

Substitute for HOUSE BILL No. 2105

AN ACT concerning the employment security law; amending K.S.A. 44-702 and K.S.A. 2012 Supp. 44-703, 44-704, 44-705, 44-706, 44-709, 44-710, 44-710a, 44-710b, 44-714, 44-719, 74-5602 and 75-5702 and repealing the existing sections; also repealing K.S.A. 2012 Supp. 44-704c.

Be it enacted by the Legislature of the State of Kansas:

Section 1. K.S.A. 44-702 is hereby amended to read as follows: 44-702. As a guide to the interpretation and application of this act, the public policy of this state is declared to be as follows: Economic insecurity, due to unemployment, is a serious menace to health, morals, and welfare of the people of this state. Involuntary unemployment is therefore a subject of general interest and concern which requires appropriate action by the legislature to prevent its spread and to lighten its burden which now so often falls with crushing force upon the unemployed worker and ~~his~~ *such worker's* family. The achievement of social security requires protection against this greatest hazard of our economic life. This can be provided by encouraging employers to provide more stable employment and by the systematic accumulation of funds during periods of employment to provide benefits for periods of unemployment, thus maintaining purchasing power and limiting the serious social consequences of poor-relief assistance. The legislature, therefore, declares that in its considered judgment the public good and the general welfare of the citizens of this state require the enactment of this measure, under the police powers of the state, for the compulsory setting aside of unemployment reserves to be used for the benefit of persons unemployed. *All persons and employers are entitled to a neutral interpretation of the employment security law.*

Sec. 2. K.S.A. 2012 Supp. 44-703 is hereby amended to read as follows: 44-703. As used in this act, unless the context clearly requires otherwise:

(a) (1) "Annual payroll" means the total amount of wages paid or payable by an employer during the calendar year.

(2) "Average annual payroll" means the average of the annual payrolls of any employer for the last three calendar years immediately preceding the computation date as hereinafter defined if the employer has been continuously subject to contributions during those three calendar years and has paid some wages for employment during each of such years. In determining contribution rates for the calendar year, if an employer has not been continuously subject to contribution for the three calendar years immediately preceding the computation date but has paid wages subject to contributions during only the two calendar years immediately preceding the computation date, such employer's "average annual payroll" shall be the average of the payrolls for those two calendar years.

(3) "Total wages" means the total amount of wages paid or payable by an employer during the calendar year, including that part of remuneration in excess of the limitation prescribed as provided in subsection (o)(1) of this section.

(b) "Base period" means the first four of the last five completed calendar quarters immediately preceding the first day of an individual's benefit year, except that the base period in respect to combined wage claims means the base period as defined in the law of the paying state.

~~(1)(A)~~ If an individual lacks sufficient base period wages in order to establish a benefit year in the ~~manner~~ *manner* set forth above and satisfies the requirements of subsection (g) of K.S.A. 44-705 and subsection (hh) of K.S.A. 44-703, and amendments thereto, the claimant shall have an alternative base period substituted for the current base period so as not to prevent establishment of a valid claim. For the purposes of this subsection, "alternative base period" means the last four completed quarters immediately preceding the date the qualifying injury occurred. In the event the wages in the alternative base period have been used on a prior claim, then they shall be excluded from the new alternative base period.

~~(B) If an individual lacks sufficient base period wages in order to establish a benefit year in the manner set forth above the claimant shall have an alternative base period substituted for the current base period. For the purposes of this subsection, "alternative base period" means eligibility shall be determined using a base period that consists of the four most recently completed calendar quarters preceding the start of the benefit year.~~

(2) For the purposes of this chapter, the term "base period" includes the alternative base period.

(c) (1) “Benefits” means the money payments payable to an individual, as provided in this act, with respect to such individual’s unemployment.

(d) “Benefit year” with respect to any individual, means the period beginning with the first day of the first week for which such individual files a valid claim for benefits, and such benefit year shall continue for one full year. In the case of a combined wage claim, the benefit year shall be the benefit year of the paying state. Following the termination of a benefit year, a subsequent benefit year shall commence on the first day of the first week with respect to which an individual next files a claim for benefits. When such filing occurs with respect to a week which overlaps the preceding benefit year, the subsequent benefit year shall commence on the first day immediately following the expiration date of the preceding benefit year. Any claim for benefits made in accordance with subsection (a) of K.S.A. 44-709, and amendments thereto, shall be deemed to be a “valid claim” for the purposes of this subsection if the individual has been paid wages for insured work as required under subsection (e) of K.S.A. 44-705, and amendments thereto. Whenever a week of unemployment overlaps two benefit years, such week shall, for the purpose of granting waiting-period credit or benefit payment with respect thereto, be deemed to be a week of unemployment within that benefit year in which the greater part of such week occurs.

(e) “Commissioner” or “secretary” means the secretary of labor.

(f) (1) “Contributions” means the money payments to the state employment security fund which are required to be made by employers on account of employment under K.S.A. 44-710, and amendments thereto, and voluntary payments made by employers pursuant to such statute.

(2) “Payments in lieu of contributions” means the money payments to the state employment security fund from employers which are required to make or which elect to make such payments under subsection (e) of K.S.A. 44-710, and amendments thereto.

After a temporary job assignment, failure of an individual to affirmatively request an additional assignment on the next succeeding workday, if required by the employment agreement, after completion of a given work assignment, shall constitute leaving work voluntarily. The disqualification shall begin the day following the separation and shall continue until after the individual has become reemployed and has had earnings from insured work of at least three times the individual's weekly benefit amount. An individual shall not be disqualified under this subsection if:

(t) If the individual has been discharged for failing a preemployment drug screen required by the employer and if such discharge occurs not later than seven days after the employer is notified of the results of such drug screen. The disqualification shall begin the day following the separation and shall continue until after the individual becomes reemployed and has had earnings from insured work of at least three times the individual's determined weekly benefit amount.

(u) If the individual was found not to have a disqualifying adjudication or conviction under K.S.A. 39-970, and amendments thereto, or K.S.A. 65-5117, and amendments thereto, was hired and then was subsequently convicted of a disqualifying felony under K.S.A. 39-970, and amendments thereto, or K.S.A. 65-5117, and amendments thereto, and discharged pursuant to K.S.A. 39-970, and amendments thereto, or K.S.A. 65-5117, and amendments thereto. The disqualification shall begin the day following the separation and shall continue until after the individual becomes reemployed and has had earnings from insured work of at least three times the individual's determined weekly benefit amount.

Sec. 6. K.S.A. 2012 Supp. 44-709 is hereby amended to read as follows: 44-709. (a) *Filing*. Claims for benefits shall be made in accordance with rules and regulations adopted by the secretary. The secretary shall furnish a copy of such rules and regulations to any individual requesting them. Each employer shall post and maintain printed statements furnished by the secretary without cost to the employer in places readily accessible to individuals in the service of the employer.

(b) *Determination*. (1) Except as otherwise provided in this ~~subsection (b)(1) paragraph~~, a representative designated by the secretary, and

hereinafter referred to as an examiner, shall promptly examine the claim and, on the basis of the facts found by the examiner, shall determine whether or not the claim is valid. If the examiner determines that the claim is valid, the examiner shall determine the first day of the benefit year, the weekly benefit amount and the total amount of benefits payable with respect to the benefit year. If the claim is determined to be valid, the examiner shall send a notice to the last employing unit who shall respond within 10 days by providing the examiner all requested information including all information required for a decision under K.S.A. 44-706, and amendments thereto. The information may be submitted by the employing unit in person at an employment office of the secretary or by mail, by telefacsimile machine or by electronic mail. If the required information is not submitted or postmarked within a response time limit of 10 days after the examiner's notice was sent, the employing unit shall be deemed to have waived its standing as a party to the proceedings arising from the claim and shall be barred from protesting any subsequent decisions about the claim by the secretary, a referee, the board of review or any court, except that the employing unit's response time limit may be waived or extended by the examiner or upon appeal, if timely response was impossible due to excusable neglect. In any case in which the payment or denial of benefits will be determined by the provisions of subsection (d) of K.S.A. 44-706, and amendments thereto, the examiner shall promptly transmit the claim to a special examiner designated by the secretary to make a determination on the claim after the investigation as the special examiner deems necessary. The parties shall be promptly notified of the special examiner's decision and any party aggrieved by the decision may appeal to the referee as provided in subsection (c). The claimant and the claimant's most recent employing unit shall be promptly notified of the examiner's or special examiner's decision.

(2) The examiner may for good cause reconsider the examiner's decision and shall promptly notify the claimant and the most recent employing unit of the claimant, that the decision of the examiner is to be reconsidered, except that no reconsideration shall be made after the termination of the benefit year.

(3) Notwithstanding the provisions of any other statute, a decision of an examiner or special examiner shall be final unless the claimant or the most recent employing unit of the claimant files an appeal from the decision as provided in subsection (c), *except that the time limit for appeal may be waived or extended by the referee or board of review if a timely response was impossible due to excusable neglect*. The appeal must be filed within 16 calendar days after the mailing of notice to the last known addresses of the claimant and employing unit or, if notice is not by mail, within 16 calendar days after the delivery of the notice to the parties.

(c) *Appeals*. Unless the appeal is withdrawn, a referee, after affording the parties reasonable opportunity for fair hearing, shall affirm or modify the findings of fact and decision of the examiner or special examiner. The parties shall be duly notified of the referee's decision, together with the reasons for the decision. The decision shall be final, notwithstanding the provisions of any other statute, unless a further appeal to the board of review is filed within 16 calendar days after the mailing of the decision to the parties' last known addresses or, if notice is not by mail, within 16 calendar days after the delivery of the decision, *except that the time limit for appeal may be waived or extended by the referee or board of review if a timely response was impossible due to excusable neglect*.

(d) *Referees*. The secretary shall appoint, in accordance with subsection (c) of K.S.A. 44-714, and amendments thereto, one or more referees to hear and decide disputed claims.

(e) *Time, computation and extension*. In computing the period of time for an employing unit response or for appeals under this section from the examiner's or the special examiner's determination or from the referee's decision, the day of the act, event or default from which the designated period of time begins to run shall not be included. The last day of the period shall be included unless it is a Saturday, Sunday or legal holiday, in which event the period runs until the end of the next day which is not a Saturday, Sunday or legal holiday.

