Be it enacted by the Legislature of the State of Kansas:

New Section 1. (a) At least once every three years, there shall be conducted a security audit of the Kansas lottery. Any security audit conducted pursuant to this section shall include a comprehensive study and evaluation of all aspects of security in the operation of such state agency. The auditor to conduct a security audit shall be specified in accordance with K.S.A. 46-1122, and amendments thereto. If the legislative post audit committee specifies under such statute that a person other than the post auditor is to perform all or part of such audit work, such person shall be selected and shall perform such audit work as provided in the applicable provisions of K.S.A. 46-1123, and amendments thereto, and K.S.A. 46-1125 through 46-1127, and amendments thereto. The person selected to perform a security audit shall be experienced in security procedures, including, but not limited to, computer and systems security. A contract to conduct a security audit required by this subsection shall not be awarded until a background investigation is conducted by the executive director of the Kansas lottery on the person or firm selected to perform the audit. Such background investigation shall include: (1) The vendor to whom the contract is to be awarded; (2) all persons who own a controlling interest in such vendor; and (3) all applicable staff having involvement with the audit.

(b) For the purpose of conducting a security audit under this subsection, a person or a firm selected to perform the security audit shall not be limited to a legal entity permitted by law to engage in practice as a certified public accountant.

Sec. 2. K.S.A. 2012 Supp. 46-1106 is hereby amended to read as follows: 46-1106. (a) (1) A financial-compliance audit shall be conducted each year of the general purpose financial statements prepared by the division of accounts and reports for its annual financial report. This audit shall be conducted in accordance with generally accepted governmental auditing standards. The resulting written audit report shall be issued as soon after the end of the fiscal year as is practicable.
(2) In addition, separate written audit reports on the financial management practices of the office of the state treasurer and the pooled money investment board shall be prepared addressing the adequacy of financial management practices and compliance with applicable state laws. The separate audit of the pooled money investment board also shall include a comparative investment performance review and an analysis of the investment program, including an evaluation of investment policies and practices and of specific investments in the pooled money investment portfolio. The analysis of the specific investments in the pooled money investment portfolio shall review whether such investments meet the investment priorities of safety, liquidity and performance. The performance of such investments shall be measured by comparison to an appropriate market index.

(3) Copies of the reports of audits conducted pursuant to this subsection (a) shall be furnished to the governor, director of accounts and reports, director of the budget, each state agency, the legislative post audit committee and other persons or agencies as may be required by law or by the specifications of the audit.

(4) Any additional costs associated with preparing the separate additional reports on the office of the state treasurer and the pooled money investment board shall be borne by the office of the state treasurer and the pooled money investment board in accordance with K.S.A. 46-1121, and amendments thereto.

(b) Including financial-compliance audit work conducted as part of the audit conducted pursuant to subsection (a), financial-compliance audit work shall be conducted at each state agency at least once every three years as directed by the legislative post audit committee. Written reports on the results of such auditing shall be furnished to the governor, director of accounts and reports, director of the budget, the state agency which is audited, the legislative post audit committee and such other persons or agencies as may be required by law or by the specifications of the audit.

(c) Books and accounts of the state treasurer and the director of accounts and reports, including the bond register of the state treasurer, may be examined monthly if the legislative post audit committee so determines, and such examination may include detailed checking of every transaction or test checking.

Any person receiving tax information under the provisions of subsection (a) or (b) shall be subject to the same duty of confidentiality imposed by law upon the personnel of the department of revenue and shall be subject to any civil or criminal penalties imposed by law for violations of such duty of confidentiality.

(d) The post auditor shall report immediately in writing to the legislative post audit committee, governor and attorney general whenever
it appears in the opinion of the post auditor that there may have occurred any violation of penal statutes or any instances of misfeasance, malfeasance or nonfeasance by a public officer or employee disclosed by any audit or audit work conducted under the legislative post audit act. The post auditor shall furnish the attorney general all information in the possession of the post auditor relative to any report referred to the attorney general. The attorney general shall institute and prosecute civil proceedings against any such delinquent officer or employee, or upon such officer or employee's official bond, or both, as may be needed to recover for the state any funds or other assets misappropriated. The attorney general shall also prosecute such ouster and criminal proceedings as the evidence in the case warrants. Any person receiving tax information under the provisions of this subsection shall be subject to the same duty of confidentiality imposed by law upon the personnel of the department of revenue and shall be subject to any civil or criminal penalties imposed by law for violations of such duty of confidentiality.

