at grave side services for my father-in-law’s funeral here in Topeka and later doing the same at my mother’s funeral in Lost Springs. The Edmonds and Larsen families will always hold Pastor Bethell in high esteem.

Perhaps a less expected aspect of Bob’s persona might be the surprisingly talented and versatile Craftsman Bethell, or perhaps more aptly, Bob the Builder. It turns out that Bob could express himself as well with his hands as he could with his mind and his voice. Bob could build on the macro level, producing wonderfully serviceable buildings such as his monitor-style barn and the locally famous Garage-Mahal. He did beautiful and utilitarian work which can be seen today in the extensive remodel and restoration which he and Lorene performed on their handsome residence in Alden. Bob could build and finish fine furniture. He could make and repair chiming clocks, both antique and modern. There was precious little to which he could not successfully turn his hand.

Which brings us to today’s business.

It seems that, after the completion of the 2002 leadership elections, Bob zinged Jeff Russell about using a shoe box as a ballot box for the recently completed elections. Bob is said to have asked Jeff if that was the best he could do. According to the Hutch News, Jeff responded “I understand you’re a wood worker. Why don’t you do something better?” Bob is said to have answered him, “Well, I will.”

And he did.

Since 2004, the House leadership elections have been conducted using the beautiful
walnut ballot box which Bob and Lorene Bethell made. This is the box. If you look at it closely, and I invite you to do so, I think you will agree with me that it is an exquisite piece of craftsmanship. Lorene has graciously donated it to the House to be kept in perpetuity for use in leadership elections.

Mr. Speaker, would you please direct the Sargent at Arms to come to the well now and receive custody of the Official Robert (Bob) G. Bethell Ballot Box?

Representative Bethell, on behalf of the House I want to thank you for this noble gift.

Former Rep. Lorene Bethell also addressed a few remarks to the members of the House.

PERSONAL PRIVILEGE

There being no objections, the following remarks of Rep. Finney are spread upon the Journal:

Multiple sclerosis (or MS) is a chronic, unpredictable neurological and often disabling disease that attacks the central nervous system (CNS), which is made up of
the brain, spinal cord, and optic nerves. It disrupts the flow of information between an individual's body and brain. Symptoms may be mild, such as numbness in the limbs, or severe, such as paralysis or loss of vision. The progress, severity and specific symptoms of MS are unpredictable and vary from one person to another.

MS affects an estimated 2.5 million worldwide, 400,000 in the United States and over 4,400 people living with MS in Kansas. It is often first diagnosed in individuals aged 20-50 and is the most common neurological disease leading to disability in young adults.

The National MS Society's Mid America Chapter mobilizes people and resources to drive research for a cure and to address the challenges of everyone affected by MS. Their MS Activists are here in the Capitol today, many of them wearing the color orange. They will be hosting a lunch and conducting legislator visits to discuss issues of importance to people living with MS in Kansas.

As a member of their Wichita Board of Directors, I am pleased that they are here today and ask each of you to welcome them.

HOUSE CONCURRENT RESOLUTION No. HCR 5011—
By Committee on Appropriations

A CONCURRENT RESOLUTION to stop Kansas participation in the expansion of medicaid services.

WHEREAS, Article I § 3 of the Kansas Constitution provides: Executive power of governor. "The supreme executive power of this state shall be vested in a governor, who shall be responsible for the enforcement of the laws of this state.";

WHEREAS, Article II §§ 1 and 24, respectively, of the Kansas Constitution provides:
Legislative power. "The legislative power of this state shall be vested in a house of representatives and senate."

Appropriations. "No money shall be drawn from the treasury except in pursuance of a specific appropriation made by law."

WHEREAS, The federal government entices the state of Kansas to participate in the expansion of medicaid services as a provision of the federally mandated patient protection and affordable care act;

WHEREAS, The expansion of medicaid services in Kansas with federal funds as provided for in the patient protection and affordable care act will commit future Kansas Legislatures and the citizens of Kansas to share the cost in future years;

WHEREAS, The federal government commits to funding the expansion of medicaid for a period of three years at 100% and subsequent years at 90% or less but does not guarantee they will not stop this funding without notice while requiring the state to commit to providing full funding should federal funding stop;

WHEREAS, The federal government further obligates the state to fully fund the medicaid expansion should federal funds cease;

WHEREAS, The state's share of future cost of medicaid services cannot accurately be predicted or forecast;

WHEREAS, The policy to expand or not expand medicaid services of Kansas is a legislative function;

WHEREAS, The Kansas legislature has not been afforded the opportunity to consider the financial weight and responsibility of expanded medicaid services and its impact on future budgets and appropriations;

WHEREAS, The state's participation will commit future Legislatures to unknown financial obligations without their consent;

WHEREAS, The state's participation in the expansion of medicaid exceeds the statutory limitations for appropriations as outlined in K.S.A. 46-155, and amendments thereto. Except as provided in K.S.A. 40-3405 and 75-4704b, and amendments thereto, no item of appropriation, or combination of items of appropriation for the same purpose, shall be for a period greater than one ensuing fiscal year in addition to the current fiscal year, except that in the case of capital improvements, an item of appropriation, or combination of items of appropriation, for the purpose of completing construction of a project may be for any period not exceeding the three ensuing fiscal years in addition to the current fiscal year;

WHEREAS, It is the duty of the Kansas legislature to enact new law, levy taxes and appropriate funds for the obligations of the state;

WHEREAS, There are no provisions for future legislatures to opt out of the state's shared cost from the expansion of medicaid;

WHEREAS, Every reasonable consideration of the federal government's current debt obligation would suggest revenue is insufficient to expand its role in financing the expansion of medicaid except with fiat, which devalues the real property and earnings of Kansans, endangers the financial health and welfare of Kansas residents and lays an unacceptable burden on future generations;

WHEREAS, In a press release by the governor on Tuesday, August 9, 2011, regarding his returning of the federal early innovator grant (EIG) the governor stated, "There is much uncertainty surrounding the ability of the federal government to meet its already budgeted future spending obligations. Every state should be preparing for
fewer federal resources, not more." We agree with the governor's assessment; and

WHEREAS, The governor of the State of Kansas must respect the constitutional authority of the legislature to determine the policy and laws of the state and to appropriate funds and levy taxes to satisfy the obligations of the state: Now, therefore,

Be it resolved by the House of Representatives of the State of Kansas, the Senate concurring therein: That the governor of the state of Kansas may not obligate the state to future cost associated with the expansion of medicaid without the expressed consent of the Kansas legislature.

EXPLANATION OF VOTE

MR. SPEAKER: This legislation impedes creditors in their right to collect legal debt and places the burden on creditors to prove that the conveyance of a gift is fraudulent. Public policy has long held this exception to protect creditors from fraudulent conveyances. In addition, it undermines the marriage covenant. Marriage is a special relationship like none other. Typical marriage vows include the words, “for better, for worse, for richer, for poorer.” By removing this exception in the law, it creates an undue burden on creditors, undermines the institution of marriage, and weakens the marriage commitment. I vote no on HB 2015. -- MARK KAhrs, JIM HOWELL, RANDY GARBER, JOE EDWARDS

Prayer by Chaplain Brubaker:

Lord,
In the world of relativity that we live in,
we often hear that there is no absolute truth.
Today, as I come before you I declare there is an absolute truth,
and that is that You love each one of us unconditionally
and earnestly desire that we seek You and Your will.
So today as we go about our business,
help us to bask in the truth of Your unconditional love for us,
and eagerly desire to seek You and Your will
for the business at hand.
We continue to lift up Sergeant-at-Arms, Wayne Owen to You.
May Your presence fill his hospital room today.
Please give wisdom, knowledge and direction to the medical personnel. And we ask that it be Your will
to bring healing to his body.
I pray this in the Name of Christ, Amen.

The Pledge of Allegiance was led by Rep. Whipple.

Remarks by Rep. Phillips:

Joining me today are Dr. April Mason, K-State Provost and Dr. Jim Bloodgood, K-State Faculty Senate President.

I come before the House this morning to commemorate the 150-year founding of Kansas State University.

In 1855, a small group of men from the New England states settled at the confluence of the Kansas River and Big Blue River, which eventually became the community of Manhattan.

By 1860, the city leaders created Blue Mont Central College, and over the following three years the Manhattan delegation worked to pass legislation recognizing Blue Mont Central College as the state university.

On July 2, 1862, the United States Congress passed the Morrill Act. The Morrill Act awarded public lands to the states for the purpose of creating colleges.

The purpose of the land-grant colleges was:

“without excluding other scientific and classical studies and including military tactic, to teach such branches of learning as are related to agriculture and the mechanic arts, in such manner as the legislatures of the States may respectively prescribe, in order to promote the liberal and practical education of the industrial classes in the several pursuits and professions in life”

Kansas was the first state in the Union to accept the provisions of the federal act in February 3, 1863.

The Kansas Legislature unanimously passed the act creating Kansas State Agricultural College on February 16, 1863 and the act was effective on February 19, 1863. Kansas State Agricultural College, now Kansas State University was the first state-supported institution of higher learning in Kansas. Kansas State University is also the first operational Land Grant University in the country.

The current home of the campus where we know it today was established in 1875. The campus is comprised of 623 acres and 261 buildings. The university also has campuses in Salina and Olathe.

Today, 150 years on Saturday --Kansas State University is a vibrant university, home to thousands of students, hundreds of thousands of alumni, and countless friends and supporters around the world. Kansas State University is a distinguished institution and all of us are extremely proud of this institution after 150 celebrated years.

Remarks by Rep. Carlin:

K-State is celebrating 150 years of educational excellence provided to the state of Kansas. This university, my alma mater, was founded as an agricultural school to provide education to farm families and the working class; but as the world has changed, so has Kansas State. It has grown and adapted to meet the needs of the people of Kansas.

In the alumni news, you will see the recognitions and awards in the realm of education. Our eminent scholars rank very high in the world. K-State was found to be worthy of the National Bio and Agro-Defense Facility. We are also building a new Equine Arena and a Feed Mill for enhancing the equine curriculum. K-State excels in many areas, including Engineering Architecture and Veterinary Medicine, Journalism, Home Economics, Research and Extension. K-State is tops in football, basketball and we have a recent Olympic silver medalist.
One of the things that is so special about KSU is how well it is integrated into the city of Manhattan, Kansas, even before we annexed in 1994. The university is the Heart of our community. That is why Manhattan is so interested in celebrating 150 years with us at KSU.

EXPLANATIONS OF VOTE

MR. SPEAKER: HB 2114 increases court revenue by passing on the cost of debt collection to the debtor. This burden has historically been part an administrative cost accepted by collectors. Setting precedent with this change creates significant unjustified revenue to the agency without budget committee oversight and adds to the burden of debtors. This action grows the government and shifts burden to the people. It adds to the penalties and interest already owed by debtors as if it is part of a just penalty. The legislature is supposed to determine penalties and approve budgets. This bill bypasses our oversight and approval. I vote No on HB 2114. -- JIM HOWELL
MR. SPEAKER: I’ve been troubled by HB 2114 since I first heard about it. As one who has needed and continues to need mercy and grace, I can NOT in good conscience support HB2114. This bill shifts the costs of debt collection from the government to the debtor. The legislature is charged with balancing the power of government to both protect and to punish. We represent the people. This bill grows government and increases its power to “wield the sword.” I cannot support HB 2114, especially knowing that costs charged are in excess of the true costs associated with collection. I vote NO on HB 2114. -- PETE DEGRAAF, JOE EDWARDS, HAROLD LANE

Mr. Speaker: I vote yes on HB 2114. The bill allows more support or restitution to go to a party who is owed that money in a court case following a set off. The person owing the restitution or support is then charged the current fee for collection (now 17%) on top of the money owed. Currently the restitution or child support is reduced by the collection fee. – Janice L. Pauls, Keith Esau

On motion of Rep. Rubin, Committee of the Whole report, as follows, was adopted:

Be it resolved by the Legislature of the State of Kansas, two-thirds of the members elected (or appointed) and qualified to the House of Representatives and two-thirds of the members elected (or appointed) and qualified to the Senate concurring therein:

Section 1. The following proposition to amend the constitution of the state of Kansas shall be submitted to the qualified electors of the state for their approval or rejection: Article 10 of the constitution of the state of Kansas is hereby amended to read as follows:

"Article 10.—APPORTIONMENT OF THE LEGISLATURE CONGRESSIONAL, LEGISLATIVE AND STATE BOARD OF EDUCATION MEMBER DISTRICTS

§1. Reapportionment of senatorial and representative districts required. (a) At its regular session in 1989, the legislature shall by law reapportion the state representative districts, the state senatorial districts or both the state representative and senatorial districts—upon the basis of the latest census of the inhabitants of the state taken by authority of chapter 61 of the 1987 Session Laws of Kansas. At its regular session in 1992 2022, and at its regular session every tenth 10th year thereafter, the
legislature shall by law reapportion the United States congressional districts, the state senatorial districts, the state representative districts and the state board of education member districts as provided by this article. Reapportionment of such districts shall be on the basis of the population of the state as established by the most recent census of population taken and published by the United States bureau of the census. Senatorial and representative and state board of education member districts shall be reapportioned upon the basis of the population of the state adjusted. (1) (a) To exclude nonresident military personnel stationed within the state and nonresident students attending colleges and universities within the state; and (2) (b) to include military personnel stationed within the state who are residents of the state and students attending colleges and universities within the state who are residents of the state in the district of their permanent residence. Bills reapportioning legislative districts shall be published in the Kansas register immediately upon final passage and shall be effective for the next following election of legislators and thereafter until again reapportioned.

(b) Within 15 days after the publication of an act reapportioning the legislative districts within the time specified in (a), the attorney general shall petition the supreme court of the state to determine the validity thereof. The supreme court, within 30 days from the filing of the petition, shall enter its judgment. Should the supreme court determine that the reapportionment statute is invalid, the legislature shall enact a statute of reapportionment conforming to the judgment of the supreme court within 15 days.

(c) Upon enactment of a reapportionment to conform with a judgment under (b), the attorney general shall apply to the supreme court of the state to determine the validity thereof. The supreme court, within 10 days from the filing of such application, shall enter its judgment. Should the supreme court determine that the reapportionment statute is invalid, the legislature shall again enact a statute reapportioning the legislative districts in compliance with the direction of and conforming to the mandate of the supreme court within 15 days after entry thereof.

(d) Whenever a petition or application is filed under this section, the supreme court, in accordance with its rules, shall permit interested persons to present their views.

(e) A judgment of the supreme court of the state determining a reapportionment to be valid shall be final until the legislative districts are again reapportioned in accordance herewith.

§ 4. Establishment of redistricting commission. (a) Not later than February 15 of each year ending in one, a redistricting commission shall be established to recommend to the legislature redistricting plans for United States congressional districts, state representative districts, state senatorial districts and state board of education member districts.

(b) The redistricting commission shall consist of the following members:

(1) One shall be appointed by the majority leader of the senate;
(2) one shall be appointed by the majority leader of the house of representatives;
(3) one shall be appointed by the minority leader of the senate;
(4) one shall be appointed by the minority leader of the house of representatives; and

(5) within 30 days after the appointments described in paragraphs (1) through (4) have been made, but not later than March 15 of the year in which the commission is established, the four commission members so appointed shall select, by a vote of at least three members, the fifth commission member, who shall serve as chairperson.
(c) Any vacancy in the membership of the redistricting commission shall be filled in the same manner as the original appointment or selection.

(d) No person, while a member of the commission, shall:
(1) Hold any federal, state or local office; or
(2) be an employee of the Kansas legislature, state board of education or United States congress.

(g) The terms of members of the redistricting commission shall expire on July 1 of each year ending in two, and the commission shall be inactive until reestablishment of the commission pursuant to this section.

§ 5. Commission procedure and recommendations. (a) The redistricting commission shall establish rules and procedures as necessary to carry out the commission's functions. Such rules and procedures shall include rules requiring formal submission to the commission of all communications with commission members. Ex parte communications with members of the commission in relation to the merits of matters before the commission shall be prohibited. Members of the commission shall report any violations of this prohibition to the attorney general and the legislature shall provide by law criminal penalties for such violations.

(b) The redistricting commission shall conduct public hearings throughout the state, including at least one public hearing in each state board of education member district.

(c) In recommending redistricting plans, the redistricting commission shall consider only the requirements of the constitution of the state of Kansas and federal laws, preservation of political subdivisions and preservation of communities of interest. The commission shall avoid placing more than one incumbent in a district except when necessary due to changes in the population of the state. Except as expressly provided in this subsection, the commission shall not intentionally develop districts that favor or discriminate against any individual, political party or group.

§ 6. Legislative action; court review and action. (a) On or before the first day of the regular legislative session in each year ending in two, the redistricting commission shall introduce in the house of representatives a bill reapportioning the state representative districts and a bill reapportioning the United States congressional districts, and shall introduce in the senate a bill reapportioning the state senatorial districts and a bill reapportioning the state board of education member districts. Such bills shall not be subject to amendment by either chamber of the legislature and each such bill shall be acted upon by each chamber within seven days after such bill is introduced in such chamber.

(b) If a bill introduced pursuant to subsection (a) is not enacted, the redistricting commission, within 10 days after rejection of the bill by either chamber of the legislature or veto of the bill by the governor, shall introduce another bill
reapportioning such districts. If the Kansas supreme court enters a judgment that a bill introduced pursuant to subsection (a) is invalid, the redistricting commission, within 10 days after entry of such judgment, shall introduce another bill reapportioning such districts. Introduction of a bill pursuant to this section shall be in the same chamber as introduction of the original bill pursuant to subsection (a). Such bill shall not be subject to amendment by either chamber and shall be acted upon by each chamber within seven days after the bill is introduced in such chamber.

(c) If a bill introduced pursuant to subsection (b) is not enacted, the redistricting commission, within 10 days after rejection of the bill by either chamber of the legislature or veto of the bill by the governor, shall introduce another bill reapportioning such districts. If the Kansas supreme court enters a judgment that a bill introduced pursuant to subsection (b) is invalid, the redistricting commission, within 10 days after entry of such judgment, shall introduce another bill reapportioning such districts. Introduction of a bill pursuant to this section shall be in the same chamber as introduction of the original bill pursuant to subsection (a). Such bill shall be subject to amendment by either chamber and shall be acted upon by each chamber within 14 days after the bill is introduced in such chamber. When a bill is introduced pursuant to this subsection, the commission shall make the commission’s staff and technical resources available to the legislature for use in preparation and consideration of amendments to such bill.

(d) If either chamber of the legislature rejects a bill introduced pursuant to this section, or the governor vetoes such bill, the chamber that rejects the bill, or the governor in the case of a veto, shall transmit to the commission a letter stating the reasons why the bill was not enacted, and the commission shall take such reasons into consideration in introducing a bill pursuant to this section, subject to the requirements of subsection (c) of section 6. Any such letter shall be signed by both the speaker of the house of representatives and the minority leader of the house of representatives or both the president of the senate and the minority leader of the senate.

(e) Reapportionment bills shall be published in the Kansas register immediately upon final passage and approval by the governor. The districts enacted shall be effective for the next following regular election and thereafter until again such districts are reapportioned, except that the senatorial districts shall be effective for the next following regular election at which all senators are elected.

(f) Within 15 days after publication of any reapportionment bills enacted pursuant to this article, the attorney general shall petition the Kansas supreme court to determine the validity of such bill. The Kansas supreme court, in accordance with its rules, shall permit interested persons to present their views. Within 30 days after the filing of such petition, the Kansas supreme court shall enter its judgment. A judgment of the Kansas supreme court determining such bill to be valid shall be final until reapportionment of the districts is again required by this article.

"§ 7. Implementing legislation. The legislature may enact legislation, not in conflict with the provisions of this article, as reasonably necessary to implement such provisions."

Sec. 2. The following statement shall be printed on the ballot with the amendment as a whole:

"Explanatory statement. Current article 10 of the constitution of the state of Kansas governs reapportionment of state legislative districts. It provides for reapportionment by
the legislature and requires it be based on the most recent census taken by the United States bureau of the census, adjusted to exclude certain military personnel and certain students residing at colleges and universities. The revision of article 10 would govern reapportionment of the United States congressional districts, state legislative districts and the state board of education member districts. Under the revision a redistricting commission would be established to recommend redistricting plans to the legislature. The legislature would enact a plan which would be subject to review by the Kansas supreme court. There would be strict deadlines for legislative action and if no plan is adopted by the deadline, the Kansas supreme court would reapportion the districts. Reapportionment of state legislative districts would be based on the most recent census taken by the United States bureau of the census, adjusted to exclude certain military personnel and certain students residing at colleges and universities.

"A vote for this proposition would change the procedure for reapportionment of United States congressional, state legislative and state board of education member districts.

"A vote against this proposition would continue the current procedures and basis for reapportionment."

Sec. 3. This resolution, if approved by two-thirds of the members elected (or appointed) and qualified to the House of Representatives, and two-thirds of the members elected (or appointed) and qualified to the Senate shall be entered on the journals, together with the yeas and nays. The secretary of state shall cause this resolution to be published as provided by law and shall cause the proposed amendment to be submitted to the electors of the state at the general election in November in the year 2014 unless a special election is called at a sooner date by concurrent resolution of the legislature, in which case it shall be submitted to the electors of the state at the special election.

PERSONAL PRIVILEGE

There being no objection, the following remarks of Rep. Petty are spread upon the Journal:

Tuesday I had the honor to fly home to my district for the morning of Pancake Day in Liberal. What is Pancake Day some of you may ask?
Well, it is a friendly little competition between Liberal, Kansas, and Olney, England, with women running down the streets of each town flipping pancakes, has been going on for more than 60 years now. It is still the only race of its kind on the planet.
On Shrove Tuesday every year, at 11:55 a.m., the race takes place. It all started in 1950 from a magazine picture of the Olney women racing each other to the church. Liberal Jaycee President R.J. Leete contacted the Rev. Ronald Collins, Vicar of St. Peter and St. Paul's church in Olney, challenging their women to race against women of Liberal.
In Olney, the Pancake Race tradition dates back more than 500 years to 1445. A woman engrossed in using up cooking fats (forbidden during Lent) was making pancakes. Hearing the church bells ring calling everyone to the shriving service, she grabbed her head scarf (required in church) and ran to the church, skillet and pancake in hand and still apron-clad. In following years, neighbors got into the act and it became a race to see who could reach the church first and collect a "Kiss of Peace" from the verger (bell-ringer.) The kiss is still the traditional prize in both races.
International Pancake Day has expanded to a four day event that includes eating/flipping/cooking contests, the Miss Liberal pageant, a talent show, community wide breakfast, childrens races, and the main international race followed by a shriving...
service, the international phone call to compare times and a parade.

This year’s international race winner from Liberal was 27 year old Caitlin Demarest who ran the race in just over 64 seconds.

INTRODUCTION OF ORIGINAL MOTIONS AND HOUSE RESOLUTIONS

The following resolution was introduced and read by title:
HOUSE RESOLUTION No. **HR 6015**—
By Committee on Transportation

A RESOLUTION encouraging the Department of Administration, Kansas Department of Transportation and the Kansas Turnpike Authority to collaborate and study the viability and benefits of compressed natural gas as an add-on or alternative vehicle fuel.

WHEREAS, Compressed natural gas is an environmentally friendly, "green" alternative to current fueling options of gasoline and diesel. Compressed natural gas reduces a vehicle's carbon footprint and reduces American dependency on foreign oil; and

WHEREAS, The cost of compressed natural gas is about one-third less than gasoline and 40% less than diesel. It is estimated that there are about 123,000 natural gas fueled vehicles currently being driven. There are about 1,250 fueling systems for compressed natural gas with approximately 585 being accessible to the public; and

WHEREAS, Increased usage of compressed natural gas could result in job creation, increased revenues, fuel cost savings and extended vehicle life cycle. The benefits to Kansas of encouraging the use of compressed natural gas as an alternative fuel include, but are not limited to, reduced green house gases, support to Kansas producers of natural gas and the quality jobs these producers provide, and energy cost savings: Now, therefore,

*Be it resolved by the House of Representatives of the State of Kansas:* That we urge the Department of Administration, Kansas Department of Transportation and Kansas Turnpike Authority to collaborate and study the viability and benefits of compressed natural gas as an add-on or alternative fuel and to report the findings of such study to the House Committee on Transportation; and

*Be it further resolved:* That the Chief Clerk of the House of Representatives shall send an enrolled copy of this resolution to the Secretary of Administration, the Secretary of Transportation and the President of the Kansas Turnpike Authority.

HR 6011 reported correctly enrolled and properly signed on February 14, 2013.

On motion of Rep. Vickrey, the House adjourned until 11:00 a.m., Friday, February 15, 2013.
The House met pursuant to adjournment with Speaker Merrick in the chair.

The roll was called with 115 members present.
Reps. Doll and Edwards were excused on verified illness.
Reps. Johnson and Pauls were excused on legislative business.
Reps. Carpenter, Cassidy, Christmann, Hermanson, Montgomery and Peterson were excused on excused absence by the Speaker.

Prayer by guest chaplain, the Rev. Branson Roberts, pastor, First Church of the Nazarene, Topeka:

Almighty God,

You are the Creator God, and everything exists for your glory. By your word you have shown us what you require of us: to act justly, to love mercy, and to walk humbly before you.

Lord, we are so grateful for the privilege to live in this land, at such a time as this.
Thank you for choosing and shaping ordinary people to rise up and lead this great state.

And now to this body of people, who are charged with serving the citizens of the state of Kansas; whom you have chosen and shaped for such a time as this.

O God, grant that all the public work which has been given to this body to do, will only motivate them to serve their fellow man.
Help them to set loyalty to the right things above all loyalty to party or to class.
Grant that the importance of their work may never make them full of their own self-importance, but rather that it may make them humbly eager to serve and to help the people of Kansas.
Give them wisdom of mind, clearness in their thinking, truth in their speaking, and always love in their hearts, so that they may try always to unite people and never to divide them.
Help them always to set the interests of the state above those
of the party; and faithfulness to your requirements to justice and mercy above everything else.

So grant that at the end of this day, they may win the approval of their own conscience, the respect of their fellow man, and Your “Well Done!”

I humbly offer this prayer for the sake of Jesus, who was also chosen by you to serve among his fellow man, and model the walk of justice and mercy.

AMEN.

The Pledge of Allegiance was led by Rep. Corbet.

PERSONAL PRIVILEGE

There being no objection, the following remarks of Rep. Bradford are spread upon the Journal:

Mrs. Laura Moyers, Music teacher at Anthony Elementary in the Leavenworth School District, was selected as the Kansas State Department of Education’s Region 2 2013 Elementary Teacher of the Year this fall. This is Mrs. Moyer’s 23rd year in public education and third year in the Leavenworth School District. She is passionate about her role as an educator and has helped to secure more than $16,000 for the Anthony Elementary music program through winning grant applications and contests.

Outside the classroom, Mrs. Moyers is a talented singer and songwriter and recorded a CD “Soldier’s Tribute” in honor of our military service members. She is heavily involved with her church and often contributes her musical talents to various community and charitable causes.

In her application for consideration for the Teacher of the Year recognition Program, she had this to say about her chosen profession: An outstanding teacher models what she expects from her students. She truly believes that each child is unique, valuable and impressionable and that the sky is the limit. She helps them understand that while there are limits to what our body can do, there are no limits to what you can think or dream. She believes that regardless of the circumstances everyone can and will learn if they see the need, rational and importance for learning.

We are thrilled for Mrs. Moyer to receive such a high level of recognition and praise for her professional accomplishments. Her passion for education is infectious, not only at Anthony Elementary, but throughout the Leavenworth School District.

I am honored to present this framed House certificate to Mrs. Moyer.

Prayer by Chaplain Brubaker:

Our Heavenly Father,
Today as we continue the business before us,
help us to remember three important things as we make decisions.
First, we pray that all the alternatives being considered
will be positive, constructive, and morally correct.
Secondly, help us to be sure our decisions are based
upon choices that emphasize freedom.
This means we may need to set aside our own preferences
and preconceptions and strive to be free of social pressures.
Thirdly, as we go through the process of making decisions,
help us to realize it will require work
on our part to make every reasonable effort
to discern and find Your will.

Because these three things require our hearts as well as our minds,
we come before You and ask for clear minds and sensitive hearts.

Please surround the family of Wayne Owen today
with your comfort, strength and grace.
May Your Presence carry them in this time of deep loss and grief.
In Christ’s Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Ward.

PERSONAL PRIVILEGE

There being no objection, the following remarks of Rep. Schwartz are spread upon the Journal:
During the week of February 16-23 the Kansas FFA Association is celebrating 85 Years of FFA. Our programs are found in both rural and urban areas of Kansas with chapters being located in or very near the cities of Garden City, Hays, Hutchinson, Lawrence, Manhattan, Newton, Olathe, Pittsburg, Salina, and Topeka. FFA members can be found in 87 of the 105 counties across Kansas.

Look around, you will see FFA members volunteering for a cause, promoting hunger-awareness initiatives, and educating the general public about premier leadership, personal growth and career success they are experiencing in Agriculture Education & FFA.

Much has changed over the past 85 years with agricultural education, the National FFA Organization, and Kansas FFA Association. We have opened the door to female membership (1969); grown in numbers (8,300 Kansas FFA members from 165 FFA Chapters across the state); and have adjusted programming to remain relevant in today’s societal needs by expanding agricultural opportunities encompassing science, business and technology, in addition to production farming.

The Kansas FFA Association is led by the state officer team - six students who are attending college.

The 2012-13 State FFA Officer Team members are:
Emily Beneda from Wilson, a freshman at Kansas State University majoring in Food Science & Management.
Glendolyn Neely from Humboldt, a junior at Kansas State University majoring in Agriculture Communication & Communication Sciences & Disorders.
Chelsey Smith from Hays, a sophomore at Kansas State University majoring in Agriculture Education.
Kayla Clapp from Caney, a freshman at Kansas State University majoring in Food Science & Management.
Justin Haun from Fredonia, a freshman at Kansas State University majoring in Agriculture Education.
Denver Johnston from Garnett, a freshman at Kansas State University majoring in Milling Science & Management.

FINAL ACTION ON BILLS AND CONCURRENT RESOLUTIONS

HB 2035, AN ACT concerning education requirements for certain contractors; amending K.S.A. 2012 Supp, 12-1509, 12-1526 and 12-1542 and repealing the existing sections, was considered on final action.

On roll call, the vote was: Yeas 117; Nays 2; Present but not voting: 0; Absent or not voting: 6.
EXPLANATION OF VOTE

Mr. Speaker: HB 2035 nearly quadruples education requirements for certain contractors who elect to satisfy part of the licensing requirement for their profession with trade-related schooling, as allowed by statute. The bill does not necessarily reduce classroom hours in lieu of additional program hours which includes classroom hours. It is unclear if the trainee pays for the program hours or if they receive a wage. This bill unnecessarily grows regulations possibly limiting the pool of skilled workforce and may raise the cost of service to their clientele. This may also raise the cost of training and make entering these professions more difficult. I vote no on HB 2035. – Jim Howell, Pete DeGraaf

EXPLANATIONS OF VOTE

MR. SPEAKER: I voted “No” on HB 2201. By decreasing payments into the Kansas Universal Service Fund, this bill will allow price discrimination based on geographic location. For Kansans living in outlying areas, landlines are a necessity. Until technology provides us with good cellphone reception and a phone product that is simplified enough for elderly people to understand and use, this fund should be kept intact.

This bill may come back to haunt rural Kansas. – LARRY P. HIBBARD

MR. SPEAKER: I vote Aye on HB 2201, but urge my fellow legislators and the telecommunications industry to address the Federal Communications Commission's Order regarding text messaging and next generation E-911 services. If PSAPs are unable to receive the messages from the telecom provider, the person in distress will not receive the assistance he/she needs. This is a safety issue and the necessary funding to ensure PSAP capabilities should be a priority. – TOM SLOAN, JOHN WILSON

Prayer by Chaplain Brubaker:

Father God,
thank you for the privilege of coming before You today
to lift up in prayer these leaders before me.
Fill them with gratitude for the opportunity
they have to serve in this place.
Use their talents and gifts You have given them
to do their work and to contribute to the common good.
Give each mind clarity of thought and purity of motive
so they may render their service to the best of their ability.
Tune each set of ears to hear Your still small voice within.
Open each pair of eyes to see You in one another and
especially in those with whom they disagree.
Excite each mind to the great possibilities that lie before them.
Do some of Your very best work in them.
Be with their families back home today.
Watch over them, protect them, and encourage them
as many are separated from their
spouse, dad, or mom for the week.
May everything that is said and accomplished today
bring You honor and glory.
In the Name of Your Son, I pray,
Amen.

The Pledge of Allegiance was led by Rep. Hedke.

INTRODUCTION OF BILLS AND CONCURRENT RESOLUTIONS

The following bill and resolution were introduced and read by title:

HB 2375, AN ACT concerning the school sports head injury prevention act; relating to health care providers; amending K.S.A. 2012 Supp. 72-135 and repealing the existing section, by Committee on Appropriations.

HOUSE CONCURRENT RESOLUTION No. HCR 5013—
By Committee on Appropriations

A CONCURRENT RESOLUTION to indicate the Legislature's intention not to expand medicaid services in Kansas as provided under the federal affordable care act.

WHEREAS, The federal government authorized the expansion of medicaid services as a provision of the federally mandated patient protection and affordable care act;

WHEREAS, The Supreme Court of the United States ruled that the affordable care act was unduly coercive to states with its threat to eliminate all federal funding for medicaid if states did not expand eligibility as outlined in the affordable care act;

WHEREAS, The expansion of medicaid services in Kansas with federal funds as provided for in the patient protection and affordable care act will commit future Kansas Legislatures and the citizens of Kansas to share the cost in future years;

WHEREAS, The affordable care act will have a significant woodwork effect, leading Kansans with private coverage to convert to less stable publicly funded programs;

WHEREAS, Medicaid expansion would significantly harm the state's economy by making private sector healthcare smaller at the expense of government-provided care;

WHEREAS, Medicaid expansion would dramatically increase the number of Kansans receiving public assistance;

WHEREAS, Kansas is committed to Kansas solutions to Kansas problems and the citizens of Kansas provide assistance to the most vulnerable through safety net clinics, support for physicians and hospitals, and other assistance;
WHEREAS, The federal government could further obligate the state to fully fund the medicaid expansion through maintenance of effort provisions, should federal funds cease;

WHEREAS, The state's official forecast has indicated medicaid expansion, combined with the woodwork effect, will cost the state in excess of $1 billion over the next ten years;

WHEREAS, Kansas medicaid and the children's health insurance program currently covers children whose household income is below 232% of the poverty level;

WHEREAS, Kansas medicaid currently covers pregnant mothers whose household income is less than 150% of the federal poverty level;

WHEREAS, Participating in the federal medicaid expansion would require the state of Kansas to cover people in 100-133% of the federal poverty level on medicaid, while by not participating these same individuals would be eligible to receive private, federally subsidized coverage;

WHEREAS, Governor Brownback has stated his concern that the federal government will not keep its long term commitment to 90% federal medical assistance percentage rate for the medicaid expansion populations: Now, therefore,

Be it resolved by the House of Representatives of the State of Kansas, the Senate concurring therein: That the will of the Kansas Legislature is that the state of Kansas not expand medicaid above its current eligibility levels.

MOTIONS AND RESOLUTIONS OFFERED ON A PREVIOUS DAY

On motion of Rep. Swanson, HR 6009, A resolution commemorating Emporia State University's Sesquicentennial, was adopted.

There being no objection, the following remarks of Reps. Swanson and Hill are spread upon the Journal:

Remarks by Rep. Swanson:

Kansas State Normal was founded in 1863 with the mission to prepare teachers. Lyman Kellogg, the first president and lone faculty member, opened the school with 18 students, a bible and a chalkboard. Over the past 150 years, the name has changed from the Normal School to Kansas State Teachers College, Emporia Kansas State College to Emporia State University as it is known today, but the mission has not changed, still educating Kansas’ citizens as well as others from around the world.

Today, the university is a comprehensive regional institution of higher education with over 61,000 alumni living in all 50 states and in 80 different countries. Over half of those alumni live and contribute to the great State of Kansas.

ESU is consistently ranked as a tier 1 regional university, as reported by the annual
ESU’s School of Business is AACSB accredited, a designation held by less than 5 percent of the business schools worldwide.

ESU’s Teachers College holds the International Reading Association Award and Certificate of Distinction for the Reading Preparation of Elementary and Secondary Teachers.

ESU is only one of four post-secondary institutions in the nation to be indentified as an Exemplary Model Teacher Education in a national study of teacher education programs entitled Educating School Teachers.

ESU students earn the highest percentage of graduate degrees among the Kansas Regents’ Universities. On average, one-third of the degrees earned annually are graduate degrees.

ESU’s campus became the first of the Kansas colleges to become completely handicap accessible.