(f) *Board of review*. (1) There is hereby created a board of review, hereinafter referred to as the board, consisting of three members. Except as provided by paragraph (2) of this subsection, each member of the board

shall be appointed for a term of four years as provided in this subsection. Two members shall be appointed by the governor, subject to confirmation by the senate as provided in K.S.A. 75-4315b, and amendments thereto. Except as provided by K.S.A. 46-2601, and amendments thereto, no person appointed to the board, whose appointment is subject to confirmation by the senate, shall exercise any power, duty or function as a member until confirmed by the senate. One member shall be representative of employees, one member shall be representative of employers, and one member shall be representative of the public in general. The appointment of the employee representative member of the board shall be made by the governor from a list of three nominations submitted by the Kansas A.F.L.-C.I.O. The appointment of the employer representative member of the board shall be made by the governor from a list of three nominations submitted by the Kansas chamber of commerce and industry. The appointment of the public representative member of the board, who, because of vocation, occupation or affiliation may be deemed not to be representative of either management or labor, shall be made by the members appointed by the governor as employee representative and employer representative. If the two members do not agree and fail to make the appointment of the public member within 30 days after the expiration of the public member's term of office, the governor shall appoint the representative of the public. Not more than two members of the board shall belong to the same political party.

(2) The terms of members who are serving on the board on the effective date of this act shall expire on March 15 of the year in which such member's term would have expired under the provisions of this section prior to amendment by this act. Thereafter, members shall be appointed for terms of four years and until their successors are appointed and confirmed.

(3) Each member of the board shall serve until a successor has been appointed and confirmed. Any vacancy in the membership of the board occurring prior to expiration of a term shall be filled by appointment for the unexpired term in the same manner as provided for original appointment of the member. Each member shall be appointed as representative of the same special interest group represented by the predecessor of the member.

(4) Each member of the board shall be entitled to receive as compensation for the member's services at the rate of \$15,000 per year, together with the member's travel and other necessary expenses actually incurred in the performance of the member's official duties in accordance with rules and regulations adopted by the secretary. Members' compensation and expenses shall be paid from the employment security administration fund.

(5) The board shall organize annually by the election of a chairperson from among its members. The chairperson shall serve in that capacity for a term of one year and until a successor is elected. The board shall meet on the first Monday of each month or on the call of the chairperson or any two members of the board at the place designated. The secretary of labor shall appoint an executive secretary of the board and the executive secretary shall attend the meetings of the board.

(6) The board, on its own motion, may affirm, modify or set aside any decision of a referee on the basis of the evidence previously submitted in the case; may direct the taking of additional evidence; or may permit any of the parties to initiate further appeal before it. The board shall permit such further appeal by any of the parties interested in a decision of a referee which overrules or modifies the decision of an examiner. The board may remove to itself the proceedings on any claim pending before a referee. Any proceedings so removed to the board shall be heard in accordance with the requirements of subsection (c). The board shall promptly notify the interested parties of its findings and decision.

(7) Two members of the board shall constitute a quorum and no action of the board shall be valid unless it has the concurrence of at least two members. A vacancy on the board shall not impair the right of a quorum to exercise all the rights and perform all the duties of the board.

(g) *Procedure.* The manner in which disputed claims are presented, the reports on claims required from the claimant and from employers and the conduct of hearings and appeals shall be in accordance with rules of procedure prescribed by the board for determining the rights of the

parties, whether or not such rules conform to common law or statutory rules of evidence and other technical rules of procedure. A full and complete record shall be kept of all proceedings and decisions in connection with a disputed claim. All testimony at any hearing upon a disputed claim shall be recorded, but need not be transcribed unless the disputed claim is further appealed. In the performance of its official duties, the board shall have access to all of the records which pertain to the disputed claim and are in the custody of the secretary of labor and shall receive the assistance of the secretary upon request.

(h) *Witness fees.* Witnesses subpoenaed pursuant to this section shall be allowed fees and necessary travel expenses at rates fixed by the board. Such fees and expenses shall be deemed a part of the expense of administering this act.

(i) *Court review.* Any action of the board is subject to review in accordance with the Kansas judicial review act. No bond shall be required for commencing an action for such review. In the absence of an action for such review, the action of the board shall become final 16 calendar days after the date of the mailing of the decision. In addition to those persons having standing pursuant to K.S.A. 77-611, and amendments thereto, the examiner shall have standing to obtain judicial review of an action of the board. The review proceeding, and the questions of law certified, shall be heard in a summary manner and shall be given precedence over all other civil cases except cases arising under the workers compensation act.

(j) Any finding of fact or law, judgment, determination, conclusion or final order made by the board of review or any examiner, special examiner, referee or other person with authority to make findings of fact or law pursuant to the employment security law is not admissible or binding in any separate or subsequent action or proceeding, between a person and a present or previous employer brought before an arbitrator, court or judge of the state or the United States, regardless of whether the prior action was between the same or related parties or involved the same facts.

(k) In any proceeding or hearing conducted under this section, a party to the proceeding or hearing may appear before a referee or the board either personally or by means of a designated representative to present evidence and to state the position of the party. Hearings may be conducted in person, by telephone or other means of electronic communication. The hearing shall be conducted by telephone or other means of electronic communication if none of the parties requests an in-person hearing. If only one party requests an in-person hearing, the referee shall have the discretion of requiring all parties to appear in person or allow the party not requesting an in-person hearing to appear by telephone or other means of electronic communication. The notice of hearing shall include notice to the parties of their right to request an in-person hearing and instructions on how to make the request.

Sec. 7. K.S.A. 2012 Supp. 44-710 is hereby amended to read as follows: 44-710. (a) *Payment.* Contributions shall accrue and become payable by each contributing employer for each calendar year in which the contributing employer is subject to the employment security law with respect to wages paid for employment. Such contributions shall become due and be paid by each contributing employer to the secretary for the employment security fund in accordance with such rules and regulations as the secretary may adopt and shall not be deducted, in whole or in part, from the wages of individuals in such employer's employ. In the payment of any contributions, a fractional part of \$.01 shall be disregarded unless it amounts to \$.005 or more, in which case it shall be increased to \$.01. Should contributions for any calendar quarter be less than \$5, no payment shall be required.

(b) *Rates and base of contributions.* (1) Except as provided in paragraph (2) of this subsection, each contributing employer shall pay contributions on wages paid by the contributing employer during each calendar year with respect to employment as provided in K.S.A. 44-710a, and amendments thereto. Except that, notwithstanding the federal law requiring the secretary of labor to annually recalculate the contribution rate, for calendar years 2010, 2011, 2012, 2013 and 2014, the secretary shall charge each contributing employer in rate groups 1 through 32 the contribution rate in the 2010 original tax rate computation table, with con-

tributing employers in rate groups 33 through 51 being capped at a 5.4% contribution rate.

(2) (A) If the congress of the United States either amends or repeals the Wagner-Peyser act, the federal unemployment tax act, the federal social security act, or subtitle C of chapter 23 of the federal internal revenue code of 1986, or any act or acts supplemental to or in lieu thereof, or any part or parts of any such law, or if any such law, or any part or parts thereof, are held invalid with the effect that appropriations of funds by congress and grants thereof to the state of Kansas for the payment of costs of administration of the employment security law are no longer available for such purposes; or (B) if employers in Kansas subject to the payment of tax under the federal unemployment tax act are granted full credit against such tax for contributions or taxes paid to the secretary of labor, then, and in either such case, beginning with the year in which the unavailability of federal appropriations and grants for such purpose occurs or in which such change in liability for payment of such federal tax occurs and for each year thereafter, the rate of contributions of each contributing employer shall be equal to the total of .5% and the rate of contributions as determined for such contributing employer under K.S.A. 44-710a, and amendments thereto. The amount of contributions which each contributing employer becomes liable to pay under this paragraph (2) over the amount of contributions which such contributing employer would be otherwise liable to pay shall be credited to the employment security administration fund to be disbursed and paid out under the same conditions and for the same purposes as other moneys are authorized to be paid from the employment security administration fund, except that, if the secretary determines that as of the first day of January of any year there is an excess in the employment security administration fund over the amount required to be disbursed during such year, an amount equal to such excess as determined by the secretary shall be transferred to the employment security fund.

(c) *Charging of benefit payments.* (1) The secretary shall maintain a separate account for each contributing employer, and shall credit the contributing employer's account with all the contributions paid on the contributing employer's own behalf. Nothing in the employment security law shall be construed to grant any employer or individuals in such employer's service prior claims or rights to the amounts paid by such employer into the employment security fund either on such employer's own behalf or on behalf of such individuals. Benefits paid shall be charged against the accounts of each base period employer in the proportion that the base period wages paid to an eligible individual by each such employer bears to the total wages in the base period. Benefits shall be charged to contributing employers' accounts and rated governmental employers' accounts upon the basis of benefits paid during each twelve-month period ending on the computation date.

(2) (A) Benefits paid in benefit years established by valid new claims shall not be charged to the account of a contributing employer or rated governmental employer who is a base period employer if the examiner finds that claimant was separated from the claimant's most recent employment with such employer under any of the following conditions: (i) Discharged for misconduct or gross misconduct connected with the individual's work; or (ii) leaving work voluntarily without good cause attributable to the claimant's work or the employer.

(B) Where base period wage credits of a contributing employer or rated governmental employer represent part-time employment and the claimant continues in that part-time employment with that employer during the period for which benefits are paid, then that employer's account shall not be charged with any part of the benefits paid if the employer provides the secretary with information as required by rules and regulations. For the purposes of this subsection (c)(2)(B), "part-time employment" means any employment when an individual works ~~concurrently for two or more employers and also works~~ less than full-time ~~for at least one of those employers~~ because the individual's services are not required for the customary, scheduled full-time hours prevailing at the work place or the individual does not customarily work the regularly scheduled full-time hours due to personal choice or circumstances.

(C) No contributing employer or rated governmental employer's account shall be charged with any extended benefits paid in accordance

with the employment security law, except for weeks of unemployment beginning after December 31, 1978, all contributing governmental employers and governmental rated employers shall be charged an amount equal to all extended benefits paid.