(e) The post auditor shall immediately report to the committee on surety bonds and insurance when any audit or audit work conducted under the legislative post audit act discloses a shortage in the accounts of any state agency, officer or employee.

(f) In the discharge of the duties imposed under the legislative post audit act, the post auditor may require state agencies to preserve and make available their accounts, records, documents, vouchers, requisitions, payrolls, canceled checks or vouchers and coupons, and other evidence of financial transactions.

(g) In the discharge of the duties imposed under the legislative post audit act, the post auditor or firm conducting a financial-compliance audit or conducting any other audit or audit work shall have access to all books, accounts, records, files, documents and correspondence, confidential or otherwise, of any person or state agency subject to the legislative post audit act or in the custody of any such person or state agency. Except as otherwise provided in this subsection, the post auditor or firm conducting a financial-compliance audit or other audit or audit work under the legislative post audit act and all employees and former employees of the division of post audit or firm performing a financial-compliance audit or other audit or audit work shall be subject to the same duty of confidentiality imposed by law on any such person or state agency with regard to any such books, accounts, records, files, documents and correspondence, and any information contained therein, and shall be subject to any civil or criminal penalties imposed by law for violations of such duty of confidence. The duty of confidentiality imposed on the post auditor and on firms conducting financial-compliance audits or any other audits or audit work under the legislative post audit act and all
employees of the division of post audit and all employees of such firms
shall be subject to the provisions of subsection (d), and the post auditor
may furnish all such books, accounts, records, files, documents and
correspondence, and any information contained therein to the attorney
general pursuant to subsection (d). Upon receipt thereof, the attorney
general and all assistant attorneys general and all other employees and
former employees of the office of attorney general shall be subject to the
same duty of confidentiality with the exceptions that any such information
contained therein may be disclosed in civil proceedings, ouster
proceedings and criminal proceedings which may be instituted and
prosecuted by the attorney general in accordance with subsection (d), and
any such books, accounts, records, files, documents and correspondence
furnished to the attorney general in accordance with subsection (d) may be
entered into evidence in any such proceedings. Nothing in this subsection
shall be construed to supersede any requirement of federal law.

(h) Any firm or firms which develop information in the course of
conducting a financial-compliance audit or other audit or audit work under
the legislative post audit act which the post auditor is required to report
under subsection (d) or (e) shall immediately report such information to
the post auditor. The post auditor shall then make the report required in
subsection (d) or (e).

(i) (1) A financial-compliance audit shall be conducted annually on
the accounts and transactions of the Kansas lottery and the Kansas lottery
commission, of the Kansas public employees retirement system and of any
other state agency as may be required by law. The auditor to conduct this
audit work shall be specified in accordance with K.S.A. 46-1122, and
amendments thereto. If the legislative post audit committee specifies under
such statute that a firm is to perform all or part of such audit work, such
firm shall be selected and shall perform such audit work as provided in
K.S.A. 46-1123, and amendments thereto, and K.S.A. 46-1125 through 46-
1127, and amendments thereto. The audits required pursuant to this
subsection shall be conducted in accordance with generally accepted
governmental auditing standards, and shall be conducted as soon after the
close of the fiscal year as practicable, but shall be completed no later than
six months after the close of the fiscal year.

(2) The financial-compliance audit of the Kansas public employees
retirement system shall include, but not be limited to, a review of
alternative investments of the system with any estimates of permanent
impairments to the value of such alternative investments reported by the
system pursuant to K.S.A. 74-4907, and amendments thereto. The
financial-compliance audit may include one or more performance audit
subjects as directed by the legislative post audit committee. In considering
performance audit subjects to be included in any such financial-
compliance audit, the legislative post audit committee shall consider recommendations and requests for performance audits, relating to the system or the management thereof, by the joint committee on pensions, investments and benefits or by any other committee or individual member of the legislature. The legislative post audit committee shall specify if one or more performance audit subjects shall be included in such financial-compliance audit, in addition to such other subjects as may be directed to be included in such financial-compliance audit by the legislative post audit committee. Except as otherwise determined by the legislative post audit committee, one or more performance audit subjects specified by the legislative post audit committee shall be included at least once every two fiscal years in such financial-compliance audit. The legislative post audit committee may direct that one or more performance audit subjects are to be included in such financial-compliance audit not more than once during a specific period of three fiscal years, in lieu of once every two fiscal years.