An interesting “fun fact” for the legislature-the first woman legislator in Kansas was Minnie J. Grinstead, a graduate of Kansas State Normal. She served in the Kansas Legislature from 1918 to 1924 and was the first woman in the United States to serve on the Judiciary Committee.

Remarks by Rep. Hill:

Today we observe 150 years of extraordinary history of Emporia State University, one of our outstanding institutions. We congratulate ESU on accomplishments and success which provide a source of pride for the entire state of Kansas.

As we celebrate today and look forward to the future it is appropriate we pause to recognize the vision, the wisdom and the courage leaders in the community, at the institution and in the Capitol exhibited in making critical investments in higher education.

For their commitment and passion for ESU’s success, I want to thank ESU leadership, faculty, staff, students and alums. To you my legislative colleagues, thank you for the commitment we continue to make to the critical investment in education and a bright Kansas future.

Rep. Swanson introduced Dr. Michael Schonrock, President of Emporia State University and Brooke Schmidt, President of the ESU Student Government Association.

Prayer by Chaplain Brubaker:

Dear Lord,
Many times when we come to You and ask You to help us,
if we are honest, we really sometimes don’t listen to You.
For instance:
help us to relax about insignificant details,
beginning tomorrow at 7:41 a.m.;
help us to consider people's feelings,
even if most of them are hypersensitive;
help us to take responsibility for the consequences of our actions,
even though they're usually not our fault;
help us to not try to run everything –
but, if You need some help, please feel free to ask us;
help us to be more laid back, and help us to do it exactly right;
give us patience, and we mean right now;
help us to do only what we can, and trust You for the rest--
and would You mind putting that in writing?
keep us open to others' ideas, misguided though they may be.
In all seriousness, though, we do seek You and Your wisdom
We know we cannot do what needs to be done
without Your guidance, Your power, and Your strength.
Remind us to today that we “can do all things
through Christ who strengthens us.”
And for this major storm You are sending our way –
please keep us all safe!
It is in Christ Jesus that I pray,
Amen.
The Pledge of Allegiance was led by Rep. Hineman.

EXPLANATION OF VOTE

MR. SPEAKER: I vote no on HB 2148. This bill eliminates unfunded scholarship programs such as the Kansas Honors Scholarship and the Kansas Ethnic Minority Fellowship Program. This legislature should invest in scholarship programs that make higher education available to our best and brightest. We should be looking for ways to fund scholarships, not eliminating them. HB 2148 sends the wrong message. – JIM WARD

Forty-two percent are free and reduced lunch, 11% African American, 16% Hispanic, 58% Caucasian and 14% use special education services. Among its many distinguished graduates are Zach and Emily Ward.

Prayer by Chaplain Brubaker:

Creator God,
We first want to thank you today for watching over each and every one of us – and our citizens of Kansas over the last few days of winter storms. Extreme weather is such a clear reminder that we are not in control as much as we may sometime think. We may go out and “prepare” for the storms—stocking up on groceries, adjusting schedules, and everything else, but the underlying fact of all this activity, is that we are not in control.
You are in charge of that which You have created. That being said, once again I come to You and ask that you keep everyone safe this week—that people will have food to eat, a warm place to stay, and that the essential emergency personnel will be safe from any danger and harm.
Our state desperately needs the moisture and this is apparently how You plan to provide it, so please watch over us and keep us safe.
And, although it may inconvenience the schedules of all of us, help us to remember…we are not in control.
In Christ’s Name I pray,
Amen.

The Pledge of Allegiance was led by Rep. Trimmer.

Prayer by Chaplain Brubaker:

Yahweh, God,
We come to You today seeking Your guidance
and leadership for our leaders.
It has been said that leadership is influence –
it is not so much about a position as it is about influence.
Help each of these leaders to examine themselves to be sure
they are more concerned about influencing the right decisions,
rather than about protecting their position.
It has also been said that leaders seek wise counsel.
Proverbs 15:22 warns us,
“refuse good advice and watch your plans fail;
take good counsel and watch your plans succeed.”
Being a leader does not mean we have all the answers.
To make the right decisions, we must choose to
seek advice and help from others with more experience.
More importantly, however, we must seek Your advice and help.
So, today, encourage our leaders to first seek You and Your righteousness.
and then, share with them Your knowledge and wisdom.
In Your Son’s Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Swanson.

"Sec. 36. K.S.A. 2012 Supp. 45-229 is hereby amended to read as follows: 45-229.
(a) It is the intent of the legislature that exceptions to disclosure under the open records act shall be created or maintained only if:
(1) The public record is of a sensitive or personal nature concerning individuals;
(2) the public record is necessary for the effective and efficient administration of a governmental program; or
(3) the public record affects confidential information.

The maintenance or creation of an exception to disclosure must be compelled as measured by these criteria. Further, the legislature finds that the public has a right to have access to public records unless the criteria in this section for restricting such access to a public record are met and the criteria are considered during legislative review in connection with the particular exception to disclosure to be significant enough to override the strong public policy of open government. To strengthen the policy of open government, the legislature shall consider the criteria in this section before enacting an exception to disclosure.

(b) Subject to the provisions of subsection (h), all exceptions to disclosure in existence on July 1, 2000, shall expire on July 1, 2005, and any new exception to disclosure or substantial amendment of an existing exception shall expire on July 1 of the fifth year after enactment of the new exception or substantial amendment, unless the legislature acts to continue the exception. A law that enacts a new exception or substantially amends an existing exception shall state that the exception expires at the end of five years and that the exception shall be reviewed by the legislature before the scheduled date.

(c) For purposes of this section, an exception is substantially amended if the amendment expands the scope of the exception to include more records or information. An exception is not substantially amended if the amendment narrows the scope of the exception.

(d) This section is not intended to repeal an exception that has been amended following legislative review before the scheduled repeal of the exception if the exception is not substantially amended as a result of the review.

(e) In the year before the expiration of an exception, the revisor of statutes shall certify to the president of the senate and the speaker of the house of representatives, by July 15, the language and statutory citation of each exception which will expire in the following year which meets the criteria of an exception as defined in this section. Any exception that is not identified and certified to the president of the senate and the speaker of the house of representatives is not subject to legislative review and shall not expire. If the revisor of statutes fails to certify an exception that the revisor subsequently determines should have been certified, the revisor shall include the exception in the following year's certification after that determination.

(f) "Exception" means any provision of law which creates an exception to disclosure or limits disclosure under the open records act pursuant to K.S.A. 45-221, and amendments thereto, or pursuant to any other provision of law.
(g) A provision of law which creates or amends an exception to disclosure under the open records law shall not be subject to review and expiration under this act if such provision:

(1) Is required by federal law;
(2) applies solely to the legislature or to the state court system.

(h) (1) The legislature shall review the exception before its scheduled expiration and consider as part of the review process the following:

(A) What specific records are affected by the exception;
(B) whom does the exception uniquely affect, as opposed to the general public;
(C) what is the identifiable public purpose or goal of the exception;
(D) whether the information contained in the records may be obtained readily by alternative means and how it may be obtained;

(2) an exception may be created or maintained only if it serves an identifiable public purpose and may be no broader than is necessary to meet the public purpose it serves. An identifiable public purpose is served if the legislature finds that the purpose is sufficiently compelling to override the strong public policy of open government and cannot be accomplished without the exception and if the exception:

(A) Allows the effective and efficient administration of a governmental program, which administration would be significantly impaired without the exception;
(B) protects information of a sensitive personal nature concerning individuals, the release of which information would be defamatory to such individuals or cause unwarranted damage to the good name or reputation of such individuals or would jeopardize the safety of such individuals. Only information that would identify the individuals may be excepted under this paragraph; or
(C) protects information of a confidential nature concerning entities, including, but not limited to, a formula, pattern, device, combination of devices, or compilation of information which is used to protect or further a business advantage over those who do not know or use it, the disclosure of which information would injure the affected entity in the marketplace.

(3) Records made before the date of the expiration of an exception shall be subject to disclosure as otherwise provided by law. In deciding whether the records shall be made public, the legislature shall consider whether the damage or loss to persons or entities uniquely affected by the exception of the type specified in paragraph (2)(B) or (2)(C) of this subsection (h) would occur if the records were made public.

(j) Exceptions contained in the following statutes as continued in existence in section 1 of chapter 87 of the 2006 Session Laws of Kansas and exceptions contained in the following statutes as certified by the revisor of statutes to the president of the senate and the speaker of the house of representatives pursuant to subsection (e) of this section during 2010, are hereby continued in existence until July 1, 2016, at which time such exceptions shall expire: 1-501, 9-1303, 12-4516a, 12-5358, 12-5611, 22-4906, 22-4909, 38-2310, 38-2311, 38-2326, 39-970, 44-1132, 56-1a610, 56a-1204, 65-1,243, 65-3239, 66-1233, 74-50,184, 74-8134, 74-99b06 and 82a-2210.

Heavenly Father,
I come before you today on behalf of those who have been elected to carry on the business of governing the state of Kansas. They have difficult decisions to make as they consider the many issues and concerns they must address today.
You have said in the Bible that if we need wisdom, that we should come to you in prayer and ask. That is what I’m doing today. I ask that you give these servants wisdom. Lord, even if some of the servants who have gathered here do not profess faith in you, I ask that you would use them to help accomplish your will today.
I ask this in the name of your Son and my Lord and Savior, Jesus Christ. Amen!

The Pledge of Allegiance was led by Rep. Edmonds.

MOTIONS AND RESOLUTIONS OFFERED ON A PREVIOUS DAY

On motion of Rep. Schwab, HR 6016, A resolution honoring the life of Jim Weaver, was adopted.

There being no objection, the following remarks of Rep. Schwab are spread upon the Journal:

I am humbled and honored today to honor the wonderful life and creation of Jim Weaver. His wife Josie is here with me, and are his children James Weaver Jr. (his fiancé Jamie Williamson), Anita Woods (daughter), His grandchildren, Dominique Weaver, Sentia Woods, Dar’rel Weaver, and A'nitra Weaver.

I thought over the last week of trying to make a joke about how a door man and a sergeant at arms met St. Peter at the gate of Heaven, but I just could not come up with anything.

Jim guarded the North door by the Majority Leader’s office faithfully for years. Early and often late, Jim was there, and as we walked by, he faithfully asked us by name how we were doing.

Often his wife and he would have fellow legislators over their house for dinner. There he would showcase his wonderful trophy garden. Many of you may of heard Dillons grocery selling Georgia Sweet Potatoes.

Jim would let you know that “Them’s Jim’s potatoes.”

One day, shortly before my own father passed of prostate cancer, our House chaplain Eunice, Jim and I were visiting. She then looked over at Jim and made a frowned face. I asked what was the matter. He said the cancer was back.

But then he just nodded and said, “It’s alright, it’s alright, I’ll be fine.” And even when in severe pain, he stood his post, right there.

Mrs. Weaver, we just wanted to take a moment to thank you for sharing some of Jim’s life with us. We want you to know we love him, and we too miss him dearly. This resolution is a meager attempt to show the deep gratitude for the treasure you shared in Jim Weaver in this chamber. Thank you, thank you, thank you. Jim, you are missed. God Speed.

EXPLANATION OF VOTE

Mr. Speaker: I had some great donors help get me elected. Many of those same people also donated to the Senator in my district. If I were to run against my Senator in four years, then under this bill I could use money given to win a seat in the House to run for a Senate seat. Just because someone supported me and gave me money to win my House seat doesn’t mean they would support me for the Senate. I believe donations should be used for the office it was intended for, which is why I voted ‘no’ on HB 2112.

**EXPLANATIONS OF VOTE**

Mr. Speaker: While we disagree with the premise of HB 2019, we vote aye because many of our constituents have asked us to do so.

Our hope is this legislation will not be the beginning of an erosion of the checks and balances system so important to our form of government. We also hope that whoever the sitting Governor may be, that person will not use this legislation to reward friends and supporters but will use it wisely in appointing judges to the Court of Appeals. – Vern Swanson Richard Proehl

Mr. Speaker: Out of a political scandal 57 years ago emerged a method of selecting appellate judges that has served the State of Kansas well.

Kansans can take pride in their judiciary. Nothing has changed to support a new system. The movement for change is being swept along due to a couple of legislative
unpopular decisions. The judiciary should be insulated from changes in the political climate. The Rule of Law should be the bedrock of our society. I vote NO on HB 2019.
– STEVEN R. BECKER

MR. SPEAKER: I am voting no on HB 2019 for two reasons: First and foremost is the fact that we will now have one form of selection for the Appellate Bench and a different selection process for the Supreme Court Bench. Second, I support direct elections as we have in the 18th Judicial District. It has worked out very well in this District.

Ultimately a vote on the Constitutional Amendment for the selection of the Supreme Court Judges using the federal model is preferable as the voting public has the final say.
– DAN HAWKINS

MR. SPEAKER: The only proper way to change judicial selection is with a constitutional amendment, so that the people of Kansas can ultimately decide how their appellate judges should be selected. Our current system brings together members of the public, legal experts and the Governor to ensure the independence of our courtrooms. This system has worked well for nearly 60 years and has yielded the “fifth best legal climate in the country” for business. Our merit based selection system should be maintained to avoid politicizing the process and inviting the influence of money. I vote no on HB 2019.

EXPLANATIONS OF VOTE

MR. SPEAKER: The Legislature has a history of proposing grand plans that may make good policy and subsequently failed to fund the necessary programs to ensure the success of those plans. I fear that we will once again neglect our duty to fund the mental health, substance abuse, community corrections, and court services required and that HB 2170 will become an unfunded mandate on our local tax payers. I vote NO on HB 2710. – NILE DILLMORE

MR. SPEAKER: I vote YES on HB 2170. While I love prisons (Hutchinson has three) there is no money to build new prisons. This bill does not shorten anyone's prison time, but actually increases post release supervision time for some prisoners. It also allows us to be smarter about who might re-offend.

We need to be smarter about who we put in prison, and smarter on who is strictly supervised. – JAN PAULS

EXPLANATION OF VOTE

Mr. Speaker: I vote Aye on HB 2074. I support HB 2074 because it protects the private property rights of privately-owned landfill companies and their ability to do business with other cities and counties outside of the jurisdiction in which they reside. Cities and counties are still free to place restrictions on their own residents, but they should not have the ability to place solid waste disposal restrictions on residents outside their jurisdiction. – Keith Esau

EXPLANATION OF VOTE

Mr Speaker: “Celebrate Freedom Week,” is admirable, but passing down yet another unfunded mandate onto local schools is not. Many schools already “celebrate freedom” on Constitution Day, and throughout the year. We should preserve teachers’ freedom to determine how they do this. This Legislature has developed a bad habit of picking when it believes in local control and when it does not.

Further, we have a system in place to develop education curriculum standards. The Legislature should abide by that system. If we are going to debate education, we should talk about properly funding it rather than dictating curriculum standards. We vote no on HB 2280. – Paul Davis, Annie Tietze, Ed Trimmer, Valdenia Winn, John Alcala

Mr. Speaker: I believe in the importance of our founding history, and the celebration of the principles of freedom, however it is not the proper role of the legislature to designate curriculum specifics. That responsibility is conferred to the state board of education in Article 6, Section 2A of the Kansas Constitution. The Education Committee has been working to reduce the regulatory burden on our schools, but this
bill adds to that burden. A resolution or proclamation would have been the appropriate vehicle, rather than a mandate from the legislature, therefore I voted no on HB 2280. – MELISSA ROOKER, BARBARA BOLLIER

Our Heavenly Father,
Thank You for this beautiful day
and the privilege we have of enjoying it.
Thank You for these leaders who are willing
to give of their time and themselves
to address those issues that affect all Kansans.
Help them to be open to:
being teachable and willing to learn,
not thinking they know it all;
to be ready to act, but not react;
to face and deal with the problems,
not cause more of a problem;
to strive for excellence, but not at the cost of others.
I ask that You guide them today
and grant them divine wisdom
in the name of Your Son, Christ Jesus, I pray, Amen.

The Pledge of Allegiance was led by Rep. Cassidy.

INTRODUCTION OF BILLS AND CONCURRENT RESOLUTIONS

The following concurrent resolution was introduced and read by title:

HOUSE CONCURRENT RESOLUTION No. HCR 5014—
By Committee on Energy and Environment

A CONCURRENT RESOLUTION urging the Department of State and the White House to approve the Presidential Permit application allowing the construction and operation of the TransCanada Keystone XL Pipeline between the United States and Canada in order to strengthen United States energy security, to provide for critical pipeline infrastructure, to achieve North American energy independence and to stimulate the American economy and create jobs.

WHEREAS, The United States accounts for 20% of world energy consumption, which makes it the world's largest petroleum consumer. The United States consumes more than 18 million barrels of oil each day, with forecasts indicating this will not
change for decades. Current imports amount to more than eight million barrels each day which is approximately 50% of the requirements of the United States; and

WHEREAS, Even with new technology, oil discoveries, alternative fuels and conservation efforts, the United States will remain dependent on imported energy for decades to come. A secure supply of crude oil is not only needed for Americans to continue to heat their homes, cook their food and drive their vehicles, but to enable the United States economy to thrive and grow, free from the potential threats and disruptions of an unreliable crude oil supply from less secure parts of the world; and

WHEREAS, The increasing production of conflict-free oil from Canadian oil sands can both replace crude oil imported from countries that do not share American values and add additional pipeline capacity to refineries in the United States Midwest and Gulf Coast; and

WHEREAS, Increasing energy imports from Canada makes sense for the United States. Canada is a trusted neighbor with a stable democratic government, strong environmental standards equal to that of the United States and some of the most stringent human rights and worker protection laws in the world; and

WHEREAS, The 57 refineries in the Gulf Coast region provide a total refining capacity of approximately 8.7 million barrels per day, or half of the refining capacity of the United States. In 2011, these refineries imported approximately 5 million barrels per day of crude oil from more than 30 countries, with the top five suppliers being Canada with 24%, Mexico with 22%, Saudi Arabia with 17%, Venezuela with 16% and Nigeria with 9%. Imports from Mexico and Venezuela are declining as production from those countries decreases and supply contracts expire. Once completed, TransCanada’s Keystone XL and Gulf Coast Expansion projects could displace roughly 40% of the oil the United States currently imports from the Persian Gulf and Venezuela; and

WHEREAS, The Keystone XL Pipeline project, which has been subject to the most thorough public consultation process of any proposed United States pipeline and the subject of multiple environmental impact statements and several United States Department of State studies, poses a minimal impact to the environment and is much safer than other modes of transporting crude oil; and

WHEREAS, Pipelines are the safest method for the transportation of petroleum products when compared to other methods of transportation. Pipelines are 40 times safer than moving crude oil by rail and 100 times safer than transportation by truck. The Keystone XL Pipeline will replace the equivalent of a tanker train 25 miles long or 200 ocean tankers per year; and

WHEREAS, The Keystone XL project will create approximately 9,000 jobs during construction, and the related $2.3 billion Gulf Coast Project will create approximately 4,000 construction jobs. Combined, the projects will support an additional 7,000 manufacturing jobs. Furthermore, 75% of the pipe used to build Keystone XL in the United States will come from North American mills, with half being made by workers in the United States, and goods for the pipeline valued at approximately $800 million have already been sourced from United States manufacturers: Now, therefore,

Be it resolved by the House of Representatives of the State of Kansas, the Senate concurring therein: That we urge the President of the United States to support the continued and increased importation of oil derived from Canadian oil sands; and that we urge the United States Secretary of State to approve the newly-routed pipeline application from TransCanada in order to reduce dependence on unstable governments,
improve our national security and strengthen ties with an important ally.

Be it further resolved: That the Secretary of State be directed to provide an enrolled copy of this resolution to the President of the United States, the United States Secretary of State and each member of the Kansas Congressional Delegation.

EXPLANATIONS OF VOTE

Mr. Speaker: While I am in favor of innovation in our public schools, I believe that HB 2319 is not the answer. It allows a few school districts to ignore state laws including:
- Mileage restrictions for busing students from other districts
- Curriculum policies
- Teacher input
- Due Process
- Attendance Requirements
- and the Kansas Open Meeting Law.

If we truly care about our children, we should stop choosing the wealthy and big business over our public schools and fund public education sufficiently. Let all schools have the resources to be innovative. I respectfully vote “No.” – Ed TITZE

Mr. Speaker: While I am strongly supportive of the idea of increasing innovation in education, I am forced to vote against this bill because of the unnecessary provision of the bill which would exempt innovative public school districts from all state laws, rules, and regulations. Unfortunately, an amendment favored by the major Proponents of the bill, which would have resolved major problems with the bill, was defeated.

The problems remaining include: existing teacher contracts rendered void, exemption from the state assessment requirements, the allowance of non-certified teachers, denial of worker due process rights, and exemption of collective bargaining for teacher working conditions. I vote NO on HB 2219. – NANCY LUSK, JULIE MENGHINI, EMILY PERRY, PATRICIA M. SLOOP, CAROLYN L. BRIDGES, VIRGIL WEIGEL, SYDNEY CARLIN

Mr. Speaker: I vote NO on HB 2319. I support innovation but oppose ignoring testimony of proponents who emphasize that cohesion between Administrators and
teachers is MORE important to student achievement than exemption from rules and regulations.

We develop policies based on public testimony. For HB 2319 voices in the dark who are more interested in denying due process for teachers carry more weight than those who publicly testify.

Quality teachers will not remain in districts where they have no rights. In HB 2319 you can hire non-certified teachers. You wouldn't seek medical services from unlicensed doctors, your children's education should not be an experimentation with non-certified teachers. – Valdenia C. Winn, Broderick Henderson, Gail Finney

Mr. Speaker: I support innovation in our public schools, but cannot support HB 2319. We currently allow public school districts to operate on waivers for the purpose of innovation. Three currently do so. These superintendents testified in committee that they cannot name state regulations they wish to be freed from in order to better serve their students. The bill removes the following regulations:

- Mileage restrictions for busing students from other districts
- Teacher certification requirements
- Curriculum policies
- Teacher input
- Due Process
- Attendance Requirements
- and the Kansas Open Meeting Law.

I do not believe this is in the best interests of our students, therefore I vote no on HB 2319. – Melissa Rooker

Mr. Speaker: School districts deserve the ability to be innovative, which is especially paramount as we seek to give more local control to our school districts and allow them to be more child centric. This bill will help existing schools attract and keep the best and brightest teachers and allow curriculum and learning opportunities not found under the current system. Innovative school districts will have the flexibility to tailor their policies to best meet the needs of children. In the end, that is what this vote is about, the children. For that reason, I vote YES for our children and HB 2319. – Ken Corbet, Ronald L. Highland, Marty Read, Mike Houser, Allen Rothlisberg, Kevin Jones, Jack Thimesch, Kyle Hoffman, Troy Waymaster, Josh Powell

Sec. 4. K.S.A. 68-2009 is hereby amended to read as follows: 68-2009. (a) (1) The authority is hereby authorized to fix, revise, charge and collect tolls for the use of each turnpike project and the different parts or sections thereof, and to contract with any person, partnership, association or corporation desiring the use of any part thereof, including the right-of-way adjoining the paved portion, for placing thereon telephone, telegraph, electric light or power lines, motor fuel filling stations, garages, and restaurants, or for any other purpose except for tracks for railroad or railway use, and to fix the terms, conditions, rents and rates of charges for such use. Such tolls shall be so fixed and adjusted in respect of the aggregate of tolls from the turnpike project or projects in connection with which the bonds of any issue shall have been issued as to provide a fund sufficient with other revenues, if any, to pay (a) the cost of maintaining, repairing and operating such turnpike project or projects and (b) the principal of and the interest on such bonds as the same shall become due and payable, and to create reserves for such purposes.

(2) On and after July 1, 2013, the Kansas legislature shall have the sole authority to fix and revise tolls for the use of each turnpike project and the different parts thereof. Tolls which are in effect on June 30, 2013, shall remain in effect until revised by the Kansas legislature through legislative enactment. Nothing in this section shall be construed to limit the authority's ability to charge and collect such tolls which have been set by the legislature.

(b) Such tolls shall not be subject to supervision or regulation by any other commission, board, bureau or agency of the state. The tolls and all other revenues derived from the turnpike project or projects in connection with which the bonds of any issue shall have been issued, except such part thereof as may be necessary to pay such cost of maintenance, repair and operation and to provide such reserves therefor as may be provided for in the resolution authorizing the issuance of such bonds or in the trust agreement securing the same, shall be set aside at such regular intervals as may be provided in such resolution or such trust agreement in a sinking fund which is hereby pledged to, and charged with, the payment of the principal of and the interest on such bonds as the same shall become due, and the redemption price or the purchase price of bonds retired by call or purchase as therein provided. Such pledge shall be valid and binding from the time when the pledge is made; the tolls or other revenues or other moneys so pledged and thereafter received by the authority shall immediately be subject to the lien of such pledge without any physical delivery thereof or further act, and the lien of any such pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the authority, irrespective of whether such parties have notice thereof. Neither the resolution nor any trust agreement by which a pledge is created need be filed or recorded except in the records of the authority. The use and disposition of moneys to the credit of such sinking fund shall be subject to the provisions of the resolution authorizing the issuance of such bonds or of such trust agreement. Except as may otherwise be provided in such resolution or such trust agreement, such sinking fund shall be a fund for all such bonds without distinction or priority of one over another.

Father God,
Your Word instructs us to
“not forget to do good and to share with others.”
We share our opinions, thoughts, and research
in order to make good and right decisions.
We should all share in the give and take of our differences
when we debate a certain topic.
We share in the responsibility of thoroughly
investigating and examining all possibilities
before placing our vote.
We all share in responsible stewardship in
determining allocation of monies.
We should all share in the concern and desire
to help the helpless, the young and the elderly.
We share with each other our lives
in this intense time-consuming 90-day session.
We even share in the Big 12 championship title
to make Kansans proud of their teams.
The remaining part of the verse earlier stated says
that in this sharing, we please God.

FINAL ACTION ON BILLS AND CONCURRENT RESOLUTIONS

HB 2234, AN ACT concerning the Kansas turnpike authority; relating to contracts between the authority and the Kansas department of transportation; amending K.S.A.

On roll call, the vote was: Yeas 81; Nays 41; Present but not voting: 0; Absent or not voting: 3.

Absent or not voting: Concannon, Peterson, Shultz.

The bill passed, as amended.

EXPLANATIONS OF VOTE

MR. SPEAKER: Several proponents on Friday cited KSA 68-2066, a longstanding law providing that the turnpike becomes part of the State highway system once the bonds are paid off. They argue that this bill is a logical step to that ultimate transfer. Quite the opposite is the case. In addition to amending two statutes, HB 2234 repeals 86 Kansas Statutes (count them------86), none of which have been considered or discussed. Among those you are voting to repeal is KSA 68-2066, that very statute cited by the proponents. I vote no on HB 2234. – DON HILL, LARRY HIBBARD, JOHN WILSON, JULIE MENGHINI, VIRGIL WEIGEL

MR. SPEAKER: I vote no on HB 2234. The tolls on the Turnpike are designed to pay for maintenance of the Turnpike. If there is more money than necessary being raised then tolls should be lowered. Yet this bill allows the KDOT to divert funds to alternative uses. The administration's budget proposal already calls for highway funds to pay for
mental health, school busing and a KBI lab. This proposal just expands the size of the Bank of KDOT. I am not anxious to see what the next ingenious idea is for user fee funding. – Bob Grant

Mr. Speaker: HB 2234 permits KDOT to provide resources to the KTA such as personnel and equipment, contractors, record-keeping, reporting, administrative, planning, engineering, legal and clerical functions. Additionally, the bill formalizes the contractual arrangement between the two entities for construction, operation, and maintenance of turnpike projects and highways of the state. At the same time, toll funds will continue to maintain the excellent quality of the turnpike, without redirection to projects in other parts of the state. This will allow for the same level of service currently provided by the Kansas Turnpike Authority while saving taxpayers money. For this reason, I vote YES on HB 2234. – Peggy Mast, Richard J. Proehl

Mr. Speaker: It is amazing at a time when the trend in this Legislature is to privatize government services; that the best example of how privation has worked in Kansas is being brought under the control of a public agency. I vote no on HB 2234, there are plenty of issues that need our attention around here; the Kansas Turnpike is not one of them. – Carolyn L. Bridges

Mr. Speaker: I vote no on HB 2234. Nearly every proponent who spoke on this bill indicated that they are opposed to diverting KTA toll revenues to pay for maintenance work on other Kansas roads. Yet HB 2234 contains language that allows KDOT to do just that. Spend toll revenues on any road that connects to the Turnpike within 10 miles. The only income the turnpike has is toll revenues and diverting KTA resources makes the toll I pay a tax not a fee. – Ed Trimmer, Gail Finney, Annie Tietze, Patricia M. Sloop, Barbara W. Ballard

Mr. Speaker: HB 2234 does not accomplish significant savings or represent a meaningful consolidation of government. I believe it is better to leave the Kansas Department of Transportation and the Kansas Turnpike Authority completely separate. For these reasons, I vote NO on HB 2234. – Joe Edwards

REPORT ON ENGROSSED BILLS

HB 2234 reported correctly engrossed March 8, 2013.

On motion of Rep. Vickrey, the House adjourned until 11:00 a.m., Tuesday, March 12, 2013.
The House met pursuant to adjournment with Speaker Merrick in the chair.

The roll was called with 119 members present.
Rep. Frownfelter was excused on verified illness.
Reps. Clayton, Concannon, Osterman, Peterson and Todd were excused on excused absence by the Speaker.

Prayer by Chaplain Brubaker:

Gracious and loving God,
thank you for all you have made us to be,
for your infinite kindness and mercies
which are new every morning.
You have given us so many blessings,
unworthy as we are.
Help us to use these gifts of blessings
to show our gratitude and our awareness
of just how dependent we are on Your grace.
As we endeavor to fulfill our responsibilities,
fill us with the compassion of Jesus, Your Son.
Give us eyes to see the needs of those around us,
in the faces of our neighbors near and dear.
Give us hearts that are moved by the pleas of those
who cry out on behalf of the children,
the jobless, the sick, and the suffering.
Give us hands that are eager to share
what You have entrusted to us.
Give us feet to venture wherever the Spirit leads.
As we resolve to be mindful of the needs of others,
we pray that You instill in us Your kindness and Your mercy.
In Jesus’ name, I pray. Amen.

The Pledge of Allegiance was led by Rep. Perry.

Today we have the opportunity to recognize Kansas Small Business Development Center’s emerging and existing 2013 businesses of the year. These sixteen businesses represent economic vitality and human vibrancy and growth potential in the communities they serve. These businesses have achieved major accomplishments: established growing businesses, demonstrated vision, problem solving and exemplary corporate citizenship. Entrepreneurship is one of the most powerful drivers of growth and prosperity in our Kansas economy. It is the primary source of job creation and economic competitiveness. Challenging economic times have proven to be good times to launch a new business. In 2012 there were over 2,000 businesses in Kansas that received KSBDC services including our honorees today. It is the priority of KSBDC to reach as many potential entrepreneurs as possible and provide tools and services for Kansans in all parts of the state. As we face challenging times ahead The entrepreneurial spirit and energy represented by those we recognize today provide a source of encouragement and optimism. The Kansas House of Representatives is pleased to welcome, thank and congratulate these honored guests today!

Prayer by Chaplain Brubaker:

Gracious Heavenly Father,
As I come before You today on behalf of this body,
remind each one that all power and authority
ultimately comes from You.
We do not wield our own power,
but are stewards in whom You have entrusted
with power and authority.
Keep us accountable of that trust.
I pray for guidance in the matters at hand
and ask that You make it clear
how they all can conduct their work
with a spirit of joy and enthusiasm.
Give them the desire to find ways
in which they can excel in their work.
Help them to work together and encourage one another.
Help them to challenge one another to
do the best they can to work together as a team.
Please be with the family of Sally Bottorff
who passed away yesterday. Please bring
comfort, grace, strength and peace to them
in these days of their great loss.
Honor these requests so that all that is accomplished
may bring glory to Your Name.
In Christ I pray, Amen.

PERSONAL PRIVILEGE

There being no objection, the following remarks of Reps. Meier and O'Brien are spread upon the Journal:

Remarks by Rep. Meier:

Today we have two groups from Leavenworth County here in the Capitol to learn what State Government and the Legislature is all about. They are sponsored by the Leavenworth/Lansing, Basehor and Tonganoxie Chambers of Commerce. They formed as classes last fall and have been studying local history, the local economy, the legal and legislative systems, health and social service agencies, civic and community groups, education programs and technology ever since.

The Classes were originally started in 1985 and 1990 when local government, schools, and community based organizations had difficulty in filling positions on committees, boards of directors and other responsible organizations that rely on citizen input and participation to make decisions for the benefit of the community as a whole. It was determined that many citizens were reluctant to volunteer because of lack of familiarity with the issues and organizations and a feeling that they were not prepared or qualified to participate in deciding community issues.

Remarks by Rep. O'Brien:

Graduates have included mayors, city administrators, city council members, librarians, police officers, firefighters, local business owners and their employees, homemakers and students. The goal is to prepare interested community citizens for positions of leadership in civic, educational and governmental organizations. The programs also encourage inter-community networking and foster healthy business relationships.

My fellow Representatives, please help me welcome the 2013 Leavenworth/Lansing and Southern Leavenworth County Leadership Classes to the House. They are in the gallery above.

INTRODUCTION OF ORIGINAL MOTIONS

In accordance with House Rule 1309, Rep. Ward, moved that having not been reported to the House within 10 legislative days after reference to committee, **HR 6006** be withdrawn from Committee on Corrections and Juvenile Justice and be placed as the first measure to be considered on that order of business, General Orders.

(The Chief Clerk of the House of Representatives is requested to read this motion and cause it to be printed in the Calendar of March 14, 2013 under the order of business “Motions and House Resolutions Offered on a Previous Day” as provided by House Rule 1309.)

MOTIONS AND RESOLUTIONS OFFERED ON A PREVIOUS DAY

On motion of Rep. Christmann, **HR 6017**, a resolution designating March 11-17, 2013, as "Multiple Sclerosis Awareness Week," was adopted.

There being no objection, the following remarks of Reps. Christmann and Boldra are spread upon the Journal:

Remarks by Rep. Christmann:
We are here today to acknowledge the estimated 4,400 Kansans diagnosed and living with Multiple Sclerosis.
Of those 4,400 Kansans, I know one quite well.
My wife and high school sweetheart of 20 years is one of those Kansans. One of those Kansans who wakes every day wondering in regards to progression if today is going to be a bad day, or good day, a bad week, or good week, or in some cases the first day of a bad year, or a good one.
I know one Kansan, and Representative Boldra knows one quite well too.

Remarks by Rep. Boldra:
Our youngest daughter, was an avid athlete through high school and college. She graduated from Pepperdine Law School in 2008, was married in 2009, and was diagnosed with MS in 2010.
She has accepted and embraced her condition, and is a proud member of the Mid-American MS advisory board. She has an informational blog called “Optimistic with MS”, where she chronicles her personal story and relays information about new treatments and new drugs.
We have an MS walk in Hays April 6 and will be walking in Wichita April 27.
As a family, we walk and bike for MS. We walk to support research and we walk with the hope that a cure will come within her life time.
Every hour of every day, someone in America is diagnosed with MS. There is no known cause and no known cure.

Additional remarks by Rep. Christmann:
MS destroys the connections of the mind, divides minds from bodies, pulls people from their lives and away from one another. Therefore, it is only fitting that connections would also be MS’s greatest enemy.
The connections formed during MS Awareness week will most importantly one day forge the way to a cure and will also allow all these singular Kansans to find pathways
to others to form that one thing that MS dreads the most... connections.

Connections within the mind and between Kansans.

I would also like to take this time to recognize a remarkable young lady by the name of Annie Lackey. Annie is credited with being one of National MS Societies top local fundraisers and is known for her sacrifices in her personal life while heading up MS support groups, in turn helping others with MS cope when hope seems most dim.

The Kansas House of Representatives hereby thanks the National Multiple Sclerosis Society and Annie Lackey as well as recognizes the strength, courage, passion and endurance of the 4,400 Kansans living.

Reps. Christmann and Boldra presented a framed House certificate to Annie Lackey.

Prayer by guest chaplain, the Rev. Danny Payne, pastor, Vista Baptist Church, Olathe, and guest of Rep. Dove:

(A prayer by Ken Gire)

Lord,

I want to be smart, popular, and respected. I want to be good-looking, athletically built, and stylishly dressed. I want life to be good, work to be fulfilling, and relationships to be fun. I want to be happy and healthy and rich. I want to have those things now. And I want to hold on to them forever. Amen.

Those are my beatitudes, Lord, if I'm being honest with you.

But if I'm being honest with myself, I know that none of those things will make me happy. Not for long anyway. And certainly not forever.

When I put all those qualities together, I get a composite of someone in the movies or on the cover of a magazine. I get a celebrity. I don't get Christ. But Christ is what I want. In my heart of hearts, he is what I really want to be like. His thoughts are what I want to think. His emotions are what I want to feel. His life is what I want to live. I want to be strong like him, wise like him, compassionate like him.