(D) No contributing employer, rated governmental employer or reimbursing employer's account shall be charged for any additional benefits paid during the period July 1, 2003 through June 30, 2004.

(E) No contributing employer or rated governmental employer's account will be charged for benefits paid a claimant while pursuing an approved training course as defined in subsection (s) of K.S.A. 44-703, and amendments thereto.

(F) No contributing employer or rated governmental employer's account shall be charged with respect to the benefits paid to any individual whose base period wages include wages for services not covered by the employment security law prior to January 1, 1978, to the extent that the employment security fund is reimbursed for such benefits pursuant to section 121 of public law 94-566 (90 Stat. 2673).

(G) With respect to weeks of unemployment beginning after December 31, 1977, wages for insured work shall include wages paid for previously uncovered services. For the purposes of this subsection (c)(2)(G), the term "previously uncovered services" means services which were not covered employment, at any time during the one-year period ending December 31, 1975, except to the extent that assistance under title II of the federal emergency jobs and unemployment assistance act of 1974 was paid on the basis of such services, and which:

(i) Are agricultural labor as defined in subsection (w) of K.S.A. 44-703, and amendments thereto, or domestic service as defined in subsection (aa) of K.S.A. 44-703, and amendments thereto; ~~or~~

(ii) are services performed by an employee of this state or a political subdivision thereof, as provided in subsection (i)(3)(E) of K.S.A. 44-703, and amendments thereto; or

(iii) are services performed by an employee of a nonprofit educational institution which is not an institution of higher education.

(H) No contributing employer or rated governmental employer's account shall be charged with respect to their pro rata share of benefit charges if such charges are of \$100 or less.

(3) *An employer's account shall not be relieved of charges relating to a payment that was made erroneously if the secretary determines that:*

(A) *The erroneous payment was made because the employer, or the agent of the employer, was at fault for failing to respond timely or adequately to a written request from the secretary for information relating to the claim for unemployment compensation; and*

(B) *the employer or agent has established a pattern of failing to respond timely or adequately to requests for information.*

(C) *For purposes of this paragraph:*

(i) *"Erroneous payment" means a payment that but for the failure by the employer or the employer's agent with respect to the claim for unemployment compensation, would not have been made; and*

(ii) *"pattern of failure" means repeated documented failure on the part of the employer or the agent of the employer to respond, taking into consideration the number of instances of failure in relation to the total volume of requests. An employer or employer's agent failing to respond as described in (c)(3)(A) shall not be determined to have engaged in a "pattern of failure" if the number of such failures during the year prior to such request is fewer than two, or less than 2%, of such requests, whichever is greater.*

(C) *Determinations of the secretary prohibiting the relief of charges pursuant to this section shall be subject to appeal or protest as other determinations of the agency with respect to the charging of employer accounts.*

(D) *This paragraph shall apply to erroneous payments established on and after the effective date of this act.*

(4) The examiner shall notify any base period employer whose account will be charged with benefits paid following the filing of a valid new claim and a determination by the examiner based on all information relating to the claim contained in the records of the division of employment security. Such notice shall become final and benefits charged to the base period employer's account in accordance with the claim unless

within 10 calendar days from the date the notice was sent, the base period employer requests in writing that the examiner reconsider the determination and furnishes any required information in accordance with the secretary's rules and regulations. In a similar manner, a notice of an additional claim followed by the first payment of benefits with respect to the benefit year, filed by an individual during a benefit year after a period in such year during which such individual was employed, shall be given to any base period employer of the individual who has requested such a notice within 10 calendar days from the date the notice of the valid new claim was sent to such base period employer. For purposes of this subsection (c)(3), if the required information is not submitted or postmarked within a response time limit of 10 days after the base period employer notice was sent, the base period employer shall be deemed to have waived its standing as a party to the proceedings arising from the claim and shall be barred from protesting any subsequent decisions about the claim by the secretary, a referee, the board of review or any court, except that the base period employer's response time limit may be waived or extended by the examiner or upon appeal, if timely response was impossible due to excusable neglect. The examiner shall notify the employer of the reconsidered determination which shall be subject to appeal, or further reconsideration, in accordance with the provisions of K.S.A. 44-709, and amendments thereto.

~~(4)~~ (5) *Time, computation and extension.* In computing the period of time for a base period employer response or appeals under this section from the examiner's or the special examiner's determination or from the referee's decision, the day of the act, event or default from which the designated period of time begins to run shall not be included. The last day of the period shall be included unless it is a Saturday, Sunday or legal holiday, in which event the period runs until the end of the next day which is not a Saturday, Sunday or legal holiday.

(d) *Pooled fund.* All contributions and payments in lieu of contributions and benefit cost payments to the employment security fund shall be pooled and available to pay benefits to any individual entitled thereto under the employment security law, regardless of the source of such contributions or payments in lieu of contributions or benefit cost payments.

(e) *Election to become reimbursing employer; payment in lieu of contributions.* (1) Any governmental entity, Indian tribes or tribal units, (subdivisions, subsidiaries or business enterprises wholly owned by such Indian tribes), for which services are performed as described in subsection (i)(3)(E) of K.S.A. 44-703, and amendments thereto, or any nonprofit organization or group of nonprofit organizations described in section 501(c)(3) of the federal internal revenue code of 1986 which is exempt from income tax under section 501(a) of such code, that becomes subject to the employment security law may elect to become a reimbursing employer under this subsection (e)(1) and agree to pay the secretary for the employment security fund an amount equal to the amount of regular benefits and $\frac{1}{2}$ of the extended benefits paid that are attributable to service in the employ of such reimbursing employer, except that each reimbursing governmental employer, Indian tribes or tribal units shall pay an amount equal to the amount of regular benefits and extended benefits paid for weeks of unemployment beginning after December 31, 1978, for governmental employers and December 21, 2000, for Indian tribes or tribal units to individuals for weeks of unemployment which begin during the effective period of such election.

(A) Any employer identified in this subsection (e)(1) may elect to become a reimbursing employer for a period encompassing not less than four complete calendar years if such employer files with the secretary a written notice of such election within the 30-day period immediately following January 1 of any calendar year or within the 30-day period immediately following the date on which a determination of subjectivity to the employment security law is issued, whichever occurs later.

(B) Any employer which makes an election to become a reimbursing employer in accordance with subparagraph (A) of this subsection (e)(1) will continue to be liable for payments in lieu of contributions until such employer files with the secretary a written notice terminating its election not later than 30 days prior to the beginning of the calendar year for which such termination shall first be effective.

(C) Any employer identified in this subsection (e)(1) which has re-

mained a contributing employer and has been paying contributions under the employment security law for a period subsequent to January 1, 1972, may change to a reimbursing employer by filing with the secretary not later than 30 days prior to the beginning of any calendar year a written notice of election to become a reimbursing employer. Such election shall not be terminable by the employer for four complete calendar years.

(D) The secretary may for good cause extend the period within which a notice of election, or a notice of termination, must be filed and may permit an election to be retroactive but not any earlier than with respect to benefits paid after January 1 of the year such election is received.

(E) The secretary, in accordance with such rules and regulations as the secretary may adopt, shall notify each employer identified in subsection (e)(1) of any determination which the secretary may make of its status as an employer and of the effective date of any election which it makes to become a reimbursing employer and of any termination of such election. Such determinations shall be subject to reconsideration, appeal and review in accordance with the provisions of K.S.A. 44-710b, and amendments thereto.

(2) *Reimbursement reports and payments.* Payments in lieu of contributions shall be made in accordance with the provisions of paragraph (A) of this subsection (e)(2) by all reimbursing employers except the state of Kansas. Each reimbursing employer shall report total wages paid during each calendar quarter by filing quarterly wage reports with the secretary which shall be filed by the last day of the month following the close of each calendar quarter. Wage reports are deemed filed as of the date they are placed in the United States mail.

(A) At the end of each calendar quarter, or at the end of any other period as determined by the secretary, the secretary shall bill each reimbursing employer, except the state of Kansas: (i) An amount to be paid which is equal to the full amount of regular benefits plus $\frac{1}{2}$ of the amount of extended benefits paid during such quarter or other prescribed period that is attributable to service in the employ of such reimbursing employer; and (ii) for weeks of unemployment beginning after December 31, 1978, each reimbursing governmental employer and December 21, 2000, for Indian tribes or tribal units shall be certified an amount to be paid which is equal to the full amount of regular benefits and extended benefits paid during such quarter or other prescribed period that is attributable to service in the employ of such reimbursing governmental employer.

(B) Payment of any bill rendered under paragraph (A) of this subsection (e)(2) shall be made not later than 30 days after such bill was mailed to the last known address of the reimbursing employer, or otherwise was delivered to such reimbursing employer, unless there has been an application for review and redetermination in accordance with paragraph (D) of this subsection (e)(2).

(C) Payments made by any reimbursing employer under the provisions of this subsection (e)(2) shall not be deducted or deductible, in whole or in part, from the remuneration of individuals in the employ of such employer.

(D) The amount due specified in any bill from the secretary shall be conclusive on the reimbursing employer, unless, not later than 15 days after the bill was mailed to the last known address of such employer, or was otherwise delivered to such employer, the reimbursing employer files an application for redetermination in accordance with K.S.A. 44-710b, and amendments thereto.

(E) Past due payments of amounts certified by the secretary under this section shall be subject to the same interest, penalties and actions required by K.S.A. 44-717, and amendments thereto. (1) If any nonprofit organization or group of nonprofit organizations described in section 501(c)(3) of the federal internal revenue code of 1986 or governmental reimbursing employer is delinquent in making payments of amounts certified by the secretary under this section, the secretary may terminate such employer's election to make payments in lieu of contributions as of the beginning of the next calendar year and such termination shall be effective for such next calendar year and the calendar year thereafter so that the termination is effective for two complete calendar years. (2) Failure of the Indian tribe or tribal unit to make required payments, including assessment of interest and penalty within 90 days of receipt of the bill will cause the Indian tribe to lose the option to make payments in lieu of

contributions as described pursuant to paragraph (e)(1) for the following tax year unless payment in full is received before contribution rates for the next tax year are calculated. (3) Any Indian tribe that loses the option to make payments in lieu of contributions due to late payment or non-payment, as described in paragraph (2), shall have such option reinstated, if after a period of one year, all contributions have been made on time and no contributions, payments in lieu of contributions for benefits paid, penalties or interest remain outstanding.