Sec. 3. K.S.A. 2012 Supp. 46-1118 is hereby amended to read as follows: 46-1118. (a) (1) Except as otherwise provided by statute, whenever the post auditor performs any additional audit work for any state agency to satisfy federal government requirements, and incurs costs in addition to those attributable to the operations of the division of post audit in performance of other duties and responsibilities, the post auditor shall make charges for such additional costs.

(2) Except as otherwise provided by statute, whenever the post auditor performs any audit work for any state agency to satisfy financial-compliance audit requirements prescribed by or pursuant to subsection (a) (1) of K.S.A. 46-1106, and amendments thereto, and incurs costs in addition to those attributable to the operations of the division of post audit in performance of other duties and responsibilities, the post auditor shall make charges for such additional costs.

(3) The legislative post audit committee may authorize the post auditor to perform additional financial-related audit work at the request of a state agency. Upon the authorization and in accordance with the direction of the legislative post audit committee, the post auditor may make charges for costs incurred for the performance of such financial-related audit work.

(4) The post auditor shall compute the reasonably anticipated cost of providing audits pursuant to section 1, and amendments thereto, subject to review and approval by the contract audit committee. Upon such approval, the state agency that is receiving the audit services shall reimburse the division of post audit for the amount approved by the contract audit committee.

(5) The furnishing of any such audit services by the division of post audit shall be a transaction between the post auditor and the state agency.
receiving such services and such transaction shall be settled in accordance
with the provisions of K.S.A. 75-5516, and amendments thereto.

(b) All moneys received for reimbursement of the division of post
audit under this section shall be remitted to the state treasurer in
accordance with the provisions of K.S.A. 75-4215, and amendments
thereto. Upon receipt of each such remittance, the state treasurer shall
deposit the entire amount in the state treasury to the credit of the audit
services fund, which fund is hereby created in the state treasury. All
expenditures from the audit services fund shall be made in accordance
with appropriation acts upon warrants of the director of accounts and
reports issued pursuant to vouchers approved by the post auditor or a
person or persons designated by the post auditor.

Sec. 4. K.S.A. 2012 Supp. 74-4921 is hereby amended to read as
follows: 74-4921. (1) There is hereby created in the state treasury the
Kansas public employees retirement fund. All employee and employer
contributions shall be deposited in the state treasury to be credited to the
Kansas public employees retirement fund. The fund is a trust fund and
shall be used solely for the exclusive purpose of providing benefits to
members and member beneficiaries and defraying reasonable expenses of
administering the fund. Investment income of the fund shall be added or
credited to the fund as provided by law. All benefits payable under the
system, refund of contributions and overpayments, purchases or
investments under the law and expenses in connection with the system
unless otherwise provided by law shall be paid from the fund. The director
of accounts and reports is authorized to draw warrants on the state
treasurer and against such fund upon the filing in the director's office of
proper vouchers executed by the chairperson or the executive director of
the board. As an alternative, payments from the fund may be made by
credits to the accounts of recipients of payments in banks, savings and loan
associations and credit unions. A payment shall be so made only upon the
written authorization and direction of the recipient of payment and upon
receipt of such authorization such payments shall be made in accordance
therewith. Orders for payment of such claims may be contained on (a) a
letter, memorandum, telegram, computer printout or similar writing, or (b)
any form of communication, other than voice, which is registered upon
magnetic tape, disc or any other medium designed to capture and contain
in durable form conventional signals used for the electronic
communication of messages.

(2) The board shall have the responsibility for the management of the
fund and shall discharge the board's duties with respect to the fund solely
in the interests of the members and beneficiaries of the system for the
exclusive purpose of providing benefits to members and such member's
beneficiaries and defraying reasonable expenses of administering the fund
and shall invest and reinvest moneys in the fund and acquire, retain, manage, including the exercise of any voting rights and disposal of investments of the fund within the limitations and according to the powers, duties and purposes as prescribed by this section.