I want Jesus to be the person I model my life after.

Thank you, Father, that you want that too. That being conformed to his image is the glory you have predestined me for. It is glory of a great work of art. Help me to settle for nothing less. No matter how painful the process of crafting his character into my life, no matter how loudly I object to your workmanship, or how often, keep working, Lord. Keep working...

The Pledge of Allegiance was led by Rep. Ballard.

EXPLANATIONS OF VOTE

Mr. Speaker: I am a life member of NRA, a hunter safety instructor, shotgun merit badge counselor and have held a Federal Firearm license. This is a good bill in concept, but failure to exempt our District Court facility in Chanute and amendments to allow concealed carry in the Statehouse are severe problems. I am voting no on HB 2055 because of these problems. I hope they are addressed in the Senate so that I can support it in a conference committee report. – Ed Bideau

Mr. Speaker: Most legislators get mad when the federal government coerces and makes costly mandates upon the taxpayers of Kansas. This bill is sold as a second amendment bill. But it is not about guns, it is about unfunded mandates, the erosion of local control and the state acting like the federal government and imposing its will on local governments. That is what the state is proposing to do with this bill. As many of you, I live by the mantra that the best government is that which is closest to the people. HB 2055 violates that principle so I vote no. – Tom Moxley, Don Hineman

Mr. Speaker: In voting this legislation we face a difficult choice between freedom and safety. The same choice was faced when our current concealed carry law was passed in 2006. Some proponents of this will only be satisfied when we allow lawful individuals to carry anywhere all of the time, others fear federal government is coming after our guns. Let us take a deep breath and use some common sense. Current law works well and strikes a responsible balance. It has appropriate limits in the interest of safety as determined by local leaders. I support current statute and vote no on HB 2055. – Don Hill, Stephanie Clayton, Melissa Rooker

Mr. Speaker: I vote No on HB 2055. As one who voted for the original Personal and Family Protection Act bill, I support the right of responsible, trained citizens to carry concealed weapons for personal protection. The original statute permits property owners to determine whether concealed weapons are permitted on their premises. HB 2055 abolishes this local control over public buildings, substituting the desire of the legislative majority for the will of locally elected and locally responsible officials. This is the same heavy handed “we know best” action many legislators claim is used by the federal government through the passage of “Obamacare.” – Tom Sloan

Mr. Speaker: I am a strong supporter of firearm rights and this is a good bill in concept but failure to exempt court facilities outside of the courthouse itself and the amendment which will allow concealed carry in the Statehouse are severe problems. I am voting no on HB 2055 because of these problems and I hope that they will be corrected so that I can support it in the future. – John Barker
HB 2199, AN ACT enacting the second amendment protection act, was considered on final action.

On roll call, the vote was: Yeas 94; Nays 29; Present but not voting: 0; Absent or not voting: 2.

Present but not voting: None.

Absent or not voting: Grosserode, Seiwert.

The bill passed, as amended.

EXPLANATIONS OF VOTE

Mr. Speaker: Although I am a supporter of the Second Amendment, I cannot support HB 2199. As the Assistant Attorney General stated, we “should be mindful upon legal limits that restrict the ability of states to restrict the actions of the federal government and also upon potential financial risks that could arise in litigation.” The Supremacy Clause cannot be waived by state law, and any conflict between a valid federal law and state law will be resolved in favor of the federal enactment. Because of constitutionality concerns and potential for great financial cost to the state, I vote no on HB 2199. – EMILY PERRY, JOHN WILSON, KATHY WOLFE MOORE

Mr. Speaker: I vote No on HB 2199. Supposedly strong on the 2nd amendment, but it's soft on crime. This bill is relevant only in a very bleak scenario. It is unconstitutional. The state will have expensive litigation for little purpose.

With the advent of 3-D printers, enabling any terrorist or criminal to make weapons at home from commonly available materials, why would we want to make all guns made in Kansas free from federal regulation?

Federal law enforcement is necessary to prevent criminals and terrorists from being able to print weapons of their choice in the numbers they desire, all within the privacy of their homes. – NANCY LUSK

Mr. Speaker: I vote yes for HB 2199 today to join with those who wish to make a strong statement about the importance of protecting Second Amendment freedoms and opposing needless federal intrusion. However, I have grave concerns about the content of the bill and the constitutional challenges it creates. I supported an attempt to amend the bill to address the greatest of these concerns, but that was not successful. As this is
the only bill available to demonstrate my commitment to the about principles, I vote yes. – Blaine Finch, J. Russell Jennings

Mr. Speaker: I vote No on HB 2199. As the owner and responsible user of firearms, I believe in the right of law abiding citizens to bear arms. Deliberately electing to pit state and federal law enforcement officers in a Constitutional “battle” does nothing to protect citizen rights. Instead it detracts from the legitimate discussion of public safety, personal responsibility, and the appropriate role of government. – Tom Sloan

Mr. Speaker: This bill, HB 2199, is not about protecting 2nd amendment rights. It is about the post card that will come forward in the next election. I still think (though I am not an attorney) that this bill is not constitutional. You can't trump federal law. Be that as it may, let the post cards come. I vote no on HB 2199. – Robert “Bob” Grant

Mr. Speaker: HB 2199 expresses principles of federalism, especially anti-commandeering, well grounded in law, with which I agree. However, I caution my conservative friends that this and similar bills in other areas run the risk of breeding cynicism among a core constituency by over-promising and under-delivering on the likely legal effect of such legislation.

Respect for the rule of law is among the most precious gifts conveyed to us by prior generation. That respect is closely tied to confidence in the legitimacy of the democratic process. We should be circumspect in raising expectations, which when unmet, might undermine confidence in that process. – Lance Kinzer

Mr. Speaker: The Second Amendment is alive and well. We see no need for HB 2199. Additionally, the Supremacy Clause cannot be waived by state law. Any conflict between a valid federal law and state law will be resolved in favor of the federal enactment. The Assistant Attorney General stated in testimony, we “should be mindful upon legal limits that restrict the ability of states to restrict the actions of the federal government and also upon potential financial risks that could arise in litigation.” Because of constitutionality concerns and potential for great financial cost to the state, we vote no on HB 2199. – Melissa Rooker, Barbara Bollier, Stephanie Clayton

Prayer by Chaplain Brubaker:

All wise and knowing God,
our leaders are getting into that time of session
where prolonged debate over crucial topics begin—
topics that tend to bring out the passions
and strong convictions of each individual.
Keep everyone mindful to be open to others’ ideas,
respectful of the differences, not threatened by them.
Help them to be a force for replacing fear with insight,
to be patient and kind as they talk.
Remind them that strength can always find compromise,
and working together can find a common ground
to help them move forward with a shared purpose.
Help them to see what is truly important
and unite them on that,
removing road blocks of ego and fear.
And when they get to a point where they
don’t know which way to go—
I pray they will ask You for wisdom,
believing You will provide it.
Lord, we ask for Your presence and protection
for Representative Osterman as he faces
open-heart surgery tomorrow.
Please guide the medical team during his surgery.
I ask that all will go well and for a quick recovery.
Be with his family during this time.
Bring strength, courage and assurance to them.
In Christ’s Name I pray, Amen.
The Pledge of Allegiance was led by Rep. Finch.

INTRODUCTION OF BILLS AND CONCURRENT RESOLUTIONS

The following bill and resolution were introduced and read by title:

HB 2403, AN ACT concerning retirement and pensions; relating to the Kansas public employees retirement system and systems thereunder; revenue bonds to finance unfunded liability of KPERS; requirements and procedures, by Committee on Appropriations.

HCR 5015, A CONCURRENT RESOLUTION commending the business and philanthropic achievements of native Kansan, David G. Booth.

WHEREAS, The State of Kansas first entered the Union in 1861 with a spirit of perseverance and compassion that has uniquely defined the identity and character of Kansans over the last 150 years; and

WHEREAS, The tradition of this spirit is embodied in the life work of renowned businessman David G. Booth, who was born in Lawrence, Kansas to Gilbert and Betty Booth in 1946; and

WHEREAS, Gilbert and Betty Booth sacrificed greatly to offer their children a better future; and

WHEREAS, After graduating from Lawrence High School, David went on to receive a bachelor's degree in economics and a master's degree in business from the University of Kansas in 1969; and

WHEREAS, His future-oriented thinking led him to become one of the pioneers in index funds while he worked at Wells Fargo, ultimately leading to the establishment of the first Standard and Poor's Composite Index Funds in 1973; and

WHEREAS, His original concepts, problem-solving innovations and ground-breaking work in indexing and small capitalization investing led to a career of innovation and entrepreneurial success; and

WHEREAS, His ability to unite the academics of economic science to the real-world side of investment management has furthered both the state of investment management and the state of portfolio theory; and
WHEREAS, David and his wife Suzanne Deal Booth have also made significant philanthropic contributions to the State of Kansas, including a major contribution to the University of Kansas to create the Booth Family Hall of Athletics, which houses six different exhibit areas attached to Allen Fieldhouse, that allows Jayhawk fans to experience the history and tradition of Kansas Athletics; and

WHEREAS, When Dr. James Naismith's 1891 original 13 rules of basketball went up for sale in 2010, David and his wife Suzanne purchased the rules so that they could be brought back to Kansas and displayed at his alma mater and the school where Dr. Naismith was a coach and educator, the University of Kansas; and

WHEREAS, David G. Booth's development of investment theory has advanced the business world and his contributions to the University of Kansas have brought tremendous pride and enjoyment to Kansans everywhere: Now, therefore,

Be it resolved by the House of Representatives of the State of Kansas, the Senate concurring therein: That David G. Booth be congratulated and recognized as one of Kansas' sons who has typified the spirit that first founded this state and the subsequent generations who have led us "To the Stars with Difficulty."

Be it further resolved: That the Secretary of State shall provide an enrolled copy of this resolution to Representative Reid Petty and to David G. Booth.

There being no objection, the following remarks of Rep. Petty are spread upon the Journal:

The state of Kansas is known for its basketball. Just yesterday, KU, K-State, and Wichita St. were all selected to the NCAA Tournament. On Saturday KU and K-State played for the Big XII Championship. The inventor and father of basketball James Naismith was KU’s first coach. The father of college basketball coaching was Dr. Forrest “Phog” Allen who was KU’s second coach. Dr. Naismith may have invented the game in Springfield, Massachusetts, but the game grew up and evolved right here in Kansas. Today we have a special guest in the House chambers with us who is a native Kansan who has given back to the state in many ways to help make people aware of our history and to provide those here a way to celebrate our state’s accomplishments. David Booth is a Lawrence High School Graduate who received his bachelors and masters degrees from the University of Kansas. He received his MBA from the University of Chicago where he went on to co-found Dimensional Fund Advisors where he serves as their co-CEO.

David and his wife Suzanne Deal Booth were named by Business Week as number 34 of 2008’s 50 Top American Givers. The list recognizes annually the 50 most generous U.S. Philanthropists. They are cited as having donated $309 million between the years 2004-2008. In 2004 the Booth family gave $9 million to the University of Kansas to fund the Booth Family Hall of Athletics attached to Allen Fieldhouse.

In 2010 the Booths purchased Dr. James Naismith's 1891 original 13 rules of basketball for $4.3 million. The purchase kept Duke who wanted them very badly from purchasing them. The purchase price set a world record for sports memorabilia. The purchase of this was featured last October on ESPN's 30 for 30 program "There's No Place Like Home." The Booths plan to donate the original rules to the University of Kansas to display in the near future once KU completes the construction of a special building to display them next to Allen Fieldhouse.

It is an honor on behalf of the House of Representatives to recognize and honor
David Booth for his generosity and all he has given back to the state of Kansas.

The members of the House recognized Mr. Booth with a standing ovation.

EXPLANATION OF VOTE

Mr. Speaker: Tax Increment Financing (TIF) and Community Improvement Districts (CID) are a form of failed economic policy that Kansas should distance itself from. It is time for government to stop picking winners and losers and instead promote economic policies and a lower tax structure that all Kansans can benefit from. TIF and CID are a form of centralized planning that favors a few at the expense of other taxpayers and businesses. These so-called economic tools divert needed money from police, fire, roads, and other core functions of government. I vote NO on HB 2086. – Mark Kahrs, Virgil Peck, Jr., Pete DeGraaf, Amanda Grosserode, Kashia Kelley, Craig McPherson, Josh Powell, Marshall Christmann, Joe Edwards, Randy Garber, Keith Esau, Bill Sutton, Brett Hildabrand, Jim Howell

A restraining order may issue without notice or bond, except as provided in subsection (b) of K.S.A. 60-904, and amendments thereto, but if it appears to the judge that a restraining order may result in damage to the party restrained, a bond to secure payment of any damages sustained may be required. An application for a restraining order shall also be considered as an application for a temporary injunction and either party may give notice of hearing thereon. The order shall remain in force until the hearing on the application for a temporary injunction.

(a) Temporary restraining order; issuing without notice. Except as provided in subsection (b) of K.S.A. 60-904, and amendments thereto, the court may issue a temporary restraining order without notice or bond to the adverse party or its attorney only if:

(1) Specific facts in an affidavit or a verified complaint clearly show that immediate and irreparable injury, loss or damage will result to the movant before the
adverse party can be heard in opposition;

(2) the movant's attorney certifies in writing any efforts made to give notice and the reasons why it should not be required; and

(3) notice of the issuance of a temporary restraining order is provided to the attorney general of the state of Kansas if the adverse party is the state of Kansas or an agency, officer or employee thereof, or to the appropriate city clerk or county clerk if the adverse party is a city or county or an agency, officer or employee thereof.

(b) Contents; expiration. Every temporary restraining order issued without notice must state the date and hour it was issued, describe the injury and state why it is irreparable, state why the order was issued without notice and be promptly filed in the clerk's office and entered in the record. The order expires at the time after entry, not to exceed 14 days, that the court sets, unless before that time the court, for good cause, extends it for a like period or the adverse party consents to a longer extension. The reasons for an extension must be entered in the record.

(c) Expediting the temporary injunction hearing. If the temporary restraining order is issued without notice, the motion for a temporary injunction must be set for hearing at the earliest possible time, taking precedence over all other matters except hearings on older matters of the same character. At the hearing, the party who obtained the order must proceed with the motion, and if the party does not, the court must dissolve the order.

(d) Service. Where a temporary restraining order is issued without notice, it shall be served upon each party restrained in the manner prescribed for personal service of a summons.

(e) Motion to Dissolve. On two days' notice to the party who obtained the temporary restraining order without notice, or on shorter notice set by the court, the adverse party may appear and move to dissolve or modify the order. The court must then hear and decide the motion as promptly as justice requires.

(f) Security. Unless otherwise provided by statute or this section, no temporary restraining order shall operate unless the party obtaining the same shall give an undertaking with one or more sufficient sureties in an amount fixed and approved by the judge of the court, securing to the party injured the damages such injured party may sustain including attorney fees if it be finally determined that the state nor any of its agencies shall be required to give an undertaking with one or more sufficient sureties in order to be granted a temporary restraining order. (4) The procedures to be followed in requesting access to and obtaining copies of the agency's records, including procedures for giving notice of a desire to inspect or obtain copies of records during hours established by the agency pursuant to subsection (c).

Prayer by guest chaplain, Father Loren Werth, retired, St. Thomas More Catholic Church, Manhattan, guest of Rep. Carlin:

This past Sunday we celebrated St. Patrick’s Day. I was asked to bless the Opening of the Keg at the Little Apple Brewery in Manhattan before they began their St. Patrick’s day festivities. Today I am asked to bless the Legislature as they begin their session. I hope that after this blessing the Legislature can solve as many problems as we did at the Brewery on Sunday morning.

Let us Pray,
God our Father, we give you praise and beg your wisdom on these legislators who spend many hours debating on what they believe is right for our State. Not everything is black and white. Consequently, much thought has to be given to many issues. We pray for our legislators and ask God to bless them as they go about their daily tasks reflecting what is right for our State. We are grateful to them for being willing to serve knowing that it is not always an easy task. We appreciate all that is accomplished and we ask God’s blessings upon them. Amen.

The Pledge of Allegiance was led by Rep. Burroughs.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Bradford are spread upon the Journal:

Nathan Butler - Leavenworth High School (Class of 2013) Leavenworth-Lansing Area Chamber of Commerce Junior Citizen of the Year; Three-Time State Wrestling Champion (undefeated 44-0 record this season).
This January, Leavenworth High School senior, Nathan Butler, was recognized by the Leavenworth-Lansing Area Chamber of Commerce as the Junior Citizen of the Year Award. Nathan is heavily involved throughout the community serving as a mentor and coach to youth wrestlers and football players, regularly volunteering his time to community clean-ups and annual events, and also takes time to visit Veterans in Leavenworth's VA Hospital. He is also a visible student leader at Leavenworth High School, involved in a number of activities ranging from National Honor Society to Marching Band to Student Government.

He is fresh off the 5A Kansas State Wrestling Tournament where he won his 3rd consecutive state championship, thus successfully completing an impressive undefeated 44-0 season at 285 lbs. Next year, Nathan will look to build on these accomplishments at the collegiate level at Stanford University.

"Nathan has achieved a high level of sustained academic success with a 4.1 GPA, a 35 on his ACT, and has scored 5's on the World and United States History AP Exams. He has challenged himself with a rigorous academic course load, several extracurricular activities, and leadership organizations. In addition to being a varsity two-sport athlete for football and wrestling, Nathan has also attained leadership positions in Band, National Honor Society, and Student Council.

Nathan has realized remarkable development as an outstanding athlete and leader. Nathan Butler has been a tremendous leader for the Pioneer Wrestling team. He is Leavenworth's only three-time Kansas High school wrestling State Champion, as well as, only the third four-time state placer in school history. Nathan has earned All-American status at several elite level national competitions including: USA Fargo Greco-Roman Nationals, Brute Nationals, USAW Folk-style Nationals, and is the 2012 Fila Cadet Freestyle National Champion. His leadership and personal integrity qualities along with his willingness to spend extra time with new athletes who need encouraging or assistance in developing their wrestling skills have earned him the respect of his coaches and peers along with numerous team awards. As great of a wrestler Nathan is, he is an even better human being and model of character."

PERSONAL PRIVILEGE

There being no objection, the following remarks of Rep. Christmann are spread upon the Journal:

Rep. Christmann:

It is my honor to yield the remainder of my time to Senator Holmes.

Remarks by Senator Mitch Holmes:

What a pleasure to stand here before my friends in the House. I know this is extremely unusual, but the support the Holmes family received from our friends in the House was unusual, and I wanted to have opportunity to formally say thanks. Our daughter, Noelle, is the third of four daughters. She turned 18 just 2 weeks before the 2012 primary election and was thrilled to help me campaign and then vote for her Daddy.
Then on September 20, I got the phone call that every parent dreads...my daughter had been in a serious accident at an intersection known for its deadly accidents. She had not seen a semi approaching before she started to cross the highway. A helicopter was dispatched to take her to Wesley trauma center in Wichita, but we were able to see her for a few minutes at the Stafford hospital as we waited for the helicopter.

As we chased the helicopter to Wichita, I called our church’s prayer chain, but I was trying to think of who I could call to get the word out to all my colleagues. Then it dawned on me...Martin Hawver! Martin sent out a newsflash, and I immediately started getting texts from my friends saying they were praying for Noelle.

When we got to Wesley, Noelle was in a coma. She had suffered what is called Diffuse Axonal Injury, which is a shearing between brain cells caused by rapid acceleration and rotation. The doctors told us that the length of time she spent in a coma would be indicative of the amount of damage her brain had sustained. It might be 2 days, or it could be 2 months; there was no way to know. Noelle lay in a coma for 10 days, then a semi coma for another 4 days before being transferred to Madonna Rehabilitation Hospital in Lincoln, NE. Judging by the length of her coma, the doctors said it would take 12-18 months of therapy. The evaluation at Madonna predicted mid-December to complete in-patient therapy and the remainder in out-patient therapy. At that time, she was in a neck brace, her right arm and leg were non-functioning, and her left side was extremely limited.

To everyone’s surprise, including her doctors and therapists, she made extremely rapid recovery. She was released from in-patient rehabilitation 3 weeks prior to predictions...just in time for Thanksgiving. Her neck brace was gone and she could walk good enough to navigate stairs with help. She could play some of her piano pieces, although very slowly.

She just finished her out-patient therapy last week, which was less than 6 months after the accident...far shorter than the 12-18 months we expected. She will continue to recover, as brain injuries take time to fully heal. But she is able to do things she had previously been able to do with the exception that her right hand doesn’t seem as strong as her left when she’s milking goats.

One thing that stood out to us throughout the whole ordeal was the support and prayers from friends from the statehouse: legislators, staff, the Governor, and lobbyists. Rep. Pete DeGraaf and Sen. Jeff King helped establish a fund to assist with our deductibles, co-pays, and related expenses. We had cards and letters pouring in with support, as well as calls and text messages. Everyone expressed they were praying and we could feel the power of God throughout the ordeal.

Today, I present to you Noelle Holmes...our version of a walking miracle. She’s shy and doesn’t want to come down front. But she and the rest of the Holmes family wish to say thanks to our friends in the House for all the support and prayers you showed us during this difficult time. Thank you. And thank you Mr. Speaker for the privilege of addressing the House again!

PERSONAL PRIVILEGE

There being no objection, the following remarks of Rep. Finney are spread upon the Journal:

Lupus affects 1 in 185 individuals; yet despite its prevalence, lupus remains one of
the least recognizable and most misunderstood diseases in both the medical and lay communities. The most common form is systemic lupus erythematosus, which accounts for nearly 70 percent of cases. It's an autoimmune disease that causes the immune system to attack normal tissue and organs, including the kidneys, heart, lungs and skin.

This major health issue has a significant impact on our state economy, with one in five lupus patients receiving disability. The effects on many families can be devastating, chronic, life long and life threatening. Lupus affects primarily young women in their crucial childbearing years but also men, children and women of all ages and can result in immeasurable physical, financial and emotional toll on many families in our state.

The Lupus Foundation of America, Kansas Chapter is part of a national force devoted to solving the cruel mystery of lupus, one of the world’s cruelest, most unpredictable and devastating diseases, while giving caring support to those who suffer from its brutal impact. Their Lupus Activists are here in the capitol today, many of them wearing the color purple. They will be visiting with different legislators to discuss issues of importance to people living with Lupus in Kansas, and they will be hosting a Mexican buffet lunch catered by Carlos O'Kelley in the first floor rotunda north wing today immediately following adjournment of the House. As a Lupus patient, I am pleased that they are here today and ask each of you to join us for lunch today and welcome them.

(d) The credit allowed by subsection (a) for each qualified business facility employee and for qualified business facility investment shall be a one-time credit. If the amount of the credit allowed under subsection (a) exceeds the tax imposed by the Kansas income tax act on the taxpayer's Kansas taxable income, the premium tax and privilege fees imposed pursuant to K.S.A. 40-252, and amendments thereto, or the privilege tax as measured by the net income of financial institutions imposed pursuant to article 11 of chapter 79 of the Kansas Statutes Annotated, and amendments thereto, for the taxable year, or in the case where the qualified business facility investment was made prior to January 1, 1996, 50% of such tax imposed upon the amount which exceeds such tax liability or such portion thereof may be carried over for credit in the same manner in the succeeding taxable years until the total amount of such credit is used. The credit allowed by this subsection shall be a one-time credit. If the amount thereof exceeds the tax imposed by the Kansas income tax act on the taxpayer's Kansas taxable income or the premium tax or privilege fees imposed pursuant to K.S.A. 40-252, and amendments thereto, or the privilege tax as measured by net income of financial institutions imposed pursuant to article 11 of chapter 79 of the Kansas Statutes Annotated, and amendments thereto, for the taxable year, the amount thereof which exceeds such tax liability may be carried

The following resolution was introduced and read by title:
HOUSE RESOLUTION No. HR 6020—

By Committee on Federal and State Affairs

A RESOLUTION opposing the International Olympic Committee's decision to eliminate wrestling from the Summer Olympic Games beginning in 2020.

WHEREAS, Wrestling is recognized as one of the world's oldest competitive sports dating back to 3000 B.C.; and

WHEREAS, Wrestling was one of the original sports of the ancient Greek Olympic games and of the first modern Olympic games; and

Be it resolved by the House of Representatives of the State of Kansas: That we oppose the decision of the International Olympic Committee to eliminate wrestling from the Summer Olympic Games beginning in 2020; and

INTRODUCTION OF ORIGINAL MOTIONS

Having voted on the prevailing side, pursuant to House Rule 2303, in not passing HB 2086 under that order of business, Final Action on Bills and Concurrent Resolutions, Rep. Schwab moved the House of Representatives reconsider its action on HB 2086. The motion prevailed and the bill was returned to that order of business, Final Action on Bills and Concurrent Resolutions.

FINAL ACTION ON BILLS AND CONCURRENT RESOLUTIONS

HB 2086, AN ACT concerning economic development financing; relating to eligible project costs for tax increment financing and community improvement districts; bond repayment pledge requirements; amending K.S.A. 2012 Supp. 12-6a27, 12-1770a and 12-1774 and repealing the existing sections, was considered on final action.

On roll call, the vote was: Yeas 81; Nays 41; Present but not voting: 0; Absent or not voting: 3.

Yeas: Alford, Ballard, Barker, Becker, Bideau, Boldra, Bollier, Bruchman,
Mr. Speaker: Community Investment Districts, generally a good idea for Kansas, are being misused. They are intended to capture additional sales tax revenue from transient travelers, not to further tax already overburdened Kansans who live near them. In Shawnee, a CID for a strip mall requires nearby poor or middle class residents regularly to pay an additional one-half cent sales tax for their groceries and other necessities to bail out the developer’s maintenance costs. Now, this bill will maintain nearby streets on their backs as well. That is wrong. I vote NO on HB 2086. – JOHN RUBIN, CHARLES MACHEERS

MOTIONS TO CONCUR AND NONCONCUR

On motion of Rep. Kleeb, the House concurred in Senate amendments to S Sub for HB 2022, AN ACT concerning employees; relating to certain employee organizations; political activities; certain deductions from wages; amending K.S.A. 75-4333 and K.S.A. 2012 Supp. 44-319 and repealing the existing sections.

(The House requested the Senate to return the bill, which was in conference).

Prayer by Chaplain Brubaker:

Lord, God,
A basketball coach once said,
“my responsibility is getting all my players playing
for the name on the front of the jersey,
not the one on the back.”
A basketball player once said,
“sometimes a player’s greatest challenge
is coming to grips with his role on the team.”
Lord, these leaders are a team—
help each one to understand his/her role on the team,
and to fulfill that role to the best of their ability.
And always remind them that they make decisions
for all the people of this great state.
In Christ’s name I pray, Amen.

HOUSE RESOLUTION No. HR 6021—

By Representative Ryckman Sr.

A RESOLUTION designating the month of April as "Parkinson's Awareness Month."

WHEREAS, Parkinson's disease is the second most common neurodegenerative disease in the United States, second only to Alzheimer's disease; and

WHEREAS, Even though there is inadequate comprehensive data on the incidence and prevalence of Parkinson's disease, as of 2010, it is estimated that the disease affects over 1,000,000 people in the United States; and

WHEREAS, Although research suggests the cause of Parkinson's disease is a combination of genetic and environmental factors, the exact cause and progression of the disease is still unknown; and

WHEREAS, There is no objective test for Parkinson's disease and the rate of misdiagnosis can be high; and

WHEREAS, Symptoms of Parkinson's disease vary from person to person and include tremor, slowness, difficulty with balance, swallowing, chewing, and speaking, rigidity, cognitive problems, dementia, mood disorders, such as depression and anxiety, constipation, skin problems and sleep disruptions; and

WHEREAS, Medications mask some symptoms of Parkinson's disease for a limited amount of time each day, often with dose-limiting side-effects; and

WHEREAS, Ultimately the medications and treatments lose their effectiveness, generally after four to eight years, leaving the person unable to move, speak or swallow; and

WHEREAS, There is no cure, therapy, or drug to slow or halt the progression of Parkinson's disease; and

WHEREAS, Increased education and research are needed to help find more effective treatments with fewer side effects and, ultimately, an effective treatment or cure for Parkinson's disease; and

WHEREAS, The federal government, through the National Institutes of Health, the Department of Defense Neurotoxin Exposure Treatment Parkinson's Research Program, the Veterans Affairs Parkinson's Disease Research, Education and Clinical Centers, and other agencies, supports vital work to better understand Parkinson's disease and to find new treatments:

Now, therefore,

Be it resolved by the House of Representatives of the State of Kansas: That we designate the month of April as "Parkinson's Awareness Month." We will continue to support research to find better treatments, and eventually, a cure for Parkinson's disease; and

Be it further resolved: That the Chief Clerk of the House of Representatives be directed to provide 15 copies of this resolution to Representative Ryckman Sr.

On emergency motion of Rep. Carlin, HR 6022, as follows, by Reps. Moxley, Meier, Carlin, Carlson and Finney, was introduced and adopted.
HOUSE RESOLUTION No. HR 6022—

A RESOLUTION recognizing the many contributions made by citizens of the Republic of Azerbaijan and that it is in the best interest of the State of Kansas to promote relationships with the Azerbaijani people.

WHEREAS, The Republic of Azerbaijan and the United States of America are long-standing allies, both dearly cherishing the universal values of freedom, democracy and human rights; and

WHEREAS, The State of Kansas and the Republic of Azerbaijan enjoy a strong, vibrant and mutually beneficial economic relationship with the prospect of further growth; and

WHEREAS, It is the custom of the State of Kansas to welcome all who come to our state, especially those who come in the interest of friendship and commerce; and

WHEREAS, It is the policy of the Kansas House of Representatives to recognize the contributions of our allies and the value of maintaining beneficial relationships with the allies of the United States of America, including the contributions made by the Republic of Azerbaijan and the value of our positive relationship with this ally: Now, therefore,

Be it resolved by the House of Representatives of the State of Kansas: That we recognize the many contributions made by the citizens of the Republic of Azerbaijan and that it is in the best interest of the State of Kansas to promote relationships with Azerbaijan.

Be it further resolved: That the Chief Clerk of the House of Representatives provide an enrolled copy of this resolution to the United States Speaker of the House of Representatives, the President of the United States Senate, the Secretary of State of the United States Department of State, the Kansas Congressional Delegation and Richard L. Morningstar, the United States Ambassador to the Republic of Azerbaijan.

There being no objection, the following remarks of Rep. Carlin are spread upon the Journal:

When the Soviet Union collapsed 21 years ago, Azerbaijan became an independent country and is an ally of the United States. Azerbaijan means “Land of Fire”—when they drill for water they get oil. You can see gas flaming out of the ground and pits of tar from the oil.

Two hundred legislators from all over the U.S. traveled to Baku and out into the countryside, some toward a very small, remote 350 year old village where we saw High School students being taught by Peace Corps volunteers from the United States. These business owners want to help Azerbaijan to build a stronger trade relationship with the United States and Western World, with an emphasis on non-oil sector development, improving the business climate, development of social infrastructure and human capital and the successful integration into the world economy.

EXPLANATIONS OF VOTE

Mr. Speaker: Major employers in my district need KDOT projects and construction to keep people working. Taking funds promised to KDOT is not what voters in my district want. They want KDOT funds to stay put and promises to be kept. I cannot support cuts for community colleges in my district that help people get back to work with training and education, when so many need that help. I vote no and hope that the final budget will restore these cuts. I vote no on Sub HB 2231. – Ed Bideau

Mr. Speaker: The House budget plan funds core state services while reducing the overall tax burden on Kansas taxpayers. This was accomplished through several global amendments aimed at creating an efficient state government rather then relying upon across-the-board cuts. The plan brings approximately $200 million in savings back into the state budget. The House budget allows the state sales tax to sunset and maintains enough flexibility within the upcoming tax plan to fund transportation projects. For that reason, I vote Yes on Sub HB 2231. – Randy Garber, Willie Dove, John E. Barker, Josh Powell, Sue Boldra, Will Carpenter, Kevin Jones, Jack Thimesch, Kyle Hoffman, Susan L. Concannon, Bill Sutton, Mike Houser.

Prayer by guest chaplain, the Rev. Nathan Miller, campus pastor, Christ Community Church, Olathe, and guest of Rep. Esau:

Gracious Father,
I thank You for these women and men and their desire to lead, and the ways You have gifted and called each one of them to serve You in this place. Thank You for our nation, for Kansas, and for the individual communities we call home. God, I believe You have brought these leaders here for our good and for Your glory. Help them serve You above all else, and to seek to bring about the common good for all people. Give them integrity and wisdom and unity and joy in the work they do, that as a people we may flourish.

Help us follow Your example: that we would do nothing out of selfish ambition or vain conceit. Rather, in humility that we would value others above ourselves, not merely looking out for our own interests but for the interests of others. And forgive us for our many shortcomings. Father, I ask these things of You not for my own benefit, but for the glory of Your Son Jesus, in whom I trust. Amen.

The Pledge of Allegiance was led by Rep. Menghini.

MOTIONS AND RESOLUTIONS OFFERED ON A PREVIOUS DAY

On motion of Rep. Schwartz, HR 6023, A RESOLUTION congratulating the U.S. 36 Highway Association on its 100th anniversary, was adopted.

There being no objection, the following remarks of Reps. Schwartz and Waymaster are spread upon the Journal:

Remarks by Rep. Schwartz:

This day, March 21st, marks the 100th anniversary of the US 36 Highway Association. It is important to note that only a handful of highway associations are still in existence in this day and time. The secret to this organization's success is due to its strong beginning a century ago and now with the current membership of 500 strong across Kansas and the country. Today, roads, highways and freeways are developed and maintained through state and federal funding. But that was not so in 1913. Rural movers and shakers of the time including auto-club enthusiasts, businessmen and railroad representatives from the thirteen northern tier counties met in Belleville to band together. They elected their first president, Dr. C. W. Coale of Norton, Vice President C. F. Travelute of Marysville and secretary treasurer A.Q. Miller of Belleville. For years, these men and many others followed steadfast to the dream of roadways and infrastructure across a developing continent. They dedicated hard work, raised cash and made long journeys to attend meetings, often sacrificing family time and personal earnings. Kansas Governor George H. Hodges and a few members of the newly formed association took a two car convoy and mapped the route across Kansas where they were welcomed into towns with ceremonies and gatherings. World War I did slow the progress but did not deter the grand scope of this vision and the association members during that time who were known as road-boosters.
Remarks by Rep. Waymaster:

While the first 40 years were focused on road direction and good road conditions across Kansas, the past 60 years the US 36 Highway Association has continued to work with Kansas Department of transportation on the maintenance of the highway and promoting commerce and tourism. This 392-mile two-lane highway stretches border to border and includes three senate districts and six house districts. From Indianapolis to Denver and Estes Park, Colorado, members hold a common objective in promoting travel on US 36. They seek general improvement of the highway, promotion of the economic well-being of the communities and enterprises along its route. Road boosters, auto clubs, business men and entrepreneurs with visions for an infrastructure benefiting commerce and tourism lead the charge. The founders of the US 36 Highway Association recognized that the course of civilization is correlated to the routes of commerce and transportation. The current members' objectives of advancement of business, agriculture, tourism, and commercial interests of the cities and counties along US 36 is an ongoing process of hard work and dedication. In promotion of better roads—and because of our Midway USA location—US 36 provides one of the nation's finest highways and becomes the central point of progress for the communities along Highway 36.

Adding a boost in tourism for the state and region, the Treasure Hunt was launched in 2006. This now yearly event continues to grow and attract state, national and international attention. Towns along the route organize their activities with the shopping theme of huge garage and antique sales. Thousands of people travel along 36 Highway looking for bargains and spending dollars in a fun form of economic development along this further most northern US highway in Kansas. The third weekend in September is reserved for this unique activity. The forward-thinking Association's vision for US 36 is for a four-lane freeway or expressway from Indianapolis to Belleville, Kansas, and a high-standard two-lane (Super Two) highway west through Kansas and Colorado to Denver. Commerce should not be constricted by narrow shoulders, inadequate bridges, low speed limits or any other factor which would tend to discourage through traffic. US 36, as a major east-west highway and the shortest route between Indianapolis and Denver, should be part of the National Highway System for its entire length. The motto on the US 36 Highway Association's website is appropriate for the state—Discover Kansas' Best—from East to West.

Additional remarks by Rep. Schwartz:

It is my pleasure to introduce the US 36 Highway Association members who are with us to the Kansas House: President Chad Kramer and Directors Christiane Cole and Jeff Hofaker. We wish you another 100 years and more of continued success in your endeavor of enhancing the economic growth and safe traveling along the most northern major west/east trafficway across Kansas.

**EXPLANATIONS OF VOTE**

**Mr. Speaker:** I vote yes for **HB 2047**. The relationship in this bill should be focused on our constituents, not local governments.