(F) Failure of the Indian tribe or any tribal unit thereof to make required payments, including assessments of interest and penalties, after all collection activities deemed necessary by the secretary have been exhausted, will cause services performed by such tribe to not be treated as employment for purposes of subsection (i)(3)(E) of K.S.A. 44-703, and amendments thereto. If an Indian tribe fails to make payments required under this section, including assessments of interest and penalties, within 90 days of a final notice of delinquency, the secretary shall immediately notify the United States internal revenue service and the United States department of labor. The secretary may determine that any Indian tribe that loses coverage pursuant to this paragraph may have services performed on behalf of such tribe again deemed “employment” if all contributions, payments in lieu of contributions, penalties and interest have been paid.

(G) In the discretion of the secretary, any employer who elects to become liable for payments in lieu of contributions and any nonprofit organization or group of nonprofit organizations described in section 501 (c)(3) of the federal internal revenue code of 1986 or governmental reimbursing employer or Indian tribe or tribal unit who is delinquent in filing reports or in making payments of amounts certified by the secretary under this section shall be required within 60 days after the effective date of such election, in the case of an eligible employer so electing, or after the date of notification to the delinquent employer under this subsection (e)(2)(G), in the case of a delinquent employer, to execute and file with the secretary a surety bond, except that the employer may elect, in lieu of a surety bond, to deposit with the secretary money or securities as approved by the secretary or to purchase and deliver to an escrow agent a certificate of deposit to guarantee payment. The amount of the bond, deposit or escrow agreement required by this subsection (e)(2)(G) shall not exceed 5.4% of the organization’s taxable wages paid for employment by the eligible employer during the four calendar quarters immediately preceding the effective date of the election or the date of notification, in the case of a delinquent employer. If the employer did not pay wages in each of such four calendar quarters, the amount of the bond or deposit shall be as determined by the secretary. Upon the failure of an employer to comply with this subsection (e)(2)(G) within the time limits imposed or to maintain the required bond or deposit, the secretary may terminate the election of such eligible employer or delinquent employer, as the case may be, to make payments in lieu of contributions, and such termination shall be effective for the current and next calendar year.

(H) The state of Kansas shall make reimbursement payments quarterly at a fiscal year rate which shall be based upon: (i) The available balance in the state’s reimbursing account as of December 31 of each calendar year; (ii) the historical unemployment experience of all covered state agencies during prior years; (iii) the estimate of total covered wages to be paid during the ensuing calendar year; (iv) the applicable fiscal year rate of the claims processing and auditing fee under K.S.A. 75-3798, and amendments thereto; and (v) actuarial and other information furnished to the secretary by the secretary of administration. In accordance with K.S.A. 75-3798, and amendments thereto, the claims processing and auditing fees charged to state agencies shall be deducted from the amounts collected for the reimbursement payments under this paragraph (H) prior to making the quarterly reimbursement payments for the state of Kansas. The fiscal year rate shall be expressed as a percentage of covered total wages and shall be the same for all covered state agencies. The fiscal year rate for each fiscal year will be certified in writing by the secretary to the secretary of administration on July 15 of each year and such certified rate shall become effective on the July 1 immediately following the date of certification. A detailed listing of benefit charges applicable to the state’s reimbursing account shall be furnished quarterly by the secretary to the

secretary of administration and the total amount of charges deducted from previous reimbursing payments made by the state. On January 1 of each year, if it is determined that benefit charges exceed the amount of prior reimbursing payments, an upward adjustment shall be made therefor in the fiscal year rate which will be certified on the ensuing July 15. If total payments exceed benefit charges, all or part of the excess may be refunded, at the discretion of the secretary, from the fund or retained in the fund as part of the payments which may be required for the next fiscal year.

(3) *Allocation of benefit costs.* The reimbursing account of each reimbursing employer shall be charged the full amount of regular benefits and $\frac{1}{2}$ of the amount of extended benefits paid except that each reimbursing governmental employer's account shall be charged the full amount of regular benefits and extended benefits paid for weeks of unemployment beginning after December 31, 1978, to individuals whose entire base period wage credits are from such employer. When benefits received by an individual are based upon base period wage credits from more than one employer then the reimbursing employer's or reimbursing governmental employer's account shall be charged in the same ratio as base period wage credits from such employer bear to the individual's total base period wage credits. Notwithstanding any other provision of the employment security law, no reimbursing employer's or reimbursing governmental employer's account shall be charged for payments of extended benefits which are wholly reimbursed to the state by the federal government.

(A) *Proportionate allocation (when fewer than all reimbursing base period employers are liable).* If benefits paid to an individual are based on wages paid by one or more reimbursing employers and on wages paid by one or more contributing employers or rated governmental employers, the amount of benefits payable by each reimbursing employer shall be an amount which bears the same ratio to the total benefits paid to the individual as the total base period wages paid to the individual by such employer bears to the total base period wages paid to the individual by all of such individual's base period employers.

(B) *Proportionate allocation (when all base period employers are reimbursing employers).* If benefits paid to an individual are based on wages paid by two or more reimbursing employers, the amount of benefits payable by each such employer shall be an amount which bears the same ratio to the total benefits paid to the individual as the total base period wages paid to the individual by such employer bear to the total base period wages paid to the individual by all of such individual's base period employers.

(4) *Group accounts.* Two or more reimbursing employers may file a joint application to the secretary for the establishment of a group account for the purpose of sharing the cost of benefits paid that are attributable to service in the employment of such reimbursing employers. Each such application shall identify and authorize a group representative to act as the group's agent for the purposes of this subsection (e)(4). Upon approval of the application, the secretary shall establish a group account for such employers effective as of the beginning of the calendar quarter in which the secretary receives the application and shall notify the group's representative of the effective date of the account. Such account shall remain in effect for not less than four years and thereafter such account shall remain in effect until terminated at the discretion of the secretary or upon application by the group. Upon establishment of the account, each member of the group shall be liable for payments in lieu of contributions with respect to each calendar quarter in the amount that bears the same ratio to the total benefits paid in such quarter that are attributable to service performed in the employ of all members of the group as the total wages paid for service in employment by such member in such quarter bear to the total wages paid during such quarter for service performed in the employ of all members of the group. The secretary shall adopt such rules and regulations as the secretary deems necessary with respect to applications for establishment, maintenance and termination of group accounts that are authorized by this subsection (e)(4), for addition of new members to, and withdrawal of active members from such accounts, and for the determination of the amounts that are payable un-

der this subsection (e)(4) by members of the group and the time and manner of such payments.

Sec. 8. K.S.A. 2012 Supp. 44-710a is hereby amended to read as follows: 44-710a. (a) *Classification of employers by the secretary.* The term “employer” as used in this section refers to contributing employers. The secretary shall classify employers in accordance with their actual experience in the payment of contributions on their own behalf and with respect to benefits charged against their accounts with a view of fixing such contribution rates as will reflect such experience. If, as of the date such classification of employers is made, the secretary finds that any employing unit has failed to file any report required in connection therewith, or has filed a report which the secretary finds incorrect or insufficient, the secretary shall make an estimate of the information required from such employing unit on the basis of the best evidence reasonably available to the secretary at the time, and notify the employing unit thereof by mail addressed to its last known address. Unless such employing unit shall file the report or a corrected or sufficient report as the case may be, within 15 days after the mailing of such notice, the secretary shall compute such employing unit’s rate of contributions on the basis of such estimates, and the rate as so determined shall be subject to increase but not to reduction on the basis of subsequently ascertained information. The secretary shall determine the contribution rate of each employer in accordance with the requirements of this section.

(1) *New employers.* (A) No employer will be eligible for a rate computation until there have been 24 consecutive calendar months immediately preceding the computation date throughout which benefits could have been charged against such employer’s account.

(B) (i) (a) For the rate year ~~2007 and each rate year thereafter~~ *years 2007 through 2013*, each employer who is not eligible for a rate contribution shall pay contributions equal to 4% of wages paid during each calendar year with regard to employment except such employers engaged in the construction industry shall pay a rate equal to 6%.

(b) *For the rate year 2014 and each rate year thereafter, except as provided in subclause (c), each employer who is not eligible for a rate contribution shall pay contributions equal to 4% of wages paid during each calendar year with regard to employment, except such employers engaged in the construction industry shall pay a rate equal to 6%.*

(c) *For the rate year 2014 and each rate year thereafter, except for the construction industry, each employer who starts a new business and who is not eligible for a rate contribution shall pay contributions equal to 2.7% of wages paid during each calendar year with regard to employment.*

(ii) For rate years prior to 2007, employers who are not eligible for a rate computation shall pay contributions at an assigned rate equal to the sum of 1% plus the greater of the average rate assigned in the preceding calendar year to all employers in such industry sector or the average rate assigned to all covered employers during the preceding calendar year, except that in no instance shall any such assigned rate be less than 2%. Employers engaged in more than one type of industrial activity shall be classified by principal activity. All rates assigned will remain in effect for a complete calendar year. If the sale or acquisition of a new establishment would require reclassification of the employer to a different industry sector, the employer would be promptly notified, and the contribution rate applicable to the new industry sector would become effective the following January 1.

(iii) For purposes of this subsection (a), employers shall be classified by industrial activity in accordance with standard procedures as set forth in rules and regulations adopted by the secretary.

(C) “Computation date” means June 30 of each calendar year with respect to rates of contribution applicable to the calendar year beginning with the following January 1. In arriving at contribution rates for each calendar year, contributions paid on or before July 31 following the computation date for employment occurring on or prior to the computation date shall be considered for each contributing employer who has been subject to this act for a sufficient period of time to have such employer’s rate computed under this subsection (a).