(3) Moneys in the fund shall be invested and reinvested to achieve the investment objective which is preservation of the fund to provide benefits to members and member beneficiaries, as provided by law and accordingly providing that the moneys are as productive as possible, subject to the standards set forth in this act. No moneys in the fund shall be invested or reinvested if the sole or primary investment objective is for economic development or social purposes or objectives.

(4) In investing and reinvesting moneys in the fund and in acquiring, retaining, managing and disposing of investments of the fund, the board shall exercise the judgment, care, skill, prudence and diligence under the circumstances then prevailing, which persons of prudence, discretion and intelligence acting in a like capacity and familiar with such matters would use in the conduct of an enterprise of like character and with like aims by diversifying the investments of the fund so as to minimize the risk of large losses, unless under the circumstances it is clearly prudent not to do so, and not in regard to speculation but in regard to the permanent disposition of similar funds, considering the probable income as well as the probable safety of their capital.

(5) Notwithstanding subsection (4): (a) Total investments in common stock may be made in the amount of up to 60% of the total book value of the fund;

(b) the board may invest or reinvest moneys of the fund in alternative investments if the following conditions are satisfied:

(i) The total of the annual net commitment to alternative investments does not exceed 5% of the total market value of investment assets of the fund as measured from the end of the preceding calendar year;

(ii) if in addition to the system, there are at least two other qualified institutional buyers, as defined by section (a)(1)(i) of rule 144A, securities act of 1933;

(iii) the system's share in any individual alternative investment is limited to an investment representing not more than 20% of any such individual alternative investment;

(iv) the system has received a favorable and appropriate recommendation from a qualified, independent expert in investment management or analysis in that particular type of alternative investment;

(v) the alternative investment is consistent with the system's investment policies and objectives as provided in subsection (6);

(vi) the individual alternative investment does not exceed more than 2.5% of the total alternative investments made under this subsection. If the
alternative investment is made pursuant to participation by the system in a
multi-investor pool, the 2.5% limitation contained in this subsection is
applied to the underlying individual assets of such pool and not to
investment in the pool itself. The total of such alternative investments
made pursuant to participation by the system in any one individual multi-
investor pool shall not exceed more than 20% of the total of alternative
investments made by the system pursuant to this subsection. Nothing in
this subsection requires the board to liquidate or sell the system's holdings
in any alternative investments made pursuant to participation by the
system in any one individual multi-investor pool held by the system on the
effective date of this act, unless such liquidation or sale would be in the
best interest of the members and beneficiaries of the system and be
prudent under the standards contained in this section. The 20% limitation
contained in this subsection shall not have been violated if the total of such
investment in any one individual multi-investor pool exceeds 20% of the
total alternative investments of the fund as a result of market forces acting
to increase the value of such a multi-investor pool relative to the rest of the
system's alternative investments; however, the board shall not invest or
reinvest any moneys of the fund in any such individual multi-investor pool
until the value of such individual multi-investor pool is less than 20% of
the total alternative investments of the fund;
(vii) the board has received and considered the investment manager's
due diligence findings submitted to the board as required by subsection (6)
(c);
(viii) prior to the time the alternative investment is made, the system
has in place procedures and systems to ensure that the investment is
properly monitored and investment performance is accurately measured;
and
(ix) the total of alternative investments does not exceed 15% of the
total investment assets of the fund. The 15% limitation contained in this
subsection shall not have been violated if the total of such alternative
investments exceeds 15% of the total investment assets of the fund, based
on the fund total market value, as a result of market forces acting to
increase the value of such alternative investments relative to the rest of the
system's investments. However, the board shall not invest or reinvest any
moneys of the fund in alternative investments until the total value of such
alternative investments is less than 15% of the total investment assets of
the fund based on the market value. If the total value of the alternative
investments exceeds 15% of the total investment assets of the fund, the
board shall not be required to liquidate or sell the system's holdings in any
alternative investment held by the system, unless such liquidation or sale
would be in the best interest of the members and beneficiaries of the
system and is prudent under the standards contained in this section.
For purposes of this act, "alternative investment" includes a broad group of investments that are not one of the traditional asset types of public equities, fixed income, cash or real estate. Alternative investments are generally made through limited partnership or similar structures, are not regularly traded on nationally recognized exchanges and thus are relatively illiquid, and exhibit lower correlations with more liquid asset types such as stocks and bonds. Alternative investments generally include, but are not limited to, private equity, private credit, hedge funds, infrastructure, commodities and other investments which have the characteristics described in this paragraph; and

(c) except as otherwise provided, the board may invest or reinvest moneys of the fund in real estate investments if the following conditions are satisfied:

(i) The system has received a favorable and appropriate recommendation from a qualified, independent expert in investment management or analysis in that particular type of real estate investment;

(ii) the real estate investment is consistent with the system's investment policies and objectives as provided in subsection (6); and

(iii) the system has received and considered the investment manager's due diligence findings.