Local governments have mechanisms to fund services and spending. There are no shortages of tax payer funded and private sector funded lobbyists that promote their own spending interests and/or their ideologies. However, no one is here to represent the interest of the tax payers except us, the representatives of the people.

On their behalf I am a “yes.” This bill is about representing the constituents….our boss, the tax payer and providing them with a little more light on this subject. – **STEVEN R. BRUNK**

**Mr. Speaker:** **HB 2047**, as amended, will increase transparency by requiring local government to hold a vote in order to increase property taxes. Governments will still be free to raise ad valorem revenue as long as they approve it in a separate vote outside of the budget vote. It’s important for homeowners to know that when they open their property tax bill to a higher amount than the previous year, it’s because elected officials voted to do so. This bill will keep property taxes from trending ever upward. For this reason, I vote YES on **HB 2047**. – **WILL CARPENTER, KEVIN JONES, KYLE D. HOFFMAN, BILL SUTTON, RANDY GARBER, SUSAN CONCANNON, JACK THIMESCH, JOE SEIWERT, MARTY READ, J. R. CLAEYS, WILLIE DOVE, TRAVIS Couture-Lovelady, JOHN E. BARKER, ED BIDEAU, JOSH POWELL, MARK HUTTON, CHARLES MACHEERS, JOHN RUBIN, JOHN BRADFORD, SUE BOLDRA**
H Sub for SB 83, AN ACT concerning taxation; relating to delinquent tax liabilities; service fees, remittance; income tax deductions and modifications; severance tax; sales tax; amending K.S.A. 79-32,109 and K.S.A. 2012 Supp. 75-5162, 79-32,117, 79-32,118, 79-32,266, 79-3620 and 79-4217 and repealing the existing sections; also repealing K.S.A. 79-3632 and K.S.A. 2012 Supp. 79-32,117n and 79-3639a, was considered on final action.

On roll call, the vote was: Yeas 96; Nays 25; Present but not voting: 0; Absent or not voting: 4.

Present but not voting: None.

Absent or not voting: Frownfelter, Osterman, Peterson, Sawyer.

The substitute bill passed.

H Sub for SB 84, AN ACT concerning taxation; relating to income tax rates, adjustment, procedure and requirements; income tax deductions; amending K.S.A. 2012 Supp. 79-32,110 and 79-32,120 and repealing the existing sections, was considered on final action.

On roll call, the vote was: Yeas 82; Nays 39; Present but not voting: 0; Absent or not voting: 4.

Present but not voting: None.

Absent or not voting: Frownfelter, Osterman, Peterson, Sawyer.
Mr. Speaker: This bill is a classic tax shift. It raises taxes by almost $400 million in order to fund tax cuts that primarily benefit the wealthiest Kansans. The massive tax cut passed by this body last year gives an average cut of almost $10,000 to people who make over $250,000 a year, while people who make less than $25,000 a year actually experience a tax increase. This bill helps fund our Robin Hood in reverse tax policy. We vote no on H Sub for SB 84. – Patricia M. Sloop, Gail Finney, Harold Lane, John Alcala, Virgil Weigel, Annie Kuether, Roderick Houston, Carolyn L. Bridges

Mr. Speaker: We vote NO on H Sub for SB 84. This bill represents a $392 million tax increase over the next 5 years on hardworking Kansas taxpayers. Now is not the time to increase taxes on the middle class, the very people who have borne the brunt of this recession, in order to fund more tax breaks for the wealthy and corporations. – Paul Davis, Barbara Ballard, Julie Menghini, Tom Burroughs, Brandon Whipple, Broderick Henderson, John Wilson, Valdenia Winn, Nancy Lusk, Sydney Carlin, Annie Tietze, Ed Trimmer

Mr. Speaker: Let’s see…this bill is a $392 million tax increase on the middle class and low income Kansans. It reduces taxes for the upper 10% but raises taxes on the poorest among us. It robs from the poor to give to the rich. It fails to solve the long-term deficit problems created by last year’s tax cuts for the wealthy and big corporations. Mr. Speaker, I don’t think so. I vote no on H Sub for SB 84. – Bob Grant

Mr. Speaker: I greatly appreciate restored funding to KDOT which will benefit our largest employers in the 9th District. I still have very strong concerns about cuts to our two community colleges that provide hope and retraining to those out of work. Due to the restoration of funding for KDOT I am voting for the bill, knowing that there will be further negotiations and conference committee reports to come. My support of the final product will depend on the impact on KDOT, our employers and schools in our district. I vote yes on H Sub for SB 84. – Ed Bideau

Mr. Speaker: H Sub for SB 84, as amended, builds on the income tax reductions passed last year and ensures continued tax cuts for all Kansans. The tax plan lowers the state sales tax and includes provisions for lowering the income tax dependent on state revenue growth. I’m especially pleased that poor workers will receive a larger share of the income tax reduction. The tax plan also fully funds T-Works and the state highway system while leaving a $390 million ending balance in FY2014. For this reason, I vote yes on H Sub for SB 84. – J. David Crum, Richard Carlson, Willie Dove, Joe Edwards, Shanti Gandhi, John Bradford, Dennis Hedke, Richard J. Proehl, Pete DeGraaf, Marc Rhoades

Sec. 5. K.S.A. 44-510j is hereby amended to read as follows: 44-510j. When an employer's insurance carrier or a self-insured employer disputes all or a portion of a bill
for services rendered for the care and treatment of an employee under this act, the following procedures apply:

(a) (1) The employer or carrier shall notify the service provider within 30 days of receipt of the bill of the specific reason for refusing payment or adjusting the bill. Such notice shall inform the service provider that additional information may be submitted with the bill and reconsideration of the bill may be requested. The provider shall send any request for reconsideration within 30 days of receiving written notice of the bill dispute. If the employer or carrier continues to dispute all or a portion of the bill after receiving additional information from the provider, the employer, carrier or provider may apply for an informal hearing before the director.

(2) If a provider sends a bill to such employer or carrier and receives no response within 30 days as allowed in subsection (a) and if a provider sends a second bill and receives no response within 60 days of the date the provider sent the first bill, the provider may apply for an informal hearing before the director.

(3) Payments shall not be delayed beyond 60 days for any amounts not in dispute. Acceptance by any provider of a payment amount which is less than the full amount charged for the services shall not affect the right to have a review of the claim for the outstanding or remaining amounts.

(b) The application for informal hearing shall include copies of the disputed bills, all correspondence concerning the bills and any additional written information the party deems appropriate. When anyone applies for an informal hearing before the director, copies of the application shall be sent to all parties to the dispute and the employee. Within 20 days of receiving the application for informal hearing, the other parties to the dispute shall send any additional written information deemed relevant to the dispute to the director.

(c) The director or the director's designee shall hold the informal hearing to hear and determine all disputes as to such bills and interest due thereon. Evidence in the informal hearing shall be limited to the written submissions of the parties. The informal hearing may be held by electronic means. Any employer, carrier or provider may personally appear in or be represented at the hearing. If the parties are unable to reach a settlement regarding the dispute, the officer hearing the dispute shall enter an order so stating.

(d) After the entry of the order indicating that the parties have not settled the dispute after the informal hearing, the director shall schedule a formal hearing.

(1) Prior to the date of the formal hearing, the director may conduct a utilization review concerning the disputed bill. The director shall develop and implement, or contract with a qualified entity to develop and implement, utilization review procedures relating to the services rendered by providers and facilities, which services are paid for in whole or in part pursuant to the workers compensation act. The director may contract with one or more private foundations or organizations to provide utilization review of service providers pursuant to the workers compensation act. Such utilization review shall result in a report to the director indicating whether a provider improperly utilized or otherwise rendered or ordered unjustified treatment or services or that the fees for such treatment or services were excessive and a statement of the basis for the report's conclusions. After receiving the utilization review report, the director also may order a peer review. A copy of such reports shall be provided to all parties to the dispute at least 20 days prior to the formal hearing. No person shall be subject to civil liability for libel,
slander or any other relevant tort cause of action by virtue of performing a peer or utilization review under contract with the director.

(2) The formal hearing shall be conducted by hearing officers, the medical administrator or both as appointed by the director. During the formal hearing parties to the dispute shall have the right to appear or be represented and may produce witnesses, including expert witnesses, and such other relevant evidence as may be otherwise allowed under the workers compensation act. If the director finds that a provider or facility has made excessive charges or provided or ordered unjustified treatment, services, hospitalization or visits, the provider or facility may, subject to the director's order, receive payment pursuant to this section from the carrier, employer or employee for the excessive fees or unjustified treatment, services, hospitalization or visits and such provider may be ordered to repay any fees or charges collected therefor. If it is determined after the formal hearing that a provider improperly utilized or otherwise rendered or ordered unjustified treatment or services or that the fees for such treatment or services were excessive, the director may provide a report to the licensing board of the service provider with full documentation of any such determination, except that no such report shall be provided until after judicial review if the order is appealed. Any decision rendered under this section may be reviewed by the workers compensation appeals board. A party must file a notice of appeal within 10 days of the issuance of any decision under this section. The record on appeal shall be limited only to the evidence presented to the hearing officer. The decision of the director shall be affirmed unless the board determines that the decision was not supported by substantial competent evidence.

(e) By accepting payment pursuant to this section for treatment or services rendered to an injured employee, the provider shall be deemed to consent to submitting all necessary records to substantiate the nature and necessity of the service or charge and other information concerning such treatment to utilization review under this section. Such health care provider shall comply with any decision of the director pursuant to this section.

(f) Except as provided in K.S.A. 60-437 and amendments thereto, and this section, findings and records which relate to utilization and peer review conducted pursuant to this section shall be privileged and shall not be subject to discovery, subpoena or other means of legal compulsion for release to any person or entity and shall not be admissible in evidence in any judicial or administrative proceeding, except those proceedings authorized pursuant to this section. In any proceedings where there is an application by an employee, employer, insurance carrier or the workers compensation fund for a hearing pursuant to K.S.A. 44-534a, and amendments thereto, for a change of medical benefits which has been filed after a health care provider, employer, insurance carrier or the workers compensation fund has made application to the medical services section of the division for the resolution of a dispute or matter pursuant to the provisions of this section, all reports, information, statements, memoranda, proceedings, findings and records which relate to utilization and peer review including the records of contract reviewers and findings and records of the medical services section of the division shall be admissible at the hearing before the administrative law judge on the issue of the medical benefits to which an employee is entitled.

(g) A provider may not improperly overcharge or charge for services which were not provided for the purpose of obtaining additional payment. Any dispute regarding
such actions shall be resolved in the same manner as other bill disputes as provided by this section. Any violation of the provisions of this section or K.S.A. 44-510i, and amendments thereto, which is willful or which demonstrates a pattern of improperly charging or overcharging for services rendered pursuant to this act constitutes grounds for the director to impose a civil fine not to exceed $5,000. Any civil fine imposed under this section shall be subject to review by the board. All moneys received for civil fines imposed under this section shall be deposited in the state treasury to the credit of the workers compensation fund.

(h) Any health care provider, nurse, physical therapist, any entity providing medical, physical or vocational rehabilitation services or providing reeducation or training pursuant to K.S.A. 44-510g, and amendments thereto, medical supply establishment, surgical supply establishment, ambulance service or hospital which accept the terms of the workers compensation act by providing services or material thereunder shall be bound by the fees approved by the director and no injured employee or dependent of a deceased employee shall be liable for any charges above the amounts approved by the director. If the employer has knowledge of the injury and refuses or neglects to reasonably provide the services of a health care provider required by this act, the employee may provide the same for such employee, and the employer shall be liable for such expenses subject to the regulations adopted by the director. No action shall be filed in any court by a health care provider or other provider of services under this act for the payment of an amount for medical services or materials provided under the workers compensation act and no other action to obtain or attempt to obtain or collect such payment shall be taken by a health care provider or other provider of services under this act, including employing any collection service, until after final adjudication of any claim for compensation for which an application for hearing is filed with the director under K.S.A. 44-534, and amendments thereto. In the case of any such action filed in a court prior to the date an application is filed under K.S.A. 44-534, and amendments thereto, no judgment may be entered in any such cause and the action shall be stayed until after the final adjudication of the claim. In the case of an action stayed hereunder, any award of compensation shall require any amounts payable for medical services or materials to be paid directly to the provider thereof plus an amount of interest at the rate provided by statute for judgments. No period of time under any statute of limitation, which applies to a cause of action barred under this subsection, shall commence or continue to run until final adjudication of the claim under the workers compensation act.

(i) As used in this section, unless the context or the specific provisions clearly require otherwise, "carrier" means a self-insured employer, an insurance company or a qualified group-funded workers compensation pool and "provider" means any health care provider, vocational rehabilitation service provider or any facility providing health care services or vocational rehabilitation services, or both, including any hospital.

(a) Each year, the state board of education shall determine the amount of state aid for the provision of special education and related services each school district shall receive for the ensuing school year. The amount of such state aid shall be computed by the state board as provided in this section. The state board shall:

(1) Determine the total amount of general fund and local option operating budgets of all school districts;
(2) subtract from the amount determined in paragraph (1) the total amount attributable to assignment of transportation weighting, program weighting, special education weighting and at-risk pupil weighting to enrollment of all school districts;
(3) divide the remainder obtained in paragraph (2) by the total number of full-time equivalent pupils enrolled in all school districts on September 20;
(4) determine the total full-time equivalent enrollment of exceptional children receiving special education and related services provided by all school districts;
(5) multiply the amount of the quotient obtained in paragraph (3) by the full-time equivalent enrollment determined in paragraph (4);
(6) determine the amount of federal funds received by all school districts for the provision of special education and related services;
(7) determine the amount of revenue received by all school districts rendered under contracts with the state institutions for the provisions of special education and related services by the state institution;
(8) add the amounts determined under paragraphs (6) and (7) to the amount of the product obtained under paragraph (5);
(9) determine the total amount of expenditures of all school districts for the provision of special education and related services;
(10) subtract the amount of the sum obtained under paragraph (8) from the amount determined under paragraph (9); and
(11) multiply the remainder obtained under paragraph (10) by 92%.
The computed amount is the amount of state aid for the provision of special education and related services aid a school district is entitled to receive for the ensuing school year.
(b) Each school district shall be entitled to receive:
(1) Reimbursement for actual travel allowances paid to special teachers at not to exceed the rate specified under K.S.A. 75-3203, and amendments thereto, for each mile actually traveled during the school year in connection with duties in providing special education or related services for exceptional children; such reimbursement shall be
computed by the state board by ascertaining the actual travel allowances paid to special teachers by the school district for the school year and shall be in an amount equal to 80% of such actual travel allowances;

(2) reimbursement in an amount equal to 80% of the actual travel expenses incurred for providing transportation for exceptional children to special education or related services; such reimbursement shall not be paid if such child has been counted in determining the transportation weighting of the district under the provisions of the school district finance and quality performance act;

(3) reimbursement in an amount equal to 80% of the actual expenses incurred for the maintenance of an exceptional child at some place other than the residence of such child for the purpose of providing special education or related services; such reimbursement shall not exceed $600 per exceptional child per school year; and

(4) (A) except for those school districts entitled to receive reimbursement under subsection (c) or (d), after subtracting the amounts of reimbursement under paragraphs (1), (2) and (3) of this subsection (a) from the total amount appropriated for special education and related services under this act, an amount which bears the same proportion to the remaining amount appropriated as the number of full-time equivalent special teachers who are qualified to provide special education or related services to exceptional children and who are employed by the school district for approved special education or related services bears to the total number of such qualified full-time equivalent special teachers employed by all school districts for approved special education or related services.

(B) Each special teacher who is qualified to assist in the provision of special education or related services to exceptional children shall be counted as $\frac{2}{5}$ full-time equivalent special teacher who is qualified to provide special education or related services to exceptional children.

(C) For purposes of this paragraph (4), a special teacher, qualified to assist in the provision of special education and related services to exceptional children, who assists in providing special education and related services to exceptional children at either the state school for the blind or the state school for the deaf and whose services are paid for by a school district pursuant to K.S.A. 76-1006 or 76-1102, and amendments thereto, shall be considered a special teacher of such school district.

(c) Each school district which has paid amounts for the provision of special education and related services under an interlocal agreement shall be entitled to receive reimbursement under subsection (b)(4). The amount of such reimbursement for the district shall be the amount which bears the same relation to the aggregate amount available for reimbursement for the provision of special education and related services under the interlocal agreement, as the amount paid by such district in the current school year for provision of such special education and related services bears to the aggregate of all amounts paid by all school districts in the current school year who have entered into such interlocal agreement for provision of such special education and related services.

(d) Each contracting school district which has paid amounts for the provision of special education and related services as a member of a cooperative shall be entitled to receive reimbursement under subsection (b)(4). The amount of such reimbursement for the district shall be the amount which bears the same relation to the aggregate amount available for reimbursement for the provision of special education and related services
by the cooperative, as the amount paid by such district in the current school year for provision of such special education and related services bears to the aggregate of all amounts paid by all contracting school districts in the current school year by such cooperative for provision of such special education and related services.

(c) No time spent by a special teacher in connection with duties performed under a contract entered into by the Kansas juvenile correctional complex, the Atchison juvenile correctional facility, the Larned juvenile correctional facility, or the Topeka juvenile correctional facility and a school district for the provision of special education services by such state institution shall be counted in making computations under this section.

(3) Amounts in the supplemental general fund may not be expended for the purpose of making payments under any lease-purchase agreement involving the acquisition of land or buildings which is entered into pursuant to the provisions of K.S.A. 72-8225, and amendments thereto.

(4) (A) Except as provided in paragraph (B), any unexpended budget moneys remaining in the supplemental general fund of a district at the conclusion of any school year in which a local operating budget is adopted shall be maintained in such fund.

(B) If the district received supplemental general state aid in the school year, the state board shall determine the ratio of the amount of supplemental general state aid received to the amount of the local operating budget of the district for the school year and multiply the total amount of the unexpended budget remaining by such ratio. An amount equal to the amount of the product shall be transferred to the general fund of the district or remitted to the state treasurer. Upon receipt of any such remittance, the state treasurer shall deposit the same in the state treasury to the credit of the state school district finance fund.

amendments thereto, shall be expended for bilingual education programs in the district; and

(ii) the remainder of such moneys, if any, shall be expended for general operating expenses.

(B) For the purposes of determining the total amount of state moneys paid to school districts, all moneys transferred under this paragraph shall be deemed to be state moneys for educational and support services for school districts.

(C) This paragraph shall expire on June 30, 2015.

(k) Each year the state board of education shall determine the statewide average percentage of local option operating budgets legally adopted by school districts for the preceding school year.

(l) For the purposes of this section, the term "local operating budget" means "local option budget" as that term was used prior to the amendment of this section by this act.

The provisions of this section shall be subject to the provisions of K.S.A. 2012 Supp. 72-6433d, and amendments thereto.

Sec. 7. K.S.A. 2012 Supp. 72-6433d is hereby amended to read as follows: 72-6433d.

(a) In each school year, each district that has adopted a local option operating budget is eligible for entitlement to an amount of supplemental general state aid. Except as provided by K.S.A. 2012 Supp. 72-6434b, and amendments thereto, entitlement of a district to supplemental general state aid shall be determined by the state board as provided in this subsection. The state board shall:

1. Determine the amount of the assessed valuation per pupil in the preceding school year of each district in the state;
2. rank the districts from low to high on the basis of the amounts of assessed valuation per pupil determined under (1);
3. identify the amount of the assessed valuation per pupil located at the 81.2 percentile of the amounts ranked under (2);
4. divide the assessed valuation per pupil of the district in the preceding school
year by the amount identified under (3);

(5) subtract the ratio obtained under (4) from 1.0. If the resulting ratio equals or exceeds 1.0, the eligibility of the district for entitlement to supplemental general state aid shall lapse. If the resulting ratio is less than 1.0, the district is entitled to receive supplemental general state aid in an amount which shall be determined by the state board by multiplying the amount of the local\-option\-operating\-budget of the district by such ratio. The product is the amount of supplemental general state aid the district is entitled to receive for the school year.

(b) If the amount of appropriations for supplemental general state aid is less than the amount each district is entitled to receive for the school year, the state board shall prorate the amount appropriated among the districts in proportion to the amount each district is entitled to receive.

(c) The state board shall prescribe the dates upon which the distribution of payments of supplemental general state aid to school districts shall be due. Payments of supplemental general state aid shall be distributed to districts on the dates prescribed by the state board. The state board shall certify to the director of accounts and reports the amount due each district, and the director of accounts and reports shall draw a warrant on the state treasurer payable to the treasurer of the district. Upon receipt of the warrant, the treasurer of the district shall credit the amount thereof to the supplemental general fund of the district to be used for the purposes of such fund.

(d) If any amount of supplemental general state aid that is due to be paid during the month of June of a school year pursuant to the other provisions of this section is not paid on or before June 30 of such school year, then such payment shall be paid on or after the ensuing July 1, as soon as moneys are available therefor. Any payment of supplemental general state aid that is due to be paid during the month of June of a school year and that is paid to school districts on or after the ensuing July 1 shall be recorded and accounted for by school districts as a receipt for the school year ending on the preceding June 30.

(e) (1) Except as provided by paragraph (2), moneys received as supplemental general state aid shall be used to meet the requirements under the school performance accreditation system adopted by the state board, to provide programs and services required by law and to improve student performance.

(2) Amounts of supplemental general state aid attributable to any percentage over 25% of state financial aid determined for the current school year may be transferred to the capital improvements fund of the district and the capital outlay fund of the district if such transfers are specified in the resolution authorizing the adoption of a local\-option\-operating\-budget in excess of 25%.

(f) For the purposes of determining the total amount of state moneys paid to school districts, all moneys appropriated as supplemental general state aid shall be deemed to be state moneys for educational and support services for school districts.

Sec. 9. K.S.A. 2012 Supp. 72-6435 is hereby amended to read as follows: 72-6435. (a) In each school year, the board of every district that has adopted a local\-option\-budget may shall levy an ad valorem tax on the taxable tangible property of the district for the purpose of: (1) Financing that portion of the district's local\-option\-operating\-budget which is not financed from any other source provided by law; (2) paying a portion of the principal and interest on bonds issued by cities under authority of K.S.A. 12-1774, and amendments thereto, for the financing of redevelopment projects upon property
located within the district; and (3) funding transfers to the capital improvement fund of the district and the capital outlay fund of the district if such transfers are specified in the resolution authorizing the adoption of a local option operating budget in excess of 25% of state financial aid determined for the current school year.

(b) The proceeds from the tax levied by a district under authority of this section, except the proceeds of such tax levied for the purpose of paying a portion of the principal and interest on bonds issued by cities under authority of K.S.A. 12-1774, and amendments thereto, for the financing of redevelopment projects upon property located within the district, shall be deposited in the supplemental general fund of the district.

(c) No district shall proceed under K.S.A. 79-1964, 79-1964a or 79-1964b, and amendments to such sections.

Sec. 10. K.S.A. 2012 Supp. 72-6441 is hereby amended to read as follows: 72-6441. (a) (1) The board of any district to which the provisions of this subsection apply may levy an ad valorem tax on the taxable tangible property of the district each year for a period of time not to exceed two years in an amount not to exceed the amount authorized by the state court of tax appeals under this subsection for the purpose of financing the costs incurred by the state that are directly attributable to assignment of ancillary school facilities weighting to enrollment of the district. The state court of tax appeals may authorize the district to make a levy which will produce an amount that is not greater than the difference between the amount of costs directly attributable to commencing operation of one or more new school facilities and the amount that is financed from any other source provided by law for such purpose, including any amount attributable to assignment of school facilities weighting to enrollment of the district for each school year in which the district is eligible for such weighting. If the district is not eligible, or will be ineligible, for school facilities weighting in any one or more years during the two-year period for which the district is authorized to levy a tax under this subsection, the state court of tax appeals may authorize the district to make a levy, in such year or years of ineligibility, which will produce an amount that is not greater than the actual amount of costs attributable to commencing operation of the facility or facilities.

(2) The state court of tax appeals shall certify to the state board of education the amount authorized to be produced by the levy of a tax under subsection (a).

(3) The state court of tax appeals may adopt rules and regulations necessary to effectuate the provisions of this subsection, including rules and regulations relating to the evidence required in support of a district's claim that the costs attributable to commencing operation of one or more new school facilities are in excess of the amount that is financed from any other source provided by law for such purpose.

(4) The provisions of this subsection apply to any district that: (A) Commenced operation of one or more new school facilities in the school year preceding the current school year or has commenced or will commence operation of one or more new school facilities in the current school year or any or all of the foregoing; (B) is authorized to adopt and has adopted a local option operating budget which is at least equal to that amount required to qualify for school facilities weighting under K.S.A. 2012 Supp. 72-6415b, and amendments thereto; and (C) is experiencing extraordinary enrollment growth as determined by the state board of education.

(b) The board of any district that has levied an ad valorem tax on the taxable tangible property of the district each year for a period of two years under authority of
subsection (a) may continue to levy such tax under authority of this subsection each year for an additional period of time not to exceed three years in an amount not to exceed the amount computed by the state board of education as provided in this subsection if the board of the district determines that the costs attributable to commencing operation of one or more new school facilities are significantly greater than the costs attributable to the operation of other school facilities in the district. The tax authorized under this subsection may be levied at a rate which will produce an amount that is not greater than the amount computed by the state board of education as provided in this subsection. In computing such amount, the state board shall: (1) Determine the amount produced by the tax levied by the district under authority of subsection (a) in the second year for which such tax was levied and add to such amount the amount of general state aid directly attributable to school facilities weighting that was received by the district in the same year; (2) compute 75% of the amount of the sum obtained under (1), which computed amount is the amount the district may levy in the first year of the three-year period for which the district may levy a tax under authority of this subsection; (3) compute 50% of the amount of the sum obtained under (1), which computed amount is the amount the district may levy in the second year of the three-year period for which the district may levy a tax under authority of this subsection; and (4) compute 25% of the amount of the sum obtained under (1), which computed amount is the amount the district may levy in the third year of the three-year period for which the district may levy a tax under authority of this subsection.

In determining the amount produced by the tax levied by the district under authority of subsection (a), the state board shall include any moneys which have been apportioned to the ancillary facilities fund of the district from taxes levied under the provisions of K.S.A. 79-5101 et seq. and 79-5118 et seq., and amendments thereto.

(c) The proceeds from the tax levied by a district under authority of this section shall be remitted to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the state school district finance fund.

Sec. 11. K.S.A. 72-6444 is hereby amended to read as follows: 72-6444. (a) In each school year, commencing with the 1997-98 school year, the state board shall compute a district prescribed percentage for the purpose of determining the amount of a local option operating budget the board of a district to which the provisions of this section apply may adopt for the school year. The district prescribed percentage for each district to which the provisions of this section apply shall be computed by the state board as provided in this section. The state board shall:

1. Determine the actual amount per pupil for the preceding school year of the general fund budget and the local option operating budget, if any, of each district;
2. compute the average amount per pupil for the preceding school year of general fund budgets and local option operating budgets of districts with 75-125 enrollment in such school year;
3. compute the average amount per pupil for the preceding school year of general fund budgets and local option operating budgets of districts with 200-399 enrollment in such school year;
4. compute the average amount per pupil for the preceding school year of general fund budgets and local option operating budgets of districts with 1,800 or over
enrollment in such school year;

(5) compute an average amount per pupil for the preceding school year of general fund budgets and local—option operating budgets of districts with 100-299.9 enrollment in such school year by preparing a schedule based upon an accepted mathematical formula and deriving an amount for each such district from a linear transition between the average amount per pupil computed under (2) and the average amount per pupil computed under (3);

(6) compute an average amount per pupil for the preceding school year of general fund budgets and local—option operating budgets of districts with 300-1,799.9 enrollment in such school year by preparing a schedule based upon an accepted mathematical formula and deriving an amount for each such district from a linear transition between the average amount per pupil computed under (3) and the average amount per pupil computed under (4);

(7) for districts with 0-99.9 enrollment, compare the amount determined for the district under (1) to the average amount computed under (2). If the amount determined under (1) is equal to or greater than the average amount computed under (2), the provisions of this section do not apply to the district. If the amount determined under (1) is less than the average amount computed under (2), subtract the amount determined under (1) from the amount computed under (2), multiply the remainder by enrollment of the district in the preceding school year, and divide the product by the amount of state financial aid determined for the district in the preceding school year. The quotient is the district prescribed percentage of the district;

(8) for districts with 100-299.9 enrollment, compare the amount determined for the district under (1) to the average amount computed under (5). If the amount determined under (1) is equal to or greater than the average amount computed under (5), the provisions of this section do not apply to the district. If the amount determined under (1) is less than the average amount computed under (5), subtract the amount determined under (1) from the amount computed under (5), multiply the remainder by enrollment of the district in the preceding school year, and divide the product by the amount of state financial aid determined for the district in the preceding school year. The quotient is the district prescribed percentage of the district;

(9) for districts with 300-1,799.9 enrollment, compare the amount determined for the district under (1) to the average amount computed under (6). If the amount determined under (1) is equal to or greater than the average amount computed under (6), the provisions of this section do not apply to the district. If the amount determined under (1) is less than the average amount computed under (6), subtract the amount determined under (1) from the amount computed under (6), multiply the remainder by enrollment of the district in the preceding school year, and divide the product by the amount of state financial aid determined for the district in the preceding school year. The quotient is the district prescribed percentage of the district;

(10) for districts with 1,800 or over enrollment, compare the amount determined for the district under (1) to the average amount computed under (4). If the amount determined under (1) is equal to or greater than the average amount computed under (4), the provisions of this section do not apply to the district. If the amount determined under (1) is less than the average amount computed under (4), subtract the amount determined under (1) from the amount computed under (4), multiply the remainder by enrollment of the district in the preceding school year, and divide the product by the
amount of state financial aid determined for the district in the preceding school year. The quotient is the district prescribed percentage of the district.

(b) The provisions of this section apply to any district that budgeted an amount per pupil in the preceding school year, as determined under provision (1) of subsection (a), that was less than the average amount per pupil of general fund budgets and local option operating budgets computed by the state board under whichever of the provisions (7) through (10) of subsection (a) is applicable to the district's enrollment group.

(c) For the purposes of this section, the term "local operating budget" means "local option budget" as that term was used prior to the amendment of this section by this act.

Sec. 12. K.S.A. 2012 Supp. 72-6449 is hereby amended to read as follows:

72-6449. (a) As used in this section, "school district" or "district" means a school district authorized to make a levy under this section.

(b) The board of education of any district may levy a tax on the taxable tangible property within the district for the purpose of financing the costs incurred by the state that are attributable directly to assignment of the cost of living weighting to the enrollment of the district. There is hereby established in every school district a fund which shall be called the cost of living fund, which fund shall consist of all moneys deposited therein or transferred thereto in accordance with law. All moneys derived from a tax imposed pursuant to this section shall be credited to the cost of living fund. The proceeds from the tax levied by a district credited to the cost of living fund shall be remitted to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the state school district finance fund.

(c) The state board of education shall determine whether a district may levy a tax under this section as follows:

(1) Determine the statewide average appraised value of single family residences for the calendar year preceding the current school year;

(2) multiply the amount determined under (1) by 1.25;

(3) determine the average appraised value of single family residences in each school district for the calendar year preceding the current school year; and

(4) (A) subtract the amount determined under (2) from the amount determined under (3). If the amount determined for the district under this paragraph is a positive number and the district is authorized to adopt and has adopted a local option operating budget in an amount equal to at least 31% of the state financial aid for the school district, the district qualifies for assignment of cost of living weighting and may levy a tax on the taxable tangible property of the district for the purpose of financing the costs that are attributable directly to assignment of the cost of living weighting to enrollment of the district; or

(B) as an alternative to the authority provided in paragraph (4)(A), if a district was authorized to make a levy pursuant to this section in school year 2006-2007, such district shall remain authorized to levy such tax at a rate necessary to generate revenue in the same amount generated in school year 2006-2007 if: (i) The amount determined under paragraph (4)(A) is a positive number; and (ii) the district continues to adopt a local option operating budget in an amount equal to the state prescribed percentage in effect in school year 2006-2007.

(d) No tax may be levied under this section unless the board of education adopts a
resolution authorizing such a tax levy and publishes the resolution at least once in a
government newspaper having general circulation in the district. Except as provided by subsection
e, the resolution shall be published in substantial compliance with the following form:
Unified School District No. ______________ , ______________ County, Kansas.

RESOLUTION

Be It Resolved that:
The board of education of the above-named school district shall be authorized to levy
an ad valorem tax in an amount not to exceed the amount necessary to finance the costs
attributable directly to the assignment of cost of living weighting to the enrollment of
the district. The ad valorem tax authorized by this resolution may be levied unless a
petition in opposition to the same, signed by not less than 5% of the qualified electors of
the school district, is filed with the county election officer of the home county of the
school district within 30 days after the publication of this resolution. If a petition is
filed, the county election officer shall submit the question of whether the levy of such a
tax shall be authorized in accordance with the provisions of this resolution to the
electors of the school district at the next general election of the school district, as is
specified by the board of education of the school district.

CERTIFICATE

This is to certify that the above resolution was duly adopted by the board of
education of Unified School District No. ______, ____________ County, Kansas, on
the ___ day of ________, (year)____.

Clerk of the board of education.

All of the blanks in the resolution shall be filled. If no petition as specified above is
filed in accordance with the provisions of the resolution, the resolution authorizing the
ad valorem tax levy shall become effective. If a petition is filed as provided in the
resolution, the board may notify the county election officer to submit the question of
whether such tax levy shall be authorized. If the board fails to notify the county election
officer within 30 days after a petition is filed, the resolution shall be deemed abandoned
and of no force and effect and no like resolution shall be adopted by the board within
the nine months following publication of the resolution. If a majority of the votes cast in
an election conducted pursuant to this provision are in favor of the resolution, such
resolution shall be effective on the date of such election. If a majority of the votes cast
are not in favor of the resolution, the resolution shall be deemed of no effect and no like
resolution shall be adopted by the board within the nine months following such election.

(e) In determining the amount produced by the tax levied by the district under the
authority of this section, the state board shall include any moneys which have been
apportioned to the cost of living fund of the district from taxes levied under the
provisions of K.S.A. 79-5101 et seq. and 79-5118 et seq., and amendments thereto.

Sec. 13. K.S.A. 2012 Supp. 72-6451 is hereby amended to read as follows: 72-

(1) "School district" or "district" means a school district which: (A) Has a declining
enrollment; and (B) has adopted a local--option operating budget in an amount which
equals at least 17.9% for school year 2013-2014 and school year 2014-2015 and
31% for school year 2015-2016 and each school year thereafter of the state financial aid
for the school district at the time the district applies to the state court of tax appeals for
authority to make a levy pursuant to this section.
(2) "Declining enrollment" means an enrollment which has declined in amount from that of the preceding school year.

(b) (1) (A) A school district may levy an ad valorem tax on the taxable tangible property of the district each year for a period of time not to exceed two years in an amount not to exceed the amount authorized by the state court of tax appeals under this subsection for the purpose of financing the costs incurred by the state that are directly attributable to assignment of declining enrollment weighting to enrollment of the district. The state court of tax appeals may authorize the district to make a levy which will produce an amount that is not greater than the amount of revenues lost as a result of the declining enrollment of the district. Such amount shall not exceed 5% of the general fund budget of the district in the school year in which the district applies to the state court of tax appeals for authority to make a levy pursuant to this section.

(B) As an alternative to the authority provided in paragraph (1)(A), if a district was authorized to make a levy pursuant to this section in school year 2006-2007, such district shall remain authorized to make a levy at a rate necessary to generate revenue in the same amount that was generated in school year 2007-2008 if the district adopts a local operating budget in an amount equal to the state prescribed percentage in effect in school year 2006-2007.

(2) The state court of tax appeals shall certify to the state board the amount authorized to be produced by the levy of a tax under this section.

(3) The state board shall prescribe guidelines for the data that school districts shall include in cases before the state court of tax appeals pursuant to this section.

(c) A district may levy the tax authorized pursuant to this section for a period of time not to exceed two years unless authority to make such levy is renewed by the state court of tax appeals. (d) The state board shall provide to the state court of tax appeals such school data and information requested by the state court of tax appeals and any other information deemed necessary by the state board.

(e) There is hereby established in every district a fund which shall be called the declining enrollment fund. Such fund shall consist of all moneys deposited therein or transferred thereto according to law. The proceeds from the tax levied by a district under authority of this section shall be credited to the declining enrollment fund of the district. The proceeds from the tax levied by a district credited to the declining enrollment fund shall be remitted to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the state school district finance fund.

(f) In determining the amount produced by the tax levied by the district under authority of this section, the state board shall include any moneys which have been apportioned to the declining enrollment fund of the district from taxes levied under the provisions of K.S.A. 79-5101 et seq. and 79-5118 et seq., and amendments thereto.

Sec. 14. K.S.A. 2012 Supp. 72-6456 is hereby amended to read as follows: 72-6456. (a) For the purpose of determining the general fund budget of a school district, weightings shall not be assigned to a pupil enrolled in and attending KAMS.

