

REPORTS OF STANDING COMMITTEES

MR. SPEAKER:

The Committee on **Judiciary** recommends **HB 2182** be amended on page 2, following line 20, by inserting:

"(4) After a grand jury is summoned pursuant to this subsection, but before it begins deliberations, the judge or judges of the district court of the county in which the petition is presented shall provide instructions to the grand jury regarding its conduct and deliberations, which instructions shall include, but not be limited to, the following:

(A) You have been impaneled as a grand jury pursuant to a citizens' petition filed in this court, signed by (insert number) qualified electors of this county, stating (insert the subject matter described in the petition, including a reasonably specific identification of the areas to be inquired into and the allegations sufficient to warrant a finding that the grand jury's inquiry may lead to information which, if true, would warrant a true bill of indictment.) You are charged with making inquiry with regard to this subject matter and determining whether the facts support allegations warranting a true bill of indictment.

(B) The person filing the citizens' petition filed in this court must be the first witness you call for the purpose of presenting evidence and testimony as to the subject matter and allegations of the petition.

(C) You may, with the approval of the court, employ special counsel and investigators, and incur such other expense for services and supplies as you and this court deem necessary. Any special counsel or investigator you employ shall be selected by a majority vote of your grand jury. You may make such selection only after hearing testimony from the person who filed the

citizens' petition. You may utilize the services of any special counsel or investigator you employ instead of, or in addition to, the services of the prosecuting attorney.

(D) If any witness duly summoned to appear and testify before you fails or refuses to obey, compulsory process will be issued by this court to enforce the witness' attendance.

(E) If any witness appearing before you refuses to testify or to answer any questions asked in the course of the witness' examination, you shall communicate that fact to this court in writing, together with a statement regarding the question the witness refuses to answer. This court will determine and inform you of whether the witness is bound to answer or not. However, no witness appearing before you can be compelled to make any statement which will incriminate such witness.

(F) Any person may file a written request with the prosecuting attorney or with the foreman of the grand jury and request to testify or retestify in an inquiry before a grand jury or to appear before a grand jury. Any written request shall include a summary of such person's written testimony.

(G) At the conclusion of your inquiry and determination, you will return either a no bill of indictment or a true bill of indictment.";