(6) Subject to the objective set forth in subsection (3) and the standards set forth in subsections (4) and (5) the board shall formulate policies and objectives for the investment and reinvestment of moneys in the fund and the acquisition, retention, management and disposition of investments of the fund. Such policies and objectives shall include:

(a) Specific asset allocation standards and objectives;

(b) establishment of criteria for evaluating the risk versus the potential return on a particular investment;

(c) a requirement that all investment managers submit such manager's due diligence findings on each investment to the board or investment advisory committee for approval or rejection prior to making any alternative investment;

(d) a requirement that all investment managers shall immediately report all instances of default on investments to the board and provide the board with recommendations and options, including, but not limited to, curing the default or withdrawal from the investment; and

(e) establishment of criteria that would be used as a guideline for determining when no additional add-on investments or reinvestments would be made and when the investment would be liquidated.

The board shall review such policies and objectives, make changes considered necessary or desirable and readopt such policies and objectives on an annual basis.

(7) The board may enter into contracts with one or more persons
whom the board determines to be qualified, whereby the persons undertake
to perform the functions specified in subsection (2) to the extent provided
in the contract. Performance of functions under contract so entered into
shall be paid pursuant to rates fixed by the board subject to provisions of
appropriation acts and shall be based on specific contractual fee
arrangements. The system shall not pay or reimburse any expenses of
persons contracted with pursuant to this subsection, except that after
approval of the board, the system may pay approved investment related
expenses subject to provisions of appropriation acts. The board shall
require that a person contracted with to obtain commercial insurance
which provides for errors and omissions coverage for such person in an
amount to be specified by the board, provided that such coverage shall be
at least the greater of $500,000 or 1% of the funds entrusted to such person
up to a maximum of $10,000,000. The board shall require a person
contracted with to give a fidelity bond in a penal sum as may be fixed by
law or, if not so fixed, as may be fixed by the board, with corporate surety
authorized to do business in this state. Such persons contracted with the
board pursuant to this subsection and any persons contracted with such
persons to perform the functions specified in subsection (2) shall be
deemed to be agents of the board and the system in the performance of
contractual obligations.

(8) (a) In the acquisition or disposition of securities, the board may
rely on the written legal opinion of a reputable bond attorney or attorneys,
the written opinion of the attorney of the investment counselor or
managers, or the written opinion of the attorney general certifying the
legality of the securities.

(b) The board shall employ or retain qualified investment counsel or
counselors or may negotiate with a trust company to assist and advise in
the judicious investment of funds as herein provided.

(9) (a) Except as provided in subsection (7) and this subsection, the
custody of money and securities of the fund shall remain in the custody of
the state treasurer, except that the board may arrange for the custody of
such money and securities as it considers advisable with one or more
member banks or trust companies of the federal reserve system or with one
or more banks in the state of Kansas, or both, to be held in safekeeping by
the banks or trust companies for the collection of the principal and interest
or other income or of the proceeds of sale. The services provided by the
banks or trust companies shall be paid pursuant to rates fixed by the board
subject to provisions of appropriation acts.

(b) The state treasurer and the board shall collect the principal and
interest or other income of investments or the proceeds of sale of securities
in the custody of the state treasurer and pay same when so collected into
the fund.
(c) The principal and interest or other income or the proceeds of sale of securities as provided in clause (a) of this subsection (9) shall be reported to the state treasurer and the board and credited to the fund.

(10) The board shall with the advice of the director of accounts and reports establish the requirements and procedure for reporting any and all activity relating to investment functions provided for in this act in order to prepare a record monthly of the investment income and changes made during the preceding month. The record will reflect a detailed summary of investment, reinvestment, purchase, sale and exchange transactions and such other information as the board may consider advisable to reflect a true accounting of the investment activity of the fund.