Any additional cost resulting from the normal retirement date and retirement before such normal retirement date for security officers as provided in K.S.A. 74-4914c, and amendments thereto, and disability benefits as provided in K.S.A. 74-4914e, and amendments thereto, shall be added to the employer rate of contribution for the department of corrections as otherwise determined under K.S.A. 74-4920, and amendments thereto, except that the employer rate of contribution for the department of corrections including any such additional cost added to such employer rate of contribution pursuant to this section shall in no event exceed the employer rate of contribution for the department of corrections for the immediately preceding fiscal year by more than the following amounts expressed as a percentage of compensation upon which security officers contribute during the period: (a) For the fiscal year commencing in calendar years 2010 through 2012, an amount not to exceed more than 0.6% of the amount of the immediately preceding fiscal year; (b) for the fiscal year commencing in calendar year 2013, an amount not to exceed more than 0.9% of the amount of the immediately preceding fiscal year; (c) for the fiscal year commencing in calendar year 2014, an amount not to exceed more than 1% of the amount of the immediately preceding fiscal year; (d) for the fiscal year commencing in calendar year 2015, an amount not to exceed more than 1.1% of the amount of the immediately preceding fiscal year; and (e) for the fiscal year commencing in calendar year 2016, and in each subsequent calendar year, an amount not to exceed more than 1.2% of the amount of the immediately preceding fiscal year. For the fiscal year commencing in calendar year 2014, the contribution rate provided by this section shall be reduced in the amount of the debt service payment allocated to the department of corrections for bonds issued pursuant to section 1, and amendments thereto, as certified by the board.

Sec. 3. K.S.A. 2012 Supp. 74-4920 is hereby amended to read as follows: 74-4920. (1) Upon the basis of each annual actuarial valuation and appraisal as provided for in subsection (3)(a) of K.S.A. 74-4908, and amendments thereto, the board shall certify, on or before July 15 of each year, to the division of the budget in the case of the state and to the agent for each other participating employer an actuarially determined estimate of the rate of contribution which will be required, together with all accumulated contributions and other assets of the system, to be paid by each such participating employer to pay all liabilities which shall exist or accrue under the system,
including amortization of the actuarial accrued liability as determined by the board. The board shall determine the actuarial cost method to be used in annual actuarial valuations, to determine the employer contribution rates that shall be certified by the board. Such certified rate of contribution, amortization methods and periods and actuarial cost method shall be based on the standards set forth in subsection (3)(a) of K.S.A. 74-4908, and amendments thereto, and shall not be based on any other purpose outside of the needs of the system.

(b) (i) For employers affiliating on and after January 1, 1999, upon the basis of an annual actuarial valuation and appraisal of the system conducted in the manner provided for in K.S.A. 74-4908, and amendments thereto, the board shall certify, on or before July 15 of each year to each such employer an actuarially determined estimate of the rate of contribution which shall be required to be paid by each such employer to pay all of the liabilities which shall accrue under the system from and after the entry date as determined by the board, upon recommendation of the actuary. Such rate shall be termed the employer's participating service contribution and shall be uniform for all participating employers. Such additional liability shall be amortized as determined by the board. For all participating employers described in this section, the board shall determine the actuarial cost method to be used in annual actuarial valuations to determine the employer contribution rates that shall be certified by the board.

(ii) The board shall determine for each such employer separately an amount sufficient to amortize all liabilities for prior service costs which shall have accrued at the time of entry into the system. On the basis of such determination the board shall annually certify to each such employer separately an actuarially determined estimate of the rate of contribution which shall be required to be paid by that employer to pay all of the liabilities for such prior service costs. Such rate shall be termed the employer's prior service contribution.

(2) The division of the budget and the governor shall include in the budget and in the budget request for appropriations for personal services the sum required to satisfy the state's obligation under this act as certified by the board and shall present the same to the legislature for allowance and appropriation.

(3) Each other participating employer shall appropriate and pay to the system a sum sufficient to satisfy the obligation under this act as certified by the board.

(4) Each participating employer is hereby authorized to pay the employer's contribution from the same fund that the compensation for which such contribution is made is paid from or from any other funds available to it for such purpose. Each political subdivision, other than an instrumentality of the state, which is by law authorized to levy taxes for other purposes, may levy annually at the time of its levy of taxes, a tax which may be in addition to all other taxes authorized by law for the purpose of making its contributions under this act and, in the case of cities and counties, to pay a portion of the principal and interest on bonds issued under the authority of K.S.A. 12-1774, and amendments thereto, by cities located in the county, which tax, together with any other fund available, shall be sufficient to enable it to make such contribution. In lieu of levying the tax authorized in this subsection, any taxing subdivision may pay such costs from any employee benefits contribution fund established pursuant to K.S.A. 12-16,102, and amendments thereto. Each participating employer which is not by law authorized to levy taxes as described above, but which prepares a budget for its expenses for the ensuing year and presents the same to a
governing body which is authorized by law to levy taxes as described above, may include in its budget an amount sufficient to make its contributions under this act which may be in addition to all other taxes authorized by law. Such governing body to which the budget is submitted for approval, may levy a tax sufficient to allow the participating employer to make its contributions under this act, which tax, together with any other fund available, shall be sufficient to enable the participating employer to make the contributions required by this act.

(5) (a) The rate of contribution certified to a participating employer as provided in this section shall apply during the fiscal year of the participating employer which begins in the second calendar year following the year of the actuarial valuation.

(b) (i) Except as specifically provided in this section, for fiscal years commencing in calendar year 1996 and in each subsequent calendar year, the rate of contribution certified to the state of Kansas shall in no event exceed the state's contribution rate for the immediately preceding fiscal year by more than 0.2% of the amount of compensation upon which members contribute during the period.

(ii) Except as specifically provided in this subsection, for the fiscal years commencing in the following calendar years, the rate of contribution certified to the state of Kansas and to the participating employers under K.S.A. 74-4931, and amendments thereto, shall in no event exceed the state's contribution rate for the immediately preceding fiscal year by more than the following amounts expressed as a percentage of compensation upon which members contribute during the period: (A) For the fiscal year commencing in calendar years 2010 through 2012, an amount not to exceed more than 0.6% of the amount of the immediately preceding fiscal year; (B) for the fiscal year commencing in calendar year 2013, an amount not to exceed more than 0.9% of the amount of the immediately preceding fiscal year; (C) for the fiscal year commencing in calendar year 2014, an amount not to exceed more than 1% of the amount of the immediately preceding fiscal year; (D) for the fiscal year commencing in calendar year 2015, an amount not to exceed more than 1.1% of the amount of the immediately preceding fiscal year; and (E) for the fiscal year commencing in calendar year 2016, and in each subsequent calendar year, an amount not to exceed more than 1.2% of the amount of the immediately preceding fiscal year. For the fiscal year commencing in calendar year 2014, the contribution rate provided by this subsection shall be reduced in the amount of the debt service payment for bonds issued pursuant to section 1, and amendments thereto, as certified by the board.

(iii) Except as specifically provided in this section, for fiscal years commencing in calendar year 1997 and in each subsequent calendar year, the rate of contribution certified to participating employers other than the state of Kansas shall in no event exceed such participating employer's contribution rate for the immediately preceding fiscal year by more than 0.15% of the amount of compensation upon which members contribute during the period.

(iv) Except as specifically provided in this subsection, for the fiscal years commencing in the following calendar years, the rate of contribution certified to participating employers other than the state of Kansas shall in no event exceed the contribution rate for such employers for the immediately preceding fiscal year by more than the following amounts expressed as a percentage of compensation upon which members contribute during the period: (A) For the fiscal year commencing in calendar years 2010 through 2013, an amount not to exceed more than 0.6% of the amount of the
immediately preceding fiscal year; (B) for the fiscal year commencing in calendar year 2014, an amount not to exceed more than 0.9% of the amount of the immediately preceding fiscal year; (C) for the fiscal year commencing in calendar year 2015, an amount not to exceed more than 1% of the amount of the immediately preceding fiscal year; (D) for the fiscal year commencing in calendar year 2016, an amount not to exceed more than 1.1% of the amount of the immediately preceding fiscal year; and (E) for the fiscal year commencing in calendar year 2017, and in each subsequent calendar year, an amount not to exceed more than 1.2% of the amount of the immediately preceding fiscal year.

(v) As part of the annual actuarial valuation, there shall be a separate employer rate of contribution calculated for the state of Kansas, a separate employer rate of contribution calculated for participating employers under K.S.A. 74-4931, and amendments thereto, a combined employer rate of contribution calculated for the state of Kansas and participating employers under K.S.A. 74-4931, and amendments thereto, and a separate employer rate of contribution calculated for all other participating employers.

(vi) There shall be a combined employer rate of contribution certified to the state of Kansas and participating employers under K.S.A. 74-4931, and amendments thereto. There shall be a separate employer rate of contribution certified to all other participating employers.

(vii) If the combined employer rate of contribution calculated for the state of Kansas and participating employers under K.S.A. 74-4931, and amendments thereto, is greater than the separate employer rate of contribution for the state of Kansas, the difference in the two rates applied to the actual payroll of the state of Kansas for the applicable fiscal year shall be calculated. This amount shall be certified by the board for deposit as additional employer contributions to the retirement benefit accumulation reserve for the participating employers under K.S.A. 74-4931, and amendments thereto.

(6) The actuarial cost of any legislation enacted in the 1994 session of the Kansas legislature will be included in the June 30, 1994, actuarial valuation in determining contribution rates for participating employers.

PERSONAL PRIVILEGE

There being no objection, the following remarks of Rep. Highland are spread upon the Journal:

It is my pleasure to recognize Mrs. Janet Armstead, Director of the St. George Elementary Honor Choir. March is Music in Our Schools month and we appreciate Mrs. Armstead bringing the St George Honor Choir to make it a music celebration today at noon in the Rotunda.

Her dedication to music and beautiful performances has brought enjoyment to Kansans throughout this region. During the fifteen years of her auditioned choir, they have been to the Kansas Music Educator’s Association three times, as well as, asked to perform for many dedications and organizations.

Mrs. Armstead has taught music for 38 years. She has received the North Central
District Outstanding Elementary Music Teacher of the Year three times, and has been the chair for that District twice. She is also a member of the Organization of Kodaly Educators and has taken thirty-five students to national honor choirs around the nation.

It also must be recognized that Mrs. Armstead serves in many other ways. She organizes and directs the Flint Hills Messiah Orchestra, who gave its twenty first performance of Handel’s Messiah on March 10, 2013, and she has played horn in the Manhattan Municipal Band for over twenty-five years. She also directs the Zeandale Community Church Choir. As a member of the Wamego School Board she served eight years.

Her love of history has led her to work with her good friend and fellow music teacher, Christine Day, to take around eighty 5th and 6th grade students on a ten day camping trip down the historic Santa Fe Trail. They are presently working toward making this trip this summer. They also perform together as the Prairie Larkspur 1800’s music traveling duo.

I would like to present Mrs. Armstead and the St George Honor Choir with this Official Accommodation Certificate.

INTRODUCTION OF ORIGINAL MOTIONS AND HOUSE RESOLUTIONS

The following resolution was introduced and read by title:

HOUSE RESOLUTION No. HR 6024—

By Representative Goico

A RESOLUTION recognizing Mark and Louise Allen for their instrumental work in returning Dr. Naismith's original rules of basketball back to Kansas.

WHEREAS, Dr. James Naismith, inventor of the sport of basketball and a legendary member of the University of Kansas basketball community, wrote the original 13 rules of basketball in 1891; and

WHEREAS, Those rules were written down by Dr. Naismith himself and have been preserved throughout the years in the ownership of the Naismith International Basketball Foundation. In 2010, those original documents became available for auction at Sotheby's, an auction house in New York; and

WHEREAS, These rules are a representation of the tradition-rich basketball community at the University of Kansas. Mark Allen, the grandson of former KU basketball coach Phog Allen, and his wife, Louise, thought the original rules deserved to be back where basketball began, the University of Kansas; and

WHEREAS, Mark and Louise Allen coordinated with David Booth to purchase these rules from Sotheby's at a price of $4.3 million, setting a new record price for the purchase of sports memorabilia. Mark Allen did a lot of research to ensure the documents were authentic and to bring them back to Kansas; and

WHEREAS, The University of Kansas plans to build a new building near the famous Allen Fieldhouse to house Naismith's original rules of basketball. KU chancellor, Bernadette Gray-Little, expressed gratitude for the efforts of Allen and Booth. President of the KU Endowment, Dale Seuferling, said, "On behalf of all Jayhawk fans, we thank him for his generosity"; Now, therefore,

Be it resolved by the House of Representatives of the State of Kansas: That we sincerely thank Mark and Louise Allen for their work to bring this piece of history back to Kansas. The Naismith original rules of basketball will be on display for all Kansans to visit, and we thank Mark and Louise Allen for the efforts they made to make that a
reality; and

Be it further resolved: That the Chief Clerk of the House of Representatives be
directed to provide five enrolled copies of this resolution to Representative Goico.

Prayer by Chaplain Brubaker:

Lord God,

Today holds a full agenda for our leaders to consider, debate and vote on bills that cover the gamut of issues. They will make decisions regarding education, health, financial institutions, transportation, the judicial process, insurance, and more.

The common element of most of these bills is money. Please grant them wisdom as they determine how they can be benevolent yet frugal; generous yet not spendthrift; save money yet spend it; provide for the genuine needs versus the demands of wants. Your Word cautions us, “which of you, intending to build a tower, does not sit down first and count the cost: whether he has enough to finish it.” Only You can see the whole picture which includes the future, so I ask that You grant them Your wisdom in making these decisions.

In Your Son’s Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Alcala.

**EXPLANATION OF VOTE**

**Mr Speaker:** For the counties affected by the Oil and Gas Depletion Trust Fund, oil
and gas is a major component of their industrial base, just as aircraft manufacturing is the industrial base of Sedgwick County, the service industry is the industrial base of Johnson County, and state government is the industrial base of Shawnee County. However the oil and gas counties live with the unfortunate reality that their industrial base will one day disappear. Sub HB 2262 provides them some relief for that day when the wells go dry. EXPLANATIONS OF VOTE

MR. SPEAKER: I vote NO on SB 16. With the current climate of excessive racial profiling in the state of Kansas and the bill's broad description of potential offenders and prosecutor's latitude, this bill will result in many unintended consequences that will exacerbate the problem of racial profiling and it will have a disparate impact on people of color, depriving innocent citizens of due process and equal protection of the law. – GAIL FINNEY, VALDENIA C. WINN, PATRICIA M. SLOOP, RODERICK HOUSTON, PONKA-WI VICTORS, BARBARA BALLARD

MR. SPEAKER: Accepting that different people are guilty of different crimes for perpetrating the same bad acts is antithetical to the philosophical underpinnings of our nation and state. SB 16 places the protection of essential liberties in the hands of prosecutorial discretion. Surrendering a well-apportioned rule of law in favor of the wisdom of the state is the beginning of the end of a free society; as such, we vote no on
SB 16. – CRAIG MCPHERSON, BRETT HILDABRAND, KEITH ESAU, AMANDA GROSSERODE, RANDY GARBER, JAMES TODD, NANCY LUSK, KEVIN JONES

Mr Speaker: I am very supportive of the provisions of SB 16. However, I cannot support the bill in its present form because this Legislature has not approved the additional funding for the 915 new prison beds that this bill requires. If necessary appropriations are provided, I will be pleased to support the bill. I vote no on SB 16. - PAUL DAVIS

**EXPLANATION OF VOTE**

**MR. SPEAKER:** I vote NO on **SB 74**. This is a “manufactured” issue from the Manufactured Housing group. For the last two years, I’ve been working on a national committee on manufactured housing issues. **MOTIONS AND RESOLUTIONS OFFERED ON A PREVIOUS DAY**

On motion of Rep. Garber, **HR 6019**, A RESOLUTION declaring July 27, 2013, as "Joe Tinker Day.", was adopted.

There being no objection, the following remarks of Reps. Garber and Ewy are spread upon the Journal:

Remarks of Rep. Garber:
With the long hours we’ve already had and the many that are before us, now is a good time to relax a little and enjoy a bit of our past. Many of us have fond memories of baseball and the role it played in our lives and in the history of our country. I would like to share a few thoughts with the body today concerning America’s greatest pastime.

James Earl Jones played the character Terence Mann in the 1989 movie “Field of Dreams” starring Kevin Costner who played Ray Kinsella, a farmer who built a magical baseball field on his farm. The result was several players of baseballs early era came out of the adjacent cornfield to play. These players included “Shoeless Joe” Jackson and “Moonlight” Graham. These are a few of James Earl Jones lines towards the end of the movie.

“Ray, People will come, Ray. They’ll come to Iowa for reasons they can’t even
They’ll turn up your driveway not knowing for sure why they’re doing it. They’ll arrive at your door as innocent as children….longing for the past. “Of course, we won’t mind if you look around” you’ll say. “It’s only twenty dollars per person.” They’ll pass over the money without even thinking about it. For it is money they have and peace they lack. Then they’ll walk off to the bleachers and sit in their shirtsleeves on a perfect afternoon. They’ll find they have reserved seats somewhere along one of the baselines….where they sat when they were children and cheered their heroes…. and they’ll watch the game….and it will be as if they dipped themselves in magic waters. The memories will be so thick they’ll have to brush them away from their faces. People will come, Ray. The one constant through all the years, Ray, has been baseball. America has rolled by like an army of steamrollers. It’s been erased like a blackboard, rebuilt and erased again. But baseball marked the time. This field, this game, it’s part of our past, Ray. It reminds us of all that once was good and it could be again. Ohhh. People will come, Ray. People will most definitely come.”

Thank you to Representative Ewy for providing a vintage baseball. Representative Ewy has a few words to share.

Remarks of Rep. Ewy:
We are thankful to the Civil War Veterans who brought the game of “baseball” to Kansas following the war. The Hodgeman County Nine Vintage Baseball Team of Hodgeman County Kansas was formed to promote the game as it was played in the 1860s and hopes to be able to take part in the celebration.

Additional remarks of Rep. Garber:
The following is a poem written by Franklin P Adams concerning this infamous double-play trio. It is titled “Baseball’s Sad Lexicon.”

*These are the saddest of possible words: Tinker to Evers to Chance.*
*Trio of Bear-cubs, fleeter than birds. Tinker to Evers to Chance.*
*Ruthlessly pricking our gonfalon bubble, making a Giant hit into a double.*
*Words that are weighty with nothing but trouble: Tinker to Evers to Chance.*

We welcome Jeff and C.J. Hanson from Muscotah and Marci Penner from the Kansas Sampler Foundation. Jeff is spearheading the efforts to build a museum to preserve the memory of Joe Tinker. The museum will include the world’s largest baseball made from the towns’ old water tower. There are plans to have a mini-infield behind the baseball with iron cutouts of the famous double-play combination.

We would like to welcome each of you to Muscotah on July 27th to help us celebrate Joe Tinker day. A vintage baseball game between the Hodgeman County 9 and the Wichita Red stockings is planned for that day. I encourage the people of this great state to remember this citizen of Kansas and contemplate the success available to anyone who sets visionary goals for their future. Please welcome our guests.

EXPLANATION OF VOTE

Mr. Speaker: I vote no on HB 2244. If the legislature approves this bill, Kansans who own watercraft valued under $1,000 will be taxed $12 per year. Kansans who own watercraft valued at $1,050, will be assessed at 5%, or $52.50. So, when the $1,050 boat is taxed at the average statewide mill levy of 135, they will pay $7.09 in taxes. Boats under $1,000 pay $12. Many boats over $1,000 pay $7.09. That is not fair; that is not sound tax policy. I vote no. – JULIE MENGHINI

They recently took first place in a state-wide competition and are now qualified to compete at the Daisy National BB Gun Championship Shooting Match in Rogers, AR, June 28-30, 2013. Daisy Outdoor products sponsors this match to teach young people, ages 9 – 14, safety and introduce them to the sport of shooting. Scores from these practice sessions and matches, as well as shooter’s age, commitment to the program, and years in the program qualified them to attend.

When it comes to BB Guns, no one in the state is more skilled than these kids. They know their sport. Thanks to their great coaching team made up of Rick Taylor, Sheri Taylor, and Jodi Besthorn, these young people know gun safety and take this sport very seriously.

Competing against 19 other teams at the state shooting match sponsored by the Kansas State Rifle Association and the Jackson/Nemaha Bullmasters 4-H Shooting Program, Sedgwick County 4-H Shooting Sports Gold Team took first place with a team score of 2281 of a possible 2500. MOTIONS AND RESOLUTIONS OFFERED ON A PREVIOUS DAY

On motion of Rep. Ryckman Sr., HR 6021, A RESOLUTION designating the month of April as "Parkinson's Awareness Month," was adopted.

There being no objection, the following remarks of Rep. Ryckman Sr. are spread upon the Journal:

Thank you for reading the Resolution on Parkinson Disease making April Parkinson Awareness Month in Kansas.

On your desk are three handouts on Parkinson’s and a pen.

Parkinson’s disease (PD) is caused by the deterioration of neurons in the brain that produce dopamine, an essential neurotransmitter that controls smooth, coordinated muscle function. When approximately 60-80% of dopamine-producing cells are damaged, motor symptoms of PD appear.

As many as 1 million Americans have Parkinson’s and there is no cure for PD, but there are medications, therapies and surgical treatment options. No standard treatment for PD applies to every patient.
Today with me on the floor are:
Angela Lawrence, executive director of the National Parkinson’s Foundation Heartland chapter.

Lisa Reser from Ellinwood, Kansas, a third grade teacher suffering from Parkinson’s.
J. Basil Dannebohm, my friend, a writer and philanthropist from Meade Kansas who has Parkinson’s.

Also if we have anyone on the floor or in the balcony who has the disease or has a loved one with this disease please stand to show support for a cure of PD.

Will all of you join me in giving encouragement to these three, others and their loved ones who have this disease?

The class of 2012 has 20 students who have received scholarships worth at least $40,000. Two of the students are Wichita State University Dean’s Scholars and one is a Gates Millennium Scholar.

Rep. Osterman was excused on verified illness.

Prayer by guest chaplain, the Rev. Dan Galchutt, pastor, Calvary Lutheran Church, Topeka, and guest of Rep. Powell:

God, in Romans 13:4, teaches that the Government is the servant of God for the good of its people. I share this because people say that I do the Lord's work, but in another way you are doing the Lord's work. That is why churches all over Kansas, including mine, pray for you all and for the work you do. With that, let us pray for our nation and state, for all of you and the work God has put before you today:

Almighty God, help us to remember Your gifts and generosity that we might seek to do Your will. Bless our land with responsible citizens, honest industry, and truthful education. Save us from violence, discord, and from pride and arrogance. Grant that we who came from many nations may be a united people. Support us in defending our liberties, and give us peace and justice in our land. For those who serve in the government we ask that you would bless them with the spirit of wisdom, especially, we ask this for this assembly today. Lord, when times are prosperous, may our hearts be thankful, and in troubled times do not let our trust in You fail. We pray through Jesus Christ, the Lord. Amen.

God's blessing to you all in your work today.

The Pledge of Allegiance was led by Rep. Barker.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Reps. Seiwert and Thimesch are spread upon the Journal:
Remarks of Rep. Seiwert:
Today I am pleased to recognize Principal, Bob Lyall, and students from St Patrick Catholic School from Kingman. St Patrick Catholic School received the Governor’s Achievement Award, the 2011-2012 academic year, from the Kansas State Board of Education for receiving Building Level Standards of Excellence in both reading and math, meeting AYP requirements, and being in the top 5% of Middle/Junior High Schools. This award recognizes the outstanding students, facility, and administration of such an exemplary institution. This is the fifth consecutive year for which they have received this honor. I am proud to have them in my 101st district.

Please join me in congratulating Principal, Bob Lyall, Pastor, Father Benjamin Shockey, Lead Teacher, Ann Vaughn and the students which are here today to represent their school. Macey Maloney, Audrey Birkenbaugh, Gage Oller, and Daniel Bergkamp.

Remarks of Rep. Thimesch:
It is an honor for me to present St. Patrick's school with this certificate for Banner School. In order to receive this award that is given by the Wichita Catholic Diocese, a school must: Exemplify core values which include unity, faithfulness, stewardship, and scholarship. They must have exemplary scores in the Kansas Assessment, in reading, math, social studies, and science and the diocesan religion assessment test scores. All teachers must have current state licenses and current diocesan religion certificates.

The enrollment must be steady or increasing. And they must collectively work with public schools and other diocesan schools in pursuing excellence in all areas. And I am proud to have a school in my district, the 114th, that not only won this award but has done it for three consecutive years, which is rare. St. Patrick's is one of 39 schools, totaling 10,671 students in the Wichita diocese.

Congratulations St. Patrick's School of Kingman!

Rep. Thimesch introduced those present and presented a framed House certificate for the Banner School Award. Rep. Seiwert presented a framed House certificate which honored them with the Governor's Achievement Award for 2011-2012.

Prayer by Chaplain Brubaker:

Most gracious God,
Today as I lift these leaders to you in prayer, I pray some of Your proverbs for them to consider:
“A gentle response defuses anger, but a sharp tongue kindles a temper-fire.”
Help them not to get angry with one another.
“Refuse good advice and watch your plans fail; take good counsel and watch them succeed.”
Help them to listen to wise counsel.
“We humans keep brainstorming options and plans, but God’s purpose prevails.”
Help them to seek Your will and purpose in all things.
And, Lord, what about those Shockers! I know they say your don't really care about basketball games – but you do care about the individuals who play. So I ask that you protect them – keep them in good health – help them play their best – and perhaps you can help them pull the upset – all for your glory, of course!
These things I pray today in Christ’s Name, Amen.

MOTIONS AND RESOLUTIONS OFFERED ON A PREVIOUS DAY

On motion of Rep. Goico, HR 6024, A RESOLUTION recognizing Mark and Louise Allen for their instrumental work in returning Dr. Naismith’s original rules of basketball back to Kansas, was adopted.

There being no objection, the following remarks of Rep. Goico are spread upon the journal:

I would like to recognize Mark and Louise Allen for their instrumental work in returning Dr. Naismith’s original rules of basketball back to Kansas.

Dr. James Naismith was the inventor of the sport of basketball and was a legendary member of the University of Kansas basketball community. He wrote the original 13 rules of basketball in 1891. Those rules were preserved throughout the years by the Naismith International Basketball Foundation. In 2010, those original documents became available for auction at Sotheby’s in New York.

Mark Allen, the grandson of KU legendary basketball coach Phog Allen, and his wife, Louise, thought the original rules deserved to be back where basketball began, the University of Kansas.

Mark did a lot of research to ensure that the documents were authentic and coordinated with David Booth to purchase these rules for $4.3 million. This a new record price for the purchase of sports memorabilia.

The University of Kansas plans to build a new building near the current Allen Fieldhouse to house Naismith’s rules. There they will be on display for all Kansans to visit.

This coming weekend when you are watching Wichita State play in the NCAA Final Four, remember that the inception and the roots of basketball are here in Kansas. These rules are one of the legacies of Kansas to the World.

The House of Representatives want to thank Mark and Louise for their work to bring this piece of history back home to where it belongs – Kansas. They made what seemed an impossible dream a reality.

The county treasurer shall pay such amounts to the taxing subdivisions at the same time or times as their regular operating tax rate mill levy is paid to them. Based upon the assessed valuation which such facility would have if it were upon the tax rolls of the county, the county clerk shall compute the total of the property taxes which would be levied upon such facility by all taxing subdivisions within which the facility is located if such property were taxable.

(b) Any ruling, agreement or contract, whether written or oral, express or implied, between a retailer and this state's executive branch, or any other state agency or department, stating, agreeing or ruling that the retailer is not required to collect sales and use tax in this state despite the presence of a warehouse, distribution center or fulfillment center in the state that is owned or operated by the retailer or an affiliated person of the retailer shall be null and void, unless it is specifically approved by a majority vote of each of the chambers of the Kansas legislature.

(c) As used in this section, "affiliated person" means any person that is a member of the same "controlled group of corporations" as defined in section 1563(a) of the federal internal revenue code as the retailer or any other entity that, notwithstanding its form of organization, bears the same ownership relationship to the retailer as a corporation that is a member of the same "controlled group of corporations" as defined in section 1563(a) of the federal internal revenue code.

New Sec. 10. (a) On and after July 1, 2013, watercraft shall be appraised at fair market value determined therefor pursuant to K.S.A. 79-503a, and amendments thereto, and assessed at the percentage of value as follows: (1) 11.5% in tax year 2014; and (2) 5% in tax year 2015 and all tax years thereafter. Each watercraft may include one trailer which is designed to launch, retrieve, transport and store such watercraft and any nonelectric motor or motors which are necessary to operate such watercraft on the water.

(d) In accordance with the provisions of K.S.A. 74-2438, and amendments thereto, any party may elect to appeal any application or decision referenced in subsection (b) to the state court of tax appeals. Except as provided in subsection (b) regarding single-family residential property, the filing of an appeal with the small claims and expedited hearings division shall not be a prerequisite for filing an appeal with the state court of tax appeals under this section. (h) With regard to any matter properly submitted to the division relating to the determination of valuation of property for taxation purposes, it shall be the duty of the county appraiser to initiate the production of evidence to demonstrate, by a preponderance of the evidence, the validity and correctness of such determination. No presumption shall exist in favor of the county appraiser with respect to the validity and correctness of such determination. With regard to leased commercial and industrial property, the presumption of validity and correctness of such determination shall exist in favor of the county appraiser unless the taxpayer has furnished the county or district appraiser, within 30 calendar days following the informal meeting required by K.S.A. 79-1448, and amendments thereto, or within 30 calendar days following the informal meeting required by K.S.A. 79-2005, and amendments thereto, a complete income and expense statement for the property for the three years next preceding the year of appeal.

Sec. 12. On July 1, 2013, K.S.A. 2012 Supp. 79-306e is hereby amended to read as follows: 79-306e. (a) The value for property tax purposes of any vessel watercraft, as defined by K.S.A. 32-1102, and amendments thereto, which is acquired or sold after January 1 and prior to September 1 of any taxable year shall be equal to the value determined therefor pursuant to K.S.A. 79-503a, and amendments thereto, multiplied by: (1) In the case of a sale, a fraction the numerator of which is the number of months, or major portion thereof, such vessel watercraft was owned by the record owner thereof during the taxable year in which such vessel watercraft was sold, and the denominator of which is 12; and (2) in the case of an acquisition, a fraction the numerator of which is the number of months, or major portion thereof, remaining in the taxable year after the date of acquisition by the record owner thereof, and the denominator of which is 12.

(b) On or after July 1, 2007, notice of the acquisition or sale of any such vessel watercraft shall be provided by the record owner thereof to the appropriate county appraiser on or before December 20 of the year of such acquisition or sale. Upon receipt of such notice, and after computation of the value of any such vessel watercraft in accordance with the provision of subsection (a), a notification or revised notification of value shall be mailed to the taxpayer.

(c) Vessels watercraft acquired after September 1 of a taxable year shall not be subject to assessment and taxation for such year, except as provided by paragraph (1) of subsection (a).

(d) The provisions of this section shall apply to all taxable years commencing after December 31, 2013.

Sec. 13. On July 1, 2013, K.S.A. 2012 Supp. 79-1448 is hereby amended to read as follows: 79-1448. Any taxpayer may complain or appeal to the county appraiser from the classification or appraisal of the taxpayer's property by giving notice to the county appraiser within 30 days subsequent to the date of mailing of the valuation notice
required by K.S.A. 79-1460, and amendments thereto, for real property, and on or before May 15 for personal property. The county appraiser or the appraiser's designee shall arrange to hold an informal meeting with the aggrieved taxpayer with reference to the property in question. At such meeting it shall be the duty of the county appraiser or the county appraiser's designee to initiate production of evidence to substantiate the valuation of such property, including the affording to the taxpayer of the opportunity to review the data sheet of comparable sales utilized in the determination of such valuation. In any appeal from the appraisal of leased commercial and industrial property, the county or district appraiser's appraised value shall be presumed to be valid and correct and may only be rebutted by a preponderance of the evidence, unless the property owner furnishes the county or district appraiser a complete income and expense statement for the property for the three years next preceding the year of appeal within 30 calendar days following the informal meeting. The county appraiser may extend the time in which the taxpayer may informally appeal from the classification or appraisal of the taxpayer's property for just and adequate reasons. Except as provided in K.S.A. 79-1404, and amendments thereto, no informal meeting regarding real property shall be scheduled to take place after May 15, nor shall a final determination be given by the appraiser after May 20. Any final determination shall be accompanied by a written explanation of the reasoning upon which such determination is based when such determination is not in favor of the taxpayer. Any taxpayer who is aggrieved by the final determination of the county appraiser may appeal to the hearing officer or panel appointed pursuant to K.S.A. 79-1611, and amendments thereto, and such hearing officer, or panel, for just cause shown and recorded, is authorized to change the classification or valuation of specific tracts or individual items of real or personal property in the same manner provided for in K.S.A. 79-1606, and amendments thereto. In lieu of appealing to a hearing officer or panel appointed pursuant to K.S.A. 79-1611, and amendments thereto, any taxpayer aggrieved by the final determination of the county appraiser, except with regard to land devoted to agricultural use, wherein the value of the property, is less than $2,000,000, as reflected on the valuation notice, or the property constitutes single family residential property, may appeal to the small claims and expedited hearings division of the state court of tax appeals within the time period prescribed by K.S.A. 79-1606, and amendments thereto. Any taxpayer who is aggrieved by the final determination of a hearing officer or panel may appeal to the state court of tax appeals as provided in K.S.A. 79-1609, and amendments thereto. An informal meeting with the county appraiser or the appraiser's designee shall be a condition precedent to an appeal to the county or district hearing panel.

Sec. 14. On July 1, 2013, K.S.A. 2012 Supp. 79-1609 is hereby amended to read as follows: 79-1609. Any person aggrieved by any order of the hearing officer or panel may appeal to the state court of tax appeals by filing a written notice of appeal, on forms approved by the state court of tax appeals and provided by the county clerk for such purpose, stating the grounds thereof and a description of any comparable property or properties and the appraisal thereof upon which they rely as evidence of inequality of the appraisal of their property, if that be a ground of the appeal, with the state court of tax appeals and by filing a copy thereof with the county clerk within 30 days after the date of the order from which the appeal is taken. A county or district appraiser may appeal to the state court of tax appeals from any order of the hearing officer or panel. With regard to any matter properly submitted to the court relating to the determination
of valuation of residential property or real property used for commercial and industrial purposes for taxation purposes, it shall be the duty of the county appraiser to initiate the production of evidence to demonstrate, by a preponderance of the evidence, the validity and correctness of such determination except that no such duty shall accrue with regard to leased commercial and industrial property unless the property owner has furnished to the county or district appraiser a complete income and expense statement for the property for the three years next preceding the year of appeal. No presumption shall exist in favor of the county appraiser with respect to the validity and correctness of such determination. With regard to leased commercial and industrial property, the presumption of validity and correctness of such determination shall exist in favor of the county or district appraiser unless, within 30 calendar days following the informal meeting required by K.S.A. 79-1448, and amendments thereto, the taxpayer furnished to the county or district appraiser complete income and expense statements for the property for the three years next preceding the year of appeal.

Sec. 15. On July 1, 2013, K.S.A. 2012 Supp. 79-1701a is hereby amended to read as follows: 79-1701a. Any taxpayer, the county appraiser or the county clerk shall, on their own motion, request the board of county commissioners to order the correction of the clerical errors in the appraisal, assessment or tax rolls as described in K.S.A. 79-1701, and amendments thereto. The board of county commissioners of the several counties are hereby authorized to order the correction of clerical errors, specified in K.S.A. 79-1701, and amendments thereto, in the appraisal, assessment or tax rolls for the current year and the immediately preceding two years during the period on and after November 1 of each year. If a county treasurer has collected and distributed the property taxes of a taxpayer and it shall thereafter be determined that the tax computed and paid was based on an erroneous assessment due to a clerical error which resulted in an overpayment of taxes by the taxpayer, and such error is corrected under the provisions hereof then the county commissioners may direct a refund in the amount of the overpayment plus interest at the rate prescribed by K.S.A. 79-2968, and amendments thereto, plus two percentage points, per annum, from the date of payment from tax moneys collected during the current year and approve a claim therefor. If all or any portion of the taxes on such property remain unpaid, the board of county commissioners shall cancel that portion of such unpaid taxes which were assessed on the basis of the error which is being corrected. In lieu of taking such a refund the taxpayer may, at the taxpayer's option, be allowed a credit on the current year's taxes in the amount of the overpayment plus interest at the rate prescribed by K.S.A. 79-2968, and amendments thereto, from the date of payment for the previous year. In the event the error results in an understatement of value or taxes as a result of a mathematical miscomputation on the part of the county, the correction of the clerical errors listed in subsection (a), (c), (f) or (g) of K.S.A. 79-1701, and amendments thereto, and the board of county commissioners of the several counties are hereby authorized to correct such error and order an additional assessment or tax bill, or both, to be issued, except that, in no such case shall the taxpayer be assessed interest or penalties on any tax which may be assessed. If such error applies to property which has been sold or otherwise transferred subsequent to the time the error was made, no such additional assessment or tax bill shall be issued.