(2) *Eligible employers.* (A) A reserve ratio shall be computed for each eligible employer by the following method: Total benefits charged to the employer's account for all past years shall be deducted from all contributions paid by such employer for all such years. The balance, positive or negative, shall be divided by the employer's average annual payroll, and the result shall constitute the employer reserve ratio.

(B) Negative account balance employers as defined in subsection (d) shall pay contributions at the rate of 5.4% for each calendar year.

(C) Eligible employers, other than negative account balance employers, who do not meet the average annual payroll requirements as stated in subsection (a)(2) of K.S.A. 44-703, and amendments thereto, will be issued the maximum rate indicated in subsection (a)(3)(C) of this section until such employer establishes a new period of 24 consecutive calendar months immediately preceding the computation date throughout which benefits could have been charged against such employer's account by resuming the payment of wages. Contribution rates effective for each calendar year thereafter shall be determined as prescribed below.

(D) As of each computation date, the total of the taxable wages paid during the 12-month period prior to the computation date by all employers eligible for rate computation, except negative account balance employers, shall be divided into 51 approximately equal parts designated in column A of schedule I as "rate groups," except, with regard to a year in which the taxable wage base changes. The taxable wages used in the calculation for such a year and the following year shall be an estimate of what the taxable wages would have been if the new taxable wage base had been in effect during the entire twelve-month period prior to the computation date. The lowest numbered of such rate groups shall consist of the employers with the most favorable reserve ratios, as defined in this section, whose combined taxable wages paid are less than 1.96% of all taxable wages paid by all eligible employers. Each succeeding higher numbered rate group shall consist of employers with reserve ratios that are less favorable than those of employers in the preceding lower numbered rate groups and whose taxable wages when combined with the taxable wages of employers in all lower numbered rate groups equal the appropriate percentage of total taxable wages designated in column B of schedule I. Each eligible employer, other than a negative account balance employer, shall be assigned an experience factor designated under column C of schedule I in accordance with the rate group to which the employer is assigned on the basis of the employer's reserve ratio and taxable payroll. If an employer's taxable payroll falls into more than one rate group the employer shall be assigned the experience factor of the lower numbered rate group. If one or more employers have reserve ratios identical to that of the last employer included in the next lower numbered rate group, all such employers shall be assigned the experience factor designated to such last employer, notwithstanding the position of their taxable payroll in column B of schedule I.

(E) Negative account balance employers shall, in addition to paying the rate provided for in subsection (a)(2)(B) of this section, pay a surcharge based on the size of the employer's negative reserve ratio, the calculation which is provided for in subsection (a)(2) of this section. The amount of the surcharge shall be determined from column B2 of schedule II of this section for calendar years 2012, 2013, 2014 and from column ~~B1~~ B4 of schedule II of this section for each calendar year after 2014. Each negative account balance employer who does not satisfy the requirements to have an average annual payroll, as defined by subsection (a)(2) of K.S.A. 44-703, and amendments thereto, shall be assigned a surcharge of equal to the maximum negative ratio surcharge from column B2 of schedule II of this section for calendar years 2012, 2013 and 2014. From calendar year 2015 forward, each negative account balance employer who does not satisfy the requirements to have an average annual payroll, as defined by subsection (a)(2) of K.S.A. 44-703, and amendments thereto, shall be assigned a surcharge equal to the maximum negative ratio surcharge from column ~~B1~~ B4 of schedule II of this section. Funds from the surcharge paid according to this subsection (a)(2)(E), and amendments thereto, shall be used to pay principal and interest due on funds received from the federal unemployment account under title XII of the social security act, (42 U.S.C. §§ 1321 to 1324), in the following manner:

(i) For each calendar year 2012, 2013 and 2014, an additional 0.10% of the taxable wages paid by all negative account balance employers with a negative reserve ratio between 0.0% and 19.9% shall be designated an interest assessment surcharge and paid into the employment security interest assessment fund for the purpose of paying interest due and owing on funds received from the federal unemployment account under title XII of the social security act. The total surcharges assessed, including the additional 0.10% surcharge mentioned above, on such employers are listed in schedule II column B2. For the calendar year 2015, and each calendar year thereafter, the surcharge rate for negative balance employ-

ers with a negative reserve ratio between 0.0% and 19.9% shall be as listed in schedule II column ~~B1~~ B4.

(ii) For the calendar year ~~2012, and each calendar year thereafter years 2012, 2013 and 2014~~, an additional surcharge on negative balance employers with negative reserve ratio of 20.0% and higher shall be designated an interest assessment surcharge and deposited in the employment security interest assessment fund. The additional surcharge shall be used for the purposes of paying interest due and owing on fund received from the federal unemployment account under title XII of the social security act. The total surcharge including the additional surcharge on such employers is listed in schedule II column B3 of this section.

(iii) For any succeeding year in which interest is due and owing on funds received from the federal unemployment account under title XII of the social security act, the secretary of labor may adjust the surcharge amounts necessary to pay such interest;

(iv) the portion of such surcharge used for the payment of such interest shall not be included in the calculation of such employers reserve ratio pursuant to subsection (a)(2). The portion of such surcharge used for the payment of principal shall be included in the calculation of such employers reserve ratio pursuant to subsection (a)(2); and

(v) if the amounts collected under this subsection are in excess of the amounts needed to pay interest due, the amounts in excess shall remain in the employment security interest assessment fund to be used to pay interest in future years. Whenever the secretary certifies all interest payments have been paid pursuant to this section, any excess funds remaining in the employment security interest assessment fund shall be transferred to the employment security trust fund for the purpose of paying any remaining principal amount due for advances described in this section. In the event that the amount transferred from the employment security interest assessment fund exceeds such remaining amount of principal due, the balance shall be used for the purposes of the employment security trust fund.

The reserve fund ratio shall be determined by dividing total assets in the employment security fund provided for in subsection (a) of K.S.A. 44-712, and amendments thereto, excluding all moneys credited to the account of this state pursuant to section 903 of the federal social security act, as amended, which have been appropriated by the state legislature, whether or not withdrawn from the trust fund, and excluding contributions not yet paid on July 31 by total payrolls for contributing employers for the preceding fiscal year which ended June 30.

(B) *Adjustment to taxable wages.* The planned yield as a percent of total wages, as determined in this subsection (a)(3), shall be adjusted to taxable wages by multiplying by the ratio of total wages to taxable wages for all contributing employers for the preceding fiscal year ending June 30, except, with regard to a year in which the taxable wage base changes. The taxable wages used in the calculation for such a year and the following year shall be an estimate of what the taxable wages would have been if the new taxable wage base had been in effect during all of the preceding fiscal year ending June 30.

(C) *Effective rates.* (i) Except with regard to rates for negative account balance employers, employer contribution rates to be effective for the ensuing calendar year shall be computed by adjusting proportionately the experience factors from schedule I of this section to the required yield on taxable wages. For the purposes of this subsection (a)(3), all rates computed shall be rounded to the nearest .01% and for calendar year 1983 and ensuing calendar years, the maximum effective contribution rate shall not exceed 5.4%.

(ii) For rate year 2007 and subsequent rate years, employers who are current in filing quarterly wage reports and in payment of all contributions

due and owing, shall be issued a contribution rate based upon the following reduction: for rate groups 1 through 5, the rates would be reduced to 0.00%; for rate groups 6 through 28, the rates would be reduced by 50%; for rate groups 29 through 51, the rates would be reduced by 40%.

(iii) In order to be eligible for the reduced rates for rate year 2007, the employer must file all late reports and pay all contributions due and owing within a 30-day period following the date of mailing of the amended rate notice.

(iv) In order to be eligible for the reduced rates for ~~rate year 2008 and subsequent rate~~ years 2008 through 2013, employers must file all reports due and pay all contributions due and owing on or before January 31 of the applicable year, except that the reduced rates for otherwise eligible employers shall not be effective for any rate year if the average high cost multiple of the employment security trust fund balance falls below 1.2 as of the computation date of that year's rates. *In order to be eligible for the reduced rates for rate year 2014 and subsequent rate years, employers must file all reports due and pay all contributions due and owing on or before January 31 of the applicable year, except that the reduced rates for otherwise eligible employers shall not be effective for any rate year if the average high cost multiple of the employment security trust fund balance falls below 1.0 as of the computation date of that year's rates.* For the purposes of this provision, the average high cost multiple is the reserve fund ratio, as defined by subsection (a)(3)(A), divided by the average high benefit cost rate. The average high benefit cost rate shall be determined by averaging the three highest benefit cost rates over the last 20 years from the preceding fiscal year which ended June 30. The high benefit cost rate is defined by dividing total benefits paid in the fiscal year by total payrolls for covered employers in the fiscal year.

(v) *For rate year 2015 and rate years thereafter, an eligible employer other than a negative account balance employer, who has filed all reports due and paid all contributions due and owing on or before January 31 of the applicable year is entitled to a rate discount of 25% except as provided in this subsection. This discount shall not be in effect if other reduced rates pursuant to subsections (a)(3)(C)(i) through (iv) are in effect. This discount shall not be available for a rate year if the average high cost multiple of the employment security trust fund balance falls below 1.0 as of the computation date of that year's rates, and this discount shall thereafter cease to be in effect for all subsequent rate years. For the purposes of this provision, the average high cost multiple is as defined by subsection (a)(3)(C)(iv).*

(b) *Successor classification.* (1)(A) For the purposes of this subsection (b), whenever an employing unit, whether or not it is an "employing unit" within the meaning of subsection (g) of K.S.A. 44-703, and amendments thereto, becomes an employer pursuant to subsection (h)(4) of K.S.A. 44-703, and amendments thereto, or is an employer at the time of acquisition and meets the definition of a "successor employer" as defined by subsection (dd) of K.S.A. 44-703, and amendments thereto, and thereafter transfers its trade or business, or any portion thereof, to another employer and, at the time of the transfer, there is substantially common ownership, management or control of the two employers, then the unemployment experience attributable to the transferred trade or business shall be transferred to the employer to whom such business is so transferred. These experience factors consist of all contributions paid, benefit experience and annual payrolls of the predecessor employer. The transfer of some or all of an employer's workforce to another employer shall be considered a transfer of trade or business when, as the result of such transfer, the transferring employer no longer performs trade or business with respect to the transferred workforce, and such trade or business is performed by the employer to whom the workforce is transferred.

