Dear Senators of the Agriculture Committee:

My name is Raylene Brecheisen. I am in the dog kennel known as Dot's Little Doggies with my mother-in-law.

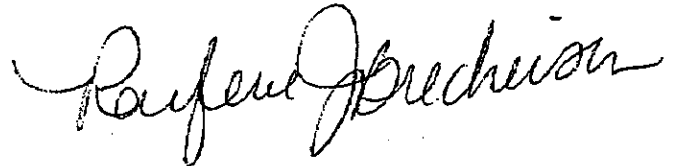

I do not feel we need dual fees for dual licensee. One premise one fee.

I feel a 25% or even 30% fee is more than enough of an increase, and a \$100.00 late fee one time not per month is sufficient enough.

Do not allow the Agriculture Department to appoint the Advisory Board members. Let the people choose from their prospective organizations, so the Governor can appoint from those. That way the people have a voice.

Thank you for your time.

Respectfully,

Senate Agriculture Committee