Sec. 16. On July 1, 2013, K.S.A. 2012 Supp. 79-1702 is hereby amended to read as follows: 79-1702. If any taxpayer, municipality or taxing district shall have a grievance
described under the provisions of K.S.A. 79-1701 or 79-1701a, and amendments thereto, which is not remediable thereunder solely because not reported within the time prescribed therein, or which was remediable thereunder and reported to the proper official or officials within the time prescribed but which has not been remedied by such official or officials, such grievance may be presented to the state court of tax appeals and if it shall be satisfied from competent evidence produced that there is a real grievance, it may direct that the same be remedied either by canceling the tax, if uncollected, together with all penalties charged thereon, or if the tax has been paid, by ordering a refund of the amount found to have been unlawfully charged and collected and interest at the rate prescribed by K.S.A. 79-2968, and amendments thereto, minus two percentage points.

In all cases where the identical property owned by any taxpayer has been assessed for the current tax year in more than one county in the state, the court is hereby given authority to determine which county is entitled to the assessment of the property and to charge legal taxes thereon, and if the taxes have been paid in a county not entitled thereto, the court is hereby empowered to direct the authorities of the county which has so unlawfully collected the taxes to refund the same to the taxpayer with all penalties charged thereon.

No tax grievance shall be considered by the state court of tax appeals unless the same is filed within four years from the date the tax would have become a lien on real estate.

In all cases where an error results in an understatement of values or taxes as a result of a mathematical miscomputation on the part of a county, the correction of the clerical errors listed in subsection (a), (c), (f) or (g) of K.S.A. 79-1701, and amendments thereto, the state court of tax appeals, if it shall be satisfied from competent evidence produced that there is an understatement as a result of a clerical error, may order an additional assessment or tax bill, or both, to be issued so that the proper value of the property in question is reflected, except that, in no such case shall the taxpayer be assessed interest or penalties on any tax which may be assessed. No increase shall be ordered to correct such error that extends back more than two years from the date of the most recent tax year. If such error applies to property which has been sold or otherwise transferred subsequent to the time the error was made, no such additional assessment or tax bill shall be issued.

Errors committed in the valuation and assessment process that are not specifically described in K.S.A. 79-1701, and amendments thereto, shall be remediable only under the provisions of K.S.A. 79-2005, and amendments thereto.

Sec. 17. On July 1, 2013, K.S.A. 2012 Supp. 79-2005 is hereby amended to read as follows: 79-2005. (a) Any taxpayer, before protesting the payment of such taxpayer's taxes, shall be required, either at the time of paying such taxes, or, if the whole or part of the taxes are paid prior to December 20, no later than December 20, or, with respect to taxes paid in whole or in part in an amount equal to at least ½ of such taxes on or before December 20 by an escrow or tax service agent, no later than January 31 of the next year, to file a written statement with the county treasurer, on forms approved by the state court of tax appeals and provided by the county treasurer, clearly stating the grounds on which the whole or any part of such taxes are protested and citing any law, statute or facts on which such taxpayer relies in protesting the whole or any part of such taxes. When the grounds of such protest is an assessment of taxes made pursuant to K.S.A. 79-332a and 79-1427a, and amendments thereto, the county treasurer may not
distribute the taxes paid under protest until such time as the appeal is final. When the grounds of such protest is that the valuation or assessment of the property upon which the taxes are levied is illegal or void, the county treasurer shall forward a copy of the written statement of protest to the county appraiser who shall within 15 days of the receipt thereof, schedule an informal meeting with the taxpayer or such taxpayer's agent or attorney with reference to the property in question. The county appraiser shall review the appraisal of the taxpayer's property with the taxpayer or such taxpayer's agent or attorney and may change the valuation of the taxpayer's property, if in the county appraiser's opinion a change in the valuation of the taxpayer's property is required to assure that the taxpayer's property is valued according to law, and shall, within 15 business days thereof, notify the taxpayer in the event the valuation of the taxpayer's property is changed, in writing of the results of the meeting. In the event the valuation of the taxpayer's property is changed and such change requires a refund of taxes and interest thereon, the county treasurer shall process the refund in the manner provided by subsection (l).

(b) No protest appealing the valuation or assessment of property shall be filed pertaining to any year's valuation or assessment when an appeal of such valuation or assessment was commenced pursuant to K.S.A. 79-1448, and amendments thereto, nor shall the second half payment of taxes be protested when the first half payment of taxes has been protested. Notwithstanding the foregoing, this provision shall not prevent any subsequent owner from protesting taxes levied for the year in which such property was acquired, nor shall it prevent any taxpayer from protesting taxes when the valuation or assessment of such taxpayer's property has been changed pursuant to an order of the director of property valuation.

(c) A protest shall not be necessary to protect the right to a refund of taxes in the event a refund is required because the final resolution of an appeal commenced pursuant to K.S.A. 79-1448, and amendments thereto, occurs after the final date prescribed for the protest of taxes.

(d) If the grounds of such protest shall be that the valuation or assessment of the property upon which the taxes so protested are levied is illegal or void, such statement shall further state the exact amount of valuation or assessment which the taxpayer admits to be valid and the exact portion of such taxes which is being protested.

(e) If the grounds of such protest shall be that any tax levy, or any part thereof, is illegal, such statement shall further state the exact portion of such tax which is being protested.

(f) Upon the filing of a written statement of protest, the grounds of which shall be that any tax levied, or any part thereof, is illegal, the county treasurer shall mail a copy of such written statement of protest to the state court of tax appeals and the governing body of the taxing district making the levy being protested.

(g) Within 30 days after notification of the results of the informal meeting with the county appraiser pursuant to subsection (a), the protesting taxpayer may, if aggrieved by the results of the informal meeting with the county appraiser, appeal such results to the state court of tax appeals.

(h) After examination of the copy of the written statement of protest and a copy of the written notification of the results of the informal meeting with the county appraiser in cases where the grounds of such protest is that the valuation or assessment of the property upon which the taxes are levied is illegal or void, the court shall conduct a
hearing in accordance with the provisions of the Kansas administrative procedure act, unless waived by the interested parties in writing. If the grounds of such protest is that the valuation or assessment of the property is illegal or void the court shall notify the county appraiser thereof.

(i) In the event of a hearing, the same shall be originally set not later than 90 days after the filing of the copy of the written statement of protest and a copy, when applicable, of the written notification of the results of the informal meeting with the county appraiser with the court. With regard to any matter properly submitted to the court relating to the determination of valuation of residential property or real property used for commercial and industrial purposes for taxation purposes, it shall be the duty of the county appraiser to initiate the production of evidence to demonstrate, by a preponderance of the evidence, the validity and correctness of such determination except that no such duty shall accrue to the county or district appraiser with regard to leased commercial and industrial property unless the property owner has furnished to the county or district appraiser a complete income and expense statement for the property for the three years next preceding the year of appeal. No presumption shall exist in favor of the county appraiser with respect to the validity and correctness of such determination. In all instances where the court sets a request for hearing and requires the representation of the county by its attorney or counselor at such hearing, the county shall be represented by its county attorney or counselor.

(j) When a determination is made as to the merits of the tax protest, the court shall render and serve its order thereon. The county treasurer shall notify all affected taxing districts of the amount by which tax revenues will be reduced as a result of a refund.

(k) If a protesting taxpayer fails to file a copy of the written statement of protest and a copy, when applicable, of the written notification of the results of the informal meeting with the county appraiser with the court within the time limit prescribed, such protest shall become null and void and of no effect whatsoever.

(l) (1) In the event the court orders that a refund be made pursuant to this section or the provisions of K.S.A. 79-1609, and amendments thereto, or a court of competent jurisdiction orders that a refund be made, and no appeal is taken from such order, or in the event a change in valuation which results in a refund pursuant to subsection (a), the county treasurer shall, as soon thereafter as reasonably practicable, refund to the taxpayer such protested taxes and, with respect to protests or appeals commenced after the effective date of this act, interest computed at the rate prescribed by K.S.A. 79-2968, and amendments thereto, minus two percentage points, per annum from the date of payment of such taxes from tax moneys collected but not distributed. Upon making such refund, the county treasurer shall charge the fund or funds having received such protested taxes, except that, with respect to that portion of any such refund attributable to interest the county treasurer shall charge the county general fund. In the event that the state court of tax appeals or a court of competent jurisdiction finds that any time delay in making its decision is unreasonable and is attributable to the taxpayer, it may order that no interest or only a portion thereof be added to such refund of taxes.

(2) No interest shall be allowed pursuant to paragraph (1) in any case where the tax paid under protest was inclusive of delinquent taxes.

(m) Whenever, by reason of the refund of taxes previously received or the reduction of taxes levied but not received as a result of decreases in assessed valuation, it will be impossible to pay for imperative functions for the current budget year, the
governing body of the taxing district affected may issue no-fund warrants in the amount necessary. Such warrants shall conform to the requirements prescribed by K.S.A. 79-2940, and amendments thereto, except they shall not bear the notation required by such section and may be issued without the approval of the state court of tax appeals. The governing body of such taxing district shall make a tax levy at the time fixed for the certification of tax levies to the county clerk next following the issuance of such warrants sufficient to pay such warrants and the interest thereon. All such tax levies shall be in addition to all other levies authorized by law.

(n) Whenever a taxpayer appeals to the court of tax appeals pursuant to the provisions of K.S.A. 79-1609, and amendments thereto, or pays taxes under protest related to one property whereby the assessed valuation of such property exceeds 5% of the total county assessed valuation of all property located within such county and the taxpayer receives a refund of such taxes paid under protest or a refund made pursuant to the provisions of K.S.A. 79-1609, and amendments thereto, the county treasurer or the governing body of any taxing subdivision within a county may request the pooled money investment board to make a loan to such county or taxing subdivision as provided in this section. The pooled money investment board is authorized and directed to loan to such county or taxing subdivision sufficient funds to enable the county or taxing subdivision to refund such taxes to the taxpayer. The pooled money investment board is authorized and directed to use any moneys in the operating accounts, investment accounts or other investments of the state of Kansas to provide the funds for such loan. Each loan shall bear interest at a rate equal to the net earnings rate of the pooled money investment portfolio at the time of the making of such loan. The total aggregate amount of loans under this program shall not exceed $50,000,000 of unencumbered funds pursuant to article 42 of chapter 75 of the Kansas Statutes Annotated, and amendments thereto. Such loan shall not be deemed to be an indebtedness or debt of the state of Kansas within the meaning of section 6 of article 11 of the constitution of the state of Kansas. Upon certification to the pooled money investment board by the county treasurer or governing body of the amount of each loan authorized pursuant to this subsection, the pooled money investment board shall transfer each such amount certified by the county treasurer or governing body from the state bank account or accounts prescribed in this subsection to the county treasurer who shall deposit such amount in the county treasury. Any such loan authorized pursuant to this subsection shall be repaid within four years. The county or taxing subdivision shall make not more than four equal annual tax levies at the time fixed for the certification of tax levies to the county clerk following the making of such loan sufficient to pay such loan within the time period required under such loan. All such tax levies shall be in addition to all other levies authorized by law.

(o) The county treasurer shall disburse to the proper funds all portions of taxes paid under protest and shall maintain a record of all portions of such taxes which are so protested and shall notify the governing body of the taxing district levying such taxes thereof and the director of accounts and reports if any tax protested was levied by the state.

(p) This statute shall not apply to the valuation and assessment of property assessed by the director of property valuation and it shall not be necessary for any owner of state assessed property, who has an appeal pending before the state court of tax appeals, to protest the payment of taxes under this statute solely for the purpose of protecting the
right to a refund of taxes paid under protest should that owner be successful in that appeal.

Sec. 18. On July 1, 2013, K.S.A. 2012 Supp. 79-3702 is hereby amended to read as follows: 79-3702. For the purposes of this act: (a) "Purchase price" means the consideration paid or given or contracted to be paid or given by any person to the seller of an article of tangible personal property for the article purchased. The term shall include, in addition to the consideration paid or given or contracted to be paid or given, the actual cost of transportation from the place where the article was purchased to the person using the same in this state. If a cash discount is allowed and taken on the sale it shall be deducted in arriving at the purchase price.

(b) The meaning ascribed to words and phrases in K.S.A. 79-3602, and amendments thereto, insofar as is practicable, shall be applicable herein unless otherwise provided. The provisions of K.S.A. 79-3601 to 79-3625, inclusive, 79-3650, K.S.A. 2012 Supp. 79-3693 and 79-3694, and amendments thereto, relating to enforcement, collection and administration, insofar as practicable, shall have full force and effect with respect to taxes imposed under the provisions of this act.

(c) "Use" means the exercise within this state by any person of any right or power over tangible personal property incident to the ownership of that property, except that it shall not include processing, or the sale of the property in the regular course of business, and except storage as hereinafter defined.

(d) "Storage" means any keeping or retaining in this state for any purpose except sale in the regular course of business or subsequent use solely outside this state of tangible personal property purchased from a retailer.

(e) "Storage" and "use" do not include the keeping, retaining or exercising of any right or power over tangible personal property shipped or brought into this state for the purpose of subsequently transporting it outside the state for use thereafter solely outside the state, or for the purpose of being processed, fabricated, or manufactured into, attached to or incorporated into, other tangible personal property to be transported outside the state and thereafter used solely outside the state.

(f) "Property used in processing" means: (1) Any tangible personal property which, when used in fabrication, compounding, manufacturing or germination, becomes an integral part of the new article resulting from such fabrication, compounding, manufacturing, or germination, and intended to be sold ultimately at retail; and (2) fuel which is consumed in creating power, heat, or steam for processing or for generating electric current.

(g) "Retailer" means every person engaged in the business of selling tangible personal property for use within the meaning of this act, except that, when in the opinion of the director it is necessary for the efficient administration of this act to regard any salesperson, representatives, truckers, peddlers or canvassers as the agents of the dealers, distributors, supervisors, employers or persons under whom they operate or from whom they obtain the tangible personal property sold by them, irrespective of whether they are making sales on their own behalf or on behalf of such dealers, distributors, supervisors, employers, or persons, the director may so regard them and may regard the dealers, distributors, supervisors, employers, or persons as retailers for the purposes of this act.

(h) (1) "Retailer doing business in this state" or any like term, means: (A) Any retailer having or maintaining in this state, permanently, temporarily, directly or
indirectly through a subsidiary, agent or representative, an office, distribution house, sales house, warehouse or other place of business;

(B) any retailer having utilizing an employee, independent contractor, agent, representative, salesperson, canvasser or solicitor or other person operating in this state either permanently or temporarily, under the authority of the retailer or its subsidiary, for the purpose of selling, delivering, installing, assembling, servicing, repairing, soliciting sales or the taking of orders for tangible personal property;

(C) any retailer, including a contractor, repair person or other service provider, who enters this state to perform services that are enumerated in K.S.A. 79-3603, and amendments thereto, and who is required to secure a retailer's sales tax registration certificate before performing those services;

(D) any retailer deriving rental receipts from a lease of tangible personal property situated in this state;

(E) any person having a franchisee or licensee operating under its trade name if the franchisee or the licensee is required to collect the tax under the Kansas retailers' sales tax act;

(F) any person regularly maintaining a stock of tangible personal property in this state for sale in the normal course of business; and

(G) any retailer who has any other contact with this state that would allow this state to require the retailer to collect and remit tax under the provisions of the constitution and laws of the United States.

(2) A retailer shall be presumed to be doing business in this state if any of the following occur:

(A) Both of the following conditions exist:

(i) The retailer holds a substantial ownership interest in, or is owned in whole or in substantial part by, a retailer maintaining a sales location in Kansas; and

(ii) the retailer sells the same or a substantially similar line of products as the related Kansas retailer and does so under the same or a substantially similar business name, or the Kansas facilities or Kansas employees of the related Kansas retailer are used to advertise, promote or facilitate sales by the retailer to consumers.

(B) The retailer holds a substantial ownership interest in, or is owned in whole or in substantial part by, a business that maintains a distribution house, sales house, warehouse or similar place of business in Kansas that delivers property sold by the retailer to consumers.

(C) For purposes of paragraphs (A) and (B):

(i) "Substantial ownership interest" means an interest in an entity that is not less than the degree of ownership of equity interest in an entity that is specified by Section 78p of Title 15 of the United States Code, or any successor to that statute, with respect to a person other than a director or officer; and

(ii) "Ownership" means and includes both direct ownership, and indirect ownership through a parent, subsidiary or affiliate. Any person, other than a common carrier acting in its capacity as such, that has nexus with the state sufficient to require such person to collect and remit taxes under the provisions of the constitution and laws of the United States if such person were making taxable retail sales of tangible personal property or services in this state:

(i) Sells the same or a substantially similar line of products as the retailer and does so under the same or a substantially similar business name;
(ii) maintains a distribution house, sales house, warehouse or similar place of business in Kansas that delivers or facilitates the sale or delivery of property sold by the retailer to consumers;

(iii) uses trademarks, service marks, or trade names in the state that are the same or substantially similar to those used by the retailer;

(iv) delivers, installs, assembles or performs maintenance services for the retailer's customers within the state;

(v) facilitates the retailer's delivery of property to customers in the state by allowing the retailer's customers to pick up property sold by the retailer at an office, distribution facility, warehouse, storage place or similar place of business maintained by the person in the state;

(vi) has a franchisee or licensee operating under its trade name if the franchisee or the licensee is required to collect the tax under the Kansas retailers' sales tax act; or

(vii) conducts any other activities in the state that are significantly associated with the retailer's ability to establish and maintain a market in the state for the retailer's sales.

(B) Any affiliated person conducting activities in this state described in subparagraph (A) or (C) has nexus with this state sufficient to require such person to collect and remit taxes under the provisions of the constitution and laws of the United States if such person were making taxable retail sales of tangible personal property or services in this state.

(C) The retailer enters into an agreement with one or more residents of this state under which the resident, for a commission or other consideration, directly or indirectly refers potential customers, whether by a link or an internet website, by telemarketing, by an in-person oral presentation, or otherwise, to the retailer, if the cumulative gross receipts from sales by the retailer to customers in the state who are referred to the retailer by all residents with this type of an agreement with the retailer is in excess of $10,000 during the preceding 12 months. This presumption may be rebutted by submitting proof that the residents with whom the retailer has an agreement did not engage in any activity within the state that was significantly associated with the retailer's ability to establish or maintain the retailer's market in the state during the preceding 12 months. Such proof may consist of sworn written statements from all of the residents with whom the retailer has an agreement stating that they did not engage in any solicitation in the state on behalf of the retailer during the preceding year, provided that such statements were provided and obtained in good faith. This subparagraph shall take effect 90 days after the enactment of this statute and shall apply to sales made and uses occurring on or after the effective date of this subparagraph and without regard to the date the retailer and the resident entered into the agreement described in this subparagraph. The term "preceding 12 months" as used in this subparagraph includes the 12 months commencing prior to the effective date of this subparagraph.

(D) The presumptions in subparagraphs (A) and (B) may be rebutted by demonstrating that the activities of the person or affiliated person in the state are not significantly associated with the retailer's ability to establish or maintain a market in this state for the retailer's sales.

(3) The processing of orders electronically, by fax, telephone, the internet or other electronic ordering process, does not relieve a retailer of responsibility for collection of the tax from the purchaser if the retailer is doing business in this state pursuant to this section.
(i) "Director" means the director of taxation.

(j) As used in this section, "affiliated person" means any person that is a member of the same "controlled group of corporations" as defined in section 1563(a) of the federal internal revenue code as the retailer or any other entity that, notwithstanding its form of organization, bears the same ownership relationship to the retailer as a corporation that is a member of the same "controlled group of corporations" as defined in section 1563(a) of the federal internal revenue code;"

And by renumbering sections accordingly;

WHEREAS, In 1965, United States Armed Forces ground combat units arrived in Vietnam; and
WHEREAS, By the end of 1965, there were 80,000 United States troops in Vietnam, and by 1969, a peak of approximately 543,000 troops was reached; and

WHEREAS, On March 30, 1973, the United States Armed Forces completed the withdrawal of combat units and combat support units from South Vietnam; and
WHEREAS, More than 58,000 members of the United States Armed Forces lost their lives in Vietnam and more than 300,000 members of the Armed Forces were wounded; and
WHEREAS, The Vietnam War was an extremely divisive issue among the people of the United States and was also a conflict that caused a generation of veterans to wait too long for the United States public to acknowledge and honor the efforts and services of such veterans; and
WHEREAS, Members of the United States Armed Forces who served bravely and faithfully for the United States during the Vietnam War were often wrongly criticized for the policy decisions made by four presidential administrations in the United States; and
WHEREAS, The establishment of a "Welcome Home Vietnam Veterans Day" would be an appropriate way to honor those members of the United States Armed Forces who served in South Vietnam and throughout Southeast Asia during the Vietnam War: Now, therefore,

Be it further resolved: That the people of Kansas are encouraged to observe "Welcome Home Vietnam Veterans Day" with appropriate ceremonies and activities that provide the appreciation Vietnam War veterans deserve but did not receive upon returning home from the war; and
Be it further resolved: That local communities are encouraged to promote opportunities for such veterans to assist younger veterans returning from the wars in Iraq and Afghanistan in rehabilitation from wounds, both seen and unseen, and to support the reintegration of younger veterans into civilian life; and

INTRODUCTION OF ORIGINAL MOTIONS AND HOUSE RESOLUTIONS

On emergency motion of Rep. Carlin, HR 6029, by Reps. Carlin and Phillips, as follows, was introduced and adopted:

A RESOLUTION congratulating and commending Kansas State University quarterback Collin Klein for his achievements on and off the football field.

WHEREAS, Collin Klein was born September 19, 1989, and played football for Loveland High School in Colorado and set school records for completion percentage and all-purpose yards; and

WHEREAS, Collin Klein was a coach before he was a quarterback. When his younger brother Kyle joined a flag football team, Collin assumed the role of defensive coordinator. He didn't start playing football until he was old enough for high school; and

WHEREAS, Collin Klein made his first career start at quarterback for Kansas State University in a win against the Texas Longhorns in 2010. Collin's leadership qualities lead him to be selected as a three-time team captain for K-State; and

WHEREAS, During his illustrious career, Collin Klein earned many awards. He was named a 2012 second team All-American by the Associated Press. He won the 2012 Johnny Unitas Golden Arm Award, the 2012 Kellen Moore Award and was named the 2012 Big 12 Offensive Player of the Year. He was a finalist for the Maxwell Award, the Davey O'Brien Award, the Walter Camp Player of the Year Award and the Manning Award; and

WHEREAS, Collin Klein set many records. He holds the K-State single-season records for most rushing touchdowns and for most rushing yards by a quarterback; and

WHEREAS, Collin Klein piled up close to 3,400 yards and 37 touchdowns during the 2012 football season while leading the K-State Wildcats to an 11-victory season and the program's first Big 12 Championship since 2003. He was invited to New York City as one of three finalists for the Heisman Trophy, college football's most prestigious award. He later played in the 2013 East-West Shrine Game; and

WHEREAS, When Collin Klein graced the cover of Sports Illustrated, it was so difficult to find a copy in Kansas and Colorado that the magazine had to re-release it; and

WHEREAS, Collin Klein was named to the 2012 Allstate AFCA Good Works Team. Out of 117 nominees, Collin was one of 22 players honored. He is the second K-State football player to receive the award in its 21-year history. He also was a finalist for the Senior CLASS Award; and

WHEREAS, Collin Klein was named to the Good Works Team for his various activities in the Manhattan community, such as work with the Fellowship of Christian Athletes, a local reading program, a Christmas food program and the Special Olympics.
For him, free time means community service. His selflessness, his faith, his leadership and his work ethic make him not only a special quarterback, but also a special community servant; and

WHEREAS, Collin Klein has various other talents beyond football. In high school he attended musical recitals, where he played the piano, violin and mandolin. He was a second team Academic All Big 12 member; and

WHEREAS, Collin Klein famously played through injuries and established himself as one of the toughest players in the nation. Collin had a unique way of viewing injuries as challenges. He fought through severely bruised ribs, a separated shoulder and a dinged-up ankle. His teammates long ago nicknamed him "Honey Badger," because much like the animal that became famous in a YouTube video for picking a fight with a rattlesnake, Collin Klein never backed down; and

WHEREAS, Collin Klein has three main priorities: God, family and football: Now, therefore,

Be it resolved by the House of Representatives of the State of Kansas: That we congratulate and commend Collin Klein for his numerous outstanding achievements both on and off the football field and thank him for his community service and for being a positive role model for young people across Kansas; and

Be it further resolved: That the Chief Clerk of the House of Representatives shall send an enrolled copy of this resolution to Representative Carlin and Representative Phillips.

There being no objection, the following remarks of Rep. Carlin are spread upon the Journal:

It is with Great Purple Pride that I introduce to you, K-State Quarterback, Collin Klein, a leader on and off the football field.

We saw in his first game as a Wildcat a new spark that would definitely leave a mark on K-State football.

His high school coach, brother of former Rep. Deena Horst, John Poovey says – “Collin Klein is one of the most amazing people that I have ever had the opportunity to work with in 41 years of coaching! ... Collin is driven, humble, a leader beyond expectation, focused, centered, well rounded, and a young man with a moral fiber that will amaze you!...”

K-Staters find Collin modest and confident, and he is loved and supported by the fans and student body alike.

We applaud you, Coach Bill Snyder, your teammates, and all the coaches for taking Kansas State to the 2012 Big 12 Championship and trip to the BCS Fiesta Bowl, and for being a finalist for the prestigious Heisman Trophy!

Thank you for your dedication and hard work! We wish you much success in all of your future endeavors.

MOTIONS AND RESOLUTIONS OFFERED ON A PREVIOUS DAY

On motion of Rep. Edwards, HR 6030, A RESOLUTION designating April 4 as "Welcome Home Vietnam Veterans Day," was adopted.

There being no objection, the following remarks of Reps. Meier, Gonzalez and Edwards are spread upon the Journal:

Remarks of Rep. Meier:
Welcome Home.

Many Vietnam War veterans have waited decades to hear those two words. This past weekend marked the 40th anniversary of the departure of US Forces from Vietnam - ending that conflict.

Unfortunately, 40 years ago, in a time of division over the Vietnam conflict, our fighting men were not always treated with the support and respect they deserved. Today our fellow veterans, our neighbors, and Kansas have worked to finally right that wrong.

In 2010, the Kansas Legislature created a Vietnam War Era Medallion to be issued to any Kansas veteran who served during the Vietnam Conflict and last year, the Vietnam Veteran license plate was finally available. These are just a couple of our humble attempts to recognize our veterans and their service to our nation.

I have with me, two of our own Vietnam Veterans currently serving in the Legislature, Representative Joe Edwards and Representative Ramon Gonzalez. They have joined me to help acknowledge our guests and their fellow Vietnam Veterans.

Remarks of Rep Gonzalez:

I am honored to introduce: Ray Calore, the Commander of the Kansas Veterans of Foreign Wars; Herbert Schwartzkopf, who is also the Adjutant –Quartermaster of the Kansas Veterans of Foreign Wars; Larry Meadows, a Past First District VFW Commander; Lynn Rolf, Jr, Vice President of Chapter 75 of the Kansas Vietnam Veterans of America in Leavenworth.

These quiet heroes slogged through jungles. We fought side by side. We helped our wounded comrades and watched helplessly as comrades died. Despite all this, Vietnam Veterans have always considered themselves just ordinary people. They are humble and patriotic Americans. All they asked for in return for their service was respect and dignity.

Remarks of Rep Edwards:

Despite the lack of respect they received 40 years ago, Vietnam Veterans fight today to honor and assist the young returning veterans from the wars since 9-11. Through their dedication and service, our nation and our state has recognized that we must separate the war from the warrior.

We do not celebrate war. We historically recognize war. We celebrate our warriors who put their lives on the line to protect us and our way of life. We remember that the
character of a nation is measured in how it treats its veterans.

CONFERENCE COMMITTEE REPORT

MADAM PRESIDENT and MR. SPEAKER: Your committee on conference on Senate amendments to HB 2043 submits the following report:

The House accedes to all Senate amendments to the bill, and your committee on conference further agrees to amend the bill, as printed as Senate Substitute for House Bill No. 2043, as follows:

On page 1, following line 5, by inserting:

"Section 1. K.S.A. 2012 Supp. 21-6617 is hereby amended to read as follows: 21-6617. (a) If a defendant is charged with capital murder, the county or district attorney shall file written notice if such attorney intends, upon conviction of the defendant, to request a separate sentencing proceeding to determine whether the defendant should be sentenced to death. In cases where the county or district attorney or a court determines that a conflict exists, such notice may be filed by the attorney general. Such notice shall be filed with the court and served on the defendant or the defendant's attorney not later than seven days after the time of arraignment. If such notice is not filed and served as required by this subsection, the county or district prosecuting attorney may not request
such a sentencing proceeding and the defendant, if convicted of capital murder, shall be sentenced to life without the possibility of parole, and no sentence of death shall be imposed hereunder.

(b) Except as provided in K.S.A. 2012 Supp. 21-6618 and 21-6622, and amendments thereto, upon conviction of a defendant of capital murder, the court, upon motion of the county or district prosecuting attorney, shall conduct a separate sentencing proceeding to determine whether the defendant shall be sentenced to death. The proceeding shall be conducted by the trial judge before the trial jury as soon as practicable. If any person who served on the trial jury is unable to serve on the jury for the sentencing proceeding, the court shall substitute an alternate juror who has been impaneled for the trial jury. If there are insufficient alternate jurors to replace trial jurors who are unable to serve at the sentencing proceeding, the trial judge may summon a special jury of 12 persons which shall determine the question of whether a sentence of death shall be imposed. Jury selection procedures, qualifications of jurors and grounds for exemption or challenge of prospective jurors in criminal trials shall be applicable to the selection of such special jury. The jury at the sentencing proceeding may be waived in the manner provided by K.S.A. 22-3403, and amendments thereto, for waiver of a trial jury. If the jury at the sentencing proceeding has been waived or the trial jury has been waived, the sentencing proceeding shall be conducted by the court.

(c) In the sentencing proceeding, evidence may be presented concerning any matter that the court deems relevant to the question of sentence and shall include matters relating to any of the aggravating circumstances enumerated in K.S.A. 2012 Supp. 21-6624, and amendments thereto, and any mitigating circumstances. Any such evidence which the court deems to have probative value may be received regardless of its admissibility under the rules of evidence, provided that the defendant is accorded a fair opportunity to rebut any hearsay statements. Only such evidence of aggravating circumstances as the state has made known to the defendant prior to the sentencing proceeding shall be admissible, and no evidence secured in violation of the constitution of the United States or of the state of Kansas shall be admissible. No testimony by the defendant at the sentencing proceeding shall be admissible against the defendant at any subsequent criminal proceeding. At the conclusion of the evidentiary presentation, the court shall allow the parties a reasonable period of time in which to present oral argument.

(d) At the conclusion of the evidentiary portion of the sentencing proceeding, the court shall provide oral and written instructions to the jury to guide its deliberations.

(e) If, by unanimous vote, the jury finds beyond a reasonable doubt that one or more of the aggravating circumstances enumerated in K.S.A. 2012 Supp. 21-6624, and amendments thereto, exist and, further, that the existence of such aggravating circumstances is not outweighed by any mitigating circumstances which are found to exist, the defendant shall be sentenced to death; otherwise, the defendant shall be sentenced to life without the possibility of parole. The jury, if its verdict is a unanimous recommendation of a sentence of death, shall designate in writing, signed by the foreman of the jury, the statutory aggravating circumstances which it found beyond a reasonable doubt. If, after a reasonable time for deliberation, the jury is unable to reach a verdict, the judge shall dismiss the jury and impose a sentence of life without the possibility of parole and shall commit the defendant to the custody of the secretary of corrections. In nonjury cases, the court shall follow the requirements of this subsection
in determining the sentence to be imposed.

(f) Notwithstanding the verdict of the jury, the trial court shall review any jury verdict imposing a sentence of death hereunder to ascertain whether the imposition of such sentence is supported by the evidence. If the court determines that the imposition of such a sentence is not supported by the evidence, the court shall modify the sentence and sentence the defendant to life without the possibility of parole, and no sentence of death shall be imposed hereunder. Whenever the court enters a judgment modifying the sentencing verdict of the jury, the court shall set forth its reasons for so doing in a written memorandum which shall become part of the record.

(g) A defendant who is sentenced to imprisonment for life without the possibility of parole shall spend the remainder of the defendant's natural life incarcerated and in the custody of the secretary of corrections. A defendant who is sentenced to imprisonment for life without the possibility of parole shall not be eligible for parole, probation, assignment to a community correctional services program, conditional release, postrelease supervision, or suspension, modification or reduction of sentence. Upon sentencing a defendant to imprisonment for life without the possibility of parole, the court shall commit the defendant to the custody of the secretary of corrections and the court shall state in the sentencing order of the judgment form or journal entry, whichever is delivered with the defendant to the correctional institution, that the defendant has been sentenced to imprisonment for life without the possibility of parole.

And by redesignating sections accordingly;

Also on page 1, in line 22, following "Supp." by inserting "21-6617 and"; also in line 22, by striking "is" and inserting "are";

FIFTY-FOURTH DAY

The House met pursuant to adjournment with Speaker pro tem Mast in the chair.

The roll was called with 121 members present.
Reps. Osterman and Tietze were excused on verified illness.

Prayer by guest chaplain, the Rev. David C. Fulton, pastor, St. Paul's Lutheran Church, Wichita, and guest of Rep. Dillmore:

The world is charged with the grandeur of God, Good and Gracious God, this moment is charged with your grandeur as we gather for prayer – calm our minds, open our hearts as we gather in your Presence.. the Psalmist sings out your truth in Psalm 112…

5 It is well with those who deal generously.. who conduct their affairs with justice.

6 For the righteous will never be moved; they will be remembered for ever.

7 They are not afraid of evil tidings; their hearts are firm, secure in the LORD.

8 Their hearts are steady, they will not be afraid; in the end they will look in triumph on their foes. 9 They have distributed freely, they have given to the poor; their righteousness endures for ever; their horn is exalted in honor.

O God, in your perspective, all are your children, all are precious to you, all deserve justice and well-being. As we gather in this space, there is work to be done, it is the work of the people, it is the work for the people, it is the work of justice. As the Kansas farmer finishes the day, takes off his gloves, puts and hands on his hips and looks out with gratitude on the land, so, all who gather here finish their days work with gratitude to thee. Hands on hips, they look over the work that has been accomplished. All here know gracious One, all here
know that at the end of the day, it’s not about winning and losing, it’s not about the governor, nor the conservatives, nor the moderates, nor the democrats, it’s about the people, all the people, about the old, the vulnerable, the wealthy and the poor, it’s about the children, the children, the children. At the end of the day, it’s about doing justice, loving kindness and walking humbly with thee. Holy One, bless this day, bless the hearts of all who labor in this field of justice. We thank and praise you for Kansas, for the gift of our mid-western hard working and common sense heritage. We are Kansans, we are Shockers! This moment is charged with your grandeur O God, and all God’s people say AMEN!

The Pledge of Allegiance was led by Rep. Bollier.

CONFERENCE COMMITTEE REPORT

MADAM PRESIDENT and MR. SPEAKER: Your committee on conference on House amendments to SB 129 submits the following report:
The Senate accedes to all House amendments to the bill, and your committee on
conference further agrees to amend the bill, as printed with House Committee amendments, as follows:

On page 1, by striking all in lines 7 through 34;
By striking all on pages 2 through 24 and inserting the following:

"Section 1. K.S.A. 16-207 is hereby amended to read as follows: 16-207. (a) Subject to the following provision, the parties to any bond, bill, promissory note or other instrument of writing for the payment or forbearance of money may stipulate therein for interest receivable upon the amount of such bond, bill, note or other instrument of writing, at a rate not to exceed 15% per annum unless otherwise specifically authorized by law.

(b) The interest rate limitation set forth in this subsection applies to all first mortgage loans and contracts for deed to real estate, unless the parties agree in writing to make the transaction subject to the uniform consumer credit code, K.S.A. 16a-1-101 to 16a-9-102, and amendments thereto. The interest rate limitation set forth in this subsection does not apply to a second mortgage loan governed by the uniform consumer credit code, K.S.A. 16a-1-101 to 16a-9-102, and amendments thereto, unless the lender and the borrower agree in writing that the interest rate for the loan is to be governed by this subsection. The maximum rate of interest per annum for notes secured by real estate mortgages and contracts for deed to real estate governed by this subsection shall be at an amount equal to 1 1/2 percentage points above the yield of thirty year fixed rate conventional home mortgages committed for delivery within 61 to 90 days accepted under the federal home loan mortgage corporation's daily offerings for sale on the last day on which commitments for such mortgages were received in the preceding month unless otherwise specifically authorized by law. Such interest rate shall be computed for each calendar month and be effective on the first day thereof. The secretary of state shall publish notice of such maximum interest rate not later than the second issue of the Kansas register published each month.