(B) If, following a transfer of experience under subparagraph (A), the secretary determines that a substantial purpose of the transfer or business was to obtain a reduced liability for contributions, then the experience rating accounts of the employers involved shall be combined into a single account and a single rate assigned to such account.

(2) A successor employer as defined by subsection (h)(4) or subsection (dd) of K.S.A. 44-703, and amendments thereto, may receive the experience rating factors of the predecessor employer if an application is

made to the secretary or the secretary's designee in writing within 120 days of the date of the transfer.

(3) Whenever an employing unit, whether or not it is an "employing unit" within the meaning of subsection (g) of K.S.A. 44-703, and amendments thereto, acquires or in any manner succeeds to a percentage of an employer's annual payroll which is less than 100% and intends to continue the acquired percentage as a going business, the employing unit may acquire the same percentage of the predecessor's experience factors if: (A) The predecessor employer and successor employing unit make an application in writing on the form prescribed by the secretary; (B) the application is submitted within 120 days of the date of the transfer; (C) the successor employing unit is or becomes an employer subject to this act immediately after the transfer; (D) the percentage of the experience rating factors transferred shall not be thereafter used in computing the contribution rate for the predecessor employer; and (E) the secretary finds that such transfer will not tend to defeat or obstruct the object and purposes of this act.

(4)(A) The rate of both employers in a full or partial successorship under paragraph (1) of this subsection shall be recalculated and made effective on the first day of the next calendar quarter following the date of transfer of trade or business.

(B) If a successor employer is determined to be qualified under paragraph (2) or (3) of this subsection to receive the experience rating factors of the predecessor employer, the rate assigned to the successor employer for the remainder of the contributions year shall be determined by the following:

(i) If the acquiring employing unit was an employer subject to this act prior to the date of the transfer, the rate of contribution shall be the same as the contribution rate of the acquiring employer on the date of the transfer.

(ii) If the acquiring employing unit was not an employer subject to this act prior to the date of the transfer, the successor employer shall have a newly computed rate for the remainder of the contribution year which shall be based on the transferred experience rating factors as they existed on the most recent computation date immediately preceding the date of acquisition. These experience rating factors consist of all contributions paid, benefit experience and annual payrolls.

(5) Whenever an employing unit is not an employer at the time it acquires the trade or business of an employer, the unemployment experience factors of the acquired business shall not be transferred to such employing unit if the secretary finds that such employing unit acquired the business solely or primarily for the purpose of obtaining a lower rate of contributions. Instead, such employing unit shall be assigned the applicable industry rate for a "new employer" as described in subsection (a)(1) of this section. In determining whether the business was acquired solely or primarily for the purpose of obtaining a lower rate of contributions, the secretary shall use objective factors which may include the cost of acquiring the business, whether the employer continued the business enterprise of the acquired business, how long such business enterprise was continued, or whether a substantial number of new employees were hired for performance of duties unrelated to the business activity conducted prior to acquisition.

(6) Whenever an employer's account has been terminated as provided in subsections (d) and (e) of K.S.A. 44-711, and amendments thereto, and the employer continues with employment to liquidate the business operations, that employer shall continue to be an "employer" subject to the employment security law as provided in subsection (h)(8) of K.S.A. 44-703, and amendments thereto. The rate of contribution from the date of transfer to the end of the then current calendar year shall be the same as the contribution rate prior to the date of the transfer. At the completion of the then current calendar year, the rate of contribution shall be that of a "new employer" as described in subsection (a)(1) of this section.

(7) No rate computation will be permitted an employing unit succeeding to the experience of another employing unit pursuant to this section for any period subsequent to such succession except in accordance with rules and regulations adopted by the secretary. Any such regulations shall be consistent with federal requirements for additional credit allow-

ance in section 3303 of the federal internal revenue code of 1986, and consistent with the provisions of this act.

(c) *Voluntary contributions.* Notwithstanding any other provision of the employment security law, any employer may make voluntary payments for the purpose of reducing or maintaining a reduced rate in addition to the contributions required under this section. Such voluntary payments may be made only during the thirty-day period immediately following the date of mailing of experience rating notices for a calendar year. All such voluntary contribution payments shall be paid prior to the expiration of 120 days after the beginning of the year for which such rates are effective. The amount of voluntary contributions shall be credited to the employer's account as of the next preceding computation date and the employer's rate shall be computed accordingly, except that no employer's rate shall be reduced more than five rate groups as provided in schedule I of this section as the result of a voluntary payment. An employer not having a negative account balance may have such employer's rate reduced not more than five rate groups as provided in schedule I of this section as a result of a voluntary payment. An employer having a negative account balance may have such employer's rate reduced to that prescribed for rate group 51 of schedule I of this section by making a voluntary payment in the amount of such negative account balance or to that rate prescribed for rate groups 50 through 47 of schedule I of this section by making an additional voluntary payment that would increase such employer's reserve ratio to the lower limit required for such rate groups 50 through 47. Under no circumstances shall voluntary payments be refunded in whole or in part.

(d) As used in this section, "negative account balance employer" means an eligible employer whose total benefits charged to such employer's account for all past years have exceeded all contributions paid by such employer for all such years.

(e) There is hereby established in the state treasury, separate and apart from all public moneys or funds of this state, an employment security interest assessment fund, which shall be administered by the secretary as provided in this act. Moneys in the employment security fund established by K.S.A. 44-712, and amendments thereto, and employment security interest assessment fund established by 44-710, and amendments thereto, shall not be invested in the pooled money investment portfolio established under K.S.A. 75-4234, and amendments thereto. Notwithstanding the provisions of subsection (a) of K.S.A. 44-712, K.S.A. 44-716, K.S.A. 44-717 and K.S.A. 75-4234, and amendments thereto, or any like provision the secretary shall remit all moneys received from employers pursuant to the interest payment assessment established in section (a)(2)(E), and amendments thereto, to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the employment security interest assessment fund. All moneys in this fund which are received from employers pursuant to the interest payment assessment established in section (a)(2)(E), and amendments thereto, shall be expended solely for the purposes and in the amounts found by the secretary necessary to pay any principal and interest due and owing the United States department of labor resulting from any advancements made to the Kansas employment security fund pursuant to the provisions of title XII of the social security act (42 U.S.C. §§ 1321 to 1324) except as may be otherwise provided under section (a)(2)(E), and amendments thereto. Notwithstanding any provision of this section, all moneys received and credited to this fund pursuant to section (a)(2)(E), and amendments thereto, pursuant to section (a)(2)(E), and amendments thereto, shall remain part of the employment security interest assessment fund and shall be used only in accordance with the conditions specified in section (a)(2)(E), and amendments thereto.

(f) The secretary of labor shall annually prepare and submit a certification as to the solvency and adequacy of the amount credited to the state of Kansas' account in the federal employment security trust fund to the governor and the ~~employment security advisory~~ legislative coordinating council. The certification shall be submitted on or before December 1 of each calendar year and shall be for the 12-month period ending on June 30 of that calendar year. In arriving at the certification contributions paid on or before July 31 following the 12-month period ending date of

June 30 shall be considered. Each certification shall be used to determine the need for any adjustment to schedule III in subsection (a)(3)(A) and to assist in preparing legislation to accomplish any such adjustment.

Sec. 9. K.S.A. 2012 Supp. 44-710b is hereby amended to read as follows: 44-710b. (a) *By the secretary of labor.* The secretary of labor shall promptly notify each contributing employer of its rate of contributions, each rated governmental employer of its benefit cost rate and each reimbursing employer of its benefit liability as determined for any calendar year pursuant to K.S.A. 44-710 and 44-710a, and amendments thereto, *on or before November 30 of the calendar year immediately preceding the calendar year in which such rate takes effect.* Such determination shall become conclusive and binding upon the employer unless, within 15 days after the mailing of notice thereof to the employer's last known address or in the absence of mailing, within 15 days after the delivery of such notice, the employer files an application for review and redetermination, setting forth the reasons therefor. If the secretary of labor grants such review, the employer shall be promptly notified thereof and shall be granted an opportunity for a fair hearing, but no employer shall have standing, in any proceeding involving the employer's rate of contributions or benefit liability, to contest the chargeability to the employer's account of any benefits paid in accordance with a determination, redetermination or decision pursuant to subsection (c) of K.S.A. 44-710, and amendments thereto, except upon the ground that the services on the basis of which such benefits were found to be chargeable did not constitute services performed in employment for the employer and only in the event that the employer was not a party to such determination, redetermination or decision or to any other proceedings under this act in which the character of such services was determined. Any such hearing conducted pursuant to this section shall be heard in the county where the contributing employer maintains its principal place of business. The hearing officer shall render a decision concerning all matters at issue in the hearing within 90 days.

(b) *Judicial review.* Any action of the secretary upon an employer's timely request for a review and redetermination of its rate of contributions or benefit liability, in accordance with subsection (a), is subject to review in accordance with the Kansas judicial review act. Any action for such review shall be heard in a summary manner and shall be given precedence over all other civil cases except cases arising under subsection (i) of K.S.A. 44-709, and amendments thereto, and the workmen's compensation act.

(c) *Periodic notification of benefits charged.* The secretary of labor may provide by rules and regulations for periodic notification to employers of benefits paid and chargeable to their accounts or of the status of such accounts, and any such notification, in the absence of an application for redetermination filed in such manner and within such period as the secretary of labor may prescribe, shall become conclusive and binding upon the employer for all purposes. Such redeterminations, made after notice and opportunity for hearing, and the secretary's findings of facts in connection therewith may be introduced in any subsequent administrative or judicial proceedings involving the determination of the rate of contributions of any employer for any calendar year and shall be entitled to the same finality as is provided in this subsection with respect to the findings of fact made by the secretary of labor in proceedings to redetermine the contribution rate of an employer. The review or any other proceedings relating thereto as provided for in this section may be heard by any duly authorized employee of the secretary of labor and such action shall have the same effect as if heard by the secretary.

