The Honorable Richard Proehl, Chairman
House Committee on Transportation
Statehouse, Room 582N
Topeka KS 66612

Subject: SB-96

Dear Representative Proehl,

On behalf of the Kansas County Treasurers Association, we will be supporting SB96 which allows a county treasurer the option to charge a fee up to an additional \$5 per transaction for registering or renewing motor vehicles at their respective county offices. Kansas Statute 8-145d currently allows this option at a *satellite location* in their county.

Sincerely,

Kathy Tremont, President
Kansas County Treasurers Association