(e) No penalty shall be assessed against any party for prepayment of any home loan evidenced by a note secured by a real estate mortgage where such prepayment is made more than six months after execution of such note.

(d) The lender may collect from the borrower:
1. The actual fees paid a public official or agency of the state, or federal government, for filing, recording or releasing any instrument relating to a loan subject to the provisions of this section; and
2. reasonable expenses incurred by the lender in connection with the making, closing, disbursing, extending, readjusting or renewing of loans subject to the provisions of this section.

(e) Any person so contracting for a greater rate of interest than that authorized by this section shall forfeit all interest so contracted for in excess of the amount authorized under this section; and in addition thereto shall forfeit a sum of money, to be deducted from the amount due for principal and lawful interest, equal to the amount of interest contracted for in excess of the amount authorized by this section and such amounts may be set up as a defense or counterclaim in any action to enforce the collection of such obligation and the borrower shall also recover a reasonable attorney fee.

(c) The interest rates prescribed in subsections (a) and (b) of this section shall not apply to a business or agricultural loan. For the purpose of this
section unless a loan is made primarily for personal, family or household purposes, the loan shall be considered a business or agricultural loan. For the purpose of this subsection, a business or agricultural loan shall include credit sales and notes secured by contracts for deed to real estate.

(a) Loans made by a qualified plan, as defined in section 401 of the internal revenue code, to an individual participant in such plan or to a member of the family of such individual participant, are not subject to the interest rates prescribed in subsections (a) and (b) of this section.

(b) The interest rates prescribed in subsections (a) and (b) of this section shall not apply to a note secured by a real estate mortgage or a contract for deed to real estate where the note or contract for deed permits adjustment of the interest rate, the term of the loan or the amortization schedule.

(c) A first mortgage loan incurred for personal, family or household purposes may be subject to certain provisions of the uniform consumer credit code, K.S.A. 16a-1-101 to 16a-9-102, and amendments thereto, as follows:

1. Certain high loan-to-value first mortgage loans are subject to the provisions of the uniform consumer credit code, other than its usury provisions. Examples of provisions of the uniform consumer credit code applicable to high loan-to-value first mortgage loans include, but are not limited to: Limitations on prepaid finance charges; mandatory appraisals; required disclosures; restrictions on balloon payments and negative amortization; limitations on late fees and collection costs; and mandatory default notices and cure rights.

2. Certain high interest rate first mortgage loans are subject to certain provisions of the uniform consumer credit code, including, without limitation, provisions which impose restrictions on balloon payments and negative amortization.

3. If the parties to a first mortgage loan agree in writing to make the transaction subject to the uniform consumer credit code, than all applicable provisions of the uniform consumer credit code, including its usury provisions, apply to the loan.

This subsection is for informational purposes only and does not limit or expand the scope of the uniform consumer credit code.

Sec. 2. K.S.A. 16-207 and K.S.A. 16-207, as amended by 2013 Senate Bill No. 52 are hereby repealed.

Sec. 3. This act shall take effect and be in force from and after its publication in the statute book.";

CONFERENCE COMMITTEE REPORT

MADAM PRESIDENT and MR. SPEAKER: Your committee on conference on House amendments to SB 187 submits the following report:

The Senate accedes to all House amendments to the bill, and your committee on conference further agrees to amend the bill, as printed with House Committee amendments, as follows:

On page 26, following line 11, by inserting the following:

"Sec. 7. K.S.A. 2012 Supp. 2-224a is hereby amended to read as follows: 2-224a. (a) Notwithstanding the provisions of K.S.A. 44-576, and amendments thereto, the state fair board is hereby authorized to purchase workers compensation insurance from an admitted carrier. Any contract for the purchase of workers compensation insurance entered into by the state fair board shall be purchased in the manner prescribed for the purchase of supplies, materials, equipment and contractual services as provided in K.S.A. 75-3738 through 75-3744, and amendments thereto, and any such contract having a premium or rate in excess of $500 shall be purchased on the basis of sealed bids. Such contract shall not be subject to the provisions of K.S.A. 75-4101 through 75-4114 and K.S.A. 2012 Supp. 75-4125, and amendments thereto.

(b) If the state fair board enters into a contract for the purchase of workers compensation insurance as described in subsection (a), from and after the end of the payroll period in which such workers compensation policy takes effect, the state fair board shall not be subject to the self-insurance assessment prescribed by K.S.A. 44-576, and amendments thereto, and the director of accounts and reports shall cease to transfer any amounts for such self-assessment for the state fair board pursuant to such statute, except that any moneys paid relating to existing claims with the state workers compensation self-insurance fund made by the state fair board shall be assessed to the state fair board until all such claims have been closed and settled.

(c) Notwithstanding the provisions of K.S.A. 44-575, and amendments thereto, if the state fair board enters into a contract for the purchase of workers compensation insurance as described in subsection (a), the state workers compensation self-insurance fund shall not be liable for any compensation claims under the workers compensation act relating to the state fair board and arising during the term of such contract, or for any other amounts otherwise required to be paid under the workers compensation act during the term of such contract.

(d) The state fair board shall notify the secretary of administration and the secretary of health and environment of the effective date of any workers compensation policy acquired pursuant to this section.

Sec. 8. K.S.A. 2012 Supp. 44-510d is hereby amended to read as follows: 44-
(a) Where disability, partial in character but permanent in quality, results from the injury, the injured employee shall be entitled to the compensation provided in K.S.A. 44-510h and 44-510i, and amendments thereto. The injured employee may be entitled to payment of temporary total disability as defined in K.S.A. 44-510c, and amendments thereto, or temporary partial disability as defined in subsection (a)(1) of K.S.A. 44-510e, and amendments thereto, provided that the injured employee shall not be entitled to any other or further compensation for or during the first week following the injury unless such disability exists for three consecutive weeks, in which event compensation shall be paid for the first week. Thereafter compensation shall be paid for temporary total or temporary partial disability as provided in the following schedule, 66\(\frac{2}{3}\)% of the average weekly wages to be computed as provided in K.S.A. 44-511, and amendments thereto, except that in no case shall the weekly compensation be more than the maximum as provided for in K.S.A. 44-510c, and amendments thereto.

(b) If there is an award of permanent disability as a result of the injury there shall be a presumption that disability existed immediately after the injury and compensation is to be paid for not to exceed the number of weeks allowed in the following schedule:

1. For loss of a thumb, 60 weeks.
2. For the loss of a first finger, commonly called the index finger, 37 weeks.
3. For the loss of a second finger, 30 weeks.
4. For the loss of a third finger, 20 weeks.
5. For the loss of a fourth finger, commonly called the little finger, 15 weeks.
6. Loss of the first phalange of the thumb or of any finger shall be considered to be equal to the loss of \(\frac{1}{2}\) of such thumb or finger, and the compensation shall be \(\frac{1}{2}\) of the amount specified above. The loss of the first phalange and any part of the second phalange of any finger, which includes the loss of any part of the bone of such second phalange, shall be considered to be equal to the loss of \(\frac{2}{3}\) of such finger and the compensation shall be \(\frac{2}{3}\) of the amount specified above. The loss of the first phalange and any part of the second phalange of a thumb which includes the loss of any part of the bone of such second phalange, shall be considered to be equal to the loss of the entire thumb. The loss of the first and second phalanges and any part of the third proximal phalange of any finger, shall be considered as the loss of the entire finger. Amputation through the joint shall be considered a loss to the next higher schedule.
7. For the loss of a great toe, 30 weeks.
8. For the loss of any toe other than the great toe, 10 weeks.
9. The loss of the first phalange of any toe shall be considered to be equal to the loss of \(\frac{1}{2}\) of such toe and the compensation shall be \(\frac{1}{2}\) of the amount above specified.
10. The loss of more than one phalange of a toe shall be considered to be equal to the loss of the entire toe.
11. For the loss of a hand, 150 weeks.
12. For the loss of a forearm, 200 weeks.
13. For the loss of an arm, excluding the shoulder joint, shoulder girdle, shoulder musculature or any other shoulder structures, 210 weeks, and for the loss of an arm, including the shoulder joint, shoulder girdle, shoulder musculature or any other shoulder structures, 225 weeks.
14. For the loss of a foot, 125 weeks.
15. For the loss of a lower leg, 190 weeks.
16. For the loss of a leg, 200 weeks.
(17) For the loss of an eye, or the complete loss of the sight thereof, 120 weeks.

(18) Amputation or severance below the wrist shall be considered as the loss of a hand. Amputation at the wrist and below the elbow shall be considered as the loss of the forearm. Amputation at or above the elbow shall be considered loss of the arm. Amputation below the ankle shall be considered loss of the foot. Amputation at or above the knee shall be considered as loss of the leg.

(19) For the complete loss of hearing of both ears, 110 weeks.

(20) For the complete loss of hearing of one ear, 30 weeks.

(21) Permanent loss of the use of a finger, thumb, hand, shoulder, arm, forearm, toe, foot, leg or lower leg or the permanent loss of the sight of an eye or the hearing of an ear, shall be equivalent to the loss thereof. For the permanent partial loss of the use of a finger, thumb, hand, shoulder, arm, toe, foot or leg, or the sight of an eye or the hearing of an ear, compensation shall be paid as provided for in K.S.A. 44-510c, and amendments thereto, per week during that proportion of the number of weeks in the foregoing schedule provided for the loss of such finger, thumb, hand, shoulder, arm, toe, foot or leg or the sight of an eye or the hearing of an ear, which partial loss thereof bears to the total loss of a finger, thumb, hand, shoulder, arm, toe, foot or leg, or the sight of an eye or the hearing of an ear; but in no event shall the compensation payable hereunder for such partial loss exceed the compensation payable under the schedule for the total loss of such finger, thumb, hand, arm, toe, foot or leg, or the sight of an eye or the hearing of an ear, exclusive of the healing period. As used in this paragraph (21), "shoulder" means the shoulder joint, shoulder girdle, shoulder musculature or any other shoulder structures.

(22) For traumatic hernia, compensation shall be limited to the compensation under K.S.A. 44-510h and 44-510i, and amendments thereto, compensation for temporary total disability during such period of time as such employee is actually unable to work on account of such hernia, and, in the event such hernia is inoperable, weekly compensation during 12 weeks, except that, in the event that such hernia is operable, the unreasonable refusal of the employee to submit to an operation for surgical repair of such hernia shall deprive such employee of any benefits under the workers compensation act.

(23) Loss of or loss of use of a scheduled member shall be based upon permanent impairment of function to the scheduled member as determined using the fourth edition of the American medical association guides to the evaluation of permanent impairment, if the impairment is contained therein, until January 1, 2015, but for injuries occurring on and after January 1, 2015, shall be determined by using the sixth edition of the American medical association guides to the evaluation of permanent impairment, if the impairment is contained therein.

(24) Where an injury results in the loss of or loss of use of more than one scheduled member within a single extremity, the functional impairment attributable to each scheduled member shall be combined pursuant to the fourth edition of the American medical association guides for evaluation of permanent impairment until January 1, 2015, but for injuries occurring on and after January 1, 2015, shall be combined pursuant to the sixth edition of the American medical association guides to the evaluation of permanent impairment, and compensation awarded shall be calculated to the highest scheduled member actually impaired.
(c) Whenever the employee is entitled to compensation for a specific injury under the foregoing schedule, the same shall be exclusive of all other compensation except the benefits provided in K.S.A. 44-510h and 44-510i, and amendments thereto, and no additional compensation shall be allowable or payable for any temporary or permanent, partial or total disability, except that the director, in proper cases, may allow additional compensation during the actual healing period, following amputation. The healing period shall not be more than 10% of the total period allowed for the scheduled injury in question nor in any event for longer than 15 weeks. The return of the employee to the employee's usual occupation shall terminate the healing period.

(d) The amount of compensation for permanent partial disability under this section shall be determined by multiplying the payment rate by the weeks payable. As used in this section:

1. Payment rate shall be the lesser of:
   (A) The amount determined by multiplying the average weekly wage of the worker prior to such injury by 66\(^{2/3}\)%; or
   (B) The maximum provided in K.S.A. 44-510c, and amendments thereto;

2. Weeks payable shall be determined as follows: (A) Determine the weeks of benefits provided for the injury on schedule; (B) determine the weeks of temporary compensation paid by adding the amounts of temporary total and temporary partial disability compensation paid and dividing the sum by the payment rate above; (C) subtract the weeks of temporary compensation calculated in (d)(2)(B) from the weeks of benefits provided for the injury as determined in (d)(2)(A); and (D) multiply the weeks as determined in (d)(2)(C) by the percentage of permanent partial impairment of function as determined under subsection (b)(23).

The resulting award shall be paid for the number of weeks at the payment rate until fully paid or modified. Under no circumstances shall the period of permanent partial disability run concurrently with the period of temporary total or temporary partial disability.

Sec. 9. K.S.A. 2012 Supp. 44-510e is hereby amended to read as follows: 44-510e.

(a) In case of whole body injury resulting in temporary or permanent partial general disability not covered by the schedule in K.S.A. 44-510d, and amendments thereto, the employee shall receive weekly compensation as determined in this subsection during the period of temporary or permanent partial general disability not exceeding a maximum of 415 weeks.

1. Weekly compensation for temporary partial general disability shall be 66\(^{2/3}\)% of the difference between the average weekly wage that the employee was earning prior to the date of injury and the amount the employee is actually earning after such injury in any type of employment. In no case shall such weekly compensation exceed the maximum as provided for in K.S.A. 44-510c, and amendments thereto.

2. (A) Permanent partial general disability exists when the employee is disabled in a manner which is partial in character and permanent in quality and which is not covered by the schedule in K.S.A. 44-510d, and amendments thereto. Compensation for permanent partial general disability shall also be paid as provided in this section where an injury results in:

   (i) The loss of or loss of use of a shoulder, arm, forearm or hand of one upper extremity, combined with the loss of or loss of use of a shoulder, arm, forearm or hand of the other upper extremity;

   (ii) the loss of or loss of use of a leg, lower leg or foot of one lower extremity,
combined with the loss of or loss of use of a leg, lower leg or foot of the other lower extremity; or

(iii) the loss of or loss of use of both eyes.

(B) The extent of permanent partial general disability shall be the percentage of functional impairment the employee sustained on account of the injury as established by competent medical evidence and based on the fourth edition of the American medical association guides to the evaluation of permanent impairment, if the impairment is contained therein, until January 1, 2015, but for injuries occurring on and after January 1, 2015, based on the sixth edition of the American medical association guides to the evaluation of permanent impairment, if the impairment is contained therein.

(C) An employee may be eligible to receive permanent partial general disability compensation in excess of the percentage of functional impairment ("work disability") if:

(i) The percentage of functional impairment determined to be caused solely by the injury exceeds 7½% to the body as a whole or the overall functional impairment is equal to or exceeds 10% to the body as a whole in cases where there is preexisting functional impairment; and

(ii) the employee sustained a post-injury wage loss, as defined in subsection (a) (2)(E) of K.S.A. 44-510e, and amendments thereto, of at least 10% which is directly attributable to the work injury and not to other causes or factors.

In such cases, the extent of work disability is determined by averaging together the percentage of post-injury task loss demonstrated by the employee to be caused by the injury and the percentage of post-injury wage loss demonstrated by the employee to be caused by the injury.

(D) "Task loss" shall mean the percentage to which the employee, in the opinion of a licensed physician, has lost the ability to perform the work tasks that the employee performed in any substantial gainful employment during the five-year period preceding the injury. The permanent restrictions imposed by a licensed physician as a result of the work injury shall be used to determine those work tasks which the employee has lost the ability to perform. If the employee has preexisting permanent restrictions, any work tasks which the employee would have been deemed to have lost the ability to perform, had a task loss analysis been completed prior to the injury at issue, shall be excluded for the purposes of calculating the task loss which is directly attributable to the current injury.

(E) "Wage loss" shall mean the difference between the average weekly wage the employee was earning at the time of the injury and the average weekly wage the employee is capable of earning after the injury. The capability of a worker to earn post-injury wages shall be established based upon a consideration of all factors, including, but not limited to, the injured worker's age, physical capabilities, education and training, prior experience, and availability of jobs in the open labor market. The administrative law judge shall impute an appropriate post-injury average weekly wage based on such factors. Where the employee is engaged in post-injury employment for wages, there shall be a rebuttable presumption that the average weekly wage an injured worker is actually earning constitutes the post-injury average weekly wage that the employee is capable of earning. The presumption may be overcome by competent evidence.

(i) To establish post-injury wage loss, the employee must have the legal capacity to enter into a valid contract of employment. Wage loss caused by voluntary resignation
or termination for cause shall in no way be construed to be caused by the injury.

(ii) The actual or projected weekly value of any employer-paid fringe benefits are to be included as part of the worker's post-injury average weekly wage and shall be added to the wage imputed by the administrative law judge pursuant to K.S.A. 44-510e(a)(2)(E), and amendments thereto.

(iii) The injured worker's refusal of accommodated employment within the worker's medical restrictions as established by the authorized treating physician and at a wage equal to 90% or more of the pre-injury average weekly wage shall result in a rebuttable presumption of no wage loss.

(F) The amount of compensation for whole body injury under this section shall be determined by multiplying the payment rate by the weeks payable. As used in this section: (1) The payment rate shall be the lesser of: (A) The amount determined by multiplying the average weekly wage of the worker prior to such injury by 66\(\frac{2}{3}\)%; or (B) the maximum provided in K.S.A. 44-510c, and amendments thereto; (2) weeks payable shall be determined as follows: (A) Determine the weeks of temporary compensation paid by adding the amounts of temporary total and temporary partial disability compensation paid and dividing the sum by the payment rate above; (B) subtract from 415 weeks the total number of weeks of temporary compensation paid as determined in (F)(2)(A), excluding the first 15 such weeks; and (3) multiply the number of weeks as determined in (F)(2)(B) by the percentage of functional impairment pursuant to subsection (a)(2)(B) or the percentage of work disability pursuant to subsection (a)(2)(C), whichever is applicable.

(3) When an injured worker is eligible to receive an award of work disability, compensation is limited to the value of the work disability as calculated above. In no case shall functional impairment and work disability be awarded together.

The resulting award shall be paid for the number of disability weeks at the payment rate until fully paid or modified. In any case of permanent partial disability under this section, the employee shall be paid compensation for not to exceed 415 weeks following the date of such injury. If there is an award of permanent disability as a result of the compensable injury, there shall be a presumption that disability existed immediately after such injury. Under no circumstances shall the period of permanent partial disability run concurrently with the period of temporary total or temporary partial disability.

(b) If an employee has sustained an injury for which compensation is being paid, and the employee's death is caused by other and independent causes, any payment of compensation already due the employee at the time of death and then unpaid shall be paid to the employee's dependents directly or to the employee's legal representatives if the employee left no dependent, but the liability of the employer for the payments of compensation not yet due at the time of the death of such employee shall cease and be abrogated by the employee's death.

(c) The total amount of compensation that may be allowed or awarded an injured employee for all injuries received in any one accident shall in no event exceed the compensation which would be payable under the workers compensation act for 100% permanent total disability resulting from such accident.

(d) Where a minor employee or a minor employee's dependents are entitled to compensation under the workers compensation act, such compensation shall be exclusive of all other remedies or causes of action for such injury or death, and no claim
or cause of action against the employer shall inure or accrue to or exist in favor of the parent or parents of such minor employee on account of any damage resulting to such parent or parents on account of the loss of earnings or loss of service of such minor employee.

employee's dependents are entitled to compensation under the workers compensation act, such compensation shall be exclusive of all other remedies or causes of action for such injury or death, and no claim or action shall inure, accrue to or exist in favor of the surviving spouse or any relative or next of kin of such employee against such employer on account of any damage resulting to such surviving spouse or any relative or next of kin on account of the loss of earnings, services, or society of such employee or on any other account resulting from or growing out of the injury or death of such employee.

Sec. 10. K.S.A. 44-512 is hereby amended to read as follows: 44-512. Workers compensation payments shall be made at the same time, place and in the same manner as the wages of the worker were payable at the time of the accident, but upon the application of either party the administrative law judge may modify such requirements in a particular case as the administrative law judge deems just, except that: (a) Payments from the workers compensation fund established by K.S.A. 44-566a, and amendments thereto, shall be made in the manner approved by the commissioner of insurance; (b) payments from the state workers compensation self-insurance fund established by K.S.A. 44-575, and amendments thereto, shall be made in a manner approved by the secretary of administration health and environment; and (c) whenever temporary total disability compensation is to be paid under the workers compensation act, payments shall be made only in cash, by check or in the same manner that the employee is normally compensated for salary or wages and not by any other means, except that any such compensation may be paid by warrant of the director of accounts and reports issued for payment of such compensation from the workers compensation fund or the state workers compensation self-insurance fund under the workers compensation act.

Sec. 11. K.S.A. 2012 Supp. 44-520 is hereby amended to read as follows: 44-520. (a) (1) Proceedings for compensation under the workers compensation act shall not be maintainable unless notice of injury by accident or repetitive trauma is given to the employer by the earliest of the following dates:

(A) 30 calendar days from the date of accident or the date of injury by repetitive trauma;

(B) if the employee is working for the employer against whom benefits are being sought and such employee seeks medical treatment for any injury by accident or repetitive trauma, 20 calendar days from the date such medical treatment is sought; or

(C) if the employee no longer works for the employer against whom benefits are being sought, 20 calendar days after the employee's last day of actual work for the employer.

Notice may be given orally or in writing.

(2) Where notice is provided orally, if the employer has designated an individual or department to whom notice must be given and such designation has been communicated in writing to the employee, notice to any other individual or department shall be insufficient under this section. If the employer has not designated an individual or department to whom notice must be given, notice must be provided to a supervisor or manager.
(3) Where notice is provided in writing, notice must be sent to a supervisor or manager at the employee's principal location of employment. The burden shall be on the employee to prove that such notice was actually received by the employer.

(4) The notice, whether provided orally or in writing, shall include the time, date, place, person injured and particulars of such injury. It must be apparent from the content of the notice that the employee is claiming benefits under the workers compensation act or has suffered a work-related injury.

(b) The notice required by subsection (a) shall be waived if the employee proves that: (1) The employer or the employer's duly authorized agent had actual knowledge of the injury; (2) the employer or the employer's duly authorized agent was unavailable to receive such notice within the applicable period as provided in paragraph (1) of subsection (a); or (3) the employee was physically unable to give such notice.

(c) For the purposes of calculating the notice period proscribed in subsection (a), weekends shall be included.

Sec. 12. K.S.A. 2012 Supp. 44-523 is hereby amended to read as follows: 44-523.

(a) The director, administrative law judge or board shall not be bound by technical rules of procedure, but shall give the parties reasonable opportunity to be heard and to present evidence, ensure the employee and the employer an expeditious hearing and act reasonably without partiality.

(b) Whenever a party files an application for hearing pursuant to K.S.A. 44-534, and amendments thereto, the matter shall be assigned to an administrative law judge for hearing and the administrative law judge shall set a terminal date to require the claimant to submit all evidence in support of the claimant's claim no later than 30 days after the first full hearing before the administrative law judge and to require the respondent to submit all evidence in support of the respondent's position no later than 30 days thereafter. An extension of the foregoing time limits shall be granted if all parties agree. An extension of the foregoing time limits may also be granted:

(1) If the employee is being paid temporary or permanent total disability compensation;

(2) for medical examination of the claimant if the party requesting the extension explains in writing to the administrative law judge facts showing that the party made a diligent effort but was unable to have a medical examination conducted prior to the submission of the case by the claimant but then only if the examination appointment was set and notice of the appointment sent prior to submission by the claimant; or

(3) on application for good cause shown.

(c) When all parties have submitted the case to an administrative law judge for an award, the administrative law judge shall issue an award within 30 days. The administrative law judge shall not stay a decision due to the absence of a submission letter. When the award is not entered in 30 days, any party to the action may notify the director that an award is not entered and the director shall assign the matter to an assistant director or to a special administrative law judge who shall enter an award forthwith based on the evidence in the record, or the director, on the director's own motion, may remove the case from the administrative law judge who has not entered an award within 30 days following submission by the party and assign it to an assistant director or to a special administrative law judge for immediate decision based on the evidence in the record.

(d) Not less than 10 days prior to the first full hearing before an administrative
law judge, the administrative law judge shall conduct a prehearing settlement conference for the purpose of obtaining stipulations from the parties, determining the issues and exploring the possibility that the parties may resolve those issues and reach a settlement prior to the first full hearing.

(e) (1) If a party or a party's attorney believes that the administrative law judge to whom a case is assigned cannot afford that party a fair hearing in the case, the party or attorney may file a motion for change of administrative law judge. A party or a party's attorney shall not file more than one motion for change of administrative law judge in a case. The administrative law judge shall promptly hear the motion informally upon reasonable notice to all parties who have appeared in the case. Notwithstanding the provisions of K.S.A. 44-552, and amendments thereto, the administrative law judge shall decide, in the administrative law judge's discretion, whether or not the hearing of such motion shall be taken down by a certified shorthand reporter. If the administrative law judge disqualifies the administrative law judge's self, the case shall be assigned to another administrative law judge by the director. If the administrative law judge refuses to disqualify the administrative law judge's self, the party seeking a change of administrative law judge may, within 10 days of the refusal, file in the district court of the county in which the accident or injury occurred the affidavit provided in subsection (e)(2). If an affidavit is to be filed in the district court, it shall be filed within 10 days an appeal with the workers compensation board.

(2) If a party or a party's attorney files an affidavit alleging any of the grounds specified in subsection (e)(3), the chief judge shall at once determine, or refer the affidavit to another district court judge for prompt determination of, the legal sufficiency of the affidavit. If the affidavit is filed in a district court in which there is no other judge who is qualified to hear the matter, the chief judge shall at once notify the departmental justice for the district and request the appointment of another district judge to determining the legal sufficiency of the affidavit. If the affidavit is found to be legally sufficient, the district court judge shall order the director to assign the case to another administrative law judge or to an assistant director. The party or a party's attorney shall file with the workers compensation board an affidavit alleging one or more of the grounds specified in subsection (e).

(3) If a majority of the workers compensation board finds legally sufficient grounds, it shall direct the director to assign the case to another administrative law judge.

(4) (5) Grounds which may be alleged as provided in subsection (e)(2) for change of administrative law judge are that:

(A) The administrative law judge has been engaged as counsel in the case prior to the appointment as administrative law judge.

(B) The administrative law judge is otherwise interested in the case.

(C) The administrative law judge is related to either party in the case.

(D) The administrative law judge is a material witness in the case.

(E) The party or party's attorney filing the affidavit has cause to believe and does believe that on account of the personal bias, prejudice or interest of the administrative law judge such party cannot obtain a fair and impartial hearing. Such affidavit shall state the facts and the reasons for the belief that bias, prejudice or an interest exists.

(5) In any affidavit filed pursuant to subsection (e)(2), the recital of previous rulings or decisions by the administrative law judge on legal issues or concerning prior
motions for change of administrative law judge filed by counsel or such counsel's law firm, pursuant to this subsection, shall not be deemed legally sufficient for any belief that bias or prejudice exists.

(6) Notwithstanding the provisions of K.S.A. 44-556, and amendments thereto, no interlocutory appeal to the court of appeals of the workers compensation appeals board's decision regarding recusal shall be allowed while the resolution of the claim for compensation is pending before an administrative law judge or the workers compensation appeals board.

(f) (1) In any claim that has not proceeded to a regular hearing, a settlement hearing, or an agreed award under the workers compensation act within three years from the date of filing an application for hearing pursuant to K.S.A. 44-534, and amendments thereto, the employer shall be permitted to file with the division an application for dismissal based on lack of prosecution. The matter shall be set for hearing with notice to the claimant's attorney, if the claimant is represented, or to the claimant's last known address. The administrative law judge may grant an extension for good cause shown, which shall be conclusively presumed in the event that the claimant has not reached maximum medical improvement, provided such motion to extend is filed prior to the three year limitation provided for herein. If the claimant cannot establish good cause, the claim shall be dismissed with prejudice by the administrative law judge for lack of prosecution. Such dismissal shall be considered a final disposition at a full hearing on the claim for purposes of employer reimbursement from the fund pursuant to subsection (b) of K.S.A. 44-534a, and amendments thereto.

(2) In any claim which has not proceeded to regular hearing within one year from the date of a preliminary award denying compensability of the claim, the employer shall be permitted to file with the division an application for dismissal based on lack of prosecution. The matter shall be set for hearing with notice to the claimant's attorney, if the claimant is represented, or to the claimant's last known address. Unless the claimant can prove a good faith reason for delay, the claim shall be dismissed with prejudice by the administrative law judge. Such dismissal shall be considered a final disposition at a full hearing on the claim for purposes of employer reimbursement from the fund pursuant to subsection (b) of K.S.A. 44-534a, and amendments thereto.

(3) This section shall not affect any future benefits which have been left open upon proper application by an award or settlement.

Sec. 13. K.S.A. 2012 Supp. 44-532a is hereby amended to read as follows: 44-532a. (a) If an employer has no insurance or has an insufficient self-insurance bond or letter of credit to secure the payment of compensation or has insufficiently funded a self-insurance bond, as provided in subsection (b)(1) and (2) of K.S.A. 44-532, and amendments thereto, and such employer is financially unable to pay compensation to an injured worker as required by the workers compensation act, or such employer cannot be located and required to pay such compensation, the injured worker may apply to the director for an award of the compensation benefits, including medical compensation, to which such injured worker is entitled, to be paid from the workers compensation fund. Whenever a worker files an application under this section, the matter shall be assigned to an administrative law judge for hearing. If the administrative law judge is satisfied as to the existence of the conditions prescribed by this section, the administrative law judge may make an award, or modify an existing award, and prescribe the payments to be made from the workers compensation fund as provided in K.S.A. 44-569, and
amendments thereto. The award shall be certified to the commissioner of insurance, and upon receipt thereof, the commissioner of insurance shall cause payment to be made to the worker in accordance therewith.

(b) The commissioner of insurance, acting as administrator of the workers compensation fund, shall have a cause of action against the employer for recovery of any amounts paid from the workers compensation fund pursuant to this section. Such action shall be filed in the district court of the county in which the accident occurred or where the contract of employment was entered into.

Sec. 14. K.S.A. 44-557 is hereby amended to read as follows: 44-557. (a) It is hereby made the duty of every employer to make or cause to be made a report to the director of any accident, or claimed or alleged accident, to any employee which occurs in the course of the employee's employment and of which the employer or the employer's supervisor has knowledge, which report shall be made upon a form to be prepared by the director, within 28 days, after the receipt of such knowledge, if the personal injuries which are sustained by such accidents, are sufficient wholly or partially to incapacitate the person injured from labor or service for more than the remainder of the day, shift or turn on which such injuries were sustained.

(b) When such accident has been reported and subsequently such person has died, a supplemental report shall be filed with the director within 28 days after receipt of knowledge of such death, stating such fact and any other facts in connection with such death or as to the dependents of such deceased employee which the director may require. Such report or reports shall not be used nor considered as evidence before the director, any administrative law judge, the board or in any court in this state.

(c) No limitation of time in the workers compensation act shall begin to run unless a report of the accident as provided in this section has been filed at the office of the director if the injured employee has given notice of accident as provided by K.S.A. 44-520 and amendments thereto, except that any proceeding for compensation for any such injury or death, where report of the accident has not been filed, must be commenced by serving upon the employer a written claim pursuant to K.S.A. 44-520a and amendments thereto within one year from the date of the accident, suspension of payment of disability compensation, the date of the last medical treatment authorized by the employer, or the death of such employee referred to in K.S.A. 44-520a and amendments thereto.

(d) The repeated failure of any employer to file or cause to be filed any report required by this section shall be subject to a civil penalty for each violation of not to exceed $250.

(e) Any civil penalty imposed by this section shall be recovered, by the assistant attorney general upon information received from the director, by issuing and serving upon such employer a summary order or statement of the charges with respect thereto and a hearing shall be conducted thereon in accordance with the provisions of the Kansas administrative procedure act, except that, at the discretion of the director, such civil penalties may be assessed as costs in a workers compensation proceeding by an administrative law judge upon a showing by the assistant attorney general that a required report was not filed which pertains to a claim pending before the administrative law judge.

Sec. 15. K.S.A. 2012 Supp. 44-575 is hereby amended to read as follows: 44-575. (a) As used in K.S.A. 44-575 through 44-580, and amendments thereto, "state agency"
means the state, or any department or agency of the state, but not including the Kansas
turnpike authority, the university of Kansas hospital authority, any political subdivision
of the state or the district court with regard to district court officers or employees whose
total salary is payable by counties.

(b) For the purposes of providing for the payment of compensation for claims
arising on and after July 1, 1974, and all other amounts required to be paid by any state
agency as a self-insured employer under the workers compensation act and any
amendments or additions thereto, there is hereby established the state workers
compensation self-insurance fund in the state treasury. The name of the state workmen's
compensation self-insurance fund is hereby changed to the state workers compensation
self-insurance fund. Whenever the state workmen's compensation self-insurance fund is
referred to or designated by any statute, contract or other document, such reference or
designation shall be deemed to apply to the state workers compensation self-insurance
fund.

(c) The state workers compensation self-insurance fund shall be liable to pay: (1)
All compensation for claims arising on and after July 1, 1974, and all other amounts
required to be paid by any state agency as a self-insured employer under the workers
compensation act and any amendments or additions thereto; (2) the amount that all state
agencies are liable to pay of the "carrier's share of expense" of the administration of the
office of the director of workers' compensation as provided in K.S.A. 74-712 through
74-719, and amendments thereto, for each fiscal year; (3) all compensation for claims
remaining from the self-insurance program which existed prior to July 1, 1974, for
institutional employees of the division of mental health and retardation services of the
department of social and rehabilitation services; (4) the cost of administering the state
workers compensation self-insurance fund including the defense of such fund and any
costs assessed to such fund in any proceeding to which it is a party; and (5) the cost of
establishing and operating the state workplace health and safety program under
subsection (f). For the purposes of K.S.A. 44-575 through 44-580, and amendments
thereto, all state agencies are hereby deemed to be a single employer whose liabilities
specified in this section are hereby imposed solely upon the state workers compensation
self-insurance fund and such employer is hereby declared to be a fully authorized and
qualified self-insurer under K.S.A. 44-532, and amendments thereto, but such employer
shall not be required to make any reports thereunder.

(d) The secretary of administration health and environment shall administer the
state workers compensation self-insurance fund and all payments from such fund shall
be upon warrants of the director of accounts and reports issued pursuant to vouchers
approved by the secretary of administration health and environment or a person or
persons designated by the secretary. The director of accounts and reports may issue
warrants pursuant to vouchers approved by the secretary for payments from the state
workers compensation self-insurance fund notwithstanding the fact that claims for such
payments were not submitted or processed for payment from money appropriated for
the fiscal year in which the state workers compensation self-insurance fund first became
liable to make such payments.

(e) The secretary of administration health and environment shall remit all moneys
received by or for the secretary in the capacity as administrator of the state workers
compensation self-insurance fund, to the state treasurer in accordance with the
provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such
remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the state workers compensation self-insurance fund.

(f) There is hereby established the state workplace health and safety program within the state workers compensation self-insurance program of the department of administration health and environment. The secretary of administration health and environment shall implement and administer the division of industrial health and safety of the Kansas department of labor shall assist in administering the state workplace health and safety program for state agencies. The state workplace health and safety program shall include, but not be limited to:

(1) Workplace health and safety hazard surveys in all state agencies, including onsite interviews with employees;

(2) workplace health and safety hazard prevention services, including inspection and consultation services;

(3) procedures for identifying and controlling workplace hazards;

(4) development and dissemination of health and safety informational materials, plans, rules and work procedures; and

(5) training for supervisors and employees in healthful and safe work practices.

Sec. 16. K.S.A. 2012 Supp. 44-577 is hereby amended to read as follows: 44-577.

(a) All claims for compensation under the workers compensation act against any state agency for claims arising on and after July 1, 1974, and claims for compensation remaining from the self-insurance program which existed prior to July 1, 1974, for institutional employees of the division of mental health and retardation services of the department of social and rehabilitation services shall be made against the state workers compensation self-insurance fund. Such claims shall be served upon the secretary of administration health and environment in the secretary's capacity as administrator of the state workers compensation self-insurance fund in the manner provided for claims against other employers under the workers compensation act. The chief attorney for the department of administration health and environment, or another attorney of the department of administration health and environment designated by the chief attorney, shall represent and defend the state workers compensation self-insurance fund in all proceedings under the workers compensation act.