Sec. 10. K.S.A. 2012 Supp. 44-714 is hereby amended to read as follows: 44-714. (a) *Duties and powers of secretary.* It shall be the duty of the secretary to administer this act and the secretary shall have power and authority to adopt, amend or revoke such rules and regulations, to employ such persons, make such expenditures, require such reports, make such investigations, and take such other action as the secretary deems necessary or suitable to that end. Such rules and regulations may be adopted, amended, or revoked by the secretary only after public hearing or opportunity to be heard thereon. The secretary shall determine the organization and methods of procedure in accordance with the provisions

of this act, and shall have an official seal which shall be judicially noticed. The secretary shall make and submit reports for the administration of the employment security law in the manner prescribed by K.S.A. 75-3044 to 75-3046, inclusive, and 75-3048, and amendments thereto. Whenever the secretary believes that a change in contribution or benefit rates will become necessary to protect the solvency of the fund, the secretary shall promptly so inform the governor and the legislature, and make recommendations with respect thereto.

(b) *Publication.* The secretary shall cause to be printed for distribution to the public the text of this act, the secretary's rules and regulations and any other material the secretary deems relevant and suitable and shall furnish the same to any person upon application therefor.

(c) *Personnel.* (1) Subject to other provisions of this act, the secretary is authorized to appoint, fix the compensation, and prescribe the duties and powers of such officers, accountants, deputies, attorneys, experts and other persons as may be necessary in carrying out the provisions of this act. The secretary shall classify all positions and shall establish salary schedules and minimum personnel standards for the positions so classified. The secretary shall provide for the holding of examinations to determine the qualifications of applicants for the positions so classified, and, except to temporary appointments not to exceed six months in duration, shall appoint all personnel on the basis of efficiency and fitness as determined in such examinations. The secretary shall not appoint or employ any person who is an officer or committee member of any political party organization or who holds or is a candidate for a partisan elective public office. The secretary shall adopt and enforce fair and reasonable rules and regulations for appointment, promotions and demotions, based upon ratings of efficiency and fitness and for terminations for cause. The secretary may delegate to any such person so appointed such power and authority as the secretary deems reasonable and proper for the effective administration of this act, and may in the secretary's discretion bond any person handling moneys or signing checks under the employment security law.

(2) No employee engaged in the administration of the employment security law shall directly or indirectly solicit or receive or be in any manner concerned with soliciting or receiving any assistance, subscription or contribution for any political party or political purpose, other than soliciting and receiving contributions for such person's personal campaign as a candidate for a nonpartisan elective public office, nor shall any employee engaged in the administration of the employment security law participate in any form of political activity except as a candidate for a nonpartisan elective public office, nor shall any employee champion the cause of any political party or the candidacy of any person other than such person's own personal candidacy for a nonpartisan elective public office. Any employee engaged in the administration of the employment security law who violates these provisions shall be immediately discharged. No person shall solicit or receive any contribution for any political purpose from any employee engaged in the administration of the employment security law and any such action shall be a misdemeanor and shall be punishable by a fine of not less than \$100 nor more than \$1,000 or by imprisonment in the county jail for not less than 30 days nor more than six months, or both.

~~(d) *Advisory councils.* The secretary shall appoint a state employment security advisory council and may appoint local advisory councils, composed in each case of men and women which shall include an equal number of employer representatives and employee representatives who may fairly be regarded as representative because of their vocation, employment, or affiliations, and of such members representing the general public as the secretary may designate. Each such member shall serve a four-year term. On July 1, 1996, the secretary shall designate term lengths for seated members of the council. One-half of the seated members representing employers, 1/2 of the seated members representing employees and 1/2 of the members representing the general public shall be designated by the secretary to serve two-year terms. The remaining seated members of the council shall be designated to serve four-year terms. When the term of any member expires, the secretary shall appoint the member's successor to a four-year term. If a position on the council becomes vacant prior to the expiration of the vacating member's term, the secretary may appoint an otherwise qualified individual to fulfill the re-~~

~~mainder of such unexpired term. Such councils shall aid the secretary in formulating policies and discussing problems related to the administration of this act and in securing impartiality and freedom from political influence in the solution of such problems. Members of the state employment security advisory council attending meetings of such council, or attending a subcommittee meeting thereof authorized by such council, shall be paid amounts provided in subsection (e) of K.S.A. 75-3223, and amendments thereto. Service on the state employment security advisory council shall not in and of itself be sufficient to cause any member of the state employment security advisory council to be classified as a state officer or employee.~~

~~(e)~~ *Employment stabilization.* The secretary, with the advice and aid of the secretary's advisory councils and through the appropriate divisions of the department of labor, shall take all appropriate steps to reduce and prevent unemployment; to encourage and assist in the adoption of practical methods of vocational training, retraining and vocational guidance; to investigate, recommend, advise, and assist in the establishment and operation, by municipalities, counties, school districts and the state, of reserves for public works to be used in time of business depression and unemployment; to promote the reemployment of unemployed workers throughout the state in every other way that may be feasible; and to these ends to carry on and publish the results of investigations and research studies.

~~(f)~~ *(e) Records and reports.* Each employing unit shall keep true and accurate work records, containing such information as the secretary may prescribe. Such records shall be open to inspection and subject to being copied by the secretary or the secretary's authorized representatives at any reasonable time and shall be preserved for a period of five years from the due date of the contributions or payments in lieu of contributions for the period to which they relate. Only one audit shall be made of any employer's records for any given period of time. Upon request the employing unit shall be furnished a copy of all findings by the secretary or the secretary's authorized representatives, resulting from such audit. A special inquiry or special examination made for a specific and limited purpose shall not be considered to be an audit for the purpose of this subsection. The secretary may require from any employing unit any sworn or unsworn reports, with respect to persons employed by it, which the secretary deems necessary for the effective administration of this act. Information thus obtained or obtained from any individual pursuant to the administration of this act shall be held confidential, except to the extent necessary for the proper presentation of a claim by an employer or employee under the employment security law, and shall not be published or be open to public inspection, other than to public employees in the performance of their public duties, in any manner revealing the individual's or employing unit's identity. Any claimant or employing unit or their representatives at a hearing before an appeal tribunal or the secretary shall be supplied with information from such records to the extent necessary for the proper presentation of the claim. The transcript made at any such benefits hearing shall not be discoverable or admissible in evidence in any other proceeding, hearing or determination of any kind or nature. In the event of any appeal of a benefits matter, the transcript shall be sealed by the hearing officer and shall be available only to any reviewing authority who shall reseal the transcript after making a review of it. In no event shall such transcript be deemed a public record. Nothing in this subsection-~~(f)~~ *(e)* shall be construed to prohibit disclosure of any information obtained under the employment security law, including hearing transcripts, upon request of either of the parties, for the purpose of administering or adjudicating a claim for benefits under the provisions of any other state program, except that any party receiving such information shall be prohibited from further disclosure and shall be subject to the same duty of confidentiality otherwise imposed by this subsection-~~(f)~~ *(e)* and shall be subject to the penalties imposed by this subsection-~~(f)~~ *(e)* for violations of such duty of confidentiality. Nothing in this subsection-~~(f)~~ *(e)* shall be construed to prohibit disclosure of any information obtained under the employment security law, including hearing transcripts, for use as evidence in open court in a criminal prosecution for perjury at an appeal hearing under the employment security law or for any criminal violation of the employment security law. If the secretary or any officer

or employee of the secretary violates any provisions of this subsection ~~(f)~~ (e), the secretary or such officer or employee shall be fined not less than \$20 nor more than \$200 or imprisoned for not longer than 90 days, or both. Original records of the agency and original paid benefit warrants of the state treasurer may be made available to the employment security agency of any other state or the federal government to be used as evidence in prosecution of violations of the employment security law of such state or federal government. Photostatic copies of such records shall be made and where possible shall be substituted for original records introduced in evidence and the originals returned to the agency.

~~(g)~~ (f) *Oaths and witnesses.* In the discharge of the duties imposed by the employment security law, the chairperson of an appeal tribunal, an appeals referee, the secretary or any duly authorized representative of the secretary shall have power to administer oaths and affirmations, take depositions, issue interrogatories, certify to official acts, and issue subpoenas to compel the attendance of witnesses and the production of books, papers, correspondence, memoranda and other records deemed necessary as evidence in connection with a disputed claim or the administration of the employment security law.

~~(h)~~ (g) *Subpoenas, service.* Upon request, service of subpoenas shall be made by the sheriff of a county within that county, by the sheriff's deputy, by any other person who is not a party and is not less than 18 years of age or by some person specially appointed for that purpose by the secretary of labor or the secretary's designee. A person not a party as described above or a person specially appointed by the secretary or the secretary's designee to serve subpoenas may make service any place in the state. The subpoena shall be served as follows:

(1) *Individual.* Service upon an individual, other than a minor or incapacitated person, shall be made: (A) By delivering a copy of the subpoena to the individual personally;; (B) by leaving a copy at such individual's dwelling house or usual place of abode with some person of suitable age and discretion then residing therein;; (C) by leaving a copy at the business establishment of the employer with an officer or employee of the establishment;; (D) by delivering a copy to an agent authorized by appointment or by law to receive service of process, but if the agent is one designated by a statute to receive service, such further notice as the statute requires shall be given;; or (E) if service as prescribed above in ~~clauses~~ *subparagraphs* (A), (B), (C) or (D) cannot be made with due diligence, by leaving a copy of the subpoena at the individual's dwelling house, usual place of abode or usual business establishment, and by mailing a notice by first-class mail to the place that the copy has been left.

(2) *Corporations and partnerships.* Service upon a domestic or foreign corporation or upon a partnership or other unincorporated association, when by law it may be sued as such, shall be made by delivering a copy of the subpoena to an officer, partner or resident managing or general agent thereof, or by leaving the copy at any business office of the employer with the person having charge thereof or by delivering a copy to any other agent authorized by appointment or required by law to receive service of process, if the agent is one authorized by law to receive service and, if the law so requires, by also mailing a copy to the employer.

(3) *Refusal to accept service.* In all cases when the person to be served, or an agent authorized by such person to accept service of petitions and summonses shall refuse to receive copies of the subpoena, the offer of the duly authorized process server to deliver copies thereof and such refusal shall be sufficient service of such subpoena.