(11) The board shall provide for an examination of the investment program annually. The examination shall include an evaluation of current investment policies and practices and of specific investments of the fund in relation to the objective set forth in subsection (3), the standard set forth in subsection (4) and other criteria as may be appropriate, and recommendations relating to the fund investment policies and practices and to specific investments of the fund as are considered necessary or desirable. The board shall include in its annual report to the governor as provided in K.S.A. 74-4907, and amendments thereto, a report or a summary thereof covering the investments of the fund.

(12) (a) An annual financial-compliance audit of the system, including any performance audit subjects which are directed to be included in such annual audit by the legislative post audit committee, performance audits of the system as prescribed under the Kansas governmental operations law, and such other audits as are directed by the legislative post audit committee under the Kansas legislative post audit act shall be conducted. The annual financial-compliance audit shall include, but not be limited to, a review of alternative investments of the system with any estimates of permanent impairments to the value of such alternative investments reported by the system pursuant to K.S.A. 74-4907, and amendments thereto.

(b) In accordance with this subsection (12), the annual financial-compliance audit may include one or more performance audit subjects as directed by the legislative post audit committee. In considering performance audit subjects to be included in any financial-compliance audit conducted pursuant to this subsection (12), the legislative post audit committee shall consider recommendations and requests for performance audits, relating to the system or the management thereof, by the joint committee on pensions, investments and benefits or by any other committee or individual member of the legislature. Commencing with the financial-compliance audit for the fiscal year ending June 30, 1998, the legislative post audit committee shall specify if one or more performance
audit subjects shall be included in the financial-compliance audit conducted pursuant to this subsection (12), in addition to such other subjects as may be directed to be included in the financial-compliance audit by the legislative post audit committee. Except as otherwise determined by the legislative post audit committee pursuant to this subsection (12), commencing with the financial compliance audit for the fiscal year ending June 30, 1998, one or more performance audit subjects specified by the legislative post audit committee shall be included at least once every two fiscal years in a financial-compliance audit conducted pursuant to this subsection (12). The legislative post audit committee may direct that one or more performance audit subjects are to be included in a financial-compliance audit conducted pursuant to this subsection (12) not more than once during a specific period of three fiscal years, in lieu of once every two fiscal years.

(c) The auditor to conduct the financial-compliance audit required pursuant to this subsection (12) shall be specified in accordance with K.S.A. 46-1122, and amendments thereto. If the legislative post audit committee specifies under such statute that a firm, as defined by K.S.A. 46-1112, and amendments thereto, is to perform all or part of the audit work of such audit, such firm shall be selected and shall perform such audit work as provided in K.S.A. 46-1123, and amendments thereto, and K.S.A. 46-1125 through 46-1127, and amendments thereto. The audits required pursuant to this subsection (12) shall be conducted in accordance with generally accepted governmental auditing standards. The financial-compliance audit required pursuant to this subsection (12) shall be conducted as soon after the close of the fiscal year as practicable, but shall be completed no later than six months after the close of the fiscal year. The post auditor shall annually compute the reasonably anticipated cost of providing the financial-compliance audit pursuant to this subsection (12), subject to review and approval by the contract audit committee established by K.S.A. 46-1120, and amendments thereto. Upon such approval, the system shall reimburse the division of post audit for the amount approved by the contract audit committee. The furnishing of the financial-compliance audit pursuant to this subsection (12) shall be a transaction between the legislative post auditor and the system and shall be settled in accordance with the provisions of K.S.A. 75-5516, and amendments thereto.

(d) Any internal assessment or examination of alternative investments of the system performed by any person or entity employed or retained by the board which evaluates or monitors the performance of alternative investments shall be reported to the legislative post auditor so that such report may be reviewed in accordance with the annual financial-compliance audits conducted pursuant to this subsection (12) K.S.A. 46-
The board shall prepare and submit an alternative investment report to the joint committee on pensions, investments and benefits prior to January 1, 2016. Such report shall include a review of alternative investments of the system with an emphasis on the effects of changes in law pursuant to this act and includes specific investment cost and market value information of each individual alternative investment.

Sec. 5. K.S.A. 74-8707 and K.S.A. 2012 Supp. 46-1106, 46-1118 and 74-4921 are hereby repealed.

Sec. 6. This act shall take effect and be in force from and after its publication in the statute book.