(b) The secretary of administration health and environment shall investigate, or cause to be investigated, each claim for compensation against the state workers compensation self-insurance fund. For the purposes of such investigations, the secretary of administration health and environment is authorized to obtain expert medical advice regarding the injuries, occupational diseases and disabilities involved in such claims. If, based upon such investigation and any other available information, the secretary of administration health and environment finds that there is no material dispute as to any issue involved in the claim, that the claim is valid and that the claim should be settled by agreement, the secretary of administration health and environment may proceed to enter into such an agreement with the claimant, for the state workers compensation self-insurance fund. Any such agreement may provide for lump-sum settlements subject to approval by the director and all such agreements shall be filed in the office of the director for approval as provided in K.S.A. 44-527, and amendments thereto. All other claims for compensation against such fund shall be paid in accordance with the workers compensation act pursuant to final awards or orders of an administrative law judge or the board or pursuant to orders and findings of the director under the workers
compensation act.

(c) For purposes of the workers compensation act, a volunteer member of a regional emergency medical response team as provided in K.S.A. 48-928, and amendments thereto, shall be considered a person in the service of the state in connection with authorized training and upon activation for emergency response, except when such duties arise in the course of employment or as a volunteer for an employer other than the state.

Sec. 17. K.S.A. 44-578 is hereby amended to read as follows: 44-578. The secretary of administration health and environment may adopt rules and regulations necessary for the administration of the state workers compensation self-insurance fund, including the processing and settling of claims for compensation made against such fund. Such rules and regulations shall be subject to the provisions of K.S.A. 75-3706 and amendments thereto and shall be adopted in accordance therewith.

"Sec. 6. K.S.A. 2012 Supp. 40-2124 is hereby amended to read as follows: 40-2124. (a) Coverage under the plan shall be subject to both deductible and coinsurance provisions set by the board. The plan shall offer to current participants and new enrollees no fewer than four choices of deductible and copayment options. Coverage
shall contain a coinsurance provision for each service covered by the plan, and such copayment requirement shall not be subject to a stop-loss provision. Such coverage may provide for a percentage or dollar amount of coinsurance reduction at specific thresholds of copayment expenditures by the insured.

(b) Coverage under the plan shall be subject to a maximum lifetime benefit of $3,000,000 per covered individual.

(c) Coverage under the plan shall exclude charges or expenses incurred during the first 90 days following the effective date of coverage as to any condition:

(1) Which manifested itself during the six-month period immediately prior to the application for coverage in such manner as would cause an ordinarily prudent person to seek diagnosis, care or treatment; or

(2) for which medical advice, care or treatment was recommended or received in the six-month period immediately prior to the application for coverage. In succeeding years of operation of the plan, coverage of preexisting conditions may be excluded as determined by the board, except that no such exclusion shall exceed 180 calendar days, and no exclusion shall be applied to either a federally defined eligible individual provided that application for coverage is made not later than 63 days following the applicant's most recent prior creditable coverage or an individual under the age of 19 years who is eligible for enrollment in the plan under paragraph (3) of subsection (b) of K.S.A. 40-2122, and amendments thereto. For any individual who is eligible for the credit for health insurance costs under section 35 of the internal revenue code of 1986, the preexisting conditions limitation will not apply whenever such individual has maintained creditable health insurance coverage for an aggregate period of three months, not counting any period prior to a 63-day break in coverage, as of the date on which such individual seeks to enroll in coverage provided by this act.

(d) (1) Benefits otherwise payable under plan coverage shall be reduced by all amounts paid or payable through any other health insurance, or insurance arrangement, and by all hospital and medical expense benefits paid or payable under any workers compensation coverage, automobile medical payment or liability insurance whether provided on the basis of fault or nonfault, and by any hospital or medical benefits paid or payable under or provided pursuant to any state or federal law or program.

(2) The association shall have a cause of action against an eligible person for the recovery of the amount of benefits paid which are not covered expenses. Benefits due from the plan may be reduced or refused as a set-off against any amount recoverable under this section.

Sec. 7. K.S.A. 40-12a08 is hereby amended to read as follows: 40-12a08. No insured shall be liable for any amounts other than the annual premium. The business of the company shall be conducted so as to preclude any distribution of income, profit or property of the company to the individual members thereof except in payment of dividends, debts, claims or indemnities or upon the final dissolution of the company. Dividends may be credited to a member's account and distributed in accordance with a plan adopted by the board of directors.

Sec. 8. K.S.A. 39-719e is hereby amended to read as follows: 39-719e. (a) Upon the request of the secretary of social and rehabilitation services for aging and disability services or the Kansas department of health and environment, or both, each medical benefit plan provider that provides or maintains a medical benefit plan, that provides any hospital or medical services or any other health care or other medical benefits or
services, or both, in Kansas, shall provide the secretary with information, to the extent
known by the medical benefit plan provider, identifying each person who is covered by
such medical benefit plan or who is otherwise provided any such hospital or medical
services or any other such health care or other medical benefits or services, or both, in
Kansas under such medical benefit plan. The information shall be provided in such
form as is prescribed by the secretary for the purpose of comparing such information
with medicaid beneficiary information maintained by the secretary to assist in
identifying other health care or medical benefit coverage available to medicaid
beneficiaries. The secretary shall reimburse each medical benefit plan provider that
provides information under this section for the reasonable cost of providing such
information.

(b) All information provided by medical benefit plan providers under this section
shall be confidential and shall not be disclosed pursuant to the provisions of the open
records act or under the provisions of any other law. Such information may be used
solely for the purpose of determining whether medical assistance has been paid or is

provisions of K.S.A. 39-719a, and amendments thereto.

New Sec. 12. (a) This section shall apply to all insurers transacting business in the state offering individual or group sickness and accident insurance. Such insurers also may offer a mandate lite health benefit plan. A group or individual carrier may also offer a mandate lite health benefit plan.

(b) A mandate lite health benefit plan means an individual or group sickness and accident insurance plan that does not contain one or more of the Kansas-mandated benefits other than K.S.A. 40-2,100 and 40-2,166, and amendments thereto.

(e) The insured shall be provided with a written notice that one or more of the state-mandated benefits are not included in the mandate lite health benefit plan.

(1) The mandate lite health benefit plan shall specify the health services that are included and shall specifically list the health services that will be limited or not covered from the list of state-mandated coverage other than K.S.A. 40-2,100 and 40-2,166, and amendments thereto.

New Sec. 13. (a) Any portion of the health insurance premiums paid by consumers that are in fact passed through as commissions shall not be considered a part of administrative expenses and shall be excluded from all determinations of the medical loss ratio calculations when totaling the ratio of premiums paid by a consumer used for claims versus administrative expenses for a policy. Any portion of premiums identified as commissions must be paid to a nonemployee in order to be excluded. Any portion of the premiums retained by the insurance company or its employees must be considered as a part of the calculation of the medical loss ratio as administrative related income.

(b) For the purposes of this section, "commission" means commissions to agents,

New Sec. 14. (a) For the purposes of this section:

2. "Short-term" means an insurance policy period of six months or 12 months, based upon policy design, which offers not more than one renewal period with or without a requirement of medical re-underwriting or medical requalification.

(A) Because a short-term policy addresses the special needs for temporary coverage, a short-term policy is not subject to continuation provisions of the health insurance portability and accountability act of 1996 (public law 104-191).

(B) Because a short-term policy addresses the special needs for temporary coverage, a short-term policy shall be exempt from medical loss ratio calculations associated with individual sickness and accident insurance issued within the state unless such calculation excludes any monthly administration fee associated with the sale of such policy.

(b) Specially designed policies shall include policies designed to provide sickness and accident insurance for specific coverage of benefits or services that may be excluded as benefits or services cited under section 12, and amendments thereto. Specially designed policies may include the following stand-alone policies and coverages:

1. Chiropractic plans;
2. Acupuncture coverage plans;
3. Holistic medical treatment plans;
4. Podiatrist plans;
5. Pharmacy plans;
6. Psychiatric plans;
7. Allergy plans; and
8. Such other stand-alone plans or combinations of plans of accepted traditional and nontraditional medical practice as shall be allowable for exclusion from group or individual plans under section 12, and amendments thereto.

(c) No specially designed policy shall be deemed to be included under the definition of group sickness and accident insurance, including short-term, limited-duration health insurance, issued or renewed inside or outside of this state and covering persons residing in this state.

Sec. 15. K.S.A. 39-719e, 40-254, 40-2,112, 40-12a08, 40-1612 and 40-19a10 and K.S.A. 2012 Supp. 40-19c09 and 40-2124 are hereby repealed.

15. Sexual battery, as defined in K.S.A. 21-3517, prior to its repeal, or K.S.A. 2012 Supp. 21-5505, and amendments thereto, when the victim was less than 18 years of age at the time the crime was committed;

16. Aggravated sexual battery, as defined in K.S.A. 21-3518, prior to its repeal, or K.S.A. 2012 Supp. 21-5505, and amendments thereto;

18. Any conviction for any offense in effect at any time prior to July 1, 2011, that is comparable to any offense as provided in this subsection.

Notwithstanding any other law to the contrary, for any offender who is required to register as provided in the Kansas offender registration act, K.S.A. 22-4901
et seq., and amendments thereto, there shall be no expungement of any conviction or any part of the offender's criminal record while the offender is required to register as provided in the Kansas offender registration act.

(4)(g) (1) When a petition for expungement is filed, the court shall set a date for a hearing of such petition and shall cause notice of such hearing to be given to the prosecutor and the arresting law enforcement agency. The petition shall state the:

(2) Except as otherwise provided by law, a petition for expungement shall be accompanied by a docket fee in the amount of $100. On and after April 12, 2012, through June 30, 2013, the supreme court may impose a charge, not to exceed $19 per case, to fund the costs of non-judicial personnel. The charge established in this section shall be the only fee collected or moneys in the nature of a fee collected for the case. Such charge shall only be established by an act of the legislature and no other authority is established by law or otherwise to collect a fee.

The court may inquire into the background of the petitioner and shall have access to any reports or records relating to the petitioner that are on file with the secretary of corrections or the prisoner review board.

(g)(h) At the hearing on the petition, the court shall order the petitioner's arrest record, conviction or diversion expunged if the court finds that:

(1) The petitioner has not been convicted of a felony in the past two years and no proceeding involving any such crime is presently pending or being instituted against the petitioner;
(2) the circumstances and behavior of the petitioner warrant the expungement; and
(3) the expungement is consistent with the public welfare.

(h)(i) When the court has ordered an arrest record, conviction or diversion expunged, the order of expungement shall state the information required to be contained in the petition. The clerk of the court shall send a certified copy of the order of expungement to the Kansas bureau of investigation which shall notify the federal bureau of investigation, the secretary of corrections and any other criminal justice agency which may have a record of the arrest, conviction or diversion. After the order of expungement is entered, the petitioner shall be treated as not having been arrested, convicted or diverted of the crime, except that:

(1) Upon conviction for any subsequent crime, the conviction that was expunged may be considered as a prior conviction in determining the sentence to be imposed;
(2) the petitioner shall disclose that the arrest, conviction or diversion occurred if asked about previous arrests, convictions or diversions:

(A) In any application for licensure as a private detective, private detective agency, certification as a firearms trainer pursuant to K.S.A. 2012 Supp. 75-7b21, and
amendments thereto, or employment as a detective with a private detective agency, as defined by K.S.A. 75-7b01, and amendments thereto; as security personnel with a private patrol operator, as defined by K.S.A. 75-7b01, and amendments thereto; or with an institution, as defined in K.S.A. 76-12a01, and amendments thereto, of the department of social and rehabilitation services for children and families;

(B) in any application for admission, or for an order of reinstatement, to the practice of law in this state;

(C) to aid in determining the petitioner's qualifications for employment with the Kansas lottery or for work in sensitive areas within the Kansas lottery as deemed appropriate by the executive director of the Kansas lottery;

(D) to aid in determining the petitioner's qualifications for executive director of the Kansas racing and gaming commission, for employment with the commission or for work in sensitive areas in parimutuel racing as deemed appropriate by the executive director of the commission, or to aid in determining qualifications for licensure or renewal of licensure by the commission;

(E) to aid in determining the petitioner's qualifications for the following under the Kansas expanded lottery act: (i) Lottery gaming facility manager or prospective manager, racetrack gaming facility manager or prospective manager, licensee or certificate holder; or (ii) an officer, director, employee, owner, agent or contractor thereof;

(F) upon application for a commercial driver's license under K.S.A. 8-2,125 through 8-2,142, and amendments thereto;

(G) to aid in determining the petitioner's qualifications to be an employee of the state gaming agency;

(H) to aid in determining the petitioner's qualifications to be an employee of a tribal gaming commission or to hold a license issued pursuant to a tribal-state gaming compact;

(I) in any application for registration as a broker-dealer, agent, investment adviser or investment adviser representative all as defined in K.S.A. 17-12a102, and amendments thereto;

(K) for applications received on and after July 1, 2006, to aid in determining the petitioner's qualifications for a license to carry a concealed weapon pursuant to the personal and family protection act, K.S.A. 2012 Supp. 75-7c01 et seq., and amendments thereto;

(3) the court, in the order of expungement, may specify other circumstances under which the conviction is to be disclosed;

(4) the conviction may be disclosed in a subsequent prosecution for an offense which requires as an element of such offense a prior conviction of the type expunged; and

(5) upon commitment to the custody of the secretary of corrections, any previously expunged record in the possession of the secretary of corrections may be reinstated and the expungement disregarded, and the record continued for the purpose of the new commitment.

(i) Whenever a person is convicted of a crime, pleads guilty and pays a fine for a crime, is placed on parole, postrelease supervision or probation, is assigned to a
community correctional services program, is granted a suspended sentence or is released on conditional release, the person shall be informed of the ability to expunge the arrest records or conviction. Whenever a person enters into a diversion agreement, the person shall be informed of the ability to expunge the diversion.

(j) Subject to the disclosures required pursuant to subsection (h)(i), in any application for employment, license or other civil right or privilege, or any appearance as a witness, a person whose arrest records, conviction or diversion of a crime has been expunged under this statute may state that such person has never been arrested, convicted or diverted of such crime, but the expungement of a felony conviction does not relieve an individual of complying with any state or federal law relating to the use or possession of firearms by persons convicted of a felony.

(k) Whenever the record of any arrest, conviction or diversion has been expunged under the provisions of this section or under the provisions of any other existing or former statute, the custodian of the records of arrest, conviction, diversion and incarceration relating to that crime shall not disclose the existence of such records, except when requested by:

(9) the governor or the Kansas racing and gaming commission, or a designee of the commission, and the request is accompanied by a statement that the request is being made to aid in determining qualifications for executive director of the commission, for employment with the commission, for work in sensitive areas in parimutuel racing as deemed appropriate by the executive director of the commission or for licensure,
renewal of licensure or continued licensure by the commission;

(10) the Kansas racing and gaming commission, or a designee of the commission, and the request is accompanied by a statement that the request is being made to aid in determining qualifications of the following under the Kansas expanded lottery act: (A) Lottery gaming facility managers and prospective managers, racetrack gaming facility managers and prospective managers, licensees and certificate holders; and (B) their officers, directors, employees, owners, agents and contractors;

(15) a law enforcement agency and the request is accompanied by a statement that the request is being made to aid in determining eligibility for employment as a law enforcement officer as defined by K.S.A. 22-2202, and amendments thereto;

(16) the attorney general and the request is accompanied by a statement that the request is being made to aid in determining qualifications for a license to carry a concealed weapon pursuant to the personal and family protection act; or

(17) the Kansas bureau of investigation for the purposes of:

(2) The provision of subsection (a)(1) requiring a mandatory minimum term of imprisonment of not less than 25 years shall not apply if the court finds:

(A) The defendant is an aggravated habitual sex offender and sentenced pursuant to K.S.A. 2012 Supp. 21-6626, and amendments thereto; or

(B) the defendant, because of the defendant's criminal history classification, is subject to presumptive imprisonment pursuant to the sentencing guidelines grid for nondrug crimes and the sentencing range exceeds 300 months. In such case, the defendant is required to serve a mandatory minimum term equal to the sentence established pursuant to the sentencing range.

(b) (1) On and after July 1, 2006, if a defendant who is 18 years of age or older is convicted of a crime listed in subsection (a)(1) and such defendant has previously been convicted of a crime listed in subsection (a)(1), a crime in effect at any time prior to July 1, 2011, which is substantially the same as a crime listed in subsection (a)(1) or a crime under a law of another jurisdiction which is substantially the same as a crime listed in subsection (a)(1), the court shall sentence the defendant to a term of imprisonment for life with a mandatory minimum term of imprisonment of not less than 40 years. (d) (1) On or after July 1, 2006, for a first time conviction of an offense listed in subsection (a)(1), the sentencing judge shall impose the mandatory minimum term of imprisonment provided by subsection (a), unless the judge finds substantial and compelling reasons, following a review of mitigating circumstances, to impose a departure. If the sentencing judge departs from such mandatory minimum term of imprisonment, the judge shall state on the record at the time of sentencing the substantial and compelling reasons for the departure. The departure sentence shall be the sentence pursuant to the revised Kansas sentencing guidelines act, article 68 of chapter 21 of the Kansas Statutes Annotated, and amendments thereto, and, subject to the provisions of K.S.A. 2012 Supp. 21-6818, and amendments thereto, no sentence of a mandatory minimum term of imprisonment shall be imposed hereunder.

6622, 21-6624, 21-6625, 21-6628 and 21-6629, and amendments thereto, the sentence shall be imprisonment for life and shall not be subject to statutory provisions for suspended sentence, community service or probation.

(d) As identified in K.S.A. 2012 Supp. 21-5426, 21-5503, 21-5504, 21-5506, 21-5510 and 21-6420 section 4, and amendments thereto, if the offender is 18 years of age or older and the victim is under 14 years of age, such violations are off-grid crimes for the purposes of sentencing. Except as provided in K.S.A. 2012 Supp. 21-6626, and amendments thereto, the sentence shall be imprisonment for life pursuant to K.S.A. 2012 Supp. 21-6627, and amendments thereto.

Sec. 23. K.S.A. 2012 Supp. 21-6815 is hereby amended to read as follows: 21-6815. (a) Except as provided in subsection (b), the sentencing judge shall impose the presumptive sentence provided by the sentencing guidelines unless the judge finds substantial and compelling reasons to impose a departure sentence. If the sentencing judge departs from the presumptive sentence, the judge shall state on the record at the time of sentencing the substantial and compelling reasons for the departure.

(b) Subject to the provisions of subsection (b) of K.S.A. 2012 Supp. 21-6817, and amendments thereto, any fact that would increase the penalty for a crime beyond the statutory maximum, other than a prior conviction, shall be submitted to a jury and proved beyond a reasonable doubt.

(c) (1) Subject to the provisions of subsections (c)(3) and (e), the following nonexclusive list of mitigating factors may be considered in determining whether substantial and compelling reasons for a departure exist:

   (A) The victim was an aggressor or participant in the criminal conduct associated with the crime of conviction.

   (B) The offender played a minor or passive role in the crime or participated under circumstances of duress or compulsion. This factor may be considered when it is not sufficient as a complete defense.

   (C) The offender, because of physical or mental impairment, lacked substantial capacity for judgment when the offense was committed. The voluntary use of intoxicants, drugs or alcohol does not fall within the purview of this factor.

   (D) The defendant, or the defendant's children, suffered a continuing pattern of physical or sexual abuse by the victim of the offense and the offense is a response to that abuse.

   (E) The degree of harm or loss attributed to the current crime of conviction was significantly less than typical for such an offense.

   (2) Subject to the provisions of subsection (c)(3), the following nonexclusive list of aggravating factors may be considered in determining whether substantial and compelling reasons for departure exist:

   (A) The victim was particularly vulnerable due to age, infirmity, or reduced physical or mental capacity which was known or should have been known to the offender.

   (B) The defendant's conduct during the commission of the current offense manifested excessive brutality to the victim in a manner not normally present in that offense.

   (C) The offense was motivated entirely or in part by the race, color, religion, ethnicity, national origin or sexual orientation of the victim or the offense was motivated by the defendant's belief or perception, entirely or in part, of the race, color,
religion, ethnicity, national origin or sexual orientation of the victim whether or not the defendant's belief or perception was correct.

(D) The offense involved a fiduciary relationship which existed between the defendant and the victim.

(E) The defendant, 18 or more years of age, employed, hired, used, persuaded, induced, enticed or coerced any individual under 16 years of age to:

(i) Commit any person felony;

(ii) assist in avoiding detection or apprehension for commission of any person felony; or

(iii) attempt, conspire or solicit, as defined in K.S.A. 2012 Supp. 21-5301, 21-5302 and 21-5303, and amendments thereto, to commit any person felony.

That the defendant did not know the age of the individual under 16 years of age shall not be a consideration.

(F) The defendant's current crime of conviction is a crime of extreme sexual violence and the defendant is a predatory sex offender. As used in this subsection:

(i) "Crime of extreme sexual violence" is a felony limited to the following:

(a) A crime involving a nonconsensual act of sexual intercourse or sodomy with any person;

(b) a crime involving an act of sexual intercourse, sodomy or lewd fondling and touching with any child who is 14 or more years of age but less than 16 years of age and with whom a relationship has been established or promoted for the primary purpose of victimization; or

(c) a crime involving an act of sexual intercourse, sodomy or lewd fondling and touching with any child who is less than 14 years of age;

(d) aggravated human trafficking, as defined in subsection (b) of K.S.A. 2012 Supp. 21-5426, and amendments thereto, if the victim is less than 14 years of age; or

(e) commercial sexual exploitation of a child, as defined in section 4, and amendments thereto, if the victim is less than 14 years of age.

(ii) "Predatory sex offender" is an offender who has been convicted of a crime of extreme sexual violence as the current crime of conviction and who:

(a) Has one or more prior convictions of any crimes of extreme sexual violence. Any prior conviction used to establish the defendant as a predatory sex offender pursuant to this subsection shall also be counted in determining the criminal history category; or

(b) suffers from a mental condition or personality disorder which makes the offender likely to engage in additional acts constituting crimes of extreme sexual violence.

(iii) "Mental condition or personality disorder" means an emotional, mental or physical illness, disease, abnormality, disorder, pathology or condition which motivates the person, affects the predisposition or desires of the person, or interferes with the capacity of the person to control impulses to commit crimes of extreme sexual violence.

(G) The defendant was incarcerated during the commission of the offense.

(H) The crime involved two or more participants in the criminal conduct, and the defendant played a major role in the crime as the organizer, leader, recruiter, manager or supervisor.

In determining whether aggravating factors exist as provided in this section, the court shall review the victim impact statement.
(3) If a factual aspect of a crime is a statutory element of the crime or is used to subclassify the crime on the crime severity scale, that aspect of the current crime of conviction may be used as an aggravating or mitigating factor only if the criminal conduct constituting that aspect of the current crime of conviction is significantly different from the usual criminal conduct captured by the aspect of the crime.

(d) In determining aggravating or mitigating circumstances, the court shall consider:
   (1) Any evidence received during the proceeding;
   (2) the presentence report;
   (3) written briefs and oral arguments of either the state or counsel for the defendant; and
   (4) any other evidence relevant to such aggravating or mitigating circumstances that the court finds trustworthy and reliable.

(e) Upon motion of the prosecutor stating that the defendant has provided substantial assistance in the investigation or prosecution of another person who is alleged to have committed an offense, the court may consider such mitigation in determining whether substantial and compelling reasons for a departure exist. In considering this mitigating factor, the court may consider the following:

(D) (i) The sentencing judge shall impose the postrelease supervision period provided in subparagraph (d)(1)(A), (d)(1)(B) or (d)(1)(C), unless the judge finds substantial and compelling reasons to impose a departure based upon a finding that the current crime of conviction was sexually motivated. In that event, departure may be imposed to extend the postrelease supervision to a period of up to 60 months.

(ii) If the sentencing judge departs from the presumptive postrelease supervision period, the judge shall state on the record at the time of sentencing the substantial and compelling reasons for the departure. Departures in this section are subject to appeal pursuant to K.S.A. 21-4721, prior to its repeal, or K.S.A. 2012 Supp. 21-6820, and amendments thereto.

(iii) In determining whether substantial and compelling reasons exist, the court shall consider:
   (a) Written briefs or oral arguments submitted by either the defendant or the state;
   (b) any evidence received during the proceeding;
   (c) the presentence report, the victim's impact statement and any psychological evaluation as ordered by the court pursuant to subsection (e) of K.S.A. 21-4714, prior to its repeal, or subsection (e) of K.S.A. 2012 Supp. 21-6813, and amendments thereto; and
   (d) any other evidence the court finds trustworthy and reliable.

(iv) The sentencing judge may order that a psychological evaluation be prepared and the recommended programming be completed by the offender. The department of corrections or the prisoner review board shall ensure that court ordered sex offender treatment be carried out.

(v) In carrying out the provisions of subparagraph (d)(1)(D), the court shall refer to K.S.A. 21-4718, prior to its repeal, or K.S.A. 2012 Supp. 21-6817, and amendments thereto.

(vi) Upon petition, the prisoner review board may provide for early discharge from the postrelease supervision period upon completion of court ordered programs and
completion of the presumptive postrelease supervision period, as determined by the crime of conviction, pursuant to subparagraph (d)(1)(A), (d)(1)(B) or (d)(1)(C). Early discharge from postrelease supervision is at the discretion of the board.

(vii) Persons convicted of crimes deemed sexually violent or sexually motivated shall be registered according to the offender registration act, K.S.A. 22-4901 through 22-4910, and amendments thereto.

(viii) Persons convicted of K.S.A. 21-3510 or 21-3511, prior to their repeal, or K.S.A. 2012 Supp. 21-5508, and amendments thereto, shall be required to participate in a treatment program for sex offenders during the postrelease supervision period.

(E) The period of postrelease supervision provided in subparagraphs (A) and (B) may be reduced by up to 12 months and the period of postrelease supervision provided in subparagraph (C) may be reduced by up to six months based on the offender's compliance with conditions of supervision and overall performance while on postrelease supervision. The reduction in the supervision period shall be on an earned basis pursuant to rules and regulations adopted by the secretary of corrections.

(F) In cases where sentences for crimes from more than one severity level have been imposed, the offender shall serve the longest period of postrelease supervision as provided by this section available for any crime upon which sentence was imposed irrespective of the severity level of the crime. Supervision periods will not aggregate.

(G) Except as provided in subsection (u), persons convicted of a sexually violent crime committed on or after July 1, 2006, and who are released from prison, shall be released to a mandatory period of postrelease supervision for the duration of the person's natural life.

(2) As used in this subsection, "sexually violent crime" means:

(D) criminal sodomy, subsection (a)(2) and (a)(3) of K.S.A. 21-3505, prior to its repeal, or subsection (a)(2) and (a)(3) of K.S.A. 2012 Supp. 21-5504, and amendments thereto;

(E) aggravated criminal sodomy, K.S.A. 21-3506, prior to its repeal, or subsection (b) of K.S.A. 2012 Supp. 21-5504, and amendments thereto;

(F) indecent solicitation of a child, K.S.A. 21-3510, prior to its repeal, or subsection (a) of K.S.A. 2012 Supp. 21-5508, and amendments thereto;

(G) aggravated indecent solicitation of a child, K.S.A. 21-3511, prior to its repeal, or subsection (b) of K.S.A. 2012 Supp. 21-5508, and amendments thereto;

(H) sexual exploitation of a child, K.S.A. 21-3516, prior to its repeal, or K.S.A. 2012 Supp. 21-5510, and amendments thereto;

(I) aggravated sexual battery, K.S.A. 21-3518, prior to its repeal, or subsection (b) of K.S.A. 2012 Supp. 21-5505, and amendments thereto;

(J) aggravated incest, K.S.A. 21-3603, prior to its repeal, or subsection (b) of K.S.A. 2012 Supp. 21-5604, and amendments thereto;

(K) aggravated human trafficking, as defined in K.S.A. 21-3447, prior to its repeal, or subsection (b) of K.S.A. 2012 Supp. 21-5426, and amendments thereto, if committed.
in whole or in part for the purpose of the sexual gratification of the defendant or another:

(L) commercial sexual exploitation of a child, as defined in section 4, and amendments thereto; or

(M) an attempt, conspiracy or criminal solicitation, as defined in K.S.A. 21-3301, 21-3302 or 21-3303, prior to their repeal, or K.S.A. 2012 Supp. 21-5301, 21-5302 or 21-5303, and amendments thereto, of a sexually violent crime as defined in this section.

(3) As used in this subsection, "sexually motivated" means that one of the purposes for which the defendant committed the crime was for the purpose of the defendant's sexual gratification.

(e) If an inmate is sentenced to imprisonment for a crime committed while on parole or conditional release, the inmate shall be eligible for parole as provided by subsection (c), except that the prisoner review board may postpone the inmate's parole eligibility date by assessing a penalty not exceeding the period of time which could have been assessed if the inmate's parole or conditional release had been violated for reasons other than conviction of a crime.

(f) If a person is sentenced to prison for a crime committed on or after July 1, 1993, while on probation, parole, conditional release or in a community corrections program, for a crime committed prior to July 1, 1993, and the person is not eligible for retroactive application of the sentencing guidelines and amendments thereto pursuant to K.S.A. 21-4724, prior to its repeal, the new sentence shall not be aggregated with the old sentence, but shall begin when the person is paroled or reaches the conditional release date on the old sentence. If the offender was past the offender's conditional release date at the time the new offense was committed, the new sentence shall not be aggregated with the old sentence but shall begin when the person is ordered released by the prisoner review board or reaches the maximum sentence expiration date on the old sentence, whichever is earlier. The new sentence shall then be served as otherwise provided by law. The period of postrelease supervision shall be based on the new sentence, except that those offenders whose old sentence is a term of imprisonment for life, imposed pursuant to K.S.A. 1993 Supp. 21-4628, prior to its repeal, or an indeterminate sentence with a maximum term of life imprisonment, for which there is no conditional release or maximum sentence expiration date, shall remain on postrelease supervision for life or until discharged from supervision by the prisoner review board.

(g) Subject to the provisions of this section, the prisoner review board may release on parole those persons confined in institutions who are eligible for parole when: (1) The board believes that the inmate should be released for hospitalization, deportation or to answer the warrant or other process of a court and is of the opinion that there is reasonable probability that the inmate can be released without detriment to the community or to the inmate; or (2) the secretary of corrections has reported to the board in writing that the inmate has satisfactorily completed the programs required by any agreement entered under K.S.A. 75-5210a, and amendments thereto, or any revision of such agreement, and the board believes that the inmate is able and willing to fulfill the obligations of a law abiding citizen and is of the opinion that there is reasonable probability that the inmate can be released without detriment to the community or to the inmate. Parole shall not be granted as an award of clemency and shall not be considered a reduction of sentence or a pardon.
(h) The prisoner review board shall hold a parole hearing at least the month prior to the month an inmate will be eligible for parole under subsections (a), (b) and (c). At least one month preceding the parole hearing, the county or district attorney of the county where the inmate was convicted shall give written notice of the time and place of the public comment sessions for the inmate to any victim of the inmate's crime who is alive and whose address is known to the county or district attorney or, if the victim is deceased, to the victim's family if the family's address is known to the county or district attorney. Except as otherwise provided, failure to notify pursuant to this section shall not be a reason to postpone a parole hearing. In the case of any inmate convicted of an off-grid felony or a class A felony, the secretary of corrections shall give written notice of the time and place of the public comment session for such inmate at least one month preceding the public comment session to any victim of such inmate's crime or the victim's family pursuant to K.S.A. 74-7338, and amendments thereto. If notification is not given to such victim or such victim's family in the case of any inmate convicted of an off-grid felony or a class A felony, the board shall postpone a decision on parole of the inmate to a time at least 30 days after notification is given as provided in this section. Nothing in this section shall create a cause of action against the state or an employee of the state acting within the scope of the employee's employment as a result of the failure to notify pursuant to this section. If granted parole, the inmate may be released on parole on the date specified by the board, but not earlier than the date the inmate is eligible for parole under subsections (a), (b) and (c). At each parole hearing and, if parole is not granted, at such intervals thereafter as it determines appropriate, the board shall consider: (1) Whether the inmate has satisfactorily completed the programs required by any agreement entered under K.S.A. 75-5210a, and amendments thereto, or any revision of such agreement; and (2) all pertinent information regarding such inmate, including, but not limited to, the circumstances of the offense of the inmate; the presentence report; the previous social history and criminal record of the inmate; the conduct, employment, and attitude of the inmate in prison; the reports of such physical and mental examinations as have been made, including, but not limited to, risk factors revealed by any risk assessment of the inmate; comments of the victim and the victim's family including in person comments, contemporaneous comments and prerecorded comments made by any technological means; comments of the public; official comments; any recommendation by the staff of the facility where the inmate is incarcerated; proportionality of the time the inmate has served to the sentence a person would receive under the Kansas sentencing guidelines for the conduct that resulted in the inmate's incarceration; and capacity of state correctional institutions.

(i) In those cases involving inmates sentenced for a crime committed after July 1, 1993, the prisoner review board will review the inmate's proposed release plan. The board may schedule a hearing if they desire. The board may impose any condition they deem necessary to insure public safety, aid in the reintegration of the inmate into the community, or items not completed under the agreement entered into under K.S.A. 75-5210a, and amendments thereto. The board may not advance or delay an inmate's release date. Every inmate while on postrelease supervision shall remain in the legal custody of the secretary of corrections and is subject to the orders of the secretary.

(j) (1) Before ordering the parole of any inmate, the prisoner review board shall have the inmate appear either in person or via a video conferencing format and shall interview the inmate unless impractical because of the inmate's physical or mental
condition or absence from the institution. Every inmate while on parole shall remain in
the legal custody of the secretary of corrections and is subject to the orders of the
secretary. Whenever the board formally considers placing an inmate on parole and no
agreement has been entered into with the inmate under K.S.A. 75-5210a, and
amendments thereto, the board shall notify the inmate in writing of the reasons for not
granting parole. If an agreement has been entered under K.S.A. 75-5210a, and
amendments thereto, and the inmate has not satisfactorily completed the programs
specified in the agreement, or any revision of such agreement, the board shall notify the
inmate in writing of the specific programs the inmate must satisfactorily complete
before parole will be granted. If parole is not granted only because of a failure to
satisfactorily complete such programs, the board shall grant parole upon the secretary's
certification that the inmate has successfully completed such programs. If an agreement
has been entered under K.S.A. 75-5210a, and amendments thereto, and the secretary of
corrections has reported to the board in writing that the inmate has satisfactorily
completed the programs required by such agreement, or any revision thereof, the board
shall not require further program participation. However, if the board determines that
other pertinent information regarding the inmate warrants the inmate's not being
released on parole, the board shall state in writing the reasons for not granting the
parole. If parole is denied for an inmate sentenced for a crime other than a class A or
class B felony or an off-grid felony, the board shall hold another parole hearing for the
inmate not later than one year after the denial unless the board finds that it is not
reasonable to expect that parole would be granted at a hearing if held in the next three
years or during the interim period of a deferral. In such case, the board may defer
subsequent parole hearings for up to three years but any such deferral by the board shall
require the board to state the basis for its findings. If parole is denied for an inmate
sentenced for a class A or class B felony or an off-grid felony, the board shall hold another parole hearing for the
inmate not later than one year after the denial unless the board finds that it is not reasonable to expect that parole would be granted at a hearing if held in the next 10 years or during the interim period of a deferral. In such
case, the board may defer subsequent parole hearings for up to 10 years, but any such
deferral shall require the board to state the basis for its findings.

(2) Inmates sentenced for a class A or class B felony who have not had a board
hearing in the five years prior to July 1, 2010, shall have such inmates' cases reviewed
by the board on or before July 1, 2012. Such review shall begin with the inmates with
the oldest deferral date and progress to the most recent. Such review shall be done
utilizing existing resources unless the board determines that such resources are
insufficient. If the board determines that such resources are insufficient, then the
provisions of this paragraph are subject to appropriations therefor.

(k) (1) Parolees and persons on postrelease supervision shall be assigned, upon
release, to the appropriate level of supervision pursuant to the criteria established by the
secretary of corrections.

(2) Parolees and persons on postrelease supervision are, and shall agree in writing
to be, subject to search or seizure by a parole officer or a department of corrections
enforcement, apprehension and investigation officer, at any time of the day or night,
with or without a search warrant and with or without cause. Nothing in this subsection
shall be construed to authorize such officers to conduct arbitrary or capricious searches
or searches for the sole purpose of harassment.
(3) Parolees and persons on postrelease supervision are, and shall agree in writing to be, subject to search or seizure by any law enforcement officer based on reasonable suspicion of the person violating conditions of parole or postrelease supervision or reasonable suspicion of criminal activity. Any law enforcement officer who conducts such a search shall submit a written report to the appropriate parole officer no later than the close of the next business day after such search. The written report shall include the facts leading to such search, the scope of such search and any findings resulting from such search.