(4) *Proof of service.* (A) Every officer to whom a subpoena or other process shall be delivered for service within or without the state, shall make return thereof in writing stating the time, place and manner of service of such writ and shall sign such officer's name to such return.

(B) If service of the subpoena is made by a person appointed by the secretary or the secretary's designee to make service, or any other person described in subsection ~~(h)~~ (g) of this section, such person shall make an affidavit as to the time, place and manner of service thereof in a form prescribed by the secretary or the secretary's designee.

(5) *Time for return.* The officer or other person receiving a subpoena shall make a return of service promptly and shall send such return to the secretary or the secretary's designee in any event within 10 days after the service is effected. If the subpoena cannot be served it shall be returned

to the secretary or the secretary's designee within 30 days after the date of issue with a statement of the reason for the failure to serve the same.

(h) *Subpoenas, enforcement.* In case of contumacy by or refusal to obey a subpoena issued to any person, any court of this state within the jurisdiction of which the inquiry is carried on or within the jurisdiction of which such person guilty of contumacy or refusal to obey is found, resides or transacts business, upon application by the secretary or the secretary's duly authorized representative, shall have jurisdiction to issue to such person an order requiring such person to appear before the secretary, or the secretary's duly authorized representative, to produce evidence, if so ordered, or to give testimony relating to the matter under investigation or in question. Failure to obey such order of the court may be punished by the court as a contempt thereof. Any person who, without just cause, shall fail or refuse to attend and testify or to answer any lawful inquiry or to produce books, papers, correspondence, memoranda or other records in obedience to the subpoena of the secretary or the secretary's duly authorized representative shall be punished by a fine of not less than \$200 or by imprisonment of not longer than 60 days, or both, and each day such violation continued shall be deemed to be a separate offense.

(i) *State-federal cooperation.* In the administration of this act, the secretary shall cooperate to the fullest extent consistent with the provisions of this act, with the federal security agency, shall make such reports, in such form and containing such information as the federal security administrator may from time to time require, and shall comply with such provisions as the federal security administrator may from time to time find necessary to assure the correctness and verification of such reports; and shall comply with the regulations prescribed by the federal security agency governing the expenditures of such sums as may be allotted and paid to this state under title III of the social security act for the purpose of assisting in the administration of this act. Upon request therefor the secretary shall furnish to any agency of the United States charged with the administration of public works or assistance through public employment, the name, address, ordinary occupation, and employment status of each recipient of benefits and such recipient's rights to further benefits under this act.

(j) *Reciprocal arrangements.* The secretary shall participate in making reciprocal arrangements with appropriate and duly authorized agencies of other states or of the federal government, or both, whereby:

(1) Services performed by an individual for a single employing unit for which services are customarily performed in more than one state shall be deemed to be services performed entirely within any one of the states: (A) In which any part of such individual's service is performed; (B) in which such individual maintains residence; or (C) in which the employing unit maintains a place of business, provided there is in effect as to such services, an election, approved by the agency charged with the administration of such state's unemployment compensation law, pursuant to which all the services performed by such individual for such employing units are deemed to be performed entirely within such state;

(2) service performed by not more than three individuals, on any portion of a day but not necessarily simultaneously, for a single employing unit which customarily operates in more than one state shall be deemed to be service performed entirely within the state in which such employing unit maintains the headquarters of its business; provided that there is in effect, as to such service, an approved election by an employing unit with the affirmative consent of each such individual, pursuant to which service performed by such individual for such employing unit is deemed to be performed entirely within such state;

(3) potential rights to benefits accumulated under the employment compensation laws of one or more states or under one or more such laws of the federal government, or both, may constitute the basis for the payments of benefits through a single appropriate agency under terms which the secretary finds will be fair and reasonable as to all affected interests and will not result in any substantial loss to the fund;

(4) wages or services, upon the basis of which an individual may become entitled to benefits under an unemployment compensation law of another state or of the federal government, shall be deemed to be wages for insured work for the purpose of determining such individual's rights

Sec. 11. K.S.A. 2012 Supp. 44-719 is hereby amended to read as follows: 44-719. (a) Any person who makes a false statement or representation knowing it to be false or knowingly fails to disclose a material fact, to obtain or increase any benefit or other payment under this act, either for such person or for any other person, shall be guilty of theft and shall be punished in accordance with the provisions of K.S.A. 2012 Supp. 21-5801, and amendments thereto.

(b) Any employing unit or any officer or agent for any employing unit or any other person who makes a false statement or representation knowing it to be false, or who knowingly fails to disclose a material fact, to prevent or reduce the payment of benefits to any individual entitled thereto, or to avoid becoming or remaining subject hereto or to avoid or reduce any contribution or other payment required from an employing unit under this act, or who willfully fails or refuses to make any such contributions or other payment or to furnish any reports required hereunder or to produce or permit the inspection or copying of records as required hereunder, shall be punished by a fine of not less than \$20 nor more than \$200, or by imprisonment for not longer than 60 days, or both such fine and imprisonment. Each such false statement or representation or failure to disclose a material fact and each day of such failure or refusal shall constitute a separate offense.

(c) Any person who willfully violates any provision of this act or any rule and regulation adopted by the secretary hereunder, the violation of which is made unlawful or the observance of which is required under the terms of this act, and for which a penalty is neither prescribed herein or provided by any other applicable statute, shall be punished by a fine of not less than \$20 nor more than \$200, or by imprisonment for not longer than 60 days, or by both such fine and imprisonment, and each day such violation continues shall be deemed to be a separate offense.

(d) (1) Any person who has received any amount of money as benefits under this act while any conditions for the receipt of benefits imposed by this act were not fulfilled in such person's case, or while such person was disqualified from receiving benefits, shall in the discretion of the secretary, either be liable to have such amount of money deducted from any future benefits payable to such person under this act or shall be liable to repay to the secretary for the employment security fund an amount of money equal to the amount so received by such person. After a period of five years, the secretary may waive the collection of any such amount of money when the secretary has determined that the payment of such amount of money was not due to fraud, misrepresentation, or willful nondisclosure on the part of the person receiving such amount of money, and the collection thereof would be against equity or would cause extreme hardship with regard to such person. The collection of benefit overpayments which were made in the absence of fraud, misrepresentation or willful nondisclosure of required information on the part of the person who received such overpayments, may be waived by the secretary at any time if such person met all eligibility requirements of the employment security law during the weeks in which the overpayments were made.

(2) Any benefit erroneously paid which is not repaid shall bear interest at the rate of 1.5% per month or fraction of a month. If the benefit was received as a result of fraud, misrepresentation or willful nondisclosure of required information, interest shall accrue from the date of the final determination of overpayment until repayment plus interest is received by the secretary. If the overpayment was without fraud, misrepresentation or willful nondisclosure of required information, interest shall accrue upon any balance which remains unpaid two years after the final determination of overpayment is made and shall continue until payment plus accrued interest is received by the secretary. Interest collected pursuant to this section shall be paid into the special employment security fund, except that interest collected on federal administrative programs shall be returned to the federal government. Upon written request and for good cause shown, the secretary may abate any interest or portion

thereof provided for by this subsection (d)(2). Interest accrued may not be paid by money deducted from any future benefits payable to such persons liable for any overpayment.

(3) Unless collection is waived by the secretary, any such amount shall be collectible in the manner provided in ~~subsection (b)~~ of K.S.A. 44-717, and amendments thereto, for the collection of past due contributions. The courts of this state shall in like manner entertain actions to collect amounts of money erroneously paid as benefits, or unlawfully obtained, for which liability has accrued under the employment security law of any other state or of the federal government.

(4) *In cases involving the collection of debts arising from the employment security law, the actual amount received from the United States department of treasury under the treasury offset program or its successor shall be credited to the overpayment and any fee charged by the department of treasury shall be borne by the debtor.*

(e) Any employer or person who willfully fails or refuses to pay contributions, payments in lieu of contributions or benefit cost payments or attempts in any manner to evade or defeat any such contributions, payments in lieu of contributions or benefit cost payments or the payment thereof, shall be liable for the payment of such contributions, payments in lieu of contributions or benefit cost payments and, in addition to any other penalties provided by law, shall be liable to pay a penalty equal to the total amount of the contributions, payments in lieu of contributions or benefit cost payments evaded or not paid.

(f) (1) It shall be unlawful for an employing unit to knowingly obtain or attempt to obtain a reduced liability for contributions under subsection (b)(1) of K.S.A. 44-710a, and amendments thereto, through manipulation of the employer's workforce, or for an employing unit that is not an employing unit at the time it acquires the trade or business, to knowingly obtain or attempt to obtain a reduced liability for contributions under subsection (b)(5) of K.S.A. 44-710a, and amendments thereto, or any other provision of K.S.A. 44-710a, and amendments thereto, related to determining the assignment of a contribution rate, when the sole or primary purpose of the business acquisition was for the purpose of obtaining a lower rate of contributions, or for a person to knowingly advise an employing unit in such a way that results in such a violation, such employing unit or person shall be subject to the following penalties:

(A) If the person is an employer, then such employer shall be assigned the highest rate assignable under K.S.A. 44-710a, and amendments thereto, for the rate year during which such violation or attempted violation occurred and the three rate years immediately following this rate year. However, if the employer's business is already at such highest rate for any year, or if the amount of increase in the employer's rate would be less than 2% for such year, then a penalty rate of contributions of 2% of taxable wages shall be imposed for such year. Any moneys resulting from the difference of the computed rate and the penalty rate shall be remitted to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the special employment security fund.

(B) If the person is not an employer, such person shall be subject to a civil money penalty of not more than \$5,000. All fines assessed and collected under this section shall be remitted to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the special employment security fund.

the possession of the division of employment security which relates to such violation, may be forwarded to the prosecuting attorney in the county in which the act or any of the acts were performed which constitute a violation of this subsection (f). Any case which a county or district attorney fails to prosecute within 90 days shall be returned promptly to the director of employment security. The special assistant attorney general assigned to the Kansas department of labor shall then prosecute the case, if, in the opinion of the special assistant attorney general, the acts or practices involved still warrant prosecution.

(B) Violation of this subsection (f) shall be a level 9, nonperson felony.
